GABE & SILA DELL'ANGELO, presidents NNJSDA

From the desk of

W E L C O M E

There is no better word to let you know that you are received with gladness and delight into the companionship and joyment of the world of SQUARE DANCING.

You have made a commitment. You have invested time and money in this new activity. You have made new friends among your fellow class dancers and your club angels. You have accepted the guiding influence of the class chairman and club officers. You have been ably taught by callers and instructors, so that you may have already attended some of the class level dances offered you. You have in some way become acquainted with the NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION, of which your club is a member. NNJSDA has presented you with your diploma; commended you for 100% attendance; supplied you with a graduation packet with guidelines and information. It also issues this publication..GRAND SQUARE.. which keeps you informed of club news, coming events and lists where to dance.

You have become an important part of this 'community' of square dancers. As you become seasoned dancers, you rekindle the enthusiasm of the regular dancers. As you offer new ideas, with a fresh view point to our leadership, it is hoped that you will become our future leaders. For all that you have done as students you must continue to do as graduates. Dance as regularly as you can. Visit the clubs that sponsor dances especially for you. The Association offers a special summer schedule for your dancing pleasure.

You may have questions or may need directions to different clubs, please ask your club dancers and officers...get to know your club delegate to the Association..they are all dedicated to the square dance activity and unselfishly serve to promote it.

The more you dance the more proficient and confident you will become. This is an 'on-going' cycle leading to many happy times which we hope to share with you.

Good luck..be proud of your accomplishment..it was WELL DONE.

AL"e"MO SQUARES -- Brooklyn, N.Y. (+1)
Sunday (2/mo) Avenue R Temple, 1609 Ave. "R"

Ah! Spring is upon us and our minds lightly turn to thoughts of ---- square dancing ---- and round dancing, too. AL"e"MO SQUARES bid to become a member of NNJSDA has finally been achieved for which we are very grateful. We know our members will attend dances of our sister clubs and hope that these clubs will reciprocate.

Incidentally, one of our fellow members, Arnold Walker, graduated from CCNJ callers school in January. Who knows? We might have another Dr. Lloyd (Pappy) Shaw in our midst. A tidbit that I'm sure will please most dancers. Another S/D club has appeared in the metropolitan area - the Queens Squares of Richmond Hill, Queens. Their caller - Frank Riviccio. We wish them lots of luck and hope that they'll blend into the square dancing picture. A few more clubs within the scope of New York City would enhance square dancing tremendously for city dwellers. Don't forget - big oaks from little acorns grow. Bea/Al Axelrod 212-854-2401

The weather during January was unusually bad for S/Ders throughout the U.S. The extreme cold, snow & ice caused hardships for callers & dancers alike. Many dances had to be called off, but we here at Covered Bridge were fortunate that our January dances went off without a hitch. However our Pres. Wally Cox suffered bruised ribs & our Sec/Treas Betty Ourganian a broken wrist - both because of weather. Now we are looking forward to our future specials "Sundae on Friday" in April & Gourmet Dinner Dance in June. (Ad on page 5). Clara/Norris Ember 201-759-0864

Square dancing has surely helped to ameliorate this bitter & miserable winter of '81-82. Our New Year's Eve Party with Mike Foley calling was a resounding success with more than 75 people attending. On a Sunday in March almost a hundred members and friends attended the annual dinner dance at the Russian Hall in Singac. The popular Bill Wagner from Scranton, PA called. We are all looking forward to the Graduation Dance in April. This year we have 20 new students who have really done well in their "Training" program. We are really appreciative of member clubs who are scheduling class level dances for the students. Come join us this Spring. Dance to the calling of Dick Pasvolsky, Manny Amor, Bob Mitchell and Paul Brody. (Ad page 19). VEvelyn/Bert Boucher 201-256-3409

It sure is nice to finally see signs of Spring after all the cold, snow & sleet we have had. Throughout the long winter, our class was kept active by Betsy Gotta. We will soon see the fruits of their labors when our class graduates and begins to dance with us. This is always the time of year when we are shown how some calls are supposed to be done and not how we do them. The New Year's Eve dance was great. We had a large hall, plenty of food & fantastic dancing thanks to Fred Fields & Jean Kellogg. Our Valentine special with John Kaltenthaler was warm & wonderful despite the cold and sleet. We would like to thank all those who visit our club regularly. It is always a pleasure to see you. Hope you don't miss our last few dances. Read our ad for details.

A message from CENTRAL NEW JERSEY SQUARE DANCERS ASSOCIATION

At the last Executive Board meeting of the CNJSDA, a plaque was presented to Dan/Shirley Bach for all the work they have done the past two years as Presidents of CNJSDA. A new slate of officers has been elected for 1982: President- George/Rose Dock; VP- Harry/Jean Mankoff; Treasurer- Ernie/Sue Boan; & Secretary- Don/Bea Hyatt.

CNJSDA is only a little over two years old and a lot goes into the formation of a new Association. Thanks to NNJSDA for their help. Our Association sponsors two dances during the year; plus three class level dances, group insurance for all clubs who belong to the CNJSDA and a three month calendar is set up for all member clubs to use.

Looking forward to working with NNJSDA on the Baltimore Booster Dance July 24 in Whiting, NJ.

For information call George/Rose Dock 201-462-8159 or write them at 31 Waverly Place, Freehold, NJ 07728.

Vacation time !!!

CONGRATULATIONS to the New GRADS!
Happy dancing !!!

Every convention has its own theme with an appropriate costume & logo. In January many delegates picked up instructions on sewing the BALTIMORE in '84 (or 33rd National S/D Convention) costume. Page 10b in our Winter Issue enlarged upon this information. Some dancers have asked for an explanation of their logo - which is displayed to your left - and is featured on the BALTIMORE BOOSTER

BALL (Saturday, July 24, 1982 in Whiting, NJ) flyer.

The overall concept combines landmarks of Baltimore with S/D symbols. S/Ding is represented by the 2 dancers & the musical staff. The staff also reminds us of the Star Spangled Banner, whose history is so intertwined with Baltimore, as well as bringing to mind George M. Cohan's, "IT'S A Grand Old Flag", the convention theme.

Imagine yourself standing on the deck of the "Pride of Baltimore" sailing around the Inner Harbor. Looking from left to right you will see: First, a collection of building typical of the downtown area; next, the dome of the Administration Building of Johns Hopkins Hospital; the top of the Maryland National Bank Building (most noticeable because of flashing lights which spell MN); the Bromo-Seltzer Tower (with a clock face using the trade names & numerals to mark the hours on all four sides); The Washington Monument in Mt. Vernon Place (memorial to our first president situated in an elegant residential area just north of downtown); the roundhouse (part of Transportation Museum); World Trade Center at the Inner Harbor (excellent panoramic view from its 27th floor of Baltimore!); & finally the dome of the Baltimore City Hall (Recently restored post Civil War Bldg.). There you have it - Baltimore's essence captured in the blue & white logo and repeated on their badges, stationery, etc. Although the convention is not until June '84, you can show your support July 24, 1982 in Whiting, NJ. (see ad page 26)

GARDEN STATE SQUARE DANCE CAMPERS

Our January dinner dance at the Brownstone Inn was really super. Our thanks to the McElroys, Samsoes, & Garfinkles for making this occasion so memorable. Those "recycled" centerpieces were fantastic! Pictured are the Flanderas doing their selling Booster Tags for GRAND SQUARE!

Good food, good friends & good dancing with Bob Mitchell on squares & Doc/Peg Tirrell on the rounds. We all had a marvelous time. Many thanks to all who made it so memorable.

Now we're all set to start Spring Cleaning our RV's and camping equipment and looking forward to the first camp out of '82 at Otter Lake. See you all there.

ISLE SQUARES -- Great Kills, Staten Island, N.Y. (+1)

2 & 4 Wednesdays Christ Lutheran Church, 121 Cleveland Avenue

Please note our Lenten Schedule changes.

It takes courage to venture out into the winter night, but for the brave of spirit, there will be rewards. You will find outstanding callers, who will assure you of an evening of good dancing. Please check our revised schedule during the lenten season.

The first dance of the New Year was the "Mystery Dance", & it was canceled because of a heavy snow fall on the night of the dance. Fran/Hy Giant will not reveal the name of the "Mystery Caller", but they promise that he will appear at one of our dances in the very near future. He may just appear at the dance that you attend, but should he fail to appear, you will find the refreshments delicious. An evening spent at Isle Squares is always a rewarding one, & I know that you will find it enjoyable.

We have members who are not dancing because of medical problems, & we would like them to know that they are missed. Jean Laird is hospitalized in Goshen, NY & we hope that she will return to us very soon. Dom Santore is recuperating at home & his recovery is being monitored by his lovely wife, Alice. As this issue is being prepared for the press, our Club Reporter, Homer Powell, is recovering from surgery. In the next issue, I hope Homer will tell us just how that gall bladder came out. We wish a full recovery to each of our convalescing members & we hope to have them back with us very soon.

NJ Governor Byrne left office last January without calling for or signing the bill to designate the S/D the American Folk Dance of NJ. But Frank/Helen Cavanaugh, who are once again coordinating our efforts, announce that NJ State Senator James Bornheimer has promised to re-introduce the bill. Let your State Senator & Assemblyman know you would like them to vote, "Yes" when it comes up for a vote. The Cavanaugh's are hoping for passage & signing by the Baltimore Booster Ball - July 24.

KITTATINNY RANGERS -- Stillwater, N.J. (+1)
 1 & 3 Wednesdays Stillwater School

Our class is progressing nicely, with the students stepping out for social dancing at clubs who so nicely offer dances at their level. The Rangers are noted for their unusual format. In January brought forth one of our specialties. The club was visited by none other than Bing Crosby & the Andrews Sisters. Very much within the Holiday Spirit they willingly sang "Jingle Bells". The great lip sinking performers were Jack Austin as "Der Bingle" complete with golf club & traditional hat. Patti Andrews was the gutsy, busty John Willis, blonde & beautiful; lovely shapely red haired Maxine was Bill Avery, & the leggy hot pants black haired beauty was Pug Straway. The production was produced and directed by Armida Devore and her husband Floyd took care of lights and sound. Applause, Applause. Jack/Trudy Austin 201-383-8678

A resolution to designate the S/D as the National Folk Dance of the US has passed the Senate. But it is in need of 82 more cosponsors in the House of Representatives. We need your help. Please write your Congressman (NJ Districts 2, 3, 5, 7, 9, 10, 12 & All districts in NY metropolitan area) to cosponsor HJR 151 & help get this bill out of committee for a vote.

1 & 3 Fridays

Dag Hammarskjold School, Rues Lane

Even though one of our January dances was cancelled because of snow & another was touch & go up to the last minute, this has been an active fun filled few months for our club. Our Snow Ball was well attended, & we thank the Ahlers & Silverbergs for their creative decorations. Our Club has a new "Glenn, Jan & Me" dangle. When we have a guest caller at a dance, we draw 3 names, using our door prize tickets. These lucky couple form a square with Glenn & Jan Cooke & dance to the guest caller. For this honor, we bestow our special dangles. Highlight of our first March dance was the second "Miss Merri Eights" contest, featuring some of the most beautiful, er, girls in our Club. We'll list the winner's name in the next issue of GRAND SQUARE. Also in March approximately 20 couples will be graduating from our R/D Class, being taught by Max/Nancy Nosker.

Later in March we are holding our second annual St. Patrick's Dangle Dance. In addition to the many foods which will be (ulp) green in color, we shall be calling several interesting and unusual dances. Special dangles will be available, if wanted, for those participating. Our barn dance will be held the next night, and this is a "reservations required" dance. This Spring we are planning several demo dances, including a Nursing Home, a High School and an Arts Festival. We look forward to seeing our many friends at our club dances & we call your attention that our second dance in April will be at a different location & at a different time. (See ad on page 47)

As the winter issue of GRAND SQUARE was issued Mid-January, its been cold, cold, cold. Who would ever think that this winter would hit minus 6° in New Jersey and minus zero ° on Staten Island. Those of you who danced during this spell, deserve a special badge - Yup, you named it. I guess we all got one of those. Thats square dancing. We of the Ocean Waves, congratulate all the Graduates of this Square Dance Term. The word is out "You have been doing a marvelous job at class dances." Now is the time to complete your education by going out dancing at clubs. The New Jersey Association clubs are waiting to meet you. North, South, East and West, after that: Der World. Love Ya.

2 & 4 Saturdays RAMAPO SQUARES -- Oakland, N.J. (ADV)
Heights School, Seminole Avenue

This is one winter we're glad is drawing to a close. Brrrrrrr! A snow & ice storm even made us call off our last January dance with Roy Leber. But Spring is practically here - and the outlook is rosy. First we are proud to announce our new officers: Ginny/Bud Allison, Pres; Chris/Bill Waters, VP; Ann/John Natalo-Treas; & Marilyn/Marty Graber, Sec. Then we have our upcoming March, April & May dances. All with splendid callers. Finally, the special feature of our Saturday before Easter dance will be an Easter Bonnet Parade - with prizes a-plenty for the wittiest, prettiest & most original creations. By that time, too, all our snowbirds & winter vacationers will be back - Allisons, Boccaccios, Gallaghers, Grabers, Lawrences, Marceaus, Martins, Spragues & Venables - one big whole Ramapo family, again. Therefore, consequently, and in conclusion, if advanced dancing is your level, if you like your club cheerful; welcoming and friendly; if you enjoy dancing to Doc/Peg Tirrell on rounds and squaring up computerized to the best callers in the country; RAMAPO IS FOR YOU!

1 & 3 Friday REELERS -- Ironia, N.J. (+1)
Elementary School-Dover/Chester Road, Route 513

The Reelers welcomed '82 and raised the cold weather temperatures with great dancing. Club members greeted class members at our Christmas dance & we're looking forward to seeing more of them in the spring. Bill/Erma Donaldson are proud of our coming graduates. The Raiding Reelers have visited Lakeland Squares, Somerset Hills, & the Flemington Flutterwheels in the new year. Ice & snow - the Reelers get through. The pre-dance introductory round dancing with Grace/Walt has been a success. If Grace can find a place for lessons, we will soon have more round dancers in our group. There have been a couple school activities scheduled, at the last minute, on our dance nights, so we've danced at the Fernbrook School in Randolph. A notice was posted at the Ironia School so we hope you didn't get lost or miss the dance. Reservations are now being taken for our annual dinner/dance. Look for the flyers and we hope to see you there. Join us & dance to the calling of Tim Ryan, Bob Mitchell, Jim Adams, & John Kaltenthaler. Leave winter behind and spring ahead with the Reelers. Remember our dinner/dance is at the Columbian Club in Morristown and that reservations are needed. (AD on page 32) Ed/Ann Naiman 201-729-5894

Catch All Eights - follow up -

- SOUTH - cancelled for rest of season - lost halls & dancers
- NORTH - Bill Heyman has wound up series of workshops.
- EAST - Bill Anderson reports this branch is still going strong. Dropouts from the Island showing strong support.

After a terrific start, CATCH ALL EIGHTS, has floundered along this year due to lack of cohesive leadership & communication. Your Editors just learned the CCNJ Chairman was Bill Heyman while the Dell'Angelo's were unable to find a couple to assist from NNJSDA. If this valuable concept and workshop is allowed to die, it will be a tremendous loss to us all. Will YOU help? Tell us so now, so we in the NNJSDA, together with CCNJ, can plan to rejuvenate CATCH ALL EIGHTS in September.

A CLASS LEVEL RAID? ? ?

(thanks to Peg Snell)

It is a rare square dancer indeed who is unable to describe a great raid they have heard about or participated in. Yet, how many raids on a student dance level have you heard about? (ED: Tenakill Oldtimers are glad to see someone reviving the custom Jody Bromberg began many years ago-then called Midterms.)

As you know, raids are a great way of visiting another S/D club. It is generally recognized that the more frequently a person dances the better dancer that person becomes. The only way to dance frequently is to visit other clubs. Doing so with a group of friends in a raid, provides moral support, saves gas if carpooling, encourages visiting different clubs, and enables people to polish their dancing skills. Once people have a good time, the possibility is excellent that they will visit that club again.

The club sponsors of TENAKILL TENDERFOOTS, Bill Nantz & Art Snell, decided to initiate their students to the enjoyment of visiting another club. Accordingly, they organized a student S/D raid on the West Milford Flutterwheels. About 30 students & angels met at a mutually convenient spot & carpooled & caravaned to the dance. When the time came for the students to march in they gathered with worried expressions on their faces. But after the march & pinning the banner they were all smiles and walking on the proverbial Cloud Nine. They thoroughly enjoyed themselves; made new friends; & learned they could dance to another caller.

At their next class, these raiders were still exclaiming to all the virtues of the raid & their great time. From the Coordinator's point of view, it appears the majority of the class is now completely committed to s/ding. And, after all, is that not the purpose of having student classes, to introduce people to the skills & enjoyment of s/ding? Perhaps raids should become part of the training program for a square dancer.

LEVELS

What does "LEVEL" mean?????

Most graduates have received copies of the Illustrated Basic Movements of Square Dancing" and/or the Mainstream Plus handbooks put out by SQUARE DANCING magazine & distributed, at cost, by the NNJSDA 2nd VP.

As you've discovered, there is a pattern to square dancing with certain S/D calls grouped together to make the learning process easier. These groupings, or LEVELS, are progressive as well as cumulative. CALLERLAB (page 44) has given these levels names - Basics - Extended Basics - Mainstream - Plus - Advanced - Challenge.

In NNJ our graduates have a fairly good working acquaintance with the calls that comprise the Basic & Extended Basic levels. Most graduates have also been exposed to the calls that brings one into the Mainstream (MS) program. Graduates in this level of dancing may prefer to stay dancing at clubs in this MS level for awhile to develop confidence in their newly acquired language and the necessary skills.

Every 3 months, except in summer, CALLERLAB suggest 1 or 2 calls callers may want to workshop as an extra at the clubs that dance at Mainstream (MS). These extras are called Quarterly Selections (QS) and clubs that regularly include these calls in their club program dance at QS level.

As dancers become comfortable in a certain level, they may want to move into the next level of calls. To do this, a dancer usually attends a series of workshops which are periodically held by callers to help the dancer learn the new terminology & become proficient in the calls.

We strongly suggest a dancer truthfully examine their dancing knowledge and attend the clubs or dance in the halls at festivals & balls where you are most comfortable. Every well run festival, ball or club will let you know the level they are dancing. It makes no difference at which level you dance - many dancers can be comfortable at different levels - you'll find the same friendly, congenial people among those of the same dancing ability. The enjoyment of the dance is the interaction among the people.

In NNJ most clubs advertise their level in GRAND SQUARE. Their caller has been instructed to stay within the advertised level, although this does not exclude a workshop tip of another level call if a club so desires. For your convenience we include a listing of the clubs listed at Mainstream (MS) and Quarterly Selection (QS). Happy dancing, especially to our grads!

SEE SAW SQUARES -- Upper Saddle River, N.J. (+1)
1 & 3 Saturdays Old Stone Church EduCenter, E. Saddle River Road

It may be cold outside, but come inside and you will certainly warm up at our friendly dances in Upper Saddle River. Our student dance was a great success with over ten sets participating. Our up coming student dances in March & April will definitely be alot of fun, so as they say, "Come on down...". Our Valentine Dance was Red Hot. Dressed in green for this occasion were Josephine/Joe Rasulo. They must want us to be green with envy as we watch them round dance so beautifully. Well to tell the truth we are. With Les/Ed Shearwood on rounds we can not help but enjoy all the round dancers' performances. The fashion display by Shirley's and our fund raiser from Creative Expression needleworks were well received. Also was the appearance of Frank Zaruba & Dave Weiss. We hope they are both back dancing soon. Get well wishes to our President Sue Comte. Sue had a slight accident but knowing her persistence nothing can keep her down. Good wishes for a wonderful trip to Eileen/Walter Schwartz on their journey to the Holy Lands. To all of you from all of us, keep well and keep on yellow rocking.

We haven't talked about it much, but it has been no secret that the sound quality in the Community House was less than perfect. It tended to suffer from a bad bad echo. But no more, Frank Euler came to rescue with 140 feet of fabric which when draped around the hall like political convention decorations, makes the sound early perfect. Our regular crowd is commenting on how great things are now, & you should come & hear for yourself; we look forward to seeing you. Speaking of visitors, we have other reasons to tempt you. Students are cordially invited to our student dances on the 1st Sundays of April & May, & our Graduates Ball in June. (Look for our flyers) The members of our joint class with Covered Bridge will be there. And speaking of classes, we want to especially congratulate Betsy Gotta's & Jules Pozsar's graduates and welcome them to our world. May they and all of you enjoy long years of dancing joy..

2 & 4 Tuesdays

Can you believe we are just about through another winter? How time flies when you are having S/D fun! Certainly many of us have avoided the inter "CABIN FEVER BLAHS" by getting out & mixing it up with a great bunch of Square Dancers - wherever - & just having a great time.

Bob Tarrant was the guest caller in January & he called a Super Dance. This was a special moment for many of us to enjoy the results of much hard work & total dedication on Bob's part. The great success of the Stepping tones also attests to Bob's achievements. Probably not many of us, in these busy times, ever takes a moment to move back one step & realize how fortunate we are for having the opportunity to have the wonderful World of Square Dancing touch our lives. There probably isn't a better moment than at this Graduation time for all of us - new graduates - Old graduates and anyone involved with Square Dancing to shout out, "CONGRATULATIONS AND THANKS" to each one of us for making it all possible!! STATEN SQUARE SET -- Graniteville, Staten Island, N.Y. (+2)
1 & 3 Saturdays Methodist Church, 1890 Forest Avenue

Another long, hard winter is behind us and with it some great square dancing. Our January dance with guest caller Mike Jacobs (KY) proved mer- orable & rewarding despite the weather. And Jim/Joann Adams, chairing of Valentine's Day Special, created a heart-warming dance that bore us thro- February. But Spring is on the air and with it graduations, new begin- nings & new friends. For those well-deserving graduates, a new experien- has begun. There will be dances galore honoring these hard-working coupl- new friends to be made; & plenty of jitters. But after the initial shock (& it can be frightful), the jitters will disappear & the new faces will be welcomed with a comfortable familiarity. So to all the new graduates, our sincere congratulations (we all know how much you deserve it) & hang in there! And just a passing note to all former graduates. Remember that that is exactly what we are - "former graduates". We hope to have Gabe Dell'Angelo up and dancing with us again soon. Take care of yourself Gabe. Happy Spring!  ASK, and you shall find out! At the January Dele- gate's Meeting the problem was aired about some club- need for higher Insurance coverage. Insurance Com. Chr. Ed/Alva Bell were empowered to investigate. Selected Risks has offered the NNJSDA an additional buffer policy which will increase our coverage by 700,000. to a million, per occurrence, bodily injury & increase the liability against property damage to \$800,000. per occurrence. Rather than wait 3 months til the next Delegates Meeting to present this very exceptional offer, a letter of explanation was sent all member clubs in NJ (unfortunately NY clubs can not be covered) requesting their decision of whether to participate in the new coverage. By now the decision has been made (postal deadline for return Feb. 28), but this is to let all know your Executive Board does listen and try to help with your problems.

This has to be ego-boosting time. We have just come through a winter which has tested our mettle - so a few compliments are in order. First, to all the dancers who really came "decked out" in their holiday best for our Christmas Dance. The marvelous colors certainly added to the spirit of the occasion. Secondly, to the wonderful people who contribute to our refreshment table. Always tasty - always appreciated. Among the thirdly, fourthly, etc. are the more visible people like Prez Art Taylor, hostess Evelyn Olsen, and Curmudgeon Yale Carroad. Happily, Yale is now starting to navigate more easily and we are all pleased he will soon be joining us on the dance floor. We at Swingin' Stars invite you to come and join us for the usual pleasant evening of participating in our favorite activity. Rounds - 8 PM, and of course squares as usual. See you round a square.

2nd Friday

Baptist Church, 563 Piermont Road

As this is written, Punxatawney Pete has seen his shadow and settled back in his burrow for another six weeks. Fortunately, square dancers are hardier than the groundhog, and more of them (the dancers, not the groundhogs) are coming to TENAFLY SQUARES to enjoy dancing to Paul Brody & Fred Welner. Raiding parties are being organized to visit other local clubs, & you never know where they will show up. The welcome mat is always out (don't trip on it as you enter the door) and we are always pleased to see new faces at our dances. Along these lines, we proudly welcomed a brand new cuer filling in for the Tirrells in February. Peggy Tristram from Watchung, NJ. Great job, Peggy. Thanks for joining us. Don't put off coming to dance with us. Before we know it, another season will be over. We won't be dancing in April (our night is Good Friday), so don't delay. Will we see you soon?

3rd Friday

Bryan School, Brookside Avenue

Our members danced through the holiday season ending with a gala New Years Eve Party. We were so glad that Sonya was feeling so well that Fred Weiner could come and call for the party - a most pleasant surprise. The Tirrells were host/hostess as well as cueing rounds. The January dance was anticipated with some apprehension due to the weather, but turned out to be an extremely well attended affair. Three sets of See Saw members came south to visit us (probably thought it was warmer down South) and a number of club delegates took advantage of our "Delegates Bargain Night". We were all delighted to see Yale Carroad present (even though not dancing) after foot surgery & Rube Liss was there fully recovered and dancing. Still on the sick list but improving John Beck, Millie Haag, Bertha Sneider, Dave Weiss and Shirley Seigel. They are all very much missed. Later in January three and a half sets of TTTraveler set off on a winter cruise and berthed at the Circle Eights. Hit of the raid was stowaway Yale Carroad captured by sailor Evelyn Olsen; our next raid promises to be a real raid - a police raid - rumored to be a narco!! bust. Join us third Friday - only check on schedule- we dance at the Church on Hill in April when the school is closed, with peerless John Kaltenthaler and the inimitable Tirrells. 2 & 4 Thursdays

Mansfield Township School, Route 57

Warren Wheelers would like to extend our congratulations to a fine graduating class. Their dedication and perseverance is greatly appreciated. Welcome Class of 1982! May you continue to enjoy square dancing as much as you did during your classes. We're glad to have you as part of our square dancing club. Also, we'd like to say a heartfelt thank you to all those angels who came out every week to help our class learn. Our first dance of January was cancelled due to inclement weather. The Pal Johnson dance was well attended and everyone enjoyed dancing to a very nice caller. We had a Valentine Dance where we crowned a King & Queen of Hearts. The Leprechauns were out in force to attend our St. Patrick's Day Dance. Again - welcome to our club class of '82. Good luck in your future square dancing.

To become a PATRON, one must dance at 26 member clubs on their regular dance night & to their regular caller (if they have one); have their PATRON card signed by an officer. When completed, cards are carefully checked (using old GRAND SQUARES). Dangles are awarded at Ass'n dances. Latest to qualify are MAMIE HEATH & JULES VARGA of Richmond Dancers. Congratulations to all new graduates. We enjoyed having all of you come out to our class level dances & it was fun dancing with you. Reminds us of when we started too. We look forward to seeing all you new graduates at our regular dances & welcoming you into our ranks. AND, what a nice surprise to be raided by such a large, happy group at our January class level dance. Really added to our fun. Our Treasurer, Shirley Feller, is recuperating well after surgery on her leg. We will be so happy when you can be dancing with us again, Shirley, because we missed you on the floor. And we know you missed the dancing as well. We hope you all have a pleasant summer. Keep up with your square dancing, and we will be looking for you at all the dances. WESTERN WHEELERS -- Park Ridge, N.J. (Mar +1; Apr MS)
 2 Wed; 4 Sat Congregational Church, 131 Pascack Road

As the old year ended, we all were saddened by the death of Andy Napolitano. His enthusiasm for square dancing and his exclamation, "So-per Dancing!" will be among our joyful memories of him. Our sympathy is with his wife, Bea, and her beautiful family.

What a disappointment it was to have to call off our Saturday dance in January due to bad weather! We had looked forward to John Kaltenthaler's guest appearance as a highlight of the winter season. With two clubs planning to raid us, it promised to be a real wall-banger! We congratulate all the graduates of this 1982 square dance class. Remember you're all invited to our dances on the second Wednesday of the month. Special student level tips are called. After Western Wheelers graduation in April, the club level drops back to the Mainstream level so that graduates can dance at all our dances. Quarterly Selections and Plus One moves will be "workshopped".

2 & 4 Fridays

Carl Kumpf School, Mildred Terrace

Unfortunately, One of the highlights of our S/D year has come and gone. No, not a holiday dance, not a special with a big name caller, but our annual PIE night. Never saw so many delicious pies in one place. Would you believe one of our officers had seven (7) pieces? We won't name him (but his initials are M.K.). We're now looking forward to our pot luck supper for some more great home prepared food. Maybe by then our Sunshine Chairpeople Doris/Tony Mastroly will be back with us. We've missed them ever since she injured her ankle quite awhile ago. Sure hope it heals soon. For those familiar with Y Squares from way back. It was nice to see Art/Lucille Kelman visiting from down south. They were charter members of the club & Liaison to the R/D Council. It's also great to have Jean Kellogg feeling a bit better again after a siege with pneumonia. While we're listing names, it seems we will be losing Judy/Lillie Poggemeir shortly as they will be moving to Missouri. Good luck and hope you find a good club out there. For those who are not ill and not moving, please see our ad elsewhere in this issue for our scheduled dances and let's all get ready to welcome the new graduates. We hear it is a great class. Reminder - no dance on Good Friday in April.

"We were very pleased to see the letter on p. 25 of the Winter '82 issue....We have been dancing for 14 years, & we hope we know how to dance at MS level. We can assure the writers of the previous letter that the discrimination

is not directed solely against beginners - it excludes anyone not in the select group. We have been in one club for a long time, & supported all their activities to the fullest extent. We have been "angeling" with the beginners class for several years - certainly not unalloyed pleasure. We noticed a strange thing. At the LAST class before graduation, several of the exclusive couples appeared as "angels" (for the first time.) Their real purpose was to judge the new crop of graduates, as the one or two best couples were then invited into the closed squares. We were never invited in, although we think we dance as well as a new graduate.

How does one cope with this situation, when all the club officers are in the elite squares? No use to protest to an officer. Once we were rash enough to suggest computerizing our club. The intensity of the negative reaction was amazing. By making such a suggestion, we were against America, the flag and motherhood. Oh well, the only thing left was to vote with our feet. Currently we are going to an Advanced Workshop run by Dick Jones, He uses computer cards to set up the squares; everyone is learning. We don't think we would be going there, if it were not computerized. We are quite willing to see our names signed.....But if you do a number of people will know exactly which club we are talking about. Use your own judgement. At least, mention that this is NOT written by the authors of the previous letter, so there are at least two couples who are unhappy with prefabricated squares." Name available upon request

"The letter...regarding pre-squaring elicits mixed response. We have all been guilty, at one time or another, of passing a square that we think won't make it, or being asked by another couple to dance & finding that 2 other couples have been asked too. It's sometimes funny to watch 4 couples converge from all parts of a room onto one single spot at the same time. Even NASA could not arrange a rendezvous with greater precision.

Of course there is the other side of the coin, when you help a less experienced couple through & they latch on to you for the rest of the night whether you like it or not. Neither of these options is good for S/Ding. The result is many discouraged dancers & dropouts. Clubs get undeserved reputations. Callers wind up calling to half the floor, & the other half broken down, waiting for an allemande left. There are several answers. ...Some are very obvious, yet remain unused....Experienced dancers!, next time ask 1 other experienced couple to dance with you. Then go out on the floor, take up opposite positions & dance with who ever comes along..... New Club Members!, don't limit yourselves by floor position. Don't stand in back & hide & don't ever be afraid to ask a more experienced couple to dance with you. If you ask, they will! "Angels"!, set a good example. Don't use short cuts, even with each other. This only adds to the confusion that new dancers naturally have at learning what is essentially a whole new language. Class Members!, listen, listen, listen. I have seen so many cases where vital instructions are missed because dancers are discussing what went wrong.....If you break down, square up or get in lines of four and listen for the caller to get there. (continued on page 43)

This issue the SQUARE PINCUSHION attempts to solve some of your fitting problems.....

Many times an item in the wardrobe can be saved if we only knew what to do...so don't despair and let's give it a try.....

A too short skirt can be saved with the addition of a ruffle or a flounce of a contrasting fabric, add a bow to your blouse and perhaps a ruffle to the sleeves to make a co-ordinated look.

Skirt too long- shorten and make an easy hem with the help of binding or ribbon or decorative stitching.

Front seams of sleeves cut into upper arms-bodice is too tight across shoulder. Sleeve seams need letting out.

Sleeve seams cut into underarm-armholes are too small. Sleeve seam allowances need clipping under the arms to expand armhole dimensions. Restitch a new line.

If back zipper stands out from the neck-bodice is too wide across the back. Zipper seam needs taking in.

Out-of-date or tired look-salvadge the skirt and add a new bodice of a co-ordinated fabric. Use some of the discarded top to add touches (such as a collar, bow, sleeve edge or applique) to complete the new look.

Bodice too short but too nice to throw away-add an inserted lumberbund, again from a contrasting fabric-perhaps add a matching vest.

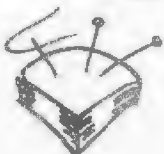

Long sleeves that are too tight to allow arms to rise over head- cut off to a generous 3/4 sleeve; finish with a casing and add elastic or finish with a small band from the fabric that was cut off.

Gathered skirt too puffy at waistline and not flattering- open waistline seam and add darts about every 10-12", make darts about 8" long-this should take up much of the fullness and the rest can be gathered softly and resown to the bodice or waistband. If darts are wide, they can be trimmed before gathering.

A neckline can be spruced up with the addition of some ruffles, or a removable jabot or just some embroidered wide banding.

Hope these help solve a few problems-any others??? just drop me a line and I'll try to help.

Square Dancing with the TEEN-AGERS!

TENAKILL TWILIGHTERS -- Teaneck, N.J.

On that snowy Saturday in January when most all of the clubs were cancelling out their dance, the Twilighters were holding their reunion! 50 hardy souls came out to dance, talk, and catch up on the past few years. With Mike Foley & Jody Bromberg calling alternating tips of all levels there was dancing for everyone - with some drop outs realizing what they had been missing, and looking for a group to rejoin to get back in the swing of things. The group had such a good time, that they voted to take the monies accumulated and have another party again- only this time in the springtime. If interested, contact Bob Miller 1080 Sussex Road, Teaneck, NJ 07666 or call 201-836-3398.

Limited to 15 squares

(continued from page 41) "Encourage home workshops. Most callers are eager to have class members tape classes for their use at home. Get 3 others meet in a basement... & review...." Another answer is computer squares to "pre-square everyone. This is only a partial answer... primary disadvantages are; 1- couples who want to dance together once or twice during the night may not get the opportunity. 2- Couples who desire to sit out a tip may not be able to, while some who want or need to dance are required to sit out. 3- Many people have an inherent dislike of an inanimate object determining who they'll dance with and what floor position they will dance in.

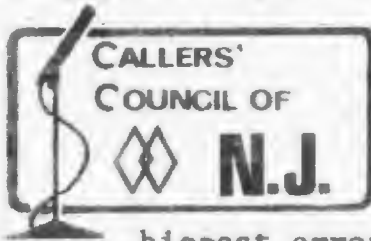

In all honesty, however, if dancers, both old & new, will take the suggestions in this letter to heart, there would be no need for square dance computers nor for frustrated, disappointed dancers." Wayne Applegate

Dear Callers, Soon the weather will be warming up & so will the dancers. By the summertime many of us will be taking on more than a healthy "glow" on the dance floor. Since S/Ding is a contact "sport" I would like to request that there be less yellow rocking when the mercury is over 80° & if it must be called, let it be early in the evening. Thank you. Joan Polk

CALLERLAB

The International Association
of Square Dance Callers

As you read this, some of our area callers will be preparing to attend the 9th International (Invitational) S/D Callers Convention in Reno, NV April 5-7. It is always a busy time as the callers divide their time among the many interest groups & business sessions offered. It is at this meeting where the directions & resolutions for the following year are decided, with every member having the opportunity to be heard and cast their vote. High on the agenda this year is a discussion on the Plus Programs. Members gather from all 50 states, most Canadian provinces and overseas...and from pre-registration reports, this promises to be the largest ever! We in NNJ territory are fortunate many of our callers belong to, attend, and support the program. GRAND SQUARE has always offered CCNJ, and other organizations in our state, a quarter page to communicate with NNJ area dancers. We are pleased to bring you the following message from CCNJ President, BETSY GOTTA.

"Hi graduates! Welcome to the Square Dance world! Have you been exploring that world by attending class level dances, or are you still lingering close to home afraid to venture on to the floor? Well, I want to talk about mistakes and perhaps ease your minds. All of us, dancers & callers alike, make mistakes. The biggest error you as new square dancers can make is to always blame yourselves. Look around, see if others didn't come out right - perhaps the caller goofed. Yes, it happens and we don't always admit it. (Its twice as embarrassing to be in front of all and say 'I goofed'.) Experienced dancers also goof and since no one likes to show their errors, maybe they won't acknowledge their goof (or maybe they don't realize it.) So, new dancers, square up without panic, don't hide in the back, dance to many callers with many different people, and say 'Sorry' and square up again when you goof. If other dancers try to help don't resist - maybe you can help someone next time."

Valuable suggestions for leadership training and all the steps involved, are embodied in a clear, concise MANUAL offered by LEGACY the International Square Dance Leadership-Communications organization.

Besides a very helpful leadership outline, the manual deals with such topics as Publicity, promotions and communications, classes, duties & responsibilities of club officers, callers, cuers, and association officers, rules of order, and aspects and traits of leadership. A talent bank of LEGACY trustees, included in the Manual, serves as a resource from which mini-legacies may draw. The LEGACY Leadership Manual is available for \$5.00, plus \$1.39 postage from Doc/Vera Chestnut, Executive Secretary, 2149 Dahlk Circle, Verona, WI 53593. Spring Festival of ROUNDS - Sunday afternoon April 4, 1982

NEW location - CHANGEBRIDGE ROAD School
Montville, NJ

sponsored by NNJRD Leaders Council 2-5 PM

Learning to Square Dance is like learning a foreign language. R/D cue sheets, to many, are seemingly not only written in a foreign language, but also in shorthand! In an effort to improve communications between choreographers, teachers & dancers a list of common abbreviations for use on cue sheets was compiled by ROUNDALAB, the International Ass'n of R/D Teachers.

Since our NNJRDLIC did not select a March S/D ROM, we gratefully use their space for this guide. Good luck....happy reading!
