NNJSDA dancers were shocked at the sudden passing, at the same hour, on March 27 of CLAIRE LANDIS and TONY GAETA. Then in April we learned of the the passing of ALLEN SEARLS down in Graham, North Carolina.

An avid square dancer who moved into our area from Philly, CLAIRE LANDIS danced with at least 4 Jersey clubs, including Colonial Squares. Recently retired from working at a pharmacy, Claire devoted much of her spare time to her church and square dancing activities.

As presidents of Staten Square Set, TONY & Rita were instrumental in effecting the smooth transition of SSS to its present location. Delegates this season (also Colonial Squares members), Tony will be remembered for his outstanding leadership qualities, his friendliness to all, and his devotion to square dancing and its related activities.

1st VP's for 2 years, AL & Eleanor Searls moved to N.C. awhile back where they maintained a sort of half-way house for S/Ders travelling to & from Florida. Wonder how many were dancing back in '66 when AL introduced the travelling Keokuk mink tie to raise \$ for S/D families who lives were so devastated by the explosion at a S/D in Keokuk on Thanksgiving Eve. Al also designed the NNJ's membership mini banner given to all member clubs.

All have enriched the lives of those of us fortunate enough to know and love them. We offer our sympathies and condolences to their families.

As we went to press the sad news reached us that the Circle Eights delegate ROD TERMINELLO had just died. Seldom have new graduates (Hix & Chix '77 class) become involved as rapidly as Rod & Jo. They quickly embraced mainstream dancing and began promoting more true Basic and MS clubs for the newer dancer as well as for the older dancer who did not wish to go on to +1 or higher. His letter in the Winter Issue (p. 26) evoked much comment. We will all miss his thoughtprovoking observations. Our deepest sympathies to the Terminello Family.

From the desk of JIM & FAY BATES, presidents NNJSDA

One of the cherished traditions of Square Dancing is the universal use of dancers' given names. Wherever you wander, everyone's on a 'first names basis', from the very beginning. No matter what a person's age or sex, his titles or academic achievements, regardless of his status in life, William Wigglesworth Smith IV becomes plain Bill Smith. And his wife, Kate. That is, to all who frequent the Square Dance world.

Which is all to the good, as it tends to bring a sense of equality between all dancers.

Another cherished tradition among dancers is the belonging to a Club, and wearing a badge that announces membership, as well as the dancer's name. Most club badges proclaim this information enthusiastically, as most display in a creative manner. The badge itself signifies the dancer wearing it had displayed a certain proficiency, and has joined the circle of friends within it. and is accepted. For that reason, most dancers wear their badges proudly.

Yet occasionally, when we join a square with new faces in it, and we look for a badge, and there's none to be found. Sure, we all forget to wear ours, occasionally. Nobody's perfect. But it seems to us that deliberately not wearing a badge (but particularly, a club badge) smacks of lack of consideration for other dancers. If we belong to a club, let's demonstrate our support in as many ways as we can. One way is to wear its badge (and your own) proudly.

Spring hath sprung and our new graduates blossomed forth and made a very welcome addition to our club. Wilson Hoff did a great job with the classes as always and our Graduation Dance was enjoyed by all. As I type this, plans are being made to make our Club Anniversary a gala evening & everyone who came to our anniversary dance last year, knows what that means. We have been out on the roads, despite the pot holes, to raid a few of our neighborhood clubs.

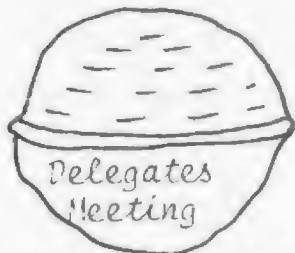

We wish to thank everyone who came out this year to help support our dancers and keep our treasury solvent. Our group of round dancers continues to grow and some of our dancers enjoy belonging to a round dance club too. With our officers' terms drawing to a close we wish to thank them all for their hard work and dedication to our club and our wonderful world of square dancing. The loyal support of our club members has made our tasks easy and we couldn't have done it without them. God bless them, everyone.

Two and a half sets of Tenakill Twirlers visited the See Saws at their beautiful new location at their 10th birthday dance. They certainly know how to throw a party, providing a delightful evening of dancing, and socializing. Thank you, See Saws, for your hospitality -- and many happy returns. April was the kindest month at Tenakill. It was graduation for the class of six couples. After a winter of Jody Bromberg's expert teaching, they were more than ready to join the club as full fledged dancing members, and we were all happy to welcome them. It was also Pot-Luck dinner night and definitely the downfall of dieters. Who could resist all that delicious food.

Now we are all eagerly awaiting the Live Music dance in May with Ron Besette and the Dusty Canyon Boys - an exciting first for this area.

Happy Dancing, and a good summer to all. We're looking forward to seeing all of you in September, when we square up with our new club caller, John Kaltenthaler. reporters - Dorothy/Paul Pullman 201-568-5138

The big event at Tenafly Squares since last February was the "Raid" by Stan's Patriotic Squares in March. We all enjoyed dancing together with them & our other visitors from different clubs. The season is fast drawing to a close & we are a little sorry about that. We have had a good year with some "Spanking" new ideas for fun and frolic. Stan Zaczkowski has done much to "Liven" us up & we do thank him, his wife & their followers. The S/D class sponsored jointly by Tenafly Squares and Stan's Patriotic Squares are coming along at great speed. They are more than half way through and look like a good bunch of enthusiastic dancers.

Summer is in - and with it the bright cheerful colors that make the warmer weather so pleasant. It is the signal we will be meeting only twice more before the season is over and we scatter for the summer.

This is also the time of year we welcome new dancers to the square dance world. Many of us remember our first big dances and how nervous and tense we were. Absolutely terrified of making a mistake! But relax - we remember. People were nice to us and made us feel comfortable. A couple of years down the line the new dancers of today will be going out of their way to make the new dancers of tomorrow feel welcome.

However, before September (note the month) do come and enjoy our Spring-going-into-Summer dances in May and June. Once again, round dancers - 8 PM for you and 8:30 for you know whom (shades of Arthur Godfrey!) See you around a square. reporter - Connie Woolf 212-TR7-8853

The 1979 graduates have a once in a lifetime opportunity to earn their FREELoader dangle by attending 8 of the 10 NNJSDA summer dances (see cover) and having their Freeloader Record Card signed by the Treasurer. Dangles will be awarded at the Aug. 29 Iselin dance. Be a FREELoader - join this exclusive group.

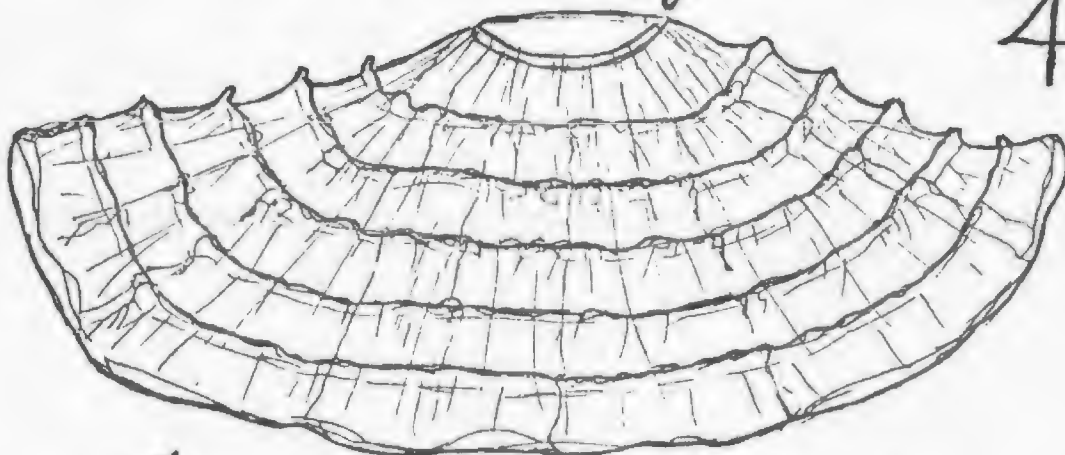

This is the 12th year of the FREELoader program. In its first two years we had 8 people qualify each year...then the idea caught fire and the number steadily increased until in '77 we had a record 85 FREELoaders! Last year 55 dancers qualified. Open to 1979 graduates of ANY club, Free-loaders are entitled to attend any NNJSDA dance, except LUST & Mini Festival, free of charge from Sept thru May '80. Sussex Spinners has had 66 graduates qualify & Staten Square Set 35 in 9 of the 11 years. Ramapo (32), Hix & Chix (29), Cross Trail (22) & Y Squares (21) in 6 of 11 years. Stan's Patriotic Sq. has had 12 in its 2 years & Western Wheelers 22 over the yrs.

FOLLOW UP - Back in '67 AL & SUSIE WILSON (along with Les/Marjie Davis) were one of the original Freeloaders/Patrons. Their enjoyment of S/Ding was contagious & soon their daughter & husband were listed among the graduates (& earned their Freeloader too).

An outgoing couple who loved camping, Al/Susie had many interests. After awhile the influx of new S/D calls made club dancing beyond their grasp. Since they loved the activity too much to drop out (this was before Catch All Eights), they enrolled in a class and graduated with Stan's Patriotic Squares class of '78 (& earned another Freeloader dangle!) They made a parcel of new friends and joyfully reentered the S/D World dancing up a storm all over the NNJ area.

Suddenly they disappeared. What happened? While visiting family in California, they answered an ad to be caretakers of an estate - were hired and before the month was over had returned to NJ, sold their house, tied up loose ends and moved to 2281 Trigger Street, Chatsworth, Calif. 91311. It all happened so fast they had little time to say goodbye to their many friends, so they asked GRAND SQUARE to tell their story and extend an invitation to their many friends back East to stop in when out West.

Spring to me is synonymous for a rebirth and perpetuation of nature itself. While my heart is still heavy with the loss of our past president-Tony Gaeta, Tony wouldn't want a somber face. Smile, laugh, live life to its fullest, lend a helping hand to your fellow man and above all show kindness, love & understanding. This was Tony's credo. In reflection then, there is a rebirth, for Tony's creed will never be far from mind. I can see Tony pressing forth upon a new graduate - not, should I attend the association's summer dances, rather - his obligation to do so. The NNJSDA summer dances are geared for the recent graduate. Not only does it provide good dancing throughout the summer, but it will help maintain your proficiency, meet new dancers and enable you to dance to the association callers. Attend eight dances and you will become a freeloader - entitled to attend free the Association dances in the fall and spring. Remember also Staten's Installation Dinner Dance in July. Have a happy summer.

Somerset Hills exhibited the Good News and Bad News syndrome at our second March dance. The GOOD NEWS comprised the Club's fourteen new graduate couples who showed the regular members that Caller-Teacher BOB TARRANT had taught them well. It was a Great Graduation Dance! What a happy, hootin' and hollerin' time we all had with callers CARL HANKS and BOB TARRANT! (If anyone wonders where the square dance smiles have gone - try Somerset Hills). The BAD NEWS was that our Club will soon lose current Presidents Ray & Irene Robertson.

Ray has a job transfer to Middlebury, Ct. We will surely miss Ray & Irene who have served our Club so generously, consistently and skillfully. In addition to being Presidents, they served as First VPs in charge of the 1977 Class and Chairmen of the 1975-76 Decorations Committee. All demanding jobs! All since they graduated in 1975! Ray & Irene are the kind of people who make Square Dancing HAPPEN. There's a Club in the Middlebury, CT area that will get very LUCKY, very soon! Bless you, Ray & Irene. You are first class folks! Adieu.

Our dance season ends the second Tuesday in June. We resume M+2 dancing September 11. Our first special is in October with Al Horn of Penrose, Colorado. Mainstream Dancers! New Graduates! On September 22 start dancing the FUN way to M+2 with Stepping Stone Squares! (see ad on p. 53)

SEE SAW SQUARES -- Upper Saddle River, N.J. (+2)

1 & 3 Saturdays Old Stone Church Ed Center, E. Saddle River Rd.

Our tenth anniversary has come and gone and to all that attended and helped us celebrate we say "THANKS". There were 14½ squares including Jules' class and a raid by the Tenakill Twirlers led by Dorothy & Paul Pullman. See Saws never looked so good - but there was a tremendous amount of work done behind the scenes and sometimes people are not aware of just how much. Our presidents Anne & Colin Killion not only gave many hours of work in preparation but also donated the 10th anniversary danglers given to each guest, as well as all the beautiful corsages given to the past presidents and special guests. Anne also was the hostess in charge of the kitchen and with the help of the other officers Clem & Vi Hayes and Adele & Dave Weiss did a great job of feeding over a hundred people. The decorating committee, Norman/Hilda Berger; Chet/Fran Karlewicz; Anne/Colin Killion; Ed/Les Shearwood; Audrey Hauser & Ed Wagner made the hall look beautiful with flowers supplied by the Bergers. The food was donated by all the members with special anniversary cakes made by Adele Weiss, Martha Pozsar and Audrey Hauser. Two lovely engraved bowls were presented to Jules and Martha & Ed & Les for giving us ten wonderful years of dancing. We were most fortunate to have been honored by Presidents Jim/Fay Bates & Cor. Sec. Frank/Nan Habersberger of the NJJSDA. Their attendance at our dance was deeply appreciated.

It was a great evening and many thanks to all those who helped make it a really memorable "10th anniversary". IN April twenty one graduates will have joined us in the wonderful world of square dancing and we heartily welcome them and all you other new graduates to our club. Come, join us, we'll be looking for you at See Saw Squares. reporter-Audrey Hauser

To all who bought BOOSTER TAGS - the staff of GRAND SQUARE says "THANK YOU so much for your continued support!"

2 & 4 Thursdays Blake Hall, Cook College, Rutgers Univ.

Hi! Did you catch our March special? it was well attended and we had our usual fun dancing. Thanks go to Laura & Ken for refreshments - they hit the spot! We held an exhibition dance in March in Menlo Park Mall, on the stage near Bambergers and the Cookie Machine. Our group was one of many athletic organizations that gave information and demonstrations on their particular sport. This was in conjunction with the Rutgers Sports & Athletic Division. We had an attentive audience, maybe some potential members! Speaking of members, our spring class is the largest we have had in recent years. It is so big that the weekly lessons had to be moved to a larger hall so people in separate squares wouldn't bump into each other. Congratulations go to two Promenaders, Helen Tenenbaum and Ken Robinson, who were married on March 25th. May they have a long and happy life together! reporter - Helen Wells 201-356-5174 04 201-745-0580

Our most sincere congratulations to all the recent graduates from the NNJSDA clubs and classes. Don't forget Richmond Dancers when you want to try a new club and caller.

We join with the Staten Squares in mourning the sudden passing of Tony Gaeta. Tony & Rita were frequent visitors to Richmond Dancers, and had many friends here.....He was also a diligent worker on the annual Staten Island Roundup and we will miss his helping hands.

Our two invalids, Helen Dunlop & Alice Wilson, are out of hospital & have been at our recent dances, even if only to sit out. You just can't make a square dancer stay home on dance night! We hope the medicos give them both the green light soon. And thanks, everybody, for all those wonderful cards - just too many to answer one by one!

Our Pot Luck Supper in March was a great success. There was plenty of food, but it all disappeared somehow. Many members drew on mother's or grandma's recipes for something different; we had real British, French, German, Swedish, Italian, Greek, & Spanish cuisine. We hope more dancers from other clubs will join in the fun next year.

Sorry fellows. That lovely blonde at the February dance wasn't somebody new. It was Hazel Williams with a new hairdo.....Down, boy!

1 & 3 Fridays REELERS -- Ironia, N.J. (+1)
Elementary School, Dover-Chester Road, Rt. 513

The Reelers have been busy since our last writing hosting that jam-packed Tim Ryan dance, raiding Hanover Squares with five sets, welcoming our new graduates at a special dance, taking the attendance banner at the last association dance for the second time and our dinner dance. We have a great line-up for the close of our season with Ken Anderson, Mike Cleary, and Jim Adams. See ad page 39.

Thanks to Jim Drake and Al Rosenbohm we now have a beautiful plaque listing our Past Presidents, Patron and Century Badge holders.

Jim Adams' birthday record got a workout at our dinner dance as we sang to Irma, Ria, Nancy and Althea, each at a different time! A special thank you to Jim and Althea Boutillette as they take on the title of Past Presidents in June; their enthusiasm has certainly been a big plus for our club. We welcome Ray and Fay Weiler as our new presidents for 1979-80.

We wish you all a fantastic summer. Circle the first and third Fridays in September now so you can join us for great dancing with Jim Adams and Tim Ryan.

Spring and Graduation are here, and our heartiest congratulations to our new dancers! Welcome to the world of square dancing. There will be many happy times in store for you.

Everyone enjoyed the dances with Jerry Schatzer, Norm Poisson & Lee Kopman; and there are more good ones coming, with Dick Green & Tim Scholl. See our ad on page 6 for dates. In March, Ramapo also raided Cloverleaves with five and a half squares, and a great time was had by all.

We're happy to report that Ed Rimpo is recovering well and will be dancing again before long, and also, your reporters saw Carol Pitts helping out at the new class. How nice to see you dancing again, Carol.

A happy summer to all, and we'll welcome you back the fourth Saturday in September to our first fall dance with Lee Kopman.

LEGACY - the leadership communications

group representing all phases of the American s/d movement recently concluded its 4th Biennial meeting (May 10-13) in Louisville, KY.

Can you imagine 3½ days with only one evening of dancing? This is what happened at LEGACY where over 200 leaders from the "s/d world" gathered at their own expense. Playing an important role in s/d communications, LEGACY's members represent leadership among dancer, caller & r/d circles. They include s/d publication editors, representatives from the ranks of square & r/d suppliers, record manufacturers & the many miscellaneous interests that go together to make up our activity. This group felt the exchange of ideas was more important than anything else.

Economics, Ethics & Education are the prime interests of everyone today and each occupied 1/3 of the discussion times with the Kaltenthalers & the Tirrells involved in different buzz sessions on ethics & education. The resolutions & ideas, etc from these important meetings will be shared with our readers in future issues of GRAND SQUARE.

Formed early in the '70's LEGACY has grown from fewer than a hundred to more than three hundred leaders. Bruce/Bonnie Busch, John/Freddie Kaltenthaler, Sol/Harriette Koved, John/Betty Pedersen & Doc/Peg Tirrell attended from this area.

LUST - the NNJSDA's Mini-LEGACY - "Let Us Speak Together" - where all interested gather for an afternoon of yak and to share ideas & get answers to those many questions new officers have, will not be held in 1979. The decision was made to make it a biennial affair - so plan now to LUST on SEPT. 14, 1980.

In the meantime, LEGACY members & the NNJSDA Executive Board will always be available to help. (Delaware Valley's DIET will be June 2.)

2 & 4 Fridays

Community Park School, Witherspoon Street

Congratulations new graduates and welcome to good times and good friends. Soon you'll find yourself searching for a square dance whenever you have a free evening. Enjoy it and have fun!

We have had a great year. Bruce Busch has called interesting and fun dances for us as have our great guest callers. For instance, if you missed our dance with Joe Landi, you missed a fantastic night of dancing.

As of now, we only have two dances left - our graduation with Fred Fields & Joan Mills and our end of May when we close our season with Bruce calling. We'd love to see you. It is the time of year that our present officers retire and new officers take over. We want to thank all those Princeton Squares members who took on the responsibility of running the club. We especially want to thank our Presidents Jane & Dan Cope who worked hard and very successfully for two years. We appreciate your hard work and dedication. We also want to thank our class callers Joan Mills & Fred Fields. We know your class members are confident and raring to go. We look forward to dancing with them.

To all our friends and faithful corners out there, we've really enjoyed dancing with you this year. Thanks for being there as a friendly and fun part of our lives. Enjoy the warm weather and have a great summer. See you in September. reporters - Priscilla & Dan Senecal 609-448-9140

We Do Not Dance in August

For a number of years the NNJSDA was a member of the North Jersey Cultural Council located in Paramus, NJ. Perhaps you will recall some of our members participating in an Arts Festival prior to coming to LUST one year. Once a very active and vital group, the Council over the years lost too much of its initiative and drive and last December folded due to lack of funds.

In the meantime down in the New Brunswick area a new setting for the new cultural center and museum for the Ethnic Performing Arts in NJ is arising. An Assembly Resolution sponsored by Assemblymen Schwartz and Patero choose this area due to its geographic center of the state. Gov. Byrne has approved a grant of \$200,000, the Dodge Foundation \$20,000 to start the planning stage for this center.

Thanks to our GRAND SQUARE for much publicity in the state, Square Dancing is now accepted as part of the Arts in NJ. The NNJSDA was invited by Dr. Schwartz to participate in the planning process for this new Performing Art Center with a Museum & a Library. At this time various task forces are now underway being sponsored by the NJ Division of Economic Development & the Middlesex County Cultural & Heritage Commission of which Jacqueline Rubel is Executive Administrator. Since she had to be in Washington DC, Frank Cavanaugh explained all the above to the delegates.

Helen & Frank Cavanaugh are working with Task Force #1 dealing with programming & space for this Performing Arts Center. Square Dancers in NNJ area should have received the questionnaires from your delegates concerning the needs and goals of this facility. If you have not done so, please fill out the ? now and return them post haste to your club delegate, the Cavanaugh's or Tirrells. We need this info to show the State of NJ that S/Ders do want to be a part of this facility. THANK YOU for your help as we do need larger facilities to house our statewide S/D Festivals for the future of s/ding in NJ. Thru the NNJSDA we are representing our National Folk Dance as part of the Arts in NJ. (Frank & Helen Cavanaugh address is 113 Stony Road, Edison, NJ 08817 201-985-1428)

Another get together - what else but a picnic the first Sunday in June at Merrill Park in Colonia. In May is our graduation at Woodbridge High School. As you may already know a new slate of officers were nominated for next year. Presidents: Larry/Isabell Giordano; VP's Milt/Irene Rubin; Sec. Ed/Barbara Lorenc; Treas. Pat/Amy Carney. Nominations from the floor will be accepted at our next dance. Don't forget we have two summer dances on the agenda, one in July and one in August, with the likes of Manny Amor and Dick Jones. We are looking forward to spring and summer square dancing after a successful winter season. Bob Mitchell called our Valentine Special and Mike Foley our St. Patrick's Day Special. Our club was joined by our class after their graduation in April (an apology to those who came to a graduation and open house incorrectly scheduled for earlier April - the questionnaire to GRAND SQUARE listed graduation as April 4 was not rectified in time). Lakeland Squares celebrated their sixth anniversary with a special in May at which time new officers took over the leadership of the club.

All dancers, especially new graduates, are always welcome at our Mainstream dances and workshops in the QS, +1 and +2 levels. Remember we dance every Tuesday night (8pm) except during the month of August.

1 & 3 Wednesdays Stillwater School

Although we lost a couple of dances and classes to the inclement weather, we survived the "cold winter" and the "common cold" season without too many problems. We had many fun dances with Dick. With Dick's excellent teaching and help from the Angels, our club graduated a very proficient class of 26 enthusiastic dancers. Our Graduates Ball was well attended by new graduates of neighboring clubs. Our President's Ball which had been postponed from Feb. to March had many visitors - including a dozen presidents and their cohorts from as far away as Staten Island (Isle Squares). Thanks to all for making it a success.

Our last dance of the season in June will be immediately preceded by a covered dish supper. As usual, we expect to be pleasantly full of delicious food at dance time. Our annual picnic will be in July at Lake Susquehanna in Blairstown. Again, food, fun, games and dancing should be enjoyed by all. In August, members will participate in demonstrations at the Sussex Farm & Horse Show near Branchville bringing to the public our enjoyable form of exercise, entertainment and good fellowship. During the summer we hope to enjoy many Association dances, specials and demonstrations. Regularly scheduled dances should start up September 19 at the same location with our caller Dick Pasvolsky. Jean & Jess Elrod, Cloud Niners Instructors will cue the rounds. We expect to have another class starting in mid September for Squares. Rounds will also be taught by the Elrods. There is still time to bring new dancers in to both. Please contact our new officers - Ruth/Bill Huebner, Pres. 827-6827; Lucille/Bill DeRoche, VP 383-4395; Armida/Bill DeVore, Sec. 383-4675; Trina/Bill Avery, Tres 383-6685.

KINGS SQUARES -- Sheepshead Bay, Brooklyn, N.Y. (QS)

every Sunday - 7:30 pm Maramar Yacht Club, 3050 Emmons Avenue

Another season is drawing to a close. Our last dance was May 6th because the sailing season is commencing at the Yacht Club. Our St. Patricks Dance was a huge success with Manny Amor at the helm & Roberta & Lennie Feinman who decorated the hall with their green thumbs. Steve Kopman was a real prankster at our Fun Badge April Fool's Dance. Thanks to Esther & Sid Cohen who had us dancing eating apples, blindfolded & lots of other wild ways! With callers like Dave Platt, Bruce Vertun, Lou Flego & of course Steve, we finished out our season - but are looking forward to a new & exciting fall.

Our beginners graduated in April. Thanks to Frank Riviccio, our class caller, & to our helpful Royal Angels. Workshops are being now held Thursday evenings. Joan & Jerry Newman proudly announce "Royalty Rounds" will graduate in May. The Newmans add such warmth & joy. They light up our dances so! Our first installation dance is in June at the Danish Athletic Club. Contact Roberta/Lennie Feinman for reservations. Paula Katz is now home from the hospital. We extend our best wishes for her good health and speedy recovery. We hope to have the pleasure of dancing with you soon.

2 & 4 Wednesdays Community Church, 345 Guyon Avenue

Spring is here and summer is just around the corner. Another season of Square Dancing is about to come to a close. And what an enjoyable season it has been. We believe the high light of any season is our GRADUATION CLASS DANCE. To see all the smiling faces and enthusiastic dancers is a real pleasure. Our Graduation dance was a big success due to the fine efforts of the graduating committee. Which was made up from last years graduates and chaired by Ed/Diane Hirsch.

We are also looking forward to our dinner dance in June. Which is as always one outstanding, fantastic, gala affair with Glenn Cooke calling.

We sure hope each one of you have a very enjoyable summer. Rest if you must, dance if you can and we'll see you in September. Or better still, we'll see you at the summer dances.

HIX & CHIX -- Paramus, N.J. (+1)
every Thursday - year round Arcola Methodist Church, Paramus Road

CONGRATULATIONS to the new members of Hix & Chix. Our graduation dance was done in great style with Dick Pasvolsky calling and all the grads getting their first taste of what square dancing is all about. Our Suggestion to you would be to keep dancing at your home club and to take advantage of the summer dances sponsored by the NNJSDA & CCNJ. You will gain so much confidence that by the fall you will feel like a pro.

A group of our members gave a demonstration at the Veterans Administration Hospital at East Orange in February. Dancing in the square were Margie/Charlie Adams, Cindy Laine, Steve Byrne, Lil O'Donnell, Bill Stefanic, and Georgi/Rich Flandera...caller was Bob Gordon. Nice going folks - keep up the good work. Hix & Chix r/ders have decided the R/D for March should be called the Lamplighters Waltz cause that's where they learned it. The door to the K of C was locked so Bob & Lynne taught the waltz out on the street under the glowing lamplight - very romantic although a little chilly.

Smooth dancing to all who are planning to attend the Convention in Minneapolis in June. Keep an eye open for our own Peg Tirrell who will be taking part in one of the many seminars scheduled to be held there and Doc/Peg who will be teaching their new round dance at Fun Rounds on Thursday.

Just a little reminder that we are having a guest caller the end of May - Ron Bessette. Mark your calendar now so you won't miss a night of happy dancing. One nice thing about our club - our season never ends - We invite everyone to join us every Thursday night - dancing as usual all summer in our air conditioned hall. See you there.

Our Plus 2 & APD Workshop Level has CHANGED for the remainder of this dancing season to include ALL GRADUATES...ALL DANCERS...from Mainstream through Plus 2. We are the NEW HILL CITY SQUARES with a brand new image and purpose. We firmly believe in dancing for FUN as well as expertise and advancement in our skills. This decision was made after a close examination of our reason for being a Square Dance Club. EVERY DANCE...including our DICK SCHWEITZER SPECIAL in May will be a fascinating, interesting and happy mixture of calls for BOTH graduates and experienced dancers. Join our Tuesday Night Spring Fever For Fun in May and early June.

In April we had a "Ring-A-Ding-Ding" Special for Manny Amor to celebrate his 11th year as our Club Caller. Every dancer was given a souvenir bell to wear for this occasion. Jean/Ed Baker organized a raid at a Bee-Sharps Saturday Night dance at Somerset County College which was followed by a great social event at a near-by pizza parlor. This is going to be a habit no one is going to try to break!

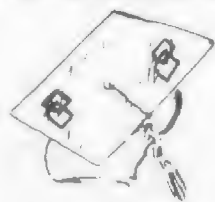

Yes, we are at Brayton School for the rest of this season. Our new class will be there and we want to welcome other new graduates; and maybe some old friends we haven't seen in awhile. We're going to dance in the New Fashioned Way - For Fun. reporters-Maggie/Bob Brown 201-756-6024

a comfortable - congenial weekend

The theme for the 1980 Tournament of Roses Parade is MUSIC! What a natural for the S/Ders!!! In our last issue we included some condensed memories of the 1979 float by Pat & Rich Welsh of Yorktown Heights, NY who rode on this years float. Our words can not adequately describe the beauty of this years float, but we do have a colored picture which helps tell the story. Without the support of the S/Ders and their friends, and their generous contributions, none of it

would have been possible. And thanks to you all (including separate donations from others, too) the NNJ territory was third highest in support.

To finish paying for this years float and build a fund for succeeding floats, many methods have been suggested - the most popular being the selling of stick on roses. This past year they had a raffle, but this news reached here rather late. This year again they are having a raffle with first prize a paid plane fare , 5 nights lodging, tickets to parade & rose bowl game. 2nd, 3rd 4th prizes are bonds. The tickets will sell for \$1.00 - If you are interested in helping sell tickets, contact the Tirrells/ Deadline for all sale is August 15, 1979.

2 & 4 Fridays

Salem Drive School

It's time to say "WELCOME and glad to have you with us" to all our new graduates. Our ceremony was an impressive evening with new graduates and their sponsors all squared up together for a delightful dance called by Dick Maddocks. Sponsors are very special people. To you goes the task of guiding and encouraging our new dancers. We will always remember going to our first "bigdance" and spotting our sponsors, Joyce/Paul Huebsch, there in the crowd of unfamiliar faces. We remember how good it felt when they and their friends welcomed us into their square and stuck with us helping us to overcome mistakes and build confidence. It is things like this that turn fledgling graduates into dedicated dancers and help make square dancing the wonderful activity it is. We have a wonderful group of sponsors for this year's class and we're sure all our new dancers will be around for a long time to come.

For all who would like to brush up on some steps, we will sponsor a series of workshops on Mondays from May thru mid June at Central School in Montville, NJ with John Kaltenthaler. Those of you who attended last year's workshops will remember what a wonderful job John did and what a great experience they were. Come join us for these terrific Mainstream Plus workshops. Our club picnic will be in June at Lewis Morris Park at the Sunrise Lake Picnic Area. Rich/Carole Sanderson have planned a great day with activities from 10 to ?. Bring the family for a day of fun and relaxation.

We have just completed a demonstration for the Cooperative County Program commemorating EarthWeek. In June we will demo at the Fan Fair in Boonton and at the Morris County 4-H Fair in August. They are a good opportunity to interest others in our favorite fun activity while contributing to good causes in our community.

As this issue comes out, we will be holding our Graduates Ball with Jerry Schatzer calling. We know it will be a wonderful evening. We have some other great callers scheduled for the next two months. See our ad on pg 26 for these dances and our first two of the fall.

As we complete our article for this last issue of the year, we look back over the many wonderful experiences s/ding has provided for us during this past year. We have made many new friends and shared many happy moments with new & old friends. We have enjoyed sharing the news of our club with you and reading about the activities of all the other clubs. We think this is a good time to say "thank you" to the staff and editors of GRAND SQUARE for all their time and hard work in providing us with a vehicle in which to share ideas and activities. (ED- You're welcome! Hope you don't mind our editing your rather lengthy write ups.)

We wish all of you a safe and happy summer and hope to see you all out dancing. reporters - Jim/Annette McGrory 201-539-4715

SCHOLARSHIP FUND

In loving memory of TONY GAETA, his friends have established the Anthony Gaeta Scholarship Fund. This scholarship will be given to someone who loves Square Dancing and wants to attend the Al Brundage/Earl Johnston Callers School. (see above ad)

Anyone wishing to apply for this scholarship should send a letter stating their qualification to:

Mrs. Rita Gaeta 128 Silver Lake Road, Staten Island, New York 10301

♥ A call from RITA GAETA to thank EVERYONE for their kind expressions of sympathy. (So many cards were received Rita could never acknowledge them all. "Every day there are more cards & letters with such an out pouring of love and concern"....that she is strengthened. Rita knew they had made a lot of friends in their five years of S/Ding, but just never realized there were so many people who cared. And to those close friends who have set up a scholarship to send a caller to Callers School this summer - a special thank you. God Bless You All.

"Left Allemande in Dairyland"

National S/D convention time draws nigh-
June 28,29,30 - Milwaukee,Wisconsin

By mid Jan. 10,140 had registered - Jim Hilton will provide sound for all the dance halls for the convention, in conjunction with the house sound system - Special events galore for Youth - And more Trail Blazer, Trail End & After Parties than we can list here. For a copy call Tirrells

There is a fantastic offering of panels & seminars (John Kaltenthaler, Lee Kopman, Dick Jones, Art Seele, Jerry Schatzer, Peg Tirrell from our area) on many subjects from 9 AM to late afternoon. Many of our local callers are programmed for calling/cueing times. Read thru your program book and plot out your time remembering to balance the active and rest hours. Don't be like so many who wear themselves out rushing all over and getting no place but exhausted. The Tirrells have a copy of the panels/seminars if you care to see it ahead of time...space precludes printing it here.

Wisconsin has really gone all out for the R/Ders this year with a total of 56 dances being introduced! (The complaint now will be, "I can't remember them all!") This year the R/D director George/Joyce Kammerer had added something new - FUN TIME ROUNDS - geared for the new r/ders with 4 easy r/ds being taught Thursday & another 4 Friday from 3:30-5:30. The session will open in Juneau Hall with the Tirrells teaching their two step "Let's Linge (Grenn 14274) at 3:30. On Saturday there is scheduled a Fun Time R/D hour reviewing all 8 plus other easy R/D to fill out the hour. See all you R/Ders in Juneau Hall.

So pack your bags and head to Wisconsin. Remember to plot carefully your plan of action. Stop by the NNJSDA exhibit (maybe you can help man it a few hours) or at one of our "locals" panels or calling stints - it's always nice to see a familiar face among the crowd.

1 & 3 Saturdays Brooklawn Jr. High, Beechwood Road & Route 202

Our Jim Cargill dance was well attended despite the fact that there was a One Nighter going on at County College and other goings on at other clubs. We thank you dancers for coming to Grand Prowlers and hope you make it your Saturday Night Dance, too. Bring a friend with you also. Anyone wishing to join our club should see our treasurer at the next dance. Thanks to all the Clubs that have raided us and helped to boost our treasury a bit. Have a nice summer and keep dancing!

CROSS TRAIL SQUARES -- Caldwell, N.J. (+1)

2 & 4 Wednesdays Lincoln School, Crane Street

We will be bowing to our partners, our corners all and waving to the pretty girl across the hall for the last time this season in the very near future, but before we close out our year we want to thank all our members and our many guests for making this year such a great success.

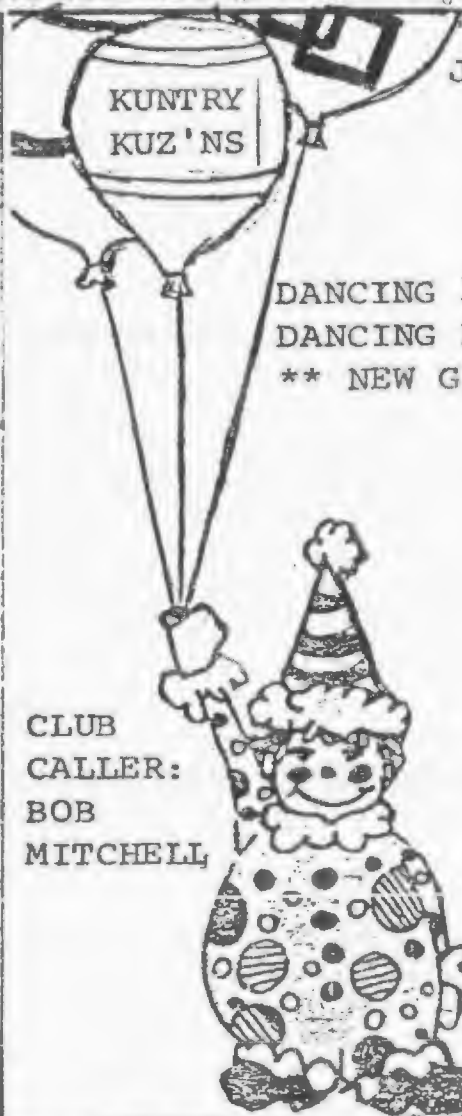

We had a fine group of graduates enter the world of Square Dancing at our graduation exercises in April and hope to see them out dancing as often as possible. Congratulations to all graduates and remember you are always welcome at Cross Trail Squares. Bob Tarrant & Manny Amor called for us in March & April and the dancing was super. We all hope they'll come back and call for us again. In May John Kaltenthaler will be down from PA to do the honors at the Wilson School. Our own Dick Maddocks will call our last dance of the season in June. Hope to see many of the new graduates at this dance along with the rest of our many square dancing friends. We wish everyone a healthy and a happy summer and hope to see you with us at Cross Trail Squares in the fall. (See our ad on page ^{it never} _{came in}).

Trust Staten Square Set to come up with something different. At their Big Top Dance last February, the verve, energy & dynamics of the circus were recreated as well as the roar of the lions & the whistle of the ring master when the "Just Clowning Around" circus troupe performed. Their hilarious version of the ballet "Swan Lake" kept all enchanted & amused. Their show had originally been created for a January performance in Lincoln Center.

The troupe originated when Harriet Falla & Theresa Arias graduated from clown school in Manhattan. Each of the six clowns who performed at SSS has their own personality, make up and costume. All have other acting duties and experiences and work busily in community theatre and drama workshops. They perform not only in theatres, but for private parties and at many hospitals and nursing homes, etc. This very talented aggregation has a pantomime group, (Mime Time Players) & the "Crescent Players" who intermingle clown with the puppet theatre. Personal friends of Ray/Sandy LaVigne, the original two clowns were joined by Eileen Bardel, Anita Capogna, Stephanie Palladino & Cora Taaff at SSS. Ever want to be a clown - contact them at 212-761-3196 for more information, or write them at 61 Forest Ave, SI, NY103

FINAL REPORT - *Catch all Eights*

CATCH ALL EIGHTS has wound up its first full year, and it looks like all the ground work done by last year's chairmen - The Nitzsches & the Riviccios was well worth all the time & energies they expounded. This year continuing the work was Nan/Frank Habersberger (NNJSDA) and Cookie/Dick Lighthipe (CCNJ). All dancers who had successfully completed this refresher course and who attended at least 80% of the workshops were awarded certificates of merit at their final session.

Resisting the pressures to form their own club, of the 29 couples who registered - one moved away; 4 decided S/Ding was not for them and the remainder have joined existing clubs and are enthusiastic endorsers of CAE. Our thanks to Betsy Gotta who called 1st & 3rd Mondays and to Dick Lighthipe, Stan Zaczkowski, Fred Weiner, Bob Kellogg, Bruce Vertun, Art Seele, Fred Fields & Jim Howatt for taking turns on other Mondays.

The longer the program continues, the more drop outs and new graduates we can help. We feel we are succeeding in the central area of NJ. Delegates, dancers & callers have expressed a need to expand the program - in fact some have volunteered to help and have found locations for CAE-North and CAE South....and possibly West!!! Now the question is will YOU help? Will you support this expanded program? Art Seele (CCNJ's president) and Nan/Frank Habersberger (NNJSDA's new president) welcome suggestions from one and all who are interested in helping solve the timeworm dilemma of drop outs.

This issue is the swan song for our Southern Area Reporters - MARY & WALTER NARWID. We want to publicly thank them for all their efforts to gather the news...we share their disappointment when some club reporters failed to observe the deadlines. We'll miss your chatty notes, comments and the extra little quotes...

Our president's ball was scheduled for February which was (appropriately enough) the Washington's birthday holiday. It was also the occasion of a 17" snowfall that closed down everything - including our dance. We then combined the president's ball with the club's 5th anniversary party in March. Our secretaries, Vince/Harriet Wilding, attired as George & Martha Washington, greeted almost two squares of presidents from neighboring clubs (Harriet had a little difficulty square dancing in the long satin 18th century gown she wore, but it didn't stop her.) (ED-pix came too late for this issue - sorry!)

Guest caller John Kaltenthaler introduced us to some contra dances at our St. Patrick's Day Special and everyone had fun with them - no one seemed to notice that one was of scottish origin. The next and last special of the year will be in May with Dick Pasvolsky calling - come join us. (Ad on page 34) reporters - Margie/Wally Cox 201-667-8411

In March we were raided by two busloads of dancers from Long Island. (103 souls in all) Our ladies outdid themselves with sandwiches, vegetable platters, and cake. Indeed, although we served the food all evening, there were still some sandwiches left over, which we gave the raiders to eat on the bus enroute home. Joe Landi was our guest caller. He did an excellent job. We had 30 squares at a time going, while other dancers were "refueling" for the next tip.

In April we had our first mystery bus ride, 49 dancers participating. We raided "Leisure Squares" at Mountain Manor in the Poconos. We enjoyed an excellent buffet supper followed by lots of good dancing. Despite the hearty meal we had eaten, we managed to devour a goodly portion of the very good and substantial refreshments provided by our host club. Our class teacher, Marty Clifford, and his lovely wife, were with us and Marty called a tip which we all enjoyed. Our host club was quite impressed and a mighty good time was had by all. This outing was so successful that we plan to have another mystery bus ride in the fall. (ED-Leisure Squares guiding couple is Hattie/Lou DeLeau - many old timers will remember them from the Teaneck, NJ area. When they retired from Circle Eights, they went west and began Leisure Squares) reporters - John/Margaret Martinez 201-688-0475

"Death is not a period, but a comma in the story of life. Most of us understand death for the first time when the Master Caller places His Hand upon people we love. May they rest in peace." With these poignant words, our President offered our condolences to the families of our members, Claire Landis and Tony Gaeta, who departed to their ultimate eternal reward on March 27th. We are left to meditate fondly on the friendship we have enjoyed with them, as well as find further significance in the valiant message Tony provided on Page 62 of the last GRAND SQUARE Graduate Issue.

Our Club danced in April with Bruce Busch as guest caller. We then took off a week to concentrate on celebrating the Holidays with family and friends, and absorb again the wonder of the miracles of God's gifts. Happy Holidays to you and yours! Certainly for the members of this club, stunned by the above sobering experience, we will have reason to reflect on the transiency of mortality and the need to love one another on all levels.

No better route to these goals exist than Square Dancing! And for those who would like to enjoy a fun Summer Workshop to sharpen their dancing skills, meet new friends with the same motivation, join us in Lee Kopman's Workshop (see Ad Page 25), and join the love-in Colonial Squares experiences when Lee brings you forward to the best of your potentials!

CIRCLE EIGHTS -- Tenafly, N.J.

4th Friday

Mackay School, Jefferson Avenue

Our March dance was a great success. We had 7+ sets with visitors from Staten Island and Rutgers Promenaders. We are all just back from our super semi-annual weekend at Round Top, NY. There were 59 of us in all. The weather was really on our side. The sun shown most of the time and whenever it hid behind a cloud, our Presidents, Les/Bertha filled in admirably with their own sunshine. Our magician, Bob Gordon, treated us to a magic show. We are already well into plans for our next weekend in October with just a few openings left. Why not join us?

April had its somber note when we all were shocked at the death of Rod Terminello. He & Jo have been staunch supporters of our QS club ever since they graduated and have been active angels at the S/D class being co-sponsored by Stan's Patriotic Squares & Tenafly Squares in Bergenfield. We will miss him and offer our condolences to Jo and the family.

Last year one of our members, Charles Baumuller, had a bypass operation; now it's Dave Pinand's turn in May. Graduates - our May dance is in your honor - Come join us for QS dancing and delicious refreshments.

P.S. - Whoever said bad news travelled fast, was wrong. As we were all mourning the loss of Rod, we learned that another member, LEN PADAWER, had died the previous Saturday of a heart attack. Members of See Saws Class of '77, LEN & Estelle could also be found dancing at Tenafly Squares, Tenafly Twirlers, & Circle Eights. A quiet unassuming couple, always willing to help, we will miss Len's quick smile at his corner. We're sorry we didn't have longer to enjoy both Rod's & Len's friendship and extend our sympathy to Estelle and their family.

Bob/Torlaug Stolte, our newest PATRONS, wrote... "We really enjoyed working for the Patrons Badge. Met a lot of nice people and will continue visiting NNJSPA clubs. It really was a lovely experience."

The SQUARE PINCUSHION shares with you bits and pieces from our mailbag.....

First, an addition to the information about square dance patterns and their availability which I mentioned in the last issue-Until now I was unaware that some of our square dance apparel shops also carry patterns so please accept my apology for not mentioning them. Authentic patterns are available also at Hickory Hills in East Brunswick, also some patterns at Hannelore's Korner in New Milford, and some at Shirley's Square Dance Shoppe in Hughsonville N.Y. I'd suggest a call in advance to see if what you're looking for is to be had in your size. If there are other locations for square dance patterns I'm not aware of the fact and am sorry if I neglect to mention it. However, we'll share your findings if you get the information to me.

A helpful hint from reader and dancer Kathryn Hill of Blairstown. This is a most helpful hint for the hemming of circular skirts. Machine stitch a row where the hem will be turned first. This will keep it from stretching. Turn on this line of stitching and stitch both thicknesses about $\frac{1}{4}$ " from the bottom. You can add a second stitching if desired. This type of hem will eliminate the excess bulk and your skirt will have a nicer swing. Try it.....

Caller Bob Kellogg's wife, Jean, has a super idea for getting more mileage in an outfit- make a skirt and a separate bib top to convert the skirt to a jumper and fasten it with velcro....Velcro is available in fabric shops by the inch and is much better than sewing lots of snaps.

And with summer approaching atip from an anonymous dancer concerning what to do with that little purse- make a small clutch-type bag, making two large buttonholes in the rear section for your belt to go through...presto your purse is with you and out of the way...

FOLLOW UP - Regional S/D Meeting - MASA (Mid Atlantic States Association)

On March 18 two NNJSDA couples (Jim/Fay Bates; Sol/Harriette Koved) represented the Ass'n at this regional meeting in Harrisburg, PA. 37 dancers (including 5 Ass'n/Fed presidents) from 4 states attended "to air pros & cons of organizing a multi state regional ass'n, whereupon data would be returned to the dancers for a vote determining pursuit of such an Association." Discussions were held on a possible regional associations' objectives, its financing and communications. Other topics included By-laws, education, S/Ding and callers, hall rentals and the National S/D Convention and what changes the fuel crunch may evoke. If Steve Musial hadn't kept to a time schedule the group would still be there talking!

Most present were in accord to explore further a regional ass'n, provided the clubs and ass'ns represented by this leadership approve it with a June 1st deadline for replies. Our delegates voted their reply in April.

QUARTERLY SELECTION COMMITTEE reports...

(copy from CALLS 'n' CUES of WASCDA)

For the quarter beginning April 1, 1979, CALLERLAB has voted NO NEW MOVEMENTS. For those groups who wish to use some workshop material during the Mainstream Dances, we recommend you feature some of the calls from the Mainstream list that you haven't used too frequently in the past. The Mainstream emphasis calls for the quarter beginning April 1, 1979 are The FOLD and CIRCULATE Families. There is a great deal of material that is waiting to be used if we, as callers, work at it and present it to the dancers in a palatable fashion. Or, you might wish to use some smooth flowing All Position Dancing (APD) material. Please remember that the theme for the 6th CALLERLAB Convention is Comfortable Dancing in the Proper Spirit.

We would also like to remind you readers that the purpose of the Quarterly Selections Committee was to review the available moves with an eye towards selecting moves that were suitable for workshoping at the Mainstream Clubs. A Mainstream Club is one where the majority of dancers dance on the average of once a week or perhaps twice a month. While there is no shortage of moves being written by today's choreographers, there is a distinct lack of moves that offer the potential widespread use at Mainstream Clubs.

When CALLERLAB established this program, we felt that some guidance was needed to limit the number of new calls that many dancers were being exposed to. While some dancers and some clubs can handle several new calls each month, many dancers and clubs cannot. It was with this in mind that CALLERLAB decided to select 0, 1 or 2 calls per quarter to be emphasized in those groups where workshoping was desired. It was not the intent that all clubs would use any given figure. For instance, last quarter, the figure TWO STEPS AT A TIME was selected. Some groups are not yet comfortable with the Basic PEEL OFF. We would urge that the caller for those clubs not use the Quarterly Selection in that case. CALLERLAB is not trying to dictate policy to any club or caller, rather, we are trying to provide a screening process that will enable dancers to get some new material in a controlled manner that will offer a longer lasting appeal to the majority of dancers.

Each year, during the CALLERLAB Convention, the membership votes on the list of Quarterly Selections to reduce the list to no more than 10 calls. Obviously, this means that some calls will be dropped. A call may be recommended for inclusion at the Mainstream level if it has been on the Quarterly Selection list for a period of not less than three years.

Our thanks to ART SEELE, CCNJ President, for the following report on CALLERLAB's annual meeting....

The sixth annual convention of the International Association of Square Dance Callers (CALLERLAB) was held on April 9 thru 11, 1979 at the Los Angeles Marriott Hotel stressing "Comfortable Dancing in the Proper Spirit". The attendance exceeded 900 and included 540 callers from 41 states, 5 provinces of Canada and 5 foreign countries (New Zealand, The Netherlands, Japan, England, and Australia). There were many significant actions taken by this group and these will be reported in detail in later issues.

Jon Jones of Texas was elected to Chairman of the Board and his Executive Committee for 1979-80 will include Al Brundage of Florida, Herb Egender of Colorado, Bill Peters of California, Dave Taylor of Illinois and John Kaltenthaler of PA who was reappointed as Executive Secretary.

It was resolved that the following basics or parts of basic families be deleted from the MS & that they be referred to the Plus Level Committee:

- #19 Couples Lead Left
- #25 Swat the Flea
- #33 Shoot the Star (3/4)
- #38 Couples Backtrack
- #56 Cast Family (1/4, 1/2, In, Right, Left)

Discussion: This would leave the Cast Family as only Cast Off 3/4

Backtrack will be added to U Turn Back & will read U Turn Back/Backtrack.

continued from page 45...

While the CALLERLAB members revamped and renumbered their Programs, there were no sweeping changes. The BASIC Program (B) now goes only thru 37 with the changes mentioned on page 45. EXTENDED BASIC (EB) Program is renumbered but remains basically the same with the addition of #38 Turn Thru and #40 Ocean Wave Family with a. Right b. Left C. Balance and d. Pass the Ocean. Ferris Wheel was added as number 53.

In the MAINSTREAM Program (MS) #56 is now Cast Off 3/4. The definitions for the calls 39 thru 69 on the 7th draft (shows how hard & long they discussed these points) of the MS listing were adopted on a one year trial basis. Special emphasis is being placed on # 69 - RECYCLE. It is redefined as ... "Starting from an Ocean Wave, the ends of the wave Cross Fold as the centers of the wave fold in behind the ends and follow them on around to face in as a pair." In other words a NO hands movement.

As for the QUARTERLY SELECTION LIST (QS) - *Chase Right* and *Coordinate* were all moved to the Plus One listing. *Trade the Wave*, which was also on the Plus One list, was taken off OS and left in +1. *Stroll and Cycle* and *Grand Weave* were dropped altogether. *Roll* was extended, or really clarified to be used only from the following: a. Adjacent columns Trade & Roll; b. Centers of wave or 2 Faced lines Trade and Roll; c. Half Tag Trade & Roll; d. Partner Trade & Roll.

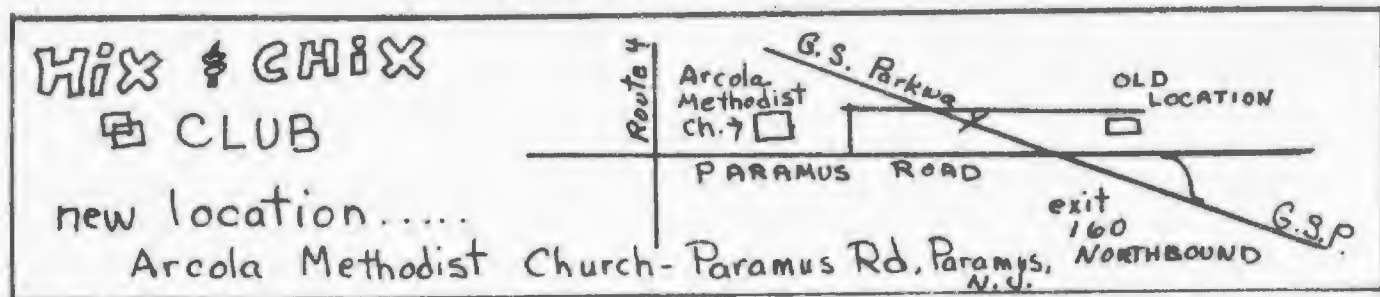

CALLERLAB recommends 41 weeks of 2 - 2½ hour lessons of approximately 80 hours of instruction to teach the MAINSTREAM PROGRAM (Calls 1-69). They ask callers to not teach just from a single position/formation and to also teach styling as well.

Other than the additions mentioned above to the Plus I listing, Plus I and Plus II remain the same. Callers, and clubs, are asked to limit their calls to the advertised level and not to use a call from a list other than advertised unless the caller walks it thru or workshops it first. If you are doing a Plus I workshop, then please use calls from the Plus I list only.

The convention was also concerned with styling and timing - passing resolutions on both. The timing list as approved during the '78 convention was approved as permanent. The styling hints, timing lists and new Callerlab Program Lists will be included in future issues of GRAND SQUARE as space permits. Those interested in obtaining copies send a stamped, self addressed envelope (#10 size) to CALLERLAB Secretary - John Kaltenthaler Box 679 Pocono Pines, PA 18350.

The following members of CCNJ attended the Callerlab convention: Roy & Betsy Gotta, Wilson Hoff, Dick & Joanne Pasvolsky, and Art & Anida Seele.

The highest award of CALLERLAB, the Milestone Award, was presented to the following: The late Ed Gilmore, Lee Helsel, Bob Van Antwerp and the late Doc Alumbaugh. Small world Awards were presented to Tac Ozaki and Matt Asanuma of Japan; Pete Skiffins of England; Jac Fransen of the Netherlands; Wally Cook & Barry Wonson of Australia; and Graeme Thawley of New Zealand. Next CALLERLAB Convention will be held in Miami Beach, Florida March 31 through April 2.

CALLERLAB HAS stressed the importance of advertising dances by LEVELS so that dancers will be able to attend a dance where they will have the benefit of dancing all evening instead of waiting for a Left Allemande and breaking down again after a few more calls.

Harold & Marie Hansen 38 Compass Avenue, West Milford, NJ 07480

Several years ago Marie Bechter created an unusual wedding dress for Linda's wedding to Charlie Morrison. By attaching the bottom ruffle of Linda's wedding dress with velcro, when it came time to S/D after the ceremony - voila! one tug and a S/D dress! Now along comes another great idea from Jean Kellogg. As Rose Ericson mentioned on page 43 in "The Square Pin Cushion" - Jean can create two outfits by the use of velcro and simply detach the bib top from her skirt.

If you have an idea you would like to share with our readers, or know of some one else who would care to do so, please contact the editors.

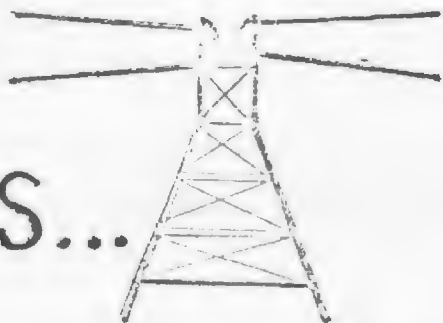

WELCOME to new graduates. We had the opportunity to meet so many of you during our class level dances, where we averaged 11 sets a night! We hope to see many of you again at our club. We are a MAINSTREAM CLUB & offer a comfortable level of dancing. Congratulations to Harold/Marie Hansen whose names were omitted from our Graduation list. (ED-too many Hansens for typist)

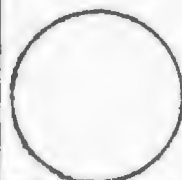

So many clubs close their doors in the summer, instead we move out-of-doors to an open-air pavilion at Bubbling Springs Recreation Area for July & August. Be sure to see our ad on page 9. We have found it very valuable to continue to include square dancing in our summer activities. So don't take a vacation from square dancing, join us in the cool balmy breezes at Bubbling Springs and stay in shape for the fall dance season.

Just as Spring is known for the tree & flowers blooming, so are the S/D Clubs throughout New Jersey, and elsewhere producing their new crop of new budding dancers. We congratulate you all. Our first June dance is to welcome new graduates to our club. We hope to see you all. You'll find a warm welcome at the door, along with our hospitality & friendship and good fun dancing with us. We celebrated in March our 4th anniversary with a sumptuous Lasagna dinner prepared by some of our Executive Board (Diane Mitchell, Joan/Don Leitner, Net/ Harry Bender). Our regular dance followed after the dinner. We chalked up another great year. I don't know if the reason is the right time, right day, right place, & the best caller...and most of all the great people that come - cause that's us - the Kuntry Kuz'ns. See you all dancing. reporters-Arleen/Jim Ahnemann 201-729-7513

The I'DTT Dance To That (IDTT) club is a mainstream club designed for the new graduate, occasional dancer and for the dancer who does not want to push to dance +1 & +2. The program is based only on Mainstream calls with workshopping of those figures with which people are having problems. We also do simple round and line dances. Our purpose is to keep dancers dancing and to provide a good foundation at the mainstream level.

1 & 3 Wednesdays

Community Church - Rock Road/Hamilton Avenue

WOW! Our opening dance in April was a huge success. About 18 sets made up of 20 different clubs jammed the church to give us a rousing send off. We thank you all for your support. Our graduation ceremony stressed the concept of square dancing being a fellowship of dancers from all clubs. Each graduating couple was ushered to receive their diploma and badge by a sponsoring couple from another club.

Special thanks to Keith & Doris Douglass for their untiring efforts in getting our club organized and making all the necessary arrangements. Also thanks to our callers wife, Jeanne Brody, who made the banner, organized refreshments & made flyers, etc. In addition to all the festivities, we were raided by 4 sets from Stan's Patriotic Squares - now our brand new banner has its first badge. Our club caller, Paul Brody, did a fine job along with guest callers Bob Mulroony & Stan Zaczowski. We look forward to seeing you all year long, including the summer, at our club. See our ad on page 7....note we change days for summer dancing.

Thanks again for your support. Happy dancing.

Our graduation night was a huge success. The gayly decorated hall was bursting at the seams with dancers. Peter Rabbit (Bill Schwartz) came to dance. A beautiful cake made by Connie Medlicott was delicious. We congratulate all new graduates & invite you to come out & join us on our fun filled club nights. Get well wishes to Madeline Bergeron & Ruth Corcoran.

Just about all our club members are going to our Henryville, PA weekend. Once again we are planning our annual fun filled family picnic at the end of June. 6th MINI FESTIVAL

at CALDWELL COLLEGE - SUNDAY, NOVEMBER 25th, 1979

INTERNATIONAL CALLER: PICK FLEMING of Ontario, Canada is a full time caller that has kept dancers on both side of the border "tagging the line" for over 12 years as he moves about his International circuit. He has permanent club assignments on both sides of the border. Pick is gifted with a very fine and versatile singing voice that only enhances his very winning personality. We are proud to present this fine Canadian Caller for your enjoyment & know you will be pleased with his performance.

NATIONAL CALLER: MAL VIKES CAMERON of Deerfield, NH has been spinning records for over 15 years. When we dance with VIKES it's time to LET THE FUN BEGIN (his record on TOP label). Not only can we find him at TOP, but he has been calling in all the New England States as well as Florida, KY, Michigan, PA, NY & NJ. An advocate of the "keep 'em dancing" theory, he believes the FUN in a dance should never fall by the wayside. He can keep you guessing how you managed to do that, even though you couldn't do it before. Let's dance-a-long with VIKES just for the FUN of it.

LOCAL CALLER: JOHN KALTENTHALER of Pocono Pines, PA does call in our NNJ-SDA area most frequently, however he has much varied experience in calling in various parts of the world as well as many of our States. He is currently the Executive Secretary of Callerlab as well as being on the staffs of World Dancers, Legacy, etc... We know John will bring much FUN and experience to our program as well.
