FALL ISSUE

"Lets Get Acquainted"

Rather new to the square dance world, RAY & PAM ZELIFF entered a class of the Mountain Squares in the fall of '65. Classes twice a week got them in the mood for going and they have been on the run ever since graduation. Secretary and Treasurers, respectively, of the Mountain Squares during the 1966-67 season they served as Presidents during 1967-68 and simultaneously acted as advisors to the NNJSDA Presidents, Jack & Carol DeCoste. When not dancing or camping (during vacations the family takes off with their basset hound for points some thousands of miles away, with the sixteen ft. coach trailer on the back of the car - with the canoe atop the car) Pam serves as a volunteer at the Morristown Memorial Hospital. Ray is also the Chairman of the New York Chapter of the American Theatre Organ Enthusiasts with the entire family (son, Eric, being the real organist of the family) spending many hours in theatres where ATOE has restored the mighty Wurlitzer pipe organs. Having quite literally worn out several pairs of shoes at dances, RAY & PAM take over this season as our 9th NNJSDA Presidents.

RUTGERS-DOUGLASS PROMENADERS -- New Brunswick, N.J.
alternate Thursdays Bartlett Hall, Rutgers University

Our club has been steadily increasing in numbers each year and we are looking forward to a very enjoyable year in 1968-1969. Fall dance dates are Sept. 12,26; Oct. 10,24; Nov. 7,21 & Dec. 5,12. Art Seele is our caller with dances held in the Bartlett Hall Auditorium in the College of Agriculture & Environmental Science. See the map. As a club composed mainly of college students it is not practical for us to conduct separate classes. Therefore the lessons are incorporated into our regularly scheduled dances. Visitors are always welcome.

Secretary - Linda Sue Brown

HILL CITY SQUARES -- Summit, N.J.
1 & 3 TUESDAYS Wilson School, Beekman Terrace

We will start the season at the same location with the same caller, Manny Amor, but with a different day. So please put down on your calendar Hill City is 1 & 3 Tuesdays of the month - first dance Sept. 17. Two other dates worthy of putting on your calendar for the coming season are October 29 (this fall) and April 29 (next spring). These are the special nights reserved for Jim Cargill, who needs no introduction to Jerseyites. We anticipate the usual good time when Big Daddy puts us through the paces.

We are also planning a class during the coming season (for more info see pg. 17). Bruce Vertun will do the instruction and last year's class is proof of what can result from his fine teaching.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.
1 & 3 Saturdays St. Adalberts Hall - 363 Morningstar Rd.

We held our last dance June 15. Manny called so great that everyone wished it was our first dance....and now it is time for our first! John & Kay Adams cued the rounds. we ended the evening with our usual buffet, all home made goodies. This is being written from the Americus Hotel in Allentown, our BIG-TOP week-end. Words cannot express the happenings. The theme of our week-end was, as you must have guessed, Circus Time. Our big Friday Night attraction was the blast off of the Great Goo-Gootz....being shot out of our cannon. The excitement and the tension of this event was priceless. Saturday, in the middle of many games, our usual Bathing Beauty contest was won by Don Abramson. A treasure Hunt and a very unusual fairy tale "Little Top Riding Hood" written by Vee Mason. It was a hilarious all male cast. We were paid a visit by Tiny Tim and John and Marsha. Our callers Manny Amor and Frannie Heintz and Round Dance Instructors Kay & John Adams were the greatest.

New officers are Jim & Mary Colon pres., Gene & Grace Lucarini, veeps, Arthur & Madeline Volsario treas., Matty & Beverly Blaine rec. sec., and Vinny & Mary Vasta cor. sec.. Classes will be starting soon. Please call for more information. reporters - Tony & Gloria Buffa 212-987-5534

GARDEN STATE SQUARE DANCE CAMPERS

Despite mosquitoes in June, rocks and dust in July, rain in August and Back-to-school problems in September, we had a very good season. We saw some new campers join our group but missed some of the regulars. If over the summer the camping bug bit you, we dance second weekends June thru Sept. so plan to be with us next year...one thing we'll guarantee you besides lots of fun and dancing for you and the family is that life is never dull on our campouts.

SWINGIN' STARS -- Maywood, N.J.

2 & 4 Saturdays

Maywood Avenue School

Meet us at our new location at the Maywood Avenue School on Maywood Avenue, Maywood - south of route 4, near Passaic St. We started Sept. 14 with Jerry Salisbury calling. Thereafter we will dance as usual with Manny Amor on the 4th Saturday and Dick Jones on the 2nd. It's the cross-road of Bergen County near routes 4 & 17 and easy for all to reach. As a great added attraction Bud & Betty Sibbald and Mildred & Dan Hulin will continue the round dance workshop 7:30-8:30 before each dance. It was nice to see Mildred at the Max Forsythe dance fully recovered from her fall. To all you people who had such a good time at that dance - and to the few who may have missed it- he'll be back on July 16, 1969. Mark your datebook now! And Jay King is scheduled for April. Martin & Marilyn Graber are continuing the good work of the Buratovich, Bonneaus and other presidents by planning a great season of dancing for us.

This year we hope to be able to include more rounds for those who like them, between tips. And after refreshments, Jim usually puts on a few more difficult numbers to challenge our skills. Why don't y'all come on over to Tenafly and dance with us? You'll see what you've been missing.

2 & 4 Tuesdays

Cedar Hill School Gym

Summer's over and we just can't wait to see all our friends again as the fall season gets underway. Our first dance was Sept. 10 - a sort of work-shop dance to help get us back in shape after the summer slump. Well, some of us slumped. Others danced their way around the country to places like Florida, Omaha, not to mention here and there in good old New Jersey. We are happy to be able to tell you that our caller is still Vin Caruso, who gave us such good times last year. We will be sponsoring a class again this year - (see pg. 17). If you have friends in this area who are interested please let us know.

Just one more line to plug our special dance on October 22 with Bob Yerington. Many of you danced with us when he called for us last year. For those of you who weren't able to make it then, well -- who said that opportunity never comes again? More details - see our ad.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

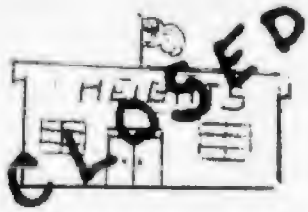

Ramapo's Family Picnic, held June 29th at Shepherd Lake, was the best ever! A glorious sunny day brought out about 150 picnickers, including many youngsters. Room for 5 sets, on cement and grass, was kept filled in a 2-hour session enjoyed as much by the spectators as by the dancers.

Another summer experience - unique and short-lived - was our participation in Ringwood Borough's Golden Jubilee Festival. Two sets turned up on a hot Saturday only to find that the available electric power was inadequate for the P.A. system. In the array of fire engines on review was a beautiful white engine which had won 2nd place in the judging. Its crew kindly offered to give us power from their generator. All went well for about half an hour, with some 75 folks participating. Then, right in the middle of our demonstration tip, the sound petered out with a slow groan. We were assured our use of the power didn't harm the generator and that a faulty starter was the culprit. But so ended the dancing. Does this entitle somebody to a Fire Engine badge or something?

Sunday night sessions at the Ramapo Mt. Lakes Club will continue thru Sept. 22, followed by "Open House" on the 29th for prospective new dancers for whom classes will start Oct. 6.

A very serious problem has faced us all summer. Not until this writing did we know whether Ramapo had a home for the coming season. It is with great relief that we are able to announce that we will continue at the Heights School starting Sept. 29th. Our callers will again be Beulah Samec and Lee Kopman, with visiting callers in November and April. Round dances will be conducted by the Tirrells who will give a half-hour of rounds starting at 8 PM. PLEASE read page 17 . We hope all our friends will cooperate with us.

reporter - Vi Clapp 337-7578

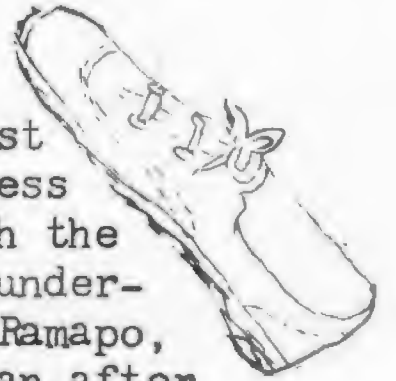

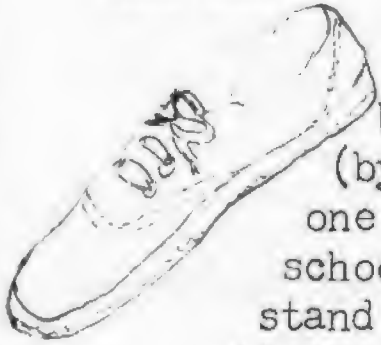

A very serious problem has worried RAMAPO SQUARES - whether or not they would have a place to dance this season.

Because of a very costly floor renovation and redecoration of the school gym, the Oakland Board of Education ruled that the school could no longer be used for other than school activities. Only after weeks of discussions, meetings, concessions and promises made by us have we finally been given permission to continue using the school. (ED. Note - all during this time they searched fruitlessly for a new place)

However, it is absolutely imperative that men dancers wear sneakers and gals wear soft-soled, no-heel, ballet type S/D slippers, or sneakers. NO heeled, leather-soled shoes permitted. Also, it is important that this approved footwear be used indoors only. That is, it should not be worn enroute to the dance because of sand, etc., which may become imbedded in the soles and scratch the floor.

Unless one has been through the nightmare of almost (by a hair) losing a very desirable school, and unless one has seen the beautiful, expensive new floor which the school wishes to protect, it perhaps will be hard to understand and accept these rules about footwear. But for Ramapo, it is a matter of life or death, and we have agreed to an after dance inspection, and to pay for any damages to the floor.....

This problem - and solution - is not new; we are only copying clubs of other areas who are dancing successfully in sneakers. It is hoped our S/D friends will understand our problem and continue to enjoy dancing with Ramapo Squares. Should anyone forget to bring the proper footwear - heavy socks will be furnished. Thank you for your cooperation. See you in Oakland.

MOUNTAIN SQUARES -- Parsippany, N.J.

1 & 3 Mondays

Brooklawn Jr. High School, Rt. 202

Again we are getting back to the swing of things after a few months lull in our schedule. Due to unforeseen circumstances, we had to cancel our summer dances. To those of you whom we were unable to get in touch with, we are sorry for any inconvenience it caused. Our Curley Custer Dance in May was a huge success. 26 + squares turned out. Thank you, everyone. Curley called an excellent dance. Hearing the many "hoots" and "howls" from the floor, you all must have enjoyed it too.

On Dec. 2 we will have a special - Marshall Flipppo; and Feb. 17, 1969 Ron Schneider will be our guest. Mark these on your calendar now for the specials not to be missed. Mountain Squares past presidents, Ray & Pam, are NNJSDA presidents this year. I know from past experience working with them the Association will benefit with their leadership. Success to you both. This year Caryl & Shirley Pettijohn are our presidents; Al & Evelyn Hark secretaries and Wes & Irene Sharples, treasurers. Again this year, Bill & Dot Keller will be instructing the round dances. See you all on the dance floor.

IRONIA REELERS -- Ironia, N.J.
 1 & 3 Fridays Elementary School, Dover-Chester Road

There seems to have been more summer dancing available the recent "off season" than ever before and many of the Reelers have taken full advantage of it to keep themselves in trim. Our mid-summer picnic and dance took place on August 2. The viands so generously furnished by the ladies of the club were in line with their usual excellence and abundance. However, a hearty dance was enjoyed after RFF (Recovery From the Feast).

A beginners class is being planned to begin in October -(see pg. 17) There will be a FREE DANCE (come one, come all) at the Elementary School September 25. The purpose is to introduce new people to square dancing. Regular dances start September 20. Come see us.

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturdays

Bloomington School, Bloomington Ave.

We have a NEW location! It was our good fortune to obtain an excellent hall with a wood floor in Cranford. The school is very convenient to the parkway. Again this year we will dance to the fine calling of Bob Kellogg; Bob & Jean will also handle the round dancing. R/D hour is 7:30-8:30 and S/D from 8:30-11, followed by refreshments. Don't miss our special dances scheduled for December 7 with Buzz Chapman, that exciting caller from Northampton, Mass. and March 1 when smooth-calling Paul Andrews from Lancaster, Pa. will be our guest. If you would like a flier containing our calendar and a map to our new location, please contact the Burnettes, 60 Mountain Avenue, Warren Township, N.J.

It is with genuine sadness that we bid farewell to Edith & Bob Thompson, who have made such a great contribution to round dancing in this area. Bob has been transferred to Richmond, Va. The Thompsons carry with them our thanks for much dancing pleasure and best wishes for the future. We will look forward to dancing with Edith and Bob when they are in our area.

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School, Brookside Avenue

After a summer of relaxation we began the dancing season with an outdoor Missionary Dance early in September. And by the time you read this our first regular 3rd Friday club dance will probably be memory...Chip Hendrickson will return again at the mike.

Beginners Classes at the Bromberg's famous basement will start soon. Folk dance sessions begin Oct. 9th. Weekly during August the round dance group continued to meet with the gracious Tirrells ("thank you, Dorothy" Ed. Note) teaching at the Reformed Church but will now resume its fall schedule of 3rd & 5th Mondays. Did you know the club surprised Doc & Peg with an Honorary Life Membership at the Graduation Ball last June?

All in all we are set for a good season under the guidance of our two pairs of inimitable teachers, our own Chip calling and Don & Martha Sewell heading a great group of club officers.

NATIONAL SQUARE DANCE CONVENTION[®]

INC.

SEATTLE CIVIC CENTER · JUNE 26, 27, 28, 1969

Square Dancing with the TEEN-AGERS!

LAMPLITERS -- Spotswood, N.J.

After our successful graduation we did not end our dancing season till June. Twenty-four Lamplitters and eight adults travelled south of the Mason-Dixon line to Wheaton, Md. for their annual Spring Squarenade. Camping in Greenbelt National Forest for the weekend, we danced all Saturday with squares from Virginia, Md., W. Va., Pa., and N.J. Those that did not have to leave early on Sunday joined in touring Mt. Vernon.

Members with camping equipment joined with the Roving Squares, the Garden State Square Dance Campers and other national square dance groups in the East. A few travelled and camped out to the National in Omaha where steps and plans were made to journey in 1970 to Louisville with an exhibition group. Lessons will again begin in September (see pg.17). Any teen and pre-teen 9-19 who may be interested contact either Art Handwerk (201-251-2932) or Jack Shoffner (201-548-5506).

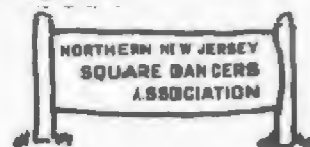

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.

every Tuesday County Buildings

It was indeed a long hot summer, but the Mountaineers danced every Tuesday through it all, though at the peak of vacations we were down to one square. Bob Mitchell, our regular 1 & 3 Tuesday caller, returned recently from a job as a travelling counsellor with a bus load of teenagers on an "all America tour"! Second and fourth Tuesdays will continue as a record and tape workshop.

A high spot of our year was our participation in the recent Teen age 4H Festival at the Flemington Fair which netted us a second in Juniors and a first in Seniors. Our advisors are the Knights 201-895-2559.

This has been a grand travelling summer for many of the Circle Eighters. Under the calling of Bob Gray we put on a benefit exhibition dance in North Bergen for a twenty year old girl who is donating a kidney to her twin sister. Club dances started on Sept. 9. Workshops will be held every 1st Monday in Oct., Nov., and Dec. Classes will be on Tuesdays (see pg. 17). Marty Winter will be our caller again this year and also handle workshops and classes. Rounds will be taught the 4th Monday by the Tirrells. Our Catskill weekend last spring was so successful that we decided to have another one on October 12,13. Any one who is interested in joining us contact our president Hattie & Lou DeLeau. Oh, there will be no dance November 11. Hope you all has as fine a summer as we did.

On June 15th a hearty bunch left the east coast to begin their caravan to the 17th National Convention. Stop offs were planned and camping was done in Raccoon State Park, Pa., Proud Lake State Park, Michigan, Indiana Dunes Park, Indiana and Williamsburg, Iowa all before arriving in Omaha.

While in Michigan a tour was made of the River Rouge Ford Plant to see their steel mill and Cougar & Mustang assembly line in operation. Our stop off in Williamsburg was in the form of a trail in dance in their local roller skating rink. The Chamber of Commerce provided camping space at the local high school with hot showers both before and after the dance.

Omaha had trail in dances Wednesday evening throughout the city. Camping was also provided both in the city and the outlying communities. Those who were daring camped out on cleared land to be used for the Interstate Highway system one block from the auditorium without water, rest rooms or electricity. It took a hearty group to endure.

Three large rooms for square dancing with smaller ones being brought in to use. One other room was for the exclusive use of teen age square dancing. Smaller rooms were in use for round dancing. While there did not appear to be a large group of the well known callers, New Jersey was represented with Hal Holmes, Dick Jones, Jack Shoffner and calling for her first national Chris Shoffner. Panels were in abundance for teen age dancing, calling, sewing, exhibitions and round dancing. A fashion show was incorporated in the sewing panel with various callers wives, including Doris Shoffner, showing off their sewing abilities. After parties were held each evening through out the city. An after party was held each evening in the Masonic Temple for teen agers for square dancing, rock and roll and folk singing groups.

Saturday evening the curtain rang down and the twelve couples dispersed. Those from the Jersey group were the Handwerks, Thompsons, Prudens, Pat O'Brien and the Shoffners. The others in our group were from New England, Pa., Ohio, Ill., Iowa and Virginia. (Already plans are being formulated to make the 19th in Louisville.....if you're interested just let the Shoffners know.)

Our thanks to all who came out to our summer dances. It was great meeting members from other clubs and exchanging ideas. We sincerely apologize to those who came on two dates to find no dance due to a conflict with other nearby dances. The air-conditioning failed to offset the terrific heat the first few weeks and the almost weekly cloudbursts did not help travelling. Callers Bob Gray, Marty Winter, Al Fulmer and Dick Maddocks deserve medals in their attempts to cope with the bad acoustics. God Bless them. We owe them a vote of appreciation. Embryo Circle T's will start Sept. 11 (see p.17) Also at that time we will decide on a definite weekly dance night, elect officers and make plans. We hope all residents of Hudson County and surrounding areas will avail themselves of this opportunity to learn the sport right here at home. Graduates are invited to attend and join us. The welcome mat is always out. reporter - Mary Fowler 201-868-1738

BEGINNER CLASSES - Bruce & Bev Tharp are in charge. See pg. 17 for when classes will begin. A revised list will be published in the next issue. The NNJSDA will provide temporary badges, instruction books, diplomas and perfect attendance pins for classes that qualify.

BASIC BOOKS & S/D BASICS COORDINATOR - Dick & Cookie Lighthipe's terrific job on the basics has been sent to interested folks for comments, etc. It is too late for it to be available this year, thus the NNJSDA will continue to supply, free of charge, the SIO Basic Booklets.

ROUND DANCE COMMITTEE - No ROM for Sept.; VERY CHIC for Oct. Grenn 14016

CLEARANCE COMMITTEE - The Brixies 201-826-0533 suggest if you are cancelling a dance to let them know for the records. Please contact them before you schedule a special dance. Conflicts hurt everyone.

BANNER RAIDS - suggestions will be offered at Sept. Delegate's meeting.

MEMBERSHIP - The Executive Board recommends that the Rutger-Douglass Prom-enaders be accepted into membership in the NNJSDA. With the application for membership of the Lamplitters will be discussed at the Sept. meeting.

SUMMER DANCES - In spite of summer heat, presidential nominating conventions and vacations a record number of dancers supported our NNJSDA summer dances. Since the Association treasury receives most of its financial support thru support of the dances they sponsor (6 or 7 in the summer and usually just 1 guest caller in the fall and the Callers Carnival in the Spring) your support is appreciated. In charge this year are veeps Lyle & Edna Hopper.

FREELoadERS - Four graduates qualified as Freeloaders and will be awarded their badges. They are now entitled to attend any Association sponsored event for the coming season free-of-charge. See page for listing.

WHAT IS MODERN WESTERN SQUARE DANCING? pamphlets are now available for your distribution. Created by the Tirrells as a promotional type of material to be used at one-night stands, missionary nites, etc. these 4 page brochures answer most non-dancers questions about S/D and include names & addresses of people to contact.....with room for any club using them to add their own name. These are free upon request.

SINGLES ROSTER - Since the last Singles Roster Chairman resigned, due to her marriage to another square dancer, this vital roster has been allowed to lapse. Now Mary Magner 111 Miln Street, Cranford, NJ 07016 is the new Chairman. She suggests folks desiring to be put on the Singles Roster include along with their name, address and phone number their age and dancing experience.

PATRON - So far no one has qualified for this badge....dancing with all member clubs in the Association. Anyone desiring a card for signatures contact Lyle & Edna Hopper or the Tirrells.

The news BOB & EDITH THOMPSON were being transferred to Richmond, Virginia came as an unpleasant surprise to all. For many of the old timers, as well as the newer dancers, Bob & Edith were Mr. & Mrs. Of the Dancer around here....with many of the area leaders receiving their initial introduction to round dancing thru them. Their contribution in their chosen field has been immeasurable...they will be missed. They departed with our grateful thanks for many pleasurable hours and best wishes for the future.

MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Irwin School, Racetrack Road

When you offer a chance to see a County Fair with FREE Square Dancing on top of it, you can just bet your life that you'll get a good turnout! That was the case when the Merri-8's and other club members flocked to the Middlesex County Fair on August 6th and 9th. Beulah Samec called and cued the rounds, and the dancing went over big with the fair-goers. Members of the audience were invited to dance with us in between exhibitions, and promotional fliers were distributed to all the spectators advertising our classes this fall. Classes will be held Mondays - (for more info see pg 17). New officers installed at our dinner dance in June were - presidents, Hank & Kay Koch - Vice presidents, Aaron & Janet Ray - Treasurers, Wayne & Dolores Moyer - and secretaries Bill & Kay Geier. By the time you read this we will have had our first regular dance of the season. The "Welcome Mat" is out for dancers from every club. Come on down, we'd love to dance with you.

Many, many thanks to all our friends, new and old for helping to make our Summer dances a success. We were especially happy to welcome the members of two new Jersey clubs to our dances, the Warren Wagonwheelers from Warren County and the Sussex Spinners from Sparta, NJ. Our season begins Sept. 21 with Vinnie Caruso calling. Every 3rd Saturday thereafter we are very happy to have as our regular caller, Charlie Kides from Trenton, NJ. Be sure to mark your calendar for our dance on November 2, at which time we expect to have a whale of a good time with that very famous caller from New England, Red Bates. Welcome to all our dances at the Memorial School in Whippany. We sure will be happy to see you there.
