From the desk of NORMAN & AUDREY BOLIN, Presidents NNJSDA

Here it is the end of another Square Dance season. It has been both an honor and pleasure to have served you, the Square Dancer, during this year. From our observation the NNJSDA is fairly healthy. True, the number of experienced dancers has been reduced for various reasons, but from what we have observed, the quality of new graduates will eventually fill their ranks. We need the help of all concerned to make them feel welcome and to continue Square Dancing. Remember we were new graduates at one time.

As in any organization, success can only be achieved by those who are leading it. This past year we have been blessed with a truly dedicated executive board. We want to thank the executive board for their help and cooperation. We also congratulate the newly elected officers and are looking forward to their invaluable inputs.

By this time, it is hoped that all the Clubs have elected their new officers for the coming year. In order to assist them as to their responsibilities, the Association believes that it would be very beneficial if these newly elected Club officers as well as anyone else who is interested to attend our upcoming NNJSDA Leadership Conference (L.U.S.T.) which is scheduled for Sunday, September 25, 1988. Our Committee Chaircouple, Helena & Ken Robinson, have been working diligently to put together a program of panel discussions that will be invaluable for the new officers to bring back to their clubs for a more efficient operation of their jobs.

For your dancing pleasure, the NNJSDA has scheduled many dances which we believe will whet the appetite of all dancers. Our Summer Dance Program will kick off on Wednesday, June 22nd and run thru August 24th, with our Annual Warm-Up Dance on Wednesday, August 31st. We then have our 30th Anniversary Dance on Friday, September 30th, followed by an NNJSDA Special on Saturday, October 30th. Details for the 14th all-day Mini-Festival for Sunday, November 13th are just about squared away. Between what the NNJSDA has scheduled, all the Class and Club specials, and the regular Club dances, there is plenty of Square Dancing for everyone. But to make any of these functions a success, the Clubs and the Association need YOUR support, and we are sure that we can count on you.

We hope that you have a pleasant Summer and are looking forward to meeting you at a Square Dance.

BLOOD BANK - Be sure to donate blood in name of NNJSDA #9192, and send blue sheets to Donna Anderson - (see page 8)

OLD BUSINESS - Bolins gave report on questionnaires sent to all of 1987 graduates. See page 8. Max Hartman of Sussex Spinners gave several suggestions on the problems couples with young children are experiencing finding sitters. Kathryn Hill read a letter from the Star Ledger written by a Lakeland S/D senior Citizen - commenting on his awe of active senior citizens...that one of his favorites is Lola Patterson. Old Business became New Business as a discussion on Singles, especially single women in square dancing who lack partners....and ways to help them to dance. The various suggestions will be discussed at the NNJSDA Executive Board meeting.

NEW BUSINESS - The proposed slate was accepted unanimously. (see page 60). Retiring from the Board are the Koenigs, Cannons and Barrs. All were extended thanks for their dedication to the activity.

In Good & Welfare: Al"e"mo Squares announced they would be holding a short memorial service for Eugene Weinrich, past president & NNJ delegate, at their club's May 22 dinner dance. Thanks were extended to Joe Passaro & Karen Kushla & Ken Robinson for coming early to set up. Serving refreshments during the break were Al"e"mo Squares, Bee Sharps & Belles & Beaux. Next meeting - Sunday, September 18, 1988 at VFW, Elmwood Park, NJ at 2 PM.

About 50 people came early for the Education Session. Discussed were various questions that must be answered every year for a smooth transition of officers & continuity in club operations. Summations of duties of various officers were distributed. Discussions will be continued at LUST.

NNJSDA Membership Statistics - Jean/Gene Koenig

This dancing year there are 2531 persons with membership in our NNJSDA clubs. Of these, there are 1,020 couples (down 25 from a year ago) and 491 singles (up 10 from last year). 1661 individuals have danced 3 or more years, 387 for the last two, and 483 persons (students and others) joining this year. Of these 2531 members, 2114 belong to one club, 316 to two clubs, 78 to three, 15 to four, 6 to five, and one couple to six clubs. Thus 83.5% belong to one club, and 16.5% belong to more than one club.

Membership in our 42 clubs (West Milford Flutterwheels dropped membership while J&M Squares joined) total 3079 (down 41 from 1986-87) 606 persons were dropped from this year's rosters and 483 new members (students and others) were

added this September. Please note that 82 persons (34 couples & 14 singles) rejoined our clubs after dropping out in 1986-87. Also, 42 clubs' membership was 3203 in 1985-86. This means a drop of 4% in membership since 1985-86. We have to get more class members and then keep them in dancing!!

STATE
OUTFIT

This state outfit was NOT just a one club, or one organization, decision. Suggestions received from many sources were carefully studied by representatives from the various state organizations who were also working together to form the Square Dance Council of NJ. Designs were shown, discussed, & opinions sought from all clubs thruout the state before the official State Costume was adopted by the SDCNJ.

In June at our National S/D Convention, the same as at our NJ State Convention last March, many dancers will proudly march in the Parade of States wearing this outfit. For women it is a white dress (or skirt & blouse) with an apple green vest. Optional is an apple green apron with a small state figure. The men wear white shirts, white or dark green (or apple green) pants and an apple green vest. On the vest will be the State of New Jersey with a gold star marking the dancers' home location. Since we cover three states, you'll find the star sometimes in PA or NY.

Once the official costume was adopted, Harry & Alberta VanLuvender of Kinnelon volunteered to head up a committee to design & produce the patterns for the outfit. They and their committee have cut & mailed the patterns & materials to all who wanted them. Now the VanLuvenders are asking for a sabbatical. Dancers interested in getting the pattern & material for the State Outfit should contact the Bolin's (NNJSDA Presidents) for the name of the new chairmen of this committee. Our sincere thanks to Harry & Alberta for their years of dedicated, behind the years, efforts.

In 1976 the NNJSDA recognized the need for a program to help new club officers understand their duties and also the need for training future leaders. As a result, LUST - Let Us Speak Together was born. Held biennially - 1988 - is the YEAR. SEPTEMBER 25 the date.

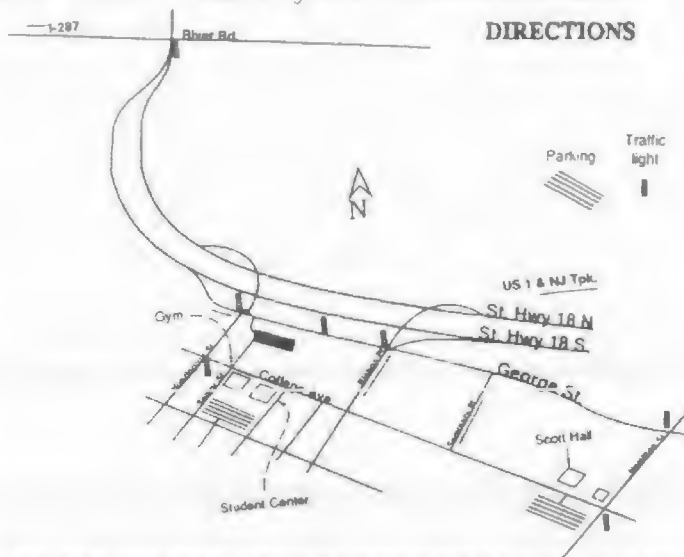

This is a day for dancers to share ways which help clubs function successfully, as well as discuss concerns of local, state, and even national levels. Although parts of the program are designed to assist the new club officer, LUST '88 also includes new features this year to interest the "Old timers". All are urged to attend. It will be held at RUTGERS UNIVERSITY in New Brunswick. All daytime sessions will take place in SCOTT HALL. The evening dance will take place at the Rutgers University Student Center.

If you have not seen a flyer, write Chairmen - Ken/Helena Robinson 614 Van Liew Ct., Neshanic Station, NJ 08853. After studying the flyer, choose the sessions to attend that most interest you.

As an extra - A Continental Brunch of bagels, danish, beverages will be available from 10-11 AM at Registration Time. Opening session is 11AM. Bring a picnic supper and continue discussions.

NNJ is also sponsoring a BLOOD DONOR DRIVE in the morning. Here is a chance to help your fellow dancer and also later add to your knowledge of what makes our activity run successfully. Cost per person - \$7.00 - You can register early by sending in checks to Dan Koft 196 Hardenburg Lane, East Brunswick, NJ 08816...although we will take registrations at the door. Mark your calendars now - and plan to attend. ALL welcome!

REPORT OF THE 1986-1987 GRADUATES QUESTIONNAIRS

Of the 329 questionnaires sent to the above Graduates, a total of 158 (48%) took time to reply. To them, a hearty Thank You! Although we were mainly looking for answers from those no longer dancing, the inputs from those who answered were very helpful. We will see if some of the suggestions can be implemented. As in any survey you have pro's and con's to any question, and this was the case here. In order not to get into the nitty-gritty we will try and summarize.

Most were drawn to Square Dancing by friends, not advertisement, television, or newspaper ads. They enjoyed the lessons as they met nice people and the friendly atmosphere. The Angels were very helpful with a few exceptions when they tried to teach. As far as the Callers; the consensus was that they did an excellent job with the number of lessons just right. Most thought that the learning of the figures was somewhat difficult and more run-thru would be helpful. While taking lessons, most attended Class program dances. However, the number attending the NNJSDA Mid-Term and Spring Fling fell off considerably.

Of the 158 who responded, only 23 are not dancing. This does not mean that the balance of the 329 are still dancing as we did not receive all the questionnaires back. There were various reasons for these 23; illness, other commitments, lack of confidence, etc. Those still dancing average between 4 and 6 dances a month.

With the Clubs in trouble getting Officers, we asked if those in this Class would ever consider being a Club Officer. It was a disappointing "NO" by 75%. Reasons were mostly: other commitments and work schedule.

The overall comments of the Graduating Class were that the unfriendly feeling they received when attending the various Clubs, even though they were dancing at clubs of their level. Another was that higher level Clubs sponsor classes, but the Graduates have to find somewhere else to dance. The singles' biggest complaint was there were no partners after graduation.

These are valid problems and as far as acceptance, we all should be tolerant with new dancers. Remember, we too were in the same situation when we graduated. Regarding the singles, they should be informed when they start lessons that angels will be furnished, but once they graduate they must find their own partner. We don't discourage singles, but Square Dancing is a Couples' activity.

Again, we want to thank all who returned the Questionnaires, and we will be very happy to sit down and discuss the inputs with anyone who so desires.

WE L U S T FOR YOUR B L O O D !!

As this sideways article indicates, we're bending over backwards to get your blood!! It's a SAFE, SHORT, SWEET procedure, and we're making it super easy for you to participate in our Blood Drive.

At the Sept. 25th LUST seminar, we are making a Bloodmobile available to all who would like a convenient time/place to make a donation. All who donate on that day will receive a FREE PASS to a regular NNJSDA dance.

HONOR ROLL

The following dancers have donated blood to Group #9192 during this year's dancing season. As the chairmanship of this committee was changed during the year, if your name was inadvertently omitted, please contact the chairman!

Summertime and the dancing is easy at Belles & Beaux. We are one of the few clubs that dance throughout the summer and our members really want to square up with all the new graduates! Remember from the second dance in June thru the end of August we'll once again be dancing in the air-conditioned comfort of the Glen Rock Jewish Center. We'd like to thank our loyal supporters who have followed us from hall to hall this year and remind new dancers that they'll be admitted for just \$1 in May and the first dance in June. That last dance on Wednesdays will be particularly exciting as Barry Serebnick will be bringing national caller Sam Lowe to the dance and both will be calling. It should be a real treat!

At the end of March we raided Spinning Wheels to celebrate the return of Paul Brody to club calling. It was a great evening. By the time you read this our Mystery Bus Ride will be just a happy memory. Keith Douglas always does a super job organizing this annual event so I know it's going to be great & we'll be looking forward to what Keith has in store for us next year. CIRCLE EIGHTS Harrington Park, NJ (MS)
 4th Friday Community Church, Harriot Ave.

It was good to see a lot of old faces at our March dance. The "snow birds" have returned from sunny climes and the flu season has finally dwindled away. Tenakill Twirlers added ambiance to the Galic festivities in March when they raided us. Our Irish night featured all varieties of food that could be dyed green and a few loose leprechans who joined in the Irish jig tips that Bill was calling. Our British Night featured an overabundance of ethnic food that was supervised by the Stocker's expert English touch. The scones tasted as if they had just been flown in on British Air Ways. Our winter raids included visiting Belles & Beaux and Tenakill Twirlers. Students are cordially invited to join us at our dances in May and June. The McManns & the Kolbs have been providing exceptional refreshments in keeping with our international theme. You won't believe the variety until you taste it!

Our Treasurers, John/Bonnie Cooke, are moving to California. They are leaving us with our finances intact, but with much sadness at their departure. They have worked long and hard to promote Square Dancing and uphold the friendly atmosphere of Circle Eights. "Happy Dancing in Sunny California, Bonnie & John."

Summertime and no more worrying about being snowed out of dance nights, only if the hall is air-conditioned. I guess we are never really satisfied with the weather. Check our ad and you will find we dance right up until it starts getting hot, then take a summer break. Thanks to those Association SUMMER DANCES we can keep doing our thing all summer in air-conditioned halls then come back in September to our normal club dance schedule. Grace Bishe is feeling better, but not to be outdone, her husband Bob has been ailing lately. Could it be those yellow rocks can cause injury to limbs? Another club member on the sick list is Henrietta Solek, who is one of our hardest workers and is sorely missed.

Club members Jim/Ruth Grant are a living history of square dancing in New Jersey, having started dancing in the 1950's, they are still very active in club affairs and on the dance floor. Jim & Ruth were honored recently when they were presented with the Lucarini Award in recognition of their many square dance activities. Hope everybody has a safe and enjoyable summer, keep dancing.

2 & 4 Fridays

Radcliffe School, Bloomfield Avenue

On Valentines Day 2 sets from our class & angels raided Belles & Beaux Class Dance. They enjoyed the fine calling of Bill Heyman & Barry Serebnick & made friends with students of other clubs. In March CBS raided Cross Trails on the occasion of their St. Patrick's Day Dance.

We were saddened to hear of the death of their longtime member Herb Snider. Herb & his wife Dorothy had been in charge of decorating the hall the last few years. Two days later at CBS 12 sets had fun to the calling of Wayne Applegate. It was our Presidents Dance. Audrey/Norm Bolin, NNJSDA Pres., led 3 other couples on the Board of the NNJSDA plus presidents of 15 clubs across a red carpet which they stepped upon as their names were called. Later in March we joined the 1,925 participants at the 2nd Annual Square & R/D Convention down at Trenton State College... and danced to many callers. The end of March CBS had its "Wearing of the Green" Dance. Hugh Jones had 9 sets dance to his routines. We were also raided by our friends from Hix & Chix and Spinning Wheels. Thanks for coming. The next day one of our favorite couples, Carole Rizzo & Nick Raspa were married. All of us at CBS wish them many years of happiness.

On the second Friday in May our class will graduate into our club. All other graduates from this year are invited to join us, free of charge on this date. Come dance with us. Please note, CBS is NOT scheduling any summer dances.

1 & 3 Saturdays

Connecticut Farms School, Stuyvesant Av.

The time passes quickly when one has a full calendar and Dancing Squares Club members are no exception. We were pleasantly surprised with a raid by Hill City dancers who added much enjoyment to our evening. We, in turn, raided Valley Squares and had a very lively St. Patrick's Day celebration with them.

We were saddened by news of the death of a former member of Dancing Squares, Fred Posselt, and wish to extend our sincerest sympathy to Jane and her family. We feel very fortunate to have spent a little time with the Posselts this past summer at our annual picnic.

At this writing many of our members are looking forward to attending the 2nd Annual New Jersey Convention in Trenton. Hopefully, it will be as successful as the first one -- if not more so. Come on out and join us on the dance floor!

F.A.D. SQUARES -- Maywood, NJ

(MS)

1 & 3 Sundays

American Legion Hall, 113 E. Passaic St.

CONGRATULATIONS, GRADUATES! You are now, believe it or not, dancers! The secret to success is to dance as often as possible, to as many different callers as possible, with as many different couples as possible. When you go to a dance with another couple that you know, try to "fix" the square so you are squared up OPPOSITE your friends - you will each have a strong corner, and have a better chance for success, which will increase your confidence and ability. F.A.D. SQUARES OF MAYWOOD dances all summer, and cordially invites you, the new dancer, to all our summer dances. Yes, we're air conditioned. We're also known as the "friendly" club, which you'll discover as soon as you come in the door. You may also be surprised to find out you can become a member of ANY club - not just your "home" club, the one that provided lessons - and F.A.D. SQUARES will give you 3 months "free" membership. Pay dues now, then don't pay again for 15 months! This gives you reduced admission to each dance during the year too. Look for our club badges-bright yellow, in the shape of the State of New Jersey, and our club outfits, with the same bright yellow and royal blue. Experienced dancers also find a place at F.A.D. because we have initiated a Plus Tip at the end of each evening. Remember: we dance ALL SUMMER, and we are AIR CONDITIONED. Come on down for Fun At Dancing, also becoming known as Friends And Dancing.

GARDEN STATE CAMPERS

Almost forgot the deadline we were so busy getting all the camping gear ready for our spring time campout. Still remembering the thrill and excitement of the Camporee we sponsored at the Sussex Co. Fairgrounds last July. A number of us are planning to caravan to Ohio and see how they put on this year's Camporee. But before that, comes the April, May early season campouts and our usual 2nd weekend in June and July. What fun - July is in Bath, PA and that same Sunday starts the Camporee fun out in Ohio! Several members have new rigs and are selling their "old" ones. If you want to take the plunge and become an RV'er - here's your chance! There's no better way to spend your summer than camping and dancing and traveling with friends. See you around the square campfire!

Hillview School, 340 Central Ave.

As we approach the end of another square dance season, we at Hill City Squares have much to reflect upon. This past year has been filled with adventure, excitement and success. We have been dancing at our new location in New Providence since Sept. and it has been great! We have had wonderful callers and truly good times! We have much to be pleased about and much to be grateful for. So, we would like to express our SINCERE thanks to MANNY AMOR, who has been calling for Hill City for 20 years; to Joe Landi, Ralph Stapenell, Brian Fugere, John Carlton, John Kaltenthaler, Dalt Young and Mark Franks, our guest callers, who did such a terrific job each first Friday; to Lorraine/Len Sobin and Andy Woerner for working so hard with our students; to Grace/Walt Pennie, our witty and able cuers; to the Officers and entire Executive Board for their hard work and commitment; and particularly Phyllis/Bill Tallamy for their dedicated leadership as Presidents during this year of change; and especially to all of you who raided and invaded our dances. Thank you all from the bottom of our hearts, what would we have done without you. Come back to see us in Sept. for our first dance of our second season in New Providence.

HIX & CHIX -- Elmwood Park, NJ

(1/3 MS;

Every Thursday

VFW Hall, Off Broadway

2/4/5 +)

'Tis the season of congratulations, good luck wishes, farewell parties and the welcoming of New Members dances. Everyone attending classes is on the move. In March, 45 students graduated from Dick Pasvolsky's Plus Class and they proved themselves well at their first Plus Dance at the Club they had been invited. Bob's Mainstream Class is moving into its final weeks with 18 students scheduled to graduate in April. They will be officially welcomed into HIX & CHIX at the May Graduates' Dance. The Chinese Auction held in Feb. was a thundering success with more items to bid on than anyone could dream of. Will we ever know the secret of Gloria's success as she puts it all together? At the last Feb. Dance, 16 Presidents or their representatives were honored for all they have contributed both now and in the past to keep their Square Dance Clubs alive and active. Thank you all for your participation. Approximately 28 members of the Cloud 9 Round Dance Club with their cuer, Al Spinks, raided us mid-Feb. Floor space was at a premium as Al cued each set of Rounds, and it was like being at a Broadway production watching the dancers twirl around the floor in unison and step. As the winter weeks finally started fading away, Jack & Carol McLaughlin returned to the North and we are delighted to have them back with us cueing on Thursday nights. All of us hope to see all of you dancing with us during the summer months in our air-conditioned hall.

After a long and snowy winter, Spring and Graduation came to Ironia in March. The Ironia square dance class graduated five new couples who then joined the Reelers club. We wish everyone an enjoyable and restful summer.

Spring has sprung! Folks we haven't seen for most of the winter are appearing on the scene at recent dances. For those who didn't venture out on cold, wintry evenings, there's a lot of square dancing to catch up on to make up for lost time. The Spring season is always so great for dancing. The bright colors of Springtime Square Dance apparel seems to rival the burst of color in newly blossoming gardens. The enthusiasm of our new Graduates is a shot in the arm for all of us. It makes us look forward to the Summer dances. It's always rewarding to see how the Graduates gain more confidence with each dance they attend. Their enjoyment becomes our enjoyment. "How sweet it is" to see our ranks swell. Let's all go out of our way to welcome the new dancers, and offer them any assistance they may need. They are the future of Square Dancing. Let them know how important they are. And please, Square Dancers, whether new comers or old timers, join us on the 2nd and 4th Wednesdays.

J & M SQUARES -- Elmwood Park, NJ

Every Sunday A-2

VFW Hall, 6 Elmwood Pl.

Two years have passed since John & Mary Aquino started giving lessons in their basement. In April, the second class graduated. We're looking forward to dancing with the happy graduates at our Sunday night dances. In Feb., 5 squares of J&M, including 2 squares of students, raided Montville Squares to dance with Carl Hanks who called A-2 at class level. A Student

Dance was held at J&M on Valentine's Day with Wes Morris calling. The special announcement at this dance was that our cuer Nick Raspa and his lovely valentine, Carole Rizzo, were to be married March 26th. Best wishes to you both, Mr. & Mrs. Nick Raspa, from all your friends at J&M. Eight squares from J&M raided Mountain Squares in March and had a ball dancing with Joe Landi. Thank you, Anna Lou/Ray Kuenzler for organizing such great raids! We send all good wishes for speedy recovery to Walt Johnson & Bill Peckham after surgery. Our VP's Leo/Rose Rogers are making arrangements for the first J&M Dinner-Dance to be held at the Brownstone. We dance in our AIR CONDITIONED HALL in Elmwood Park every Sun. evening at 7PM ALL SUMMER. Come visit J&M an enjoy!

1 & 3rd Sunday

Presbyterian Church, 367 94th Street

King Squares owes a debt of gratitude to one of its unsung heroes who have tirelessly served the club for a number of years and have contributed so much of their time and effort to making the club such a success. Bernie/Pat Monsen have filled almost every office in Kings Squares and its members know it is such a viable club because of them. Keep up the good work, Bernie & Pat. Square dancing owes much of its importance to your efforts. We were recently raided by Queens Squares which helped make our Feb. dance a huge success. And we also raided Queens Squares and Country Promenaders this Spring. The season is drawing to a close and we are pleased that it has been a fruitful one for Kings Squares. We have many new members who will graduate in April and will shortly join us at our Sunday dances.

KITTATINNY RANGERS -- Andover, NJ

1 & 3 Wednesdays

Long Pond School, Limecrest Rd.

Another dancing year has swiftly passed, and it's time to thank the retiring Executive Board, caller Larry Davenport for taking over for ill Ted Knauss, cuers Al/Gale Spinks, and every member who pitched in to make the season a success. A wonderful sight at Kittatinny was Pat Massey dancing again after so many months of recuperation. Welcome back Pat. We love ya! St. Patrick's dance and its green but tasty food is a pleasant memory along with the Bunny Hop, to which students were admitted free. The new dancers had a ball picking out "dancin' duds" at the Swing Thru Square Dance Shop which was set up in the lobby. Bill Wagner called his usual fine dance at the April Showers special. Our 2nd Amateur Night was held in May and was an "experience" for budding callers and dancers alike. There were raids to Cross Trail Squares in April and to Country Promenaders in May. Now the big event of the spring, graduation, is happening at the Halsted St. School in May. And then all graduates are invited, free of charge, to the Graduates Dance in June. It will be preceded by the annual delicious covered dish supper at 6PM. If you wish to attend, Call Bill/Irene at the number listed below. Have a Happy, Healthy Summer!

We lose more good workers to retirement! Once again our person responsible for GRAND SQUARE half-tones is retiring. THELMA FORD, who volunteered to help out several years ago has carefully done our half tones for a number of years - enabling us to have many pictures in the issues. We will miss her cheerful notes and appreciate all her work. But, Joy of Joys! She also arranged for a replacement!!! Lucky us! Many happy, healthy years of retirement to you & Bill.

Every Tuesday

Mountain Lake Comm. Ch., Briarcliff Rd.

Spring is here at last and with the good weather came great dancing! March flew by quickly with St. Patrick's Day wearing of the green as we all enjoyed delicious homemade soup. A great way to keep warm. April brought Graduation Day. Teacher Pal Johnson, Presidents Marge/Jerry Dunn, and Class Coordinator Wray Lewis presided over the candle-light ceremony welcoming Lakeland's new members into the wonderful world of square dancing. Welcome to all our new dancers. A special note of thanks to Pal, Wray, Mary Northrup, and all the dedicated angels who spent many Wednesday nights helping these new dancers learn the joy of dancing. You've done a great job. We're sorry Mary had to miss graduation but are proud to have her as NJ's delegate to the National 4-H Convention. Happy Birthday Lakeland Squares! This year marks the 15th Anniversary of Lakeland Squares. We all celebrated in May with a delicious pot lick dinner and the installation of officers for the coming year. We all look forward to the upcoming year. This may be the last issue of the summer, but remember Lakeland dances every Tuesday through July, with guest callers every week. Join us every Tuesday night for a good time dancing mainstream. New graduates as well as long time dancers are always welcome, so join us for an evening of friends, fun and mainstream dancing. Before I close, I'd like to add a personal note. This will be the last report I will be making to the Grand Square as I will be getting married and moving to Virginia in June. I want to take this opportunity to thank each and every member of the NNJSDA and especially Lakeland squares for making my time in NJ one I'll never forget. I'll miss you all!!! Have a FANTASTIC summer and keep dancing!!

It's that time of year again when the excitement of spring and graduation fills our minds. Our class dance is to be held in April at the J.M. Hill School. Ted Knauss and Dalt Young will be calling. Their graduation ceremony will be held the 4th Tuesday in May at the school. All members are urged to attend this festive occasion. We received a postcard from Carl/Norma Smith who are enjoying their retirement and are visiting their son and family in California. They should be back dancing with us soon. Bill/Lois Guiles are making plans to move to Florida. Our best wishes go with them for a happy life in their new home. We'll miss them. Special thanks to the Lakeland Squares for their raid, and to the Warren Wheelers who greeted us warmly when we raided them recently. A fun time was had by all. We congratulate all the new graduates and welcome them into the wonderful world of square dancing.

for Summer: K of C, Old Bridge

We were all saddened to learn of the death of member Seymour Levine in early March. Seymour and Joyce were a major factor in the creation of our club vest, having been responsible for the silk-screening of our logo seen on the back of each vest. His memory will be with us always in this lasting memorial.

In Feb., we held our annual benefit dance for the Deborah Hospital. The Callers and Cued donated their fees allowing us to send a nice donation to the East Brunswick Deborah Chapter. Thanks to Manny Amor, Dan Koft and Barry Serebnick for calling, and to Nancy Nosker who cued, even though she is still retired! In March, 63 of our members attended the 2nd NJ State Convention. Once again we marched proudly in the Grand March and enjoyed all of the day's activities. We have been very busy planning for our Barn Dance in March, graduation for our class and our Mystery Bus Ride in May, our annual Dinner Dance in June and our Summer Schedule for dancing in our air-conditioned hall beginning in June. A great big thanks to our Raid Chairmen, the Llewellyns, who managed to squeeze in a number of raids during the year despite the Club's busy schedule. By the time this is published, we will have elected new officers to be installed at the Dinner Dance. During our 2 years as Presidents, we have had the support, not only of outstanding Executive Boards, but also of the entire membership. We thank you all! With your assistance, our job was a lot easier. Thanks also to all the visitors who attend our dances. We'll be squaring up in your square soon!

First things being just that, let me start by joining my fellow club members in extending a never more deserved Well Done! to Presidents Jean/ Gene Koenig, and their board for their labors in making the '87-'88 dance season so enjoyable for us all. In that same thought we want to thank all our visitors from singles to raiding clubs for adding the flavors that make each dance a new pleasntry. The M.T.s have done some raiding and visiting and would highly recommend it. While recommending, let me remind all those who would round dance that Peg/Joe Dockry can be found teaching the basic rounds thru the intermediates every Thurs. evening at our regular square dance location. The mention of basics reminds me that there will be a lot of new dancers on the floors by the time this is read. We have a great opportunity with two or three regular dances left, to show these new people how warm and friendly square dancers are and how much fun their new activity can be. We look forward to seeing you on the dance floor of any one of the great clubs of our association, and would welcome you to join us every first and third Saturday. Peg has rounds from 7:30 to 8:00 and the regular dance runs until 10:30, after which we have cake and coffee. Do join us.

MONTVILLE SQUARES -- Whippany, NJ

(A-2)

Over the years Montville Squares has been a unique club in that it had two sections - one dancing the A-2 program Wednesdays and the other C-1 on Fridays. Time brings about changes. We are sorry to report that the A-2 program section will no longer be dancing on Wednesdays. But we are happy to report the C-1 section will continue to dance Fridays.

MONTVILLE SQUARES - Montville, NJ

(C-1)

1 & 3 Fridays

Lazar Central School, 123 Change Bridge Rd.

We enjoyed an excellent dance called by Bruce Busch in March. Attendance was up a little. Someone observed there was more laughter than normal for a Challenge dance. The C-2 Star Tip had fun too. To those who have been taking C-1 classes and moving into the C-1 program, come join us for an evening of fun and fellowship. You'll find the same happy faces and congeniality on Friday nights at Montville as at other clubs - only the calls are different. After a summer sabbatical, we'll be back dancing starting the 3rd Friday in Sept. at our usual location. Enjoy you summer!

After counting couples at a recent Cloverleafs dance, PELHAM PROMENADERS realized they had more than enough dancers to call it an official raid. Lacking a banner to identify their group, their resourceful presidents used their club jackets for their Grand March as they paraded in and pinned the Cloverleaf Banner.

During the past few months many dancers have been working hard with classes. NOW ALL of us have a difficult task to accomplish - keeping the new graduates that we have encouraged into dancing - dancing!

Experienced dancers - remember YOU were once new dancers yourselves. Please do not leave your new friends, intentionally or not, alone in a new world. They came to be with their friends and share good times, Bring them to the Mainstream dances - of which there are a great many listed.

Encourage your friends to stay and dance in the Mainstream program for a year before going into any plus program - or round dancing. There is fun & fellowship in EVERY PROGRAM. We here in NNJ are unique in that we still have a great many MS dancing opportunities. Other areas are not so fortunate - there MS is almost extinct - and the S/D population is becoming an endangered species.

Many of us dearly love this great activity - May you graduates learn to love it as much as the rest of us. New & old dancers alike - See how much YOU can give to it - and we'll promise you will receive much more in return. If you only TAKE from it, you'll never know what it could have been. Big yellow rocks to you all!

See you at LUST '88!

We've successfully slogged through the capricious snows and howling winds of Winter and bloomed with the advent of a triumphant Helios plying the cerulean skies of Spring. From biting cold to the balmy reprieve of May, we've been able to rely on the steady expertise of Joe Landi who makes all seasons perfect for dancing. For Joe is an alchemist of sorts who can always exchange base days for golden ones as well as the common dance for the extraordinary. The contagion of bonhomie has been effectively promulgated through the enthusiastic leadership of our dedicated officers with Pres. Ron/Ann Read at the helm. Congratulations would be empty indeed if we didn't pay attention to the effervescent and capable type of dancer drawn to Mountain Squares; we thank you for your support and wonderful dancing. Yes, the season is winding down, but not before our annual pot-luck supper in June. There's an open invitation to all of our valued friends to celebrate another wonderful year and to toast happiness with excellent food and our National Dance seen at its best. Please come. Then, have a scrumptious summer and return to us the 3rd Wednesday in Sept. when feet will fly and smiles multiply!

PRINCETON SQUARES -- Hamilton Sq./Lawrenceville, NJ (Wed/MS)

Every Wednesday
2 & 4 Fridays

Nottingham Fire House, Hamilton Sq.
Ben Franklin School, Lawrenceville

The mainstream group had a great time at both the Valentine's and St. Patrick's parties with a good attendance at each. Everyone showed up in the color of the evening. Our pastry night in March, was a success with several outstanding desserts brought in by the dancers. The arts and crafts night was a huge success with members showing up in their artistic talents. We were surprised at the amount of talent we have in our club! As of this writing, we are looking forward to our club fashion show in April with creations by our own members to be modeled by other club members. Our class is invited that night too. Perhaps they will be able to find that perfect outfit for their graduation night. Our next ice cream social will be one of the Wednesdays in June. Our Plus group is looking forward to their Spring Fling in April, with Pete Diven calling, also at the Nottingham Ballroom which is air-conditioned for your comfort (see ad for more details). Plus lessons begin the 3rd Mon. in May at the Ballroom with our club caller, John Carlton, doing the teaching. Our Mainstream class is doing very well and are moving quickly toward their May graduation date. A covered dish supper is planned to begin their special evening. We expect a total of 36 students to graduate that night and have a few surprises planned for them! The many angels who have been dancing with them since their lessons began are very proud of the Class of 1988 and will certainly be there to celebrate with them.

Princeton Rounds reports with regret the passing of Seymour Levine, one of their charter members, whose love of dancing inspired us all. The party in March celebrated the coming of Spring. They are looking forward to their summer dances cued by Ron/Ree Rumble in the air-conditioned Nottingham Ballroom in Hamilton Square (see ad for dates and times).

OCEAN WAVES -- Staten Island, NY (MS w/+ tips)

1 & 3 Fridays

Christ Methodist Church, 1890 Forest Ave.

We were happy to see some new graduates at Ocean Waves dances even though they aren't members of our club. Maybe they like the opportunity to earn fun danglers at our relaxing mainstream program. It's a good thing our club members don't take themselves too seriously. It gives us the chance to have a heck of a lot of fun while dancing to some really good callers. We would like to welcome our new members: Flavia Di Lorenzo; Vera DiMarco; Marie Moscarelli; Adele Thomas and Tony Vento. We hope to see all the new graduates and many of you "old-timers" at the summer Association Wednesday dances.

Have you ever danced under 70 Teddy Bears? We did at a recent dance, called by Frank (Teddy Bear) Riviccio, chaired by Jim/Barbara Branigan, and had a "beary" good time! Now that our successful winter dances are over, we look forward to a great spring schedule and the return of our "Snowbirds" who retreated to the warmer climate of Florida. President Kathy Porter has had a rough winter healthwise and we hope it is all in the past. Despite the problems, she and Charlie have done an excellent job of leading our club. Long-time members, Alice Wilson and Bill Quinlan, are in the hospital at this writing and we hope they are well now. Graduation is nearing and our RIOS students are anxiously awaiting the day and the opportunity of joining their chosen club as full-fledged members. Thanks to Class Chairman, Joe Scarano, their enthusiasm is high and we are certain the NNJSDA Summer Dances will find them ready, willing and able. Plans for our 21st Annual Pot Luck Supper, chaired by Madelon/Bob Merkler, are proceeding on schedule and we anticipate another successful and delicious get-together followed by a dance with Brian Fugere calling. Under the leadership of Joe/Helen Knepple, we have raided several clubs and will continue to do so till June. Your support of our club inspires us to reciprocate. See you all at future dances.

SOLITAIRES -- West Orange, NJ (MS)

2 & 4 Sundays West Orange Comm. House, 242 Main St.

A big Solitaires "THANK YOU" to Bob Tarrant, who filled in at the last minute to call our Presidents' Dance. Betsy Gotta called a challenging dance for us in March, putting us through some unique figures. For our efforts, there were St. Patrick's Day dangles for all. The "Love Bug" hit Solitaires this Winter. Caller Dan Koft became engaged on Valentine Day. Our secretary, Carole Rizzo, married Nick Raspa in March. The class level specials continue to be popular dances. Judging from the dancing we're seeing at these specials, Solitaires are looking forward to some good dancing in the months to come.

2 & 4 Saturdays

Bedwell School, Seney Dr.

After many hours of planning and lengthy discussions, our 25th Anniversary Party was a huge success. We started the evening off with a Pot Luck Supper and no two dishes were the same; what a variety. We invited our students to this memorable affair and had student level dancing early in the evening. Carol/Jack DeCoste, the Club's first Presidents, and other former presidents and members were among our guests for the evening. A big "Thank You" to all for making this event an evening to remember. Somerset Hills is pleased to report that we will have 29 graduates when the season is over and hopefully, they will keep dancing over the summer and come back in the fall to support our Club. One of their outings will be a demo for the Troy Hills Nursing Home, where we have danced before. It is always a heart warming experience to see the folks clapping and swaying to the music and commenting on the pretty, colorful outfits on our dancers. Many of our members and students attended the 2nd NJ Convention in Trenton. What a busy day; there were many different activities for everyone's interest and taste and lots of dancing: contras, squares, rounds, clogging and lines. To many of us, the Grand March was most impressive and when 1,900 voices strong join together to sing the Star Spangled Banner, it is a moment one remembers for a long time. Can't wait until next year. Everyone have a good summer and keep dancing.

A.P. Terhune School, 40 Cyanamid Dr.

Spinning Wheels has had its share of ups and downs during the last few months. Our downs were when the winter doldrums set in, and we only had 3 or 4 squares on the floor. We must admit that there was an advantage, we could get near the refreshment table before the break was over. However, it was probably better for our calorie counters if they couldn't. It sure was better for our treasury when we couldn't. Our ups have definitely been up. One was a raid by Y Squares. They wore their new yellow, white and black raid outfits and looked fantastic. They looked like a swarm of bees and danced as gracefully as if they were flitting from flower to flower. We are just glad that they were swingers not stingers! Another definite up was our second try at an Officers' Night. The first one got a snow job. Paul Brody called and left his inevitable signature on the night with his his-his, hers-hers version of yellow rock. It was surprising how many men balked. Perhaps we should get more Frenchmen dancing. He also brought a contingent of Belles and Beaux's Raiders with him. They unveiled their great new raid banner for the first time. We had a good supply of Officers from area clubs in attendance. As this is being written, we are saying goodbye to winter and expecting our annual spring increase in guests and members, augmented by our forthcoming graduation. We hope it will continue until we close with the school in June.

The Sussex Spinners' Club is 20 years old. We are very excited about our 20th year celebration. See our ad for more information on our dinner dance in June. The balloon dance was a "ball." The winners (and the dancers who had the most fun) had the most balloons in their square. It was a colorful event. The graduation dance was a happy event. The following students graduated in the Mainstream class: Helen Ansorge, Martha George Beers, Pat/Joe Ford, Carol/Donald Kafader, Vivian/Chester Maszcycki, and Marjory Robinson. Thank you to John Kaltenthaler and Bob Mitchell for their excellent teaching. The club wants to thank our outgoing officers. You are doing a great job and we will always be thankful for your help. Presidents: Janet/John Grace, Vice Presidents: Lesley/Duane Nalley; Secretaries: Alice/Bob Vealey; and Treasurers: Ann/Al Johnson. The club wishes our new officers all our best and good wishes for a great new season. Presidents: Terry/Bill Armstrong (they were presidents 20 years ago also); Vice Presidents: Al/Ann Johnson; Secretaries: Gail/Dave Wetzel; and Treasurers: Sara/Bob Allison. Come dance with us. We welcome you.

DICK MADDOCKS, one of the founding members of Hi Taws & its 2nd President back in '64, passed away in February. Along with his wife Edna, he was instrumental in introducing rounds into Hi Taws' activities. After deciding to become a caller, Dick took over running the classes in '67. Tho the classes were small at first, the graduates quickly became involved with club work. In '68/'69 Dick also ran classes for teens and for several years the Hi Taw Teens were a viable auxiliary member of the parent club. For a number of years Dick was club caller for Square Swingers in the Times Bldg in NYC (where he worked for 37 years), Cornwall S/D Club, Circle Eights & Tenafly Squares. 19 years ago the Maddocks & Tirrells began the popular Big D Weekend in Deposit, NY. For a while Dick took a sabbatical from calling, but after remarrying & moving to Parsippany began calling for clubs out thataway and also handling classes for Hanover Squares & Cross Trails. His enthusiasm & sense of humor will be remembered by many. Our sympathies to his wife Lee & his family.

As we went to press word reached us that caller JIM FLAMMER, founder of Hix & Chix, had succumbed to a stroke while in NJ visiting his daughter. Back in 1961 when the Ramsey School System introduced one of the 1st Adult Ed S/D Classes, Jim was the instructor. Everyone had such a great time, they decided to continue, found a hall & Lo! Hix & Chix was born! Every year for 13 years, Jim ran the classes & called the weekly club dances. After recovering from a slight stroke, he slowed down to only calling twice a month. He also called regularly for Tenafly Squares, was a popular guest caller & worked with some neophyte callers in the area. When he & Edna (who died three years ago) retired to Florida, he gave up his calling. On their trips back north Jim would always stop in and visit Hix & Chix & talk of the "good ol' days". Our sympathy to their children.

We had a delightful pre-Easter celebration with Al Kaesler calling and Joan Newman cueing, and Statens serving ice cream sundaes. One by one our "Snowbirds" are returning from the sunshine states; it is always so good to welcome them back north and to find them in our squares again. It won't be long before the clubs will be hanging out their "Gone Fishing" signs for the summer. We're hoping the dancers don't put their dancing shoes away, summer dances are among the best. Going to them is like a reunion as we meet dancers from different clubs. We always enjoy dancing at the NNJSDA Wednesday dances; meeting the graduates is exciting and fun. Hope to see you there. Have a healthy, happy summer.

3rd Fridays

Bryan School, Brookside Ave.

We have had a happy season so far, lively dances, great calling by John Kaltenthaler, occasionally assisted by his wife Freddie, and great cueing by Doc/Peg Tirrell. We had a beautiful 50th wedding anniversary celebration too. Other clubs have raided us with gusto and we have "retaliated" with enthusiasm. Our remaining dances include our popular pot luck dinner and amateur callers night for April. We cheer everyone who has the courage to go up on stage. For our grand finale in May, we welcome new graduates in the hope they will quickly become regulars in our friendly world of Square Dancing. For mainstream dancing at its best, we recommend you come to Tenakill for a thoroughly enjoyable evening. Sincere thanks to Walt/Berta Moffatt for leading Tenakill Twirlers over the past 2 years and to their hard working Executive Board. Enjoy the summer. We'll look forward to welcoming you 3rd Fridays at Tenakill this fall.

Time for May flowers and wonderful Spring dancing! We'll be celebrating our students' passage to graduate status in May and are looking forward to the ice cream social, our last dance before summer vacation. We had a great Mystery Bus Ride arranged by our roaming raiders, the Berlinruts. It's been a most enjoyable year, and we thank our officers and committee people for their labors, their time and their enthusiasm which is so much a part of our dancing activity. Doesn't it make you feel good to enter a hall and see the smiling faces welcoming you? We love it! The officers will be planning next year's course over the summer and we wish them a productive successful year. We hope you're planning to dance your way through summer with Association dances, perhaps a workshop session, or a weekend special here and there. We'll surely see some of you at the National Convention in CA. Won't we all be rarin' to go in Sept. with pleasant vacation memories and anticipation of another outstanding dance season. See you in September!

1 & 3 Thursdays

Mansfield School, Route 57

By the time this is published, Warren Wheelers 20th Anniversary Dance will be history. In April, 50 couples enjoyed a dinner and dance with Bill Wagner on the squares and Al Spinks cueing the Rounds. Wilson Hoff, who has taught so many couples to dance, was honored as well as Lou/Julia Rossi (Charter Members who are still dancing). Both Officers of the NNJSDA and couples from 10 clubs participated in the dance. Our thanks go to all who supported the event and made it a success. Warren Wheelers has lost another member to PA, Floyd/Ada Proctor. They have been in charge of many of our classes, including our present one, over their 17 years of membership. We will certainly miss them. Our present class of 4 couples and 2 singles graduated in May. We hope they will enjoy many years of square and round dancing.

As we approach the end of this dance season, we still have a lot more dancing fun to look forward to. We have a summer of dancing at Petruska Park coming up. See our ad for the details of this very popular program. But remember, we are starting a few weeks earlier this summer. This workshop offers the new plus dancers, as well as the seasoned ones, an excellent opportunity to sharpen your skill in a relaxed, casual, outdoor atmosphere. We also encourage the mainstream dancers to take advantage of this workshop as an opportunity to enter the plus program of dancing. So, don't be bashful. Come on out. Not only will the exercise be good for you, you'll really enjoy joining us at Petruska Park this summer. I am sad to write that Leo/Rose Rogers are leaving this summer for their new home in Virginia. Not only are they great fun to be with, but Leo has been the guiding force of this club for the past several years. We owe a large measure of our success to him. We wish them happiness and lots of good dancing at their new home.

Carl Kumpf School, Mildred Terr.

This year Y Squares celebrates 25 years as a club. Many of our club members have 10 years or more active membership. In fact, several members have over 20 years membership. In this time of non-commitment on the part of many dancers, steady active membership is indeed commendable. To all our new graduates we say congratulations on becoming part of a super, super activity. Wear your club badge proudly to all dances. Participate willingly in club activities. Introduce your friends to square dancing and help your club grow. Without every member's help, clubs cannot grow. Take part in Association activities. Attend Association dances and meet other new graduates. And the most important thing of all is to HAVE FUN. We have enjoyed being Y Squares reporter this year and we hope to see all our friends on the dance floor. See you in a square!

Those of you who were at the 2nd Annual N.J. Square Dance Convention and were smart enough to attend the sewing hints session with Rose Ericson must be smarter than ever now. I missed those sessions but I was at least smart enough to pick up a copy of "IN STITCHES" with Rose Ericson. This is a 27 page compilation of styling ideas; fabric & trim suggestions; organizing the tools for your sewing; sewing directions for several styles of skirts, belts & cover-ups; storage suggestions; sewing short-cuts A to Z; Sources for: Square Dance catalogs, notions catalogs; laces, trims & Western Notions, Petticoat kits, pre-cut 3D apparel, patterns, knitting & crocheting instructions and Fabric by Mail. Rose has earned my sincere respect for this very educated, informative and time consuming effort. If anyone out there knows how to contact Rose, I would appreciate the info to pass on to readers of this column who were not fortunate enough to go to the Convention and get this valuable packet of ideas. Rose, Rose, where are you?

Meanwhile ----some hints I've learned through my own mistakes or by reading books such as "Sew Successful - 1001 Super Sewing Hints" by Claire B. Shaeffer.

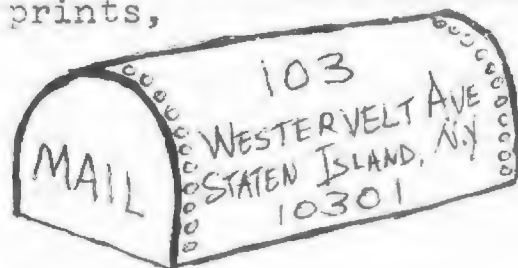

*Fabric selection is just as important as garment construction. Consider its launderability, ironing needs, durability and special sewing problems as well as its appearance. I like poly/cotton blend prints. They don't sag on the bias (nasty problem for circle skirts); they wash & dry in my machines and sometimes don't need ironing; stitching irregularities don't show that much; inside seam edges don't need binding; prints don't have to be matched at the seams and need fewer design details & trimmings. Also, the fabric allows perspiration to evaporate through, not like pure poly or other synthetic fabrics that don't "breathe".

*If I see a loosely woven fabric that I like a lot and the price is too good to pass up, then I make a tiered ruffled skirt. However, I can make a circle skirt, I just don't hem it right away. Let it hang on a good skirt hanger, so that the waist is held level, for at least 24 hours, maybe longer. Then, you can use your eyes as a guide, or if you don't trust that, measure down from the waist seam, mark the cutting line with chalk, cut (leave hem allowance) & stitch.

*Sometimes fabric opportunities lurk in places other than fabric stores. Go to white sales. Sheets are an obvious fabric choice, but check out the tablecloths and curtains. They have ruffles, border prints, fringe edges & are already hemmed. Let your imagination run free to see all the possibilities.

Happy Summer Sewing,
see you at L.U.S.T.

CALLERLAB

The International Association
of Square Dance Callers

They met in Reno, NV the end of March and talked up a storm. When all was said and done they decided a stability was needed in their lists and that few, if any, changes were really needed and only dropped curlique & partner hinge from the MS list; triple trade from the Plus and renamed "extend the tag" to just "extend" to reflect its actual usage. They dropped the 25 experimental MS with a few plus calls program for lack of interest on a national level; will continue with the community dance program; awarded Bruce Johnson their prestigious Milestone Award and are raising money to produce a commercial grade video to be used to help recruit new people into classes. There was much good quality discussion showing their concern over the general S/D activity. The realization is dawning that the demographics have changed since the 50's and 60's and "we" must change and work with what we now have and steal a line from the old song "to accentuate the positive and eliminate the negative. Most came away with a good solid feeling that CALLERLAB is pulling through a most difficult period and that with this more positive approach to the total picture will successfully devise and implement new and innovative ways of recruitment and retention.

CENTRAL NEW JERSEY SQUARE DANCE ASSOCIATION

This year's Association President, Carmen Pallone's goal is to have each club within the Association encourage graduates as well as old Timers to continue to come out to dances. We all seem to be losing dancers including the teen clubs, so we explore the reasons why. We hope to have more interaction between clubs to help one another as well as holding special dances in each club. Members of the Executive Board will also visit each club at least once at their dances.

Our annual spring dance is upon us the second Sat. in May at Emma Havens School, Drumpoint Rd., Bricktown. Bill Heyman calling and Hap/AJ Wolcott on cues; hope to see many of you there. How did you like those "Klickety Klackety Kloggers at the State Convention? What a performance. No wonder they are representing NJ at the National Convention. Please remember they need your help. Send a donation or call Jane Rendules, 4-H Leader, 42 Bartive St., Toms River, NJ 08753 (201-255-6093). I know this club will appreciate any help you can give them. See you in CA. Have nice summer.

NATIONAL AMERICAN FOLK DANCE - the Square Dance???

It's been the dream of many to have the S/D (& its related activities of rounds, folk, contra, clogging, line & heritage dances) designated as the American Folk Dance of the USA. It was so designated in 1982/3, temporarily. Now the Square Dancers of America would like your help in having this designation made permanent. In mid-March we had approximately half the co-sponsors needed for HR 2067. Please write your Congressman and ask them to be a co-sponsor of H.R. 2067. A sample letter might be like this -

Will you please Cosponsor H.R. 2067, the Bill to designate the Square Dance as the "American Folk Dance" of the United States.

This year is the 200th Anniversary of the Constitution and I feel it is the right time to have this Bill passed. The Square Dance was being formed 160 years before the Constitution was signed. It is truly a big part of American History.

The Square Dance is the melting pot of all Ethnic Dances. Just as the Immigrants from many Countries had joined together to form our great Nation, so has each of their Heritages of Dancing contributed to become the Square Dance. Square Dancing epitomizes democracy because it dissolves arbitrary social distinctions. It is a joyful expression of the vibrant spirit of the people of the United States.

Thank you for your Cosponsorship,

Also send in written testimony on why you believe the S/D & its related cultural dance forms should be permanently designated the American Folk Dance of the USA to: Honorable Mervyn M. Dymally, Chairman, Subcommittee on Census & Population US House of Representatives, Washington, DC 20515. PLEASE include your name & address. Specify activity, club & Association, how many years you have been dancing; how many years you have been involved in organization work, your occupation & your Academic Degree. Deadline is June 1st. Send a copy to Frank/Helen Cavanaugh 113 Stony Rd, Edison, NJ 08817. They are helping Frank & Nan Habersberger coordinate this campaign. The public hearing will be Tuesday, June 28, 1988 with 6 witnesses allowed.- There is strength in numbers - let us all show our support for this effort.

SQUARE DANCE COUNCIL of NEW JERSEY

MARCH 19 - An overflowing day of fun and fellowship down at Trenton State College where over 1900 people gathered for the 2nd NJ State Convention. Folks came from as far away as New Hampshire, Iowa & Florida - with many from the metropolitan areas of New York & Philadelphia making a full day trip for dancing.

There were 12 ½ hours of squares, rounds, clogging and line dancing plus workshops & teaching sessions. Add in leadership & educational programs, an overflowing 2 hour sewing clinic and 14 vendors who did a brisk business. And what a thrill to watch as the clubs marched in behind their club banners during the GRAND MARCH. The Circle Of Service award, for dedicated & outstanding service to the activity was presented to registrars Don/Pat Stephens. Yes - it was a glorious day! (And didn't we get a lucky break in weather!) But no convention can be conducted without the blood, sweat & tears of many behind the scenes workers. It never could have been accomplished without the cooperative efforts of the members of all eight organizations that make up the SDCNJ.....and we thank each and everyone of you.

All the critique sheets have been carefully studied - were thoroughly discussed at the April 30 wrap-up with some new ideas implemented for the 3rd.

Presently circumstances beyond the control of the SDCNJ dictates the date of the NJ Convention - if we are to continue to hold it at Trenton State College. Thus the tentative date in March has been changed to a positive date of April 1, 1989 for the THIRD NJ CONVENTION. And this is no April Fool's Joke. All who pre-registered will be so notified & refunds made to those who can not come on April 1st. Mark your calendars now, Please - APRIL 1st - Third NJ State S & R/D Convention.

Your SDCNJ does MORE than just sponsor a state-wide convention with a kick-off dance in August, it has assembled a state-wide roster of callers, cuers, prompters & clogging instructors as well as a roster of all known clubs. These are made available free thru each organization's delegates- or you may write to the SDCNJ Chairman - Doc/Peg Tirrell. A state-wide calendar of organizations S/D related events is maintained and made available to all. Rapport has been established with the NJ Department of Tourism with a folder being developed for placement in the Welcome Centers. The Annual Meeting of the SDCNJ, which is open to anyone, will be Sunday afternoon, October 16, 1988 in North Brunswick, NJ.

The NNJSDA may be celebrating its 30th Anniversary at one special dance September 30, but each of the various clubs ED & RUTH JOHNSON belong to decided to surprise them with special parties in honor of the Johnson's 50th Wedding Anniversary. They're pictured cutting the icecream cake at a party hosted by the Ramapo Rhythmaires Round Dance Club. Congratulations & Many More Dancing Years Together.

From the Suggestion Box at Delegates Meeting: Would a club ever consider cancelling a regular dance night to go dance with another club that meets on the same night? Several have done this. It saves money for one club and augments the treasury at the others, besides forming new friendships. One club even combined a special dance sponsored by both clubs at the same night.

ROUND DANCE HIGHLIGHTS

Our two halls were comfortably full at our spring round up. A number of R/D graduates had their first taste of a R/D festival. The Brodys teach of "Fishing in the Dark" was well received. The McLaughlins took their time explaining the unfamiliar figures in the lively new rumba, Now or Never. The only complaint voiced to Dance Chairman, Jean Kellogg, concerned no time to spend at the refreshment table! So she quickly gave all "eating time" after announcements! These leaders not only can cue well, they can also bake delicious "non caloric" items! The love bug has hit our Council. Congratulations and Best Wishes are extended to Nick Raspa and Carole Rizzo who were married March 26th and to Dave Roberts and Wendy Broadbooks who've set their date for June 18th. And speaking of dates, the next Council Event will be the fall Round Up on Sunday afternoon, Nov. 6th, down at the VFW in Iselin, NJ. Again 2 halls so plan now to join us. And if you even decide you want to join the ranks as a R/D cuer, contact any of our leaders. They'll be more than willing to assist you. Have a good summer! See you around. 201-891-3189

Our most recent accomplishments: Tues.-Manuela (Rumble) and Rainbow Foxtrot and after 10 is working on Cinderella Rockafella; Thurs.-Rainbow Connection (Childers) and My Love. Both groups will be dancing all summer, on a vacation schedule; please call before attending the first time to be sure we are dancing that night.

We wish everyone a safe and happy summer! Thank you to all who helped make the monthly round dance parties a huge success; watch for flyers for next year's parties. Basic class will begin on Wed., Oct. 12, 7:30PM at Wilson School.

Ramapo Rhythmaires - Tirrell - Waldwick, NJ - Wed. 201-568-5857

Our afternoon of rounds on Valentine's Day was extra special, celebrating the anniversaries of Lee/Eleanor Gardner and the Van Blariums from CA AND the engagement of Nick Raspa and Carole Rizzo during "I Just Called to Say I Love You." Our class is progressing beautifully and will graduate early June. Come Fall, the class will resume continuing on in Part II, which is designed specifically for the R/D who has completed his Phase II Basics and wants to move into some of the ROUNDALAB Phase III rhythms and figures. During the year we will cover the figures in the Waltz, Foxtrot, Quickstep, Latins and Jive. Anyone who is comfortable with the Phase II figures is welcome to come and join us. The club is beginning to relax now and enjoy Send Her Roses and Para Esto. The music of some of these Classics is certainly beautiful. Guess how old Ramapo Rhythmaires is? Ask our historians (and Honorary Members) Gail/Clete Polk or Helen Hardy!

Rock-A-Rounds - Woerner - Pomona, NY - Mond. 201-261-1047

The leadership of the Rock-A-Rounds has been passed to Ruth Woerner by Jack/Carol McLaughlin. It will run as a Phase II club and continue to dance at the Rockland County Health Center, 3rd Fl., starting at 8PM.

We welcomed in spring with our first Phase II dance with Ruth and a good time was had by all. The first half hour is used for teaching and is followed by 1½ hours of dancing. We are all new and still learning, and are enjoying all of it. If you have just finished or almost finished your round dance lessons, come join us, you will be very welcome.

Tirrell Twirlers - Tirrell - Cresskill, NJ - Sun/Mon/Tues. 201-568-5857

The Sunday nites will be taking a summer sabbatical until Sept. Please consult our flyers for the Mon. nite schedule after May as it is sort of sparse in June, July & Aug. (the Tirrells are away too many Mondays). Summer time is Classic Time, a chance to dance the old favorites and add a few more to our repertoires. In spite of the snow storm, we all made it to Keene, NH for the R/D Weekend with Jo Yakimowski and Doc/Peg. Imagine a parquet floor all to ourselves!!! And delicious food too! What a treat! Wished we had such a place near NJ! The Tuesday nite Phase V & VI will dance all summer on a limited schedule. As of this typing, we are working on the lovely "Kiss Me Goodbye" and helping Doc/Peg write their Phase V workshop dance to use at the 6th Canadian National in Ontario.

Need a R/D cuer? Pictured are the newest members of the NNJRD Leaders Council - L - R: Donna Anderson, Carole/Nick Raspa, Ruth/Andy Woerner; Joyce DeSantis/Herb Rivkin, & Karen/Greg Kushla.

MASQUERADERS -- East Windsor, NJ

(+)

1, 3 & 5 Fridays

Am. Czech. Farmers' Club, Rt. 130/Hankins Rd.

With summer fast approaching, the Masqueraders are pleased to have had an enjoyable dancing season. Thanks go to Presidents Bob/Jane Cox and their officers for a fun time. The month of March found the club mystery raiding Circle Eights in Fairless Hills, PA. The last class dance was held at Nottingham Ballroom. It is hoped that the graduates will come to the Masqueraders and continue improving their dancing skills. The NJ State Convention attracted many of our members for another great day of squaring and rounding. April brought a pot luck supper with installation of officers. New officers for the 88-89 season are: Presidents: Charlie/Dot Seymour; VP's: Bob/Marge McClure; Secretaries: Jock/Sally McFarlane; and Treas.: Dick/Joanne Hartung. We did a demo for the Princeton Arts Council.

SILVER STARS -- Pomona, NY

(MS w/+tip)

1, 3 & 5 Thursdays

Rockland County Health Ctr., Rt. 45

Well, April is here and the Silver Stars have been doing a lot of traveling and dancing together. A group went to the Mystic, CT., Ramada Inn for a dance weekend and everybody had a lot of fun. The NQR Students are doing very well and were able to hold their own at the NJ State Convention in the MS hall. At the Convention between the Silver Stars and NQR, we had 3½ squares. On Saturday night we all stayed at the Red Roof Inn, and at the after party there were 37 people in the one room until past 2AM. (The motel manager was "sleeping" next door.) In Feb. the Silver Stars were invited to a covered dish supper by the Pelham Promenaders. The hospitality, food and dancing were all excellent and we all had a really fun time. Hope to see you soon in Pomona.

Some issues flow together so easily - while others are more memorable! We can cope with losing our Associate Editor, Linda Morrison, followed by our initial typist Shirley Sherlock's sudden departure to help her ailing mother. (Bill did loan us her typewriter!) But when in spite of a postal increase, suddenly long after deadline comes in almost 3 pages of ads and late club news - one wonders - what has happened!!! On a gorgeous Saturday while Kathy Porter &

Donna Anderson (who also brought along the most delicious stuffed peppers AND also soup!) typed merrily away, Charlie Porter became a GRAND SQUARE apprentice as Peg fielded questions & phone calls & tried to lay out the 60 pages on the dining room table. In the midst of all this orchestrated chaos came the phone call concerning the APRIL 1st date of the 3rd NJ State Convention. Instantly the Tirrells changed hats, calling their SDCNJ Ex. Bd for approval. Once accomplished - back to GRAND SQUARE. Bill Anderson who arrived in time to eat, & Barry Serebnick, who didn't, were pressed into proof reading....until all left and peace descended at #3 Churchill Road - the cat came out of hiding - and the Tirrells worked on and on and on. Midnite oil burns late at deadlines. Would you believe this winds up our 23rd year as Editors! And on July 29th we do it all over again!!!

Thanks to the marvelous response of the Booster Drive we are able to hold the same advertising rates for the third year! By June 26th new club presidents return your NNJSDA info questionnaire to Tirrells. Deadline for GRAND SQUARE - July 29- NEWS & ADS. Don't be late. No grace period!
