"In a Nutshell....."

April 21, 1974

"....missing Rutgers Promenaders, Somerset Hills, Warren Wheelers....."

1st VP - mentioned Cross Trail has received their previously won attendance award; Ass'n summer dances finalized with cards distributed-one is in Edison and another on SI; Mini-Festival flyers ready for club distribution.

2nd VP - graduates ball set for April 28 with 12 callers; any graduates who attend all 8 summer dances of NNJSDA will earn FREELOADER badge. 100% perfect attendance discs available for trade in at any Association dance. cost to be 25¢.

3rd VP - National S/D Week - September 16-22, 1974...reminded all of poster contest and its purpose- to recruit; rules in last GRAND SQUARE

Sec'y - 4 clubs have yet to turn in rosters; needed by officers and by Ass'n to help determine attendance awards at specials.

R/D Council - Kelmans have moved to Florida! May ROM is Candy Floss; June is One Rose; Int. for both periods is The Moon Is Yellow. Next Council sponsored dance is May 31st. Next Council meeting August 4th.

Education report - With not much interest shown in New Officers seminar- it will be rescheduled for another year; call of the month idea seems beset with insurmountable problems as no Callers Ass'n to help.

Grand Square - asked clubs to fill out questionnaire and return

Old Business - Hanover Squares has withdrawn their objections to Y Squares change of night....delegates approved motion to reinstate club. Kittatinny Rangers application for membership approved by delegates. Frank & Helen Cavanagh will be in charge of NNJSDA exhibit at National. Koveds have packets of material for making the official Convention dress for '77. Make all checks out to Steve Musial for \$17.44,

New Business - Nominating slate approved by delegates. Jungle Habitat asked NNJSDA to help present s/ding as the American Folk Dance over the long July 4th weekend. This being an excellent way to present modern western square dancing to thousands of people the NNJSDA has agreed to become involved. Lists of all those who sign up for lessons or are interested in learning will be made available to the clubs in fall. Reminder - plan NOW for your promotion of NATIONAL S/D Week this fall. Delegates asked if future meetings could be held at same place in Nutley. Sussex Spinners offered to provide patron record cards to Ass'n for future use. Hanover Squares requested information on how to incorporate.

KITTATINNY RANGERS -- Stillwater, N.J.
1 & 3 Wednesday Stillwater School

Our second graduation was held in April with a gala crowd. We were wall to wall! A special thanks to our caller Dick Pasvolsky for turning out another fine group of square dancers. In May we held a May Pole dance - it is a fun type night and will become an annual affair.

Winding up our year in June we will hold a covered dish supper dance. We wish everyone a safe, happy summer and look forward to seeing you in the fall.

CALI HOES SQUARE DANCE CLUB -- Asbury Park, N.J.
2 & 4 Thursdays Hayloft, 901 First Avenue

Those Gremlins that bothered us a while back returned to do their thing in my last article. I meant to write that the Kraybills and I are kin - though not of the kissin' variety. They are the newest addition to the Cali-Hoes and a most welcome one at that.

Al Brundage called beautifully to eighteen squares in March and the Cali-Hoes bakers, as always, treated us to a delicious assortment of cakes. Clark Mitterway and Bucky Finn are forming a nominating committee to replace the officers bowing out. All of the officers are to be commended for a job well done. Special kudoes are in order for the Matt Youngs, who in addition to their secretarial duties, volunteered to become the treasurers. We would like to welcome all new graduates everywhere and wish for them happy dancing ahead. Incidentally, no need to hang up square dancing togs for the summer, as the Hayloft is delightfully air-conditioned. In June we will dance with Cliff Brodeur and in August it will be Bill Kresge. Happy summer days to all of you.

Another season of dancing is coming to a close with our Graduates Ball in May followed by our annual dinner dance in June. Attention all new graduates! Don't miss our ball! This is your night and Jules Pozsar will be calling especially for your pleasure. Remember we start at 8 PM and please wear soft soled shoes.

All reports indicate another great Mini-weekend was had at Winter Clove. These weekends have to be experienced to be described. They are that great! Congratulations and welcome to our newest members: the Brandt's, Moodys, Yale Carrod and Evelyn Olson. Our advice - get involved - it gives an added dimension to square dancing.

Raids by See Saws and the Garden State Campers highlighted our March dance. It is great squaring up with old friends and making new ones thru these visits. Hope to have lots more of them! Let us now get to the main event of the season - our dinner dance. It is at the Showcase and promises to be a fantastic affair. A full course dinner followed by dancing to 3 great callers - Chip Hendrickson, Bob Mitchell and Jules Pozsar. Doc & Peg Tirrell will cue the rounds. A great way to end the season.

Your officers want to take this opportunity to thank all the members and friends who have supported this club so loyally and have cooperated so fully in making this past season a successful one. A big thank you to our two fine callers for the many evenings of enjoyment that they have given us. In closing your reporters want to make special mention of Doc & Peg who not only cue the round dances, work on every committee and help out where ever needed: but have been an inspiration to us and epitomize the true spirit of square dancing. We are proud to consider them our friends. (ED note - thank you!) In moving about in square dancing - let us not forget a couple of basics - Square dancing is fun - SMILE!

In May we danced to the lively calling of Curley Custer. The annual meeting was held at the termination of this dance. New officers were installed - presidents: Ed & Helen Hirsch; VP- Bob & Joan Mulroony; Sec'y- Herb & Mary Jane Cannon; Treas- Dick & Ruth Strickland and Governors- Helen & Lou Hardy. A delicious spread was provided by the members - our thanks to all. The Travellers Group wound up for 1974 with a big fling at Staten Square Set. Dancers who attended 60% of the travel groups were awarded specially designed badges. We dance all summer - check our ad on page 9 for dates. The hall is air-conditioned for your comfort. Happy summer dancing.

From the "high, cool" hills of Sussex County.....

With the approach of summer, we'd like to remind all dancers that s/ding is not a seasonal activity and tho' some clubs disban til fall, summertime affords us even greater opportunities for more leisure and more dancing, with special weekends and long awaited vacations available. Our weekly NNJSDA dances and club workshops mean you can meet friends from or in other areas of our beautiful country and enjoy a special comradery that opens the door to making many lasting friendships!

The Wednesday night dances, of course, are planned to keep your interest flourishing and affords our newer dancers the chance to earn the coveted FREELoader badge if they attend all 8; workshops at some clubs also encourage dancers to brush up on current calls as well as some of the older figures that are being revived. Of course, s/d "weekends" and vacations are GREAT as anyone who has made one will confirm, and if schedules and budgets at home can swing it, we can honestly say: "try it, you'll like it!!" In fact, when planning a weekend away to visit family or friends, pack your s/d togs and a copy of any s/d magazine for the area you are visiting (see the Tirrells) and call a contact on arrival for a venture that's a little different and exciting! It's not too soon either to start thinking of encouraging a neighbor or relative to sign up for lessons, and if you know someone in another town and need help in locating a class, contact any of the Executives listed on page 36 and we'll do our best to locate a class that will put fun, exercise and friendship into someone else's life.

Your Executive Board would like to take this opportunity to thank all the Delegates for their fine cooperation this year and for their vote of confidence in the recent elections. While we are losing 3 very personable couples, they've left an indelible mark in the office they held; we thank Stan & Nancy Zaczkowski for the fine programming and wish them the best in their new calling endeavors, and remember, Stan, when you go National, "we all knew you when!" To Jim & Stell Doyle, our sincerest thanks for the excellent records of all minutes this past year and the best of luck in that job promotion! And NJ's loss of Art & Lucille Kellman is Florida's gain of a very talented r/d couple, and we thank them for the use of their lovely home for our meetings. We welcome the Cavanaghs (Cross Trail) the Wilders (Ocean Waves) & the Byrnes (Dancing Squares), and can assure them that their acceptance on the Board definitely means unpaid hours of meetings, travel and putting our heads together to make this year's Board "tick", but the reward of these responsibilities is an inner satisfaction of knowing we are doing our best not only to open the door but to expand our favorite past/time activity in this area.

To the outgoing Delagates our heartfelt thanks for your earnest cooperation whenever we called upon you; it's not easy to be a "go between" but we feel each of you did your best to bridge the communication with your Club, and we appreaite your effort; and to the incoming Delegates, the Executive Board is at your disposal for whatever ?s or suggestions you might have, and we look forward to meeting you in September.

Again, a reminder to all dancers, square dancing is as much FUN as you make it; we have schedules for where to dance, guidelines for levels of clubs, the Ten Commandments, codes for correct dress and suggestions for exposure to a variety of callers, but the most important ingredient is YOU combined with the amount of interest and effort you can expend; so give it a whirl this summer - attend the NNJSDA dances and workshops, get out and travel whenever possible, and most of all remember, "as you sow, so shall you reap." We hope sincerely you all enjoy a safe and healthy summer with lots of happy hours of square dancing with smiling friends, and we hope to meet you someplace in our travels.

Sparta, NJ 07871 201-729-3205

Back in February, 1968, NNJSDA Advisors George & Hazel Rose were asked to formulate some "ground rules" for club visitations, sometimes called "raids". This matter was most thoroughly discussed at two subsequent delegate meetings with the majority not desiring to steal banners (although the five interested clubs were listed in GRAND SQUARE). Tempus Fugit.

Gradually instead of stealing banners, travelling groups were formed to visit clubs and pin that particular club's banner. This trend has grown in popularity until many clubs have travelling groups and award a special dangle to members who have participated in a predetermined number of visitations. The ground rules are most simple - with most clubs writing their own; but TWO are so universal they bear including in GRAND SQUARE.....1- The club must be visited on their regular dance night with their regular caller calling.

2- The visiting club must have at least 2 full squares to pin the banner.

As always the object is to try and get clubs to visit each other in groups and enjoy themselves. Happy travelling.

"Plato wrote that the dance has developed among men under the direct guidance of the gods. While it is hard to write of Plato and square dancing together, I imagine that

this activity being an art form would come under the gods province. I do believe, however, that every now and then the Druids take over with their magic. How else can you explain some of the behavior in the wonderful world of square dancing? It is not enough that we have to be plagued with the irritating monkey-see-monkey do dancers, now the callers are showering us en masse with a plethora of calls. In an attempt to keep up with their brethren it appears they are really reaching and scraping bottom with such calls as the one currently in vogue therein one claps hands and then turns in a circle with his partner. The name of the call, as indeed with many other calls, escapes me for me it is beginning be too much work to remember them all. And what about "Motivate"? What did its creator have in mind? Motivate what? More work? Perhaps driving people away? Cannot something be done about too much work in dancing? Cannot we have the pure joy and fun of it all? Cordially, Muriel Osage"

EDITOR'S NOTE - In the March issue of the NEW ENGLAND S/D CALLER was a petition sponsored by EDSARDA (Eastern District Square and Round Dance Association) concerning the establishment of a nationwide list of 75 basics and another list beyond this; a request for screening procedures for new basics; and a suggestion for limiting the number of new basics. The petition and final tabulations were sent to the International Callers Convention in St. Louis, Mo. in early April. The ensuing discussion showed the concern of all. More on this at a later date.

Your Association officers are also deeply concerned. Lacking a working Callers Association, the dancers can only make their comments known to local callers. In an attempt to better evaluate the dancing level of a club and help a dancer find a club more to his liking and ability, the editors, with the approval of the NNJSDA Ex. Bd., have come up with a new approach to classify clubs for next years roster. A list of 21 figures, which together with our basic 75, make up 99.9% of the figures that appeared in SQUARE DANCING for 1973 was distributed. Delegates were asked to be honest and evaluate their club - not themselves. (Some delegates said they had to take the list to their Ex. Bd for assistance). Clubs next year will be listed in the roster as 75+3, 75+5, etc....we ask your cooperation in trying this method. And we invite and value your opinions on this vital question.

If you consider yourself an avid squaredancer who has been dancing at club level for some time and now is looking for something more interesting, then how about coming up to advanced level dancing at our Club.

The way to go about this is to attend Lee Kopman's summer workshops (see ad Pg. 11). This will be an introduction to advanced level calls where club level dancers can "get their feet wet" and hopefully attend our Club in September. reporters - Dale & Jeanne George 201-381-1653

In April our class marched in wearing black and white graduate caps to proudly receive their well earned diplomas - they can really dance up a storm! Bruce Vertun did a great job of instructing. We want to thank our VP's, Arlene & Steve Epstein for co-ordinating the classes & also thank all the angels who came out each week to help.

We were happy to see our friends from Dancing Squares come out to raid us at a recent spring dance. A good time was had by all.

May wedding bells are ringing for Bruce & Joyce. Our best wishes to the happy couple. This s/d season is soon coming to a close. We've all worked hard this past year, but we certainly harvested a wealth of good times and good friends. Have a happy summer. Come dance with us next fall. Please note - we've returned to our OLD, familiar location.

Best of luck to you both. We'll miss you. 1 & 3 Saturday

Bloomington Avenue School

We are especially proud of one of our most loyal couples, Bob & Addie Byrnes - since they graduated and joined our club 4 years ago, they have missed only one dance and that because of the flu this winter! For the offices they have held, their cheerful helpfulness and most of all their sincere friendship, we all say "thanks".

In March we raided Country Promenaders and in May Cali-Hoes. Thanks to our efficient chairmen, Bill & Hinda Lawrence, we pinned banners at 7 raids. This has been a good year and appreciation is due to the officers who made it possible....delegates- Sue & George Selmecy; treas. Lydia & Bob LaVine; VP in charge of refreshments Lucille and Chuck Engel and most especially to the ones who coordinated everything, our presidents - Bill & Ellen Fitzgerald.

In April we welcomed 19 couples as members. Our special thanks to Mary & Henry Eckloff who have been in charge of angels for the last 2 years and, of course, to our teachers Jean & Bob Kellogg. We seem to be going international - one evening entertained by Hinda & Bill doing a Russian dance; another Alice Fengler and her friends showed and led us in an Hawaiian dance and at graduation 6 couples demonstrated a Greek dance.

Our final dance will be our annual pot luck with supper at 6:30, where the food and fellowship are always the best. Come and bring either a salad, casserole or dessert. If you can not make supper come later and dance. Rounds start at 7:45 and squares at 8:30. Have a good summer everyone and whether near by or far away, take advantage of the summer dances and workshops. See you in the fall for another good year of dancing.

Your reporters have come to the end of their first year as club members. We have thoroughly enjoyed our membership and the dances. Our hope for the graduates is that they keep their enthusiasm and get out and dance, and for EVERYONE -- "smile at your corner"!

If there were awards for the season, your reporters would select --- best president of the year - Diana & Gard Patton; most active dancers of the '73 grads - Ginny & Jack Piccininni & Diane & Mike Gilden; most costumes for the year - Madeline & Ray Kirchner; most fun r/ders to watch - Diana & Gard Patton, Terry & Jim McKay and Amy & Ozzie Mueller; Mr & Mrs. Hospitality - Louise & Max Brueche; New caller - Dave Laws and his assistant (Gladys); atmosphere with added attractions at dances - Dot & Ed Geerke; refreshmental organizers for the year - Aggie & Ray Milesky; best s/d instructor - Hal & Doris Holmes; most colorful r/d cuers - Grace & Walt Pennie; financiers of the year - Dorrie & Jim Brock; best 1974 grads- Hanover's class; best club caller - Jerry Schatzer and best club dancers - all our members. These awards are based solely on the "imagination" of your reporters and are not necessarily the opinions of this club. It's all in JEST! To quote our three year old son - "pin around" and do some "quare dancing" this summer. Keep swingin' and smilin'.

As this is being written we are looking forward to a number of exciting guest callers as well as our fine regular callers. Gordon Lentz is our last guest for this season - then we wind up with Al, Dick and HAL. June 11th is a real SPECIAL. This will mark Hal's last as our regular caller as he & Doris are retiring next year - It will be a gala night and his many friends and admirers will want to mark the date on their calendars. Hal has not only been a fine caller and teacher for the club, but also one of our most reliable members and we will miss him and his "quetch", as well as his charming wife-Doris. Good luck in Vermont and come back often.

We were all shocked and saddened by the sudden untimely death of Doris Gill. Doris & Tom were our first presidents and have always worked very hard as officers and members. Doris, as so many of us know, was a rare person, warm and kind, always interested in helping others and in making things a little happier and friendlier in this world. We all loved her and miss her and extend our condolences to Tom and her brother, Ed Shearwood.

"ON THE BOARDWALK IN '77"

"THE WORLD'S GREATEST SQUARE DANCE EVENT"

The National Square Dance Con.

Article Number 2

At the present time there are 16 couples serving on the Executive Committee. The number varies each year as new General Chairmen join the group and others retire for various reasons.

The members of the National Executive Committee, besides being past General Chairmen, are average square and round dancers, like most of us, but unlike some of us they are extremely dedicated to the advancement of square dancing.

"Fine", you say, "they are dedicated, they obviously must enjoy working for square dancing, they have the time or can make the time, but how do they manage it financially?"

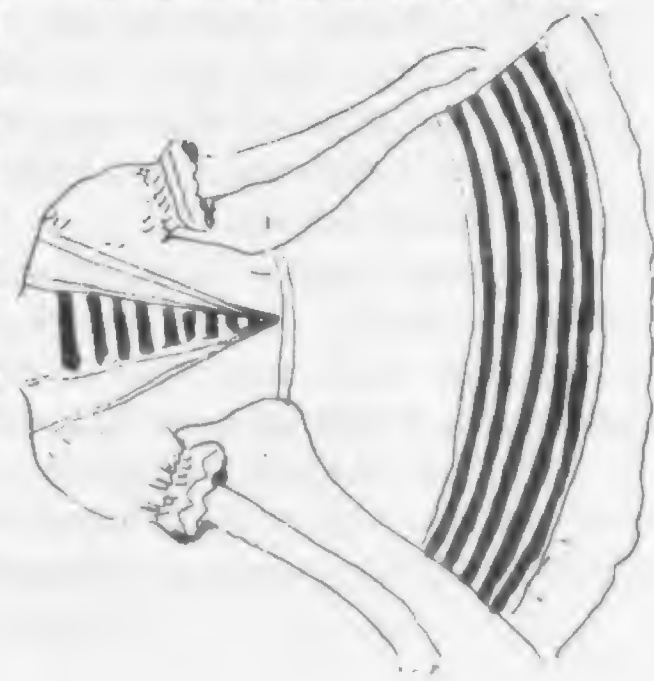

Convention Policy has designated \$.50 per every paid registration (\$.75 beginning 1974) to the National Executive Committee. This fund finances their travel expenses to the pre-convention meeting, (the host convention arranges for complimentary hotel rooms and furnishes some meals, pays for their stationery and postage throughout the year, and underwrites the cost of the Callers' Seminar which they initiated at the 1972 Convention in Des Moines.

The travel payment applies only to the pre-convention meeting. Each committee member pays for his own convention registration fee, travel, hotel and food costs when attending the yearly National Convention.

To date, three of the main chairmen, as outlines in the organization chart on facing page have been appointed for '77 Convention.

—Gen. Chm. Steve & Dot Musial

from PEN-DEL-FED-FAX (April 1974)

The response was so tremendous that the Musials dropped off 90 packets of "77" material - each kit is priced at \$17.44 with goods to make both the dress & shirt. The Koveds (201-276-7213) will handle them until the supply is depleted. Checks should be made payable to Steve Musial. Happy sewing.

When we think of Spook Rock S/D Shop, Hi Taws, See Saws, good will ambassador to square dancing, constant angel at beginner classes and all round good person, the common denominator had to be DORIS GILL.

We were all saddened to hear of the sudden passing of such a fine person last March. Square dancing has suffered a great loss. Doris started square dancing in 1959 and was one of the originators of Hi Taws. She met and married Tom through their mutual hobby - square dancing. They worked hard and tirelessly to help get Hi Taws where it is today. 10 years ago she and Tom started Spook Rock S/D Shop, which was much needed in the area. Doris & Tom spent much of the last few years bringing square dance attire to people who could not get personally to the shop. People always looked forward to their shop being brought to various weekends. The year Hi Taws was 10 years old, Doris put in a lot of time on research for the booklet published commemorating the anniversary. She and Tom married while Tom was president of Hi Taw and they were also treasurers, members at large, and were serving as vp's when she passed away.

Doris was constantly going to beginners classes and was really active in introducing many people to the world of square dancing. I know they will always be thankful to her for introducing them to such a fine activity. If you ever saw Doris without a ready smile, you are really in the minority. Our heartfelt sympathies to Tom and her family and her brother Ed Shearwood. (Our thanks to Edna Maddocks for the above and for the use of the picture showing Doris & Tom surrounded by some of their many s/d friends at an early Jim Mayo/John Hendron Hi Taw Special.)

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesdays

Wilson School, Beekman Terrace

Presidents of Hill City under investigation! At a club meeting Hill City took the necessary action to remove the incumbent presidents from office and to name Bill & Marce Raney as new presidents. Charges against the ousted included: political dirty tricks to gain the office; using the office to promote square dancing; visiting other clubs and thereby lowering the dancing level; causing the energy crisis which dimmed lights and closed schools; and causing the March 29 snowstorm which disrupted the NNJSDA dance.

As new presidents, Bill & Marce promised not to cause another fuel crisis. If you don't believe them, come to every dance and see. Paul & Jenny DuMond, having made it big as treasurers, asked to be VP's as a reward for doing a fine job. Ellie & Sylvia Peak were high bidders for the job as treasurer. The job is their's as soon as we hear from the bonding company. Knight & Jean Raymond completed the slate. Knight agreed to take the job when he heard that refreshments were served at executive meetings.

The Godparents of Hill City bid farewell to Wilson School. Charter members, two-time past presidents, constant workers, steady dancers and warm friends, LOUISE & JAMIE JAMISON, received a life membership in Hill City and hearty best wishes from their friends as they departed for their new home at 1018 Regency Heights, Clearwater, Florida 33515. Happy dancing all summer. See you in the fall!

As everyone warmed up after a few tips, our president Don Berg along with Doc & Peg Tirrell, welcomed the graduates into the club. Then our master of fun and games, Ben & Janet Cavellero outdid themselves again, much to the delight of everyone, with the graduates as the participants who showed terrific sportsmanship.

Along with party night which is the first Thursday of every month, we will be celebrating our 12th anniversary. And we are looking forward to our Glenn Cooke special - see our ad on page 4. The Travellers are still on the move, with another traveller trip coming up...thank you Doris & Al Kooistra for subbing for this reporter, while she was recuperating. Remember we dance all summer, except July 4th, in air-conditioned splendor.

Hope everyone enjoyed their "Easter Holidays" - have a wonderful summer and if the Good Lord's willing, we will see you in the fall - unless it is at our summer dances.

Another dancing season will whirlaway in a matter of a few weeks giving way to summertime, but don't stop, don't slow down, you can bow to your corner and box the gnat at Marty Clifford's summer workshop at Wagner College every Thursday night as well as at other summer workshops throughout New Jersey. Our talented recent graduates in particular should eight chain through and double circulate in as many summer workshops and dances as possible to keep those toes twinkling and faces smiling.

Looking back, we must say it was a great night for dancing and wearing of the green in a bit of Irish atmosphere created by Annette and Paul Bataglia at our St. Patrick's dance with Glenn Cooke leading the parade. Bob Kellogg called 2 tremendous dances for us each time at a totally different location. Thank you Bob and all you wonderful people who promenaded half way around SI with us.

We are looking forward to continued squaring up with all graduates in a spirit of fellowship and helpfulness so that all your newly acquired skills will become more effortless and pleasurable. We look forward to having you with us; it will make our nights more pleasant to see you here. Remember our dinner dance at Nelson Terrace. It is a very gala red hot affair. Limited number of tickets are available and you won't want to miss it, so hurry, we'd like to see you in a square. Have a good summer of happy dancing. reporters - America & Bill Lettieri 212-987-2257

The season was wonderful! Thanks go to caller Bruce Vertun - he did a great job! And Bruce will be our caller again next year. Our new graduates are adjusting very well to club dancing, and thanks go to Bud and Elsie Miller for teaching the class. The club is looking good after a successful season, and with our new graduates, the old MT gang, and our many visitors; next year you can't afford to miss!

Despite the gasoline shortage, loss of school for a few dances, and restricted travel, our dances were well attended, and a great big thank you goes out to all the clubs that joined us - you are the greatest! There is still a dance in May and our dinner dance in June, so there's still time to join us before the season ends. Nothing definite at this writing, but with the energy crisis easing a bit we wish everyone a happy summer vacation. We'll see you at the summer association dances, if not there, then next September. Happy dancing.

MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Hammarskjold School, Rues Lane

Each year at graduation we think; "This is the best class we ever had" and we feel the same way again this year. They are a fine group and accomplished dancers. Teacher-Caller Dick Maddocks has done it again. Come and visit us and see what a good job he did, we are very proud of them and of him.

All things considered, (gas shortage, etc.) we have had a wonderful year. We pinned Princeton Square's banner; conducted a demonstration at the Aldersgate Methodist Church, East Brunswick with former Merri 8 Jack Schoffner calling; raided Doylestown with Buck Fish calling at the Buckaroos; demonstarted at Monmouth Medical Center, Long Branch with Glenn Cooke calling; and raided Ocean Waves. Ours is a travelling club and we are glad to see some others are also, by the raids on us this winter. Beulah and Joe Samec visited us several times this winter. Glad to see them getting around so well and seeing Joe in such good spirits and health after his operation.

Our really great news of the year is that we will have Glenn Cooke as our caller for the season 1974-75. Have a fine summer of dancing, etc. and may the gas hose run freely for all of us to get to the many summer dances and workshops available to us - come and enjoy.

1 & 3 Wednesdays

Brooklawn Jr. High, Route 202

Can it be possible that this dancing season is almost at an end and that summer will soon be here? Time passes so quickly when you are having fun! Of course, square dancing isn't really ever over as there are always workshops to go to and summer association dances, plus camping and holiday weekends in this area; and those who travel can find square dancing going on all over the country.

Our graduation night (first class in several years) was a great success with over 11 squares. We were honored to have our NNJSDA Presidents, Frank & Lorraine Mooney, join us to present 100% badges. Nine couples received their diplomas and badges and were warmly received by all dancers. We thank you, Bob Mitchell, for the great teaching job. Dick Jones and Bob called a great dance. An added treat was a surprise visit by Dick Schweitzer from Syracuse, who was in the area and who also called a tip.

We wish the best of luck to all of you recent graduates and may you all enjoy many years of happy dancing. Our first dance in June will be a free dance for all new graduates, so join with us. We dance for fun so we're sure you will want to return and we are always glad to have you all join us.

We have enjoyed dancing with all who have visited during the year and were delighted to be raided by various clubs. not always easy, particularly during the severe gas shortage. Yes, it has been a great year. How could we miss with Dick Jones as our caller and the Pennies as our round dance leaders. We will appreciate your continued support at our remaining dances and we will be looking for ALL of you next September, too. Have a happy and a safe summer!

OCEAN WAVES SQUARE DANCE CLUB -- Tottenville, Staten Island, N.Y.
2 & 4 Fridays Guthrie Memorial Hall, 42 Brighton St.

At this writing the excitement of graduation is close at hand - and then the pleasure of the Graduates Ball. We strongly hope all the new graduates will find time to share an evening or two with us before the summer vacations begin. We have had some good dancing with Joe Prystupa and Dana Blood and are anxiously looking forward to Glenn Cooke and Ed Ruddy. By the time this issue is in print, we will be readying for Dick Leger and Frannie Heintz (see our as, p. 12).

The only flaw in this rosy picture, however, is the inevitable summer break. During that time we'll rely on the NNJSDA dances and weekends at K-J's to keep the hunger satisfied - have a beautiful square dancing summer.

PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Friday Riverside School, Riverside & Prospect

Would you believe - another nasty snow storm blessed this area on our graduation night. But we had the party anyway, and a big success it was. It was evident that Al Cargill has done an outstanding job teaching this class. We were all impressed with the new dancers' ability to keep up with the calls. Graduation ceremonies were arranged by the sponsors of the class - Belle & Jack Clark, and Joan & Bill Mills. 80 new dancers were given the red carpet treatment as they received diplomas and badges. 100% badges were received by John & Marg Heacock, Bertha & Irv Heitner & Tony Crossley. Interesting guests for the evening turned out to be Walt & Bobbi Slavin from Cinnaminson, who stopped in Princeton when the roads became icy and never made it to Long Island to a dance. We also enjoyed a group of new graduates from Merrie Elights.

Each Tuesday in April we sponsored a workshop with Bud Rawlins and Bruce Vertun calling. All you new graduates from other clubs are most welcome to dance with us. We hope to see a lot of you. Our May callers will be Hal Holmes and Al Cargill. Watch for our next year's schedule of dances. You will agree that it has extra special attractions.

reporters - Gene & Alice Keizer 609-921-6243

Does your car have any S/D insignia? It can lead to many fascinating conversations from "What does that flag mean?" to a note on a windshield "Hi. I am new in the area and had about given up finding square dancing and spotted your car. PLEASE call and tell us where to dance!" Latest query was a recent USA visitor who informed us that in Hong Kong beginning drivers use such flags as a means of identifying themselves!!!

Our 2 fer in June is the day we are all looking forward too-with Lee Kopman and John Hendron sharing the podium. See our ad for particulars-page 3. We look forward to seeing you in the fall, at our regular dances and at yours. Please remember that you must wear soft soled shoes for our regular dances at the Heights School. REELERS -- Ironia, N.J.

1 & 3 Fridays

Elementary School, Route 513

Our Calico Ball with Clint McLean at the mike was a great success. Everyone turned out to herald the coming of spring. Our hospitality and decorations committee out did themselves. The Reelers have had election of officers and the following people are now in charge: Wally & Lorraine Peltzer, presidents; Bill & Erma Donaldson, VP; Pat & Moira Zweibel, trea.; Gene & Marietta Filipponi, Sec'y; and Bob & Sandy Deckenback, hospitality. We are looking forward to another year of square dancing happiness.

Our class has done real well and will be out in circulation soon. Wilson Hoff has got to be the greatest teacher. Thank you, Wilson, for supplying us with such enthusiastic, well trained dancers.

We wish all our friends a healthful and happy summer. And remind all we begin a new season September 6th with Jim Adams calling.

Spring is officially here! One can tell by the appearance of the robin, the crocus and daffodil, and the S/D Graduates! Our graduation dance run by last years grads, Jerry & Maryann Schultz, Duke & Mim Wilson, May & Arthur Dorff, Ed & Agnes Donegan and Leo & Sylvia Heffer, is hard to top. After a warm up tip and graduation ceremonies with Gabe & Sila Dell' Angelo presenting the diplomas, the lights went out. With the rest of the hall basked in Moonlight and the reflection of the shimmering lights from the Verrazano Narrows Bridge, Marty Clifford treated the dancers to a lovely moonlight dance - a super duper job.

Joe & Emma DiGiovanni had to hire 2 buses for the trip to the Graduates Ball. We came to root for our popular caller, Marty Clifford. He, and all the other callers, did a wonderful job. We thank you for a joyous afternoon. Our two buses took us back to SI Elks Club, where we dined and then danced into the wee hours of the morning. Who has more fun than people?

Our birthday dance still has tongues wagging. By co-incidence, every one's birthday fell on that same day. Bea Tooker had presents for all. The cakes she baked for each month made 12 lucky winners very happy.

Make your reservations for our pot luck in May, with Marty & Doris Clifford 212-987-8362. Dick Lynch will call and the Bellotti's will handle the rounds. Get well wishes to Irv & Sarah Yorysh who were in a terrible auto accident. Send them a card. Congratulations to Ray & Lee Kirchmeyer on becoming grandparents of twin girls. And so, a fond farewell to our Executive committee, The Pennant winners. And, special mention to Ronnie & Natalie Sullivan, the best pinch hitters in the business. Election time is here, again. Evans Park School, Marion Place

On behalf of See Saw Squares, I want to offer our condolences to Tom Gill on the death of his dear wife, Doris. Doris was very devoted to square dancing. She ran the Spook Rock Square Dance Shop and was active in Hi Taw and See Saw. Doris was loved and will be missed by all.

We celebrated our 5th anniversary and presented our caller, Jules, with a fishing rod and reel and a bouquet of flowers for his taw. Cloverleafs joined our happy occasion and pinned our banner. Ed Canstein recited one of his famous poems which he wrote especially for us. Thank you.

4 sets teetered over to Circle Eights and pinned their banner. This fun evening was followed by a wonderful mini-weekend both of which Jules called. The dancing was great and the people were friendly as usual.

The very best of luck to a brand new club, "Covered Bridge Squares" with Stan Zaczkowski as caller. Jules brought his class to opening night which was a packed house! But fun! It isn't every day that you see your protege make his debut. Good luck, Stan & Nancy! Well, graduation is here again. Let's share our enthusiasm and love for square dancing with our new dancers and together we'll keep growing. Looking forward to dancing with you. reporter - Hilda Berger 914-354-4350

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

Our new dancers have joined us - 28 couples strong - and they are good! Our congratulations to Vin Caruso for a great job of bringing them up to club level. Also, we express our appreciation to the Tarrants, the Hoffs and the Milewskis for their efforts in making Vin's job easier. We all enjoyed our anniversary dance in May - we've completed 11 years of dancing together and are looking forward to at least 50 more! We plan to close our season with our covered dish supper in June and then separate for a summer of workshops, weekends, camp-outs or just plain goof-offs.

Our first fall dance will be Sept. 10 and we hope you will join us then. Incidentally, save the evening for our first fall special in Oct. for our caller will be Frannie Heintz from Monson, Mass. Plan to come, he's great! Come dance with us - we have fun!

2 & 4 Fridays

Alpine School, Andover Road

We hope all the new graduates are enjoying all the fun and friends that go with square dancing. Our thanks to Betty & Jim Sublesky, outgoing presidents, who did a real great job the past two years. Also, Ray & Connie Peterson outgoing officers. Bob & Jean Billings are to be commended for taking on the job of vp for another year. Also, our thanks to Bruce for turning out such a great group of square dancers. Round dancing is making progress with lots of help from Barbara and Jim.

For our summer workshops check ad on page **25**. Different location for the summer. Still to come is a special with Jerry Benoit from Mass. and our wind up covered dish with Bruce Vertun calling. Our season will open in September with a black cat dance - Bruce calling. Other great specials are lined up. Have a happy summer. Come dance with us, and keep smiling.

TENAFLY SQUARES -- Tenafly, N.J.

2 Friday

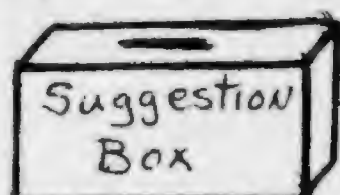

Presbyterian Church, Magnolia Avenue

Once again the invitations were sent out to local instructors to bring their new graduates to our May dance. We are looking for many of them to come out and give us a whirl. If you missed it in May, come join us in September. Our caller, Bob Mitchell, really calls a fun dance, so come on over. I'll tell you he is really motivating us. We all know this call by now! The Tirrells do an excellent job on the rounds - they are still throwing in "Gingersnap" for us one-time round dancers.

By the time you read this, we will have had our annual pot luck wind up - we'll see you at ours next year. By the way, we always have coffee and cake at 10:30 followed by one more tip. We haven't had any streakers as yet, but who can tell.....oh, no....that's only Dick & Marie saying "Coffee and cake is on....." so Bob calls "Promenade" and we do it beautifully to the kitchen. Thanks again for coming to Tenafly Squares. We are always glad to see you all.

If your club is like the rest of us you have probably been plagued with two problems. How to finance the vitally necessary beginners group without going broke and how to get as much mileage out of your hall as possible.

About seven years ago, Sleepy Hollow Squares in Manhattan fell to pieces and had to be rebuilt. At first we used the conventional format of having the beginners and the club dance on separate nights. Financially it nearly killed us because we only had one or two squares of beginners and not much more in the club. Since then we have gradually arrived at the format we now use that insures us a good house each week.

We dance every Monday, except holidays. On the second Monday of each month we have visiting regional callers from NJ, PA, CONN and MASS. We divided the evenings into two sections. The beginners meet from 7:30 to 8:45 and the club workshop meets 8:45 to 10:30. We expect the club members to come early and be angels and most of them do - since the club workshop is later that same night. True the beginners sessions are not as long as separate night sessions, but because they have plenty of help they progress just as fast. Along 8 to 8:30 the rest of the club filters in and at quarter to nine the beginners go home and the club workshop begins. This formula of having two dance sessions on the same night allows us to overdance our not-so-large hall. It insures that the beginners section will pay for itself and, at the same time, we will get extra income from those club members who come only for the workshop. All this on the same overhead. TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Ave.

Flash! Our May dance has been moved to the Northern Valley Regional High School in Old Tappan, NJ. This is to provide more room for the Fiddlers Dance! So earn your free fiddlers badge by attending our annual big special. Dancing to live music adds on extra dimension to one's pleasure. Need directions, consult our flyers, or last issue of GRAND SQUARE.....or call ye reporter or the Tirrells.

Our graduates are already indoctrinated into travelling - the Brombergs took them all up to the New England Convention in April - where they had their first real taste of all kinds of dancing. Speaking of all kinds - did you notice in SQUARE DANCING (formerly SIO) the article on contras. Chip has long been an advocate of contras and often adds one to the Tenakill bill. Now, at last others are discovering their pleasure. We have no June dance - so have a good summer and we'll see you at the near by summer dances. reporters - Dorothy & Paul Pullman 201-568-5138

WARREN WHEELERS -- Port Murray, N.J.

2 & 4 Thursdays

Mansfield Elementary School, Rt. 57

We had a great graduation dance with 9 couples and 8 teens graduating. Many other club graduates also attended and a grand time was had by all. In April we raided the "T-Bow" Squares in Danielsville, PA with over 50 Warren Wheelers. Before entering the hall, a small motorized covered wagon, with horses, a flag saying "RAID" was put thru the door by our president, Jim Cassel. A great night of dancing and fun was had by all. Our officers thank everyone for their support this year. We wish our new officers (Jack & Barbara Shered, pres; Ralph & Millie Zarembo, VP; Floyd & Ada Proctor, 2 vp; Earl & Jerry O'Dill Sec; Fred & Kathryn Hill, treas) the best of the 1974-75 season.

Y SQUARES -- Scotch Plains, N.J.

2 & 4 Fridays

Union Co. Tech School, 1776 Raritan Road

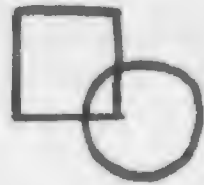

It's so good to be back.

We have had many good dances this year including our April one which was free to the graduates. Our theme was "The Greatest Show on Earth". Our theme for our second dance in May is "Say It With Flowers". We've had many raids this year under the capable leadership of Bill & Audrey Personette. Bob & Jean did a wonderful job teaching our combined class with Dancing Squares. 68 new square dancers were welcomed into the wonderful world of square dancing. Oh, our annual pot luck was in March when most of us gathered to enjoy the terrific cooking of our very capable Y Squares cooks. To make a great evening even better, we were raided by 2 squares of Western Wheelers.

Yes, Y Squares is dancing all summer this year in the Union County Vocational School. Square up and motivate with us. See ad on page 20. We will be looking forward to seeing you dancing with us at the remainder of our dances this year. We are also very excited about our special coming up next January! when John Hendron will be here.

COVERED BRIDGE SQUARES -- Nutley, N.J.

1 & 3 Mondays Grace Episcopal Church, 200 Highfield Lane

Our newly created club, consisting of seasoned dancers and new graduates, held an opening club dance and graduation April 15. It was a magical night for all of us with over 19 squares attending.

Stan Zaczkowski, recent caller graduate and founder of our club, called an excellent and most enjoyable dance, with wife, Nancy, revelling in his success. 4 clubs pinned our banner - Sussex Spinners, See Saws, Richmond Dancers and Cross Trail Squares - the latter members all wore their very attractive club costume. This is the first time any club was ever raided by 4 different clubs on one night. Fantastic, the support that we received. Frank & Lorraine Mooney, pres. and Gabe & Sila Dell' Angelo, 2 vp of the NNJSDA and callers Hal Holmes with Doris, Jules Poszar and Herb Snider and Dot honored us with their presence, and made everything even more special.

Our entire membership extends a most cordial invitation to all to visit and dance with us. Yes, we will be dancing all summer. See p. 15.

SPRINGTIME SPECIAL
March 29, 1974

Whoever designed the flyers for our next "Springtime Special" may just decide to skip any pictures after the most unusual and heavy snowstorm of March 29.

Our sincere apologies to all who braved the elements to come to Parsippany that evening. At 2:30 in the afternoon when the Moon-eyes called Red Bates they discovered he was en route and that up there, it takes a couple of feet of white stuff to cancel a dance.

By 8 PM the punch table was well stocked, dancers were discovering who had left their snow tires on this late (we did), Les & Ed Shearwood had the rounds all set to go - but NO caller and worse yet, no spare equipment! Those who normally do had perfectly legitimate reasons for not bringing it that particular evening - Hal's car was snowbound; Stan had too many other things to carry.....and so-o-o all who gathered had a chance to play the new/old game called "Conversation". Phone calls to Shirley Bates and assorted police stations revealed no word from Red as to his whereabouts.

At 10:50 long after returning everyone's money and admonishing all to procede home slowly, and having cleaned up the refreshment table and hall, the 2nd VP's were scraping the ice off their car prior to departing when came a call from Red - he had just come off the Merritt Parkway and was returning home (we're sure he never realized he had 120 people praying for him and Shirley that night). A special bravo to all in attendance - and thanks for your patient understanding of unexpected circumstances!!!

A warning to whoever plans another dance for March 29th! If you did not learn anything from the Easter snows of 1970 and this in 1974, call it a SNOWBALL!

(delegate's meeting mini-notes- continued)

All FREELOADERS of 1973 may attend a summer dance free since the March 29th dance was snowed out.

A reminder that any club mailing letters to all clubs, to include the members on the Executive Board of the Association as well.

Presidents of Covered Bridge Squares were introduced. Donuts and coffee were served by Dancing Squares, Grand Prowlers, and Hanover Squares.

Next Delegates meeting - September 15, 1974 - hopefully in same place.
