From the desk of FRED/KATHRYN HILL, Presidents, NNJSDA

Once again the happy sounds of summer are getting closer many of you will be getting ready for vacations and packing your square dancing clothes to take along. Those who do not plan to travel will find many dancing opportunities here at home at the Association summer dances. They are planned by you and for you. Good dancing to selected callers and an opportunity to sharpen your dancing skills. *** A word to the more experienced dancers - If you move up to a higher program of dancing, PLEASE do not neglect your mother club. She NEEDS you!

This past year has been a busy one for your Association. The 25th Anniversary Ball - Mini-Festival - Booster Ball - several "specials", all arranged by hard working committees who gave so much of their time and efforts to make this a successful year. There has been greater involvement by the delegates and expanded educational programs for class coordinators. L U S T will be the icing on the cake, and we urge club officers, delegates and members to take advantage of this seminar on Sunday, September 9th from 2 to 5, then a box supper and a dance to the jolly calling of "Jolly John K".

If you are going to Baltimore Convention in June Have Fun - there is always a great deal of activity - besides dancing. July 15th will give square dancers an opportunity to show our STATE FOLK DANCE at Liberty State Park - when we dance to help with the restoration of Miss Liberty.

As this year comes to a close we thank the Executive Board for all their cooperation. Some officers and committee members will not be continuing to serve; to them, many thanks for a job well done. To the newly elected officers, Congratulations and welcome. We look forward to sharing your knowledge.

We regret that weather and time did not cooperate with us in our endeavor to visit all 43 clubs. Those that we did visit made us welcome and we enjoyed dancing with you all. Have a happy and safe summer. We look forward to dancing with you some Wednesday evening!

RD 1, Box 84 Blairstown, New Jersey 07825 201-459-4667

We are simply overwhelmed by our many dancing friends who have called, written, visited & made donations to our church pipe organ fund in Lou's name. Your outpouring of love has helped to ease our loss...and we only regret we can not thank each one of you personally.

1st VP- Gave a detailed report of summer dance schedule. Warned all to note the TRAIL IN dance was on Tuesday (not usual Wednesday) June 26. Lakeland very graciously gave NNJSDA permission to hold this special dance on their dance night.

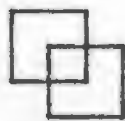

The first five summer dances will be Mainstream program; second five will include Quarterly Selections as well. The Warm Up dance August 31 will be + program. 24 sets were at Grand Square Booster Ball. Only 22 sets, representing 23 clubs, were at March special..where were the other 20 clubs 1984-85 schedule- Sept 29-Leo"Morgan" Dumas; Jan. 30-Tom Rinker; Mar.30 Cliff Brodner and Nov. 30 Stan Hogan, courtesy of Moffats in Nebraska.
2nd VP - 28-30 sets at Mid term ball where 14 callers called a great ball. 19 classes representing 29 clubs this year with approximately 400 graduating. 98 will earn 100% danglers. Lists of graduates were mailed to all known class coordinators to distribute to class callers & club president.
3rd VP - FAB & Dingman Dancers have inquired about joining NNJSDA.
Rec/Sec - All Clearance up to date. Warren Wheelers has been granted permission to change dance nights next season to 1st & 3rd Thursdays.
Cor/Sec - Not all clubs have turned in their rosters; some dues still remain unpaid.

SDNCJ - The newly formed group could not sponsor the Statue of Liberty dance as they did not have sufficient treasury to post the necessary bond thus NNJSDA will sponsor the affair July 15th at Liberty State Park. A logo for Council is being designed. Dinner dance is planned to raise operating monies for late summer. (continued on page 13)

INTRODUCING THE E C M A
EMERGENCY CALL FOR MEDICAL AID . . .

E C M A is the abbreviation for Emergency Call for Medical Aid. This signal is designed for use by dancers to notify the caller of a medical problem in their square. When such a problem occurs, important minutes are often lost in the frenzy of waving arms & explanations which cannot be heard or understood across a crowded dance floor. Therefore, the 33rd National S/D Convention will employ the

method of an arched circle to insure the fastest possible response time by medical personnel to an emergency on the dance floor.

Step one: When a dancer goes down, a second dancer attends him/her.

Step two: Remaining couples join hands and take a step backwards. This allows the injured person & attendant air and room.

Step three: Raise joined hands as high as possible in the form of an arched circle.

Step four: On seeing this signal, the caller or hall monitor will immediately place an ECMA.

We, the staff of the 33rd NSDC, sincerely hope there will be no need for this action in Baltimore in June '84. However, because of the large numbers of dancers attending a NSDC, there is always the probability that emergencies might arise. It is our hope that the arched circle E C M A will become a useful part of our S/D world, used wherever large numbers of dancers gather. Happy, healthy dancing to all.

Our thanks to Judy Ross Smith for the following idea for dancers attending the NATIONAL S/D Convention for a first time.....

What to do first?

Register in at your hotel;unpack your clothes and hang up those crinolines. Then, avoiding the rush hour traffic in Baltimore register down at Convention Center. Bring along your registration number to aid in finding the correct line in to get your program book, badges, etc. ALL who attend the NSDC MUST wear the special badge issued or you will be denied entrance to the halls. If you've lost your registration certificate, there will be a special place to go to find out your number. Once you have the program book in hand, go someplace quiet and STUDY the program book very carefully. IT lists EVERYTHING - times, places, callers, etc - there will even be a smaller daily tear out sheet to carry with you - BUT study the program carefully; make notes on where you want to be; what you want to see; mark it down; balance activity with rest periods...remember one can dance from 9AM until 1 AM for 3 straight days!!! Pace yourself carefully to get the most enjoyment from the NSDC. Besides dancing, there will be 144 dress shops & suppliers; exhibits; demonstrations;seminars;sewing clinics; teaching; dancing; and most of all lots of new friends just waiting to be made. Bring lunch or you can buy it at one of the many concessions; plan sightseeing time....the day will not be long enough.

What do I wear?

Square Dance clothing is expected at all events. Bring along another pair of shoes to change into - IF you have the NJ state outfit, plan on wearing it Saturday and march in the Parade of States. March in it even if you do NOT have the outfit- be a part of the NJ,NY,PA contingent.

WHY a STATE dress ? ? ? ? ?

Just as a certain badge identifies you as belonging to that club. Many clubs, conventions, festivals & states have a special costume that is identified with them/it. One does NOT have to have one - the choice is optional. BUT it is a means of identifying you as a part of that special group & likewise indicates your support of them/it. Nowhere else is this as noticeable as in the Parade of States

Saturday nite at the NSDC when many dancers will march in their state costume. But one does NOT have to wear a state outfit to parade. All welcome!

Thursday evenings Parade will feature only the blue on blue Convention costume with ALL who own one asked to march as we salute Old Glory.

What about transportation at NSDC?

Shuttle bus transportation will be provided to & from the Convention Center, campgrounds, dormitory housing & the hotels/motels inside Baltimore Beltway all

3 days of the NSDC....early in morn until after the afterparties. Bus passes will be required- fee is \$4/day or \$10 for all 3 days. PUBLIC transportation by bus or subway is also available. Routes/schedules to be posted at convention information booths.

If I drive downtown, where can I park?

There are parking garages & lots, as well as streets with parking meters, within reasonable walking distance of the dance facilities. Your best bet, if you insist on driving is to come early Thursday & Friday as these are working days for Baltimoreans.

Can I register for one day?

Yes, although we hope you'll be able to come for all 3. The fee is the same \$18 for each dancer for the NSDC.

Will there be provisions for spectators?

All those who enter or leave the Convention & Civic Centers must have a convention badge. There is no provision for spectators as we want to provide good security for the dancers. Spectators may observe the dancing at our outdoor locations. Children under two are admitted free. (Therefore spectators must register!)

I signed up as a spotter. What do I do?

All spotters will receive in the mail confirmation of their time & place and instructions as where to sign in. If in doubt contact the Oliers or Tirrells. Anyone who wants to offer more time, sign in down there at the proper registration desk-volunteers always welcome!

Your Association, thru its 2nd VP, provides a special packet of info for each and every graduate. Inside each packet is a wealth of information concerning member clubs, S/Ding in general, Freeloader & Patron cards, Publications of interest, etc. We suggest each graduate carefully read thru the material and save it for reference. If you have further questions, contact your class chairman, caller or any club or Association officer.

The NNJ's SUMMER dance program is geared to help the newer dancers develop confidence in their new skills of S/D. Only calls in the Main-stream Program (MS) will be used at the first 5 dances; with Quarterly Selections of MS added to the last five dances. All callers have been apprised of this requirement before signing their contracts.

This issue closes one square dance season and introduces the summer program and maybe a peek at what's coming this fall. It has been a great year for Bee Sharps and we thank all of you for sharing in our fellowship. Our thanks go to Ralph Stapenell, our Club caller, and Nancy and Max Nosker, our Round Dance Leaders, for the terrific fun times. We thank the clubs who raided and the Officers of the Association who visited to give their support. A big thank you to the club officers - they worked overtime to make the club a success.

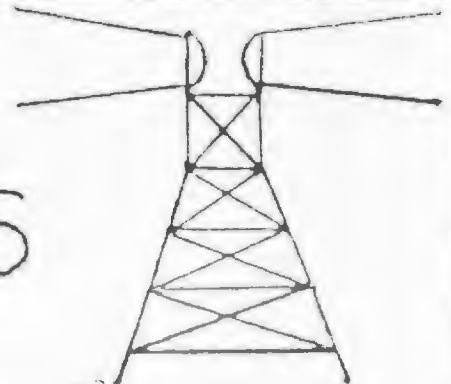

Recently, said reporters represented Bee Sharps at a Callers Recognition Night held by the Rainbow Strollers of Reading, PA. George Potts, Betsy and Roy Gotta, and Dick Jones were honored. It was a lovely program highlighting the careers of the callers and entering them into their Hall of Fame. The Bee Sharp Club is pleased to have two callers in the Hall of Fame - Dick Jones and Ralph Stapenell. We are also happy to report the Bee Sharp Club of Penn-Jersey is dancing again, and we wish them Good Luck!! ... Our Graduation Dance is in June. We invite all new graduates to attend this free dance that night. Let's not forget the Association dances. That's a terrific way to sharpen your dancing skills and meet lots of super people. See you in a Square!

LOU HARDY, who along with his wife Helen, attended NNJSDA's first delegates meeting. But even before that they could be found dancing all over the area...always ready with a helpful hand to newcomers, drop-outs; always promoting the fun & friendliness of S/D; always ready to share his vast collection of S/D memorabilia....more a behind the scenes man- many never knew why things ran so smoothly at their various clubs. People like Lou come along once in a lifetime...and we are so glad NNJ was his territory. We all share his loss.

1 & 3 Tuesdays (Summer) at

Jewish Center - 682 Harristown Road

These past few months have been a busy time for our club and there is no let up in sight! Frank and Barbara Piersa led a raid to Circle 8's with more than three squares of Belles and Beaux attending. Everyone had a great time in spite of the weather. In March, 42 class and club members led by Paul Brody raided FAB Squares and a truly FABulous time was had by all...Now we are preparing for our 5th Anniversary party and dance in May. We're hoping to entice some of the original members to attend whether they are still dancing or not. It should be a gala evening. The nominating committee is hard at work and we expect to install our new officers at our annual dinner dance in June...Our summer dance schedule will begin the third Tuesday in June and we will be dancing on Tuesday evenings so we won't be in conflict with the Association dances. For the summer we will be having round dancing again and the cuers will be Jeanne Brody and the McLaughlins. We'll be at the AirConditioned Glen Rock Jewish Center for the entire summer - just down the street from our winter quarters. We've danced in at least three churches and a Knights of Columbus Hall - now a Jewish Center- nobody can say Square Dancers are not Ecumenical! (AD on page 38) George/Joan Polk (201) 447-5965

4th Friday

Community Church/Corner of Elm & North Streets

Now that Spring is here, we are happy to welcome all new dancers and graduates to a friendly, comfortable dance club, where the "Glad" hand of friendliness is always out. It was good to be raided by Belles & Beaux in Feb., and again by the Garden State Square Dance Campers in Mar. Both Clubs added a great deal to the festivities for the evening. Come again! If you haven't yet tried our Mini-Weekend at Winter Clove, you should. We did our "Mini" again - early in April and all who came said they wouldn't miss the Fall "Mini." We are looking forward to dancing with you in our new hall. Come on over!

NNJ (& Ramapo Squares) lost 2 dancers who were very much involved in its early days. (see p. 16). JEANETTE YEDINACK, along with husband Carl, were instrumental in helping Ramapo Squares makes its successful transition from the Wayne S/D Club & in bringing rounds to the area by instigating the Tirrells starting Ramapo Rhythmaires in the early 60's. Not content to rest on their laurels, they served as NNJ VP's in charge of all dances '64-'65 before helping us as Editors of GRAND SQUARE by Carl handling Advertising & Jeanette Northern Area Reporter duties until they "retired" to FL. Where they remained active in the dance scene until founding the local Audubon Society.

Cloverleaves would like to wish you all a cheery hello and say thank you if you have been attending our dances. We know if you have danced here you have enjoyed yourselves. If you haven't danced with us lately, let us say "COME ON DOWN." You're missing a lot of good dancing with our list of great guest callers and our own Doc & Peg Tirrell on rounds...We have been raided by See Saw Squares recently and appreciate their support. Clubs cannot continue unless active support and involvement is forth coming. We as square dancers are a unique breed. We bring fun, frolic, and friendship wherever we go. Come to Cloverleaves and share with us all you have to give...Hoping to see you the first Friday in June and with us in the fall. Keep on Yellow Rockin.

As in the past, clubs have been assigned to assist with refreshments at summer dances. Delegates were given their assignments in April at the Delegates Meeting. COUNTRY PROMENADERS --- Edison, NJ (+)
 2 & 4 Saturdays Herbert Hoover Jr. High - Jackson Ave.

The 1984 season is already slipping into history, and we are looking forward to the summer Association program, and the 1985 season. This season has been a winner for the Country Promenaders with a terrific Dinner Dance in March, handled so well by the Gracchi's and the mystery bus ride in April, orchestrated by Elsa Byleckie and Mal Wolfman.

We averaged 16 squares a dance this year with our great lineup of guest callers. Each was different from the other and they were all fun. The beginners class run by the Bishe's produced 17 graduates. The club picnic will be at Merrill Park in June.

This brings us to the Fall season, opening with a real double header. In Sept., we open our regular season with Clint McLean and will have a special dance with Ron Libby. For details, check our ad...Come on out and promenade in our country!!

R & R, in this instance, means Reflections and Remembrance of which there were plenty at our dinner & dance at Rustic Lodge. We were commemorating our 10th anniversary of the founding of the Covered Bridge Squares. Our members, invited guests, and our recent graduates (also members), were resplendent in their outfits, one nicer than the other. Of course, who ever heard of S/Ders meeting and not dancing. So, for sure, we had Jules calling and helping us celebrate. Credit and thanks were proffered to the dedicated efforts and generosity of our resolute members who thru all these years kept our ship of state afloat and prevented the collapse of our covered bridge...We congratulate our new graduates on having completed their lessons so successfully and we look forward to many happy hours of fellowship and dancing with them...Again we sponsor 4 summer dances in July & August. Dancing will be on the well lit tennis courts on Park Ave. between Main & Washington Sts. You will like dancing under the stars with all of us. New graduates are more than welcome...Have a happy and healthy summer, dance your little hearts out, and please don't forget to come to the dance for the benefit of the Statue of Liberty.

Just what are the responsibilities of the NNJ: 1st VP? Education Chr. used this topic for a short discussion period at the last Delegates Meeting. Besides securing callers, cuers, halls, the 1st VP handles publicity, making flyers, as well as the kitchen chores!!! (And sometimes moving tables & chairs to get room to dance!) 19

 2 & 4 Wednesdays Lincoln School, Crane Street

Well, another dancing season is coming to an end. As we look back, we have certainly experienced many exciting events this past year. Our club officers want to say a BIG "thank you" to all the people who either chaired an event, headed or worked on a committee or just simply served in any capacity - big or small - and who lent their support to help us complete another successful year. WE COULDN'T HAVE DONE IT WITHOUT YOU!!!

Our last dance in May will feature Bob Mitchell and, in anticipation of the warm months ahead, we will hold our Ice Cream Social in June with Paul and Jeanne Brody calling. Also in June, many of us will be traveling to York, PA for the White Rose Festival and then on to Baltimore for the Convention. Our camping group, the SQUARE WHEELERS, will also be busy driving their rigs to various campgrounds during the summer. So as you can see, we won't be slowing down too much. We hope to see many of you at the summer dances and look forward to our '84-'85 season which commences on the 2nd week in Sept. with our Open House. In the meantime, have a safe, healthy, and happy summer!!!

GARDEN STATE SQUARE DANCE CAMPERS

Many of our new & old members attended our Early Bird Special in April as well as our 1st official campout in May at Otter Lake which starts off with a big Whing-Ding, a Wine & Cheese Tasting after party. Our old/new slate of officers have planned a whole new program of activities for the year, including a family picnic, hot potatoe bake, & loads of good, clean fun. Did you ever see so many presidents? Nineteen, count-em, nineteen presidents squared up at our annual ball!...Were you there?...when Bill/Virginia Boscia, our dedicated presidents, hosted a benefit dance for the VFW? This fine organization provides us with our spacious, air-conditioned hall. Twelve squares of students, members, and guests all enjoyed the calling of Bob Robinson, Andy Werner, Dot Loewenstein, Stan Sikora, Carl Haderer, and Jack McLaughlin...Our warmest congratulations to John/Mary Aquino on achieving their CENTURY BADGE. They were able to get the highly sought honor in only a little over two years. How about that record for visiting different clubs...The Hix & Chix sponsored A-1 dance was a smashing success with 62 couples wheeling to Hugh Jones & EM/Les Shearwood! Most of Mike Foley's students from Shamrockers were there being supported by a fine turnout (thanks to John/Mary Aquino) from the more experienced surrounding advanced-level clubs...Welcome back Rose Mary Coppoletta from the injured list. It was great to see you squaring up at the annual Rustic Lodge dinner dance...Also back - but from a Mexican S/D cruise- were Anna Lou/Ray Kuenzler & Betty/Bob Daley. The S/Ders were so popular with the spectators that they were asked to participate in the grand finale entertainment together with the shipboard professionals...It may have been hot in Mexico but don't forget - Air Conditioned dancing all summer long at Hix & Chix.

It is hard to believe that we are winding up another season. We look forward to welcoming our new graduates into the wonderful world of S/Ding. Our graduation dance, in April, was open to all new graduates and we hope many people from other clubs attended. Our raid chairperson, Charlotte/ Irving Mandel have done a good job in arranging our raids. On the Richmond Dancers raid, Kings Squares members were outstanding in their purple skirts, white blouses & shirts and purple boleros and purple ties. We enjoyed our Pot Luck Supper in May and are looking forward to our installation Dinner Dance in June...Our nominating committee has presented a fine slate of officers to the Board for 1984-85. Many new faces will appear on next year's Executive Board and it will be a challenge for them to surpass the hard-working committee we had this year. On behalf of our club a special thanks to our out-going Pres. Pat/Bernie Monsen; V.P. Mickey/Aaron Weiss; Co-Treasurers Phyllis/Danny Ames and Al/Marion Gordon who gave freely of their time and effort to keep the club running smoothly. A fine job was done by Marge/Steve Hancharik who had the difficult assignment of running the beginners class. Once again, welcome to the new graduates and we hope you will enjoy S/Ding as much as we do.

In August, at the Sussex County Farm and Horse Show, there will be S/Ding a number of evenings, and it's always a pleasure. We wish a happy summer to everyone! There's more to come at Lakeland before ending our 11-month season in the end of July. Lakeland's Class graduated in April, an evening enjoyed by all. We encourage Graduates to join us at our Memorial Day Special in May, to dance to RALPH TROUT, a National S/D Caller. Our special guest caller for our Last Dance of the Season in July will be Dalt Young. For other fun specials planned, please check our ad...Lakeland Squares share our sympathy with Jim Jensen, Vicki, and Jim, Jr. on the recent passing of their beloved wife and mother, Sue...Thirteen fun-loving and active squares made our Class Level Dance in March a successful one. A highlight of the evening was a raid by the students, angels, and their caller, Paul Brody, of Belles & Beaux. New classes will start the 2nd Wed. in Sept. with Pal Johnson. A special thanks to both Pal/Florrie Johnson for the wonderful job they have done again this year with our class. We encourage all clubs to come raid us. What a grand time we have had so far in '84. At our March dance, Fred/Kathryn Hill paid us a visit from the NNJSDA and had many interesting things to tell us. Our St. Paddy's Shillalah was very Irish with green hats, skirts, and shamrocks in evidence. It was a very special night also because Danny Bloom was back calling rounds after being in the hospital...Raiding Bee Sharps of PA in March was a very enjoyable evening. We had four squares participating. Many old friends and new friends plus an excellent caller added to our evening fun. Good luck to you Bee Sharps. In April, Leisure Squares had a bus load journey to Lakeland Squares. It was a real fun time, also a chance to meet some new people besides becoming better acquainted with our own members. During June, July, and August our people and many others will dance to Summer Sounds in Hope, NJ. Dancing will start in early June and end mid August. Dalt Young will be one of the callers. All are welcome to come. Our first Club dance for the fall will be the 1st Saturday in October and each 1st & 3rd Saturdays thereafter unless notified otherwise. Happy Dancing!

 Mary Knoll Road School, Menlo Park Terrace

If I were forced to use one word to describe our first annual dinner dance it would have to be FANTASMIGORICAL. 58 people enjoyed a fine meal and a fine dance. We have the Adlemans, and the Rubins, to thank for all the planning and working out all the many details that make such an endeavor a success. When Pres. Gene Sensback, asked if we might be interested in a second annual dinner dance, the applause received seemed to say - sign up early. Fred Fields, called his usual clever and enjoyable dance under the approving eye of his Taw Bobby. Our dear Peg Dockry, cued a very nice round dance program. Oh, and Joe, was there...We were given a short rest by our raid leaders Ronny, and Norm Peterson, but we have now regrouped and are ready to go again. We will have raided the Merri-Eights, by the time this is printed and the exercise will have helped ready us for our covered dish dinner held in May. That is always a most gormandizing event. We did, again this year, combine the dinner with the class graduation. I can't think of a more pleasant way of welcoming the new dancers into the club. They worked hard and did very well at the lessons and attended class level dances. We were fortunate to have had Manny Amor, calling that particular evening. Ann Novak, was in charge of this year's affair and you know Ann, leaves no stone unturned to guarantee a grand evening. Oh, Bernie, was there...Our nominating committee has been busy beating the bushes for a new slate of officers. They have a lot of willing workers to pick from so the proposed slate should be a good one. I am sure you will all agree though, that this past year's board will be hard to beat. We should be voting just about the time this issue of the Grand Square is being read...Do come dance with us - help fill our M.T. Squares.

 Presbyterian Church, Route 10

At Mountain Squares, we continue to workshop our way through the A-2 list of calls. While not yet superstars, we do expect that by the time of our last dance the third week in June, we'll be able to hold our own. Our favorite annual event, our scrumptious pot luck supper dance will be held the first week in June. Since our hall is not air-conditioned, we close down for the summer, but we'll be back the third week in September, most fortunately with the same fabulous caller, Joe Landi.

Princeton Squares are back at their old stand this summer at the Nottingham Ballroom. Come out and join us for good plus level dancing in a very large, air-conditioned hall with a lovely wooden floor. The Ballroom is located on Mercer Street in Hamilton Square.

We're graduating two super classes this spring after a season of excellent direction by Betsy Gotta on squares and Roy on rounds. To celebrate we would like to invite all new graduates to a free dance on the 4th Fri. in May. Beginner pre-rounds with Roy at 7:30 and Betsy with mainstream squares at 8:00. Another note for new dancers! Marion Pearce will call mainstream level dances every Wednesday evening during June, July, and August at the Lawrenceville Neighborhood Center, Eggerts Crossing Road. This is a good chance to perfect your new skills.

Hope to see all of you at our summer dances at Nottingham this summer beginning in June with Lee Kopman. Also don't forget us at Community Park School 2nd Fri. in Sept. with Glenn Cooke.

Marching in a Parade this summer??? Try this...

 one cpl one cpl

 one cpl
 one cpl one cpl
 one cpl ETC....

The head cpl cue either a roll-a-way or double California twirls. Each following cpl will do what they see the cpl in front of them doing. This gives the effect of everyone dancing!

If the parade comes to a halt, square up, circle left about 6 steps, then left allemande, grand right and left, swing and promenade back into your starting position. If parade starts up, finish your actions, then start marching. Girls-REMEMBER skirt workand EVERYONE - S M I L E. (From FL)

Sorrowfully, we report the news of Lou Hardy's death this past winter from a sudden heart attack. There was nobody to whom square dancing meant more, or who gave more to it. His association with Ramapo goes back to its very beginnings when the club met in Wayne and was known as Wayne Squares, in 1951, and even before that when this same pioneering group danced at the Grange in Wyckoff in the late 40's.

Dependable, ever friendly, helpful, and amiable, unstinting of their time and energy, Lou and Helen Hardy served in every capacity and on every committee. They were presidents, delegates to the organizational meeting of the NNJSDA, publicity and refreshment chairmen innumerable times, never missed being angels at the Sunday night teaching sessions for new dancers. Long-time Ramapo members like the Allisons, Brandts, and Buhlers can attest to that. In 1970, Lou and Helen won the Lucarini Award for their long and dedicated service. In 1973, they were the first recipients of the Vi and Hanley Clapp Award--there have only been two more since then--"in appreciation and recognition for all they have done, and continue to do for us." And in 1981, Ramapo's 30th anniversary year, they were honored with Life Membership. In the record of S/Ding in northern NJ--synonymous to great degree with the history of Ramapo Squares itself--Lou and Helen Hardy played a prominent and significant role. Indeed, the ever increasing popularity and continuous growth of S/Ding in our region is Lou Hardy's truest and best memorial.

May we remind you, too, of our last dance this season in May before we resume in Sept. We extend hearty wishes for a satisfying and pleasurable summer, and look forward to greeting you all in the fall when Ramapo will offer again A-2 APD dancing at its highest and most enjoyable level!

On the recovery list are Jerry Montaign Jim Best, and Margaret Brownell. All are very appreciative of all the well wishes from so many of you. Thanks to everyone! Now that the rains have hopefully stopped, our spirits are soaring and we're looking forward to seeing you at some of our up-coming dances. We're glad to see that Mrs. President, Nancy Spinelli, had recuperated sufficiently to be able to get down to Atlantic City with the rest of the State Island contingent for the Jokers Wild weekend. The slots seemed to be a little harder to beat this year...We don't know how they manage to do it, but each refreshment table seems to look better than the last one - our heart-felt thanks to Jim/Barbara Cannon. We still love our new hall - it's at the corner of Victory Boulevard & Wooley Ave. - easy to get to, and bright and airy. We'd love to have you meet our new graduates, who will be joining the club at their graduation in May. They will have the pleasure of dancing to Ralph Stapenell, Manny Amor, Wes Morris, and Mike Foley at some of our future dances, and we'd love to see YOU there too.

We look forward to our annual Ice Cream Social in June and our guest callers Bob Tarrant & John Kaltenthaler. Next season our slate is filled with guest callers which worked out so well this year. The raid by Country Promenaders in April brought 5 sets to See Saws. They came by bus and we enjoyed dancing with our distant neighbors. Bob Wagner was great on the squares and his wife Joan on the rounds.

Hope to see all of you at our last two dances. Have a great summer and come back to See Saws in September.

Community House, 242 Main Street

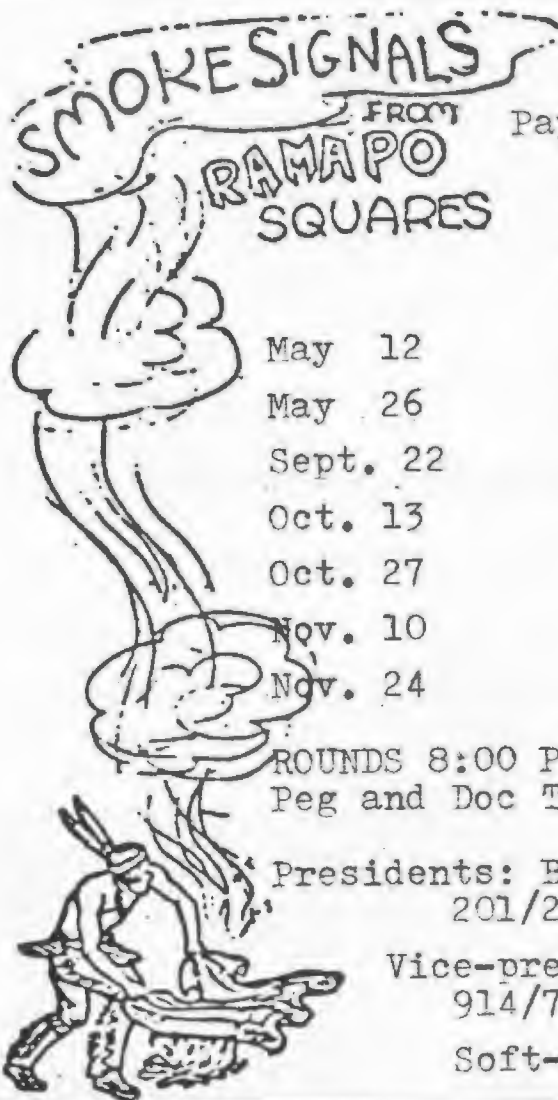

The past two months have seen several thematic dances. At the sweet-hearts dance in early February everyone was hearty; for St. Paddy's day the floor was a sea of green; on April 1st we made fools of ourselves with a little help from caller Frank Riviccio. Thank you to all three of our club callers (the others are Betsy Gotta & Bob Tarrant) for calling so consistently through the season. April Fool's Day was also a covered dish supper but the amazing array of dishes proved we're no fools in the kitchen. Look out for our Graduates dance in May and remember we dance thru July. SOMERSET HILLS SQUARES --- Basking Ridge, NJ (+)
 2 & 4 Tuesdays Presbyterian Church, 1 East Oak Street

As we approach the end of another S/D season, Somerset Hills would like to remind its members and guests that the time is approaching for the drawing of our seasons grand prize winner. Those dancers who have attended 75% of Somerset Hills' dances (14 of 19) will be eligible for the grand prize at our June Strawberry Festival Dance. The drawing for the prize will be in reverse order; that is, eligible names will be drawn during the course of the evening and the last name drawn will be declared the winner. In addition, at this dance, fresh strawberries and ice cream will be available so you can make your own strawberry sundae. Come dance and enjoy. We went on our 9th raid to Princeton Squares in April, our 10th raid to Squares in April, our 11th raid at MT Squares in May and our 12th raid at Lakeland Squares in May. Our beginner's class will accompany us for the Y Squares and Lakeland Squares raids. Thank you Joyce and Jim Kelly for an even dozen raids this year. Somerset Hills graduated 15 couples and 4 singles at its April dance. All club members are requested to attend our graduation dance to welcome the graduates. A fun surprise night is also planned. The 40's and 50's Sock Hop Dance in March which had to be cancelled due to inclement weather has been re-scheduled for May. Many danced in their socks to the melodies of the 40's and 50's while some also donated a pair of children's socks for charity and received a dangle. Weather-wise we have had rain, fog, sleet, and snow; the worst in weather, for our Tuesday night dances this winter. Nevertheless, we persevered and we thank all members and guests who braved these weather conditions to dance at Somerset Hills. Spring is here at last! Attention all club members! Election of officers will be held at our last Tuesday club dance in May.

The signs of Spring are really in the air - the birds have returned to the area, and the guests have returned to our club. From some of the outfits we have seen, it's questionable who has the fancier plumage - the birds or the dancers. Our raid committee followed the groundhog out of hibernation, and planned an April raid to the West Milford Flutterwheels, and one in May to Sussex Spinners. Our class has graduated, and some of its members have joined their dancing parents to make ours a real family club perpetuation of the species? We welcome them happily, and hope all new graduates will visit them and us, where they will find a welcome with a smile both off and on the floor. As we move toward the end of the season, in June, our new graduates will become well established members, and we'll be wondering if our 1985 class will be as good as they are.

Our graduates are in store for a gala graduation celebration in May. The mainstream class was a spinner success. The graduates are as follows: Art/Charlotte Braunwell, Lou/Karen Bushee, Elaine Fuller, Ed/Jean Hirsch, Bernice Mills, Bill/Mary Russell, Harry/Dot Scheiblin, and Bob/Cheryl Wulf.

We are looking forward to seeing them at our dances and plus classes in the fall. They have become our friends and an important part of our family...The Grand Prowlers of Rockaway and the Kittatinny Rangers have had special raid visitors in February & March. The West Milford Flutterwheels were raided in April by the Black & White costumed Spinners...We welcome the help of our new presidents Helen/Carl Ostertag, formally Vice-President. We miss Stan & Martha and hope to see them soon. Peg/Joe Dockry will be moving on in the fall. They have been a big part of our dances by doing a fine job cueing the club rounds...We are looking forward to the Sussex Farm & Horse Show with 2 evenings of demos August 5 & 10. Our first dance in the fall will be the 2nd Saturday in September. John Kaltenthaler will be the caller. The club will be offering plus classes in the fall on Tues. nights. See our ad in the fall issue for more info....A final thank you to Scott McCleary, a graduating senior at Bloomsbury University, for his editing and encouragement in this endeavor. We wish him success in his future career plans.

STATEN SQUARE SET --- Graniteville, Staten Island, NY (+)
1 & 3 Saturdays Methodist Church, 1890 Forest Avenue

This issue is dedicated to each & every member of SSS: present dancers: previous, present, & future classes. How very fortunate we are! Gene/Grace Lucarini- two charter members, angels in the purest sense, and 35 years dancing; a main brace in our club and active with new classes, graduation exercises for many years, editor-in-chief of Staten Chatter, & namesake of the revered award which exemplifies S/Ding - open to all qualified candidates throughout the NNJSDA...We count our blessings with the fine callers this club has always enjoyed - the gala specials that almost became trade marks with us. Ever wonder how Big Top was first conceived? What is the significance of - and how did the mask, which most of us wear as a badge dangle, originate? Did you know that the idea of a mask was later modified by other clubs? (Ramapo Squares uses an indian headdress.)

Each club at some time frame in its existence stops, reflects back & asks the question - What can we do to re-interest those dancers who fell out of dancing - for whatever reason? Our first dance in May was our Class Reunion Night...Please join us & allow us to share the pleasure of your company. We dance for fun & friendship.

2nd Friday

Baptist Church, 563 Piermont Road

There must be something about snow & frigid weather that brings out the S/Ders! Just one night after the winter's worst snow storm, our Treasurers Ball attracted the biggest attendance of the season. Many of the dancers were attired in green to honor the patron saint of the season. Caller Bill Heyman brought a large number of students & angels from the New Milford Tenderfeet, (prospective members for the club, we hope) & several club treasurers accepted our invitation to dance as our guests. Birthdays were observed, & Past-president Jim Essig was congratulated on his retirement & beginning a new career. Your reporter, getting back into the full enjoyment of S/Ding, quietly observed the 20th anniversary of his joining the friendliest club in the county...As this edition reaches the newsstand, our April "Black Cat Dance" & our annual pot-luck supper are history & have only our June "Moonlight Dance on the Hudson" before we finish another season. But our officers are planning ahead for a bigger season beginning in Sept. when the welcome mat will be out for all the new graduates who will have been dancing during the summer to improve their skills. We hope that all our friends who are veteran dancers will return for another season of friendly dancing. Have a good summer!!

TENAKILL TWIRLERS --- Cresskill, NJ

(QS: W+)

Bryan School, Brookside Avenue

Our Covered Dish Dinner was a huge success. After satiating ourselves on the abundant foods, we had the calls of John Kaltenthaler and the cues of Doc/Peg Tirrell as a bonus dessert. Thirteen plus squares filled the hall...Tenakill Twirlers' visitation group, known as "The Happy Squares," were presented with danglers depicting the number of "Demos" completed by each member, 25, 50, 75, & 100 visits; to nursing homes, schools, Sr. Citizens, & other non-profit organizations. Members are retirees giving of their time & talents to bring pleasure & enjoyment to others. Congratulations to you, & may you continue for at least 100 more visits.

Covered Bridge Squares raided the March dance & were welcomed by all... An additional welcome will be extended to all new dancers at our regular dance on May 18. The April dance is cancelled due to the Holidays. Hope to see all of you in May.

WESTERN WHEELERS --- Park Ridge, NJ (+)
 2nd Wed; 4th Sat. Congregational Church, 131 Pascack Road

Western Wheelers greeted many new grads at our Graduates' Ball. What an enthusiastic crowd they are - we are happy to welcome them to the wonderful world of S/Ding. Guest caller, John Kaltenthaler, called a great dance, & with Ed Shearwood cueing rounds, it was a most satisfactory evening...Those who wish to explore plus dancing are invited to our Plus Workshops beginning the 2nd Monday in July at Petruska Park in Paramus. (Please check our ad or call 391-0248 for details.)...Besides great dancing Western Wheelers enjoy great food. Our Covered Dish Dinner Dance featured the culinary talents of our members. Norma Vent & her crew transformed the church hall into a garden of colorful tables & candle light. The following dance was Pie Nite (hmmmm!), & the regular season ends mid June with a Strawberry Festival. Sandwiched (no pun intended) between will be our Flower Festival to celebrate the arrival of Spring. Six-paks (of flowers) will be distributed. So all you good people come out & join us, dancing to Dick Pasvolsky (2nd Weds.) & Paul Brody (4th Sats.), & to Ed/Les Shearwood on the rounds.

WEST MILFORD FLUTTERWHEELS --- Newfoundland, NJ (MS 6 +)
 1 & 3 Fridays Paradise Knoll School, Paradise Road

This was a hard winter for travel in the north Jersey hills but 13 dancers made all 5 of our class dances & received their danglers: congratulations. All turned out for the NNJSDA sponsored graduates dance in Montville, too. Our class was graduated in April & we are happy to welcome them into our club. For them, & graduates everywhere, we will be dancing alternate mainstream & plus tips until September. Remember, West Milford dances all summer & we have 2 exciting guests, Michael Johnstone & Manny Amor, included in our schedule as well & other good things, so don't put away your dance clothes because it's summer...Also, for new graduates & other dancers who want to review plus, we will be holding workshops with Dick Pasvolsky starting the 4th Monday in April at Hillcrest Community Center, Macopin Rd., West Milford...Before we say our last issue goodbye, we want to thank our hard working club members who keep Flutterwheels going, especially our treasurers the Hansens, our secretaries the Posts, our delegates the Lewis' & our refreshment chairmen the Roppeneckers. We are grateful for their efforts which are so important. We wish everyone a happy summer & remind you to keep S/Ding in your plans, at home or on vacation, wherever you are.

Y SQUARES --- Clark, NJ (QS)
Carl Kumpf School, Mildred Terrace

A warm welcome to all the new graduates into the wonderful world of S/Ding. We're looking forward to seeing you at our Y Squares dances right through the summer. We'll give you plenty of practice at a level you can both enjoy & learn from. See our ad for details. Of course, we dance in a big air-conditioned hall so there's plenty of room for all you experienced dancers too. Come join in the fun...This is the last issue for our 20th anniversary dance year so we were thinking back about some of the highlights: the Halloween costumes, the raids, "Kellogg's Cuties" at the anniversary dinner-dance, pie night, St. Patrick's Day when our dance was called by our very own Mike Foley who was born on the very day a while back; and we're also looking forward to our Pot Luck dinner & election of new officers. 'Twas a great year & we heartily thank all those who labored to make it so. See you on the dance Floor.

The SQUARE PINCUSHION

adds 'Chicken Scratch' to
square dance clothes.....

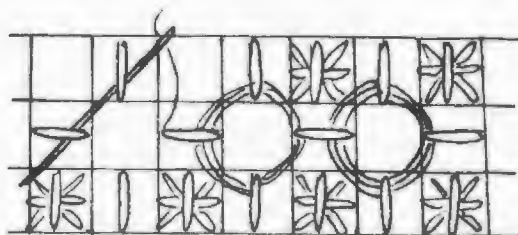

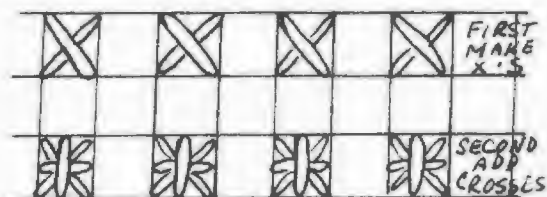

Chicken scratch has nothing to do with hens and chickens. It is a type of embroidery done on gingham. It makes lovely borders and/or special designs such as hearts, animals, flowers, etc.

Decide on a design and mark it off on graph paper. One square on the graph paper equals one check on the fabric.

If you're stuck for a design look around you, there are designs in your curtains, wallpaper, books, magazines, even in ready-to-wear clothes. Or venture to the library.

There are 2 basic stitches: the double-cross stitch & the woven stitch. The double-cross stitch is made by making an X in one dark check and a ⊥ over it in the same check. Work in white thread, either tatting cotton or single strands of embroidery thread. The woven stitch is likewise worked in white thread but over the medium squares, one stitch horizontally across all medium color squares in a row, then vertically in all the medium color squares in the succeeding row. Repeat till all are covered. Then go back and weave a circle around the white squares, weaving the thread under the horizontal and vertical stitches on the medium color squares. Be careful not to pull the threads too tightly. Fill the design entirely, you can outline the border in a color if you wish. This is great pick-up work and makes for a lovely addition to your costume at little cost.

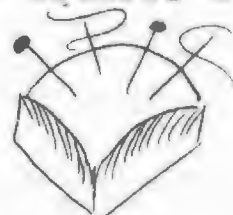

The above directions are for filled in design work. But you can adapt these designs to borders too. Work a few in crosses or squares, leave some plain in between. You may want to try a contrasting color rather than white. Practice on a scrap. A large initial on a blouse looks great. I almost forgot to tell you, use $\frac{1}{4}$ " gingham (4 squares to the inch) for best results.

Have fun,

The SQUARE PINCUSHION

DANCING WITH OUR TEENS

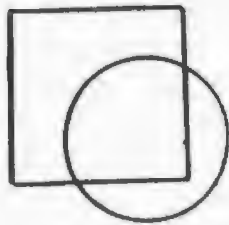

STAR TEENS --- Staten Island, NY (MS)
Methodist Church, 1890 Forest Avenue

ANYBODY LIKE TO STRIP AND WAX FLOORS??? If so, we'd love to have you come & volunteer your brawn on the 21st. Thanks to the munificence of HELEN ROGERS, we have not had to pay for the use of our hall on a regular basis. To show our appreciation, & to do a little something for our community, we (plus a few conscripted parents) are going to strip, clean, wax, & polish the main hall of the church. This is the hall that 3 other SI S/D groups use, so we know our efforts will be appreciated...Right now, we're in the second session of the year - we've already graduated 8 Stars, & are really enjoying being angels to the next group. AND SOME OF US ARE GOING TO BE WORKING AT THE BALTIMORE CONVENTION!!! That's right, we've already signed up to be Floor Spotters, to help dancers locate a square that needs a couple. We'll let you know more about it after we've had the fun of helping in Baltimore. THE EASTER BUNNY

QUARTERLY SELECTION COMMITTEE's reports-

The International Association
of Square Dance Callers

For the quarter beginning April 1, 1984 the MAINSTREAM QS committee has announced there will be NO new quarterly figure. The ADVANCED QS Committee also has announced there will be no new quarterly figure.

The PLUS QS selection beginning April 1 is CHASE THE TAG (Right,Left,In, Out). From couples back-to-back, right side dancers right-face U-Turn Back, left-side dancers Fold. All finish as in Tag the Line, then take the facing command (Right,Left, In, Out) if one is given. Variations would include: Chase the Half Tag, Chase the 3/4 Tag. Note that if no facing directions is given, the movement ends as in Tag the Line, with dancers in single file awaiting the next command.

*****xv

If you had problems finding a caller the beginning of Easter Week, it probably was because your caller was among the 700+ attending CALLERLAB's annual convention out in Chicago. Their theme - "Good Teaching Is Far Reaching" - the three days overflowed with meetings, seminars, discussions before the wrap up Wednesday morn when at a general business session formal votes were taken on all committee reports.

SQUARE DANCERS of AMERICA thanks the NNJ area for all its support in the past.

Do you like to be in the "Swing of things?" Then, celebrate SEPTEMBER as SQUARE DANCE MONTH along with thousands of dancers thru out the world! Beginning this year S/D Week has become a whole month - 30 days to promote our favorite activity! This change was made by LEGACY International at its biennial meeting in St. Louis, MO last year in order to get more areas to participate. Many people found the third week in September

too late to promote dances before classes began; and others had area celebrations early in the month which could feature S/D more easily. Hence, the change of dates. So, let's all PARTICIPATE! Plan your events now. Ideas for promotions may be obtained by writing Harvey/Gerry Hanggi S/D Month Chr., 395 West Minnesota Avenue, Roseville, MN 55112.

Square dancing and all of its companion dances - Rounds, Contra and Folk - are danced in many other countries besides here in North America. The calls are a "universal language", although we might have a language barrier during the breaks at dances. Let's teach the rest of the world to S/D! The FUN and FRIENDSHIP it offers could be The Way to harmony among nations!

Pictured are the Wymans with the sign Gloria made to use in local parades. It is made on a window shade! Easy storage/carrying!!!

Our NNJSDA 3rd VP's (Art/Peggy Snell will assume Chuck/Mary Anne Mosseau's position June 1st) welcome input from clubs as to successful ways to promote S/D Month. By mid summer, copies of the winning poster in the S/D Month contest, sponsored by your NNJSDA, will be available for clubs to use in promoting s/ding. Distribution will be at a summer dance in mid July.

NNJRDLC Spring Festival of Rounds ushered in Spring of '84 on April 1 at Monville High School, NJ. All dances were cued by Council members and all who came responded enthusiastically to the varied program which was planned for the new graduate as well as the alumni. It was difficult to tell the new from the old as the couples circled the floor with Alice Blue Gown or Dancing Shadows. Roy Gotta taught their "Kiss An Angel Good Morning" as the teach for the afternoon. (Betsy demonstrated the dance with Dan Koft as Roy is still on crutches from his knee operation). "Kiss An Angel" is the S/D ROM for April followed by "Calabasas" in May & "Q T Waltz" for June. Round Dancers selection is "River Seine" for April & "Too Many Rivers" for May. Jeanne Brody chaired a tempting and delicious refreshment table. R/D leaders have volunteered to cue at the Statue of Liberty dance on July 15. Next meeting of the Council is August 19.

RAMAPO RHYTHMAIRES - Tirrell - Wednesdays 201-568-5857

Our big news is that starting this Sept. we will be extending our Basic teaching program to two years. Part 2 will concentrate on the development of Intermediate R/D figures for waltz, fox trot, Latins & jive as they apply to the ROUNDALAB Intermediate Classics as well as assist in the development of a repertoire of easy Classics. The club will continue 8:30-10:30.

ROUND ROBIN - Shipman - Tues/Thurs. 914-692-2468

Our Tuesday night group is enjoying dancing high intermediate classics & ROM's. Our latest "Domage". It's nice. Thursday night group is working on ROUNDALAB's easy classic list with much gusto. Also doing ROM's. Our R/D parties on the 1,3,5 Wednesdays are fun. Do come join us. (AD on p.41)

ROYALTY ROUNDS - Newman - Fridays 212-339-1110

We have a successful 3 hour session progressing from low intermediate to high intermediate Friday evenings at the Kings Plaza Community Room. Students can come for their preferred program & stay for all, as they option. (A wonderful way to review forgotten material.) We are concentrating on the Classics-I Want A Quickstep; Arms of Love; Shiek of Araby & Continental Goodnight.

TIRRELL TWIRLERS - Tirrell 201-568-5857

To help the newer dancer make the bridge from class to club we augment our usual 1/3 Monday schedule in the summer (see our flyers) and split our evening between Easy Classics & Rom's at 8 and Intermediate Classics at 9:15. Our Advance R/Ders will continue to meet all summer on Tuesdays utilizing this time to become more comfortable with the intermediate and advanced intermediate figures. A number of us are planning on attending Ramapo Rhythmaires Weekend of Rounds in June.

TROTTER ROUNDS - McLaughlin - Sunday/Friday 914-294-9017

Our Classics group is doing fine, working on Patricia. The Friday nite group in Monticello is tackling My Love. Visitors always welcome.

VALLEY STEPPERS - Bradts/Schoonards - Fridays 201-232-3082

We are planning a "Transition Class" in the fall to help dancers rise to a higher phase of R/Ding. The class will strive toward gaining a better appreciation of basics, giving considerable attention to styling so that the body can move more freely & comfortably from figure to figure, and paying closer attention to the rhythm & beat of music. We need input from you, the dancer, for best time/day, as well as place. Call the number above or 201-233-4232 for further information.

F.A.B. SQUARES (Fun At Basics) --- Maywood, NJ (BASICS)
 2 & 4 Sundays American Legion, E. Passaic Street

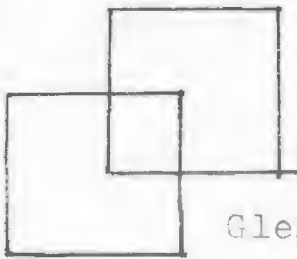

TEN SQUARES were dancing in March when Belles & Beaux raided FAB! What a memorable evening! Besides a multitude of refreshments, we also had a birthday cake honoring two of our officers (Mike Klausner & Anne Greite) as well as our club Caller, Dot Loewenstein. We are celebrating our club's first anniversary with two special events. The first is our anniversary DANCE in April, when all attending will receive danglers. The second is our anniversary POT LUCK DINNER in May, starting at 5 PM, followed by our dance. The May dance was changed to the first Sunday so it would not conflict with Mothers' Day...OUR HALL IS AIR CONDITIONED and we dance THROUGHOUT THE SUMMER - new graduates will especially enjoy dancing with us, besides the Association summer dances, since this will give you another evening to dance at a level where you feel comfortable. Experienced dancers, on the other hand, enjoy our close-knit family atmosphere and the welcome they receive upon arrival in our club. EVERY INDIVIDUAL is appreciated and made to feel important.

We will be closed for the convention & our Blue Ribbon weekend. We hope all dancers who wish to learn plus or brush up on the plus calls will visit us this summer. We will have window & ceiling fans so the dancing is usually quite comfortable. Wishing everyone a fun & healthy summer.

We're working on NUMBER THREE! So far, we've made three couples out of our solos group, & we think that's kind of impressive! In April, Saadia & Lou were married on SI, with a S/D Reception the next day, at Cichon Post. Saadia is a Past President of SoLos, & we appreciate all the work that the two of them have done for us. We still look forward to dancing with them when we run some of our future dances...We're in the midst of the 2nd session of our classes this year - we decided to stay with the Mainstream Program & really enjoy dancing. Our angels, who were students at the 1st session this year, have really been faithful, coming out every week to help our newer students, & they have also been enjoying the student level dances in the area - even as far away as the CCNJ student level dance in Rahway last Feb. Please look for our announcements & flyers when we schedule our next dance. We look forward to welcoming you. CHEERS!

1,3,5 Thursdays VALLEY SQUARES --- Watchung, NJ (+)
 Bayberry Lane School

It's been a great year for us & we are in gear for the 1st Thursday in September, when Carl Hanks & Roy Gotta will be our feature attractions! In the meantime, we will celebrate the new class graduates with a MS & Plus Level Dance mid May. Our season will have a grand finale the 1st Thursday in June. Our members wish the Tristrams & the Schoenewaldts all the best with many thanks for their superior work as part of our Committee. We're delighted to have Carol/Ted Higgins & Alice/Hank Rowna become part of our new Committee line-up. Bud/Marie Foster who have directed the Refreshment Table so very successfully are also retiring from the Committee after 2 years of superior catering! Peg Tristram will continue Beginner R/D Class in the Fall - more on that later. Until September...Happy Summer Dancing. Maggie/Bob Brown 201-756-6024

Never leave home without it! Always carry a S/D outfit when you travel. Recently I visited my son & family in Dhahran, Saudi Arabia. Optimistically I took along my S/D clothes. After many phone calls my son found out the last name & phone # of the presidents of the local S/D club. Imagine my surprise when I called & talked to PHIL & ROYNA THOMAS. They are former NJ residents who had served on the Executive Board of the NNJSDA. They left for overseas shortly after I became a member of the Board. We had only met a few times here in the US, but meeting them so far from home was like seeing 2 more members of the family. My trip was the most interesting & exciting one that I have ever taken, but the icing on the cake was square & R/D with the Thomas's & the new friends I made there. I am now an honorary member of the Arabian Hoedowners. It's a small, small world. Phil & Royna asked me to say "HELLO" to all their friends. Fran Cashill
