from the desk of GEORGE & PHYLLIS COWAN, presidents, NNJSDA

Last summer, in reflecting on the goals of the Association for the coming season, we stressed greater participation by the clubs through their delegates. An effort was made to assign each club delegate some responsibility concerned with the Association activities. The results over the season have ranged from enthusiasm to apathy depending on the particular delegates. This concept of participation is still a goal: **attainable, but only through better cooperation by the clubs.** Each club president should carefully consider their assignment of delegates to assure that their representatives are committed to service on Association matters.

By far the most successful activity within the Association has been the clubs' new dancer programs. Another record number of graduates were received into the square dance world. The Graduates Ball was a fine success with more than 36 squares participating.

The Association special dance program has been planned to provide interesting events over the next several seasons. We hope that these dances will fulfill a need and be well attended.

A thorough review of the Constitution and By-Laws was conducted this season. One major area of concern is the effective size of the Association. How large should we be to provide the best service to the clubs? There are differing opinions on this score and more discussion and more searching for answers will be done next season on this question. The delegates who served on the Administrative Committee, and in particular, their chairman, Frank & Evelyn Adolf from the Reelers, are to be commended for a fine job.

The subject of a festival sponsored by the Association has been studied. The main problem is a place to hold it. This year we identified some of these problems. We must still decide if we can find solutions.

We wish to close this season with grateful thanks to all of the Executive Committee for their fine cooperation and particularly to those who are leaving the Committee; Henry & Grace Knobloch who have served in the position of Secretary for two years in a very able manner, and Walt & Isabel Dietler, our very efficient Treasurers. Through their special efforts a budget has been prepared to help keep us all on the straight and narrow path.

Further thanks are in order to all the advisors and Committee Chairmen, and last, but not least, to our Editors for their continued invaluable contributions.

To all the dancers, we wish you a happy summer and continued good dancing.

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.
2 & 4 Thursdays Hayloft, 901 First Avenue

The Kimballs, Daisys, Hollands and our dear Sylvia & Roy went Southwards to escape winter's icy blasts. It was just like Roy to drive a huge trailer down and come back towing another. During the Keleigh's absence Grace & Henry Knobloch took over both beginners' rounds and the square dance class and were most competent. Cliff Brodeur came down and called up a storm in April and the committee under the co-chairmanship of the Meiers and Harringtons worked very hard indeed.

June finds the current executive board bowing out and handing the reins over to a new slate of officers. VPs Bill & Edie Hartenstein, Treasurers Al & Alida Larsen, Secretaries Jim & Marge Tanner and Delegates Hobie & Marion Gainer really clicked to form an excellent crew. As for President Tony - well conflict of interest be darned. Ever since I married the guy I've been backing folks into corners to sing his praises. Now I've got it made for I have a captive audience. I'll just say this. He came into office, he observed and he acted - and was a gentleman throughout.

Wonderful Paul Andrews will be down to call June 17. Remember the Hayloft is open all summer and it is air-conditioned. Do come on down and dance with us. Have a happy, wondrous summer, all, and remember to keep the faith.

We wish to let all our friends know that our plans to move to Florida have been cancelled and we will remain in the area. See you on the dance floor.

CIRCLE EIGHTS -- Tenafly, N.J.

4 Friday

Mackay School, Jefferson Avenue

June 14th - that's the date to remember - our dinner dance at the Show Case in Cresskill, NJ - Chip Hendrickson, Hal Holmes and Peg & Doc on rounds. Reservations are coming in. Is yours there? Make them soon. Call Sneider at 854-0848 or send to 6009 Harrison Place, West New York, NJ 07093, or see members who have tickets.

April 28 was Graduation nite. Everyone enjoyed the calling by Dick Maddocks and rounds by the Shearwoods. The Graduation Cake was loaded with calories but enjoyed by all. Won't be long before these new dancers will be entertaining graduates of their own.

Seven Squares plus enjoyed the Spring Weekend at Winter Clove at Round Top. Don't miss the next one in the fall. Anyone will tell you what a great time they had. May 26th is our last dance of the season. Mackay School - Hal Holmes will spin-chain-the-gears and Doc & Peg will be cueing "Some of these Days" - and who knows what's for refreshments. Join us and make it a gala dance. We've had our best season - maybe we're catching on. We're a friendly happy dancing group and still we keep up with the latest steps. Try us. You'll like us! HAPPY DANCING to all. Have a wonderful summer. We'll be seeing all of you on the dance floor at NNJSDA summer dances.

In a nutshell

N N J S D A

April 16, 1972

"....absent were delegates from Swingin' Stars and Princeton Squares....36 squares came to the graduates ball; 30 of Sussex Spinners 41 graduates came with Somerset Hills having the second highest number; five clubs had over 50% of their graduates attend...13 callers came and 196 graduates came....schedules for the 8 summer dances were distributed to delegates.....it was suggested to warn all women to be more careful what they leave in their pocketbooks, as several wallets have been stolen at dances....there are 674 graduates at last count....pre-teens are not welcome at NNJSDA dances.....a poster contest concerning National S/D week was announced...deadline is June 15th...rules will be in Grand Square, as well as mailed to all club presidents...once again the Governors of NJ & NY are being requested for a proclamation proclaiming Sept. 18-24 as S/D week....clubs should plan now their observances... The R/D Council announced that the nationally known r/d leaders, Ben & Vivian Highburger will be in the area October 15....Henry thanked clubs for their cooperation concerning clearance...it was suggested clubs plan their specials on their own regular scheduled dance night...the 15 miles necessary is as the "crow flies, not road miles"...only 3 clubs have not reported on their booster drive - MT Squares, Staten Square Set and the Princeton Squares...with a majority of clubs in favor of the NNJSDA sponsoring a festival, now the question is when and WHERE? any ideas ??? the new slate of officers as presented by Jeff Doyle and the committee were unanimously accepted - presidents-George & Phyllis Cowan; 1st VP - Frank & Lorraine Mooney; 2nd VP - Ceil & Win McCarty; 3rd VP - Sol & Harriette Koved; sec'y - Eric & Maureen Pollock and treasurers - John & Dot Lutz....George thanked the outgoing officers for all their support... also stressed a need for greater participation on the delegate's part - the budget was presented, discussed and adopted....question raised about a need to increase the member clubs dues was sent to the clubs for their ideas....constitution and by-laws changes were all discussed and adopted except a change in new section 4 in the by-laws.....a clinic for new officers of member clubs was proposed for Sunday afternoon, June 11 at Madison Library....it will deal with such topics as club administration, how to run beginner classes, a callers view of a club, publicity, club finances, specials, the Association, how to keep records, parties and raids....pre-registration will be required....Basic Booklet of S/Ding will be reprinted with some additions as requested as the committee suggested...a discussion on Booster drive revealed the success depended upon the delegate selling the booster tags.....Charlie Novak asked for clubs to consider helping with Senior Citizen groups - they would like very simple s/d instruction - but are eager to dance....delegates were requested to pass on their badge to their successor (badges cost \$1.75 when replaced)....the delegate from Richmond Dancers wondered why some clubs charge a guest a different rate than a member.....a reminder to all teachers to encourage their classes to go out and dance AFTER they graduate, not before - as it can be very frustrating to all...refreshments were served in the break by delegates from Mountain Squares, Merri-Elights and M T Squares...."

SPECIAL

2 Jim Dandy Dances...

rounds at 8:00

squares 8:30 - 11 PM

Our last dance was one of our most exciting, with Jerry Haag calling. His singing calls will long be remembered and the crowd responded with enthusiasm. If you weren't there, you really missed a fine dance. We had a full floor and a unique first for our club, a "caller's" square ... among our guests Dick Maddocks, Jules Pozsar, Jerry Schatzer and Bruce Vertun. More and more people are dancing the HOT HASH tip. They realize that any experienced club-level dancer can handle this form of square dancing, particularly with the capable caller we provide. By the way, our officers are always ready to help newcomers make up squares for the HOT HASH tip. Just introduce yourselves, if we don't get to you first.

We had more round dancers than usual - a tribute to the fine job Doc & Peg have been doing all year. Ed Davidson took time out to announce nominations of next season's officers; Clary & Gladys Bergsma will travel from the VP post to the presidency, as is our custom. The slate chalked Jerry & Mary Barton for VP, Wib & Ruth Warfel to continue as secretaries, George & Hazel Rose as treasurers, Angie & Adele Rossi to continue as Board members, and Rube & Ruth Liss as new Board members.

June 2 we'll be bustin' out all over, with Decko Deck at the mike. The hall is air-conditioned, so come and enjoy it! NOTE THE CHANGE OF DATES AND LOCATION FOR OUR July and September DANCES! (ad on P.10). On Wednesday, July 5, Al Brundage will call for us; on Wednesday, September 6, it will be Deuce Williams doing the calling. And BOTH dances will be at the GARDEN STATE PLAZA! Then it's back to Bergen Mall for the rest of the year. Happy Dancing. reporters - Ed & Lee Ehrenberg 201-261-5954

COLONIAL SQUARES -- Clark, N.J.

every Wednesday

Mildred Terrace School

The tops in dancing continues every Wednesday in Clark with the welcome mat out. We were particularly pleased to see so many of our friends from neighboring clubs at our Deuce Williams dance in February. The pleasure of visitors and regulars alike was evident in the enthusiastic response to Deuce's inspired calling.

The time for welcoming new class graduates to the pleasures of regular club dancing is fast approaching, and we extend an invitation to those who might like to sample an advanced level of dancing.

A progress report from "31 SQUARES" concerning the New York S/D Legal Fund and the progress of the Sales Tax battle.....our thanx to Grant Johnson of Syracuse.

At least six different bills have been introduced in the New York Legislature to exclude square and round dance clubs from sales taxes. We feel that none of these have a reasonable chance of getting out of committee. Another bill will be introduced this month, combining the best features of the others and JUST MAY do the trick!

We urge all square dancers to write to your legislators urging them to support any legislation relieving square and round dance clubs from any obligation to pay sales taxes...past, present and future!

Your County Clerk's Office has a list of Senators, Assemblymen and the correct mailing addresses.

When you write, be brief, but be sure to point out the unfairness of a law that taxes education. Write as individuals, not as clubs...and be sure to stress the unfairness of back taxes, penalties and interest!

If bowlers, swimmers and Bridge players do not have to pay sales tax, why should Square Dancers?

Besides letters, they could also use your dollars - anyone caring to contribute to the **NEW YORK SQUARE DANCE LEGAL FUND**

A frequent question asked NNJSDA Executive Board members is "Where does all the money go?" or "Why does the Association need that much money?". To help answer the questions, NNJSDA Treasurers Walt & Isabel Dietler, after much study of expenditures over the years, prepared a budget for the 1972-73 season. It was adopted by the delegates at their recent meeting. In case you fail to read the bulletin board where the club delegate posts such notices or miss that dance, we repeat it here -

We sponsored two evenings of dancing at Willowbrook Mall in March as part of the shopping area's Spring Festival. Thanks to callers Hal Holmes and Dick Maddocks, and the participation of our friends from other clubs both evenings were a huge success.

On April 12 our class of '72 graduates received their diplomas amid much pomp planned by Aileen Ostlund.

May 21 is a day to remember - we will be having a Pot Luck Dinner at St. Aloysius Hall in Caldwell from 2 to 6 pm. Rita Burdette, who is planning the menu, may be contacted at 226-0559. Don't forget to join us when our guest caller will be Manny Amor.

"Please permit me to thank all the New Jersey dancers who came to the Coliseum and danced at the Winter COUNTRY FAIR. The audiences were very responsive and appreciated the beautiful, showy exhibition of square dancing. We got many raves from individual viewers. We were on TV a number of times and surely many thousands of people saw us through this medium alone. I'm sure square dancing got a great boost as a result."

Jean & Bob Kellogg are very proud of our new graduates who really are enjoying every minute of square dancing. We hope our newcomers will take advantage of visiting all the clubs. Even when vacationing there is always a square dance club close by. We were delighted to have Paul Andrews call for us May 6 and hope to see him again next year.

The following people helped us to pin Merri-Eights banner: Adeline & Bob Byrnes, Lucille & Chuck Engel, Ellen & Bill Fitzgerald, Doris & Sam Hankins, Phil & John Mahr, Hattie & Joe Noel, Irma & Martin Preis, and Sue & George Selmecy. We made five successful raids this year, and we thank all those who made it possible.

June 3rd is our annual pot luck supper. Everyone is welcome! There will be good eating, and lots of dancing with squares and rounds called by Bob Kellogg. A special note of thanks goes to Adeline & Bob Byrnes, and Hattie & Joe Noel for a truly marvelous year. We wish everyone a happy summer filled with many hours of dancing pleasure.

1 & 3 Saturday

Memorial School, Hillside Avenue

We have had our share of bad luck with the weather this winter. Our Feb. 19 dance with Jim Marshall had to be cancelled due to snow, and on March 4 Kerry Stutzman caused a few hearts to beat a little faster by arriving late. However, he made up for it by calling a great dance and staying an extra half hour. We also had a chance for a few more rounds with Dot Keller.

Flowers seem to be the theme this spring. Pres. Amy Mueller surprised us all at our St. Patrick's Dance with beautiful homemade green carnations for everyone. The Easter Dance brought out real flowers to decorate the hall; several lucky couples got to take them home after their names were drawn. (Most of them seemed to be officers. Fix?)

We continue dancing through June 3 with the May 20 dance free to 1972 graduates, as previously announced, and a discount for all others. Jim Cargill returns on May 29; note that this is a MONDAY dance. Jim Marshall winds up the season on June 3, if it doesn't snow!!!

Have a happy summer and we hope to see you again in the fall with another good program featuring outstanding guest callers from near and far. If you are looking for a good weekend after Labor Day, try the 2 + 2 at Scott's Oquaga House with rounds by our own Bill & Dot Keller and Walt & Grace Pennie. reporters - Jim & Theresa McKay 201-538-0756

Of course depends a lot on where you reside, but one NNJSDA president travelled over 3,600 miles (just in NNJ); this year the Cowans have driven almost 3,000 and the Lutz, back in January, had clocked 1,032.

2 & 4 Fridays

Salem Drive School

Our Graduates Ball was a wow-erful success - new grads from near and far danced to Hal Holmes' expert calling - the old grads (old? I mean, former grads) were ready and able to welcome and help out.

Two great clubs raided us this winter - we were really pleased to dance with the Reelers of Ironia one night, and with Somerset Hills of Basking Ridge another. It's always good to have visitors from other clubs and when we can welcome a raidful of dancers it really adds to our fun, and hopefully, yours.

After our April 14 Dance, with Jerry Schatzer calling, a large group of us went to the "Library", in Morris Plains - a unique place - for reading and bibbling and mingling.

Coming up for us - Jerry Schatzer May 12 & 26; Hal Holmes June 9. Incidentally, next fall Hal will again hold s/d classes - we'll have an Open Night free to all who might be interested in learning something about western style square dancing and joining in for a few simple, sample squares - any dancers with interested friends can get in touch with us.

In May we're planning a Mystery Ride and Raid - who knows where the Hanoverites will go (only a few drivers of lead cars know - and we won't tell) - but we do know it will be wild - and mysterious - a drive through the night to a secret revelry - yes, and next year's reporters can tell you where we went and what we did. Next year - this one's over and we've been glad to report our doings. Hope to see you all squaring up at the various summer dances. reporters - Diana & Gard Patton 201-627-4057

On April 11 our ladies displayed their spring bonnets from the most pretty, Alice Mosier in delicate pastel flowers, to most original, Edna Maddocks with a golden carousel on her head and zaniest - Les Shearwood adorned with multiple bed springs. Then came an unexpected treat - Charlie Martin, unofficial club member and official school custodian, showed movies he had taken of the monsters at our Halloween dance. I tell you, Hollywood is missing a lot.

There's still a little time to call Lou Poley to reserve a place at the dinner dance on May 24th. Only \$12. a couple and at our regular place. Al Brundage will call for those who can still dance after our catered, sit down dinner. On May 30 and June 6, Dick Jones will call; Hal Holmes June 13 and the last dance of the season will be TUESDAY, June 20 with Al Brundage. After that have a happy summer and come back in September where the red carpet is always out for you.

Sad but true, our last chance of this season to dance with Manny Amor will be our dinner dance on May 16. Betty & Bud Sibbald will be cueing rounds as usual. We will miss dancing with all our friends but hope to see them in our travels.

Speaking of friends, square dancers and Callers certainly are. On Feb. 29, our Leap Year dance, Manny came all the way up from Lakewood just to bring his equipment up for Jim Cargill to use. It seems Jim had a fire in his equipment and was having it repaired. On March 21, Manny had several flat tires on his way up to our dance. After trying unsuccessfully to buy new ones, he had to call and tell us he could not make it. This was the first time in 17 years he missed calling at Hill City! Bud & Betty had been calling rounds all the while we waited. Fortunately Bob Kellogg was calling for his class in New Providence and came to our rescue, bringing his class with him. He called a fine dance.

New officers elected are Pres. Ed & Carol Zabel, VP Bob & Vi Schiff, Sec. Helen Young, Treas. Ken & Nancy Hanson and Delegates Finn & Mildred Holth.

every Thursday

Farview Avenue Firehouse

Everything was green in honor of St. Pattie's day. Ellie Tout was most ingenious with her partner's dance linking famous names together. All the chix looked grand with their green carnations. The walls were gaily decorated thanks to our hard working committee.

We welcomed our graduates with an impressive ceremony. Helping us were our honored guests Doc & Peg Tirrell. We were also proud to have among our graduates the children of Don & Betty Mазzie. That's what I call a real s/d family. For the balance of the evening, our new grads blended in with the old timers and did a great job. The Farview Fire House was really jumping that night. Jim Flammer is keeping us on our toes for the second tip of each evening with a workshop teaching us new steps and reviewing old ones. It makes for an interesting evening.

Look out for the travelers!! They're on the move again with members accompanying our new grads to clubs in the area to introduce them to other callers and clubs....also issuing invitations to your graduates and members to return. We're sorry to learn that Carl & Lillian Hansen purchased a home in Florida and plan to run off and leave us in the not too distant future. We'll sure miss them both. They're sure to find their spot in some lucky square dance club in Florida.

ISLE SQUARES -- Oakwood Heights, Staten Island, N.Y.
 2 & 4 Wednesdays Community Church, 345 Guyon Avenue

With another season nearing an end, we would like to thank each and everyone for making this a most successful year. Special "thanks" to Glenn Cooke and Lee Kirchmyer for keeping us up-to-date on the latest calls, both squares and rounds.

Our graduation was a huge success with a tremendous turn out. We had many new graduates from other clubs and they really did an excellent job.

Due to unfortunate circumstances, the location of our dinner dance on June 23 has been changed. We will hold it at the Nelson Terrace, 23A Nelson Avenue, Great Kills, SI. Tickets are completely sold out!

Hope we'll be dancing with many of you through the summer - Graduates turn out. We'll be there to help. Have a wonderful summer.

M T SQUARES -- Woodbridge, N.J.
 1 & 3 Saturdays School #19, Maryknoll Road, Menlo Terr.

I guess our biggest news is our graduation. The graduates are a fine group of s/d type people. They are friendly and enthusiastic, enjoy dancing and are a lot of fun to dance with. We hope you all get a chance to square up with them soon either at one of our dances or one of yours.

Our mystery bus trip - which has been neither a mystery nor a bus ride, save once, since 1969 was in April. The idea was hatched by Rex & Doris Grier, those few years back as a true mystery bus trip. It was enjoyed so much that it has become one of our most popular annual events. It is an evening of dancing fun combined with hot dog and marshmallow toasting. A large log fire in a giant fireplace, quite at home in it's surroundings makes a perfect place for friends to be. This year, as last, we have Janet & Jimmy Paul, to thank for the arrangements.

The last big event of the year is our dinner dance...this is our last dance and held on our regular night at the Grace Lutheran Church, 600 New Brunswick Ave., Perth Amboy. It is at that time that our newly elected club officers take over the reins. All the club business is completed before the dance to which all are urged to attend.

With only the mention of future events some of you might think we have no past. We do tho and have the greater part of a wonderful dance season to add to it. In our very recent past we enjoyed our covered dish dinner. This is one adventure very few miss. It is what we recall of our past that make us look so anxiously to the coming events. The summer is a difficult time to schedule many meetings, but we expect to keep active with numerous informal get-togethers to fill in the spaces between vacations. We hope you enjoy the rest of your dance season and we would be happy to help you do just that if you care to stop by. Happy squares.

On March 15 we danced for and with the patients at Middlesex Rehabilitation Hospital. The many talents of our own Bill Geier came to the fore again - this time as a very able caller. Our club has found this kind of "giving" most rewarding.

A wonderful group of new graduates joined us at their graduation dance. Beulah Samec taught them well and the only difference between the new graduate and the old is their clothing. We were honored that Dot & John Lutz had traveled so far to be with us and represent the NNJSDA.

Our banner was pinned by Staten Square Set in April when they raided our club. To help fill the hall Dancing Squares came on the same night and pinned our banner also. Our series of 7 workshops at Central School in East Brunswick which Beulah started April 10 is very successful and well supported by new graduates. Our free dance for all new graduates was held May 5th. Our special committee is working hard arranging final details for our 14th annual dinner dance June 17th. All tickets have already been sold! The popularity of our dinner dance appears to increase each year. Our own caller, Beulah Samec will be with us and Bob & Lynn Long cuing the round dances.

The weather is a little more settled now so why not come on down to join in the fun with the merriest club. We'd love to have you.

Was our April 5 dance ever a great one! It was wonderful to see so many members out, having guests, and a hearty welcome to those new graduates that attended - we were happy to have you and certainly hope that you will be back to square up again with us. I think all will agree, Dick was in great form. Everyone gave us that great boost that we needed for the committee reorganization that evening. Wes & Irene Sharples will be leaving the committee this year - sorry to see you drop off - you did a great job of treasurers. Thanks for your help and support in bringing our club back. Congratulations to the Schoebels as they take over as new presidents - we know John & Laura will be great as they are so willing to help, as they certainly helped us get the club on its feet again. We hope that you will give them your support. We thank Dan & Ruth Stanions for their great year as presidents to put Mountain Squares back up the ladder to where they once were - its not an easy job. We also extend our Congratulations to them as they celebrated their silver wedding anniversary April 26 - many more happy years together. A welcome aboard to the Donaldsons - glad to have Erma & Bill on the committee. We are happy to tell you Dick Jones is going to continue to call for us. We hope that we can get more squares out to dance and find out what a great caller he is. Many plans are in the making, so watch for our flyers, and do come dance with us. June 7th is our last dance of this season; hope you all have a good summer and will look forward to your support again in the fall.

PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Fridays

Riverside School, Riverside & Prospect

Unlike the proverbial Arabs who silently stole away, the Princeton Squares are going out with a Bang! Manny Amor from Lakewood called on April 28 and Beulah Samec May 12 - along with generous doses of Glenn Cooke in between and after - and you've got a lot of excitement around!

Of course we're proud of our graduating class! Second largest in the NNJSDA and everyone a beautiful dancer thanks to Glenn and their own enthusiasm. If success is measured in tons of fun and mountains of mirth, in jam-packed halls, dance after memorable dance, a 40% increase in membership and a superb caller, then the Princeton Squares have arrived and anything else will be frosting on the cake!

That frosting would be you, our friends all around us, and nothing would make us happier than to have you dance with us here in Princeton! If you'd like to finish your season off with a bang, we'll light the fuse! Happy dancing!

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

Our Easter Hat Dance was just great with Bud & Jinny Allison, Helen & Lou Hardy, Harold & Louise Walker and Ed & Julia Haran walking off with the prizes. Our dinner dance was a fantastic success with 9 squares dancing to the calls of Jerry Salisbury. Thanks to the Brandt's for another job well done. May 7th our class held their Prom with Beulah Samec calling. The evening started with a buffet supper, arranged by four of the new dancers. On May 13th, Bud Allison (club teacher) and Jinny presented the new class with their diplomas at our graduation dance, which was called by Jerry. We welcome the new dancers to our club and look forward to dancing with you at future dances.

Bud & Jinny will hold workshops every Sunday evening (8-10) all summer starting on the 21st of May at the Ramapo Mountain Lakes Country Club, Hiawatha Blvd., Oakland, NJ. Everyone is welcome to come.

Again I want to remind you of the Ramapo Spring Festival held on Sunday, May 28th. It will be a great dance with Lee Kopman and John Hendron calling. Doc Tirrell will be cueing the rounds. Everyone is welcome, so come and dance with us. (see ad on page 14)

Sorry to report that John Meier has not been able to dance due to an accident while tube riding at Frost Valley. Also unable to dance for a few dances was Viola Johnson and Joe Green. We all hope you all will be back dancing again real soon. See you in a square.

We will stay on as GRAND SQUARE reporters and as delegates to the NNJSDA. Many thanks to all our past officers who served so well and so willingly.

Our graduation dance called by Vin Caruso was a great success. Over 17 squares attended with many clubs bringing their new graduates to share our good time.

RICHMOND DANCERS -- West Brighton, Staten Island, N.Y.
 2 & 4 Saturdays Olivet Presbyterian Church, Broadway & Myrtle Ave

We were honored to have NNJSDA presidents, George & Phyllis Cowan, attend our graduation dance. A big thank you to them for making the night extra special by their presence and for dancing with and addressing the graduates. Our graduates did just great and showed how well Beulah Samec had taught them. It was a lovely affair, under the able direction of Chairmen, Cal & Dot Martois, and their committee. Thanks to all our members and guests who attended and to Beulah for calling such a nice dance. Our sincere thanks also to Frank & Shirley Bellotti for cuing the rounds at all of our dances.

Our pot luck supper, with Clara Friscia as Chairman, was as delicious as ever. We were all too full, we could hardly dance! Thanks to all who took time to cook all of those scrumptious dishes and desserts.

It is sad to think our season is coming to an end, seems like it just started two weeks ago! We do have 2 dances left, May 27 with Glenn Coo and June 10 with Beulah. We shall resume again on Sept. 9th. Hope all of you have a healthy and happy summer.

Our graduates have now joined our club and we are happy to welcome them. Also, on May 4, our new officers will be initiated. They are: president Terry Glowacki, V Don Dryden, secretary Jean Cambon and treasurer Steve Potts. The best of luck is wished for them in the coming year.

We hope everyone has enjoyed themselves this year. Come this summer, not only will we be looking for our friends but also for the new graduates to share our friendship with. Have a pleasant summer.

Not rain, nor sleet, nor dark of night shall stop our dancers from making their rounds. I'm referring to our Valentine Dance which in spite of a blizzard, in they came dressed in red hearts and big smiles. Snow bunny badges were awarded to all who braved the storm. Our March fun dance brought out nine plus squares and Jules called a wonderful dance, as usual. At our St. Patrick's dance, our president, Stan Zaczkowski, presented the club with a bulletin board on which were individually framed color photographs of each of our members. It was really beautifully done and will be displayed at each dance. All new members will be photographed and added to our gallery. Everyone was in the swing of the wearing of the green and the dancing was great fun. All the refreshments were delicious, but a special "thank you" for the delectable Irish Soda Bread baked by Wanda MacLeod, Jr. At the April Fool's Dance we tried to play a trick on Jules by not moving when he started to call, but he recovered only to trick us back by mouthing words with no sound. We all had a good laugh and then a good dance. Our club is really a friendly club. Many guests that have come know the warm welcome they received. Our aim is to melt into one congenial group and have fun dancing.

We are now looking forward, at this writing, to our spring fling and graduation. We will continue to dance through the summer. (ad on p/7) The weekly workshops on Wednesdays from 8-10:30 conducted by Jules at St. Anastasia School on Teaneck Rd. in Teaneck is doing great and will also continue through the summer for all graduates and any club level dancers who wish to participate. Looking forward to dancing with you.

The biggest and best news is that our class has graduated. 21 couples received their diplomas and were welcomed into club dancing. This is the largest class and one of the best, if not the best, in our history.

Visits by club members continue on schedule with an average of 5 sets visiting a neighboring club each month. Our May visit will be to Princeton Squares. Plans are under way to make our 9th birthday ball on May 9 a gala affair. This will be a night for celebrating and reminiscing. Several charter members still are active in the club.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.
1 & 3 Saturdays St. Adalbert's Hall, 363 Morningstar Rd.

We want to take this opportunity to wish all our square dancing friends a happy and fun-filled summer. The teens took over our May 20 outing. Co-chairmen were Brian Tait and Marilyn Lucarini. The theme of the dance was Circus Night, and the evening's entertainment provided us with clowns, a side show, and a magic act.

On the evening of June 3, we will hold elections for the next years club officers. On this night we will salute our outgoing officers with tips in their honor. The June 17 special is being run by Lorraine & Bob Litkenhaus. This is our last regular dance of the season. Called the Puzzle-rama, its object is to put our map of Staten Island together again. During the year, a few guest couples at each dance have taken parts of the map home. We hope they'll all rejoin us then to restore SI! A buffet dinner will be served after the dance.

Our third annual installation dinner-dance will be held July 28, at the Columbian Lyceum Hall on Clove Road. Anyone wishing to purchase tickets may contact Matty Blaine at GI8-7564. Tickets are \$18/couple.

Our electronic workshop is well under way. If you wish to brush up, or try some challenge dancing, you're welcome to join us on Monday nights. It began March 10 and will last 10 weeks, at Dongan Hills.

All the members want to say a sincere "thank you" to Manny Amor and to John & Kay Adams for a wonderful season of calling! Happy summer, everyone! reporters - Judy & Charlie Zarrelli 212-356-5186

Graduation ---it's a thing of the past. But for us it can only mean one thing. We've added 21 more enthusiastic couples to our Club. They're raring to go. Bruce did it again, because after all, they owe all they've learned to him.

We hope you can make the next special coming up featuring Carmen Fontanarosa, from Connecticut on the mike. Then we have our covered dish on June 9. Everyone is welcome, but please bring a covered dish. We will again have our summer workshops for all interested in keeping in step. They will be held at the Presbyterian Church, Main St., Sparta, NJ on the following Tuesday nights - June 20 & 27; July 11 & 25, and Aug. 1 & 8. Hope to see many of you out for these workshops, they're fun, and a good place to meet old friends. (see our ad on p.15)

Thank you for taking time to read our column, it's been fun writing it. reporters - Connie & Ray Peterson 201-697-7146

SWINGIN' STARS -- Maywood, N.J.

2 Saturday

Maywood Avenue School

Our April dance was quite a session - Kerry Stutzman did the calling, Betty & Bud Sibbald did the rounds. The See Saw Squares, with 2½ sets, pinned our banner and the club staged a surprise mock wedding with Don Sewell & Bernice Goddard as principals in the event. (The REAL one was May 6, at Essex, Conn.) Emil Carazo became the "Justice of the Peace"; there was a big wedding cake arranged for by Frank & Kathy Ferrick - just enough for the 20 squares present to share. The Bride & Groom also received a coffee pot - 30 cup variety, just a possible suggestion for use at a s/d party?!?

Our next dance is Jim Cargill calling, May 13. Teens are welcome. Come on and join us in a fun nite - the newlyweds will be home again. Bernice and I thank all those who took part in our Swingin' Stars "wedding" and made a wonderful night of square dancing fun. Oh, found at our last dance (April) one blue sweater, owner please contact Don Sewell.

PROMOTION & PUBLICITY - both very important phases in the s/d movement. Sometimes you may feel getting our story told is next to impossible, but it does happen - more and more. IF you have been successful, please pass along your suggestions to our new 3VP, the Koved's, who will share it with all member clubs - remember it is not too early to plan publicity for National Square Dance Week - Sept. 18-24. Flyers are another vital way of dispensing information - here Bruce Vertun catches up on coming events.....

2 Friday

Presbyterian Church, Magnolia Avenue

In response to our invitations, many graduating classes attended our March & April dances. We really enjoy this annual event as it gives us the opportunity to help others to experience the enjoyment of club dancing. The graduates seemed to be relaxed and "tuned in" to the calls of Bob Kellogg. The instructors deserve credit for a job well done. Many thanks to these dedicated people. Our next dances are May 12 & June 9; and after summer vacations are over, we resume the fall season on Sept. 8. But don't stop dancing! There will be dances all summer in this area. Just check Grand Square for time and place.

Thanks to Bob Kellogg, the Tirrells, George & Janet, and everyone who helped us throughout the season.

3 Friday

Bryan School, Brookside Avenue

Just about the time this issue appears, Joe & Jody Bromberg will be introducing the new graduates as full-fledged club members. Welcome to them and to all the new dancers coming to share the pleasure of our favorite recreation.

We continue to have capacity crowds of guests and club members monthly to enjoy the fellowship and the joy of dancing to our Chip Hendrickson. Join us June 3 for fresh air eating and dancing at the Picnic at Camp Mitchakamou at Bear Mountain, NY. The last dance of the season is on June 16. After that have a good summer and take care of yourself, as we want you back in good dancing form in September.

WARREN WHEELERS -- Port Murray, N.J.
 2 & 4 Thursday Mansfield Elementary School, Rt. 57

We had a full house for our graduation dance. The decorations were extra special for this night. Hat's off to Edie Shoemaker who made and decorated 2 cakes for the new grads. You have to see one of her cakes to believe the workmanship and love she puts in her original designs. Not only did they look terrific they tasted good too. Edie also made the "Welcome to the Wonderful World of Square Dancing" banner. The Warren Wheelers are lucky to have a member with so much talent. Best of all she is always willing to give of her time and talents for the club. Besides their diplomas, the new grads each got a hand made gift from Evelyn and Charles Hunt.

Our last dance will be a covered dish, June 8 at 6:30. All are welcome to join us at the banquet table. Thanks to all of you who have attended our dances during the season and hope to see you again next year. Happy dancing! reporters - Joan & Harold Baylor 201-454-5400

Once again the regular dancing season seems to be coming to a close. It hardly seems possible that another year has come and gone, but with summer almost upon us we are forced into admitting it.

Many thanks to all who worked so hard for our club to make it another successful season and many thanks to the Kelloggs for Bob's calling and Jean's help with the rounds. But most of all thanks to all who came and danced, your support is always appreciated.

Summer dancing is again on our schedule but this year a better hall, better able to supply the air-conditioning a dancing group requires. Give it a try; I'm sure you'll be glad you did. See our ad on page 21.

Our best wishes for a healthy and safe summer and looking forward to seeing you on the dance floor. Keep those new grads dancing - remember we were all grads once, too.

is delighted to bring to your attention some designs for applique or stenciling.

The above design is featured in the current Spring-Summer issue of McCall's Needlework & Crafts. See color picture on pages 118-119. The square dancers are featured as a cushion design for an outdoor porch.....but just think of the possibilities as they encircle the bottom layer of your skirt or are scattered as an allover design. There are many possibilities.

The designs are completely pictured with instructions for enlargement to your desired size in the magazine. The article uses iron-on fabric for their appliques, however it could be worked in any washable fabric that goes well with the background chosen, i.e., gingham figures on poplin ground; or the reverse or possibly using leftovers from your sewing basket. Just remember to add the allowance (1/4") for other types of applique.

The designs lend themselves to other things also. Do you have a recreation room? a place where square dancers come? How about little curtains and toss pillows with couples stenciled on them in fabric type paints? How about some ambitious wives getting together to make small flags for antennae with a stencil of a couple and your club name added for identification on a raid? I'm sure if you start to think of where you could put the designs to use many ideas will come.

Happy sewing.....

TENAKILL TWILIGHTERS -- Teaneck, N.J.
every Monday, 7:30-9:30 Community Church, 260 Elm Street

A lot of our teens will be earning their black top badges this summer dancing under the stars on Monday nights at Petruska Park in Paramus. We have one square "plus" taking lessons that we plan to graduate this summer. Our "RAIN" dance was a big success, with about 10 squares dancing. The Twilighters did a rain dance and we must've been pretty good. Not an hour after we had finished the dance, it started to rain. We hope to see you all this summer.

WARREN WHEELER TEEN SWINGERS -- Port Murray, N.J. -

Forty people attended our special in April, including guests from Sussex Spinners and the Swirlabouts. Merle Graham was our caller. Door prizes were given out and a good time had by all.

Planning a trip? Pack your s/d togs! But first - drop a line to CROWD- really Steve & Fran Stephens at 151 Dryden Drive, San Antonio, Texas, 78213 - give them your itinerary - USA, Canada, or overseas doesn't matter - and they'll do their best to give you names of clubs or folks to contact. Please include a stamped, self addressed envelope as the postage mounts up and this is just a hobby with 'em. (CROWD stands for Central Registry of World

Ketler School, 23 Third Ave.

April 22 - a banner night - 29 eager and competent graduates who have been taking lessons this past year from Bob Gray and Jules Pozsar were inducted into our club....and then elction of officers for the oncoming year. We are proud of the willingness and cooperation of our members to take on these responsibilities, and we hail our new president, Ken & Judy Allen. We offer our support to his team: VP's-Rita & John Vance, treasurer-Frank Watkins; secretary-Evelyn Cashwell; delegates-Art & Helen Rellinger; advisors-Fishmans & Bests.

Graduation was a great fun night, starting with the Grand March of all graduates in their "special caps" and the official ceremony with the awarding of the diplomas and then the hilarious shoe box dance, and fishing line and anchor game, organized by the Grays. Refreshments were super delicious, as befits the occasion. Stop by on May 27, it will be Bob Gray's last dance before moving to New England - come bid him adieu. We will be dancing at Petruska Park, Mondays all summer - it never rains in Paramus on that night!

reporter - Eileen Best 201-444-6421

Your GRAND SQUARE staff came up with all sorts of ideas for the above cartoon - examples "Did he say we were gonna dance ARKY?" - "Hope we don't get too many OCEAN WAVES!" - "What ever happened to 'shuffle the deck?'" and "Do we get a SPECIAL badge for dancing 40 days?"

Our heartfelt thanks to all who have helped this year - the local and area reporters, Rose Ericson for her SQUARE PIN CUSHION, our new advertising editors, Clete for his cartoons and the many who've taken time to write editorials and offer suggestions. But a special thanx to the many delegates and unsung expeditors who have helped with distribution (so far we've only heard of one who left them locked in the car trunk until after the dance!) - without all of your help, we would be lost. Our area reporters will be contacting folks the first week in August for a deadline if mid-August. If the reporter plans to be away, please let us know your substitute. The September issue contains the NNJSDA roster as well as all information on beginner classes. Have a happy, healthy and dance filled summer.

from MURIEL OSAGE - "Chutspah is a Yiddish word meaning consummate gall. An example would be that of the craven youth, who after murdering his parents, would throw himself upon the mercy of the court on the basis of his being an orphan. An analogy close to square dancing would be the insensitive couple who feel they have reached their zenith and then refuse to dance with the very club members who helped them to attain this goal. This crass conduct does exist and it is very sad. On the one hand it hurts the neglected couples and on the other it makes the guilty ones look very small. Can't we remember that LOVE should be an important word not only with the younger set but also with adults?"
