Harriette Koved & Dot Lutz working on the NNJSDA exhibit to be set up at the National in Utah....

mini-port from Jamie Jamison concerning the 22nd National....."Utah had great numbers of honeys buzzing around the Salt Palace, the big beehive in Salt Lake City. Every state and at least 8 foreign countries were represented in the 16,121 registered folk. NJ had 109 dancers, with Art & Betsy Seele calling as well as moderating several panels. Jerry Schatzer was there on a "bus man's holiday". The Bonnetts, Buccos, Cavanaughs, Haags, Jamisons, Jensens, LaVines, Lunas, Norwids, & the Szabocsiks were among the NNJSDA members who attended. Our exhibit was set up by the Jensens and drew favorable comments.....It appeared to be one of the better conventions...housed within the new Salt Palace....as usual, the city police were pleasantly surprised by the well-behaved delegates....all levels of R/D & S/D were available, as well as many panels....contra dancing drew a considerable number of participants..... at the fashion show one of the big hits was the modeling of womens styles by men of various figures and sizes....the 1977 convention was awarded to Atlantic City and is under the sponsorship of the Delaware Valley Association. In view of the NJ location, some assistance from NNJSDA may be requested by Delaware Valley for the convention." The next year's is June 27,28,29 in San Antonio, Texas. See you there.

From the Hills of Sussex County.....

We want to take this opportunity to thank the Nominating Committee and all the Delegates for allowing us the opportunity to guide the Association this year. It is quite an honor and we will do our best to fulfill the responsibility you have entrusted to us. We hope to spread some of the "fun" we have found in square dancing, and if each fellow square dancer derives just a little of that fun, our year will be very rewarding.

Our summer has been spent attending all the Association dances, and we were pleased with the support shown by both new and old dancers. A new dance season has started spearheaded by Square Dance Week which is now recognized by almost all the States, and with a new season starting, just a reminder to all clubs forming classes: please impress upon the students the importance of proper dress for lessons (long sleeved shirts for men and skirts and dresses for the ladies - no slacks or shorts), and get them started in the right direction to correct attire; that's part of the fun of square dancing!

Another thought: there is a great deal of enthusiasm by members to help their club build a class; this is great, but also remember the other members of your club who may need a little encouragement to come back to a new season. We feel one of the reasons some clubs lose members is because during the Summer when a couple cannot get out as other members can, they tend to be timid when the Fall season rolls around and probably need only a little encouragement to become fully active again. Why not try a buddy system and persuade some couple or couples in your club to join you, and see how their enthusiasm will benefit the club as a whole? How about trying for the Patron's Badge which the Association offers? Visiting other clubs and meeting new friends is another way to help not only yourself, but the couple you are travelling with and your own club also. There's no time limit to earn this badge, but once you've started, you'll be surprised at how eager you'll be to meet more wonderful people at other clubs, and you'll be enjoying the friendship which is square dancing's greatest reward!

Become involved in your club, and be a "do-er." Your club Delegates have recently become more active in the Association's workings and we would like to continue to work with the Delegates to bridge communications between all clubs. Square dancing is a form of fun and relaxation, but many hands are needed to make it fun for everyone, so if YOU have a talent that can help - share it; if you have constructive suggestions, share them with your Officers and Delegates; this is the way we all can learn.

The Association is planning "Specials" to keep you active, and a Mini-Festival is in the works for the Fall of '74; what is needed now is YOUR support and cooperation so that everyone can enjoy this favorite past/time and remember, a smile and a helping hand go a long way! See you on the dance floor soon.

NNJSDA BY-Laws - Section 12 -

"To acquire the title of 'Patron', a dancer in the Association shall attend a scheduled dance by a regular caller of 26 member clubs, not counting associate clubs, in the Association and shall present a written record thereof to the Executive Committee. There shall be no time limit."

Who  
will  
be  
next?

Welcome back after a summer's vacation and rest. No better way to re-new old friendships and meet new friends than at Circle Eights.

Everybody is still talking about our fabulous Dinner Dance at the Showcase. Square dancing in this plush night club turned everybody on and Chip Hendrickson and Jules Poszar really put us thru our paces.

Great news for this season. Jules Poszar joins our own Bob Mitchell as a regular caller for Circle 8's. One of the finest teachers in the area, we are extremely pleased to have Jules with us and look forward to learning many of the newest calls taught in the "Poszar Style". So with Bob Mitchell again giving us the drive, enthusiasm, and youthful zest that he generates in square dancing, we have a dynamic duo that's hard to beat. Of course Peg & Doc Tirrell will be cueing the rounds. It would not be Circle 8's without this fabulous couple.

First regular dance of this season will be our Halloween Party in October, with Bob and Jules both calling. With dancing, games and prizes, it's a great way to start the season.

Second dance will be our turkey time at the Reformed Church on the Hill in Cresskill with Bob doing the honors. Be sure to come and get your turkey. Special note to new graduates. If you haven't tried us yet, come on in. We're a fun club and dance for enjoyment.

## CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursdays

Hayloft, 901 First Avenue

At this point in time (well I had to use it, didn't I?) summer is over, beaches are closed, children are settled in at school, and, most of us have a thousand things to do about our homes. Now isn't it great we have our dancing to relieve us occasionally from those wearisome tasks? And may I also suggest you discover some of that fun with us down at the Hayloft? We have Al Brundage calling in November and several Guest callers scheduled for our Thursday night meetings. We have squares and rounds; coffee and cake; and a group who will rap with all and sundry on subjects ranging from the Joys and Vicissitudes of Square Dancing, Books and Things, Younger Generation, World War II, and Abuses in Government Spending. We also have the Hayloft.

IT HAPPENED THIS SUMMER: We were delighted to have Sue & Dick Kraybill join our club; Buzz Chapman called a great dance with Glen Landis chairing same; a delicious Pot Luck Supper with Buck Fish as surprise caller; our honorary members Meg & Harry Baar from CA returned for a while to the club and our hearts; Roy treated us to Hot Dogs one club night; wedding bells rang in the families of Bucky Flynns and Art Martins; Frank Crabtrees new grandparents; and your whilom reporter finally conquered the Tamara.

Happy days to all of you.

Bergen Mall Auditorium

The new season is at hand. Officers elected at our annual meeting are presidents: George & Janet Alberts; VP's: Ed & Helen Hirsch; Treasurers: George & Hazel Rose; Secretaries: yours truly; Board of Governors: Rube & Ruth Liss and Ed & Selma Canstein and Delegates: Clary & Gladys Bergsma.

As an intermediate club that does not wish to discourage new dancers, we recommend one year of post-graduate dancing before attending our club.

We dance 12 months and hope to see all our members and guests throughout the year. Watch our bulletin board for news of our Travelers Group. Maybe you can earn your special Traveler's Badge. Another great year of National Callers is ahead. Look for our flyers.

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesday

Lincoln School, Crane Street

We hope that all of you have had a good summer and are looking forward to a new season of square dancing. We are very fortunate in again having Bruce Vertun as our regular caller and teacher of our class. We are especially happy to be able to report that this year we will have rounds called by Jim Connelly. After a year of being without a round dance leader, we will certainly welcome having rounds again.

We are looking forward to our specials. In October Chip Hendrickson will call for us and in November Kerry Stutzman will be back for his fourth season. We hope to see all of our old friends and many new ones at our dances this season. Happy Square Dancing.

## "Lets Get Acquainted"

STAN & NANCY ZACZKOWSKI - First V.P.

Exposed to S/Ding in 1970.....earned NNJSDA 100% badges & Patron awards...VP's and President of See Saw Squares.....Stan completed NNJSDA & Al Brundage's new caller's classes with future ambitions in that direction..... still finds time for hobbies....setting up a complete HO train/village under their Xmas tree, photography, swimming & ice skating...

GABE & SILA DELL'ANGELO - Second V.P.

As comparative newcomers to s/ding (graduates Class '70 SSS) their enthusiasm and love for the activity quickly found them involved as club officers and teen advisors. It is suspected the S/D hastened Gabe's retirement from the N.Y.C. Police Dept. and that Sila is rushing graduation from SI Community College so they can devote even more time to S/Ding.

JIM & FAY BATES - Third V.P.

Jerseyites since 1963....began squaring up 4 years ago, graduating with the Ramapo Class of '69....(the last class under Hanley & Vi Clapp's direction).....recent secretaries of Grand Prowlers....members of Grand Prowlers, Ramapo Squares and the Pennies Hot Garters R/D Group.....hobbies include bowling, golf swimming and sailing.....

SOL & HARRIETTE KOVED - Treasurers

Active square dancers for many years, they're members of M.T. Squares (V.P.'s) and Country Promenaders. Former NNJSDA Third V.P....also involved in Cranford's Temple Beth-El activities - Sol as Financial Secretary...Harriette singing in choir.....parents of 3 sons & have two granddaughters.....

JIM & STELL DOYLE - Secretaries

Transplants from Maryland 11 years ago..read of Merri8-'s Open House 3 years ago in paper looked into same and got hooked on s/ding... especially on teacher Beulah Samec....Have a married daughter, Kathy and 2 fine grandsons. Stell is a part time secretary and Jim is a general office manager in New York City.....

We are looking forward to a big new season. With top callers like Lee Kopman on squares and the Collins on rounds, you just can't miss! To any experienced dancer who would enjoy advanced level dancing in a workshop type club, we extend an invitation to join us. We have cancelled our dance on the 20th as Lee and many members will be at the Delaware Valley Convention. Our old friend of last season, Jerry Schatzer will call the following week and after that it's Lee all the way!

being appalled at the number of clubs having trouble filling their officership, we were working on an editorial when in came these....

"It would be nice indeed if everyone would start the year ahead with the resolve to be loyal to his club. I think it is about time for more of us to refrain from constantly complaining and making comparisons with other clubs. A wise man once remarked that if the grass looks greener on the other side of the street, it only means that one has not been properly tending his own plot of ground. To make anything a success requires effort. How about all of us taking a turn at the weeding and fertilizing and digging? And, finally, to paraphrase a famous line "Ask not what your Club can do for you, etcetera". Cordially, Muriel Osage

One of the many charms of square dancing is the fact that it is a "do it yourself" activity as opposed to a spectator sport. This applies all down the line - there is no entrepreneur organizing the dances, no commercial enterprises involved. The clubs and the dancers are what we make them and some people have to do a certain amount of work to keep things running smoothly. It has become painfully apparent recently that a number of clubs are having difficulty in involving enough people in this leadership work. Obviously different people have various commitments, abilities, etc. and there is no desire to put pressure on any individual. However, square dancing does require a fairly wide participation in the planning and preparation for the dances and unless the majority of dancers are willing to share in this, including committee work and officerships, we may all find ourselves with a wardrobe full of square dance clothes and no place to go. # Square Dance Date Book

Originally the GRAND SQUARE DATE BOOK was intended to be a listing of special dances and events - a supplement to regular scheduled club dances. Recently there has been a growing tendency for clubs to rely more on visiting callers than a standard club caller. With this in mind, not all can be considered SPECIALS. A "Special" must meet one or more of the following requirements: 1) feature a non-Association caller 2) be on a different dance night, with Clearance 3) be a festival or 4) be Association sponsored .....to be listed. We hope that you all had a refreshing summer and were able to do some dancing both in familiar and new places. Our treasurers, Bob & Lydia La Vine, attended the national in Salt Lake City and came back enthused about meeting and dancing with so many friendly people.

Our club is looking forward to a really great year. Once again we and the Y Squares are co-sponsoring a class. For more information see page 5.

Our rounds start at 7:45. Bob & Jean Kellogg will cue and teach both here and at our Dancing Shadows R/D Club that meets the 2nd & 4th Sundays from 7-10 at the Scotch Plains-Fanwood YMCA in Scotch Plains. The easy dances start at 7 and gradually increase in difficulty throughout the evening.

A special welcome to all new graduates to come dance with us. We square up at 8:30 with Bob Kellogg keeping us on our toes until 11 when we sit down together for delicious refreshments and fine fellowship.

1 & 3 Saturdays

Memorial School, Highland Avenue

Hi from Grand Prowlers! We have had a wonderful year, and look forward to another. Good news! Bill Keller is back on his feet again, and we will be seeing both he and Dot dancing up a storm. We have all missed them. The coming season will be filled with fun and surprises for all. Remember - we have only Guest callers. Won't you join us? We have a new Round Dance policy - Grace will cue both rounds instead of one cued and one request. The change is due to popular demand. The 8-8:30 teach will remain. Our Fall line-up is unmatched! Five Great Callers! (See our ad this issue - page 22.)

The season of summer found our most energetic dancers on the "square floor". Many were seen at the Association Dances having a real HOT time. Others spent weekends camping and dancing. I do believe the "Most Active" award goes to Jack & Ginny Piccininni! Is there any weekend anywhere you missed? Congratulations to Diane & Mike Gilden for making it through the night to receive their Night Owl badges! When are you going for your square duck? Speaking of badges, we'll have to find one for Angela Leonard. She's attended a s/d weekend and the NNJSDA Dances during her first three months of life!

However, not everyone spent their summer dancing - some members were busy moving. The club will surely miss Rod & Margaret Keech and George & Phyllis Cowan. Both couples moved out-of-state. Another member chose tennis to dancing and broke her leg. Sorry you spent a very inactive summer, but so glad you're coming back to the fold-Joan DeZeeuw!

Our Executive Board got busy late in July planning for this year with a lively and spirited meeting at Max & Louise Brueche's home. The hospitality overflowed from the swimming pool to the covered dish supper. Does anyone know who the "white flash" going down the sliding board was -backwards, no less? Mission accomplished after a 3½ hour meeting. For class information see page 5. Our Halloween dance will have Jerry Schatzer at the mike and also our Christmas Dance. Hal Holmes will call the New Year's Dance. Those responsible for such a long meeting (with much help from everyone else attending) are presidents Diana & Gard Patton, VP Ray & Aggie Milesky, Secr. Linda & Neil Doran, Treas. Dorrie & Jim Brock, Delegates Vera & Wilbur Slemmer and Reporters -yours truly. Happy Dancing.

1,2,3,5 Tuesdays; 4 Wednesday

Franklin Avenue School

My goodness, where has the summer gone! Hope it was enjoyable for all.

Although our last dance of this past season was extremely saddened by the death of Walter MacMaster and heart felt sympathies were extended to his brave wife Ellen; we do hope to get off to a happy start with our first dance a "free" one for prospective dancers. The date was early September and Hal Holmes called. We'll have with us again this year, the "greatest", Dick Jones and the "great one", Al Brundage. Check schedule elsewhere for dates. (see page 10.)

October will be something special at Hi Taw, so prepare to visit us often because in addition to our regular wonderful callers, we will have none other than that "bundle from Britain", Ron Vizard; then Dick Han from Indiana and finally the "happy Dutchman" from PA, John Kaltenthaler on Halloween, so come in costume if you want. John promises to bring his German square dance record.

Hopefully our classes will be started by publication date, but just in case they're not and you know anyone interested, please contact the Gills for further info. reporter - Doris Gill 914-357-1148

Smiles and friendly greetings are the order of the day when Manny Amor calls the squares to order for our season opener the 18th. It promises to be an exciting season with our favorite caller, Manny, with all his spark and color working us through the patterns we know or used to know so well, building to the "50 cent special" in which we review "everything we've done tonight".

The rounds as presented by the Sibbalds make it look so graceful that we will all want to be out there dancing.

Warning! Watch out for our new dancers! Stand close, and they'll push you through! Our recent graduates have proven to be "pros" at the summer dances we have attended. So watch out, if you hesitate they will pull you through.

Mark your calendar for our first special in December. Eddie Vieira from New Bedford, Mass. will be calling. Flyers with a map are being distributed for those who still can't find Wilson School.

Bring a smile and join in the fun.

Hello! everyone. Welcome to September, as the beginning of Fall, stirs us all, for the busy months of activities and festivities to come. Everyone is invited to bring friends and relatives to our "Open House" the 20, to help us celebrate S/D WEEK. There will be fun for everyone! So plan to come! We look forward to seeing everyone at our "Thanksgiving Special" November 20, at the Garden State Plaza dancing to our own Marshall Flipppo, who is becoming a Holiday tradition with our club.

We'd like to say, "What FUN we had", on our traveller trips to M T Squares and to Sussex Spinners. Our caller is the very talented Jim Flammer and our lovely R/D leader is Elly Tout. Plans are in the making for months of fun and good dancing.

Please note: A very sincere and special "Thank You", for a past good year, go to our out-going officers; Don & Betty Mazzie, Don & Donna Berg, Tom & Ruth Hayes, Mac & Joyce MacManus, Dave & Esther Schwartz, and to all the members who spend their time and talents at making our club a "Happy Family". Since square dancing is so much fun, we are all looking forward with great anticipation to another season of squaring up. It won't be hard for we are still savoring the tasty dinner and have lingering delightful memories of the scintillating calls of Glenn Cooke at our dinner dance which was held at Nelson Terrace last June. Another memorable flash of this gala event was the delectable Italian pastries baked by the talented Bea Tucker and served up in gayly decorated floral containers, also created by our clever Bea. Thank you Bea; many, many thanks. No one there can forget our young swinger, all of six months, Melissa Dawn Wolf, daughter of VP Sue & Craig Wolf, rhythmically waving arms and legs to the delightful duet calling of Glenn Cooke and Marty Clifford. It certainly was the fun place to be.

With an eye to introducing dynamic evenings of dancing enjoyment to others, we are planning to start a new class Sept. 11. See page 5.

Hopefully we will see all of you at our dances throughout the season. Come on down and square up with us. We'd love to have you.

NNJSDA - DELEGATE's meeting dates:

2 P.M.

September 16, 1973  
January 20, 1974  
April 21, 1974

Madison Library  
Madison, NJ

A little over 15 years ago, square dancing in NNJ was at a low ebb. Six couples decided that if s/ding was to survive, the area clubs must work together collectively. 11 clubs shared their beliefs and sent delegates to a meeting where a good promotional program, clearance conflicts, beginners classes and summer dancing opportunities were discussed and appropriate action initiated. (These same goals are still uppermost in our minds today.) Then, as now, delegates had the responsibility of keeping their clubs informed. As a means of further communication between the widely scattered membership, GRAND SQUARE was created in March of '59 by Bob Keck. He was succeeded by Bill Geier. When business pressures caused him to resign, Bill turned the task over to Doc & Peg Tirrell. Now 30 clubs strong and still growing, the Association can look back proudly on its accomplishments from sponsoring the 7th (and last) Atlantic Convention ('61), securing the first official proclamations of S/D week in NJ & NY, publishing its own basic manual of s/d figures and providing other helpful aids for the promotion of square dancing, providing the impetus for a new caller's class and setting up a seminar for new officers. Last year over 700 graduated from area classes. There are 3 vice presidents - one whose primary job is programming Association dances, a second who is in charge of beginner class activities and a third whose primary function is promotion, publicity and liason work to the public as well as members. It is interesting, officers in this couple activity were not listed thataway until '63 - past presidents are Al Aderente, Bob Keck, Bud Sibbald, Bob Kellogg, Frank & Hazel Preston, Doc & Peg Tirrell, Gene & Grace Lucarini, Jack & Carol DeCoste, Ray & Pam Zeliff, Lyle & Edna Hopper and George & Phyllis Cowan.

-----  
 NNJSDA liason to NNJ Round Dance Leaders Council -  
 Art & Lucille Kelman

Under Association sponsorship the NNJRDLIC was formulated in 1965 to help straighten out and consolidate a rather confused round dance picture. With membership open to all interested area r/d leaders, this council meets bi-monthly to exchange information, plan special events, & select the rounds-of-the-month (ROMs) for use September thru May. With the leaders including a majority of the selections in their programs, a dancer is assured of knowing most of the dances played at any NNJSDA club.

The official publication of NNJSDA is distributed free to all members thru their club delegates. Income from advertising and Booster Drive covers most of the expenses of GRAND SQUARE. The small deficit, if any, is covered by the NNJSDA.

Our 10th anniversary dance celebration last June was a great success thanks to Sol & Harriette Koved and Skip & Barbara Samsoe. There was so much good food, doggie bags were needed. Everyone had a good time.

Paul & Lillian Szabocsok (yours truly) are the new presidents and are looking forward to a great year for M T's. Bruce Vertun is calling for us and he really calls a great dance, so join us in '73-'74 for good square dancing. George & Janet Alberts will handle the rounds. With Bruce on squares and the Alberts cueing rounds, and the friendly gang at M T's, you can't afford to miss the fun! Check our ad on page 4.

MOUNTAIN SQUARES -- Parsippany, N.J.

1 & 3 Wednesdays

Brooklawn Jr. High, Route 202

Welcome back to another fun season, and it is always a great dance with Dick Jones calling! We are sure proud to have Dick as OUR regular caller (a national caller, at that!). We are pleased, also, to have Walt & Grace Pennie return to cue rounds.

Best part about summer ending is again dancing with old friends and meeting and making new friends. Our first dance is the 19th, so come and join us. John & Laura Schobel are our presidents this year.

We are especially excited as we are proud to announce that we will be starting a beginner class, too, this year! As we go to press, final details are being completed, but classes WILL be under way this October. Where and when, to be announced later. Progress reports will be made next issue. If interested contact the Schobels at 538-3509. We are all so pleased that past difficulties have been resolved as classes are such an important factor in building up club memberships.

We invite everyone to come dance with us with a special welcome to all new dancers. Look forward to seeing you!

Hark!!! That's not the boom of cannon roaring in the distance, that's Square Dancers stomping away at Marty Clifford's workshops. We initiated this, held every Thursday night, at Wagner College starting in early May. By popular demand it will continue until our beginners class introductory dance in late September.

Our new executive committee, Tom & Mary Gorham-pres., Leo & Lois Bichler-VP, Joe & Emma DiGiovanni-Treas., Ray & Clara Friscia-Secs. and the appointed co-delegates to NNJSDA, Paul & Bea Tooker and Chas. & Jean Fricke, also past pres. Ronnie & Natali Sullivan, have a star studded '73 '74 season scheduled. It begins the 22nd with our annual dessert dance- 7:30-8:30 followed by dancing till 11:15. Our veeps, Lee & Lois will have sumptuous goodies for all. Vin Caruso will call and Frank & Shirley Bellotti will cue rounds then, and all season.

Our second dance will feature Ron Vizard, the international caller from Liverpool, England. See our ad. This hall is off the SI Expressway. Those coming over the Varrazano Bridge, get off at the Targee St.-Richmond Rd. exit, continue along Access road past the Targee St. underpass, the Richmond Rd. underpass, the Clove Rd. overpass to the next underpass - the Renwick underpass. Turn left under the SI expressway to the other side, then left to the hall. Those coming over the Goethels Bridge, get off at the Clove Rd. exit. Go left at Clove Rd. overpass, over the SI expressway. left on to access road to the Renwick Ave. underpass, then 2 lefts to the hall. (Good luck, Ed.)

In October we will also have the ever popular Charles Kides, followed by the ex Floridian Ray Turcotte and Dick Lynch in November and Dick Pasvolsky in December. This will wind up our 1973 part of the season, so come out and pay us a visit. After a short holiday lay off, we'll be ready for 1974. reporters - Charles & Jean Fricke 212-984-4598

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays

Evans Park School, Marion Place

I hope you've had a pleasant summer. We have; also a very busy one. Our International Night Dance with costumes and foods from different countries was great. Square dancing was the common denominator that blended all the varieties into one. It fits in every where for wonderful fun. Our president, Stan & Nancy Zaczkowski, have been demoted from president to vice-president. But in this case, the demotion is a promotion as they are the new VP's of the NNJSDA and we are very proud of them and wish them good luck. Andrew & Wanda MacLeod are our new presidents and we wish them good luck, too.

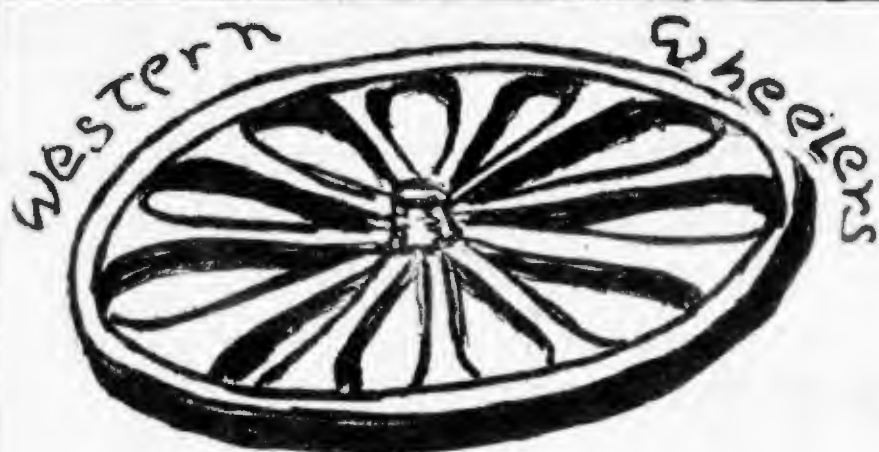

Jules called a wonderful Association dance in Parsippany and also one for Suffern's Bicentennial Celebration. We enjoyed pinning Tenakill Twirlers banner this summer as well as our regular dancing which is better than ever and so is our caller, Jules Pozsar. We also enjoyed a wonderful picnic which included swimming and dancing. We thank Addie & Russ Jones for their hospitality.

A very sad note for us is the passing of Fran Mikleberg. Aside from being a dear friend and fellow square dancer, she was See Saw's first First Lady, and will be missed by all. Our condolences to her husband, Nat.

And now we look ahead. We've already had our first dance and are encouraging non-dancers to join us at our Open House and get hooked on something that is good for you mentally, physically, and spiritually - square dancing!!! Looking forward to dancing with you.

We ended our '73 season with our annual bus ride to the Hayloft in Asbury Park. Great evening, much fun!

The club put on an exhibition tip or two for the Basking Ridge Kiwanis Club Carnival over Labor Day Weekend to publicize square dancing and incidentally to attract new members to our club. The show was well received, but it's too soon to tell if we have any new dancers.

Our club dances have already begun and classes began the 13th, both under the direction of our able caller, Vin Caruso. Grace & Walt Pennie, once again, are doing the honors on the rounds. Our first special of the season is in October with Carl Hanks of Wilks Barre, PA doing the calling. See our ad on page 8. We have fun dancing! Come and join us!!!

### SUSSEX SPINNERS -- Sparta, N.J.

2 & 4 Fridays

Alpine School, Andover Road

Wow! 32 squares were at our Lumberyard special. We broke our record and a great time was had by all - dancing under the stars. We had a wonderful time at summer workshops. Bruce did a great job, as always. Our season opened with Sue Watson & Clint McLean. D.S.D. night will be on the 18th and we expect a bigger turnout than last year. Bruce will be calling at our club on a new exciting level. Come and dance with us. Kevin Behrsing will be here the end of October. This is his 3rd time back by popular demand. Really terrific.

Rounds will be cued at all our dances now by Jim Connelly & Barbara Tirrell. Good chance for all of us to learn the rounds as they will be signing us up for classes.

The Swirlabouts (our local teenage club) took summer off from routine but joined us at some workshops and the Lumberyard. They really add some zip to the group and are such fun to dance with. Keep smiling.

In answer to several requests,  
THE SQUARE PINCUSHION makes a -

### Circle Skirt.....

We must first make 2 newspaper patterns. Measure down from point 'A' for waist measure - see chart. Mark down required inches for length plus 1" for hem. On line 'A' set edge of tape measure and measure evenly several places. Connect marks and cut out along hem line.

Before cutting waist edge, back up 1/2" for seam allowance make a second row of markings and cut on that line. Repeat for second pattern.

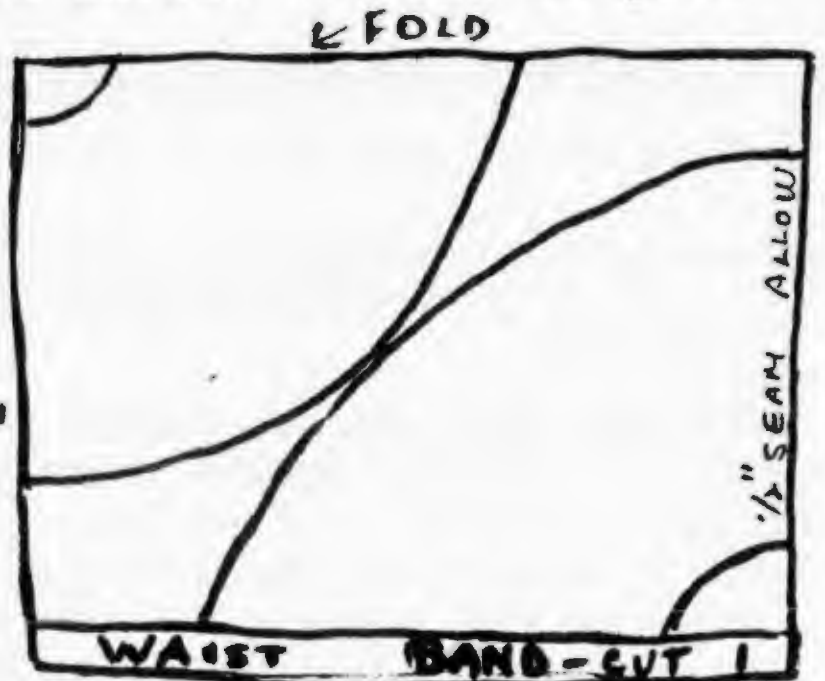

Use fabric with small pattern or design or none at all, this eliminates matching large designs. Using 45" fabric this skirt will have a seam either side and down the back. For a skirt with no back seam more fabric must be purchased to allow two folds. The extra fabric can then be used for bodice, sleeves and tie for "him".

Sew right side seam and back seam. Sew left seam leaving opening for zipper. Insert zipper. Measure waist band piece, allow for seam. Sew band ends, turn and stretch waist of skirt to fit waistband. Add hook and eye closing and belting on inside of band to prevent slipping of blouse.

Sew hem. Trim of all kinds may be added, including a flounce if made too short either by accident or on purpose.

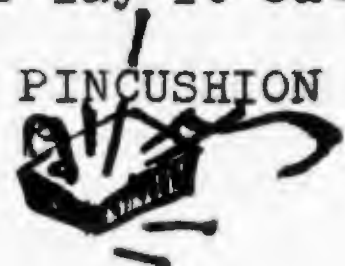

#### WAIST MEASURE CHART

22"	waist measure	3"	from 'A'
24"	"	3 1/2"	
26"	"	4"	
28"	"	4 1/2"	
30"	"	5"	

A skirt 24" length finished, 26" waist takes about 2 1/2 yards 45" fabric. It is best to lay it out on an old sheet and measure beforehand.

OCEAN WAVES SQUARE DANCE CLUB -- Tottenville, Staten Island, N.Y.

2 & 4 Fridays

Guthrie Memorial Hall, 42 Brighton St.

Our own Ken Casazza opens our season the 28th, and we can't wait! Our's is a happy, loving group and the summer absence has been much too lengthy. Our schedule this season reads like a "Who's Who" of callers, including such favorites as Frannie Heintz, Earl Johnston and Joe Prystupa just to mention a few! See our ad on page 9. We hope to have visitors from all parts to grace our hall on these occasions.

Ocean Waves is a comparatively small club, awaiting acceptance of our application for NNJSDA membership. One of our aims this year is to increase visits by our members to other clubs. Up to now our small membership has restricted us, but our growth was so pleasing this past season that we look forward to bigger and better things all around.

Our welcome mat is out - do come join us as soon as you can!

## LEGACY 1973

Those of us who have been involved in the Square Dance picture for some time can not help but become concerned over the present and future of square dancing and its related activities. We realize much can be learned from the past to help in the present and future (frequently as one watches the picture develop in other areas, one sees history repeating itself).

CONCERN - that is the word - not just for ourselves, but for the OVER-ALL picture...and we are not alone. All over the country there are other dedicated folks who are concerned over our future - who can foresee problems that may possibly cause serious grief in the overall picture and by pointing out these problems, perhaps provide solutions.

Charlie Baldwin, Stan Burdick & Bob Osgood started the ball rolling with a meeting called "Legacy". Concern brought more than 80 people together in May. Admittedly they barely scratched the surface, BUT they did meet - their concern will spread to others who will meet together, at their own expense, to take more in depth objective looks at the overall s/d picture and search for unselfish ways to protect, promote and perpetuate it. Under discussion were ethics and attitudes; standardizations; our image; leadership; our heritage; organizations; communications' needs and satisfactions of the dancer; the business side; and our future.

As Dorothy Shaw put it"...legacy carries with it a sense of responsibility and a very strong sense of sharing - it is ancestral, rather than mercenary...." Smaller "Legacy offshoot" sessions are planned. This is a beginning.....as the story unfolds Grand Square will keep you posted.

### DOC & PEG CELEBRATE THEIR 25th

Looking at them its hard to believe, but on June 16th the Tirrells had been married 25 years. In honor of the occasion the "tribe", their 3 beautiful offspring, Scott, Barbara and Gail, threw the party of the season. Almost a hundred well-wishers gathered at the Church on the Hill to dance the evening away. Claire & Jack Kurtz flew in from abroad just in time.

Hal Holmes was the caller of the evening. All his singing calls were romantic ones dedicated to the guests of honor. However, Hal isn't fooling anyone. Everyone notices how he looks around for Doris when he sings those lovey-dovey ones.

After the dancing a repast was served, including, natch, a cake cut by the bride and groom. We all hope for many,many more happy years together for these two lovely people.

PS: The above was written by the reporting staff, and included in GRAND SQUARE over the blushing objections of ye editors.

Happiness always to the newlyweds, Circle Eights former delegates, Jeannette Draper & Charlie Novak who were married August 16, 1973.

when space permits we are happy to include news from other area clubs....

We are a new club with 25 couples on our membership list who enjoy dancing to Wilson Hoff, our friend and caller. Come on down and dance with us. This summer we enjoyed dancing in the fresh air at the YMCA Camp Carr at Hamden, NJ. In June we had a family picnic and square dance. The adults enjoyed the dancing and the younger generation enjoyed the swimming. We'll be looking for you to visit with us this fall.

WESTERN WHEELERS -- Park Ridge, N.J.

2 Wednesday

First Congregational Church, 131 Pasack Rd.

Hope you all had a healthy and happy summer. Now it is time to get back to a DO SA DO and a LEFT ALLEMANDE. We've already opened. For dance nights contact this reporter. We are happy to announce that Ray Turcotte will be back with us on squares and Elly Tout on the rounds. If you have not danced with us before - come on down - congeniality is our speciality, Western Wheelers is our name, square dancing is our game.

Dancing under the stars at Petruska Park during the summer was very successful. Jules Pozsar and Ray Turcotte called. We were happy to see such response to these dances. Round dance class to begin Sept 17 and continue on 1 & 3 Wed and 2 & 4 Thursdays with Ed Shearwood instructing. See you at the club!
