NORMAN & AUDREY BOLIN, PRESIDENTS, NNJSDA

The leaves are off the trees and Mother Nature has made everything look bleak, but inside things are bright and rosy with the Clubs once again running at full schedule with many Special Dances to whet the appetite of all Square Dancers. The Classes should also be in full swing with the students looking forward to the NNJSDA's Mid-Term Class Level Dance on Sunday, January 24, 1988. This will be one of their first exposures to other dancers and callers. Your support and attendance at this dance will be appreciated. Help show the Students that Square Dancing is Fun and Fellowship.

The Educational Hour prior to our last Delegates Meeting was well attended by the Raid Chairmen, Class Coordinators and Officers of most of the clubs. From the questions emanating from those in attendance, it was evident that the members of the clubs are looking for help in running their clubs properly. We will continue with these Educational Hours. If you have a special subject you would like discussed, please let us know and we will endeavor to provide a panel.

If you are interested in calling or cueing, contact the Presidents of either the CCNJ or NNJRDLC for additional information.

It was with deep regret that we accepted the resignation of Jack/Jay Spellman as 3rd Vice Presidents. They will be missed on the Executive Board. We thank them for their help and wish them good luck in the future.

When the Blood Bank Program was presented to the Clubs, it was enthusiastically received. Since then, some clubs have participated and several members and families have utilized the Blood Bank. But we need partici-

DELEGATE'S MEETING

September 20, 1987

All clubs represented except Montville Squares. Also present representatives from J & M Squares, CCNJ & NNJRDLCL. 25 club officers attended as well as many raid chairman & class coordinators who had come for a meeting an hour earlier.

1VP-We averaged 25 sets at summer dances. Richmond Dancers had the largest number (241) signing in. There were 60 Freeloaders. The Warmup to Fall Dance at St. Aloysius was well attended and in spite of the hot weather was a delightful cool hall. Phil Kozlowski will call the October 31 Special with Fury's on rounds. Next specials - January 30 with Mike Calahan; April 30 with Morgan Dumas.

2VP-Many class coordinators came to earlier meeting, to share ideas. NNJ has "What is Modern American S/D" pamphlet available for the asking. Programmed for Fun-helpful hints to promote S/Ding- were mailed to all member clubs in Summer. Mid-terms will be January 24 at Caldwell with our local callers. April 24 Spring Fling will be at Somerset VoTech. MS & + handbooks are available at cost. Remind all they will keep a listing of all class level dances.

3VP- Copies of winning S/D month poster was distributed in Summer. NNJ provided demo squares for Bergen County 4H Festival in July. J & M Squares has applied for membership. Reminded all to pass along to their successor the excellent Publicity Primer prepared by last years 3VP's-Robinson's.

R/C-Reminded all that clearance is needed before changing your regularly scheduled dance night or location.

G/S-Ready for distribution. It ended year in black..Thanks to a successful Booster drive. Holiday issue will feature maps; Winter issue will list all class level dances.

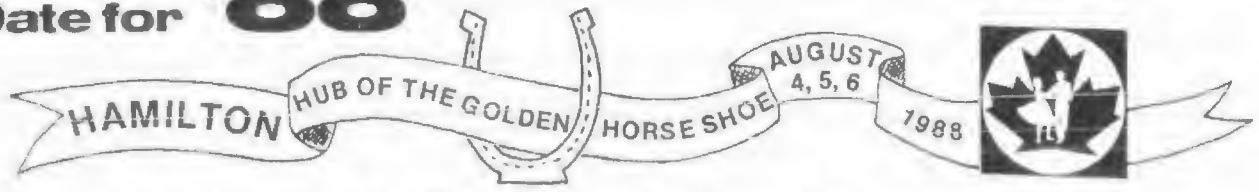

NNJRDLCL-The Shearwoods are retiring to Florida. Four new people have indicated an interest in learning to teach & cue rounds - Donna Anderson, Karen Kozuk, Nick Raspa and Ruth Woerner. They are having a leaders only workshop in October with the Smarelli's of Maryland.

NNJ-donated \$100 to the scholarship funds of both CCNJ and NNJRDLCL. Jack McLaughlin, RDLC Chmn & Frank Riviccio of CCNJ accepted the checks.

Insurance-the policy took effect Sept. 1, 1987 & goes thru Aug. 31, 1988. The Ex. Bd. after much research & thought has approved billing clubs on the number of regular & special dances each holds during the dancing season. The total premium for the year is \$3,147. Any questions, contact Fred/Kathryn Hill.

DELEGATE'S MEETING (continued from page 3)

Mini - #13 - Nov. 8 - 2-9 p.m. - 2 halls, with Dee Dee Dougherty, Tommy Miller, Dick Pasvolsky, and Ron & Rea Rumble on rounds. At the Bridgewater Raritan H.S. Frank/Betty Olier are registrars. There will be a special hour of A1-A2, a C1 tip, and also for rounds.

Constitution & ByLaws-as soon as a new Chairman is named, this committee will get to work.

Education-there were 2 meetings during the early hour, one on classes and the other on raids/banner stealing and how to keep dancers.

NSDC-our thanks to the Fugeres who brought the NNJ display to/from Houston and to the Andersons who set up in the Showcase of Ideas. A number of NJ dancers signed in at the display. NJ state outfits were highly visible in the various rooms and especially at the Parade of States.

Blood Bank-Donna Anderson - Co-Chmn reminded all when donating blood at the Red Cross - use the NNJ # - 9192.

L.U.S.T.-Because of the holidays in '88, LUST will be the last Sunday in Sept. so save the 25th for our biennial leadership seminar and learn what makes our activity tick.

Old Business: Statue of Liberty-several years ago the Oliers chaired a dance to raise \$ for refurbishing the Statue - a check for \$4,200 was given to the Committee. Betty & committee continued to sell SOS buttons & received other donations, and the bank account grew to \$1,432. Betty announced they will close out the account and present a check to the Ellis Island Foundation. The clearance conflict between Ramapo & Western Wheelers was resolved when Ramapo Squares finally found a suitable church hall in Pompton Lakes. West Millford Flutterwheels has cancelled all dances for the year. Six clubs earned their One Square is Fair awards. These were presented at the Warm Up To Fall dance the end of August.

New Business-application of J&M Squares (Sunday pm's in Elmwood Park, NJ) was discussed. Delegates to vote in January; 30th Anniversary dance of NNJ to be 9/30/88 - save the date for a real celebration; delegates voted to support Del. Valley Fed. in their bid to hold NSDC in Atlantic City in 1992 (3 other cities also plan to bid); Jack/Jay Spellman tendered their resignation due to business reasons. Good & Welfare discussion: 1) problems of single dancers - all clubs provide angels for singles in classes, but after graduation the many more single women have no partners - should some learn the man's part? 2) Graduates are pushed too fast into the next program of dancing. What can we do about it? Also mentioned: a poor quality of dancing makes people move on to the next program. Norm intends to send the 467 graduates who have not signed up with a club a questionnaire in January asking why they did not join a club. Country Promenaders will be celebrating its 35th year. Refreshments were served by Ocean Waves, Richmond Dancers, and See Saws - next meeting January 17, 1988 at VFW in Elmwood Park. While only delegates may vote, all dancers are welcome.

FREELOADERS

791 graduates have qualified for NNJSDA FREELOADER dangles since its inception in 1968. Our summer dances were will attended with everyone, as usual, having a good time. Bud Wiesen called our September dance with 5 squares of Bee Sharps dancer along with another square of visitors. It was good to see everyone and catch up on the latest. Our club was invited to put on a demonstration for the Franklin United Jersey Bank picnic at Forrest Lodge in September. With Bob Tarrant calling, we had 3 squares and were received with such enthusiasm that the spectators wanted to dance along with us. Our class is Monday nights at the Old York School, Branchburg.

We are delighted with the beautiful floor and kitchen facilities at our new location in the Coleman School. We change back to Glen Rock H.S. for Dec, Jan, & Feb. Please check our flyers/ad for callers and locations. The Sept. Open House was well attended and the new

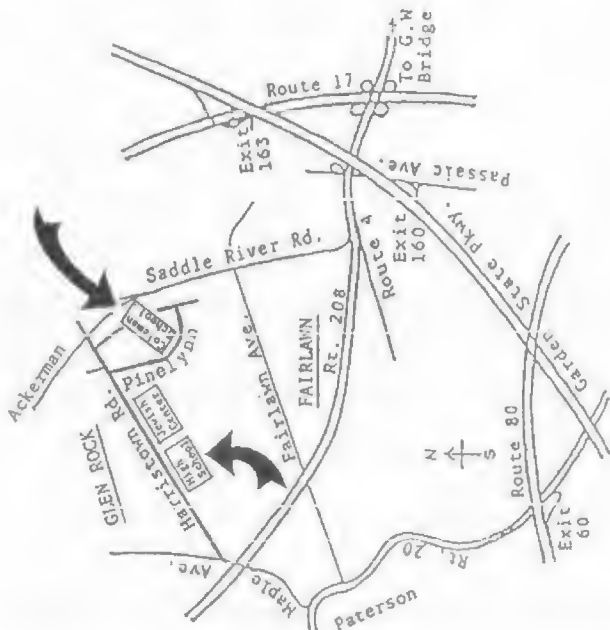

students began their instruction under Paul Brody. Our first raid this year was Spinning Wheels where we received a warm welcome. We are trying to enhance the abilities of our dancers by sponsoring a series of Dancing By Definition workshops. A progressive DBD workshop will take place during the second half hour of each dance. Plans for the year include a Chinese Auction and our annual New Year's Eve Party.

John/Mary and their loyal crew have done a superb job of making Cloverleafs the club it is today, but people are needed to carry on their fine work. Our Larry Lettson and Ken Bower specials were high successes. Two of the best callers in the

We would like to report that the first dance of the season for the Country Promenaders was a howling success. Unfortunately, the only

howling that night was at the moon, as we danced under the stars when we were unable to gain entry to the school. Earl Johnston and Ellen Fury did a fine job of calling the dance from the front hood of a car. We have attended two dances recently with Ellen Fury cueing where we ended dancing in the dark. This might be a new trend in round dancing. We wish to thank those dancers that stayed with us that night and tend our apologies to all who came expecting to dance in our hall and found an outside event instead. Our dances through the Winter months will be indoors with a great schedule of callers; Ellen Fury even promises to cue with the lights on in the future. We are looking forward to the dances through the Holiday Season again this year, and even though at the time of the writing it seems so far away, the Country Promenaders wish all our square dancing friends a very Merry Christmas and a safe and healthy New Year. On a different note, if we are about to start raiding for banners again, does this make us "RAIDERS OF A LOST ART?"

Summer has come and gone. Fall is now upon us. We had 6 outdoor dances during the summer and were fortunate that all were held on clear or cloudy nites and none were cancelled. We had several Demonstrations this summer, including 2 at ITT Pic-

nic and one in Nutley July 4th before the fireworks. In all of these we were joined by our friends from Hix & Chix, J & M Squares and other clubs. We all enjoyed these picnics and demos. Demo Chairpersons, Nick Raspa and Carol Rizzo, take a bow for a job well done. Please see our schedule for change in Nov. dance dates. We are looking forward to a new season of square dancing and hope to see lots of smiling faces on dance floors - ours, theirs, wherever.

We welcomed the new season with our open house and our members had a great time greeting each other and renewing friendships as Paul

Brody called in his usual fine manner. The would-be students joined in every other tip and we must be doing something right because 23 of them started classes the end of Sept. with Herb Conklin instructing. Our new class coordinators, Ed Bailey and Robin P. Chessman will make sure they all enjoy their new experience. Cross Trail went on a Bus Trip to Atlantic City early in Oct. and if friendship, fun and laughter was their goal everybody came home a winner. We are in our 20th year of dancing and many great events are planned. We urge all of you to come out to the Lincoln School where fun and friendship meet.

Now that the problems of heat waves, tornados and crab grass are all behind us, square dancing will be in full swing this fall season under the guiding hands of Bill/Irene Spangler, our new Presidents. The summer of '87 will have a special

place in our memory because of our super Annual Picnic at Jean Kellogg's home, with baby shower for Sally Trainor (who had a baby boy the following day-Congratulations to all the Trainors). We enjoyed another very successful demo in the 30th Annual Labor Day Parade in South Plainfield with 2 squares participating to the excellent calling of Brian Fugere. Our Open House in Sept. was a huge success, starting out with a raid by the Y Squares. We are also planning a Mystery Bus Ride in Nov. which will include a contest to see who can guess its destination. How about a hint, Dale? We have lots of plans for this season. Mark your calendars.

F.A.D. enjoyed A/C dancing thru the summer with members from many visiting clubs as well as some "snow birds" who flew in from the South. Hawaiian night in Aug. found us entertained unexpectedly by the lovely voice of PATRICE OWENS, a new caller who graduated from Dot's class a few

years ago. Incidentally Patrice, who is a Rutgers Promenader, found a permanent partner. She and Bill Hartung will be married by the time this issue is printed. Open House was held outdoors, at the entrance to the Adult School registration (will Fern be accused of "soliciting?") and attracted some immediate sign-ups. CLUBS ARE ENCOURAGED TO CONTACT OUR RAID CHAIRMEN: Dick Dexter and Brenda Van Dyke. Our hall can comfortably accommodate up to 10 squares. We will probably be starting our twice weekly class in Jan., so let folks who entered too late this fall know.

How wonderful to have the dance season underway so we can be back among friends we didn't see over the

summer. Presidents, Herb Rivkin/Joyce DeSantis would like you to know we're having an exciting dance year and urge you to reserve Tuesday's and join us. We made some changes this year: Rounds start at 7:30 with the first square at 7:45 and we now have a break after the 3rd tip for refreshments and announcements. As you read this, Ed and Les Shearwood will have cued their final dance. We planned a going away gala in their honor. Under our sponsorship, Bill Heyman is conducting a Plus Class. It starts on Wednesdays in Oct. at our Middle School. Starting mid-Nov., we will have Roy Gotta 1st & 3rd Tues. and the Shearwoods' "rising new star," Nick Raspa, 2nd & 4th. The 5th Tues. of Mar. and May, Doc/Peg Tirrell will join us. We hope everyone has a wonderful Holiday Season.

After a very successful summer season of dancing with many visitors we are well into our Fall Program. Our birthday night was a lot of fun as the birthday boy/girl chosen for each month went up to claim their gift. Boys far outnumbered the girls that night. In Sept we had an Open House for perspective new members. A class, taught by Bob

Robinson began the following week with 24 interested dancers turning out. Our 'Oktober Fest' held in September was another successful diet-breaking event. Who could resist biting into those delicious hot dogs covered with sauerkraut after being tempted by the aroma of them cooking as we danced? This followed by homemade apple strudel, HMM, HMM, HMM! We all went home feeling pretty good (& a little guilty)!. But then, that's what square dancing is all about - lots of fun, lots of friendship, lots of smiles!

Nature and our square dancers  
abound in the beautiful colors that  
are ours to behold. Like whirling  
red, orange, yellow, green and brown  
leaves, our dancers flit across the  
floor relaxed and enjoying the music,

enthusiasm and harmony that is square dancing. Our S/D season started  
off in full swing and excitement with jubilant callers like Manny Amor and  
Dick Pasvolsky. Future callers slated, beside our club caller Brian  
Fugere, are Ray Lehberger, Wes Morris, Manny Amor, Al Kaesler, Wayne  
Applegate to name a few and our ever popular Shirley/Frank Bellotti on  
Rounds. Our Raid Chairmen, Stephen/Morgan Forman, are busy working out  
a schedule. The R.I.O.S class under the tutelage of Frank Riviccio  
exhudes much enthusiasm.

We wish you all a most Happy Holiday Season.

The bad news is that Ted Knauss had a heart attack and the GOOD NEWS is that he is recovering nicely, but he doesn't know when he'll come back to us. Bob Mitchell came to the rescue for our Welcome Back Dance. Wayne Applegate swept in for the Pumpkin Dance. And then Dick Pasvolsky most appropriately, since he was our first caller and helped us get started, called our 15th Anniversary Dance at which our past presidents were guests. After that who knows? Come to our dances to square up with the mystery callers. More good news is that Pat Massey is recovering from recent surgery. Our Classes got off to a fine start with Rich Murphy. Since the next issue will be 1988, we now wish you all a Grateful Thanksgiving, Joyous Christmas & New Year.

Happy Holidays to All! It's hard to believe that the Holiday Season has crept up so quickly. I guess it's true that time flies when you're having fun & we are. Sept.

kept us busy welcoming our new class into the world of S/Ding as well as demonstrating how much fun dancing can be. Oct. brought a true international flavor to our dancing with our Octoberfest, and dancing with people from around the world at the Mountain Lake United Nations dinner. The month ended on a scary note with our Halloween Spook Night complete with prizes for our spooky guests. A heartfelt GET WELL QUICK to club caller Mike Foley. We are looking forward to a new fall season of square dancing with much enthusiasm. Our members turned out for demos at both the Dansbury Street Fair and the West End Fair. They were well received by everyone and we would like to thank all the dancers that came out to help. By

the time you read this, we should have had two more demos at the Stroud Mall and Quiet Valley Harvest Festival. As you can see, we have been busy promoting square dancing in the Poconos. Another exciting dance schedule is planned for the fall, including an Ice Cream Social, Foliage Dance and a new "Surprise Dance," but you'll have to be there to find out just what the big Surprise is all about. Our membership meeting and picnic was held at R Own Lake in Syndersville hosted by Jack/Bernice Anthony and a terrific was had by all. Happy Holidays to all!

Tried an open house at our first regular dance. Must get new dancers. Wayne Applegate did his usual fine job of making an interesting dance for both the regular dancers as well as those folks just checking out the activity. No easy chore. It is not too early to make reservations if you are planning to square dance on

New Year's Eve. We will play host again this year at the Grace Lutheran Church in Perth Amboy. See our fliers or call this reporter. Peg/Joe Dockry kept their round dancers dancing thru the summer and are continuing the lessons and the intermediate group each Thurs. evening at our regular S/D hall. Round dancers do come visit us on Thurs. and Square Dancers-we would love to have you visit us each 1st & 3rd Saturday. Please note: our second dance in November will be held at the Avenel Learning Center.

Recruiting for our new class was done by putting on several demos. Our class began in late Sept. with Joe Fioretti teaching in his own inimitable way. Open House at our first Oct. dance welcomed back those members

who disappear during the Summer months. Our annual Pot Luck Supper gave us the chance to sample the culinary expertise of our members. The Llewellyns are Raid Chairman for this year and scheduled our first raid during Oct. when we visited the Y Squares. The Johnsons and Ahrends will chair our Thanksgiving Dance and coordinate collections of food for baskets for needy families. Looking ahead to the Holiday Season, you will want to reserve your tickets for our New Year's Eve Dance which promises a fun-filled evening for all.

Down home comfort and pure enjoyment are the ingredients that Joe Landi ensures with his relaxed, friendly calling. The kick-off for the season proved to be as exciting as we've come to expect and deliciously reassuring because we were able to acquaint ourselves admirably. Your Holiday list really ought to include Mountain Squares. Our sparkle, congeniality and intriguing choreography will light up your odd Wednesdays. Give yourselves a gift and join us!

We had a real blast at our "Blast Off Bash" with Don Coy calling, and we gave "Blast Off" dangles to everyone. We hope to continue with this Fun-dangle opportunity at all our dances. The dance theme listed in our ad will give you a clue as to what might be expected of you in order to go home with your new Fun-dangle. Get Well wishes to Bart

Codd (Pres.) fighting an undiagnosed malady; Eileen Gibson recuperating from surgery, Jennie Quinlan on the mend from a recent illness; Helen Knepple back to dancing after spraining a toe; and Kathy Renz fighting bronchitis while training on her new job. We're very happy to welcome our new members: Ella Baker; Gail Fantino; Anna Mosé; Marie Nolan; Tony Rehfeld; Gene Riccio and Sam/Maddi Sewell. We are very sad at the loss of a very significant member, Tut Stark. He was our G/S Reporter and we'll all miss him very much, especially me because I have to try and fill his shoes at this job!

\* Our dinner dance honoring John/Sherry  
\* Kephart in Aug. was a huge success. The  
\* Kepharts were both surprised and delight-  
\* ed at the turn out in their honor and a

good time was had by all. We had a lovely visit with the Kepharts and look forward to seeing them again next year at their vacation time here in NJ. We received a thank you card from Germany telling us they arrived safely and were homesick already!! We miss you both too! Hurry back. In Sept. we did a demo on the Hahnes Court at Quakerbridge Mall. Our dancing drew quite a crowd and many flyers were passed out to interested shoppers announcing our open house. At the Septemberfest at Veterans Park, many more flyers were distributed. Last year, over one-half of our class people were gathered for lessons at this fun event. As always, the club officers were given much cooperation by members attending the very important means of promoting our club. Our plus class graduated in style in Sept. with a little party celebrating the mastering of those 28 additional calls. Many of our '87 graduates returned to "angel" to earn their dangle. Visitors are always welcome - join us!

When I got the postcard from
 Ye Editors requesting a map to
 our hall, I paled. Rutgers dances
 are held at the New Brunswick
 campus of Rutgers University, but

because we have to compete with 5 Colleges worth of other student organizations for space, we are dancing in no less than four different halls this semester. If you want to dance with us, but you're not sure where we are, PLEASE give me a call. I won't steer you wrong. In October, Karen Kozak and Greg Kushla became the latest Promenaders to marry. Both are past presidents of the club and currently serve as our delegates to the NNJSDA. I'm sure all their square dancing friends join me in wishing them both the very best.

Hail, Hail, the Gang's All Here!
And we hope you will be too - to reminisce with us at Nostalgia Night the 1st Sat. in Dec. While we have danced to a number of wonderful callers in the last few years, those among us who learned under Jules Pozsar miss the days when he was our Club Caller. We

will once again enjoy dancing to Jules' calling when he takes the mike from Dick Pasvolsky to bring back the good old days. We look forward to Dick's calling too, and this special evening will be rounded out (no pun intended) by Doc/Peg Tirrell on Rounds. Later in Nov. remember to bring a gift for the grab bag (ladies bring for a lady; gents bring for a gent) at our Holiday Dance when Manny Amor and the McLaughlins will put us through our paces. To help us start 1988 on the right foot, the 1st Sat. in Jan. we will have John Kaltenthaler. Warm wishes for the Holidays.

As this issue goes to press, Solitaires is excited about the success of our first 2 dances. We had 3½ sqs. at our 2nd dance, but the real fun was in seeing many of our friends returning to dance with us. We are hoping that more and more of our friends will be returning as the weeks go by, and that this will be a rebuilding year. We want to issue a special invitation to couples to come

to our SUNDAY AFTERNOON dances. As we spoke with couples at the Association summer dances, we found that many do not come because they think Solitaires is for singles only. While we are geared for dancers without partners, couples are more than welcome and are never expected to change partners for the dancing needs of our single dancers. Come on over and dance the afternoon away at Solitaires.

We are well into the season and doing very well. We had our Open House and several classes and hopefully our new students are catching the S/D fever as us "old timers" have. Some of our enthusiastic members have given of their time to do some serious dancing at demos at various fairs and town events. It's hard to say who has more fun, our dancers or the watchers. Our Executive Committee has planned an interesting program for the season and we have scheduled several new callers along with our own Bob Tarrant. In addition to Peg Tristram cueing our Rounds, Steve brandt had been added to our 87-88 Sat. night schedule. We are busy making plans for our 25th Anniversary celebration next year so watch for our ad and mark your calendars for this happy occasion. We have planned many exciting things for this event. Our Class Coord., Bob/Judy Paine, and their assistants Len/Joan Anfinson and Neville/Linda Howse, did a great deal of work to spread the word about our class nites. Many flyers were distributed as well newspaper, radio and even TV coverage.

We started our season with an open house and had a good turnout of guests. However, we had a his/her ratio of one to four. Know any men who say they don't where to meet nice girls? Square Dancing at Spinning Wheels is the answer. We are changing our format slightly this year. We will hold MS and Plus dances on alternate weeks, without regard to the calendar week.

Check our flyers or ads before coming out, or call. We got hit by both barrels early in the season, and hunting season hadn't even started. Valley Squares raided us in Sept. and Belles and Beaux in Oct. We were glad to see them both, and they were more than welcome but each bagged one or our raid banners and we are running out of them. Our Raid Chairman, Jack Spellman, has been put to work planning counter attacks. Our new presidents, Howie/Janice Kaplan, are starting what looks like a good year for the club.

We are all back in the swing of regular club dancing. Our annual "Recruiting" Barn Dance was as usual a huge success. The affair was chaired by Tom/Chris Piciocco (again) ably assisted by Ken/Eileen Merring and Red/Lois Stevenson. With Joe Fioretti calling, it was a happy evening for all who attended. Mem-

bers of the Class of '87 are sharing a new experience as they "Angel" the new Class of '88 at R.I.O.S. and enjoy our new instructor, Frank Riviccio. Applause, please, for the "Archangels" who repeatedly come out to help, and are tireless in their dedication. "Bravo!" SSS offers a schedule of outstanding callers, add to that our special brand of hospitality and you will be assured an evening of "Fun and Friendship," our club motto. This month we are anticipating our club's 37th Anniversary celebration with great pleasure. Please plan to visit us sometime soon. We'll be looking for you in a square and enjoy your company.

Fall is on its way and our blast off dance in Sept. was successful. John Kaltenthaler kept us moving. Many of us had danced during the summer and we all enjoyed sharing summer news. Our mystery caller was Dalt Young. The evening was full of surprises. Everyone was

delighted with the flashlight dance in Oct. We had a cake dance in Sept. and the proceeds went to the Viet Nam Vet Assoc. Check our ad for 2 changes in locations. One in Nov. and one in Feb. Look for flyers also for the New Year's Eve news. Also note our class location has been changed to Alpine School in Sparta. It will be MS and + from 7:30-10:00 still with Bob Mitchell and John Kaltenthaler. We are encouraging our members to give blood and use our #9192 when they donate. We send our love to Ted Knauss for a speed recovery.

Another season of S/Ding began with an enthusiastic hall of dancers enjoying the spirited calling of Paul Brody and R/D cueing of Jean Brody. It was our Inaugural Ball and Ice Cream Social to celebrate the installation of our new Presidents, Joe/Lisa Ramirez. New dancers

and veterans were present to show that they hadn't completely forgotten over the summer. If you haven't danced with us recently, there is still time before the snow flies and six more months left before our June special (more details later), to sashay over to our regular hall and swing your partner to a variety of mainstream callers. What are you waiting for? Life's too short to pass up all the good time. Hope to see you soon.

Charlie/Evelyn Baumuller honored Tenakill Twirlers by celebrating their Golden Wedding Anniversary at our first dance of the season. Along with members of their lovely family, including 15 year old granddaughter, Jennifer, they provided delectable finger foods, desserts, liquid refreshments and door prizes. John Kalenthaler and the Tirrells dedicated many of the dances to this well-loved couple. On a sad

note, we extend our deepest sympathy to Art/Helen Rellinger who suffered the loss of their sister and son-in-law. On a happier note, we welcomed the newest grandson of the Tirrells at our first dance. Also congratulations to first time grandparents, the Moffats, Bachmans and Weiss'. We had a really great opener in Sept. when we celebrated Gene Cavaliere's 75th Birthday with a big cake and lots of good wishes. Many happy returns, Gene! We've been very happy also to welcome visitors to our club, and we continue to pursue our very active raiding program with Chief Maurie and Taras leading

the way. Isn't it grand to have our former students raiding and dancing with our club? The holiday season is fast approaching and we're going into high gear with special dances for your enjoyment and ours. Even friendly square dancers have an extra special glow of camaraderie during this wonderful time of year. There's nothing more calculated to bring warmth during the cold season than a rousing good square dance with other enthusiastic dancers! We hope we can count on seeing all our good friends at Valley Squares with Carl Hanks calling and Roy Gotta cueing.

Warren Wheelers graduates of 86/87 class are adding a lot of life to our club. They are visiting many clubs and showing us "old timers" what Fun square dancing is. Again, in 87/88, we have a good class. Dick Pasvolsky, Bob Robinson, Brian Fugere have helped us

old timers so we can keep up with the new class and everybody is having a good time. We are celebrating our 20th Anniversary this year and will announce a special Dinner Dance in April 88. We are sad to report the death of our Secretary, Will Stomm, this summer. We will certainly miss Will. We would like to express our sympathy to his wife, Cecelia.

We're well into the season and enjoying dancing to a variety of cuers and callers - some new ones and some familiar ones. After attending our work shop at Petruaska Park this past summer, many new plus dancers are sampling our delicious refreshments and the hospitality of our friendly club. One very important news item is our New Year's Eve Dinner Dance.

It will be a catered dinner again this year. Reservations will be limited, so make your reservations early. Pick up a flyer for details. Don't forget to join us for our Turkey Shoot dance and perhaps win one of our live turkeys for your Thanksgiving table - or maybe a back yard pet.

Does your club have a BLOOD BANK CHAIRMAN??? Let Donna Anderson (Blood Bank co-chairman) know immediately - at 215 Potter Place, Staten Island, NY 10314.

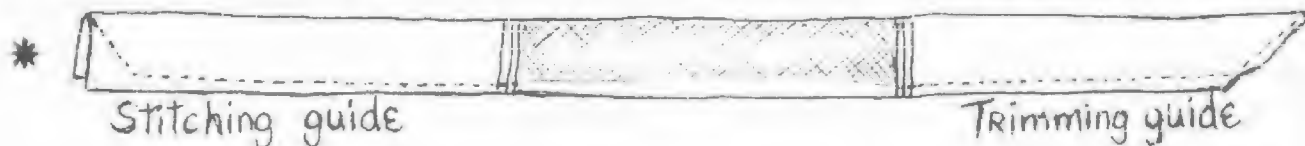

LADIES' SASHES & MEN'S TIES

Looking for a new way to spruce up some old outfits or make a beginners' small starting wardrobe look more extensive? Or perhaps you're traveling or going to a convention or on a weekend and don't want to pack & carry too many clothes? Here's a hint that gives you lots of variety in a short span of time and packs small for traveling. It's also great for a basic solid color outfit because you can use so many coordinating prints and colors and each set of matching sash & tie is like having a whole new outfit for you and your partner.

This should take less than an hour of construction time once you have assembled your materials. You'll need $\frac{1}{4}$ yard of heavy iron-on interfacing and 1 yard of fabric, both 45" wide. Cut (3) 10" and (1) 6" wide strips across the 45" width. (The 6" width is for the tie, which I'll give directions for in the next issue.)

With right sides together, sew the (3) 10" strips end to end making one long strip. Press seams open. Lay the interfacing on the wrong side of the center strip and trim, so that seam allowance and interfacing do not overlap, but just meet. Iron on the interfacing making sure you have the glue side down and are $\frac{1}{2}$ " in on both long sides. Fold this long strip in half lengthwise, right sides together. Starting on the folded side of each end, stitch diagonally to the raw edge side then continue stitching to the seam by the interfacing.* Trim the diagonal points off and turn each end right side out. Fold the raw edges of the center section of the sash to the inside and topstitch very closely to the edge. Press.

Now the wrapping. This is a double wrap length. The reason I double wrap my sashes is so that the skirt waistband is covered and there is no very narrow part where the bow is tied. Wherever you want the bow to be (front, back or side-front) is where you must center the sash and start the wrap. Now, on the opposite side of your body, cross the sash ends, carefully arranging folds, and continue wrapping back to the center. Pull the wrap snug and tie in a bow.

By the way, the secret of a good bow is to tie it the same as a square knot, not a granny knot. (Research this folks, because I could fill another whole page describing this.)

BOB OSGOOD
LOS ANGELES, CALIFORNIA

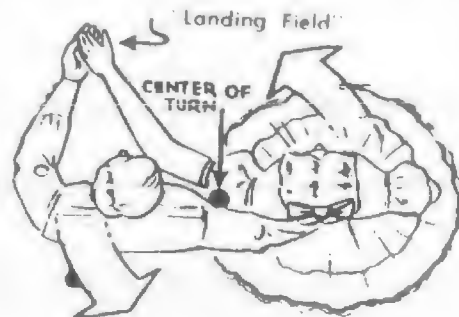

L.P.T.D.B.I.S.D.

Have you ever had the satisfying feeling of dancing in a square where everything went just right? Perhaps the caller had settled into a nice relaxed tempo. The timing allowed you to finish one movement before starting the next. You knew what to expect with each new partner, no awkward little twists and turns or individual interpretations to spoil the flow. Each promenade was synchronized so that you reached "home" together. And the music - not so loud as to cover up the swish, swish of the feet on the dancing surface but sufficiently loud to tell you that you were dancing. This, for many, is what it's all about - smooth, uniform, courteous movement to the music. This is the joy of dancing well.

Right at the start let us burst a few bubbles. The measure of a man's (or a woman's) ability to dance well is not based on how many movements or basics he knows, but how well he can put them together--how well he can dance those movements he does know.

Smooth Dancing has to do entirely with your ability as a dancer. There are those at every plateau who are expert dancers - able to dance well those movements listed in their choice of level. And there are those who are rough; poor dancers at every plateau. Before we can get to the advanced calculus of square dancing we must start with $1 + 1 = 2$. Everything in square dancing builds from the simple foundation experiences. When a caller teaches the do paso for the first time to his class of new dancers, he is providing them with a bit of knowledge they'll be using every time they dance, whether that means only for the class or for the next ten or twenty years. This is the time the dancer learns the correct and comfortable way of doing a courtesy turn. **STYLING:** It is as important here, as it is in any Swing or Turn movement, that the center of the Courtesy Turn be the point between two dancers. Each will move equally in distance and in tempo. The man will not roughly push the lady but will work to complement her. The extended left hands serve as a direction indicator and the man uses that left hand to lead -- not pull.

In this respect, the "landing field" technique of the man's palms up and lady's palm down will be enhanced if the man will simply place his thumb on top of the lady's hand & TO DIRECT. Depending upon your area, the man's right hand may be at the lady's waist, either holding her right hand or she may, with her right, hold her skirt. **COUNT:** For comfort, figure on 4 steps to cover 180°.

Twirls or turn-unders come early in our square dancing lives and also remain with us during all of our square dancing. Perhaps the first of these is a twirl to a promenade. When this is taught, the man learns that he is not to twirl the girl. She twirls herself-using the man's hand as a support. Later will come box the gnat, star thru, California twirl & curlique - all are turn-under movements where the girl turns under and the man offers support. A rough, hurried move on the part of the man can cause the lady to lose her balance.

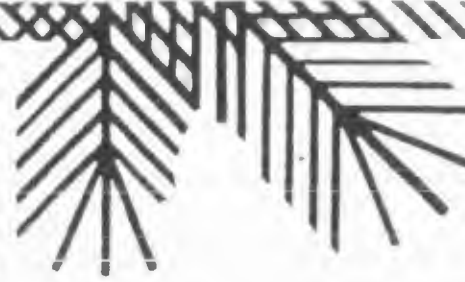

Armholds, like courtesy turns and twirls, are a part of our workhorse team. Remember back to that first night of a beginner class when you were introduced to an allemande left and a do paso? These were the first of thousands of arm turns you would be doing during your time as a S/D. The important point to remember is that an armhold is not a grip. The man does not fasten his talons into the fleshy part of his partner's arm in anticipation of drawing blood or seeing how colorful a bruise he can create. The comfortable contact is simply the pressure of the two arms coming together. Here's the way it's illustrated in the Basic Movements of Square Dancing Handbook.

STYLING: The forearm turn should be a comfortable, non-desperation movement. Each dancer places his hand on the inside of the arm of the person with whom he is to work, past the wrist, but not past the elbow joint. The man should hold his hand flat against the lady's arm. The fingers and thumb are held in close.

Oh yes, we haven't told you what the initials L.P.T.D.B.I.S.D., stood for. They were coined a few years ago by a group of dedicated and concerned dancers and callers. Their meaning? Maybe you figured it out already. Let's Put The Dance Back In Square Dancing!. Think about it.

The hour before Delegate Meetings is devoted to a sharing of ideas on various topics of interest to dancers. All delegates are notified of the subject to be discussed. "Raids, banner stealing, etc..." was the topic in April & Sept. Education Chr., Doc Tirrell, moderated the discussion. Those present were almost unanimous that S/D is fun & they want to keep it that way. The objectives of clubs who raid, taking a banner, pinning a momento on the club's banner, recognizing the raiders with special dangles, special admission fee, size of group - were all discussed. Delegates were asked to consult with their clubs concerning the many suggestions tended & come prepared at the early hour in Jan. to suggest guidelines for raiding clubs to follow in NNJ.

In past years, the term Intermediate meant something different for each section of the country. "Intermediate" in the Eastern States did not include the same level dances as "Intermediate" in the Western States. Today, as a result of the continued efforts of ROUNDALAB, Phase III means Phase III wherever there are Round Dancers. The past two National Square Dance Conventions have

used phasing to determine the levels of teaches and party dancing in various halls. The system really worked. This past August, the Universal Round Dance Council used phasing for determining new choreography for the teaches. Since the system is simplified and leaves little room for error, each choreographer can rate his or her dance before publication. If however, the choreographer chooses not to rate their own material, a dancer can easily rate the dance using the ROUNDALAB Phase Rating booklet.

At the ROUNDALAB annual meetings, several new rhythms and additional figures were added to the system. A NEW booklet reflecting this - is now available. It may be purchased from the ROUNDALAB office at: 3 Churchill Road., Cresskill, New Jersey 07626-1698.

ROUND DANCE HIGHLIGHTS

The NNJRD Leaders Council had a for-teachers-only workshop/clinic this October with Carmen/Mildred Smarrelli of MD. As Liaison we were thrilled to be there. The afternoon was divided into 3 segments. During the first two we reviewed Fan, Hockey Stick, New Yorker, Alemana, Aida and Spot Turn in both the Rumba and Cha Cha. We also received many styling points on both rhythms. The last section was devoted to a discussion on basic dance positions and the smooth styling in Spin Turns, Whisk, Diamond Turns and the various kinds of Feathers. Afterwards, we all adjourned to Jean Kellogg's home for a light supper and the usual Council meeting to finalize plans for the November 1st Fall Round Up and choose ROM's. A very full day!

The Council was fortunate to secure 2 halls again for its Fall Round UP Dance. Once again one hall will be programmed with Phase II & III dances, including the teaching of the S/D ROM & the other hall -Phase III, IV & V dances with a teach on the R/D ROM. Don't know who was more nervous, we as out first experience as MC's or our 5 new cuers. Congratulations to Ruth Woerner who received a scholarship to a R/D Teachers School. Another afternoon of rounds, with the same format, will be held on March 27th. Plan now to double your pleasure and attend. Happy dancing.

RAMAPO RHYTHMAIRES - Tirrells - Waldwick, NJ - Wed.

The new class is well underway. While most are S/Ders, it is interesting that several came from reading the Adult Ed. brochure. Most of the clubs are back from vacation and polishing up our repertoires and adding some "new to us" classics, such as In My Dreams. After much thought, the club has decided to move our annual R/D party to the 2nd Sunday in Feb. from March. Valentine's Day is an appropriate day to take your sweetheart dancing.

ROCK-A-ROUNDS - McLaughlin - Pomona, NY - Mon. 914-294-9017

We are dancing thru December and then will take a winter hiatus for January and February while our Leaders, Jack/Carol McLaughlin, vacation in Florida. (And don't you dare buy a house there like the Shearwoods did.) We'll resume dancing at Pamona again in March.

TIRRELL TWIRLERS - Tirrells - Cresskill, NJ - Sun/Mon/Tues

The 2 Sunday nite Classic groups have been busy, 1/3 working on Phase II & III Classics and 2/4 on Phase IV & V. Although the Tirrell's basement limits the size, we do have room for a few more couples. On Monday evenings at the church, the 1st half is devoted to Phase II & III dances. We welcomed several of our R/D graduates to this segment. During the 2nd half of the evening, we've been reviving 2 old time favorites - Nola and Lisbon Antiqua - love that soft shoe style! Visitors always welcome. And on 3rd Tuesday evenings the Tirrells have been reviewing some of the Phase V & VI classics as well as the old favorite Sunny Cha. Our annual Benefit Holiday R/D will be the Tuesday after Christmas. Look for our flyers and come join us.

For all our area snow birds who go to Fla. for the winter, here's another NNJ couple to visit (after Nov. 20 that is). Ed & Les Shearwood 6484 Peppertree Path Winter Haven, Fla. 33881. It was many years ago when the gang in Rockland County decided they too could support a S/D club and worked ever so hard to bring it about. The Shearwoods were among that group that worked so diligently to keep Hi-Taws afloat those early years - moving from school-to disco-to school; recruiting classes, etc. Wonder how many recall when Ed attended "callers school" & called guest tips (that was 20 years ago!) and then finally decided to become a r/d leader instead. Gradually gaining confidence & the necessary skills, Ed & Les took over the rounds at Hi-Taws, later forming their own r/d club, the Rock-A-Rounds. They've brought much happiness over the years to dancers in our area. We all will miss them - but at least know summers they'll be back at Cherry Ridge. We wish them well in their new home in Winter Haven.

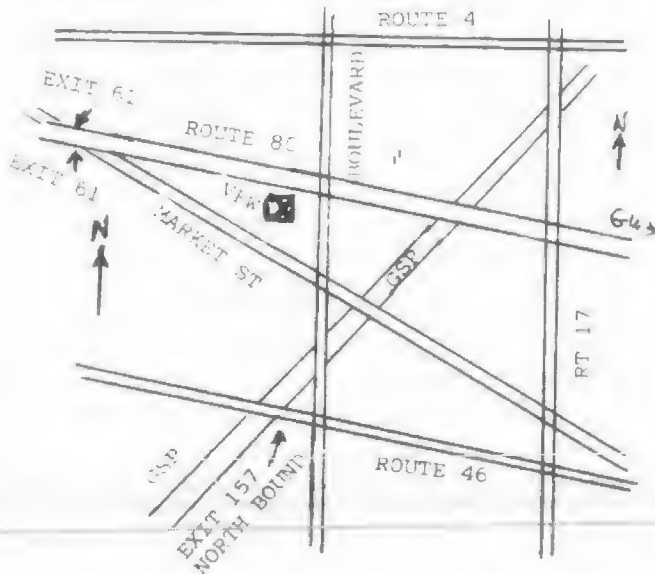

As we went to press word reached us that Bart Codd was very ill in the hospital. The thoughts & prayers of many dancers are with Bart at this time.

We're happy to say that Frank/Allana Barr have accepted the position of 2nd VP. Joe Passaro built a storage cabinet for the punch bowls and other necessary equipment. Thank you very much, Joe. Welcome, Judy Soffler. It's great to see that you are feeling better, and dancing with Sam. Congratulations to the new grandparents the Bachmanns, KinsteIs, Moffatts, Weiss' and our G/S Editors the Tirrells. We send hugs and kiss-

es to the beautiful babies. Remember, Grandmas and Grandpas, Sundays at 7 we dance to celebrate. Arrange to baby-sit at other times! In Sept. 3 squares of J & M followed the smoke signal, raided Ramapo Squares, and had the pleasure of dancing at their housewarming - the first dance of the season at Ramapo's new location. Our Monday night class has 5 squares of new enthusiastic dancers. The VFW Hall is being enlarged to accommodate more people. Callers for J & M are fantastic. The people are very friendly. Come dance with us and enjoy!

Am. Czech. Farmers Club, Rt. 130/Hankins Rd.

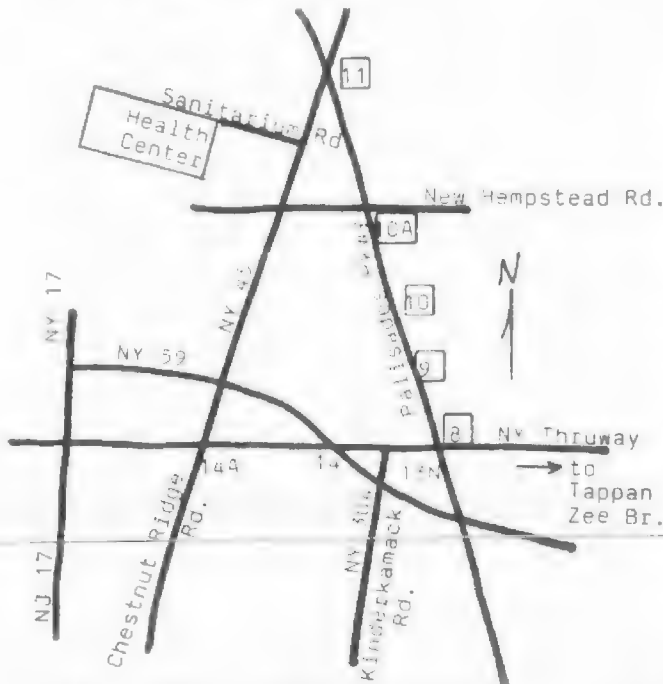

A successful barn dance started the year for our Class in the West Windsor-Plainsboro Community Education Program. The club is hoping for as large a class turnout this year as there was last year. In Sept., members, their friends and families enjoyed a picnic at Mercer County Park. The pot-luck supper was delicious, and everyone had a good time square dancing afterwards. Dances have been well attended and enjoyed by all. Callers Wes Morris, Al Kaesler and Barry Serebnick kept the dancers on their toes. Cuers Ron/Ree Rumble and Ellen Fury did their usual excellent cueing for the Rounders. Barry Serebnick and Ellen Fury will insure us great Thanksgiving and Christmas Dances. Come dance on our hardwood floor and have a friendly, fun-filled evening!

As you read this our Halloween dance will be history, but I thought it noteworthy to mention that Silver Stars was fortunate enough to have Leslie Shearwood for her first and (sadly) her last professional appearance as a cuer. Les/Ed move to FL this Nov. Also moving to FL (they must have a lot of dancers down there) are Phil/Anna Silberstein. They will be missed not only by members of Silver Stars, but by many clubs in the area. I understand that they are dancing up a storm in Coconut Creek. Starting with our middle-of-the-month dance in Dec., students will be welcomed to our Class Level Dances throughout the Spring. Check our ads for dates.

We held our Barn Dance in Sept. and had a very good turnout. Our classes started in Sept. We have a nice, new class and the students are enjoying their introduction to the world of square dancing. Bill Anderson will call our annual "Make a Child Happy" Dance in December. Class members are invited to join us at this happy, holiday occasion. The admission is a new unwrapped toy. Please look for our flyers for this dance. Though Tut Stark was not an AL"e"MO member, he consistently supported our club with his presence at most of our dances. Tut was a very special person, and his untimely passing leaves a great void. We will all miss him.
