From the desk of

GABE & SILA DELL'ANGELO, presidents NNJSDA

The days pass quickly when one has a full calendar, this is most true among square dancers. They are always looking ahead to a club dance, a raid to another club, a super-special, a meeting or a demo. Now it's Holiday Time again. We noticed that starting with Thanksgiving, there are two weeks between each of the other special days - Hanukkah, Christmas and New Year '83. These should be wonderful days of preparations with the feelings of good fellowship and the spirit of sharing prevailing. This sentiment is synonymous to square dancing. It has been said many times, that those feelings prevail among square dancers THROUGHOUT the year. Aren't we lucky?

This is the Northern New Jersey Square Dancers Association 25th year of service. The Executive Board is hoping all of you will join in the continuous celebration '82-'83 ending with a gala on July 30. Have you heard about the Fellowship award program sponsored by the Association, in honor of its 25th Anniversary? The Program was introduced at the Sept. 19 19th Delegates meeting. There will be two separate awards, which may be earned, as a club. One is for inter-club visitations; the other is for attendance at the Association Specials. Plans are being made by your club Delegates and Officers to participate in this venture. It should be fun! Be a part of it!

All the Executive Members of NNJSDA join us as we wish you and your loved ones, a "HAPPY, HEALTHY HOLIDAY" - may good fellowship be yours wherever you may be. We wish to thank you, again, for the pleasure of your company....yesterday, today and tomorrow.

The schedule for the remainder of the year has been cancelled and no plans for the future have been announced.

We appreciate the many expressions of concern for Roy during his recent illness & hospitalization. We are happy to report he is home and improving steadily.

**SPINNING WHEELS of WAYNE, NJ (1/3 MS; 2/4 +)**  
**Mondays Civic Center 1006 Hamburg Turnpike**

The election of the Spinning Wheels into the Association capped off a great summer for our club. We began with two monthly picnics in area parks. Both times we danced to Bob Hemphill's tapes, to the amazement and puzzlement of the bystanders. Our fall season started with Fred Weiner teaching a large & eager group of neophytes at our open house. The evening was highly

successful, as was attested to by the 44 people who signed up at the opening of our classes. This large class, coupled with our usual good turnout of members, & ever welcome guests, leaves some members discussing the logistics of putting 2 sets on the stage & the caller in the basketball hoop.

We're brand new to the Association and glad to be aboard. Montville Squares is the direct result of some very hard work by Herb/Carol Arkin, Bob/Doris Rogers & two great callers - Carl Hanks & Roy Leber. As a matter of introduction, we dance at the A 2 level with Carl Hanks on 2nd & 4th Wednesdays and at the C 1 level with Roy Leber on Fridays - all at the Central School in Montville. We were happy to be raided by Cloverleaves on Wednesday night. It's especially nice to know that people are able to find us on the back roads (are there any other kind) of Montville. Hoping to meet more of you - come and sample our hospitality.

At Detroit names were drawn to dance on the float in the Jan 1, 1983 Pasadena Rose Parade. No one from this area was chosen this year. To help defray the float cost, many delegates are selling white roses at \$1. Bars at \$1.50 are also available if you care to display past years' roses. The S/D of America have been recognized by the IRS as an educational organization with donations tax deductible.

Clubs meeting semi-monthly or less may list two specials; those meeting more often may list five. All must be on regular dance night unless given

The holidays are just about here already! As you will see we have 2 holiday dances scheduled plus our ever-popular pie night (which we are tying into our Presidents Dance - another holiday event.). It seems we wish away the S/D year looking forward to these special events. We got off to a good start this year with many of our newer dancers joining in the fun. We'll miss those who have moved on to advance dancing but we welcome those who benefit from our policy of starting the year at MS and progressing during the year to Plus dancing. Over 14 couples have signed up in advance for classes & we expect this will increase as the sessions begin. Let's not forget our responsibilities to "Angel". It can be fun as well as being very helpful to new dancers. It's really great to see how many are willing to share in the responsibility of running the club. Thanks to all of them. We have swung into the new season with gusto! Dick Pasvolsky, Will Larsen, Jim Adams & John Kaltenthaler have already guested at our club with Ed/Les Shearwood cueing the rounds, we have had some great dancing. And we are looking forward to more! Check our ad for the roster of guests we have scheduled. In particular, don't delay in making reservations for our New Year's Eve Party. Bruce Vertun has planned a very special evening for us that you won't want to miss! Our class is jointly sponsored with Belles and Beaux under the auspices of the Glen Rock adult education program. Expert teacher Paul Brody reports that the students are doing just fine! They are enthusiastic and quick to learn the figures he is teaching. Our Class Sponsors are Lynn/Sabetay Sides. Class Sponsors of other clubs, please note; Beginning with our Holiday Dance in December we will welcome students to our Wednesday club dances. This will be a particularly festive introduction to club dancing, so please encourage your students to come out and dance with us. Continued thru the year, these dances offer the students a grand opportunity to practice the steps they've learned, dance to a caller other than their teacher, meet other students and club members, and, in general, widen their experience in square dancing even before they graduate. Look for our flyer and ad for specifics.

It was with shock the S/D world learned of the untimely death of EDWARD MADDOCKS, 22, son of Dick Maddocks & Edna Gill. An undetected, congenital heart problem suddenly surfaced & claimed the life of this energetic, congenial young man while watching a paramedic softball game with his fiancée. Old timers will always remember Edward, 9, after graduating in the Hi Taws "Teen" Class, dancing up a storm and although then small in stature, he always managed to Star Thru or twirl his partners without disturbing a hair. Our sincerest sympathies are extended to the families.

It has been really great starting our new year off with beautiful new floors at our dances. Please respect our wish to come in soft-soled shoes at all times to keep these floors looking nice. Would you believe that 7,500 saving coupons were sent out to the people in West Milford inviting them to two free lessons at the start of our season? Quite a few members had an eventful time and came out much wiser after attending the LUST program. We are looking forward to a great holiday season and hope to see you at our dances soon. We enjoy being with all of our friends, old and new. We hope that you have a very happy holiday season and a healthy, happy and prosperous New Year. (AD page 10) Don/Helen Hendrix 201-697-5376

Many thanks to all the Warren Wheelers who have demonstrated during the past couple of months. Our lessons started with an Open House at Hacketts-town High School. It was nice to see our S/D friends again at our first dance. Lewis Jewell squared us up to a flying start. Many thanks to Florence Bradley and Larry Vass for chairing our refreshment committee. Remember to check our flyer for all our special dances coming along this fall & winter. (AD on page 34) Dolly/Vince Boliver 201-852-4223

In spite of concerted effort, publicity for S/D Week was not as far reaching as hoped. But it was gratifying to see some getting the message across with well thought out stories & pictures. If you had an especially effective way of reaching the non-dancing public, please share it with our 3 VP (Hills) to help us all make plans for an even more all out effort in 1983. Thanks.

How delightful to "Kick Off" the season with old and new friends after a long summer lay off. Our mini football field and football cake, was admired & devoured - in that order. Congratulations to Charles/Evelyn Baumüller on their 45th wedding anniversary. They supplied more calories for us with a most delicious sheet cake. Our ever jovial caller, John Kaltenthaler, was in excellent form (as per usual) with QS & Plus workshop. It is always a pleasure to have wife Freddie accompany John and participate at all our dances. The Tirrells kept us busy with the rounds. Every one "scored" - both in dancing and fellowship, and this is what it's all about! So-o-o truck on down and join us at TT. Incidentally, have you noticed Doc's cueing since he & Peg have returned from their fabulous Switzerland & Austrian trip? ("Yodeling is in".) All of us at TT wish all of you - Happy Holidays.

We are beginning our second 30 years of S/Ding, reminiscing about the hundreds of happy dancers that have visited our club - dancers who came to us as new graduates and have gone on to the advanced clubs. Our doors have always been open to those new dancers who needed experience to gain confidence. But new or old dancer, you are always welcome. If you haven't danced with us, why are you waiting? The season started with an ice cream festival served up by our Mrs. VP, Shirley Sherlock, with lots of help from other ladies. This was followed by an Octoberfest and the November birthday party marking our 30th Anniversary. If you weren't there, you don't know what you missed. For a happy evening, try dancing with us.

Frank/Marie Poole 201-342-3375

After dragging its heels for over twenty years, Congress has reluctantly recognized square dancing as our National Folk Dance. This probably to get those pesky people off their backs. Do they really believe the 18-month recognition is going to satisfy us? They don't know dancers very well, do they? However, we have more immediate matters to think about - like we hope the ghosties and goblins were good to you - that you thoroughly enjoy Thanksgiving - and are giving some thought to dressing in your party best for the December Dance. Last year you all looked so bright and colorful, and that, with the happy atmosphere we always create for ourselves, really added the extra sparkle. You might say we scintillated. (Another good word.) So that we at Swingin' Stars may wish you in person a Very Happy Christmas - round dancers - you are up to bat at 8 PM - and of course the squares at 8:30. See you around a square. *Connie Wooll 212-TR7-8853*

1 & 3 Saturdays      Methodist Church, 1890 Forest Avenue

It's hard to believe we're into another tremendous season already! We have another outstanding line-up of callers with some exciting evenings planned by our new presidents, Jackie/Roger Gauvin, and their hard working Executive Board - Dot/Tom O'Brien; Pat/Jim Ray; Stan/Bernadette Bevan; and Don/Joan Schwed. A special thanks to Jim/Pat Ray and their committee for the fine & successful barn dance whose proceeds help so much during the year to add the finishing touches in making our dances more enjoyable.

As we're starting this new regime, we'd like to pay special homage to our past presidents, Lenny/Laura Gaeta, whose courage, perserverance, and respect for SSS held the club together through some trying times and led us into a bright and promising future. A special note of gratitude to both of them for all their work and inspiration. We'd also like to recognize Joan/Don Schwed, chairpersons for our June Installation Dance, for their beautiful job of honoring both our incoming and outgoing officers. And SSS is especially grateful to Glenn Cooke for calling the installation Dance at such short notice.

A round of applause for Marie/Tony Attanasio and their committee for the beautiful special that started off the season with a bang! We're glad to see Harry Childs again and Sal Miranda up and around in good health again and hope that Rae Troiano is feeling better soon. Our sympathy to Len Bianco on the loss of his father.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J. ( + )  
2 & 4 Tuesdays Presbyterian Church, 1 East Oak Street

We've been dancing in the Westminister Hall at the BR Presbyterian Church on a cloud nine floor and with cool breezes during the early fall dances. Bob Tarrant & Fred Fields have been increasing the challenge for square dancing & Grace/Walt Pennie have offered their usual sweet melodies for the rounds. It has been happy, warm hospitality for all. George Potts & Lee Kopman called their usual extravaganzas to full houses at our fall specials. Our new class is progressing at a rapid schedule under the skillful teaching of Bob & the organizational prowess of Steve/Lois Autenrieth and Bob/Lillian Padavano. May you all have a Merry Christmas season by trying a little square dancing with Somerset Hills.

CENTRAL REGISTRY OF WORLD DANCERS

After a great deal of thought, Steve/Fran Stephens are discontinuing CROWD. It came into existence 18 years ago to aid the traveling dancer who then had a limited source for that type of info. Now, however, with the NATIONAL DIRECTORY the need for this service no longer exists.

So instead of telling folks where to go & dance, Fran/Steve plan to really enjoy their retirement & dance up a storm-worldwide! The S/D activity owes them much for all they've done to help dancers and and we wish them many happy years of traveling/dancing. Come see us!

SOLITAIRES -- West Orange, N.J.

( QS )

1 & 3 Sundays 2-4:30 pm

Community House, 242 Main Street

At its July picnic in Swartswood Lake Park, the Solitaires Club members & company had a great time. The Gazebo was used for dancing-the caller was Wayne Applegate. It turned out to include an unplanned Hi Lo. There was boating; we had use of Jerry's two boats & Jeff's boat, swimming and camping available/ Solitaires will be dancing at the same location as last year with more improved sound as of now. The APD workshop will be the third tip/ Long past members please return more often; we were glad to see you 15 out of 20 is fair (smile). All are welcome, singles, new grads, couples. S/D lessons will be held at the Community House on Thursday. Class Chairman is Jeff White. Angels please help! Thanks to departing officers the club has steadily gone upward to success; they promise to be there to guide new officers (side by side) what a relief! Some new officers are Sue Duncan,pres; IVP Thelma Ward; 2 VP Joe Landsburg; 3 VP Bob Kassingar. Congrats to Bed & Joe, Wedding Bells in October. Happiness to Rich & Isolde in their new home. Lucky people to have the Moffitts amongst them in Nebraska. I must tell, they let a dance couple travel with them from Detroit to their door in Newark,NJ. Their response for reimbursement was "You are Welcome," and "Our Pleasure". That's real People!

SEE SAW SQUARES -- Upper Saddle River, N.J.

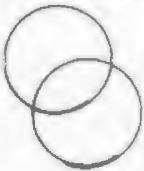

( MS )

1 & 3 Saturdays Stone Church Ed Center, E. Saddle River Road

Our year has gotten off to a great start. The open dance was a big success and many new couples have taken up the past time of square dancing. Our caller, Jules Pozsar, and his lovely wife Martha accompanied by their son Brad, toured the country this summer in their motor home. Wish we could have been along for the ride. We are looking forward to sharing with you our upcoming dances, which will be filled with surprises. Starting in January we will be having special student dances. So, look for our flyers and come on down to See Saws for fun, frolic and friendliness. Remember, keep on yellow rocking - it improves your square dancing.

Then VP, (current Pres) Terri Laird (left) accepted the Alpha Phi Omega Service Cup Award for the club from APO President Denise Heinz last May. This award, recently reinstated by the Rutgers chapter of the National Service Fraternity, is given to a non-service college organization which performs a service for the community. The Promenaders won for

our annual "Toys for Tots" dance last December. The award came as a complete (and pleasant) surprise to just about all of us. Congratulations to all of you who have joined us at "Toys for Tots" over the years.

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y. (+)  
2 & 4 Saturday St. John's Lutheran School, 663 Manor Road

Despite some pre-season casualties - Doris Delaney with her "knee", Donna Anderson with her "back" and Ray O'Neill with his "neck", our opener was a winner. Thanks to Joe Landi, the Bellottis, and especially all the dancers that were present, our Dessert Dance was a happy happening with good dancing and consumption of approximately 100,000 calories of gourmet desserts. We look forward to an exciting and fruitful year. If our first dance is any indication of what we may expect the rest of the season we'll be #1 with 16 wins and no losses. Our Beginner's Class (R.I.O.) is generating much enthusiasm among the new dancers as they look forward to each weekly lesson and the 5 student level dances scheduled during the season. The joint venture of the 3 clubs - Richmond, Isles, and Oceans - to sponsor one class has proven very successful. It looks even better when you consider the alternatives. We look forward to our Thanksgiving Dance in November with Joe Landi and our Christmas Dance in December with Frank Riviccio. We applaud all our members who stimulate interest in our club. With their support and guidance there is nothing we cannot accomplish.

RUTGERS PROMENADERS - Addendum

What a fall! Word has just reached us that we can have our annual TOYS for TOTS dance at the new Hyatt Regency in New Brunswick! - their contribution to the cause! We're also all psyched up over the 13 sets dancing at our HiLo in September when caller Art Seele celebrated his 70+ birthday. We're planning on reviving the college weekend of some years back. Non student Sec'y (& mother-to-be) Janet Furler is arranging the trip with MIT's Tech Squares for next February. Let her know if you know of any college groups on the East Coast who are interested. 201-932-1420. I have a phone! Since vacation is mid Dec. to mid Jan. I'll list both - home is 201-288-3968; college 201-249-4578. See our ad on page 37.

## A STATE Dress???????

Much work has gone on behind scenes before selecting a costume to present to the other S/D organization in our state as a possible state costume. Ed/Dora Foster modeled one at the April Delegates Meeting - white with red & black decorations. Harry/Alberta Van Luvender modeled another at a summer meeting - again white, only this time with green vests...and finally in Sept. the Delegates decided they preferred the basic white dress and/or green vest and apron. The man to have black pants, white shirt and green vest. Now the Van-Luvenders will contact the other organizations for their opinions.

### Why a State Dress?

During the parade of states at various festivals & conventions, many areas have a distinctive costume their dancers wear which identifies them as from Kansas, CA, etc. Some states tie it in with their state festival - but since we do not have a NJ state festival, we will do it differently. Words can

never truly describe the thrill of joining in with your area, or seeing your areas costume march by in the parade. You really must experience it to know. But hopefully many of you will be able to do just that by the Baltimore Convention in '84. In the meantime, anyone who wants to show their support of the S/D Convention in Baltimore - June 28, 9, 30 '84 by wearing its most attractive and distinctive costume may do so. The history of Baltimore, Fort McHenry, the Star Spangled Banner, War of 1812 are all tied up in their convention costume - a modification of an 1812 dress (higher neckline; shorter skirt; lace caplet replacing a full bonnet). A committee of 15 chose the outfits while the men designed their own to compliment their ladies. Costume packets are available - See page 30.

Ramapo Squares were off to a splendid start with Bruce Busch in Sept, & Todd Feilegy & Dick Green in Oct. The first October dance featured a circus theme - with a delightful decorative motif, thanks to the creative artistry of Shirley Pugliese. Another October highlight was the annual roast beef dinner dance at the Methodist Church in Franklin Lakes, Dick Green calling. We're looking forward now to our Nov. & Dec. dances. See our ad for all the details and for our New Year's Eve gala at the Fair-Lawn Cultural Center. VP's Chris/Bill Watters are the ones to call for reservations (201-838-7177). Friends as well as members are welcome.

Squares continue to be computerized. Our favorite R/D callers, Peg/Doc Tirrell, are back cueing rounds. Advanced dancers; Come one, come all! Delightful evening guaranteed! A final sad-for-us, happy-for-them social note: Former Ramapo officers & long-time popular members Alice/Jo Jamin & Ruth/Don Martin are retiring and leaving these shores for sunnier climes. By the time you read this, the Jamins will be well on their way to Arizona, Ruth/Don cozily ensconced in their Florida condo.

Our fall season started on beautiful Labor Day at a picnic with dancing at the home of Bernie/Joan Lechner. It was a great day. Here's news: We will have pre-rounds at ALL our dances except the Holiday Fling. In case of snow, check with station WHWH at 1350 on your AM dial. There is more parking space now, too, with lots on both sides of Community Park School.

Much thanks to those dancers who participated in the demo squares at Quaker Bridge Mall & Palmer Square. Their bright costumes and joyful faces helped attract new dancers to this great pastime. We are looking forward to our Christmas Party Dance in early December, to which all the new class members everywhere are invited. Happy Dancing -- You All!

In addition to a few demos during the summer, we once more danced at the Brunswick Square Mall for each of the 5 days of the Labor Day Weekend. Not only did we help raise money for the fight against Muscular Dystrophy, We had more than 130 dancers participating - also signed up many class members. Classes started in Sept. & there are 71 people taking lessons.

We mourn the passing of our good friend, Howard Jackson, 3rd VP of our clubs. He will be sorely missed by everyone. Our Blood Bank is reality & we'd be happy to be of help to any other clubs that would like to do the same. Since there are only five more weeks until Christmas, it may be a good idea to give some thought to making a donation to GRAND SQUARE, rather than send greeting cards to your S/D friends. We've got many great dances this winter and look forward to seeing our good friends again. Woops, almost forgot- please mark the first Saturday in May when we celebrate our 25th Anniversary. This will be a ticket dance. More info later. Save the date. (AD on page 48) Burt/Sylvia Caplan 201-679-8079

every Tuesday Community Church, Briarcliff Road

Here we are opening up a new season of dancing & looking forward to welcoming you to our dances as we have in the past. At our first dance we were raided by Hix & Chix with four and a half squares! A good time was had by all and it was a joy to have them with us. As is the custom at all our special dances, the finger foods brought by our Club members were delicious. Ellen/Rob Shapiro, Thelma/Bill Ford and Anne Gallo earned their FREeloaders badge for attending all 10 NNJSDA summer dances. On the 5th Tuesday of the month we are going to have guest callers this year. At our first dance we were surprised to see both our callers, Bob Mitchell & Mike Foley show up and they were also surprised. So Bob & Mike joined their expertise and called a tip together which also added to the pleasant time had by all.

The fall season is here and we started it with a wonderful turnout. Lewis Jewell had us stepping lively on the squares and Peg Dockry smoothly on the rounds. Some of our members wore our new red and white raid outfits just to let everyone know how attractive they are. They are designed by our multi-talented Rhonda Kays and when we raid your club, you will agree with me, I'm sure. Classes are starting again and I'm a little envious of the students. Learning was so much fun, but square dancing is just simply wonderful, period. Come join us whenever you can.

KINGS SQUARES -- Bay Ridge, Brooklyn, N.Y.

( + )

1 & 3 Sunday

Presbyterian Church - 367 94th Street

The Kings Squares are looking forward to another year of dancing as the Fall Season moves into full swing (your partner)! Our members kept very active during the summer, attending workshops & dances in the tri-state area & beyond. Many couples attended the NNJSDA dances at Lyndhurst & in Iselin. Pat/Bernie Monsen & Anna Capobianco & Lou Murray earned the FREE-LOADERS dangle from the NNJSDA. Two squares gave a demonstration to tapes at Floyd Bennett Field. We were represented by 9 couples at the Glassboro, NJ weekend. Our new treasurers, Bob/Sybil Tobias, attended the National S/D Convention in Detroit & 4 couples met at the Canadian National Convention in Halifax, Nova Scotia. Three couples joined the fun square dancing in the Poconos in September. We were glad to see our 2 VP, George Hughes, who had surgery in August, looking fine & fit as a fiddle when he took charge of our Thursday beginners class with his wife, Catherine. The students attending the class were delighted to see themselves mastering the calls that were taught so capably by Frank Riviccio. Claire/Harold Chorney are in charge of the Tuesday night workshops that Dick Lighthipe is calling. A full dance schedule awaits all our members & we invite you all to evenings of enjoyment from our guest callers and rounds by Joan/Jerry Newman. Happy dancing, everyone, and best wishes for a HAPPY HOLIDAY SEASON and A HEALTHY NEW YEAR!

ISLE SQUARES -- Great Kills, Staten Island, N.Y. ( + )  
 2 & 4 Wednesday Christ Lutheran Church 121 Cleveland Avenue

Another S/D season is here & we have a lot of real good callers lined up for your pleasure. Frank Riviccio, Manny Amor, Ralph Trout, Bill Anderson, Al Cargill, Marty Clifford & others. We welcome all of you to our dances & know that you will have an enjoyable evening. Our goal has always been to provide an evening of congenial club dancing & we will strive to make your visit a pleasant one. We look forward to meeting the recent graduates and to include them in our dancing program. We are aware that the future success of a club depends upon the graduates that come from each class, so graduates are most welcome at our dances. Rounds will be cued by the Bellottis our highly accomplished R/D cueing team. Shirley will have a line dance for those who have not mastered R/D, so there will be something for everyone. Our new officers are Jean/Jim Styles, Pres; Rose/George Emmon 1 VP; John Quigley 2 VP; Carmella/Arthur Herbert, Trea; & Jean/Richard Reebe Sec. Best of luck to each of you. Come and join us at one of our dances and enjoy S/D at its best, plus those homemade goodies.

Our club is saddened by the loss of Art Schiavi who died as a result of an automobile accident in Virginia. We wish to express our heartfelt sympathy to Agnes Schiavi in this great loss and in this time of sorrow.

Swirling and twirling, our gals are ingenious about whipping up outstanding and pretty S/D costumes with matching shirts for their better halves. They were most appreciated by our friends at the Cupola, when Betty/Bob Duffey hosted our first "demo" of the year. Also, when we travelled to Lakeland Squares with Raid Coordinators AnneLou/Ray Kuenzler, in September, all 20+ of us had red and white eye-appealing costumes. Our Hawaiian Night brought out flowered muu-muu's and bright Hawaiian shirts - even a few grass skirts - namely worn by Mary Aquino & Nancy Glueck.

We congratulate John Huettmann, Jr., Connie Ruschke, George Kuethmann & Kay Lisa on being awarded their "FREE LOADER" Badges by the NNJSDA. We also appreciate the publicity in the South Bergenite, a paper who kindly sent a reporter and photographer to interview Mary/John Aquino, our Presidents, & Stacia/Frank Bremer, Secretaries, so that we might spread the word about the fun of square dancing!

Our fall activities have begun! We await a raid from the Kittatinny Rangers, a "Pumpkin" Night, a "Dangle" night - and the girls and fellows are readying their recipes for our Covered Dish Supper...it all adds up to a bounteous autumn scene for Hix & Chix. Come join us.

Looking over the BALTIMORE in '84 Convention costume literature. Most club delegates secured copies to bring back to their clubs. More will be available in January. In the meantime - patterns are available from Mary Strickland 4227 Thorncliff Rd, Baltimore, MD 21236 sizes 8 thru 20 by mail for \$2. Packets of material are available (including the lace cap worn on ladies head & man's tie) for \$22 from Jennie Zukauskas 314 East Broadway, Bel Air, MD 21014. Spare caplets

at \$1 & ties at \$1.25 are also available. For non-sewers, Hannelore's has some dresses already made. It is not necessary to have a convention outfit, but it does show your support.

The Baltimore Booster Ball in July which was such a resounding success, due to the efforts of so many, raised over \$4,000. A check for \$2,000 was presented to the Zukauskas' in Whiting in July; Then after all the bills were paid, another check was presented to the Zukauskas at the Delaware Federation convention in September for \$2,000 more. The official Baltimore Convention COOK BOOK is on sale now at \$7.00. All monies from this go to help defray the tremendous costs of getting a convention started. The cook book is a great gift during the upcoming holiday season; or for weddings. Chockerbloc full of delicious recipes, plus many helpful hints, it is well worth the price. See Peg Tirrell for a copy.

The week of March 19, 1983, there will be a pre-convention meeting in Baltimore, where the National Executive Committee of the NSDC will go over all the plans for Baltimore. This week winds up with a dance in the Convention Center. Saturday March 19, 1983 is the first day registrations can be taken for the Baltimore '84 convention. Our area is planning on a bus trip to join in the festivities of the weekend. If interested see Betty/Frank Olier - 45 Oakridge Ave, Nutley, NJ 07110 201-661-1423. Flyers will be out as soon as the hotel will confirm the package rates. Join us!

The fall season is well underway & from September through November, Manny Amor calling, we have been in the gradual progression from MS/QS Plus levels to help new graduates sharpen their skills and more easily become part of our Club. We were all graduates at one time and were happy for the assistance of the experienced dancers. We had a very successful Dangle Dance in October and celebrated our 32nd birthday in November. At each dance Ron Rumble has a Rounds workshop and/or review in place of or tip. Classes are in full swing on Thursday nights with Bob Benner calling & Roger/Nancy Remington in charge. Class members will be included in our Christmas Party. Come & join us for a fun evening - good dancing, friendly people, great refreshments. Have a wonderful Holiday season and a healthy and Happy New Year.

For those of you who were unable to attend our 20th Anniversary Dinner Dance way back in June, it was truly a memorable event. By the time you read this we will be well into our new season. We are fortunate to have Hugh Jones to fill the void left by the untimely passing of Dick Jones. Anyone who has not danced to Hugh should come out and experience a great evening. Of course we want you to come to our other dances too. Will Larsen, John Kaltenthaler and Bob Mitchell, as well as Hugh Jones make all of the Tuesday evenings special events. We hope to see you soon.

1 & 3 Saturdays

Brookside School Brookside Place/Spruce Street

The transition to our new location went very well. We held the first dance of the season at Brookside School in the northwest section of Cranford. Everyone was very cheerful & enthusiastic & so happy to see each other after the summer hiatus. We were organized in the mid 40's by six couples in Metuchen. They held their dances in the home of one of the couples involved. They moved to Cranford in the mid 60's and have had 3 callers - Marsh Tipton, John Carroll & Bob Kellogg before Fred Fields took over. The dances were held at Bloomingdale School for 17 years until the school closed last June. We may be one of the oldest clubs in this area.

Our New Years Eve dance promises to be just as marvelous as last year. It will be at the same place & at the same cost as last year.

Our season got off to a busy start. At our Open House in September, with Paul Brody calling, we welcomed back old friends and made some new ones. Our class is progressing nicely under the guidance of Frank/Allana Barr and the teaching of Dick Maddocks. We look forward to presenting some demos and attending a few raids this year. Congratulations to Crine/ Marion(Bode) Berkenbush (new dancers who met in class) who were married this summer. Congrats also to Carol/Paul Scagnelli on the birth of their daughter, Elizabeth. We look forward with anticipation to our special holiday dances in November and December (when Santa comes to dance)! Come out and join us in the festivities. Happy holidays!!!

Although the CALLERLAB 1982 Convention is but a memory, the decisions made at that time are very much alive. One of the decisions that seems to be the least understood is the one that combined the Plus 1 & 2 levels together into one PLUS PROGRAM. Right behind this in its degree of controversy is the suggestion that dancers dance at the MS level for a minimum of one year before they proceed to the PLUS PROGRAM.

In AMERICAN SQUARE DANCE Magazine last January they reported on a survey that pointed out that the largest single factor stated as the reason for quitting S/D was the amount of material dancers were expected to learn after graduation.

Most callers at CALLERLAB agree that at the conclusion of a MS class the dancers have NOT learned the MS material. That it takes another year of low pressure practice before they have mastered the material. It does not matter whether you believe the fact or not. It was this fact that prompted the CALLERLAB membership to pass the resolution that recommends a minimum of one year of dancing after class graduation before advancing into the PLUS level.

It is only a recommendation - CALLERLAB does not order, it only makes suggestions. CALLERLAB has no copyright on the right answers. But it is their function to address problems facing S/D & to make group decisions for the best interest of the activity & to put these decisions in the form of suggestions, recommendations or guidelines. Whether you follow their lead or not - that is your decision.

Canada at their convention, which is held biennially, debated the "TWO YEAR PLAN" and how they planned to follow the suggestion. It was a most interesting discussion - one in which we like the suggestion made - to stop using the words - "Moving UP" to Plus - UP to advanced - but moving "OVER" to Plus....This new concept of only a PLUS program; remaining in MS longer; will cause adjustments in thinking to be made by many clubs & persons. YOU will make the choices that you deem appropriate or yourself and your club.

Our 4 outdoor summer dances were all enjoyed by dancers from many clubs. The weather really cooperated with us this year. We are now back to dancing indoors again. We extend congratulations to our past presidents Marge/Wally Cox for 3 grandsons born in 9 months. We also congratulate Ruth/Milton Wind for earning their FREELoader Dangles, and we thank them for helping where needed at the treasurer tables during the summer Association dances. During August a surprise going away party was held for Al/Doris Moffitt. 24 club members who attended expressed their regrets to this wonderful couple. During Sept. we gave an exhibition of S/D and marched in a parade in the South Mountain Arena in West Orange. Our annual Flea Market/Bake Sale in Nutley was a huge success. A special thank you goes to the club member who walked around the main streets of Nutley dressed as a clown wearing a sandwich board and handing out flyers, balloons and lollipops. We are looking forward to our annual Fall bus trip. Our workshops are from 8 to 8:30. Come join us anytime.

Here's a very meaningful quote well worth remembering: "Your body is the one machine that breaks down when NOT used"...Sounds like it was especially written for square dancing, doesn't it? ,Moving around the floor at an accelerated pace by direction of the caller, stimulates the brain, exercises the heart & lungs, lubricates the joints and soothes your nerves. What better therapy is there? Those of us who are active dancers have often experienced that very gratifying feeling one gets when your square has just completed a flawless tip. That's what Colonial Squares is striving for....Flawless Tips....This year we will workshop all of the C-1 calls from the CALLERLAB list, plus the new experimental calls. Dale/Jean George once again asks all those dancers who are proficient at the C-1, C-2 level to come on over to Colonial and lend us your talent and expertise, & enjoy an evening of dancing. Our fall season began very successfully at our new home in the gym at Byrd School. What a beautiful floor! Please - remember to wear soft-soled shoes so we can keep that highly polished shine. Our open house attracted a big crowd and it was great seeing so many smiling faces of all ages. Everyone seemed to have a grand time and as a result we have one of our largest classes ever. Now that we have a hall that we can use at 7:30 the club is running a series of workshops before each dance. When our regular caller Paul Brody is calling he will be workshopping the plus figures and some different ways of approaching mainstream calls. When we have guest callers, Jean Brody will be offering a R/D workshop. The response has been enthusiastic so come and join us!

2 & 4 Sundays

We opened our fall season with Manny Amor calling our first dance. The following day, on Monday night, the beginners class started. Three days later, on Thursday, we began our first class in advanced dancing. Both classes are under the tutelage of Al Moses. Practically all the beginners as usual, got a big kick out of square dancing while those who are taking up advanced dancing all seemed like eager beavers. We'll try to help them maintain this attitude - it's good for their egos. Incidentally, it is much better to be the bearer of good tidings than bad tidings so, with deep sorrow, Al"e"mo extends its condolences to Leon Tauber, who lost a brother and then a sister within a one week period. May their souls rest in everlasting peace.

From Caller Jim/Mary Marshall... "We're moving to Virginia (Jim's home place) in September. Course we still have family here in NJ and will be back and forth. We would like to keep in touch, so please send us a subscription to GRAND SQUARE. We will remember our relationship with NJ with fond memories. Many thanks for a devoted life to Squares & Rounds which you both have applied yourselves to. We're looking forward to reading about the S/D in Jersey while dancing in the Virginia area. We'll be around the Gloucester Co. area." PO Box 416 Saluda, VA 23149

From past presidents Nan/Frank Habersberger in Florida.... "It is very gratifying to hear that the S/D organizations of NJ are all wroking together for the common good of all Square & Round Dancers in NJ and that they are using our proposal of March 1980 as their guide.....By the way - we are now the newly elected President of the Southeast Florida Square & R/D Association. We have also been appointed Chairman of the 1985 Florida State S/D Convention. Did we say we came down here to retire....."

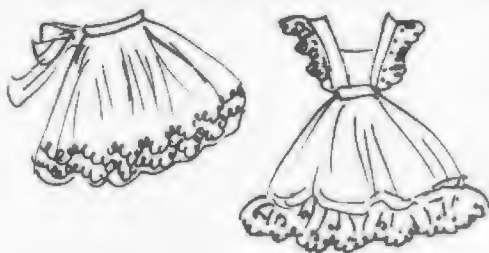

The SQUARE PINCUSHION  
gets ready for the 'Holidays'.

Everyone loves a new party  
outfit-but we don't want it  
hidden in the closet till  
next year....

So-double-duty planning is  
essential.

A dress that can change its appearance  
with the addition of an overskirt, or a pinafore, or  
add a vest will give you another outfit for perhaps,  
Valentine's day or President's ball or whatever the  
dominating color calls for.

A sheer overskirt with rows of lace or trim, or plain  
with seasonal appliques would dress up an otherwise  
plain fashion with little effort or expense.

Or how about a red blouse,  
with a tartan plaid skirt,  
and 'Mr.' in a red shirt  
with tartan slacks and both  
with black velvet cumberbunds.

The Tuxedo blouse look is big  
this season-both could wear  
matching Tuxedo shirts, striking slacks & skirt and top  
it again with a velvet cumberbund..(hint to Santa...)

If your budget will not allow for a new dress or skirt,  
select the plainest and make an eyelet pinafore (or  
a lovely tiny calico print) to wear over it.

Perhaps Santa is listening and a suggestion for a new  
crinoline or a gift certificate for a favorite fabric  
shop would be a most welcome gift. Show your apprecia-  
tion by making something matching for 'him', too.

A New Year's resolution to make at least  
one or two new outfits at the least poss-  
ible cost each year could give you a  
sizable wardrobe in a few years-remember, square dance  
clothes do NOT go out of fashion. So work on your basics  
and add to them. And don't forget to resolve to GET OUT  
and dance more.....

Very happy holidays to you and yours  
and the best of new years to you all,

A record breaking entry took part in the state 4H S/D Festival held at Jackson in September. It was a feature event of the NJ State Fair. The Festival which had been an annual 4H event for the past 20 years never had so many taking part before. A total of 37 teams of eight different counties danced to the calls of Wes Morris and after the last lively number the Swinging Squares of Essex were awarded excellent rosettes for their participation. Leo Pruner is the leader. Dancers were Molly Baker, Linda Pruner, Laura Head, Ellen Neuville, Matt MBaker, Charles Menarhe, Ed King & Steve Sizar. Our new class started up in September.

In the Winter Issue (Due our Jan. Delegates Meeting) GRAND SQUARE will feature all known CLASS LEVEL DANCES. But it's up to the Class Chairman to provide us with the correct info - dates, locations, time, etc. Deadline Dec. 10.

Andy Woerner (70 Windsor Rd, Oradell, NJ 07649) plans to computerize the same listing & would appreciate receiving the same info. Andy also computerizes, at his own expense, all known monthly dances & provides this service, for a nominal fee, to subscriber. Any club who would like a list to post on their club bulletin board as a service to its membership may receive one by sending Andy a self addressed stamped envelop. We welcome this use of computers & sure wish the NNJSDA & GRAND SQUARE had one too! For Square & R/D SINGLES, Andy has begun a SINGLES roster to help dancers find partners who share similar interests & abilities on the dance floor. Interested singles should send Andy a SASE to receive the application and further information. (use #10 envelope)

# CALLERLAB

QUARTERLY SELECTION COMMITTEE reports...

The International Association  
of Square Dance Callers

For the quarter beginning Oct. 1, CALLERLAB  
has selected GRAND SPIN. It is not a new

movement, but offers interest to the MS dancer. The move was first introduced before the call Pass the Ocean was written, & the use of this call makes the figure easier for the dancers to complete. It is a 64 beat timed figure, written by Ross Crispino. Starting formation- Static Sq. Heads Part - Pass the Ocean, Spin the Top, Star Thru, step forward & California Twirl at the sides of the square to become new sides.

Sides Part - Face your partner & back away (as in GRAND SQUARE-take 3 steps & turn on 4th step). Turn in & walk toward your opposite & do a DoSaDo. Star Thru with that person & become the new heads.

Each part takes 16 beats to complete; each dancer will do each part twice to complete the figure. This figure cannot be rushed.

CALLERLAB has also added something else. At their Reno convention '82 the membership voted to establish a new program called the PLUS QUARTERLY SELECTION (PQS) - aimed at the Plus Program clubs & dancers who desire to expand their dancing to a limited degree but who do not choose to enter into a more elaborate program. The PQS Program will operate under similar guidelines to the MS/QS Program. The PQS for Oct 1 is TRACK TO A DIAMOND- (From columns, the #1 & #2 dancers do a Track II, Each of these dancers becomes one "point" of the final twin diamonds. At the same time, the #3 & #4 dancers Single File Circulate once (to a momentary box of four) then Cast Off 3/4 forming an ocean wave. Movement ends in parallel, center-to-center diamonds. Also ZING (4 beats) - (Starting from a DPT, completed DPT, or Box Circulate formation, the leaders in each foursome do a Zoom 3/4 (270°), as the trailers step forward into the vacated spot, then turn a quarter to face the center of the foursome. Movement ends in facing couples. (Whoops, forgot to say- TRACK TO A DIAMOND - is 8 beats)

Chairman of the PQS committee is Jerry Schatzer; Chr. of the QS committee is Harold Bausch.

Many people were against the program designations introduced by CALLERLAB because they were afraid of levels labeling the dancers. Levels do not, of themselves, label dancers, but I have seen dancers labeling themselves and others both before and after the current terms were introduced. This labeling, to my mind, defeats the purpose of identified and listed dancer programs.

The idea of programs which are named and have the included figures listed is to generate dancer success. Too often a caller or club leader had one idea of "Hot Hash" while the dancers attending had another. These differences often caused many dancers frustration and pointed a need for clearer identification.

This identification with its carefully considered figure groupings can be likened to a restaurant menu which describes the dish. The description allows the customer to make a choice, it should not be used to label him. CALLERLAB programs have been used to label dancers instead of allowing for free choice.

Many dancers who enjoy dancing at a variety of levels find themselves labeled Advanced because that is the level they dance often. People in the square dance world should try to realize that learning a certain level will not guarantee a successful square dancing experience or make a better person of a dancer. Obvious, you say? I say too many people have invested feelings of status and personal worth in their level identification.

Dancing any program and being willing to help others (either newer dancers or those with problems) is to me a better measure of achievement in square dancing than level jumping. I also wish to point out that I have known many Advanced & Challenge club members who were willing to help as angels. Dance at whatever level you enjoy, but don't brag about it. Look for the enjoyment of fellowship rather than for who made the goof which "broke" the square and embarrassed you (only you?). Remember someone was helpful to you when you were learning and often a small favor reaps great rewards. 2 Laurel Place, North Brunswick, NJ 08902 201-249-2086

### UNITED SQUARE DANCERS of AMERICA

The USDA in its one year of existance has accepted 11 charter member organizations representing 10 states. Membership is open to any organized non-profit S/D group representing the S/Ders within a state that subscribes to the purposes, rules, etc of their United Square Dancers of America Constitution & Bylaws. No state has over 2 votes at any time. Its annual meeting is held during the National S/D Convention, usually on Friday afternoon & is open to one and all. The USDA supports the Square Dancers of America Tournament of Roses Parade Float; efforts to have the S/D designated the National Folk Dance permanently; acknowledges the importance of cooperation among the major national & international S/D organizations; is seeking the issuance of a postage stamp depicting square dancing and has adopted a national accident/liability insurance for its members.

In Detroit last June, they took the opportunity to recognize the contributions made by our own FRANK & HELEN CAVANAUGH, who served on their organizing committee for the formation of the USDA and served as a regional director. Jim/Jan Maczko, of Salona BeachCA, are President.

From #80 EAST: Take Rt. 46-Caldwell exit (47B) & proceed as above.  
From #80 WEST: Take Montville, Pine Brook Exit (#48) go right (north) on Hook Mountain Road - proceed as above.

Until we were asked to serve as R/D Liaison we had no idea the extra time your R/D leaders must devote to the activity. We knew they must arrive early to the hall - carry as much, if not more, equipment as the caller, set up & be ready ahead of time - be prepared with a R/D program yet remain flexible enough to make substitutions in that program depending upon the R/D circle. Some even carry S/D records in case the caller is late - or gets ill! We did know the R/D leader keeps the evening schedule running smoothly by conferring with the caller as to how much time the caller wants between tips and then helps make it all come out even at closing time. But we never realized most R/D leaders are the most underpaid people in the business - even the baby sitter gets more than some of them do! Very few are given the courtesy of a contract - one even had to read GRAND SQUARE to find their opening dance date! And while most have beginners classes, out of necessity, many are held in the leaders homes. At their recent Council meeting (held in various leaders homes in the NJ/NY area) a total of over 1100 miles were travelled by the 21 leaders to reach the Tristrans lovely home in the Watchung hills. What a dedicated bunch of people!!!!

**L U S T - follow up**

Many favorable comments were heard - Thru-out the afternoon sessions concern was expressed in How DOES one help the new grad become a contented club member; no one answer was available, but much discussion centered around CALLERLAB's suggestion of allowing more time for the newer dancer to absorb the MS terminology before moving over to PLUS. Most of the hourly sessions were not long enough with discussions spilling over into the "bring your own Box Supper" & evening dance.

Since representatives from upstate NY & PA were in attendance your Ass'n is exploring with both the possibility of their holding Mini-Legacies in the uneven years with the NNJSDA's LUST continuing on in the even years.

Our thanks to all who participated - whether as worker or attendee- it takes all to produce a successful LUST. Pictured are some of the workers; SEW WHAT of Rose Ericson was very popular; Jason Biggs, our youngest attendee, dad, Mickey, is holding a LUST sign.

every Friday

Rockaway Val. Meth. Parish House Valley Road

We started with a good fall season. There are only a few places to dance MS and we provide a solid MS program on the 2/4 Fridays with some all position for variety. Our other Fridays are devoted to working plus figures for those who didn't dance over the summer and who need brush-up on some of the figures. We do take requests for workshop figures on the plus list & will work them in if possible. In November we'll have a Harvest Ball to celebrate & a special Christmas Dance in December.

Space & other problems precludes printing a monthly calendar. Instead we will include this universal calendar of all NNJSDA members regularly scheduled club dance night. By comparing the actual month to this page, a dancer can determine who is dancing when. The "where" and other pertinent info will be found in each club's write up and/or ad. We will list on this page all cancelled dances that we hear about. It is the responsibility of each club to keep us informed. Thank you for your cooperation. Happy dancing. FOLLOW UP - So much interest was generated by the BALTIMORE BOOSTER BALL in Crestwood Village last July that the CRESTWOOD PROMENADERS held an open house jamboree in September attracting many new members for their beginners class (Thursday evenings) in the Fernwood Clubhouse.
