From the desk of

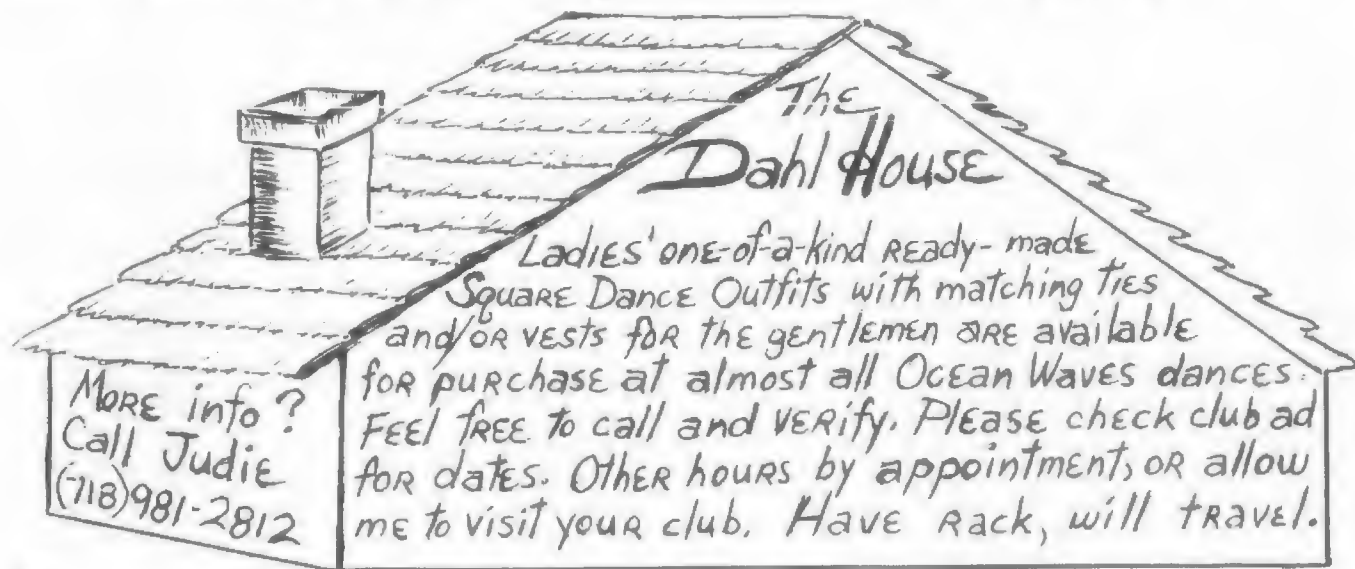

NORMAN & AUDREY BOLIN, PRESIDENTS, NNJSDA

The New Year is upon us and we hope that you have had a very happy holiday season. We spend so much time in preparing for the holidays and in a short time they are over. In order to make any thing a success, considerable planning is required. Our Executive Board has been planning the 1988 Season and we believe it is one that will be enjoyed by all.

Much time and effort has been put into the planning of these many Special Dances. These dances are planned with you, the Dancer, in mind so that you will have an enjoyable day of Square and Round Dancing. That is why we scheduled local Callers and Cuers as well as Callers from as far away as California and Massachusetts. One of these Specials will be the Associations 30th Anniversary Dance, also our all day affair, the 14th Annual Mini-Festival. Flyers for these Dances will be distributed as soon as dates are confirmed and flyers prepared. Please mark your calendars and support the NNJSDA theme of "One Square is Fair," many clubs have made the effort, why can't yours!

1988 is also the year of LUST (Let Us Speak Together). For many years, the NNJSDA has sponsored this leadership program to prepare leaders for the Clubs and Association. Serious consideration should be made by all clubs to send all their current and potential club officers to LUST in September.

As you are reading this, we will be in the middle of Grand Square Booster Month. We hope that everyone is wearing their Booster Tags. Considerable effort by many people, are put into this publication to make it something to be proud of, (contd. on page 11)

Follow up.....
 After each NNJ summer dance in '87 the NNJSDA Treasurer's carefully tallied the # of clubs identified on the sign in sheets. Richmond Dancers had the highest attendance. In recognition of their accomplishment, the

NNJSDA Executive Board has created a special pin which, weather permitting, will be presented Richmond Dancers at their regular January 9th dance. CONGRATULATIONS to the club. Sign in sheets will again be tallied in '88.

MINI-PORTS from NNJSDA Executive Board.....

1 VP: 28 ½ sets attended the Phil Kozlowski special - 2 sets were FREELOADERS. SUMMER DANCES - When the Sacred Heart Parish almost doubled their rental we had to make some rapid decisions. The first six summer dances (Wednesdays - June 22 thru July) will be at VFW in Iselin, NJ; All of August Wednesdays, including Warm Up to Fall will be at St. Aloysius in Caldwell, NJ.

2 VP: Rutgers Promenaders held its graduation early in December. A representative from NNJSDA was present. A new class will begin after Rutgers Christmas/Winter vacation. FAD will be starting a new class in Saddle Brook, NJ on Monday/Wednesdays with graduation in June.

A questionnaire will be sent to all club & class coordinators asking for info on club OPEN HOUSE & GRADUATION dates. These dates to be published in GRAND SQUARE. The NNJ will again compile a complete listing of all area graduates for distribution to all clubs. The NNJ will provide all member clubs diplomas, perfect attendance pins & an informational packet for all graduation. Deadline for questionnaire return - February 1, 1988.

3 VP: Information packets for the Poster Contest will be distributed at the January Delegates meeting. A short article will also be in GRAND SQUARE. As part of our official duties we made a visit to J & M Squares who have applied for membership in the NNJSDA. Our report will be presented at the Delegates Meeting in January.

DANCERS WITHOUT PARTNERS

The ? was asked - what can we do about dancers who do not have partners. The many letters, phone calls & discussions that have ensued indicate a genuine concern by those who have partners as singles.

Briefly, the comments: 1.) It was pointed out that we should be candid with the students letting them know that, while partners may be provided for lessons, they should not expect that "angel" to be their partner at club dances. 2.) Women learning the man's part and dancing it regularly. This is already done at some clubs and these women wear slacks and shirts. Not every club is enthusiastic about this approach, but does offer more women an opportunity to dance. 3.) Women who have regular partners "relinquishing" their partner for one tip an evening. One letter said, "There are some warm, understanding women who do this without being asked, but they are few and far between." 4.) Publish a list of "singles" s" that would identify them by general age bracket, program of dancing, nites available and areas willing to travel to. It is done in New England thru an organization that verifies the request is from a bona fide dancer.

- 5.) **RECRUIT MORE MEN!**
- 6.) An umbrella organization of "singles" for NJ/NY/PA, that could utilize the best local callers and national callers. 7.) Teaching line dances, contras and some folk dancing between tips at "singles' dances instead of the couple oriented round dancing. To make a dent in this situation is a monumental task but it certainly is worth it. The bottom line of swelling the ranks of square dancing with additional dancers is always worth the work. If you would like to be involved in this effort, contact BURT CAPLAN, who authored this article (greatly shortened to fit the space demands), at 286 Clarksville Road, Princeton Junction, NJ 08850 or leave a message at his office (201-247-5250). (ED NOTE: Andy Woerner has tried to maintain a "singles list" for NNJ area for a number of years.)

FOLLOW UP - 13th MINI-FESTIVAL

On a lovely Sunday afternoon in November 49 3/4 sets gathered for the 13th Mini-Festival in Bridgewater, NJ. Chairman John & Mary Aquino want to thank the Executive Board & especially Jim & Joyce Kelly, for all their support, the registrars Frank & Betty Olier & staff for their fine job. & Joe Passaro for all his help in setting up the gym & cafeteria - for without the help of all those people it never would have been such a success.

People from 7 states (CT,NJ,NY,MA,OK,PA,TX); 20 member clubs had at least one square sign in; 12 non member clubs were represented; (11 member clubs were not represented); the Swing Thru S/D Shop set up an annex in a corner of the cafeteria; most clubs picked up their bundle of Holiday Issue of GRAND SQUARE for distribution at their club. It was a most festive atmosphere in the cafeteria as various dancers arrived with coolers and in many cases decorations and set up their tables for meal time. Altho we did miss the candelabras of last year! The custodians, who were used to the massive cleanup after a school dance, were absolutely amazed to find the place cleaner after the dancers left than when they arrived.

The plus hall was crowded all day. Several circles of rounds were needed for the rounds cued by Ron/Ree Rumble. Tom Miller & Dee Dee Dougherty joined Dick Pasvolsky during the day to call in the Mainstream hall. It was a day, all who were there, will remember with pleasure. We all thank the Chairman John & Mary Aquino for all their work in making the 13th one of the best Mini's ever!!! (NOTE: How do you plan to top this for the 14th???)

Mark your calendars now for the 14th MINI-FESTIVAL - Sun. Nov. 13, '88.

2 & 4 Sundays

Redeemer St. John's Church, 939 83rd St.

We have high hopes for our lively, enthusiastic class and would like to introduce them to the real world of square dancing as soon as they complete the basics. In order to do this, our Sunday dances will be Mainstream. We invite students from other clubs to join us if they have reached this level. This will also be a good opportunity for any June '87 graduates who may feel that they could use some Mainstream reinforcement. The dances will be Mainstream, with a Plus Tip at the end. This is also an invitation to the Angels in other clubs to come with their students. We feel this will help the students develop confidence, in what is a relatively new experience for them. Our Verrazano Bridge rebate policy is still in effect. We will pay the bridge toll to four or more dancers coming in one car. Please join us. We look forward to dancing with you.

BELLES & BEAUX -- Glen Rock, NJ (MS)
 1, 3 & 5 Wednesdays Glen Rock H.S., Hannistown Rd.
Coleman School, 100 Pinelynn Rd.

We busily danced away the Fall and into Winter with a highly successful Chinese Auction run by Bob & Lynn Terry; another raid, this one at See-Saw Squares; many of our members participated in the NNJSDA Minifestival, and coming up the annual New Year's Eve dance, with Herb and Doris Nuber in charge, and Wayne Applegate calling in 1988.

A super Mystery Bus raid is being planned for later on this Spring. Our lips are sealed except to say we have been assured that everyone will enjoy the trip and the dance. Our dancing by definition workshops at each club dance are paying dividends and we hope more of our neighboring clubs will join us.

We get good vibes about the current class from the angels and the class coordinators and look forward to having them aboard. B&B will again sponsor a series of class level dances during Jan., Feb., & March-please see our ad for dates, time, place and callers.

A large and generous "Yellow Rock" to all the callers who helped our while our regular club caller, Paul Brody, was under the weather.

CIRCLE EIGHTS -- Hannington Park, NJ (MS)
 4th Friday Community Ch., Hanniot Av.

At our last dance, our caller Bill Heyman, presented Past King & Queen badges to Hank and Edith Kolb. He stated that in the history of square dancing never before was there a monarchy. Circle Eights has another -- "first". Our president, Fred Zuentdt, announced that we will not have a December dance as our dance would fall on Christmas Day. It was also evident to all who attended the November dance that the International theme of this year's dances also extends to the gourmet snack and refreshments being served. Much imagination is being put into the desserts that are being made-not to mention researching ethnic cookbooks. Don't forget, we will not be sponsoring a dance in December. See you in January.

COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays *Herbert Hoover Middle Sch, Jackson Av.*

One thing a reporter to this magazine learns...is to write something timely and this is not as easy as it sounds. We are just savoring the recent memory of two great dancing events: the Country Promenaders' thirty-fifth anniversary dance that was by all standards very enjoyable and our new annual covered dish dinner at the Mini-fest. Our thirty-fifth anniversary dance was given one tremendous boost by four raiding clubs; Valley Sq's, Merry Eights, Hix & Chix and Crosstrails. We had a sad postscript to that dance. Many former members traveled to rejoin us for the celebration and among them were Edmund and Dorothea Quisma of NC, who were active in the club five years ago before moving South. Shortly after returning to NC, they both lost their lives in a motor vehicle accident near their home. Life certainly takes some strange turns. Returning to happier things, we need to turn our thinking ahead to the N.J. State Convention and our Spring dance schedule. A quick check of our caller lineup for the coming months shows a great mix of talented people. Ellen Fury has caused this reporter some embarrassment. Extra practice was needed on the step-hop routine, now my fellow workers are looking at me strangely. Try explaining that step in a three-piece suit. I will close by recommending the best cure for Cabin Fever and the Winter Blues...come PROMENADE IN OUR COUNTRY.

COVERED BRIDGE SQUARES -- Nutley, NJ (+)

2 & 4 Fridays *Radcliffe School, Bloomfield Av.*

Until the week of Thanksgiving, 18 of 20 students in our class have had perfect attendance. They are very enthusiastic. Their teacher, Dot Lowenstein, has taught them most of the M/S calls. The speed with which they move around to Dot's singing calls really surprises us. In short, they are really a great class. It is with pride we note that our ex-presidents, Shirley and Dick White, have accepted the position of 3rd V.P. in the NNJ-SDA. We know they will do a good job. They were great as our presidents. We've been told that one of our active members, Nick Raspa, has been cueing for various clubs and is growing in popularity and demand. For the 3rd yr in a row, our Christmas dance will feature "Toys for Tots". Packages with labels marked girl or boy and age of child, will be delivered to the Nutley Family Service, who greatly appreciate these gifts each year. We always welcome guests from other clubs and hope to dance with many in 1988.

2 & 4 Wednesdays

Lincoln School, Crane St.

As we reach the mid-point of our 20th year, the holidays are just pleasant memories and we can look forward to our special events. Our Dinner Dance in March will be held as usual, at the Russian Hall. The Millers & Pruners are planning a few surprises for our 20th year, so the event should be a great one. Also, our 20th Anniversary Special Dance will be at St. Als. Auditorium the end of April. The committee assures me that the word special really means "extra special", so plan to come out & bring friends.

Under Herb Conklin's direction, our class is progressing very well. Their enthusiasm is quite contagious, so come out on Tuesday evenings & get to know our students. Remember - they are future club members and deserve all of your support.

Everyone in Crosstrails wishes Paul Brody, our club caller, a heart felt "Get Well Quick". We all miss you, Paul and hope you return to us as soon as possible. In the meantime, the Egens have lined up an impressive list of guest callers. So plan on joining us in a square. We will be looking 4 U.

1 & 3 Saturdays Connecticut Farms School, Stuyvesant Ave.

Club dancing is back in high gear once more and it's just great to see all of our old friends and to welcome any and all newcomers. In November, we helped celebrate our Caller's birthday - in combination with a 50th wedding anniversary party for Ed and Ruth Johnson. The "Red Shirt Gang" did a square dance skit for everyone at the party, that had us rolling in the aisles. Great fun!

Our Plus Class is in full swing under the fine guidance of Brian Fugere each Tuesday evening at the Conn. Farms School. The dancers are very enthusiastic and anxious to learn all the plus moves. Since our club will be switching back to Plus dancing in January, perhaps some of the new dancers will consider joining us at that time. We'd sure love to have them.

By the time this issue is in print, we will be well into 1988, with our usual fabulous New Year's Eve Dinner/Dance behind us, but the beautiful memories will be lingering on. Happy New Year to every dancer from the Dancing Squares.

F.A.D. SQUARES -- Maywood, NJ (MS)

1 & 3 Sundays American Legion Hall, 113 E. Passaic St.

F.A.D. Squares had a reputation as a "Class" but it is quickly gaining the reputation of a FUN Mainstream Club, where dancers thru the Plus program have a challenging evening. Dot uses "research" and tried: "Heads Veer Left" after hearing another caller do that, and the results were predictable...(some did "Lead Left", some did "Lead Right"). Our third tip is a workshop where we examine a call from various setups, such as FAN THE TOP, which we feel is not called often enough and therefore, the dancers get rusty from disuse.

Early in November, we were visited by Otto Berger and a full square from Circle Eights. For those of you unfamiliar with Otto, he teaches a lovely circle mixer to the music of Street Fair. Many of the non-round dancers have been listening to this song and were envious they had no opportunity to dance to it - now they can! Come out to F.A.D. and learn Street Fair - we now have the record and can teach it to all.

Our attendance averages four to five squares, but there is still room for YOUR club to raid us and we have raids planned to other clubs. Tenafly Sq's dancers came in mid-November, but due to a mixup their banner and pin were not brought-we still hope to see the badge pinned on our banner in future.

By dancing 1st & 3rd Sundays, the winter holidays didn't affect us. And F.A.D. will welcome STUDENTS in mid-March. (We'll alternate tips between MS & Class). Dancers come from many areas to have FUN AT DANCING - won't you join us and judge for yourself? Hope to see you soon.

GARDEN STATE CAMPERS

The 1987 season is over. It was probably the busiest one ever, with 6 weekend campouts, an early bird special in April and a week long Int'l Camporee in July. By the time this goes to press, we will have also completed our raid schedule. Our next get together will be the Dinner

Dance the 1st Sunday in Feb. All members that are eligible and planning to attend should get their reservations in early so the committee can complete their plans. The new officers for the 1988 season will be: Presidents, Walt/Mildred Angerer; VP's, Charlie/Bettylou Vignali; Rec. Secy., Walt/Pat Sickles; Corr. Secy., Carl/Helen Ostertag; Treas., Emil/Margaret Schltheisz. Reservation forms for the Early Bird Special the end of April and the first campout in May will be mailed in late March.

Now it can be told department: When a Nationally known caller found he was going to be in NNJ he called 2 different club contacts regarding bookings. But it seems neither had heard of him!!! Next he called the Aquino household....John, who HAD danced to him at a NSDC, very quickly made arrangements to book KEN BOWER. All are glad he did! He'll be back in the area August 1988.

HI TAW TWIRLERS -- New Milford, NJ (+)

Every Tuesday Middle School, Roslyn Avenue

It seems strange not to have the Shearwoods on rounds after all the years they gave to the club. We had a "Thanks for the Memories" party in November and presented them with a Hi Taw memory book - full of (identified) pictures of all the Hi Taw members, both current and some from the past.

Nick Raspa and Roy Gotta will be cueing the rounds for the remainder of the year, and on the fifth Tuesday of March and May, Doc Tirrell will join us. Occasionally, even Herb Rivkin cues a round. See our schedule for the various callers who will be at Hi Taw. Come and start the new year right by joining us on a Tuesday evening.

It's been four months already since we moved to Hillview School in New Providence and we certainly are pleased with our location. The dances have been exciting and loads of fun - thanks not only to the great calling and cueing, but also thanks to you. So many of you have visited us since Sept. And we have been raided a lot too. It's just been great! You certainly have helped to get us off to a good start. We would like to raid you all back someday soon. We hope you have had as good a time as we because we'd like to see you often at our winter and spring dances. See our schedule in our ad and on flyers and **KEEP COMING!**

As the Autumnal Season with all its memories of color and beauty pass on to oblivion, so do the memories of a busy Hix & Chix Fall Season. Our Plus Level Class students are well into the dynamics of plus dancing under the expert tuition of Dick Pasvolsky. The Crazy Hat Dance in Oct. turned out to be just that-CRAZY. The Hat Industry could never come close to the original designs that were displayed that night by many of the members who come topped with their favorite chapeau. The evening was then rounded out by all those brave men who participated in a combined game of musical chairs/hats and there was much laughter as we watched them not only lose their chairs but their hats also, and luckily not their heads. The Halloween Dance was another fun night. Many of the dancers came out in costume and the rest of those present were scratching their heads trying to guess who was behind these costumes. The Club-sponsored Marshall Flippo Dance in Nov. was a thundering success. It was a complete sellout two weeks before the affair. The McLaughlins "rounded" off the afternoon as cuers and the dancing was never better. The Club wishes to extend its warmest and heartfelt thanks to all those who worked so diligently in putting this dance together as it takes many months of planning and organizing. We also want to thank everyone who baked and brought food for all to enjoy between the tips. This truly is turning out to be one the club's Annual Major Events which everyone looks forward to attending.

HAPPY NEW YEAR to everyone! May you all have a great year filled with good health, happiness and lots of joyful dancing. After a successful, enjoyable dancing season, our Thanksgiving dance had to be called off because of an early snow storm. To foster greater inter-club interaction, our Raid Chairpersons, Stephen/Morgan Forman, are planning more raids than ever before. We look forward to the participation of all our club dancers in these raids. Thank you all for helping make the Staten Square Set raid so successful. In return we encourage other clubs to come and dance with us as we weave, do-si-do and twirl to such outstanding callers as Wes Morris, Al Kaesler, Ray Lehberger, Wayne Applegate, and of course our own Brian Fugere, in these coming months. Please note that only our last Feb. and both March dances will be held at a location to be announced later. Our "R.I.O.S" class is progressing very nicely. Experienced dancers are urged to "angel" to help engender confidence, enthusiasm and the joy that is square dancing. The students are exploring, venturing out into an essentially new world. "Angels" can help them realize how rich and fulfilling an option square dancing can be as it creates a sensate awareness of freedom and joy. And smile, smile, smile to help create the relaxed, pleasant atmosphere that is S/D. We at Isle Squares extend our deepest condolences to the Merring family on the untimely death of Eileen, devoted wife and mother, and member of the Staten Square Set. We all lost a very dear friend. She will be missed by everyone.

Presbyterian Church, 367 94th Street

The Mini-Festival in Nov. provided Kings Square Members with the opportunity to further hone their skills and meet many new friends from NJ and surrounding areas. Nine couples participated in this event and had a wonderful afternoon. Our Apple Festival and Thanksgiving dances with Dick Pasvolsky and Brian Fugere calling were lots of fun and well attended by many of our new dancers and visitors from SI and around the country. Also, we were pleased to welcome back to the fold, Morris/Grace Schneider, Sy/Irene Brooks and Max/Connie Isaacs. But where are our experienced dancers who used to participate in our activities and helped spark some excitement into our dances with their expertise and talent? They have gone on to Challenge and Advanced dancing never to return. Aaron/Micky Weiss, former officers of Kings Squares, are now in China teaching English and Accounting. We hope they will include square dancing in their curriculum.

 1 & 3 Wednesdays Long Pond School, Limecrest Road

HAPPY NEW YEAR TO ALL! Happy are we that Ted Knauss is well on the road to recovery; but until he is ready for full-time calling, Larry Davenport will provide us with enjoyable dancing. Another reason for joy is that Pat Massey is recuperating from her second surgery and we are looking forward to seeing her back on the dance floor. At our Anniversary Dance in Oct., we welcomed 7 past president: Armstrongs; DeVores, up from Georgia; Judy Evans, lifetime member; Hills; Hulls; and Moraleses. Half-time entertainment was a novel fashion show-real popcorn on a knit sweater which had balloon sleeves and I mean the kind that takes huffing and puffing, and other imaginative outfits-presented by Becky Rowe. In Nov., we were raided by the Garden State S.D. Campers in honor of Don/Becky Rowe, officers of the campers, and John/Joanne Morales, northeastern reps of the National Campers. Kittatinny raided Yellow Rockers of Bethlehem, PA in Nov. Then in Dec., we did a demo and had audience participation at the Blairstown Senior Citizens' Christmas Party. Our Dec. dance honored our round dance cuers, Al/Gail Spinks; and the Christmas Dance was open to students who were admitted free. The night before the Christmas Dance, we raided Lakeland Squares.

Mountain Lakes Comm. Ch., Briarcliff Rd.

HAPPY NEW YEAR to all! Hope everyone had a fantastic holiday season and are ready for a great new year of dancing. Lakeland certainly enjoyed the fall and Holiday season. Many Lakelanders danced the day away at the Mini-Fest in Nov. and all are looking forward to the State Convention in March. Our Thanksgiving tradition continued this year as we gathered the Tues. before Thanksgiving for a delicious Pic Night. Friends, food, and fun were all among our reasons to be thankful. Dec. rolled around with brisk weather but plenty of holiday cheer as that jolly old elf Santa Claus joined Lakeland to ring in the holidays with style. Later that week we welcomed our class to their first class level dance. It was great to see so many of our new dancers (and more seasoned ones as well) enjoying their new found hobby. WE all look forward to dancing with you again at the Jan. Class level dance as well as next spring when you graduate. Caller Council look out! Lakeland ended the year with an amateur callers night and from what we all heard, it looks like we have some great new talents on the horizon. Thanks to all who showed up to call for us and especially to Herb Conklin for acting as emcee and making all our guest callers feel welcome. We really enjoyed it. It's fantastic to see so many visitors from all the different clubs in the Association. We hope you keep on visiting. Join us every Tues. night for a good time dancing MS with Plus workshops from 8-8:30 every Tues. Recent grads as well as long time dancers are always welcome, so relax now that the Holiday rush is over and keep warm by joining us for good time like the upcoming Class Level Dance and our Valentine Special.

1 & 3 Saturdays

J.M. Hill School

Our fall dance season started with a large turnout for the Ice Cream Social, which was a sweet success. Raids by the Warren Wheelers and Flutterwheels added lots of fun and friendship to our evening. We also enjoyed our Foliage and Surprise dances, with Dan Bloom and Dalt Young cueing and calling some special dances, such as the "Virginia Reel" and "Swing the Nine Pin." For our Thanksgiving Dance, club members brought in canned goods to be presented to the Salvation Army for distribution. We are delighted that we have 19 enthusiastic new students who are dancing exceptionally well under Dalt's watchful eye. Our thanks to him and class co-ordinators George/Barbara Muth who are doing an excellent job. Our St. Patrick's Dance in Mar. has been cancelled so that club members can attend the second NJ Square and Round Dance Convention at Trenton State College. We are looking forward to our class level dance in April. All students are invited. Come join us.

As this report is being written, the Holidays are fast approaching and by the time it is read will be, we pray, happy memories. One of our happy memories is that of our annual Turkey Swamp dance. It was a fine affair to the credit of Bernie/Bobbie Garfinkel and group. Our raiders are again on the prowl. It is fun to gather and visit as a group and we intend to do more of it. Hank/Amy Potts report the Class is doing well as one might expect they would with Wayne Applegate as their instructor. While on the subject of instructing, let me remind all that Peg/Joe Dockry are teaching the rounds every Thursday in addition to dancing the intermediates. We would be pleased to have you join us for the rounds every Thursday, or for the squares and the rounds at our regular dance location 1st & 3rd Saturdays.

One Picture is Worth 10,000 Words.....

Leave it to a new dancer to see a need in our activity. Unable to buy a S/D Instructional Tape to study in preparation for classes, the Neibarts conceived the idea of S/D Videos. Research indicated such an idea would be welcome. Working in conjunction with Betsy Gotta, a member of CALLERLAB Board of Governors, they developed a scripts including many closeups of hand holds, etc. and overheads to show overall movement. Seven couples from six different clubs assisted with the taping. They were most fortunate in securing the services of Centennial Studios with its professional staff & being able to edit the tape at its sister studio. They are rightfully proud of their creation and are now letting the rest of the S/D world know thru their advertising (pg. 6). Too late for a Christmas present, but excellent for your Valentine. Yes, they are now working on a Plus Tape.

During Oct., we helped the Y Squares celebrate Halloween when we raided them during their Halloween dance. The next evening we traveled to Edison to celebrate with the Country Promenaders on their 35th Anniversary. Since there were enough of us present, we raided them. Once again we participated in a collection at Thanksgiving to help provide food for needy families in the area. Our Toys for Tots dance gave members the opportunity for the third year to share in the Holiday celebration by donating toys to be distributed by the U.S. Marine Reserves to needy children. Our plans to celebrate New Year's Eve with a Colonial Ball are well under way and ticket sales are going well. Ladies are being encouraged to wear long skirts for the occasion. Happy Holidays to all.

It is common knowledge that every year ought to begin on the right foot; Mountain Squares is just the place for vitalizing placement of both right and left. It's important to be with the right people to lead you in the right direction. Joe Landi would never lead you astray. At any time it's uplifting to be with people who share interests, encouragement, and fun. Mountain Squares offers the nicest folks around. Ocean Wavers, at this writing, are coming back to health for the Holidays. Our longest member on the sick list is our President, Bart Codd. With the help of his family and the prayers and well wishes of his friends, he is winning his war on leukemia. Meanwhile, Vice President Dorothea Fago is winning her own battle covering for Bart. Our October dance with Joe Landi calling was raided by 7 squares--2 from Isles and 5 from Richmond Dancers. We loved having you all. this is the only MS club on SI and the new graduates can relax and have fun at our dances. We also have plus tips and rounds, so the more experienced dancers won't get bored. We apologize to Bill Anderson for not knowing very far in advance that the hall would not be available for our dance on Nov. 6th. It was billed as our "No, No, November" dance and it turned out to be too true.

Our Halloween party was a huge success with well over half of the dancers arriving in costume. We had a witch, a doctor & nurse, a gorilla, a prisoner, a cowgirl & cowboy, a belly dancer, Dracula, Jim & Tammy Baker, a hobo, 2 pillowcase people, a fifties couple, a harem girl, a sheik, a pumpkin, a 20's flapper and dapper dan, a kitty cat and many more. Prizes were given for the best costume and the best decorated pumpkin. All dancers coming to the dance in costume were eligible to receive a jack-o-lantern dangle. A good time was had by all! The following Wed. was our amateur night and ice cream social. What fun we had that evening! Several dancers tried their hand at calling and cueing. As one of those, let me tell you, the secret is timing, ha! However, the dancers were patient with us and danced as best they could. Our own Gary Potts did a great job calling, as did Winnie Nash at cueing. Nice job everyone. A special thank you to both John Carlton, our club caller, and John Toll, our cuer for Wed. nights for letting us use their equipment for the evening plus being on hand to encourage us. Also, an extra special thank you goes out to both Charlie/Gloria Brown for their delicious homemade ice cream, umm, umm good! In addition, many of the members brought other goodies to munch on which made it a very fattening but great evening. We are looking forward to the Holiday Season when 13 couples (so far) are planning to attend the New Year's Eve dance with the "Mason Dixon Line" in Havre de Grace, MD. Come out and join us.

All students will also be invited to our annual covered dish as well in June. 1987 has been a good year for the Reelers and we wish everyone a happy dance filled 1988.

With Thanksgiving, Christmas and the New Year Holidays behind us, we want to thank the callers and cuers for their efforts in making our dances successful. We are especially grateful to the many members of outside clubs that have attended our dances and to our own members for their support and dedication. We are especially pleased with our new members who have attended most of our dances and, in addition, give every evidence of wanting to get "involved." The Merklers are getting their home back together after that dreadful fire. Our love and prayers go out to Bart Codd and hopefully, it will not be too long before he will again be "squaring up." We hope that the support we had in 1987 will continue into 1988. We promise you good dancing and good company. A HEALTHY AND HAPPY NEW YEAR TO ALL.

SEE SAW SQUARES -- Upper Saddle River, NJ (1+; 3 MS)

1 & 3 Saturdays Old Stone Ch. Ed. Ctr., E. Saddle River Rd.

By the time you read this, 1987 will be a happy memory. The highlight of our fall season was Nostalgia Night--our tribute to Jules/Martha Pozsar. For those new to our activity, Jules is the "Father of Square Dancing" for See Saw Squares and was our club caller for many years. He was also club caller for Covered Bridge Squares, who chose the occasion for a Raid in his honor. What a great evening! Our thanks also to Belles & Beaux, Tenafly Squares and Circle 8's for their Raids. Before we swing through to 1988, we'd like to thank all our visitors in 1987--we enjoyed dancing with you and appreciate your support. Coming up in Feb. will be our annual Sweetheart Swing and Chinese Auction. Don't miss the chance to come to a dance empty-handed and leave, loaded with valuables! In March, Ray Lehberger will lead us in our Shamrock Shuffle. Why not have a Sat. night fling? As Mikey would say, "Try us, you'll like us!"

SOMERSET HILLS SQUARES -- Bernardsville, NJ

2 & 4 Saturdays

Bedwell School, Seeney Drive

A healthy and happy 1988 to everyone. Now that all the holidays are over, and what a busy time for everyone, it's now back to concentrating on enthusiastic members supporting their clubs, callers and cuers for the new year. Our students are doing very well and moving right along. We have 31 students and they are looking forward to the day when they will be "Plus" dancers and become a part of our club. The plans for our 25th Anniversary Dance in Feb. are shaping together nicely and we are going to extend an invitation to our students to be participants in this happy occasion, thus making them feel a part of our Somerset Hills club. Check with our ad for the time, place and date. It was a pleasure for some of our members to raid Hill City Squares and Dancing Squares last year and we will continue with the same for this year. What a better way to visit other clubs and become a part of their evening festivities, plus making new friends and resuming old friendships. Some of us are getting excited about the 2nd NJ State Square and Round Dance Convention and have already signed up. If you attended last year I need not say anymore but for those of who didn't, do so. You will have one of the most enjoyable days of dancing ever. Plan to attend--it's great, and keep dancing.

Every Monday

A.P. Terhune School, 40 Cyanamid Drive

We are well into our season, and doing well, though we would welcome more guests. For those of you who got lost, our address is on the Hamburg Turnpike, but our school is actually on Cyanamid Drive, which is off the Turnpike (don't ask us why). Our Christmas class dance went over well with our usual cash collection for the VFW Christmas Fund, and we have a number of class level dances coming up. These will be held the 1st Mondays in Feb., Mar., and April. Graduation will be in May with all graduates free. For the first time in the history of the club, and the last time in this century, we will hold a dance on Leap Year Day. To celebrate the occasion, we will have a Sadie Hawkins dance (MS with Bill Heyman). For once, our single gals will be assured of a partner, but we can't guarantee that our married ones will retain theirs. This will not only be the first and last Leap Year dance for our club in this century but may^{be} the last for many of our older members. Don't miss it. We will be advocates of green power in the coming months, when we give out green carnations at one dance and give out green (we hope) plants at another. See our ad for dates.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays St. Albans Epis. Church, 76 St. Albans Pl.

We at Staten Square Set are saddened by the loss of two good friends, Joe Reilly and Eileen Merring. They will be missed and long remembered for the happy times we shared. Our 39th Anniversary Celebration was a combined effort by a committee of ten past presidents and our current presidents. No wonder it was a fun dance--add to it, the talents of Mike Foley and Joan Newman; a raid by Isle Squares; many visitors from numerous other clubs; the delicious refreshments of club members, all that topped by the announcement of the 1987 Lucarini Award winners, Jim & Ruth Grant of Country Promenaders. With their record of service and devotion to the promotion of square dancing, Jim and Ruth are truly most deserving recipients of this coveted award. Due to a previous commitment, the Grants were unable to be with us, however, plans are in the making for a presentation at a future date. We salute you, and wish you, Jim & Ruth, continued success and enjoyment. As our 39th year ended, it was ironic that Mike Foley stated that this evening of calling would be his last for a while. Due to health problems, he plans a respite from further calling dates. Our wish for you, Mike, is that you will get well and that sometime soon, you will be back "ON THE MIKE," in the meantime, all your friends will be "ROOTIN" for you. (It was great having Betsy, Michael Jr. & Christopher at the dance also). A great big "THANK YOU" to all who shared with us another evening of "FUN AND FRIENDSHIP" (our club motto at SSS).

The Anniversary Committee for our 20th Anniversary celebration met last month and the plans look great for a gala event. Look for more news later. We have been dancing at the St. Mary's Episcopal Church in Sparta on some occasions. Be sure to check our ad for any change of location. We expect our New Year's Eve Party to be as great as last years. It will be held at the Newton Methodist Church. We welcome our new members Michael DiFilleppo and Royann and Fred Blakely. Our classes are underway and they are doing an excellent job. We had two raids in Dec. - one to Garden State and one to Ironia Reelers. The Halloween Dance had a few special surprizes. The winners of the costume contest were Harriet Tulp, Al/Ann Johnson, and Bill/Suzanne Woodbury. Remember to wear only Soft Sole Shoes to our dances. See you soon.

In Oct., it was good to have our old club-caller, Bob Mitchell, back with us. A fashion show was featured at our Nov. dance, with Dick Pasvolsky putting the dancers through their paces. In Dec., with Paul Brody calling, we were entertained by the Colonial Cloggers. And now it's "Happy New Year." My, how the months go by! Our proteges, the students of New Milford Tenderfeet, are really making great progress. They danced with us in Dec., and are looking forward to their own club-level dances: Jan. with Barry Serebnick; Feb. with John Kaltenthaler and March with Bill Heyman. If you haven't danced with us recently, we miss you. There are still a few more dances left before our June special (watch for the flyers later) at the Alpine Boat Basin. Why don't you c'mon over to our regular hall and enjoy the mainstream callers that we feature? Hope to see you soon.

TENAKILL TWIRLERS -- Cresskill, NJ

(MS)

3rd Friday

Bryan School, Brookside Avenue

Our Nov. dance was raided by Hix & Chix - 3 squares strong. Their bright red & white outfits and warm smiles put every one in a holiday mood. The baskets of goodies for a needy family in town overflowed. Our sincere thanks to all who contributed. Art/Helen Rellinger received a standing ovation in recognition of their leadership of Happy Squares. This group visits and dances for shut-ins in nursing homes and hospitals. Art/Helen have personally led the dancing and Peg Tirrell has called on more than 200 occasions. We welcomed several new members this fall with Doris Wilson, Joe Jaeger, George Meyer, Ed/Catherine Barrett all earning their Happy Squares badges for at least 6 visits. Always room for more. Tenakill Twirlers welcome mat is always out for new and old dancers every third Friday.

1 & 3 Thursdays

Bayberry School, Bayberry Lane

Our Club was saddened at the death of our fellow dancer, Al Barnet, in November and we all extend our sympathies to Marge and her family. The holidays were merry and we danced our way through, laughing all the way! We hope yours were the same, and that the New Year brings all good things to you and yours. Why not make a New Year's resolution to come and dance with Valley Squares? Our students are becoming very accomplished and have had some opportunities to dance with students from other clubs. We hope that these fun evenings will encourage them, and that our "angel-ing" will pass along our enthusiasm and enjoyment of our activity. We're looking forward to our Hawaiian night with Ralph Stapenell and the other special dances we have planned for the winter months to chase the blahs, and to keep the bodies and spirits warm indoors while the frigid winds may swirl outdoors. Let's all work together to make the dancing great in '88.

WARREN WHEELERS -- Port Murray, NJ

(MS)

1 & 3 Thursdays

Mansfield School, Route 57

Although Warren Wheelers' attendance has been down due to the loss of members to retirement and moves to the South, the remaining 3 to 4 squares enjoyed the calling of Dick Pasvolsky, Brian Fugere, and Bob Robinson this Fall. Jack McLaughlin's cueing of rounds and Lois Bichler's teaching of line dances, have added to the enjoyment. Our class of 6½ couples is progressing at a rapid pace and will join us at our Christmas dance. Last years graduating class continues to dance often at many NNJSDA clubs. Our one raid to Leisure Squares was made by 3½ squares, a record attendance for Warren Wheelers.

This news letter is being written the day after Thanksgiving, with turkey leftovers dancing in my head and visions of Christmas and New Year's Eve dances in my future. Since you will be reading this sometime after the New Year, I hope you have had a Happy Holiday Season. Our Halloween and Thanksgiving dances were great successes. Many dancers had the halloween spirit and came in clever costumes. We gave awards for the best. We had four winners in our Turkey Shoot - the Tunicks, the Ockers, the Magens, and Ted Knauss, our caller. Each went home with a frozen turkey - no live ones this year. I'm sure the second half of the year will be just as much fun as the first half. See our ad for upcoming events and join us every 2nd and 4th Saturday night.

2 & 4 Fridays

Carl Kumpf School, Mildred Terrace

Hard to believe that as we go to press the New Year is right around the corner. Time flies when you're having fun and that's the password at Y Squares - FUN. Our theme dances have been unusual. If you attended our Friday the 13th dance you know what I mean. How about those black cats, ladder and good luck charms. For the holidays, we presented Clark Welfare with two food baskets. A joyous way to celebrate the holidays. Even though our Giants and Jets didn't quite make it, we will celebrate the Superbowl with a super dance. We have been raiding, and in turn clubs have visited Y Squares. We are always happy to see our friends from other clubs. On cold winter nights, a full floor keeps everyone warmed up. So come in out of the cold and enjoy a night of fun, good eats, good dancing and friendship.

NECK TIE

Hi! How were your holidays? I hope you danced a lot at all those special square dance parties. As promised, here are instructions for one style of tie that can be made to match the sash I gave directions for in the last issue.

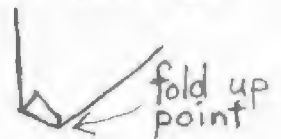

To rehash a little, you started with 1 yard of 45" wide fabric and, cutting from selvage to selvage, you cut (3) 10" strips 45" wide for the sash and you had a 6" strip 45" wide left for the tie.

Fold in half and, at selvage edges, cut both ends together on a diagonal, according to the sketch. Starting at the shorter long edge (A) roll edge to the wrong side and stitch (a sort of handkerchief edge).

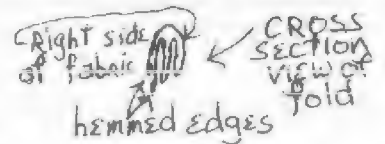

When you are a few inches from the first corner, stop, and pre-roll the edge of the diagonal cut, then continue folding under the edge you are stitching on, and continue sewing so that turning the corner flows easily.

At the sharp point, follow the same technique but first, fold in the point on a diagonal so that no raw edge threads will stick out after the rolling and stitching.

Finish stitching around all sides and press.

Fold in half again with long points together and use a straight pin to mark the center on the shorter long side. On the same side use pins to mark 6" out from both sides of center. Keep right side of fabric facing you.

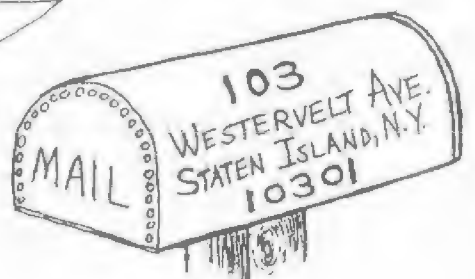

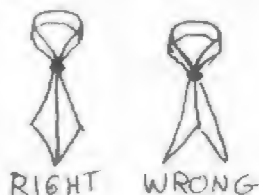

Now for the tricky part, the folding. This is an accordion fold with the last fold (of the longest long side) going over the back. The first fold is about 1" wide, and each successive fold is a little smaller, with the last fold over the back just meeting the inside edge of the rolled hem. Now slide the pins out where they are and re-pin the folds together in the same place. Stitch longways down the center of the folds between end pins making sure you catch the back folded edge.

That's it for the sewing. now make sure it is worn properly.

Teens, singles welcome

The ROUNDALAB Phasing System may not be 100% perfect but it is an excellent guideline by which Round Dance leaders and dancers can operate. In the past, the term "intermediate" meant something different for each section of the country. "Intermediate" in the Eastern states did not include the same level dances as "Intermediate" in the Western states.

Today as a result of the continued efforts of ROUNDALAB, the International Association of Round Dance Teachers, Inc., Phase III means Phase III wherever there are round dancers. The past two National S/D Conventions in IN & TX have used Phasing to determine the levels of teaches and of party dancing in various halls. The system really worked. The Canadian National S & R/D Convention in Calgary also used the ROUNDALAB Phasing System. Last August in Seattle, the Universal R/D Council used phasing for determining new choreography for teaches. A growing number of choreographers & record producers are utilizing Phasing to identify their dances.

ROUNDALAB encourages all to become knowledgeable with the system.....to help ROUNDALAB to make any changes that are necessary so that dancing levels can become uniform everywhere. After all, the comfort and pleasure of the ROUND DANCERS are the most important points of our activity.

A pamphlet explaining the system and listing the rhythms & figures that have been phased by ROUNDALAB is available from the Home Office 3 Churchill Road, Cresskill, NJ 07626-1698. The price is \$1.00. Additional figures will be phased at the next ROUNDALAB Convention which will be held in Anaheim, CA June 1988.

FREE DANCER NOTES FOLDERS

Conceived by Gordon Goss, publisher of the National S/D DIRECTORY, endorsed by LEGACY, produced by both the DIRECTORY & AMERICAN SQUARE-

DANCE Magazine, these two fold colorful handouts are gaining widespread approval thruout the S/D activity. The best part they are FREE.

These folders are not primarily designed for recruitment (use the NNJSDA "What is Modern Western S/D?" folders) but rather for interpretation and retention of NEW DANCERS as they progress in the classes. The folder is trying to explain in a few words what square dancing today is all about. Reference is made to some of the major organizations, such as CALLERLAB, ROUNDALAB, LEGACY. Other topics mentioned briefly are Heritage, Etiquette, Apparel, Visitations, Publications, Festivals and Glossary. Naturally there is included information by the two producers who are underwriting this production. We urge all class coordinators to write either AMERICAN SQUARE DANCE PO Box 488, Huron, OH 44839 or the DIRECTORY PO Box 54055, Jackson, MS 39208 for enough to distribute to every class member.....and maybe even enough for the club. They are most informative for the dancer.

Square Dance
Foundation of
New England

The S/D Foundation of New England searched a long time before finding their permanent home. When Kramers Hayloft became available, its history and buildings were ideally suited for their near and long range plans. Here was an opportunity to fulfill Charlie Baldwin's (former editor NORTHEAST S/D Magazine) dream to have a location

to house New England's dance memorabilia and history. In November 1982 the membership voted unanimously to purchase Kramers Hayloft in South Weymouth, MA. The potential development of this property as a center for all New England dancers presented a very meaningful way of continuing to promote, perpetuate and preserve a great Folk Dance Heritage.

The halls and premises are rented to local S/D clubs and as function halls to the local community. The Foundation is continuing it's efforts in fund raising to further enhance the properties as a historical site. Plan are to improve the properties and to renovate the concrete building which will house their significant collection of books, publications, music & memorabilia. For further info on property operations, availability of hall rentals, dance schedules, library/museum or the goals/purposes of this this non-profit organization write Square Dance Foundation of New England 455 Union Street, South Weymouth, MA 02190 or contact the Tirrells. Membership in the Foundation is open to all interested parties who believe in the value of preserving our dance heritage.

YOU LIGHT UP MY LIFE -- KIDS FOR KIDS -- A DANCE FOR A DANCE

For the past 4 years the Monmouth County 4-Hers have put on a 24-hour dance marathon to raise funds for a formal Prom - NOT FOR THEMSELVES - but rather for retarded students in the area. Thanks to the efforts of the 4-Hers, the most spectacular evening of the year for these retarded students is presented with the cooperation of local merchants, schools, the hotel where the Prom is held, and especially the kind folks who sponsor the 4-Hers. Sponsors contribute money for every hour danced. The money raised provides the hall, tuxedos for the boys, prom gowns for the girls, boutonnieres/corsages, decorations, favors, etc. just like any other high school prom. 20 'host' couples from the dancers are selected from among those raising funds - and believe it - the dedication is complete and the competition fierce! Kids doing something special for other kids. What a super way to create lasting memories for some very exceptional friends!

"WILBUR SURE LIKES TO SWING."

Have you written your Congressman to be a Co-Sponsor of HR 2067, the Bill to have the Square Dance permanently designated the American Folk Dance of the USA.???

Generally members of Congress will respond only to the residents of their Congressional Districts. They do want to learn how their constituents feel about Public policy issues. They will usually respond to carefully written & concerned letters. Keep your letter reasonably brief & limited to a single issue—the bill to designate the S/D permanently our American folk dance. Please state the topic in the first paragraph. Make sure you refer to the title of the Bill & the number. Explain your reasons & do not use a "form" type letter. Mention your Club name, number of dancers, your club's involvement in local activities, etc. If you need help in composing such a letter contact Frank/Helen Cavanaugh 113 Stony Road, Edison, NJ 08817. They have been working diligently to secure co-sponsors from this area (NJ,NY,PA). Chairing this nationwide campaign is former NNJSDA presidents Nan/Frank Habersberger (PO Box 840556, Pembroke Pines, FL 33084) who when they RETIRED to FL thought they were going to take life easy!!! SQUARE DANCE COUNCIL of NEW JERSEY

The Square Dance Council of New Jersey (SDCNJ) is presently composed of and supported by delegates from 7 organizations whose membership is primarily based in NJ - Callers Council of NJ, Dance Leaders of Delaware Valley, Central NJSD Association, NNJRDL, NNJSDA, Penn-Jersey District of Federation of Delaware Valley Square & R/D and Delaware Valley RD teachers Association. Most dancers think of the SDCNJ in connection with the first NJ Square & Round Dance Convention held in March at Trenton State College in Ewing Township,

NJ. But bi-annually it publishes a statewide calendar of S/D related events and a roster of callers, cuers, etc. Current endeavors are the creation of flyers and publicity promoting S/D statewide and educational programs to further the growth and enjoyment of our activity.

Bi-annual meetings are held in February & October. While delegates are the only one who may vote, any interested persons are welcome to attend Council meetings. Their next one is Saturday, Feb. 20, 1988 at 2 PM in Room 201A at Trenton State College. Student Center.

Elected Chairman at their annual meeting last October were Doc/Peg Tirrell from the NNJRDL; VP's Don/Pat Stephens from CNJSDA, Secretary Burris/Meryl Plummer from P-J district, with Gary Potts of Sykesville, NJ continuing on as Treasurer.

AS I SEE IT

BOB OSGOOD - LOS ANGELES, CALIFORNIA

Have you noticed how our lives often seem to revolve around big events? For the pro football enthusiasts it's the Super Bowl; for baseballers -the World Series. Virtually every major sport has its colossus, be it golf, basketball, bowling, or yatching. Whatever the activity a season's play usually funnels into one BIG EVENT. With a few major differences, this also has become the tradition among square dancers.

Our National S/D Convention was a natural descendant of the early club "round ups" and festivals. At the height of the boom period in the late 1940's early 1950's, the concept for a National was dreamed up by several dancer & caller leaders in the Redlands area of Southern CA...who in 1952 joined together to produce the first National S/D Convention (NSDC). By today's standards, the fewer than 3,000 who attended this initial venture would seem small, but back 35 years ago it was a master achievement.

The NSDC has come to be known as the "showplace" of square dancing. More than another festival, it is truly a convention in every sense of the word where those attending meet and dance with their counterparts from all parts of the world. They can participate in panel discussions and workshops conducted by callers, teachers, & leaders whom they would have met in no other way.

One of the prime achievements of the NSDC is to provide visitors an opportunity to enjoy not only the local hospitality, but to become aware of some of the area history and background. In Detroit participants were invited to visit a submarine tied alongside the convention hall, in San Diego to dance on an aircraft carrier; in Seattle to dance on the football field where more than 18,000 dancers earned themselves a spot in the Guinness Book of Records. In Denver they presented a pageant tracing the history of S/D honoring the late Dr. Lloyd "Pappy" Shaw, In Anaheim in '76 they gave a similar pageant exhibiting the Mexican influence on our western S/D.

If you have never attended a NSDC before, or even if you have, you'll find that by sharing this experience with thousands of others coming from all parts of this S/D world, you'll gain a feeling hard to duplicate in any other way. It isn't too late to plan. Registration forms may be secured by writing 37th NSDC, PO Box 8549, Anaheim, CA 92802 or contacting the Editors of GRAND SQUARE. Dates for Anaheim June 23, 24, 25, 1988; for Oklahoma City,OK June 22, 23, 24, 1989; for Memphis, TN June 28, 29, 30, 1990 & Salt Lake City June 27, 28, 29, 1991.

LUST

L U S T -- NNJSDA STYLE

LUST Chairman Ken/Helena Robinson have sown the seeds for NNJSDA's biennial Leadership Seminar to be harvested at Rutgers Sunday, September 25, 1988. Several new varieties have been planted...as well as long time favorites. All area dancers who have an interest in the hows, whys, & wherefores of our recreation are urged to save the day and attend.

There will be numerous panels, and sessions dealing with a variety of topics related to our activity. If you are asked to serve on your club's Executive Board, don't panic. Come to LUST, LUST will help give you an insight into how a club operates. Here will be an opportunity to share your experiences and learn from others. Watch for flyers with more details.

In October the Northern NJRD Leaders Council held an afternoon 3 hour seminar with the Smarrelli's of MD. Afterwards all adjourned to Jean Kellogg's for a light supper & the usual Council meeting. All 5 new members of the NNJSDA attended both of meetings.

ROUND DANCE HIGHLIGHTS

Did you know the Northern New Jersey Round Dance Leaders Council was formulated in 1965 to provide a coordinated R/D program in the area served by the NNJSDA? In fact, the NNJSDA provided the moderators for the first few years of meetings while the organization was in its formulative stages. Membership is open to all interested area R/D leaders with meetings held quarterly - usually first Sundays in August, October, January & October... and in various locations.

They have 3 classifications of membership. ACTIVE members regularly teach/cue rounds & must attend at least half of the RDLC meetings & participate in a Council sponsored function. ASSOCIATE Members regularly or non-regularly teach/cue rounds and attend at least 1 Council meeting during a year (Sept thru July). Neither of the above pays dues (as we learned they pay in SERVICE!). CORRESPONDENT Members wish to be informed of the Council activities & ROM selections and do pay minimal dues. A roster of members is available from their Treasurer.

Their moderator (Dave Roberts '87-8) & Secretary (Peg/Ted Tristram '87-8) are selected on an annual rotation basis, except the Treasurer who, for consistency, seems to remain the same. To encourage new members and leaders a teacher training program is available on a one to one basis; also a scholarship program. They are a hard-working, very dedicated, under paid, group of people and we are proud to serve as the NNJSDA Liaison.

The 2 Sunday groups are finally back on a sort of normal schedule - 1/3 working on Phase II & III Classics & 2/3 on Phase IV & V classics. While these are Classic nites, we do workshop a number of the figures.

It's getting to be a tradition those with birthdays/anniversaries celebrate by bringing a culinary treat Monday nites! What a lot of celebrating we did this fall!!! No wonder we can't lose weight while we dance!

The Tuesday nite group voted to workshop Paso Doble and have been having fun with Currito de la Cruz. Hope we can master it in time for the Afternoon of Rounds on Valentine's Day!

I am writing this article right before Thanksgiving, and Willie and I are very thankful to be dancing again after Willie's surgery. In Oct., we celebrated our 40th Wedding Anniversary at a surprise party hosted by the Moffatt Muppets at the Monday night class. Sam/Judy Soffler also celebrated their 25th Anniversary in Oct. Then came Nov. with birthdays for John Aquino, Mickey Hohmann and Milt Kinstel. How can we watch our diets when the refreshment table is laden with delicious goodies?!! In Nov. Glen Matthew, Bruce Busch, Hugh Jones and Randy Page kept our minds alert and our feet dancing to their calling and singing at our Sunday evening dances. Four squares from J & M raided Mountain Squares in Nov. and had a great time dancing with Joe Landi at the mike. Thank you, Anna Lou for organizing the raid. The Monday night class is progressing and looking forward to an A-1 dance with Joe Landi here at the VFw Hall in Dec.

A highlight of the fall season was celebrating the birthday of Marge McLaine after a fun dance with Al Kaesler and Ree Rumble. "Donald & Daisy" (actually Dave Comins & Irene Jolly), stole the show at the Halloween dance where Barry Serebnick and Ron Rumble couldn't have been better. Joe Landi, Barry, Roy Gotta and Ellen Fury were hard to beat in Dec. Come dance with us. The club is looking forward to more good dances with Barry, Al Kaesler, Wes Morris, Roy Gotta, Ellen, Al Spinks and Dave Roberts. Enjoy the hardwood floor, the A/C (when it's hot), and the friendly folk. See you at Masqueraders!

SILVER STARS -- Pomona, NY

(MS)

1, 3 & 5 Thursdays

Rockland County Health Ctr., Rt. 45

The Halloween dance was a great success, and was attended by quite a few members of other clubs. Most wore costumes which included clowns, a tiger and safari hunter, a bride, hula dancer, a nun & priest, cowboys & indians, a bum and a construction worker. We even had a couple of real stinkers - skunks that is! Mike Foley provided us with some really fine calling and Les Shearwood honored us with her last (she says) professional cueing engagement. The Silver Stars has a group of dancers that does a lot of traveling together. Some of the trips have included regular club dances in NJ, CT, and NY, as well as camping weekends, the Montreal, NY and NJ Conventions and of course those great S/D weekends at hotels. Our new class is doing well and already we can see that there will be another group of traveling dancers. Our club members are looking forward to going to class dances with our new students. Andy Woerner is a great teacher and has helped us to explore the joys of Square Dancing, and now his wife, Ruth, is enriching our dancing pleasure with Rounds.

It takes lots of planning & people to produce a successful convention.

Putting the winter issue to bed during the Christmas rush is always a challenge. Thanx are due to Shirley Sherlock who came complete with typewriter to help; Kathy Porter who picked up & finished the remaining club news & returned on Saturday for more typing & editing; Donna Anderson for giving up her Sat. not only to help but even brought us all a delicious lunch as well(Bill said he was tired of my sandwiches!); Linda Morrison who spent the weekend here preparing ads. It IS a JOINT effort of MANY. Our R/D Class proof read along with Helen/Art Rellinger & Doc-have you found any they missed? And in February we'll repeat it all again.

G/S BOOSTER TIME is now. Thanks to your support & our dedicated staff this magazine is one of the few to run in the black. We hope to see a sea of red tags at the NNJ Mid-Term Jan. 24 & the Special Jan. 30.

NEXT ISSUE is dedicated to our graduates and features graduation/Open House dates, etc. DEADLINE - Feb. 1, 1988. Call if you are late. Our staff will also be compiling names/addresses of all grads for distribution to Class Coordinators - if you send them to us. Now - back to CHRISTMAS!
