We have enjoyed a beautiful summer in the Catskills but are sorry not to have attended more of the summer NNJSDA dances. At last report, they were all very successful, thanks to George

& Phyllis Cowan and the other board members who helped.

Our first Square Dance Week will be behind us when this goes to press. We hope many new dancers were recruited as a result of the publicity. Thanks to Don & Jo Braley for their efforts to publicize this week.

And now for a season of wonderful square dancing. We hope to see all of our recent graduates on the dance floor as we visit the clubs in the coming year. May you all have successful seasons. Keep dancing -- keep smiling!

They are also serving as vice presidents of the NNJ-SDA. Arlene & Bud Sacco V.P.'s, Ruth & Ed Jacobs secretaries, Betty & Joe Weiss treasurer. Bruce Vertun our caller, completed our summer workshops with 6 to 7 squares faithfully attending. Its been a busy summer for the new graduates. We've really covered many miles from Sparta to Spring Gulch, as far west as Colorado and south to Florida. Our newest grads have danced to 40 different callers and 15 clubs in the association since April 7. We have danced in pools, garages, lawns, basements and halls of all sorts, acquiring many badges including Rover, Knothead, Grasshopper, Heart and the Night Owl with 7 couples in Asbury Park. We have three couples who will receive the Freeloader badge. We hope all the clubs we have visited will pay us a return visit and enjoy our hospitality as we did theirs. So until the next issue --we'll be spinning you.

The club surprised Vi & Hanley Clapp with a "This is your Square Dance Life" and pot luck supper. They left August 17 for their new home in Sarasota, Florida. They were part of a caravan visiting the Boots and Bows Club in June when a mystery ride ended at Wappinger Falls, NY. The annual picnic at shepherd's Lake was in June. Sunday night workshops at the Ramapo Mountain Lakes Country Club have been well attended all summer. Our fall season opens at Heights School with Lee Kopman. Jerry Salisbury will call alternate Saturdays. Open house for the new class will be held at the clubhouse Sept. 20 with Bud Allison in charge. Our special dance with Jim Mayo is Oct. 10 (see our add on page 23). You all come. And mark your 1971 calendars for our special of specials on February 27 with Al Brundage and Lee Kopman calling. More details later.

CALI-HOE SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursdays

Hayloft - 901 First Avenue

By the time this is being read the long hot summer will be over. The youngsters will be back in school the collegians will have returned to their dorms (or their wars). lawn clippings and cutting will be no more and everyone will settle down to serious things such as fall cleaning, approaching holidays and the wonderful world of square dancing.

Larry Dee could not make our May dance and our own Roy Keleigh graciously filled the bill. Chairmen on this were Al & Alida Larsen ably assisted by the Mike Jacobs and the Chet Pattersons. End of May found many at their annual reunion at Timberline in the Poconos. Paul Andrews called for us in June with the Nick Anticos chairing this event with the Frank Crabtrees and Boyd Griffiths in attendance. Everyone swung at the Night Owl with Buck Fish, Bruce Vertun and Roy Keleigh calling. Ed Fraidenburg graced the Hayloft in August. And I must mention the NNJSDA dance in August with Manny Amor calling. It was a real fun evening and it was great seeing so many of the NNJSDA clubs represented.

I do hope you all had a wonderful summer and all the Cali-hoes are looking forward to greeting you down at the shore this fall. We have been planning a delightful and varied program. Oh, yes! We are all looking forward to the return of Paul Andrews as guest caller on October 3.

Mildred Terrace School

We are still a high level club, but are not closed or by invitation. Any one who feels they can do some of the higher level figures are more than welcome. We advise however that they start with us in September because Beulah builds on her figures throughout the year and it is sometimes difficult to come in later on unless a dancer is used to using these figures. On Oct. 23 and Nov. 13 we will be in the Abraham Clark School on Westfield Ave. There will be no dancing on Nov. 11. Bob Kellogg will handle the rounds. GARDEN STATE SQUARE DANCE CAMPERS

We held our last camping weekend for the season at Albocondo Campgrounds in Toms River, NJ the second weekend in September. The annual covered dish dinner on Saturday evening was most successful and was followed with dancing to our caller Jack Shoffner. A fitting climax to National Square Dance Week as proclaimed by Governor Cahill.

And now, with the fall season underway, many campers are putting away their equipment til next spring - remember, we dance usually second week end June thru September. If you are a camper and dancer and are interested in our group contact president-elect Skip & Elizabeth Van de Vaarst 20 Cross Brook Rd., Livingston, NJ 07039 for more details. Our thanks to this years hardworking officers for the many hours they devoted to making the weekends such a success. Happy dancing.

ENGLAND REVISITED

Your international correspondents had the good fortune to square dance in England again this year and have a few items to bring the record up to date -

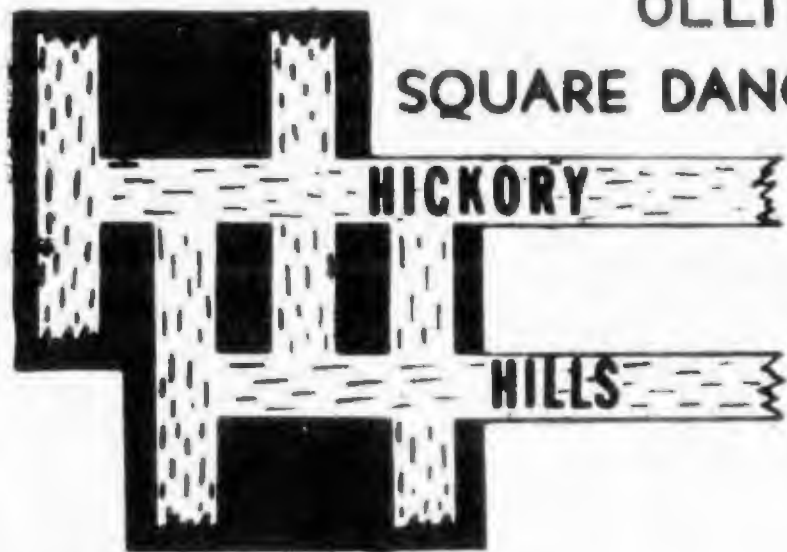

Item One = Best regards from Gwen & Fred Manning to all who met them here last year and a thank you to the CLOVERLEAFs for the honorary club badge which delighted them.

Item two = At the East London Square Dance club with the inimitable Tommy Cavanagh calling we were told "there's a couple here from Florida and were taken to meet - the YEDINACK's! What a marvelous surprise. Carl & Jeanette sent the warmest regards to their many friends in New Jersey. They looked extremely well - retirement obviously agrees with them.

Last item = Picture a balmy evening (yes, there, there are some) in one of London's many lush, well kept parks. On a platform is a live band and caller - the assembled spectators (including two Americans) happily respond to the invitation to participate in simple folk dances cued by the caller. All of this is provided weekly through the summer by the Association of British Folk Songs and Dances and the London Council of Parks. U.S. cities, please note.

WOW! From all reported, the clubs really inundated some of the area newspapers with publicity releases and copies of the Governor's Proclamation. The results are still coming in - some papers have promised feature articles at a later date - but your Executive Board is thrilled at the response. Proof of interest will be forthcoming next spring at our many area class graduations. Keep up the publicity - who knows - we may get a S/D Stamp yet!

1 & 3 Fridays

See Schedule

After a lazy summer I'm sure your dancin' feet are just itching to go-ours are too. But this season will pose a bit of difficulty in remembering where we're dancing. The PTA had first option on our school location on 1st Fridays, so a shifting system was devised. Please bear with us, locations will be marked - join us and pick up a schedule and a map.

We began on Sept. 18th with the same caller BOB KELLOGG. refreshments will still be served and all your old friends at Y SQUARES are still dancing. So do join us. Our second dance will be our annual guest night. This dance is to acquaint the non-dancer with western style square dancing. Bob will call every other tip at club level. This is usually a fully packed house, so we're moving to the High School on Pioneer Drive. As is our custom, refreshments will be served. If you have some prospective dancers and would like to bring them, call one of the members for a pass. The date-October 2. Beginners classes begin in October with the Kelloggs teaching. October 16th is back at Hillview School.

A fifth Friday gives us the opportunity to schedule a special on the 30 with Jim Cargill calling. Start thinking and getting together your costume, something you'll be able to dance in (those without costumes are welcome too). This will be at the New Providence High School. Since it is the night before Hallowe'en, police protection will be had, see our ad.

In November, schools are closed for convention, BUT we WILL be dancing at Hillview School both dances. On Dec. 4th we go to Allen Roberts on Jones Drive. Be sure to join us and get your schedules and map.

Our best wishes for two gals on the mend, Eileen Lake and Lorrie Kracke. May they be dancing with us soon. Our best wishes to two couples who have to relocate elsewhere, Boots & Bill Whitescarver to Ohio and Max & Betty Maneval to North Carolina. May our paths cross trail at some convention or.....

Methodist Church, Walnut & Lincoln Streets

We are about to start a new season of gay and pleasant square and round dancing. Beulah Samec will call at our opening dance. You are always welcome at any of our dances.

NOV. 6th dance - Hill view School will feature Fashion Show by Kentels

Shoot an arrow through the calendar, friends, for Sunday afternoon, November 8th, 3-6 pm, at the Mansfield Elementary School, Route 57. We'll be privileged to have Dick Jones taking the Warren Wagon through Indian country, so you'd better join us for your own protection and keep up with the Joneses. (see our wierd ad on page 14)

Our last dance in June concluded, after a delicious dinner, with 10 squares enjoying Wilson Hoff (oh, why on he always looking when we bomb Split-Circulate ANYWHERE?) and our very good freind, the chief mechanic from "Graham's Garage", Hugh Graham of Saucon Squares, Hellertown, Pa.

Our members took no vacation from dancing, squaring up at places all over, plus attempting that test of the true fanatic, the NNJSDA Free-loaders series. (Famous last words: "If you think we're going out for Free-loaders like your crazy sister....!" He went, anyway.) Warren Wheelers now have two Freeloading couples, Stuart & Florence Keyes and yours truly. Our combined distance? 2,650 miles!

Autumn action begins with our demonstration dance Sept. 24 and our regular club dance on October 8th. In addition, we are hopeful for a round dance class to be held in the Hacketstown area later this fall. Don't you want to do more than the Left Footers' Onestep?

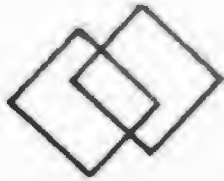

It really happened! Returning from a dance, they stopped to talk with a policeman routing traffic around an accident scene. After a few minutes, he waved them on. "I'd better let you get home with the baby," he said. What she held cradled in her lap was about a thousand yards of her brand-new, bullet-proof crinoline!

Folks, hop into the Warren Wagon this year - we're holding the horses for you!

In July we had our second annual dinner-dance at Harmony Park. Our dance was a great success and we wish to thank all of the Clubs that supported us. Glenn Cooke did a great job calling. Bruce Vertun and Marty Clifford each called a tip. Bruce will be calling along with Glenn this season. Lee & Ray Kirchmeyer called the rounds and also provided social dance music.

We began this season on Sept 9th with Glenn calling. Our missionary dance will be sometime in September and get our classes going. We are planning a Halloween Party on October 28 with Bruce at the mike. Everyone will be welcome to join us for a season of good dancing.

Thanks again to all who supported our dinner-dance. Hope you all had a good time. Your newly elected reporters will be Lou & Doris Cella(212-FL6-1407).

Oct. 10th will feature an old favorite, Glenn Cooke and on Nov. 14th we will have dynamic Jerry Schatzer. If any of your friends are interested in a beginners class starting in Maywood this fall, call Jane Carazo at 261-0911. See you on the dance floor - and don't forget the rounds are cued by the charming Sibbalds and Hulins. reporter - Dorothy Pullman 201-568-5138

NNJSDA Delegate's Meeting Dates

- September 20, 1970 - Hill Top Barn, Bloomfield, NJ
January 17, 1971
April 18, 1971

The NNJSDA had its beginnings in January 1958 when 6 couples drew up its format. Eleven clubs sent delegates to the first meeting. Then, as now, all were concerned with a good promotional program, beginners classes, summer dances and clearance conflicts. GRAND SQUARE began in March '59 with Bob Keck as Editor, succeeded by Bill Geier. It is interesting to note that officers in this couple activity were not listed as couples until '63.... Past presidents are: Al Aderente; Bob Keck; Bud Sibbald; Bob Kellogg; Frank & Hazel Preston; Doc & Peg Tirrell; Gene & Grace Lucarini; Jack & Carol DeCoste and Ray & Pam Zeliff.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays

St. Adalbert's Hall- 363 Morningstar Road

Our active summer season has drawn to a close, and what a busy one it has been. Well attended were our work shop sessions. Our 1970 graduating class has been a most active one with two squares continuing to attend the NNJSDA summer dances plus beginning a class for round dancing on Mondays.

In July two squares journeyed to Asbury Park to the Hayloft for an all night session to qualify for the Night Owl Award. Earning badges were the Borrelli's, Childs', Finnegan's, Destazzio's, Dell'Angelo's, Majeski's Bianco's, and the Glovers. On July 30th we held our first annual installation dinner in honor of our incoming officers. The Vostas are presidents, Childs veeps, Myers our treasurers and the Dell'Angelos secretaries.

As this goes to press we are attending our annual Big Top weekend in Allentown, Pa. Sold out since last November, it is a most eagerly awaited event. More in the next issue.

Come spend an evening with us as we begin our semi-monthly dances. Morningstar Road is just off the Bayonne Bridge. If you wish more information please contact the reporters who live at 5 Raymond Ave., SI, NY 10314.

"PATCHWORK" is really 'in' this season...so let's make a patchwork square dance skirt...

To be most effective, it should have many patches, therefore a light-weight drip-dry type fabric would be ideal.

To determine the size of the squares needed, divide your finished skirt length by the desired number of tiers (rows) and add to this figure your top and bottom seam allowances and thus you have the size..example-a 24" length divided by 4 tiers is 6" plus $\frac{1}{2}$ " top and $\frac{1}{2}$ " bottom seams giving a total of 7" or 7" squares are to be used.

To determine the number of squares needed, figure the number desired for the uppermost tier, example 10. Double the number for the second tier, double this number for the 3rd tier, and double this number for the 4th tier. Example 10 in top tier, 20 in tier 2, 40 in tier 3, and 80 in lowest tier.

Take the number allowed for tier 1 and sew them end to end, leaving end open. Likewise sew the allowed squares for tier 2 end to end, again leaving end seam open. Gather upper edge of tier 2 to fit bottom edge of tier 1, you will notice 2 squares on tier 2 will gather up to fit 1 square on tier 1. Proceed in this manner with tiers 3 and 4. Close up open seam to within allowance for a skirt placket zipper. Insert zipper according to package directions.

Gather upper edge of skirt to fit waistline. Cut strip of fabric for waistband 2" longer than waist measurement and double the desired width. Fold in half lengthwise, sew closed both ends and turn. Right sides together, sew band to upper edge of skirt with extra bit to be underlap for button or hook and eye. Tack on wrong side by hand. Finish with desired closing.

Finish lower edge with machine hem, or lace-edged hand sewn hem, or a little ruffle of gathered lace.

For a variation, make a gathered flounce in place of lowest tier, this could have a blouse to match.

A sleeveless blouse to match one of the squares and a blouse with either long sleeves or puffy shorter ones would make two changes using the same skirt.

Another added touch could be a wide sash to tie into a large bow in back, and belt carriers on the waistband.

How about matching bloomers?

1 & 3 Saturdays

School #19, Menlo Terrace

We had an exceptionally successful summer with members turning out in force to attend dances at one another's homes. With gracious hosts, every evening was a gala one. Barney was assisted in his calling chores by the very best recording artists. Also most enjoyable were two annual club events - the family picnic and an enthusiastic folk dance night. The flying heels of our male dancers were simply fascinating.

We start our fall season October 3 with regular caller BARNEY HARTENSTEIN. Dancers who wish to spend a delightful evening should not miss visiting. Barney never fails to do his homework-offering a variety of newly researched figures to challenge the floor. All the latest rounds, led by charming Ginny, are on the program, too.

During the coming year we shall have several interesting visiting callers. Be sure to be with us when HARRY LAZAAR, of Rego Park, NY, picks up the mike for the evening of October 17th. Classes begin on October 11, Sunday evenings. There are a few openings for couples from the Union & Middlesex counties area.

We are not too far from the Menlo Park Shopping Center, just off Rt. 1. For travelling instructions, etc., please call the reporters.

past and current NNJSDA Treasurers going over the financial records.....

Random thoughts from Convention goers.....

Grand total of 19,542 (a record) registered with every state represented....includes 178 from New Jersey....."the special request session of rounds

on Saturday, M.C'd by Emmett Courtney was of great interest to us. So many well known R/D leaders were there and variety of dances was tremendous-some going back many years. Terrific clinics..." Bob & Lynn Long.

"Our impressions of the 19th were mixed, good and bad. It was a very pleasant trip down to Kentucky. There is some beautiful country between the East Coast and Louisville. The convention itself was very crowded, over 19 thousand people is quite a crowd, no matter what the facilities. The air conditioning in the main hall seemed adequate, but the floor was hard on the feet. The smaller halls were not air conditioned and only separated by a curtain. Much too warm, and the sound carried from one hall to the other. The R/D halls on the second level. on the other hand, were cool and comfortable. At some of the dances we had three and four circles of dancers and it was still comfortable.....We truly enjoyed the round dancing more than the square dancing.....We did enjoy the trip and the campsite very much...all things considered, we had a good time." Les & Ed Shearwood. The 20th will be held in New Orleans, La. June 24,25 and 26.

It's "au revoir," "hasta la vista," "auf Wiedersehen"

We won't say it's "Goodbye"; mainly it's a big

1 & 3 Tuesday

Wilson School, Beekman Terrace

During the 1970-1971 year starting September 15 we will be conducting square dancing business at the same stand and on the same nights each month as previously with the same desire to furnish the super product, square dancing fun under the leadership of Manny Amor, to all customers. For the enjoyment of both past and future customers we have scheduled special dances with Jim Cargill calling the squares and the Sibbalds the rounds on September 29 and on February 16. There will be a difference, however. On the first regular dance we will be TWENTY years old and will be starting on our second score of years. To celebrate this ripe old age the regular club dance on October 20 has been designated as an anniversary dance with special commemorative features.

Our classes will start Monday Sept. 21 at Summit Field House. Last year's graduates were highly pleased with Dick Lighthipe's instruction. Any prospective students finding the time and location convenient will be most welcome. Reporters - Jamie & Louise Jamison 201-635-5086

Presbyterian Church, Magnolia Avenue

The last dance of the 1969-70 season was in May. After a hearty covered dish dinner and election of a new slate of officers we all danced to our new caller - Dick Maddocks.

Now we're looking forward to our fall-winter season with a dance every second Friday, September to June inclusive. Dick will be our regular caller and rounds will be cued by the Shearwoods and the Tirrells. Those dancers looking for a relaxing evening of square and rounds should stop at Tenafly Squares.....and plan to stay for refreshments.

An organization such as ours, is only as good as its members make it, with a large responsibility for the success of communications between the Executive Board and the member clubs falling on the shoulders of the club delegates. They are responsible for attending the three scheduled meetings and relating its happenings to their clubs. When questions arise of "How does your club feel?" it is up to the delegate to return to their club and find out and then report back at the next meeting. At the first club dance after every NNJSDA

Delegate's

meeting, the club president should give their delegate a chance to report to all. Minutes are dutifully sent to the delegate for posting on their bulletin board for all to peruse at their leisure.

Have a problem, an idea, a suggestion-ask your delegate to bring it up at the next meeting- others may have some helpful thought on the matter. Ever wonder what goes on at these meetings - anyone is welcome - as you can see - refreshments are served afterwards.....

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School Brookside Avenue

As this issue appears, the club will be having the first official S/D of the season, but the club has not been idle during the summer. The Brombergs have had a beginners class for teens and graduated 7 new teens. Some of our club members inaugurated National Square Dance Week with a special dance in Cresskill with an international flavor since the caller was Ron Vizard of Nottingham, England. And our teens appeared in their high school classes in full "costume" on Friday the 11th.

The clubs varied peripheral activities continue. Those devoted and indefatigable Brombergs will have a class on every Wednesday except when the Folk Dance Group takes over their basements on 2nd Wednesdays....as well as working Monday nights with the teens in the Community Church in Teaneck. Adults are welcome at the teen workshops. The Tirrell's round dance group, the Twirlarounds, meet 3rd & 5th Mondays at the Reformed Church on the Hill in Cresskill. So come join us in some of our many activities. At the October dance you may be the lucky winner of a gift certificate, but you are sure of an evening of happy dancing to Chip Hendrickson with friendly people.

Farview Avenue Fire House

Another summer has come and gone and we express our appreciation to all our loyal dancers who braved the heat with us. Of course, being a loyal member does include an important fringe benefit: membership in the Alberta Swim Club which entitles you to swim parties at the home of our caller. Our thanks for these pleasant week-ends go out to Jim & Edna Flammer.

So now we settle down to another busy season with plans for our open house Sept. 17. with classes to commence immediately thereafter; a pot luck in October; Marshall Flippo on November 24 (just two days before Thanksgiving) and, by golly, here comes Christmas. That certainly was a quick year but we look forward to many pleasant evenings of dancing before that time comes.

Don't forget the first Thursday of every month is party night, so plan on staying for coffee and home baked goodies with us.

Have you ever stood back from a floor of square dancers and enjoyed the esthetic pleasure of watching the skirts twirling and the gayly dresses people gliding through the figures? Isn't it a delightful sight? And isn't part of the charm due the clothing? Where else in our modern world do women look so completely feminine? And our men are so attractive in their well fitted clothes and attractive ties.

So when one hears a whisper of absndoning formality "must the girls wear Skirts and crinolines?" "Why can't the men dance in short sleeves in hot weather?" Won't we lose some of the beauty and fun of square dancing in the process? Shall we not ask all dancers continue to appear at club dances properly dressed, men in long sleeved western shirts and ties, women in full skirts with crinolines and pettipants? *Doathy - Paul Pullman*

MARTY WINTER PO Box 2657, Port Charlotte, Florida Florida, 33950

If you were dancing in the early '50's, you may recall when Marty and Flo Winter first began dancing with Sid Scott's Valley Promenaders Folk and Square Dance Club in Cresskill. By '56 the calling bug had bitten. In spite of cold weather a good crowd gathered at the Cresskill's New Fire House that winter for Marty's bedut as a caller - perhaps YOU were there too.

Founding father of Merry Squares, original caller for Circle Eights, teacher of many Beginner Classes in NNJ area, Marty could always be counted upon to give of himself most generously at many benefits, missionary dances as well as help with demonstrations. He will be missed. We wish he & Flo good luck, health and happiness in their new abode. According to Jeff & Rose Flash (Staten Square Set's 1st caller, now retired (and calling) in Punta Gorda), our loss is somebody else's gain as Marty will join the newly organized "Charlotte Promenaders" as their club caller. If you get down his way - do stop in.

We're back at the old stand with our caller Jules Pozsar at the mike. Again the Shearwoods will teach and cue rounds, starting at 8 pm. Come out and have a good time with us...we enjoy your company. For any information call any evening at either of these numbers 914-634-4459 or 914-354-4350.

SQUARE SWINGERS -- New York City, N.Y.

alternate Fridays

9th Floor, N Y TIMES Building

We're dancing 1st & 3rd Fridays now-from 6 to 8 pm....this gives us a chance to go on to other things after already enjoying a good evening of dancing. How's that for getting 2 evenings entertainment out of one?

Some of our members are getting ready to go on the Big "D" weekend the end of September. Glad to hear Dorothy Keufman's back after her hospitalization while vacationing in Florida.

WESTWOOD WHEELERS -- Westwood, N.J.

Boro Recreation Hall

With the eager help of some mighty nice people and the recreation department in Westwood, we are starting to roll. You will notice in our ad our dates are a little erratic, but until the first of the year that should make it convenient for many different club members to dance with us. We are really delighted with our big hall with its good acoustics and lots of space...our first class has been out dancing all summer and of course you all have heard of our caller Bob Gray.....So come to the Boro Hall one of the Fridays or Saturdays and spend an evening getting to know us....we'd like to get to know YOU.....

Our thanks to all who took time from summer fun to collect and forward the necessary information to the various reporters and editors (I shudder to think of the phone bill). As always, there have been last minute changes since we've gone to press - especially in Beginners Class information. We'll update this page - if you will furnish us the data. The DATE BOOK will gladly print club SPECIALS up to 3 years (!) ahead. This service to our member clubs will help avoid costly overscheduling a certain period of the calendar or overbooking the same caller. Your comments, whether plaudits, criticisms or suggestions, are always welcome. Have you seen anything new this issue? Next deadline is October 15 with the Holiday issue coming out at the NNJSDA CALLERS CARNIVAL on November 15. Thanx.
