FRANK & NAN HABERSBERGER - NNJSDA President

When Nan came to USA from Scotland in 1946 they discovered Eastern Square Dancing which they did for ten years.....Discovering Western Style they graduated from Y Squares and served their mother club as treasurers & presidents...Having served the NNJSDA as 3rd, 2nd, & 1st VP's and corresponding secretary & CCNJ Liaison, it was only fitting they assume the Presidency in '79. Nan is an office manager, sings in the church choir & enjoys knitting. Frank is a chemist & church usher. They have a married daughter/son & 2 adorable granddaughters. Enjoying both the squares & rounds, they can't imagine what life would be like without this wonderful activity of fun and friendship.

From the desk of FRANK & NAN HABERSBERGER, presidents NNJSDA

In our Square Dance activity we depend upon effective leadership at the Club & Association levels to make the correct decisions to keep our Clubs strong & viable in difficult times and yet be alert & progressive so that when new opportunities come our way they will be quick to recognize and make the most of them. There are three separate activities taking place now that can have great significance to us in New Jersey and Square Dancers nationwide. By providing effective leadership now, we can tie these activities into one objective and be well on our way in establishing Square Dancing as "The American Folk Dance" of the State of New Jersey. This would go a long way to help the National campaign.

### Phase 1 - Identity

Thanks to the ten squares that performed at the Statue of Liberty on October 6 & 7 at the first New Jersey State Ethnic Festival, our Club Dancers positively identified Square Dancing as the American Folk Dance. The flyer printed by the Governor's Ethnic Advisory Council publicized this fact.

### Phase 2 - History

NNJSDA will send to every New Jersey State Senator a copy of the History of Square Dancing in New Jersey, requesting their support for passage of a Bill proclaiming Square Dancing as the American Folk Dance of the State of New Jersey. After the November elections, similar petitions are to be sent to our State Assemblymen requesting their support.

### Phase 3 - Petitions

One petition, provided by the National Folk Dance Committee and a second, provided by NNJSDA, will be circulated to all Clubs for dancers signatures - to be collected at a specified date. It is hoped that both proclamations will take place in 1980.

Phase One is completed and Phase 2 is now being acted on by our Vice Presidents in charge of Publicity, Sila & Gabe Dell'Angelo and their Committee headed by Frank & Helen Cavanaugh. With the years of involvement and experience represented by all Club Officers, Delegates and the NNJSDA Executive Committee we are ready and we are doing it now. We ask for the full support of all Square Dancers.

To all who've asked "What happened to LUST in NNJ?". Rest assured, it will be back in '80. Our popular "Let Us Speak Together" or Leadership Seminar is being planned for next Sept. If you have a special topic you want covered contact Habersbergers/Tirrells. 60 dancers (some from NNJ) attended the Oct. DIET (Dancers Involved in Exchanging Ideas) Delaware Valley Federation's sister to LUST.

We're happy to be members of the NNJSDA.

We should all be in our old terrific s/ding form again after our autumn months of brushing up on the dancing we missed during the summer. It's great to be back in shape. Our class level dances are a real success with 17 couples joining us. Since 11 of our members participated in the Big "D" Weekend, our presidents John/Betty Anne Banker were able to pin the club

Raid Pin on the Big "D" banner. It is very fortunate that we did a lot of dancing, cause with all that delicious food they serve at Scott's, we would all be 5 lbs. heavier. A terrific time was had by all.

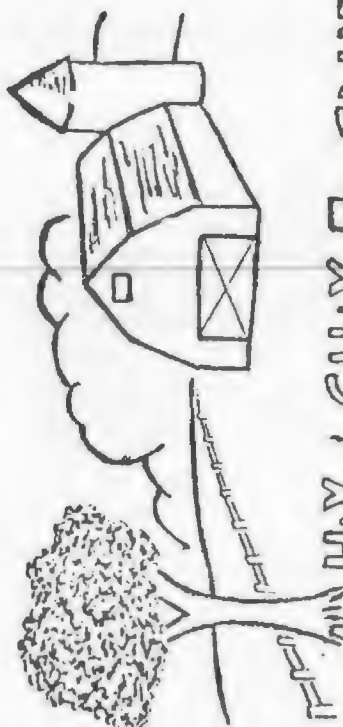

Thanks be to God, our own Don Green is healing nicely after breaking his back in a freak summer accident. You can't keep a good man down. Right, Don? We look forward to seeing him again at the Benefit Dance which is being given in his honor in November. Please see pg. 33 for our ad. We know that all of his friends, old and new, will want to attend this dance that we want to give him to show him how much we love and miss him from our regular dances.

It seems a little early to be saying this, but the time will be here before you know it. Happy Thanksgiving, Merry Christmas, and a Happy New Year's to you all. May God bless you all, and make your New Year a healthy, happy and prosperous one.

1st Friday CLOVERLEAFS -- Paramus, N.J. (+2 APD)  
 Bergen Mall Auditorium

Poignant, best describes our November/December dances when Jerry Schatzer will bid farewell to the East and follow Horace Greely's advice and "Go West!". But Jerry, when you get tired of brown hills and smog, we'll be here to welcome you back.

The monsoons struck our October dance. But all those hardy souls who braved the elements,..the horizontal rain...the flooded roads...the horrendous traffic jams had a special treat in store for them at the Bergen Mall Auditorium, besides plenty of up close parking. The Tirrells taught the ROM "Sail Away" (appropriate name for that evening!) & Carl Hanks gently led the dancers down the +2 APD paths. The ride home on moonlit dry roads was such a contrast to the ride earlier! An evening we'll all long remember. Remember Cloverleaves if you like +2 dancing All Position that is - rounds are at 8 PM with squares beginning at 8:30.

There sat two large sheet cakes, beautifully decorated & inscribed, but where were the guests of honor? Our first tip had ended & panic began to set in.....where WERE they? Finally, from the stage came the announcement of their arrival, and the newly-married Mr & Mrs. John Erdek were ushered in to the accompaniment of cheers & applause. With the cake now demolished and the evening over, we wish John & Mary Ann a happy future, including plenty of square dancing's fun and fellowship.

Those who accompanied Lee Kopman to the Delaware Valley Convention missed a rare opportunity to meet Harvey. He came with Bonnie Busch, who came with Bruce Busch, who so ably filled in for Lee that night. Harvey is that tall white invisible rabbit who fills in as Bonnie's partner when a three-sided square has been looking vainly for a fourth couple. Harvey can dance all those tricky positions that Bruce delights in setting up, but his vague appearance occasionally causes others to miss some steps.

As the holiday season approaches, the pace will quicken both inside and outside the S/D hall. With Lee on stage, we promise all a warm welcome and plenty of the Kopman brand of cheer.

Our new season was off to a lively start with 15 squares of old and new friends. Jim Marshall, a long time favorite, called a fun dance and we were delighted to have Nancy & Max Nosker back with us for rounds. Conspicuously absent were Allison/Ira Weissman who were home minding their new daughter, Eva Rose, born earlier in the week. Ira showed up later in the evening to receive congratulations. All our best wishes to the happy family!

October was a busy month with two major community events - the Metuchen Fair and the Hallowe'en Parade. We always enjoy participating because of the excitement and warmth of the crowd. Special thanks go to Marty Clifford. He is not only our able class instructor, but always a willing friend when we call on him for our hospital and community demonstrations.

To Margaret Martinez, we send our fondest wishes for a speedy recovery. We hope you'll be back dancing with us, soon!

## Catch All Eights - EAST & NORTH

This WORKSHOP established/co-sponsored by NNJSDA & CCNJ has started its third season, now in two locations. It is designed to return drop outs to club level dancing and a refresher course for all dancers who feel the need of it. This is for Graduate Dan-

cers only, it is not a beginners class. Dancers are requested to wear their club badges at all workshops. Both locations are averaging 3½-4½ sets of very happy & enthusiastic dancers. Betsy Gotta calls 2 X a month for CAE East; Dick Lighthipe for CAE North with guest callers filling in alternate nights. We're fortunate in having 4 dedicated couples run the workshops. They've put in much time/effort to make the dancers feel at ease & make things run smoothly. Contact them for information. They are:

It Seems To Us...

by Koveds

Awhile back we were fortunate to enjoy a double vacation attending a S/D weekend in PA & simultaneously visiting with our married children. Our oldest granddaughter (2 years) was introduced to the beautiful kaleidscope of S/D. Sandy was just fascinated by the bright colors, the stirring music, the happy swinging & particularly the girls' attractive petticoats. Our young family had heard a lot about the activity from us, so it was no surprise to receive the following letter a few years later.

"Dear Grandma -- Since you go square dancing I thought I'd tell you that I do square dancing too at gym! I just learned Dosido a few days ago. We aren't doing that good because the boys get close to girls and say ooh I don't want to be a partner with you the same with some girls I don't. love, Sandy."

We expected this type of behavior of seven-year-olds, so it was not a dissappointment. But we were quite pleased that the school system, or at least the gym teacher, considered the use of S/D as an instructional device to develop muscle coordination, a bit of grace & a smidgin of social poise. Yes, there's a lot more to S/D than having a whale of a good time at your local club.

The use of S/D in our school -- at different grade levels -- can be a very, very valuable experience for children...and relatively painless, too. There's a substantial variety of S/D recordings especially produced for this activity & skillful instructors have no difficulty using them.

2 & 4 Fridays Franklin Reformed Church, Hillside Crescent

Our dancing season began with a good crowd in our new hall at the Franklin Reformed Church. We are pleased to have better parking facilities as well as an attractive building and good dance floor. A new class also began in September with Jules Pozsar instructing every Wednesday evening at the Montgomery Church in Belleville.

The weather did not cooperate with our annual fund raising rummage sale but we still managed to give the Treasury a much needed boost. Thanks to the efforts of Presidents Frank/Betty Olier and the membership in general.

We hope you all had a happy summer and our club looks forward to seeing you on the dance floor in the coming months. See our ad on page 35 for our specials and coming events. reporters-Wally/Margie Cox 201-667-8411

Our Presidents, Jane/Fred Posselt, together with the other officers, have worked very hard to keep Dancing Squares the outstanding club it has always been. Bob Kellogg can never be replaced in our hearts - but some excellent callers have taken on the assignment of keeping our dancing up to the level Bob had maintained. Our open house had Manny Amor calling & Ron/Ree Rumble cueing. Mike Foley had us stepping in October with Tom & Pat Cribbin cueing rounds. It was particularly nice to have Jean Kellogg with us once again.

Our officers for this year include Jane/Fred Posselt, pres.; 1st VP Susan/Bela Kobza with Rosemary/Mickey Biggs serving as 2nd VP's. Our Treas. are Sallie/Jack Trainor while Lee/Chet Bernstein function as sec. Representing the club as delegates to NNJSDA will be Doris/Dick Zink. We will continue our dance schedule as before - 7:45-8:30 rounds; 8:30-11 for squares and of course coffee & cake after the dance.

## GARDEN STATE SQUARE DANCE CAMPERS

Now that our campouts are mere memories, we remember with fondness one of the best after-party events the Club has ever had. The Bavarian Festival with its enthusiasm, costumes, hats, bands (Heine Kablotz & his SAUERKRAUTS), dancing, hot dogs (would you believe 250), beer 'n birch, and superb weather, made our September campout fantastic. The entire committee & volunteers for this affair are to be

thanked and congratulated on a job well done. Pictured are rainy memories.

Don't forget to get those dues paid so that you will be eligible to attend our great annual dinner-dance in January. We wish you all a most joyous Holiday Season from our "site" to yours.

(continued from page 9) "It Seems To Us...."

Now we don't expect that everyone reading this to rush right out to crusade for S/D in the schools. But, the wise educator will use it in the curriculum....so parents can give a hint here, a suggestion there, a comment when it will do the most good.

Square dancing is a marvelous physical and social activity. Come on - share it with the coming generations.

## INSURANCE COVERAGE Committee Report - Ed Bell

On Dec. 15, 1976 the NNJSDA entered into a group liability Insurance Policy with the Selected Risks Insurance Co., of Branchville, NJ to provide Liability Insurance for all NJ based Member Clubs who desired to join. Member clubs based in NY were not eligible to join, but were urged to join the insurance program sponsored by the NY State Federation.

(Insurance Chr. Ed Bell has sent an updated coverage information bulletin to all NNJSDA Club Presidents. This bulletin should be given to the Club Treasurer to retain & have available for ready reference by all the Club Executives. And pass along to their successor.)

Basically the coverage is Liability against bodily injury \$300,000; against property damage \$100,000; medical payments \$500/\$10,000. A "certificate of Insurance" will be issued each member club participating. The member club will be billed by the NNJSDA Treasurers for the amount of the annual premium due. Continuance of coverage under this policy requires the filing of an annual "Renewal" form. (It was due Oct 31! Call if you forgot!) NEW clubs that are approved NNJSDA members may join this insurance program by requesting an "Insurance Membership Application". The Selected Risks Insurance Company Agent that handles the NNJSDA policy & all matters pertaining to it is: The Marjorie Ellis Insurance Agency 255 Woodport Road, Sparta, NJ 07871.

Check the bulletin for exact wordings, but basically your club, all its members, guest dancers & class members are all covered at all dances sponsored and scheduled by your club - including specials, Executive Board meetings, demons. You are not covered en route to or from the dances.... just while there. Remember, all questions to Ed - in writing.

As the leaves begin to blaze in their Fall colors, we are ablazin' as twirling skirts and handsome gents get into the full swing of our S/D season. Our dances have started out great with Jerry Schatzer, Will Larsen & Glenn Cooke calling. And more good times are ahead. See our ad p. 19.

Newly elected presidents, Jack/Nancy Anderson, are steering a course filled with fun the entire year. Our recent demo at St. Clare's Harvest Festival was only the first of many fun filled events & brought some enthusiastic onlookers whom we hope to see at classes.

Vic/Rose Scango are doing a great job at our S/D classes with our 4 squares of newcomers. As usual Dick Maddocks makes the learning more fun with his favorite call - RIP & SNORT!!! And it's good to see so many angels from last year's class there to help out. Our fall picnic was held in October. Emil/Judy Ciurezak did a great job getting it all together and a good time was had by all.

To complete this writeup, as the leaves are turning and Thanksgiving approaches, our thoughts turn to the many friends and memorable events S/D has given us, so from all of us at Hanover -- a very HAPPY HOLIDAY!!!

2 & 4 Wednesdays

Community Church, 345 Guyon Avenue

Our September Dance was in honor of LEE & RAY KIRCHMYER. These two people are very well known for their contribution to S/D & R/D on Staten Island. Lakewood, Florida will be their new home shortly. Our loss, Lakewood's gain!

Back in the early 50's a small group of dancers, "Great Kills Square Dance Club", were dancing Eastern style S/D on Saturday nights. Basics were limited to 45. Folk Dancing was also done. Lee & Ray became Folk Dancing instructors and much later this led to their becoming R/D instructors. Also active in this group were Jean/Jim Laird and Beulah/Joe Samec. They had heard that the Rahway Square Set in NJ were doing something called Western S/D, quite different and more challenging. They were impressed. Beulah Samec attended callers classes, a committee was formed and Western S/D had its beginning on SI with Lee & Ray as Presidents of Richmond Dancers. Years later, in 1963, they served on the committee with Ed Olive, Marty Clifford & John Carroll to form Isle Squares. Lee & Ray have cued rounds for us from then until now. Ocean Waves S/D Club also had the guidance of this fine couple when they came into being. The R/D were also cued at this club by Lee & Ray until this date.

The Kirchmyers have contributed their time and effort to numerous service projects including Senior Citizen Dance Programs. We will certainly miss them! We wish them good health, much happiness and many new friends.

Our first dance was well attended, our class is large & enthusiastic and our 7th Anniversary Dance was enjoyed by many. Our opening dance was also a 50th Wedding Anniversary celebration for members, Jean & Oliver Walker. May we all look as well on our 50th.

Our annual demonstration at the restored 18th Century Millbrook Village was enjoyed by numerous onlookers. Demonstration dances such as these have brought a number of interested spectators into our club as very active members. We will give another demonstration at the Sussex County Library under the sponsorship of the Sussex County Arts Council.

Our active chair-persons, Trudy/Jack Austin, are preparing more raids this year. In December Old St. Nick will be a guest at our Christmas Dance. Come & have fun with us as we exchange gifts. You can come & have fun at all our dances. Our Dick Pasvolsky is a fun caller & rounds are cued by Jean/Jess Elrod. We hope to see you during this coming season. Our Winter Season is off to a great start! Our Open House with guest caller Will Chamberlain; the Pot Luck Dinner; our first Fall Barn Dance; our R/D classes; our S/D classes - our members have really been busy! At the close of class registration, we had about 85 dancers enrolled to enter the Wonderful World of S/D and with the help of Glenn Cooke and our Angels, we're certain you'll see the majority of them on the dance floors in six short months! We're extremely happy to report that almost all of our '79 Graduates are back to join us this Fall! (Perhaps our News & Notes for New Dancers, which was provided to our class members monthly while they were taking lessons, made them feel like Club members long before they "graduated".)

Oops - we goofed! For those of you who may have picked up one of our printed "card schedules" in September or early October, PLEASE watch for the reprint - our printer didn't make a good "mind-reader".

Hope you all get a chance to come out and join us - we have a great time with Glenn Cooke and Shirley Bellotti!

The cool crisp air has come to North Jersey. The leaves have shown us their beautiful colors - like the ladies' dresses floating around in circles on the dance floor. What a wonderful feeling to enjoy the beauty of nature & the joy of a S/D as we did at our Fall Fling in October.

Soon we'll be seeing the beautiful white snow fall (Ed. It's snowing now!) and feel the warmth of our friends on the dance floor. The holiday fast approach & the hustle and bustle of the season will be upon us. Don't get lost in it all without enjoying the fun of our Holiday Special in December. Take time out and relax with Dick Jones and his festive calling. Enjoy the warmth of the people around you & give it to them in return. Show that smile, open your hearts & square to that new couple you don't know. Bring the joy of the Season into your S/D.

We hope to see you at our Wonderful Winter Dance in December and then at all our other dances. Happy Holidays.

Hi, Fellow Dancers! Well we are well along and dancing into our new season. Our Fall demonstrations are past and we are having a fun time encouraging our new class. Remember when we were all there, wondering if we would make it. Just yesterday. A new guest caller to our club, Jim Adams of PA, discovered O/W on the traditional Columbus Day. Our old friends Dave Hass & the fabulous Frannie Heintz have already made their Fall trip to St. Fun times were had by all.

Adding a little spice to our life, we are welcoming a mystery caller in November and having a dual celebration of Christmas and our club's 10th Anniversary (see our ad on page 37) We will dance out the old year with Betsy Gotta. O/W wants to say, in a very special way "Au Revoir". "Vaya Con Dios" to Lee & Ray Kirchmyer as they relocate to Florida. Thank you for many years of fun and friendship. Wishing each and everyone a healthy and Happy Holiday Season. PTL reporters-Joe/Teresa LaPointe 212-356-0381

2 & 4 Fridays PRINCETON SQUARES -- Princeton, N.J. (+2 APD)  
Community Park School, Witherspoon Street

Isn't it good to get back to the regular schedule again? We have had two very enjoyable dances called by our club caller, Bruce Busch. Bruce will call most of our dances this year & we are looking forward to many evenings of good fun. Both dances were attended by Kevin Hoeschele who was born in July to Carolyn David Hoeschele. Since he is so new, he spent most of both evenings sleeping. Congratulations to the proud parents! We have three enthusiastic squares of beginners who are being taught by Fred Fields at Littlebrook School. Visiting dancers are always welcome at Princeton Squares and we hope to see many of you there as often as you can come. Happy dancing. reporter-Arthur Wilson 609-393-0286

2 & 4 Saturdays RAMAPO SQUARES -- Oakland, N.J. (ADV)  
Heights School, Seminole Avenue

As holiday time approaches, we pause to reflect how much we have to be thankful for in the "Wonderful World of S/D"...good times, good friends, good dancing! We wish everyone a joyous holiday season. At this time we are looking forward to our annual dinner dance with caller Dick Green. A recent picnic at Campgaw Reservation was enjoyed by several members. Our Nov. 24 dance has been cancelled, but the rest of the year promises some very exciting evenings - see our ad on page 18. We are not planning a class this year but may develop an advanced workshop for dancers who wish to add new calls to their dancing levels...using material taped from our regular dances. Contact Ann/John Natalo 664-4214. Great to see Ruth Burrows back dancing. Our treasurers Evelyn/Cliff Sprague will be handing out orange "pom-poms" to first time dancers at our club. We welcome these special people and hope they find a desire to return. Our own incomparable Lee Kopman & terrific Doc/Peg Tirrell on rounds opened our season!

REELERS -- Ironia, N.J. (+1)  
1 & 3 Fridays Elementary School, Dover-Chester Road, Route 513

Everything was coming up roses at our Tim Ryan dance, not only was the calling, dancing & crowd great but our presidents sold out the roses to support the Rose Parade Float - what a nice addition to the badges.

Thanks to great club participation, 28 couples at the September NNJSDA dance, our club took the attendance banner for the third time and now permanently display it on our club banner. Our new classes are off to a great start with 21 couples signed up under the direction of caller Wilson Hoff and our VP's Walt/Betty Harris.

Our letters are out to our Congresspersons asking their support of HJR 69 making S/D our American Folk Dance...50 signatures strong. Has your club supported this? Come join us for our John Kaltenthaler, Bob Witt, Jim Adams and Dick Pasvolsky dances, see ad page 49; Our welcome mat is out, see you soon. reporters - Ron/Bev Lommatzsch 201-584-6233

2 & 4 Saturdays St John's Lutheran School, 663 Manor Road

Our season started off with a bang at our Dessert Dance. Everyone brings a favorite dessert to share with all before the dance. Our class started in Sept., Marty Clifford teaching. Ten couples showed up & are already well along the list of basics. Several couples from Richmond went to the Statue of Liberty on Cultural & Heritage Day. A demonstration of S/D was part of the activities. And the next weekend, some of our couples were dancing in CONN with Gary Shoemake & Jerry Haag at the New England Oktober fest. Past President Leo Bichler was in the hospital for minor repairs - he will be home by the time this appears in print. Get plenty of R & R, Leo - we want to see you back dancing soon.

RUTGERS PROMENADERS -- New Brunswick, N.J. (QS)  
2 & 4 Thursdays Douglass Student Center

Our new season has gone off to a very smooth start. Lessons are going along especially well; we even managed to achieve an effective balance of men & women, which has been difficult in the past. And, as always, Betsy Gotta and all our club angels have been just that - simply "angelic" - in their faithful support!

The September Special was a rousing success! Will Larsen did an excellent calling job for us & attracted a large crowd including a few "die-hards" who came straight from the Delaware Valley Festival in Philadelphia. A good number of us attended and had a tremendous time. Until next issue, happy dancing! (ED. Congratulations & Best Wishes to the newlywed reporter She & John met at S/D classes where he was angelling. Naturally there was a bit of S/D at the wedding on September 8!)

We deeply regret the demise of our beloved member, Augie Semendinger, who passed away on Sept. 17th. He will be missed by his many friends that he made while square & round dancing. Our club extends its heartfelt sympathy to his gracious wife, Ruth, who sent the following lovely letter to our club: "Thank you again and again for your words of love and sympathy. We had such fun square dancing with you. Augie and I had a long and happy life together. Square dancing & round dancing, in the last five years, gave us much joy before my smiling blue-eyed "Pal" slipped away. Do this for me - Keep smiling and dancing."

At this time, permit us to borrow some appropriate thoughts from Tennyson's "Crossing the Bar".....

"Sunset and evening star, And one clear call for Gus!

He'll have a smile when facing Him, Just like he had for us.

And though his travels took him far, With one he loved so well,

This last one he must take alone, For he has crossed the bar."

Many who came to our first dance to observe and be introduced to S/D by our club's caller, Jules Pozsar, were most favorably impressed & signed up for lessons. Our new format of having guest callers on first Saturdays got off to a good start with nine squares enjoying the calling of Bob Tarrant from Basking Ridge. reporters - Clem/Vi Hayes 914-358-2235

It is with much regret that we have to apologize to all those people who came to our August 5 dance. We still do not know why the caller did not show up. All we can do is thank those who did come for their patience & understanding & hope you will come enjoy our club this fall & winter.

Some of us spent twelve hours at the Community House in September. We held our club dance, then a Pot Luck and then our annual barn dance. Mike Foley called that afternoon & Betsy Gotta that evening and we had a grand time. We also installed our new officers: Jeff White, our pres.; yours truly 1st VP; Jules Varga 2nd VP; Don Haggart 3rd VP; Ann Pida our Sec'y; and Kelley Roark our Treasurer. By the way, Mike/Betsy Foley are expecting their first child and we send them our best wishes and a copy of T.J. SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+2)  
 2 & 4 Tuesdays Cedar Hill School, Peachtree Road

The cool fall weather has put a nice snap in the air that should make everyone crackle and pop at the first beat of the music. At Somerset Hills it was no exception. The dancers were really great as they jumped back into +2 level with no trouble at all. Someone must have been practicing all summer! Carl's doing a fine job again this fall and has kept us on our toes by introducing some quarterly selections and experimentals. The experimentals have been simple movements that add that little bit of spice to a great evening. Grace/Walt Pennie have been keeping the smiles on the faces of the Round Dancers. The square dancers also help the smiles when the chatter is kept at a low level during the rounds. The classes, taught by Bob Tarrant are well under way with a fine new group. They have to work hard to keep up with the last class. It looks like another great year is off with a big bang, so please see our ad on page for the specials so you can join in on the fun. (Ed-Woops! Ad never came!)

Come and join us in another great year of dancing that progresses from MS to +2 and Quarterly Selections. If you already know MS, Bob Tarrant has the easy way to join in on the added fun of +2. Please see our ad on page 34. A schedule is available at the dances, listing the calls to be taught for the entire year.

STATEN SQUARE SET -- Eltingville, Staten Island, N.Y. (+2)  
 1 & 3 Saturdays Holy Child Forum, Amboy Road/Arden Avenue

The excitement builds as Big Top comes upon us. The last weekend of August was Big Top at Cherry Hill Inn! Under the guidance of that perennial ringmaster, Gene Lucarini, Big Top was dedicated to the memory of Tony Gaeta. A loss we all shared with his lovely wife, Rita. Those that knew him even briefly can't help but say, "He was a great guy!" In his memory a caller scholarship was created - the happy recipient, Ed Shortman - congratulations Ed & Helen.

Everyone feels & shares the excitement. From the Lucarinis & their hard working staff. The Beauchaine's & their executive board. The inspired calling of Manny Amor, Frannie Heintz & Ron/Ree Rumble. From our talented cheerleader-dancers, River Kwaiskit, Gitarzan skit to all participants in the stage games & stage productions. The crescendo builds and the fever pitch is reached around roadside, where we have the parade of the "beauties" where some four hundred spectators cheer for their favorites. There Miss Big Top is selected & crowned. The exhilaration carries on into the evening when the Grand Parade takes place in the ballroom. All this treasured excitement was recorded for posterity by Red/Bea Rocle's TV camera & Tony Buffa's movie film. Wow! From the staff to SSS Executive Board, the cheerleader-dancers and stage & game players, the bathing beauties, to all square & round dancers, we are all participants. We can all stand up and sing to each other, "We do it all for you."

With Thanksgiving almost upon us, maybe it is time we took a look back & said a hearty THANKS to the many generations of Square Dancers who preceded us. Horse & buggy - dirt roads - how different today! Happily the original concept of a S/D has remained constant - a social activity - a reason to get together. Have you noticed how you greet people when you haven't seen them for a week, much less a month?

On a serious note - these people belonged to their groups. They knew if they didn't participate there would be no dance. Today we become members. It is our way of showing a club we like them & are pleased to be a part of their family. So come join us - 8 PM for the rounds under the very excellent direction of Ed/Les Shearwood who enjoy what they are doing and show it in their dancing. Then, of course, for the square dance nuts 8:30 PM. See you round a square. reporter - Connie Woolf 212-TR7-8853

## TENAFLY SQUARES -- Demarest, N.J.

(QS)

2nd Friday

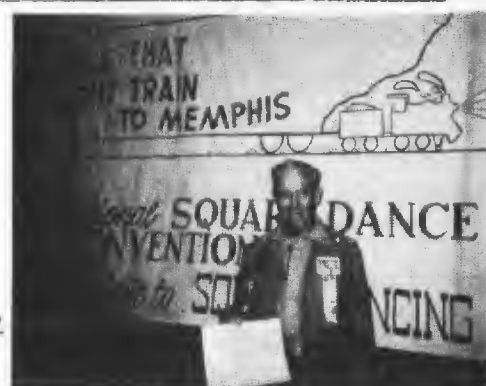

Baptist Church, 563 Piermont Road

A week after Hurricane David roared through Bergen County with devastating effects we opened our season with only three squares attending. An hour before dance time, a severe thunderstorm crashed thru the area & apparently discouraged many regulars. A darkened parking lot caused visitors from Belles & Beaux to drive around & up into NY state looking for us. They arrived after the second tip. However, 3/4 of our class showed up - an auspicious omen, to be sure. With such a start, we can't move anywhere but upward. The hurricane had one favorable result - an appearance on a TV news program for our treasurer. While the clean up crews were struggling with the debris, Dick Meyers set up a table of refreshments for them, just as a TV crew happened along. Good timing, Dick.

We can't urge people strongly enough to come dance with us. Stan Zaczowski always calls a good dance (his 200th was our Oct. dance with special dangles), the dancers are friendly and a good time is had by all. Doc/Peg Tirrell are there, too, with the rounds & friendly mixers. What are you waiting for? reporters - Frank/Marie Poole 201-342-3375

Registration blanks for the 29th NATIONAL S/D Convention in Memphis, TN were given to every delegate for distribution at their respective clubs. While the dates are June 26, 27, 28 1980, if you can get a few extra days, plan to go down early and partake in some of the great tours they have lined up.

TENAKILL TWIRLERS -- Cresskill, N.J.

(25)

3rd Friday

Bryan School, Brookside Avenue

A gala crowd turned out in September to welcome John Kaltenthaler as our new club caller. Naturally he gave us a most enjoyable evening. Peg Tirrell hosted the Ice Cream Special and if you haven't tasted her "friendship sauce" you haven't lived! By the time this appears we will have enjoyed another dance with Olive/Frank Enos as hosts for "Cider 'n Donuts" and will be looking forward to November with Dan Flynn as guest caller. Tenakill decided that everyone has a presidents' Ball, but nobody honors the Veep, so our Nov. dance will be in their honor and will be a free dance for all club Veeps!

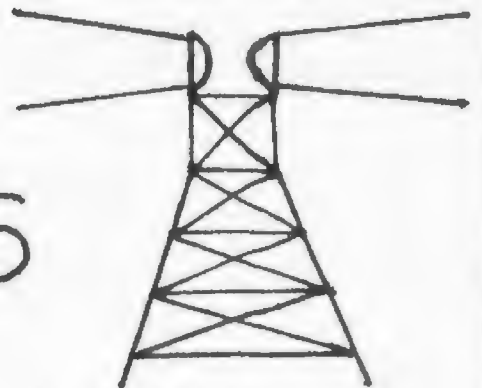

The Tenakill/Hi Taws class with Ron Bessette as teacher has been successfully launched with 5 sets and is going great guns. Thanks to all the "Angels" who have been turning out most faithfully.

All the square dancers in this area must feel the loss of Augie Semendinger. He died suddenly at a R/D session, surrounded by his friends and doing the thing he loved, - dancing. Our condolences to Ruth.

Y SQUARES -- Clark, N.J. (QS)  
 Carl Kumpf School, Mildred Terrace

2 & 4 Fridays

Things are squaring up fast for our fall program. The first big event after a very successful open house at which Bill Chamberlain called, was a Halloween dance. Duane/Karin Hartline convinced members to come out in full costume and awarded danglers to those who participated. A special set was called for those in costume only. Mike Foley was our caller with Shirley/Frank Bellotti on the rounds. Mike also called three other dances, which we've all enjoyed immensely, as we have with Shirley cueing rounds.

We'd like to invite everyone to our Christmas Dance planned in December. All class members are invited to this dance. It might be a good time for each of us to make contact with couples we know who have sort of dropped by the wayside and have not been dancing recently. Why not invite them to join us? In case they feel rusty, they'll have class members present and won't feel they'll be unable to keep up with those who've been attending regularly. Don't forget to bring a small gift for the patients at Runnel's Hospital.

Dick Jones will be our caller for the Christmas Dance with Shirley cueing. See our ad elsewhere in this issue for our current dance schedule.

Holiday Ideas from ...  
the SQUARE PINCUSHION!

The holidays are once again, just around the corner...and of course, we have some timely thoughts on the subject.

A special dress or costume just for the holidays is, indeed, a luxury...but if you can combine to make it more practical then why not???

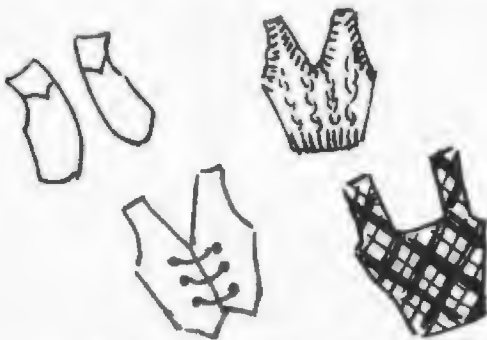

How about a dress of a solid color, red as an example, and for the holidays a pinafore or tie-on overskirt decorated for the dance with appropriate designs either painted, appliqued, embroidered or whatever your specialty is...Another overskirt at Valentine's day or one for just other days and you

have used your dress to a budget's delight.

How about a felt circle skirt with button-on designs for different holidays(also made of felt),team it with an appropriate blouse for another way to get extra mileage from a limited budget.

With the holidays coming, and dear ones looking for a gift idea for a square dancer how about a vest? This is the 'in' thing this year and especially with the heat turned lower at our dances. A vest, knitted or crocheted or made of wools (and lined) or velours or velvet or synthetic suede or a

pretty quilted fabric over an otherwise plain dress or a skirt and blouse would warm the cockles of any square dancing gal's heart...and for her partner a vest of a suede-like fabric, corduroy, or wool would add a note of elegance to his wardrobe,too. All the leading pattern companies have vest patterns available. They don't take too much time to make so are an ideal last minute gift idea...Could be made reversible, twice as warm and twice the wardrobe mileage...

Wishing you and yours a very happy holiday season and promise to sew a little more in the new year.....

CHURCH OF THE ADVENT 15 WILLIAM ST. BLOOMFIELD

The 17th Overseas Dancers Reunion in August (Bartonsville, PA) was a gathering (21 states [including some NNJ], Canada, England, Costa Rica, Libya [Royna/Phil Thomas] & Germany) to be remembered by all. Membership is open to all who've belonged to an overseas club. All kinds of interesting things happen at their reunions. Next is July 30-Aug 2 Lake Ft. Gibson (a hoofbeat away from Tulsa), OK.

This group has established the Julius & Mirian Nestor Award to be given to a member for outstanding service & exceptional acts showing devotion to S & R/D over a long period of time & to OSDA. Naturally first recipients were the Nestors. Unfortunately en route to PA Julius was stricken & died mid Aug. Many of us share with Miriam & family their sense of loss. Our activity is poorer because of his passing but is infinitely richer because he passed our way.

The International Association  
of Square Dance Callers

For the quarter beginning October 1, the movement selected is DIXIE DERBY by Paul McNutt. The description follows: Facing

Couples complete a standard Dixie Style to an Ocean Wave and without stopping, the wave Ends (girls) Fold as the Centers (Boys) Trade & spread apart so that those who Folded now step forward and squeeze in between those who Traded. Move ends in a Two-Faced Line.

Emphasis calls for this quarter are the two basics - CAST OFF 3/4 and TAG FAMILY. If you have suggestions for future emphasis calls, please write Jack Murtha 146 Clinton St., Yuba City, CA 95990 or write directly to the CALLERLAB office Box 679, Pocono Pines, PA 18350.

CALLERLAB has recently completed the voting on the review of the ADVANCED lists & the recommended teaching procedures. The callers who regularly use & call Advanced Calls are polled, results tallied. The lists are reviewed every two years & then retained at that sequence & content for that period of time. We will publish the listings at a later date. In September a similar poll was conducted among the Challenge

Dancing Callers. CALLERLAB is hopeful that by advising callers, clubs, & dancers what each list consists of, there will be fewer surprises & each dancer can seek out their particular enjoyment level & thus make for greater satisfaction and enjoyment of this folk activity called Square Dancing.

## LEGACY

thanks to IOWA S/R/D NEWS  
LEGACY RESOLVES

The members of LEGACY, known as LEGACY Trustees, are constantly striving to improve the square dance activity. During each LEGACY gathering specific positions are taken relative to certain problems or situations which may exist or are seen as possible future trouble areas within the square dance movement. These positions or statements take the form of resolutions. It is from these resolutions that the LEGACY Trustees receive their direction and make recommendations to other leaders within the activity.

Among the resolutions adopted during the recently concluded LEGACY IV, held in Louisville, Kentucky, May 10 - 13, 1979, were these which specifically referred to Education as it relates to square dancing.

(1) Whereas square dancing is a friendly, social activity providing wholesome recreation at a reasonable fee and in suitable surroundings, and, Whereas, the quantity and complexity of what we dance has a bearing on the number of individuals who will enjoy this activity, and, Whereas the emphasis appears to have been placed upon more complex movements than the typical square dancer can or will accept, . . . Be it resolved that LEGACY go on record as offering a mandate to callers and dance leaders to deemphasize the complexity and the number of basics involved in general dancing and produce a more realistic mainstream plateau.

(2) Whereas education is the cornerstone of the entire square dance activity and, Whereas proper education can eliminate many problems found in the activity, and Whereas caller/leader training sessions, such as caller clinics and National Square Dance Convention educational panels and seminars, are of utmost importance in the development of the education process . . . Be it resolved that LEGACY Trustees become involved in conducting Mini-LEGACIES utilizing the LEGACY leadership manual and appropriate educational materials, prior to LEGACY V.

In addition to these specific education oriented resolutions other recommendations were made to the LEGACY Trustees. To more readily explain the LEGACY organization it was recommended that the following slogan be utilized to inform nonmembers as to the purpose of LEGACY—

**"LEGACY is the international leadership organization to provide for the sharing of knowledge by the many phases of the overall square dance activity."**

It was further recommended that LEGACY take the following actions:

(1) Establish a standing education committee which should be charged with (but not limited to) the creation of the following 1. A list of resources, 2. A talent bank of leader/specialists, 3. Topical outlines by subject, 4. Reports of successful Mini-LEGACIES, 5. School programs.

(2) That LEGACY encourage Callerlab and Roundalab to become more actively involved in the development of suggested programs for the teaching of square dancing in schools.

*The LEGACY IV meeting last May in Louisville, KY was attended by 212 trustees from U.S., Canada, England, Netherlands. This non legislative service organization is dedicated to the preservation & furthering of our entire S/D activity by developing better communication among the many facets. Their motto - "We Bring It All Together". It is the only truly worldwide democratic organization staffed by volunteers devoted to listening, discussing, & developing useful guides and possible solutions to the varied problems facing our activity thru out the world.*

DICK JONES CALLING

SHIRLEY & FRANK BELLOTTI - ROUNDS

CONGRATULATIONS to VALLEY STEPPERS R/D CLUB now celebrating its 20th year. In the late 50's Bud/Betty Sibbald of Oradell persuaded Mr. & Mrs. Round Dancers of NNJ, Bob & Edith Thompson, to come "up north" for a new group to be devoted exclusively to rounds. When after much searching Bud found an empty hall on 1st & 3rd Fridays under the Old Valley Fair in Paramus, NJ, Valley Steppers R/D Club was born. As the club grew and prospered it moved to the Fire House on Far View Avenue and continued to attract R/D couples from far and near. Besides the Sibbalds, early officers included Dan/Mildred Hulin (now in Florida), the Omansky's; and Doc/Peg Tirrell. Ask them about their debut, along with 12 other couples, on Ted Steele's TV Dance Party August 17 when half of NYC was blacked out! But New Jersey viewers could see them all doing "Siesta in Seville" and other dances... all without cues!!! (See flyers for celebration Nov. 17)

## LIBERTY PARK FESTIVAL 1979

1:00

Square Dancing-The American Folk Dance  
by the Northern New Jersey Square Dancers Association

*This is the first such festival staged by the Governor's Ethnic Advisory Council with all events taking place at three separate locations (Ellis Island, the Statue of Liberty, Liberty State Park). In charge of all programming was Miss Barbara Taylor of the Division of Travel & Tourism.*

*Through their membership & involvement in the Cultural & Heritage Commission, Helen/Frank Cavanaugh learned of this Festival and asked NNJSDA if we could provide S/D demos to represent the American Folk Dance. Four sets danced to Mike Foley Saturday Oct. 6th and six squares to Manny Amor on Sunday Oct. 7th. We were well received by the audience with much clapping to the rhythm and picture taking of the dancers. We have been invited to return next year at this Festival (and plan to add R/D too) and it will most likely be arranged for all entertainment groups to perform at Liberty State Park and not be dispersed as we were this year.*

*We all feel that the publicity of NNJSDA representing Square Dancing-the American Folk Dance will help us in the drive to have the State of New Jersey declare Square Dancing the State Folk Dance. Anyone interested in working on this committee please contact Frank/Helen Cavanaugh 113 Stony Road, Edison, NJ 08817 and/or Gabe/Sila Pell'Angelo 50 Fort Place Apt 5A Staten Island, NY 10301.*

*Along these same lines, if you have not written your letter to your Congressman urging their support of HJR 69 - the bill to designate the "Square dance" as the national folk dance of the USA please get into the act NOW! For more info call your club delegate, the Habersbergers, Dell'Angelo's, Cavanaugh's or the Tirrells.*

Hi, we started off with 4 sets of enthusiastic, ready & eager to learn beginners. Regular club dances, on Thursdays, are doing very nicely. Al Moses calls every week & the last Thurs. we have guests. Dick Lighthipe did a great job. Thanks. Joan/Jerry Newman cue rounds. Plans are all set for MACH (our 3rd Make A Child Happy Dance) in December. Admission is one new toy which will be distributed to children in Coney Island Hosp. & Brookwood Foster Home. Please come for a worthy cause & a fun night. We have squares, rounds, line & folk dancing. Refreshments - see ad on p. 9. Congratulations to Ann/Harry Geltman on their daughters wedding; Also to Pauline/Howard Ellis on their first grandson. Thanks to both for all the delicious goodies. We were shocked to hear about Mary Hubschman passing away attending a S/D. May she rest in peace. Wishing all a Happy Thanksgiving, Hanukkah, & Merry Christmas. reporter-Edith Moses 212-336-1731

BELLES AND BEAUX -- Glen Rock, N.J. (MS)

1 & 3 Wednesdays

Community Church, Rock Road/Hamilton Avenue

In our first summer as a club we kept busy dancing in the Glen Rock 4th of July parade, dancing exhibitions at the Fair Lawn Municipal Employees Day & Radburn Ass'n Family Day as well as holding two club dances monthly. We also raided one of Stan Zaczkowski's Under the Stars dances.

In Sept. we elected new officers - Pres. Bob/Sherrill Jackson; VP - Frank/JoAnn Chiari Krueger; Treas. Roy/Marlise Johnson; Sec. Ed/Velma Franslaw. We are sponsoring a very successful class at the Waldwick Adult School taught by our caller Paul Brody. Guest callers at our dances have included Stan Zaczkowski, Bob Tarrant & Bob Mitchell. We are looking to December when our guest caller will be the nationally known Ed Foote. See our ad on page 36. reporters - Frank/JoAnn Chiari Krueger 201-444-7818

STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J. (QS-APD)

2 & 4 Tuesdays Church of the Advent, Watchung Ave/Williams Street

Now that vacation is over, we are looking forward to more fun & bigger crowds at our fun planned dances, especially our Halloween Costume Ball. Our S/D Train ride, cosponsored with Kuntry Kuz'ns, was great fun. Thanks to Stan & Bob Mitchell for spectacular calling & to Harry Van Luvender & Chet Beams for a well planned success. Missed this one? Board our next one in 1980! We danced at the Clifton Picnic, the Farmers Market in Manhattan, on the green in Bloomfield & at the Children's Library, and with our float - attracting enthusiastic onlookers. At our opener Bill Swartz earned a "callers teaser" dangle by eating a lemon in front of Stan while Stan attempted to call while drooling. We welcome into our club Dot/George Lowenstein. We are going to miss Shirley/Bill Payne since they moved to Mass. Good luck to our class. Come join us at any of our fun dances.

WESTERN WHEELERS -- Park Ridge, N.J. (+1)

2nd Wednesday 1st Congregational Church, 131 Pascack, Road

Fall was the beginning of another successful season with a Special Theme for each dance. In Sept. a crazy hat Dance proved a tremendous success- such talented people with original ideas. A demonstration was held at the Closter Shopping Plaza. The loss of two members, Hubert Esser & Augie Semendinger was a shock to all - Hubert and his wife Mildred graduated in '78. Illness sidelined him for a while & gradually he was able to rejoin his S/D friends. Augie & Ruth have been active for several years & were Treasurers during the '77-'78 season. Augie was a familiar smiling face at many clubs in the area. Our sincere expression of sympathy to Mildred & Ruth - We share your loss.

Happy holiday greeting to you all with wishes for a Happy & Prosperous New Year!

Space & other problems precludes publishing a monthly calendar. Instead we will print this universal calendar of all NNJSDA clubs regularly scheduled dance nights. By comparing the actual month to this page a dancer is able to figure out who is dancing when. The "where" and other particulars will be found in the heading of each club's report. On the bottom of this page we will always publish all cancelled dances (that we hear about) for the period covered by that issue of GRAND SQUARE. It is the responsibility of each club to keep us up to date on any changes. Thank you for your cooperation. Doc/Peg Tirrell 201-568-5857.
