From the desk of NORM & AUDREY BOLIN, presidents - NNJSDA

The Summer is over, we hope that everyone had an enjoyable Summer by attending the various dances that were available for your dancing pleasure. Although our first Summer Dance had to be cancelled due to the weather and the lack of air-conditioning, we still had over 11 Squares of hearty souls who did turn out and we want to thank them for their understanding and patience. The balance of the Summer Dances were successful with the Callers and Cuers providing a well rounded program for all dances. It was gratifying to see so many graduates attending these dances and the regular Club dancers accepting them into their Squares. Our congratulations go to all those new graduates who received their Freeloaders Award, keep up the good work.

We want to congratulate Rose Ericson for winning the 1988 NNJSDA Poster Contest. September is "Square Dance Month", the time of the year when we start recruiting our potential new Square Dancers. We hope that the Clubs use the Posters in recruiting new students. Many Clubs put on an extensive campaign to encourage Square Dancing by way of demo's, advertising, etc. All of these methods are not effective without that personal touch. YOURS. It is suggested that until the potential dancer feels comfortable, you can act as a personal representative and bring them to class. It really helps.

Although the classes for the past couple of years have been relatively small, the enthusiasm by the new graduates has been overwhelming. We want to keep up this enthusiasm in order to build up the Clubs. One of the ways to help achieve this goal is by the dancers attending L.U.S.T., NNJSDA's semi-annual all day seminar/dance. It is designed to increase knowledge of ~~what makes a Club be a well run organization.~~ This year it will be held at Rutgers University on Sunday, Sept. 25, 1988. It is well worth the effort.

This is your organization and for your dancing pleasure we have scheduled various Special Dances-starting with our 30th Anniversary Dance on Sept. 30, with Cliff Brodeur calling. Followed on Oct. 29th with a Special with Glenn Matthew and Barry Jay Serebnick. On November 13th, we have our 14th Mini-Festival with Red Bates and Jim Pulaski. Check flyers for further details. These dances are part of the "One Square Is Fair" program. It is gratifying to report that we were able to recognize 6 Clubs who had had at least one Square at all of our 1987-1988 Specials.

It has been a pleasure being your Presidents during the past year and we want to thank all those who have helped to make it a successful year. We are looking forward to another fruitful year and hope that we will be able to visit as many Clubs as possible and have the pleasure of meeting many of you on the Square Dance Floor.

Happy Square DANCing.

You still have time to contact the Blood Bank Chr. to indicate your willingness to participate in the NNJSDA Drive at LUST! As of late July, 18 generous people have signed up - that's marvelous! Now if 18-20 more generous people would stick out their arms (and their hearts), almost 200 people in our communities would benefit from your generosity. Since January 2 dancers have utilized our Blood Bank - thanks to you, the blood was there. It is not too late to donate.

In 1976 the NNJSDA recognized the need for a program to help new club officers understand their duties & train future leaders. As a result, LUST - Let Us Speak Together, was born.

LUST is a great way for dancers to share those many "secrets" that help our clubs function successfully. It is an opportunity to share ways to improve the state of the activity. Parts of the program are specifically designed to help the new officer; there are many other parts for the non-officer....to grow in the knowledge of their favorite recreation. Not only dancers, but callers, cuers, prompters, cloggers will be sharing the day together. Come learn new ideas; come share with others.

Opening session at 11 AM - although registration will begin at 10 and include continental brunch. Bring your own box supper; Come prepared for dancing in the evening. All winds down at 9:30.

SUNDAY, SEPTEMBER 25, 1988 at RUTGERS UNIVERSITY.

In June, while attending the Square Dance convention in California, we took part in a seminar titled "TIRED/RETIRED". During the discussion, the panel put forth the following rewards gained from Square Dancing:

...Mutual admiration-shared with other dancers, Fun & Fellowship, Good Exercise for staying healthy, Travel, Keeping your mind active, Learning Leadership and other skills, Taking part in benefits (Angelina, Dancing in Nursing Homes, etc) and finally spending your time in an enjoyable atmosphere. **DO YOU AGREE ???**

Our audience came away feeling we probably get more from the Square Dancing activity than we put back in to it. So...if we want our activity to grow, we have to share these REWARDS with others. Spread the work... "Square Dancing is alive and Well". !!! ... **SEE YOU IN A SQUARE.**

The hearing for H.R. 2067 took place June 28, 1988. Six witnesses gave excellent testimony in favor of the bill: Frank Habersberger, chr.; Malcolm MacKenzie of Handicapable S/D; Gordon Goss of the DIRECTORY; "Decko" Deck of CALLERLAB; Bill Higgins of ROUNDALAB & Frank Cavanaugh of LEGACY. Six people gave opposing testimony. Mr. Dymally inferred the committee had received very little mail in favor of the bill - even though the the Habersbergers had a petition signed by over 3,000 dancers from the NSDC. Subcommittee members are Robert

GarciaNY, G. Sikorski MN, C. Morella, MD, & Dan Burton, IN. The decision of the subcommittee will take several months. Sincere thanks to all who took the time to write in their testimony. Thanks to the efforts of the Porters on SI, one more Congressman's backing for the bill was received.

1/3 Thursdays

Summer Time is transition time for Square Dance Clubs. Last year's season ended with a Pot Luck Supper and a great dance, called by Wilson Hoff. New officers were installed.

We are thrilled to have members from our last two classes as officers for the coming year. We wish to extend a great big public THANK YOU to last season's officers: the Kinneys, the Dulaneys, the Proctors and the Blassbergs for a job well done.

We are sad to announce the death of one more of our members, past-president, Alice Raimondo. We extend our heartfelt sympathy to her husband, Ray. We shall miss her.

Several demonstrations were scheduled over the summer to promote our classes in the Fall. By the time of this printing, we will have danced at Allamuchy Days, Long Valley's 250th Anniversary Celebration and the Warren County Fair. Our annual picnic/business meeting, held at the home of Doc and Esther Wasser, will be a thing of the past and so will our 1st dance in September - with our club caller, Dick Pasvolsky.

Our new classes will be starting with Herb Conklin as instructor and still coming up...one more demo for Tranquility Days.

We are looking forward to a great year - under the leadership of our new officers: Breslins, Disbrows, Wassers, Yagers, Snyder and Fishburns. See our ad in this issue and join us on the 1st & 3rd Thursdays. Visitors are always most welcome.

WESTERN WHEELERS -- Westwood, NJ (+)

2/4 Saturdays

Methodist Church-Kinderkamack Rd./Bergen St.

We, at Western Wheelers, are a very busy club. It seems we are never "still" for a minute. Having ended a most successful year in June, we do take TIME OUT to thank those dancers, who said Yes, in June of '87. YES, is such a great word-be sure to use it, when you are asked to serve your club next year. After only a brief interlude, we began the PLUS WORKSHOP at Petruska Park in Paramus. Many MS dancers who felt comfortable at MS joined us to begin learning PLUS-with a terrific teacher, Barry Jay Serebnick. Even we older plus dancers learned a few new tricks and those three "H's" didn't stop us. Our Open House in August, let other local clubs show "their wares" and our Warm-Up Dance was our way of thanking those summer dancers that we appreciated their enthusiasm. Our members marched in several parades, put on demo's and had several picnics. The Executive Board has put together an exciting year, see our ad, and do come join us. We really enjoy seeing old friends and new friends are welcomed into our club with warmth. See you real so.

Seventeen enthusiastic & very capable dancers received their diplomas from their instructor, Betsy Gotta at our Graduation Dance in May. It was truly a memorable occasion for us all. The lady grads donned lovely corsages and all the grads wore mortar boards with brown & light blue tassels, our club colors. Carl Hanks outdid himself with his fantastic calling. Jean/Gene Koenig from NNJSDA added to the festivities with their words of welcome and encouragement. It was one of those very special nights. Betsy Gotta was very proud of her students and she had every reason to be. She's an excellent instructor and they were excellent students. Our last dance was our Ice Cream Social. We all made our own favorite sundaes with special toppings of our choice. We are looking forward to another great year with a new slate of officers headed by Walter/Jane Ness as Presidents. Gordon/Jo Ann Eyler who just graduated will be our new Vice Presidents; Harold/Ruth Moser Treasurers and Leonard/Emma Campbell will serve as Secretaries. Maurie/Taras Berlinrut have once again agreed to be Raid Chairmen. They really kept us hoppin' this past year with 18 raids and a great Mystery Bus Ride to Leisure Squares in E. Stroudsburg, PA. Be prepared for another busy year! Herb Conklin called at our demo at the Lion's Club carnival in Warren in July and did a great job. Thanks so much Herb! As you can see, we really had a busy year. A lot of fun was had by all. Come down and pay us a visit. You'll be glad you did.

TENAKILL TWIRLERS -- Cresskill, NJ (MS)

3rd Fridays

Bryan School, Brookside Avenue

September marks the beginning of our 1988 season. Tenakill Twirlers has been in existence for over thirty-five (35) wonderful dancing years.

We are fortunate to have John Kaltenthaler as our caller. His wife, Freddie, adds her sparkle to all occasions. Our popular cuers, Doc & Peg Tirrell, attract a huge following of round dancers.

This summer, we participated in a number of exhibitions and parades. The viewers responded with enthusiasm and surprise that square dance clubs surround them - as individuals, we have to "spread the good word."

Our Club really treasures our long time members but we also love to welcome brand new dancers into our ever-growing circle of friends. We're ready and eager to dance with you.

2nd Friday

Community Church, Harriot Ave. & Spring St.

Our season came to an end with the Annual Moonlight on the Hudson Dance. Although the moon didn't shine and the evening was quite cool, the pavilion floor was crowded (a couple of squares danced downstairs on the uneven pavement) and the White Knight, Michael Johnstone, delighted all the dancers with his spirited calling. We had guests from many clubs, including a large group from Long Island, and recent graduates were conspicuous by their numbers. The hit of the evening was a cake beautifully decorated by our president, Lisa Ramirez, to replicate the danglers that were awarded to all who attended. Although our next dance wasn't until Sept., you probably saw members dancing wherever there are summer dances. We'll be back in the fall with a new line-up of great dances. Have a good summer and enjoy as many of the great summer dances as you can. See you in September.

SUSSEX SPINNERS -- Sparta, NJ

2 & 4 Fridays

Sussex County Vocational School/Rt. 94

The Sussex Spinners held a demo in July at the Walnut Valley Festival in Blairstown. We also took part in the Sussex Farm & Horse Show in Aug. This is always a great time for us to get together and spread the word about our dancing fun. The 20th Anniversary Dance was held in June and we had some of our original members return and share the good 'ole days. The chairmen of the dance, Ann/Al Johnson did a superb job with the help of their committee. Max/Jo Hartman made it all possible with the Ad Book Chairmanship. The skit by Ed/Betsy Hull, Jim/Betty Sublesky, Andy/Hazel Letora & our new presidents, Bill/Terry Armstrong was entertaining. Thanks again to Janet/John grace our past presidents. Check our ad for future dances and + and Beginners' classes.

A.P. Terhune School, 40 Cyanamid Dr.

Keith Douglas, who has faithfully brought you our news, is now president of Belles and Beaux. He will have enough to do without trying to continue with this chore. We congratulate and wish him success and thank him for all that he has done in the past. We welcomed a small but qualified group of graduates into Mainstream dancing. As with all grads, remember you were once there yourself. Help them when help is obvious, then otherwise let them "explore." We also had the honor and pleasure of seeing our Howard Kaplan graduate from callers school. Howard had been calling our demos but now is ready for some more serious doings. We wish him success. Our annual banquet with Bob Mitchell calling was a ball! The weather was hot but we were "hotter!" New officers were installed: Presidents, Tom Elm/Dolores Gesumaria; VPs, John/Marie Francis; Treas., John/Ruth Maier; and Secretaries, George/Doris Farrand. With the hiatus of Wayne Applegate's calling and teaching, Bob Robinson has stepped into the gap. Best regards to Wayne and especially Rita. Next to our last scheduled dance, we had no caller! At our last dance, we had 4 callers! Talk about feast and famine! It was refreshing to have Dot Lowenstein (and her spouse), Wayne Applegate, Paul Brody (and his spouse), and Walter Riechmann (and his spouse) from Hamburg, Germany. Walter called a great tip and many had the opportunity of dancing a "purple heart" tip

Welcome back to what promises to be the best year ever for dancing at the "hills." Our new Presidents are already into the "swing" of things and have a full complement of help: Presidents, Joe/Hindy Kaspar; VPs, Bill/Carol List; Secretaries, Ray/Alie Randlett; Treasurer, Jim/Kate Malcolm. We want to give our heart felt thanks to El/Jean Wolf for the tremendous job they did in the 1987-88 season. Terrific people like the Wolfs and our other officers are part of what makes square dancing so much fun. Bob Tarrant, our caller for many years, has decided to hang up his microphone, and we are going to miss him this year. We wish him and Kay the best and are looking forward to dancing with them. Somerset Hills will be featuring a variety of callers and cuers at our regular dances. Brian Fugere has agreed to call for our Class on Monday nights. Last year we graduated 27 mainstream dancers and we know Brian will do as well this year. The summer plus lessons sponsored by our club, with Betsy Gotta, Brian Fugere, and Dan Koft sharing the calling, were a great success with an average of more than 4 squares each Friday. Come and join us!

Hi everyone! September is here once again and our fall semester schedule is well underway. We've already had our HI/LO Dance and the first set of lessons for this year has begun.

Backing up a bit, many of our club members enjoyed the summer dances and everyone had a great time at our Annual Picnic at the Log Cabin in August. Everyone is looking forward to our fall dances, especially the Halloween and Toys for Tots Special.

Be sure to keep an eye out for flyers and ads in the next Grand Square issue. Congratulations to Kathy & Jeremy Roden on the birth of Andrew William Bryce and to Heidi Shugae and Ray Schmidt on the upcoming marriage.

Our Club dances on the 2nd and 4th Thursdays of each month and we love to have visitors. Come join us!!!

The SDCNJ reports that plans are underway for the 3rd NJ Square & Round Dance Convention to be held April 1, 1989 at Trenton State College.

Continuous dancing in the Basic, Mainstream & Plus programs has been scheduled from 10 am to 10:30 pm along with round dancing in all phases. Selected hours will be dedicated to Advanced and Challenge programs, clogging & contras. The GRAND MARCH will take place at 7 PM.

The Convention Committee, led by Chairman Tex/Margaret Shipman, is considering the possibility of rotating the dance programs thruout the major halls in response to dancer concerns. This will give all dancers the opportunity to dance on the wood floor in certain halls; & perhaps lessen "the agony of the feet". See your delegate for registration forms.. or write Registrars Don/Pat Stephens 674 Clifton Ave, Toms River, NJ 08753.

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Our Awards Dinner Dance ended a successful and exciting Square Dance season. Chaired by the Executive Board with Dan Koft calling. We have had lots of wonderful dancing with excellent callers. Our Valentines' Dance is always a stimulating realization that Spring is here. The very prettiest dresses come out of the closet. We had an unusual treat with the Richmond County Cloggers. Chaired by Judie Dahl and Wayne Applegate calling. It was feasting time with our Annual Pot Luck Supper. For food lovers, it was pure bliss. We have in our membership an inordinate number of good cooks. Ta ta Julia Child! Chaired by the "Miracle Workers," Bob/ Madelon Merkler, with Brian Fugere calling, any Spring Fever still lurking about quickly vanished. The Summer Dance program of the NNJSDA showed good attendance by our recent graduate members. Congratulations. The Club wishes to emphasize its appreciation to the outgoing Officers, Committee Chairmen, and Special Dance Chairmen and to all that helped us to keep dancing. After the Awards' Dinner, the following new officers were installed: Charlie/Kathy Porter consented to remain as Presidents; VPs, Floyd/Fran Miller and Romeo/Pat Pettinato; Secretaries, Jim/Helen Dunlop; Sam/Grace Ippolito will remain Treasurers. Peter/Joan Yuskevich will continue as NNJSDA Delegates and Alternates are Norman/Susan Reid. Congratualtions to all of you and best wishes. What, no summer raids! Yes, we did. Jim/Barbara Branigan called a group of die-hards and made it to Merri 8's with only 1 person lacking to make 5 squares! It was a hot July Fri. night and Joe Goins did the calling. Confidential: this was the 50th raid for Floyd/Fran Miller. Where are the gold stars? See you in September.

We were all saddened to learn of the death of Charles Fricke in July. Charles was a long time member. Our sympathies to Jean and her family.

2 & 4 Fridays

Nottingham Fire House, Hamilton Sq.

The Wednesday night Mainstream summer dances were a lot of fun with an attendance of 6 or more squares at each dance. We are looking forward to an active and exciting fall season at the Nottingham Ballroom. Come on out and try your hand at calling or cueing on Amateur Night in Oct. Our costume party dance in Oct. should be a ghostly experience. Try your hand at winning a Thanksgiving Turkey in Nov. We had a great turnout for our summer Plus dances. Callers like Dick Kozlowski, John Carlton, Ed Foote, Lee Kopman and John Kephart gave us all a wonderful time. Coming up this fall are callers Al Horn, Red Bates, and some of our fine local callers. The location of these dances is to be announced. Princeton Rounds danced their way through an enjoyable summer. Our teachers, Ron/Ree Rumble helped us through "Sunflower," "Three AM" and other new dances. We are looking forward to dancing at a new location this season. Our last dance at the Nottingham Ballroom will be the end of Sept. Beginning in Oct., we will continue at a school in Hamilton Township. Our new class for intermediate rounds, with John Toll teaching at the Princeton Adult School will start in Oct. Flyers are available. Our thanks to all the dancers who made our summer a big success and lots of fun!

Not to be outdone by other magazines, GRAND SQUARE has had a special CENTERFOLD section for a number of years. The Fall issue is the NNJSDA ROSTER of Clubs and listing of NNJSDA Officers/Chairmen. We suggest all take time to remove this centerfold and put it in a convenient location. Periodically, updates will be found in GRAND SQUARE.

Christ Methodist Church, 1890 Forest Ave.

We trust that at this printing, all is still shipshape with our members. I'm looking forward to dancing with them again and hearing about their summer vacations. We've got new officers who will take up the torch of enthusiasm passed on by the past officers, and some incumbents staying on board to keep an even keel. Our mighty mariners are: Captains: Oscar Michaud/Judie Dahl; 1st Mates, Hope Engelson assisted by Ella Baker/Tony Rehfeld; Ships Secretaries, Ann Kravitz/Eileen Gibson; Bursars, Ian Dunlop/Cheryl Hettler; Chief Delegates, Barbara/Jim Cannon. Our raid raven, Eileen Gibson, is sailing into the new season and we are getting fully rigged. Our raid outfits now include a sailboat patch for ladies' skirts and sailor hats for everyone. We hope to wear this outfit a lot in the coming square dance year. Avast maties, pipe us seaboard!

Writing this in July, in anticipation of the Fall Dance season, puts a fiscal strain on one. There are those however, who are less seasonally dormant. These GOOD PEOPLE are the Presidents and their Boards-of all the clubs in the NNJSDA. Many of us, if we think of Square Dancing at all, look forward to the fun of the next dance, if indeed it pleases us to go dancing. Not so our Executive Boards. These people have been thinking of their responsibilities to their clubs since they accepted their various nominations. We, at M.T. Squares, are very fortunate to have Mary/Mike Adleman, as our new leaders and a Board of similarly dedicated dancers. What we as members must do in order to make their job a pleasant experience is give them all the support they require. The M.T. Squares are looking forward to another exciting season of dance. Please note that we will be dancing at our new location for the '88/'89 season. The Avenel Learning Center, see out ad. Peg/Joe Dockry will continue their Thursday evening rounds at the usual location in Menlo Terrace. We extend a warm welcome to ALL to join us.

Greetings to all and welcome back to a new year of square dancing. We hope to have all our old/new friends back Do-So-Do-ing with us at J.M. Hill School. The first dance of the season will be the Ice Cream Social. This dance is always a Big Hit with everyone, so plan on joining us for lots of fun and fellowship. Our thanks to El/Charlotte Miller who hosted our picnic at White Herron Lake. The food was plentiful and delicious and a fun time was had by all. Even the rain cooperated. During the summer months we did 3 demos at East Stroudsburg University for the Elderhostel program. Everyone greeted us warmly and eagerly joined in the dancing. Dalt Young and Mike Walsh were the callers. We are looking forward to our demos at the West End Fair and Stroud Mall with much enthusiasm. See you there. Sincere thanks to our outgoing Treasurers, Dottie/Jim Snyder and 2ndVP Marge/Bob Cays. Their dedication and service is appreciated by all. Look for our flyers and ads so as not to miss our super dances.

Recently our club was saddened by the death of our fellow dancer, Bill Hochrine. We all extend our deepest sympathy to Pam and her family. We will miss him.

LAKELAND SQUARES -- Mountain Lakes, NJ (MS)

Every Tuesday Mountain Lake Comm. Ch., Briarcliff Rd.

Now that summer's heat is behind us, we are happy to be back square dancing. Welcome to all and we hope you had a great vacation. In spite of the hot weather, Lakelanders participated in demos at Denville's 75th Anniversary Celebration; a picnic for Japanese visitors in Succasanna; and even travelled to the 4-H fair in Union County. We're always happy to show others the joy of dancing. Before taking a break for the month of Aug., we held our annual Ice Cream Social. It was a refreshing treat after July's humidity. Everyone enjoyed the food and friendship at our annual picnic in Aug. We danced to a favorite caller, Herb Conklin. During the summer we welcomed visitors from CA and St. Louis. We even had a guest from Spain. We are pleased to welcome our new students to the classes which are held every Wed., Pal Johnson is a fine teacher and we know that this year's students will be the proficient dancers that previous students have become. Class coordinators are Jim/Madeline Kelly and we appreciate their assuming this responsibility. We are always glad to welcome new members and so we extend our friendship to Tony/Ginny Caputo. Our former Grand Square Reporter, Sue Carlson, left us in June to be married and live in Virginia Beach. We wish her wedded bliss. She was a devoted member of Lakeland and we all miss her. This fall we are looking forward to our Octoberfest, Halloween Costume Night, Pie Night and Holiday Special. Amateur Callers' Night has become very popular and we look forward to having many future callers try their luck at the last dance in December. Singles, couples, teens, new dancers, experienced dancers are all welcome at Lakeland. Come join us in dancing MS with a plus tip every Tuesday.

We are dancing again at the same school but now on 1st & 3rd Fridays. Our 1st dance of the season was called with GUSTO by Bob Mitchell. We will have Larry Davenport on 1st Fridays but guest callers on 3rd Fridays. Please read our ad for further information on squares and rounds.

Our officers for this year are: Pres., Gail Cussen & Dick Lynch; VP, Joanne & Carl Stickles; Rec. Sec., Sally Lund; Corr. Sec., Joanne & John Morales; Treas., Pat & John Kovach. Class Coordinators are Linda Gugler & Donna Poyer who have made arrangements for lessons to be sponsored by the Newton Board of Education.

Along with some other Kittatinny Rangers--Kay's, Lertora's and Morales', we enjoyed the International Square Dance Camporee, in Ohio in July. From there we went to Hartwell, Georgia and brought back greetings from ex-NJ dancers - Austin's, Bender's, DeVores' and Hesses.

Once again our members joined with Sussex Spinners, at the Sussex Co. Farm & Horse Show, to demonstrate to fair-goers, the fun & fellowship of Square Dancing. Lou Massey spent the summer recuperating from surgery but we expect to see him & Pat at Kittatinny real soon.

(+)

1 & 3 Sundays

Presbyterian Church, 367 94th St.

We are pleased to welcome back Jerry/Nancy Vandervort as our presidents for the coming year. They did such a splendid job last year that under their helm, Kings Squares will continue to grow and be a presence in Brooklyn. Joining them as VPs are Dorothy Sickler, who will handle programming, and Bernie/Pat Monsen, who will be in charge of the beginners' class. The responsible position of treasurer will be handled by Frank/Jean Eppolito. Clive/Ann Hartt will serve as recording secretary and Charlotte/Irving Mandel will be corresponding secretaries. Andy/Grace Fiorelli will represent Kings as Delegate to the NNJSDA. Our dances continued in the summer and we enjoyed dancing to Manny Amor in July and Frank Riviccio at our August dance. In addition, our members kept up their skills doing advanced and challenge dancing at Cherry Ridge, Kato-nah, Long Island, New Jersey and throughout the United States.

J & M SQUARES -- Elmwood Park, NJ

(A-2)

Every Sunday

VFW Hall, 6 Veterans Place

When this issue comes out we will have danced the summer away in our air-conditioned VFW Hall. In June, we were raided by 40 happy people from the Checkerboard Squares of Long Island who came on a Mystery Bus Ride with their caller, Lou Flego. There were 16 squares at J&M that evening and all had a ball dancing to Lou's calls. In July, Ron Schneider came from Florida to call for us. He calls often in the camping area there. We have a different caller every week and the choreography is really interesting. Nick Raspa cues the rounds. We're happy to say that Bill Ostlund is feeling better after his surgery, and that Bill Peckham is dancing again. Congratulations to Georgi/Rich Flanders who are now proud grandparents of twins-a boy and a girl. Several of our members went to CA, had a great time dancing at the Square Dance Convention and at Disneyland. Join us for a fun-filled Sunday evening of A-2 dancing.

AMATEUR CALLER NIGHT

is always a lot of fun for the dancers and a most nerve wracking experience for the neophyte. Pictured are the brave souls who called at Tenakill Twirlers Amateur Night last Spring. Special dangles were awarded to all who participated. A number of our callers today received their first taste of calling to a live group in this manner.....

2 & 4 Wednesdays

Christ Lutheran Ch., 120 Cleveland Ave.

Every so often in the World of Square Dancing, we're lucky enough to participate in a really special dance. You know the kind, a dance that everyone feels ends too quickly, but sends you home feeling great. Well, Isle Squares final dance of 1988 Spring season certainly fits that category. Our Club Caller, Brian Fugere, was in great form and voice. He did a little something extra in one tip that involved surrounding each square with a circular length of string. What fun that was! Then of course, our refreshment committee outdid itself with a heavenly concoction of strawberries, pineapple, pound cake and real whipped cream. But the "piece de resistance" of the evening was the debut of one of our own members, Steve Forman, as a caller. Brian graciously turned the mike over to Steve. Steve did us proud. He's a fellow you'll all be hearing from. He's good and he's enthusiastic. Join us this Fall and meet this rising star of the Wonderful World of Square Dancing. He might even introduce you to his lovely "Caller's Hauler," Morgan.

FUN and FELLOWSHIP STILL PAY OFF (with hard work)

by caller Bob O'Donnell

Last Sept. in Holiday City (near Toms River) about 75-100 people met in their auditorium to try a new activity - SQUARE DANCING! The Director of the activity, Althea Castekano, with the strong support of her husband John & Fred/Vickie Jardinella started much earlier in recruitment. She had gone into every corner of the community, to the clubs & activities, to the pool, to every source imaginable to ENCOURAGE, URGE, PERSUADE and so forth all the individuals & their mates to come out.

HILL CITY SQUARES -- New Providence, NJ

1 & 3 Fridays

Hill View School, 340 Central Ave.

Bringing the year to a successful end, ten couples participated in New Providence's Memorial Day parade. Andy Woerner called, generously donating his time and effort (thanks, Andy). Later Linda/Mike Goodman hosted the paraders at their home for a poolside picnic. Earlier in the month, several couples demonstrated at the Paca Club as part of an ongoing effort to interest new members. Sue Zaccagnio arranged this outing. Graduation brought Hill City many new members. Len/Lorraine Sobin, class coordinator for the group, presented the graduates as NNJSDA officers, Jim/Joyce Kelly, welcomed them to the Association. The June dance was preceded by a Pot Luck Supper featuring among other delectable dishes, Maggie Brown's Texas-style chili; Tana Bullards seafood salad; and Mary Rice's deep-dish rhubarb pie. Despite the usual over eating, Mark Franks clever choreography resulted in some spirited dancing. A lovely wild-flower bouquet from the Oishi gardens was presented to the new presidents by Jeanette. Upsetting news came in July when it was learned that Hill City's round dance cuer, Grace Pennie, was seriously injured in a car accident. This, after being hospitalized extensively earlier in the year. We hope by the time you read this, Grace is home and well on the road to recovery. A successful new year is expected this fall under the leadership of Jean/Leon Richtmyre. Other officers are Alice/Curt Thomsen, Corine/Leo Eckman, LaVerne/Oscar Oslon, Marilyn/Ralph Neibart, and Bill/Thelma Boileau. Phyllis/Bill Tallamy are our Delegates.

Every Thursday

Now that we are well past the half-way mark of our summer dance season, it is safe to say that it has been very popular and well attended again. So many dancers have joined us from the other clubs every Thursday night and we welcome you most heartily. It provides us all with such a great opportunity to touch bases and share with each other the memories of those vacations and trips which have been long looked forward to and over so quickly. Kay Ballantine had the pleasant experience of spending three weeks in Europe and staying in 12 different country houses. Alana & Frank Barr headed west and while we were sizzling in 95° plus temperatures, they saw SNOW in Colorado. John & Connie made it to California and Maurice & Simone headed for Russia!...Meanwhile back on the homefront, Brenda & Dick announced their plans to marry on November 13th. (What a handsome twosome) Congratulations to you both from everyone. The election of officers was held in early June and Alana & Frank have accepted the Presidency for a second term. Assisting them will be 1st VP's, Brenda Van Dyke and Dick Dexter; 2nd VP's, Larry and Regina LaMarche; 3rd VP's, Frank & Mary Boss; Secretary, Gloria & Bob Wyman & Treasurer, Kay Lisa. If we all assist and support our officers in any little way we can, it goes a long way in keeping our Club at the success and peak level that it has reached. Good Luck to all of our officers in the New Dance Year!

And they came - and had a ball!! And they returned!!! For 36 weeks thru rain, snow, sleet, etc. We even met twice a week!!! We had fun. We laughed at ourselves & each other when we made mistakes, including the caller Bob O'Donnell. We did not rush the dancers. And on June 21 we graduated. Of the 67 that enrolled - 62 graduated!!! We are continuing to meet - and hope that this fall will find an even larger class with lots of angels - the reason - because the dancers and the caller took it slow and made it fun. The trustees of the community were most cooperative in providing the facility; the angels came and gave support.

CALLERLAB's theme for 1989 is RECRUIT - PROMOTE -- MAINTAIN. We're doing just that. FUN + FELLOWSHIP + HARD WORK = a big class & now a club.

HI TAW TWIRLERS -- New Milford, NJ

(+)

Every Tuesday

Middle School, Roslyn Ave.

With "fan-fare," flags, and festiveness, Hi Taws gloriously ended the 1987-88 dance season at our 25th Anniversary Dinner Dance, held at the Colonial Inn in Norwood. There were 82 happy, well-fed dancers on that really hot and sultry night; but we didn't notice the heat since the A/C was so effective that the temp actually had to be raised. All we were aware of was the warmth of our friends who joined us to mark the occasion. Also, as a lasting & treasured memento of the evening, every one took home a hand-lettered fan, which aside from being a souvenir, came in handy at some of the summer dances. Our 3 super club callers, Hugh/Florence Jones; John/Freddie Kaltenthaler; and Bob/Diane Mitchell shared a table with our fine new cuers, Nick/Carol Raspa and guest of honor: one time Hi Taw presidents and long-time cuers, Ed/Les Sherwood. We were also honored to have present NNJSDA presidents Norm/Audrey Bolin, as well as past-presidents, Gabe/Sila Dell'Angelo and John/Mary Aquino. New presidents Dave/Adele Weiss introduced their executive board: Treasurers, Dick/Joan Marcel; and a committee of VPs, Dave/Sally Corcoran; Doug/Geneva Hamilton; Dave/Dot Pangborn; Perry/Pearl Perez; and Art/Helen Rellinger. Because no one couple was able to assume the full responsibility of VP, Hi Taws is trying an experiment in club management. The 5 couples sharing VP will have an attendance responsibility of only 2 mos. each, and will perform other duties through out the year such as publicity, hiring callers etc. We hope everyone had a good summer, and we are eager to get underway this fall. We look forward to a fun-filled season of dancing and to the friendly and sociable "Trade-A-Raid" year. We're starting out our new season of love with Manny Amor! See you then.

GARDEN STATE CAMPERS

Garden State was well represented at the International Camporee in OH. 34 couples were there. We had a nice spot along the back fence overlooking a plowed field. While shade was at a premium we did have a nice breeze. Each trailer had an electrical hook up, but we were joined together by water hoses. Many of the NJ delegation started the week by attending the regular campout at Evergreen C.G. Sunday morning we left in small groups for OH. 12 couples stopped at Wolf's C.G. about 3PM (some went a little further), to cool off with a swim and spend a nice evening together. Monday it was on to OH. The closer we got to Wauseon the more of us seemed to get in line along Route 80. We had a good time talking back & forth on the CB's checking where each were on the highway & how traveling was going. After setting up at the Fairgrounds and resting because of the heat (90°), we toured the grounds looking for old friends and checking on the dance halls. Most of us took trips during the day to Toledo or Dearborn, MI, seeing the sights & spending our money on various things. Evenings were spent dancing, visiting & just goofing off. Wed. evening was the Annual Pot Luck Supper. Lots of good stuff to eat & plenty of it. Amazing how the ladies do so much with so little. Fri. came all too soon & we were all on the road again to various places to vacation or visit friends & family. Those of us that had to come right home to work met at Bellefonte, C.G. in PA. We enjoyed a cooling swim & spent a final evening together. It was a good week of fun & fellowship. Next year it's onto Huron, SD, July 18-20. Plan on it.

F.A.D. SQUARES -- Maywood, NJ (MS)

1 & 3 Sundays

American Legion Hall, 113 E. Passaic St.

F.A.D. means "FUN AT DANCING" - rapidly changing to FRIENDS And Dancing. Our reputation as a friendly club is spreading far and wide. Since the last G/S, we have been busy. At our 5th Anniversary in Apr., lovely handmade wooden S/D couples (made by Bill Campett, painted by wife, Vera) were given as a remembrance - blue and yellow of course! Our May Fashion Show by the Yellow Rock Shop had a surprise ending. If you were there, you had a good laugh; if not, come and see the photos in our club album lovingly maintained by Warren/Marj Gould. MARGE CALABRESE, CHIPPIE FALZARANO, MARY O'HARA and ABE/RUTH WERNER graduated in June when we were joined by NNJSDA Officers, Gene/Jean Koenig. These Grads began classes in Feb. and met twice a week to make up for the late start. They also missed most of the Class Level dances in the area. Please treat them with understanding because of this. June found Liesel/Walter Voss (hosted by the Loewensteins) and Ulla/Walter Rieckmann (hosted by the Brodys) visiting from Hamburg, Germany. They toured the US and met the Loewensteins in Anaheim at the NSDC. Andy Woerner filled in as guest caller while Dot/George led their 3rd S/D trip (Hawaii, NSDC, up the coast to San Francisco) with 24 dancers. A highlight was being able to retrieve our travelling doll, "BEAU," who was left in Sweden in 1986. Many dancers met BEAU at the NNJSDA Summer Dance in Iselin with Besty Gotta calling. While BEAU is "retired," you may find him on temporary loan to anyone who was on the Scandinavian Trip. We are ALL his parents. To finish up the summer, as though dancing throughout in A/C hall was not enough, we had what is becoming an annual event, a Swim Party/BBQ/Square Dance at the Loewensteins in July with over 30 present. QUESTION: If we could square dance in our swimsuits, could we also swim in our crinolines? Amateur callers participated, too. Come see the photos.

Finally, we offer our heartfelt condolences to Betsy Foley and her 2 sons on the loss of Mike this past April. While CCNJ will be holding a Memorial Benefit Dance shortly, we personally wish to express our joy that we had the opportunity to be taught so much by Mike. Not just "How to Dance;" not just "How to Call;" more than "Surprise Them". We'll be guided always by his words: "Keep it simple." A unique talent. PEACE.

1 & 3 Saturdays

Connecticut Farms School, Stuyvesant Ave.

As the long hot summer comes to a close, we start to think of our many club activities with members and friends that are now fond memories. These included our raid on Hix & Chix in April where we had a most enjoyable evening. We also were raided by 2 clubs in June, Y Squares and Valley Squares. The June dance happened to be our last dance of the season which we celebrated by having a very successful ice cream social. Lots of fun and good eating! Many of our members attended the NSDC in Anaheim the end of June and from all reports, enjoyment was the name of the game. Our slate of officers has remained the same for the new season and we wish to thank all of them for their past efforts and for volunteering once more. Our heartfelt best wishes go out to our "Mrs." President, Irene Spangler, for a speedy and complete recovery from her severe injuries received in an auto accident. From all reports, she is home now and getting about with a walker. We also wish a complete recovery to Bob Byrnes for his hip surgery and hope to see him dancing once again. Our Annual Club Picnic at Mickey/Rosemary Biggs' home this year, had as usual, an overabundance of delicious food supplied by the members. A general meeting was held to suggest and discuss new ideas for the 1988-89 season. C'mon out and join us at Connecticut Farms School!

CROSS TRAIL SQUARES -- Caldwell, NJ

2 & 4 Wednesday

Lincoln School, Crane St.

It was a dream come true for some members of our club when they joined a group of square dancers going to Hawaii for a week in June. They returned via the NSDC in Anaheim, joining up with more Cross Trailers for a wonderful vacation. Not to be left out of the dancing during the doldrums of summer, our campers met at Robin Hill, PA in July (shopping in Reading) and at Evergreen, PA in August. They too experienced a memorable vacation. Again this year Cross Trail Squares participated in the White Rose Festival by sending a large contingent of members. This annual affair enables people from NY, PA, MD, and NJ to make new friends and renew old friendships while dancing the day and night away. Now that summer is ending we look forward to our open house dance in Sept.

Lucky us. We take great pleasure in announcing our board for the new season. Presidents: Wally/Margy Cox; 1VP, Vince/Harriet Wilding; 2VP, Bob Dong/Miriam Montero; Treasurer, Betty Ourganian (how we all miss Ed) and Secretary, Peggy Semonian. This is a great crew who will only give us their best. Fran Cashill and Dick/Shirley White cannot be thanked enough for their unfailing loyalty and enormous contribution to the welfare of the club. Ours is a raiding club, with the last raiding party descending on the Dancing Squares. Look out now for the Embers, Norris/Clara, are our new raid chairpeople. Capable is their middle name. The club's annual dinner-dance was again chaired by the Coxes. It was an outstanding affair and we all enjoyed. Just ask Joyce DeSantis and Herb Rivkin. They were there. Dot Loewenstein did a fabulous job teaching our new class. We welcome all these polished dancers into our club. Our last dance of the season had a beach party motif, complete with beach balls, umbrellas, & lawn chairs. All wore casual summer attire and used their imaginations a lot. Victor and I were delighted with the birth of our first grandchild, Kathryn Anne Maffetone. Before long, CBS will have a new dancer. Hope to see you soon.

How hot was it this Summer? It was so hot... that when a lady got all dressed to go to a square dance, with her petticoats, etc., etc., she walked out of her air conditioned house and tried to dash to her air conditioned car but didn't make it. All they found was her clothes and a pool of water. Now that's hot. Seriously, now is the time to start thinking about your Fall dance schedule. We look forward to seeing old friends and making new ones, so check our ad for an exceptional selection of callers. We have an outstanding group of people serving this year on our executive committee under the leadership of our club presidents, Frank/Helen Cavanaugh. On a sad note, we lost a nice person and a terrific club worker with the passing of Henrietta Solek. Those who attend our dances might recall the well dressed mannequin Henrietta bedecked with square dance clothes as part of our decorations. That dummy was always so well dressed, and looked so good, what a shame she couldn't dance. Also we'd like to mention our past-president, Lenny Swearer, is recovering from surgery and is on the mend. Let's square up and get the Fall season in high gear. We think the theme of our first dance in Sept. says it all... "Welcome Back."

VFW Hall, 6 Veterans Pl.

At the same time that our hall has been under-going a facelifting, our club has been undergoing a rejuvenation process. We're happy to announce Cloverleaves has successfully weathered the doldrums under the leadership of a great bunch of officers. Our sincere thanks to Mary & John Aquino with their dedicated crew and the dancers-who came out and supported us. John & Connie Huettemann have assumed the presidency and are carrying on the tradition of Rounds at 8; great guest callers at 8:30 and a table of delicious goodies to nibble on. (Really do we need so much?)

Our Sympathy to Anna Lou & Ray on the death of her mother . Many of our dancers marched in the Emerson, NJ July 4th parade and had a grand time even in the warm weather.

Ken Bower was our summer "special caller" in August and everyone had a grand time. We are now back to our 1st Fridays schedule. Come join us for an evening for what Square Dancing is all about. Remember to bring other dancers with you !!!

2 & 4 Sundays

Redeemer St. John Church, 939 83rd St.

Al'e'Mo Squares concluded another good season graduating 20 students. Summer has come and gone. We had some real fun summer dances with callers like Frank Pulice, Dick Pasvolksy, Fred Weiner and Bill Anderson. Come Sept. we start another great season with a Barn Dance. Our class will be every Monday evening starting the end of Sept. This year we are incorporating a PLUS workshop into our Monday evening schedule. We will continue our dances on alternate Sundays at the Redeemer St. John Church starting the end of September. We are happy to note that Arnold Walker is back with us, hale and hearty and completely recovered from his illness. We are sorry to lose Bea Axelrod, one of our Charter Members. Bea has moved to Florida. We wish her much good dancing in her new home. We welcome all visiting dancers and, as usual, the Bridge rebate of \$4.00 will be given to any two couples who come from Staten Island or New Jersey in one car. Here's to another great year. SOFT SOLED SHOES REQUIRED

Norm/Audrey Bolin 201-729-9327 or Aquino 201-444-6133

After years of hunting up materials, cutting, drawing patterns, etc. in preparing the kits for the official New Jersey State Outfit, ALBERTA & HARRY VANLUVENDER are retiring from that committee. The hundreds of dancers who have made their outfits from the kits wish them well in their next venture.

LATE FLASH - Staten Islanders take heart- Shirley & Frank Bellotti are conducting Round Dancing on MONDAY evenings. Beginners Class 7-8:15 and Plus III Workshops 8:30-10 PM. Call 718-448-6132 for more details.

From The Dahl House

So, did you sew this summer or did you sow? We are sowing the seeds for the L.U.S.T. conference. I am sewing the outfits for the fashion show, digging up some volunteer models, raking through my brain for ideas for the after-show sewing session, rooting around in my inventory of trims, laces & fabrics for the best combinations, weeding through my sketches for the right ideas for the right fabrics, planting the fabric on my cutting board and hoping some elves will come by in the dark of night and take over.

Well, we all know that won't happen. We do know though that there are little stain-making Guppy Goblins.

I'll bet a lot of you wore white or pastel clothes this summer. I'll also bet that quite a few of you got some mysterious (or not so mysterious) stains on them. That's the Guppy Goblins at work. I hope none of you would consider trashing the garment. There are other options to save the soiled image.

The first thing to try is a miraculous product appropriately called Magic Wand. I have purchased it in fabric stores and keep one by my sewing machine (machine oil sometimes gets where it shouldn't), one by my washing machine and one I try to carry with me for emergencies. If it's too late and you've washed & set the stains in, try one of these:

Fabric Paint: Try freehand flowers, birds, initials, etc. or all-over art like borders, clusters, abstracts, swishes—Chalk a rough outline before painting, use magazine pictures as guides or get transfer books with designs like Tri-Chem's.

Applique: You can purchase ready-mades, even iron-ons, or dig in your fabric scrap box. Again, flowers, initials, animals, etc. Edge with narrow trim or lace (pre-shrunk to be safe), or use those fancy stitches on your sewing machine.

Lace & Trim: If the stain is in the right spot (not that one ever is) then this could be the easiest cover-up. Again, pre-shrink and, when sewing, don't stretch as you sew. If the lace isn't dense enough or the trim isn't wide enough try backing and/or widening them with a contrasting but complimentary fabric.

Combining 2 or more of these methods could also be quite successful and unique. The garment is ruined anyway, so how much worse can it get? Create! have fun!

Plan your growing wardrobe carefully and you should yield quite an abundant crop of clothing. I'll explain more fully at L.U.S.T. so make your reservations now.

Hopefully this column plants more seeds for you than it spreads fertilizer.

See you at L.U.S.T.

The Square Dance Council of New Jersey (SDCNJ) has assembled a state-wide roster of callers, cuers, prompters and clogging instructors as well as a roster of all known clubs. This listing is available free for the asking, and is updated semi-annually by Donna Anderson. See your delegate for a copy. The SDCNJ is working to maintain and strengthen the lines of communication between organizations within the state; to develop additional leadership and educational programs; to publicize the many facets of the S/D activity to the non-dancing public; and to establish a rapport with the NJ Department of Tourism. All this besides sponsoring the state-wide convention. Next year's is on April 1st (No Fooling) at Trenton State College in Ewing Township, NJ. The Council's next meeting will be Sunday afternoon October 16, 1988. Every member organization will be sending 8 delegates-but meetings are open to any and all interested parties. Over 230 teachers from 31 states, five Canadian provinces and New Zealand attended the 12th Annual Meeting of ROUNDALAB, the International Association of Round Dance Teachers, Inc., held in mid-June in Anaheim, CA.

It was a busy three-plus days as leaders from various backgrounds shared their expertise and knowledge for the betterment of the round dance activity. The membership voted to adopt a liability insurance program. The Video Tape Committee began working with a professional studio to tape the Phases.

More figures were defined and placed in the Glossary and the Six Phases, a new way of presenting the Phase Rating system in booklet form by rhythms was adopted, a new section was added to the Callers and New Round Dance Leaders Manual, the Classic List for 1988-89 was accepted, plans were developed for choosing rounds of the Quarter, and lengthy, meaningful discussions were held on Teaching Progression and Mini-Clinics and Master Teachers. The ROUNDALAB Annual Meeting also provides its attendees with many educational opportunities. Sunday evening sessions included discussions on After Parties, Burn-Out and Video Cameras. On Monday evening Bill & Carol Goss introduced and explained figures in the International Tango. Monday afternoon attendees had a chance to Swap and Exchange information on handling festivals and weekends, round dance teachers' school and publicity.

Frank & Carolyn Hamilton were named recipients of the prestigious Silver Halo Award for their outstanding contribution to the round dance activity. Honorary Member, Eve Maxhimer, was also present and shared memories of round dancing in its infancy. She also brought along a program book from the 1st National Square Dance Convention in Riverside, CA, 37 years ago.

The Wednesday Teachers Seminar/Clinic sponsored by ROUNDALAB and conducted by Clinicians Bill & Helen Stairwalt, Dwain & Judy Sechrist and Eddie & Audrey Palmquist - was a sell-out. It is interesting to note that many ROUNDALAB members remained in Anaheim to volunteer their services at the 37th National Square Dance Convention.

Irv & Betty Easterday were re-elected Chairman. Also serving on the Board are Ron/Donna Baba, (Canada); Wayne/Barbara Blackford, (FL); Ray/Anne Brown, (CO,AZ); Herb Egender, (CO); Bob/Barbara Herbst, (TX); Don/Pete Hickman, (TX); Ted/Barbara May, (LA); Wilson/Ann McCreary (AL); Carol Metzger, (CA); Helen/Bill Stairwalt, (IL,TX) and Norma Wylie, (AZ). Appointed Executive Secretaries for another year, were Peg/Doc Tirrell, (NJ). ROUNDALAB's 13th Annual Meeting will be held June 18-21, 1989 in Oklahoma City, OK.

THE PAST

LEGACY

THE FUTURE

INTERNATIONAL ASSEMBLY OF

"TRUSTEES" OF THE SQUARE DANCE ACTIVITY

Each Square Dance Month theme for September has been established and promoted by LEGACY now for a number of years. This year's theme is "Touch Someone--Square Dance", which borrows a phrase from a popular commercial slogan. How appropriate this is, since the most basic movement of Square Dancing is touching. Touching is universal. Touching is the essence of friendship. In order for club publicity people to do a better job in promoting classes and interpreting square dancing to the general public, a Promo-Kit, put together by LEGACY, was purchased by the NNJSDA - for every member club, last year. Chock full of ideas, it was suggested that club officers pass it along to their successors. This year, additional Kits were purchased in case "pass alongs" did not work too well.

2nd VP's, Dick/Shirley White, were in charge of distribution. Sincere thanks to Cathie/Stam Burdick of American Square Dance, for chairing and underwriting the expenses of this very valuable committee of LEGACY.

The interest in our new dangle seems to be growing as more and more dancers are getting close to the required 15 signatures. So far no-one has completed the blue card, but any day now... When you are done, send it to:

for verification. Please be sure your name and address are included. Your card will be returned to you along with your new special dangle.

For a number of years the Bergen County Cultural Council sponsored a Festival of the Arts at Bergen Community College. NNJSDA has usually provided a square dance exhibition - Our thanks to Bill Heyman who volunteered his services and to the dancers who came to dance. A number of spectators had a chance to participate.

The NNJSDA has a little promotional flyer, "What is Modern American Square Dancing" which it makes available free for member clubs to use for "give-aways" at exhibi-

tions. These are available from either the 2 VP's, Dick/Shirley White or GRAND SQUARE Editors. Space was left on the brochure for clubs to add additional contact names and phone numbers. This is another service the NNJSDA provides for its members. Happy recruiting.

ROUND DANCE HIGHLIGHTS

We wound up our term as liaison on a hot Sunday afternoon at the summer R.D.L.C. meeting which was held at the Woerners. It was a good turnout, with several new Round Dance leaders in attendance.

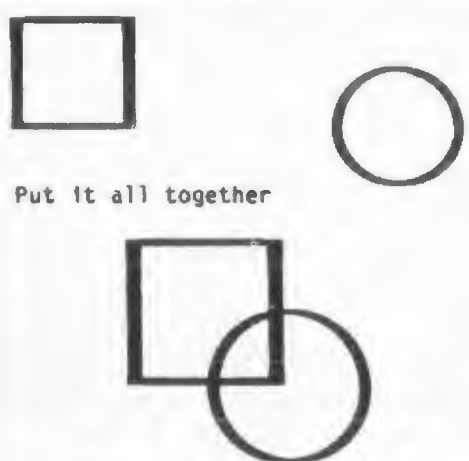

There was so much for the leaders to share. Some had been to the ROUNDALAB Annual meeting and it's Wednesday Teachers Seminar, the N.S.D.C. both in Anaheim, California and U.R.D.C. Convention in Winston-Salen, NC and others to various weekends and festivals. And we mustn't forget -- some even went back to school CR/D teachers school, that is. Herb Rivkin to the Mueller's School, Nick/Carole Raspa to Easterday's School and the Tirrells to ROUND-A-RAMA...all 3 in Indiana! All had so many nice dances to show! We danced up a storm.

Leslie and Ed Shearwood, who moved to Florida last fall, received a plaque at the RAL annual meeting for teaching 20 years. Unable to attend the meeting but still receiving certificates were Tex & Margaret Shipman and Roy & Betsy Gotta for teaching 10 years, Shirley & Frank Bellotti for teaching 20 years and Jean Kellogg for teaching 25 years.

This year there were two recipients of the NNJRDLG Scholarships - for leaders attending R/D Teachers Schools - Herb Rivkin & Nick/Carole Raspa.

The Council made plans for its' Fall Round-Up, the 1st Sunday in November. So save the date and come join the circles in either hall and welcome the new RDLC liaisons Jean & Gene Koenig. We've enjoyed our year it is true round dancing is a circle of pleasure and overflows with nice people.

TIRRELL TWIRLERS - Tirrell - Cresskill, NJ - Sun/Mon/Tues 201-568-5857

With the Tirrells away so many Mondays in the summer we had a sparse dance season - but are looking forward to resuming our normal 1,3,4,5 Monday schedule. What few Mondays we did dance were real heat wave nites! Only the REAL round dance enthusiasts show up ... and they did!

Tuesday nighters continued to meet and had fun refining Doc & Peg's Hum A Waltz which they'll teach in Canada. And we welcomed a couple of new members - who came out in spite of the heat! Gives us a good excuse to review some of the old classics again.

Sunday niters will probably have resumed by the time you read this. Please check a flyer for the schedule if you are interested.

Dancing at Nottingham Ballroom at least through September, call for next location where we look for new floors to conquer. We know there are caring and sharing folks out there who read GRAND SQUARE. DICK & HOPE LARSEN read of our need for transportation for the Showcase of Ideas materials and called to offer their van...and then delivered it to the proper spot so DONNA & BILL ANDERSON could set up the display at the NSDC. And then late Saturday returned to help, with the AQUINOS to help dismantle, repack and bring it all back to NNJ. To the others who helped restock the GRAND SQUARES, etc...we appreciated the assistance. Our sincere thanks to all. Unfortunately no one realized the US & NJ flags were also stored under the tables in the big blue bag so our NJ contingent marched unaccompanied in the GRAND MARCH.

Another season is upon us, and soon a new NQR class will be forming. By the time you read this our September open house will be history and in a few short weeks the new students will be joining Andy/Ruth at Spring Valley H.S. During the last dance in July, we finally figured out how to control the air conditioning at the Health Complex, so in the future it should be much more comfortable. The addition of regular rounds at our dances has generated much interest in round dancing and many have expressed interest in persuing lessons in the fall. (AD pg. 50)

Early in September, we held our Barn Dance where Gary Potts introduced our non-dancing friends to square dancing and invited them to join our basic class starting in October. We also held two demos, in September at the Hamilton Township September Fest and the other at the Griggstown Harvest Home.

Our 1988-89 Plus Level season begins the third Friday in September with an Ice Cream Social. We will see old friends while we dance to the calling/cuing of Kaesler/Fury and make our own sundaes with a wide variety of toppings.

Summer Time is a tough deadline. Then add high humidity-unbearable heat-no A/C- and you wonder why on earth Shirley Sherlock came and typed four days; Kathy did hers at work(!); the Porters gave up an entire Saturday & Donna & Bill Anderson most of that day (as well as cooking for the crowd) to type, cut, paste, proof read, phone folks...It was hectic!!! Ask the Fugere's who stopped by & were pressed into service. Helen Rellinger proofread & the printer picked up copy as we left for Canada! GRAND SQ. is certainly a Labor of Love by a number of wonderful, dedicated (& slightly crazy) dancers!
