From the desk of JOHN & MARY AQUINO,
presidents NNJSDA

Congratulations to Richmond Dancers, Somerset Hills and Spinning Wheels of Wayne for winning the 1984-1985 "ONE SQUARE IS FAIR" Award. These clubs had at least one square at all of our NNJSDA Specials. Honorable mention goes to the Country Promenaders, Hill City, Lakeland Squares and Rutgers Promenaders.

We started working toward our 1985-1986 "ONE SQUARE IS FAIR" Award with the Warm-up dance on August 31st, with nine

clubs having at least one square. We would love to see all of these clubs receive the award next year. Keep up the good work.

By the time you are reading this, we should already have had our Booster Ball, which goes to help pay for this Grand Square. Also, the Mini-Festival should have taken place. Many hours of voluntary service goes into the planning and workings of these dances. The rewards for these dedicated workers are a large attendance by you, the dancers! We hope you were one of these dancers that got out and gave your support to make these dances a success. We would like to give a GIANT thank you and congratulations to Doc & Peg Tirrell for giving their time and dedication for serving as Grand Square Editors for 20 years.

With the holiday approaching, it makes us stop and think how much enjoyment we get from giving. It is so much nicer to give than to receive. We like to think of our wonderful Square Dance activity in much the same way. We feel we have received so much from S/D. The fun of lessons and dancing, the pleasure of meeting and becoming friends with so many wonderful people. If we stayed in the activity forever, we would not be able to put back what we have taken out. We want to wish you all a very happy, healthy and joyous holiday season.

A SHOT IN THE ARM

A letter has been sent to every NNJ presidents spelling out Blood Bank procedures and asking for their help in getting representatives. Since it is difficult to get 40/50 donors together, we have obtained a listing of all the open dates in every community and we are asking you to donate on those dates at a convenient location. Just remember to tell the registrars that you are donating for NNJSDA, group #9192. If we can get a large enough group from an area, beginning next year, we will set up their own special date. With all the fear and mis-information about AIDS, the supply of blood/blood donors has declined. Blood is urgently needed. We will send out material to the clubs to clear up any misconceptions. To remind you: every member of NNJSDA and their immediate families are covered by our blood program. It is too valuable to fall by the wayside. If you give blood through your work, etc., why not donate for your fellow dancers at least once a year. There are many dancers who do not belong to any program and by donating through our group, you can show that you do care. Meanwhile, if you have given blood for NNJSDA or have helped out on a donor date and have not received your B/D dangle, please let us know. This is one to wear proudly!!!
 Sylvia/Burt Caplan Blood Bank Chairman 201-679-8079

P.S. Although the Grand Square does not encourage people to gamble, we must mention - that if you had played our blood bank number (#9192) in the Pick 4 lottery, you would have won \$219.50 in September, as some did.

In spite of the heat we averaged over 19 sets at MS dances NNJ sponsored this summer. Were YOU there????

WRAP UP REPORT 1984 - 85

Thanks to a fantastically dedicated staff yee editors were able, in spite of an overflowing calendar, to meet all deadlines on time! Our 3 area reporters & advertising editor, being old hands now, made sure all materials were on time & our distribution folks were usually available to count, tie and bundle. But without Mary Anne Mosseau typing club news and Chuck Mosseau helping on ads, etc. we never could have succeeded. Deadlines do not respect holidays and midnite oil burns late!

This fall as we begin our 21st year editing, we welcomed Dave & Naomi Sandt who volunteered to replace the Hansens who are moving to FL and a new typist Shirley Sherlock replacing Mary Anne now in Glen Falls, NY. For this issue, Shirley, with instruction book open and handy, used her brand new typewriter. And what a joy these new electronic marvels!!! I can't wait to have a chance to try it out! Even has a speller? Did you notice??

Our season got off to a great start with the wonderful calling of Wayne Applegate. It was a pleasure to greet old faces and to meet some new faces. We have very high hopes for an exciting year. We are also

pleased to announce that we are offering a special discount for our dinner dance - based upon attendance at our dances during the season. The more dances you attend, the more money you save. Save the 4th Sunday in December for our annual "Make a Child Happy Dance". Admission will be one toy per serson - to be donated to local charities for Chanukah and Christmas. New graduates are encouraged to attend our dances. The fee of \$1.50 entitles you to dance in the plus workshop tip and one mainstream tip. A perfect opportunity to have some fun and to get involved in club life. WISHING EVERYONE A HAPPY HOLIDAY SEASON

Many thanks to all participants in our 3 summer demos and at Bridgewater Methodist's Harvest Hoedown. One very hot/steamy afternoon demo nearly melted us but it was cheaper and more fun than a sauna! Many of the enthusiastic spectators are showing up in our

classes which are followed by Plus workshops. Correction, please: Our A1-A2 program is on 2/4 Sundays (6pm to 8, workshop and 8-10 dances).

Our Halloween costume dance (desired, but not required) amused everyone with the good humor and inventiveness of our dancers. Costumed dancers received special dangles. We look forward to a Style Show and a Pre-New Year's Eve Dance as well as to a full program of interesting callers, cuers and activities. (see ad)

A special Thank You to Bob Allen, who so graciously substituted for ailing Glenn Cooke. We all wish Glenn a speedy and complete recovery. Also, our deep appreciation to Rose and Bud Weisen, who cued that same evening keeping their commitment to us even though they had just received the devastating news of his mother's death. Our sincere sympathy to you and yours, Bud, at this sad time. In square dancing, distance matters less than the good fellowship of friends and the fun of dancing to fine callers and cuers. We love visitors, so join us.

Our fall season got off to a rousing start - welcoming members and guests back from their summer activities at our Kickoff Dance with Bob

Mitchell. Then, we hosted 3/4 sets of potential new dancers at our Open House. Almost all signed up for our beginner class. (teachers Paul Brody and Dot Loewenstein). Head angels for this year's class are 1985 graduates Donna/Nordan Murphy and Doris/Ed Stoeffels, directed by 2nd VP Marion/Fred Meyer. Club treasurers Ronda/Dave Lawyer had an exciting summer with lots of travel in connection with Dave's participation in the World Masters track championships. Dave won 100 and 200 meter events in Rome, in Baden, Switzerland and in Indianapolis. He is considered the world's #1 sprinter in the senior age category. We wish Marj Gould-a speedy recovery and a rapid return to dancing from the shattered elbow that she suffered at the fireworks display. We invite all who enjoy friendly mainstream dancing to join us at Glen Rock High School on 1/3 Wednesdays, with rounds by Jeanne Brody on the third Wednesdays.

Forget the "new" location, we told you about in the last issue of Grand Square. WE'RE NOT THERE!!!! But we are dancing at the Community Church, Harriot Ave., in Harr. Pk. The church hall is large and airy with a beautiful parquet floor. The

stage in our new dancing hall is just the thing that Joe and Hank needed to perform their "Rap Song". (give these guys a microphone and they are pure entertainment). Hurricane Gloria didn't stop us from enjoying our first dance of the new season. After the winds had calmed down and the moon was shining through broken clouds—our hearty mainstream dancers found their way to our new location. We welcomed many new members that evening with Circle Eight badges. Edith Kolb's kitchen was filled with a variety of donated delicacies. It is with much sadness that we tell you of the death of Carl Jud. Carl, at the age of 78, was one of the most visible square dancers in our area. Carl's tall, lanky figure and gentle attitude will be missed by all of us in the square-dance family.

Lessons this year are at the Edison High School, with Brian Fugere as class instructor. An enthusiastic class is enrolled. The angels have responded in true C/P spirit to help and encourage our new students. We are happy to report that Grace Bishe has recovered from her recent surgery and has resumed dancing. We had a demo in July at Echo Lake Park for the Summer Arts Festival Country Western Night. Brian Fugere called with 3 squares. There were about 600 people in attendance with lots of interest shown. We were presented a "Certificate of Appreciation" from the Union County Department of Parks and Recreation. Our club would like to offer our Congratulations to our own Helen/Frank Cavanaugh for receiving the Circle of Service Award for dedication and unselfishly giving of their time for furthering interest and recognition in square dancing. As you square up for the new season remember to invite the new dancers into your square and make them welcome. For it is on them, that we depend to continue and expand our enjoyment of square dancing.

One weekend during late August, 7 C/B couples enjoyed dancing in Canada. No language barrier in Montreal. For the first time, Solitaires and Covered Bridge are having their joint class on Tuesday nights, thru the Bloomfield Adult School. There were about 3 sets

of students who enjoyed Pal Johnson's teaching. They walked out "a smiling and laughing" after ending with a Grand Right and Left around the hall. Pal had substituted for Brian Fugere, who had had an operation. We hope Brian will be fine from now on and we thank Pal for his coming to our rescue. On Monday nights, we are having Plus classes in Nutley, taught by Bill Anderson. Hurricane "Gloria" cancelled our September dance. We hope besides the problems and destruction she caused, it ends the water shortage for now.

After doing a few demos during the summer, we had a successful Open House with many newcomers attending. Paul Brody alternated tips, allowing the guests to dance. We were pleased to have the able calling of Earl Johnson in September. All the dancers enjoyed themselves. Our club did a demo at the Roseland Historical Society. Dick Maddocks has started our class. The costumes were terrific at the Annual Halloween Dance. Prizes were awarded. All of us at Cross-trail Squares were sorry to learn of Tony Zaccagnio's death. So many moments of happiness have been shared in his square.

Another summer has ended and a new season is well underway, under the leadership of Sallie/Jack Trainor, presidents. Our club caller, Brian Fugere, kicked off the start of our season with an Open House. Guests were treated to some "mix-

ers" by cuer Jean Kellogg. As always, the home-baked goodies were very well received. That same afternoon, we participated in the Elizabeth Festival and met some guests, who came to our evenings' dance. We did a demo in Westfield. What enthusiastic S/D Boosters!! Speaking of enthusiasm,---our club's support of square dancing is illustrated by winning the attendance banner at the first NNJSDA Dance of the season. We kept AND BETTERED our "One Square is Fair" pledge!!!! Our class has been moving along on Tuesdays, at Connecticut Farms School, Union, with Andy Woerner as instructor. When the Union Boys and Girls Club building construction is completed, we will move there for our lessons. And plans are still underway for our New Years Eve Dance with Joe Fioretti calling and the Rumbles cueing....plus a New Years Eve Preview with the same cuers/caller early in December. Watch it-"your club might be our next raid target"!! You will be seeing more and more of us at demos, raids and NNJSDA Dances. Why not come dance with us? Experience our brand of hospitality, our latch string is always out!!!!

There's a chill in the air, the leaves are turning into their beautiful fall colors, the last of the camping and square dancing has come to an end for this year. We have had a full Spring, Summer and Fall of Square Dance camping in NJ and PA campgrounds. Our September campout was at Otter Lake in Marshalls Creek, PA., with Bruce Williams calling and Carol/Jack McLaughlin cueing. While October's was at Colonial Woods, in Upper Black Eddy, PA., with Fred Fields calling and Margaret/Tex Shipman cueing. As we come to the end of our season, we will remember all of the good times we have had. The Garden State Square Dancers and Campers Chapter 001 will be host in the 1987 National Camporee. The theme is "New Jersey's Heaven in '87". Co-Chairpeople are Helen/Carl Ostertag and Wanda/Stan Blanchard. The Blanchards were at the 1985 Camporee, traveled through some of the west and have lots of stories to tell. P.S....if there are those of you, who would like to organize a Chapter of Square Dance and Camping Club, we have the information to help you.

GRAND PROWLERS

Sad but true—this time the rumor of Grand Prowlers demise is correct. Especially sad for G/P which should be celebrating it's 25th anniversary—is closing the door on what was once a vibrant, enthusiastic, overflowing with members, club. G/P, in its' heyday out in the far western part of NNJ territory was an innovator—picnics, trips & many special events for it's members. About the same time their classes became unprofitable, in the late 60's, & long before Callerlab came into existence, G/P decided to become a club for the more experienced dancer. Realizing this meant former members would have difficulty rejoining, the Kellers began a catch-up program on the same night, in the same building & with a local caller. As more dancers came into being, other clubs formed. Now there was a choice of nights & places to dance. Through death, retirement, job changes & natural attrition—G/P lost many members. Again a valiant few—especially, R/D leaders Grace/Walt Pennie, struggled to keep G/P afloat...but it was a losing effort. WHAT LESSONS ARE TO BE LEARNED???

A special welcome to Jane/Jack Fisher, who took a sabbatical last season due to a health problem. Come and share our winning combinations--super square dancing and callers plus excellent R/D cuers. We were saddened recently by the illness and death of our dear friend and long time Hill City member Tony Zaccagnio. Tony will be missed by us all. Cold winter days and colder winter nights are upon us now - but there is no better winter warm-up than square dancing and thanks to our presidents Jean/George Hagmann, we have a holiday & winter schedule that will provide many opportunities to do just that (see our ad in this issue). So come on over to Jefferson School in Summit - square up with Manny Amor...round up with Grace Pennie - warm up with the Hill City Squares. HAPPY HOLIDAYS !!!

The program of Mainstream on the 1st/3rd Thursdays with Mike Foley calling and the PLUS on the 2nd/4th/5th with Dick Pasvolsky,

is working out very well. Our two demos in September, certainly made more people aware of Square Dancing. We danced in Elizabeth at their Septemberfest with audience involvement. Bob Robinson did an excellent job of calling. We participated in the 75th Anniversary Parade of the Township of Moonachie--halting the parade a number of times to dance. Many flyers were handed out along the parade route...we could say that we did 'Reach Out and Touch Someone'. Our first raid of the season at Lakeland Squares was great fun - seeing ole acquaintances and making new ones. Open House was a huge success with many prospective dancers for our new class. Looks like Dick Pasvolsky and our class coordinators Alana/Frank Barr & Kay Lisa are going to have a busy time adding to the swelling ranks of happy dancers. We are looking forward to our Third Annual Super Sunday Special with Marshall Flippo in December. Come - join us at our Holiday Dances so that we can wish you in person..... Happy Holidays and good luck plus Happy Dancing in the New Year!!!

It is a delight to be back dancing. We are planning all kinds of events for everyone; New-comers and old friends. There is always something new that makes square dancing so rewarding and challenging. A great place to enjoy yourself in a funfull-friendly atmosphere. Our new season had a tremendous

start with the lively, scintillating, rhythmic calling of Manny Amor and Raymond Lehberger. Our round dance cuers, Shirley/Frank Bellotti are planning a teach to acquaint those less accomplished and all new-comers, with the basic steps in round dancing. Sounds enticing and full of fun. With the holiday season on the horizon-adding a touch of splendor, spirits will surely soar to greater heights. Come and be a part of our joy with the great callers and extra good goodies we have planned for your dancing pleasure, A HAPPY AND JOYOUS HOLIDAY TO ONE AND ALL.

The fall season is getting off to a good start. Our dance in early October, with Dick Pasvolsky calling, was well attended. The reunion dance for former Kings dancers, brought out some of our dancers, who wished to resume their dancing activities. Our November dances featured Ralph Stapenell and Betsy Gotta. Our beginners' classes, with Sybil/Bob Tobias in charge, will be held every Thursday. Our plus workshops, under the direction of Pat/Bernie Monsen, got underway in September, with a very enthusiastic group of dancers, who desire to become more proficient in Plus dancing.

Our manning the refreshment stand at the Bloomsbury Balloon Race was a howling success. BUSY!! We had a very successful demo at the West End Fair, considering our competition with the Cramer Brothers Band. Two squares were

present and our caller, Dalt Young, was back after his heart operation. He is doing well, Thank you. Another of our dancers, Joe DeCanio, had a by-pass operation and is back dancing and doing very well. We are solidly into the new dance season. A barn dance was held in an effort to interest folks in joining our class which has since started. We have enjoyed the cueing and calling of a number of the masters of their arts at our club.

We hope it was the same with many of you as our guests. Peg/Joe Dockry, are doing a great job with the R/D lessons. I must refer to those in attendance as the dancers now-rather than the class because they are doing so well. In saying that, I would not want to discourage anyone who might be looking to learn round dancing with Peg/Joe however. They would love to have you join our basics group. We are planning raids--we do love to prowl. This is our 25th club anniversary. We plan a big happening and hope many of you can enjoy with us. Look for our ads and fliers. In the meantime, do join us-we will try to make each a nice happening.

By the time you read this, the unusually hot month of September will have been forgotten.....Carl Hanks, even had to take off his jacket! At Roundup, Queen Squares won free dance tickets for the most guests. More than 50 people have

signed up for classes, taught by Joe Fioretti. We wish Joe and his wife, Betsy, the best with their new baby. We had 17 sets at our "one nighter". At a condominium-complex demo, we signed up more students. We've received quite a bit of publicity this fall. Burt Caplan was interviewed on the Bill Emerson talk show on WCTC. The Sentinel, did a feature story on the club and a front page color picture. We invite you to our "Turkey Shoot" in November with free turkeys. In December, we will conduct our fourth annual blood drive and our club newspaper will have a special page of greetings from all our members/friends, who donate at least \$10 to Grand Square!!!! With all the positive things happening in our club, we are sorry to announce that Bob Ahlers, suffered a stroke. We are all praying for his full recovery and return to square dancing. Happy Holiday to all our frinds!

Doesn't it feel great to be back on the dance floor? Our new season is in full swing and our dances are well attended. One of the nice things about square dancing is making friends but it is sad to lose a friend. Square dancing in this area-lost a good friend when Tony

Zaccagnio died recently and the members of Mountain Squares send sincere sympathies to Sue and family. Many of us can recall being helped by Tony and Sue when we were learning and he will be missed. At the Greenhill Memorial Home, West Orange, in October, members and friends of Mountain Squares put on a demo which was thoroughly enjoyed by the residents. If you enjoy A2 dancing, why not come over and check us out?

All dancers know that whenever Bruce Busch calls for us, he brings along some rainy weather. In September, Bruce outdid himself. AND our dance, along with almost all other activities in New Jersey had to be cancelled. ???

In October, 5 sets of new dancers graduated, with the occasion marked by a covered dish supper so that old and new dancers could become acquainted. Their instructor John Kephart has started a series of mainstream dances. These Thursday night mainstream dances will continue weekly at the Nottingham Ballroom in Hamilton Square. Of course, we still have our regular club Plus dances Friday. Wednesday continues to be class night and Tuesday is the night the Rumbles teach Intermediate rounds. Many of you have danced with our new caller John Kephart and love his calling. Did you know that he is also Sergeant First Class and stationed at Walson Army Hospital in Fort Dix? There he is in charge of the Records Room, Patient Admission Division. AND would you believe that he only started dancing nine years ago? He joined service clubs in Okinawa and then, in Japan. When one of the callers there knew that he would soon be transferred, he decided to teach a caller-class, so that everyone could keep on dancing after he left. We think that John must have been his star pupil

Question: When should I pick up my copy of GRAND SQUARE???

Answer: Clubs meeting immediately after G/S distribution always receive more copies than membership so that EVERYONE at the dance may take a copy. If your club runs out, contact Editors for more publications.

CIRCLE OF SERVICE

An award for DANCERS only was introduced at the LEGACY panel on Awards & Recognitions at the NSDC in AL. It is for dancers who, for 3 or more years, have made a significant contribution to the square & r/d movement. The stellar hub of the circle, formed by a pattern of arcs symbolizes the importance of each individual to the total picture. The same circular shapes flow outward to help define interlocking squares & stylized musical symbols. This linear interplay suggests the strong bond of interdependence between the two "sister" dance activities, square & round dancing. Only those who have been so recognized may present the award to another well deserving dancer. But R/D leaders Doc & Peg Tirrell were given special permission by LEGACY to present the first CIRCLE OF SERVICE award in NNJ to FRANK & HELEN CAVANAUGH at the SDCNJ dinner dance last August. CONGRATULATIONS Frank & Helen!

Our first dance with well over one hundred in attendance--Bruce Busch calling, Jeanette/John Green subbing for Tirrells on rounds---- heralded a great beginning for us in '85/'86. Now, in November, 3 dances later, we're in full swing and making plans for our New Year's

Eve gala. Flip to our ad on page 53 for details. We invite you to join us then, as well as at our regular Saturday night dates, twice a month, for A2 APD dances at their most challenging and enjoyable level. You'll be so glad you did !!

Our class has started. What we lack in quantity, we have much in quality. Our "Rookies" are doing very well under the fine guidance of Wilson Hoff. We had a demo at J.C. Pennys to show the world that Square Dancers have fun!

We raided Kuntry Kuz'ns in September and Lakeland Squares in October. Our raid coordinators, Ruth/Frank Pagano plan a raid each month, so we will be seeing most of you sometime this year. Maggie/Dick Vatter, past presidents, have moved to Keene, NH. They tell us there's plenty of square dancing there, so C'MON UP!!! We'll all miss them very much but wish them much happiness in their new home. SEE Y'ALL DANCING !!

If the definition of the word CALORIE is checked in the dictionary, it will read "refer to Richmond Dancers' Dessert Dance". It was not an EAT-IN, it was a PIG-OUT

--and we enjoyed every delicious, homemade morsel. Thanks to the calling of Wes Morris and rounds by the Bellottis AND especially to all the dancers which made our kick-off a huge success. We look forward to our Thanksgiving Dance with Ted Knauss and our Christmas Special with Joe Landi. Our club was congratulated by NNJSDA for their "One Square is Fair" participation. Our members turned out for demos at both the Richmondtown and the Stapleton Festivals. The demos generated much enthusiasm. We were rewarded with a few students for our class. Richmond is a viable club! Our beginner's class (RIOS) is progressing nicely. With the encouragement of our angels, BLESS 'em. Our students are enjoying themselves while learning to dance. Congratulations to 1985 graduates Charlotte/Bob Landry, Dot Ford and Fred Martino, receivers of Freeloader Badges from NNJSDA. We applaud all of our members who stimulate interest in our club. With their support and guidance, there is nothing we cannot accomplish.

Together we mourn the passing of TONY ZACCAGNIO. S & R/D enthusiasts and stawich supporters of the Association - never seeking the lime-light, Tony & Sue could always be counted on to help. It is folks like the Zaccagnio's who help keep our activity fun & friendly. CARL JUD passed away suddenly as we went to press. Altho Carl came to S/D in his later years (having heard so much about it from his sister-in-law) he had made many friends who will miss him.

The Sets in Order AMERICAN SQUARE DANCE SOCIETY

The December 1985 issue of SQUARE DANCING will bring to a close 37 yrs. of continuous publication. The Osgoods have determined that rather than transfer the ownership/editorship to someone else, they would simply ring down the curtain on a publication that has chronicled a vast era of s/d history. It will not be a complete retirement as the Osgoods will need a couple years to get the archives in order. They'll still handle sales of their products and operate the American S/D Society which maintains the Hall of Fame, Silver Spur Awards & scholarship program. And they'll now have more time for CALLERLAB and LEGACY. The Burdicks of SQUARE DANCING magazine will be fulfilling any incomplete subscriptions.

We wish the Osgoods many happy years of retirement"

Our barn dance in September drew over 30 potential trainees. Under Betsy Gotta's expert tuition our guests clearly enjoyed the evening. We hope to see them at our

joint classes with Covered Bridge. When past prez, Bob Kassinger, was over on the West Coast this Summer, he dropped in on past pres Sue Deacon and found her in good spirits dancing in Everett, WA. Several members, including Terry, Carole and Anne, braved the National Singles SD Convention and found former members Dan Shapiro and Flo Capozzio. Solitaires welcomes two new callers to the club, Andy Woerner and Stan Sikora. Wish them luck!

Somerset Hills is off to a fine start in our 23rd year of square dancing. Bob Tarrant called our Homecoming Dance to a floor of 10 squares of enthusiastic square dancers!! We have never been

a club that lets it's square dancing shoes gather dust over the summer. We were well represented at the Bloomsbury Balloon Race in August and the Heritage Day celebration in Morristown plus a demo at Madison's Bottle Hill Day in September. Our demos and advertising (yes, that was a Somerset Hills ad you saw on Sammon's Cable channel 3 and heard on WMTR radio) attracted about two dozen students to our Beginners Class. They are eagerly learning under the practiced tutelage of Bob Tarrant and the enthusiastic guidance of vice-presidents Padavano, Aloia and Kemps. A goal for this year is to turn out first class dancers complete with club spirit. Class level dances and class-club raids are some of the activities planned.

We have been very active and anyone is welcome to join us. August marked the 20th anniversary of the Big Top Weekend. Les Meyerberg, as Miss Big Top, and Michael Bianco, as Most Sexy - walked off with top prizes. Our one square at the NNJSDA warm-up dance agreed

that the good dancing made the trip to South River, N.J. worthwhile. A special word of thanks to caller Bill Anderson, who led us in our demo at the Richmond Town Labor Day Fair. Tom/Chris Piciocco did an admirable job in chairing our annual Barn Dance. Guest caller, Joe Fioretti made the dance interesting and exciting. The highlight of our summer was performing at the Staff party at the U.N. Building in New York City. With the help of Ralph Trout, three sets danced. Our compliments to Frank/Margaret Birmingham, who made the arrangements.

Dolores/George Pascua, class coordinators for Staten Island's combined class "RIOS" - are looking for angels on Tuesday nights at the church hall. Anyone wishing to brush up on the Plus figures, may come a half hour early for a special workshop. Remember, we dance for fun and friendship.

Our club is in full swing now and we are excited about the new season ahead. First of all, our new beginners class was full of wide eyed newcomers. They were a little nervous the first week but

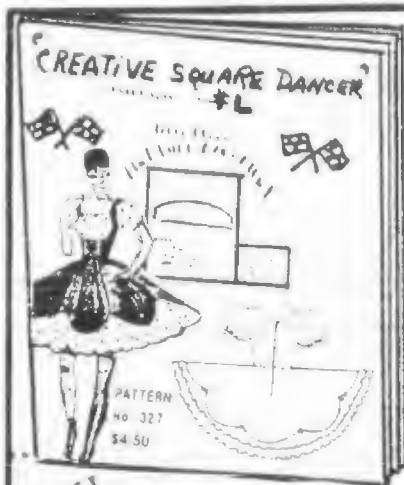

couldn't wait for the next weeks class so they could return to see if they had remembered their first lesson. No problem, the second class was just as much fun and it really looks like a successful beginning.

The welcome back dance was great. New babies have been born..... Proud parents and grandparents showing off pictures and sharing the summer news. My how fast it becomes a memory. Our fall activities are always fun with the Autumn Special Dance with Dick Pasvolksy and the Crazy Hat Dance with John Kaltenthaler. We will report the winners of the Halloween Dance in our next issue. Check our ad for the coming events. Some activities need reservations so we can find room for all of our guests. WELCOME to the new dancers. We are looking forward to seeing you real soon.

The holidays are just around the corner and we're almost mid-way in the dancing year. Behind us are the Open House dance (postponed because of Hurricane Gloria) and the annual Halloween dance. More

and more couples are adding to the fun of costuming - maybe you will be amongst those 'in cognito' next year. We added a new feature this year ...of presenting a birthday cake to someone present-whose birthday fell during that month. Plan to attend during your birthday month and perhaps you will be the lucky winner of a cake. Just a little reminder in case you're planning to raid us.....raiding clubs pay the reduced member price; also, the last tip of the evening will be PLUS tip. Some of our dances will have additional added surprises, so why not come and join the fun and friendship of our club. We take this opportunity to wish all a happy holiday season.

THE RUFFLE POCKET.

A very feminine pocket can be added to your skirt by using my ruffle pocket design. If you are making a new skirt, self fabric can be used, if you wish to perk up an old skirt, a contrasting color may be used.

Cut two (2) circles of fabric with a 6" inch diameter, and one (1) circle of interfacing, light weight or iron on.

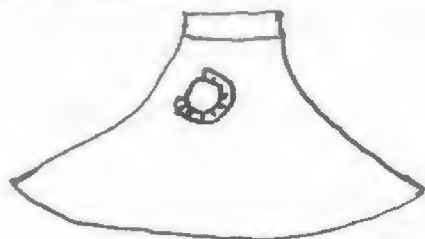

Sew circles and interfacing together on wrong side leaving a small opening for turning fabric. Clip edges for a smooth circle, turn and press. Hand sew the small opening. Mark by pinning or basting a five (5) inch opening for the hand.

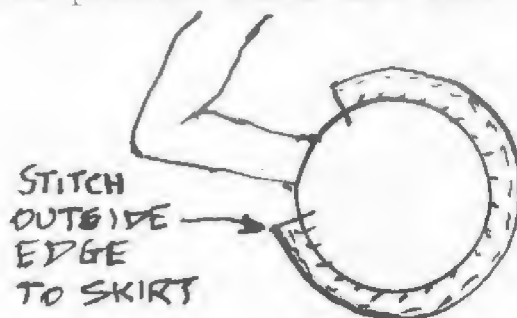

Cut a 36½" inch strip of fabric 2½" inches wide on the bias. Fold in half and press. This becomes your ruffle. Gather the raw edge to fit the pocket starting at pin or basting stitch, end at second pin or stitch.

Sew the gathered ruffle onto the pocket with the raw edge inside.

THE LACE DOILY.

Another nice addition is the lace doily pocket. This can be backed with a matching or contrasting color or the hue of the crochet thread. A square or circle, used at an angle, adds a nice touch. Garage sales or flea markets usually offer a variety of doilies if you do not crochet. Many of the pieces can be used to decorate a neckline for a new look.

My thoughts and your expertise will help to create your new look outfits.

If you have any ideas you wish to share with our readers please write to me. Any worthwhile idea for square dancers sewing will be considered and your name used with the idea.

SQUARE DANCE COUNCIL of NEW JERSEY (SDCNJ)

At its biannual meeting in October, new officers were elected. Outgoing presidential couple & guiding light of the SDCNJ, Frank/Helen Cavanaugh, were thanked for all their work in bringing the dream of a Council where every facet & organization within the S/D activity in NJ could send a delegate to discuss matters pertinent to all. Still in its infancy, the SDCNJ publishes a directory of state callers, cuers, prompters, cloggers and a biannual calendar including all important dates of member organizations. Publicity, promotion, & leadership programs are other areas the Council is beginning to focus its attention. Next meeting- Spring '86.

On September 8, a small, but enthusiastic group of dancers enjoyed the CCNJ "Warm Up" dance. Our next event will be a special dance on February 23, 1986 called by Bob Howell of Cleveland, OH. You will surely want to mark this date on your calendar. CCNJ has an excellent educational workshop program for its members this year to continue to improve our teaching and calling skills. Please call if you would like to attend one of these workshops.

ROUNDALAB a professional organization for R/D teachers was formed to promote, protect & perpetuate the general R/D movement as a complement to the overall S/D picture. Its annual meeting is the Sunday, Monday, Tuesday immediately prior to, & in the same city as, the National S/D Convention. The Universal Round Dance Council (URDC) is an organization composed of both R/D teachers and dancers with basically the same goals. URDC sponsors an annual R/D Convention the end of July. Since the goals of both ROUNDALAB & URDC are supportive of, and in harmony with, each other, representatives of both organizations met in June to explore areas of mutual interest and cooperation. Both organizations have since adopted the following joint creed: "We believe that the ultimate goal of an organization in round dancing is to help round dancing grow and flourish. We believe that we can promote, protect, and perpetuate the activity by cooperative effort of teachers and dancers to increase the enjoyment of round dancing by all dancers from Beginners through Advanced." Five proposals, dealing with round dancing and the activity, were also adopted unanimously by the membership of both organizations. The URDC Convention will be July 23,24,25,26 1986 in Kansas City, MO.

CENTRAL NEW JERSEY SQUARE DANCERS ASSOCIATION

Our Fall dance with Tom Miller will be history by the time you are reading this. We will be having a Spring dance in April with Clint McLean. Our Organization is growing slowly but we need more class members because without them, our clubs would not be able to continue. Election of officers will be coming up in December & in January, there will be an installation dance. Contact Dave/Joan Cavanaugh, pres, 612 Illinois Ave., Brick, NJ 08723 (201-458-4579 for info. 53

ROUND DANCE HIGHLIGHTS - - - - Anne Gallo, NNJSDA R/D Liaison

New officers for the Council this year are Carol/Jack McLaughlin - Moderators; Jeanne/Paul Brody - Secretary and Peg/Doc Tirrell - Treasurer. Good Luck!! Roundalab awards were recently presented to the Tirrells for 25 years of teaching, the Pennies for 15 years, the Shipmans and Greens for 10 years, the Shearwoods for over 3 years, the Brodys for 3 years, and the McLaughlins for being assistant editors of the Journal. Congrats!

Jeanne Brody and Jack McLaughlin donated their time to cue the rounds at the Grand Square Boosters Ball. Thank You. A pleasant surprise was in store for the McLaughlins when they discovered that a dance they had choreographed, "I Found You", was #9 in the nation for the month of April 1985. Please put April 6, 1986, on your calendars for the Spring RDL with two halls in New Jersey. See you (in) a'round!! 201-539-9205

Sometimes clubs pass on a special club treasure to out-of-town guests to bring back to their home club. There, after adding their club identification, it is passed on to another out-of-towner...and the cycle repeats & repeats. Usually a little diary or letter accompnys this symbol of friendship and, if the club is lucky, eventually this symbol returns

home. Well in '83 Belle was given to Belles & Beaux by a similar named club in Frankfurt, Germany. Belle's diary tells of her travels to PA,VA, Hawaii,WA,CA,WY,ID,CO, Japan. She's been to festivals, participated in fashion shows! In AL at the NSDC, her hosts spied the NJ in the Corral sign and asked the owners to reunite Belle with Belles & Beaux in NJ. Which as you can see by the pix, they did. Just in time for Peter Voss who was heading back to Germany that week to complete her round trip! Talk of your perfect timing!!! Several years ago, at a SI Round UP, Cross Trail Squares started a Friendship Box. They were hoping to get it back in time for a special anniversary. Do YOU know where it is?? If so, contact Ed/Ruth MacElroy 65 Park Street, West Caldwell, NJ 07006. Thanks

Sadly, with a touch of nostalgia, we wrote about GRAND PROWLERS & SWINGIN' STARS...but we know other clubs are tottering. Drop outs are a problem, assimilating graduates into clubs is difficult; officers and workers are hard to find; problems with the club program abound. And then there are those clubs that are overflowing with happy, contented dancers - all working well together, etc. What are the magic ingredients for success or the failure of our clubs???

Those of us who have been around awhile know that NO club is safe - a successful club can just as easily go downhill in a few years. What are the necessary elements for a successful S/D club and KEEPING it that way? Feeding in new blood? Encouraging new members to become involved with minor jobs, eventually leading up to leadership? Keeping the eager dancer from burning themselves out? Gradual changes in Executive Bd. so it won't stagnate? Extending the hand of friendship at club & at home?

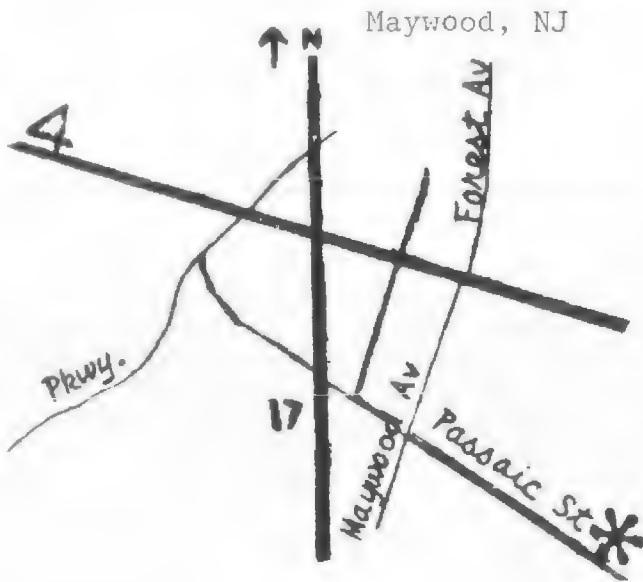

These and other problems are not peculiar to our area - it is of national importance involving many people and causing much concern and discussion. Yes! People are not only talking about it, but some are trying to do something constructive. CROSSFIRE, brain child of Jim White of Promenader Shoes, composed of leaders from all over the US, is solution orientated, will meet, at their own expense, Nov. 24-6 in GA. The Heymans & Tirrells will be attending. They welcome your input.

As usual, dancers enjoyed not only our club caller but the superb guest callers: Stan Sikora and Paul Brody, who filled in while the Loewensteins were observing the Holy days and took a trip to Israel in November. Several club members will be joining the 1986 Scandinavian Square Dance Trip, sponsored by Belles & Beaux and led by the well-travelled Loewensteins. Did you notice almost every club included a map with their news? Since yee editors had forgotten to remind all to shorten their reports accordingly, we were a little tight again on space and omitted several features. If you find a map in error, please let us know. To those who missed deadline it WAS mentioned in last G/S & at Delegates Meeting. NEXT deadline is December 4 and will feature all the class level dance opportunities for the classes - if you get the news in to us. Talk of your dedication - Shirley Sherlock, our new typist, brought her brand new S/D 300 Smith Corona to do club news. And with direction book in one hand and club news in the other she learned as she typed. Sure wish I'd had time to use it too....love that speller!!! Deer Santa, I know what GRAND SQUARE wants for Christmas. Happy Holidays to all.
