 NNJSDA

Two weeks into 1983 and we have such good feelings about square dancing in our NNJSDA clubs. The "Fellowship Program" is progressing, clubs are on the move and so are we! We have visited more than a third of the association clubs and have enjoyed every moment. The dancing has been fun.....the warm welcome of old friends and new ones, keeps our energy level high!!! Your Association officers are everywhere, visiting clubs and enjoying the good times.

All of us plan to keep on the move just as we know the clubs are. At least seven clubs are on their way towards earning the "25th Anniversary Award" (attending 3 Association specials, with required number of squares) and many more are "on the road" towards earning the "Fellowship Award" (visiting 10 member clubs with required number of squares).

Our heartfelt thanks for your support of the programs. We're proud of all who are taking an active, rather than a passive role in this Anniversary Celebration. THEY are making good things happen. Even if the clubs do not complete the requirements, there is an "award" - the satisfaction of having been actively involved; the joy of having shared happy times, and the pleasure of the fellowship, which is so much a part of square dancing.

We'll be looking for you at our specials....look for us at your dances. There's so much to look forward to, GRAND SQUARE Booster Ball on January 10; the abundance of class level dances throughout our area, graduations, and the "Happy 25th" on July 30. Have a wonderful 1983.

Not too many costumes at this year's Halloween masquerade dance, although those who dressed up looked great. We'd like to encourage more to participate next time around. Maybe we need to advertise it more in advance. Your reporter can attest to the fact that its no problem dancing in costume - just a little warm. Can anyone forget Maurie Berlinrut's answer when he was asked who he was dressed up in short pants? Standing next to his wife who was dressed in a long black gown and craggy-faced mask, he replied, "I'm the son of a witch!" Under direction of Lou/Jeanne Cole, our club made a very successful raid early this year and we are expecting to have another later. Raids are always fun and we enjoy being on the receiving end as well as the traveling. We trust everyone enjoyed the holidays and are planning to attend all the winter dances. Watch for the location of our second February dance, it's not at our regular location. (AD on page 10) Nancy/Art Clough 201-499-0925

Congregational Church, 131 Pasack Road

Happy New Year everyone! Western Wheelers began the Holiday season with a gala Christmas Party for club dancers & students. Bruce Vertun on the squares & the Shearwoods on the rounds made a happy time for everyone. The New Milford Tenderfeet raided our club with 4 squares, & students of Western Wheelers/Belles & Beaux, Hix & Chix & See Saw joined in the fun. What an enthusiastic bunch they are! We will continue to welcome students on 2nd Wednesdays thru graduation. Toys brought to the party in lieu of donations were presented to the Goldberg Day Care Center of Westwood. Mrs. Majette, Education Director, was on hand to receive them. Many thanks to all who participated with preparations and made it such a smashing evening.

Our New Year's Eve Celebration was equally a success. With Bruce and Ed/Les we danced (and ate) the old year out and the new year in. Hope to see many of you on the dance floor in '83. We have a terrific schedule of callers for the spring and you don't want to miss our Chinese Auction in January. (AD on page 7) Bob/Liz Sly 201-391-0248

"I would like to make a suggestion to all clubs concerning the information number that is always listed in GRAND SQUARE. It would be greatly appreciated if people other than the dancers who do answer the phone know exactly where the dance is being held. Unfortunately, we do not think about people coming more than an hour drive not being familiar with the location of the school, especially if they have changed schools. I have run across this problem 3 times with people left at home not being able to give me the information I needed...which is very frustrating."

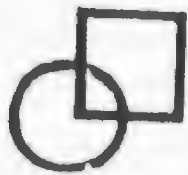

ED: We agree with HELEN HENDRIX and may we also suggest that clubs include in all info a phone number for your dance hall in case of emergency.

Congratulations! West Milford Flutterwheels on celebrating your 5th Anniversary in Square Dancing. We have met so many beautiful friends throughout the U.S. by being involved in this activity. We would also like to thank NNJSDA for their terrific idea on raiding 10 clubs and 3 Association dances during the year. It was the special boost in the arm that we all needed and mostly all of our club members are looking forward to going on all of the raids that are planned.. And it is also good being visited by so many clubs too. So it works both ways. Congratulations to our new graduates of last year - Mark/Maria Silverman who had their square dancing interrupted for awhile by being the proud parents of twin girls, Rachel and Sarah. Our November Pie Festival was a huge success, right down to the last crumb and the last tip of the evening. We could have danced all night to the calling of John Kaltenthaler who made the dance so interesting no one wanted to sit out - even one tip/ As always our circle of rounds, under the direction of Doc/Peg Tirrell, brought out the best in our round dancers. Tenakill's Christmas dances are always great and this year was no exception, even Santa enjoyed the festivities. We are moving along extremely well with our visits aiming towards the Fellowship Award in honor of the NNJSDA's 25th Anniversary Celebration. Let us all join hands in this fellowship - what a great idea! Since space is at a premium we're unable to list all names of our new grandparents - be it the 1st time or 6th time around. You all know who you are and we congratulate you and look forward to having these youngsters as members of TT somewhere around 1995. We invite you to come on down and enjoy one of the happiest and friendliest clubs around with the finest wooden floor in town. Looking forward to greeting you at our next dance.

The club celebrated its 30th anniversary with a gala pot-puck supper in November. After the meal, several members, prompted by Frank Poole, reminisced about past events in the club's history and the mouth watering hot danish we used to have after our dances. We were visited by past-presidents Hans/Elaine Schmidt who left s/ding 17 years ago. Our Mrs. VP Shirley Sherlock supplied beautiful cakes for the occasion. With Christmas and New Year's Day past, we're hoping for nice weather on our dance nights in the new year, so that all our friends can turn out for our dances. Please come; we miss you when you don't. Frank/Marie Poole 201-342-3375

Here it is a brand-new year and, despite the myriad of crises which prevailed during 1982, we dancers finished the year with our heads held high. And why not? Our favorite activity provides us with the best antidote in the world. Each year greater numbers of dancers are appreciating this fact. Add to the foregoing the rampant computerization which is taking place. Do you like the idea of being some number at the end of a terminal? Apparently many people don't and we square dancers can number ourselves among them. We enjoy our activity. We like the music, the dancing, the color, and, most of all, we like the people. All of which are part and parcel our 'Antidote'. We, at Swingin' Stars, want to wish all of you much happy dancing in 1983. Once again - round dancers it's 8 PM for you, and squares - 8:30 as usual. See you around a square.

Fall has been exciting for the Spinners. Our Spinner Beginners are doing a beautiful job & looking forward to their first class dance. Halloween brought out four colorful clowns-claimed to be Dottie/George Simmons & Helen/Carl Ostertag-But we don't know. They never looked like that! Trudy/Jack Austin as "Little Bo Peep" and "Little Boy Blue" had problems rounding up those sheep! Horns don't work with Sheep Jack! Poor Sheep were terrified by Stanley Lach & Martha Strait as a murdered man and his spotted dog! The evening was topped off with a raid by those terrific Lakeland Squares - loved having you! Bob Mitchell, our unexpected guest caller, kept things lively in spite of the strange events of the evening.

On a more somber note, John Kaltenthaler was mourning the recent loss of his brother. Our deepest sympathies, John.

Of interest to dangle collectors, the Spinners will be awarding dangles to out of state dancers, so come on out and add a dangle to your collection.

Our November dance was noteworthy for the marvelous calling of Dalt Young. Always great fun to dance to, and a spectacular array of fall table decorations created by the students of the horticultural department of the Sussex County Vocational School. A very impressive display! Don't forget, come dance with us. (AD page 41) Carol/Neil Albrecht 201-875-5002

A short note from ROY/SYLVA KELEIGH whose HAYLOFT burned to the ground last June. Roy, after his recuperation from his hospital stay, converted their rec room & garage into a small (2 set) S/D hall. They were fortunate in securing a good sized local church hall for the club. Their home address-1112 Darlene Avenue, Wanamassa, NJ 07712. Many of us have happy memories of the HAYLOFT.

"Double your pleasure, double your fun" has been our unofficial theme this fall. We have doubled last year's attendance at many dances. Our raids on Lakeland Squares & Belles & Beaux followed this theme, with over four sets on each. We give a hearty vote of thanks to the West Milford Flutterwheels and Covered Bridge Squares who raided us. Our raid chairman George/Norma Williams have at least two more raids planned. Look out, it could be your club! Our first class level benefit in November for burn victim member Art Simpson was a fantastic success with Fred Weiner calling to a record 125 people. Fred is turning out to be our own rumpelstiltskin. He's spinning our class into pure gold! We are getting to be afraid that by graduation we'll need club classes to catch up to them. We have thoroughly enjoyed our many excellent callers this fall, and look forward eagerly to their returning in 1983.

Well! Here we are successfully recovering from all the parties and S/D specials which have made the holiday season so enjoyable. We were especially impressed with the enthusiasm and skills of our class at their Christmas Dance. Speaking of classes - our graduates of last year are rapidly becoming skilled plus dancers.

During the holidays Somerset Hills honored Y Squares & Hill City with fun filled raids and Hill City also returned the honor. In November Lee Kopman called at a spectacular special at which he introduced the delightful "stagger" series of calls. Lee we do want you to know that the door prize was not intended to be your beautiful white cadillac. During Oct. & Nov. the writers had the pleasure of touring across the country and enjoying S/D at many clubs. For those of you who haven't danced in far distant places, we want to assure you that S/D is a universal language. You will be welcomed, as we were, with open arms, hugs and all the usual pleasantries which add to good S/D life. We danced with a club which wouldn't allow us to pay the dance fee; another which gave us special badges; and one in the south where the caller advised his members to put on their best behavior because there were Yankees present! So we advise you all to go forth and try another club. (See p. 27 for news about the NEW S/D DIRECTORY) But also try our friendly Somerset Hills crowd, too.

Hats off to our other officers Treas. R. Walcult; Sec. E. Mayer; Del. D. Hoggart. The duties given to Raid Chairman Lou, seems to agree with him. A Tribute to our past president Joan Maccari, who is missed by visitors and members. The enunciated formula you instilled as President is now priceless as gold to the officers. Joan, perhaps you can gladden all by visiting us again on the dance floor or joining us at the Diner if you can schedule it amongst your hectic scholastic endeavors. Our last covered dish was equal to none other! At the dance, "Nothing Special", Bob Tarrant made up a dance singer called "Nothing" and dangles with nothing were given to all. Interesting and informative was the LUST programs- Jeff, Joe, Thelma & Sue "DEACON" can confirm! Everyone welcomes the return of Velma and hope to see Hank soon. We welcomed recent graduates at our Christmas Dance. "Seasons Greetings" from our club to yours.

33rd National Square Dance Convention*

MARCH 19, 1983 is a mighty special day for Baltimore in '84 supporters. For that day, and that day only, will be the only time you can register for the National S/D Convention in Baltimore before the S/D Convention down in Louisville, KY this coming June. The 33rd NSDC kick-off dance

is to be held at the Convention Center in Baltimore, MD. This is an excellent opportunity to view the facilities & all the specialties the Baltimore Harbor area has to offer. We will be dancing to the talents of Chuck Stinchcomb on squares & the Smarelli's on rounds. Your NSDC registration fee of \$16/person will be the entrance into the kick-off dance also.

Registration opens at 6 PM that evening & the dancing will begin at 8 PM. As we at Rutgers buckle down to another semester of books, classes, & Square dancing, we hope that everyone had a joyous holiday & wish you all a year full of friendship and fun. Happy Holidays.

Richmond Dancers, under the guidance of our Raid Chairpersons, Tom/Mary Gorham, is well on the way to qualify for the Association's Fellowship Award. We are excited by the program, not for the special recognition that may come to the club, but by the inter-club cooperation that is encouraged by the program. Square Dancing will remain viable not through competition, but by projecting an image of cooperation among Association members. The visitation program introduced by NNJSDA is one that should stimulate the important goal of fellowship and cooperation among clubs.

Our Christmas Dance was a great success thanks to the Dance Chairpersons who took over and carried out the plans when Donna Anderson ended up in the Fallston Hospital in Md, Frank Riviccio, the Bellottis and all who attended. As a token of appreciation and in keeping with the spirit of the holiday season, every lady who attended our Christmas Special was presented with a fashionable neckchain. Hopefully, the good spirit we shared during the holidays will continue throughout the New Year.

Happy New Year to all! Another year of square dancing has passed us with many happy memories and looking forward to square dancing in 1983. We ended up the old year with a successful raid to the Sussex Spinners. Later Mike/Marion Lattig hosted a party which was enjoyed by all. Our class students are progressing quite well and we all enjoyed dancing with them at our Christmas dance. Congratulations to Betty/Walt Harris on becoming new grandparents of twins. Plan now to keep the second dance in March open for our annual dinner dance at the American Legion in Wharton.

2 & 4 Saturday RAMAPO SQUARES -- Oakland, N.J. (ADV)
 Heights School, Seminole Avenue

When Staten Square Set gave their presidents, Grace/Gene Lucarini, engraved silver medallions in 1968, to express the club's gratitude and appreciation for their service and devotion - they could hardly have foreseen that the Lucarinis would be so thrilled with their award that they'd decide to make it an annual event under their sponsorship. But that is what happened. Since then, the Lucarini Award medallions have been given to outstanding couples in square dancing who exemplify these exacting criteria: Non-professionals who have been in square dancing for 10 years, five of them as club officers or members of the Executive Board of the NNJSDA, & to have generally fostered and enhanced the growth and development of S/D through their special efforts and enthusiastic support of S/D related activities. Up to this year 3 Ramapo current members had already won these coveted awards: Helen/Lou Hardy; Doc/Peg Tirrell & Jinny/Bud Allison. It is our pleasure to report that at the SSS Anniversary dance in November a fourth Ramapo couple GLORIA/AL BRANDT, joined them. The honor couldn't have happened to a more deserving pair. Since 1965 when the Brandts joined Ramapo they've been deeply involved in every aspect of the club's operation; fostering goodwill and friendliness by joint ventures with other clubs; running special workshops on separate nights to encourage not-too-sure-of-themselves dancers to come to the regularly scheduled club dances; serving as angels; officers; organizing and participating in national and local demonstrations and parades; being instrumental in getting old timers back for Ramapo's 30th anniversary celebration two years ago, for which, by the way, they wrote a history of the club. Four and a half squares journeyed to Graniteville that Saturday when the award was officially presented. It was a most gratifying and enjoyable evening. Our congratulations.

Meantime, Ramapo's 1982-83 season has been rollicking merrily along. We've had a better than average attendance at all our dances. Computerized squares continue to ve very well received. Peg/Doc Tirrell on Rounds with their usual ease and expertise. If you enjoy dancing on the advanced level, we guarantee you'll have a great time at all our dances!

MERRI-EIGHTS -- East Brunswick, N.J. (+)
Dag Hammarskjold School, Rues Lane

1 & 3 Friday

We're gratified by the response from the club to our first Blood Drive scheduled for the New Year's Weekend. More than 30 have signed to donate with several others helping with administration, etc. Our New Year's Eve dinner dance tickets were sold out early in December & we are looking forward to another super evening. In November more than 3 sets from our club went on a Mystery Bus Ride to Leisure Squares in East Stroudsburg, PA. Imagine our surprise when one of their club members announced that he was dancing in England, recently, & saw a Merri-Eights pin on the host club's banner. The surprise was even greater when Beryl/Chet Daszkiewicz, who had come with us that night, said they had pinned the banner when they were vacationing and dancing in Great Britain a few months ago. Yep, with square dancers, it really is a "small, small world".

We're busy making plans for our Club's 25th Anniversary Dance, to be held in May 1983. We're also planning a super all day picnic with fun, games, dancing & eating to be held late Spring or early summer. Hats off to our friends from Country Promenaders, who put on a demo for wheel chair patients at JFK Hospital, getting several of the patients in sets. One patient who participated was a Merri Eighter, Herb Jennings, who had been injured at work earlier this year. Judging by the glowing reports, we hope there will be more, regular demos at hospitals & nursing homes all through the year. Those of us who have danced for patients know how much they look forward to seeing us year after year.

Don't know if its the good food, great caller, the wonderful location or the warm feelings, but we're happy to say our dances have been very well attended, and we look forward to seeing our friends, old and new, throughout the year. (AD on page 51) Burt/Sylvia Caplan 201-679-8079 (ED NOTE: Our sincere thanks for your "Greeting Card" donation to GRAND SQUARE. Our staff appreciates your support.)

We've seen some excellent publicity articles-please share them with our 3rd VP for NNJSDA Scrapbook & write the paper thanks for the coverage!

An open letter to the most wonderful people - Square Dancers.

"As I leave you to settle in Florida. I want to say thank you from the bottom of my heart for all the many years of

happiness that I have had dancing with you. Your friendship & Thoughtfulness and sincerity will always be cherished.

I was deeply honored by the party dance on October 30, in my behalf. I could have danced all night surrounded by your feelings of love. To all of you that were able to attend I cannot find enough words to express my love and appreciation.

Sila & Gabe for your genuine thoughtfulness I will never forget you. Doc & Peg, who led us through the evening dances willingly and even allowed some of us to get into the act. You are both wonderful. Vale Carroad, who started the whole idea & made it such a success. Evelyn Olsen & Dorothy Pullman who did all the work behind the scenes and were the greatest hostesses. The Maguires & Indelicatos & Connie Wooll & Richard Gray, for coming over the bridge for this occasion. Art Taylor for bringing me over the bridge week after week and being such a good friend and partner. Mary/John Aquino, those scrumptious Eclairs & our roving photographer (half tones got caught in Christmas rush-sorry!) To everyone that brought refreshments - you made the evening an outstanding one.

For me it was Academy Awards night and I won all the nominations - your love. I'm glad of the opportunity to share with you all the happiness you brought to me. I will cherish the memories of the "Tear Drop Dance".

With all my love and appreciation. Come on Down,
Shirley Siegel"

Glenn Cooke is calling our second dance in April. Our class has progressed very well in its first half lessons. Bob Benner has them panting and perspiring with rapid fire calls, and they're keeping up. The class could use more angel couples to supplement the faithful few who show up every session. Our year has gotten off to a great start. The open dance was "ice cream nite". We especially thank the Merri-Eights for a bus load of raiders in November. It was a delightful evening; enjoyed them immensely. We welcome all our newly acquired friends from NNJSDA, to come to our "neck of the woods" to raid us or just to dance. November we demonstrated for the Senior Citizens at Courtland Plaza. Many thanks to our club members who have demonstrated for us. We are grateful to Ed Miller, former president, and his lovely wife Charlotte, for "pinch hitting" as caller at our demos. He was just great. We welcome our new members Bill/Lucile Smith, Lou/Joan Aro; glad to have you. Our Christmas Dance, as always, we had a great time & everyone looks so colorful. On the sad side, Russ Hammond fell and fractured his knee. We'll miss you Russ. We are all wishing you a speedy recovery to join us dancing real soon with your wife Martha. Good luck. We are well into our dance season and dancing up a storm & enjoying every minute of it and also having our many visiting friends with us. Our callers Bob Mitchell & Mike Foley are doing their excellent calling as they have been doing in the past. Our class under Tom/Jan Allen and the calling of Pal Johnson, their instructor, is coming along in great shape & showing much enthusiasm. Several of the students have been dancing with their S/D attire for a few weeks now. The Halloween & Thanksgiving dances were well attended & a good time was had by all. Our Halloween dance was a real screamer. Art Jacobs won for the funniest costume, Kristine Ougland-the most beautiful & Bill/Mae Chapman - the most original. They also provided everyone with a little excitement during the parade around the hall when time ran out and there had to be a caesarian birth as the time had come. Mike Foley was quite lucky as he witnessed two within two weeks. His son was born two weeks before. So when you attend one of our dances you can be sure of enjoying yourself. We will be looking for you in the very near future and giving us the privilege of dancing with you. In October we were raided by the Spinning Wheels of Wayne and their entrance routine is a very unique one to see.

As we all know on June 1, 1982 President Reagan signed the bill designating the S/D as the National Folk Dance of the USA thru 1983. The National Folk Dance Committee, under Mac/Mary McClure, are now working to have this designation become permanent as of January 1, 1984 with Congressmen Mineta & Panetta from CA introducing Bill 6912 to this effect.

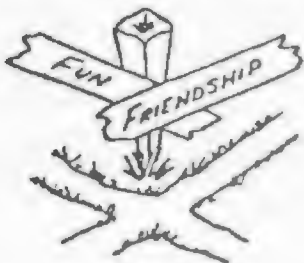

Here in NJ, State Senator James W. Bornheimer sponsored SJR #19, which having passed both houses of the Legislature in Trenton was, as of GRAND SQUARE deadline, awaiting the Governor's signature. Sound familiar? Yes, only now, Gov. Kean has a deadline, (because

of new legislation) in which to act or by distribution time of GRAND SQUARE the bill will automatically become law. Frank/Helen Cavanaugh had hoped to get Gov. Kean to uphold his campaign promise to Ken Jensen of Somerset Hills to sign the bill, in time for Rutgers Toys for Tots dance-but no such luck! Your delegate will have the full story.

Some food for thought - IF square dancing has provided you with many hours of relaxation & entertainment - if you wish to keep S/D healthy & exciting - you can make an important contribution for now & the future. Nominations for your 1983-84 S/D Association officers are being accepted. You may know couples who are talented, enthusiastic leaders who should be proposed for the vacant offices - but only with their permission. You may wish to volunteer yourself - which is just fine. NNJSDA Presidents have appointed the following Nominating Committee: Pat/Jim Campbell (Merri-8's), Roger/Fran Lund (Hix & Chix, Covered Bridge) & Harriette/Sol Koved (M T) Chr. Your ideas & suggestions are most welcome. Please contact any committee person or call the Koveds at 201-276-7213. We thank you.

In October we celebrated our tenth anniversary with a wonderful square dance. We had a great turnout of regular dancers and friends from nearby clubs and in addition were raided by the Western Wheelers. We are proud to have completed ten years and are looking forward to many more years of happy dancing. In November we had our fourth annual "Crazy Hat Dance" and it was so much fun. Some of our members have terrific imaginations, wearing flower gardens on their heads, and toy railroad tracks sewed on an engineers cap, a gigantic Stetson and many more. Last month we were very much concerned when one of our former presidents Lucille Deroche underwent open heart surgery and a few weeks later were so happy when she came to visit one class night. Keep improving Lucille; we're looking forward to seeing you and Bill dancing again. All of us at Kittatinny Rangers wish a Happy New Year to all square dancers! Keep dancing!

Round dancers were shocked & saddened to learn that WINNIE BISSEY had passed away Nov. 23, just one day after their 46th Wedding Anniversary. Active in R/D for umpteen years Winnie/Dale are responsible for doubling the dancing pleasure of many S/Ders, not only here in NJ but all over the Eastern Seaboard. They made the intricate seem so easy; their joy & fun of the dance was evident in all their activities. The R/D & S/D world has lost a valuable friend & we all extend our deepest sympathies to Dale.

We Tirrells wish to thank our dancing friends for their kind expression of love & concern shown in the sudden death of Peg's mother, whom many of you knew as GG. Your many notes reaffirmed she was a mighty special lady & that her special T L C had carried over in the myriad of phone calls & details she handled for the S/D activity. It does help to know others care.

KINGS SQUARES -- Bay Ridge, Brooklyn, N.Y. (+)
1 & 3 Sunday Presbyterian Church - 367 94th Street

We welcomed our class members at our Christmas Dance. They are starting to get the feel of S/D & it's just about this time when they can start attending class level dances. Dick Green, A LI caller, called for Kings for the first time in October and was super. We'd like to welcome Manny Nathanson back to dancing after his illness. Mickey/Aaron Weiss are our Raid Chairman & doing their best to assure our club has at least 10 raids. Richmond raided us in December when Jerry Salisbury called. Since our club now dances at "Plus" level we have an A-1 hash after each dance. Happy Holidays & Happy Dancing. (AD p. 19) Sheila/Al Alvarez 212-251-0263

Our thanks to last years GRAND SQUARE Booster Ball callers/cuers (many of whom donated time) L-R-Doc/Peg Tirrell Jean Kellogg; Manny/Gail Amor; Jeanne/Paul Brody; Joanne/Dick Pasvolksy; Carol/Jack McLaughlin. Chairman of that dance-Frank/Betty Olier.

Plan NOW to show your support Saturday, January 29, 1983 at MONTVILLE High School, MONTVILLE, NJ - 8-11 pm. Squares-Dalt Young; Rounds-Noskers. GRAND SQUARE Booster bars and '83 danglers will be available. All profits will help defray GRAND SQUARE expenditures. Don't forget to also buy your Booster Tag from your Delegate & wear it thru February. \$1/person. Thanx.

ISLE SQUARES -- Great Kill, Staten Island, N.Y. (+)
2 & 4 Wednesday Christ Lutheran Church, 121 Cleveland Avenue

Another year has gone by and for Isle Squares it was a wonderful year. This is of course due to the hard work of the officers and the committees. And a special thanks to all of our friends. We hope all of you enjoyed the holiday season and that Santa Claus was real good to you. If you missed our Christmas Dance you missed one of the great ones. With Manny Amor calling & Shirley/Frank Bellotti on the rounds. Fran Palladino was chairperson for the event & did her usual good job. Don't forget that our second dance in February & both dances in March are being held at a different hall. Our Beginners class on Tuesday nights, which represents three clubs on SI is doing real good. And it's all because of the bang-up job of Marty Clifford. Thanks also to all of the angels who are helping out. By the time this issue is released we hope Lou Cella is back on his feet & that Donna Anderson has recovered from their auto accident in Baltimore. We hope that 1983 will be a great year for all of you. Happy Dancing.

VFW Hall off Boulevard

At this time of year when we all count our blessings, we are doubly blessed to have Virginia/Bill Boscia as our VP's. They're always on time, organized, faithful, & provide "extra goodies" for us. Thanks much, Ginny/Bill. We're also grateful to our Demo Chairman Betty/Bob Daley, who bring much cheer into the lives of shut-ins, such as our trip to the Bell-air Nursing Home in November. (Pleasure works both ways.) Raid Chairman Annalou/Ray Kuenzler are busy lining up dates for us to travel to other clubs: We had 5 squares to West Milford Flutterwheels, 2 squares to Tenakill Twirlers, 4½ sets to Cloverleaves and are looking forward to visiting Swingin' Stars, Hanover Squares, & the NNJSDA's Booster Ball at Montville in January. We've been proud to present Traveller's Badges to: Mike Cervince, John Huttman, Kay Lisa, Bob/Nancy Glueck, Terry/Gary Grochowsky, Connie Rushke, Hilda/Ray Sears, Buddy Goodell & Dot/Dave Pinand.

We have forty students who are continuing classes with Dick Pasvolsky - we thank all our "angels" who've made classes interesting, and hope our students enjoy our December Christmas party. Bob/Nancy Glueck are the Class Coordinators. It was decided this year, as in past years, instead of exchanging gifts with one another at the Christmas Season, we would all bring toys for the Holley Child Care Center in Hackensack, NJ.

Looking ahead for the New Year - we extend an invitation to everyone to visit with us - especially our Snow-Ball in January and our Valentine's Dance in February - more about these in our ad. HAPPY NEW YEAR TO YOU ALL!

Happy 1983! The square dancing year is nearly half over and we are looking forward to still more fun evenings and a lot of good dancing. Those who attended our Dangle Dance in October had the opportunity to earn 4 dangles - if you are a collector be sure to watch for the date of this annual dance next fall. We have celebrated our 32nd birthday as well as each of the holidays. Our first dance in February is our President's Dance - all presidents free. Our student class is progressing very nicely under the direction of Bob Benner, & has been invited to our Valentine Dance. Put this on your calendar: We have two specials coming up in months with five Tuesdays - March Joe Fioretti will be our caller & in May Chuck Stinchcomb will call, with Ron Rumble on Rounds for both specials. With our R/D workshops and/or review in place of one tip, it seems every one is brushing up and the rounds look better than ever. Come on over and see for yourself...and join in both the squares & rounds. We'd love to have you visit us. You'll enjoy our refreshments, too!

We must have been the fourth club to bid goodbye to Shirley Seigel. By now, she probably wishes to change her mind and stay in Northern NJ. Round dancers take note: Ed Shearwood is doing great programs these days (with Les's help) and there is always room for more round dancers - so come on out for a fine program of both square and round dancing. DANCING SQUARES -- Cranford, N.J. (+)
1 & 3 Saturday Presbyterian Church, Springfield Avenue

We've moved again! This time to the FIRST PRESBYTERIAN CHURCH ON SPRINGFIELD AVE., off NORTH UNION AVENUE in Cranford. This is a much better location because it's right in the HEART of Cranford and is very easy to find. This is where the last two New Years Eve dances have been held.

Our annual Halloween Dance was a howling success. We were raided by Country Promenaders and had visitors from many other clubs. A rollicking good time was had by all. Bill Dann is a great caller & Ron Rumble was his usual superior self cueing the Rounds. Lois Green outdid herself with what looked like hundreds of beautiful decorations all over the place. We had a wonderful assortment of cakes and cookies brought by the members. After the dance we were all so busy having our refreshments & door prizes we completely forgot about the dangles. Dale Gangaware brought 150 to the dance and left with the same amount! Not one person inquired about them. If you missed getting your dangle, just contact Dale.

Who are the "HAPPY SQUARES?" This is a question asked many times. We are a group of 14 young retirees who volunteer their services to exhibit the art of square & round dancing for non-profit organizations, ie. Senior Citizens, nursing homes, school, etc., in the Bergen County area. We average 20 exhibitions a year, (during the day) & enjoy every minute, including our repeat performances. Formed in 1978; equipped with bright colorful skirts with matching vests & ties for the fellas; a badge for each member with a bright smiley face; our own extraordinary caller - cuer, Peg Tirrell. We are always looking for interested couples to join us in bringing sunshine into the lives of others. Helen Rellinger, known as "mother" to the clan, is our coordinator and contact person, if you are available give her a call at 568-4116. "We are Happy" Squares.

Winter's beautiful scenery abounds in Kuz'ns country;
also well cleared roads. Square up here and see.

Happy New Year to all!! Our Christmas Dance, to which our students were invited, got everyone into the holiday spirit. This was followed by our New Year's Eve dance at St. Aloysius Church with Dick Pasvolsky calling. It was well attended and everyone had a wonderful time. Many thanks to the Scagnelli's and Marlowe's for chairing the event. In December, several couples staged a fashion show for our students and others travelled to Neil's New Yorker for a dinner & show. As we welcome 1983, we look forward to calling by Will Larsen, Bill Wagner, Charles Kides and our special Valentine's Day & St. Patrick's Day dances with Paul Brody - and Jeanne Brody on the rounds. 2 & 4 Fridays

Franklin Reformed Church, Hillside Crescent

We have 2 sets of students being taught by Jules Pozsar. They are doing well & enjoying themselves. We met them at our Christmas Dance. Our fall bus trip was a huge success. On our way at 8 AM the Pietruchas handed out their song sheets & we sang our way to Hyde Park with Rae Tellefsen providing the music. We toured the plush Vanderbilt Mansion & property & could not have chosen a better day to view the changing colors of the tree leaves. We were then taken to the Hudson Valley Winery where we had lunch, & square danced. We know why the bus was dark & quiet on the long way home.

We visited the Flutterwheels & had a very pleasant evening. Our many friends there made sure we had a good time. Another social event was our annual dinner dance & movie night with 28 at the movie & 17 for dinner. We raided a fast growing club in our NNJSDA-Spinning Wheels and a club having a successful rebirth-Grand Prowlers. Come dance with us. Happy Holidays to all our many friends.

Carl Kumpf School, Mildred Terrace

This article was written before the holiday season & it will probably appear in a later issue, therefore all of us at Colonial Squares extend a belated holiday greeting & a sincere wish for a Happy New Year to all. Now for some tidbits about our club. Our C-1 Workshop and review is moving along like clockwork and before long we will change over to a full C-1 dance beginning some time in April 1983 and continue every Thursday thereafter. Keep that date in mind & plan to come over & share an enjoyable evening with us. Come sooner if you like. Dave Smith with his smooth style is whipping US into shape, & he is working hard to get us through some of the more intricate steps, even so, there were times when the floor looked like Grand Central Station during rush hour, especially when he taught "Scoot and Plenty" --amid the confusion you could hear Dave's calm, reassuring voice saying, Oh My God! What a mess, let's get out of this." Of course, we regroup and get back "home" and Dave starts over and over again until everyone has it down pat. That's what workshop is all about, isn't it? 1 Friday

Middle School, Roslyn Avenue

Christmas came early for the Cloverleaves, when Mr. & Mrs. Claus, John/Mary Aquino, presidents of the Hix & Chix and over 4 sets, raided us in December. With Will Larsen on squares & Tirrells on rounds, a very festive time was had by all. This raid could not have come at a better time, since we have lost money at every dance for over two years and we were about to fold. Now we will be able to hold out for another month or so... Many thanks Hix & Chix. We have a great list of callers and are the only Plus dance within an hours ride on the first Friday of each month. So come on out and dance with us. We have relinquished our A1/A2 dance-workshop on the third Friday because of objections filed by the Tenakill Twirlers with the NNJSDA. (AD on page 28) Louissette/Bill Nantz 201-384-8524

Our Circle 8's have really been moving at full speed this dancing year- everyone is still telling all who will listen about the excellent fun, food & frolic at our mini-weekend in the Catskills. Ask someone who was there & be convinced you should sign up for our Spring outing as soon as possible. Our membership continues to grow as the many "pluses" of becoming a member of our group become apparent. Why not try us soon??? New graduates always welcome and will feel very comfortable with us as Bill Heyman calls an interesting dance in the Mainstream Family. Rounds are at 8 with either the McLaughlins or Tirrells. 1 & 3 Wednesday

Byrd School, Doremus Avenue

By the time you read this the holiday season will be a happy memory, & we certainly will have things to remember. We started celebrating early with our Ed Foote Special & I'm sure our many guests enjoyed him as much as we did. Our thanks go to those dancers who remembered to bring a toy for our annual Christmas charity dance. The Holiday dance with our class members was great fun-what terrific dancers they're going to be. Paul Brody has done a wonderful job of bringing them along. We won't forget our New Year's Eve party - good calling, good friends, good dancing, good food & no "morning after" to spoil the fun! But the best thing about square dancing is that the fun doesn't end with the holidays. At Belles & Beaux the fun goes on all year along.

AL"E"MO SQUARES -- Brooklyn, N.Y. (+)

2 & 4 Sunday

Avenue R Temple, 1609 Avenue R

For a club that hasn't been in existence too long, AL"E"MO SQUARES is making very big strides -- some of our members have extremely long legs. If they don't trip over them, we'll continue to go places. The enthusiasm for dancing that permeates our club hasn't withered one iota; only the dancers wither, occasionally, after a full night of dancing. However, after a cup of coffee or two, they're completely rejuvenated and are ready to start all over again. I wonder if there is something in those coffee beans that we don't know about. Someday we'll find out.....maybe! Our club was thrilled to be featured in the Burdick's magazine AMERICAN SQUARE DANCE feature article "Best Club Trick" in their December issue for our decorations that covered everything square dance wise in our club from "A" to "Z". The SQUARE PINCUSHION
remakes a Patchwork Skirt....

In answer to several requests, I'll redo an old favorite. This particular skirt is made of all equal size squares. (Easier that way).

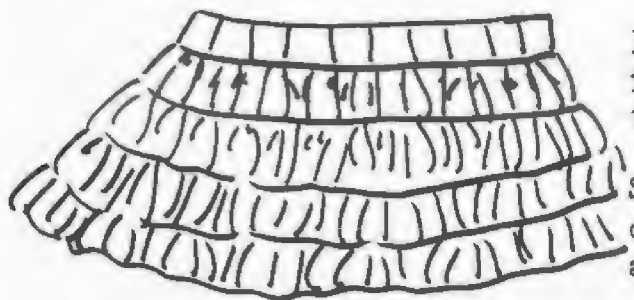

First, you must determine the length of skirt you need. Since this will be a 5 tier skirt, divide your length by 5 and add 1" for seams (i.e. $2 \frac{1}{2}$ " seams). That is the size of the squares you need to cut. For example: a 22" length divided by 5 = $4 \frac{2}{5}$ " + 1" = $5 \frac{2}{5}$ " squares.

Choose fabrics that are light in weight; these can be leftovers or pieces purchased on purpose. You will need 10 squares for the top tier, then 20, then 40, then 80, and the bottom tier will need 160. A total of 310 squares.

You can simplify your cutting by making a template of cardboard or other firm material and trace around that. Be sure your grain lines are vertical or horizontal, not on the bias.

Sew the squares, at random, together to form a long strip for each tier. Gather the top edge of tier 2 to fit the lower edge of tier 1. You will notice 2 squares gather to fit 1 square in row above.

It's easier to handle if made flat and sew the final seam at the end.

Sew final seam leaving enough open for a zipper and insert according to package directions.

Finish the waistband with a matching piece to one of the squares (or use unbleached muslin). Finally, turn a fine hem under at lower edge and sew by machine, or you can finish it with hemming lace and hem by hand.

If adjustments are necessary, shorten at the top tier, or lengthen by adding eyelet ruffling or a matching ruffle to one of your fabrics to the lower edge.

Finally, make a couple blouses, to match some of your fabrics, varying the sleeve lengths to accommodate the seasons. And of course, some related ties for hubby.

CAUTION: ALWAYS launder fabrics before using-better to play it safe- one bleeding square could ruin it all.

Enjoy and any questions, call or drop me a line,

every Sunday - 7:30 Methodist Church, 8 Academy Road

It's been a busy year and we're looking forward to a great New dancing season—along with the experience and enthusiasm of the old members, we have quite a few new members and are anticipating a good year. We competed in the square dancing competition in the N.J. State Fair 4-H at Great Adventure in September and received an excellent rating for our efforts. We are concentrating on shaping up and expanding our talents in readiness for the many dance and exhibitions coming up this season, hopefully culminating in a return appearance at Next Years State Fair. All new members are welcome and we are happy to introduce them to the wonderful world of square dancing, *Ellen Neuville* 201-228-4972

THE TROUBLE WITH ANGELS - is often that there are not enough experienced ones at lessons. Some people start to angel, but get trapped by other commitments.

Other experienced dancers might like to help, but can't commit every lesson night for 9 months. Angels help your club, and from my point of view last years class members, although willing, are often not strong enough to help others. (Don't stop coming!) We need the more experienced dancers, too. A rotation list could be a solution. Check with your teacher as to how many angels could be used. Ask club members who would angel one night a month, then set up a schedule, rotating these angels to share the burden. An "on call" list of members who live close and might come out to fill a square is also a possibility.

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

When LEGACY initiated the first dancer survey in 1980, the questionnaire was designed to define the dancers' feelings about certain aspects of S/D & related activities. From the many comments, excellent return rate, extra copies reproduced it became obvious that the dancers really wanted a voice in their activity. As a part of LEGACY's long-standing commitment to function as a listening post for the activity, and as a continuing biennial project, LEGACY is now releasing its third questionnaire. Help keep square dancing the way you like it by completing this dancer survey. QUARTERLY SELECTION COMMITTEE reports...

For the quarter beginning Jan. 1, 1982, the MS Quarterly Selections Committee has chosen one new move for workshops at MS dances. The move is **DIVIDE TO A COLUMN**. Starting formation - $\frac{1}{2}$ Tag formation (Wave between facing couples). Outsides Divide & Touch $\frac{1}{2}$ - Wave ends and adjacent centers Cast Off $\frac{3}{4}$. Move ends in right hand columns. Timing is 6 beats based upon the timing for Cast Off $\frac{3}{4}$. The Divide and Touch $\frac{1}{2}$ can also be accomplished in this same time.

CALLERLAB's Plus Quarterly Selection Committee, chaired by Jerry Schatzer wishes to announce that there will not be a Plus Quarterly Selection for the first quarter on 1982. The committee, consisting of approximately 100 members, recently held a ballot regarding this decision. No selection was made since there was no consensus for a suitable call for the +QS.

ROUND DANCE HIGHLIGHTS

Clete/Gail Polk, NNJSDA R/D Liaison

The NNJRDLC Fall Festival held 11/7/82 at Bridgewater Voc-Tech School was a very successful and Gala Occasion. Excellent cueing by Council Leaders, beautiful door prizes, brand new R/D banner, and a hard to resist refreshment table contributed to the enjoyment. Applause was loud and clear for Nancy/Max Nosker's club members who demonstrated two round dances. Many thanks to Shirley/Frank Bellotti for over seeing all the details which provided Round Dancers with an enjoyable interlude.

The more we become involved in the Council activities, the more we realize how fortunate our area is to have such a dedicated, cooperative group of leaders. Their concern & support for each other is very evident. Perhaps that is why our R/D movement is expanding. We are happy to report that more leaders & their clubs are sponsoring individual "Afternoon of Rounds" so that there are more opportunities for our dancers to mingle & mix.

"Good friends & neighbors are great to have in times of adversity, but nothing in this world can beat square dancers when it comes to giving help.

After our car was demolished on Thanksgiving Day on our way to a four day S/D festival I was hospitalized sixteen days with neck & back injuries.

Our S/D friends down in Baltimore made sure that I had visitors at least once every day. Not only that, they made arrangements to have a full Thanksgiving dinner brought in to me, & then they went on to keep Bill with them overnight so they could make sure he ate and slept well.

Peter J & Jennie brought me back to their home so I would have somebody with me at all times.

Their heart & hospitality were as big as all outdoors.

This is just a short note to publicly express our heartfelt thanks to all our S/D friends who came in during the summer to make sure I was ok during the day and made sure that I had a beautiful lunch. Your unfailing kindnesses will always be a treasure for us. It's good to be alive and to be a part of the Square Dance Community. With all our love.....

Donna/Bill Anderson"

Our fall program has been very successful and all dancers moving smoothly. We try to provide a place for those who want to brush-up on plus calls using a variety of calls without pressure. Starting in January we will have class level dances on 2 & 4 Fridays and plus workshops on the alternate Fridays. We wish everyone a Happy New Year and fun dancing.

Carl Hanks bout with the flu had a happy ending...Carl won! He's back to his super-smooth calling making the patterns interesting and at a true dancing tempo...no track shoes needed here - only soft sole shoes please! However, we were very lucky to have Betsy Gotta & Fred Fields call for us the two nights Carl was ill. Our second annual Christmas Cookie Dance brought out over a dozen platters of luscious goodies. Round dancing is alive and well and living at Valley Squares. Peg Tristram's Beginner Class has come a long ways. And, Roy Gotta has a floor-full of terrific looking ball room dancers. Please remember that our second dance in Feb. will be at the Village Methodist Church in Warren. See our map on page 28 in the last issue (Holiday Issue) of GRAND SQUARE, and, of course, our flyers. Let Carl & Roy put a little sunshine in your dancing this winter. We promise you, they'll keep your feet warm.....

Their write up got fouled in Christmas mail, but rest assured they are still a most exciting & growing club. IN mid Feb. they'll have George Potts guest calling while the Fields go on a cruise to the Caribbean.

Space & other problems precludes printing a monthly calendar. Instead we will include this universal calendar of all NNJSDA members regularly scheduled club dance night. By comparing the actual month to this page, a dancer can determine who is dancing when. The "Where" and other pertinent info will be found in each club's write up and/or ad. We will list on this page all cancelled dances that we hear about. It is the responsibility of each club to keep us informed. Thank you for your cooperation. Happy dancing. NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION

GRAND SQUARE Booster time is now thru the month of February. Your Delegate has a supply of tags to sell to club AND class members at \$1/person. Wear these tags at all the dances you attend to denote your support.

NO one involved with GRAND SQUARE ever receives any remuneration - for GRAND SQUARE is a labor of Love to the dancers in our area. Your voluntary contributions are a vital part of helping to bridge the gap between advertising revenues & printing/administration expenditures. Other than this one appeal, GRAND SQUARE is a free service of your Association. Our staff thanks you for your support in the past.

We realize deadlines amidst Christmas preparations are murderous (taking 10 full days from ye Editors lives) & appreciate all who made it on time! Next issue has two deadlines. Class Organizers please send names/addresses of graduates to GRAND SQUARE Editors by Feb. 1st. NNJSDA will collate & distribute copies to all clubs in plenty of time for personal invitations to be extended to nearby grads. Our cover will feature a listing of all Open House dates. Rest of news deadline-February 10th. Please don't be late!!!

L O S T - The 2nd issue of GRAND SQUARE (1959) at BOOSTER BALL last year. Recently Tenafly Squares in researching for its 30th anniversary unearthed some early GRAND SQUARES (back to Vol.5) which they shared with us. PLEASE are there some old timers, or clubs, out there who can go back even further & find Vol. 2 so we can make a copy and complete our files? We'd appreciate it.
