from the desk of RAY & PAM ZELIFF, presidents NNJSDA

To our many friends in square dancing -
It has been a wonderful experience for us serving as presidents of the NNJSDA these two years. We have many happy memories of all the Association Clubs where we have visited and danced during our travels, and all the dancers we have met.

Our problems in office have been very few, thanks to the fine, helpful people who have served on the Executive Committees during the two years. Working with them has been most fruitful, since everything clicked along like a fine watch. One wishes this efficiency of organization could be transplanted into the fouled up business world.

To our new dancers - Do keep up your dancing through the summer months ahead. You have worked long to get your graduation certificate so continue to use your new found talents. The Association sponsors a set of summer dances geared for the new dancers and some clubs continue through the summer season. So, keep dancing. We will see you at square-up time.

Our members wish to extend their sympathies to president Gus Sauck whose sister passed away recently after a long illness.

Our Big Night finally came - graduation of our nine couples. We were honored to have the NNJSDA represented by Don & Jo Braly. Our teacher & caller, Wilson Hoff, kept the squares humming for a memorable evening of happy dancing and ceremony - our club badges, our 11 perfect attendance pins, our class picture and diplomas (who's shaking? Not us!) The Warren Wheelers wagon train began rolling the very next night when a posse of ours pinned the Sussex Spinners banner - (How many had to run back to the house for their badges?!) After Easter vacation our graduates eagerly compared notes on the friendly hospitalities of Rutger Promenaders (our first visit away from "home" and great fun!), Ironia Reelers, Sussex Spinners, Grand Prowlers, Somerset Hills (yes, students, there really IS a Ken Bower!), and Cross Trail Squares. Some confusion was caused when traveling graduates found themselves squared up with Wilson Hoff and his charming wife, Sally. "We don't want to break up the set, Warren, but get back up on the stage where you belong!"

At our April 9th dance we had visitors from Sussex Spinners, Ironia and Saucan Squares. We wish to express our sincere appreciation to those capable and hard working officers who preceded the incoming slate. It is reputed that unscrupulous graduates attempted (and failed) to bribe Wilson NEVER AGAIN to call "Split Circulate"!....Our next dance dates are May 14 and 28 and June 11th on which final date we will have a covered dish supper. If we haven't rolled into your club, we will soon, so come on, you folks! Head us off at the Port Murray pass and dance with us. There's room in the Warren Wheelers wagon for you!

CALI-HOE SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursday

Hayloft - 901 First Avenue

The talents and creativity of our members as evidenced at our recent graduation party constantly surprise and delight us. May we make a low bow to the committee consisting of the George Smithbauers, Hobie Gainors, Lloyd Goldsberrys, Tony Scalzos and Chuck Gerdings? Their efforts and hard work made the affair a great success. Chairing this one were Tony Osage and your whilom reporter. Veeps Don & Jo Braly of the NNJSDA were graciously on hand and presented perfect attendance badges to Barbara Meszaros, Elaine & Boyd Griffon. All the Cali-Hoes join me in wishing the new graduates many happy hours of dancing.

Several squares journeyed to the Tenakill Twirlers Fiddler's Dance and were surprised to receive the Fiddle Door Prize, our being the first club to receive same. A number of our dancers accompanied Roy & Sylvia Keleigh to a dance given by the Richmond Dancers and celebrated Beulah and Joe Samec's 25th wedding anniversary.

Marge & Bill Pierce were chairman of the Al Brundage dance. This was truly great with Al calling his typically professionally, schmalzy best to 27 squares. Highlighting the evening was the presenting of the aforementioned Fiddle to four squares from the Rutger Promenaders, a fine group of young people. They, along with all the dancers from the various clubs that come to the Hayloft, provide a continuing example of the nice people you meet while square dancing.

We extend a friendly welcome to all to join us any 1st & 3rd Wednesday evening for workshops continuing through September. May I wish all my square dancing friends a real fun summer. Keep dancing.

First may we extend our heartiest congratulations and warmest welcome to all this year's graduates. We will be looking forward to seeing you either on Thursdays at the Firehouse or at your club, when we visit you thus enabling our new members to earn their "TRAVELLER" badge. When it comes to travelling Hix & Chix can practically square up in Florida right now since Lillian & Carl Hansen, Esther & Dave Schwartz abd Cath & Tom Stewart (new graduates) are all vacationing this month. It was certainly a nice surprise to have Ginny & Bud Allison visit us with a group from their Ramapo Class. Keep that healthy smile Ginny - we all missed you during your absence.

Plans are being finalized for our second annual picnic in joint sponsorship with Tenakill Twirlers and June 7 at Camp Bernie has now been designated. (Can it be a coincidence that the date is exactly one year to the day?) Don't forget to come to our Kip Garvey dance May 22 at the Bergen Mall Auditorium. Come see us during the summer. We are here every Thursday, but plan on staying for coffee and.....with us the first Thursday of the month; which is always PARTY NIGHT.

Our next guest callers will be Dave Hass on May 19 and Manny Amor on June 16. We will wind up our season with Al Brundage on June 24. At last count, one full set of Hi Taws are journeying to the National the camping bug has really bitten Hi Taws!

We are sorry that our presidents, the Rovers, are leaving for Texas. Jim & Ann McKenna, our V-Ps, will be filling in for the rest of the year.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.
1 & 3 Saturday St. Adalberts Hall, 363 Morningstar Road

It sure is good to see Muriel Yourth and Vincent Sweeney at the dances once again. Both of them were missed during their illnesses.

Our new graduates look great out there on the floor. Keep dancing, grads, you can only have more fun, the more you dance.

The next special in May on the 16th is the Happy Birthday Dance with Tom Lupari as Chairman and all the Teens working hard to make it a wonderful evening for us all. Manny Amor will be on the podium, calling, while Kay and John Adams will give us their usual assortment of delightful rounds. Don't miss it! Our end of season dance will be on June 20th.

And now as the sun sinks in the west and the summer brings to a close this dancing season - (but don't go away because there will be an NNJSDA dance in August on the Island) it seems only fitting that we should give a low bow in the direction of our capable officers, headed by Presidents Beverly & Matt Blaine, and all the other officers of the club and the people who worked so hard during the year to bring us a great bunch of dances. A loud and sincere THANK YOU for all you have done to add to the fun and enjoyment we had. And THANK YOU too to Manny and Kay & John for the large parts they played in giving us so many hours of excellent dancing. We really had a good year!

And so we take leave until September when we hope you will all come back and begin another good year of square and round dancing.

RAMAPO SQUARES -- Oakland, N.J.
2 & 4 Saturday Heights School, Seminole Avenue

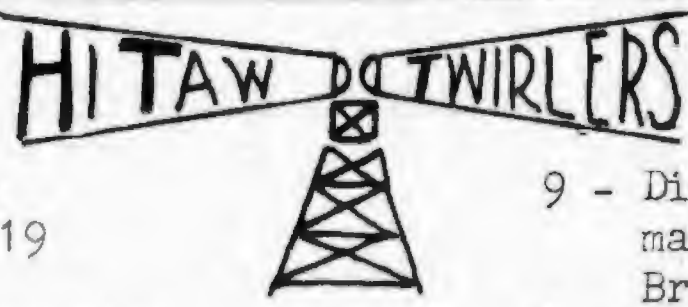

Our Prom May 3 featured a covered dish supper at the scene of our Sunday night classes. Arrangements were under the able guidance of Vi Clapp, Dot Lutz, and Ann Pope. Lee Kopman called for the dance following the supper. For our graduation on May 9 Jerry Salisbury, our other club caller, was at the make. About 5½ sets of new dancers were added to our club membership (we lost two couples who went back West.)

About 200 danced to California's Bob Page on March 14. Another outstanding event was the annual Hat Parade Dance the Saturday before Easter with Lee calling. An astonishing array of plain and fancy hats made it difficult for the judges to pick the winners but Lou Hardy's creation "Bees in her Bonnet" won Helen a prize. Other winners were Bud Allison and Walt Pennie.

The club plans to continue its Sunday night dancing to tapes at the Ramapo Mountain Lakes Club from 8-10 pm beginning May 17.

By the time the next issue of GRAND SQUARE appears, Vi and Hanley Clapp will no doubt have transferred their dancing to the Sarasota, Florida area. We shall all miss them but wish them happiness in their new home.

Our Paul Andrews is now another toe-tapping memory, and we are sure that those of you who were able to join us for the evening went away with that feeling of pleasure and satisfaction that always follows a really good dance. A Happy and pleasant summer to you all.

Our annual dinner-dance will be held again this year at All Saints Episcopal Church in Bergenfield on May 27th. This will be the last dance called by Marty Winter for our club. Marty is leaving our area and will settle in Florida. Good luck Marty - we'll sure miss you.

We were proud to have TWO of our Association callers, AL ADERENTE and DICK JONES, representing our area at the 11th Annual Square Dance Festival in Washington, D.C. in March. Nine of the top national callers were chosen to call for the 4500 dancers.

SWINGIN' STARS -- Maywood, N.J.

After a happy season with our regular callers, Manny and Dick, supplemented on occasion by two Jerry's - Salisbury & Schatzer - we wind up with the May 23rd dance, Manny Amor calling, to which new graduates are invited to come as our guests. Then on June 13th, the great finale, our dinner dance at the Pioneer Club in Hasbrouck Heights - make reservations now!

Just so we don't all get out of practice during the dog days, Swingin' Stars brings back the Old Master himself, Max Forsythe, for the annual summer special on July 15th. This is a definite "don't miss".

This reporter would like to wind up the job with hearty thanks to our great callers, Manny, Dick and guest callers, to our charming round dance teachers, the Hulins and Sibbalds, to our hard working officers, the Carazos, Sebastians, Landsmens and Ferricks, and to the many square dancers who have come to share happy evenings with us at Swingin' Stars.

By the time you read this we will have finished with our regular dances for this season. It's been a great year for dancing. We finished up the season by taking four full squares to Asbury Park to their Al Brundage danceand at this writing have the Association travelling Fiddle. But I have a feeling we'll lose it by the time you read this.

At a recent dance we elected new officers who will begin their terms of office in September. Our new president is Janice Kozinski; veep is Jean Polagye (also doubles as secretary) and our treasurer is Steve Potts. Our caller next year will continue to be Art Seele to whom we are very appreciative. Looking forward to having a tremendous year when we start up again in the fall.

Our graduation in April was a most successful affair and everyone had a wonderful time. The committee, it was obvious, put a lot of time, thought and energy into it. There were 21 couples graduating; special awards were given 15 couples who had perfect attendance during the year!! The skill in dancing and the enthusiasm portrayed by these graduates should have made Bruce Vertun very proud of himself as a teacher and caller. We had many visitors from outlying clubs and enjoyed their company. Thanks especially to the Zeliffs and Harks for their visit and assistance in helping present awards.

Our spectacular addition to your Century Book, "SKIP SMITH" special will be FRIDAY, MAY 22 and the executives are planning a covered/dish dance on June 12. EVERYONE welcome to our final season get-togethers!

Once again this summer we will have a workshop. It will be every Tuesday evening in the Sparta Presbyterian Church from 8 - 10 pm beginning 6/23 thru 8/18....see ad, page 6).

M T SQUARES -- Menlo Park, N.J.
School #19, Menlo Terrace

It doesn't seem possible, but here we are writing the last news of the dancing season, and it has been one of the best years ever. We have enjoyed a most successful season under the fine leadership of Barbara & Skip Samsoe, their hard working executive board and most of all, our club members and the visitors of the many clubs who came out in such numbers. Barney & Virginia Hartenstein have done a wonderful job in teaching the latest calls, and the round dancing has never looked better. Our final activity will take place on Saturday, June 20 at the Grace Lutheran Church Hall in Perth Amboy; our annual dinner dance. We can promise a great dance, superb food, and the friendliest atmosphere ever. If interested, call us for more details.

Harriette & Sol Koved will this summer repeat their special programming which made a big hit last year. In members' basements, garages and back yards, we will enjoy a series of stinker dances, folk dance fests, cook-outs, round dances and picnics. A unique event will be planned for just about every week, dancing to the really big name callers from all over the country plus challenge hash by Barney. This will be anything but a dull summer for the M T Squares.

The old adage about "snow, sleet and the dark of night" almost became the theme of our March 31st dance. However, Ken Bower made it and we all enjoyed his calling just as much as we did last year.

We're pleased that our raids on other clubs have been so well attended. In April we visited Ironia Reelers, and we were alerted to expect a return visit from Prinseton Squares. How's that for fast action---we raided them in March. The Sunday Double Header, with Al Aderente and Vin Caruso at the mike was the April high point for our club. Two for the price of one is a real bargain.

We chose our 7th Birthday celebration, May 17th, as the night to welcome all this year's graduates from the other Association clubs. Hope everybody made it. We always enjoy meeting new dancers.

TENAKILL TWIRLERS -- Cresskill, N.J.

Bryan School, Brookside Avenue

We're still dancing comfortably, but just - a few more sets and we'll have to install rubber walls. Our folk dance group is growing too. It used to be that when the Brombergs put on a folk dance record a small group got up- now there are as many dancing as watching and both groups look as though they are thoroughly enjoying themselves. And of course when Doc Tirrell puts the round dances on, almost everybody dances.

This is graduation season. At the April dance 16 teen agers received their diplomas; in May 6 couples from Doc & Al Fulmer's class will graduate and in traditional June the adults of the Brombergs class follow suit. Harold Holmes will replace Chip for that dance as it is changed to the SECOND Friday. Our annual picnic is June 7th (Sunday) again co-sponsored with Hix & Chix and with Chip Hendrickson at Camp Bernie.

It's time to wish you all a happy vacation. Where does the time go? We've had a very successful year and are grateful for your support. And for the enthusiastic efforts of our officers, and of Peg and Doc. We won't say goodbye because we still have DECKO DECK coming up on June 5 and CURLEY CUSTER on July 8. And before you know it, the season will be starting up again with KEN ANDERSON on September 9 (A Wednesday!). Wherever you go between now and then, happy dancing.

Presbyterian Church, Magnolia Ave.

For our April dance, we had a square-dancin' SPRING FESTIVAL, with guest caller, Bob Kellogg. It was open house for recent graduates, and the floor was crowded with new dancers eager to match their skills with the alumni. Many of the newcomers decided to join the club and thus be able to attend our May Dinner, which is restricted to members only.

Our season ends with the May dance, but we are looking forward to having these dancers back in October when we'll be dancing to Dick Maddocks.

1 & 3 Saturday

Memorial School, Highland Ave.

We enjoyed meeting several squares of new graduates at our open house in April and were pleased to see many of them return for our guest caller dance with Wes Wood. Wes came up with some excellent figures and lots of new material. A couple of squares of new grads from Sussex Spinners proved well up to the challenge and a real credit to their instructor Bruce Vertun.

Our club picnic is planned for June 20. at Egberts Lake, Marcella. Everyone is invited, just bring along a covered dish or a salad. There's a lake for swimming, squares in the evening with our club caller Bob Mitchell and a teen room in the basement of the barn, so bring the family. Later in the summer we hope to see you all at our August 1 dance with Manny Amor calling, also at Egbert's Lake. Overnight camping facilities are available by the dance hall!

Enjoy a wonderful summer and look forward to another varied program at Grand Prowlers next fall.

With so many more folks going camping nowadays, the suggestion was made - "How about an article on the Garden State Square Dance Campers?" And quite logically there was only one person qualified to tell it best - the first presidents of the GSSDC and still a guiding light in this growing organization. Briefly, this is their history.....

A former NNJSDA caller, Lloyd Siewers, moved to Appleton, Wisc. and became involved in the organization of NSDCA (National Square Dance Campers Association). Lloyd wrote Ed & Gwen Knight of this, Ed placed a note in the January '65 GRAND SQUARE seeking a possible interest in a NJ chapter. Sixteen families, including one caller - Jack Shoffner, met on March 28, 1965. Officers elected: President - Bob & Lynn Long; VP - George & Dorothy Hunt; Treasurer - John & Lorraine Weinmann; Secretary - Ed & Gwen Knight. Two weeks later the '65 program was a reality. By September 1966 there were 127 families as members.

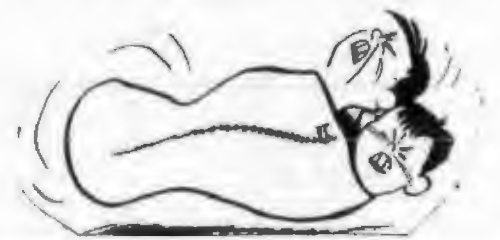

By virtue of the fact that we were an operating chapter before NSDCA was ready to accept chapters, we became Chapter #001.

We camp and dance at campgrounds in NJ, PA, NY, where an adequate lighted and covered area for dancing exists. Nominal charges, \$6-\$10 per family per weekend, cover camp fees and all dance sessions Friday evening to Sunday noon.

In June 1967 we hosted a Camporee, erecting a 60' x 120' tent and laying 7200 square feet of plywood floor in Lebanon State Forest, NJ. Dancers from California to Florida danced the week prior to the 16th National S/D Convention to callers from numerous states. MC'd by Marty Winter and Jack Shoffner. Rounds by Long's and Tirrell's. "Campy" our travelling leather dog is still travelling.

Chapter #001 played significant roles in forming NSDCA chapters #006, 013, 016, 021, 022 and assisted three others in coming into being. Chapter #001 is a chartered non-profit corporation of the State of New Jersey.

A newsletter - "Hot Embers" - keeps the membership informed as to happenings. The '70 season is ready with guest callers and other new innovations. If interested, contact this season's officers for information. They are listed elsewhere (page 23) as are our dates, places, and callers. Double your pleasure - combine two favorite pastimes - camping and dancing.

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesdays

Wilson School, Beekman Terrace

We would like first of all to call to the attention of square dancers that Hill City will NOT dance on JUNE 2, as previously scheduled for our last dance of this season. Our hall will not be available due to its use in the primary elections being held on that date.

To wind up this season we are holding a pot luck dinner prior to our last dance on May 19th. Because of space limitations we are inviting only regular Hill City Dancers to the dinner but all will, of course, be welcome to the dance later with Manny Amor as usual at the mike.

We have had a busy visitation schedule during this season. By the end of May a total of 8 clubs will have been raided by good sized delegations each time. Needless to say, we have all enjoyed the welcome and good fellowship, extended by all of the clubs. We have really appreciated the visitations by other clubs to Hill City during the past and hope that they have gotten as much fun and pleasure from their visits as we did.

In this the last issue of this season, we would like to wish all happy square dancing and to see more of you during the 1970-71 season. From the numbers of recent class graduates it certainly looks like a banner season for the clubs in the NNJSDA.

Recently while chatting with a guest dancer at a club of which I am a member, I was distressed to hear her say, "I won't come back here. It's so cold and unfriendly. You are the second person to talk to me all evening. And if I make a mistake while dancing people glare at me." Try as I would to dismiss this as a series of unfortunate co-incidences or a particularly sensitive mood on her part, I cannot help feeling that square dancing IS losing some of its warmth.

Perhaps this is partly due to its growth. Clubs are generally larger, attendance at dances is up and it's just not possible to spend time with everyone. Another factor may be the proliferation of new and interesting steps. There is so much material to cover, there is sometimes less time for people.

Still, without sacrificing growth and technical progress, it is quite possible to be friendly and welcoming to people. After all club members are the hosts and they would not dance and enjoy themselves at home while their guests sat ignored - Why do it at a square dance?

I'd also like to bring up what may be a touchy subject. I know "kissing goes by favor" and some people like to dance together and certainly can dance more smoothly that way. At beginners class we were taught that square dancing was built on good manners - if you wanted to dance, you got up and joined the nearest set and danced cooperatively with them. Yet nowadays at dances one sees more and more of obviously pre-determined sets. In some cases it is the club leaders who are involved. This trend certainly sets up a "cliquey" exclusive atmosphere and seems contrary to everything square dancing stands for.

It would be a pity if in our search for improved square dancing, we lost the spirit of fellowship - and also lost a lot of people who dropped out because they didn't feel welcomes.

How do you feel about this? GRAND SQUARE invites opinions and comments from others dancers.

Dorothy Pullman

A short note from RON VIZARD who will be in our area Sept. 3 - 6; He will be staying at the Pullmans and is looking for a booking or two to help with the expenses of this US visit.

Ron and his dancers have been asked to demonstrate square dancing in front of QUEEN ELIZABETH and 100,000 people at the ROYAL SHOW!

We will plan a dance in Cresskill during his visit - interested?

Many thanks to all of you who danced with us this past season. You must have had fun for you kept coming back for more squares called by Al Aderente and rounds by Lynn & Bob Long. We invite all recent graduates to our graduation ball on May 8.

Congratulations to our past presidents the Spenders, who recently became parents of a 17 pound 13 ounce daughter (a Korean orphan by adoption) to join the other six Spenders.

On May 22, Bruce Vertun will be our guest caller. Our last dance of the season is June 12. Have a good summer dancing and we'll see you in the fall.

A number of our group are planning on camping at the National in Louisville. The 7th annual National Camporee of National SDCampers will be near Rockford, Illinois on July 17,18 and 19. Happy camping.

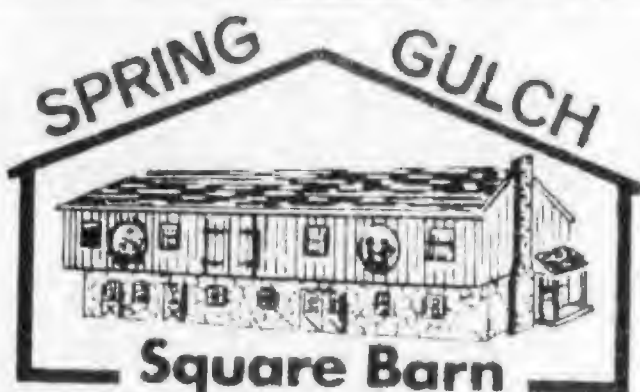

Ever dance to Live Music? 238 square dancers did and earned their special "Fiddler Badge" at Tenakill Twirlers last February when their own caller, Chip Hendrickson, was accompanied by the Pioneers. Pictured is Jimmy playing his "Orange Blossom Special"..... and how he could make that fiddle talk. The newly created Travelling Fiddle was awarded to the Cali-Hoes of Asbury Park for bringing the most dancers. This annual event will be repeated next season.

P-S-S-S-T!

Something new is being added.....

In response to several requests, we will be adding a new feature starting in our next issue, an article for the square dance sewer. Look for it under "The Square Pincushion".

Re-read the Cover-Notice the dates???

Lyle & Edna have already begun work on NNJ area observances throughout that week to help others become better acquainted with square dancing.

They urge all to start planning NOW - for soon the vacation exodus will begin.

What can your club do??? Perhaps several clubs can get together on local or shopping center demonstrations; etc. Those pamphlets "What is Modern Western Square Dancing?" will again be available to all who request 'em. But plan NOW.

And keep Lyle & Edna informed.

Square Dancing with the TEEN-AGERS!

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.
every Tuesday, 7-9 County Bldgs., Hanover Avenue

Plans have been made for our June 13 dance and picnic at Swartswood State Park. We invite all dancing teens and drivers. More information at a later date by flyer. Sussex Spinners Swirlabouts, who have just graduated, visited us recently - a lively evening for all of us. We are hoping to return the visit over the summer months.

reporter - Heather Knight 201-895-2559

TENAKILL TWILIGHTERS -- Teaneck, N.J.
every Monday, 7-9 Community Church

Our first teen dance was super! Our callers were Jim Marshall, Art Seele, Jody Bromberg and from our club Bob Davidson and myself. Jim Marshall brought a square of Seashell teens up from Ocean City.

The highlight was the entrance of a group of 25 teen members of the Ethical Culture Society who heard the music and walked over to see what it was all about. Of course, Mr. Marshall was in top form when he invited them to join our experienced dancers. In a few minutes the dance hall was rocking with shouts of pure delight as these kids joined us in simple squares. The experience was fantastic and memorable as was the free dinner that preceded it.

The new class has graduated, but we will continue to have our Monday night dances to tapes at the Community Church. Come down and join us. See ya' there.

reporter - Luci Bromberg 201-569-1348

TEEN PROMENADERS -- Berkeley Heights, N.J.
1 & 3 Sunday, 2-4 Little Flower Church, Plainfield Ave.

Our plans include ending the season with a picnic in late May. This has been a most successful year loaded with fun as with most clubs. Our new officers will be chosen soon. There will be no June, July or August dances. Comes fall, we continue dancing Sundays - starting September 20 (except reporter Vicki and our president). If you know of any teens (13-19) who would like to learn to square dance, please let us know or call our caller Dick Lighthipe at 233-7862. Have a pleasant summer.

reporter - Vicki Whitescarver 464-2937

SWIRLABOUTS -- Sparta, N.J.
Sundays, 7-9 St. Mary's Hall, Conestoga Trail

Our new 4-H Club was formed in November 1969 and at present consists of 30 members. Graduation is planned for Sunday, May 17th. Our caller and teacher is Mac Spaulding of Lafayette, N.J. and our 4-H leaders, Joe & Betty Weiss of Sparta.

Officers are president Brian Spaulding; vp. Frank Weiss; secretary - Marianne Mooney and Treasurer Anne Jacobe.

Advisor - Joe & Betty Weiss - 201-729-7737

For teens - dancing every Monday evening 7:30-9:30
Community Church in Teaneck, NJ

Ocean Waves S/D Club at the Great Kills Community

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturday St. Stephens Episcopal Church, Ehrhardt Rd.

We celebrated our first anniversary on March 21 with a bang up party. The girls brought sandwiches and cookies and we served coffee after the dance. Our caller Jules Pozsar out did himself and called a wonderful dance. Our Northern New Jersey friends came out in numbers and a ball was had by all. We now dance rounds from 8-8:30 with Les & Ed Shearwood teaching and cueing rounds. Come out and join us for fun's sake.

reporter - Hilda Berger 914-354-4350

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesday Washington School

On April 8 we were very pleasantly surprised by some very talented amateurs who tried their heretofore hidden calling talents at our dance. Our Amateur Night was so well received that we plan to make it a yearly event. Don't miss our "Thomas Edison Dance" May 13 which will feature new experimental material by club caller Bruce Vertun. It should prove to be a challenging and exciting evening's dancing.

SQUARE SWINGERS -- New York City, N.Y.

alternate Fridays WQXR 9th floor, NY TIMES Building

We've been busy making plans for our annual dinner dance to be held on Friday, June 12. Anyone interested in coming, contact Dick Maddocks 914-735-2217 for details.

Although our dancing has been threatened lately by the pending newspaper strike, we have been having 3 squares plus at our dances. We've been telling folks - no newspaper - no dance. Hope by the time this comes out, that will be settled. Election of officers will be held at the dinner dance.

WESTWOOD WHEELERS -- Westwood, N.J.

alternate Wednesdays Boro Recreation Hall

Started with the blessings of the Westwood Recreation Department, we graduated our first class under the direction of Bob Gray. And now under the continuing sponsorship of the Recreation Department we have decided to form a club - our problem is to find a night not in conflict with the existing NNJSDA clubs. We are meeting now every other Wednesdays for workshops and will continue to do so until June 24.....in the Boro Hall. And guess what! We already have a square signed up for next year's class! A call to Harriet Gray will fill you in on how to reach us - visitors are always welcome. Her number is 201-391-1834.

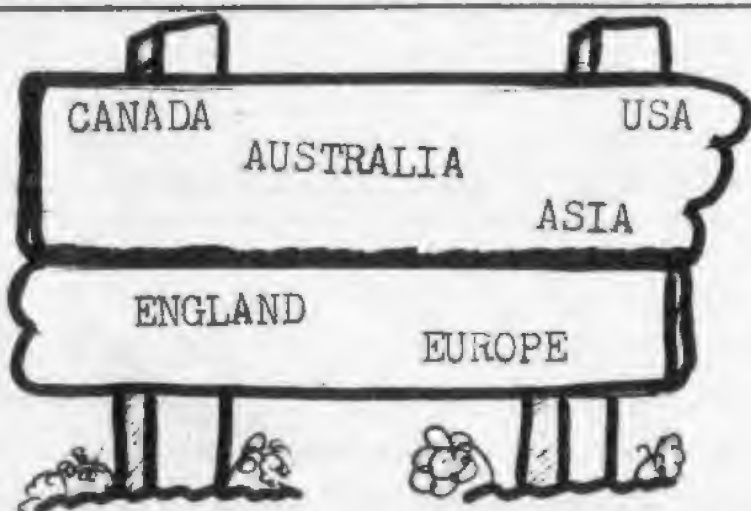

Polk's Pets

by Clete Polk

I'm a travelling caller.

And so another season draws to a close. Typing the summer dance schedule it almost seems as if the pace really won't slow down very much. With this issue we say a special THANK to the THARPS and to GRACE LUCARINI who are retiring as our area reporters. We sure appreciated all their help. Dorothy Pullman, area reporter and one of the bestest idea gatherers will continue on the staff as well as the Maddocks. The advertising policy will be revamped over the summer, but you will be notified in plenty of time for the August 25 deadline. And speaking of deadlines - club reporters will be contacted the 1st week in August regarding news, etc. If your reporter plans to be away then, please let us know who to contact. Remember the September issue will include the NNJSDA roster as well as Beginner Class information. Have a happy, healthy and dance filled summer.

Planning a trip?

Pack your S/D togs too!

But first drop a line to Steve & Fran Stephens at 151 Dryden Drive, San Antonio, Texas, 73213 - give them your itinerary whether it be USA, Canada or Overseas and they'll do their utmost to give you names of S/Ders to contact. Include a stamped, return

addressed envelop as the postage mounts up and this is just a hobby with 'em. If you haven't time to write, contact the Tirrells and we'll do out best to help. Make this summer a real dancing vacation.....
