By the time you are reading this, great things will have happened in addition to those now "past" history. We're excited about such activities as a "Dangle Night" and our pot luck supper, and only mention them here since this is our last article for the season. Merely an indication to potential attendees that such things are happening here and everyone is invited to participate. We also recently enjoyed our annual St. Patricks Day Dance to the lilting Irish of our own Mike Foley.

Since this is our last seasonal article, we want to express our appreciation to our current officers for the hard work they've done for the past year. From arranging for callers and cuers, thru dancing locations, class and angels, refreshments, & raids, to arranging summer dances - they all did a tremendous job. Talking about summer dances, please see our ad for details of our four regular and one special summer dance scheduled for the up-coming warmer months. See you on the dance floor!

In March we sat down to a sumptous pot-luck dinner and then danced off the calories to the calling of Ed/Les Shearwood on the rounds and Betsy Gotta on the squares. April showers brought out the graduates en masse, enthusiastic and happy to be joining the mainstream of dancing. We welcome you all. A special dance for graduates with John Kaltenthaler calling is on the agenda for May. Our appreciation and thanks go to Lynn/Sabetay Sides who were the co-cordinators of this year's class.

Our regular season of dances ends in a flourish in June with a strawberry festival; however, to prevent summertime rust, Dick Pasvolsky is leading a schedule of workshops emphasizing quarterlies and plus calls. These workshops begin at the Congregational Church Hall in June and then move outside to Petruska Park in Paramus, in July. Everyone is encouraged to attend. Our ad has the complete details.

"Dear Square Dancers:

I am writing this open letter to all Dancers in response to the GRAND SQUARE article requesting names of possible members for a new club F.A.B. (Fun at Basics). That article talked of the demise of Odds & Ends of Cranford. My wife & I were the last couple to be president of that club before the format & name change to the Heritage Dancers of Cranford.

The old Odds & Ends were forced to change because the faster we ran classes and grew as a club, the faster the Square Dancers & Clubs in Northern New Jersey lured these dances further on in Square Dancing. I am sorry to say that due to this "advancement" there are a lot of people who are no longer Square Dancing.

If a club such as F.A.B. is going to survive, then the organizers are going to need help, not just now with possible names of members, but a year from now when they are active as a club.

Let us all remember that the primary reason for Square Dancing is fun, fellowship, and recreation. This should be available to all people not just those who can dance at the Mainstream program but also at Basics!

Let us all also remember the hard learned lesson of Odds & Ends and give this new club our total support including not "raiding" them for our own clubs.

Hopefully, Jack Trainor

On a wet, snowy Sunday in January when folks representing the various organizations involved in our S/D activity in NJ met in South Jersey, Alberta/Harry VanLuvender & Betty/Frank Olier had an opportunity to model proposed official state costume. All there were most enthusiastic & are polling their membership for decisions. Several groups who are representing NJ (in Louisville at NSDC & overseas) are planning to wear this as their official S/D costumes.

Once final approval is received, sewing instructions will be available.

Where has the year gone for our reporting? This is our last issue for this season, & summer will be upon us. Vacation time when the great majority of us hinge our vacation around the S/D Convention, or we get an extra vacation out of attending it. We get to dance in different states and meet new people. So be sure to bring your S/D clothes with you no matter where you go and have a good trip and enjoy yourselves.

Our Class Level Dances were a great success. We want to thank you all for coming & enjoying our dances with us. It was great to meet you all. Thirty people got their "6-83" dangle for attending them all, & we had the privilege of being raided by 2 fine clubs at two of them. That was a real treat & got the people all excited about raiding. All in all it was a good season, we got to meet more new friends and participated in quite a few raids to clubs and to the Association dances. That is what it is all about - meeting new people and having fun. Have a good summer & come up to see us in the summer & keep up on your dancing.

As we wind down for the summer, we plan to end our club dances with a very busy month of May. Plans are just about complete for our 15th Anniversary Dance. This dance is extra special because Wilson Hoff, who will call it, has made such a marvelous recovery after heart surgery. Our Danny Titus Special, under the capable direction of Fred/Kathryn Hill, will keep us busy on Sunday mid-May. We are looking forward to our Graduation Dance the end of May and welcoming in our new graduates to our club. Our St. Patrick's Day Dance saw a lively crew trying to match letters and be the first square to finish. Ceramic favors were awarded to the winners. Two raids took place, one to Star Promenaders and the other to Leisure Squares. A good time was had by all. A safe and fun filled summer to all. See you in a square.

TT's Executive Board did it again! What a fantastic International Dinner Dance - tummys full, and feet raring to go to the fine calling of our guest caller Paul Brody. Doc/Peg planned very appropriate rounds for the evening to the delight of all. "Carnival Night" complete with costumes, amateur callers, and expert "Barker" John Kaltenthaler at the main gate, proves that TT must be doing something right. If you are looking for good dancing and fellowship, TT is the club to join. Don't forget our May Dance will be geared to welcome the new graduates. Let's all give them our support remembering we were all beginners at one time, & also looked forward to getting out in the S/D World, Art/Helen Rellinger 201-568-4116

TENAFLY SQUARES -- Demarest, N.J. (QS)

2nd Friday

Baptist Church, 563 Piermont Road

As another season of S/Ding draws to a close for our club, we extend congratulations to all new graduates. For 30 years we have invited the grads to come to our dances to get experience and polish up their steps before going on to the higher-level clubs. Our doors are always open to you. You needn't be afraid of making a mistake - we were all new at one time, & TENAFLY SQUARES remembers!!! Our last Spring dance in May is when we have our annual potluck supper. (This is open to all - just call the Essigs 201-384-0021 or Sherlocks 201-768-2152, to let them know what dish you'll bring.) After election of officers (congratulations to the Essigs & the Sherlocks for three fantastic years!), if we can push ourselves away from the tables, we'll dance to the calling of Paul Brody, with rounds cued by Jeanne. After that, a good summer to all, and we'll be back in September.

(ED note: Readers, please read p. 35)

Dear Students:

This is your "Mother" speaking. I've watched you as you progressed through your weekly classes, & have the following comments for you.....

1. Read your S/D book & pamphlets given to you at various times throughout the year by your club & instructor.
2. Understand the "Ten Commandments" of S/D - you don't have to memorize them, just know what is going to be expected of you, & what you can expect from other dancers across the country.
3. Attend Class Level Dances!!! The more the better!! They are programmed and planned specifically for you - the new dancers & the caller understands that you take just a little bit longer to complete a call than someone who has been dancing for several years. Just relax & enjoy the dance & get to know some new friends.
4. How do you get to a dance? Car Pool! It's friendly, & saves time & traffic congestion. The 'rules' that usually apply are: driver pays for gas, etc. & the passenger pays for tolls. Alternate drivers so that the same couple is not always the one required to drive.
5. Refreshments are served at both classes & regular dances. When your Class Instructor or Club Refreshment Chairman asks you to help, do so with enthusiasm. If they request 'home-made' goodies (cakes or cookies) and you always seem to burn boiling water, ask a relative or friend or neighbor to help you out, or find someone who does a fantastic job of baking, & trade off some other responsibility with them.
6. Attire: Gentlemen, remember that long sleeves are a MUST. Slacks, not denims or jeans (even if they are designer, & probably cost more than a pair of slacks). Bolo or scarf tie, towel & holder, & soft soled shoes. Soft soled shoes will frequently be listed on a flier as a requirement in order to dance in a particular hall. Ladies, a full skirted dress or blouse/skirt combination, petti-pants, crinoline, & soft-soled shoes. Part of the reason for the crinoline & full skirt is so you can do your 'skirt-work' on a promenade or star.
7. What are workshops? They are like private lessons, guided by either your caller or a very proficient dancer, who has both the time, space & patience to help you improve your skills.
8. Bring your tape recorder. Everybody loves to hear the sound of their own voice, & S/D callers are no exception. The value of bringing a tape recorder to class is that you can listen to it later on during the week, to review or refresh your memory or understanding of a call. Quite frequently, a caller will have a special "box" for you to plug your recorder into, so you will get the clearest sound possible.

9. When you are dancing, & someone makes a mistake, don't stand around in the square & argue as to who did what. It serves no useful purpose at that time, & only takes away from your dancing time. Instead, immediately reform into lines facing or a box formation, watch another square, & start dancing again. It doesn't matter that you may not wind up with your original partner- it does matter you keep on dancing.

SUMMER WORKSHOPS

PURPOSE: To acquaint the new Graduate with the
 Quarterly Selections (QS) and Plus (+) Programs and
 give the experienced dancer an opportunity to sharpen
 up. Here's a real chance for this year's Graduates to
 get ready to dance at the Plus Program with their Club
 this coming fall.

DATES: every TUESDAY June 7th thru August 30, 1983

CALLERS: Dalt Young, Ted Knauss, Bill Heyman

TIME: 8 - 10:30 PM

2nd Saturday

Over the years there have been many changes around square dancing but the original concept, a reason for people to get together for a pleasant evening, has not changed. Nor has one very special characteristic of our favorite activity, PORTABILITY. Think about it. Today we have mobility so it is to be expected that square dancers, being natural-born gypsies, use this plus to good advantage. Our "neighborhood" has a radius of at least 50 miles. Summer will soon be upon us with its bright cheerful colors. That means we are almost at season's end. Just May and June to go before we scatter for the summer. However, before that time comes we at Swingin' Stars invite you to join us so we can properly wish you, "Have a lovely summer!" Round dancers - 8 PM for you, & Squares - 8:30 as usual. See you around a square. **Connie Woolf** 212-TR7-8853

Spinners would like to extend our congratulations to all recent graduates. Welcome to square dancing & happy dancing! Our annual dance held in the showroom of Conduit Motors was a rousing success. That is really a "fun" change of location. Many guest Presidents enjoyed the "red carpet" treatment at our Presidents Ball in March. The food & decorations were just great. Many thanks to chaircouple Ed/Alva Bell who worked so hard to make it a big success. The creative calling of Bill Wagner was the "icing on the cake" insuring a good time by all. It's been a great year for the Spinners. Have a wonderful summer everyone and keep dancing!

STATEN SQUARE SET -- Graniteville, Staten Island, N.Y. (+)

1 & 3 Saturday

Methodist Church, 1890 Forest Avenue

We hope the following words will be of interest to all square dancers:

The Poor Beginner

Have you ever watched a beginner's eye
Gaze at you with envy as you dance by?
He thinks you're great and you should think so too
But why don't you ask him to dance with you?
No, you whirl by again with your head aloof,
Can't ask him to dance, 'cause he might goof.
You never goofed when once in his spot
You were the best in the beginner's lot.
You asked him to join; what could you lose?
Did you really want him, or just his dues?
The night's almost over and he hasn't stirred;
From just watching you, his eyes are blurred.
It's now time for parting and coffee and cake;
Now, you can ask him to come and partake.
He can't goof you up when he's eating his lunch,
So now he's a member and one of "the bunch".
You tell him, "Good night, be sure to come back".
You might have talent but surely not tact.
So let's all give the beginner a chance;
And help him to learn so he can advance.
Make him know you are happy because he is here.
OUR BEGINNERS TODAY ARE OUR DANCERS NEXT YEAR!

Planning to travel this summer?? Pack your S/D togs. Buy a copy of the S/D DIRECTORY (see p. 4) & have fun. If time is short, call the Tirrells for info on where to dance worldwide or to borrow an exchange magazine.

(Continued from page 9)

10. During the break between tips, as soon as you hear the music begin again, get up to form a square. Don't wait for someone else to invite you into their square. Stand up & hold up your hand for others to see that you have space available in your square.
11. Don't try to teach another student a new move. That is the caller's responsibility, & if only one person does the teaching, then all the students will understand & perform the move in the same way.
12. During class, there is absolutely nothing wrong with changing dancing partners every so often. In fact some clubs require it. That way there is less chance for bickering between couples.
13. When you are at a dance, you will see a "flier table" with all sorts of announcements about future dances. Take one of each of them that appeals to you, & follow the directions to another new dance. Fliers are the S/D method of advertising future dances to other clubs, etc.
14. At some time after graduation, you will most likely be asked to serve on some committees or as a club officer. Take this responsibility with enthusiasm & do the best you can for the club. If you find you have a problem, call on past officers of the club, who will be happy to guide you & give you some hints on the things they've learned.
15. If you are asked to participate in a demo, go, GO, GO! Demos are S/D-ing's way of bringing our activity to the attention of the general public. Demos are fun, usually very short, & very gratifying, especially in the nursing homes. All of the residents in the homes may not be able to participate with us, but they love the bright & happy faces that S/Ders always bring with them.
16. If you have young children at home, why not try & find another couple in your area who is also taking lessons & combine the children for one baby-sitter (at slightly more than the usual fee for one family). This way, two families know that one person is looking after the children, & the split cost is slightly less (maybe the savings will pay for coffee & cake after lessons or a dance). There are moments in history when great things are created, like the Cistine Chapel, Venus DeMilo, Beethoven's 5th Symphony and pizza. It's happened again with out class of '83. Recently our club planned a raid on Tenafly Squares. We found our club divided. Some didn't believe civilization existed East of Route 208. Others figured you just can't get there from here. Practically the latter were right. Our class, being used to difficult tasks (like learning 70 calls in 30 weeks!), turned out 2 squares strong! Our class is teaching us what the spirit of square dancing is all about. God bless them. They are the greatest. We await their graduation in May and their participation in our annual dinner in June, and our perennial summer picnics. We expect they will turn a good club into a fantastic one. SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+)
2 & 4 Tuesdays Presbyterian Church, 1 East Oak Street

We have been topping off a good season with the smooth calling of Bob Tarrant & Fred Fields, melodious rounds by Grace/Walt Pennie, a spectacular well received special by Joe Landl and a fun filled graduation dance. The class is great! Four squares raided Hanover Squares recently where they were kept hopping on their flat feet to the lively tunes of Bill Dann. A delightful after party was held at John/Linda Mocko's lovely home. We have all been saddened by the temporary illness of Grace Pennie and hope to see her back real soon calling our rounds. May will be our annual President's Dance at which we extend a warm welcome to all you hard-working Presidents - at no charge of course. We do not have dances during July & August, however we do hope you will rush right back to our place on the Ridge at the first fall dance the second Tuesday in September. Can you guess what it is & where it was found? To win a prize you need not be present, but belong to a S/D Club. Mail in answer to your reporter at 98 Vassar Ave., Newark, NJ 07112 by May 30th...or bring written answers to club dance no later than June 5th. Include your name & address please. A drawing will be held from all correct answers in June. Students & club members are excluded from contest. SEE SAW SQUARES -- Upper Saddle River, N.J. (MS)
 1 & 3 Saturday Stone Church Ed Center, E. Saddle River Road

We have been having a great new year. Our guest callers have been most graciously received and the turn out has been fantastic. Our class level dances have also been well attended having Jules Pozsar as our caller. And our refreshments have been most delicious as can be observed by the empty platters at the end of the evening. Round dancing can be enjoyed at our club, also, with the Shearwoods and other fine guest cuers. We invite you to come join us during the remainder of this season. Look for our flyers for the great events we have in store for next fall....and for the special dance in June when we pay tribute to our founder and club caller, Jules Pozsar, & his lovely wife Martha, on the occasion of their retirement from calling. Dancing at See Saws means friendliness and that is something we abound with, We are anxious to greet you at our door with our famous motto "Keep on Yellow Rockin'!"

Graduation time again! This semester we're graduating 32 new dancers. Welcome to the wonderful world of square dancing, gang! Our graduation dance is May 12. You can tell it's Spring just by looking at the left hands of some of our Promenader ladies. Lin Maloney & Bob Liesch were married this Spring and 3 engagements were announced. Anita Cudney to her high school sweetheart; Karen Williams to Jeff Lewis; & President Terri Laird to past president Dan Koff. You gotta expect these things in a singles club. The months have been going by so quickly that it hardly seems possible that the end of our 1982-83 season is already here. Nevertheless exciting developments are scheduled for May, the last month of our 31st year of dancing. The month will start with our festive & high-spirited Potluck Dinner in May with Wes Morris calling. Festivities will continue on Tuesday with our R.I.O. Beginners Class graduation, a fun night for all. During the month we'll also complete our 10 raids to qualify for the NNJSDA Fellowship Award. The season will end with our Glenn Cooke dance. This will be an extraordinary SPECIAL DANCE as Richmond Dancers salute NNJSDA on their 25th anniversary. This should be one of the more exciting dances of the season. Cheers of BRAVO NNJSDA will resound as we demonstrate our appreciation of this prominent organization. Look for our GRAND SQUARE advertisement and flyers.

We will move to a newly constructed hall in September. Full details will appear in the Fall issue of GRAND SQUARE and flyers will be distributed to all clubs. (AD PG. 2) Florence/Joe DiSano 212-761-2451

17. Club dances in NNJ area are usually a happy combination of square & round dancing. Usually after the S/D tip there is a very short rest period. It is courteous to move to the sidelines or hallways to carry on conversations. By clearing the floor, round dancers can quickly form their circle when the R/D leader puts on their records. S/Ding resumes immediately after the rounds. With, or without the rounds, your club dances will have the same # of tips & S/D time as this is the caller's rest period.

Now that graduation is here, I can only wish for you the same happiness and friendship that we received when we graduated some years ago. Square Dancers are the friendliest people in the world, & I'm glad you are now a part of that world. WELCOME TO THE WONDERFUL WORLD OF SQUARE DANCING

RAMAPO SQUARES -- Oakland, N.J.

Heights School, Seminole Avenue

We can't help looking back over the past months in this final 1982-83 report for GRAND SQUARE with feelings of considerable gratification. Our increasing attendance, the exceptional quality of our advanced level, our devoted & terrific callers did square dancing proud. As an example, we give you Jack/Carol McLaughlin. Little did they dream when they agreed back in 1982 to do rounds in March that that was going to become the day of their son's wedding. It all worked out, though. It had to. Tom's marriage took place in the late morning & early afternoon, & Carol & Jack, still aglow from the day's festivities - cued Rounds at Ramapo that PM.

And now for a look ahead to 1983-84, Ramapo's 33rd year! As our ad states, we'll begin again the fourth Saturday in September with Dick Green calling, Bruce Busch & our club caller Todd Fellegly, to follow. Squares will continue to be computerized, & the Tirrells, or their substitutes, will be there for rounds. Something extra will have been achieved by Peg/Doc. May/June 1983 will mark their 20th anniversary association with our club. We'd like to extend our deep thanks and congratulations, and heartfelt wishes for 20 more equally productive years ahead, here, as well. The Tirrell's contributions to square dancing go well beyond all they did for Ramapo & the Northern New Jersey region, to state-wide and national levels!

Our last word is to wish you all a happy and active summer. We look forward to greeting you again in September.

Here is a great big THANK YOU to our outgoing Presidents Bernie/Joan Lechner! We can't make it BIG enough to match what they have done for our club. Their vitality, their warmth and friendliness, their energetic leadership, their vision, have expanded our dancing season to the full 12 months (had you noticed?). with a great calendar of callers and cuers. It's more fun than ever! So it's cheers to Bernie/Joan as they end their term, and it's THANK YOU to all those who worked and helped to make each dance a party. Now we welcome our new team of officers, headed by Burt/Fran Baum. A new year, new officers, new excitement. Hey, y'all, come dance with us. (ADS on PP 45, 25+ 13) Arthur/Doris Wilson 609-448-4383

Much has been written/said about the need for a true BASIC PROGRAM club. Finally someone is actually doing something about it. Dot Loewenstein has brought forth FUN AT BASICS.

To be a success, FAB will need 1. A caller who does her homework to keep it an interesting evening & 2. Dancers. Dot is practicing & canvassing clubs for dropouts. Now it is up to us to show her our support. See pp 5,11,55.

In March we were privileged to team our own club caller, Joe Landi, with a dear friend to North Jersey dancing, Jerry Schatzer. Jerry, who now calls Los Angeles home, came cross-country for a CALLERLAB meeting in Philadelphia, & we were fortunate to entice him even a bit further north-east. What a super evening - 38 squares happily stepping to a pleasant blend of Plus & A-1 calls. And we were delighted to have our NNJSDA Presidents, Gabe/Sila Dell'Angelo, join us for the fun. Many thanks go to the hard-working committee who made everything mesh so well on very short notice: Jack/Nancy Anderson, Joe/Betty Weiss, Vic/Lois Hansen, Walt/Isabelle Dietler, Jim/Terry McKay and Jim/Agnes Rodgers. We will close up shop at the end of June until the third week in September, at which time we'll be starting a progressive dance program toward the full A-2 level.

We want our friends to note (in our ad) that our summer dances will be in a new location. The hall is much larger, the air conditioning works, & parking is much easier. By the time you read this article, our 25th anniversary dance will be history, with tickets for more than 36 squares sold out early in March. At this writing, we have just sold the last ticket to our annual dinner dance, which will be held in June.

Spring & Summer will mean several "Specials"dances and demos for our Club. In May, we shall have several couples dancing in front of the State House, in Trenton, helping celebrate the signing of the Bill designating the S/D the American Folk Dance of New Jersey. The next night, more than 50 new dancers will be graduating from our class. Also in May our Club has been invited to march in (& dance at) the Memorial Day Parade in East Brunswick. Later on in June, our club will be dancing at the Clearwater Festival, in Keyport, with Glenn Cooke calling. And, during the summer, we shall be dancing at the Hazlet Fire Company's Fair, in addition to our annual participation at the Middlesex County Fair. Labor Day weekend will see us back at the Brunswick Square Mall.

We are planning a family picnic the end of summer, including dancing in the grass. The Caplans were elected Corresponding Sec. of the NNJSDA last month. As we celebrate our 25th anniversary, we offer congratulations to Glenn Cooke who celebrates 20 years as a caller in 1983 & Max/Nancy Nosker are celebrating their 10th year as Round Dance cuers.

Saddened to hear of the death of a S/D at a dance in Cherry Hill last month, our club is asking all trained CPR people & First Aiders to give their names to the Club. If an emergency should ever arise, we can be of more help if we know who the qualified people are, It may help if each club has posted phone numbers of local first aid squads, police, etc.

We're looking forward to seeing more of our new and old freinds dancing again, now that the warm weather is here.

Hix & Chix was well represented by Kuenzler, Kahwaty, Mazzler, Cochrane (Agatha's first plane ride!), Daley, Baurhenn at the 4th annual Bermuda S-R/D Festival (see ad p. 6) last January. The week flew by with workshops in AM; sightseeing afternoons; & evening dancing. Couples from all over gathered (including a New Zealand couple who took 27 planes to reach Bermuda.

QUESTION: What do TRUDY/JACK AUSTIN and SANDY/RAY LaVIGNE have in common besides a love of square dancing?

ANSWER: Both, within the year, renewed their marriage vows in lovely ceremonies. The Austins in S/D attire surrounded by their Kuntry Kuz'ns S/D friends in Franklin, NJ - the LaVignes in a beautiful ceremony in Kealahakua, Hawaii with Fritzie/Lou Sisino (former Circle 8's) as attendants. Both dressed in typical Hawaiian style, Ray also wore a kukui nut lei, while Fritzie loaned Sandy a beautiful Tahitian shell lei (a gift to her from a Tahitian Princess) & then promptly gave it to Sandy/Ray as a wedding present. Several Japanese ladies who were early for choir practice not only witnessed the ceremony, but later presented the LaVignes with a tape recording of the entire service.

We are pleased to see so many of our newly acquired friends from NJ since we have joined the NNJSDA. We invited all of our inactive members & those who have dropped out of the club for a reunion dance in April. In May we had two "mystery bus raids" plus 10 couples from the Minutemen Squares, Lexington, MA. Some of our members will accommodate the Minutemen as our overnight guests. Our Class of '83 were invited to our March Dance and did very well. We're very proud of them.

Congratulations are in order to Bob/Alberta Decker, our presidents who are the proud grandparents, for the first time, of 6#4 1/2 oz. boy, Brian Robert Flower in March. Our very best wishes to the happy parents Bruce/Brenda Flower. The third Saturday in May will be our last dance of this season. Usually it is a "dinner dance" instead it will be our regular Saturday night dance and everyone is invited to make it a very special one. Our new season for dancing will begin the first Saturday in October. "Happy dancing" and hope to see you around. Vera/Ben DiMarco 717-629-4405

Our class will have graduated by the time you read this & we look forward to their joining us for many happy hours of dancing & we also look forward to welcoming the many other graduates & give us the pleasure of dancing with them. We are well on our way to receiving the NNJSDA award for raiding 10 Association clubs by having already raided seven clubs. Our raid chairperson, Carol Ridings, is doing a superb job in coordinating our raid program. Our Memorial Day Special will feature Dalt Young. The end of July we will close out this year of dancing for a month and then start again the second Tuesday in September, welcoming our many friends for the new season.

	August 21 - BETSY GOTTA
WOOD FLOOR, AIR-CONDITIONED, NOTTINGHAM BALLROOM, HAMILTON SQ.	

Spring is here & our class has made great progress and graduated in April. We wish them many years of happy dancing. Joanne Hach, despite the loss of her husband Wayne, has stayed active as our president, and has been doing a wonderful job. We admire her tremendously. In June we will have our covered dish supper, and then will stop dancing for the summer, except for our annual picnic. Our first dance in the fall will be the third Wednesday in September. We wish everyone a safe and happy summer.

KINGS SQUARES -- Bay Ridge, Brooklyn, N.Y. (+)

1 & 3 Sunday Fort Hamilton Church, 94th Street/4th Avenue

It's hard to believe that we are winding up another season. We certainly look forward to welcoming the new group of dancers into our club. Our graduation dance, which is the first Sunday in May, is open to all new graduates and we hope many people from other clubs came. We have already raided 7 clubs & hope to have at least another 3 before the end of the season. Much thanks to Mickey/Aaron Weiss for the fine job they've done as raid chairman. We're looking forward to our annual Installation Dinner Dance in June which is always a huge success. Our nominating committee deserves special recognition for the fine slate of officers they have presented to the Board for 1983-84. Many new faces will appear on next year's Executive Board and it will be a challenge for them to surpass the hard-working board we had this year. On behalf of our club a special thanks to our out-going Pres. Ben/Estelle Jaffee; VP's Bill/Muriel Goldberg; & Treasurers Bob/Sybil Tobias who certainly put in a lot of time & effort into running the club. Between our class, workshop & Sunday dances, being on the Executive Board is practically a full-time job. A fine job was also done by Catherine/George Hughes who had the very demanding assignment of running the beginners class. Once again, welcome to the new graduates & we hope you enjoy square dancing as much as we do.

This will be the Demo part on the plaza by the fountain & all guests will be invited to join in for a brief teach. The Shore Swingers will be on stage as part of the program between 1 & 3 along with the Shore Hills Chapter of Sweet Adelines. It will be called 'Singin' & Swing'n'." Glenn Cooke will be our caller."

Aspiring to become a caller/cuer??? There is much more than just picking up a mike and doing a singing call! We strongly suggest attending an accredited Callers School. There are many all over the USA & Canada. Earl Johnston/Al Brundage (see page 31), Stan Burdick (PO Box 488, Huron, OH 44839), John Kaltenthaler (PO Box 679, Pocono Pines, PA 18350) are but a few using CALLERLAB curriculum.

R/D Schools - Irv/Betty Easterday conduct one in Wisconsin; Betty/Clancy Mueller's is out Indiana way...or see your local R/D leader for help. The NNJRDL Council helps with partial scholarships. This year's recipients - Jeanne Brody & Peg Tristram.

It may be **BALTIMORE** in '84, but a good representation of area dancers journeyed to Baltimore March 19 to attend the kick-off dance at Convention Center...and help swell the preregistrants to 2179. When the overnight bus trip fell thru, the Andersons helped out with two 24 hour round trip buses. We thank the many clubs who wanted to have a preregistration dance in our area to show their support. Unfortunately the registration blanks never arrived in time! A supply was brought back tho and given to all club delegates at the April 17 Delegates Meeting. So read it

carefully; fill it out and mail to their registration chairman at PO Box 1112, Glen Burnie, MD 21061. Plan now to spend the entire week if you can in Baltimore - June 25-30, 1984. There is soooooo much to see in the inner Harbor area...as well as other historical sites - including Fort McHenry. And then think about joining their July 2-15, 1984 post convention tour to Germany-Austria-Switzerland including the 1984 Oberammergau Passion Play. The theme of the Baltimore Convention is, "It's a Grand Old Flag". Every Convention has a special costume depicting its theme with Baltimore's blue on blue a S/D version of colonial attire. While it is not necessary to have a convention dress, it does show your support, & a number of area dancers have been wearing the official outfits. Kits are available from the General Chairman - Peter J/Jennie Zukauskas 314 East Broadway, Bel Air, MD 21014 or ready made from Hannelore's Korner.

HIX & CHIX -- Elmwood Park, N.J. (+)
every Thursday VFW Hall off Boulevard

How swiftly the seasons pass - our graduates are now looking forward to summer workshops so that they'll be proficient in all calls this summer in our air-conditioned hall. Congratulations to all of you! And, our best wishes to Mary/John Aquino who have been nominated for VP's of the NNJSDA! We know they'll do an excellent job - their Presidency of Hix & Chix this year has inspired all of us to dance more, work harder for our club, but most of all - have fun square dancing.

Speaking of fun - our annual dinner in April at Rustic Lodge in Elmwood Park with John Kaltenthaler as caller, was a wonderful way to spend a Sunday afternoon. Our bus ride to Leisure Squares in May was a great experience - the ride to Stroudsburg, PA was quick & easy. AnnaLou/Ray Kuenzler, our Raid Chairmen, also planned our raids to Covered Bridge, Western Wheelers & to Belles & Beaux. Many of us went to the NNJSDA dance in April.

Your reporters wish to thank everyone who has helped us with this article over the months for GRAND SQUARE. We've met & talked with many people through this magazine & we recommend getting to know the workings of this job! Keep on squarin' up!

The house was packed for the March Special with Joe Fioretti calling squares & Ron Rumble on rounds & it was a happy evening for all. Congratulations to all new graduates & welcome to the world of square dancing. We were pleased to welcome many of you at our graduation dance in May. Our next special will take place in May with Chuck Stinchcomb on squares & Ron Rumble cueing rounds. Our last dance of the season will be on the first Tuesday in June. Then if you are going away, be sure to pack a S/D outfit and enjoy dancing in a new place or two before fall. And if you stay home, go to some of the summer dances and workshops. You'll have a wonderful time & sharpen your dancing skills, too. See you in September.

Your Association, thru its 2nd VP, provides a special packet of information for each and every graduate. Inside each packet is a wealth of information concerning member clubs, s/ding in general, Freeloaders, Patrons, publications of interest, etc, etc., We suggest each graduate carefully read thru the entire contents several times. If you have further questions contact your class chairman, caller or any club or Association officer.

The Association's summer dance program is geared to help graduates develop confidence in their new skills. Only calls in the MAINSTREAM PROGRAM will be used at the first five dances (Lyndhurst, NJ). QUARTERLY SELECTIONS will be added at the last five (Iselin, NJ). All callers have been apprised of this requirement before signing their contracts. Happy dancing.

On May 19, 1983, rain or shine, Square Dancers from all over N.J. will gather for a "THANK YOU" S/D at the State Capitol building in Trenton. Dancing will be from Noon to 2 PM. Donating their time are Manny Amor & Joe Fioretti on squares & Doc/Peg Tirrell on rounds. Co-sponsored by the S/D Council of NJ & the NJ State Council on the Arts, the event is being chaired by FRANK/HELEN CAVANAUGH who spearheaded the long campaign to have the S/D officially designated the American Folk Dance of the State of New Jersey. One change in original plans - the State Police have requested we cancel

out plans to have club banners flown at the State Capitol. While many dancers are planning on carpooling their way to Trenton, we've also heard that Hix & Chix is chartering a bus.

Sincere thanks are due not only to the Cavanaugh's who never gave up, but also to Senator James Bornheimer & Dean/Anne Gallo for all their efforts in the State Legislatures & to the hundreds of dancers who took the time to write letters and cards to Trenton.

Tenafly Squares 30th Anniversary Party last fall was really a tribute to 2 faithful members- MARIE FRANK POOLE, for without their dedication the club long ago would have folded. Even when health problems interfered with their dancing, they continued to come to welcome newcomers and help out. Marie's death in March was a shock. All our lives are so much richer for having been friends.

CHALLENGE DANCING IN THE NNJSDA...

This past season has brought something new to the NNJSDA-Basic Challenge Level (C-1) dancing at Colonial Squares & Montville Squares. Let' see if we can help everyone understand what this means.

Just as there are various programs in Club Level dancing, there are also levels in Challenge Dancing. This often comes as a surprise to the non-challenge dancer, who usually thinks of all high level dancing as merely "challenge". Several years ago CALLERLAB did a lot to clarify this by defining the C-1, C-2, C-3 levels in prescribed lists of additional calls required to learn for each level. Challenge is NOT the caller speeding up his material, using gimmicky choreography, or the dancers shortcutting movements. This season the C-1 CALLERLAB list was successfully taught to the A-2 dancers at Colonial Squares. This is just the next step for Advanced dancers looking for something new.

To those of us who have been involved in Challenge for many years, we see the present C-1 level comparable to the old Advanced level before the CALLERLAB lists. Those levels beyond C-1 are presently only being danced in Caller-run clubs and dances-probably because of the fewer number of dancers, the greater amount of calls to be learned, as well as the increasing difficulty of complex positioning at each level.

Yes, Challenge dancing is here and it is alive & well. Anyone who attended the recent January Jubilee in Philadelphia could see full floors of enthusiastic dancers in the Advanced, C-1, C-2 & C-3 halls.

One of the most frustrating problems in the S/D scene is that of drop-outs. This can happen for various reasons at ALL dancing levels. The NNJSDA realizes that we must have healthy Clubs presenting all levels of dancing for the diversity of the people in the movement. Different talents, energies and desires are what makes us individuals, and a choice of levels (or programs) and clubs is what will keep square dancing the greatest pastime in the world!

GARDEN STATE SQUARE DANCE CAMPERS (+)

No one can say the Campers aren't doing their part to stimulate the economy. Many of us have new campers or vehicles. We'll be off and out on our first campout shortly at Otter Lake, where we will be renewing old acquaintances and greeting new members. Geroge Potts will be conducting a crash course in Clogging. Just watch us! (Or maybe you shouldn't!)

We're looking forward to a great season. A new campground at our 2nd campout in June, an Ice Cream Festival, Wine & Cheese Festival, Dessert Festival, a Jewish Festival, and, of course, our famous "talent night" where many discoveries of new talents are unearthed; (Maybe some should have been left buried!), but we do have fun.

DANCING SQUARES -- Cranford, N.J. (+)

1 & 3 Saturday Presbyterian Church, Springfield Avenue

We will hold two S/D this summer with Bill Gordon calling in July and Wayne Applegate in August. Ron/Ree Rumble will do rounds on both nights. Graduates are invited to attend all of our dances.

After delving further into the history of Dancing Squares, we discovered that until the late 50's, folk dancing was done between S/D tips. At that time, Bob/Edith Thompson, who were club members, became the R/D leaders. With their great enthusiasm, R/D became a huge success. When they first started, they not only received NO PAYMENT for their labors, but they still had to pay the admission fee at each dance. (Don't laugh- that still happens in other parts of our S/D world!) Eventually, that practice was discontinued. When they had to leave, due to a job transfer, Bob/Jean Kellogg took over. When Bob died, Ron/Ree Rumble became our latest R/D leaders. They do an outstanding job of teaching and cueing rounds. And when the Rumbles are absent, Jean Kellogg does an excellent job, too.

It's hard to believe that another dancing season has almost come to a close. Already our Secretary's Ball & 15th Year dinner dance (both resounding successes) & Graduation are behind us. We look forward during May & June to the calling of Manny Amor, Bob Tarrant &, of course, Paul/Jeanne Brody. We are also making plans for our Mystery Bus Ride, our June Social & on Father's Day weekend, many of us are trekking to York, PA to attend the White Rose S/D Festival. Our camping group, the Square Wheelers, are busy planning their schedules for trips in the tri-state area this summer.

On a sad note, we mourn the sudden passing of Bob Taylor, our eldest club member who at age 84 was still dancing with us this year. We will miss his happy spirit and friendly smile.

On a brighter note, we hope to see many of you at the summer dances and look forward to our '83-'84 season which commences the second Wednesday in September with our Open House. See you then - in the meantime, have a healthy and happy summer!!!!

GRADUATES WELCOME

For information call 635-6749 or 272-6764

Our members have been busy raiding other clubs. We especially enjoyed our visits to Hix & Chix and Belles & Beaux. We were snowed out on our first student dance, but had a very good turnout at our second one. Our club had a very good showing at the Baltimore preregistration dance in March. At this time the graduations are beginning. We hope the new dancers enjoy their new hobby. The more we dance, the more we like it.

Our four outdoor summer dances, near route 21, will be on the 3rd & 5th Fridays in July and 2nd & 4th Fridays in August; Look for our summer flyers. Our opening dance of the fall season will be on the second Friday in September. (AD on page 15) Clara/Norris Ember 201-759-0864

COUNTRY PROMENADERS -- Edison, N.J. (+)
2 & 4 Saturday Herbert Hoover Jr. High - Jackson Avenue

An Association Fellowship Award should be ours soon. We have completed nine official raids (we took no prisoners), and our raid chairpeople, the Sobel eskis have two more planned. The mystery bus ride to the Hoedowners in Cherry Hill was a lot of fun. During the rollicking bus ride home our famed choristers even sang a chorus of "Relay the Deucey". Eat your heart out, Fred Waring! There are still a few openings for our May Dinner Dance with Mike Cleary calling. Non members are most welcome. Contact the Gracchis for reservations at 201-752-7004. The club picnic is scheduled for June at Merrill Park. Our club and Wayne Applegate put on a demo, and also wheeled patients through a few tips at the Birchwood Nursing Home. The patients loved it and we have been invited back on a regular basis. If you are interested in visiting nursing homes in the area to put on demos, mostly during the day, contact the Grovers at 201-548-3913 for information. It is a rewarding experience. We invite you to come on out... promenade in our country this Spring.

LET'S MAKE THE "NATIONAL DANCE" DESIGNATION PERMANENT

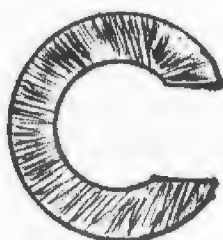

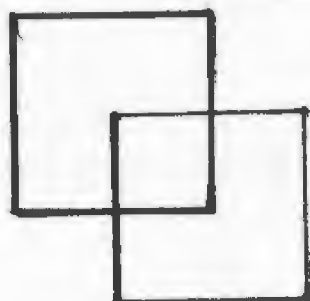

On June 1, 1982 Pres. Reagan signed SJR-Public Law 97-188 designating the S/D as the National Folk Dance of the USA for 1982-83. The limitation amendment was placed by Congressman Robert Garcia, NY. Senate members voted for SJD 59 to be permanent!

Congressmen Mineta & Panetta (CA) introduced HR 1706 on Feb. 28, '83 with 41 co-sponsors. We need 218 cosponsors to get it out of committee to House floor for a vote. The National Folk Dance Committee asks all to contact their Congressman to co-sponsor HR 1706 NOW. Let FRANK/HELEN CAVANAUGH know if you do. Ask S/D friends out of state to do same.

every Thursday COLONIAL SQUARES -- Clark, N.J. (C 1)
Carl Kumpf School, Mildred Terrace

Hooray! We did it! We completed the C - 1 teach/review - and guess what? We celebrated the occasion with a delicious cake baked by Doris Smith. There's no doubt about it now, Colonial Squares has established itself as a solid C-1 club, where you will find good calling, good dancing and a friendly atmosphere. Our success is due largely to the positive leadership of Jean/Dale George, ably assisted by their committee, - to the man behind the microphone, our caller Dave Smith, and last but not least, to the faithful dancers who stayed with us through the thick of it. Applause! Applause! Applause! What's in store for the future? We will continue to dance at the school through May as scheduled. Then we will change locations for our summer dances to the air-conditioned VFW Post in Clark Township, NJ. Come and dance with us - we need a big turnout.

There's a saying, "Don't change horses in midstream" but dance halls are a different breed. Due to unforeseeable circumstances, we had to change our dance location in midseason. Commencing in March we've arranged to go thru our gyrations at the Fort Hamilton Presbyterian Church for the balance of our schedule - and maybe beyond. It's the same place where our sister club, Kings Squares, dances. We want to thank them for breaking in the floor for us. This is a first for us. One of our active dancers, Karen Platt, is going to have a baby; her hubby, contributed to this arrangement. Do you think it's too soon to ask them for additional dues? What's your opinion? At our January Delegates Meeting, the Delegates had the unexpected privilege of having the first viewing of the lovely porcelain S/D sculpture CORINNA ROTH (pictured to left of Helen/Frank Cavanaugh) had created.

Corinna Roth plans to present the original one to President Reagan this year to commemorate our National Folk Dance. The porcelain is 14 inches high and sits on a natural oak pedestal base. It is truly a masterpiece of S/D in action...our pictures do not do it justice.

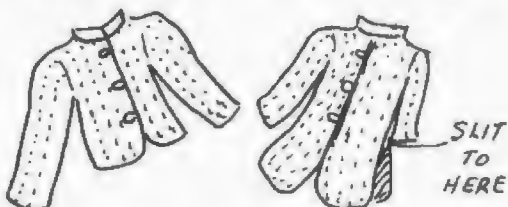

The SQUARE PINCUSHION
talks about Winter Cover-ups...

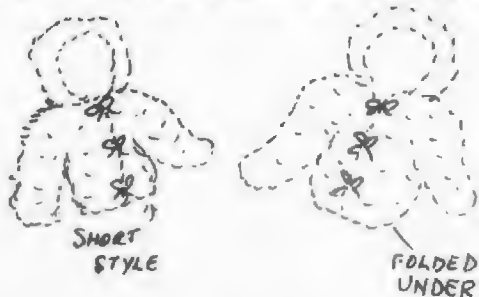

Although the winter season has just given way to spring, it is not too soon to start thinking about (and making) a jacket for next winter.

With the bouffant skirts we gals love to wear, to find an appropriate cover-up is difficult. So here are a few ideas.

A quilted jacket is both stylish and useful with regular street clothes as well. There are a few suitable patterns. The pattern should be loose fitting & with a minimum of seams. A size larger

than usual is recommended as the quilting makes it a little smaller. Cut out your pieces from the lining fabric, then from a lightweight batting, and finally from your outer fabric. Pin together and treat each piece as a single layer. The outer fabric may also be done in applique or patchwork or embroidery before assembling, sandwich style. Finish the edges with fold-over braid or binding. The first chill of Autumn and you'll be glad you made it.

A warmer type of jacket with or without a hood would be a jacket made of fake fur. How dressy & useful. Use a pattern where one of the fabrics recommended is a fur-like fabric. Again minimal construction. It will only need a lining, no interlining. Cut your

seams a little wider, don't try to press your seams-you can just finger-press them. A loop type closing or something that would not use conventional buttonholes would be a wise choice.

When trying to decide on jacket length, remember that waist length or only a little longer is best. If..... you like them a little longer try slits on the sides to the waistline to allow for the fullness of your skirts.

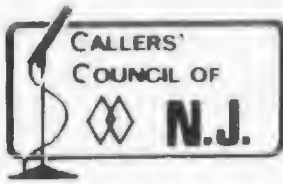

The fur-like jacket could be cut blouson style with a casing and drawstring. You could use it as a blouson type with regular clothes and fold the jacket under to the waistline without using the drawstring for square dancing.

I hope this has stimulated your imagination enough to try one- it will be a worthwhile addition for many years.

Till next time,

Rose Ericson

The International Association
of Square Dance Callers

The 10th annual Convention, whose theme was "Dancers - our prime consideration" held the end of March in Philadelphia, PA. More than 495 callers were in attendance.

(Counting caller's partners, the total attendance was about 800. VIP guests from other National Organizations included Steve/Dorothy Musial & Peg/Vic Wills from the National Executive Committee; Don/Pete Hickman of ROUNDALAB; & Doc/Peg Tirrell & Bob/Dottie Elgin of LEGACY. Callers attended from Australia, Netherlands, West Germany and England as well as the United States and Canada.

Quarter Century Certificates were presented to 30 callers. Bob Van Antwerp took over the reins of CALLERLAB from outgoing Chairman Dave Taylor. John Kaltenthaler continues to serve as Executive Secretary & Herb Egender continues as Assistant Executive Secretary. The highlight of the Tuesday evening banquet was the presentation of the Milestone Award to Arnie Kronenberger (one of the founders of CALLERLAB & A guiding force in early days) & to "Pappy" Shaw and Ray Smith who had been honored at the 1974 Convention prior to the formal establishment of the prestigious Milestone Award.

At the General Meeting on Wednesday morning various committee reports were given and appropriate resolutions presented to the General Membership for approval/disapproval. Included in their actions were some of the following: The Challenge Committee voted to drop its Quarterly Selection Program and instead a quarterly newsletter will now outline all of the currently popular Challenge calls; The Advance Committee will continue to select a Quarterly Selection...their Quarterly Selections now include only Mini-Busy; Cross Double Your Pleasure and Linear Action. Callers were urged to practice the styling they preach at classes. The Traditional Committee will select a Traditional Dance for the Quarter. The Dance By Definition Committee will continue to work on a Teaching Booklet and include teaching hints; The Mainstream Program Committee will continue the Quarterly Emphasis Program - for the first quarter of '83 it is Spin The Top and Divide. They voted to drop Hinge and Flutter from the Quarterly Selection list....and did not want to add Dixie Derby to the MS Program; A new teaching order for the Plus Program was adopted on a year trial basis....the Plus Quarterly Selection figure for April 1st is Track and Anything. Many more actions were taken....the above is just a very brief summary. Many of our area callers were in attendance and spoke out at committee meetings and in the General Meeting. It was a working convention. Next year's is scheduled to be held in Chicago, IL April 16-18.

The GRAND SQUARE BOOSTER BALL held Jan. 29 was by far one of the best we have had. Our sincere thanks to all who came out and supported it. Coupled with the Class Level Dance the following afternoon and in that 2 day period close to 85 sets of dancers had gathered in Montville!

After much searching, and thanks to Anne Gallo, we were able to locate a hall for the April 29 dance. Halls are getting to be a most difficult problem for your Association. Please pass along your suggestions to our 1st VP - centrally located in area if possible. WE NEED YOUR HELP!!!!

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

LEGACY

will be of interest to all dancers, but especially to those involved in the actual running of clubs and federations. "Building Trust" will be Thursday's theme & "Communications"; Club money management will be Friday's main topic and "Budgets"; while a panel on Club Leadership entitled "Fun Not Frustration" will be Saturday's offering. All will have plenty of opportunity for audience participation. Freddie Kaltenthaler will moderate the Saturday afternoon presentation. The LEGACY organization was chosen to conduct these seminars as it is the leadership-communication resource center of the S/D Activity.

LEGACY VI will be held May 12-15 in St. Louis, MO. Its theme will be COOPERATION among the many component parts of our activity. Dick/Jan Brown will give their report on the 5400 (!!!) questionnaires which were returned & also on the 127 pages of comments which were faithfully copied from the returned questionnaires. LEGACY Trustees from our area include: Doc/Peg Tirrell; John/Freddie Kaltenthaler; Frank/Helen Cavanaugh; John/Betty Pedersen; Attending LEGACY as first timers are Donna/Bill Anderson.

There's never been a wetter Sunday than the afternoon of the Council's annual Spring Fling...but 82½ couples from a tri-state area puddled their way to a wonderful three hours of rounds cued by Council members. The Noskers gave an excellent rumba workshop in their teach of the May ROM-Rumba Basico. Round Dancers reserve Nov. 6th for a Special Event sponsored by the NNJRDL Council. Hap & A.J. Wolcott will honor us with their presence & we will honor them for their contributions to R/D.

Ramapo Rhythmaires March afternoon of rounds proved "Round Dancing Is A Circle of Pleasure" (see page 52) as the Circle grew larger and larger as dancers joined in to dance to the smooth cueing of Doc Tirrell. Rock-A-Rounds & Tirrell Twirlers pinned the Rhythmaires Banner. Congratulations are in order for Doc/Peg Tirrell as their Ramapo Rhythmaires club celebrates its 20th Birthday in June. There is no doubt that this birthday is possible because of the dedication and patience of Doc/Peg and the cooperation and socialability of the Rhythmaire dancers.

ROM's selected by the Council: April: S/D Song in the Night; R/D Talk To Me; May S/D-Rumba Basico; R/D Itsy Bitsy Cha; June-S/D-Muskrat Ramble; R/D Soft Talk. 201-891-0658

TIRRELL TWIRLERS -

Doc/Peg Tirrell 201-568-5857

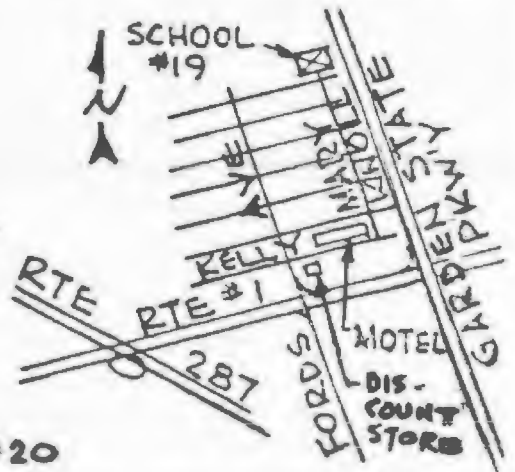

We pinned the Ramapo Rhythmaires banner in March. And speaking of banners, did you notice the new addition Olive added after their return from FL? They report John Edgar is doing very nicely after his knee operation and is walking several miles aday again. And expects to return to dancing. Our Monday club will meet during the summer with a session on easy Classic R/D at 8 and Intermediate Classics at 9:15. Dancers are welcome at either or both sessions. The IRD's will continue their bi-monthly schedule, but please check flyers for dates....while the CRD's are taking the summer off. Happy round dancing over the summer to all.

NNJRDLC proudly displayed the banner proclaiming, "Round Dancing is a circle of pleasure" at its Fall Festival. It was designed & created by Jim/Bettie Coffey of Warwick, NY. Not one to rest on their laurels, they are hard at

work creating another to honor the Wolcotts at the November 6th dance.

Something NEW has been added to the R/D activity - RAIDS!!! Now that the NNJRDLC has decreed that four R/D couples constitutes a legal raid, our clubs are having fun raiding other clubs- both square and round!...& pinning their banners. Who knows- maybe yours will be next! Perhaps you noticed, three clubs - Rock-A-Rounds; Ramapo Rhythamires & Tirrell Twirlers brought their banners to the Spring Festival of Rounds in April. Jack/Carol McLaughlin wrote it up for the ROUND DANCER MAGAZINE and the idea so intrigued their cartoon editor that a special raiding cartoon was published in the next issue! With Jack/Carol the proud owners of the original. Congratulations to our Council for adding a new dimension to the sociability of the round dance activity.

We have had a marvelous year! Carl Hanks, Roy Gotta & Peg Tristram have given our members & guests great evenings of the most complete S/D program. Peg's Beginner R/D Class, Roy's R/D Workshop & Cueing, & Carl's splendid calling all worked together for really superlative Thursdays. And, all will be there to start anew in September. Same time, same place, same wonderful people. In the meantime, we are welcoming the new Class Graduates to our last three dances in May & June. There will be Plus Tips as well as Mainstream. We realize that the new Square Dancers are the life-blood of Western Square Dancing. Without them, our numbers would dwindle drastically. We all recall our first few real Club dances for us when we were newly graduated! It was a great feeling to dance with those experienced hands & feet & to know we were welcomed into this very special activity. Join us in joining hands with our newest class graduates. Our picnic date for members is second Saturday in June (rain date following Sunday). Great things are planned. Save that date!

The club extends its sympathies to Carl Hanks on the death of his Dad.

A new club was born in March...names SOLO SQUARES, our dances will be held the 2nd & 4th Sundays of each month. Our first dance on a beautiful sunny day brought us out ten squares of dancers. We would like to thank all who came for our first dance. A first dance dangle was given to all the dancers there. Bill Anderson called the squares & Donna Anderson called the line dances. Thank you to all the members & students of Solo Squares who contributed so generously of time & energy decorating the hall & donating refreshments. We hope to see everyone again at our future dances. We have enjoyed guest callers John Carlton, Marion Pearce & George Potts since the first of the year. Having a series of guest callers helps to add to the enjoyment of an already great club with Fred Fields as regular caller. This is always an exciting time of year for us with the new graduates joining our ranks. We adjust the level to accommodate the floor & workshop every Tuesday throughout the summer. The past years have shown that the workshops are invaluable for the experienced as well as the new dancer. It is a chance to learn those calls by definition & add styling to your dancing. We hope you will join us for a summer of great workshoping in our air-conditioned hall. No dance June 21.

Welcome all new graduates. It's great to see the enthusiasm of the new dancers. We want to thank all the dancers who have supported us & made it possible to have the best season yet. Starting in April we are having a progressive workshop for the newer dancer or those who would like to brush up on the QS & plus calls. This workshop will progress (hopefully) thru all the plus figures and end the first Friday in August. We will be cancelled for the rest of August when we will goof off.
