## From the desk of

NORMAN & AUDREY BOLIN, PRESIDENTS, NNJSDA

It seems like only yesterday that we were attending the various Club Graduations welcoming the new graduates into the wonderful world of Square Dancing. We are now into September, which has been designated as National Square Dance Month with a theme of "Program For Fun," and the clubs are once again preparing for the new students. Where has the Summer gone?

Our Summer Dance Program was a resounding success, with an increase in attendance over past years. We endeavored to provide a well rounded program for all dancers, the Callers and Cuers provided us with this objective. The comments and enthusiasm from the dancers indicated appreciation for the efforts of all concerned. Congratulations to all the recent Graduates who received their Freeloaders Award for attending 8 of the 10 Summer Dances. Keep up the good work and we hope you will earn your Patrons Dangle.

Before the Summer started we welcomed many new dancers into our Square Dance Family. Although the classes were relatively small the enthusiasm generated by these dancers were overwhelming, which was reflected during the Summer Dances. We are in Square Dancing for the Fun, Fellowship and Friendliness associated with the activity. Let's not forget that we too at one time were recent graduates and looking for that friendly face in the square. Welcome them into your square and make them feel that they are part of the Square Dance Family. We need them as much as they need us.

Congratulations to Ivy Peters for her winning entry, "You Are Wanted", in the NNJSDA poster contest. We hope that the posters have (Cont'd p. 7)

BLOOD BANK NEWS - A reminder - every member of NNJSDA, spouses, parents & children are covered by our Blood Bank program. To date, several of our members & families have had blood replaced, thanks to our program.

Our biggest problem has been, as you might assume, participation. With clubs spread out it is difficult to get enough people together at one time to conduct our own drive - although the clubs in the Edison area do try to have a yearly donor day. We have asked dancers in other areas to donate blood through open units in each community.

Six clubs have already volunteered to have Blood Bank Coordinators for their clubs which will make it easier for us to set up donor dates, etc. Where are the remaining 30+ ?????? Until we can set up local dates, please continue to donate blood through a Red Cross program - just tell them you want to give in the name of NNJSDA - group # 9192.

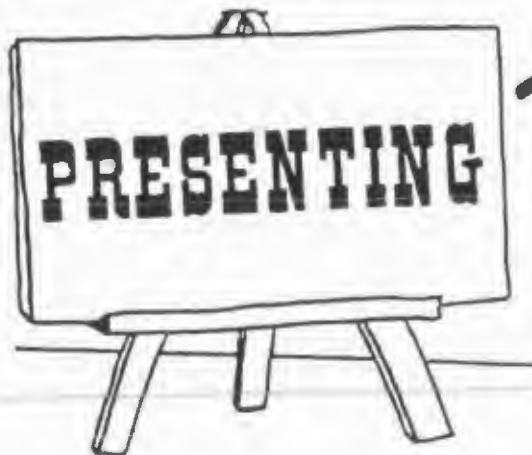

If you, or a member of your family needs blood, contact our chairpeople - Donna Anderson (718-727-5141) or Burt Caplan 201-679-8079 for help in processing your claim. If you do donate blood, please send a copy of the form to Burt Caplan 148 Cindy St., Old Bridge, NJ 08857. We have special Blood Donor Dangles for all who donate blood or assist on Donor Day.

DELEGATES' Meetings are a most important means of communication between clubs & the Association. All are welcome to attend - only delegates vote.

### THE "BAG DRESS"

A "NEW" concept in dresswear.

Each dress comes with its own 8"x 9" self fabric bag which the dress can be stored in. Assorted prints with a lovely elastic midriff, rounded neckline and 3/4 sleeves makes this dress a square/round dancers wardrobe necessity.

THE BEST PART OF THIS DRESS IS THAT IT CAN BE ROLLED - FOLDED - SQUISHED & IT NEVER, NEVER NEEDS IRONING.

The perfect dress for weekend frolics!

Helped generate interest in Square Dancing as well as the demos and exhibits that were put on by the NNJSDA and the various clubs.

As we all know, Square Dancing is a couple's activity, but we do accept solos. The classes usually supply Angels for lessons. We are now encountering some difficulty at both the Club and Association dances where-by partners are not always available. It is not the responsibility of the Clubs or Associations to provide partners. A suggestion to all Class Coordinators is that all solos be so advised before classes begin, and that some of the solos learn both parts so that they could dance as a couple. We are not trying to discourage solos, but furnishing a suggestion so that all can enjoy Square Dancing.

Since its inception, "One Square Is Fair" has increased the interest of the Clubs to have their members attend the NNJSDA Special Dances. This year we have 6 clubs receiving their 1986-87 "One Square Is Fair" Award, so we have decided to continue the award. Let's see if we can award this honor to many more clubs next year. During the year we hope to visit as many Clubs as possible and meet you on the Square Dance floor. Happy Dancing.

PUBLICITY PRIMER

Last year's 3rd VP's, Ken/Helena Robinson, unveiled at LUST a most comprehensive PUBLICITY PRIMER. One was given to every member club. QUESTION: Has it been passed to your club 1987-88 Publicity Chairman?

Notebooks, such as these, have a way of getting lost - unless someone nags to "pass it on" - nag, NAG, N A G.

The NNJ has purchased and distributed free to every Member Club a most comprehensive Class Promotion packet - put together by LEGACY. This great packet, assembled by AMERICAN SQUAREDANCE Editors Cathy/Stan Burdick, overflows with helpful info. This coupled with the winning S/D month poster, again provided free to ALL clubs by the NNJSDA, should really let your area know about our favorite recreation. Did you use this material? We invite your comments.....

We know some of you have been working hard on publicity from some of the newspaper clippings we've received. Did you see the excellent coverage given the CAMPOREE in July. Question: Do you have handouts on our activity to give reporters when they come visit? Do you write a note of thanks afterwards for their writeup? The NNJ new 3rd VP's, Jack/Jay Spellman will be maintaining a scrapbook of all publicity - IF you send them copies. See centerfold for address.

## JUST ASKIN'

A new feature of GRAND SQUARE, suggested by & undertaken by BURT CAPLAN, will be an "Inquiring Reporter" column. He believes that feedback on issues which NNJSDA members can take action will help the NNJSDA become more effective & responsive. Topics such as Dress Code, the impact of Challenge & Advanced dancing on Mainstream & Plus Clubs, dancing programs vs Dancing By Definition - are the kinds of questions that may be featured in his column.

His first column: There are hundreds of dancers in NNJ territory who do not have partners. These people are encouraged to go thru classes and join a club. Then in many cases they are literally abandoned. The question arises: "WHAT CAN AND SHOULD BE DONE TO HELP 'NON COUPLES' FIND DANCING PARTNERS?"

Please send your comments and suggestions to Burt Caplan 148 Cindy St., Old Bridge, NJ 08857 asap. He will compile his column from your answers. ALL letters MUST have a signature, but anonymity can be requested. If you have suggestions for future questions, please let Burt hear from you.

Congratulations and welcome to our new officers. Three cheers for Lillian/Don Davis who are returning as Presidents for their second year. Our graduation dance was a huge success with guests from many clubs making up 13 squares. The different and varied dishes, prepared by some master cooks, was a gastronomical delight and everyone scraped their plates and went back for more.

We would like for you to come join us for good dancin'. The people are friendly and we always have fun.

Our Spring Mystery Bus Raid was the event of our Spring Dance Season - 91 dancers filled two buses and raided Pelham Promenaders over in our sister state of New York. Food was plentiful, hospitality and good-will just glowed all evening; it was a tired but very happy bunch of dancers who boarded the buses for home. The new officers for '87-'88 were duly elected and installed at our annual June Dinner Dance. Fred/Marion Meyer took over the reins as Presidents, Bernie/Sandy Beck are 1st VP, Jim/Pat Broderick 2nd VP, with Ed/Doris Stoeffels continuing as 3rd VP. Secretary is Wanda Bakanauskas, Richard/Jackie Maynard are Treasurer - assisted by Herb & Doris Nuber. Keith Douglas is raid chairman, and Linda/John Simco and Alice Sanborn will coordinate refreshments. We did demos at Garretson Forge, Tice Farms, Wyckoff Reformed Church and of course, paraded down the streets of Glen Rock on the Fourth of July followed by a picnic at the Brodys. We will be dancing regularly at the Coleman School this Fall (this is a change from the high school--please see our ad). In an effort to raise the level of dancing at our mainstream club, B&B is trying something new...dancing by definition workshops. A progressive DBD workshop for one or two mainstream calls will take place during the second half hour of each dance. The purpose is not only to refresh the call for the newer dancers but to give all dancers exposure to the many ways in which the call can be executed. Come try it - to a Mainstream Marvel!!

How was the NATIONAL S/D CONVENTION in Houston, TX??? Most of the 20,094 would probably tell you OK. It had ample room, almost too much; the Parade of States spectacular in the vast Astrodome; the sound - poor; the people - GREAT. And that's what a convention is all about - PEOPLE.

## CIRCLE EIGHTS -- Hannington Park, NJ

(MS)

4th Friday

Community Church, Harriot Ave.

The "fun club trying to be serious" starts the Autumn dancing season with new presidents: Ruth/Fred Zuendt. They have declared an international year of dancing. So with an Italian flavor, we start dancing a "Roman Holiday" in September. Each month will take us to a new location around the world. Our refreshments and decorations will reflect this theme. Will our entertainment keep in step with the international flavor? Come dance with us and find out. Our former presidents, "King" Hank and "Queen" Edith Kolb stepped down with a fitting abdication. A procession (royal, of course), song (a ditty to Old King Kolb) and a gift (most appropriate) were part of the ceremonies bidding farewell to our king and queen. A farewell only to their presidency-not to their much appreciated work with Circle Eights. A lot of work by willing hands and minds helps our "fun club" to have fun. Look for our flyers announcing our Mini Fall Weekend in November, at Winter Clove, Round Top, N.Y. We welcome all dancers back after what we hope was a healthy and enjoyable summer. Join us in a square.

The nursery rhyme, "Old King Cole was a merry ole sole..." was never more fitting then at Circle Eights during the recent reign of King Cole Kolb & his Queen Edith. And no wonder - with a most dedicated staff, including the High Chief Executioner pictured in full regalia.....

CLOVERLEAFS -- Elmwood Park, NJ

1st Friday

VFW Hall, 6 Veterans Place

After the long, HOT summer, some cool dancing will be welcome. Our new Presidents John/Mary Aquino, have lined up an interesting array of callers. The dances will be a good plus level with an A-1 aftertip.

We want to welcome our other new officers: Vice-Presidents, Milt/Vickie Kinstel; Secretaries, us; Treasurers, Ron/Billie Mueller; and Delegate, Joe Passaro. Our sincere thanks to our Past Presidents, Ray/Annalou Kuen-sler and their executive board for a job well done.!

Our October dance, only, will have a change of location. Check our flyers to find out where we will be dancing. Hope to see you.

A while back delegates requested some extra time be devoted to topics of vital concern that needed more discussion time than was available at DELEGATES MEETINGS. Thus began the 1-2PM discussion hour - a one hour period, prior to the Delegates Meeting, open to anyone, to discuss current concerns with the topics announced in the delegates meeting notice and also sent to club presidents. Topics have included classes,raids,graduations, role of Executive Board, etc. This is a responsibility of Education Com.

COUNTRY PROMENADERS -- Edison, NJ

2 & 4 Saturdays

Herbert Hoover Middle School, Jackson Av.

Our club's entry of marching square dancers in the Edison Twp. Memorial Day Parade was awarded a trophy for the most unusual marching group. Our annual picnic is set for September. The Country Promenaders Fall Dance Season has an outstanding dance program that starts the end of September. The third dance of the Fall Season is our Thirty-Fifth Anniversary Dance, we cordially invite all our square dance friends to come and help us make this important event one to be remembered. Our decorating and refreshment committees are in high gear getting ready for the dance happening of the year. Just so you know we intend to keep the good times rolling, we have an outstanding caller on tap for our first dance in November. Round dancers take note, the Country Promenaders have Ellen Fury as our round dance cuer for all the above dances. For a great place to dance, why don't you come and promenade in our Country.

COVERED BRIDGE SQUARES -- Nutley, NJ

2 & 4 Fridays

Radcliffe School, Bloomfield Ave.

With much regret, we mourn the loss of Ed Ourganian. Ed and wife, Betty served 4 years as Secretary and/or Treasurer on the board of our club. They also worked very hard as chairmen of our attic & bake sale for several years. These sales were very profitable & financially needed by our club treasury.

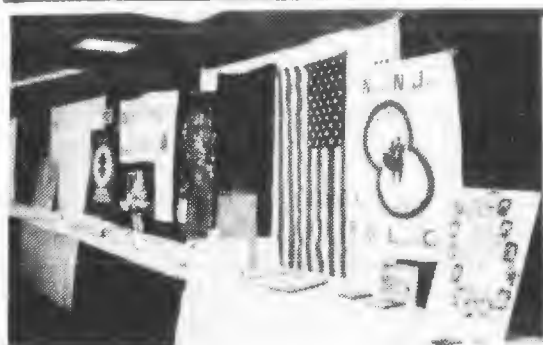

In April, we had our Annual Amateur Callers nite, many amateurs entertained us. A good time was had by all of our members/guests. It was the first time in our club's history that we were raided by 3 clubs in 1 night and 2 circles were needed by the Round Dancers. In May, we had our Annual Dinner Dance. We counted 9 charter members with some of them being among the 11 past presidents who were in attendance to celebrate our club's 13th year in existence. Now, during the Summer, we have been enjoying meeting new graduates and old friends at the NNJSDA's Wednesday night dances. We hope all readers of the column are enjoying the Square Dance World.....

Watch for our flyers.

CROSS TRAIL SQUARES -- Caldwell, NJ

(+)

2 & 4 Wednesdays

Lincoln School, Crane Street

Our Annual Excursion to the Eighth Annual White Rose Festival in June at York, PA. was enjoyed by 24 couples from Cross Trails. The "warm" and sometimes damp weather did not deter us from shopping, partying, swimming and of course, dancing at all levels. More and more Cross Trails are participating in Round Dancing and enjoying another dimension of our club. Just a reminder Jean Brody is starting beginners Round Dance lessons this fall.

Your officers and committees are currently busy planning for our 20th year of dancing. Coming events include a Special Anniversary Dance in April, 1988 and a Special Dinner Dance in March. Plus a great list of guest callers, a bus trip to Atlantic City, another Candlelight Bowling Event and a few surprises. Keep abreast of all of the activities by coming out to our dances and checking the Bulletin Board in the front hall.

The Cross Trail Square Wheelers have been wandering all over the Tri-State Area, swapping tall tales, eating and dancing in many strange places. We hope they can find their way back to Caldwell and still have enough energy left to join us for Open House Dance.

We were pleased to see some of our new graduates at the Association Summer Dances. We strongly urge all new dancers to come out at 7:30 and take advantage of the Work Shop conducted by Paul Brody on the nights he calls for us. We hope you all had a good summer but now let's get back to the serious business of having fun at Cross Trails.

DANCING SQUARES -- Union, NJ

(MS)

1 & 3 Saturdays

Connecticut Farms School, Stuyvesant Ave.

Here we are once more looking forward to another season of square-dancing with our many friends. Our 40th Anniversary celebration was a huge success. The dance floor was filled with over 18 squares. We were entertained by the "Kellogg Kuties" performing their round dance version of the "Stripper" and cued by Jean Kellogg. They really brought the house down with their silly antics.

We participated in the Scotch Plains/Fanwood Memorial Day Parade & received tremendous ovations from all the on-lookers. Brian did his usual fabulous calling job for the two participating squares. We were also invited to demonstrate in Union's Heritage Day festivities in June, which was a delight to attend. In July, we danced on the Village Green for the Scotch Plains Cultural Arts Committee's Summer Series for a very grateful audience.

Sincere thanks to all the 1986-87 officers for the fabulous job they did all last year and now welcome to the new Board Members with best wishes for continued success in the 1987-88 season. Hope to see many new/old friends at our dances this year.

1/3/5 Sundays

113 E. Passaic Street

It was a RED LETTER DAY in July, for members and friends of F.A.D. who attended a pool party/barbecue/dance at the home of our club caller, Dot/George Loewenstein in Elmwood Pk. In spite of a late morning rainstorm, the weather co-operated in time for the 2PM swim. Rodeo awards for riding a whale were attempted by the Walkers' grandson and Marie Hoffman (it was a tie, we think!). Volleyball must be taught differently in Norway, because our visitor, Gyri, had a lot of difficulty hitting the ball!!

A highlight of the afternoon was AMATEUR CALLER TIME, started bravely by George Loewenstein, followed by Joe Brachocki, Jim Broderick, Marie Hoffman and Bill Capello. Watch for these future callers at your club.

Grasshopper dangles were awarded, as well as Blockhead and Aqua Ducks. Welcome guests were Paul/Jeanne Brody, Lew Gosnell on business in NJ from Texas and Joan Kelly (Pat Broderick's sister). The youngest aqua duck was three year old Joey Brachocki.

We invite recent graduates from any club to come and ANGEL at our twice weekly classes, at Hackensack High School. Contact Fern/Don Walker, our class co-ordinators, 692-8350, for details so you can be scheduled for specific evenings. This will help reinforce your dancing skills at the same time that you meet a new group of enthusiastic dancers.

In September, we will help Henry Hugelheim, our first president, celebrate his 80th birthday. New officers are: Marj/Warren Gould, Pres.; 1st VP, Linda/Bill Capello; 2nd VP Marie Hoffman; 3rd VP Don/Fern Walker; Treas, Pat/Jim Broderick; Sec, Daisy Orlove; Publicity, Barbara Fugazzie & Craig Koplisch and NNJSDA Delegates, Emmy Conlon & Alternate, Dorothy Fels. Remember, you can dance in AIR CONDITIONED COMFORT in our hall - even through those unexpected warm days in October & November. Visitors are always welcome and singles never sit out more than 1/2 a tip; we offer line dances during breaks and will workshop calls as requested. Come down and meet a FRIENDLY group of dancers who will make you feel right at home. Soft soled shoes are requested, as we have a brand new floor....

### GARDEN STATE SQUARE DANCE CAMPERS

The International Camporee is now memory. Life is back to normal. And I suppose it's time to reflect on "how did it go". If all the comments made by people as they left are true, then we had a very successful event. The hot humid weather at the beginning of the week, didn't stop anyone, but ye reporter. Dancing, sports, crafts, trips all went on as planned. The heavy rain on Tuesday did not dampen spirits. Even those from PA, that got a little flooded, took the opportunity to shower in it and even do a little mud wrestling. The Parade of States took place indoors. The view from the stage was beautiful, with all the different colors weaving around the floor. Then the cool weather of Wednesday & Thursday was like icing on a cake.

The dance program was well attended in all the halls. The callers and cuers were excellent and some even called beyond the quitting time. After parties were extra good, with groups from other chapters volunteering their skills & talents for us to enjoy at the end of a long & busy day.

Crafts were always crowded with interested, happy people. Lots of the projects could be seen throughout the camp sites. Sports were well attended even tho delayed by rain. Gold & Silver medals were awarded to 1st & 2nd place winners.

Of course a lot goes on behind the scenes that for the most part goes unnoticed-but is so important. Records of money, bills to be paid, registration, who's on parking, security. Giving directions, typing the Snooper, solving electric & water problems, rounding up prizes are just a few of the many, many things that our 001 people did so well & so cheerfully. Thank you for a job well done Next year it's on to OHIO. Join us in a caravan; sign up early; make it a real fun week. Carl/Helen Ostertag 201-948-6147

HIX & CHIX -- Elmwood Park, NJ

(1/3 MS;  
2/4/5 +)

Every Thursday

VFW Hall, off Broadway

Although we are in the midst of the 'dog days of summer', Hix & Chix members and our many visitors are dancing up a storm every Thursday evening in our A/C hall oblivious (?) to the heat. The Spring and early Summer months have been busy ones for those members who are always working so diligently to keep our Club so active. In June, our outgoing presidents, Connie/John Huettemann graciously hosted a pool party so that the outgoing officers could acquaint the incoming ones with the details of running the Club and what was expected from each office. Later in June, we had our very popular and well attended ice-cream social. Diets were pushed aside for the evening as dish after dish of fixin's were set out to make those scrumptious custom-made sundaes to whet the individual palate. The new officers were formally inducted mid-June and the outgoing officers were given a very warm thank-you for a job well done! Frank/Allana Barr, the new presidents, presented Connie & John with a beautiful crystal plate as a memento from the Club. One of our most successful raids took place - when 42 members showed up at See Saw Squares' last dance in June. The hall was a sea of red and white and it depicted quite a picture as we all marched in behind our banner. Our "Night in France" in July, put us in the mood for a little 'amour toujour', as we danced to Dick Pasvolsky and his French lyrics. The theme was carried throughout, including a skit put together by Gloria Wyman. Posters, paintings & French cuisine topped by a delicious cake made by our master French chefs, Yves and Annick Herve, who incidentally left 2 days later for a months visit to their homeland.

KEEP COOL!                      KEEP SMILING!!                      KEEP DANCING!!

## KINGS SQUARES -- Brooklyn, NY

( + )

1 &amp; 3 Sundays

Fort Hamilton Presby. Ch. 94th St. at 4th Av

Members of Kings Squares participated in the 1987 Ethnic Festival held in June at the Statue of Liberty National Monument. Annual Festivals are held on Liberty Island to pay tribute to the many immigrants to the U.S. and their cultural diversity and we were delighted to be a part of the program which included Israeli, Indian, Chinese, Estonian and Asian Dancers. It was great to see so much enthusiasm generated by those there.

This summer found our dancers traveling far and wide in pursuit of S/D activities. Some members attended the Convention in Houston, while others danced in Enfield, CT and the New Jersey area. In addition, our new dancers honed their skills at the Northern New Jersey dances, where they enjoyed the camaraderie of their fellow dancers.

Best wishes for a speedy recovery to Catherine Hughes and Frank Schneider; we hope it won't be long before they are actively dancing again.

KITTATINNY RANGERS -- Andover, NJ (+)

1 & 3 Wednesdays Long Pond School, Limecrest Road

The summer heat is over and we are happy to be dancing at Kittatinny again with Ted Knauss on squares--Al/Gail Spings on rounds. Our officers this season are: Joint Pres., Lou/ Pat Massey & Jerry/Cheryl Schumacher; VP, John/Pat Kovach; Sec., Sally Lund and Treas., Walt/Evelyn Kulich.

We are thankful that Bill Huebner is feeling more like his "old self" after by-pass surgery.

Once again, "Summer Sounds", the Plus workshop called by Dalt Young was beneficial to new & old dancers alike.

In July, several of our members who are also Garden State S/D Campers helped to make the 1987 International Camporee which was hosted by the NJ Chapter & held at Sussex County Fairgrounds - a great success!! Among them were: Betsy/Ed Hull, Rhonda/Bob Kays, Hazel/Andy Lertora, Joanne/John Morales (who were in charge of services & security-superb job and appointed as northeastern reps., Becky/Don Rowe and your reporters, who made up the program/ad book. And our own Ted Knauss was one of the best callers there.

~~Summer demos were at Barn Hill Convalescent Center, Sandyston Day & The Farm & Horse Show with Sussex Spinners & Kuntry Kuz'ns. Former members Trudy/Jack Austin moved to Hartwell, GA to live next door to Armida/Floyd DeVore (past Pres.) and near Dot/Bob Hess. All they need is one more for a square. Just kiddin' - there are clubs in the area.~~

We are looking forward to seeing all of you on the dance floor. !!

## LAKELAND SQUARES -- Mountain Lakes, NJ (MS)

Every Tuesday Mountain Lakes Comm. Ch. Briarcliff Rd.  
Welcome Back to all! Hope you had a great summer. It was great to see so many familiar faces at our welcome back dance in September. But let's not forget all the good times in June/July. Times like...dancing to guest caller Dalt Young in June & guest callers Barry Serebnik, Dick Paslovsky, Brian Fugere & Bob Tarrant in July and of course our final club dance on the season-an ice cream social to cool us off. AND we mustn't forget our season finale. Many Lakelanders brought their families/friends to our annual picnic. We all met at Knoll Park to share good food & dance to Herb Conklin calling between courses. Yes, a great time was had at all dances this summer. It's fantastic to see so many visitors from all the different clubs in the association as well as visitors from as far away as Virginia, Nebraska and Missouri. We hope you keep on visiting. Lakeland also wished a fond farewell to two couples - John/Caroline Huntsinger retiring to Delaware and Rich/Lorraine Beyer moving to Alabama. Pal Johnson will call for our Open House. All the angels enjoy welcoming the many new faces to the joys of square dancing and look forward to dancing with all our new students. Join us weekly for a good time dancing M/S with Plus workshops from 8-8:30. New graduates as well as long time dancers are always welcome, so join us for good times like the upcoming Octoberfest, Halloween Spook Night and Thanksgiving Pie Night.

It is always sad when we lose a member club. WEST MILFORD FLUTTERWHEELS has ceased existence. In spite of having a healthy treasury, a meeting hall, and even free insurance, they could not get officers - nor a beginners class. Tired after three years of trying (ever have 3 clubs unable to accept your offer of a free dance just for coming to West Milford???) they have quietly closed.

LEISURE SQUARES -- E. Stroudsburg, PA (+)

1 & 3 Saturdays J. M. Hill School

Spring arrived and brought us eleven new dancers from our graduating class. It is good to see some of our graduates attended the plus dance program "Summer Sounds", under the fine direction of Dalt Young.

Much fun was had by all at our annual picnic held at White Heron Lake, Marshalls Creek, hosted by Ed/Charlotte Miller. The High-lite of the day featured Carol Kreher on the keyboard leading us all in a sing-a-long accompanied by some great tambourine and kazoo players. Many thanks, Carol.

Many dancers have turned out for our summer dance demos. July demos were held in the Pocono/Bangor area with Larry Davenport doing a great job of calling for us. More dance demos are planned for August & October, at the West End Fair and the Stroud Mall with Dalt Young.

We want to thank Carl/Norma Smith for the fine job they did as our presidents and to wish Marcell/Helen May Thienpont success as they take over this important position as presidents of Leisure Squares. Don't forget our fall classes start the last Tuesday in Sept. Hope to see everyone back dancing at our first club dance in October at J.M. Hill School.

M T SQUARES -- Woodbridge, NJ (+)

1 & 3 Saturdays Maryknoll Road School, Menlo Terrace

Give us your tired, your poor, your huddled masses yearning to dance and we at the M T Squares will do our best to satisfy their propensity. We look forward to a banner year behind the lead of J/G Koenig and Company. Lots of interesting plans are in the works which promise an exciting forthcoming dance season. O/A Kabana will soon unleash their raiders. Look for us at your club. It goes without saying of course that we enjoy being raided too & in fact like to show our gratitude by charging raider couples one dollar less than the regular dance fee. P/J Dockry will continue to teach the rounds from basics thru low intermediate Thurs. evening as they have in the past at our regular square dance hall. Look for our flyers or call this reporter for info. As you can see one does not have to become part of the wretched refuse of a teeming shore or the homeless or even tempest-tost. Just seek out the golden door of the MT Sq's each first and third Saturday...Welcome!

 Summer was an active time for our club. Our dance program went right through the summer months, with top callers and the excellent cueing of Ron/Ree Rumble. Summer started with our annual dinner dance, followed by a Mystery Bus Ride. We danced at several demos during the summer, some geared to recruiting members for our class, and others as a community service. Classes will start mid-September, at the Appleby School in Spotswood. If any dancers have friends in the East Brunswick area who would be interested in taking lessons, we'd sure appreciate it if you would contact club presidents Hope/Dick Larsen.

Starting this Fall, Joe Fioretti will be our official club caller, sharing the stage with many guest callers. Joe will also be teaching our class, and we may try to incorporate clogging lessons with the class. We are pleased that the Rumbles will be club cuers again this year.

Scheduled for the Fall and early Winter are our pot luck dinner, Toys for Tots, collecting Thanksgiving food baskets, and our annual blood drive, plus a lot of special dances and some super callers.

We welcome our old friends back to the regular dance season, and we look forward to meeting many new dancers.

It's a familiar story to square dancers, but not to the rest of world- After the International Camporee, the clean up crew of the Sussex County Fairgrounds was amazed at how clean everyone left the grounds. The only thing they had to do was empty the garbage cans. There was no litter or trash anywhere on the grounds. They are asking, "When are YOU coming back?"

1 & 3 Fridays

Christ Meth. Church, 1890 Forest Avenue

Getting set for a new season of dancing with our president Bart Cord leading the troops. We are looking forward to a great season of S & R/D. It is great to see our RIOS graduates at the Assn. summer dances. It's the best way to become a good dancer. See our flyers, great callers are coming our way and join us. We dance for fun.

PRINCETON SQUARES -- Hamilton Sq./Princeton, NJ (Wed. MS/

Each Wednesday

Hamilton Sq., NJ - Nottingham Fire House

2 & 4 Fridays

Princeton, NJ - Community Park School

Our Plus classes are progressing well with approximately five squares each Monday night at the Nottingham Ballroom. This class will graduate in September. Our own John Carlton is doing a wonderful job of teaching us. Our Mainstream night has been moved from Thursday to Wednesday & we are averaging nine (9) squares each week. The new graduates continue to enjoy themselves & are quickly making even more new friends. Each week we draw visitors from surrounding area clubs and we are delighted to have them. Won't you think about joining us some Wed. evening from 8:00 to 10:30?? We'd love to have you!

Beginning in the fall of 1987, our M/S classes will be held on Monday evenings, location to be announced in the next issue. Our club will be dancing at the Septemberfest at Veterans Park in Hamilton Sq. in Sept., which will earn quite a few of us our grasshopper dangle. A large number of our students heard about us in the flyers given out at last year's Septemberfest, so we hope to do the same again. Plans are progressing for our club picnic. Those who attend will earn their picnic basket dangle. (As you see, we're into dangles, Ha!). We are anxiously awaiting Sherry/John Kephart's visit to NJ from Germany the end of August & have planned a dinner dance in their honor.

RICHMOND DANCERS -- Staten Island, NY (+)

2 & 4 Saturdays All Saints Church, 2329 Victory Blvd.

It's been a great summer but now we are ready for another successful season of S/D. Our graduates enjoyed the NNJSDA Summer Dances and were well prepared to join us in welcoming you at our opening Dessert Dance for a night of fun, dancing & the most delicious home-made desserts.

Richmond Dancers has a brand new board - Charles/Kathy Porter, Pres.; Ray O'Neill, VP; Bob/Madelon Merkler, Treas.; Same/Grace Ippolito, Sec.; Pet/Joan Yuskevich, Delegates. With the Porters heading the board & Jim/Barbara Cannon as Advisors, we are sure to have another great year.

Our Raid Charimen Joe/Helen Knepple, are making preparations to continue our very successful raid program & we look forward to seeing you when we visit your club. We are very proud of being the only club in the association with 100% participation in the "One Square Is Fair" program of the NNJSDA. Quite an accomplishment!!!! And we are all set to do it again - for the 4th year in a row.

The members of Richmond Dancers were saddened by the sudden death of charter member Joe Samec. He will be missed by all. Our heartfelt prayers go to his wife Beulah, our club's first caller.

*RUTGERS PROMENADERS -- New Brunswick, NJ (MS)*

2 & 4 Thursdays Busch Student Center, Piscataway

Hello again! Since my predecessor Patrice Owens is getting married this fall & moving to Dayton, OH., I thought I'd take another shot at reporting the various activities of the Rutgers Promenaders. I promised Peg, that I'll try to be better at making deadlines this time around. (ED: only 2 days late this first time!)

As you read this, we will have begun our fall semester of dancing. The highlight of the summer for us was the annual picnic held at The Log Cabin on Cook Campus. Many former Promenaders who have young children came to the picnic to renew old friendships. Good to see you guys!

On August 30, Jeremy Rodin and Kathy Smith tied the knot. The latest in the current wave of Promenaders weddings. Congratulations and best wishes. Please check flyers or call Tina for hall location - not sure as of this writing, probably at Busch Student Center.

SEE SAW SQUARES -- Upper Saddle River, NJ (1+; 3MS)

1 & 3 Saturdays Old Stone Ch. Ed. Ctr., E. Saddle River Road

It's time to "kick off" another season. Running with the ball this season are the Forcash's and the Sofflers, as See Saw's new co-presidents, the Kapfermans still expertly chairing raids, John Occhipinti and I remain in the "Secretariat" and Hillela/Bob Ward will be greeting you at the Treasurer's Table. We are continuing the successful dance format we initiated last season -- 1st Saturday = Plus, with an Advanced Tip at the end when requested by the dancers. 3rd Saturday = High Mainstream with a Plus Workshop (second tip) and a full Plus tip at the end.

We were delighted to meet a number of new dancers at our Graduation Dance last May and hope to meet & dance with many more of you on our M/S nights. Many of the previous years' grads are already among the experienced dancers enjoying our Plus as well as our M/S nights. We look forward to dancing with all of you again this season. A variety of excellent callers and cuers have been lined up for your dancing pleasure. This Fall's callers include Bill Wagner, Hugh Jones, Barry Serebnick and Manny Amor. And, watch for our Nostalgia Night in December featuring Jules Pozsar - along with Dick Pasvolsky.

So, do-sa-do your Corner and see saw your Taw in Upper Saddle River, as we all square up for the 1987-88 season. We'll be dancing at your club also. See you on the dance floor!

Since we do not dance during the summer, Solitaires members look forward to September when we can get back into the "swing" of things with new and experienced dancers alike. We know there are many single dancers out there, and we warmly invite all of you to come and dance with us. We've CHANGED our dance dates to the 2nd and 4th Sunday of each month and have added some new callers to our schedule....so come on down, the dancing is great! We need your active support if Solitaires is going to improve its financial standing and thereby maintain its ability to provide fun, fellowship and dancing to our friends without partners.

SPINNING WHEELS OF WAYNE, NJ (MS and +)

Every Monday

A.P. Terhune School, 40 Cyanimid Dr.

As this issue goes to press, we will be starting up another season. After the open house, we will start our regular season the following Monday, offering an annual smorgasbord of 11 callers to delight any palate. This year we will deviate from our usual format of MS and + on given weeks of the month, and alternate them throughout the year. Check our flyers, or call our social chairpersons Don/Barbara Massaro (838-5537). If you check our flyers, note that our resident artist, John Logan, has offered you a fine collection of your favorite characters, from Snow White to the Honeymooners to hang where you can enjoy them while you check our schedule. Take your pick, and enjoy them, and our dancing.

This year we will be upgrading our standards in each dancing program, by offering some DBD dancing each week. We will put an end to the old saying "Boys will be boys", by making them girls, at least momentarily, and the same for the gals. Like many clubs, we tend to lean somewhat toward the feminine gender in membership, so if your wife is not in the mood for dancing, or wants to spend a few tips in girl talk, or partaking the refreshments, we have ladies that will match any on any dance floor in ability and charm waiting to dance with you. Special note to Bergen Cty. dancers. Spinning Wheels is in East Passiac County, not East Berlin No visa's, shots, border checks or citizenship papers required. Come up and give us a try, you'll like us.

1 & 3 Saturdays

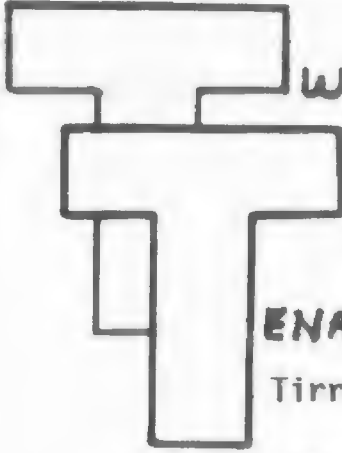

St. Albans Episc. Church, 76 St. Albans Pl.

As the 1987-88 square dance season begins, it feels like "reunion-time" as all the clubs resume their regular dance schedules. However, there's one summer memory that will always linger. It was exhilarating to share the NNJSDA Wednesday night dances with the enthusiastic new dancers from all the different clubs, and especially gratifying to see so many Staten Islanders in attendance. Thanks, Free-Loaders and Congratulations! At Staten Square Set we are fortunate to have Dot/Tom O'Brian as Presidents, assisted by their experienced executive board - Marie/Bill Dudley, VP's, Eileen/Ken Meering, Recording Secys; Dolores/George Pascua, Corresponding Secys; Ronnie/John Wieland, Treasurers; and Ruth/Bill Hughes, Advisors. With their guidance, we should have an exciting year. Remember, they said "Yes" to officership, please "say Yes" when asked to serve on a committee; join a raid; or share a demo; or better still, Volunteer. We have a terrific new hall. Come on out and join us for "Fun & Friendship" (our club motto).

Al/Gail Spinks will continue to be our cuers for our round dancing. We would like to extend our special thanks to Al/Ann Johnson and Alice/Bob Vealey for another year of help as Secy. and Treas. ### TENAFLY SQUARES - Harrington Park, NJ (MS)

2nd Friday Community Church, Harriot Ave. & Spring St.

We ended our season in June with our annual Moonlight on the Hudson dance. There had been showers all day and prospects looked gloomy for a good attendance, but miraculously, Jupiter Pluvius was good to us and the rains ceased shortly before "Square-up" time. An enthusiastic crowd enjoyed the calling of The White Knight, Michael Johnstone, so we've invited him back for next year's dance.

Our club didn't have any dances during July and August, but our members have been around dancing wherever they could. Under the leadership of our new Presidents, Joe/Lisa Ramirez, we've planned an interesting year with our favorite callers plus some new ones. We hope to see many of you who enjoy mainstream dancing, veterans as well as new graduates, each month at the same location. It isn't hard to find, so c'mon over and try us. You'll like it.

Exhibitions & Parades kept many dancers busy over the hot summer months.....

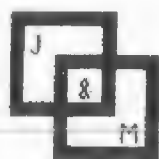

3rd Fridays

Bryan School, Brookside Avenue

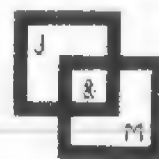

Question: Why are the Tenakill Twirlers all smiles?

Answer: They are still dancing at Bryan School with its lovely wooden floor. Just as '51 when we moved to Bryan Schools' multipurpose room.

The Tirrells will continue to teach the ROM at 8 while John K. (assisted by Freddie) will start squares at 8:30. And what a way to start the new dance season as Charlie/Evelyn Baumuller celebrate their 50th Wed. Anniversary with a real whing ding! (Although Shirley Sherlock promised to bring husband Bill a birthday candle for his piece of cake.) For happy MS dancing with congenial dances, we heartily recommend 3rd Fridays. That combined with Tenafly Squares and Circle 8's helps produce a 4F month - Fun, Friendship, Fellowship Fridays. (Ad on page 40)

Have you got your dancin' shoes polished and ready to go? We hope so, and we hope you're heading our way for our great new season. The lazy, hazy days are over - we enjoyed the National Convention in Houston and other vacation fun - and now we can't wait for the good ole down-home dancing! Our committee has planned some special nights including our Oktoberfest with our own Carl Hanks calling, and Roy Gotta cueing.

Our super raid chairmen, the Berlinruts, are busy planning great outings for us all. Are you in the raiding habit? It's fun - why don't you give it a try? A great way to meet some wonderful people and enjoy the fellowship which is a hallmark of square dancing.

We're going to try having our last one of each evening an advanced tip. Dust off the concentration cells and join in the fun!

We find ourselves at the start of a new dancing season. Last season was, undoubtedly, one of WW's most successful seasons. All of our dances were well attended. We received many compliments about the elegance of our refreshments table, our choice of callers and cuers, and the friendly atmosphere that prevails at our dances, particularly our welcoming attitude towards new plus dancers. For their fine job in handling the refreshments we would like to thank our VPs in charge of refreshments, Bill/Shirley Sherlock and Willie/Esther Taffel. We also thank Leo/Rose Rogers for making arrangements with the callers and cuers. And we thank all of our members and guests for their help and geniality throughout the season.

By the time you read this news, we expect to have completed a very successful summer workshop at Petruska Park, moved many more dancers to Plus Program dancing and gained a number of enthusiastic new members. As those who attended Petruska Park already know, the club has new Presidents, Ron/Billie Mueller, and a new executive committee. We have scheduled an interesting program for the 1987/88 season, including many new callers and new cuers. See our ads and flyers for all of the details and come have fun dancing with us.

Hi! I hope you all had a pleasant summer, are all rested up and ready to get into the full swing of our Square Dance season. Are you ready to get into your Square Dance clothes? For those of you who may have gotten too full from not dancing and indulging in too many edible treats, or couldn't pass up a great sale on a dress just a little too small with the hope of losing weight to fit into it, or have inherited a dress just a little too small, here is a solution that I have used successfully for several friends.

The zipper seam in the center of the back is hiding some extra fabric, hopefully, enough for an extra  $1\frac{1}{2}$ " to 2" in width running the whole length from shoulder through waist.

Carefully, so as not to rip any fabric or do damage to the zipper, remove the zipper. Next, open the seam below the zipper opening about 6" more. (On most styles this is almost all the way to the skirt ruffle. Try not to open any stitches into this ruffle.) The tiny holes left by the removed stitches can be eradicated somewhat by "scratching" them with your fingernail. Press both sides of the zipper opening out flat.

Working from the right side of garment, replace the zipper by laying the raw edge of each center back on top of zipper edge and stitching. There is no folding under of any raw edges or covering of zipper teeth in this procedure. You will have to taper the seam from the bottom of the opening up to the new zipper width. Don't worry about "holes" or "spaces". The new trim should cover this.

Select trim similar to trim already on the dress at least 1" to 2" wide. If your fabric print or texture doesn't show telltale old stitch lines you can use a narrower trim. Buy double the length of the seam you're covering plus extra for turning under raw edges at neck and bottom.

If the new trim won't get snagged in the zipper, stitch it on flat, covering the zipper on each side allowing for the zipper slide. At bottom of zipper the two center edges of new trim must be stitched together flat, covering those aforementioned "holes" or "spaces". Stitch outer edge too. If the new trim might get zipper snagged, try; 1.) not covering zipper teeth at all, just stitch new trim close enough to not snag; 2.) stitching seam binding (that matches dress) under both zipper edges of trim; 3.) using iron-on interfacing under zipper edges of trim.

Restore the neckline and reset the hook & eye (or whatever).

You might want to put extra new trim to sew elsewhere on the dress such as neckline, sleeves, other seams, etc. questions? Write a....

# AS I SEE IT

BOB OSGOOD - LOS ANGELES, CALIFORNIA

This month we want to talk with all of you, dancers and caller alike, who are about to embark on a new season of square dance classes. Few phases of our activity deserve more attention, deserve more words of encouragement than the class periods and the metamorphosis of the non-dancer into a happy, enthusiastic regular. Perhaps the reason we place such emphasis on this plateau of the activity is because there is no other phase that deals with so many people.

Somebody once said that the most difficult movement is the movement it takes to get Mr. and Mrs. Average Citizen out of their comfortable chair beside the TV set and through the door of the hall for the first time. If this is so, then the rest of the job should be a snap. We all know square dancing can be an enjoyable recreation; now, during our coming class period, is our opportunity to prove it.

Callers and dancers alike need to understand what the non-dancer is looking for when he comes into that first night of beginners' class. Let's review what we have promised him. Square Dancing is fun!... A friendly activity...Is inexpensive. Failure to deliver on any of these "promises" will cost us potential dancers.

To say that square dancing is fun means that it should be enjoyable from the first day of beginners' class and continue right straight through into club and workshops. The word fun needs to be understood. It refers to the exhilaration of satisfactorily following the calls, of moving to the music, of being able to react automatically, The joy of dancing must be present in the square dance activity if we are to expect the newcomer to "hang in there" and become a member of our community.

Square dancers are friendly. This just doesn't mean that we are friendly to those whom we feel are the quickest to learn, but to ALL those who answer our invitation and come into our classes. Once class time is over the friendliness must continue. Sometimes, when newcomers come to our clubs, we still expect our callers to call for us on the level that we, the club members, have attained. We, perhaps, are impatient with the awkwardness of the new dancer, intolerant sometimes of their inability. However, if we are to retain these potential dancers as future club members we need to take a good long look at our own attitudes. We must make sure that the club is ready to provide the friendly atmosphere we have promised.

Square dancing is inexpensive. When looking at other forms of entertainment, motion pictures, stage shows and nightclubs, square dancing is a tremendous value and it is important that its cost be kept within an acceptable range.

(AS I SEE IT - continued from page 46) **Note To The Callers**

Whether this is your first class season coming up or your twenty-first, each new class represents a different composite group personality. There is no stereotyped way of teaching as long as the journey through the learning period is enjoyable and the goal of retaining as many of new dancers as possible is achieved. Remember that class time is not just teaching a collection of basics. It is the transference of knowledge of how to dance, how to move to music, how to listen to the calls. The basics illustrate these things and as a result of attending class the new dancers should know how to move and react automatically to the calls.

It's painful to note that teaching the beginners is sometimes treated as a "chore" and that for this particular responsibility the new caller, the inexperienced teacher, is often the one who gets the assignment. It makes as much sense as saying that the horse that has never been ridden should first be ridden by a person who has never before ridden a horse. There's a proper time and place for the student-caller to practice the art of teaching but it should not be at the expense of the new dancer.

Despite all of this, however, whether you're reasonably new at teaching or are an experienced caller, as you approach your coming class, treat it as something special. Give considerable thought to your preparation. Keep good records of the progress of the class, making notes where trouble spots arise and going back to polish up before progressing. If your new class is a small one rather than the large one you had hoped it might be, don't allow your disappointment to show. Give your dancers just as much enthusiastic teaching, just as much in-depth preparation and just as much individual help and counseling as you might with a capacity crowd. You'll find that your positive attitude will accomplish much and that your present crop of new dancers will become your recruiters for your future classes.

(continued on page 48)

(AS I SEE IT - continued from page 47)

Not all classes are alike. Sometimes a group will be brought together that has an unusually fast rate of learning. On other occasions the makeup of the class will require that the caller/teacher go slower, reviewing more frequently and covering the basics less rapidly.

Undoubtedly you are looking forward to the day when the class members can join you in your club dancing--but, be patient. Remember, it's one thing to teach, another to learn. A caller may teach the dancers all they need to know in just a few weeks. However, only by continued repetitive practice will they start to react automatically and truly learn to square dance. The caller needs sufficient time to thoroughly indoctrinate the new dancer. Let him have it.

### **About Being Helpers**

Square Angels are those experienced dancers who help with the new dancers during their class time. If this is to be your opportunity during the coming months, then treat the responsibility with great care.

Remember that each class can have only one caller at a time. Your job is not to teach, to serve as a policeman while a square is in progress or to anticipate what the caller may eventually teach when he feels the time is right. Your job is to fill in a square so that all the new dancers may dance. It means using only those movements and styling points that the caller has already introduced to the group. It means being in the right place at the right time, moving correctly to the beat of the music and executing the basics in their standardized form.

Your manner of dress, your attitudes and your friendliness will serve as an important visible part of the teaching process. Be a good representative of square dancing and you will indeed be "an angel!"

Good luck to you all as this new year of square dancing begins. Make it your personal goal to help open the door of the wonders of square dancing to a new generation of square dancers.

"WHERE ELSE CAN YOU MAKE SO MANY  
MISTAKES AND COME OUT LAUGHING?"

Round Dance teachers from 29 US states, 3 Canadian Provinces, New Zealand & Saudi Arabia attended the 11th Annual Convention in Houston in June. It was a busy week as 90% of the ROUNDALAB attendees remained the entire week to share their talents and expertise

with dances & leaders alike at the 36th National S/D Convention in Houston.

Several new rhythms were placed in the Six Phases of Round Dancing & additional figures were defined. The contents of the Glossary & the Callers Manual for Using Rounds in S/D Programs was expanded. A Manual for New R/D Leaders & a Cueing Guidelines Booklet were adopted. Approved was the 1987-88 Classic Listing. While the Annual Meeting is a committee oriented convention, time is provided for educational opportunities. On Sunday evening all attendees had a chance to participate in 4 clinics on proper figure execution & teaching techniques. On Monday evening all were introduced to the newly phased Samba & Paso Doble rhythms & some of the basic figures. Members also had an opportunity to participate & compare experiences in 3 Swap & Exchange sessions Monday afternoon.

To many the convention highlight was Sunday evening when Manning & Nita Smith shared their philosophy of teaching and experiences during their 39 years of teaching. To others it occurred Monday evening when the first Silver Halo award, honoring those persons who have outstandingly contributed to the round & S/D movement in a manner which is special & unique, was given to Manning & Nita Smith.

Irv & Betty Easterday were elected Chairman. Serving on the Board are Ron/Donna Baba (Canada); Wayne/Barbara Blackford (FL); Ray/Anne Brown (CO); Herb Egender (CO); Don/Pete Hickman (TX); Ted/Barbara May (LA); Pete/Carol Metzger (CA); Wilson/Ann McCreARY(AL); Clancy/Betty Mueller(IN); Bill/Helen Stairwalt(IL); & Norma Wylie (AZ). Continuing on as Executive Secretaries will be Doc/Peg Tirrell (NJ). The next Annual Convention will be held in Anaheim, CA June 19-21, 1988 immediately prior to the NSDC.

National Folk Dance Campaign

The campaign to have Congress declare the Square Dance as the American Folk Dance permanently is well underway. At the recent NSDC many signatures were gathered on petitions...which in turn were sent to various Congressmen. But there is still much work to be done.

H.R. 2067, the Bill to have the S/D permanently designated the American Folk Dance of the USA needs 300 Co-sponsors. As of July 20th, it had 83. All dancers are asked to become involved in writing their Congressmen to co-sponsor this bill.

Dancers - please get involved and have relatives and friends also write to their Congressmen to co-sponsor Bill H.R. 2067 and send the letters to Honorable (full name), US House of Representatives, Washington, DC 20515. NJ has 4 co-sponsors Florio, Howard, Dwyer & Guarini; NY has 2 Wortley & Horton (NONE from Brooklyn or SI or Long Island or Queens): & PA has 3 - Kostmayer, Shuster & McDade. Come on now, fellow dancers- let's get on the ball and start a writing campaign to get more co-sponsors for this bill. Former NNJSDA president Frank/Nan Habersberger are spearheading this national campaign with locally, Frank/Helen Cavanaugh (113 Stony Rd., Edison, NJ 08817) assisting. If you need petitions, assistance in your letter contact the Cavanaugh's or ye Editors. Together we got the state of NJ to designate S/D its American Folk Dance, let's work on this.

The start of the development of S/D in America can be traced back to 1651, 125 years prior to 1776 when the US was born. This truly American Folk Dance has now over 336 years of History and Heritage. It would be most fitting and proper to commemorate the Bicentennial year with Congress designating permanently the SQUARE DANCE as the American Folk Dance.

### Dear Editors,

"....We both greatly enjoy dancing & usually do-sa-do 5 times a week. As in camping we have met some of the nicest people. Most square dancers are very friendly & patient people..... In the last few weeks we have come across something that at times ruins an otherwise nice evening of dancing.....We dance Mainstream and search out MS dances.....At one MS dance recently the caller called "coordinate" twice. I approached

him & told him that we enjoyed his calling but that we did not dance plus & would appreciate it if he could workshop the call.....later he directionally talked us through a call & said, 'that is coordinate'...and proceeded to call Track Two..... The following week another caller called 9 plus calls. When approached about the dance being MS, the caller's reply was that he was in charge & could call anything that he desired. When the President of the host club was approached & told of the problem his answer was, 'well they got through it anyhow'. It seems that the only way we can let these people know that we are unhappy with their dance program is to ask for our money back, explain why, & leave.....

In this day & age I have found that S/D clubs are having a hard time getting new members.....Calling plus moves at MS dances certainly won't encourage new mainstream dancers to continue their square dancing when they, through no fault of their own, continue to break down a square. After eight months of hard work in class this is very discouraging and not fair to the new dancer. As for my wife & myself it will be a long time before we will consider dancing with that club & I will not go to a dance at which that caller will be. We will also tell all our S/D friends of our encounters in hopes that they can avoid this pitfall." Mickey/Cappie Lisak, NY

(ED: This long letter was edited to fit space requirements.)

For years, to encourage, not discourage, new graduates the NNJSDA has run summer dance programs that are MAINSTREAM dances.

ROUND DANCE HIGHLIGHTS

The bad news last spring was that Les/Ed Shearwood were moving to FL this fall. The good news is that Nick Raspa, Ruth Woerner and Donna Anderson have all been working the entire summer to develop their R/D skills in preparation for cueing and/or teaching this fall. Welcome aboard. If there are others interested, please let your Council members know. ALL are ready and willing to work with you. There is also a scholarship available to R/D school. Since Council members are constantly striving to perfect their skills and broaden their knowledge, but many are unable to get away to schools and/or clinics, the decision was made to bring Carmen/Mildred Smarrelli here to give an afternoon workshop at the October Council Meeting. ALL look forward to this happening.

With Montville no longer available on Sundays, with much work, the R/D Council was finally able to locate another facility with 2 halls for its Nov. 1st afternoon Fall R/D - Save the date and come to Rahway H.S. There will be 2 halls one for Phase II and III Dances and a second one for Phase III, IV and V Dances with a teach in both. Pick up a flyer or ask your R/D leader for more details. R/D classes are starting all over the area, Basic and Intermediate so read the write ups or call for more details. .

We will be offering a plus workshop this Fall with emphasis on slower workshops and requests for specific plus calls. We will be doing some DBD on the mainstream calls. This is a good brush-up program for anyone getting back into the plus dancing.

VFW Hall - 6 Veterans Place

In April '86, 2 fledgling squares, assisted by 1 or 2 squares of encouraging angels, began "A" lessons in the Aquino's basement. We celebrated Xmas/Hanukah '86 at our first dance in VFW Hall. Step by step a club was formed, and named J&M Squares in honor of John/Mary Aquino, our enthusiastic founders, who made a lovely burgundy/white banner, our club colors. Officers are: Aquino-Pres.; Rogers-VP; Passaro-Treas.; Shapiro-Secy.; Kinstel-Delegates; Kuenzler-Raids; Taffel-Reporter. 75 exuberant members welcome wonderful callers. R/Ders are happy dancing to Nick Raspa's cues. Vic/Ann Musso surprised us with a beautiful cake on Fathers Day. Congratulations to the Aquino's on their son's wedding. Happy retirement to Anna Lou Kuenzler. A-1 lessons begin mid-September.

Our thanks to all ad makers & reporters who sent in their news on time! This issue was a toughie to fit in a most busy, overflowing summer. We welcomed the unexpected help of SHIRLEY SHERLOCK who typed away 2 nites enabling Peg to lay out most of the pages before DONNA ANDERSON & KATHY PORTER came to spend a weekend typing lots more. When family illness prevented Linda Morrison from coming, BILL ANDERSON cut, laid out & hot waxed ads like an old pro. HELEN RELLINGER & DOC proof read those hot, humid days & suddenly all was off to the printers. Bless you all for helping! We appreciated the Bishe's patience over losing their Special ad; hope you like its replacement! An Editor's life, to be sure is never dull! OH! we welcome the DAHL HOUSE (replacing Grannies House who now resides at RT. 4, Box 4416, Hartwell, GA 30643-Trudy/Jack Austin, that is) & Manny's cartoons. NEXT DEADLINE- Sept. 29 - due out at the Mini-Festival.
