notes

A cherry note from VI & HANLEY CLAPP... "For oldsters we're kind of busy ourselves with S/D sessions down here in daytime as well as evenings leaving only 2 days with out dancing.....Hanley's back to teaching a class. The County Agricultutal

Agent asked him to give time to teach a high school (Jr/Sr) 4-H group. They are now stomping away after 3 sessions. Saw the Yedinacks....they are fine - just back from Spain. A number of NY, LI, NJ square dancers have moved to this area. A while back Mary & Joe Kuletz turned up at our dance on their way thru Florida. The Laverty's from LI teach rounds at a Sarasota club. The Hansen's (Lillian & Carl) now live in Venice. Saw the Allison's who came to a Miami Winter Festival over Thanksgiving weekend. So we're surrounded with old and new friends and enjoying life." (ED Note - We wondered how long before Hanley & Vi would be back in the teaching of square dancing - can't keep good people idle long.)

A request from SOL & HARRIETTE KOVED to please repeat the "Second Annual S/D Poster Contest"

From the desk of

GEORGE & PHYLLIS COWAN ^{NNJSDA} presidents

Each Spring, the 30 clubs of the Northern New Jersey Square Dancers Association (NNJSDA) graduate between 250 and 300 couples from their square dance classes and bring them into their regular club dance program. We wish to welcome each couple listed in this issue of GRAND SQUARE, on behalf of the Association and its more than 3000 dancers.

The Association is a confederation of clubs in an area ranging from Rockland County, New York to Princeton, and from Warren County on the west to Staten Island and Asbury Park on the east. It was formed to provide certain services and coordinating functions on an area basis. It operates with an annual budget of over \$4,000. Delegates, representing each club, meet three times a year to consider matters of general interest to all dancers in the area. The delegates elect officers to conduct the detailed affairs of the Association under the Constitution, By-Laws and other rules and policies which they legislate. The elected officers, together with the Immediate Past President and advisors appointed by the President, comprise the Executive Committee. The NNJSDA is incorporated as a non-profit organization under the laws of the State of New Jersey.

The Association conducts the following major activities:

Special Dances - There is a program of special dances, two or three per year, held centrally and featuring nationally known callers. There is also a summer dance program held on eight Wednesdays in June, July, and August when most clubs are inactive. This latter program is of special interest to new graduates since it provides them with an opportunity to retain their recently acquired skill in preparation for the Fall dance season. To further this objective, the Association has a "Freeloader" program, offering a badge and free entry to all Association sponsored dances in the following season to new graduates attending all eight summer dances.

NEW DANCER PROGRAM - The Association, as you are aware, supports the new dancer program by providing the clubs with diplomas, 100% attendance badges, temporary badges for use in class, and the Manual of Basic Western Square Dance Figures. Every effort is made to assure that each class is visited by a representative of the Executive Committee during the year and at graduation time. The Graduates Ball, a special dance for new graduates, is held every Spring. This year the Ball will be at West Essex High School, Caldwell on Sunday afternoon, April 29th.

PUBLICITY - The Association sponsors special publicity programs to help the clubs in promoting square dancing, especially during Square Dance Week in September. For the past several years the Association has applied for and been granted Proclamations for Square Dance Week from the Governors of New Jersey and New York. A counselling service is also provided to clubs needing assistance in their operations or requiring help in solving special problems. A Patron program has been established to give special recognition to those couples who have visited at least 26 of the 30 clubs.

CLEARANCE - A Clearance procedure exists to provide for avoiding conflicts among clubs in scheduling their dance programs.

GRAND SQUARE - The GRAND SQUARE Magazine is published, and provided free of charge, to all member club dancers five times per year. This magazine provides many special features ranging from club news and special dance information to club rosters, maps, round dance choreography, etc. As you can see, this issue features the names of all the new graduates. This magazine is supported from advertisements, inter-area subscriptions, an annual voluntary fund drive and, if necessary, proceeds from Association dances. The Editor is appointed by the President.

(see page 4 for continuation of "from the desk of")

EDUCATION - Special education programs have been instituted in the past year. Last June we held our first New Officer Seminar and another is scheduled for this coming June. Organization of a class for new callers is now being planned. Materials providing other useful information are distributed from time to time.

ROUND DANCING - The Association also supports the activities of the Round Dance Leaders Council and disseminates, through the magazine, information on the area round dance activity. One of the advisors to the President provides liaison to the Council.

All of these activities, and many more besides, become available to you as you become part of the organization through your club membership. Support your clubs and keep them strong! Strong clubs lead directly to a healthy and active Association which in turn means more services available to you and all the area dancers.

The first thing we would like to do is thank all of those wonderful smiling people who came to dance with us, and brighten the evenings.

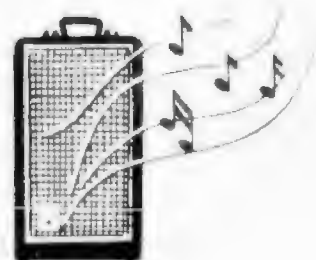

As this issue goes to press and before you see it we will have had our Valentine Dance and St. Patrick's Day Pot Luck Supper. We all offer a special thanks to those wonderful Irish Dancers who entertained at the supper. Again this year we are in debt to Bob & Jean Kellogg for their usual fine and dedicated work in helping others learn and enjoy the wonderful world of square dancing.

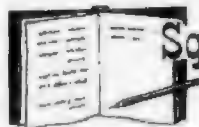

Their lessons will be over April 10 at the graduation dance, then it is up to the club members to see that the graduates get out to as many dances as possible - especially the graduates ball April 29. After that comes our Fashion Show and Dance on May 4. Again don't forget the graduates. In the last issue of the season we will list our summer dances and Bob Kellogg's Monday Night workshops - 12 nights during June, July and August.

So come wear out some shoe leather, then stay and help us stir our coffee.

TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

February is pot luck dinner month at Tenakill - this event is always a gourmet's delight with all those talented cooks contributing their most special dishes and with Peg Tirrell oiling the works, decorating the hall and generally doing nine tenths of the work (the rest of the Tirrells do the other tenth) - this year it was a Bee - in . Mainly because, if you had any sense you were sure to BE there. Peg and Gail made charming bee and flower centerpieces which presto -chango - separated after dinner into little corsages for each lady. The door prizes consisted of a large honey bee pin cushion and a jar of honey.

Running down our sick list - Ralph Campbell is home and doing excellently; Vee Jeffers is back dancing; Willie Schuschu is home with complications of flue; Mickey Nazarinko and Marvin Johannesen are in the hospital, but are doing well and expected home soon.

Next month, March the beginners class will attend their first club dance. So be at hand to welcome them. There will be no dance in April.

Watch for our flyers on the Fiddlers Dance scheduled for May 18th... these will have a map to reach the Northern Valley Regional High School in Old Tappan, NJ. See our ad on page 19. Round-of-the-month is taught at 8 PM by Doc & Peg Tirrell. Squares with that old Indian Dancer, Chip at the mike start at 8:30.

1st VP, Lorraine Mooney, handing out the latest issue of GRAND SQUARE at our recent Delegate's meeting in January.

"In a Nutshell....."

January 28, 1973

"....every club represented....treasurer reported most have paid dues....balance on hand with several outstanding bills is \$1,963.68...."

1st VP - next NNJSDA specials the 2 for on March 31 and May 21st not recommended for 1973 graduates....suggested they attend their own graduation ball on April 29th....reminded all to bring a hook to hang their banners at Association get-togethers....at Phil Adams special, 2 sets came from Ramapo Squares, Hanover Squares and M T Squares....

2nd VP - have visited many of the 19 classes sponsored by NNJSDA member clubs...discussed possibility of changing 100% badge...

3rd VP - discussed idea of rotating trophy for club having most % of dancers at NNJSDA events; poster contest for National S/D Week; exhibit at National in Salt Lake City; drop outs....members are helping with a phone survey of all graduates in last 4 years to see if they are dancing and if not, why not....

R/D Council sponsoring a Snoball in February; next Council meeting 3/18 Clearance reported most clubs using own dance nites for specials....

Rosters - 20 clubs have sent in up-to-date rosters...2 couples signed to help with Senior Citizens...

Booster Drive coincides with distribution of this GRAND SQUARE...all are urged to get out and sell their booster tags...

Administration & By-Laws - considering 5 changes - term of delegates to coincide with NNJSDA officers; delegates must be a member of club they represent; dues; alternate means of designating mileage limitations; and can GRAND SQUARE block out ads conflicting with member clubs dance dates Festival - still looking for a place - any suggestions???

Education - Callers Class has 22 people signed up...want the callers to take over this class...delegates discussed a need for fewer calls each month - perhaps a Callers Association or Council, similar to R/D Leaders Council, would help coordinate this most distressing and confusing situation; new officers seminar to be scheduled for June...

Insurance discussion continued;

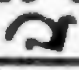

25 mile rule - discussion stressed it protected clubs against having other clubs having non-regular scheduled specials on their regular nights-referred to Administration & By-Laws committee...

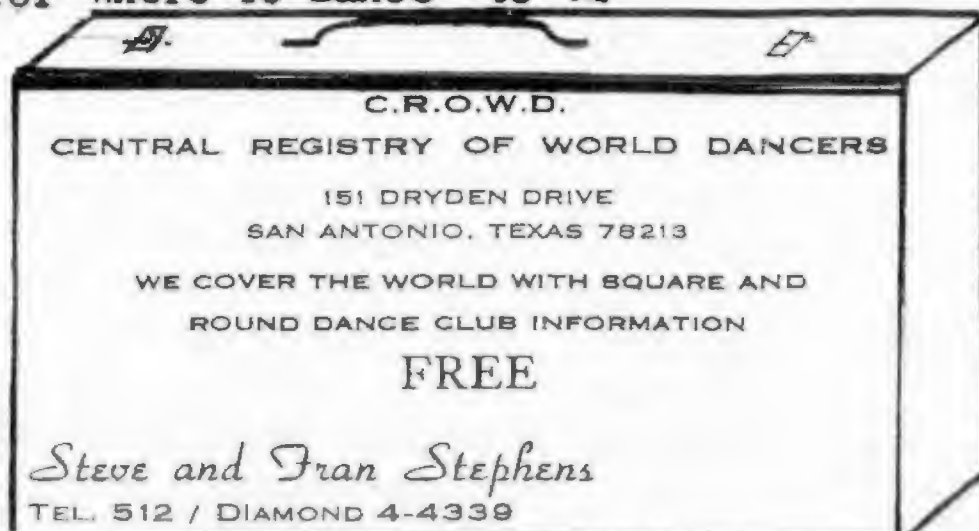

suggested clubs could list contacts for demonstration squares...reminded all to practice before giving demonstrations and singing calls best....

Caller exclusive proviso for NNJSDA - lots of discussion - decided Ass'n should use a 30 day exclusive proviso...

nominating committee composed of Dietlers (Somerset Hills), McKays (Grand Prowlers) and Blaines, Chairman (Staten Square Set).....

Next delegate's meeting date changed to Sunday afternoon April 8, 1973 at Madison Library at 1:30 pm...refreshments served during break by Hanover Squares, Hi Taws and Hill City Squares....."

If you plan to travel about this summer, don't forget to pack s/d togs. If you have time, send requests for "Where To Dance" to  Be sure and include towns where you plan to be, not just "I'm heading to California!" and include return postage. This is only a hobby for Fran & Steve & postage mounts up fast. If you haven't time to write them, give the Tirrells a call and they'll consult their files and see what they can find. Happy dancing.

TENAFLY SQUARES -- Tenafly, N.J.

2 Friday

Presbyterian Church, Magnolia Avenue

We have extended our usual invitation to local clubs to bring their graduating classes to one of our spring dances for a taste of club-level dancing. New classes are always welcome at our dances, where we try to help them gain the experience they need before going on to the more advanced clubs. (A note to the experienced dancers: If you haven't danced to Bob Kellogg, why don't you come along with the newcomers for a treat.)

On May 11, we plan to have our annual pot-luck supper and dance. Those who can't make the supper are welcome to come to the dance at 8:30 to help us work off that full feeling. We'll be glad to see you.

Winter is almost over, and square dancers are looking forward to spring, and the graduation of new dancers. Our club will be graduating 14 couples on March 27, and according to reports they are doing very well. Their teacher, our club caller, Vin Caruso, must be congratulated for his excellent teaching; On April 24 we are having a free dance for all graduates, come out and dance with us.

Vin Caruso called our annual New Years Eve tri-club dance which was sponsored by Somerset Hills this year. A wonderful time was had by all. It is a very nice way to see the old year out and the new year in with all your square dance friends.

Our Valentine dance was a big success. A delicious cake was served, baked by Diane Werp. Our presidents Phil & Mary Babcock, deserve thanks for organizing a fine dance. There was a drawing for the beautiful floral piece decorating the refreshment table. Vinnie drew the winning number, and the lucky lady was his lovely wife Ann - that was a nice Valentine gift Vin.

Mark your calendar now for our spring special, April 10, with Ken Bower calling. See our ad on page 11 .

"Did Your Square Break Down?"

Do most of the squares you're in break down? Was it you? This can only be answered by an honest evaluation of your own knowledge and aptitude of square dancing. Ask yourself these questions.

1. Do you find that whenever you are in a square it is constantly breaking down?
2. Are you always being pulled through?
3. Do you more than frequently find yourself saying "I don't know that call" or making the excuse "I didn't hear what he said".
4. Do you find that at the end of a dance, you feel like you have worked hard all evening, instead of having an evening of enjoyment?
5. Do the other members of your square look as though they are sincerely glad to see you join them, or do they have a passive look about them?
6. Do you find your square almost always the last to be filled?
7. And last, but not least, do you ever feel completely avoided as you try to square up?

If you have answered yes to most of these questions, there is something you can do about it.

1. Know your level of dancing.
2. Know the level of the club or clubs you are attending or wish to attend.
3. Do not attend a club that is above your own ability.
4. Increase your ability by: (a) attending workshops (many callers have them; and (b) dancing more frequently.

In this area there are many levels of dancing, ie, Easy, Low Intermediate, Intermediate, High Intermediate, Advanced and Challenge. Know your level. Progress from each level to the next gradually, it saves wear and tear on you and your fellow square dancers.

Enjoyment and fellowship are the main ingredients of square dancing, don't hurt yourself or others by dancing out of your league.

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays

Evans Park School, Marion Place

Our warmest congratulations on their marriage, to Addie & Russell Jones, who incidentally met at See Saw Squares.

Well, we certainly weren't at a loss for callers at our Amateurs Callers Dance. They were sensational, some were even very talented. We had a wonderful time dancing and rooting them on. It was fun visiting Circle Eights and pinning their banner. They're a delightful group. We also visited the Richmond Dancers in Staten Island, as Jules Pozsar was calling there. They welcomes us so warmly, we had another wonderful evening.

Meanwhile, back at our club, Jules keeps the pace exciting with all the newest steps. The Shearwoods are great with the rounds. We had visitors from the Albany area. John & Irene Walson received their traveling badge from Stan. We had a lot of fun making decorations for our Cherry Tree Festival. We took wild cherry branches, thanks to the Medlicotts, and wired on hundreds of fake crepe paper cherries. I know the dance will be fun. The dessert is Cherry Pie. I'm glad you're coming, as I baked an extra pie for you. Looking forward to dancing with you.

RICHMOND DANCERS -- West Brighton, Staten Island, N.Y.
2 & 4 Saturdays Olivet Presbyterian Church, Broadway & Myrtle

Hello everyone - how's the dancing? Here the dancing is great and so is the fun. Our Valentine's dance, called by Jules Pozsar, was terrific. Our committee, led by Doris & Marty Clifford, and including Madeline & Arthur Volsario, Rae & Matty Cafiero, Shirley & Harry Argins did a wonderful job. And to make a good evening even better, we has another surprise bonus - hot chili served along with the regular coffee and cake and cooked by Lois & Leo Bichler. Thanks to everyone who did such a tremendous job. On January 26th, 2 squares from our club danced a demonstration for the benefit of handicapped scout troops on Staten Island. We had fun doing it, and the children enjoyed watching us. The show was a success and approximately \$400 was raised.

Thought you'd all like to add your wishes to ours- and congratulate Mary & Tom Gorham, R/D Advisors to the NNJSDA, on the birth of their first grandchild, a girl! Our class is graduating April 26th and we wish to invite all graduates to attend free this night. It will be at the Alumni Hall, Wagner College, Grymes Hill, from 8:30-10:30. If you need directions, please call us.

Starting May 3rd, we will have open dances every Thursday night for all couples who have attained graduation level and wish to brush up on club level dancing. All are welcome. These dances will be at Alumni Hall with Marty Clifford calling.

Hope we'll see some of you regulars and new graduates at our dances. We have Bob Kellogg on March 24; Dick Pasvolsky on April 14 and May 12; Bruce Vertun on April 28 and Art Seele on May 26th. And don't forget our special of SPECIALS - October 13th with Ron Vizard of England. The location of this dance is still not available, but there is plenty of time yet. Hope we see you here soon.

reporters - Madelon & Bob Merkler 212-356-2157

First may we extend our heartiest congratulations to our new president Rod & Marie Penny, VP's Ellen & Ed Gallagher, treasurer Viola & John Johnson. Your reporters are honored to be elected secretaries and are happy to be working with such a great group of people.

The new dance group of squares (Ramapo Rookies) now dancing every Sunday night under the instruction of Bud & Jinny Allison are looking forward to their Prom and covered dish supper sometime in May. Their graduation will be held May 12 with Jerry Salisbury calling. Congratulations and happy dancing to you all.

Again I would like to remind you of our Festival dance on June 3rd with Jerry Salisbury and Manny Amor at the mike. Come and dance with us, we know you will have a lot of fun. We are sorry to tell you that Peg & Doc Tirrell will not be cueing the rounds at the Festival due to a previous commitment, but have no fear as Betty & Bud Sibbald will be taking their place. We know you will have a great time - so come and join in the fun.

PLEASE take heed. Once again we must stress to you to wear regulation square dance shoes or sneakers as the hard soles will ruin the gym floor. See you in a square. reporters-John & Averol VanNoordt 201-337-5922

CLOVERLEAFS S/D CLUB - CALLER SCHOLARSHIP AWARD

At a recent Board Meeting of the Cloverleaf Square Dance Club, a decision was reached concerning the Caller Scholarship award.

The Club awarded its first Caller Scholarship to Mike Foley of Teaneck, N.J. He is currently a student at Bergen Community College, an active member of Tenakill Twilighters and has been doing a great deal of calling for them.

He will be enrolled at the Al Brundage Callers College in Connecticut this spring. The Club, and I'm sure all Square Dancers, wish him all the best and hope we have helped to give the future of Square Dancing a little boost in the process. Ruth R. Liss, Cloverleafs

Here is a good place for a plug for the Callers Class the NNJSDA Education Committee, Jim & Lois Drake, Chr., is trying to organize. So far 22 people have expressed interest. Wonder how many remember the last Callers Class in the area handled by Al Aderente? Some are callers now.

(ED Note - Good luck to you Mike as you follow the same path many other clubs' callers, including two of our newer callers Jules Pozsar & Dick Maddocks, have trod. A partial roster of area residents who attended last years Callers School for Newer Callers reads: on Staten Island Marty Clifford and Bob Merkler; in New Jersey - Jim Connelly, Ringwood; Robert Gaunt, Nicholton; Wesley Morris, Point Pleasant; Bob Tarrant, Basking Ridge; Ralph Trout, Millville; and Walt Walters, Montclair. Good luck to all of you!)

Our various clubs recognize and graduate their classes in a variety of ways - Ramapo remembers its Indian heritage with head-dresses, Staten Square Set with a meaningful candle-light induction, others have graduation caps, corsages, special outfits - but the most important part comes AFTER graduation. Patience, understanding, a helping hand are never more important than now - here is your club's new blood - perhaps new officer material - we urge all to treat them accordingly....

We Proudly Salute...

Dancing Squares and Y Squares

"....As another square dance class starts the downhill stretch, I am prompted to share an experience with other clubs.

The shortage of good instructors is becoming more critical and often the shortage of class members is also a problem. I hear clubs telling about not being

able to have a class because of one of these reasons.

Last year ('71-'72), because of Bob's tight schedule, we requested our two neighbor clubs, Y SQUARES and DANCING SQUARES to try a combined class. We had many trepidations - the clubs had been very friendly, would we ruin it by causing problems? Would they fight over the new dancers, over being angels, about graduation night, or something we never even thought about? But we knew the type of members in both clubs. We may not have the market cornered on great people, but we sure have our fair share.

Each club appointed a couple in charge. Bob and I acted as liason to make sure that both had the same information, opportunities, decision making powers, etc. Both clubs went about getting class members in their usual way - only difference, they both advertised the same class. Both clubs had representatives at the first class to welcome new dancers and help with registration duties. They went on an alternating schedule for angels (also would be a help to small clubs with a shortage of angels).

As Christmas time came, both clubs presented invitations (on the same night) to class members for their particular Christmas party. Some could only make one, others came to both...extra experience in being part of a "club". As graduation came near, it was decided to use the class hall on their regular night for a joint party. Two clubs divided up refreshment duties. Both donated toward corsages and all club members were urged to attend. Attend, they did - about twelve squares worth. It was a special night with all attention riveted on the graduates. Bob and I distributed the diplomas, an Association representative the perfect attendance pins and both clubs were represented in a receiving line. Not only did they congratulate the dancers, they both handed out invitations to join their respective clubs. Many people told us it was one of the best graduations they ever attended.

Within a couple weeks, all graduates had affiliated with one club (a few in both) and all felt they had a second "home" if personal situations caused a change in dance night plans.

That was last year's story. This year is going along just as well (with a larger class). Our situation may be a little unusual as the clubs shared a common caller. But with some modification, and knowing how great dancers in general are, I feel this experiment could well be tried in other neighboring areas that may have a problem. Even if your club has no problems, what about your neighbor? Could you help him?

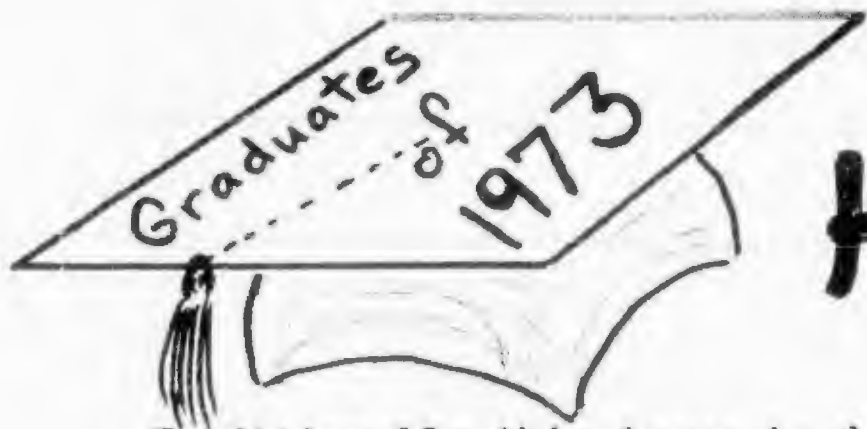

One thing I have learned in my years of dancing - no matter how closely you try to "guard" your dancers, they will eventually dance at the club that fits them best (if no choices available, they may drop altogether). What our real purpose should be is spreading the square dance "gospel" to new people everywhere. The more dancers we have, and keep, the healthier all clubs will be!"

Jean Kellogg

Graduation Ball - sponsored by NNJSDA featuring Association Class callers April 29th - 2-5 pm 2nd cpl.

Here They Are

Traditionally this issue is dedicated to the Graduates. By listing their names and addresses we hope that clubs, as well as individual dancers, will offer personal invitations to our graduates to come and join them on the dance floor. Here is a golden opportunity for all to help our nervous, bewildered newcomers develop into happy, helpful club members.

To the graduate - CONGRATULATIONS!!! - while the learning process will still go on, you are now able to circulate among our many area clubs. We urge all to take advantage of the many open house and graduate balls arranged for your benefit. But no matter where you roam - never forget your Mother Club and the folks who so patiently worked with you all these many weeks. (Loyalty nowadays may be thought of as square - but you ARE "Square", with a badge to prove it.) Remember, similar to any newly acquired skill, square dancing grows rusty thru disuse. It is only thru active participation that you will reap the rewards of fun & friendship that square dancing offers....whether here or abroad. For our money, it is the finest couple, or family, social activity available today. See you on the dance floor.

AND ADVANCED
CLUB DANCING

UPDATED 1972 EDITION

The currently popular calls for
experienced club and high level dancers.

by Jim Surock

A pocket size (3 1/4 x 4 1/4) 66 page reference book of the rules for the 150 most popular high level calls. Starts where the extended 75 club basics end and contains the new "Experimental 50" and the next 100 most used calls of high level dancing. A must for club dancers; for these are the calls filtering down from challenge into club dancing. ROUND THE WORLD of SQUARE DANCING

Somewhere, at practically every s/d you will attend, there will be a spot to pick up flyers announcing other

clubs' dances, schedules, etc.... Some clubs simply place the flyers across the stage - others have a special "flyer table" - but no matter how it is handled, it behooves the dancer to take a look see and pick up any of interest. As you become more friendly with the dancers and visit their homes, you may discover many have a bulletin board somewhere in their house just for flyers - to remind them of "coming events".

There are many other area publications, similar to GRAND SQUARE, all trying to do the same thing - keep dancers informed. We've found exchanging publications is not only a marvelous way of keeping up to date on elsewhere in this wonderful s/d world of ours, but is a terrific way to get new ideas. "Lift and Use" SQUARE DANCING calls it. Borrowing an idea from "ROUND UP", the official publication of the S/D Fed. of Minn., Inc. we are including subscription blanks from 2 National S/D Magazines. Both are excellent with lots of articles of interest to dancers all over. Since so many hereabouts find travel to New England very easy, we're including a blank for the NEW ENGLAND S/D CALLER - this is chuck full of club news and ads geared for New England and lower New York state.

This is being done for your convenience - we only ask when writing for your free copy, please mention you heard about them in GRAND SQUARE. If you plan to travel further afield this summer - see page 7 .

1 & 3 Fridays

Elementary School, Dover-Chester Road

By the time this is published our first special of the year with Ken Anderson will be past tense. But-don't forget our next special on March 30 with MANNY AMOR! We know you'll have a terrific dance with Manny. About this time of year, we're searching for new officers to continue the fine job done by our present officers. When asked to serve, remember your answer is YES!

Our last dance was raided by Hanover Squares who brought over 5 sets. Many thanks, especially on that bleary, foggy night. Even our caller, Glenn Cooke, got fogbound during his last 5 miles. Devotion to square dancing on a foul night like that is something else again. Those of us that managed to find the school really had a marvellous dance. We took our GRAND SQUARE over to the class, and their enthusiasm is terrific, too. They will be a very welcome addition to the club. Keep up your good work. See you all soon.

PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Fridays

Riverside School, Prospect & Riverside

Two BIG things are happening in Princeton! One will be on March 30 when our own TEENS will swing with a "Bunny Hop" dance all on their own! Jim Marshall of Ocean City will call. Fun and games are on the program and parents who are square dancers can bring their teens and do their own thing! Sounds like a lot of fun! Overnight accommodations are available on a first come-first pad basis! Call now 609-921-3424 or us.

Next, on April 27, CARL HANKS, that wonderful Pennsylvania troubador, will be calling on our second special of 1973 and in simple terms - He Is Magnificent! It'll be a gala night, plenty of room for dancing and parking and lots of refreshments!

We'll graduate one of the largest (if not the largest) classes in the Association in April! Glenn has done a superb job of teaching them the 75 basics and on two occasions when he couldn't make it, Al Cargill from PA dropped over and filled in. Al is as fine a caller as you could want and our class loved him! Al will call a regular club dance for us on April 11! We're having fun in Princeton! With an occasional "hash" tip by Glenn, we're getting some real good dancers, so come around and join us! We'll be looking for you!

Rounds have progressed from 12 weeks of basics to an ROM club. All area r/ders who are still at the stumbling thru, shin kicking stages- and past- are welcome to join. Janet & George Alberts are deftly teaching more basics, the classics, reviewing and more reviewing. Come join us for dancing and coffee every Wednesday night 8:15-10:15 at the Riverside School in Princeton. P.S. Don't forget the 8 PM ROM teach on the second Friday of each month from 8-8:25 followed by our regular club dance.

MOUNTAIN SQUARES -- Parsippany, N.J.

1 & 3 Wednesdays

Brooklawn Jr. High, Route 202

Our apologies to all you dancers who came out to our February 7 dance and found it had been cancelled. There had been a very unfortunate happening in the area that day, and for reasons of safety, all activities had to be put off. We didn't receive a cancellation until that evening making it impossible to give much notice.

Now that Spring is almost here, it's a good idea and a good time to start moving around and shake off the cold weather blues. Come on out to Parsippany and let Dick Jones chase your "blahs" away. You'll be glad you did. See you soon. reporters - Bill & Erma Donaldson 201-627-7975

1 & 3 Fridays

Hammarskjold School, Rues Lane

This is the issue to publicly thank GEORGE & JEAN WINN for being arch-angels for our classes and also all the angels who helped out every week. A special thank you to Dick Lighthipe for his teaching of our class in Beulah's absence; Good job, Dick!

The year has passed quickly. It doesn't seem possible there are only five dances left for this season. We are having a Fifth Friday Special with Dave Platt calling on March 30. On April 5 our graduation dance will be called by Dick Maddocks, with ALL graduates and near graduates invited to be our guests. On May 4 Ray Turcotte will be at the mike - on May 18 Hal Holmes takes over - on June 1st Ray is back with us.

We are again having workshops for old and NEW graduates every Tuesday night starting April 10. They will be held at the Central School on Cranbury Road (that's opposite the High School) from 8 to 10 PM, at \$2.00 per couple. Vin Caruso and Dick Maddocks will alternate at the mike so come, one and all! See you dancing!!!

Publicity comes in many places and in many ways - a recent article in "Irving Trust", the house organ of the Irving Trust Co., NY, gave square dancing a big boost in featuring MARTY CLIFFORD of SI. Congratulations Marty. It gave folks a good picture of square dancing as we know it. By the way, the cover was Marty calling at a dance.

We're sorry to announce the loss of our caller and round dance instructor, Barney and Virginia Hartenatein. They have been with the club since it began ten years ago and we are going to miss them; but we know they will be happy in their new home in Florida! We are pleased and fortunate, however, to announce that Bruce Vertun, of the country Promenaders, has agreed to become our club caller as of September. We know Bruce has much to offer our club and we are looking forward to some terrific dancing with him. WELCOME BRUCE!

Now through June we will be welcoming guest callers and we want to thank Bruce Vertun, Dick Lighthipe, and Hal Holmes for filling our need for a caller through the spring. They are three great callers and we invite each of you to join us for hours of dancing fun!

Our congratulations are extended to the new graduates. We extend an invitation to all recent graduates to be our guest for one free dance upon graduating. You may join us anytime within the next year; tell the treasurer you're a graduate and the dancing is on us! Please join us soon, we're anxious to meet you!

Things have really been popping the past few months. In January, we made a traveler's trip to Y Squares in Scotch Plains, and had ourselves a ball. A combination Tenth Anniversary/St. Valentine party was celebrated by us in February, and our Hix & Chix graduation is on the agenda for this month. For this occasion, we'll have a pot luck supper. We welcome our new graduates to the club and wish them happy square dancing.

And for some more good news - Jim Flammer, our caller, is back with us again. We invite you all to come on down and square up with us on any evening. We'd love to have you.

We were pleased to have Kerry Stutzman call our Special on January 30 when Jim Cargill had to cancel. Kerry has agreed to call for our special next year, so look for our listings. Since the last GRAND SQUARE, we've been raided by Dancing Squares and in turn raided their club. A good time was had by all on both occasions. As usual Manny Amor is doing a great job of calling squares for us as are Betty & Bud Sibbald on the rounds. HI TAW TWIRLERS -- Pearl River, N.Y.

1,2,3,5 Tuesday; 4 Wednesday

Franklin Avenue School

Our President's Ball was a huge success. We had 13 squares dancing. Jerry Schatzer called a delightful dance. Jerry & Ed Shearwood looked so patriotic in their red, white and blue vests and hats. Many dancers also carried out the red, white and blue theme in their outfits. Many presidents and their taws attended. Our own President, Jim McKenna, made a beautiful poster showing all the clubs in the NNJSDA and their present presidents. It was truly a work of art. We're all glad to see Ann McKenna feeling more like herself. She was a sick girl over the holidays and after, but she never missed even one week of the club. That's dedication! We all want to extend our sincere wishes for a speedy recovery to Ralph Campbell. Sophia's reports are encouraging; keep up the good work Ralph. Don't forget our May 8th dance which is FREE to all graduates. Hal Holmes will be calling. Let's all turn out and show them the "Red Carpet" is really out for the graduates.

This issue YOUR SQUARE PINCUSHION makes a petticoat storage bag....

The courtesy for the design and directions for the storage bag go to: Fashions by NITA SMITH
113 Walton
College Station, Tex. 77840

Nita's Favorite Petticoat Bag

Cut two skirt gores that measure about 27" at the bottom. Sew these together. Make a casing at the bottom and a casing at the top. Insert cord. This is a simple but satisfactory bag for a single petticoat. For a bag to hold more than one slip, use more gores. Another suggestion: use scraps to make these bags. Sew the scraps together for a patchwork effect and then cut the gores. These make a very cheap and a very useful gift for friends.

If you do not have a suitable pattern for a gore, drop me a note and enclose a self-addressed, stamped #10 envelope and I'll be glad to send it to you.

These bags make for neat compact storage and are excellent for traveling.

A mini-bag made of two gores about 12" wide at the bottom and about 14" in length makes a beautiful bag for carrying dancing slippers. Good for winter when you wear boots to the dance and must carry shoes, or for traveling--takes up much less space than boxes.

Bergen Mall Auditorium

We have recently been making visits to other clubs including Colonial Squares and Hi Taws, and we are planning visits to other clubs each month. Since we do not sponsor beginner classes, we look for other ways to further the cause of Square Dancing. Many of our club members have presented demonstrations for various civic and fraternal organizations, and we plan to provide this service whenever possible.

The club has awarded a Callers Scholarship to Mike Foley who will attend the Al Brundage Callers College this spring.

Our national caller for March was Keith Gulley; Sparkey Carlton sparked our April dance, and Earl Johnston will call in May. Watch our flyers for more national callers in coming months.

4 Friday

Mackay School, Jefferson Avenue

January was a great month. We had 9 sets dancing to Bob Mitchell. Stan & Nancy Zaczkowski, presidents of See Saws, pinned our banner. How about a visit from your club so we can fill up the banner.

March 23 - Break out with Spring at Mackay School. We may even have a little wearin' of the Green! If you arrive cold from the winds, we'll warm you with a cup of our great coffee or tea. Hal Holmes will be calling and Doc & Peg the rounds. April 27 - we'll be celebrating Easter time at the Reformed Church on the Hill in Cresskill. Jules Pozsar will be calling squares and the Shearwoods on the rounds.

Our mini weekend in the Catskills is April 28-29. We still have some room if you'd like to come along. Jules and Doc & Peg will be with us. If you've never been on a weekend, try one with us, it's always great fun with relaxed dancing. The RED CARPET will be out for the new grads on our May 25 dance back at the Mackay School. All graduates will be admitted for \$1.00 per couple. We always have a good time when we entertain the new dancers.

We always dance for fun, so new dancers have little or no trouble dancing with us. We always wear a 😊.

TEEN PROMENADERS -- Berkeley Heights, N.J.
every Sunday; 2-4 pm Little Flower Church, Plainfield Ave.

Hi! We had a great first half and are starting off to a better second half with new members from our area. Dick Lighthipe and Steve Potts are our terrific callers. Elections were just held and we now have four new officers - Dave Hartline is our president, Cindy Turcotte our veep, Noel Potts our treasurer, and I am our secretary. Many of us have been dancing since the beginning of this year or more and we have all become very good. This means we all hope to see you out at our dances. Would you like more information? If so, call Dave Hartline at 201-526-9128, Dave Sweet at 201-232-1494 or myself.

STATEN SQUARE SET TEENS -- Elm Park, Staten Island, N.Y.
1 & 3 Saturdays St. Adalbert's Hall-363 Morningstar Rd.

During the season, there have been 3 weddings of teen members: Marilyn Lucarini and Brian Tait; Jean Riviccio and Manny Attanasio; and Diane Gunther and John Visconti - CONGRATULATIONS! And as Ole Harry would say, "Stick with it kids, keep dancing."

Besides the above goings on, the teens and adults recently took a bus trip to South Amboy Roller Rink. A fine evening of singing, joking and skating was shared by all. In the planning stages are the Teens May Dance, an exhibition on the Staten Island Ferry (boat) and a series of demonstrations across the area to make Square Dancing more prevalent on Staten Island. Good luck Teens!!!

president - Tony Rose

After reading about all the weddings at the Staten Square Set Teens, we felt this was the proper page to include this picture of another wedding in the area....Janet Stein to George Alberts last November. Being typical square dancers, as well as round dance leaders, guess where they spent their honeymoon? Yes, you guessed it - away with 90 other couples at Al Brundage's Thanksgiving Weekend in Atlantic City!!! Best wishes to you both. Also to JOE

& ELLEN DESARIO (SSS) who tied the knot after graduates' names were typed.

WESTERN WHEELERS -- Park Ridge, N.J.

2 Wednesday

First Congregational Church, 131 Pascack Rd.

"June in January"...wishful thinking weather wise - party wise- a huge success. Those who came prepared with their favorite beach hat gave the rest of us some good laughs. How many butterflies have you "netted" Edith Giesler??? Plans for our April jaunt up to Skylands for an afternoon of dancing and fun in the works - for members only.

We will graduate 6 squares of good, enthusiastic dancers, comes March. Ray has taught them well and they have received instruction beautifully. We are proud of our teacher and our class.

Dancing under the stars at Petruska Park, Paramus, will be held again this summer. More publicity on this to come. Dance and Fashion Show is on the schedule for April, courtesy of the Gills of Spook Rock. We have rounds with Elli Tout 8-8:30 with Ray Turcotte calling squares at 8:30. For information regarding special dances, please contact this reporter.

***** NNJSDA roster additions/corrections *****

If, as suggested, you have set aside the centerfold from the Fall & Holiday issues and added the R/D clubs roster from the Winter issue, you have a capsuled idea of what the NNJSDA offers to its dancers. Trying to keep it current is our biggest problem and we appreciate those who take time to write or phone us with corrections (and we wished the caller we'd listed wrong for 2 years had done the same). Here is the current list of additions/corrections.....

During the break the committees meet and compare notes festival committee trying to find a place to hold the event; education making plans for the New Officers Seminar....

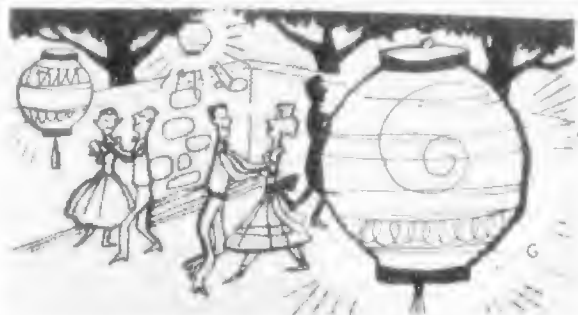

To the right you see Sol Koved trying to set up the "Drop Out- WHY?" Committee. All graduates listed

in GRAND SQUARE the past four years will be contacted to see "If they are square dancing; and if not - why not". Graduates are listed by town, with the delegates urged to take as many lists as they could handle - trying to avoid as many toll calls as possible. Results are due back to the Koveds by mid-March.....

All is not work. The hostesses from three clubs serve delicious refreshments...as delegates and officers take a mid-afternoon break...and the photographer can snap some pictures for the official publication.

First before we run completely out of room - next issues deadline is APRIL 8 (delegate's meeting) due out May 10 - This is a change, so please note the dates! This next one will feature summer dancing opportunities; if your club is planning any, or summer workshops, please let us know by April 8. We honestly wondered if we'd ever get this issue to bed - did you count the graduates??? 712! Isn't that terrific - now to keep them dancing. Our thanks to all who observed the early deadline which enabled us to type names earlier. And a great big THANK YOU to all the delegates for their super tremendous job in Booster Tag Sales! And to the new graduates who also contributed. Love ya all! Last issue seemed to provoke many more comments than usual - your suggestions and criticisms, which should be directed to the Editors, are always welcome. After all GRAND SQUARE is to serve you. Happy dancing.....
