JIM & FAY BATES, 3rd VP's in charge of Publicity, announce the NNJSDA's 4th annual S/D Week POSTER CONTEST. The winning entry will be reproduced and distributed to member clubs to use in their promotion of National S/D Week and square dance lessons.

Should the response warrant it, place mats will also be made using the winning poster. The contest will be judged by the combined outgoing and incoming NNJSDA Executive Board at their May meeting. All entries will become part of the NNJSDA exhibit at the National in Missouri. We suggest the designs be simple and reading matter in bold lettering, and remember the main reason is - to recruit! Good luck.

In order to judge all entries equitably, we request that contestants adhere to the following simple rules:

- 1- poster size -- 11" x 17"
- 2- color -- black and white
- 3- paper stock -- any weight paper or cardboard
(may be two 8 1/2 x 11 typewriter sheets taped together)
- 4- Subject matter - any s/d theme, with National Square Dance Week Dates (Sept 15 - 21, 1975) and space for local recruiting information
- 5- number of designs per contestant - no limit
- 6- Deadline - MAY 13, 1975.
- 7- Send to - JIM & FAY BATES (201-334-8237)

CONGRATULATIONS

A "Welcoming" Newnote from 44 Sagamore Trail.

Springtime brings new life in many areas of everyday living, including the wonderful world of s/ding, & to each & every graduate (the "new life" of this togetherness activity), the entire NNJSDA Executive Board extends a warm, hearty "congratulations" & "welcome" to many hours of fun, relaxation and fellowship.

Our Association comprises approximately 3000+ dancers in 32 clubs in an area ranging from Rockland County, NY to Princeton, and from Warren County on the West to Staten Island & Asbury Park on the East. Many clubs hold Open House dances at this time of year to acquaint you with their members and areas, & some conduct workshops right thru Summer, & we encourage you to take advantage of these programs to see how much fun can be shared with people who enjoy the same common denominator and who are just as anxious to have a good time. And speaking of good times, you can start by attending the festivities of the *GRADUATES' BALL* on Sunday, April 27th, from 2-5 pm at the Edison High School in Edison, NJ. This program will give you a chance to hear & dance to several callers who will gear their schedule to using the basic steps you've been learning over the past few months in a knowledgeable way to make the afternoon fun and enjoyable for all!

Then too, s/ding unlike some activities is not seasonal; we dance all year long, and to encourage your involvement and help you make an easy transition from class to Club level dancing, the NNJSDA sponsors a program of 8 dances held on Wednesday nites in various locations, as shown in the program on page 52. Those new grads who make all 8 dances will not only be more ready for Club level dancing in the Fall, but will earn a Free-loader Badge entitling them to attend the '75/'76 Fall & Spring Assoc.-sponsored dances free of charge (excluding the Mini Festival).

The Association, also presents Patron Badges to any dancer, new or seasoned, who visits 26 of our 32 Clubs on the Club's regular dance nite with their regular caller calling. There's no time limit to earn this coveted badge, and tho it does require a bit of effort & scheduling, it is fun, & especially so when you share the travelling with another couple - but be sure it's a regular Club dance (not a Special) on their scheduled night with their regular caller.

Your Executive Board meets 7 times a year (3 of these meetings are with your Club Delegates) to handle affairs concerning all phases of s/ding in our area. If you have any questions or suggestions regarding Special Dances, New Dancer Programs, Publicity, Clearance, *GRAND SQUARE*, the Round Dance Council or newly formed Caller's Council, write the officer in charge with a copy to the President & your delegate, and you can be sure your note will be given full Executive consideration and an answer! If you are interested in knowing more about the workings of the NNJSDA as a nonvoting observer, the door is always open at our Delegates' meetings & the dates are printed in the Fall Issue of the Grand Square.

As you can see, s/ding is as much involvement as you want to make it, and from personal experience we can tell you, the more you put into it, the more you will benefit, but just a word of caution in closing, please, remember the Club with whom you took lessons is your "parent" Club; support it to the best of your ability because its survival depends on every member's interest and participation.

Again, we welcome you to a whole new way of life, and hope you will enjoy this sensational activity to the fullest!!!

2 & 4 Fridays

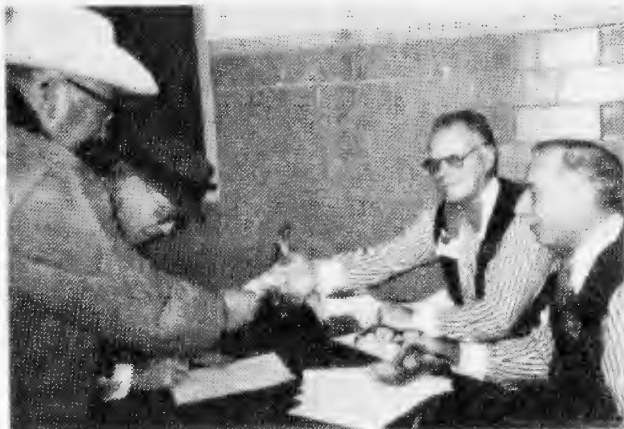

Union Co. Tech School, 1776 Raritan Road

In January we had our John Hendron special. John called a great dance to a big turnout of square dancers and our own Bob & Jean Kellogg called the rounds. Everyone really had a wonderful time even though the dancing was wall to wall. Joan & Tom York, our raid chairpeople, are doing a fine job in lining up the raids. In January we visited Mountain Squares with 4 sets; in February, we raided M T Squares. Hopefully, we'll try to visit as many of the clubs in the association as we can this year. The Y Squares Dancing Squares joint class will be graduating about 30 couples in April. They are a fine and energetic group of dancers; we invite them and all graduates to our Graduate's Ball in April. The end of April we also have our Pot Luck dinner and everyone is welcome to come. Please sign up to let the committee know how many are coming and what you plan to bring. Regular square dancing will follow at the usual time with Bob Kellogg calling, if you can't make the dinner.

26th National Square Dance Convention

District dance to help raise funds for '77 Sunday, May 4, 1975 at Gwynedd Mercy Academy Spring House, Pennsylvania.

There are many different kinds of mixers used at square dances. One of the newest is to use charts drawn up by computer to set up the squares. In this system each couple is assigned a number at the start of the dance, and they retain this number for the evening. Before each tip each couple checks the computer sheet to find out in which square they are to dance. This system insured that each couple dances with many different couples during the evening, it completely breaks up cliques, and it insures that the couples take turns sitting out if there are not enough to make complete squares.

Since we introduced this system at a small challenge dance in Long Island a couple years ago it has spread widely. It is used mostly at challenge and high level groups, some as far away as California.

At present charts are available for two to 13 squares. I would be happy to supply further information and copies of the charts to anyone interested in trying this system.

2 & 4 Thursdays WARREN WHEELERS -- Broadway, N.J.
Warren Grange Hall, Asbury Road

By the time you're reading this, we will have had our Graduation. We have 28 adults and 9 teenage graduates and we welcome them all to club dancing. Wilson Hoff deserves credit for doing his usual good job as their instructor. In January, we danced in the Fire Hall and qualified for our "fire-eaters" badge. Our two February dances were held in the Mansfield Township School. Thanks to Millie & Ralph Zarembo for making our Valentine Dance a success. Bruce McCue called our Special. We will have only one dance in March because our regular night falls on Maundy Thursday. However, we are looking forward to "raiding" another club around that time. Hazel & Linn Robbins are planning it, so it will be fun. Come square up with us in April or May and join us at our covered dish supper in June at 6:30 pm. reporters - Jerry & Earl O'Dell

The February pot luck dinner dance was, as always, a great success for DEF - dancing, eating and friendliness. Coming as it did right after Valentines day, it was a real love-in - featuring hearts and flowers. Many thanks to Peg Tirrell, our hostess, supreme and her committee. We are all anticipating having the beginners class make their debut at dances. Jody & Joe report that they are a very talented group, and their teachers aren't so bad either. As winter fades and the first crocuses shyly appear, our thoughts turn to the biggie of the spring season - the Fiddlers Dance in May. TENAFLY SQUARES -- Demarest, N.J.

2nd Friday

Baptist Church, 563 Piermont Road

Our Valentine dance was very successful. The evening was shared with beginners from five or more of the clubs in the immediate area. We were also raided by Lakeland Squares and Circle Eights. The result was a grand evening of dancing. We had 17+ squares. Dancing looks good for 1975 - seems like the beginners learn faster each year. Let's hope they all keep dancing and enjoy the fun that goes with it. The Mitchell's are now proud parents of Stacey Ann. Glad all 3 are doing fine. We do miss Diane at the dances and just know she will soon be back with us and bringing Stacey Ann to show her off. We can hardly wait - we want to spoil her too.

Remember, beginners and recent graduates are always welcome at Tenafly Squares. Bob again called a great dance, especially that last Hot Hash tip. Thanks Bob and thanks Doc for wounds and mixer dance - it was just great. Coffiee & cake always makes a big hit. See you at our dances.

Maywood Avenue School

February was almost like an open house; 16 + sets present, visitors from thirteen clubs could be seen enjoying the calling of Ed Ruddy of Me. Not even the shock waves of hearing the locally unknown call of "split the difference" could stop the happy dancers for more than a moment. Our spirits were high, refreshments delicious, and only the supply of punch ran low. We promise that won't ever happen again. As always Janet & George Alberts kept the round dancers happy with an interesting selection of well cued numbers. We have NO dance in April. 2 & 4 Fridays

Alpine School, Andover Road

Congratulations all you new Sussex Spinners! Never be afraid to go to any dance or say, "I'm a new graduate and need all the help I can get." Because wherever you go dancing, everyone on the dance floor has come for a great time and will gladly take you along with them. To the older and wiser dancers - take pity on their (New grads) nervous mistakes; but grab onto all their bubbling enthusiasm and spread it around. To Bruce Vertun all the new students feel you're "great", but with time they will learn you are only "fantastic". "My mother thanks you, My father thanks you, I thank you and ALL the new grads thank you" (Quote George M. Cohan). Everyone square up and Dance up a storm!

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays

St. Adalbert's Hall, 363 Morningstar Road

Congratulations to all new graduates! Welcome to the beautiful, happy world of square dancing! We are looking forward to squaring up with you! Stay with it and you'll make many new friends.

The highlight of the "New York" Special was the presentation of the SSS annual Blue Jay award to Vince & Marion Sweeney who join other recipients characterizing the high standards of this award which is: working and helping quietly behind the scenes. Congratulations Vince and Marion! When Manny Amor was too ill to teach class in Feb., Mike Cleary substituted for him and did a magnificent job. We're all grateful to Mike for saving the day. It's good to see Vicki Casertano, Caroline Emigholz and Gabe Dell' Angelo back in circulation after major surgery. Natalie Weisburg is making a remarkable recovery from her recent surgery and we're looking forward to her return. In Feb. Natalie & Lenny Weisburg and their committee treated all who attended, to a most enjoyable evening. The unusual decor of the Harvest Festival was the Special "Succah" which was put together by the hard working committee. It was a different experience for many of the dancers. Looking ahead to our April Special, John & Sandra Emigholz and their committee invite all to come "Bounce With Spring". This promises to be an exceptionally fun evening with many surprises for all!!! The Teens will have their special in May with Norey Reilly Chairing. Their theme will be the Bicentennial and they invite all who wish to join them to come in appropriate costumes. Watch for their flyers. All SI clubs were invited to participate in another demonstration at the Mall. Our own Manny Amor came all the way from Lakewood to call (this is dedication) along with Marty Clifford and Mike Cleary. Remember we dance for fun and friendship, so come Dance with us! You'll be warmly greeted by our Host & Hostess at the door. reporters - Ray & Sandy LaVigne 212-447-5986

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

Well, we did it! Our club had the largest attendance percentage wise 39 couples- at the Association 2 fer dance winning the Association banner. An after party for club members was held at the Dietlers home hosted by the Dietlers, Ericksons & Van Allens. Mike & Dot Reardon received their Patron's badge and we are proud of them. We are sorry to announce that at the end of this season our great caller, Vin Caruso, will be retiring as a s/d caller and will be greatly missed by all of us. We hope he and Ann will come and dance with us afterwards. Vin is one of the best teachers of square dancing as well as an excellent caller. He has helped to build our club to the size it is - over 90 couples. Come to our club and we will be happy to dance with you.

1 & 3 Saturdays

Evans Park School, Marion Place

Congratulations Graduates. Welcome to the wonderful world of square dancing. Usually the hardest part is going from the classes to the club but with Jules' Wednesday night workshops, the transition will be a breeze. We were raided by Circle Eights and Covered Bridge Squares. It is always nice to have other clubs visit and pin our banner. Our Amateur Callers Night was a huge success. We had ten callers, including Jules. The 9 amateurs were very good sports and called very well too. We gave the Presidents Ball a little twist. Instead of the traditional Lincoln and Washington decor, we had Tartans, Heather and Thistle in honor of our own President Macleod and his First Lady Wanda. Instead of a drum roll, we heard the bagpipes and a Scottish Reel to introduce the Presidents & their ladies. We are looking ahead to many more good dances including our April covered dish supper. Looking forward to dancing with you.

TUE 8-10:30	APR 29 SUMMIT, N.J.

Ever notice at dances there is always some spot loaded with flyers concerning coming events? Perhaps it should be pointed out to the graduates that at almost every club and Ass'n dance there will be some place for flyers announcing coming events. Be sure you take home any and all that interest you - No bulletin board? try the refrigerator door!!

There are many excellent area publications - similar to GRAND SQUARE - all attempting to do the same job - keep the dancers informed. The editors are most fortunate in being able to exchange issues with many other areas. It's a great way to keep up to date and/or get new ideas. "Lift & Use" SQUARE DANCING calls it. Borrowing an idea from ROUND UP

(S/D Fed of Minn) we are including subscription blanks on page 35 from 2 National S/D Magazines. Both are tops with lots of articles of interest to dancers all over. And since so many head north, we're also including the NEW ENGLAND S/D CALLER which is chock full of news and ads for New England and lower New York. Happy reading!!!

If you plan to travel this summer, by all means pack your s/d togs. If you haven't time to contact CROWD, let Doc & Peg Tirrell know your plans and perhaps we can give you some names of dancers to contact en route. Also we'll gladly share their publication with you. (How about bringing along a few spare GRAND SQUARE's to share with them!) If you write CROWD, be sure and include the return postage - this is a hobby and postage mounts up so fast. Have fun!

RUTGERS PROMENADERS -- New Brunswick, N.J.

2 & 4 Thursdays

Blake Hall, Cook College, Rutgers U.

Maryland, my Maryland! Thanks so much to the University of Maryland club that invited us down for the weekend of February 8 - 9. 38 (give or take a few) Promenaders loaded up in cars at 8:00 Saturday morning, yes, really, to drive down to Baltimore. We went sight-seeing, danced Saturday night, and headed back on Sunday, tired but happy. Traveling together always makes the club closer to one another, always a worthwhile venture. Tired of the same old records? Come dance to live music at our annual live music special in April. See our display ad, p. 20. We'll dance the way the original square dancers did, and show how it was meant to be! Our February special was very enjoyable, coming as it did in a very active month for us, with a new lessons class beginning, the trip to Maryland, and our regular club dances. After our long vacation some were a bit rusty, but there are no excuses now!

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y.

2 & 4 Saturdays

St. John's Lutheran School, 663 Manor Road

A great time was had at our Washington's Birthday Special with Dave Platt calling. If you missed the production of "Let George Do It", we have costumes, will travel. There are no words to describe the decorations. We are all ready for the bi-centennial year. Everything was just a blaze of red, white and blue. Jim & Sue Valentino, chairmen, did one fantastic job. The cannons on the tables looked so real that nobody wanted to sit on the firing line. They were ably assisted by Bob & Doris Delaney, Cal & Dot Martois, Floyd & Fran Miller, Rana Petit, Thurston Stark, and Tony & Regina Valente.

Leo Bichler looked hale and hearty on the dance floor. It was nice to see that his bout with surgery didn't keep him down long. We also hear there was a first in Mike & Marge Madigan's home. A grandchild arrived - a little girl. Congratulations. We know you will be interested to hear that Harry Laemmerhirt is now recuperating at home. Welcome home, Harry, hope to see you soon. I wonder why Jim Valentino has earned the new title "Mr. Magic Trick Tryer Outer"? For future dances, our April special, being chaired by Charles & Jean Fricke and our annual May Pot Luck, being chaired by Jim & Alice Wilson, see ad on page 17.

REELERS -- Randolph, N.J.

1 & 3 Fridays

Fernbrook School, Quaker Church Road

Do any of you people know a fella named Delchamps??? Jeff Delchamps??? Well, I do too and I'm a better person for it. This guy and his wife, Dickie, began square dancing in the year 1938 (when I was 2 years old) with a group from Mountain Lakes. That was the old eastern style dancing when, coupled with the proper diet, one could lose about 8 pounds a tip. It was around the year 1961 when Jeff got together with Vin Caruso, a fledgling, debonair young caller with great potential (which has been realized) from Connecticut and decided to teach a group of people, most of whom worked at the Hercules Powder Company (which gives you some idea of the kind of folks THEY were) how to dance. Among this group was a couple named Manning, Dave & Betty. Some of you may know them too??? From the Hercules group evolved the Roxbury Reelers consisting of about 3 hearty couples who decided to have a square dance club. They increased their numbers with the help of Vin Caruso's classes which sometimes were taught in the Caruso's and Manning's cellar and which at one time, through families moving, etc., diminished to one couple. Things were tough.

Around 1964, Dave Manning arranged for the use of the Ironia Elementary School for dances and the Ironia Reelers were born. Through personal contact with people, the use of posters and a lot of hard work Jeff Delchamps promoted s/d classes and the Reelers membership grew. Wilson Hoff became our teacher. We are now dancing at Fernbrook School in Randolph. We'll see what the future brings. What's in a name anyhow.

Jeff retired from Bell Labs in 1957. He's an octogenarian and an absolute fireball. He and his good wife Dickie taught neighborhood kids how to dance. He was VP of Ironia for 3 years and took care of the class. His Wednesday nights are spent at the school with the current class as has been the case for many years. He's a super-duper angel.

Not only is he a charter member of the Reelers but also of Hanover Squares. If you're lucky you can get into a square with him at Lakeland Squares or Warren Wheelers or the Grand Prowlers or Somerset Hills..... you name it. He's something else, he's terrific and we love him..... Marolyn Wingard is recouping from an operation very nicely. Sincere sympathy to Bob & Sandy Deckenback on the loss of Bob's mother. Best 73's.

In February, our new slate of officers for '75 took over the reins of the club- Presidents, Charlie & Carol Pitts; VP's, Enzo & Irene Adami; Sec'y, Roger & Helen Reid; & Treas. John & Ruth Maier. The club thanks the former presidents John & Averol Van Noordt and their executive board for a job well done. The club has a bit of bad luck when the class instructor, Bud Allison, had a nasty accident in February and ended up in the hospital. We all wish Bud a speedy and complete recovery. Luckily we have Ed & Marge Rimpo temporarily substituting for the Allisons. Our graduation is in May. Don't forget our special dance in April, featuring Ken Anderson at the mike, starting at 8 pm. The Tirrells will cue the rounds between tips. It should be a lively, enjoyable dance. See p.4. Please keep in mind our 5th annual "Two=Fer "Spring festival dance - p.42.

2 & 4 Fridays Guthrie Memorial Hall, 42 Brighton St.*

We cannot believe that it's that time of year again - Graduation. It seems like only yesterday that we had our Introduction Dance. We sure hope it isn't old age making the time seem to fly-by. Once again we had a sensational dance and turnout for Earl Johnston and what a way to pre-celebrate the New Year. On his first visit to SI, Randy Anderson won a host of fans and proved the importance of knowing the basics (shades of Big Daddy-Ken Casazza) by calling them at such a quick pace that there was time only to move and not hesitate. Picture this: Frannie Heintz speechless. That's what happened at our January dance when Frannie spotted his life size picture hanging at the end of our hall in a frame surrounded by lights. We believe it's the first time in s/d history that the dancers STOPPED the caller. BAZONGA. We hope that our graduates will get out to as many dances as they can, not only our Club, but the other clubs on SI, and to the NJ clubs. It is very important. We extend our congratulations to all the NEW square dancers and remember - dance-dance-dance.

THE SINGLES SCENE

The project to establish a singles S/D club (or clubs) in NJ is progressing nicely. We feel that there certainly is enough interest to establish a nucleus from which the movement will grow. Basically, plans should follow a pattern which will permit the group to determine its own destiny. The NNJSDA will be involved until the point where a strong steering committee has been formed which can formulate its own program and guidelines.

There will be a growth in two directions. The first will be a group of experienced dancers which we hope will develop into a viable club. This will, in turn, act as a sponsor for a beginners' class which is intended to make the project even stronger. Though we do have names, we must confess that the list heavily favors the female gender. In addition to more and more names, we request information regarding other singles groups--as Parents Without Partners and similar organizations. By contacting these groups we hope to provide a good registration at the very outset.

An organizational meeting is planned for late Spring Sunday afternoon. All those whose names and addresses we have will be notified of the date, time and place. Please do send us whatever information you believe will aid the singles project.

1 & 3 Wednesdays

Brooklawn Jr. High, Route 202

Congratulations to all new Graduates! April first is graduation day for the Mountain/Lakeland Squares class. Dave Laws did a great job teaching and a big thanks goes to all who came to angel. We want to honor our combined class new grads at our second dance in April and all other new graduates are also invited to attend. We know Dick Jones will call a great dance. You know Dick; he's the caller with the infectious grin who hypnotically has us all singing along when he belts out a singing call & has us all tiptoeing when he sings quietly. Also, look for our flyers for the open house which will be free to all new graduates and is to be held in late May or early June. (Details are not yet complete).

The recent class level dance sponsored by Mountain Squares & Lakeland Squares which was held in February was a tremendous success with 39 sets in attendance. These class level dancers were delighted to be dancing to 3 callers that evening - Dick Jones, Bob Mitchell and Dave Laws. What a great experience for student dancers! We had a great time at our first February dance with all the Garden State S/D Campers who raided us with 3 squares. Always have a great time with raiders! Are you interested in more information regarding the 100 basic s/d calls, location of workshops, etc.? Look for the ad explaining our Total S/D Program. We certainly have enjoyed dancing with many of you who come to our club, but sure would like to have the rest of you come on over and dance with us, too. We want everyone to see how great a caller Dick Jones is and why we all love Grace & Walt Pennie who cue rounds, Hope to see you soon.

congratulations

S/D graduates

With pleasure we dedicate this issue to the graduates. We sincerely hope member clubs, as well as individual dancers, will extend personal invitations to the Class of '75....to car pool and/or join them on the dance floor. NOW is the time to help our bewildered, nervous newcomers develop into happy, helpful club members. But we must not stop at graduation. Instead, let us all work just as hard at introducing these folks to club dancing. Here is your club's new blood...and perhaps your future officers. Drop outs should be the concern of us all.

To the Graduates - **CONGRATULATIONS** - now comes even more fun. We urge each and every dancer to take advantage of the many open houses and graduate balls arranged for your benefit. But no matter where you roam, never forget your mother club and those who have worked with you so diligently all these weeks. Loyalty nowadays may be thought of as **SQUARE**, but you are square with a badge to prove it! Remember, like any newly acquired skill, square dancing grows rusty thru disuse. It is only thru active participation one reaps the rewards of fun and friendship square dancing offers - whether here or abroad. And when next years classes are forming plan to bring your friends, or be an angel. See you on the dance floor.

NORTH NEW JERSEY
SQUARE DANCERS
ASSOCIATION

GRADUATES UNLIMITED

We had the wonderful opportunity of meeting and dancing with many of this season's s/d classes. And an exhilarating experience it was. Never have we been so impressed with talent and enthusiasm

as with this group of beginners. The S/D movement in New Jersey is particularly fortunate - and on behalf of the Association we wish to thank the caller/teachers, the leaders and the angels for their unselfish contributions to make this a reality.

Come one - come all - to the Graduates' Ball. We predict that everyone will have a B - A - L - L dancing to a dozen or more callers. Graduates meet your fellow graduates from other clubs. Club dancers meet your new friends - help welcome them into the Association and your club. We'll look for and expect everyone on

1 & 3 Saturdays School 19, Maryknoll Road, Menlo Terrace

Our dancing season continues to be increasingly successful as news of our entertaining programs spreads to other clubs. Take the sweet syncopation of Bruce Vertun and add a generous helping of the Dockry's rounds. Then shake well, fold with several new novelty numbers, and top with delicious sit down refreshments - for a Saturday night recipe that's hard to beat. We're pleased with the many visitors who have come to dance with us - each one delighted to have spent a few precious hours with our club members. Consequently the MT's have had an energetic raiding program, each month exceeding the previous record. Our New Year's party was a fantastic success - so much so that it's a definite repeat for next year. This was followed by our gala Valentine and Covered Dish parties. Come early. Come for the half hour s/d workshop that starts at 8 PM. Experimentals, new figures and old ones - everyone learns something.

We would like to welcome all the new graduates to Square Dancing and hope they continue to dance for many happy years. The welcome mat is out and ready for our own class, and we are anxious to dance with them. Our second annual May Pole dance will be in May. Come and earn your badge. At this writing we are happy to report that Jo-Ann Pasvolsky, wife of our caller, Dick, is home from the hospital. She will be in a cast for several long months, but she is feeling much better. SECOND ANNUAL CALLERLAB CONVENTION

Plans are moving swiftly ahead for the largest gathering of square dance callers in history. On March 24, about seven hundred callers and wives from every state and Canadian province will convene at the Marriott Motor Hotel in Chicago for the second annual Callerlab Convention.

Stan Burdick, executive secretary of Callerlab, also known as the International Association of Square Dance Callers, announced that over five hundred persons have registered to date, and he predicts a "sell-out" affair.

Dave Taylor, convention chairman, points out that this is an "invitational" conclave. Most of the "greats" of the calling profession will be there, as well as an equal number of strictly area and local callers.

For three days, March 24 to 26, these professional entertainers will be involved in discussions and hear speakers to help improve their skills and trying to resolve some of the key issues of the square dance activity. Matters of styling, standardization, list of basic movements, an identification system, training of callers, accreditation, and promotion will be on the agenda. No actual dancing will take place.

Resolutions are expected to result from this event that will undoubtedly have an effect on the activity for some two and a half million square dancers coast to coast and internationally.

In addition to Taylor and Burdick, other members of the convention committee are Frank Lane of Colorado and Marshall Flippo of Texas. Canadian liaison is Angus McMorrin of Ottawa. Further information may be obtained from the Callerlab office at P.O. Box 788, Sandusky, Ohio 5870.

TRANSFER THE COLUMN by Lee Kopman
The figure starts from two columns set up by doing a curlique from facing lines of four, and ends in two parallel ocean waves. This is an action-filled call with all dancers moving forward.

Basic Presentation: Set up lines of four by having heads lead right and circle to a line. Now do a curlique to set up the basic column formation. Have the lead girl in each column be recognized; now have the man behind the lead girl be recognized. These two in single file formation will walk around the adjacent column, and walk toward the foot of that column. At the half-way point they will stop and face in to the center of the set. This leaves the couple on the outside of the set half-sashayed.

The remaining dancers left in the column formation will progress forward single file as if doing a half tag the line. When shoulder to shoulder they will cast or turn right $\frac{3}{4}$, and step ahead to extend right hands to the awaiting dancers to end forming an ocean wave. From a normal start as described the ending wave will have two boys with right hands on one end of the wave and a pair of girls on the other end.

Caution Points: The couples walking around the outside of the set should not crowd the center action. The center dancers must establish the half tag position and not hurry the $\frac{3}{4}$ turn.

Heads lead right circle to a line
Curlique, transfer the column
Swing thru, boys run right
Crosstrail, left allemande.....

Heads lead right circle to a line
Curlique, transfer the column
Centers trade, boys run right
Left allemande.....

HALF TAG TRADE AND ROLL

This is a smooth combination of three basics which are part of the title. The action is very smooth and easily directed. From any line formation the dancers first do half tag the line, then trade with the adjacent dancer; then each dancer rolls or turns to face the one traded with.

The trade or turn half portion of the figure followed by the roll to end facing is very smooth but exacting. Callers can feel that this movement can be called directionally and actually that is exactly what you are doing. You should feel free to make directional changes in the movement. For example: Half tag, trade and boys run — the boys run is substituted for the roll. This call gives a lot of directional variety and fun dancing.

Heads square thru four
Swing thru, boys run
Half tag, trade and roll
Right and left thru
Left allemande.....

Heads lead right and circle to a line
Slide thru, swing thru
Half tag, trade and roll
Pass thru
Left allemande.....

The Callerlab Experimental Workshop Committee has made the following selections for the coming quarter: *Transfer the column* and *Half tag trade and roll*. The quarter has been adjusted to coincide with the calendar year and the present selections will be for the April, May and June quarter.

The committee feels that these selected workshop figures are the best of the experimental ideas explored over the past several months. By no means should a caller feel obligated to teach any experimental basics even those selected by Callerlab if the selected figures do not fit into your club level. For instance, it would be foolish to attempt to teach *transfer the column* to a group of new dancers who just formed a club after graduating from 30 weeks of lessons. The selected workshop figures are aimed at the mainstream dance program that finds itself overwhelmed with experimental figures and just plain tired of having every dance turn into a workshop.

Our aims and goals are to help the mainstream caller and dance leader in the selection of worthwhile experimental figures as we recognize that they are part of the square dance picture. By selecting only a few figures each quarter (no more than two), the average dancer will get a steady flow of good workshop ideas but not be snowed under.

HIX & CHIX -- Paramus, N.J.
every Thursday K of C Hall, Bridle Way

Joyce & Mac McManus, our regular reporters, are moving to Florida, so your "little ole' schoolteacher" will be filling in for them for the rest of the year. We send get well wishes to Edna Flammer and Charlie Worischeck who have recently been ill, and congratulations to Ellie Tout for becoming "grandma" for the second time. The past couple of months found us involved in many activities. In January, a square put on an exhibition dance at Felician College, Lodi, with Hal Holmes at the mike. In February we had a travelers to the Swingin' Stars in Maywood, and had a great time. The 13th of Feb. and March brought us fun and frolic at our St. Valentine and St. Patrick's day parties. We now look forward to a good time at our Spring Fling in April. Our beginners class is doing a great job combining hard work and fun in preparing for graduation. We wish them happy and friendly years ahead in square dancing. Come and share in the fun with us at our weekly dances with Jim Flammer and John Kaltenthaler at the mike. Don't forget our Glenn Cooke special coming up in May. See our ad on pg. 10. Hope to see you there.

We want to congratulate all you new graduates and welcome you to our club. The red carpet is always out. In May we are having a free dance with Dick Jones calling. Due to budget hearings both our Dick Schweitzer and our Al Brundage dances will be at Lincoln Avenue School. Please bear with us, budget time always does create these minor problems. 1 & 3 Tuesdays

Wilson School, Beekman Terrace

As we read the names of the new graduates we are reminded that you meet the nicest people square dancing. Doris & Rob Shallcross worked with Dick Lighthipe to prepare our graduates for their new way of life. Besides the basic s/d figures Dick, Rob & Doris have also taught the class the Ten Commandments for Square Dancers. We would like to welcome our new graduates to the club and also any and all graduates from other clubs. Try us, you'll like us. Square dancers can be found nearly everywhere. While passing through El Paso International Airport the strains of s/d music drew these reporters to the source. There were 2 squares enjoying their hobby, entertaining the audience and practicing for a demonstration at the forthcoming State Fair. They told us that they had just acquired the space and dance there regularly - gratis. Imagine if we could use part of the Newark Airport terminal building, it would sure draw a crowd. We could dance on all three levels and spread the word. Maybe even Olympia Airlines would let us dance in their aisles.

HANOVER SQUARES -- Whippany, N.J.

2 & 4 Fridays

Salem Drive School

Now for another exciting report from good ol' Hanover Squares. Well, since our last write-up, we have had quite a time. We've had a lot of great dancing - especially enjoyed and appreciated all the smiling guests we've had on the dance floor. Our New Year's Eve dance was a great success, as usual; in fact, it almost turned into a New Year's Day dance. Hal Holmes did a terrific job, and all of the gang celebrated real hard.

We are very sorry to be losing Hal as our class instructor and caller. Hal will be retiring and moving northward to that green mountain state, Vermont. Much happiness to you, Hal & Doris. You will be missed. Our next year's instructor will be Dick Maddocks. We are all looking forward to Al Aderente's Valentine Dance. It will be great, no doubt about it. It will all be over but the memory by the time this is printed. We welcome all our new graduates and sincerely hope they will share in all the fun and activities planned by our club and all the others in the area.

Finally good luck to Gaud & Diana Patton, our past presidents, who have recently moved to the Somerville area. We hope that you will still be with us on the dance floor - it wouldn't be the same without you. Everyone come dance with us! We have some really good dances planned.

GRAND PROWLERS -- Parsippany, N.J.

1 & 3 Saturdays

Brooklawn Jr. High, Route 202

With the first Prowler dance in February, we said goodbye to the old officers and welcomed the new in a record smashing meeting. A record was set for brevity, and we're sure it won't be broken for years to come. The whole proceeding, from open to close, took two minutes and 47 seconds, give or take a second or two. Way to go Ray, that's the way to run a meeting. The outgoing officers are Ray & Aggie Milesky, pres.; Jack & Ginny Piccininni, VP; Ernie & Fran Gustafson, Treas.; and Walt & Grace Pennie, Sec'y. Ernie told us that we were solvent treasury-wise, and Ray introduced the new officers. They are Ernie & Fran Gustafson, pres.; Stan & Wanda Blanchard, VP; Warner & Gia Brown Treas, and Bill and Mary Hanson Sec'y. Good luck and may your own term be a pleasant one. Don't forget that our dance starts at 8 pm sharp when our own Pennies teach the round of the month. We mustn't forget a big thank you to Ed & Milly Schweizer for producing a fine annual dinner dance.

GARDEN STATE SQUARE DANCE CAMPERS

Our annual dinner dance at Neil's restaurant saw over 90 campers having a ball. The food was great, the square dancing fun=tastic (thanks to new papa Bob Mitchell) and the rounds cued by the Connellys just beautiful. Carol Arkin won the 50-50 and many Campers, took home great door prizes. The officers for 1975 are: Stan & Wanda Blanchard, Presidents; Jim & Terry McKay VP; Al & Joan Lawrence, secretaries and Ray & Aggie Milesky, treasurers. Many thanks to our outgoing Secretaries and Treasurers, The Bubieniecs and the Boggis, respectively. They certainly did a great job. In February we raided Mountain Squares and March saw us at Somerset Hills. We had good fun and dancing at both clubs. Thanks to everyone who came out. Our 1st campout is at Tomothy Lake, Stroudsburg, PA - June 13-15. Put it on your calendar. Happy Trails to you.

1 & 3 Saturdays

Bloomington Avenue School

We had an eventful and interesting Winter Season which included a lively Christmas Dance where the members of the class were welcomed, a catered New Year's Eve party with most delicious food, and a Hawaiian night. We celebrated the Christmas holiday a little differently this year. Instead of the usual exchange of gifts, the members presented toys and monetary gifts to both a children's home in Staten Island and a Westfield home for retarded children. Perhaps we helped make the children's holiday season just a little happier. Walt & Nancy Lockwood, our raid chairmen, have been busy raiding various clubs. The latest to the Country Promenaders has been very successful with 3 squares from our club attending. We were honored at our early February dance by the visit of 17 couples from neighboring clubs. We feel that the attraction is our club's unusual combination of both squares and round dancing led by the talented Kelloggs followed by the sit-down refreshments and the general existing comradery.

George & Sue Selmecey, our Association delegates, presented a most informative report of the proceedings of the NNJSDA meeting in which the proper dress code for dancers was discussed. Guys should wear long sleeved shirts and dolls, skirts rather than slacks. Bill & Barbara Clark, in charge of refreshments, in addition to planning luscious repasts have been presenting a birthday cake each month to the lucky winners. Bob Byrnes was the lucky February winner. We were saddened by the death of our new club member, John Nichols. We hope Margaret will rejoin the group when she is ready. In the Spring Season ahead we are looking forward to meeting the new graduates and to our Pot Luck Supper with all those delicious gourmet dishes. Won't you please join us and share our fun and good dancing with the Kelloggs?

We extend a hearty welcome to all new graduates of classes and a special welcome to our own graduates to our club membership. Bruce Vertun has been doing his usual fine job of bringing our graduates to club level and we look forward to dancing with them. Our graduation will take place during our April dance which Bruce will be calling. In January we participated in a "Pot Pourri" at the Grover Cleveland Junior High School by giving a demonstration. The "Pot Pourri" consisted of demonstrations of many activities going on in Caldwell to interest local people in joining these activities. Please remember our "SPECIAL" dance in March with Charles Kides calling. We also remind all that Jerry Schatzer will call in April followed by Bruce in May. Round dances at all dances will be cued by Barbara & Jim Connelly. Hope you can join us at any or all of these dances for an evening of fun square dancing.

Congratulations to all who will soon be graduated from classes, and welcome to the wonderful world of square dancing. We wish you many happy years of dancing and hope that, as your interest and proficiency in this new hobby grows, you will expand your dancing to include the advanced level which our club enjoys. Although we don't sponsor classes for beginners, many of our members are doing much to promote the cause of better dancing. Outstanding in this effort are Mary & Jerry Barton, who workshop "eight" nights per week with dancers aspiring to come from club level to advanced, or go from advanced to challenge level. Mary & Jerry are top-notch challenge dancers themselves and could very well rest on their laurels; instead they are giving unselfishly of their time and energy to help others and, in so doing, they are helping to bridge that demoralizing chasm between club level and challenge dancers. We were happy to have Beulah and Joe Samec as guests at our Christmas dance. In honor of the occasion, we danced one tip from a tape which Beulah made just before her illness, and we all found her calling to be just as exciting as we remembered it.

Our congratulations to Mike Gilden, the winner of our callers scholarship for this year. May he follow in the footsteps of Jerry Schatzer or Keith Gulley, our next two callers for the months of March and April. The travelers "Travelled" to the Grand Prowlers and danced to Frannie Heintz in January. We're looking for more "travelers" so let's see more names on the bulletin board toward earning of the Travelers badge. The season has been moving right along and so have the callers, who have been great in pushing us through some of the latest calls and a few of the old ones. Kerry Stutzman did a tremendous job in February for a nice crowd and whatever you do in square dancing "Walk Away Smiling". For you round dancers, The Tirrells as always, do a very successful job in the cueing department starting at 8 PM. Happy Easter and Happy Passover to all of you. See you on the S/D floor.

It's a RAID!!!! To an insect this means trouble, but to Circle Eights it means a fun filled evening at another s/d club. Well, Spring is here-time to review the coming events. Don't forget there will be no dance in March due to the religious holidays. But comes April, we'll be back in the swing again with the Graduate's dance and the "relaxing" weekend up at the beautiful hilltop of "Round Top-Winter Clove". This time, Bob Mitchell will be calling squares and the Tirrells on rounds. Hope to see you all this spring!

"HAPPY HOLY DAYS TO ALL OF YOU."

ROUNDS - CUED BY THE SHEARWOODS 8 TO 8:30 PM...
SQUARES - 8:30 TO 10:45 PM... FRANKLIN AVE. SCHOOL PEARL RIVER, N.Y.

By very popular demand, The SQUARE
PINCUSHION repeats how to make a
'crinoline'.....

Crinolines are not the easiest of projects to sew. They are a bit more challenging inasmuch as the fabric you work with is stiff and resistant to you. The end result is definitely worth the time and effort you extend. Do try it. If you find yourself getting frustrated, walk away from it for awhile. Going back to it will be easier.

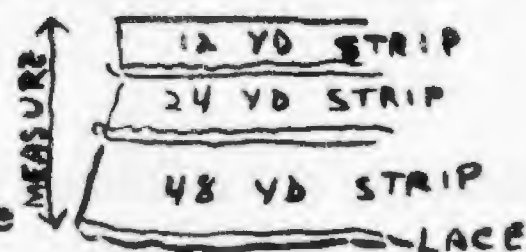

Materials:

- 85 yards pre-hemmed nylon marquisette 5" wide. (available from Nita Smith Fashions, 2011 College Avenue, Bryan, Texas 77801-note new address...write for color sample and current price-last price was 11¢ a yd. plus \$1.00 additional for postage & handling.)
- about 3/4 yard soft material for yoke (broadcloth, etc.)
- matching thread
- heavy-duty elastic for waist casing
- 48 yds. hemming lace or ribbon (optional)

Directions: Cut marquisette into following lengths: one each- 48 yds.; 24 yds.; & 12 yds. that should leave 1 remaining yard for practice to adjust your ruffler to gathering 2 to 1; i.e., 12" unruffled will be 6" gathered properly. Practice till you achieve this.

If you are adding the optional lace or ribbon, sew this to one edge of 48 yd. piece first. This will be the hem. Leave all tier ends unjoined, they will be sewn at the end in one seam.

Gather the other edge of the 48 yd. strip. Sew the gathered edge to one edge of 24 yd. strip. Gather the other edge of 24 yd. strip. Sew this to one edge of 12 yd. strip. NOTE: If you sew the gathered edges top-stitched to the flat side of the tier above, it will be less scratchy when wearing. Before you gather top of 12 yd. piece, we must measure for the yoke. Measure from top of 12 yd. piece to lace hem edge remember your petticoat is 1" shorter than your dresses. Subtract this from your desired length. Add 2" for seams & casing- cut 2 crosswise strips of 36" wide soft fabric-join to make 1 long strip. (ex. if slip desired is 24" & marquisette total is 14" then 10" plus 2" makes 12" strips to cut) Sew 2 rows gathering stitch to edge of 12 yd. pc. Pull tightly to fit 72" soft strip. Top-stitch in place. Now sew entire back seam. Make a casing at top, leaving small opening to insert elastic. Insert elastic, checkin fit before making secure. Heavy-duty elastic is a must, the other stretches out of shape too soon.... Good luck...

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursday

Hayloft, 901 First Avenue

Fellow named Ray Campbell once called winter "The paragon of art that kills all forms of life and feeling save what is pure and will survive". The truth is quite evident as I write of the bright world of square dancing on a mid-winter, dreary, sullen day. Yea, verily, square dancing will survive. Question is - will square DANCERS? I ask this in view of some of the not-so-pure (expletive deleted) non-directional calls. (I'm not supposed to editorialize, but just has to get that in.) Enow of that and "on to the next". In the past and out of sight (and it was just that) is our Christmas party. Harking to the plea to the Salvation Army, we negated gift-giving to one another, dressed Hank Knobloch as Santa and he rang in the cheer collecting for that worthy organization. The gals surprised each other with "worthless gifts", merrily opening such things as a flashlight that did not work, a box of Autumn leaves and a panty hose with one leg. The tables were beautifully set, the spirits gay and the evening ended with us singing carols accompanied by Elmer Dounton on the banjo. Currently, Ed Grabau can be seen all over the place pushing the booster tags and muttering to himself like Alice's White Rabbit, "Did I catch so-and-so?". Methinks next year all delegates be equipped with butterfly nets for this chore. We are on the Eve of our Valentine Party which portends to be real (pardon me) sweet. In the future we have Wes Morris as guest caller on a club meeting night in March while the Keleighs head for the sunny climes of Florida. Also in March we have 2 dances on tap with Clint McLean and Al Brundage.

I'm sad to report the death of former Cali-Hoe Walter Marlatt; those of us who were there will always remember the little wedding party for Walter and his lovely wife, Jean, complete with cake and trimmings, which was held one evening during class. He was a very dear man.

Winter-Economy-Income Tax-anything got you down? Well come and join us and enjoy! There are many "pure" things around-and square dancing, friendship and laughter are some of them. I'm sure you'll find them, gentle readers, down here at the Hayloft with us.

Thanks to members who participated in a demonstration at Valley Nursing Home in Westwood. Future plans are to visit other homes. Special thanks to Fran & Cy Rattner for arranging program and supplying tapes. Graduation is in March, and is the class ever excited about the big event! Our travelers group journeyed to See Saws and Richmond Dancers. Have no fear, Stan, Jules and Bruce, our amateur caller's night produced laughs and enjoyment, but no serious threats to you. Everyone agrees that this is a fun thing that more clubs should copy. The New Orleans Madri Gras has nothing on us. Ours had no floats, but their's didn't have all of us dressed up, either. Marilyn & Joe Kobulyar literally ran off with the prize for the funniest in their diaper outfits, Janice Ahearn won the prize for the prettiest, as Miss America, and Lou Berentis for the most original, as a Man of the Cloth. IT'S YOUR ASSOCIATION

There is a tendency for many of us to feel that organizations to which we may belong, will run themselves very well without our participation in them. This may be so where the purpose of the organization is just fund raising, done by professionals. Not so the Northern New Jersey Square Dancers Association. It's purpose is to *promote* square dancing to our dancers, and prospective dancers, and *promote* cooperation between its member clubs.

WHO MAKES UP THIS ASSOCIATION? You, and the clubs to which you belong. Delegates from each member club meet three times a year to review the actions of the Executive Committee, determine policy for the Ass'n., relay requests of their clubs, and report back to you and the club Executive Boards what is happening in the NNJSDA. These meetings are always open to anyone interested in attending.

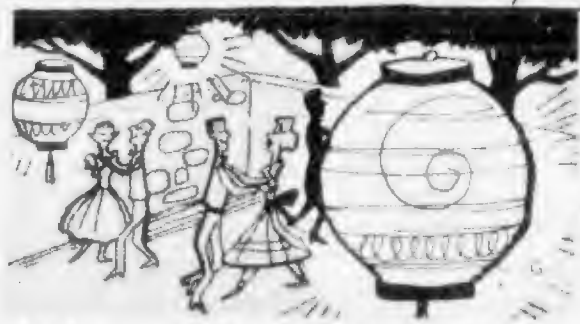

WHAT DOES THE ASSOCIATION ACTUALLY DO? There are several committees within the association structure which perform the actual work.

1. Classes are coordinated (not interfered with)
 - a. Printed matter is made available promoting and explaining what square dancing is, to the non-dancer.
 - b. Square dance basic manuals are printed and distributed to classes
 - c. Diplomas and other supplies are made available for classes.
2. Clear dates of special dances and mediate any other conflicts which may develop between clubs.
3. Develop means of publicity to the non-square dancing public.
4. Publicize club activities via an association magazine (Grand Square).
5. Finance the printing and administration of the above activities.

Let's dwell a bit on the last. There are many ways your association could raise its funds to pay for its functions. It could assess the clubs a share of each project. It doesn't (Dues are \$5/year). It could let the clubs do all the work - only act as advisory. (If it did this, why have an ass'n). It could charge for each issue of GRAND SQUARE or make it a magazine of advertisements rather than information; this is not its purpose.

What it does do is run dances throughout the year, giving the dancer something while raising funds. The profits of these dances are what keep the association solvent. The major series of dances are the Summer Dances. Their purpose is two fold - helping the treasury, and keeping the new graduates dancing over the summer. Your attendance is necessary to ensure sufficient monies for the coming year. The NNJSDA also reserves 5th Fridays and/or Saturdays thruout the year for its Special Dances. These also are to produce funds, as well as to have interclub dances. Again your attendance is necessary to make them successful.

WHAT CAN YOU DO? Soon the summer dance program will be starting. Maybe you feel that the program is not for you; consider again. It is not just another dance. It is a dance with a purpose, the purpose of promoting the growth of square dancing in Northern New Jersey. Supporting the association dances are easy ways for *you to help*.
