Holiday Issue 1970

Would you believe there was once a time when you did not need lessons to square dance.....such was the case in 1948 when LYLE & EDNA HOPPER, then living in Evanston, Illinois, were first introduced to square dancing... having served clubs there in many capacities, they continued on when transferred here....as Secretaries & Presidents of Tenakill Twirlers; VPs & Treasurers of Merry Squares; twice VP's of NNJSDA, as well as active members of Cloverleafs, Ramapo Squares & Rhythmaires & Swingin' Stars... instrumental in securing proclamations declaring S/D week in '68 & '70.. although Lyle recently retired, he does some consulting work and this past summer was Edna's (who works at Ridgewood "Y") assistant as she directed the Ridgewood Y Camp Nel-k-mar in New York (they came out in the black for the first time!).....after their son's wedding this fall (he's at Stewart Air Force Base), they camped & danced their way to California to visit their other son and family and to persuade SIO that the NNJSDA still is in existence and should be listed in the Association's Directory.

LYLE & EDNA HOPPER, presidents

It was our pleasure to attend Grand Prowlers opening dance as our first official visit. We heard more about their "catch up" program announced at the delegates meeting. We hope more such ideas will be implemented before the next delegates' meeting.

We hear much discussion of teen participation in our relaxing hobby. A word of caution to all. Let us not discourage our teens in their enthusiasm for square dancing, but rather encourage it without disturbing or upsetting the enjoyment of others who look for more relaxed dancing. Cooperation by all will provide a happy answer.

Our Callers Festival is a time to enjoy many of the callers in our Association at both the afternoon and evening sessions. Let your NNJSDA officers know how you like the extended time and/or the Sunday date.

Good dancing and lots of fun!

notes

(from ye editor's mail box)

From all reports, National S/D Week was a huge success. Newspaper and radio stations gave us surprisingly good coverage. Square dancing's international appeal was brought home to all as 15 sets gathered in Cresskill to dance to Ron Vizard from Nottingham, England. On display were the proclamations from Jersey's Governor Cahill and New York's Governor. If you look real close you will notice them as background in the picture below which shows NNJSDA Mrs. President, Edna Hopper, Ron Vizard and his hostess in NJ, Dorothy Pullman.

From RON VIZARD....."I would like to express my gratitude to all who managed to attend the dance and to say that I enjoyed meeting them, also calling. A special mention I feel is a must to two very dear friends Dorothy & Paul Pullman who did so much to make me welcome. Truly a trip I will never forget. My travels took me over ten thousand miles and everywhere I was met with the same friendliness. From an Englishman's point of view, your country was just wonderful and the people the same. I hope to return to your shores one day....."

In case some couples may like to review basics or perhaps some Drop-Outs want to return, we are printing a revised listing of Classes in the NNJ area. Contact the clubs or 2 VP's the Mooneys at 201-729-3205.

GRAND PROWLERS -- Whippany, N.J.

1 & 3 Saturdays

Memorial School, Highland Avenue

The "Catch Up" Dances had a successful start with Bob Mitchell at the "mike". Over three squares signed up the first night with more to come later. May we remind other clubs that any dancers who have not been able to attend dances for a few months or more, are welcome. They may find this to be the opportunity they have been seeking. Recent graduates who were not able to dance during the summer are welcome too. Call Evelyn Hark at 335-2395.

Nine couples from the Hix & Chix Travelers visited us in October and everyone had fun dancing to Wes Wood. Twelve "lucky" couples were awarded pumpkins with the provision they decorate them and bring them back on the 17th, to be judged as "the great pumpkin". Prizes to be awarded! Joining us to the calling of Jerry Schatzer on the 17th were four squares from the Leftfooters S/D club of Saugatees, NY.

Our tenth anniversary was celebrated with a birthday party on the 7th with the club's original caller, Vin Caruso, at the mike. The party had all the "fixins" - birthday cake, prizes - and past presidents were very special honored guests.

Everyone was happy to hear that Vera Bubieniec is finally out of the hospital after a bout with pneumonia, followed by surgery. She is doing very well.

The big coming event is our covered dish supper on December 19, to be held at 6:30 pm sharp! This Christmas party is under the capable chairmanship of Grace & Walt Pennie. Everyone is welcome, just sign up to bring your favorite covered dish. For all future dances, see our "ad". Note the big special on January 2, held in the Memorial School at 8 PM.

IRONIA REELERS -- Ironia, N.J.

1 & 3 Fridays

Elementary School, Dover-Chester Road

Our two handsome callers, Vin Caruso and Glenn Cooke, have each called a dance for us so far and to a full house both times. We had a very successful invitation dance and started our class with 3 squares. Wilson Hoff is doing a great job teaching them.

On November 20th, we will have our first "Harvest Ball" with KIP GARVEY calling. If you've danced with Kip we know you'll be with us then. If you haven't, be good to yourself and come. You'll be glad you did.

Franklin Avenue School

Hi Taw's are beginning to get into the swing! Our open house was very successful. 16 squares with 6 squares of non dancers. Dick Maddocks will teach our beginners.

Thanks to Hal Holmes, on October 13 we had Ed Gilmore from Calif. It was very short notice, but 20 squares showed up. Heaven knows how many we would have had with more publicity time. I hope we have a good Halloween costume dance with Al Brundage. Our Christmas dance, December 15, will have Dick Jones calling. Admission requirements will be a gift for either boys 12-14 or girls 14-18. These gifts will be donated to St. Dominic's in Blauvelt, NY. In lieu of a gift, regular fees will be collected and used to purchase gifts. Last year over 100 gifts were distributed.

Our special dance is Bob Wickers - on June 8th. Mark your new calendars as soon as you get it - save the date. Drive up and see us sometime. Schedules are available on request.

SUSSEX SPINNERS -- Sparta, N.J.
Alpine School, Andover Road

EXTRA, EXTRA, Read all about it. EPIDEMIC in SUSSEX COUNTY. Yes, 56 people were bitten by the highly contagious SQUARE DANCE BUG, all are now under the influence of DA SA DO and left ALLEMANDE and hopelessly incurable. Yes, a new season of lessons going on with 7 new squares of future SPINNERS. All are doing just great and having a ball. This looks like a good class under the excellent tutoring of our great caller Bruce Vertun. A fine group of polished dancers will come forth into the WONDERFUL WORLD of square dancing next April.

Plan to attend our annual Christmas Party December 15. Open house to all, just bring a 50¢ grab bag gift. From what yours truly heard there may be a surprise visit by SANTA and MRS. Our club is still visiting Association clubs and really enjoyed everyone. If we haven't visited your club just turn around at your next dance and Lo and behold you will see a SPINNER there you can count on it. We are a club that likes to travel and do hope all clubs will come up and visit us, we aren't really that far away from you. By the next issue of GRAND SQUARE we will have several couples eligible for the PATRONS BADGE. Remember to save New Years Eve to dance and have fun with us. The dance will be held in Pope John High School on Andover Road, one mile before the Alpine School. More plans to be announced on this dance. Be at the real big "one" in "71".

One square traveled to Bethlehem, Pa. to attend a fashion showing of the latest in S/D apparel. Dancing followed to the calling of Hugh Graham, caller of the SAUCON club which was sponsoring this most delightful event. Our dance committee is presently working out plans for our next SPECIAL on May 14. Watch for our flyers and ad for time and caller. This is really going to be the big one in SUSSEX COUNTY in 71. Oh, The Pennies are now handling rounds at our dances. Until next issue, we'll be spinning you.....

GARDEN STATE SQUARE DANCE CAMPERS

New and old officers found their way to the Van de Vaarsts for a change-over meeting. The old officers came loaded with bags and boxes of material - Where did they accumulate all of that paper? - and left empty handed, but with big smiles on their faces. Wonder why? Congratulations to our new officers - presidents Skip & Elizabeth Van de Vaarst; Veeps Al & Grace Andrejcek; Secty Martin & Marilyn Graber; treas Jim & Ruth Grant. This years camping season may be over, but the officers are busy planning for 1971. The Sites Committee has looked at several campgrounds all within 3 hours travel of the Oranges. Incidentally our dates are all 2nd full weekends for 1971 June - September.

Plans for our annual dinner dance are being finalized. It will be on Sunday January 24, 1971. We hope to see all of our camping-dancing friends there. What could be better than good food, good dancing and plenty of camping talk on a Sunday afternoon in the winter.

In October we honored the Harvest Moon Ball; in November we will honor our 22nd year of dancing!; in December we will honor our students and our teen auxiliary club. Oh, in the last issue we omitted the name of our recording secretary, Larry & Cherry La Feir. Give us the honor of your presence at our dances. We're just off the Bayonne Bridge on Staten Island.

Our September dance was a success due to the many visitors we had that came and helped us welcome Dick Jones to New Jersey and Mountain Squares. We thank you all for your support...the Somerset Hills deserve a Gold Star for all the visitors that they get out to support us - what would we do without them? George & Phyllis Cowan won the door prize - a cake with the outline of NJ showing the location of Mountain Squares & the location of Dick's new home.

Due to the busy camping schedule of those on the committee, our Round Dance Leaders names were not listed in the directory. We are very proud and happy to have Dot & Bill Keller back to handle rounds for us, they certainly do a great job.

By the time you read this our first guest caller for the year, Doc Gray, will have been introduced to many of you. Thanks again for the visitors, your support is always appreciated.

Our caller, Dick Jones, will be calling our November 18, December 16 and January 20 dances for us and will then be leaving for a Callers Carnival in Alaska - can you imagine Alaska in February - not cold enough around these parts for you Dick? even without heat in the house?

Sorry to see the Ketterer's move, they gave us great support! Since they won't be too far away hope to square up with them somewhere along the way. The applause Dick got at our September dance was terrific - why don't you come dance with us and see why - HE'S GREAT! Visitors always welcome. Teens come and bring your square.

HIX & CHIX -- Paramus, N.J.

every Thursday

Farview Avenue Fire House

We've all been pretty busy with our beginner's classes on Monday night, the pot luck dinner featuring Jay Helfenbein's S/D fashions, the Halloween Hat Party and our re-activated traveler's club. If we haven't dropped in on you yet, keep your eyes open. We're on the move trying to visit 2 clubs a month. You'll easily recognize any "traveler" by his special badge. If you need a formal introduction; drop in at the Garden State Plaza on November 24. We'll let you know who we are and if that isn't worth the trip, a chance to be part of the fun of Marshall Flippo's annual visit will make you glad you came.

To eliminate some confusion that seems to exist be advised that we dance for fun on the 1st & 3rd Thursdays of the month with coffee and.... after the dance on the first Thursday. The 2nd & 4th are used to workshop new material. So if you can't make it every week, pick according to your personal preference. We'll be looking for you.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

Open House at the Ramapo Mt. Lakes Country Club was a real fun night with 40 enthusiastic couples jamming the hall. The class got underway the following Sunday with Bud & Jinny Allison in charge.

We participated in National S/D Week by holding dance demonstrations throughout the day at the Oakland Peddler's Fair. It was rough going on the grass, hot, and Helen Hardy got stung by a yellow-jacket, but we attracted a lot of attention, which was our goal.

Congratulations for Betty Daley and Art Condon who were married in September. Also to Susan & Bruce Hanson for their new arrival, a girl. Joan Mulrooney was the lucky winner of the 50/50 stork club.

Jim Mayo was our caller for our "special" in October. We remind all who attend our school dances that soft sole shoes or sneakers are a must.

Rhythmaires are resuming round dancing at the club from 8:30-10:30 the 1st & 3rd Wednesdays and 2nd Thursdays with Doc & Peg Tirrell. Come and join us if you know basics. Lessons are underway from 6-8 Sundays also at the club on Hiawatha Blvd in Oakland.

2 Friday

Presbyterian Church, Magnolia Avenue

Our fall-winter season got off to a swinging start with seven squares attending our first dances. With Dick Maddocks calling a variety of familiar and new movements and figures, and with Doc Tirrell and Ed Shearwood cueing the rounds, a couple of pleasant and stimulating evenings were enjoyed by all. The club is now planning some new innovations for the days ahead...and don't forget our hot buns and coffee at the end of each dance. Secretaries - George & Laura Sohmer 201-567-1415

M.T. SQUARES -- Menlo Park, N.J.

1 & 3 Saturdays

School #19, Menlo Terrace

The MT SQUARES went all out to publicize square dancing during National S/D Week. We gave three public demonstrations, distributed hundreds of S/D leaflets and flyers, posted publicity placards everywhere and had our story publicized in many local and area newspapers. In addition to informing John & Jane Public about our glorious recreation, we attracted many candidates for our beginner's class - the largest in many years.

But, that's not all. The audiences were so favorably impressed that BARNEY HARTENSTEIN and the club have since been very much in demand for additional demonstrations. (News of a good thing travels quickly.) What's more, the members like it -- show business has invaded our blood streams.

October was a gala month. The Initial Homecoming Dance was superb. The costumed Halloween Dance with HARRY LAZAAR was very successful. Special recognition must be given to Michela and Bill Lane for their decorations and unusual effects which create the atmosphere for each dance. This promises to be a bonanza year for the club.

There's lots more of the same on our schedule. On November 21st we celebrate Thanksgiving. In December we will have a Party Nite on the 5th and a Christmas Party on the 19th. And, the year will close in grand fashion with our Umpteenth Annual New Year's Eve Dance. For 1971: the President's Ball on January 16th and guest caller ROY KELEIGH on Feb. 6.

All dances are open, all square dancers welcome. For travelling instructions please call the reporters.

THANK YOU!

To all square dancers and clubs who sent in contributions to the Martha Sewell Memorial Fund I am deeply grateful. From all sources there was enough to put in a stained glass window in the Maywood Presbyterian Church.

Also to those who sent their gifts to the Memorial School where Martha taught, over \$1,000 was received to set up a Student Loan Fund, the details of this are being completed thru the Maywood Education Association. Many thanks to all of you who gave to this memorial to Martha.

2 & 4 Fridays PRINCETON SQUARES -- Princeton, N.J.
Riverside School, Riverside Dr. W & Prospect Ave.

The "Squares" have ushered in the new season with publicity and lots of fun. Most notable was a demonstration on the mall of the Princeton Shopping Center one Saturday afternoon with Beulah Samec calling. Some of our good friends from Merri-Eights helped boost the turnout to 6 sets. As a result of the demonstration, a very successful open house dance and some energetic publicity by Bob & Pat Buckler, we have 5 squares of enthusiastic beginners. We're looking forward to having Dick Jones as our guest caller on January 5th. As usual, we welcome visitors. Just proceed north on Route 26, Nassau Street (Princeton's main street) past the shopping district and turn right on Riverside Drive.

ROUNDS BY DOC. & PEG TIRRELL!

2 & 4 Saturdays COUNTRY PROMENADERS -- Cranford, N.J.
Methodist Church, Walnut & Lincoln Streets

Our first dance of the fall season was a lively one called by Beulah Samec. The return of Bob & Lynn Long for the instruction and leadership in round dancing was very welcome. The callers at our club for the rest of this year will be Nov. 28-Beulah Samec; Dec. 12 (our Christmas Dance) Charles Kides. Incidentally, Charlie Kides is calling every 2nd Saturday with guest callers on the 4th. For our 1971 dances we will have a variety of outstanding callers. We are looking forward to seeing our old friends along with many guests at our coming dances. You are always welcome at the Country Promenaders.

TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

At the September Dance we reversed the usual order and had graduation ceremonies for 7 teens who had been studying all summer. WELCOME to the wonderful world of square dancing. It was grand to be back dancing to Chip again...and delightful to see so many friends back for a happy season of dancing. Those of us who attended the Big D Weekend organized by our own Doc & Peg Tirrell, are still bubbling over in memory of the fun, fellowship and felicitous dancing.

Couples are already signing up for our annual New Years Eve Party at the Reformed Church on the Hill in Cresskill. What better way to welcome in the New Year than with your s/d friends! If interested, contact the Tirrells. See you at Bryan School third Friday.

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturdays

Bloomingdale Avenue School

Our first dance in September was enhanced with the presence of a photographer from the PLAINFIELD COURIER. We received an interesting feature in the paper along with three "shots" of our dancers.

Sue Selmecky donated an attractive fresh flower piece which was won by her sister, Gert Young! Legitimate yet! Bob Kellogg started his basic instruction classes for square dancing on Tuesday October 13 and round dancing the previous Sunday at his home in Scotch Plains.

Our dances have all been fun - just great! Bob has put us through fast, intricate, review and new steps. The round dancing on our club nites start at 8 til 8:30 with Bob & Jean teaching new rounds and reviewing old. The watchers have been enjoying it almost as much as the doers.

Our dancers are blossoming socially. They've visited the Hayloft's graduation covered dish in October, Hill City's anniversary dance and the Y Squares Halloween Dance. We are planning our Christmas dance on Dec. 19. How about joining us? We'd love to welcome and dance with you.

We started late as it was the end of September before we received permission to use "Our Hillside School". We did, however, get an early start with classes at the Northland Recreation Building with 2 squares. Hal & Doris Holmes interrupted our classes for a late vacation trip to Spain (wow!) with Bob & Harriet Gray handling our classes one Monday. Hix & Chix visited us in October. We dance for fun. RUTGERS PROMENADERS -- New Brunswick, N.J.
alternate Thursdays Bartlett Hall, Rutgers University

We are really having a great season and many Promenaders are becoming very involved in the various aspects of square dancing. Art Seele, our caller, has been helping a number of our members learn some basic techniques of calling and some of them already have taken over the mike for a tip. Art has also been conducting classes for approximately 2 squares of new dancers. We have also been very fortunate in having Bob & Lynn Long from East Brunswick teach us rounds on Mondays.

Our second special dance of the year will be coming up on Saturday, December 19. Art will be presenting another fine young caller Tommy Russell from Rockford, Ill. This dance will double as our Christmas dance and graduation dance for those beginners who will have completed their 10 weeks of lessons - so it should really be great!

We would really like you to come and join us at this special dance - or at any of our regular Thursday evening dances. Other dance nights are Nov. 12, 19; December 3, 17 and January 28.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.
2 & 4 Tuesdays Cedar Hill School Gym, Peachtree Road

We're off to a good start with Vin Caruso calling. We had two new couples join our club recently, one from California and one from Illinois. We usually have a few guests at Somerset and are always flattered that they come to dance with us. Hope everyone will eventually come join us. Our new classes began with 13 couples. Bob Yarrington called for us in October - Oh! those boots! Our club dances for fun level and was built on friendship. Reporters - Charles & Ruth Corbishley 201-539-5542

WARREN WHEELERS -- Port Murray, N.J.

2 & 4 Thursdays

Mansfield Elementary School, Rt. 57

Something new has been added to the Warren Wheelers lineup -- round dancing classes! Mary & Joe Kuletz have been teaching us our basic R/D steps on both pleasant and instructive Sunday evenings at the firehouse.

We were asked to demonstrate peaceably (for square dancing, what else?) to the calling of our past president Gus Sauck, at the Washington, NJ - P.T.A. Fair. We did such a nice job at Harper Valley.....Our beginners started two squares strong at a new location - Community Center in Rockport. Wilson Hoff is our teacher, and interested newcomers may call our presidents, Jim & Ruth Sheneman, for details. Each one of us has someone to thank for the introduction to square dancing. Next year, someone could be thanking you.

Our regular club dances began in October with visitors from Ironia Reelers, Somerset Hills, Sussex Spinners, Sparta's 4-H Swirlabouts, and Saucon Teens. (Just when we were feeling secure in having broken our caller, Wilson Hoff, of that nasty habit "Split Circulate", something comes slithering into the Association known as "Hot Foot Spin". Graduates reported petitioning for new basic entitled "Shoot the Caller".)

By now, the hot cinders are settling over Port Murray, which means that our Dick Jones special, with the Kuletzes on rounds, is a bash of the past. If you didn't get to say "Howdy" to us then, come up next 2nd or 4th Thursday and add another Wheel to the Warren Wagon. (Incidentally, if "Over-Dance" has you confused as to where you are, remember - Home is the place where you grab the ironing board and the cat and run, as the kids go through the kitchen, doing "Salty Dog Rag"!)

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesday

Wilson School, Beekman Terrace

Our first dances really kicked off the 1970-71 season. Jim Cargill called for a full house on the September 29th special dance and Manny Amor had his usual large attendance at the opening dance.

All indications are that the 20th anniversary dance will have special attractions for old timers as well as new dancers in view of the scheduled program for that day. Special invitations have been issued to those who took active parts in starting the club and in keeping it going during the past years and for whom addresses are now available.

Our class has started off in good style with Dick Lighthipe as head instructor. There are over four squares of prospective club members learning the ABC's of square dancing.

RICHMOND DANCERS -- Mariners Harbor, Staten Island, N.Y.
 2 & 4 Saturdays Christ Methodist Church, 1890 Forest Avenue

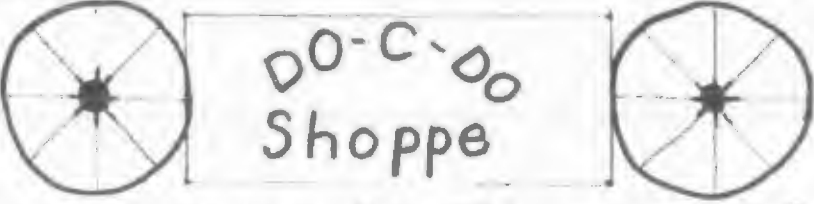

TASTY SWEETS & TRICKY STEPS. Our season began in high style with our annual Dessert Dance. Bruce Vertun did the calling; club members furnished the sweets which included Jean Semich's banana cake, Bea Tookers blueberry cheese cake and Doris Bichler's fruit & nut cake.

Classes for beginners are underway with 14 couples participating. Again this year members were invited to be part of the Old Home Day activities at Richmondtown in October. They marched in the parade and then later put on an afternoon exhibition of square dancing with Beulah calling.

We are looking forward to having Marie & Mac McCarry dancing with us again. Glad Mac is feeling better. Incidentally Shirley & Frank Bellotti have contributed lots of time and energy in presenting weekly round dance lessons through the summer and fall. Our warmest thanks to them for their interest in and support of our club activities.

The new season started off with a great Open House - even though it was Labor Day weekend. Classes are going along very well. We are looking forward to our HOLIDAY DANCE on December 13th - come join the fun that last busy week before the holidays. Again we are having a FIFTH FRIDAY special in January this year - at Irwin School and with Beulah calling. Happy Holidays, everyone and HAPPY DANCING.

CALI-HOE SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursdays

Hayloft - 901 First Avenue

The fall season ushered in a new slate of officers who have been engaged in the planning of fun and good times for the year. At the helm is Tony Osage as president with Bill Hartenstein as Veep, Al Larson as Treasurer, Marguarite & Jim Tanner as Secretaries and Marion & Hobie Gainer as Delegates to the NNJSDA. Good luck to them, three cheers for them and may the Cali-hoes Tribe increase. Parenthetically, it is nice to have our own Grace & Henry Knobloch filling the bill as Secretaries to the NNJSDA.

National S/D week found the Cali-Hoes playing host to all of the clubs in the Shore area. It was a delightful evening which was topped off with refreshments under the stars. Roy Keleigh called and the Larsons were chairmen with the executive board in tow. Wonderful, zingy Paul Andrews called for us in October. Fran & Bucky Flynn were chairmen on this one. During the night the travelling banner from Mexico, brought to our club by members Helen & Maurice DuBois from a dance in Vermont, was given to members of the Belles & Beaux from Philadelphia, they having come the longest distance.

Pete & Lorraine Andreach chaired our elegant buffet supper which celebrated the entrance into our club of ten couples. The committee which included the Nick Anticos and the Clint Conovers worked very hard for this affair and it was splendid. Henry & Grace Knobloch were in charge of the graduation ceremonies and everyone had a happy time.

We hope to see many of you down here at the Hayloft. We cannot promise there will always be a Harvest moon or perfect weather for the drive down, but we can promise friendliness, warmth and a good cup of coffee.

CIRCLE EIGHTS -- Tenafly, N.J.

2 Wednesday; 4 Friday

Mackay School, Jefferson Avenue

Our new season started with Bob Kellogg, our guest caller, being responsible for a good evening of fun. More fun nights are in store for our club members and visitors with our new callers, Dick Maddocks and Hal Holmes. Rounds will still be cued by the Tirrells. By the time you read this our Catskill weekend will be another most pleasant memory. Hope you can make our Spring Fling in the Catskills.

How nice to see our immediate past presidents, the DeLeau's, back for our mid October dance. There will be no dance the 4th Friday in November and December.....but plan to start your holiday season December 9th at our December 9th dance with Hal Holmes at the mike. Happy holidays.

Just in time for the holidays
let's make a PONCHO.....

You'll need:

- 1 1/2 yards 54" woolen fabric (preshrunk)
- 1 1/2 yards 58" orlon pile fabric for lining
- thread
- knitting worsted to match or contrast
- some type of closure (buttons with chain links or frogs or jacket-type zipper)

Directions:

Fold fabric in half (lengthwise or crosswise doesn't make any difference). Cut out a half-circle 27" radius.

Cut out a 7" diameter circle in center, and cut along 1 fold line to make the front edge.

Repeat with lining fabric.

Sew outer piece to lining right sides together, leaving neck edges open. Clip curves, turn and press.

Turn upper edges to inside and slip-stitch in place.

For turtle-neck collar:

gauge 3 stitches equal 1"
cast onto #10 1/2 needles, using double strands of knitting worsted, cast on 36 stitches. Knit in ribbing pattern (K 1, P 1) for length of 9". Bind off.

Sew lower edge of ribbing to neck edge of poncho.

Make fringes by winding yarn many times around a 10" piece of cardboard, cut thru top and bottom. Using double strands, attach along lower edge, poking hole with crochet hook.

Attach desired fastening. Note- if zipper is used, be sure it's long enough to go to upper edge of ribbing.

If sleeve-style is desired, stitch part way up in 2 places as shown.

Square Dancing with the TEEN-AGERS!

SWIRLABOUTS -- Newton, N.J.
Mondays, 1 & 3, 7-9 pm St. Pauls Abbey, Route 206

We participated for the first time in the State S/D Festival at Flemington and received a "very good" rating on our 2 sets. A real fun experience. Some members attended the Essex Ramblers S/D weekend at Stokes Forest 4-H Camp. Mac Spaulding, our caller, did a great job on the Saturday afternoon workshop. What a great group of teens, so pleasant to be with. New classes started Sundays 1-3 with an initial enrollment of 89! (Hey Mac, come back here!)

Plans underway for a masquerade dance, callers night, and travel to other clubs. New officers are Loretta Darling, pres.; Richard Darling, vp; Robin Jacobs, trea.; Janice Looney, set. For information call our new secretary Janice at 201-827-5624.

STATEN SQUARE SET TEENS -- Elm Park, Staten Island, N.Y.

Our teens have four squares taking lessons in this years session. New officers were elected in August. They are pres. Tom Lupari; veep Marilyn Lucarinio; secretary Paula Baydal and treasurer Toni Lapari. The new advisors are Mr. & Mrs. Babe Dell'Angelo.

TENAKILL TWILIGHTERS -- Teanock, N.J.
every Monday, 7 - 9 pm Community Church, 260 Elm Avenue

Our Second Teen Tromp will be held November 27 with teen callers - Jim Marshall will MC the dance. We hope teens from many states will be there and hope you teens will be among them. It will start off with a buffet supper at 6 pm with dancing from 7:30 - 10:30. The fee is 50¢. If interested please contact me.

All teens are welcome to our tape workshops on Mondays 7:30-9:30. A new class - our 5th in two years - is now in progress.

Some of us danced with other teens at the Philadelphia Convention...a different and fun experience for us all. We are putting on a demonstration for the benefit of the Mental Health Society of Hackensack Hospital at a smorgasbord dinner sponsored by a group of ex Pan-Am Stewardesses.

TEEN PROMENADERS -- Berkley Heights, N.J.
1 & 3 Sundays, 2-4 pm Little Flower Church, Plainfield Avenue

There was some excitement at the first teen dance when we arrived to find that there had been a fire in the Church where we meet that very morning. As this goes to press we are not sure how extensive the damage was. Everyone shifted to the school behind the church and the dance was held in the cafeteria. Two and a half of newcomers were present. Our policy is to teach newcomers along with experienced dancers. Dick Lightipe is our caller.

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesday Washington School, Central Avenue

We had a large and enthusiastic audience at our joint demonstration with Grand Prowlers at the Willowbrook Shopping Mall during S/D week. Our thanks to all the dancers who joined us. Our class is now underway and are making wonderful progress already. Hal Holmes was our first guest caller in October. Our special Thanksgiving dance was November 9th. We hope to see you at one of our dances. Happy dancing!

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturday St. Stephens Episcopal Church, Erhardt Road

We are planning new interclub activity which should prove interesting. In the meantime we are enjoying all the new movements which are being introduced to us by our caller, Jules Pozsar. Your club may just hear from us soon. The Shearwoods teach and review new rounds from 3 - 8:30. Won't you join us.

reporter - Hilda Berger 914-354-4350.

SQUARE SWINGERS -- New York City, N.Y.

1 & 3 Friday 9th floor, N Y TIMES Building

As long as the newspapers are printing we are dancing. If there is a strike, no dance - so keep your fingers crossed - no strikes. Glad to hear that Charlotte Hoen is on the mend after her hospital stay. Many of our dancers followed Dick when he filled a guest slot at Sleepy Hollow.

WESTWOOD WHEELERS -- Westwood, N.J.

1 & 3 Saturdays Boro Recreation Hall

Seems funny to sit here now and write "Have a nice Thanksgiving" and "Merry Christmas" but that's the way it is....it seems like only yesterday we were earning our "Duck badges" in Gray's pool...brrrr! Speaking of badges the club ought to be sporting theirs soon with a few extra hangers, too. Our new class is well on its way and should swell our ranks when they graduate. If you were unable to dance with us before because of our mixed up schedule, try us in 1971, when we'll be dancing on the 1st and 3rd Saturdays. We have one of the finest halls around; one of the best callers, Bob Gray (we don't know whether Bob is losing his New England accent, or whether we are getting used to it) and some of the nicest people to dance with. Join us for dancing, round and square, and a hot cup of coffee. We know you'll be glad you came!

reporter - Judi Hamilton 201-666-8585

Pictured are Don & Jo Braly passing along helpful hints to the new VP's in charge of classes, Lorraine and Frank Mooney....such as how many plastic badges to order, how many Association Manuals on S/D basics to have handy...as well as diplomas and perfect attendance pins for the Spring graduations! If you haven't ordered your Manuals, see the Mooneys now. The Braly's are keeping a scrap book of all publicity - send them any extra copies you may have...thanx....

Let's face the facts squarely.

During the last few years more than one club in our Association has had troubles filling its officership. Those who have been an officer have in some instances had to reluctantly stay in office. This has been as our average club attendance has been increasing. In one or two instances "guests" who do not want to get involved, outnumber members at dances.

Why do so many of our dancers want to let "George" do it? Do they think that just paying dues is enough? Our clubs are serviced by people who give of their time to make the club go. Just paying admission will never fill a punch bowl, arrange for a hall, obtain a caller for next year. It will never decorate or arrange a dinner. These things are done only by PEOPLE who give of themselves.

Being an officer or worker in a club does involve time - but usually not a lot. It does involve being a host - greeting guests, dancing with new dancers and setting out a tip or two if necessary. It also brings personal satisfaction.

Do you think your present officers enjoy the limelight of their position? Most of them accept leadership to keep their activity going. However change is always necessary. The time comes when the "in" group wants "out". When this happens will you be there to help keep your club going? or will you just watch as it closes its doors?
