FOLLOW UP.....

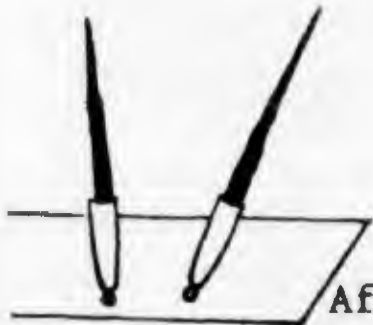

Sept 15-20

As you can see, there was a good representation of posters from which to choose in this year's National S/D Week contest. Submitting entrais were Bud Allison (the winner), Cliff & Polly Baldwin, Herb Charatz, Joe Critchley, Mary Davidson, Kathie Finn, Ann Ryan, Edward Schreiber and Gail Tirrell. Our thanks to all for this year's splendid turn out. 1,000 posters were printed and distributed free to all NNJSDA member clubs to use to publicize National S/ D week and recruit beginners.

Harriette & Sol Koved, NNJSDA presidents

After an evening of exhilarating twirling and weaving, while on the way home, how often have square dancers remarked to one another, "That was a really great dance." We trust that it has been a very frequent occurrence for each of our Association members, and if it is not -- then it should be. What does constitute a fun dance is strictly a matter of personal taste and not something that can be easily defined.

The definition of a successful affair is something that has occupied our thoughts for a considerable time. Because we have been active as S/D leaders in one capacity or another for many years, planning and running dances which are enjoyed by the majority of those who attend has been of particular concern. The search hasn't really been a problem, rather it has been more of a challenge. Just what ingredients make for a happy three hours of dancing delight? Let's look at some of the factors.

Obviously, the caller contributes a very large share to any S/D event. Sweet voiced or mellow, his message pours from the amplifier as the dancers execute his commands. Important as is his delivery, so is the manner in which the calls are blended - and so is his personality and the music itself. The caller is an artist in his own right - he just can't receive too much credit for his contribution to the proceedings.

The hall? Yes, it's an important consideration - but not a major one. Looking at the negative side, no doubt you have danced under adverse conditions - sweltering heat, dingy walls, unfriendly environment, very rough floor - and you have come away more than satisfied.

Ask the hospitality committee whether food and drink influences the attendance. The answer is in the affirmative if a group has established a reputation for its culinary art, but... Have you swung the night away when little or no refreshments were offered, and you couldn't care less? Or, have you been too full of calories after a covered dish or dinner dance to stand up, much less circle to the left? Or, did he say right?

Now let us take a look at the dancers, who are a primary piece of this puzzle. Whether they are good, bad or indifferent, the dancers decidedly influence the overall tone of the affair -- not on the basis of their collective skill but rather their attitude. The entire spectrum of square dancing ability can be minutely examined - from high level challenge to the 50-basics club - and who is to judge which sector has the more fun. Is it the serious dancers who rarely smile or those who goof and allemande left to hilarious peals of laughter? It may be neither.

The next time you leave a dance that you've thoroughly enjoyed, one that you truly regret had ended too soon - stop to think as to why it had been such a delightful evening. Was it the talented caller? Was it the refreshments, the decorations, the super smooth floor? Was it the dancers -- those friendly people who made the time fly? We'll wager that it was the last ingredient, more often than not.

Want to experience just such a friendly atmosphere - come to the October 19th "Yikes" Cameron dance - sponsored by your Association. You'll meet dancers from every part of the NNJSDA area - each one anxious to share your dancing pleasure.

In addition to having a great time, you'll be contributing to the financial health of your association - we need that support. We need it 100%. Almost from the day that you began S/D classes, your Association has been a vital part of your enjoyment. Your Association plays a key role in the success of the S/D activity in New Jersey. Come on out - support YOUR dance.

This has been a banner year for PATRONS! Receiving their badges in April at the graduates ball were: Herb & Carol Arkins of Som. Hills; Tom & Mary Gorman and Bob & Doris Delaney - both of Richmond Dancers.

Then at the NNJSDA May special, the Mooneys were proud to present PATRON badges to Isabel & Bob Kerwin of Cross Trail Squares, Ron & Mildred Nitzsche and Henry & Pat Hartford of Somerset Hills and Helene & John Nichols of Sussex Spinners. Since then 4 more couples have fulfilled the requirements - Art Taylor & Selma Bleich; Ted & Ella Farver; Gladys & Jack Wall and Madeline & William Mooney. Wonder who will be next?

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursday

Hayloft, 901 First Avenue

Fall is just around the corner. Even if the days were not lengthening and folks were not getting vacation-beach-visitor-barbeque weary, I'd still be aware of it because Bill Mills called to remind me that Peg is ready and waiting to get going with the Fall issue. Cali-Hoes have danced through the summer with the highlight being a fine dance called by Jim Cargill. All of us are looking forward to welcoming once again the delightful Paul Andrews in September. On behalf of the Cali-Hoes, may I wish all the clubs a very happy and successful season? May I also extend all of you invitations to share some of that success and happiness with us?

CIRCLE EIGHTS -- Tenafly, N.J.

4th Friday

Mackay School, Jefferson Avenue

Circle Eights would like to extend their deepest sympathy to Mrs. Bromberg on the death of her husband. We all will miss him.

Warning - Our dances are limited to people who want to *have fun!* This year is no different. The starting of this funfilled year is not going to be in September, but in OCTOBER. Our October dance will be in the Mackay School, but our following dance in November will be held at the Reformed Church on the Hill in Cresskill. Our callers are Jules Pozsar and Bob Mitchell. Rounds by the Tirrells. The big event is the November weekend in Winterclove, NY. Because of its popularity, we've had to limit it to six sets, so if you're planning to get in on the fun - better hurry!  
Remember: A Smile a day keeps the grumpys away!

Welcome back to all vacationers! Hope you enjoyed lots of fun s/ding wherever you were. Our summer dances have been great - well attended, and with many new faces to greet as well as old familiar ones! In July we danced to westerner Beryl Main's calls with George & Janet on the rounds and a challenging assortment of HOT HASH afterwards. The August hot spell found Cloverleaves and their guests dancing in a delightful cool hall with Ed Ruddy from Portland, Conn., calling and Doc & Peg cueing the rounds for us. HOT HASH again, but cool heads! We look forward to a busy Fall dancing season with callers from all over the country for regularly scheduled dances, plus special activities for the Travelers group. Lou & Helen Hardy will soon be announcing plans for these trips and the special badge for those who qualify. Watch for the announcement and join us!

It was with great sadness that we learned of the death of our faithful member, Joe Bromberg. To his wife, Jody, our sincere sympathy. He will be greatly missed by us all.

We are proud to announce that Ginny & Chick Smith are the new mentors of our club, taking over from their so worthy predecessors Jeanne & Dale George. There's nothing like a high class couple for a high level club. With the kickoff of Lee Kopman's third year at Colonial, we are all looking forward to welcoming a whole host of advanced level aspirants in September. Lee's workshops this summer were crowded to the doors with happy, if slightly flushed, faces. We can guarantee all those who liked the appetizer, that the main course will be fantastic. COUNTRY PROMENADERS -- Edison, N.J.

2 &amp; 4 Saturdays

Clara Barton School, 1015 Amboy Road

Hi Everyone! Now that we've danced through water and heat, we're ready for fall dancing. We put on two demonstrations this summer. One was in Roosevelt Hospital as part of the recreational program, and the other was in Johnson Park for the New Brunswick Jaycees' Horseshow. Our GRAND DOOR PRIZE was won by Tony Zavist and Mary Susdoff. Each won a complete s/d outfit. Happy dancing Tony and Mary!

We will be dancing in the Edison Bicentennial Parade and the Metuchen Fair. Come and watch us! Betsy Seele-Gotta will be teaching our classes. (See page 5) New Association caller Bob Benner has been giving our dancers a little extra practice Friday evenings at the Wessinger's. Thanks Bob! Congratulations to our June graduating class. It was our second class this year. Ladies, a hand made shawl will be the door prize at each dance this year. So grab your partner and come. See you at our first dance called by Jim Marshall.

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 &amp; 4 Wednesdays

Lincoln School, Crane Street

We have launched our 1975-76 square dance season with a welcome to our new club caller, Dick Maddocks. With his calling, along with our guest callers during the fall, we expect the fall season to be a good forerunner of our enjoyable year of dancing. Our guest callers, as noted in our ad on page 32, will be Dick Pasvolsky, Red Correll, and Kerry Stutzmann. For Kerry this is his sixth season with us, and to put the "icing on the cake", the Connellys will be cueing the rounds.

Of course there was much chit-chat during the evening with everyone catching up on the summer activities, vacations, camping, dancing, etc. Dick Maddocks will teach our class this year. We expect to do some demonstrations during square dance week to attract students for his class. Watch for our Bi-Centennial special in the spring. Happy dancing!

Of those present, none will ever forget one of the hottest and most humid dances ever held by your NNJSDA...the May 31st Special with Ed Fraidenburg. After permission was received from the local authorities, the 20 sets of hardy souls gladly moved to the macadem of the parking lot. Sussex Spinners won the attendance award for the evening. Pictured are Ron & Mildred Nietzsche, Somerset Hills presidents, passing the banner along to the Sussex Spinners presidents, Dora & Ed Foster. Next NNJSDA Special is set for October 19 - what club will win it then???

S/D CONVENTION HI-LITES *as experienced by Frank & Lorraine Mooney*

What excitement & fun a S/D Convention is, and our first experience was the 24th National out in Kansas City which was the largest convention ever held: 20,050 in attendance, including 2,000 youth and 2,200 circle dancers. We were quickly caught in a whirlwind of s & r dancing, sewing clinics, fashion shows, over 100 apparel shops, informative panels, round table sessions and seminars, and were 3 of the happiest people anywhere meeting dancers from some of the 50 states and 5 foreign countries who were registered. Our retarded son, Peter, thoroughly enjoyed watching the colorful 18 exhibition groups who danced nightly and sure was anxious to join one particular group of 3-16 yr. olds who performed beautifully!

We had a chance to dance to some of the 550 s/d callers (14 Nationally known full-time travelling callers), 124 round dance & 26 folk/contra leaders, who all volunteer their time for 3 days and pay their own expenses, and certainly do their best to give you all levels of dancing pleasure. Guess the most exciting part of this Convention for us, other than going to the Press breakfast as Advertising Editors for *GRAND SQUARE*, and our NNJSDA winning a plaque for the display of our banners & printed materials, was when we marched in the Parade of States! Without a doubt it is truly a colorful sight as each State's members parade around the arena in their particular costume and an announcer tells everyone how many were in attendance from each area (The K.C. Mayor & Governor were on hand for this spectacular) and the bid for 4 years hence is then awarded (to Milwaukee for '79). We were proud to march with the Philadelphia group as part of the promotion for Atlantic City in '77, and think our combined efforts tallied about 350 + members!

We are anxiously looking forward to Anaheim next year and of course AC in '77, and we urge any and all dancers who can, plan vacations around convention time to do so as it certainly is an experience you will long remember. In closing, we'd like to ask, too, that you please stand by when the Doyles, Mooneys and your Executive Board put out a plea for help as time draws nearer for (perhaps) our once in a lifetime chance at a National. Heaven only knows when and if it will come East again, or where any of us will be, so please plan to help in Atlantic City. Next May there will be a kickoff dance at the Convention Center (May 8) when registration applications will be available on a first come basis, so circle your calendar and then you, too, can be part of all that makes a Convention exciting and worthwhile!

2 & 4 Sundays 2 - 4:30 pm

The new SINGLES S/D Club had its first meeting and dance in June at the Temple Beth El in Cranford, NJ. Forty-four enthusiastic people (mostly graduate square dancers) appointed a temporary executive committee. At our second dance we accepted a constitution and elected officers:

Our dances will be 2nd & 4th Sunday afternoons from 2 - 4:30 pm. Bob Tarrant is handling the calling. In August we danced at Temple Beth El, but are looking for a new home in September.

Thanks to the Koveds and the NNJSDA we feel we are off to a good start. We welcome all graduate square dancers to our dances. Couples will find we have only one different rule: no one can dance with the same partner more often than every third dance. We are a fun group. Do join us some Sunday afternoon! Call any of the officers for further information.

We feel we are too new to be running classes this year, but please tell all your single members as soon as they graduate, The Solitaires is for them.

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturdays

Bloomington Avenue School

While looking forward to the new season, we want to thank last year's officers and committees for all they did to give us a wonderful year of dancing. Joe & Hattie Noel, Bill & Barb Clark, Dick & Joyce Smythe, Bill & Hinda Lawrence, Joe & Bettie Alexander, George & Sue Selmecey - you were great! Thanks, too, to our callers Bob & Jean Kellogg for always being there with support and enthusiasm. Our last dance in June was exceptionally well attended by club members, new graduates and visitors. 14 clubs were represented, including visitors from California and Florida!

We sponsored a series of 3 "Rusty Hinge" workshops in August & September for people who have been away from square dancing for a while. Bob Kellogg was on hand to get everybody sharpened up for the new season.

Once again this fall we will be sponsoring a new class jointly with Y Squares. June & Andy Reid have volunteered to head the Angel Committee. See page 5 for details. Hope to see you at our first dance. You will like our nice wood floor and the fun and companionship of our sit-down refreshments after the dance. Bob & Jean Kellogg's Round Dance workshop starts at 7:45 and then Bob starts calling squares at 8:30. Happy dancing everyone!

GARDEN STATE SQUARE DANCE CAMPERS

We had 52 families at Timothy Lake and 46 families at Swan Lake. Our callers were great and the weather too. In June, the Kirchers celebrated their 17th anniversary with us and in July we had 6 birthdays, 3 of which were celebrated around the campfire with cake and coffee. At Timothy Lake 3 squares of us posed in s/d attire for photos to be included in their new brochure. Dennis & Betty Ford won the 50-50 in June and Bill Pfaff was the lucky one in July. The Goodells & the Fords did a great job as wagon-master. In August we celebrated Christmas with gifts and decorations, and at our September campout we are celebrating our 10th anniversary. It should be a great weekend. The Blanchards, Heaths, Jacobs, Mins, Conklins, Enos, Longs and Linn & Hazel Robbins represented us at the National S/D Camporee in Bloomsburg, PA. Although it was wet, it didn't dampen their spirits and they had a great time. We're so proud of our Don Conklin who won the JART championship with Chuck Paine of the Penn-Dixie campers.

Our new Garden State S/D patches have been a big hit. Many thanks to Isabel Kerwin for getting them for us. Good to see Ginny Bosch back with us after an operation. The Boschs handled the refreshments at our June & July campouts. Will had to do it alone in June because Ginny was still in the hospital. That's dedication for you! Watch for the Garden State S/D campers. We'll be raiding a club a month starting in September. See you around the square campfire. Happy trails!!!

146 leaders from 32 states and 1 Canadian province were invited by LEGACY '73 Trustees to Dutch Treat and work from 9 am until 11 pm (usually later) on May 8 thru 11th on problems and opportunities facing the American dance activity. Selections were based on experience (a minimum of ten years) and past contributions to the movement. Trustees were from record producers; shops (etc.); dancers, caller and r/d leader associations; Lloyd Shaw Foundation; American S/D Society; Callerlab; and the National Convention Executive Board gathering for "commitment and yak" in Cleveland, Ohio.

Buzz groups met for an hour on topics which included S/D Associations; Caller Associations; Callerlab; R/D Teacher Associations; National S/D Association; S/D Publications (Peg was moderator); record companies and S/D suppliers. After the reports from their various leaders, the serious business at hand began.

Divided into four groups, all had an opportunity to discuss these subjects: "How and What we Dance" - Angus McMorran (Ottawa, Ontario)

"The BiCentennial and What it can mean for s/ding"-Ken Parker (Calif)

"The Image of S/Ding" - Cathie Burdick (Ohio)

"Leadership Training" - Ed Ross Smith (Mass)

Discussions were carried on in the four groups. In all, the wealth of experience and the exchange of ideas was fascinating. Reporters (Peg was one) recorded happenings in every session. Afterwards the leaders, reporters, moderators and Ex. Bd. met to shape tentative resolutions which were presented to the entire Legacy body of trustees. The collective efforts of all went into the final wording. Each area in turn must now interpret these resolutions in light of their particular situation. As our moderator Bob Howell (Ohio) said in the simplest wording possible, "If it is to be, it is up to me." (continued on page 21)

We were again invited to dance at the annual Boonton Fan Fair for the benefit of Riverside Hospital. We had 3 demonstration squares. We would like to thank Gard Patton for calling for us. The Mother's Day Picnic at Lewis Morris Park in Morristown was a big success. We had a good turn-out and everyone had a great time playing games, dancing, and of course eating.

In early September we gave a demonstration dance at the Morris County Mall; held our open house with Dick Maddocks calling; and have already started classes. Hope to see a lot of Angels to help the new people out. See our ad on page 19 for our fall schedule. Y'all come on out and dance. "Black Cat" in October. reporters - Walt & Laretta Las 201-361-2768

SILVER ANNIVERSARY

HI TAW TWIRLERS -- Pearl River, N.Y.

1,2,3,5 Tuesdays; 4 Wednesday

Franklin Avenue School

Now that the problems with heat waves and crabgrass are behind us, it's time once again to get in the swing of square dancing. Our new officers have promised a stimulating, challenging and enjoyable season with our own regular callers, Al Brundage, Dick Jones and Jerry Schatzer. We also have a star-studded list of guest callers so hope we'll see lots of you on our dance floor. Please note that we changed our starting times to 7:30 pm for rounds and 8 pm for squares. We're kicking off this season with "Dashing" Dick Jones and our ever-lovin' Ed Shearwood cueing the rounds.

In October we have scheduled a mystery bus ride. The deep, dark secret is being kept by Edna Gill, so don't hesitate to contact her for your reservation at 914-359-1731. Hope you had a restful summer so you will be prepared for some exhilarating dancing!

1 & 3 Tuesdays

Wilson School, Beekman Terrace

HEAR YE! HEAR YE! HEAR YE! WHEREAS this bicentennial year of 1975-76 is the silver anniversary of the founding of Hill City Squares and

WHEREAS Hill City Squares wishes to honor its heritage of square dancing with a season of joyous celebration and

WHEREAS the membership of Hill City Squares wishes to share this joy with other dancers.

NOW, THEREFORE, be it known by all here present that the following have been set aside for these activities: In September - A welcome back dance. Welcome back to a new season of square dancing. Then our 2 for 1 dance with Somerset Hills. Manny Amor and Carl Hanks calling with Betty & Bud Sibbald on the rounds. In October - a special dinner dance for past and present Hill City members and friends. Festivities will include a social hour, dinner and square dancing. Muskets will be checked at the door -- it's an old Hill City custom.

FURTHER, a reward will be given for information leading to the identification and next target of the band of Hill City raiders who have been active all summer. Merri-Eights and Y Squares are still recuperating from the effects of raids. It is suspected that Lew & Beth Smith are two of the ringleaders. They attended both raids and hid out for a while at the National Convention in Kansas City.

### BASIC MANUAL OF AMERICAN SQUARE DANCING

The fact that your Association's supply of the Basic Manuals of American Square Dancing (which are distributed free to beginners in Association members' classes) was very low coupled together with the announcement of Callerlab's Mainstream Figures served as the impetus for our current NNJSDA Basic Manual revision. After much thought and paper work, Bud & Bernice Lawson (NNJSDA Advisors), Dick & Cookie Lighthipe (CCNJ), and Doc Tirrell finished the copy in late May so that Peg could type away during June and July. Our Association was pleased when the Federation of Delaware Valley Square & Round Dancers and the Dance Leaders of Delaware Valley expressed interest in our enterprise. Arrangements have since been completed for a sharing of the contents and the printing costs with distribution of these new manuals this fall. Unless we've misjudged, each area should have a three year supply. Our thanks to all for their help & cooperation in this undertaking.

### CALLERLAB

The Quarterly Movements Committee announced that there would be no movements selected for July, August, and September, 1975. Because the Committee members who voted were not strongly supporting any one or two movements, the committee suggested NO QUARTERLY MOVEMENT for those 3 months. In lieu of new material the suggestion was put forth that during the summer months workshop on the existing quarterly movements "recycle; walk & dodge; coordinate; transfer the column; half tag, trade and roll" and drill on any of the basic 75 movements.

CALLERS'  
COUNCIL OF

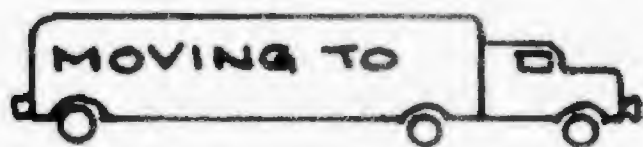

N.J.

There's a new badge in the NNJ area. Members wearing it are visible proof that the CCNJ is a reality. The better part of the year has been spent in bringing the pieces together & getting their house in order. At their April meeting the membership approved an official constitution and by-laws. Their stated purposes shall be:

1) To encourage and promote interest in modern, western style square dancing; 2) To increase the knowledge and improve the techniques of its members; 3) To standardize the teaching of figures and techniques; and 4) To promote the development of proficient, modern, western style callers and leaders. In June a testimonial dinner was given Vin Caruso their first president who was retiring from calling. Current officers are Bruce Vertun, pres; Manny Amor, VP; Jules Pozsar rec. sec.; Art Seele, cor. sec; & Bob Kellogg, treasurer. A mini meeting of 3 representatives each from the NNJSDA and the CCNJ met in July to exchange ideas and explore areas of mutual concern.

every Thursday

K of C Hall, Bridle Way

The "summer of 75" will have a special place in the memories of Hix & Chix members and numerous guests who danced in air-conditioned comfort to a wonderful quartet of callers including our own Jim Flammer and Ellie Tout and guest callers Dick Maddocks and Stan Zaczowski plus a one-nite stand by Mike Foley. Add the June picnic at KOA in West Milford as another "summer of 75" pleasant memory. As we leave the "summer of 75", we head into our open house in September and our special dance with Marshall Flippo in November (see page 28). The new officers include Bob & Gloria Wyman, Pres, Karl & Emma Esmark, VP, Jeff Walters & Linda Kool, Sec'y, & Lou & Marge Medeiros, treasurers.

## ISLE SQUARES -- Oakwood Heights, Staten Island, N.Y.

2 & 4 Wednesdays

Community Church, 345 Guyon Avenue

An extra dance was held for club members and new class graduates. Its object was to help our new members feel at home with the club. As it was enjoyed by all, we would like to recommend that other clubs try similar *get acquainted dances* with their new graduates next year. Our season closed with the 7th annual dinner dance at Nelson Terrace. The dance was a fine end to a year of good dancing and friendship. Glenn Cooke did his usual excellent job calling, as did Lee & Ray Kirchmyer on the rounds. Tito Gamarra was the lucky winner of the basket of cheer. The club would like to thank its members and all its guests for making it a year to remember. Congratulations and good luck to our new Executive Board. They are already at work to ensure the success of the new season. Please join us.

LEGACY '75 was solution orientated...their position being that a rehash of problems without offering solutions was worthless. Thus clubs and/or associations are urged to press for leadership training in their areas and for a firmer dress code; an accreditation of teachers, callers and cuers; for better coverage and methods of teaching. Shop owners met at many extra sessions to lay the ground work for a national ass'n of shopowners or services to promote, protect and police their particular groups; R/D leaders plan to explore these possibilities at Legacy III. Sound like "An Impossible Dream"? LEGACY I created the environment from which Callerlab grew; set the stage from which a tune clearing house was established by record companies; and established the beginnings of a dress code.

Between group sessions, kaffee klatches discussed other aspects of the total picture. Mini spiels to the assemblage told of incorporation for non-profit; drop out solutions; tax problems; insurance solutions; Doc Tirrell spoke on our NNJSDA clearance program (most were amazed to find it works); Dorothy Shaw, a most charming, delightful and knowledgeable person, spoke on the Lloyd Shaw foundation; the 23rd National Convention color film was shown (our delegates will recall seeing this great film last April) plus an excellent one of our heritage from Shaw Foundation.

Summing it all up in some well chosen words, John Kaltenthaler (PA) said we've only scratched the surface. LEGACY has provided the direction in which we are to head and offers us the guidance. Chuck Fitzgerald (NY) wrote, "LEGACY II was people interested in helping people make the most of what the American dance has to offer the world."

Just before the conclusion of the meeting Sunday noon, a spontaneous committment to the principles of Legacy occured as folks there pledged their own support to the continuation of Legacy into the future. We, ourselves, made our own personal committment to Legacy. But any individual or organization, anywhere, who cares too, may contribute to the protection, promotion and preservation of the American Dance. The Tirrells will gladly forward any check for Legacy immediately to the Executive Secretaries to help meet their two year budget of \$4,000. To show the seriousness of the people involved in this four day conclave - it was all work sessions with NO dancing at all!!! (please turn to page 31 for the resolutions)

Taken at the Graduates Ball. Thanks to the Cavanaugh's, the local paper's photographer came to take pictures, but stayed awhile to enjoy the festivities. Those in the Edison area were pleased to discover the photographers excellent pictures in the paper. The NNJSDA maintains a scrap book of publicity releases. This is one of the 3rd VP's jobs (the Habersbergers); they welcome any and all additions you may care to share with them.

We Rangers seem to like to eat. We closed our season with a covered dish supper - and all who attended had difficulty dancing. Too much to eat! During the summer our former presidents Betsy & Ed Hull hosted our 2nd annual family picnic. Dick called some toe-tapping tunes. Food was delicious. We also gave a demonstration. Our first dance of this season with Dick at the mike was open to visitors who were interested in square dancing. Classes have already begun. (See page 5) We will be three years old! and plan a birthday party dance in October. See you on the dance floor.

Hi! We're back again!! After a beautiful summer and three very successful summer dances we are back at the "Same Old Stand". We visited many wonderful clubs during our summer vacations, and look forward to their return visits this fall. We all had a real fun day at the Bi-Centennial Salt Water Day at Lawrence Harbor in Madison Twp. We demonstrated square dancing to all and had a "ball" doing it. If by chance any of your friends would like to enjoy the fun of square dancing too why not have them join us for lessons. Contact Marty & LaVerne Schsaffer 549-8478.

We plan many unusual fun dances for our 75-76 season which we've already started. For example: if you really like fun, plan to join us in costume for our Gala Halloween Dance in October. Let your imagination run wild!!! We'll have Kings, Queens, clowns, or even "little green men". Just come and have fun and win prizes for the best, the most original, and the funniest. The best news of all is that we still have the caller "Our" Bruce Vertun and to make things even better, if that's possible, the Dockry's will be teaching our rounds again this year. Why not have your Thanksgiving Dinner on the M T's. We are offering a turkey as our Special Door Prize at our Thanksgiving Dance. And along with that will be all the trimmings from pumpkins to mixed nuts. Come and see for yourself and have fun dancing besides. We have so many plans for our new dancing season we're just bursting at the seams; so just come and visit us and see for yourself, or you'll never believe it. See you soon and often. Mark your calendars now!!!

At our April delegates meeting, all present were privileged to see the color film from the 23rd National S/D Convention. Edited down to around half an hour, most folks agree this film is one of the best presentations of our favorite recreation seen in a long time. Our thanks to the Bobbs and Kauffmans for bringing it along.

INJSDA - DELEGATE'S MEETING DATES:

September 21, 1975	2 PM
January 18, 1976	Vincent Methodist Church
April 4, 1976	Nutley, N.J.

A little over 17 years ago square dancing in NNJ was at a low ebb. Six couples became so concerned over the need for a good promotional program, clearance conflicts, beginner classes, as well as summer dance opportunities that they instigated a plan of action. Eleven clubs shared their beliefs by sending delegates to a meeting. Many of their ideas and suggestions are still being carried out today.

Then, as now, delegates had the responsibility of keeping their clubs informed. As a further means of communication between our scattered membership, *GRAND SQUARE* was created by Bob Keck in '59. Four years later, Bob turned the editorship over to Bill Geier. Business pressures caused him to turn the task over to the Tirrells in '65. Now thirty-three clubs strong, and still growing, the Association can look back proudly on its many accomplishments, including sponsoring the 7th (and last) Atlantic Convention; publishing its own Basic Manual of S/D figures and other aids for classes including S/D week posters; securing the first official proclamation of S/D week in NJ & NY; underwriting a Caller's Class, a leadership seminar; and holding a Mini-Festival. It is interesting to note that officers in this couple activity were not listed thataway until '63 - past presidents are: Al Aderente, Bob Keck, Bud Sibbald, Bob Kellogg, Frank & Hazel Preston, Doc & Peg Tirrell, Gene & Grace Lucarini, Jack & Carol DeCoste, Ray & Pam Zeliff, Lyle & Edna Hopper, George & Phyllis Cowan, and Frank & Lorraine Mooney.

*NNJSDA liaison to NNJ Round Dance Leaders Council*

Phil & Royna Thomas

Under Association sponsorship the NNJRDLIC was formulated in 1965 to help straighten out and consolidate a rather confused round dance picture. With membership open to all interested area r/d leaders, this council meets bi-monthly to exchange information, plan special events, & select the rounds-of-the-month (ROMs) for use September thru May. With the leaders including a majority of these dances in their programs, a dancer is assured of knowing most of the dances played at any NNJSDA club.

*The official NNJSDA publication is distributed free to all members thru their club delegates.*

*Income from advertising and the Booster Drive covers most of the expenses. The small deficit is covered by the NNJSDA.*

MOUNTAIN SQUARES -- Parsippany, N.J.

1 & 3 Wednesdays

Brooklawn Jr. High, Route 202

Another summer has drawn to a close, and we are looking forward to seeing all of you at our opening dance. This will be a regular dance. Again for your dancing pleasure we are fortunate to have Dick Jones, "Mr. Rhythm" as our caller, and those scintillating round dances cued by Grace & Walt Pennie. As a SPECIAL NOTE this year the first half hour of each dance (8-8:30) will be a review workshop of figures to be used that evening.

Your Mountain Squares were well represented during the summer with approximately eight couples attending the Garden State S/D Camping weekends and four couples going to Papoose Pond in Maine for a week of square dancing and camping in August. See you on the dance floor.

Our own Poppa Bear MIKE CLEARY opens our season in September and we can't wait. Our summer has drawn us apart, as some have travelled to the convention, some to vacation spots across the country, while others have wandered closer to home to dance with NNJSDA! We're all heading home now and hopefully we'll remember all! Our Who's Who with callers starts with Mike, then Dana Blood (Come dance for "Blood"); Frannie Heintz joins us to help our "Spooky" Costume Dance come alive; and we'll dance again with Mike in November. See our ad on page 40. We do hope to visit our fellow clubs during the season, but for now our WELCOME MAT is out and we're polishing our shoes up so we'll be ready when the music starts and the caller says.....SQUARE UP!!! Our classes have already begun. (see page 5). reporter - Kathie Finn

We opened our Fall season under the guiding hands of Georgia and Ken Clark, our new presidents. We are very fortunate to have two such dedicated and happy dancers at the helm. Bud Rawlins' workshops for the new dancers proved to be very successful with four to eight squares normally attending, and we hope to find them all present and accounted for at our opener with Bill the hat Dannenhauer calls. Our following dance will be an "open house" for new dancers. Following the custom inaugurated by Barbara & Fred Fields, we will continue to offer a star studded list of callers, led off by Bill, Bud, Glenn Cooke and Bill Dann. See you all in Princeton.

LEGACY II was a pot pourri of leaders and ideas...summed up in the following resolutions:

**IMAGE**

That Legacy '75 reaffirms its concern expressed in Legacy '73\* pertaining to excesses in the activity, and that since impressions are important we encourage all involved in dancing to put forth a constant effort to enhance the positive image we present.

\*1973 statement: Callers and leaders should educate by example, and instruct that appropriate square dance apparel should be worn at public and open dances at all times. National and area publications should educate the square dance world, that, for the best interest of the activity, dancers should refrain from partaking of alcoholic beverages before or during square dance events.

**THE BICENTENNIAL**

In order to assist the country to participate more fully in the celebration of the bicentennial events, resolved that the trustees of Legacy encourage dancers to make a personal pledge to learn the history of the dance as it has been involved in the growth of our nation and, additionally, pledge to tell America our story through dance exhibitions, media, participation events, conventions, displays and all other sources available.

**HOW AND WHAT WE DANCE**

The Legacy trustees resolve that we agree in principle with Callerlab objectives, resolutions and goals, that similar efforts be made by associations for other forms of the American dance, that we recognize that square dancing, round dancing, and contra dancing are all a part of the American Folk Dance.

**LEADERSHIP**

To stimulate enthusiasm for leadership within the dance activity be it resolved that we recommend the establishment at the local, regional, national and international levels of leadership, training programs, seminars, and/or clinics, be an integral part of the dance program.

Just received from CALLERLAB - There are 17 active committees. One headed by Lee Kopman (NY) is setting out to determine a workable system of identifying the various levels of s/ding. It's a much needed program and hopefully a solution is not too far off. The Quarterly movements committee has selected "Pass the Ocean" and "Ferris Wheel" for Oct., Nov. and Dec.

RUTGERS PROMENADERS -- New Brunswick, N.J.

2 & 4 Thursdays

Blake Hall, Cook College, Rutgers U.

Being a college club, we have previously been a relatively inactive group during the summer, but someone forgot to tell us. We've been quite busy and very active but waiting for September to get back to a reasonable schedule. The group started various activities early in the summer with a demonstration at the Alumni reunion at Douglass. Dancing on the slate outdoors was bad on some of our shoes but the cool breeze was very refreshing. It was quite an honor to dance at the Seaview Country Club in Absecon the next day. Dinner and drinks preceded our demonstration. If you find some very anxious lawyers and their spouses at any of your lessons in the fall, chalk one up for the Promenaders. For some of us, it was the first and last glimpse of a classy country club.

The 24th National S/D Convention was quite a blast for more than 20 Promenaders. We represented the state of New Jersey well and promoted the '77 convention in Atlantic City so there should be quite a turnout if everyone comes who promised to. Many of us enjoyed it so much that we've started plans for next year's convention in California.

A novel idea for dancing is doing it on a forty foot truck. That's what we did in the 4th of July parade in Milltown. The weather was gorgeous and the crowd enthusiastic. Betsy Seele-Gotta called and did well coordinating the figures to the abrupt stops, starts and turns. We all groaned when pass thru and bend the line was called but wheel and deal was completely out of the question. It was strictly elbows in, no kicking and no swinging or we would have found ourselves dancing in the street. It was quite an experience. Later the same evening found a bunch of us with Art Seele at the Roxiticus Country Club in Mendham. We did a demonstration of the history of square dancing as well as inviting the on-lookers to join in the fun. The long day ended with everyone exhausted and ready to relax for a few days.

In different scenery, it was difficult to recognize members of our club. How different people look out of s/d attire. An annual event, our club picnic in August was a smash. Many of us have been improving our dancing skill at some of the summer workshops in the area. Making new friends was fun and we hope to keep it up during the year by visiting regular club dances.

Wedding bells were very busy this summer. Chris Gavett and Peter Belsky were married on May 30. Charlene Schafer and Ron Cavanaugh tied the knot July 13 and have since moved to Germany where Ron is in the service. Terry Glowacki became Mrs. George Seibert on August 10. Promenaders were in full force at all events. After a very busy summer, we're ready to settle down to our regular club dances. We begin at 8 pm. Hope to see you all there. See page 35 for a schedule of our specials. Our specials are from 2 to 5 in Blake Hall. Refreshments are served.

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays

Evans Park School, Marion Place

Welcome back. I hope you've had a good summer and got in a little dancing too. A group of See-Saw members were involved in performing for a promotional film for U.S. Plywood. Al Brundage was the caller in charge and See Saw received a donation for their participation. They were also treated to a Bar-B-Que lunch.

Jules called an evening for the Rockland County Fair to promote square dancing. We demonstrated to show what it was all about and then we involved the bystanders in dancing with us. There were so many inquiries and we hope some prospective square dancers. Our annual picnic was a huge success. It was at Addie Shipp's and again we thank her generosity in letting us enjoy her home and swimming pool. Jules called a good dance at Fairleigh Dickinson College. We met a lot of new graduates from different clubs. I must say that the level of dancing for the graduates seems to go up every year. They were great. Many members went to the Cherry Ridge camp dance weekend on July 4th. Every year they have a, "Miss Cherry Ridge" contest. The guys that enter have got to be the best sports in the world. We had our own candidate there. "She" was in a family way. You wouldn't believe who "Miss Deucy" was! Oh well, that would be telling. We're looking forward to a wonderful year of dancing. Our plans include a Bi-centennial dance as well as other fun events. Look for our ad on page 46 with the dates and join us as we're looking forward to dancing with you. reporter - Hilda Berger 914-354-4350

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

Last season ended for us with a terrific covered dish supper, followed by 30, yes 30, squares dancing to our VERY popular Carl Hanks! News is that many of our club members are keeping their feet busy this summer at association dances, workshops, and the national convention. Yes, that's right - your reporters and the ever-lovin' lively Dot & Bob Bonnet danced among 20,000 square dancers from all over the country at Kansas City!! See you all next year at Anaheim???

Our industrious new presidents, Herb & Carol Arkin, are readying another great year for us! We're happy to say that Carl Hanks has already called our opener - same time, same place. Classes for new dancers will begin the end of September - see page 5. The classes will be taught by our own Bob Tarrant, a hard-working, up-and-coming new caller! We're also planning on classes in rounds, too. The biggest news is our "2 For" with Hill City in September in Summit. (see page 38) Carl Hanks and Manny Amor will share the spotlight for a great night of dancing! Here's to the beginning of an exciting new dancing season!

1 & 3 Saturdays                      *St. Adalbert's Hall, 363 Morningstar Road*

Congratulations to our newly elected officers! We wish this exceptional team a very successful term in office. Vinnie & Mary Vasta did a fabulous job chairing our Installation Dinner-Dance which was enhanced by the "Clown Prince" of s/d, Frannie Heintz and by George & Janet Alberts on the rounds. Harry & Rita Childs received the Blue Jay Award at our June Special. The Star Thrus raided us that night with 3 squares, pinned our banner and earned the coveted Manny Amor triple Heart. That's Amore'!!!

The SSS shared with pride the presentation of the coveted Patron's Badge to Bill & Madeline Mooney and Jack & Gladys Wall. In the nearly 27 years of the history of the SSS, only one other member couple has earned this Badge. Ray & Helen Pose' and their ingenious committee did an outstanding job chairing our annual Barn Dance in September....Goblins and Spooks pay an early visit to SSS for our October Special chaired by Jim & Mary Colon, so come in costume!

Words cannot express our sadness upon the passing of John Adams and Hy Hoffman on July 17th. Anyone who wishes, may send contributions for Tuberculosis Research in memory of John and to the Heart Fund for Hy.

SUSSEX SPINNERS -- Sparta, N.J.

2 & 4 Fridays                      *Alpine School, Andover Road*

A covered dish dance was held in behalf of welcoming our new officers to the club. I am certain that Bob Billings and his wife Jean will be a success serving as club presidents along with their supporting officers. Workshops were held all summer with Bruce Vertun calling. Many have taken the opportunity to attend to learn some new hot calls. Our annual picnic which was held at Green Valley Beach Camp Ground was a great success. A variety of games were played and fun was had by all. A splash pool party was given by the 1975 graduates in behalf of the Sussex Spinners Angles. Talk about enthusiasm, neither rain or sleet could stop us from splashing in the pool followed by a slippery game of volley ball. A charity dance was sponsored by 3 clubs from Sussex County (Sussex Spinners, Kuntry Kuz'n and Kittatinny Rangers). Proceeds were given to the Newton Memorial Hospital. All Sussex Spinners and friends wish to send get well wishes and speedy recovery to Elaine Loomis who was seriously injured in an automobile accident. Hoping you enjoyed your summer vacation, looking forward to seeing you at our dances.

July was a sad month for dancers. S/D circles were shocked and grieved by the sudden death of *Joe Bromberg*, July first. And then in mid-July, round dancers joined with square dancers in mourning the passing of *John Adams* in Florida. Both of their lives had been so rich in warm personal relationships and meaningful contributions to dancing that their departure leaves a great big gaping hole.

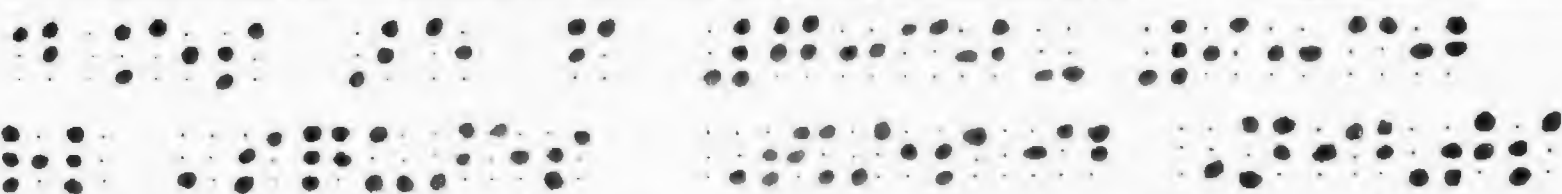

Joe & Jody have been the teachers of the Tenakill Twirlers classes in square and folk dancing for a score of years. Hundreds owe their introduction to this delightful recreation to this couple. An introduction which included much more than steps and techniques. By example, as well as words, they opened the way to fun and friendship and sharing of s/ding. Who can forget Joe smiling at his wife and saying to the ladies of the class, "How many of your friends can say 'my husband takes me out dancing every week'?"

Likewise with John & Kay who not only introduced so many to round dancing, but thru their love of the dance and people, brought s/ding into the lives of hundreds from six to eighty six. Staunch proponents of western style s/ding, they worked diligently and quietly with many clubs; served as secretaries of the fledgling NNJSDA and were hospitality chairman of the 7th Atlantic Convention in Atlantic City. They were honored upon their retirement to Florida by the SSS's Blue Jay reward.

Joe was much more than a teacher. He and Jody worked in every way to promote this activity, both in their home clubs and throughout NNJ. They were very suitably honored with the Lucarini award for outstanding contributions to s/ding.

Such recognition is always gratifying, but their real recognition and testimonial lies in the love and grief of their many, many friends and admirers. Our heartfelt sympathy goes to Jody and to Kay in their grievous loss.

The group consists of blind taught by a volunteer caller who only finds it necessary to eliminate calls which allow no body contact. (For example a "weave" is always danced as a grand right and left.) They are assisted by sighted volunteers from local clubs and offer a warm welcome to outside volunteers (such as Fran Lund and myself who were taken to the group by my son and daughter in law). They also do round dancing. Their address is Braille Institute 741 N. Vermont Ave, Los Angeles, California.

The SQUARE PINCUSHION makes a 'circle skirt'.....

First we'll make a newspaper pattern.

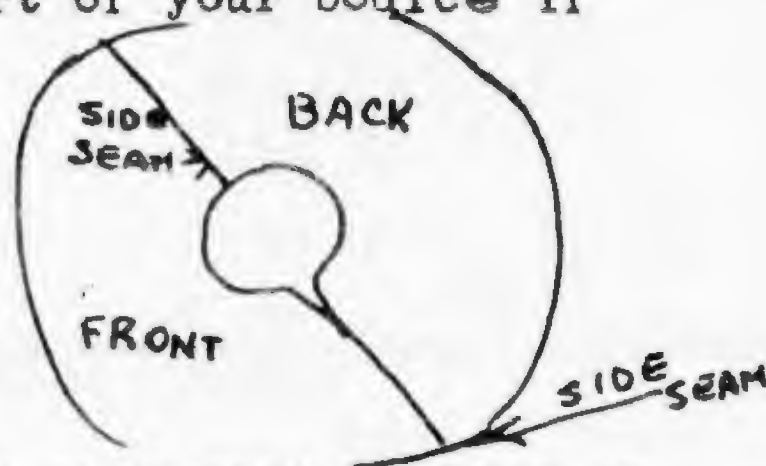

Using a large folded sheet of newspaper, measure along the folded edge the required number of inches (as noted in chart below) and with a compass draw a quarter circle.

From this line, using a yardstick measure a second line, the amount of total inches of desired skirt length, plus  $\frac{1}{2}$ " for waist seam plus 1" for hem. Mark several places and draw a continuous line. Cut on your two drawn lines. You now have a half pattern.

Don't worry if the waist amount seems small, with the seam allowance it will be O.K. You will have to cut two pieces of fabric to make your skirt. The remaining pieces will provide a waistband if you're making a skirt, or part of your bodice if it's a dress.

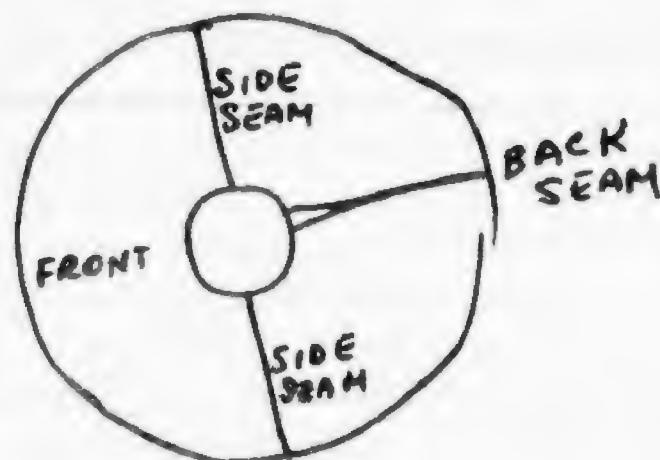

Stitch your 2 half-circles together ( $\frac{1}{2}$ " seams) leaving an opening about  $7\frac{1}{2}$ " for zipper on upper part of 1 seam. Insert zipper. Attach to waistband in normal manner stretching to fit if necessary. For a dress....Cut your back section in two making the addition of a back seam. Sew side seams both closed in regular way. Sew up back seam leaving necessary opening for back zipper. Attach to bodice, then insert zipper. Finish either item with a machine or hand-stitched hem.

....Compass Chart.....

Set compass for waist measure:

For Waist size:	Set at:
22"	3"
24"	$3\frac{1}{2}$ "
26"	4"
28"	$4\frac{1}{2}$ "
30"	5"

Your circle skirt can be embroidered, appliqued, or decorated as desired. Any ??? just call me,

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School, Brookside Avenue

The club sustained a great loss early in July in the death of Joe Bromberg. Charter members of the club, Joe & Jody have been our teachers and inspiration for many years. A visible sign on their contribution to square dancing was the well deserved Lucarini Award. Less visible, but even more meaningful are the love and gratitude in the hearts of all their former pupils, including your present reporters. Our condolence to Jody and the rest of the family on their great loss.

A group of Twirlers entertained the children of Head Start and summer school in Cresskill with a program of rounds and squares, much to their obvious delight. Then Doc Tirrell skillfully guided children, teachers, and visiting dancers in a bit of simple "one night stand" dancing.

Our fall program started in September. Doc & Peg Tirrell present a program of rounds at 8 pm, including teaching the ROM. Squares start at 8:30 with the inimitable Chip Hendrickson at the mike. Between tips are rounds by the Tirrells and folk dance records courtesy of Jody Bromberg. See you at the dance. reporters-Dorothy & Paul Pullman 201-568-5138

2 & 4 Thursdays

Mansfield Elementary School, Route 57

In May we hosted a Benefit dance for Edie Shoemaker. What a night it was. There were sixteen clubs represented, plus the Presidents of the NNJSDA. Squares filled the floor and several sets danced on the balcony. Thanks to all of you for making this dance such a success and an extra-special thanks to the four callers, who donated their efforts - Wilson Hoff, Dalt Young, John Kaltenthaler, and Stan Zaczowski. Edie Shoemaker who is a well-known square dancer with friends in every club, has spent many months in the Hospital and confined to her home. She came out for the first time to attend the dance, where she watched the festivities and greeted everyone there. We were able to present her with over \$400.00.

In June, our club raided the Bum Steers on their anniversary dance. We had five squares present. During the summer, our members kept dancing wherever possible and we have put on several exhibitions. We have a fabulous dancing season planned, with a different theme each month and several exciting specials. We opened with our "Get Acquainted" Dance. Our first special of the year will be an "Indian Summer Special" with George Potts calling both squares and rounds. This promises to be a fun night. Come dance with us - soon and often.

TENAKILL TWILIGHTERS -- Teaneck, N.J.  
every Monday 7:30-9:30 Community Church, 260 Elm Avenue

Hope you had a great summer, enjoyed dancing with other clubs, and are looking forward to dancing with your own. Our season has already begun. In October we will be dancing on the 1, 3 and 5 Mondays except for the class which will continue to learn every Monday night. We expect to have a guest caller every fifth Monday of the month. We are hoping to have our Teen Tromp at Bogart Community Church in Bogota, but plans are not definite. Our spring-fall class will have its graduation on October 27. We are looking forward to having them dance with us. Our new class will begin October 6, and we wish to have a big class so let all your friends know about us. For more information call Mrs. Davidson 201-836-7641.

BUM STEERS -- Byram Township, N.J.

2 & 4 Wednesdays

Wild West City

We celebrated our first anniversary at our last June dance complete with cake and anniversary pins. That same night we were raided by Warren Wheelers, the first club to pin our banner. The night got started with a hectic fast switch to the Byram Rec. Hall. Our members have attended area workshops and gone s/d camping. In August we put on a demonstration for Byram Day. The audience was invited to join in the dancing. A plaque was given to Mike Stabile, owner of Wild West City, in appreciation of the use of the Golden Nugget for our dances. A traveling bag was presented to Billie Kasiskie, for her help opening the hall and filling in when needed. Hope to see a lot of dancers at Bum Steers.

COVERED BRIDGE SQUARES -- Nutley, N.J.

1 & 3 Mondays

St. Paul's Parish House, 642 Franklin Avenue

Summer doldrums simply did not exist at our club. Four dances had kept all of us and guests, too, stepping right along, heat not withstanding. Our second annual picnic, this time at the North Arlington Park, drew a capacity crowd and great weather. What fun, especially the watermelon eating contest. We now have Roger & Fran Lund as presidents, succeeding Al & Janice Ahearn who did a great job. Vince & Harriet Wilding are Vp's, with Frank & Eleanor Malfet as Members-at-large. The Pietruchas and Embers stayed on as sec'y and treasurers. We're sporting a new Stan Zaczowski Fan Club, organized by Larry & Helen Nisivoccia. This was a complete surprise to Stan and he was very pleased and honored at this gesture. Elly Tout is our new r/d leader, due to Jim Connelly's other commitments at school. Come, we would enjoy dancing with you.

KUNTRY KUZ'NS -- Franklin, N.J.

1 & 3 Saturdays

Presbyterian Church, Main Street

Kuz'ns continues to grow in the summer heat and sunshine like a well-tended garden. We've had a great response from dancers in our area and visitors whom we gratefully thank for their support.

We also participated in a tri-club special (Spinners, Kittatinny and Kuz'ns) in August with all the proceeds being donated to Newton Hospital. We begin our FIRST class in September (wish us luck!). If you're in our area on a Wednesday or Saturday night drop in and see us. Kuntry Kuz'ns love company. reporter - Linda Bechter 201-383-9708

WESTERN WHEELERS -- Park Ridge, N.J.

2nd Wednesday

First Congregational Church, 131 Pascoack Road

As summer began we had three squares put on a great demonstration for the Ridgewood Valley Hospital Bicentennial Fair. Our regular summer program of weekly "Dancing Under the Stars" proved a popular attraction for square dancers from many clubs. The dulcet tones of our caller RAY TURCOTTE has helped a sizeable group to catch the "dancing bug", and we are anticipating a large class of new dancers for the fall. Class have already begun. Enrollment will close after the third session. Ray Turcotte will instruct and continue to call our regular dances. Rounds will be called by Les & Ed Shearwood.
