Pictured are Herb & Carol Arkin, Chairman of the NNJSDA's mini-Legacy entitled "LUST 4 fun" with Mary & Bill Jenkins of Olmstedville, NY, trustees & Executive Board members of LEGACY. Evidentially the NNJ dancers showed the same enthusiasm as LUST was filled to capacity by mid August. (Thanks to an understanding family and fantastic printer, GRAND SQUARES was ready!)

From the desk of

Harriette & Sol Koved, NNJSDA presidents

This past summer we had the good fortune and the great pleasure to spend our vacation in England. It was a most enjoyable experience because we had the opportunity to visit with many long-time friends and also to make some new friends.

As is our standard procedure whenever we travel, a complete set of s/d clothing was packed --- well, it was *almost* complete. (Good thing that there were no pettipants inspectors around.) Some contact had been made by mail before we started the trip in the hope that we would enjoy at least one dance. There is, you know, no vacation from square dancing.

Our faithful British friends didn't let us down for when we arrived at our London hotel, a message was waiting in the mail box. And several days later, dressed in our square dance finery, we travelled by Underground to a station on the very edge of that great city. Of course we didn't have any difficulty identifying our S/D contacts for they were dressed in much the same manner - and there's no disguising the happy appearance. And so we were off to the 6T8 Square Dance Club.

It was a marvelous evening - the people were just wonderfully hospitable. The dance level was the same as in the States, the figures the same, the patters and singers the same, and, best of all - the smiles were the same, big and broad. That's what we love best about square dancing - the friendliness and the charm of all the people associated with it.

The bonus of making so many new and wonderful friends in the short period of just a few hours is exactly what square dancing is all about. Just think, is there any other activity that can match this instant success? These are people that we shall warm remember with a very warm feeling; we are doubly blessed for we shall meet them again when they join the many thousands who will journey to Atlantic City for the 1977 National Square Dance Convention.

Our sincere appreciation to Ron Vizard, Helen & Bill Viner, and Hildy & John Smith - and all the members of the 6T8 Square Dance Club - for providing the highlight evening of our vacation.

Your association summer dance program was a resounding success thanks to the many dancers who regularly attended the Wednesday evening functions. The two major goals were accomplished - the first to provide a joyous atmosphere where all club members might join in dancing with one another. We like to think of all the NNJSDA square dancers as being part of one big and happy family.

The other goal, of course, was to raise funds to run the Association and to publish this very magazine that you are now reading, which comes to you free of charge. That's where all YOUR money goes - right back to the dancers. So, please support all *your* Association functions to the best of your ability.

We are very much anticipating meeting each and every one of our square dancers on the dance floor during the coming season. Happy dancing.

WARREN WHEELERS -- Port Murray, N.J.

2 & 4 Thursday

Mansfield Elementary School, Rt. 57

Our spring & summer activities included participation in the Memorial Day Parade, and a demonstration at Johnsonburg with another in June at Long Valley. Dick Jones called for our June covered Dish Dance. He really kept us stepping, but after all that food, we needed it. A club picnic at Mt. Lake in August and more demonstrations with audience participation at the Mall in Hackettstown and at the Bicentennial celebration in Washington.

And the new officers are off and running. We're making plans for a happy year of fellowship and fun at our dances. Our caller will be Wilson Hoff again with a new face on the scene for the rounds - our own Jean Elrod. We will make her most welcome. Jean will have r/d practice from 7:30 to 8. Keep watching our schedule. We are planning a generous helping of guest callers. Can't promise you the jelly roll blues, but come on out, we're gonna dance off both your shoes with the Warren Wheelers.

Be seein' ya.

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School, Brookside Ave.

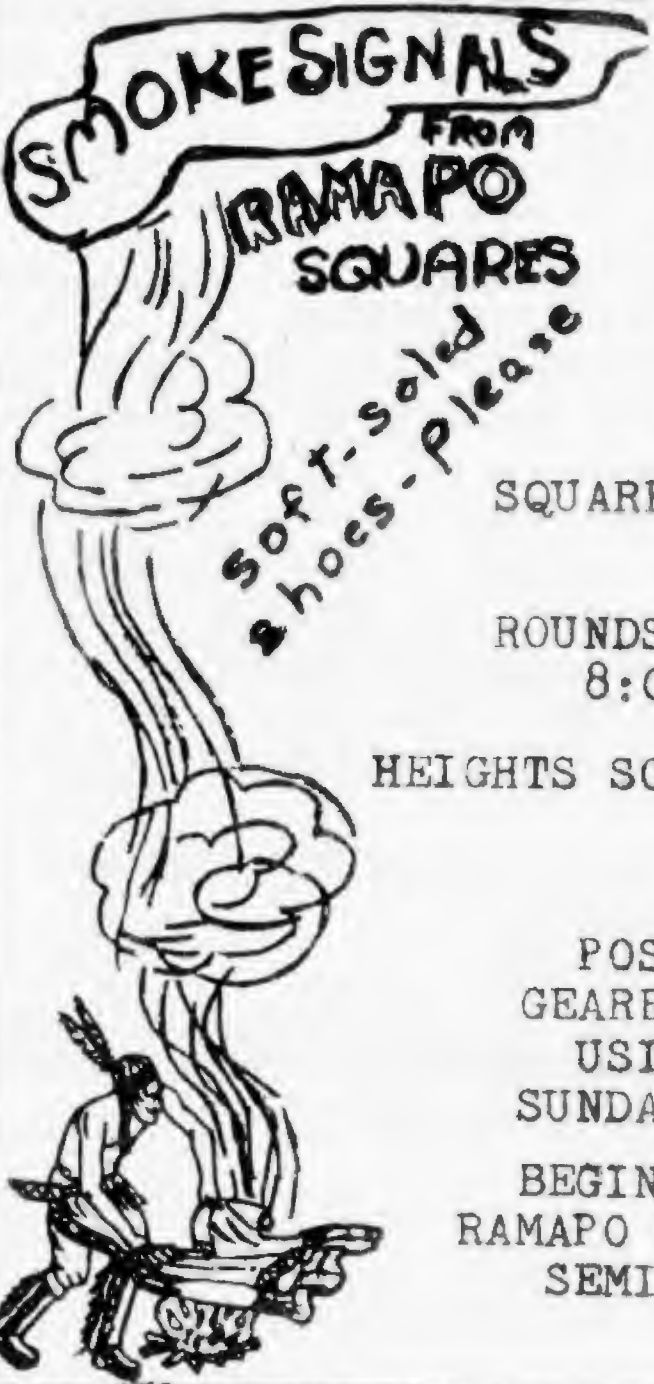

We hope you all had a healthy, happy summer in this bicentennial year, and are ready to enjoy the fall season of dancing. How many of you made it to the National? As usual Doc & Peg Tirrell did us proud. They cued rounds under difficult accoustical conditions and taught a dance which they had written - "I'm In Heaven", as well as participating in a panel discussion. Now we must all turn to and make OUR NATIONAL in 1977 the best ever.

We'll square up as usual with Chip Hendrickson calling, Peg & Doc on the rounds, Jody on folk dancing. And don't forget that Jody will be starting a beginners class soon afterwards. Come October our usual dance will be a special with Bob Johnson of Conn. substituting for Chip. So come get a new signature for your Century Book. (see page 22) The Tenakill Twirler Travellers expect to be very active this year with Jerry & Janet Sorkin as co-chairmen. So look out for us. We'll be visiting your club. In the meantime, y'all come on down!!!

By the time you read this, we'll have had our first dance, getting limbered up for S/D Week after summer vacations. We're looking forward to a great season at the same hall. C'mon over and enjoy the dancing, fellowship and refreshments. Recent graduates are especially welcome. This is the club for getting your experience before tackling the high-level clubs. (For those who expected us to fall by the wayside: we're still going strong with a group of dedicated officers looking for an equally dedicated crowd of dancers who will support our fun level club.

JUNE

- 23-25 26th National S/D Convention

In '76, on the second of May
 On a fantastically, glorious, sunny day
 Four clubs on Staten Island acted as one
 Presenting the McGlynns, Jerry Schatzer,
 and Ken Anderson
 The callers praised the workers as a most
 cooperative troupe
 And everyone thanked Joe and Dot Reilly,
 chairmen of the group
 Now all of us think, it is only fair
 To thank all the dancers in each square
 We know it's because You do your part

That the ROUND UP succeeds - right from the start.

9 entries were received for the Poster Contest this year. Our thanks to all who participated. Congratulations to Joe Critchley of Sussex Spinners for the winning poster. 1,000 were printed and distributed free to all NNJSDA member clubs to use for recruitment of new dancers...and to remind people of NATIONAL S/D WEEK Sept. 20-26.

What did your club do for National S/D Week?

A covered dish supper was held in June at which time our new officers began their year. To Paul & Marie Henaby, our presidents, and their staff of officers we wish a very successful year. With Joe & Jackie Critchley's interest in s/ding, we know they will do a very good job in chairmaning our beginners class. See page 5 for more info. Our delegates to the NNJSDA, Ed & Alva Bell, are starting their third term and we wish them the very best.

Events for the summer were as follows -raids to Hix & Chix, Somerset Hills and Lakeland Squares. At this time we want to thank our presidents for the wonderful mystery bus ride to Cherry Ridge Campground they prepared for all of us including dancing, dinner & beverage. A real good time was had by all. 5 sets attended the bicentennial booster ball at convention hall in Atlantic City(7 couples were dressed in our angel outfits and received many nice compliments);6 sets went to the NNJSDA Boardwalk Booster Ball where Doris Weifert & John Morales received their Patron's Badge and 7 sets attended the NNJSDA Graduation Ball where Frank & Margaret Hopper received their Patrons Badge. This gives Sussex 22 couples with this badge!!! Come on graduates, start working on yours now.

We did demo's this summer - Helen Morgan School, Sussex County Farm & Horse Show; Sparta Jr. High; a bicentennial parade at West Milford, Bicentennial day at Ogdensburg. This day was shared with Kuntry Kuz'ns and Kittatinny Rangers. Also the Critchleys brought a couple visiting from Germany. It was very nice to see people from another country s/d the same as we do. The fellowship with them was wonderful. We also entertained at the Andover Intermediate Care Center. July 4th was busy - our float in Sparta's Bicentennial Parade (thanks to Henabys,Critchleys,Browns, Bolens & Sneads) won a trophy for 3rd place, a demo in Hampton Township and a raid at Fredon Township. Gary Shoemake from Texas called our special. Through the hard work of the Mooneys, and with the help of their committee, this dance drew 37 squares from all over. Thanks again Frank & Lorraine from all of us in your club. Many Spinners also went to the National. Our summer workshops have been a success with the aid of our caller, Bruce Vertun, who always does a good job.. Bruce will be back with us as our regular caller again this fall. Watch for our flyers for dances and callers. This fall we will have as our Round Dance callers, Jean & Jesse Elrod. We will have R/D workshop from 7:30 to 8 pm. Come see us for your round dancing. Happy dancing to all our friends of square & round dancing. At this time we want to thank Jim Sublesky for the times he filled in and came to the Rescue of the Club.

.....CONVENTION/VACATION HILIGHTS.....

Aloha from our 25th anniversary celebration in Hawaii, along with news from the 25th National S/D Convention in Anaheim - with celebrated this past June. First of all, Hawaii is as beautiful & as nice as the picture books show, plus - but 10 days isn't near enough time to tour & really enjoy the customs & hospitality of our native 50th State, so we're planning to go again - hopefully before our 50th!

The National, on the other hand, was 3 fun-filled, hectic days which one had to witness to believe:

- it was CROWDED - 39,796 dancers & 1800 callers from all over the world
- it was HOT - over 100° every day, but after awhile you didn't even notice.
- it was BUSY - rehearsals, seminars, clinics & bid sessions - but, and this is important,
- it was also FUN - meeting old friends, touring Disneyland til 4:30 am watching a beautiful Anaheim sunrise, & making new friends with whom we could share this fun!

Naturally there were problems (which the 26th Committee people are well aware of) :the acoustics left a lot to be desired, there was confusion caused by changing dance rooms & callers without much notification, Disneyland tickets were at a premium, & there was even an instance when the writers had great difficulty & in fact, never could locate a local MD for a simple prescription renewal, but by & large when dealing with such a magnitude of people, the pluses offset the minuses & a National Convention is an experience which everyone should try at least once.

(Convention/Vacation Highlights - continued from page 11)

Our 26th National Board volunteers are already correlating improvements & changing some procedures to give you not the largest but by far the BEST memories for your seashore convention, so plan now to take vacation time or accumulate extra days that you can use next June 23,24,25 to share this excitement - we guarantee, you won't be sorry!

Because our schedules were so crammed with rehearsals & meetings, we only danced 3 x's in 3 days, but we sure learned a lot & met many nice people who had a wealth of s/d knowledge & experience to share with us. We attended the Showcase of Ideas (for which our NNJSDA won a plaque), we witnessed the bid session for 1980 which was well presented & won by Memphis; we sat in on seminars & exchanged NNJSDA procedures with people who shared their area's ideas with us & showed us some on-the-spot pitfalls which we can hopefully avoid in our role as Workers & Floor Hospitality next year.

We were extremely happy with the NJ,PA,DEL & MD representation - about 900+ strong - & were very proud as we marched around the arena during the Parade of States & saw so many folks in the 26th National costume - & since this is our Country's bicentennial anniversary, our outfits were befitting the Country's colors - wow, what a beautiful sight!

Of course, the biggest highlight for us was the thrill of being in the exhibition dance presented Friday evening to thousands in the arena & later seen on National TV in which all the people in the 26th National costume lined the arena & shared the electricity of 8 squares of smiling dancers who performed a smooth-flowing routine choreographed by Lee Kopman to the tune of *IT'S A GRAND OLD FLAG*, & ended with 2 squares each forming an invitation to come to "A C" in "7 7." It must have been as impressive as we all felt, because we received a standing ovation from the National Executive Board & many shared tears of excitement & joy as we marched out with the glorious feeling of being so happy to be s/ders & proud to be Americans! (pictured is Lilith & Lee and their plaque of appreciation presented by the Mooneys on behalf of the 77ers.)

SWINGIN' STARS -- Maywood, N.J.

2nd Saturday

Maywood Avenue School

We thank all friends of Swingin' Stars for attending our dances last year. Our success is due to their great support. How pleased we are to report that the same line-up of officers will be around to serve you with the exception of Marge & Don LeFebvre. They have performed splendidly and their services have placed our club on a firm, financial base. Their successors are Dorothy & Bob Kuchar who are also touched with the same dedication and experience.

Our President, Art Taylor, has travelled quite a bit this summer and we expect him to share his experiences with us. He will continue to award our SS dangle to the couple who has travelled the greatest distance to dance with us. Because we are not sure of our October dance (the school being closed) please look for our dance flyers. Our "Clothes Line" will show the latest information. We welcome new dancers and old dancers especially friendly ones. Remember our motto - Everybody dances at SS.

In closing, we'd like to share a personal viewpoint - a National is entirely different from any festival or weekend you've ever attended. It is programmed with all levels of square dancing, hours & hours of round/contras/folk dancing, sewing clinics, leadership seminars, fashion shows, apparel shops & sightseeing tours of all kinds, so that you can be as involved as YOU want to be from 9 am, to midnight or later if your body chemistry can tolerate an endless day. Three days at a National give you 3 weeks' memories of good exercise & good fellowship - so if you haven't already done so, we encourage you to send in your A.C. registration now for 3 fun-packed days *ON THE BOARDWALK*, June 23,24,25 - 1977.

We'll be sharing more hints & viewpoints with you in the future (with the Editor's permission, of course), but in the meantime, if you have any ?'s, call 201-729-3205 - or write Frank & Lorraine Mooney 44 Sagamore Trail, Sparta, NJ 07871. (NNJSDA/BOARDWALK LIAISON)

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturday

St. Adalbert's Hall, 363 Morningside Road

The summer is just about over, and dancers are returning from their summer hideouts to pick up the reins of fun & friendship that square dancing offers. Some of us have been dancing throughout the summer, starting with our picnic, the Association dances, the numerous dances in and around our immediate area, and of course the highlight of the summer - our installation dinner dance. Al Brundage called squares for us that night, while Gabe & Sila Dell'Angelo accepted the office of president and first lady of the STATEN SQUARE SET. In a beautiful ceremony, the Executive Board accepted their responsibilities as officers. Hardest congratulations, and best wishes, are extended to them.

My sad news dept. finds a lengthy list of s/d friends taken ill or hospitalized over the summer. To those still under the weather, a wish for a speedy recovery is very much in order.

Staten is privileged to have our own Jumping Jersey Jester MANNY AMOR call squares for us, while GEORGE & JANET ALBERTS cue rounds. A reminder no dance early October, we'll see you at Big Top #11 in the Pocono's. One final reminder, our club motto is We Dance For Fun and Friendship - please join us at our next dance.

Congratulations to our new officers - Mike & Dorothy Reardon, Pres; Ray & Irene Robertson, Ross & Irene Goodwin, Wes & Helen Woodman, VP's; John & Anne Standley, Sec; Gordon & Barbara Jacobson, Treas. During the summer we put on demonstration dances at the Far Hills and Bernardsville Bi-Centennial celebrations and at the Bernards Township Kiwanis Fair. Carl Hanks called our opening dance in September in his usual superb manner, as did Grace & Walt Pennie on the rounds. We are pleased that they will be with us on a regular basis again this year.

Bill Losey, a former president of our club and a mainstay for years, passed away this summer. We will miss him sorely.

For information on the classes, please see page 5 or call the Robertsons at 201-234-2298. We have 3 specials coming up this fall, including a "2 for" in November. See our ad on page 35. We hope that all of you had an enjoyable summer and we look forward to seeing you at our dances.

Lincoln Avenue School

We have been enjoying the summer activities including our annual picnic at Addie Shipp's. It was a perfect day, swimming and dancing at poolside. Thank you again Addie! See Saw dancers with Jules calling have been busy participating in Bicentennial dances and demonstrations.

Don & Jeri Moore, who own Camp Lorien on an island in Northern Ontario in Canada have very generously offered the use of their camp with free room and board to any members of See Saw and their families. Many couples are going on this wonderful trip which will be the last week of August. Jules will call a square dance every night at the camp.

See Saw is moving to the Lincoln Avenue School in Pearl River (see map in our ad on page 45). The first dance is an open one in September. Bring friends that might be potential square dancers. Our format is different too. There will be a square dance workshop from 8 to 8:30. Rounds will be taught at 9:15 and will wind up with a hot hash. Jules classes will still be at the Evans Park School and will start with a free lesson. See page 5. See Saw is planning a year of wonderful dances and exciting events. Join us and get in on it!

RUTGERS PROMENADERS -- New Brunswick, N.J.

2 & 4 Thursday

Blake Hall, Cook College, Rutgers Univ.

Hope you've all had a nice summer - went too quickly didn't it? Although the club didn't schedule any summer dances for itself, members could be found all over. A large delegation made the trip to Anaheim for the 25th National and had a great time. Another group had some holiday fun dancing on a float in Milltown's Bicentennial Parade in July and won 2nd place! Many members have been attending workshops and summer dances wherever & whenever they can find them. In addition, we all got together for a fun picnic in August.

By the time you read this, our season will have started with the first dance coinciding with the first day of Rutgers classes. Remember our last club dance in May - the "Examination Dance?" How many had finals the next morning? Our annual Hi-Lo is in September. Come join us for our first special with Jack Lasry in September (see ad on page 8) and help us get the year off to a GREAT start. Happy dancing all!

ON THE ROAD with Ray & Sandy for the 26th National

We've come to the end of a comparatively "lazy" summer having been "house-bound" since June. Our house has been screaming for attention (painting, repairs, etc.). With the new season at hand, we'll revitalize our promotional itinerary.

Re-cap of promotional visits: With us at the New England Convention was one set from Pen-Del Federation (the Musials, Kauffmans, Loeb, & Kulps). Mike & Sheila Yurochko, one of our indispensable Traveling Ambassador couples from Merri-Eights, worked with us at the 26th National Booth at Scarborough Down, Maine. The booth was brought and set up by the Musials. Much interest was expressed in the 26th and many seemed anxious to s/d on the Boardwalk in A.C. Among those who stopped to talk to us were a couple familiar to all of us, HAL & DORIS HOLMES, who retired (?) to Vermont last year. They asked to be remembered to all their s/d friends in NNJSDA. The "A" "C" "7" "7" Dancers performed stupendously at each of their demos presented at the S/D Round up on SI, The Bicentennial Booster Dance, Convention Center, AC, and then, their ultimate achievement in Anaheim, where they received a standing ovation for their performance. In June another bus load of exuberant Dancers attended the Pen-Del Summer Frolic in Chester, PA; about 2 1/2 sets in costume.

In July at the Sussex Spinners Special we made contact with officers of the Orange Squares, Montgomery, NY and planned a future visit. August included visits to the Hayloft, Asbury Park & NNJSDA summer dances. In September we attended the Penn-Jersey District Booster Dance at Toms River.

Comes October we plan to attend the International Fall Festival in Syracuse, NY and ask if you are coming please wear your costume at least once that weekend. Likewise at the 3rd NNJSDA Mini-Festival in November. We welcome you to join us in our travels. Any questions - Call us.....

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y.
2 & 4 Saturdays St. John's Lutheran Church, 663 Manor Road

In May, we ended the season with a superb, well attended pot luck supper dance and in September at 7:45 we start again with our dessert dance. This will be called by Rob Bissey with the Bellotti's cueing rounds. A great deal of dancing is called for to reduce the effects of all that calorie intake but we are sure that the club will be inspired to work it off.

This year's officers are Doris & Bob Delaney repeating as presidents; Sue & Jim Valentino coming in as VP's; Myrtle Martin as Secretary and Frances & Floyd Miller as treasurers. With a slate of such quality people the club can look forward to a terrific season.

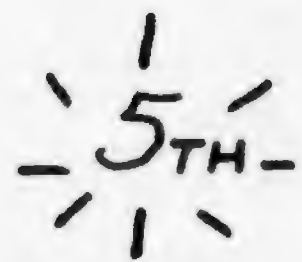

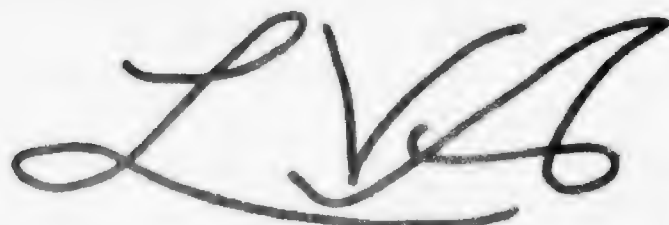

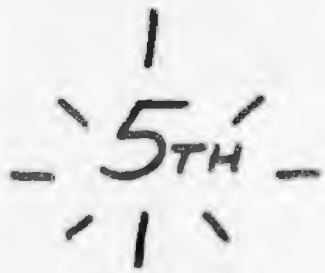

The club was grieved and shocked by the sudden death of John Migliorsi and our heartfelt sympathy goes to Georgette.

In July two squares performed on Liberty Island and impressed many tourists who were surprised to find the all-American dance in the shadow of the Statue of Liberty. The club was represented by the Delaneys, Valentinos and Mary & Tom Gorman with Marty Clifford calling. The applause and photographs taken showed a real enjoyment on the part of the audience. Remember our early October dance with Steve Kopman calling is not in our regular hall. We will be squaring up at the YMCA in West Brighton, 651 Broadway. See our flyers for more explicit instructions.

Big splash time at Richmond Dancers is our last October dance. We will be celebrating our 25th Anniversary. Come on over and join our silver celebration, with Glenn Cooke at the mike - what could be better? We are looking forward to meeting you on the dance floor this season.

REELERS -- Ironia, N.J.

1 & 3 Fridays

Elementary School - Dover-Chester Road, Rt. 513

The Bicentennial Summer of '76 offered many of our club members a "once in a lifetime" opportunity. We danced in both the Randolph & Roxbury bi-centennial celebrations in July & August. Wilson Hoff called for us at Roxbury's Funday Sunday, as the townspeople joined in and had a ball at Horseshoe Lake. The Randolph Pageant was held at County College of Morris and featured our dancers in both the "old" and the "new" - the historical quadrille of colonial times and modern western square dancing. Bob Tarrant called to an appreciative audience in both performances.

See page 5 for class info. Call the Boutillettes 201-347-2352 or the Drakes 201-366-0640 for more information. Rusty McLean & Bruce McCue will be our guest callers for the first big dance of the year in September at our usual location. See page 15 for our ad. We're looking forward to a fantastic '76-'77 with our regular club caller Jim Adams, and Walt & Grace Pennie calling the rounds. This year we'll be using the 8:00 to 8:30 time slot for some workshopping - join us in Ironia one of these Fridays - love to have you!

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturday

Heights School, Seminole Avenue

Even though our regular dance season ended in June, we kept busy all summer with the popular advanced level workshops. These workshops are scheduled to continue through this season. (see our ad on page 6 for the new time) Another summer activity, set up by Bud & Jinny Allison, was marching in the Oakland Bicentennial Parade in July. The march was climaxed by dancing in front of the reviewing stand, and the participants reported having a fun time.

A new class is planned for this season with Bud & Jinny Allison as instructors. Together with a well-taught basics course and an on-going workshop, Ramapo should continue to produce some excellent dancers. You must have perceived from the above report that the Allisons are very hard workers for Ramapo, and so, in recognition of all they have done for the club, they were presented with the coveted Vi & Hanley Clapp Award a short time before our last season ended. That's our way of saying thanks for everything, Jinny & Bud!

Northern New Jersey dancers were saddened to learn that BILL LOSEY had died over the summer. Camping enthusiasts (even to backpacking to the bottom of Grand Canyon, where they s/ded!!) they served as presidents & delegates for Somerset Hills and also were Association Treasurers in 1970-1971. Our deepest sympathies are extended to Jean and their family

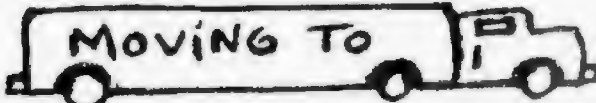

The Quarterly Movements Committee of CALLERLAB selected one new movement (*TRACK II*) and one review movement (*TURN THRU*) for mainstream dancing during the months of July, August and September. We include a brief description in case you missed workshopping *TRACK II* this summer.

Track II by Dick Bayer. The action starts from a completed double pass thru formation. The normal formation is easily set up by having the head couples lead right and circle to a line. Lines pass thru, wheel & deal and double pass thru. The boys are in the left track and the girls are in the right track.

The dancers will work together in tandem, i.e. the trailing boy will follow in behind the lead boy and the girls will do the same (trailing girl will follow the lead girl). The dancers will do what amounts to a tandem partner trade with the two boys walking single file to the right around the girls. The girls will move single file to the left inside the boys to end still in a double pass thru formation. The movement continues as the dancers progress single file to a half tag formation, ending in two parallel ocean waves, boys on the end, girls in the center of the wave.'

Turn Thru is No. 38 in the NNJSDA Basic Manual.

PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Fridays *Community Park School, Witherspoon St.*

We are looking forward eagerly to our opening dance in September when Steve Kopman, our new club caller, will make his Princeton debut. On the following day he will call a demonstration for us at the Quaker Bridge Mall, as part of the publicity for our new class. Steve will call all but five of our dances this year. We will not only have a regular club caller again, but we will have regular round dance cuers - Frank & Shirley Bellotti. This should give our club a real boost. Many of us have been dancing to Steve this summer, and have found him to be really terrific. We hope that you will all come to Princeton and see for yourselves.

Another wonderful caller, Manny Amor, gave Princeton a real treat in July when he called an open public dance, which was very well attended considering that it had to be moved to the Borough gym because of rain. The non-dancers hopped and skipped in 90 degree humid weather and had a wonderful time. They never even thought about air conditioning!

On the date of our last board meeting the big news was that Rick & Joan Honig, our treasurers, couldn't come because it was their wedding day.

Our season will be here all too soon and Mike Cleary will help. He'll call our Barn Dance in September followed by our first night invitation to all new dances. Mike will also open our Fall of '76 season later on in September and he'll sneak back in October to call again for us. With Zany Frannie Heintz also in October our season is sure to be rolling and Sparky Carlton will be here in November. See our ad on page 37 for a reminder. You all stay well and see you dancing. We've had a very busy summer, during which our recent graduates attended workshops, the summer dances, and many in the club put on demonstrations for every conceivable reason or cause, not to mention dancing at Bicentennial Fetes, too numerous to list them all here. Then there were those who traveled to Maine, New Hampshire, Connecticut, the first State Convention in Syracuse, N.Y. Pennsylvania, Florida, this list could go on & on. There are more demonstrations coming up thru September and we're all looking forward to the Rutgers's Football Game on October 2nd at which we hope to meet many of you that we missed these last few months.

Plans for this coming year are finally all together. We hope you will pick up your schedule and flyers, as we would enjoy the pleasure of your company.

The "Sign Up" booth was busy at the New England Convention. the May 8th Booster Ball, and especially in Anaheim. Publicity Chairman, Ray & Robbie Kauffman and their committee kept track of the registrants, carefully updating the chart every hour.

As of now over 7,000 have preregistered including five from Italy. Have you sent in YOUR registration yet? If not, why not?????

LEGACY

The square dance world is not perfect - what is! But it is peopled with folks who are concerned with our American Folk Dance and where it is going. From a meeting in 1971 of today's callers/leaders who were members of the S/D Hall of Fame emerged an organization, eventually to become known as CALLERLAB, whose desire was to share with the new callers some of the philosophies, techniques and abilities of the veterans.

Growing gradually over the years, Callerlab has accepted the responsibility of providing professional guidelines for S/D callers. The young in years (its third annual meeting was last April) its accomplishments are noteworthy.

One accomplishment all dancers are familiar with is the Quarterly Movements Clearing House established to remove the complaint of "Too many calls.". At this 1976 session, 6 of the 8 movements issued since the inception of the project have been retained temporarily for mainstream dancing including - recycle; walk & dodge; coordinate; half tag, trade & roll; ferris wheel; & pass the ocean.

Mainstream Basics have been researched to find those currently in use in the s/d activity. Procedures have been established for an annual review of their list to keep it up-to-date. "50 Basics" & "75 Basics" are no longer. Callerlab has adopted new terms more in keeping with the situation. "Basic Program", "Extended Program", and "Mainstream Program" and they recommend teaching in that order...suggesting about 41 sessions of 2-2½ hours each be used to teach the basics of all three lists. (Any dancer wishing to see the list, contact ye editors or your callers.)

Accreditation is a project that can be accomplished only by the callers themselves. In addition to the above is the development of a system of identifying various levels of calling and dancing. A workable curriculum for callers schools has been completed.

From all reports the CALLERLAB meeting was most successful with a lot of positive action. 423 callers and many taws (totaling 716) attended. Perhaps you've noticed some of our area callers wearing the Callerlab badge. And congratulations to John Kaltenthaler-their new Executive Secretary. You may ask, "Where does Legacy fit into this picture?" "What can I do?" More on that in the next issue.

Our first dance the third Saturday in September is our opener. In October we'll have a special dance with a Halloween theme - costumes optional and everyone welcome. Mark us down on your square dance special calendar now! For class information see page 5. Bud Miller will be our instructor.

Our thanks to our new presidential couple, LaVerne & Mart Schaeffer for arranging our beautifully air-conditioned summer dances. Marty Clifford, Bob Kellogg and Bill Chamberlain called and we'd like to thank them for adding to our summer fun.

KITTATINNY RANGERS -- Stillwater, N.J.
1 & 3 Wednesdays Stillwater School

A delicious covered dish supper and an enjoyable relaxed dance concluded our regular dancing season. Dick continued workshops through Mid-June preparing us for the various summer dances which we enjoyed.

A number of Bicentennial Demonstrations portrayed the enjoyment shared by our dancers. We also had members participating each night of the week at the Sussex County Farm & Horse Show - along with members of other S/D clubs. We hope the exposure given to Square Dancing this past summer encourages more area residents to become involved in our pleasant pasttime.

During the summer, Sussex County residents were treated to demonstrations by the 76'ers - a great group of dancers (many of whom are Rangers). The 76'ers in their well-executed dances popular during our Nation's infancy. These performances were well received by the other Bicentennial celebraters and spectators.

A summer highlight for the Ranger members was the picnic held at Lake Susquehanna in Blairstown - good food, good dancing and good weather. We are anxiously awaiting the start of the regular season of dancing. We will be at our same old stand with our Squares being called by Dick Pasvol-sky and the rounds being cued by Jean & Jesse Elrod. We may be off the beaten track; but it would be worthwhile to come out to beautiful Sussex County and enjoy. reporters - Irene & Bill Morin 201-948-4515(729-6200)

Thru heat, humidity, rain...nothing has daunted the enthusiasm of Hix & Chix this summer. A double bicentennial celebration in July brought out 5 squares of red-white-blue garbed members. They danced at Clifton in the afternoon (between heavy showers) and again that night at VFW Hall, Elmwood Park. Welcome to Fran & Roger Lund, new presidents - who started office with 2 weeks vacation in Hawaii! Congratulations to newlyweds Betsy & Mike Foley, married in July.

Doors will be opened wide for our Open House in September. Welcome to all. Be sure to circle our Monday Special in November on your calendar NOW! Marshall Flippo will flip for a new record crowd at VFW Hall, Elmwood Park, NJ. Fun is what it's all about! See ads on pages 23 & 47. An affectionate "Thank You" to Bob & Gloria Wyman, former presidents, who always give so willingly of their time and talents and imaginative effort.

"By now you've heard I (DORIS) fell on roller skates and broke my wrist in 2 places...and had to wear a cast for 8 weeks...Even tho I can't dance we go to dances anyway, even if it is to watch...sometimes up here it looks as if I might have to start teaching rounds as they have no one." Hal is busy with many S/D calling dates. They were pleased to have many NNJers stop by this summer.

CONGRATULATIONS

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesdays

Wilson School, Beekman Terrace

Red, white, and blue were still the colors of the day as the 26th season of dancing began at Hill City. Greetings were exchanged and there was a lot of catching up to do since some of us had not been together since June. The anxious looks of the recent graduates were soon exchanged for smiles as Manny Amor wove his magic square dance patterns and the Sibbalds cued the rounds.

The two most often heard comments were that the quality of the new dancers had improved "since we took lessons" and "I know where they got the WIN button, but who's giving out the Carter pins?". Stories were traded at the punch bowl about who danced the farthest away, who had danced the most, and guess who we ran into in Cripple Creek, Colorado, what ever happened to so and so and what's this track two, woo-woo? When the dust cleared, the punch bowl put away and the dancers were leaving, one thing remained - the smiles on the faces of the friends meeting for another season of good dancing at Hill City.

Hi Taw has an exciting line up of callers to make our fall just as memorable. "Lucky You" our first dance in September will have Al Brundage calling. Add to that our other regulars, Dick Jones, Jerry Schatzer, Mike Foley and with Ed & Les Shearwood on rounds, you can see we're in for a season of fine dancing.

Another season of S/D is about to start and we hope to see all our members and especially the 76 new graduates at our first dance with Dick Maddocks calling. Our open house will be in late September and classes for new dancers begins the following week. See page 5. We hope to have a good turnout so bring your friends along to join in the fun. Dick Maddocks will again be our class caller and don't forget the new dancers can use your help so come on and be an Angel. In October we will hold our 15th Anniversary Dinner Dance with Will Larsen calling, so line up your baby-sitters early. For the rest of the dances check our ad on page 14.

During the summer months, Hanover gave S/D demonstrations at Boonton Fan Fair, Boonton Township Bicentennial and the Denville Town picnic. The next demonstration is the Morris County Mall and this will be the beginning of the National Square Dance Week. Our turnout at these affairs has been two to three squares, and this has helped us to sign up some new dancers. Thanks to all who took part at these demonstrations.

We know many members went away during the summer and many of them obviously kept dancing. Some danced near, some danced far! Who danced the furthest away? Did you really dance in England, Bob & Astrid?

Congratulations to our new officers who are: President Elin & Jerry Welsh; VP Lois & Vic Hansen; Sec'y Barbara & George Dolan; Treasurer Joan & Roger Morgan. That's it for now. We're looking forward to squaring up with all of you. Happy dancing to all.

1st ANNUAL STATE FESTIVAL

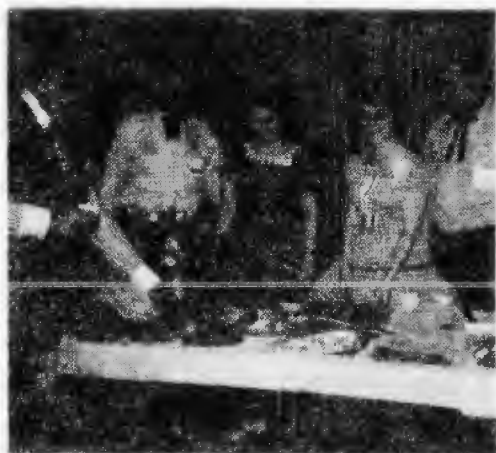

GARDEN STATE SQUARE DANCE CAMPERS

Great weather and a turnout of 57 families at both our June & July campouts made them a real success. We had three-quarters of our new members at each one, and we hope they enjoyed it as much as the "Old Timers". We earned our barnyard & Siamese badges at Timothy Lake and a Flag waving badge at Tohickon. Our callers, Gordon Lentz and Don Atkinson were terrific, and the Dockrys' and Sally Atkinson did a swell job on rounds. The Blanchards and Linn & Hazel Robbins attended the National S/D Camporee in Iowa in July and we hope they had a fun time. We had a lovely moonlight buffet at Timothy Lake, and in July we had a wonderful array of bicentennial cakes. Sally Milesky made a beautiful American Flag cake. Terry McKay got hold of some s/d dresses that were worn 25 years ago and a demo tip with a contra flavor was done. She also came up with pictures of Fred & Mary Bauerle & Dick Pasvolsky taken 25 years ago!!! All in all we had a great time at both campouts and we're looking forward to the rest of the season. Our Christmas in August is always fun, and the "Campers Capers" put on at Otter Lake in September will be another successful outing. See you around the square campfire. Happy trails!!!

Bloomington Avenue School

Hope your Bicentennial Summer was filled with many happy hours of square dancing! Our regular season ended in June but our club sponsored "3 Refreshing Specials" in late July and early August in the delightfully air conditioned comfort of the K of C Hall in Rahway. It was a good opportunity for recent graduates to gain confidence and our caller, Bob Kellogg, did a fine job bringing us all up to date on the newest calls.

Our new season has started and we are looking forward to another great year under the leadership of the following talented and enthusiastic committee: Pres. - Dale & Bernice Gangaware; 1st VP - Bob & Lois Green; 2nd VP Mike & Eleanor Gurgo; Treas. - Bill & Ruth Emslie; Sec. - Stan & Mary August; Delegates - Marty & Irma Preis; Raid Chmn. - Andy & Mary Anthony; Angel Chmn. - Jim & Helen Crawford; Sunshine - Bill & Barbara Clark. We will again be sponsoring Beginners Classes jointly with Y Squares (Pg. 5)

Our Open House is in early October. Circle that date and plan to be with us and bring those non-dancing friends who have been missing out on the joys of square dancing. Come dance with us - a warm welcome awaits! Round Dance enthusiasts will enjoy the fine workshop cued by Bob & Jean Kellogg which starts at 7:45 pm. The square dancing starts at 8:30 pm with Bob also calling the squares. Best wishes to all for a great 76-77 season - we're looking forward to squaring up with you soon.

Lincoln School, Crane Street

Thanks so much everyone for supporting our Bi-Centennial Dance held last May. Thirty-five squares, represented by thirty three clubs enjoyed dancing to Yikes Cameron and John Sweeney. The DeGroots of Sussex Spinners won the raffle - a beautiful quilt made by the ladies of our club.

Everyone had a good time at the annual club picnic held in August at Burdettes. The Square Wheelers, our camping club, was busy all summer 'doing their thing'. We welcome back Dick Maddocks, our regular caller. A demonstration is planned at Willowbrook in September to help promote interest in square dancing and to, hopefully, gain a few members for our beginners classes starting soon under the able instruction of caller Dick.

We have a busy and interesting schedule lined up for the coming season so watch for our ads (pg. 3) and flyers. Please come and dance with us anytime - you are most welcome. Remember our big special in September with Jim Cargill calling. Happy dancing.

COVERED BRIDGE SQUARES -- Nutley, N.J.

1 & 3 Monday, year round St. Paul's Parish, 642 Franklin Ave.

To borrow a line from Rodgers & Hammerstein, it was "Some Enchanted Evening". Our two squares dancers demonstrated at the Bicentennial wagon train encampment in Nutley under a star-studded sky. Mike Cleary trekked in from SI to call for us, and as usual, pleased all enormously. Other demos have also found us at Church Strawberry Festivals, picnics, jamborees and bicentennial events spreading the good word.

Another great executive board has been voted in. Vince & Harriet Wilding are our new presidents. They will be very ably assisted by 1st VP Larry & Helen Nisivoccia; 2nd VP Al & Janice Ahearn; Sec. Frank & Eleanor Malfet; Treas. Leon & Judi Eskenazi; members-at-large Joe & Edith Cipoth. Our past presidents, Roger & Fran Lund who are now our delegates have the Club's unending thanks for having guided us so well the past year. Our 3 plus squares paid a call to Staten Square Set & to the Union Squares, where we were most warmly received. The Ocean Waves (love that name), Western Wheelers & Y Squares both for the second time raided us this past spring. Right here it is fitting for us to thank all you beautiful people for supporting us so well at all our dances. Also, a big yellow rock for these fine callers who jumped in when we needed them most. Affectionately & alphabetically speaking they are: Manny Amor, Brothers Cleary, John & Mike, Marty Clifford, Dick Pasvolsky, and Ray Turcotte.

And how about our arty-crafty First lady Harriet. She sewed up two spectacular red, white & Blue (what else?) patch work pillows and had them raffled off, with proceeds going into our Treasury. How I wish I had won them. You are all invited to come dance with us. Now if you would just all come. We schedule different callers with Elly Tout on the rounds. (Check our ad, page 30). Our club has been accepted into the NNJSDA, & we are loving every minute of it. Please bring your Patrons Cards when you come, as it will be our pleasure to sign them.

Hello everyone!!! Hope you had an enjoyable and safe summer. Our members have been quite busy this summer with dancing at nursing homes, planning for our club booth at the Essex County 4 H Fair and designing & making our outfits for the State Competitions at Flemington Fair. In June we went to Bob Gaunt's Spring Fling Weekend at Stokes and had a ball. This was the third time for some and we still haven't gotten tired. For those who went for the first time, they want to go back next year. We plan to have a car wash in the fall, the money will go towards some records and a special we plan to have in Feb. or March.

Registration for new members, seasoned or beginners, will be in September. Anyone interested, "Come on Down". For more information please call Marie Kerwin 256-2773, Sharon Pollock 228-0414 or Patty Rauschenberger at 228-3658. We had elections of officers at our last dance in June and we thank our outgoing officers for the wonderful job they did. We had a good year. New officers include: Pres. STATEN SQUARE SET TEENS -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays

St. Adalberts Hall, 363 Morningstar Road

Hello fellow square dancers! Welcome to another fulfilled year of dancing. I'm very honored and pleased to be the SSS Teen reporter for its first year in Grand Square. I hope everyone had an enjoyable and healthy summer. We experienced a very successful season of dances this past year. Our teen dance - "And Now a Word From Our Sponsors" is a fine example. We donated over a hundred dollars to the American Cancer Society in the memory of Mrs. Lorraine Ahrens. The skit written and directed by Patrick Mallon was thoroughly enjoyed by the adults as well as teens: thanks to the efforts of Pat and the cast.

A little sad note - Maria & Barbara Granatelli have moved upstate - we hope they'll be back to visit us, we're gonna miss them.

Watch for the dates we visit the SI Mall. Be sure to tell all your friends and relatives to come and see us show off our square dancing talent. We hope to be able to recruit an even larger teen class than last year. Remember club members if you attend and HELP OUT at classes Monday nights you can earn your angel badge. Always wear a smile while you dance, because we dance for fun and friendship!!!! See you next issue.

In answer to the dancers request, the NNJRDLCL has revamped its ROM program. An easy round to be taught at the S/D clubs will be chosen and designated a S/D ROM; a more difficult dance will be chosen monthly for R/D clubs (but can be used at a S/D club especially those who dance 2 or more nites a month) and be called a R/D ROM; and an intermediate dance, to be taught at R/D clubs only, will be chosen for every quarter.

WESTERN WHEELERS -- Park Ridge, N.J.

2nd Wednesday

First Congregational Church, 131 Pascaack Road

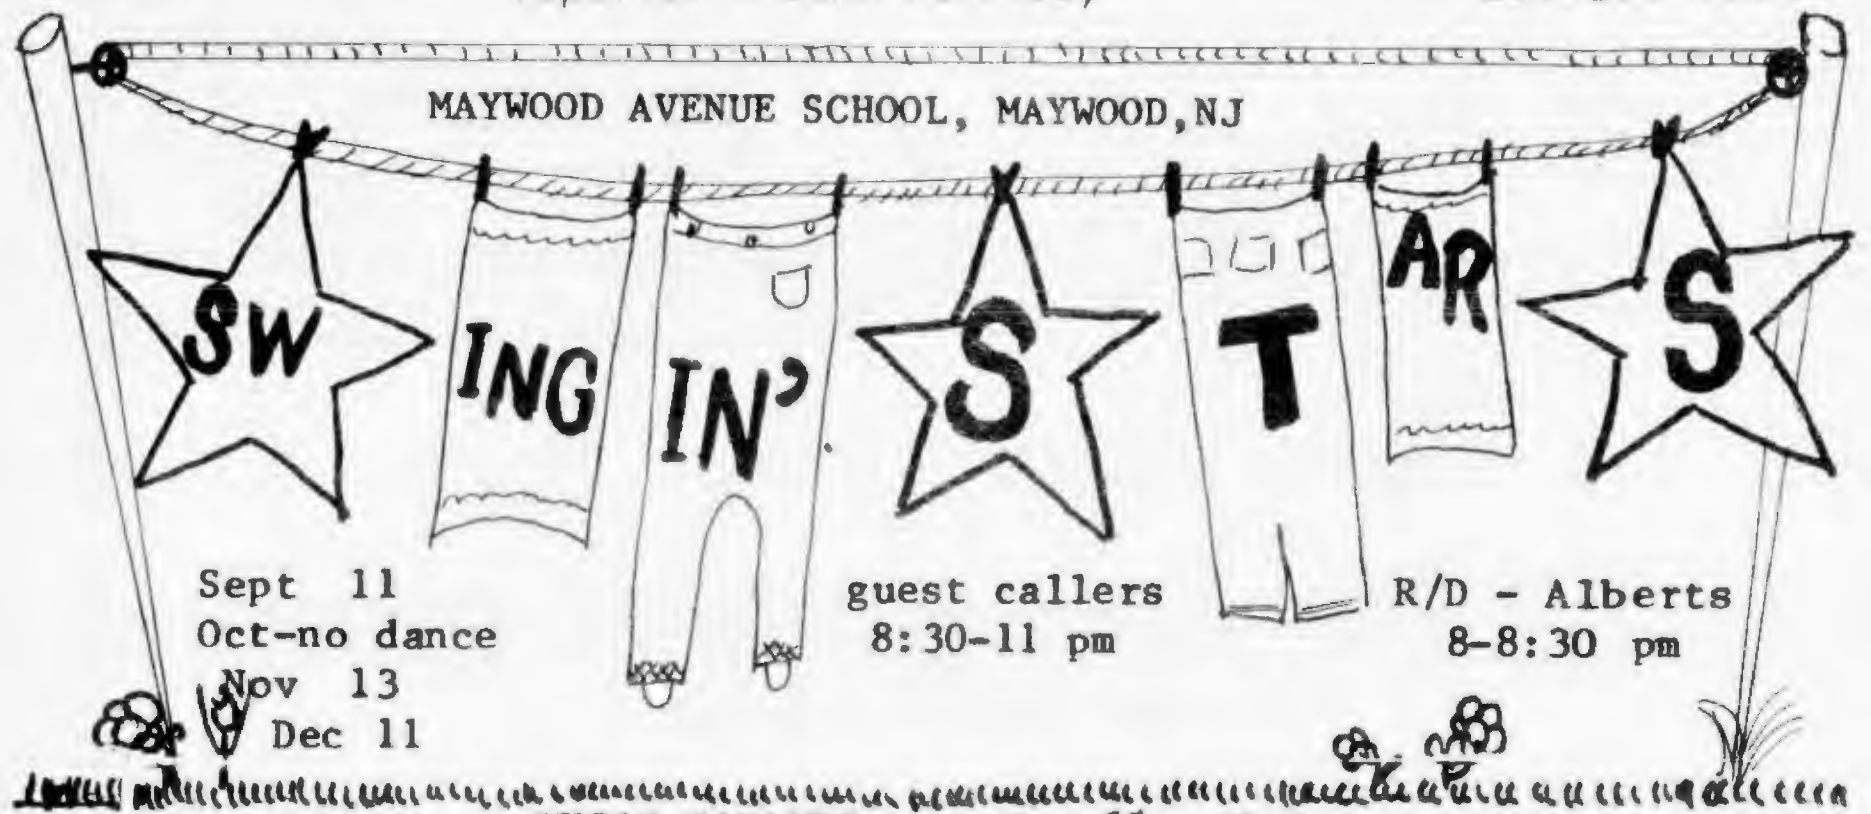

The annual dinner dance in June featured entertainment by "The Misfits" a farewell to our friend Ray Turcotte, and a warm welcome to our new caller, Bruce Vertun. Ray leaves to work with the YMCA in Norfolk, Va. The Rosas as Program Committee, and the Cripps in charge of Special Events, have prepared a fast moving dance program for this season that includes some of the successful activities from past years with many innovations. Dancing Under the Stars in Petruska Park was again a success during July & August with Jules Pozsar and Bruce Vertun calling. This led to an invitation from the Paramus Recreation Association to demonstrate s/ding at their swim club in August with Elly Tout calling.

There was much enthusiasm for the NNJSDA summer dance program and while it is too early to press time to list those who qualified as Free-loaders, there should be many. Congratulations to Etta & Don Davison for the record established in qualifying for both the Free-loaders and Patron badges in less than a year after graduating with the class of '75.

Again this year, rounds will be called by the Shearwoods beginning at 8PM. A square dance workshop will begin at 8:30 and Mainstream club level dancing with Bruce at 9.

2 & 4 Mondays

Watchung Congregational Church

We are just 4 months old, but it feels like we have been around for a couple of years. In a very short period of time our club has accomplished many things. First, we donated all of the moneys collected from dues to HEART & CANCER. We then visited 2 clubs and pinned their banners - 5 sets to Circle Eights & 4 1/2 to Tenakill Twirlers. Early in May we started to build a float using a boat trailer donated by Charlie & Connie Medicott. By mid-June we were parading down Broad Street, Bloomfield's Bicentennial Parade stopping at least 30 time to s/d. The crowd reaction was fantastic. The float had sound with Stan calling. We also have a newsletter "THE LIBERTY BELL". Our picnic was a huge success. At our planning meeting all of the members who wanted to participated to help work out an exciting schedule. With the enthusiasm shown so far and the dancers and caller working together, it looks like we will have a successful club.

KUNTRY KUZ'NS -- Franklin, N.J.

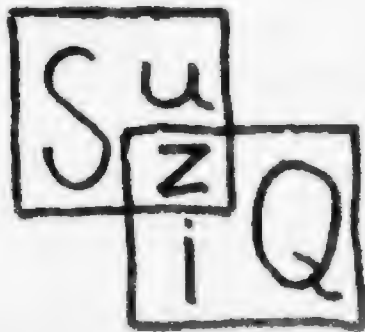

1 & 3 Saturday - year round

Presbyterian Church, Main Street

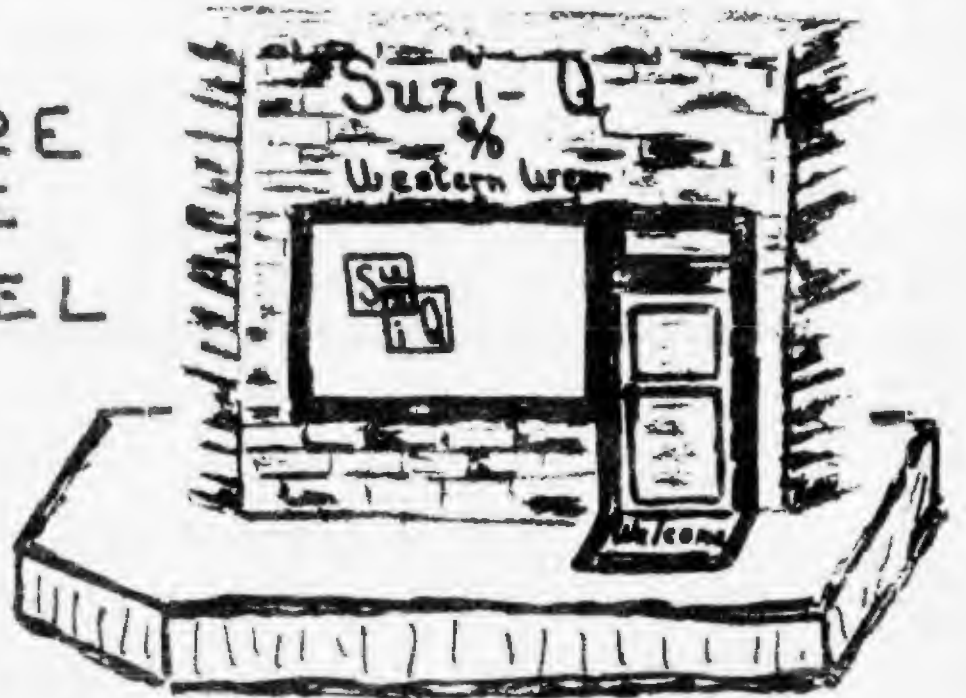

As the summer of '76 is drawing to a close, we are looking forward to another great year with Bob & Marie Bechter being president. We've had a fun summer, dancing to Bob Mitchell. We have another plaque for marching in the Franklin Day Parade. Another time we had an executive breakfast at 5:00 in the morning. There's nothing like cooking bacon and eggs and pancakes with sausage over an open fire, then dancing to tapes at the hour of the morning. We had two couples represent us in California, the Posts and the Dahns. Hope to see you soon at one of our dances. Don't forget about our workshops before each club caller dance, a review of figures to be used that evening.

NNJ Square Dancers Day at Rutgers Stadium

October 2, 1976

A football outing has been planned for Square Dancers this year at the Rutgers Stadium. Rutgers opponent, on the football field, will be the Big Red of Cornell University. The day will include the thrills of a football game plus the half time

show given by a group of square dancers and the Rutgers University Band.

A special parking area and picnicking area off Frelinghuysen Road is to be reserved for the square dancers. There is a charge of \$1.00 per car for parking. Hibachis or portable grills are allowed. Reserved seats are \$3.50 per junior and \$7.00 per adult. In the unreserved section (but just for square dancers) the seats are \$2.00 per junior and \$4.00 per adult. The show will go on - rain or shine! By the time this reaches print, the deadline may have passed for tickets (Sept. 18); so the suggestion is made to call Frank & Helen Cavanaugh at 201-985-1428 for more information. Rutgers Promenaders will be the host group with Betsy Cotta as caller. It is hoped that this will become an annual event in NNJ.

Frank & Helen Cavanaugh proudly presented the NNJSDA check for \$1700 + to the Musials.

FOLLOW UP - Over the summer the Cavanaugh's received a request for a demonstration of Western Style S/Ding to be presented during the Physical Education Teachers State Convention in November. The request was being made, to show western style s/ding as opposed to Eastern Style or

otherwise known as Barn Dancing, that is now being taught throughout the State School System. Manny Amor, who incidentally is a Phy Ed teacher, has agreed to handle this program. Dick Pasvolsky, who holds a doctorate in recreation, will also be in attendance with a demonstration group of college students.

Gracious! GRAND SQUARE is 17 years old! And still growing!!!
 Our thanx to all who took time out to send in club questionnaires so we could mail area reporters names of contacts before we headed on vacation. Yes, we 3 did get to Anaheim. It was an experience we'll always remember. Who can ever forget showing and teaching their dance the first time at a National; the R/D panel we served on was interesting. Didn't dance much, except to practice the '77 demo, but we sure met some great folks and also learned lots. Gail met more as she worked at the AC registration booth. EDNA HOPPER sends her best to all NNJers and will see you in AC in '77. Thanks to all reporters who observed the early deadline & to those who called in. Yes, you may have several similar questionnaires to fill out, but you'd be surprised how many times only 1 gets returned.

Names of all who expressed interest in lessons will be given to the delegates. In our next issue we will repeat the MAP section - remember 3 x 3; white paper; BLACK ink; deadline October 12, 1976... & thanx loads.

In response to requests, we will mail GRAND SQUARE to interested folks. We ask \$4.00 (\$1 for Booster; \$3 for postage) for the 1976-1977 season. Please make checks out to GRAND SQUARE or NNJSDA. THANX. Mail to
