From the desk of

JOHN & MARY AQUINO, NNJSDA Presidents

We hope you all had a very nice holiday. Now back to our Square Dancing (and diets for some of us).

Our 11th Mini Festival was a great success with over 45 squares in attendance including 5 sets from Country Promenaders. A beautiful time was had by everyone there. If you were not there you really missed a good time.

Our Fall Special at Somerset Community College was also well attended with over 30 squares. What a thrill to be there and see 12 clubs with one square or more march in the grand parade. The smiles and enthusiasm from all the dancers was a sight to behold.

We were very happy to see that the 12 clubs were from Mainstream, Plus and Advanced Dancing clubs. Of course we realize that every one could not be there, however we would like to see the day when we have one square or more from all 42 clubs in the Association at a dance. Maybe at the next two dances this month when we hold the Class Level dance or our Special with Anne & Joe Uebelacker where we expect to have a Plus and Advance dancing if we can find a location with two halls.

February will find many clubs holding a Presidents Night honoring all Club Presidents. We plan to attend as many as possible. Our Club Presidents and all other officers give a lot of their time and energy (and expense) to keep our clubs running smoothly and profitably. Help us honor them by attending as many dances as possible.

Once again we are asking our more experienced dancers to come to the Class Level Dance at the end of this month and welcome the newest members of our Square Dance World. Our ranks are slowly dropping and we need all the help we can get to insure that Square Dancing will survive in our area. Also we are sure you will be well rewarded when you see the surprise and happy faces on our future club members, as they make it through the tip with just a little guidance from all of us.

And a message to our new student dancers - We know that you feel a lot more comfortable with the people you are now taking lessons with, but please do not just square up with your classmates or other new dancers. Come join us or any of our experienced dancers in a square, We would love the pleasure of your company.

TAX INFORMATION for Clubs & Organizations.....

We are all well aware of the fact that income tax time is not too far away, and the question has been asked how some of the clubs are reporting the revenue paid to their callers/cuers. Vic/Peg Wills (Past Gen. Chr. of the Philadelphia NSDC) wrote about an interesting article published in the TEXAS STAR. It says

the two most frequently asked questions are: Does our Club need to obtain an Employer Identification Number (EIN)? And Do we have to file a Form 1099 on the caller/cuer? The article went on to say that any organization will need an EIN if it has any of the following:

1. A Bank Account.
2. A Savings Account.
3. A certificate of Deposit.
4. Pays an individual \$600 or more per year for services, and is required to file Form 1099.

To obtain an Employer Identification Number from the IRS, you file a Form SS-4 with the IRS Center. If a question does not apply, write in the space N/A. To obtain a blank form SS-4, call toll free 1-800-442-1040 & ask for one to be mailed or stop in at your local IRS office.

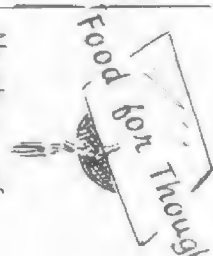

The article goes on to say that if the caller/cuer is paid \$600 during a calendar year, a Form 1099 should be filed....for each person it pays \$600 or more. Failure to file can result in a penalty.

Vic/Peg Wills can be reached at PO Box 2067, Ocean City, NJ 08226-8067 or by phoning 609-399-2389.

For the time being we are asking all clubs to donate blood in the Association's name at already established donor dates and places. At our meeting with the Red Cross representative the end of November we finally obtained the tentative schedule for open dates throughout NJ. Now we are busy trying to match dates with clubs for Jan/Feb. Meanwhile, we know that some NNJSDA members are giving blood in the name of the NNJSDA. Please ask the Red Cross people to give you the blue copy of the form. Fill it out and send it to us. This form, kept in our file, will not only let us know who is giving blood but also gives us valuable info if there is an emergency. If anyone in your family needs blood and you arrange the replacement through our plan (Group #9192), please let the Blood Bank Chairman know. Thank you.

An exciting new dance program will start in early Feb. called WEDNESDAY FUN. This program will meet in the New Milford area every Wednesday evening and will focus on Square Dance fun & recreation. Potential dancers who did not join the September Mainstream programs due to calendar conflicts or inability to make a 30 week committment will

find a comfortable home at WEDNESDAY FUN. There will be no attendance or dress requirements and dancers may participate as often as they wish.

Choreography will include the first 22 basics on the MS list, as well as a sampling of some contras and big circle mountain dances. This program is designed to be fun in itself and will enhance and not conflict with existing club programs. Having these new people involved in square dancing will surely provide many potential club dancers.

Please call Peggy/Bill Heyman at 201-445-7398 for furthur information or with names of individuals who were unable to attend your classes.

Word has reached us that Ralph Stapenell is planning something similar in the southern area. Also the Presidents Council (Middlesex County) is planning an area one niter with perhaps Dick Leger of RI. It will take time to bring back the fun and friendship.....and then keep it, but by all working together we CAN make a difference. (See CROSSFIRE- pg. 48)

Spirit of '86 - Spirit of '86 - Spirit of '86 - Spirit of '86 - Spirit

As with all beginnings we make resolutions. Let us work this January to develop a Spirit of '86 ...a Spirit of Hospitality... a Spirit of Generosity...A Spirit of Creativity...A spirit of Cooperation. All groups, large & small, within our activity, are being asked to plan now to develop, or enlarge upon already developed, Spirits. Culmination will be Dec. 31, 1986. Brainchild of Becky/Jerry Cope of Copecrest, GA, our local Chairpersons are the Oliers & Aquinos assisted by Tirrells & Heymans. More will be forthcoming.

Our beginner class is making rapid progress in mastering the intricacies of square dancing. All 33 of our students are eagerly looking forward to trying out their newly-developed skills at our Sunday afternoon class level dances the first Sundays in January, February & March. Paul Brody and Bill Heyman will co-star as callers at all three of these dances at the Community Church of Glen Rock on Rock Road at Hamilton Avenue. We welcome student dancers from all clubs, as well as angels and other experienced dancers.

We were pleased to welcome Paul Brody back from a brief hospital stay. Our Chinese auction in November was a huge success, with winners walking off with such treasures as bus tickets to Atlantic City, S/D attire, and even a Chinese meal complete with chopsticks. Three sets raided Dancing Squares in October and then Tenafly Squares in December. Other special events include our famous New Years Eve dance, additional raids, & our annual meeting and dinner in June. We invite all who enjoy friendly mainstream dancing to join us. Rounds are by Jeanne Brody on third Wed.

4th Friday

Community Church, Harriot Avenue

We're happily dancing at our new location at the Community Church-- but for February only we will return to the Reformed Church on the Hill on Lexington Avenue in Cresskill...and we will not be dancing in March (Good Friday). Our Halloween dance brought out an array of costumes that were prize-winning. The prizes were almost as inventive as the costumes. The bathroom "fix everything kit" seemed to be the most popular. Joe & Hank added to the evening's festivities with their Halloween "rap song" and had our president, Chris Larsen a bit flustered when he tried to give his monthly report with bubbles blurring his vision. Our caller, Bill Heyman, added to the zany evening when his rabbit character left a trail of "whatever" as he walked across the floor. Our November dance was a little more sedate. We raffled off a delicious "Chocolate house" made by Irma Larson. Proceeds went toward the fund to help Debbie Lynch finance her year's stay with "Up With People". We'll have more publicity about this soon. Our fall mini-weekend at Round Top, NY was fulfilled. Plans are being made for a Spring Mini-Weekend. Circle Eights, the "fun club trying to be serious" invites you to join in our comfortable mainstream dancing. (AD on page 57) MaryAnn Mastrangelo 201-387-2060

(ED note: Talk of your dedication-- last thing MaryAnne did before entering the hospital was get in her write up of Circle Eights. We hope all goes well, and you'll soon be back out on the dance floor with the gang.)

1st Friday

CLOVERLEAFS -- New Milford, NJ (+)
Middle School, Roslyn Avenue

We had 14½ sets at our Tom Miller dance including raiders from Country Promenaders and Hi Taws. After the dance every one was invited over to John/Mary Aquino's for coffee and. Congratulations to our cuers Doc/Peg Tirrell for 25 years of R/D teaching.

We hope you will all join us for our bus ride to Atlantic City in Jan. I'm sure it will be lots of fun. We raided Western Wheelers in November with 2 sets and had a great time with Dalt Young and his friendly animals. Dalt looks great after his serious operation. Thanks to Anna Lou/Ray Kuenzler who organized the raid. Cloverleaf's has a very small membership and we are looking for new members. We do not require anything of our members, but to support our dance once a month. If you are looking for a friendly club we will be very happy to have you.

I would like to take time to thank our officers for all the effort and time they put into holding the club together - The Baumann's, Pres.; the Aquino's, VP's; The Kuenzler's Treas; and a special thank you to Milt/Vickie Kinstel our delegates, who come to the dance early to help the VP's get everything ready for the dance.

COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays Herbert Hoover Jr High - Jackson Ave.

With our season well under way we continue to be a busy and active club. The cooperation of the various committees has been outstanding. Peter/Mary Orasi on Sunshine for posting birthdays and anniversaries each month. Ed/Henny Solek class coordinators for each week having a cake and refreshments for the students and angels birthdays or anniversaries. Joe/Carol Ciarciari of the decorating committee for the beautiful decorations especially the Thanksgiving dance with the huge cornucopia filled with fruit which the dancers enjoyed, the turkey and a ninety pound pumpkin. Our members have been responsible for making a good showing on our busy raid schedule with Brian/Madeleine Fugere in charge and Brian doing most of the calling. In October we gave a demo at the Metuchen Street Fair at 10AM and then on to the Ford Plant for a demo at Noon for their open house day, with 6 sets which included dancers from some of the other clubs with Brian again calling. Everyone had an opportunity to tour the plant which was in production and witness the assembly from the beginning to the rolling off the line of a Ford. Later in October we demoed at Edison Octoberfest with Dot Loewenstein calling. At the Mini-Festival CP's attended with 44 members where we enjoyed a potluck dinner with candleabra no less - all arranged by our presidents, Jim/Bee Jones. We have a splendid list of guest callers for our coming dances and we invite you to come and square up with us. (AD on page 20) Mildred/Lenny Swearer 201-486-5980

We are very proud of Betty & Frank Olier. They are the new vice-chairmen of the S/D Council of NJ. This couple did such a great job for the Statue of Liberty Dance last year and selling buttons (6,000 so far) that they are sought for other jobs. They are also among the trustees to LEGACY for NNJ. The NNJ special caller from Nebraska, Mike Hogan and his wife, were their house guests Thanksgiving weekend. Four couples from CBS were in Williamsburg, VA on Veterans Day to spend a weekend to the great calling of John Kaltenthaler. They are the Barnwells, Desch's, Kaisers & the Schmidts. Our turkey trot special was a success. The powers of Belles & Beaux won the turkey. Additional door prizes donated by the Winds and Oliers added to the success of the evening.

Our Christmas dance was attended by our class and by the Country Promenaders class and we were raided by the CP club as well. Both classes are being taught by Brian Fugere. The pupils enjoy his singing calls. Instead of exchanging gifts, our members brought new toys which were distributed by a local family service bureau to needy children. We are looking forward to our upcoming dances, especially amateur callers nite in Jan. We hope to see many readers of this column at our future dances.

Lincoln School, Crane Street

The Holidays came fast and furious as usual. The pace of living seemed to speed up. It always seems as though one minute it's Halloween & Thanksgiving and the next it's Christmas! Our Halloween Dance was a bunch of laughs seeing so many wonderful costumes and our Thanksgiving Dance was made very enjoyable with all the prizes given away, and especially so since this writer won a turkey. We had only one dance in December where we celebrated Christmas. Then it was on to our annual New Year's Eve Dance, under the able supervision of Evelyn/Burt Boucher. All of us at our club wish all of you out there in the S/D World a Happy and Healthy New Year.

DANCING SQUARES -- Union, NJ

(MS)

1 & 3 Saturdays

Connecticut Farms School, Stuyvesant Ave.

Our dances, with the new format of MS and a Plus teach the second tip, then a Plus tip at evening's end, has worked out well. We have been able to welcome many more clubs and raids during our regular dances. Our skillful caller, Brian Fugere, did a singing call with his young daughter at one dance, & executed a new twist with a "Welcome to Dancing Squares" song at another! The Rumbles & Jean Kellogg always keep our "Rounders" happy, and our new location is ideal. Enthusiasm is high, as evidenced by keeping our commitment to at least 1 raid a month (Y Squares-Oct;Country Promenaders-Nov;); also kept our commitment to "One Square Is Fair" with NNJSDA and even won the top award with 35% attendance in November! We were raided by Belles & Beaux, Hill City & Valley Squares in Oct., & Lakeland Squares in Nov., and it was a pleasure sharing the floor with so many other clubs. Our class was included in the area President's Council Class Level Dance in December and had a good time finding out what actual club dancing could be like. A club Christmas Party was held at Jean Kellogg's with all members bringing their favorite home baked items. Our December R/D Special (Rumbles cueing) was a nice addition to all the Holiday dances at that time. The New Year's Eve Dinner Dance was a lot of fun and a fine way to start the New Year by working and dancing together. With all the winter weather, we are so lucky to have this activity to dress up & go out for-makes one feel like a real pioneer! More Plus calls will be workshopped at our dances- come & visit. Experience our brand of hospitality such as when Brian's wife Madeline made a huge sheet cake for his birthday and surprised him with it at the start of a dance - four men carried it in as he started to call! Join our camaraderie and fun - our latch string is always out!!!

Middle School, Roslyn Avenue

We experienced two pleasures since our last report - the pleasures of raiding. Hi Taws raided Cloverleaves and we were in turn raided by West Milford Flutterwheels. Sad for us, happy for Jean Gruber, who decided to migrate south and build a permanent nest in Florida. We wish her good health and happy living. Now listen here all you "Happy Hoofers". Don't go into hibernation for the few cold months ahead. Let's leave that for natures own who never learned how to square & round dance. Come and share the warmth of friendship and fine dancing. Let us warm your heart and put a smile in your eyes. Remember if you can't help but do it - do it with us - it's better. "Happy Dancing".

Our fall season was very successful. The Halloween Dance was great fun and Connie Huettemann (our Pres) made terrific looking ceramic pumpkins for costume prizes. First prize went to Edna/Bob Texel; tying for second place was Pauline/Bob Robinson and Florence/John Oehler. Our covered dish supper was a gastronomical success—a two inch waist expander. The food and dessert was so great that many thought we should do this more often. We strive to make more people aware of square dancing - Agatha/Jack Cochrane have arranged great demos at very interesting organizations. It's been fun for all. Our third annual Super Sunday Special with Marshall Flipppo (He is so friendly=acts like he sees you every week—instead of once a year) was well attended, numbering over 40 squares -- that's a lot of smiling faces and great dancing. Many thanks to all who helped make it such a fun afternoon. To our Pres. Connie/John Huettemann for all your efforts. To Mary/John Aquino for all your work in promoting this very successful event. Many thanks!

Make you New Year and ours, a happy one - come dance with us!

HILL CITY SQUARES -- Summit, NJ (+)
1/3/5 Tuesdays Jefferson School, Ashwood Avenue

It's been awfully nice to see so many of our friends from other clubs visiting Hill City at our 5th Tuesday special last fall and at our holidances too. We've also had great times visiting back, & we've been doing a lot of that. Tony/Chris Quatrone have had us raiding all over the NNJ area and beyond. Our most memorable raid was to Leisure Squares in East Stroudsburg, PA, for their Thanksgiving Dance (ask Tony about that one - then ask Chris.). We have more good things planned and would like to share them with you. Be sure to be at our Valentine's Dance in Feb. (Bring your sweetheart), our IRS Dance on the poorest day of the year and whatever you do, don't miss our 5th Tuesday Special in April featuring Ralph Trout and Ron/Ree Rumble. CROSSFIRE report - continued from page 48

9- More support and cooperation between the professional organizations-local, state, national; 10- Video tapes to be developed as a complement to, but not the main teaching tool.

Question: HOW to do all this? How to make it happen? All there pledged their support to do what we can. WE CAN make a difference. With all of us working together here we WILL make a difference. NNJ is indeed fortunate to have had Bill/Peggy Heyman; Jim/Doris Howatt; Doc/Peg Tirrell at CROSSFIRE. The Delegates had a full report in January. Discussion time followed. Ask your delegate how they and YOU can make the difference.

Now that the holidays are over, we can concentrate on again becoming enthusiastic members of the dancing community. We had a very successful class level dance in early January and are looking forward to the next two, especially the Saturday night Special with Herb Conklin.

It was so nice to be visited by one of our founders, Gladys Law, now living in Burlington, NC. While hubby was in Korea on business, she returned to her old stomping grounds to say howdy. Welcome to our world Tammy Leigh Goodell, born November 8 to proud parents Alice & Andy. Congratulations to Janice Lemmo who had just had her first book published, in the midst of moving across town. Best wishes to Elaine/Ed DeCrescenzo on their December marriage. By a large coincidence, Elaine was the presiding judge at the wedding of this correspondent's daughter in early December. Carol Morgan is busily making arrangements for her wedding scheduled for June. It is always a pleasure to raid other clubs, like Dancing Squares, Spinning Wheels, and especially Sussex Spinners where we accompanied many of our students. We look forward to raiding other clubs in the near future, especially since that usually insures a return raid. Please consider joining us at any time, even without a planned raid.

Our Fall Season started out with a bang, and our dances have been very well attended. Now the Holiday Season has come and gone. We had a good time. We always have a wonderful turn-out for our Christmas dance, exchanging gifts, Santa's visit, and the snack table overflows with good food. We also make a grand food donation to the Salvation Army, and they in turn, distribute it to the needy families in our community. We are happy to report that Bette Gillman is doing very well after her surgery at Pocono Hospital. Keep up the good recovery, Bette, we all miss you and want you back dancing with us soon. We hope you all had happy holidays and we look forward to dancing with you all in Pennsylvania.

I would like to start this message by expressing our appreciation to the guests that join us at our dances. It takes very little imagination to realize what a dance would be with no guests.

I can smile all the way through this report - I have nothing but positives to offer. Bunny/Art Freeman are pleased with the progress of their students; Peg/Joe Dockry have a fine group of round dancers enjoying their Thursday evenings; Fran/Joe Valenti put together a number of raids the last of which took us to Colonial Woods, PA and then to dinner - a super event. By the time this is read we will have enjoyed our New Years Eve dance, thanks to the efforts of Barbara/Ed Lorenc. We've had fine dances made so by fine callers and cuers and we have more of the same to look forward to. This is our clubs 25th year and we will celebrate the event at our second March dance.

Then there is our annual dinner dance in April which has come to rival any of our events in popularity for which no small thanks go to Bev/Gene Sensbach. We have been kept apprised of all the births, birthdays, and anniversaries by Pat/Ray LoLargo and each dance is made more pleasant by the efforts of Olga/Al Kabana. All of this should be enough to make the member of any club happy, but permit me a footnote - the relatively few people who chair and fill various committees are the type who can do it all - who will do it all - but who need not do it all - offer your help.

1 & 3 Fridays MERRI-EIGHTS -- East Brunswick, NJ (+)
 Dag Hammarckjold School, Rues Lane

In November we raided Staten Square Set. We did a demo for the senior citizens in Spotswood, organized by 3 VP Chuck Hager. Evelyn/Bob McCullen organized a demo at JFK Rehab Center where member Bob Ahlers was a patient. More than 4 sets danced. At one of our classes we did a demo for and danced with the Adult Mentally Handicapped Group from East Brunswick. The class, taught by Joe Fioretti, is doing very well. An average of 36 students showed up for lesson.

Theme for our Holiday Special was Toys for Tots with a representative from the Marine Corps collecting the toys. The turn out was good for our super New Year's Eve dance. Blood bank is set for January 26 in East Brunswick. A special "Greetings" page in our club newspaper helped raise \$45 as a donation to GRAND SQUARE. We hope clubs will participate in our Deborah Dance in February. As we continue our "Commitment to Excellence" we hope our friends will dance with us to the fine callers we have booked. Fliers with our schedules will be distributed at the Delegates Meeting as well as mailed to clubs in the area.

Seems a gremlin got into someone's typewriter (not ours) & switched the names of our Presidents & Delegates. (Typist: sorry about that!) Yes, folks, Paul/Betty Stone are still our club presidents - both couples took some good natured ribbing over the switch. Roger/Nancy Remington, our Treasurers, are back from a trip down to their condo in FL but at least our treasury is still intact. Our Christmas Dance was a great success with lots of good door prizes and delicious party food, all capably organized by Al/Joan Lawrence. Of course we also had an evening of enjoyable dancing and Joe brought his wife, Debbie, and two children to visit us that evening. The members of Mountain Squares wish you a happy and healthy New Year filled with lots of square dancing - preferably at our Club!

2/4 Friday; every Thursday

Our club has enough activities going to keep dancers busy several nights of the week. We welcome all who would like to join us.

Our regular plus dances are still held at the Community Park School with John Kephart calling and Roy Gotta cueing. John is also calling mainstream dances every Thursday evening at the Nottingham Ballroom in Hamilton Square, a great way for recent graduates to get absorbed into club level dancing. Both groups held Christmas parties with much visiting back and forth. We've also enjoyed two special holidays events - a Turkey Trot in November with Tom Miller calling and Steve Bradt cueing, & the always popular Holiday Fling in December with John Marshall calling and Ron Rumble cueing. As of January, round dancing has been added to the Thursday dances, with John Toll teaching from 7:15 to 8:15 and cueing one round during the evening.

Heights School, Seminole Avenue

By the time you read this, our New Year's Eve Gala will be a fond memory, and the icy winds of winter will have us in their grip. It's the time of the year for indoor activity. And what could be healthier, livelier, more fun, more sociable, more interesting than (you guessed it!) square dancing. Our ad spells out the details of the terrific dances we have in store for you. Coming up to her 35th year, and still going strong, Ramapo's a club that must be doing everything right. We invite you to check us out, and see for yourself that APD A-2 dancing that's as enjoyable as it is stimulating, Ramapo is the way to go!

REELERS -- Ironia, NJ

(+)

Elementary School, Route 513

This is the year of variety for Ironia. We've danced to the commands of 8 different callers since we began in September. Our class is doing a super job, & came out to the Christmas Dance to show the club members just how well they are doing. Wilson Hoff must be very proud of the progress the class is making. Bob Mitchell started us well on the road to celebrating the holidays by calling a really good dance in December. It's been great to see Erna/Bill Donaldson (recovering from an auto accident) and Tom Sullivan, who has been quite ill, back dancing again. Jim Drake & Maude Mansfield are recovering from surgery. We're hoping to see them back in our squares again real soon. We've got some terrific dances coming up. Do come and dance with us.

RICHMOND DANCERS -- Staten Island, NY

(+)

2 & 4 Saturdays

All Saints Church Hall - 2329 Victory Blvd.

Our club - the club of vitality and hospitality - inaugurated a new policy, under the guidance of Leo/Lois Bichler, in recognition of guests for their attendance at our dances. All visitors who during the dance season attend 5 or more dances will face the camera and their picture will be prominently displayed on our bulletin board. Also, 2 valuable gifts will be given at our last dance. One gift for the dancer who attended the highest number of dances and a second (by raffle drawing) to one of the dancers who attended 5 or more dances. All this in addition to the special RICHMOND flair for friendship that is evident at every dance. Our Christmas Dance was a great success thanks to Joe Landi, the Bellottis, Clara Friscia for her donation of door prizes, and all that attended. As a token of appreciation and in keeping with the spirit of the holiday season, every lady who attended our Christmas Special received a gift. Thanks to Marty Clifford and our angels our RIOS beginner's class looks very promising. Review of plus calls for half hour prior to each class has been very successful and appears to be the answer for those of you who are in need of such review. We look forward to 1986. Hopefully, the good spirit we shared during the holidays will continue throughout the New Year.

Dear Square Dancing Friends,

Thank you so much for your prayers, cards, calls, visits, etc. when I was in the hospital. Jeanne & I were truly overwhelmed & touched by the fact that so many of you were concerned about us. Thank you again, for your support. I really think it made a difference in helping me recover so quickly. Happy Square Dancing,

What's October known for? Usually Halloween, but in two places in the world (Bavaria and Somerset Hills) it is known for the Oktoberfest. And what's an Oktoberfest without beer? Ours was the root beer variety, served with heaping dishes of sauerkraut and kielbasa. What's November known for? Right - Thanksgiving. And after a turkey dinner, nothing goes better than a piece of pie. What better way to whet everyone's appetite than our pie night. What's December known for? Right again - Christmas! For Christmas, we gave two presents. First was a class level Christmas dance where our 39 students met many club members and students from other clubs. Second was a two-caller dance featuring Bob Tarrant and Frank Riviccio. All together, they were a fine ending to 1985 and gave us more good square dancing to look forward to in 1986.

SPINNING WHEELS OF WAYNE, NJ

(1/3 MS; 2/4 +)

every Monday

Schuyler Colfax Jr H/S, 1500 Hamburg Tpk

We are well into the year with a great season of dances. The refreshments on the table were rivaled by those behind the mikes. Our terpsichorean delights included two Wayne APPLegates, a Fred WEINER, a Ralph TROUT, and even that french answer to McDonalds, a Ron Le(h)BERGER.

Our class is doing well. Wayne Applegate is rapidly turning a group of otherwise normal adults, into a pack of square dance enthusiasts. He has even started to get some of the ladies into "lampshades" and they are all looking forward to our January class level dances. Our Halloween dance was a riot of costumes. We had a pack of cigarettes (in a non-smoking hall), a couple of cave people (without a cave) and Wayne/Rita caused some consternation at the parkway tolls when they came dressed as Dr. Doom. They looked like a couple of grim reapers looking for drunk drivers.

As this is being written, we are considering an added attraction to bring out guests - rounds once a month. Watch our flyers.

STATEN SQUARE SET -- Graniteville, Staten Island, NY (+)
 1 & 3 Saturday Methodist Church, 1890 Forest Avenue

Undaunted by the heavy rains fifteen sets turned out for our 37th Anniversary dance. Guest caller Manny Amor and our own Joan/Jerry Newman on the rounds did their usual fine job in leading us in the evenings entertainment. Headlining the guest list for the festivities were John/Mary Aquino, presidents of the NNJSDA. Present too were Gene/Grace Lucarini for whom the Staten's reknowned "Lucarini Award" is named. Recipients for this years award were Gene/Nina Borrelli, who have served the Statens and S/D everywhere untiringly for over twenty years. We wish Nina a quick recovery from her recent untimely accident in which she suffered a broken arm. On the mend too are Sal Incontro and Rae Troiano. Get well wishes to all. Also with us at our anniversary celebration were Ray/Sandy LaVigne who now reside in FL. Lastly, we would be remiss not to mention that Gabe/Sila Dell'Angelo were responsible for pulling everything together to make our 37th a memorable evening.

A recent demo at the Carmel Nursing Home was enjoyed by all the young at heart and we were represented by 2 sets at the last NNJ dance at Somerset College. Thanks to all who participated. Why not come out and join us. We dance for fun and friendship.

2 & 4 Fridays

The Autumn Special Dance was a gathering of good friends and welcome visitors. Then came the Crazy Hat Dance with winners Jack Austin, Bill Woodbury, & Harriet Tulp. Halloween Spooks were around when Ann/Al Johnson; Ray/Barbara Drake, & Bill/Suzanne Woodbury took home prizes for the best costumes. One of the prizes was a warm home-baked apple pie. The dance at Condit Motors was exciting. Dancing on the showroom floor makes you feel you're on Broadway. We also enjoyed raiding the Flutterwheels.

Our demo for the Handicapped at Newton Hospital was rewarding. The wheel chairs were moving as fast as the Spinners Feet. The grand opening of Olde Lafayette Village was a perfect place to have another demo. Six couples attended the Booster Ball in September. It was quite a proud feeling present when Doc/Peg Tirrell were honored for their many years of dedicated service to the GRAND SQUARE. (ED: It was a thrill to us to have so many of our dancing friends come on out, too.)

We send our love and best wishes to Ed Mindlin and Dot Scheiblin. We miss them and hope they will be feeling better very soon. Also a new little Sussex Spinner was born to Bud & Alice Goodell. Her name is Tammy Leigh and her proud grandmother Harriet Tulp spread the good news.

TENAFLY SQUARES -- Harrington Park, NJ (MS)
2nd Friday Community Park Church, Harriot Avenue

HAPPY NEW YEAR from the first of the friendly MAINSTREAM clubs that dance on Fridays in Bergen County. We hope that your holidays were happy and that one of your New Year's resolutions was to dance frequently with us. Having survived the hectic holiday activities, you're probably ready to settle down to some relaxed square dancing again. Well, c'mon over to see us. The doors are always open to all dancers, new and veteran alike. It isn't that difficult to find us. A warm welcome awaits you.

Frank Poole

201-342-3375

While Square Dancers of America is not sponsoring a float in the Pasadena Tournament of Roses Parade, they are still selling roses, etc. to raise \$\$ to pay off existing debts. Contact Hal/Florence Margo 346 New Dover Rd., Colonia, NJ 07067. There were S/D floats in other area parades New Years paid for/produced by local dancers/clubs.

3rd Friday

The holidays are over, all the Christmas decorations removed and packed away until next year, we expect to see you all out dancing - refreshed and enthusiastic. We look forward to greeting many NNJSDA delegates at our annual January delegate nite Dance. Don't forget Amateur Night in Feb!

We wish to thank Frank Poole, Evelyn Olsen, Jack/Jane Fischer; Ed/ Ruth Johnson & Helen/Vic Pietrucka who augmented the usual Happy Squares contingent at the Bergen County Nursing Home Wheelchair jamboree one lovely fall day last November. What a happy experience, and oh, so heartwarming, for us all. Any dancer who is free daytimes and would like to join our Happy Squares contingent as we bring some happiness to the nursing home residents, please contact this reporter...or our caller, Peg Tirrell.

The Tenderfeet Class under the tutelage of Bill Heyman is coming along splendidly and TT members are awaiting their graduation and dancing with them and offering all the encouragement we possibly can.

A verse we discovered in the corner of READERS DIGEST seemed worth sharing: A Hug is a perfect gift. One size fits all and nobody minds if you return it.

WARREN WHEELERS -- Port Murray, NJ (MS & some +)
 1 & 3 Thursdays Mansfield Township School, Route 57

We are continuing to enjoy ourselves, here in Warren County, with good dancing, raids and demonstrations. Our small class is doing very well & our angels are doing a great job each week. Our turkey give-away dance was a tremendous success and the free turkey dinner was won by our own Dave/Rose Peterson. There was plenty of the right Christmas spirit at our holiday dance. We wish you all a very happy New Year filled with peace, good health and good dancing. See our ad for our new year plans.

Everyone enjoyed our Red Bates Dance, & it proved that Square Dancers are great people. Red Bates got lost and was late getting to the club. (His first time late ever) Everyone was calm and understanding. It was fun dancing with a full house. To make up for the lost time, we danced a half hour longer due to the kindness of our custodians. We received a nice thank you note from the Recreation Dept. for our donation of a Thanksgiving basket to a needy family. Our raids have been successful and we have had fun visiting Cross Trails, Hi Taws & Spinning Wheels. YOU may be next! (AD on page 33) June/Bob Heiney 201-838-3130

If you have not registered yet for the 35th National S/D Convention, the Tirrells have registration forms. There will be convenient shuttle service from outlying hotels/motels to the beautiful Hoosier Dome & Convention center. Efforts are being made to house all the 40,000 expected convention attendees within I-465 that surrounds the city. The official convention campgrounds are at the Indiana State Fairgrounds. Plan now to attend this convention-it's great.

Happy New Year Everyone! By the time you read this the ball will have dropped & 1986 will be well underway; our New Year's Eve Dance will be a happy memory. I can say this because, if 1985's is anything like 1984's, it will be a smashing success. All the same ingredients are there; Joe Fazekas & Ed/Les Shearwood will be calling a terrific dance program, there will be good fellowship and good food. The committees are already working toward a happy event under the guidance of Rose/Lee Rogers and a large crowd is anticipated.

Other fall specials included Circus Night, well attended by familiar figures from the circus arena, clowns, an animal trainer with her Siberian Tiger (a rare species, indeed), the Bearded Lady, and others. As an additional feature, we were entertained by Western Wheelers's own Castoffs. We also had our second annual Turkey Shoot. Willie Taffle was right on target as first place winner. Other winners were Howard Kaplan, Judi Leopold & Bob Stevens. Coming up is our Chinese Auction, featuring our Auctioneer Gloria Wyman. You won't want to miss this event! Check our ad for specials designed to brighten our long winter season.

It's hard to believe it's already 1986 and we are into the second half of the dancing season. We have been raided by quite a few clubs and I'm sure they agree Y Squares does indeed dance for FUN.....Be on the look-out for our dancers to reciprocate. NOTES FROM GRANNY'S HOUSE.
SLEEVES

Sleeves have taken on a new look this season. Full, soft longer, graceful and flattering to every arm.

One of the prettiest I have seen and made, I call the ultra puff. Being a fashion narrator one can take liberties naming things.

This sleeve is easy to make. The first step is a sleeve pattern that fits you well. Remember, a longer sleeve must not bind when you raise your arm. Lay the sleeve pattern on a piece of paper and draw your new pattern. See example:

The new lengths are being worn at the elbow, 3/4 of the way past the elbow or just about three inches above the wrist. Very puffy. Once you have your pattern made you have the choice of which length suits you.

After you have drawn the length desired -- cut out the paper pattern. Place new pattern on your fabric and cut two sleeves. The top of the sleeve is gathered to fit the dress or blouse armhold. The bottom is then gathered or drawn in with elastic. The bottom can also be gathered, hemmed and trimmed with lace or a self ruffle. This same technique applies to all three lengths.

For a trim and dressy look, the 3/4 straight sleeve with wide lace or self ruffle, should not be overlooked.

Happy New Year 1986

The purpose of a Round Dance Rating System is to provide for rating round dances according to complexity. The system should be one that can be readily used and understood by all those involved in Round Dancing.

In 1985, ROUNDALAB adopted the "ROUNDALAB Phase Rating System". This system identifies a dance relative to the ROUNDALAB Phases with a plus of no more than two to indicate steps in a dance in Phases beyond the Basic Rating or unphased steps. For example: ROUNDALAB Phase II + 2 would indicate a dance including ROUNDALAB Phase I & II figures but with two figures in Phases above Phase II. Since the system is simplified and leaves little room for error the committee feels each choreographer should assume the responsibility of rating his or her own dance before publication...but it can easily be accomplished by any person using the ROUNDALAB material.

At the recent ROUNDALAB Convention in AL more figures were placed in the Phases. The committee realizes there are still figures that have not as yet been phases and that this will be an ongoing project. Presently there are Six Phases in Round Dancing. The 1986 Phase Rating System pamphlet - an alphabetical compilation of figures in the Six Phases, enabling all interested persons to rate dances is now available from the ROUNDALAB office. 3 Churchill Road, Cresskill, NJ 07626.

ROUNDALAB will hold its 10th annual Convention in Indianapolis, IN June 22-24, 1986. A Round Dance Teachers Seminar-Clinic will be held on Wednesday, June 25. While primarily for R/D teachers, any interested dancer, upon payment of the registration fee, may attend. ROUNDALAB will also sponsor a two hour daily seminar at the National S/D Convention in Indianapolis. These seminars will be open to all interested persons who have registered for the NSDC. More information may be secured from the ROUNDALAB office.

Now that fall S/D classes are well along, it might be a good time to measure our teaching efforts against the yardstick of dancer comments on the LEGACY survey.

Dancers consistently have told us that beginners are being taught (or exposed to) too much, too fast; that a large number of Spring graduates are not prepared to dance in their clubs; & that there is too much rough & discourteous dancing. All of these are correctible in a class which is of sufficient length & well taught.

Both caller/teachers & club officers should realize that a well-taught dancer is more apt than a poorly taught dancer to find success and pleasure in the S/D world, &, therefore more apt to be a longer term dancer. It is short-sighted to graduate dancers who are almost certain to become confused & frustrated and to drop out of S/D. It is equally short-sighted for club officers to insist upon a hurry-up course of instruction and early graduation just to increase the size of a club & its treasury. What all teachers & club officers should be promoting in classes is the development of happy, long-term dancers who will be contributing to the club for many years. LEGACY encourages caller/teachers and club officers to teach not only the basic steps and maneuvers of S/D, but also to take time to teach the beginning dancer proper styling, proper dress, courtesies of square dancing, history and heritage, club responsibilities, and other important, non-choreographic subjects which contribute so much to the pleasure and friendliness of square dancing.

From all over we hear of the need to stop pushing class members - to give them time to relax & enjoy the Basic & Mainstream Programs before pushing them into the Plus Program. CROSSFIRE echoed LEGACY's concern, devoting much thought to this subject...as will CALLERLAB in March. But Dancers - Officers - Teachers - Y O U may be part of the problem. Make a New Year Resolution n o w to start right now to correct this problem.

**Special Dance on Apr 25 at NOTTINGHAM BALLROOM
with GLEN ZENO and Ron Rumble**

Nationally known caller and Caller Coach, Bill Peters, ran a Caller Workshop for the members of CCNJ as well as guests from Dance Leaders of Delaware Valley. The presentation focused on the programming of both music and choreography as well as increasing variety in dance programs.

Dancers, mark your calendars for a February 23 CCNJ Special Dance to be called by Bob Howell. Both club dancers and students are cordially invited to come and enjoy Bob's innovative and humorous style. (ED: Mark it in RED & don't miss Bob!) Watch for flyers for further details.

We are now in the season for class level dances. Support your classes by attending these dances and intensify your efforts to communicate to the students how much the clubs are looking forward to sharing wonderful square dance evenings with them.

CROSSFIRE - preliminary report:

About 55 leaders met in Dillard, GA, at our own expense, to come up with possible solutions to the many concerns that have been expressed about the S/D activity. To give focus to our discussion, a concept of a wheel was developed. At the HUB was the purpose & reason for our activity with the definition, "Square Dancing offers people a wholesome recreational option that stresses friendliness, cooperation and equality."

Spokes in this wheel were narrowed down to: new dancers (beginner Classes); clubs (veteran dancers, sociability); support organizations; programs (music, style, programs); callers, cuers, prompters; communications; leadership/education; facilities/cost.

Solutions & suggestions were to be the rim-the grease to keep the wheel rolling. No concrete resolutions emerged for every area is different, but many on the rim can be adapted to fit the area.

Major suggestions included: 1- Classes 25-30 weeks long (perhaps 60 calls) & include teaching of courtesy, styling, history, costumes, smooth dancing; 2- Stagger classes so all do not begin in Sept.; 3- Resist the rush to new programs. CALLERLAB wants dancers to dance at MS regularly for one year before moving on to another program. Not to push dancers to new programs; 4- have more MS clubs. Buddy system for new dancers; 5- establish a recreational dance program of perhaps 22 basics for those who cannot get fully involved. A feeder program; 6--Emphasize clubs have "purse power" to be sure a caller follows the prescribed program; 7- better training for callers, cuers-with steps for certification. A continuing Ed program with possible proof of this certification. Develop scholarships for better training; 8- Dancer mobility created with the programs in that dancers may visit other areas with confidence; (continued on page 18)

Many dancers will tell you that "challenge exists at any dance program," but some refuse to believe that dancing exists in the Challenge program. Let us share an experience from the National Advanced & Challenge Convention this summer that convinced us that CHALLENGE DANCING IS DANCING.

"We're going to dance to Winchester tapes at midnight," the couple from Massachusetts told us. "Come and watch if you'd like."

What's a Winchester (no comments, computer people!)? It's a who -- Stan Winchester from North Carolina, who records singers using C-3 calls. Because of the extensive effort required to prepare these singers (exact timing of the sometimes complex movements is crucial), this man only calls on tape & not live. These dancers apparently thought highly of him & were enthusiastic over the opportunity to dance to these tapes at a convention featuring many "name" callers.

We entered the hall & saw 6 or 7 sets eagerly anticipating the challenge of dancing to Stan's latest tape. After a minute or two for tape adjustment, the dancing began and those Challenge stereotypes (solemn faces engaged in military drill) started to disappear as well. The calls may have sounded unfamiliar, the movements a bit strange, but these squares were dancing as though they were at a Mainstream or Plus dance. All the styling elements that cynics think disappear at this level were there: swings, twirls, "proper" do-sa-dos. Except for a few same-sex promenades that dancers were warned may happen (and were correct), the uninitiated wouldn't have known there was a difference in program, such was the FUN evident on the floor.

Although we have been Challenge for four years now (though not the level danced here), we too have wondered at times whether we're dancing or drilling. This one hour settled the issue for us. If you get a chance to attend a multi-level convention, take a break & visit the Challenge Hall. Perhaps you'll see for yourself what we learned that late night: The combination of proper styling, smooth choreography and good danceable music equals FUN -- AT ANY PROGRAM!!!!

AS I SEE IT

BOB OSGOOD - LOS ANGELES, CALIFORNIA

(ED: Bob Osgood for the past 37 years has been editor of SQUARE DANCING (SETS IN ORDER) Magazine. This past December Bob, & his wife Becky, closed down publication as a means of starting a semi-retirement. Bob's involvements in S/D started in 1938 & in the following years his activities took him into virtually every state, Canadian province & more than 50 countries overseas. His views of the activity in general and square dancers in particular are both human and humorous. GRAND SQUARE is proud to be able to present some of Bob's initial syndicated column.)

What do you give someone who had contributed greatly to your enjoyment of square dancing? It's not always easy to be original or unique. Frequently, a special party or form of scroll serves to say "thank you" but sometimes you're looking for something different.

A while back, we received a letter from a member of a S/D class about to graduate. The writer was requesting suggestions for a present the class might give to the caller, in appreciation of the patience & care exhibited during the learning months. The graduates also wanted to honor the caller's wife, for they had both demonstrated equal portions of TLC. Before we had an opportunity to answer, a second letter arrived: "You don't need to look any further for an idea. We came up with the perfect solution. At the graduation the end of the month, each one of this year's class is presenting to the caller & his wife, the names of one brand-new couple we have 'sold' on becoming a member of next year's class."

As mentioned, this was some time ago. The activation of this most ingenious gift has been repeated each year, resulting in a continuous, healthy growth of the club membership. A prolific award!

ROUND DANCE HIGHLIGHTS - Anne Gallo, NNJSDA/NNJRDLC Liaison

The fall dance in Yardville was a huge success thanks to the chairing of Peg Tristram, table centerpieces by Jeanne Brody, & the cueing of Dave Roberts, Peg Tristram, Ed Shearwood, Shirley Bellotti, Jean Kellogg, Jack McLaughlin & Doc Tirrell. We hope you have marked April 6, 1986, on your calendars for another pleasant afternoon of round dancing. The dance will be held in Montville from 2 - 5 with the Shearwoods as chairpersons.

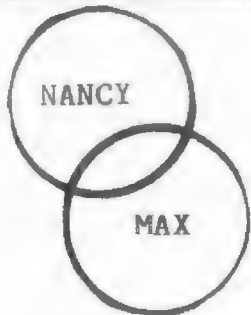

These past few months have been "Tirrell Times". They were presented a plaque at the Booster Ball for their 20 years of editing the GRAND SQUARE magazine and on October 27 a reception was held to celebrate their 25 years of involvement in square and round dancing. The committee hosting the reception was the Polks, Lakes, Hohmanns, Petermanns, Rellingers, and Coffees Volunteer callers & cuers were Bob Mitchell, Jules Pozsar, Jeanne Brody, Jean Kellogg & Jack McLaughlin. One new cuer was introduced via cassette when grandson, Joshua, helped his father cue "Inner Harbor Waltz". They received many gifts and letters including congratulations from President Reagan and Governor Kean. We were also entertained by soloist Virginia Albanese & poet Yale Carroad. I sometime wonder when "Doc" finds time to bond teeth and, do you know what his real name is? (No editing, Peg).

Hope your holidays were good ones and see you (in) around.

P.S. who was the r/d cuer who called squares at the Booster Ball? Hint: A female, whose choreography was composed by what the dancers decided to do. I don't think she will be encouraged to join CALLERLAB! (Altho she sure can clog!)

HOT GARTERS - Pennie - Mondays/Ironia, NJ 201-584-0151

We have been hit with many illnesses. Our number will increase when all are well again! Currently dancing Pagan Love Song, Verida Tropical, Butterfly, More, Tonight & revived Girl In My Arms. On the E-2 side, we like Stardust & It All Depends On You. Come join us - we have a great time. Welcome to Sue & Dave. We wish you all a very happy holiday season - See you next year!!!

RAMAPO RHYTHMAIRES - Tirrell - Wednesdays/Waldwick, NJ . . . 201-568-5857

Years ago Doc & Peg started a tradition of sharing a craft with us at Christmas time. Until our party we never know that it will be. This years fragile, edible reindeer were adorable. Question? When did you find time to make them? The school has given us permission to continue dancing thruout the winter. Class at 7; Club 8:30. Do come join us. Our best to Bettie/Jim Coffee as they winter in Fl. We'll miss you both.

ROUNDELAYS - Pennie - 2 Tues/Summit, NJ 201-584-0151

Sponsored by Hill City Squares we meet in the Jefferson School at 8pm. For an evening of enjoyable round dancing at levels by request, please join us. Our coordinators are Oscar/LaVerne Olson 201-647-3038.

TIRRELL TWIRLERS - Tirrell - Sun, Mon, Tues-Cresskill, NJ...201-568-5857

We are hoping the weather cooperates for our Dec. LEGACY R/D- we'd like to show our support of their projects with a good sized donation.

Sundays - Talk of your contrasts in dances. 1/3 Sun. have been devoted to Spaghetti Rag & Dream Awhile; 2/4 have been working on Fascination Waltz and Moonlight Magic. What fun!!!

Tuesdays - We resurrected Gordon Moss' "Til" and found it easier the second time round, but Tammy Tell Me True is more to our liking with its interesting choreography and great music.

VALLEY STEPPERS - Fridays 2/mo-Paramus, NJ 201-233-4232

Call the Emslies for our meeting dates - we usually manage several a month - in between R/D weekends.

It's the season as Nominating Committees begin searching

Each member of an organization has an obligation to put back into the activity a measure of that which they receive. We do this through participation - by becoming involved with the operation of a club, association, etc. - by holding offices and working on committees.

Could it be that too many of us are enjoying ourselves and waiting for someone else to do the work? We ALL should ask ourselves periodically, "What have I done for the Square Dance Activity lately?"

Tuesdays

St. John Redeemer Church, 939 83rd Street

We are alive & well & thriving with a very lively class consisting of couples as well as singles. Angels are always welcome to come donate their time to this fledgling club. You'll be glad you did. You're in for a fun time- you might even see Vinnie's knees. Caller Bill Anderson can't seem to stop him from wearing bermuda shorts...even while wife Pearl Murphy models lovely S/D outfits created by her Mom. Donna Anderson has taught us lovely skirt work as well as lively line dances...and even filled in for Bill when he was taken ill. She also led us in caroling for our annual holiday visit to the local hospital. Members Bob Sklar, Bob Bradshaw, Belle Goldberg & Faith Levine (who earned her Free-loader's dangle this summer) danced with Debra/Victor Goldberg from MD at Richmond's Gala Dance. (Debra is Faith's daughter; Victor is Belle's son) Come dance with us!

1/3/5 Thursdays

Bayberry Lane School

The holidays passed all too quickly but the dancing was delightful, the festivities fun and the memories mellowing. The Student Holiday Dance, combining three classes, was an inspiration, giving them all the opportunity to make many new friends and to compare notes on progress. And it was very heartening the way the roses sold just to help pay off the indebtedness for past years' floats on New Years. It takes a bit of fortitude getting out on these cold evenings, but we warm up very fast meetin', greetin' and dancin'. There's no better way to enlarge your circle (square?) of friends than with exchanging raids. Buy a bumper sticker or fly a S/D banner. It's amazing how many folks will stop you to ask questions.

Happy 1986! And what better way to have started the New Year than with our Hangover Dance on January 2nd!
