AFTER GRADUATION - WHAT ?

Graduation is always a happy time, and a welcome event after 6 months of mental concentration and physical effort. It has been truly an exercise in coordination of mind & body. Although a great many people attracted to Square Dancing have done some Ball Room dancing & like dancing in any form, they discovered after only a few lessons that there is something significantly different about Square Dancing and the type of people enjoying this activity. They have learned long before Graduation time that it is a team activity on the dance floor. But our new Graduates must learn too that everything we do in this fellowship is a team effort. They should be ready to take their turn in the many functions of their Club, such as Refreshment Committee; Hospitality Committee; assist as Angels and to be Club Officers when asked. Northern New Jersey is a highly transient area, with frequent transfers of our members to other States, & many of our retired members are also gradually moving away. Our fellowship is therefore dependent upon gaining new Dancers every year via our many Classes.

A reminder to our new Graduates - Square Dancing is not like Ball Room dancing, where couples can go just any time they feel like it. It cannot be a "sometimes activity". Couples need to square dance at least once every week. Without such continuous exposure we cannot retain all of those calls. In recognition of this requirement, the Northern New Jersey Square Dancers' Association (NNJSDA) has scheduled ten Summer Dances during July & August specifically to keep our new Graduates dancing during the Summer. The Callers Council of New Jersey (CCNJ) has scheduled six summer Dances; many of our Clubs continue dances through the Summer; and some Clubs & Callers run special Workshops as refresher courses for new Graduates who wish to be more proficient. The bottom line in this message is: If you do not square dance all through this first Summer, you may not be with us next Fall or Winter. Every Organization serving Square Dancers is doing everything possible to keep you in our fellowship after Graduation. Won't you do your share and come out and dance regularly with us?

A reminder to our regular Dancers: - Do you remember how nervous we were during those first months after Graduation? Well, this is how our new Graduates will feel in April. There will be tension in their desire to be accepted and made welcome at their chosen Clubs by the seasoned dancers. The Leadership of each Club cannot do this alone. It is up to every dancer to extend their personal welcome and square up with these new dancers at every opportunity. Let us be mindful that these new dancers need our help now. Let's be right there with the welcome. Let's show them by our example that "Friendship Is Square Dancing's Greatest Reward."

Bergen Mall Auditorium

(+2 APD)

Our January dance was a smashing success. We had an attendance of 32 squares! We were raided by two clubs; Hanover Squares and Hill City. Unfortunately we lost the calling of Jerry Schatzer who left for an extended stay our west. He will be back East occasionally for the lucky dancers who may be able to attend when he returns. Then again in February we had an excellent crowd when Steve Kopman made the first of his many scheduled visits to Cloverleaves this year. Doc & Peg Tirrell had our Round Dancers happily dancing to their cues. Remember - NO dance in April. See you in May at the Bergen Mall. reporters-Dolly/Louis Lorieo 212-866-9865

To our many friends whose cards, calls, visits, gifts and prayers were a source of inspiration along the recovery road from my recent automobile accident.....our deepest thanks. FRIENDSHIP is truly the Square Dancers (and Callers) greatest reward.

Why Is It?.....

When the computer numbers work out in the even sets, there's always a couple needed in one of the squares.....

When you forget to wear your pettipants, the guys always want to swing you The Davison's candy dish on the refreshment table has all the flavors but the one you're digging for...

If you come late, the caller started early - and if you arrive early, the dance starts late...

When Lee calls "Switch the Wave", you blithely start doing "Trade the Wave".. During treasurer's break all the guys at the head of the line have five and ten dollar bills for the Reddings to change...

When Tom Cribbin starts cueing the rounds you're caught out in the middle of the circle chatting with friends...

When you make a dumb mistake, Lee is always watching you - & when Lee makes a rare mistake, Lillith is always watching him (and lets him know it!)...

When Tom Gorham makes an important announcement from the stage, you're usually saying something silly to your corner and miss it.....

Your corner is swinging someone else while you stand there facing the wall You answered all but one of the mid-term exam questions and it's driving you crazy....so, here are the answers;1. Hocus Pocus; 2. Tally-Ho; 3. Jay-walk;4. Brace Yourself; 5. Bring us together;6. Shake=Down;7. Split Check-mate;8. Linear Cycle;9. IN Style;10.Take Two.

My, how time flies! Here we are in the second half of this dancing season. As we had expected, our Christmas Dance (open to students) was very well attended. The students did surprisingly well and had a good time. Our Mystery Bus Ride was a huge success. We raided the J B Squares in Pennsylvania, with John Brair calling. We had dinner at Maven Haven, a delicious & plentiful meal with open salad bar. A special "thank you" to our Raid Coordinators for arranging this gala event.

Our next big event will be our pot luck supper. Judging by the menu planned, it will be a "bulging" success with all of us staggering through the first few tips, trying to work off all that delicious food. Here's to bigger and better special events.

2 & 4 Fridays

Franklin Reformed Church, Hillside Crescent

Now that the holidays are behind us we have settled down to regular dancing. Our combined class of Solitaires & Covered Bridge is making good progress under the tutelage of Betsy Gotta and Jules Pozsar alternating weeks. Our Club took part in two successful raids at Hi Taws in December and Hix & Chix in January. We had such an excellent turn-out at the latter that our president, Frank Olier, was heard to remark, "Why don't we raid our own club?" Even Al Moffitt, recovering from recent heart by-pass surgery, attended and kept up with everyone!

We are continuing our program of regular "demos", mixing business with pleasure at a barn dance in February at New Rochelle with Clint McLean as caller. We are looking forward to the spring! See our ad on page 37, an "Easter Feast" coming up. Happy dancing! reporters-Wally/Margie Cox

All our members wish to Congratulate the new graduates everywhere. It is a wonderful pastime; you meet so many friendly people no matter if you are at local clubs or go travelling thru our beautiful country. Our vacations have proved this to be true. There are no snobs in square dancing. You're all welcome to come & dance with us, new & oldies (but goodies). You'll find our members friendly & helpful, if help is needed. Our graduates consisting of 10 couples, were taught by our charming Dick Maddocks. As usual, he turned out a great group of dancers. Our Valentines Dance, saw a lot of red, & of course Cupid Maddock did a Hearty Job.

Remember our graduation dance is at the Wilson School on Orton Road. Our next guest callers will be Will Larsen in March & Manny Amor in April. Graduates, keep dancing all summer & in the fall come back & dance with us as guests or members. Everyone is WELCOME! Happy dancing!

SWITZERLAND IS WAITING! "ALP" YOURSELF!

Square & round dancing are not only nationwide, but are world wide. Described briefly are a few organizations whose main purpose is the promotion, preservation and protection of square dancing & its related activities.

CALLERLAB- The International Association of S/D Callers is the professional callers communication organization which has provided immediate and much needed leadership to the field of calling. Meets annually.

LEGACY- An International Assembly of trustees who represent leadership in over a dozen different related phases of the S/D activity. It is a valuable communications system aimed at providing information & tools needed by clubs and associations. Meets biennially.

NATIONAL FOLK DANCE COMMITTEE- Is working to have square dancing officially declared the National Folk Dance of the United States.

LLOYD SHAW FOUNDATION- Provides school guidance programs and excellent leadership training sessions as well as maintaining an archives center.

ROUNDALAB- The International Association of Round Dance Teachers formed to promote, protect & perpetuate the general R/D movement as a complement to the overall S/D picture. Only teachers may belong. Meets annually.

SQUARE DANCERS OF AMERICA- They raise funds (notice the yellow stick on roses), design & build the S/D float for annual Tournament of Roses Parade in Pasadena, California. See page 15.

UNIVERSAL ROUND DANCE COUNCIL- Outgrowth of annual R/D Convention. Membership open to dancers and teachers.

NATIONAL ASSOCIATION OF SQUARE & ROUND DANCE SUPPLIERS; BACHELORS AND BACHELORETTE INTERNATIONAL - their name tells their interest.

NATIONAL SQUARE DANCE CONVENTION- begins the 4th Thursday in June. It's Executive Committee is comprised of former General Chairmen. The convention (1980 in Memphis, TN; 1981-Seattle, Wash.) is entirely run by volunteers from the sponsoring areas.

GARDEN STATE SQUARE DANCE CAMPERS

Candlelight and (real) roses was the theme of our recent annual dinner dance at the Brownstone House. Thanks are extended to the Elrods & the Huebners, co-chairpersons of this affair, for throwing such a great party.

Bob Mitchell on squares & Doc Tirrell on rounds provided much merriment for the 138 couples who attended the dinner dance. Many campers took home great door prizes, which were distributed in a very quick fashion, one to a table. Congratulations to the Bankers, Boccaccios, Farvers, Gardners, Bob & Lois Green, Muellers, and Woodmans, who attended all six campouts last year.

Our officers for 1980 are" Ozzy/Amy Lee Mueller, Presidents; Bob/Lois Green, VP; Ron/Robertta Henderson, Rec. Sec; Ron/Mildred Nitzsche, Cor. Sec; and Ed/Loretta Lang, Treasurers. Many thanks to Wes/Helen Woodman, out-going Treasurers, for keeping our money straight for the last two years.

It was a while ago, but the 63 couples who attended our New Years Eve dance, held jointly with Y Squares, are still talking about the fun, good dancing and great food. Our thanks to Rosemary/Mickey Biggs, Chairmen, for making it such a successful affair. The calling was by Fred Fields and the cueing was beautifully done by our own Jean Kellogg.

Everyone, round dancers as well as spectators, were delighted to have Jean Kellogg cueing the rounds for us in January. Attention all round dancers; Jean will be cueing for our two dances in March.

Love was everywhere for our Valentine Dance. Frank Riviccio called many a Yellow Rock, and the dancers responded to each call. For fun and good dancing, join us on the first and third Saturdays in Cranford.

Our dances since the beginning of the season in September have all been successful and a lot of fun. Thanks to the many clubs that have been raiding us. And of course, the many callers we've had like Glenn Cooke & Frannie Heintz; who got a standing ovation from the dancers. First time in all our years of dancing have we ever seen this for a caller. But then again; he's superb! Frannie called a fun dance for all levels of dancers.

We also have been getting a good turnout for rounds. Thanks to our R/D Leader, Grace Pennie. If you don't know Grace, come meet her and her able husband Walter at our next dance. Thanks for combining the presidency these past couple years with handling the rounds.

By the way, we've changed officers as of February. Ozzie & Amy Lee Mueller have assumed the presidency. The rest of the Board will remain the same with the delegate/reporters adding treasurer to our list of duties!

Spring is just around the corner and so is graduation for so many new dancers. How well we all remember our first visits to other clubs----- unable to concentrate on the caller (well, his voice was so different from our teachers'), uncomfortable in our new clothes (the kids vowing to disown us if we left the house dressed like that). But the friendly smiles, the warm welcome and the encouragement we met at every new club soon showed us that indeed "Square Dancers are very special people". So as you greet this year's new grads, do so with that same warmth & friendliness.

Hanover's Graduation will be held in April for our 33 new dancers. Our thanks again to our own Dick Maddocks for bringing another class thru their lessons. And also our thanks to Vic/Rose Scango for their time & effort to make this year's class more enjoyable & interesting. Hanover congratulates and welcomes all new grads to our first club dance in April and our Grads Ball in May. For complete dance schedule see page 5.

Our raid to Cloverleaves was enjoyed by all & gave us another chance to dance to Jerry Schatzer who leaves for new adventures in California. Surely missed, but well wishes go with him for much success. Hanover also was one of the booster clubs for Deborah Heart/Lung Center's fund raiser in February, much thanks to those who attended. Congratulations again to all new grads, see you soon on the dance floor.

HI TAW TWIRLERS -- New Milford, N.J. (+2)

every Tuesday Middle School, Roslyn Avenue

As we approach the half way mark of our '79-'80 season we thank all of you who have danced with us this year and invite all of you to come with your friends and dance with us and our great callers and Ed & Les Shearwood on rounds. We're all happy to hear that Adele Weiss is recuperating nicely from her surgery and look forward to seeing her and Dave back with us on the dance floor soon.

Our congratulations to our Tri-club graduates (Hi Taw Twirlers, Tena-kill Twirlers & Western Wheelers) and our thanks to their callers Ron Bessette & Bruce Vertun. We wish you many happy years of dancing. Hi Taws extends a special note of thanks to Lee & Rose Venable for their superb efforts in making this class possible. All 1980 graduates are invited to our Graduates Dance in June with Dick Jones calling. Don't forget our Treasurer's Ball. See our ad on page 19.

reporters - Ron/Judy Haven 914-356-1727

Not everyone goes to quite the lengths of the Wildings of Covered Bridge, but usually in February S/D clubs feature Presidents' Balls to honor not only presidents of our country, but also the heads of our S/D clubs. It's a nice gesture acknowledging the efforts put out by our officers. One club held a VICE PRESIDENTS Ball and two are honoring the TREASURERS. But who, asks Frank & Marie Poole of Tenaflly Squares, remembers all the work done by the SECRETARIES??? So, in March, to correct this situation, Tenaflly Squares held a Secretaries Ball saying "If the presidents want to come, they'll have to come as paying guests, but Secretaries are FREE!" (ED-Contact us if ever in need of a complete listing of officers)

HILL CITY SQUARES -- Summit, N.J. (+2)
1 & 3 Tuesdays Jefferson School, 110 Ashwood Avenue

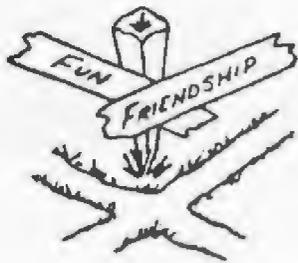

Ralph Trout will be our guest caller at our fifth Tuesday special in April. Our Beginners' class given in Summit this winter as part of the Summit Area Community School program, with Bob Benner of Edison as instructor/caller, expects to graduate twenty-seven dancers. Our 30th Anniversary dance will be at the Summit Junior High School 272 Morris Avenue, between Elm & Maple, with Manny Amor of Lakewood calling.

Hill City Squares was started in 1950 by the late Harlan S. Kennedy, Summit's then director of recreation, as an outgrowth of an eastern S/D group then sponsored by the Summit YWCA, with the late Frank Kaltman of Newark as caller/instructor. The club became independent of the Board of recreation in 1970 in which year round dances were added, with Betty & Bud Sibbald of Oradell as cuers (who continued until September 1979). Our callers over the years have been: Frank Kaltman 1950-55; Helen & Walt Bullock & Jack Fuda 1955-56; Beulah Samec & Dick Pasvolsky alternating 1956-60; Beulah Samec thru 64; Al Aderent & Marty Winters alternating '64-'65; guest callers Manny Amor, Bruce Vertun, Glenn Cooke, Dick Maddocks, John Carroll & Vin Caruso 1966-67 and Manny Amor March 1967 to present. See our ad on page 38 and come help us celebrate.

every Thursday Arcola Methodist Church, Paramus, Road

Congratulations to Ellen & Bob Hansen. Ellen (Allison) & Bob were married last November 17. I know you will join me in wishing them Good Luck & Happiness. Our annual Pot Luck Dinner was a success thanks to Georgi Flandera and all those who contributed. The Mystery Ride arranged by Lil O'Donnel turned Hix & Chix into a singing club. We sang our way into Pennsylvania where we joined Pocono Squares dancing to the calls of John Kaltenthaler. The Christmas Party was a good chance to meet our class members. The class has progressed quickly under Dick Pasvolsky and will be graduating next month. Amy McEwen is keeping busy arranging for Hix & Chix to visit several nursing homes in the area.

Thanks to all of you for dancing at our club, especially raiding clubs Y Squares & Covered Bridge. Hope to see you all soon; until then HAPPY SQUARES.

"A DREAM COME TRUE" by Joyce/Jim Cullen

June 30, 1979 - a date to remember forever - when our names were drawn by the Square Dancers of America to be one of the 5 couples on the 1980 float in the Tournament of Roses Parade.

For the next 6 months we were busy selling roses & making plans. Leaving Putnam Valley Christmas Day we met the other 4 couples the following day. Then began a busy, overflowing week as we practiced & practiced so our skirt work, do si do's, promenades would coincide...some sight seeing, several S/D balls, watching the float materialize (so many teens & others were busy taking flowers apart, putting them in vials, pasting them on)...more practice (the float dance area was confining & strange dancing on celery, onion & flax seeds!)...fittings for our lovely pink outfits. We met so many wonderful people.

On Jan. 1st at 6:30 we were aboard the float & dancing to keep warm! As floats around us prepared to leave, ours would not start! That's why you saw our float pulled by a tow truck (which had to be replaced when its clutch burned out!) Our S/D tape had 6 singing calls on it, but on TV you only heard "Sweet Music Man". It wasn't as hard to dance on the moving float as we thought and we enjoyed the break every 5th tip and got a charge out of watching people clapping with us. 5 1/2 miles later we stopped dancing and could finally take a "potty break". After lunch tho we did return to Victory Park where the floats were on view for 3 days and dancers, in proper attire, could also dance on "our" float. Reality finally returned as we said good bye to all our new friends and boarded the plane back to NY.

If you'd like a chance to be a float rider - send your name, address phone number with a recent picture and a statement that you are willing to pay all your expenses to SQUARE DANCERS OF AMERICA PO Box 2, ALTADENA, CA 91001. Deadline June 1, 1980. Mainstream dancing is required. Good luck!

(ED. The flowered caller on the float represented Doc Alumbaugh, an early caller. His son, hearing his Dad's name with the float, came to Victory Park afterwards. This was the first time the float was half paid for when rolling down Colorado Blvd. Sincere thanks to all who helped. NNJ sent in \$1076 with still more en route.)

 We dancers KNOW how generous and warm hearted our members are. But the Joyce Kilmer chapter of the Deborah Hospital were floored to raise over \$900 at the first annual benefit dance with squares by Dick Jones & rounds by the Tirrells. By the time you read this, dancers on Staten Island will have done their bit for Public Television's Channel 13. Our thanks to all dancers, callers, cuers who so generously supported these, and other, events.

It won't be long before our new dancers will be out on the floor with us. Graduation is in March. Let's do all we can to keep their enthusiasm fresh. Give the assist when it is needed and SMILE.

Shirley & Frank Bellotti will be with us for rounds at all of our dances. We're happy about that. Glenn Cooke could not make our first January dance because of illness. Marty Clifford saved the dance by filling in at very short notice. "Right On" Marty. We appreciated it as we do everything Marty does for Isle Squares. Our best wishes to Enid Powell, Mrs. President. Homer says she is feeling a little better every day.

Think Spring! Get your reservations in for the 6th Annual Square Dancers Round Up presented by United Squares of Staten Island in May. Just thought I'd remind you because the tickets go fast. See ad page 46.

As you read this report, our Beginners Class will have graduated in March & we welcome every one of these especially enthusiastic dancers into our world of square dancing. This class has spread our name far and wide travelling to class level dances everywhere.

In January we were pleasantly surprised by a raid from Long Island. The clubs, Allemanders & Twirlaways took a long cold bus ride to join us & enjoy the calling of Lou Flego, their own club caller. A number of our members attended the Atlantic City Festival with Jim Cargill, Manny Amor & the Rumbles. What a combination - fantastic calling, good restaurants, good weather for walking on the boardwalk, and don't let us forget, the nearby casino. We must do it again next year. Have a good Passover and a Happy Easter.

We opened the New Year with a well-attended New Year's Dance. Our second Dance in January had a Hobo theme and some of our Club Members really displayed imagination in their costumes and the skit they presented. The winners were given appropriate prizes - a can of beans, potatoes for baking, etc. The warmth of the red colors worn at our Valentine's Dance helped dispell the shivery feelings of the previous weeks of frigid weather. On a Cold February Sunday, many of our club members warmed the hearts of Senior Citizens at the Homestead with a demonstration followed by audience participation. We had an outstanding tape from Bob Mitchell, our Guest caller for our April dance. Thanks to Trudy & Jack Austin, our raidmasters, who coordinated this event and brought some joy into the lives of some of our forgotten Seniors.

We are happy to announce the Graduation of one of our largest and best dancing Classes in April. Our thanks to our Dick Pasvolsky (Doctor of Recreation) and the many Angels. Please attend with your graduates and help us enjoy this Fun Event. Dick calling Squares - Jean & Jess Elrod cueing Rounds always contribute to our Happy Dancing.

In the 1930's, S/Ding almost died in our country. Henry Ford preserved some of the old dance forms in his Grand Balls at Deerfield Village. However, the searching out, preserving, & revitalizing of the form of dance known as SQUARE DANCING was a project carried out by LLOYD SHAW, a school supt. from Colorado Springs, Col. His interest resulted in two books, COWBOY DANCES & THE ROUND DANCE BOOK, teenage exhibition groups & summer classes for prospective S/D callers & teachers. After his death in 1959, a non-profit Foundation was set up to preserve & promote his approach to S/Ding. Membership in the Foundation is open to all; an active membership costs \$15 and brings a quarterly newsletter, free record certificate & other benefits. Write Diane E. Burton, Sec. 1536 Conneaut, Bowling Green Ohio 43402.

Ever since Staten Square Set's 20th anniversary they have recognized one couple for their outstanding contribution to the S/D activity in NNJ....this Year BUD & GINNY ALLISON - a most deserving couple who've donated their teaching talents to Ramapo Sq. for numerous years. They join a distinguished roster of winners - the Lucarinis (for whom the award is named), Camerons, Hardys, Tirrells, Knoblochs, Brombergs, Litkenhaus, Pullmans, Cavanaugh's and the Mooneys. Congratulations to all the new graduates and welcome to this fun world of square dancing. Aside from all the new friends and experiences coming your way, in this writer's opinion, it is also one of the best forms of therapy. So leave your cares behind, for a few hours, and come join us at the "Shack". We start at 9 PM.

We are looking forward to a bright Spring. Our first dance of the Spring has that Clown Prince of S/D Frannie Heintz calling. What could be brighter or give new dancers a better idea of what S/D is all about. We'll continue this beautiful season with Dave Hass & Jim Adams making their Spring trips to Tottenville. Once again we'll welcome a new to O.W. caller, Wes Morris. See our ad on page 33 for dates.

We at O/W want to say a very special congratulations to our new graduates. Again many thanks to our club caller, Mike Cleary for a job well done with patience, kindness and great humor. Also thanks to our "Angels" who were so faithful. To all of you, many, many years of happy dancing.

CONGRATULATIONS! to all our area graduates and a most hearty WELCOME to our Wonderful World of Square Dancing. You have just spent many weeks with your class, teacher(s) and some angels from your sponsoring club(s). And now, having earned your diploma, it is time to emerge & begin promenading around Northern New Jersey (& NY) & meet the many others who enjoy the same recreation.

As you enlarge your sphere of dancing you will discover there are many clubs in the area - many holding special Open House or Graduate Dances in your honor. (see cover for listing) We all strongly suggest you attend as many as possible. You'll make many new friends. But no matter where you roam, always remember your mother club and those who worked so hard to help you master the Mainstream calls.

And as over the months and years you develop the confidence in the Mainstream calls and perhaps want to move into another level, attend the workshops especially geared for such progressions. BUT for now, savor and polish your newly acquired skills at the many dances just for you. For, remember, any newly acquired skill grows rusty thru disuse. It is only thru active participation one really begins to reap the rewards of fun and friendship square dancing offers - whether here or abroad.

Dance as often as you can this spring and summer...at your club and at the Association summer dances. The more you participate, the more enjoyment you will receive. Support your club by becoming an active member. Loyalty may be thought of as square, but YOU are SQUARE -with a badge to prove it! When next year's classes are forming, bring your friends along and become angels....and always remember our motto....

FRIENDSHIP IS SQUARE DANCING'S GREATEST REWARD.

Almost all dances have some place for flyers announcing other dances & events, etc. Take home those of special interest to you - refrigerator doors make excellent bulletin boards!

We exchange copies of GRAND SQUARE with many other area publications whose main purpose is like ours - keeping the dancers informed. If you are planning to travel, we'll be glad to loan you a copy. Or get the NATIONAL S/D DIRECTORY-use coupon/contact local S/D shops. Also see p 37 for CROWD.

Here are also subscription blanks to 2 excellent national publications. They overflow with articles of interest to all. Since New England is next door, we're including the NEW ENGLAND CALLER. There is no better way of keeping posted on square dancing down New England way.

2 & 4 Fridays PRINCETON SQUARES -- Princeton, N.J. (+2 APD)
Community Park School, Witherspoon Street

For the last two years we have had a tradition of very wet Fridays for our dances, so this years' dry spell has been a welcome change. We're having a Good Ol' Time with our club caller, Bruce Busch. Our Holiday Fling with Bob Gambell and round dance cuer Ron Rumble was a great success. The Hightstown Firehouse jampacked with happy dancers. Our beginners class of 4 squares is taught by Fred Fields and he reports that they are dancing nicely, enjoying it and each other and are going out to dances. Congratulations, class! Fred has been calling class-level dances second & fourth Sundays at the Hightstown Fire House with more to come in March and April. Come one, come all. Princeton Squares free dance for all new graduates will be in May at our regular schoolhouse -Community Park, All welcome.

The Masqueraders club, sponsored by Princeton Squares, is doing well with a mixture of calls & workshops at the +1 & +2 levels every Tuesday night. We raided the J-b Squares in January with 4 1/2 squares in masks. That's pretty good for a club that has five squares on most of its regular nights. We'll be pleased to see you, reporter -Arthur Wilson 609-393-0286

Heights School, Seminole Avenue

Congratulations to all graduates and welcome to the Square Dance World by the time you read this, Ramapo will have launched its thirtieth year with a sensational sell-out New Years Eve Party. Lee Kopman did the honors and "a great time was had by all." We elected a new slate of officers at our annual meeting in January. The following were unanimously elected: Presidents-Ann/John Natalo; VP-Ruth/Don Martin; Sec. Pauline/Jim Hughes; Treas. Alice/Joe Jamin. Gloria Brandt reported a great deal of interest in our 30th Anniversary Celebration. We are especially looking forward to sharing the evening with former members, officers and callers. Second Saturday in September is the date!

Jinny/Bud Allison are excited about the progress last years graduates are making in their workshop and we are especially pleased to have several dancing at our regular club dances.

"Old Man Winter" has been very kind to us & we have welcomed many guests this winter. Remember Ramapo "can be very friendly" and the welcome mat always out to those who enjoy advanced level dancing. And great Round Dancing to our own Doc & Peg who will again be cueing and teaching the rounds. To check our fantastic list of callers, see our ad on page 42.

The welcome mat will be out for 3+ sets of new graduates at our club graduation the last Wednesday in March. Let's all make them welcome, remember your first venture into the "wonderful world of square dancing"! Congratulations to all new graduates who will be joining us this Spring.

We've had 2 successful raids over the past weeks, one to Hill City with 4½ squares & to Grand Prowlers with 5 sets. Keep checking that raid calendar. Our club has also enjoyed the hospitality of Bobbie/Charlie Osborne & Bernice/Bud Lawson. Bobbie, those poinsettias still look lovely.

Remember to get your dinner dance reservations in - the flyers are out. Check our ad on page **36** for our upcoming dances with Jim Adams, Ken Anderson & Mike Cleary. See you there!

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y. (+2)
2 & 4 Saturdays St. John's Lutheran School, 663 Manor Road

Time marches on - our Valentine dance is now history, with Frank Rivicio calling. Regular dances followed with Joe Landi & Ralph Trout. Our next big event will be our annual Pot Luck Supper in April. Our seating capacity is limited and we must ask non-members of Richmond to make reservations. Watch for our special flyer with full instructions. This night will also be the Graduation Dance for our class, who are improving all the time.

Members were startled and shocked in January to hear of the passing, within one week, of both Ronnie Sullivan's mother and Natalie's father. Our deepest sympathy to the Sullivans. Many square dancers from all the Island Clubs came to the memorial services to pay their respects.

Ursula Connor hasn't been seen lately, she was in hospital to have a bone growth removed from her wrist. Now she's at home with her arm in a sling, resting. Her biggest complaint is that she missed the last three issues of GRAND SQUARE and doesn't know what's going on in the clubs. Anyone got a spare to send her? Send it to 111 Riegelman St., SI 10302. (Editor yet- deliver it and pay a call!) See you all at the Pot Luck - IF you have a reservation! reporters - Jim/Alice Wilson 212-727-9583

So far four couples have offered to help transport the various items for our NNJ display at the 29th National S/D Convention in Memphis, TN. (pictured are the Meyers/Enos dismantling last year's in WN) We do appreciate all the help we can get. From all reports with the Educational Programs, panels, social/special events, exhibitions, dancing, etc, etc. planned, it will be an overflowing three/four days! Rooms are at a premium, so if you have relatives within a hundred miles, make plans to stay with them.....

A Happy New Decade of S/D pleasure to all! We ended the 70's on an especially pleasant note with our annual Toys for Tots dance. Thanks once again to John Kaltenthaler for an excellent calling job and to all you dancers who came & supported such a worthwhile cause- a happy holiday for unfortunate children. (Special thanks to Dancing Squares for their contributions.) Also, our first graduation of the season was held in December. Please extend a warm square dancer's welcome to these new graduates as they acquire more experience & progress through the Mainstream Levels.

When this report goes to press we will have "Pressed on" with our 2nd semester by staging another "hi-lo" dance to attract beginners. Here's hoping that we'll have better luck encouraging more men to sign up for lessons & that we'll see you on our floor sometime!

We also wish all new Graduates many happy years of dancing and invite them all to our Graduates' Dance in May. (see our ad on page 27.) This July & August, Solitaires will be breaking with tradition. We will not be dancing during those months. reporter - Mike Bianchi 201-887-5705

WOW! What better way to top off the holiday season than a New Year Eve dance with Dick Jones. Hats off to the Hill City crew that chaired the gala event along with the help of Bee Sharps & Somerset Hills. A special thanks to Mike Foley & Bruce Vertun for calling such fine dances on short notice when Carl Hanks was unable to call due to transportation problems.

Please be sure to tell Bob/Nola Hendrix all your little tid-bits for publication in Square Notes. It will really help them continue the fine job they are doing. A great way to get to know the dancers in other clubs is with the raid programs. If you know of a particular club you would like to raid or be raided by, let our Raid committee, John/Anne Standley (879-7641) know. reporters-Ron/Roberta Henderson 201-647-4244

STEPPING STONE SQUARES -- Basking Ridge, N.J. (prog to +2)
2 & 4 Saturdays Cedar Hill School, Peachtree Road

We are on the move. We are averaging 6 to 8 squares per dance and everyone is learning the +1, +2 and QS from our caller, Bob Tarrant. 1979 graduates from 17 clubs are enjoying the transition from Mainstream to +2 level. The last Saturday evening in May, our dance will be free to all 1980 graduates so that they may come out and experience the learning and dancing of several +1 calls. New graduates or old graduates, if you have any question, please give the reporters a call (telephone, that is).

Remember the summer visit of S/Ders from New Zealand led by Art & Blanche Shepherd, leaders of "Cathedral Squares" & Gwen & Gordon Nuttall, Editors of "Cathedral Chimes". Well-the Nuttalls sent Christmas Greetings to their NNJ friends in plenty of time for our Holiday Issue & ye editors misfiled it!!! But better late than never...as we quote part of their message -"May God bless each of you for this coming year with Health and happy dancing. If any dancers are touring out this way would they please contact us about dancing arrangements at 236 Knowles Street, Christchurch 5, NZ or phone us at 559673." Gwen & Gordon Nuttall.

STATEN SQUARE SET -- Eltingville, Staten Island, N. Y. (+2)
1 & 3 Saturdays Holy Child Forum, Amboy Road/Ardenz Avenue

At our annual Christmas dance a most deserving couple was awarded the Blue Jay award for their contributions and efforts toward square dancing. Where else to give of themselves but your home club. The deserving couple Lenny & Laura Gaeta. Congratulations you two! You've earned it!

In January our club danced to the calling of Lee Kopman. As there was 32 squares who came to dance, we would say they enjoyed his calling. Not withstanding Joan & Jerry Newman on rounds, their efforts were well appreciated. But one must not overlook the hard working committee chaired by Gene/Nina Borrelli. We can assure you all, your efforts were appreciated.

Attention everyone!! Please make a note of these two dates in April. The first dance in April has been cancelled. The second April dance will be held in Christ Methodist Church, 1890 Forest Avenue. The church is a little west of Richmond Avenue and across the street from the Richmond Racquet Club. reporters - Pat/Jo Danna 212-448-6315

2 & 4 Fridays

Although this is the first time in our bakers' dozen years that we have not had a class the Executives and all Spinners congratulate the many dancers now entering the wonderful world of square dancing! Our club joined forces with the Kittatinny Rangers this year to sponsor a joint class, & we know from personal experience that Dick Pasvolsky has again turned out a group of happy dancers who've gained a basics foundation & styling that's second to none in the entire NNJSDA - congratulations Dick & all new Ranger/Spinners!! We encourage the fledglings to take advantage of the full program of dances coming up this spring & summer which are geared especially for new-comers, & we'd like to tell you that our joint venture will hold a 'Welcome Graduates' dance the third Wednesday in May, so mark your calendar now and savor the comradery we Sussex Countians will show you. All dancers are welcome, especially the 1980 graduates who will be admitted free, and we'll look for you at 8 pm at the Stillwater School. Now that you've joined the group of world-wide dancers who know the fun & friendship that is found in this great together activity, if you know of any novices living in Sussex County who'd like to become dancers, tell them to watch for our "D S D" (Discover Square Dancing) ads and flyers, or have them contact our effervescent presidents, Norm/Audrey Bolin (729-9327) for specifics & directions. Again, congratulations to all new dancers and we'll look forward to spinning with you on the 2nd & 4th Fridays in Sparta.

The very nature of square dancing precludes a "star" system. But we have our stars, even though you may not always be aware of them. At Swingin' Stars we have two people who are certainly worthy of bouquets from all of us who look forward to the second Saturday of the month.

Another clue- in our flyer they are listed under Public Relations and Hospitality. Right! Yale Carroad & voice (add "words" since he whips them up into phrases with no effort) and our very charming Evelyn Olsen and Friends. When we almost went under a few years back, those two really got out and beat the drums to save it. Happily, it worked. So along with Evelyn's Friends and Yale's voice, do come and enjoy. As usual, round dancers, 8 PM for you and 8:30 for the die-harders. See you around a square.

2nd Friday

Baptist Church, 563 Piermont Road

On the morning before our Jan. dance, our caller, Stan Zaczkowski, was injured in an automobile accident on his way to work. After considering alternatives, our officers decided to call off the dance. A telephone committee called as many of our regular dancers as possible to inform them of the cancellation, but because of telephone outages, we missed a few. To those who arrived at the hall & found the note taped on the door (especially those who came from a distance), we're sorry we could not get through to

Stan recovered rapidly (S/D callers have great recuperative powers) and was back at the mike for our February dance. There are only two more dances before we recess for the summer. If you haven't attended one of our dances, what are you waiting for? All new graduates: this is the club where you come to polish (this is not a joke about our callers' ancestors) your S/D skills & improve on what you learned in classes. C'Mon over; we are waiting for you. reporters-Frank/Marie Poole 201-342-3375

3rd Friday

Bryan School, Brookside Avenue

Our January dance was a revelation and a joy, when our gifted amateurs spelled John & Doc at the mike, leading us in squares & rounds. What other talents lie hidden among our members? Yale Carroad achieved a lifelong ambition by leading a Swingin' Stars raid that same night.

We were all sorry to say goodbye to Emily/John Edgar who have retired to Florida. Happy dancing, wherever you are. Don't forget to visit us, come Summer. February was another gourmet delight with pizzas for all. March will see our gala potluck supper dance, with Peg Tirrell, the hostess with the mostest in charge. If you can't make the dinner, don't despair, you can still come to the dance at the regular time.

When our class teacher, Ron Bessette, was unexpectedly transferred, we were fortunate in obtaining the services of Bruce Vertun, who is skillfully guiding the original group sponsored by Tenakill Twirlers and Hi Taws, augmented by the Western Wheelers class. Appropriately enough Bruce will be the caller at Tenakill's April graduation dance. So let's forget the winter cold, put on our dancing shoes and dance right into Spring.

WEST MILFORD FLUTTERWHEELS -- West Milford, N.J. (+1)
1 & 3 Fridays Paradise Knoll School, Paradise Road off Rt. 23

We are delighted to say that we just celebrated our 2nd Anniversary. We really have a nice group of people in our club and we are proud of them all. Congratulations to our 4th set of Graduates. We would like to thank Bob Tarrant for coming to our aid when we needed him in teaching our class. Thanks Bob! We are pleased to announce that Bob Mitchell will continue to be our caller with occasional guest callers.

We would like to take this time to thank all of the callers that have come to help us out whenever we needed them since Ron Bessette moved away. They have really been great about it and we sure do appreciate the kindness they all have shown.

NOW A WORD FROM THE GREENS - We would like to thank all of our square dancing friends who supported the benefit dance in my honor and all of our dear friends who prayed for me. I have had a quick recovery and it is good to be back square dancing again. Don & Joan Green.

It is good to have you both back again. reporter-Don/Helen

Y SQUARES -- Clark, N.J. (QS)
2 & 4 Fridays Carl Kumpf School, Mildred Terrace

Since our last verbal get-together in January Y Squares has packed them in to the calls of Dick Jones and the cues of Jean Kellogg. Everyone seems to be taking our suggestion about dancing to keep warm on the cold winter nights very seriously. That's great, because we're all having fun and meeting more and more people. Your reporter's collective faces, by the way, were quite red when we read our last article and found out we had said we had great fun last fall dancing to Bill Cunningham. Many apologies to a great caller and our current class's teacher, Bill Chamberlain. Sorry, Bill, that's what we get for typing at midnight. Our long hand was correct, but our typing was phooie!

Which leads us to our graduate dance coming up in April when we'll all get a chance to see & dance with Bill's new class members. We hope they'll all take advantage of the free dance & come out to meet those who have not had the pleasure of serving as Angels. This also seems like a good time to extend our heartiest thanks to those who are "Angelling" regularly and to encourage others to join them if possible. This is the kind of cooperation which makes square dancing the great activity it is. If everyone could share and give of themselves in all phases of life as they do in square dancing, this old world would be a better place to live in.

The SQUARE PINCUSHION shows a few techniques...

There have been a few requests on 'how to do' some sewing skills that are often taken for granted.

The first of these is 'gathering'. How you assemble your gathered skirt can make the difference between a skilled and a less-accomplished seamstress.

There are several methods you may employ to use when gathering those long strips to make into a tiered skirt or dress that is so popular in square dancing apparel.

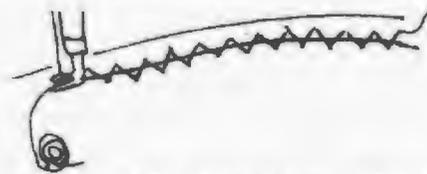

The first rule to remember is the sheerer the fabric the fuller it gets shirred. The second is don't be skimpy. If you feel you may not have sufficient fabric, add a complimentary piece or change the style.

A good rule of thumb is to gather your ruffles 2 to 1, i.e., a piece of fabric 36" wide gathers to 18".

When working with such large amounts to be gathered, some helpful hints can make the difference.

If your brand of sewing machine comes equipped with a 'ruffler' attachment and your fabric is lightweight then you have a winning combination. Ruffler attachments take a little practice to get it going but it is worth it. On some scrap fabric get your attachment to gather in the 2 to 1 ratio; sew all your seams except the last one, then run the edge thru the ruffler, join the ruffled edge to the skirt and lastly close your final seam.

If you do not have a 'ruffler' or your fabric is not lightweight then other measures must be taken....You can put a heavy duty thread in the bobbin (a contrasting color makes it easier to tell which to pull); sew your gathers in quarters (if the thread breaks in pulling its easier to replace $\frac{1}{4}$ of it). Pin your gathers and adjust evenly as you go or you can use nylon fishing line held over the stitching line using a zigzag stitch over the fishing thread being careful not to catch the line in your stitching. When all is stitched you pull the nylon line to the gathers desired. I'd suggest trying this on a scrap to see if you can master it. The zigzag stitches provide a casing that the fishing line is pulled thru.

Try these and next issue we'll review a tiered skirt for those of you that have been asking for that.

See you next time.....

The S/D World is often unaware of the spouse behind the caller/editor. Such was the case in New England where veteran caller Charlie Baldwin has edited the NEW ENGLAND CALLER these many years. His wife, BERTHA BALDWIN, remained behind scenes - a quiet, dedicated worker - a warm, friendly, gentle person. Her death the end of 1979 leaves a void Down East. A special Bertha Baldwin Memorial Fund has been established which in time "will produce a property to house the history of New England Square Dancin along with memorabilia, artifacts & a central office for the New England activity." She would like that.

CALLERLAB

The International Association
of Square Dance Callers

The 7th annual International Convention will take place in Miami Beach just prior to Easter. Indications are that this will be another very productive Convention in the ever changing world of S/Ding. It is

through CALLERLAB that caller/leaders from all over the world will have an opportunity to work closely with one another, to exchange ideas & find solutions to problems & challenges facing them in their areas. CALLERLAB meetings vary from small Special Interest Groups to larger committee meetings to the combined general membership sessions involving all the delegates. While the convention is not primarily a dancing event, there will be occasional dance demonstrations & teaching techniques used to illustrate certain situations. CALLERLAB's 1980 meeting is not a festival, nor a caller's school & not just another callers meeting hashing over the same old problems. It is truly a professional gathering of dedicated leaders. Many of our area callers are members and are planning to attend.

Did you know CALLERLAB has established Caller Educational Specialists? To qualify a CALLERLAB member must have been calling a minimum 10 years, conducted at least 5 complete Callers Colleges utilizing the curriculum outlined & approved by CALLERLAB, answered correctly 100 of 110 questions on a written test, and answered 5 essay questions which serve as the starting point for the oral exam. An accreditation fee of \$150 is required prior to the Orals. To provide for provisional Caller-Coach accreditation to get the program off the ground 10 members of the Board of Governors were recognized for their expertise in the training of callers and completed all the testing procedures. So designated were Al Brundage, Cal Golden, Lee Helsel, Jon Jones, Frank Lane, Jack Lasry, Jim Mayo, Vaughn Parrish, Bill Peters & Bob Van Antwerp. As of the news release, four had passed the written and were in the process of taking their "orals" - Harold Bausch, Bruce Bird, Cal Campbell & Kip Garvey; and four had successfully taken the written & "orals" - Barry Aronovitch, Bill Davis, John Kaltenthaler & Gloria Roth.

At the ROUNDALAB (International Association of R/D Teachers) Convention in San Diego, two retired R/D couples were elected Honorary Members. Ralph & Eve Maxhimer - from the West - who was on the staff at the 1st National S/D Convention & for 30 years did a tremendous amount to popularize & lay the basis for the Square & R/D activity in their home area...and...Jack and Na Stapleton - who many R/Ders in our area must have met as the Stapletons travelled extensively teaching at many festivals and workshops and who were prolific choreographers, noted primarily for their beautiful waltzes (Mexicali Rose, Silk & Satin). Next meeting October 26-28, 1980 in Philadelphia.

In an article "Winds of Change" in the February AMERICAN SQUARE DANCE, it is remarked that square dancing is shrinking dramatically. Among the possible causes cited is "dividing the pie into too many pieces." I might add being grim about enforcing levels. Certainly everyone has the right to dance at whatever level he enjoys and is proficient at. But if someone does miscalculate a bit, we can still remember that square dancing is friendship put to music.

This was brought home to me at a recent dance where one woman greeted a +2 call with a panicked "but I don't know that call". Fortunately next to her was our NNJSDA gracious president, Fran Habersberger, who quietly assured her that nobody minded a brief pause to regroup. As a result our fellow dancer relaxed and sailed through the rest of the dance with ease. Had she met frowns instead of smiles, she might very well have become too tense to dance well and the whole set would have suffered with her.

ARTICLE XVII. *Amendments*

Section 1. Proposed amendments to the Constitution may be submitted by any dancer belonging to a member club. BYLAWS

Section 1. Procedure for becoming a member of the Association.

- a. A written application shall be filed with the Recording Secretary of the Association setting forth the name of the club, list of membership-elected officers, names of callers, dates, level, and location of dances, and number of paid-up members.
- b. An officer of the club shall appear at the next meeting of the Executive Committee to answer any questions regarding the application.
- c. An announcement of the application shall be made at the next Delegates' Meeting following the filing of the application.
- d. The 3rd Vice-President shall visit the club prior to Executive Committee review.
- e. Application shall be voted upon at the next regular Executive Committee meeting. By a majority vote the application may be rejected, postponed or recommended to the delegates for acceptance.
- f. The recommendations of the Executive Committee shall be presented at the next Delegates' Meeting. A majority vote of those Delegates present is required for approval.

Section 2. Qualifications for eligibility for new member clubs are as follows:

- a. Must consist of at least four adult squares with a reasonably stable membership over a period of at least one year.
- b. Must be devoted to Western Style Square Dancing with a regular caller or callers, a regular meeting place, and governed by regular elected officers.
- c. Must not dance on the same night as another member club within a 15 air mile radius.
- d. Teen age clubs, with a reasonably stable membership of at least two squares over a period of one year, may become Associate Members with a nonvoting delegate, having the right of discussion.

Section 3.

- a. To continue membership, a club must conduct regular dances and maintain, as a minimum, the qualifications for eligibility defined in Section 2.
- b. When unusual circumstances arise in regard to the above qualifications, any club, upon obtaining permission, in writing, from all conflicting clubs, may request consideration as specified in Section 9, the decision to be binding on all. Any party may appeal to the Delegates within one year of the decision.
- c. A club must also be represented at a majority of the Delegates' Meetings each year and be in good standing.

Section 4. The annual dues for each member Club and Associate Club shall be as recommended by the Executive Committee and approved by the Delegates. Annual dues shall be payable at the second Delegates' Meeting.

Section 5. The Association or Member Clubs may organize and run beginner classes in various sections of the area covered by the Association.

- a. Any member club planning to hold a special dance on a day other than its regularly scheduled day shall notify the Recording Secretary and shall be limited to days when no regular club dance within 25 air miles is scheduled.
- b. Dates shall be recorded as received. In no event will the Recording Secretary acknowledge any specific date for more than three years in advance. Regularly scheduled dances of member clubs have priority over dance classes, workshops or any extracurricular activities by any member club or Association caller.
- c. In the event any such notification indicates a conflict with another member club's regularly scheduled dance or previously scheduled special dance of a member club to be held within a 15 or 25 air mile radius (as appropriate) of such proposed dance, or a conflict with an Association dance, the Recording Secretary shall advise such club of such conflict and suggest a new date be selected.

Section 9. In the event of any difficulty between two or more clubs or the Association, upon receiving such advice from the Secretary, or upon request from an involved club, the 3rd Vice-President shall attempt to effect a mediation satisfactory to all concerned. If unsuccessful, the President shall appoint an impartial committee consisting of at least three members from at least three different clubs (other than those clubs that are affected). This committee shall meet with representatives from each club to effect a mediation.

Section 10. The official publication shall be known as "GRAND SQUARE". It shall be made available to all dancers of its member clubs, to the beginner classes of member clubs, and other interested persons. No advertisement or announcement of any dance that is in conflict with a previously scheduled dance of a member club to be held within a 15 or 25 air mile radius (as appropriate) of such member club's dance or in conflict with an Association dance shall be accepted.

Section 11.

- a. The Association shall keep and maintain records of each member club, including the names and addresses of its officers, delegates, callers, level of dance, and the location of its regular place of dancing.
- b. Any change in officers, delegates or callers is to be reported to the President as soon as is reasonably possible.
- c. Any contemplated change in regular place, date or level of dancing is to be reported immediately to the Recording Secretary for proper clearance.

Section 12. To acquire the title of "Patron", a dancer of the Association shall attend a scheduled dance by a regular caller of 26 member clubs, not counting Associate Clubs, in the Association and shall present a written record thereof to the Executive Committee. There shall be no time limit.

Hi, A great big thanks to all you wonderful dancers for your support in helping to make our 3rd M.A.C.H. (Make A Child Happy) dance a success, without you this couldn't be done. Special thanks to Jerry Jaffe (Santa) who HO-HOED & collected 123 beautiful toys which were donated to Coney Island Hospital & Brookwood Foster Home. Letters of thanks were received from both telling us how grateful the children felt to be remembered. Thanks to all who decorated the hall with baby pictures, set up the refreshments, gave our baby corsages & brought the delicious "Goodies". Thanks to Joan/ Jerry Newman who taught Holiday Mixers, Jingle Bell Rock. Just great! Al Moses called the squares that had us going for this worthy cause. Thanks to Fred Weiner who filled in when Al was sick with flu, also Guest Caller Wilson Hoff. Next special-3rd Graduation in April. See ad on page 18.

2 & 4 Tuesdays

Church of the Advent-Watchung Ave/Williams Street

We were visited by caller Kurt Kaynor from Boston area. He was unusual in that he played the Jews Harp during the circle left portion of his call. Amateur callers Night brought out a lot of talented callers including Doug Gorrian, Jerry/Irene Cummings, Dot Lowenstein, Tom Boyle, Ted Levandowski, Dave Wiley, Richard Lamb & Charlie Medlicott. You all were really GREAT! Our second Jan. dance was cancelled because our own Stan Zaczowski had an automobile accident & suffered multiple injuries. We all hope & pray he has a speedy recovery. We raided the Spinning Wheels of Wayne in January. They are a real friendly fun group. Our first Presidents Ball brought out an enthusiastic crowd & we were happy to welcome presidents from many clubs. We raided Tenkill Twirlers & enjoyed a real fun night.

2nd Wednesday

First Congregational Church, 131 Pascack Road

Class level dances have been successful with students from surrounding S/D classes joining the W/W students. At this point, they all must be anxiously awaiting their graduation. Our friendly members, I'm sure will extend themselves to welcome the new graduates as they join us at our Club Dances.- Even though there wasn't any snow outside, the Snowball Dance in January was a tremendous success. Our Valentine Dance was a special treat to all the "Sweethearts"-The President's Ball, was well represented by the Presidents from other clubs. Hobby Night proves how many talented Square Dancers are amongst us. A successful raid to the Shamrockers was held in February. All good wishes to John/Emily Edgar as they leave us to retire in Florida. One could always count on a happy smile and hello from these two lovely people. They will be missed.

Space & other problems precludes publishing a monthly calendar. Instead we will print this universal calendar of all NNJSDA clubs regularly scheduled dance nights. By comparing the actual month to this page a dancer is able to figure out who is dancing when. The "where" and other particulars will be found in the heading of each club's report. On the bottom of this page we will always publish all cancelled dances (that we hear about) for the period covered by that issue of GRAND SQUARE. It is the responsibility of each club to keep us up to date on any changes. Thank you for your cooperation. Doc/Peg Tirrell 201-568-5857.
