### From the desk of

JOHN & MARY AQUINO, NNJSDA Presidents

Once again it gives us great pleasure to congratulate the five clubs that have earned the "ONE SQUARE IS FAIR" AWARD by having one or more squares at all of our 1985-1986 season specials. Congratulations go to COUNTRY PROMENADERS, DANCING SQUARES, HIX & CHIX, LAKE-LAND SQUARES, and RICHMOND DANCERS.

We started working on our 1986-87 award with the Warm-Up dance in August and we had eleven clubs with one square or more. BRAVO!!! We are off to a good start, however we felt and many dancers agreed that the Warm-Up dance, which is usually held on Labor Day week-end, was not a good dance to count in the award.

It seems quite a few people have commitments on Labor Day week-end with family gatherings, taking the kids back to college, etc. Therefore the Executive Board, with the approval of the Delegates have agreed that the Warm-Up dance will no longer be counted in the "ONE SQUARE IS FAIR" award. We also agreed that the Mini-Festival will be counted (it was not counted in the past). This now gives all clubs a chance this year in getting the award. For those clubs that did attend the Warm-Up dance with one square ~~or more and have one square or more at all of our specials this season,~~ there will be a special award.

L.U.S.T. (Let Us Speak Together) was a huge success this year and special thanks go to Co-Chairpersons: Frank & Betty Olier and Frank & Helen Cavanaugh for doing such a fantastic job in planning a very informative and enjoyable day. Also many thanks to all the people who gave their time and talents to help make L.U.S.T. 1986 a memorable occasion. Our day was topped off with a great dance called by none other than our new slim John Kaltenthaler. We are already planning our next LUST for 1988.

We hope to have a great turn out at the 12th Mini-Festival. The Mini-Festival is becoming the high light of the year and this year we will have two halls with one hall for Mainstream and one hall for Plus and Rounds, with Advanced dancing and a Round Dance exhibition in between.

Our clubs are now in full swing and the holidays will soon be upon us. We are wondering how many of you will be giving of oneself. Don't just join a club, be a part of it. Give a helping hand without being asked. Bring refreshments once in a while, fill up an empty water pitcher, help set up and clean up after a dance. Help greet new dancers and guest with a smile and invite them into your square. We are sure you receive quite

## DELEGATE'S MEETING -

September 21, 1986

(Prior to the meeting a goodly number gathered for the LUST critique session conducted by the Tirrells. Suggestions were recorded for the LUST '88 Chairmen.) "Every club was represented at the Delegates Meeting including 32 officers and representatives from CCNJ, Campers &

FAD. 1st VP: 63 1986 graduates qualified for FREELOADERS from 20 different clubs. All were thanked for their support of the summer dance program. Average attendance was 23½ sets. Future specials - Nov. 29- John Sweeney; Jan. 31 Don Coy; May 30 Tom Rinker; Jan 30 '88 - Mike Callahan. Five clubs qualified for "ONE SQUARE IS FAIR" awards.

2nd VP: 30 clubs are sponsoring classes. Two class level dances planned by NNJ Jan 25 & April 26. MS & Plus booklets are available to NNJSDA member clubs at cost, slightly higher to non-members.

3rd VP: Rose Ericson congratulated for submitting winning poster. Governors of PA, NY & NJ all signed proclamations declaring September as S/D month. Copies sent to appropriate clubs. Publicity Primer (one per club) distributed at LUST. FAD (Fun At Dancing) has submitted membership application. To be voted on by delegates at January meeting. Bergen County Festival of Arts exhibition set for end of Sept. Bill Heyman to call. Reminded all to fill out questionnaires for input on NNJSDA's specials.

COR SEC: Reminded all that club rosters are due December 1st.

GRAND SQUARE: Distributed at LUST. Ended year in black. Report in next issue. Needs local typist - any volunteers? Thanked volunteer Shirley Sherlock for all her typing assistance.

R/D ADVISOR: Reminded all of NNJRDLG special in November with 2 halls.

INSURANCE: Distributed a packet of information for every club. Any ??? contact Fred Hill 201-459-4667. Renewals due back November 1.

MINI-FESTIVAL: 2 halls; MS & + with 3 callers Don Beck, Henry Ferree & Brian Fugere with Wolcotts on rounds. Registrars are the Dell-Angelos.

BLOOD BANK: A letter for all clubs explaining Blood Program. Asked S/D to donate at local Blood Drives in name & # (9192) of NNJSDA.

OLD BUSINESS - BADGES - The NNJSDA badge was redesigned. A person's name and club will go on it as a hanger and thus the badge can be passed along to successors. The NNJ is underwriting the cost, but club's are responsible for the hangers. ROSES - The Margo's have roses (stick on-red ones) which will help defray cost of Floats in previous Tournament of Roses parade. SDNCJ - Sponsoring the first NJ state convention Saturday, March 14. At Trenton State College - an all day affair. See flyer for details.

LUST - Over 230 attended. Well received. Attendees want more sessions, with fewer simultaneously and better directions at facility. Micro-LUST's to be conducted prior to delegate meetings under Education Chairman.

DUES - After a lengthy, thorough discussion it was passed to raise the NNJSDA member club dues to 50¢ per member....effective immediately.

NEW BUSINESS - FAD's application for membership rementioned. Their delegates present to answer all questions. ONE SQUARE IS FAIR AWARD - 3 clubs received it first year; 5 this year. No objection to deleting the Warm-Up dance from requirement and substituting Mini-Festival.

Meeting then opened to Delegate discussion. (see page 38)

At beginning of meeting John Aquino announced that former Treasurer & VP, Roger Lund had passed away.

Refreshments served by Hill City, Hi Taws and Hix & Chix. During the refreshment break all committees had a chance to meet with their respective Chairman and discuss the coming year as it related to their responsibilities. Meeting adjourned at 4:43 PM. Next meeting Jan. 18, 1987.

We had 5 issues; 12,100 copies for a total of 308 pages of which 158 3/8 were paid ads; used 82 pictures; had 55 subscribers. The total cost of each magazine was 81¢.

Our sincere thanks to all who helped make last year so successful. An Editor's life is full of surprises - thankfully our Area Reporters and Advertising Editor continued on in their all important jobs. Distribution was streamlined under the Sandt's supervision; Shirley Sherlock was the answer to a dream as she shared her considerable talents and introduced ye editors to the Smith Corona SD (love those initials) 300 & its spell right beep; and we were fortunate to have Linda Morrison volunteer to replace Chuck when we retired from the activity. Now we're breaking in 2 volunteer typists- Joan Berg & Kathy Porter - to replace Shirley who rejoined the working world (or rather now gets PAID for work) So while YOU prepare for the holidays, the staff will be hard at work. **DEADLINE - December 3; issue due out Jan. 18. To feature CLASS LEVEL DANCE opportunities - if YOU tell us. PLEASE do not be late!!!! Happy Holidays!**

Did you know RICHMOND DANCERS is the ONLY Association Club to win the "One Square Is Fair" award for TWO straight years! Pictured are Richmond Dancers presidents, Jim & Barbara Cannon receiving their club's award. What a way to celebrate Richmond Dancers 35th year as a S/D club. It's even older than the NNJSDA!!!!

A letter was sent, via the delegates meeting, to every club president asking for their help with the Blood Drives. Until the NNJ can establish which clubs or groups of clubs in an area can recruit enough donors (minimum 30 donors) to conduct their own drives, we must ask you to participate in the open mobiles in your community. Each month when Burt Caplan gets the list of open dates, he shall send a copy to nearby clubs. If a club has a Blood Drive Chairman, please let Burt know. In the meantime, if you do donate blood, use the NNJ number #9192. Also ask the registrar there for the blue copy of the form they signed and give this to your club Blood Bank Chairman so the NNJ will have a record.

INSURANCE - Renewal date of our liability insurance coverage under our NNJSDA group insurance policy with

"Selective Insurance Company" is December 15, 1986. A renewal form, along with much pertinent information, was given to the delegates at the September Delegates meeting by our Insurance Coordinators Fred/Kathryn Hill. They strongly recommend their handout (Bulletin #1, Rev. 5) be given to the club treasurer for safe keeping and ready reference. Much investigative work has been done in an effort to find similar coverage with a lower premium. At this time the Hills cannot state whether there will be any change in the insurance premium. Unfortunately Selective Insurance is not licensed to write insurance in New York State. Please direct all questions to the Hills at Box 84, RD 1, Blairstown, NJ 07825 201-459-4667.

Our dancing season is now in full swing. We started by celebrating S/Dancing. Mike Foley took us back about ten years by using many fine old singers. We had many visitors at our Open House. Wayne Applegate made them feel right at home on the dance floor. It was also a night for celebrating Eugene

Koenig's and Nancy Clough's birthdays. It was great seeing Art & Nancy again. Retirement certainly agrees with them. Please check our ad & join us on the dance floor during this holiday season.

We're well into the season & doing just great having attracted many new members, some joined simply because they feel comfortable with WW, following our Petruska Park workshop. I was pleased to learn that many joined because they feel that WW is an excellent club--based on the variety in our caller schedule, the delicious refreshments served at our dances & the wonderful people in the club. One very important news item is our New Year's Eve Dinner Dance. It will be a catered dinner. Pick up a flyer for details. Reservations will be limited. If you are planning to attend make reservations early. Don't forget to join us for our Turkey Shoot & Christmas Dance prior to the New Year's Eve Dance.

We began our new season with a flurry, having our first dance as a Fun Nite....by having an open house, inviting new people to come/observe and try their hand at square dancing. It turned out to be an enjoyable evening with the guests enjoying themselves more than they anticipated.

We now have a complete slate of officers with John/Linda Kenny Presidents & Dick/Roberta Dulaney VP's. Classes are off to a flying start - good turn out of students. I'm sure they will turn out to be a hard working group that we can look forward to having joining our club later on. We have a great line-up of callers for our upcoming dances and we would very much like to see you come and square up with us.

Years ago New York State had a most active Federation who successfully battled the NY Tax Bureau. A state wide convention drew large crowds. Then as leadership & workers dwindled, the Federation went dormant. Now the Empire State S & R/D Festival has again reactivated nine regions of NY. Representing #7- the Hudson Valley Council is Dave/Dorothy Casa of Pelham, NY and # 8 - Long Island S & R/D Federation is Bill/Kathy Buck of Ozone Park, NY. We wish this revitalized group every success.

Our new season is in full swing and we've had some great times, including our dance with guest caller Michael Johnstone & a rousing Oktoberfest with our own Carl Hanks. Our raid

The attendance was excellent at our Sept. "Ice Cream Social" dance. Many of last May's graduates showed up to demonstrate that they had been dancing during the summer and hadn't forgotten what they were taught. Also present was Joe Ramirez' little son in his playpen, giving Paul Brody

some competition. The October "Falling Leaves" dance is history & our November "Pie Nite" is almost here. My!! How time flies!! Time for Christmas shopping!! All dancers are always welcome. Come dance with us every month.

Our Welcome Back Dance was what we expected. A chance to meet with friends with special news of summer weddings, vacations, & cheery greetings. The leaves are turning colors & the Autumn Dance was an excuse to dance & prepare for the Crazy Hat

Nite Dance in October. We had some strange visitors on Halloween Dress Up Nite. One never knows who will arrive and spook us. The Garden State Campers Group raided us in Nov. & the Lakeland Squares are expected in Dec. We will be giving a demo at the Newton Hospital this fall also. It is with sincere sadness that I mention the loss of our dear member, NNJSDA Delegate, & friend Dottie Simmons. We send our love to George & hope he will continue to come back to dance with us. Please note our ad for information on how your club can earn money by raiding us.

Our Big Top weekend was a huge success, the largest crowd in its 21 year history due largely to the efforts of Frank/Margaret Birmingham & Jim/Pat Ray. A quick tally of dancers showed upwards of 25 squares. Calling was provided by the Mason Dixon Line, who will return next year. Thanks also to Pete Diven for leading us in

the Rounds. John Wieland, Charles Porter & Peter Yuskevich walked off with top honors in the Miss Big Top, Sexiest & Funniest contests respectively. The Sept. Barn Dance chaired by John/Judy Mastroiano, with Joe Fioretti calling, kicked off the new season. Everyone who attended had a good time. The Staten Island RIOS fall class had a large turnout at its open house. It's being chaired by Len Bianco. George/ Delores Pascua are serving as treasurers. There is still plenty of room for angels. We extend our condolences to Joe/Rae Troiano on the recent loss of their son. Get well wishes are extended to Joe DiGiacomo, Harry Childs, Lorraine Litkenhaus & Jack Wall who are all recovering from surgery. We dance for fun & friendship. Why not join us?

We have started another season in competition with Monday Night football. Frankly, we think we have more to offer. We can match any play on the tv screen. Screen Play? We have swing thru. Broken field running? They can't match Relay the Duecey. Blocking? Who can block

better than two couples doing a swing thru, when the caller has called pass thru? Backfield in motion? Have you seen our ladies dancing? For those who prefer action instead of spectator sports, try us. The only padding needed is the ladies slips. At this writing the action has already started. We have been notified of two upcoming raids, & have six scheduled ourselves. Our new hall has something few other clubs can boast. It is painted in our club colors, blue & white. Come see it. We have also held our first exhibition game at Wayne township's arts & crafts fair. Monday night football, eat your heart out, we have you beat hands down. We are already recruiting next years players through our class, and unlike football, we are open to women. Join us where the REAL action is.

Dancing to caller Bob Tarrant at the Bernardsville Train Station was fun for all. Some who had joined in the fun attended our introductory dance the following Monday. Our beginners are eager and enthusiastic and have the support from a wonderful corps of angels. It's exciting to think of the enjoyment ahead for them. Not only is it rewarding to learn new skills and to exercise, but the camaraderie that develops and the friendships made are well worth the efforts involved. With his usual expertise Bob Tarrant opened our first Plus Workshop and reinforced the fact that a Plus Workshop is useful and needed. This workshop starts at 7:30 with the regular dance at 8 PM; add rounds by Peg/Ted Tristram and "POW" you have a packed fun-filled evening.

JERRY SCHATZER - Word reached us early September that he had died. A graduate music major but with unparalleled talents as a professional caller, Jerry used to delight the dancers in our area with his ability to give the dancers a dance that sent them home on a high - no matter what program he called. A superb round dancer and cuer, his move to CA left a void in NNJ area which has never been filled. Sincere condolences are extended to his parents in Jefferson City, MO.

We've been on the go again - raiding Middletown Ramblers, Spinning Wheels, and Circle Eights. We are trying hard to keep our club afloat, but with small turnouts at our dances and dwindling funds, the future is beginning to look bleak. We invite all dancers to come and join us - singles, teens, couples - for an afternoon of fun any 1st or 3rd Sunday.

If anyone has any suggestions for making Solitaires a better club for the future, we are open to new ideas and welcome your input. See you soon on the dance floor!

We were delighted to see so many faces at our kick-off dance in September. The caliber of dancing was so high on that MS night that I'm sure many of you will soon be joining us on our Plus nights. A warm welcome to our new members--Bob/Hillela Ward, Loretta Jensen, Sid/Lillian Wilson, and Harold/Adele Topolsky. It's great to have you aboard. Don't miss our Holiday

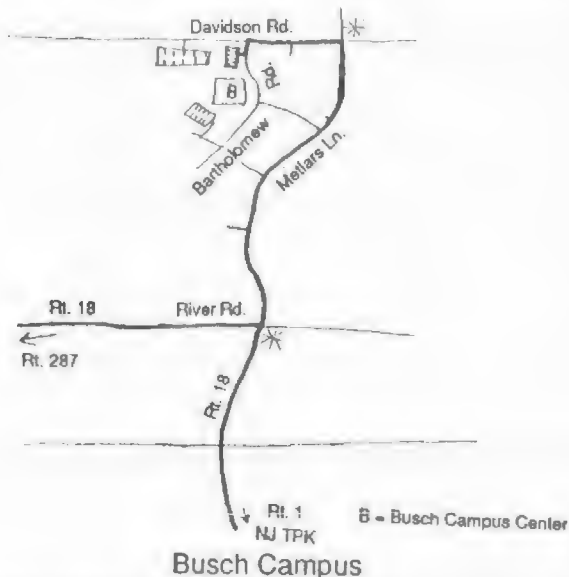

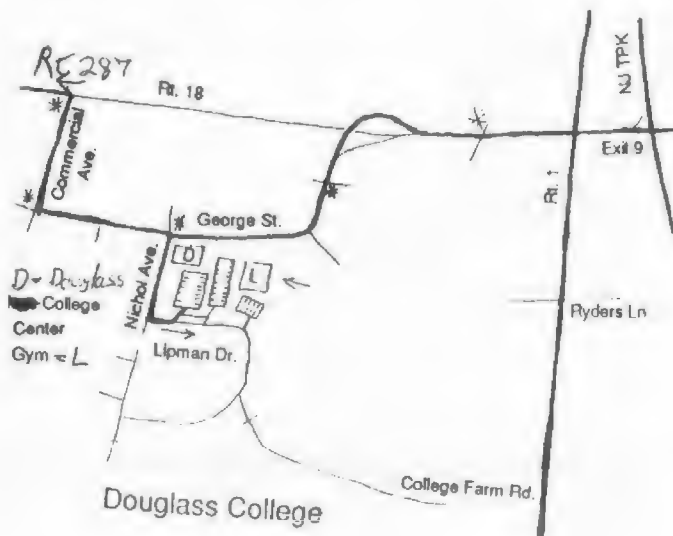

Craft Nite in December (Plus), a perfect opportunity to pick up novel Christmas or Chanukah gifts for family and friends. Later add to your holiday festivities by dancing with us at our MS "Season's Greetings Social." Share in our grab bag--ladies bring a gift for a lady, gent bring a gift for a gent. In January, "Ring in the New Year" with Wayne Applegate calling Plus. Happy Holidays to All from See Saw.

With fall here and school starting for all the Rutgers students, the Promenaders are back in session, and the year promises to be a BLAST!! We started things off with a tremendously successful high-lo eleven squares of guests and angels. Our guests gave the occasion an international flair, being from Switzerland, Turkey, the Philippines and elsewhere. Conversation presented a few difficulties, but then again, dancing crosses all language barriers. We followed with two very enthusiastic dances, and the energy level is rising. Come and join us, but check on the dance location. This fall we divide our time between Busch Campus Center and Douglass College Center.

Our dance season is now in full "swing," and we have much more to look forward to. Our Holiday Dance is always a very special treat with special refreshments, gifts and great dancing. We hope you can

join us. Looking back brings memories of several super dances we've already experienced. Our annual Dessert Dance opened our season with lots of delicious goodies, and Ralph Trout's calling to help work off the calories. Our 35th Anniversary Dance chaired by Joe/Emma DiGiovanni and called by Joe Landi was a huge success also. Our sincere congratulations to Frank/Shirley Bellotti who were honored at the dance as our newest "Honorary Life Members." They join a very "elite" group. The past honorees are Joe/Beulah Samec, Jim/Jean Laird, and Lee Kirchmyer (and her late husband Ray). We do not give this award often or lightly, which only proves what very special people they are. We wish all of you a joyous holiday season and a very Happy New Year.

Our club got off to a great start with Bruce Busch leading the way from summer into fall. Eight squares<sup>+</sup> joined the fun and fellowship of our first dance. We missed Doc/Peg on the rounds but the Greens did a great job as always of filling in. We are glad to hear that Bob Mulrooney, long time member and supporter of Ramapo, is feeling better and soon will be joining us

We opened our season with an open house in September. There was a large turnout and it looks like we will have a good class. Wilson Hoff will continue to be the teacher. Bob Mitchell called our first dance. Everyone was back from the summer and a good time was had by all. This year the Spinks are cueing rounds for us. With the addition of approximately 16 new members we are looking forward to a busy season of dancing.

We waited with excited anticipation to begin our third mainstream classes in October. Many of the students who graduated in May plan to "angel" beginning that date. They feel that the angels were there to help them and want to be there for the next class. This type of cooperation is what makes a club tick. Your club is only as good as the effort put in. We enjoyed quite a bit of fellowship over the last few months starting with our club picnic held at the Colonial Sportsmens Club in Hopewell. Each of the ladies prepared a covered dish topped off with Theresa Vicari's chocolate cake made in the shape of our square dance logo. It was delicious, thanks Theresa! The day was topped by a huge group of us square dancing in the large swimming pool which earned many of us a duck dangle for our badges, followed by our wonderful club caller, John Kephart, swinging us into a few tips to end a perfect day. It is with regret that we say goodbye to John Kephart and his lovely wife Sherry, who has been transferred to Germany for the next 3 years. We'll miss you terribly John and Sherry, best wishes to both of you.

With our new president, Bart Codd, at the helm, Ocean Waves is ready for another season of solid dancing. Classes have started and angels are needed. How is this for a definition of an angel? Oscar Michaud, Octogenarian member, was 100% angel at the RIOS student classes. He not only attended every session but also danced every tip! With our Raid Person, Eileen Gibson, Ocean Waves hopes to be seeing you soon. Remember "One Square is Fair."

Our dance season got off to a swinging start and it was good to see so many familiar faces, plus some new ones, enjoying themselves on the dance floor. This is Joe Landi's fifth year as our club caller and he's in top form. We are starting at 7:45 PM with a a thirty minute review of requested calls and/or quarterly selections. This promises to be another exciting

and fun-filled year for our club. Do come over and join us. We are always happy to welcome you.

Our first two dances of the year were well attended. Eight squares enjoyed dancing to the superb calling of Carl Hanks. His singing calls are something you just have to hear to appreciate. After four years of dancing at the same location, we suddenly found ourselves wondering if we could use the Central School in Montville. After some quick (& frantic) phone calls, the 2 & 4 Wednesdays have moved over to the First Presbyterian Church in Whippany. Then the C-1 group learned we could still have the Central School, so they remained dancing there on 1st & 3rd Fridays. If you have any questions call the Tingleys at 201-835-3947. A-2 dancers we'll see at the new location.

Classes started early in September, with 38 students signed up. We put on a demo for widow/widowers in Parlin. More than 50 members enjoyed our Pot Luck Dinner in October. In October, we raided Country Promenaders and plan others. A Mystery Bus Ride is planned for early November.

We shall be donating several "turkeys & fixins" baskets to needy families for Thanksgiving, and are going to have another Toys for Tots campaign early in December. Our club will be conducting its 5th annual blood drive around holiday time. Tickets for our New Year's Dinner Dance are now available, and non-members are cordially invited.

Our first dance called by Wayne Applegate was a great way to start the season. By the time this is read Joe Landi, Fred Fields, and Manny Amor will have delighted us as they always do. Our 2nd dance in November will be held at our alternate location--the Avenel Learning

Center, with John Carlton. Peg & Joe are forming a new class of basic round on Thurs. from 7-8 with the R/D club 8-9:30. The evening ends with a higher intermediate teach or a review. Our flyers are distributed and info can be obtained from this reporter. Our raiders are on the move again having visited the Garden State Square Dance Campers on Sat. of their final Sept. weekend campout. Some even stayed the whole weekend. We will be making more raids and look forward to having you visit us.

We may not have met over the summer but our members had plenty of opportunity to be active at demos. In June we danced with Hemlock Squares, in July at Cherry Valley Methodist Church, senior citizens at Dansbury Par in August at outdoor world, Timothy Lakes and the West End Fair!!! Almost forgot also at the Antique auro Show in Springtown, PA. Between all of these activities and our Tuesday plus classes at Hope, NJ we kept in contact with each other. Now we are looking forward to getting into our Fall routine and to a busy winter. Come join us.

Several clubs combine efforts successfully to co-sponsor classes; a President's Council in Middlesex County provides a forum for an exchange of ideas; in Bergen County just before Labor Day Circle Eights, Tenafly Squares, Tenakill Twirlers & See Saw Squares did a joint mailing of everyones flyers to a combined mailing list plus all the new graduates of '86...all went for 22¢. Our season started off on a sad note...the death of Dottie Simmons. Her pleasant cooperation will be sorely missed. Ruth Huebner is still recuperating from her knee injury but comes to dances to cheer the rest of us on. Our beginners' class got off on the right foot with

caller Rich Murphy. Many Rangers had a great weekend of camping and dancing at the Garden State S/D Campers Mini-Camporee at the Sussex County Fairgrounds. If you didn't come to square up with Ted Knauss and dance rounds with Al Spinks before this issue, you missed some fun dancing, and some of the most spectacular fall foliage we've seen in years.

Gone are the hot summer days which we enjoyed while they were here. Another season has started. We were happy to see so many smiling faces, all in good spirits, full of excitement and ready to set their dancing feet into motion. Our first dance with Manny Amor's sparkling, jubilant calling & Shirley/Frank Bellotti on the rounds was a great success. Come dance with our talented callers - Ray Lehberger, Wes Morris, Bill Heyman to name a few. RIOS is off to an excellent start with enthusiastic dancers under teacher Marty Clifford and our angel's guidance. Come spend an evening with us. We just love visitors. All of us wish all S/D a Healthy & Merry Holiday season. A good thought to carry over into the New Year is that dancers should keep their dancing on constant repair.

Our fall season got off to a great start with over 12 squares dancing to Hugh Jones. A first, our final tip was A-1 and received with much enthusiasm. We have resumed an

old tradition, raiding Cloverleaves first dance. We look forward to more participation and the grand camaraderie resulting from raids as indicated by our motto: "FRIENDSHIPS ARE MADE THROUGH A SQUARE DANCE RAID." Come share the fun and friendship in dancing with our excellent callers and superb R/D cuers. They help to make all of the Tuesday evenings special events. We wish you all a very Happy Thanksgiving, a joyous Christmas, and a healthy and prosperous New Year filled with lots of dancing enjoyment.

Discussion on how to meet club expenses...meet deficit thru outside activities, renegotiate contracts, raids, joint dances, cancel a dance when you know attendance will be low, more publicity, encourage visitations. Mention made S/D admission has not drastically changed over years while other prices have sharply risen. Discussion on raids and banner stealing. While NNJ has never gone in for Banner STEALING, pinning banners had been well received. GRAND SQUARE will research some typical rules of raiding. Letters to Editor always welcome - if signed! Discussion on - are we pushing dancers into PLUS too soon. Stress remain at program at which the dancer is most comfortable. Mention Ms clubs hold classes; + clubs hold + classes. Federation of Delaware Valley most impressed with NJ state outfits and is now trying to design a state outfit their state can adopt. (So is NY). 339 NJ dancers at National S/D Convention in IN (544 NY;944 PA)- are you registered for Houston, TX? Tirrells/Aquinos have forms.

Our first few dances have been quite a success. It has been fun to be back dancing again with old friends, catching up on what has been happening, and with new friends. Brian/Madeline Fugere are both doing well. We're looking forward to having Brian back calling. A demonstration was held in Union Center in September with Dancing Squares and Y Squares. QUITE a few

on its way to becoming accomplished dancers. Your new officers are busy planning raids, demos, and special events. Ten members attended LUST. All came away impressed and more knowledgeable by our experience there. The seminars conducted by the very able Moderators and the interchanging of ideas between clubs was very enlightening. On a sadder note, we all share with Evelyn a great sense of loss caused by the death of Bert Boucher, yet we also feel privileged to have had our lives touched by this fine gentle soul who enriched all that knew him. Bert was one of the shining lights of Cross Trails and his courage over the past two years was an inspiration to all who knew and loved him.

WRAP UP - LUST '86.....Over 230 attended the Leadership seminar Sept. 14 at the Douglass Campus of Rutgers University. 2/3 of those present were officers with several serving in 2 or 3 different clubs! 1/3 of those attending had danced under 4 years; another 1/3 between 5 & 9 years with the rest scattered from 10 to 36 years! A vast range of experiences to draw upon. In going over the critique sheets, most felt it was well planned, very informative & helpful, an excellent learning experience, enjoyed the warm friendliness and sharing of ideas and meeting people with similar problems. Some wondered if it could start earlier in day, with fewer simultaneous sessions so they could attend more sessions. All comments will be passed along to the next LUST Chr for '90. Hickory Hills did the fashion show; John Kaltenthaler moderated & called the PM dance with the Tirrells on rounds. Oliers & Cavanaugh's are to be praised for a GREAT LUST.

We mourn the loss of Roger Lund. Tall, boyishly charming, everyone's friend, he was a charter member of our club who helped bring it into existence, served as our second President (and two other times). Roger had also been on the NNJSDA Board

4 years as VP and Treasurer. He had had a severe heart problem for the last year of his life.

The door prize for our Turkey Shoot Dance will be a turkey. Our 2nd Friday dance in December has been rescheduled to a 3rd Friday. We ask that dancers bring wrapped toys for tots marked girl or boy. See you on the dance floor.

The Coronation of Old King Kolb and his Queen was held in regal splendor at our September dance. After Joe M. proclaimed, "The republic is dead; the monarchy is established," and to the cries of "Long live the King and Queen," the Cookes crowned Hank and Edith. Hank, septre in hand, introduced his court for the coming year. King Kolb declared the year one of merriment,

unusual happenings and good dancing. Bill Heyman, our celebrity caller, will make an extra effort to maintain sanity during our monarchs' reign. Our mini-Fall weekend was again sold out. Holiday greetings from the "fun club trying to be serious." The Court of Kolb invites you to "make merry" at our next dance.

Congratulations to PRINCETON SQUARES for an excellent article on square dancing by Robin Lichenstein in the TRENTON TIMES.

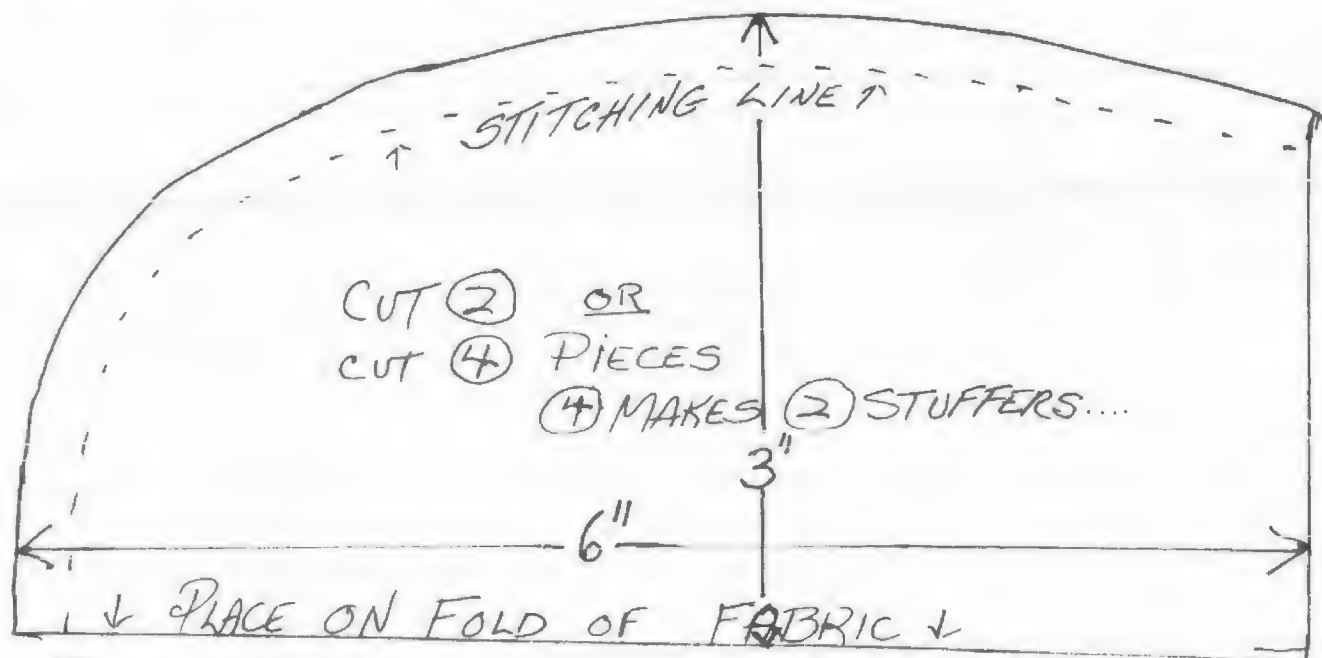

## SEWING NOTES FROM GRANNY'S HOUSE

### Herbal Toe Stuffers

While scanning one of the many free catalogs that cross my desk, I found an ad for shoe shapers. It read, "Lengthen the life of leather and fabric shoes!" Just slip them in to absorb moisture, to re-shape shoes after wearing. One set, \$6.98, plus postage.

The wheels began to turn, I leafed through my file of sewing ideas accumulated through the years and low and behold, there they were...Toe Stuffers...the Herbal was my idea, and it adds a pleasant scent to your closet as well. These make delightful gifts, and scrap fabrics may be used, and the cost is minimal.

Directions: Trace pattern shown below. Place pattern on the fold of fabric. Cut two at a time, you will need four pieces to make two stuffers. Sew around curved edges leaving top open. Trim sewn seams to 1/4 inch width. Turn to right side of fabric, press. Stuff with old cutup nylons or commercial stuffing. Pack Pot-Pourri of your choice here and there in the stuffing. Close the open end and gather it for shape. Add a piece of ribbon or plastic ring for gripping when pulling out of shoes. You may wish to fill with just Pot-Pourri, either way is nice.

PATTERN MUST BE  
ENLARGED TO 6" X 3"  
FOLLOWING CURVES SHOWN.

## INTRODUCING: CONTRALAB

There's something new among international organizations - you've heard of CALLERLAB and ROUNDALAB - well, now there is CONTRALAB! - the international association of contra callers.

In actuality CONTRALAB was begun in February 1985 with the support of contra leaders from all over. The past few months have been devoted to organizational matters. On Wednesday before the National Square Dance Convention officially began, contra leaders from all over the US and overseas met to set goals and policies and elect a Board of Governors. Dick Meyers of Cranford, NJ is on the Board. The aim of CONTRALAB is to promote the cause of contra dancing and to enhance the skills of contra callers. A quarterly publication, edited by Walt Cole will keep its membership up to date. Contra dancing is in a growth period, both for itself and for its influence on the rest of the dance world. We wish the new organization well.

The International Assembly of Trustees of the Square Dance Activity will be holding its biennial meeting this coming May 14-17 down in Nashville, TN. High on its agenda will be a discussion of the results of the 5th

dancer survey which is to be conducted this winter. The Tirrells are chairing the Survey Committee with a lot of assistance from the membership.

UNITED SQUARE DANCERS of AMERICA - This organization recently celebrated its fifth anniversary. Re-elected presidents were Howard/Lorraine Backus of Arkansas. Continuing on as treasurers are former NJ residents Frank/Nan Habersberger of FL. USDA sponsors an economical dancer accident/group liability insurance program and a program for handicapped dancers. They usually meet during the NSDC. A mid-year meeting will be held in Rochester, NY in January. At this time they will formulate plans for the coming year including the solicitation of bids for to host USDA regional conventions as approved at their 1986 meeting. USDA has an eye-catching red, white and blue official costume.

## AS I SEE IT

BOB OSGOOD - LOS ANGELES, CALIFORNIA

The face of square dancing has changed many times over the years. A Rip Van Winkle, waking up after a 35 year snooze would scarcely recognize the activity the way it is today as being a part of his dance back in the late 1940's. Certainly much of what we now enjoy would be a vast improvement. One of the first things Rip might notice would be the excellence of so many of our callers. What at one time was a casual avocation for the callers has today become a prime art form for many individuals whose ability would rival that of some of our popular recording singers.

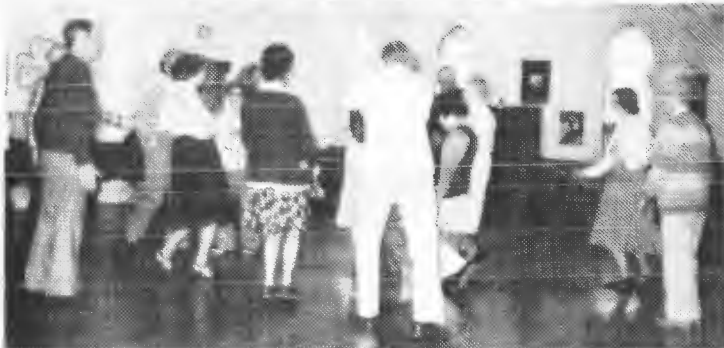

Another thing Mr. Van Winkle would notice is the quality of the recordings. Back in 1950 there was only a handful of record companies turning out the old 10-inch, 78 rpm discs. And the sound systems! The equipment we had in the 40's was usually bulky (and portable only because it had a handle) and would be less than acceptable by today's standards.

Immediately following WW-II, most of the nation was in a state of change. Lives that had been disrupted by the War were now fitting back together. Families that had been scattered began to settle down to post-war living. New communities were springing up everywhere and with this growth came a need for people to get acquainted with their neighbors. What they needed was a good method for making friends. The answer came, just as it had many times during this country's short history, to involve the people in the friendly spirit of our traditional dance. Introduce them to S/Ding.

Old time callers dug into their little black books of handwritten calls. Recreation leaders began their research. Schools, churches, public buildings opened their halls to Square Dancing, & folks began to rush to the open dances that were springing up everywhere.

At first there were no classes so anyone who knew anything about square dancing welcomed the non-dancer into the squares. As time went on & there was more to learn, it became necessary to start classes - and they were fun. Callers saw to it that the programs were filled with mixers - mixers from squares - mixers in circles. This concept not only taught the person how to dance, but introduced them to each other and, in a setting of fun and excitement, square dancing became the means for folks to get acquainted.

Our Rip Van Winkle, while amazed at many of today's plus factors, might lament that some groups have missed the point that it is this fun & joy of the activity that brings people into the halls in the first place and that it is this spirit of friendliness that cements a happy S/D club. Square dancing was, and is, a challenge to one's dexterity & mental prowess and it affords one the joy of moving to music, but it is designed to be so much more. It is an answer to an individual's need for neighborliness and friendliness. To have one aspect without the other would be to miss much that the activity has to offer. Bill Brockett summed up the feeling when he wrote for the American Square Dancers stationed overseas, "Friendship is Square Dancing's Greatest Reward!" Think about it.

It is very difficult to find a knowledgeable dancer or caller who is free daytimes to share their S/D talents with the many senior citizen groups in our NNJ area. (Most of the time the only pay is seeing the joy on the participants' faces). Charlie and Jeannette Novak have been introducing many "seniors" to the fun & friendship of our activity for a number of years. Pictured is their group in Midland Park with the "ladies in and the men sashying".

For a number of year the Square Dancers of America entered a float in the Pasadena Rose Parade. Dancers from all over the world showed their support of this venture by purchasing, for a dollar, stick on roses which they wore on their badges. While there will be no float in this year's parade, they are still paying off old debts and planning for the future. HAL/FLORENCE MARGO have distributed over 700 red roses in our area. If you need more, or have any questions contact them at 346 Dover Road, Colonia, NJ 07067 201-396-8869. They thank all for their past support.

29 dancers, led by George/Dot Loewenstein met dancers in Stockholm (Sweden), Orebro (Sweden), Oslo (Norway) & Stavanger (Norway) as well as a reunion with the Stintfang Dancers of Hamburg, Germany last May. Clubs extended themselves with hospitality, opening their homes for overnight accommodations, sharing traditional foods, exchanging addresses and being invited to spend time with the group when they visit America in the future.

With 3 clubs in Norway, the group danced at every Norway club...not so in Sweden which numbers over 70! The Tyreso Squares even hired a costumed folk dance group to come perform some traditional dances (one of which resembled Grand Square!). The club in Stavanger extended an invitation for other groups to come over. Interesting to note that the original copper for the Statue of Liberty came from Stavanger! Next trip by this group will be Hawaii in 1988.

### THE SPIRIT OF SQUARE DANCING

I choose to be a part of the SPIRIT OF SQUARE DANCING, and I do hereby consent to the harmonizing of all facets of the Square Dance Activity I shall begin this day to become The Square Dance Spirit that I am

I understand that THE SQUARE DANCE SPIRIT is that desire within ME to be more caring about the square dance activity, to be more tolerant of other dancers, to be more co operative with fellow club members, and to be more positive about the future of our activity

It is my desire to DO more, BE more, ENJOY more, and to make the Square Dance World a better place for my having been there. I become the spirit of the dance and I make it FUN to dance. I become the joyous expression I was meant to be. I radiate that joy to everyone I come in contact with, and they catch that spirit, too

I agree to be a part of the world-wide group that will dance on December 31, 1986 At 11:00 P.M. Eastern time, I agree to join hands in a circle with all members of my club, knowing that I am committing myself to a vital dance spirit that begins with me. Wherever I am, I know that I am dancing in spirit with every other dancer in the world at the same time, in a MOMENT OF COOPERATION felt round the world!

I now accept my appointment as THE SPIRIT OF SQUARE DANCING, knowing that every time I create A RIGHT SPIRIT, I AM DOING MY PART!

Charlie Baldwin, long time Editor of the New England CALLER had a dream - an organization of, for & by the dancers dedicated to the promotion, preservation, & perpetuation of the New England square, round, traditional and folk dance heritage. After much work, by many, it became a reality with the formation of the Square Dance Foundation of New England. With the purchase of Kramers Hayloft in South Weymouth, MA a place was secured for meeting rooms and the proposed library & museum. All donations are income tax deductible with memorial gifts always acknowledged. For more information contact the Tirrells or write Foundation Pres. Dick/Judy Severance 105 Oak Hill Ave., Manchester, NH 03104.

In IN at the NSDC we had the privilege of renewing our long time friendship with Charlie Baldwin. Charlie, together with Stan Burdick & Bob Os-good were the visionaries behind the formation of LEGACY. Then as we went to press, word reached us that Charlie had died. The whole S/D activity owes so much to Charlie. Our sincere sympathies to his wife, Grace.

ROUND DANCE HIGHLIGHTS - Anne Gallo, NNJSDA/NNJRDLC Liaison

Sorry to announce that Ed Shearwood will have to share Cherry Ridge work with another cuer - his wife, Les. Does ROUNDALAB know about this? Welcome to the profession, Les. The state convention in March will have a separate room for rounds - so mark your calendars.

It was touch and go whether the Council would get Montville with its 2 halls for their November special, but Chairman Jeanne Brody persevered. We hope many of you attended making all the Councils' efforts worthwhile. In a recent issue of AMERICAN SQUARE DANCER, the following poem appeared written by Ida Reilinger - "How much they've missed".

Many people dance in squares - their joys seem to have no bounds,

Not realizing how much they've missed if they've never danced to rounds. Have a healthy and happy holiday and New Year. See you (in)around.

On fifth Thursdays this summer, Paul Brody & Dot Loewenstein were our guest callers giving Andy/Ruth a chance to dance with us. We raided Pelham Promenaders in the early summer and they returned the raid in September. F.A.D. Squares also raided us in July. Year old Amanda Goldsmith was our youngest visitor of the summer (she brought Mark/Sue with her). Our open house in September was very successful with over two squares of visitors enjoying their tast of square dancing. Our new class, NQR's (Not Quite Ready for Mainstream) started in October in Spring Valley. C'mon up & join us.

We have moved to a new night, 1, 3 & 5 Fridays, as well as a new hall. See our ad. The hall has a super all wooden floor for easy and relaxing square and round dancing. R/D lessons by Ellen Fury at 7PM. "Roses for Elizabeth" was a recent teach. The class is doing very nicely and everyone who has had some basic rounds will find it enjoyable. We will be having many different callers during the year & several special events. We are looking forward to a Turkey Shoot in November. Come and take the turkey home. Mark Franks will call our Christmas Dance. We had a very nice turnout at our one nighter and know that many of the group will be taking lessons as part of the West Windsor-Plainsboro Community Education Program. Barry Serebnick did a great job.

As the July 20th weather cleared, the Leisure Sq. breathed a sigh of relief as the work of 30+ couples was not in vain.

Their float for the Monroe County Susquecentennial Parade was ready. They had covered a sway back trailer pulled by a large borrowed tractor with plywood and carpet; they had plants and flowers and a gazebo creating a back yard garden. Everything was borrowed begged for, donated or "acquired". The five mile long parade ran through East Stroudsburg & Stroudsburg with Leisure Squares dancing ALL the time. The project, engineered & directed by Pam/Bill Hochrine, workers & dancers from Leisure Squares, with Ed Miller as caller (lipsinging the Red Boot Boys Tape) was the hit of the the parade. TV channels 17 & 39 taped & replayed it the whole week! The parade watchers greeted the float most enthusiastically-whistling, clapping, even dancing. What a thrill when Leisure Squares was awarded the plaque for the Most Beautiful Theme in the parade! Congratulations!
