From the desk of JOHN & MARY AQUINO, PRESIDENTS NNJDSA

We want to wish all our square dance friends a very Happy New Year. We trust you all had a very Merry Christmas and/or a Happy Hanukkah.

Going back a bit, we want to thank Fred & Katherine Hill and Gabe & Sila Dell'Angelo for the fantastic job they did with the 12th Annual Mini-Festival. We had over 50 squares with 20 clubs having one square or more. Don Beck and Henry Ferree did a super job of calling in the plus (and advanced) hall while Hap & A.J. Wolcott provided us with a superb selection on rounds and a wonderful exhibition that was thoroughly enjoyed by all.

Having mainstream dancing turned out to be a great success. Our own Brian Fugere had 10 squares in the mainstream hall and it was hard to tell who was enjoying it more, Brian or the dancers.

Our Fall Special with John Sweeny drew over 24 squares and one special guest...Andrew, only 8 weeks old and we understand that it was Andrew's eighth dance (How's that for a record?). There were 10 clubs with one square or more. Remember our "One Square is Fair" award will no longer include the Warm-Up Dance, but will include the Mini-Festival. Even if your club is not in the running for the award, we would still like to have your club attend the remaining specials with one square or more.

We hope to see most of you at our Class Level Dance on Sunday, Jan. 25th. Come and help us welcome our newest dancers, sharing with them the fun and friendship of square dancing. If you have gotten a lot of enjoyment from square dancing, now is the opportunity to put something back into the activity.

For all of you that wear a club badge, we hope you wear it with pride. We also hope that you will consider getting involved. Now is the time that clubs will be looking for new officers and committee people. There is a lot to do to keep a club running smoothly and it's a lot of work for only a few people. The club needs all of it's members to contribute in one way or another. Whether it be a club officer, chairing a special dance, helping with refreshments, greeting guests, etc. It's very easy to wear a badge with only your name and not belong to any club. It's also easy to go to a dance, pay at the door, enjoy the dance, the refreshments, enjoy the pleasure of everyone's company and at the end of the dance just leave. No commitments...great. But if we all did that, what would we have? Think about it.

For all of you who proudly wear your club badge, we say THANK YOU.

MINI FESTIVAL

The 12th Annual Mini-Festival, which was a social and financial success, is now history. This was accomplished by the untiring support of its Chairman Kathryn/Fred Hill, Registrars Sila/Gabe Dell'Angelo assisted by Association Officers and Executive Board. The clubs are also to be complimented for helping make this, the 12th, a memorable occasion. Without their support it would not have been possible.

All but 3 NNJ clubs had representation (Reelers, Isle & See Saw Squares) 10 non-member clubs were present and one couple with no club affiliation. Twenty-one clubs had one square or more (Belles & Beaux, Bee Sharps, Cloverleaves, Country Promenaders, Covered Bridge, Cross Trail Sq, Dancing Sq, Hill City, Hix & Chix, Kings Sq, Kittatinny Rangers, Lakeland Squares, Leisure Sq, Merri-Eights, Rutgers Promenaders, Richmond Dancers, Spinning Wheels, Valley Sq, Western Wheelers, WMFlutterwheels, & Y Squares. Five caller couples (Andersons, Gotta, Heyman, Loewenstein, & Woerner) came. Forty-three clubs sent free dance passes as door prizes! A complete financial statement will be given the delegates at the January meeting.

Quoting from the Hills report....."It has been a pleasure and privilege to chair the Mini-Festival for the past two years and watch it grow as the social event of the year, as well as financially. We thank all those who supported us and wish the new chairpersons a successful 13th annual Mini.". ED: OUR THANKS to you for your hardwork.

(Mini-Festival pictures my be found on page 31)

Thanks to a lot of research, hard work and telephoning, and in spite of his illnesses, Fred Hill was able to secure a new INSURANCE POLICY with Franklin Mutual Insurance Company with better coverage at a vastly reduced overall fee!

Notices of this were mailed to all interested clubs in Mid December. The Executive Board thoroughly discussed how the fee should be apportioned among all those covered - by individual club, by individual members of a club (& what do you do with people with dual, triple memberships?), or by number of nights a club dances (would you count in affiliate activities such as R/D clubs, classes, workshops, exhibitions?). After much thought, the decision for this year was to charge each club the same. A thorough discussion by the club delegates covering this matter will be held before the 1988 premium is apportioned. Our sincere thanks to Fred for all his perserverance in securing this policy.

DISCOURAGED - DISHEARTENED - FRUSTRATED.....Letters to club presidents notifying them of nearby Blood Drives bring a "Ho Hum" and an occasional announcement; visits to clubs give Burt Caplan an opportunity to remind all that quite a few NNJ members & families have already received significant amounts of blood, replaced through OUR program...and that we want our program to be prepared and ready when needed. BUT other than a few staunch supporters, nothing earth-shattering has happened - y e t. A lesser man would have thrown in the towel and admitted defeat, but not our tenacious Blood Bank Chairman, Burt Caplan. Saturday, Dec. 20 saw members of Merri-8's and some Staten Islanders at a Blood Drive. But what happened to our other 2182 NNJ members???? Burt now has a co-chairman - Donna Anderson- who says that among your New Years Resolutions - include participation in #9192. We'll be hearing more from this dynamic duo. Give a GIFT of LIFE!

We are the place to have fun. Our recent dances have been great. The Halloween Dance started out with Monk Wayne Applegate blessing everyone with his Holy Water microphone. The costumes included clowns, pumpkins, doctors, babies, pirates, and witches. Prizes were awarded in many categories. The Sadie Hawkins dance continued the fun. All the women were madly filling in their dance cards. Mike Foley was all spiffed up and looking great. If he hadn't had to call, all the women would have been after him to dance. Betsy was there to watch him. Their kids were there to watch Betsy. Dan Koft did a great job calling our Thanksgiving Dance. We thank Lakeland Squares, Rutgers Promenaders, and Merri Eights for making this another gala affair. Through all this, Jean Kellogg added to the fun by cueing all the most popular dances and keeping all the round dancers current. Come join the fun in 1987.

We are all continuing to enjoy the season, with good friends, and good dancing. Our class continues to progress very nicely, under the very competent direction of our Class Coordinators, Ada/Floyd Proctor. Our Thanksgiving, turkey give-away dance, was a very enjoyable evening, with Dick Pasvolsky doing the calling, and the free turkey dinner being won by our own John/Helene Nicols. We wish you all a very Happy Holiday season, and Joyful New Year, filled with peace, good health, and last but by no means least, good dancing. See our ad and come join us in a square.

A New Year & a new season of square dancing enjoyment to look forward to! The holiday dances were marvelous, & gave us an opportunity to extend good wishes to all our "square" friends. We are into our second session of lessons with a great class of students. Our raids are a continuing pleasure - we had over four squares on our last foray! We would really enjoy welcoming your club on a raid. Will we see you in February at Everybody's Birthday Dance? We hope so - we need help in blowing out the candles and demolishing the birthday cake. Carl Hanks & Roy Gotta will help us work off any extra calories, & have a wonderful time doing it! Don't let the Winter get you down - come & share fun, fellowship & great dancing!

Soon we'll be saying good-bye to 1986. Looking back, we have much to be grateful for. Attendance has been good with a great mix of new & old friends. John Kaltenthaler always calls a fun & challenging mainstream dance. His wife, Freddie, with her cheerful good-humor makes every dance a party. No one else beats our cuers, the Tirrells for style & warmth. We are grateful that our good friends Tony Fodera, Herb Rivkin and John MacGregor are making excellent recoveries from their surgery. We hope you took time out to dance during the hectic holiday season. Remember to be there when your club goes on a raid. Reach out & touch someone -- dance! Our club has been doing just that for 35 years! We plan to celebrate this at our pot luck in March -- hope you can join us as we journey down memory lane that night.

HAPPY NEW YEAR!!! The holidays & New Year's Eve parties are pleasant memories (because S/Ders always stay sober on that night). We're well into a new year of happy dancing hoping that Mother Nature won't act up and force us to cancel any dance because of impassable snow. Now that the local S/D classes are making such tremendous progress, we'll be sending them invitations to attend some of our dances in the near future, so that they can get a taste of what it's like to dance with a club. (This is a custom of many years standing with our club - mid-term exams!!!) We extend a warm welcome to all dancers, new & veteran alike, to come dance with us every month. October was a great month for us. John Kaltenthaler & Ted Knauss helped make our fall dances very special. Our Halloween Dance Parade had a variety of spooks, creatures & funny fellows. Prizes were awarded & we had as much fun as the neighborhood kids did. Our club raided D&H Square Dance Club & we gave a demo at the Eastern Star in Hardyston. The Annual Mini-Festival presented by the NNJSDA was a perfect way to spend a Sunday afternoon in Nov. We are looking forward to many fun times & our last dance at "The Spa" in Vernon was a great success. It is a special place to gather & have fun & great exercise. Can't wait to see you. The month of November was filled with "Specials". We started with a Halloween Dance chaired by Chris/Tom Piciocco. The calling of Dave Hass made it a fun dance for everyone. Our 38th Anniversary Dance was held later in Nov. chaired by Gabe/Sila Dell'Angelo & a committee of past presidents who did an excellent job. The refreshments for the evening consisted of different foods from around the world. Spirits were high because that was the night Staten Square Set presented the "Lucarini Award" to a most deserving couple. This year's recipients were Joe/Flo DiSano of Richmond Dancers. The calling by Joe Landi made for a very enjoyable evening. Get well wishes are extended to Lydia Tarquino & Judy Mastroiani, we hope to see you at a dance soon. We dance for fun & friendship.

Every Monday A.P. Terhune Sch., 40 Cyanamid Dr.

If you missed our fall dances you missed a lot of fun. A raid by Hix & Chix helped us set a seasons record, with ten squares on the floor. Their raid outfits of red/white helped brighten up the dance, & kept our club treasurer, Sid Albrecht, from feeling blue. Our callers offered a diversity of styles & challenges. Brian Fugere made all of our squares go to "L", & on Thanksgiving week, Dick Pasvolsky gave visiting caller Mike Gilden of Aikens, S. Carolina a guest tip, & we learned why he is called the Captain of Rosalies Boat. We have been very busy with raids also. A raid on Tenafly Squares, & one on Belles & Beaux brought our raid banners home for the holidays. Sixteen amateur detectives from the club managed to find Belles & Beaux despite a location change. As I write this, the holiday season is starting, & as you read it, it will have just ended. This is the season of getting together with friends, good cheer, & good will toward men. (The latter was written before Women's Lib.) Sounds familiar, doesn't it? Like square dances all year round. Class level dances will be held on 1st Mondays thru April. All students welcome.

By the time you receive this issue of the Grand Square, our club will have celebrated Christmas with an "Old Fashioned" Christmas dance, exchanging cookies & making tree ornaments. Our winter warm-up will be history & we will be looking forward to our dangle dance called by John Carlton the end of January. "Ya'all come" & be dangled! Bring your sweetheart to a Valentine dance & take home a photo to remind you in days to come of the fun you have dancing. Don't give in to the urge to stay home on those cold winter nights. Once you are out, you'll feel great & think of all the exercise you will need to melt those pounds away after the holidays.

NEWS FLASH: You may have heard by now that Lois/Steve Autenrieth are proud parents of a little son, born Aug. 13th. His name is Drew & he has been dancing already. He especially liked the rounds. Congratulations Steve & Lois.

Look & be prepared for lively Somerset Hills raiders. We are making plans to raid clubs all over the place & want to encourage all of you to return the favor. That is one of the many pleasures of dancing--meeting all of you neat square dancers from other clubs. We are always appreciative of you who visit our club & look forward to seeing you on your home turf or I should say under your home rurf. Oh yes. We trust you each had a wonderful Christmas & we at Somerset Hills want to wish everyone a "HAPPY NEW YEAR".

SOLITAIRES -- West Orange, NJ

1 & 3 Sundays

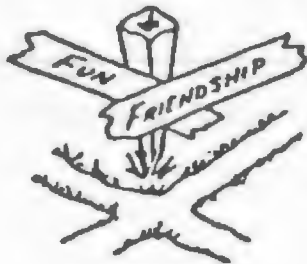

W. Orange Comm. House, 242 Main St.

Solitaires is calling out to all single dancers to help us. Attendance has been dwindling over the past few years. Now we are faced with the possibility of not meeting our expenses even until the end of the current season. We would like to continue to be available to provide fun & partnership to single dancers who often have no other club to dance with. Besides, we've become good friends and do not want our club to cease its existence so that we would have to go our separate ways in the square dance world. So, please, if you have any suggestions that would make Solitaires a club you would attend on a regular basis, give us a call. We'd love to hear from you.

SEE SAW SQUARES -- Upper Saddle River, NJ (1+;3MS)

1 & 3 Saturdays

Stone Ch. Ed. Ctr., E.Saddle River

As the winter grows colder, it is warming to reflect on all the fun dances we have been having this season & on the wonderful response we have had to our fund-raising efforts. Our Chinese Auction in Nov. was particularly successful & we thank the many who donated items as well as all the dancers who filled our hall that night, including 2 raiding clubs -- Hi-Taws & Western Wheelers. It was Secretaries' Night as well & the "Secretary' Emergency Kit" presented to our visiting Club Secretaries provided a few chuckles. By the time this appears in print, our first Craft Night & Novel Nite will both be history & hopefully, successful fundraisers as well. In the next couple of months, we look forward to seeing you at our Patriot's Dance, Sweetheart Swing, Shamrock Stomp & Apple Nite. Watch for our flyer with details of these future dances. Happy 1987 from See Saw Squares!

RUTGERS PROMENADERS -- New Brunswick, NJ (MS)

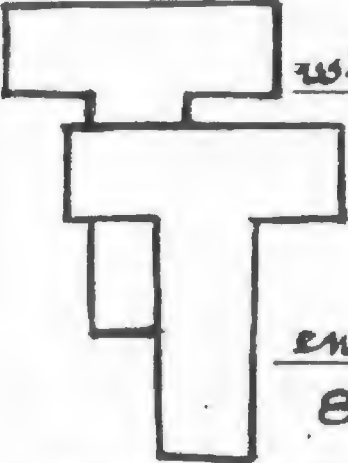

2 & 4 Thursdays

Douglass College Ctr., New Brunswick
Busch Campus Ctr., Piscataway

The Promenaders believe in getting an early start on any holiday, & Halloween was no exception. Surrounded by ghosts from all walks of life (or death), including cat & mouse varieties, costumed revellers danced to the calling of Don Beck. I won't go so far as to say we raised the dead, but we did raise Cain. (We even had a few devils of the teddy bear variety roaming around.) Getting into the Christmas Spirit is easy at our annual Toys-for-Tots Christmas special. John Kaltenthaler always does such a fantastic job of calling. The piles of presents under the tree for the Marines to distribute serves to add to the joy of the times. November was a raiding month for us, on both sides of the coin. At the start we enlivened (and possibly slightly overwhelmed) the Masqueraders at a dance where our own Roy Gotta was cueing. Mid-month, Y Squares joined us at our class-club dance, and helped welcome our class members into the fun of club level dancing. Month-end, a mini-raid on Y Squares returned the compliment, & also had the bonus of supporting Dan Koft, our Promenader - turned caller. Now that we've gotten started, the Promenaders are on the move. We are looking forward to visiting more clubs this year & hope to welcome many others to our dances.

RICHMOND DANCERS -- Staten Island, NY (+)

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

We are very proud of members Florence/Joe DiSano who were honored by Staten Square Set with their Lucarini Award at their anniversary dance. The DiSanos have contributed so very much of their time & talents to NNJSDA the Staten Island Round-Up & Richmond Dancers that we can't think of a more deserving couple.

Our Holiday Dance was most enjoyable & the gifts & decorations handmade by Clara Friscia, Kathy Porter & Leo Bichler were especially appreciated. Our "Frequent Visitors" program is in effect again & we look forward to posting many photos of five-time visitors. Our students are doing very well in RIOS classes with Marty Clifford as their teacher. Dancing with all the club members at the RIOS Christmas Dance has certainly helped give them much more confidence & we look forward to welcoming them into our club. The holidays have left us with memories of many wonderful dances, delicious refreshments &, for some, extra pounds. We hope you will join us at our winter dances & together we will work off the weight in the most enjoyable way that we know.

The Reelers have had a very busy Fall season. In November we had a raid by Lakeland Squares at a dance called by Barry Serelnick. There were 12 squares on the floor that night. Later in November the Reelers had their first Gobbler Gala with five door prizes including a real turkey! A fun time was had by all. We are looking forward to our Christmas dance with Dick Pasvolsky. The club bid a sad farewell to Lorraine/Wally Peltzer who are moving to Connecticut.

This fall season started with our Wednesday night class beginning with a total of 96 students! Two months into the class we are still maintaining approximately 65 students, much to our delight. In addition, we are getting quite a bit of support from at least 25 angels who turn out on Wednesday nights to help teach the class. They are a fun group & anxious to learn. We hope to have the largest graduating class ever this year! Just heard from John Kephart who is now stationed in Germany. He would love to hear from you. His new address is SFC Kephart, Box 120, 98th General Hospital, APO, NY 09105. He hopes that his wife, Sherry, will be able to join him in Germany within the next month. He also reports that two square dance clubs have approached him to call for them & promised to keep us posted. Won't you take a few moments & drop him a line? We had a wonderful turnout for the September Fest when many of us danced on the grass for the public earning us our grasshopper dangle. The September Fest was held at Veterans Park in Hamilton Square & we had a beautiful, bright sunny sky to dance under. There were many interested people & several of our new students did come out due to the exposure received both there & from the newspaper article in the Trenton Times. The Thursday night mainstream group is going to try something new by holding a non-progressive plus workshop move each week. Come on out & join us soon!

Our December Holiday Dance was a fun evening, filled with great dancing, lots of door prizes and super party food. Ron/Millie Nitzsche and Harry/Dot Henderson did a grand job of coordinating the evening. We were happy to welcome Debbie, Joe's wife, and their two children back again to share in the holiday spirit. Mountain Squares members wish you a happy and healthy New Year. The thirty minute review which begins at 7:45PM has proved to be a very popular addition. Now that the cold weather is here, why not experience the warm welcome waiting for you at our club and enjoy dancing to the ever-interesting calling of our own Joe Landi?

We hope all A2 January resolutions will include regular dancing with Montville Squares. We still offer two levels, A2 and C1. Carl Hanks' smooth calling makes dancing very easy and enjoyable. Squaring up with friendly people makes the dancing all the more fun. So, come on over to Montville Squares and give us a try. We have a full schedule of dancing for the new year. We will be remaining at the First Presbyterian Church in Whippany. At this writing, our Challenge group is undergoing a reorganization. For information regarding the Friday night C1 dances, please call our Co-Presidents, Elbert/Marion Tingley at 201-835-3947. If you are a C1 dancer and have any ideas which might be useful or offers of help, I am sure they would be grateful to hear from you. A good New Year to all of you from the people of Montville Squares. Hope to see you on the floor.

"I am certainly not alone in that the dance community sent me cards, prayers, notes, good wishes and moral support. BUT.....

I can only take this medium to wish a sincere THANK YOU to each and everyone of the 348 (so far) wonderful, thoughtful people who have let me know that they cared. That really is THREE HUNDRED AND FORTY EIGHT including editors, cuers, callers and, chiefly, dancers. I hope to be back on the dance floor by the time this letter is published. I hope to see you all in person sooner or later. You have given me much joy and 348 good reasons to have a Happy Thanksgiving. Sincerely, Herb Rivkin"

Six sets went on our mystery bus ride to the Yellow Rockers in Hellertown, PA early November. Later that same month 2 sets raided Y Squares. We collected 9 baskets of food including 20# turkeys which were distributed to needy families at Thanksgiving and will be collecting more food at Christmas. At our second Toys for Tots dance 5 boxes of toys were turned over to the Marines. Also in December our club conducted its fifth annual blood drive. Tickets have been selling well for the New Years Eve dance where we'll be participating in the YES, Spirit of '86 at 11 PM.

Our attendance is holding steady at the class with approximately 30 students and about that many angels. Thanks to our members and friends we have been averaging about 16 sets and have a program of many fine dances for the rest of the year. We wish all our friends and neighbors a happy holiday season.

"Dear Dancers:

Having a great time at the M.T. SQUARES. Wish you were here!!
Indeed we so wish you would join us and share our great times. We have the tops among round dance leaders and many of your favorite callers are lined up to make your visit enjoyable. One of the greatest joys of square dancing is making new friends. Having you visit us is one way of accomplishing this and it is to that end, also, that we have been raiding other clubs lead by our head raiders, Tiger/Millie Wolpert. I would like to remind any would-be and even is-be round dancers that Peg/Joe Dockry teach rounds and cue the intermediates at our regular square dance location every Thursday evening. Call this reporter for more info. Our square dance class is doing very well under the tuition of Wayne Applegate and the tender loving care of Bernie/Bobbie Garfinkel. We hope the holidays just past were happy occasions and that the new year will be one filled with happiness, good health and good dancing.

1 & 3 Saturdays

J.M. Hill School

We are well on our way to a busy winter season. We always enjoy having guests from other clubs join us at our regular dances. An interesting schedule has been planned by our executive committee under the leadership of Carl/Norma Smith. So far, we have enjoyed a Fun Night, a Halloween Party, and Ice Cream Social and a Thanksgiving Event where we brought in canned goods to be presented to the Salvation Army for distribution. This year, because our regular room at Stroudsburg High School, was not available to us, we decided to hold our classes at our regular meeting hall, J.M. Hill School, in East Stroudsburg. Artie/Ann Lee are, once more, the coordinators for the class. They are very faithful as are our many Angels. We have a class of thirteen and we are happy to report that they are becoming very proficient under the able instruction of our caller, Dalt Young. We joined with many other clubs in our area to enjoy a Fall Frolic Dance and Banquet at the Plainfield Township Fire House. An excellent meal was enjoyed by a good group of dancers. If you have ever been there, you know how stuffed we get. Dancing was enjoyed under the calling of Dalt Young and his "brother," Ted Knauss. We hope you all had a very blessed holiday season and wish you a year of great dancing.

LAKELAND SQUARES -- Mountain Lakes, NJ (MS)

Every Tuesday Wilson School, 271 Mt. Lakes Blvd.

Happy New Year to all! Another year has passed, but not without leaving many happy memories behind. Let me start off by sending belated Congratulations and Best Wishes to club members Audrey Strubbe and Roy Ridings who became husband and wife in October. Thanksgiving Pie Night in November saw us all dancing with our favorite Turkeys and enjoying many delicious homemade pies. Recent raids to Dancing Squares, Ironia Reelers, and Sussex Spinners (class level) were well attended and enjoyed by all. Special thanks to the West Milford Flutterwheels for having us as their guests in November. Jolly old St. Nick paid Lakeland a visit at our Santa Special in December. December also saw our first class level dance. It was great to see so many of our new dancers joining in the fun of square dancing. We look forward to seeing them at many more dances in the future including our next class level in January. Look out Callers' Council -- you have competition! Our December Amateur Caller's Night showcased the talents of many of our local would-be callers, all of whom did an excellent job. We all enjoyed your calling -- keep up the good work. Beginning with the new year, Lakeland has a new policy. We will have a plus workshop from 8-8:30PM each week and the fourth tip of each evening will be a plus tip. We always welcome visitors and enjoy dancing with everyone. Join us some Tuesday for an evening of friendship, fun, and mainstream dancing.

1 & 3 Wednesdays

Long Pond School, Limecrest Road

Happy New Year to all of you! Now we'll backtrack to Halloween when we were raided by the Garden State S/D Campers. We thought that a couple of tramps had wandered in with them, but they turned out to be Mike/Lola Szekula. In November, several of our members raided Sussex Spinners with the S/D Campers at the beautiful Spa at Great Gorge. Western Wheelers were really seeing stars in Nov. when they were raided by our Rangers who were wearing silver star badges, and also by Silver Stars of Pomona, NY with ditto. Our Thanksgiving Dance was great fun, especially since yours truly won the turkey. The Sussex Singles Club was so enthusiastic about our demo that they invited by back to entertain at the December meeting. Bill Anderson on the squares and his wife, Donna, on the rounds & mixers kept everybody dancing happily. Perhaps those events will attract new people to the world of square dancing. Another raid in Dec. took us to Kuntry Kuz'ns where they were dancing in a larger room at the Neighborhood House. After a Mitten Dance (everyone out here is well supplied) in early Dec., came our favorite time of the year - Christmas - and the dance was attended free by students. Our class was a credit to their teacher, Rich Murphy. And so ended the year of 1986. Come join us in '87!

Presbyterian Church, 367 4th Ave.

Our square dancing season is in full swing and we are again dancing to varied callers. At our last dance we were raided by Queens Squares who added lots of fun to our evening. Our beginners' class is progressing with the assistance of some very dedicated angels. Congratulations to Al/Marge Resavage and Mike/Edith Constantino on receiving the Freeloader Award for their attendance at NNJ dances. We're glad to see Gussie Siedenbergh dancing after her surgery. We wish a speedy recovery to Paul Claman, Catherine Hughes and Estelle Jaffe and hope it won't be long before they are square dancing again.

How quickly the year rolled by under the magnetism of Square Dancing and the pleasure and comfort of being with friends. Thank you all for making it a wonderful year. A special vote of recognition is extended to our faithful officers, committees and loyal supporters. As friendship expands and grows, happiness comes and flows to others. You can share our joy and dancing pleasure then you join hands with us. We welcome you with open arms. We guarantee you will be delighted with our fine guest callers and our round dancer leaders. You will not want to miss our special Valentine Dance and St. Patrick's Day Dance. Our RIOS class is doing super well under the excellent tutelage of Marty Clifford aided by the many faithful angels. We are all delighted to hear that Harriet Carrasco is responding very well to her treatment. We look forward to having her rejoin us real soon. We at Isles trust that you all have had a very happy holiday season. They say that all you can expect from life are glimpses of happiness. If that is true, those moments can be had at Square Dances. Square dancing is a cooperative venture where everyone wins but you must be part of it. Have a wonderful year of dancing in '87. God bless and keep you all healthy and happy through the New Year.

Happy days are here again - our dance floor keeps filling up. We've seen lots of new faces. Guess the word is getting around about how warm and friendly our Club Members are! Our Halloween Dance was lots of fun - those in costume really added to the joviality of the evening. Our covered dish supper was a huge success and we do mean HUGE! That's how we looked after eating all the good food and desserts. Adding to the pleasure, Circle Eights raided us - really making it a fun evening. Our fourth annual Super Sunday with the great Marshall Flippo was well attended, numbering over 30 squares. That's a lot of smiling faces and great dancing. Many thanks to all who helped or brought refreshments, to name a few, John/Mary Aquino, John/Connie Huettemann, Frank/Mary Boss, ticket takers, etc. To Frank/Alana Barr, special thanks for all the work and effort in promoting and carrying out this very successful event. Does your New Year's resolutions include dancing with us? That would make it a Happy New Year!

What is the best winter sport? Some would say skiing...others might find ice skating more to their liking, but to those really in the know there is no doubt that Square Dancing beats all, hands down. Here at Hill City we have always known that square dancing is the greatest winter warm-up there is. So, don't stay out in the cold this winter, warm up at Jefferson School in Summit on any first and third Tuesday night. By the way, March has five Tuesdays this year, and that means Hill City will host a SPECIAL on the fifth Tuesday in March. We've invited Betsy/Roy Gotta to do our calling and cueing. So you "gotta" come too! See you soon.

Have you made a New Year's resolution to get out and dance more this winter? If so, come down to Hi Taws every Tuesday night and join in the fun of dancing to our excellent callers and round dance cuers. We dance plus level with an A-1 tip on the nights Hugh Jones calls. We've enjoyed a fun-filled-Fall of dancing in the midst of the busy holiday season. In October, as a special treat, many dancers from the Liberty Squares of the 4th of July ceremonies visited us and put on a demo in full costume! In November, we were raided by Cloverleaves, and had a great evening of fun and friendship. We are thrilled about the great success of our raids. Led by our presidents, Joe/Josephine Rasulo, four squares visited See Saws in November and Western Wheelers in December; and we are looking forward to: Renew - Acquire - Increase - Develop friendships at our future raids. We'd love to have your club raid us too. We wish everyone a happy and healthy New Year. By the time you read this, we hope that Bill Peckham will be back dancing with us, and that our Vice President and my co-reporter, Herb Rivkin, will have rejoined us after recuperating from a heart attack and by-pass surgery. Herb thanks everyone for all the cards and get well wishes. Your caring and concern was greatly appreciated. See you in a square.

A fun time was had on our Mystery Bus Ride in October. We were joined by other square dancers and had a grand total of 51 people. After a 2½ hour bus trip, where songs, games and a lot of chatting took place, we stopped for dinner. From there it was on to the Circle 4's, Stanton, Delaware. This Fall we also raided the Bee Sharps while Lakeland Squares and Y Squares raided us. A photo album was presented to Bill/Alice Fengler with pictures of the members of Dancing Squares as a memento. They have moved to Florida. I know more than a few of us will be envious of them this winter. We wish them well in their new home. We hope you all had a joyous Holiday Season.

Our logo is truly symbolic of the spirit of our club. Crosstrails is where fun and friendship meet. We cordially invite all dancers to come visit us and let us prove our claim. Our Thanksgiving and Christmas dances were well attended and Paul Brody kept us on our toes with his fine calling. Jean made sure we never sat down by cueing Rounds we all could dance. A special thanks to Herb/Dot Snider who make certain that our hall is appropriately decorated with the proper ornaments, slogans, pictures and banners to denote every season and special occasion throughout the year. Without any fanfare, they do an excellent job year after year. We had a very successful raid to West Milford Flutterwheels in November. Our new raid record, "Happy Trails," and our raid formation was well received. Thanks to George/Norma Miller for supplying the record and working out the choreography. We also want to congratulate George/Norma on becoming Grandparents of twin girls. Our demo at Job Hanes Nursing Home also was very well received. We are looking forward to another Candlelight Bowling Night in April which will try to match the fun-filled night we had last year. Sal/Mary Alessi will be hosting our New Year's Eve Dance. I am sure we will all have a great time. Herb Conklin has our class of 25 students really dancing well and we look forward to having them join us soon. Remember your own introduction into Square Dancing and invite them into your squares whenever you can. Ginny, please get well soon. We miss you and need you back with us. We hope everyone enjoyed the holiday season and we wish all of you good health and good dancing in the New Year.

Our students are obviously enjoying the fine instruction of Wayne Applegate and are eagerly looking forward to attending class level dances. This always presents an excellent opportunity to meet some beginning dancers from other clubs & start to expand the circle of friendship. At the same time, club level dancers who may not have been able to get out to lessons very often have a good chance to mix & mingle with our newest prospective members & extend an encouraging hand & a warm welcome. For our Christmas Dance members were encouraged to bring gifts that were distributed to a nearby nursing home. It was good to see Max/Nancy Nosker at a recent dance. Max says they are both enjoying their retirement and are still getting used to being able to be home so many evenings. Hope to see them more often on the dance floor. Our refreshment Committee continues to do a fine job. 1st VP's Warren/Judy Detwiler are already developing our schedule of callers for the '88-'89 season and regret that we'll no longer have the pleasure of having Fred Fields and Mike Cleary on our schedule. Both Fred & Mike have decided to step down from their active calling roles. They have both meant a lot to our club & to S/D in our area, & we'll miss them. Warmest wishes always, Fred & Mike.

2 & 4 Fridays Radcliffe School, Bloomfield Ave.

One nite in mid October, over 4 squares of Covered Bridge members raided Belles & Beaux. We really enjoyed the calling of Paul Brody. Then at the Mini-Festival in Montville, over 3 squares of our members were in attendance. We know there were 50 squares in the building enjoying the calling of 3 great callers. Two (from out of state) alternated in the large + room. Brian Fugere thrilled the mainstream dancers in another room. At this time, we wish to congratulate our Freeloaders who managed to get to 9 of the 10 summer dances sponsored by the NNJSDA. Their names are Charlie/Andi Kluepfel and Don/Fern Walker. We are looking forward to our Annual Dinner Dance which will be held in mid May in the Brownstone Inn. Wayne Applegate will be our caller for this event. About 70 dancers took great pleasure in his calling squares and cueing rounds this past May and would like to see him in a return engagement. We hope readers of this column consider dancing with our friendly club - Raiders pay the same fees as our members. And always lots of good refreshments. Check our flyers for dates and list of different callers. Just as we went to press, we learned Dick White was in the hospital recuperating from a heart attack. We wish him a speedy recovery.

CIRCLE EIGHTS -- Harrington Park, NJ

(MS)

4th Friday

Community Church, Harriot Ave.

After a magnificent coronation in September, Hank/Edith Kolb are now reigning as King and Queen of Circle Eights. Hank, affectionately known as "Old King Kolb," has proclaimed a year of fun and dancing. Our Fall mini-weekend was a resounding success. Wayne/Rita Applegate called. We missed Carl/Helen Haderer who had planned to fly in for the weekend. Obligations kept them down south. Circle Eights is one of the sponsoring clubs for Tenderfeet of New Milford where Bill Heyman is the caller. This year's students are a large and enthusiastic group. Students are invited to our December dance. We celebrated Wizard's Night with games, costumes and prizes. On Famine Night, which was held the day after Thanksgiving, we considered serving bread and water, but true to his largess and amiability, King Kolb abolished the famine and declared more feasting. If our reputation of "the fun club trying to be serious" holds true, Make Merry Night in December should be a night of holiday spirit and merriment. Join us! Our wishes that all had a very Merry Christmas and a New Year filled with hope, renewal and good health.

We've been raided, oh, have we been raided! First it was Jolly King Kolb and his merry retinue from the Circle 8's court. Next on the scene was a bus load from Chalkboard Squares all the way from Toms River with their snazzy black and white costumes and masks. The floor at Byrd School was filled with 19 happy squares. On Chinese Auction night, more raiders from F.A.D. and Covered Bridge came to enjoy an evening of laughter and dance. We also noted visitors all the way from the New Brunswick area in the form of some Rutgers Promemaders. Our most recent raiders were from Spinning Wheels, parading in blue derbys and doing a "spinning wheel" routine. Welcome to all! It was our turn next to raid Circle 8's and Hix and Chix. Keith Douglas, our raid chairman, has promised plenty of interesting outings this year, including, we hope a bus trip to the first annual N.J. convention in March. Again, we have had to shift some of our regular dances from Glen Rock High School to other locations so be sure to check out our ad in this GS issue. Agnes Edwards was on the hospital list recently but is recovering nicely although her dancing is limited for awhile. Class level Sunday afternoon dances will start in January. Paul Brody and Bill Heyman will again show our students what fun square dancing can be. Angels happily welcomed.

Somerset Vo/Tech H/S, Voght Drive

Our beginners' classes, held at Old York School in Branchburg every Monday night, got off to a swinging start. With the inspiration of Ralph Stapenell, our caller, and many angels to encourage them, they are learning very quickly and having a whirling good time. In October, we raided Valley Squares and also had a costume dance with prizes. During November, there was a turkey night and in December a crazy hat dance, Christmas party Hi-Lo dance with students welcome and a pre New Years dance. Minerva Fredericks of Branchburg, was among 20 people honored recently by Gov. Thomas Kean for their work with senior citizens.

NOTES FROM GRANNY'S HOUSE

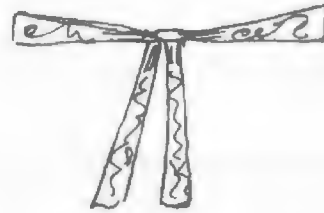

A Bow Tie For Him:

Vary your gentlemen's wardrobe with neck accessories that compliment your outfits.

Make him a bowtie wardrobe, this is a more dressy look, leaving the scarf and the bolo for a more relaxed mood.

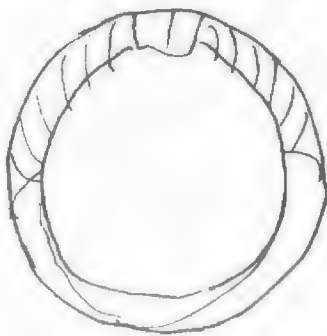

Materials needed:

- 1 metal Bow Tie Clip
- 1 10"L x 2½"W piece of fabric
- 1 12½"L x 2"W " " "
- 1 2"L x 1½"W " " "

Directions:

Fold the 10" piece of fabric in half, with right sides together. Stitch a ¼" seam so that you end up with a long narrow tube, 10" long x 1" wide. (Fig. A)

Turn the tube right side out by using a needle & thread. Make a secure stitch on one of the open ends. Carefully let the needle drop down through to the other end & gently pull the thread and material through the tube until it is right side out. Press flat. Stitch ends together. Fold the tube so that stitched ends are in center back. Wrap a piece of thread around middle of the tube to make a bow, see (Fig. B). On the back, make two slits, one on either side of the middle. Slip the metal clip into the slits, (Fig. C). With the 12½" piece of fabric, make a second tube following procedure above. This will end up 12½"L x ¾"W and will be the tails. Tuck in raw edges and slip stitch.

FIG. B.

SLITS ↑

Hold the tails under the bow and wrap with a piece of thread to secure in place. Take the 2" piece and fold the raw edges into the middle. Press so that the right side is out. Wrap this piece around the center of the tie, covering the center back of clip as well then turn in raw edges and hand stitch securely in back.

AS I SEE IT

BOB OSGOOD
LOS ANGELES, CA

The name of Dr. Lloyd "Pappy" Shaw may not be familiar. But were it not for this individual, the rebirth of square dancing just preceding and immediately following WW II might never have occurred. There's much to be said about this gentleman, principal and superintendent of the Cheyenne Mountain School.

With two squares of his high school students he formed the Cheyenne Mountain Dancers and starting in the late 1930's and continuing into the early 1950's he brought square dancing from one coast to the other. He brought more than choreography, more than dancing alone to the North American continent. He brought a spirit of friendliness and joy to a people who had all but forgotten how to be neighbors.

Up until the mid-1930's square dancing had all but disappeared. What there was was often rough dancing synonymous with the wild frontier bar-rooms, complete with hobnailed boots and a jug on the floor. Then, when Lloyd Shaw appeared on the scene to research the dances of the West, he set out to eliminate this rough dancing and bring back the element of moving to the music. "Our square dance is something special," he would say. And, as he told us all to be proud of our heritage of dance, he also encouraged us to dress the part and to look and act like square dancers.

All of this happened many years ago but those words of "Pappy" Shaw ring as true today as they did then. "Dance tall. Be proud of your dancing." It is natural to want to dance well, to improve one's style of dancing and to do better those basics we have already learned to dance mechanically. In tennis, golf, swimming, bowling, etc., we learn a limited number of "rules of the game," then we strive to improve. In square dancing it should be the same.

We've reached a point in square dance history where we have movements aplenty to last us for years. At the same time we may becoming negligent in our ability to dance well. Dancing smoothly and considerately places no barriers to anyone's dancing pleasure. On the contrary, as we learn to dance more uniformly and with greater smoothness we enhance our scope of enjoyment. We savor the unlimited pleasure which comes with being at one with music and being a part of a team. And we begin to experience square dancing as it is meant to be.

Comfortable dancing has a very personal connotation. Have you ever asked yourself, "Am I a pleasant dancer to be with?" It is a good question to ask one's self occasionally. It might just be that some of the problems we find with other dancers are errors we may commit ourselves.

As an example, have you ever danced with someone who reminded you of a dead fish? On a swing thru, a spin the top, or on any of the many turning patters the "dead fish" people offer no resistance -- only a limp arm, requiring you to do all the work. Could it be that this is also one of your failings?

Are you a rough dancer? How can you tell? Ask your dancing partner? Maybe he or she will tell you; maybe not. It's a good idea to know what rough dancing is and what effect it has on the others with whom you dance. Most of our trouble spots are simple errors, sometimes the result of bad habits picked up along the way. Rough, inconsiderate, uncontrolled dancing can be corrected. There is not one of us who cannot become a better dancer -- if we have the desire.

ALWAYS REMEMBER - Thou were a student once yourself
(and do we ever really stop learning?)

QUARTERLY SELECTIONS - - -

The International Association
of Square Dance Callers

PLUS - There will be no QS for the period beginning November 1. Current Plus QS are Spin Chain and Exchange the Gears and

Relay, Cycle & Wheel (R.C.W.). ADVANCED - There will be no Advanced QS for the quarter beginning December 1. Current QS are Change Lanes, Check-over and Mini Busy.

CALLERLAB is pleased to announce that Norm Cross (ND), Betsy Gotta (NJ), Jim Hayes (KS), Ernie Kinney (CA), John Marshall (VA), Mike Trombly (VT), Ralph Trout (NJ), & Francis Zeller (KS) have been elected to the Board of Governors. Congratulations to all of these well-qualified callers.

The S/D Activity is made up of many facets of dancing. CALLERLAB recognizes this fact and encourages its members to become conversant with areas other than just S/D calling. The callers have a responsibility to provide a pleasurable program for the dancers. Quite frequently, to provide variety, Round Dancing is included in this program.

While some S/D callers do not include rounds in their program, CALLERLAB's official position is that squares & rounds go together, They are part of the same family tree. CALLERLAB has an active R/D Committee which selects a "Round of the Quarter" for suggested use by its members. It was at CALLERLAB's request that ROUNDALAB developed a manual for callers who wish to introduce rounds into their S/D program. Dual membership in CALLERLAB & ROUNDALAB is not at all uncommon and many CALLERLAB members teach or participate in round dancing.

If your area does not include R/D in its S/D program, encourage your leaders- callers, cuers, dancers - to develop a way of including it especially at the Basic, Mainstream and Plus dance programs. All will benefit from it. Square and rounds, do, indeed, go together. What the proper balance may be at any particular dance should be at the pleasure of the dancers and worked out cooperatively between the caller and cuer.

What do LEGACY, CALLERLAB & ROUNDALAB have in common? Many things. Not the least of these is the fact that they are organizations whose members are dedicated to the premise that that Square Dancing in all of its facets, to include rounds, contras, clogging, traditional, etc., is the greatest form recreation there is. LEGACY is a non-profit international assembly of Trustees representing all facets of the Activity. It is a service-leadership organization interested in developing better communication among the many facets of the activity. Probably LEGACY is best known for promoting S/D Month and for its world-wide dancer surveys. The latest is due out soon. In keeping with its mission to improve communication and working relationships among the various facets of the activity, LEGACY instigated a meeting of the Chairmen of three international organizations at the NSDC in Indianapolis. It was a productive meeting and another meeting will be held in Houston this June.

The next LEGACY meeting will be in Nashville, TN May 14-17. NNJSDA is fortunate to have a number of LEGACY couples who plan to attend.

Rounds Cued By Jack & Carol McLaughlin

In continuing the spirit of cooperation between ROUNDALAB & the Universal R/D Council, members of the Executive Boards of both organizations met in Kansas City, MO before the URDC Convention. Areas in which both organization can work together

and share their expertise were explored. The general concensus of all persons was that both organizations have much to offer to the R/D movement. That a tremendous amount can be accomplished as long as no one cares who receives the credit. It was decided to establish a joint committee to work on terminology and standardization as it relates to descriptions, cue words and abbreviations. Other areas of mutual cooperation include producing a joint R/D promotional brochure, developing a suggested teacher training curriculum and setting up the machinery for an interchange of ideas and leaders between various organizations - local, national and international. The next joint meeting will be after the ROUNDALAB Convention next June and before the NSDC begins in Houston, TX.

ROUNDALAB, the International Association of Round Dance Teachers, Inc., will be holding its 11th Annual Convention at Stouffers Greenway Plaza Hotel in Houston, TX June 21 - 23. On Wednesday it will conduct an all day Teachers Seminar/Clinic featuring Wayne/Barbara Blackford (FL), Richard/Jo Anne Lawson (AL), & Brent/Mickey Moore (TN). Many ROUNDALAB members will remain to donate their services at the NSDC in Houston.

The Universal R/D Council will be holding its annual convention, also its 11th, July 22 - 25 in Seattle, WA. Their convention is limited this year to 250 couples. Advance registration is a pre-requisite.

119 Jerseyites, 83 New Yorkers & 134 Pennsylvania S/Ders have signed up for the 36th NSDC in TX. Altho it is a long drive, IF you have a self contained camper unit, you are in luck for there will be an area designated immediately adjacent to all convention activities at the Astrodome parking lot. All spaces are on asphalt or concrete and no hookups will be available. There will be limited shower facilities, but ample rest rooms & litter containers & round the clock security.

For non campers get your reservations in now for rooms. For first time NSDC attendees, there is continuous dancing from 9 Am to 11 PM - all programs of squares, rounds, clogging & contra; seminars, clinics, sewing, clinics, workshops, shops galore, Showcase of Ideas, exhibitions - All under one roof. (Forgot-Fashion Show!) Something for everyone...and best of all, all those friendly, hospitable people. Plan now to attend. If your club has run out of registration forms, contact Doc/Peg Tirrell. See you in Houston.

New Jersey's very first state CONVENTION will have something for everyone with 5 halls available for dancing from 9:30 Am to 11 PM on Saturday, March 14...as well as smaller rooms available for displays, shops, Showcase of Ideas, Educational programs and R & R time.

The smaller gym in Packer Hall will feature the CALLER-LAB BASIC Program - especially geared for the dancer who has not yet graduated from class. In between tips there will be mixers and line dances. The large gym will be the MAINSTREAM Hall while the Student Recreation Center Gym will be set aside for Plus dancers. Both of these halls will have rounds between tips. A special time for Progressive Squares, Hexagons and Tandem Squares has been scheduled in EACH hall. Round dancers have not been forgotten as there are 8 hours of rounds programmed in the spacious Brower Student Center. Scheduled for the Dance Studio in Packer Hall are 4 hours of Advanced S/D; (morning, afternoon & evening); an hour of challenge in the afternoon, & 3 hours of contra dancing. For an hour in mid-afternoon this hall will become the "Youth Hall". 4 hours of clogging, including class time are also programmed...and there is time to schedule in more of any program if the need arises. Although there will be signs identifying all halls, the dancer is advised to study their program and plan their day carefully - balancing dancing with R & R time. Educational seminars and a sewing clinic are scheduled for the afternoon. All activities will close at 6:45 to give all a chance to line up for the Grand March in the Student Recreation Center. A very short program is planned, after which dancing will resume until 11 PM. With a large restaurant on campus as well as several snack bars in the nearby Student Recreation Center and ample free parking, this is one convention where everything is well within easy walking distance. A number of NNJ clubs that usually dance 2nd Saturdays have cancelled their dance to go to convention. See you at Trenton State College in Ewing, NJ.

WHERE DID WE GET SQUARE DANCING?

Square dancing is strictly an American folk dance. The dance developed about 1825 out of the then fashionable cotillion and quadrille, stately French dances in square formation. To simplified figures from these dances were added elements from the faster moving contra dances of New England & "running" sets of Appalachia.

American square dancing also introduced the caller, who was free to improvise the order of the figures. The caller's prompting soon developed into rhythmic pattern calls with a characteristic, wry vocabulary and, by the 1870's into singing calls.

Typical figures included the allemande (a quadrille term), dosido (from the French "back to back"), birdie in the cage (from the running set) and star (from the contras).

In the 1860's the fast swinging of partners in ballroom dance position added further interest. Square dancing developed regional variations in figures and style of calling and in Canada similar dances developed with French, Scottish and Irish influences. (HOME NEWS published this reply)

ED: We have edited the following letter deleting name.....

"I wish to publicly commend one of new and rapidly rising young callers who has made it a practice to call SHORT and SWEET HASH dances. As one who loves to be on the floor, who rarely sits out either a square or a round, I have found that too many callers are stretching their hash calls beyond an appropriate five minutes or so to ten and even fifteen minutes. Let us have more and shorter tips, please. Don't drag them out beyond the point where no one wants more." Herb Rivkin

Once again the LUCARINI AWARD has been awarded to a most deserving couple, whose congeniality and consideration for their fellow dancer and whose unfailing contributions to Richmond Dancers, to the Staten Island clubs, to NNJSDA & to the S/D activity are never ending. No task has ever been too small to take or too large to tackle. Whatever the committee, whether just a member or chairman - its success was guaranteed. Their contributions to the Colonial Pals is an inspiration to us all to do likewise. Our world is so much better because of wonderful folks like FLORENCE & JOE DiSANO - we're so glad they took up square dancing....and we are friends.

ROUND DANCE HIGHLIGHTS - Anne Gallo, NNJSDA/NNJRDLC Liaison

Thank you to all clubs for the advance publicity on the Fall Festival of Rounds. The afternoon was well planned and well attended. The cuers all did an excellent job. Rumor has it that Rock-A-Rounds members will be charged double admission at the Spring Festival after their clean sweep of the prizes...in spite of the fact that all of the other R/D clubs were well represented. Those who enjoy rounds will be pleased to learn over 8 hours of rounds are being scheduled - morning, afternoon and evening, at the NJ First State Convention March 14...plus rounds between tips in ALL the S/D halls, except the Basic Hall where lines and mixers are being programmed.

A couple weeks later on the 29th, the NNJRDLC will hold its annual Spring Festival of Rounds, probably in Montville, NJ. (If anyone knows of any nice "2 halled, reasonable buildings" please let your R/D cuers know.) Many of your R/D Clubs will be holding "Afternoons of Rounds" with their leaders starting with the Shearwoods in February followed by the Tirrells & Spinks in March and Schoonards in May. S/D clubs - Dancing Squares & Princeton Squares will also sponsor similar events. Watch for flyers and enjoy. See you in the Spring when I return from warm sunny TX.

1, 3 & 5 Thursdays

Rockland County Health Center

Rounds have been added to our fifth Thursday program along with a guest caller. The Shearwoods have agreed to join us on those dates. Ruth has been cueing & teaching line dances at our other dances and has managed to come up with many new routines. Our class (Not Quite Ready for Mainstream or simply NQR) is doing very well with 26 students eagerly learning under Andy and Ruth's expert direction. They joined us in December for our Christmas dance. During the spring, each second Thursday will be dedicated to the new students with a class-level dance. All other classes are invited to join us. As we did last year, NQR plans to raid several of the other class dances including Belles & Beaux and as many of the graduation dances as we can fit in.

Am. Czech. Farmers Club, Rt.130/Hankins Rd.

Our new schedule of dancing on Friday nights has been very well received with an excellent turnout for each dance. Rutgers Promenaders raided in Nov. when Craig Sherman called. We were pleased to have Betsy Gotta call a tip during the evening and Roy Gotta cued for a great evening. Every month we have a special event night. The Turkey Shoot in Nov. and the Christmas Party were enjoyed by all. Future events include White Elephant, Valentine, Pie and Junk Food nights. We have a fine selection of callers scheduled and rounds will be cued by the very talented Ellen Fury. Come join us. We have a super wooden floor.

F.A.D. SQUARES (Fun at Dancing) -- Maywood, NJ (MS)

1 & 3 Sundays American Legion Hall, 113 E. Passaic

We have an exciting 1987 planned. Join us on the FIRST SUNDAY in February for the FIRST SUNDAE of the year! Ice cream, all the toppings you love so much, and enough dancing to wear away the calories before they have a chance to settle. Our first club-sponsored-class will begin in February. While this may seem "late," class will be held TWICE WEEKLY. We look forward to our graduates joining everyone at the NNJDSA dances this summer. Caller Dot (& George) Loewenstein extend an invitation to YOU to dance at the National in 1988 after a week in Hawaii. We have openings for a few more couples. Ask anyone who has been on one of our previous S/D trips!

Elsewhere is a picture of the Goodell's daughter who accompanied them to LUST & the Marchetti's son who camly sleeps thru many a dance. Old timers will recall when caller Al Aderente had more baby gear on the stage then calling equipment & more recently Caller Mike Foley. All these children are lucky & have lots of adopted grandparents. Yes, we ARE in a family oriented activity, but LUST was the first time we ever saw a, too young to leave home, kitten at a meeting!

Since we cannot print a monthly calendar, we include this universal calendar of all NNJSDA member clubs regular dances. Various types indicate program—Mainstream(MS); Plus (+); Advanced(A); Challenge (C). "Where" & "When", etc. will be found in each club report/ad. Happy dancing.
