There really are no words to express my appreciation to the Square and Round Dance community (not to mention the Cloggers) for the LOVE you have shown in the recent months. The number of cards, prayers, phone calls and people attending Paul's service was truly overwhelming. Dancing was a large part of our life - primarily because of the wonderful people involved and the past months have proved that once again. You will never know how much it meant to both of us and then, to our entire family.  
 GOD BLESS YOU ALL !

**From the desk of** Jim & Joyce Kelly, NNJSDA Presidents

Our first year as Presidents of NNJSDA is coming to an end. Time surely flies by! This year has been an exciting and learning experience for us. Representing such wonderful people as square dancers has been a real pleasure and we sincerely hope we lived up to your expectations. The Executive Board worked extremely hard to bring you the types of programs and the assistance we felt you wanted. We'd like to thank everyone, Board members as well as Club members, who volunteered their time & assisted us with the various programs during the year. You made our job very easy-thanks!

Another era is coming to an end: Doc/Peg Tirrell are retiring after 25 years as Grand Square Editors. Therefore, this is their final issue. No, they're not leaving square/round dancing, only looking for a much deserved rest and the chance to get involved in other areas and/or give more time to the many other projects in which they're presently involved: ROUNDALAB, LEGACY, SDCNJ & many more. On behalf of the entire s/d community we wish to thank Doc & Peg for their devotion to s/d and their "labor of love" as Peg calls it, to Grand Square. Together they made the Grand Square the "Bible" for NNJSDA dancers. As most of you probably know, we've appointed Kathy/Charlie Porter as our new editors. They're a very capable & involved couple who are already working on & planning future issues of G.S. If anyone is interested in helping the Porters, give them a call (718)448-9761 - they'll be delighted to hear from you.

It's graduation time again & we're looking forward to the summer dances where we can welcome our graduates. Remember: "One Square is Fair." We'll be in Memphis at the National in June. Look us up: we'd love to join you in a square. Have a wonderful and safe summer. Jim & Joyce Kelly.

DELEGATES MEETING - April 8, 1990

The afternoon began with an Education session at 1 PM. Gladiola bulbs were given to all in attendance as a symbol that we plan now for the fall bloom.....now is the time to begin making plans for Fall classes. Kathy Porter distributed a generic press release and gave several pointers on publicity. Hal Margo spoke on various ways of attracting new dancers. A packet full of information was distributed by Florence Margo. This packet is full of excellent information on recruiting. Doc Tirrell led a short discussion on keeping dancers after graduation.

All member clubs were represented at the Delegates Meeting, which began at 2 pm, except Ramapo Squares. Representative from Campers also present. Brian Fugere, CCNJ new president, was also in attendance.

1 VP - 24½ sets attended the March 31st special. The new mini-banner was distributed to all member clubs. This small white & red banner can be sewn on a member's club banner to denote membership in NNJSDA. The summer dance schedule is all set....needs a few more clubs to respond for helping.

2 VP - The graduation packets are all ready for distribution. So far 100 couples and 130 singles will graduate. 11 callers will be at Spring Fling in May. Dangles will be distributed to all attendees.

3 VP - Read a letter indicating that J & M squares will disband the end of this year and reform dancing on 1,3,5 Sundays with a different name - possibly as "Shamrockers". All but one club has turned in roster of members.

Cor/Sec - Regretfully have had to resign as Corresponding Secretaries as their position with the Elks is too time consuming.

GRAND SQUARE - The Porters will handle the distribution at the Spring Fling since the Tirrells will be on vacation. Questionnaires were distributed to all club delegates. Information concerning officers for the coming season and other pertinent info is requested from all clubs. Advertising Rate Sheets and size sheets were also distributed. The questionnaires are to be returned to Charlie/Kathy Porter who will distribute the info to other NNJSDA officers. John Aquino will continue to make labels. The Editor's badges were passed on to the Porters by Doc & Peg.

NEW BUSINESS - Solitaires is reassessing their situation to see if they can continue as a Square Dance Club. (see their write up.)

LUST - It will be conducted Sunday, September 9 at Bloomfield, NJ, Middle School. Flyers will be available soon. It was suggested that clubs send their Executive Boards. New dancers are also welcome to attend the various session on a variety of topics all relating to the square dance activity. Another BLOOD DRIVE will be conducted at this LUST.

ELECTION of OFFICERS- Clara & Bill Sobolewski were nominated to take the place of John & Joan Berg. The slate was accepted unanimously. See page 26 for names, address and phone numbers.

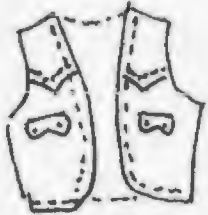

NSDC - Carol Ridings & John/Connie Huettemann volunteered to help transport the NNJSDA display for the "Showcase of Ideas" at TN. The Kelly's will be in charge of setting it up.

GOOD and WELFARE - A discussion was held on the NNJSDA's "One Square Is Fair". Fair". It was suggested clubs plan ahead of time so that more have one square in attendance - especially when people belong to more than one club. Discussion on the dwindling attendance at many clubs. If a club has a problem, it was suggested the club contact the NNJSDA officer for help before closing down. Several sessions as LUST will be devoted to this and other similar problems. The meeting adjourned at 4 PM.

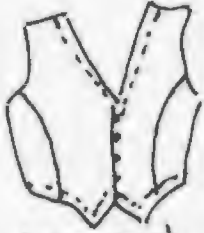

Next Delegates Meeting - Sunday afternoon, September 16, 1990 - at VFW in Elmwood Park, NJ. Education session at 1 PM; Meeting at 2 PM. All are welcome to attend.

Sincere thanks to our retiring Officers - 2 VP, in charge of classes, Hal & Florence Margo; 3rd VP, in charge of public relations, Charlie & Kathy Porter; Treasurers- Greg & Karen Kushla; Ass't Treasurers-Rosemary Daniels & Jack Clayton; and Corresponding Secretary- John & Joan Berg.

## N. J. STATE OUTFIT

It has come to my attention that a few words about the N.J. State Outfit would be timely.

The outfit does NOT change from year to year. It consists of green vests, as per illustrations. Men wear white or green slacks, white shirts, and green ties. The ladies wear a white dress or white skirt and white blouse. The vest has a white map of the state of N.J. on the back with the initials "NJ" in green and a gold star to be appliqued about where your home-town would be.

Copies of the patterns, available by size, are available @ \$2.50 each plus 60% postage.

I also have the polyester cotton broadcloth available @ \$4.00 per yard plus 50% a yard postage. Fabric is 45" wide and I have both the white and green available. With each vest pattern you will also receive the map of N.J., the green letters and the gold star plus instructions.

This is available from: Rose Ericson  
1232 Glenn Avenue - Union N.J. 07083

If you have any questions call me evenings or weekends @ 201 687-0342. If you'd rather save the postage you can pick it up at my home but I do need the orders in advance as I make us each pattern from a master pattern as they are ordered. It's never too early to make yours.

A SPECIAL THANK YOU

PAUL BRODY

FOR ALL THE TIME  
YOU GAVE TO US.

God saw him getting tired;  
A cure was not to be.  
So He wrapped him in His loving arms  
And whispered come with Me.  
He suffered much in silence  
His spirit did not bend.  
He faced his pain with courage  
Until the very end.  
He tried so hard to stay with us,  
His fight was all in vain,  
God took him to His loving home  
And freed him from all pain.

YOU ARE MISSED.

We would like to salute Walt/Rowena Sydor for their hard work and dedication to the Round Dance Basics Class. They arranged for the teachers and the facility; distributed flyers and placed ads; acted as hosts, treasurers, attendance monitors and angels; and offered review workshops before and after class. They are motivated by their love of the activity and give of themselves above and beyond what could be expected. This couple deserves to be recognized for their unselfish dedication and support. The season is three quarters over and many of you have missed some wonderful times. The two student dances in February and March at the Glen Rock Community Church were well attended. Each dance saw over ten squares of mostly new dancers. We would like to thank Larry Davenport and Stephen Forman for filling in for Paul Brody. We would like to thank Edna and Ken Franz for hosting Belles & Beaux class for the Annual Soup and Salad Dinner following the March class dance. The dinner was enjoyed by all in attendance. We feasted on New England fish soup, chicken noodle soup, three bean salad and Edna's "world famous" mini-muffins.

We all feel the loss of our club caller Paul Brody and give our best wishes to the Brody family.

4th Friday

St. Lukes Episcopal Church

At our February Presidential Ball we were treated to not one, but two great callers. In addition to our own Bill Heyman (who recently celebrated his half century birthday & doesn't look a day over 39.99999 years old) Ron Master, from the Times Squares of NYC really had us hopping. In spite of the fact that our "March Windy Whirl" was held the night before the NJ State SD Convention, it was a tremendous success, a really good turnout. It was good to see so many new students dancing, and dancing well. Students take note....you are all extended a special invitation to attend all our dances and ultimately become a member of Circle Eights. We are the "Friendly Club" and have lots of fun. We were well represented at the convention, as part of the 1866 dancers having the time of their lives..

Cloverleaves had another very successful dance honoring the Presidents from the area clubs. The hall was packed and Glenn Matthew called an exciting dance. Peg/Doc did their usual excellent job on the rounds.

Cloverleaves still needs dancers to fill some offices on the Executive Board. Surely, 2 or 3 couples out of the 10 or 12 squares at the dances would be willing to help on the 1st Friday of each month. Coverleaves cannot continue without officers. Don't YOU let Cloverleaves down!

COUNTRY PROMENADERS - Edison, NJ

2 & 4 Saturdays

Herbert Hoover Jr Hi, Jackson Av

Over 1800 square dancers attended this year's State Convention at Trenton State College. The grand march was an awe-inspiring experience. What a great opportunity to see so many old friends we've squared up with over the years. Country Promenaders had a good turnout of club members attired in our club raid outfit. Our past President/Raid Chairman Lenny Swearer is getting back to good health after being laid low by a bad fall while carrying furniture up a flight of stairs. Dances this year have been well attended with a nice floor of round dancers for Ellen Fury's early rounds. Summer will soon be here-time to start planning to attend those summer dance specials. This reporter/wife cheated the winter blues this year by taking a week of square/round dancing at the Sonesta Beach Hotel in Bermuda last Feb. We look forward to seeing some old friends at the National in Nashville. Speaking of old friends, Allen Fury said hello at the NJSRDC. At least we think that was Allen - he wore his name tag, but with the new haircut, beard & weight loss, who knows who that guy was. Great to see Allen round dancing again. Remember: when the weather gets hot & sweaty, the hot & sweaty go dancing.

At the June change over Board meeting of the NNJ SDA the winner of the 1990 poster contest will be selected. Deadline for the entries is June 2 to Kathy & Charley Porter 99 Stanley Avenue, SI, NY 10301. Copies of the winning poster will be distributed to member clubs at summer dances. New club presidents should appoint someone to pick up their club's posters and make plans now for how & where you will distribute them for the best use in

recruiting new dancers. The winning "artist" will receive a special dangle at a summer dance. Poster contest rules can be found in the last two issues of GRAND SQUARE. Copies were also given to all delegates.

2 &amp; 4 Fridays

Radcliffe School, 379 Bloomfield Ave.

Our CBS raiders have been quite busy lately. Two squares raided Cross Trails in Jan., and three squares raided See Saws in March for the Shamrock Shuffle with Al Kaessler calling. (A leprechaun reported that CBS has to review the construction plans for their bridge building!) Eight squares enjoyed dancing to caller Bob Mitchell, and cuers Jack/Carol McLaughlin at our St. Patty's Dance in March. A great time was had by all despite the fact that some of us had to get up early the next morning to march in Nutley's St. Patrick's Day parade! Tom Miller was our most recent caller. On that night our club was host to more than 9 squares including visitors from Pelham Promenaders in NY and a couple from Tomahawk Squares in CT. Andy Woerner called to 4 squares of students at our first student level dance of the season. We look forward to the students graduating and soon becoming new members of CBS. Hopefully, they all have plans to attend the summer dances sponsored by the NNJSDA and the 4 outdoor dances run by CBS. Be sure to look for our summer flyers. Congratulations are in order for our newest sets of grandparents. Betty Oorganian's daughter presented her with a new grandson, and a new granddaughter made George Leonardis a grandpa for the very first time! Another first timer was Carmella Riordan whose daughter had a baby boy.

On a more serious note, CBS will truly miss Paul Brody, one of our favorite club callers. Our deepest condolences to his wife, Jeanne and her family.

2 & 4 Wednesday

March 15, 1990 was a very sad day for Jeanne Brody, her family, friends & members of Cross Trail Squares. That was the day Paul lost his battle with cancer. He was our club caller & friend for many years & we will truly miss him. We extend our heartfelt sympathy to Jeanne.

At our general membership meeting we voted in some new officers. Ann/Jacob Van Broekhoven 1st VP; Joan/Roy Harlem, Treas. Our thanks to the retirees: Norma/George Miller & Roz/Lou Friedlander for the outstanding jobs they did. Serving one more year are: Laura/Russ Safar Pres; Dot/Andy Meador 2nd VP; Evelyn Boucher/Bob Hopf Sec; Pat /Walt Sickles Dele.

We invited 18 raid chairpeople from area clubs to attend the February dance; 6 couples came & we hope they enjoyed themselves & will return. Our annual dinner dance was a huge success thanks to chairpeople Joan/Roy Harlem. 78 people attended; Norma/George Miller received the coveted Croix de Square. They've worked long and hard for the club and really deserve it. Congratulations!! At our St. Pat's dance we're sure John Kaltenthaler found it impossible to remember who belonged together, with everyone wearing green. Theresa Burke & Brendon McCarthy entertained us with some Irish dances. We were raided by Covered Bridge & Harmony Squares. Two nights later we paid Harmony Squares a visit; had a very warm welcome.

1 & 3 Sundays Amer. Legion Hall, 113 E. Passaic St.

FUN AT DANCING is what everyone remembers from the December dance called by Paul Brody - it was the last dance he called. FAD had a dance scheduled for the March day that we buried Paul. We decided to hold the dance because Paul taught us to be professional and call, whether we're in physical pain (as Paul was, the night he called) or mental pain (as we were, after burying a friend & 'brother'). George made an announcement at the beginning of the evening, and the dancers rose to the occasion by dancing their hearts out - for Paul & the memories he left with us. We'll continue to dance all summer in our AIR CONDITIONED hall. Join us!

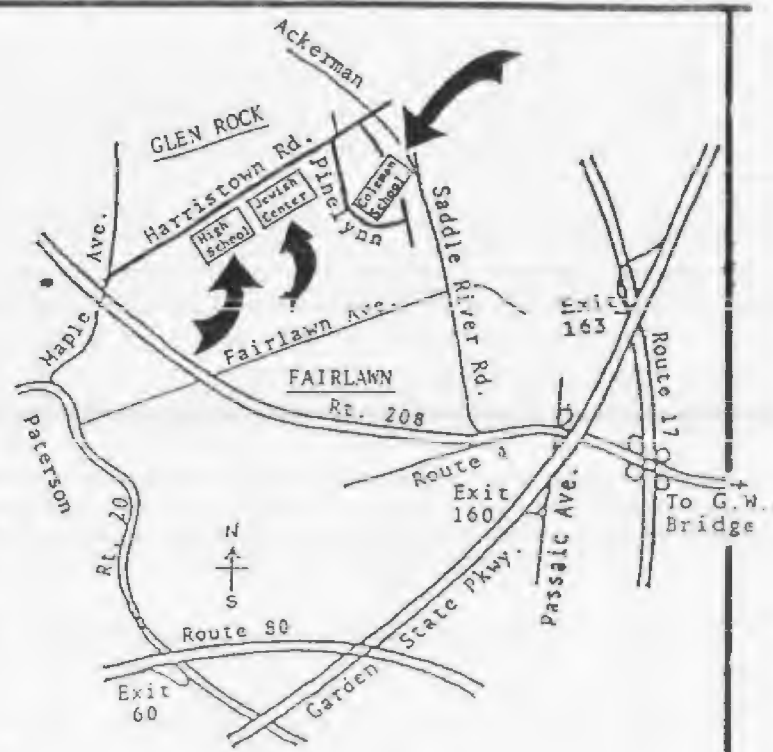

FAD members extend their sympathy to Jeanne, Terri, Kristi (& Michael), Karen, David, Susan, and especially Paul's mom, Madaline Brody. We'll all miss him so very much. He was an inspiration and guiding force.

GARDEN STATE SQUARE DANCE CAMPERS

Our June campout should be called "Memories" for we'll be celebrating our 25th year! And would you believe we still have some of our charter members who remember when more people tented than had RV's; when the number of children almost equalled the # of grown-ups; but the dancing and fellowship have always remained the same. If you are a camper and dancer why not think of joining us and getting the better

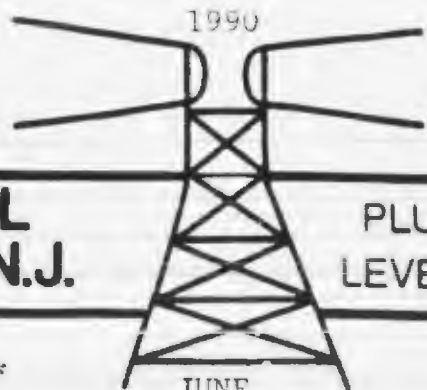

of it all. Our thanks to Carl/Helen Ostertag for doing Hot Embers these past few years. We wish them much happiness down in Virginia. Our new officers were installed at our annual dinner dance last February. 18 couples received their 100% Attendance Awards - wonder how many will be able to make all our campouts this season? We decided not to sponsor an International Camporee for a few years, but will concentrate on our own

NJ Camporee 2nd weekend in Sept. See you by the square campfire.

The Three H Club (Harmony Hungry Hounds) were at it again at the 4th Annual New Jersey Square Dance Convention. A great respite from dancing for the group with good food and fellowship during the dinner hour at a local restaurant. The colorful sashes and ties stood out as we all marched behind our colorful banner in the Grand March at the convention. What a thrill to see so many people enjoying themselves in such a refreshing way through Square Dancing. It makes you want to shout to the rest of the world "See What you're Missing"! We look forward to a summer full of fun, relaxing and even some dancing. We hope to see all of our Club members and New Graduates at our Fall Kickoff Dance - September 7th.

Every Tues.

New Milford Middle School, Roslyn Ave.

At this writing, we feel elated as many of you came to dance with us in March at our first A.P.D. Night with Brian Fugere calling and Nick Raspa cuing. You made it a successful night. Some of us were nervous, made mistakes, but certainly enjoyed a different twist to "PLUS" dancing. We plan to have each caller at Hi Taw Twirlers introduce and workshop some all position PLUS figures for the rest of this season and next one.

We still need to boost our attendance regularly, so please join us and dance with us. Don't stop learning !! We would like to match or top our A.P.D. attendance of eight (8) squares. We would also welcome new graduates of "PLUS" classes and of course, Clubs, come and raid us .....as we need SUPPORT !!!!!!!

We were happy to see Adele/Dave Weiss - as well as Hi Taw friends Fanny/George Meyer ---tripping the light fantastic" on our dance floor! Happy to see that all leg problems have disappeared.....

Please note that our June Dinner Dance has been cancelled. INSTEAD, we will hold a regular dance, please see our ad.

Have a good summer! Keep on dancing....The club is looking forward to a new revised program in the fall.

Every Thursday

No winter doldrums to report this year with so many visitors and activities going on! Our annual Chinese Auction started February off with a bang, and was the usual success. Tenaflly Squares raided us that evening to add to the fun and make it even more enjoyable. The following week we were again delighted to welcome a raiding club, Hi Taw Twirlers, this time. The middle of the month a student level dance attracted 19 new dancers - who did themselves and their teachers proud. We have some great dancers coming along!! February ended with yet more wonderful visitors - when we celebrated Presidents' Night. It was a pleasure to entertain 31 presidents as our guests, filling our hall with eleven (11) squares of dancers. Our own raid chairpersons, John/Connie Huettemann, have not been remiss in keeping us on our feet either. They planned and led two successful raids - one to Harmony Dancers and one to Richmond Dancers. The second Sunday in March found us enjoying our Spring Dinner Dance at the Brownstone Inn with John Kaltenthaler and his charming wife and the McLaughlins newly back up north.

As if all this dancing wasn't enough, Frank & Allana Barr, Ray & Annalou Kuenzler and Larry & Regina LaMarche had to travel to Bermuda for more.... when they attended the convention there.

Congratulations are in order for Kay Lisa with a new grandson and for Brenda Dexter, a first-time grandma with a grand-daughter.

Remember, we dance all summer in an air-conditioned hall and look forward to welcoming you whether you're an experienced or new dancer.

ISLE SQUARES -- Staten Island, NY

2 & 4 Wednesdays

Cleveland Ave., Great Kills

Isles Squares had a problem recently. We were unable to use our usual hall for two months and we had to cancel several dances. We sincerely hope this didn't cause too much inconvenience to our good friends, who usually attend our Wednesday evening dances. Suitable halls are almost impossible to find.

To keep Isles members from getting too "rusty" because of lack of dancing, America and Bill Lettieri and Joan Daniels encouraged us to raid other Staten Island clubs. Because your reporter, Gene, recently underwent surgery, we were not able to join other Isle members....but those that did had great fun. We can hardly wait to get back into the swing of dancing. "What you don't use, you lose", they say!!!!!!!!!!

Now that we've got our hall again, you can count on us to be there the rest of this season and next. We hope we can count on you to be there too! COME ON BACK TO ISLES. We missed you!

Once again we'll be welcoming another great group of students into the world of s/d with our graduation party in May. Wilson Hoff has done a terrific job bringing them thru the steps to graduation. We're happy to report that our Lee Kopman special was a great success with over 10 square for the C-1 session and over 11 squares for the A-2 dance in the evening. It was nice seeing Lilith again. Congratulations are in order for Milt/Vicki Kinstel on the birth of their grandson, this is their 7th grandchild! Dave Weiss is coming along nicely after his hip surgery. Dave & Adele would like to thank everyone for all the cards and phone calls-it really helps to know that so many people care. We hope to see them back real soon.

By the time you read this, we should have graduated 43 dancers into A-2. We'd like to congratulate & welcome all these dancers into our club. We hope you'll also dance at other A-2 clubs & dance to different callers. This is the only way you'll become proficient. We'd also like to congratulate all the new dancers coming into our activity for the first time. We offer them the same advice. A special thank you to Roy Leber, who did an excellent job of teaching these students. Also, thanks go to our class coordinators Walt/Berta Moffatt & all the angels that came every week to help. Our club wouldn't be what it is without these people, such as our faithful treasurer, Joe Passaro. Joe is there every week to set up, collect fees, angel, & anything else that had to be done - and still find time to make gifts in his workshop to hand out as door prizes. We're so fortunate to have help from so many dancers. Thank you, every one!

In addition, Queens Squares raided our club recently and we had such a splendid time when three (3) squares from King Squares raided their club.....in return.

KITTATINNY RANGERS -- Andover, NJ (Alt. MS/+ tips)  
1 & 3 Friday Long Pond School, Limecrest Rd.

The Kittatinny Rangers started off the new year with an Ice Skating Party at Donna Poyer's home. Chuck Conklin did an impromptu call on the ice and some of us skated and some of us slid in our boots to the music. Our class members joined us and we really had lots of fun! Our first dance in February was our Uniform Dance. Some of us fit into our uniforms much better than others!! Dick Pasvolsky was our caller for the evening. Also, Judy's Custom Square Dance Apparel of Easton, PA. put on a Fashion Show with our own club members modeling. Our Valentine's Dance was a lot of fun. We played the "Pin Game".....if you said the word NO --you lost your pin. Sheryl Dekmar ended the evening with the most pins. We also raided Lakeland Squares in February. In March, we held our "HATS OFF TO LARRY" Dance to honor our caller, Larry Davenport. Every time a "Weave the Ring" was called ---- we took off our hats to Larry. John Kaltenthaler came to honor Larry and did a couple of duets with Larry. A good time was had by all!!! Then, Bill Anderson called our St. Patrick's Day Dance with the members A-Wearing-0-The-Green. Come on out to our dances....we now alternate tips with both Mainstream and Plus. Every once in a while, we do a few line dances too. We'd love to have you join us !!! SEE YOU REAL SOON.

It's been a great year thus far -- and there's lots more to come !!!! Remember...Lakeland dances through the month of July! So to all of you graduates out there....come join us and have some fun while you fine tune your recently learned skills.

We'd like to say "many thanks" to ALL of our outgoing officers for their hard work and loyal support. If it weren't for the likes of you, we wouldn't have the fine club we do today. Additional thanks are in order to Pal Johnson for teaching our recent graduates and to Mary Lou and Lester, our class coordinators. They did a super job and their efforts really paid off. Also, a word of thanks to the Hesters for their fine job as Raid Chairpersons and to Tony/Jean Stella for the fine decorating job they've done for all of our special dances....they've really made them "extra special"! Come see what we mean.....!!

All of us at Lakeland were deeply saddened to learn of the recent passing of Gerald Rabow, one of our most loyal and enthusiastic members. He will be greatly missed. Our sincere sympathies are extended to his wife, Sylvia and family.

On a happier note, we are so pleased to have Sy Saposnik, the other half of our Presidency, back with us in such record time and also to have Lorraine Wahler joining us on the sidelines, even though she can't partake of the dancing.

Lakeland members were particularly busy this Spring with many attending the 4th New Jersey State Convention, various weekends in the area, round dance lessons/parties, raiding Ironia Reelers (with 16+ couples -- what a great night!), and partaking of the great food and dancing at our club's annual Pot Luck Dinner Dance - with our own Bob Mitchell. We hope to see all of you at Lakeland at one time or another. It's the place to be for a fantastic square dance evening!

Avenel Learning Ctr., Woodbine Ave.

With this, the last Grand Square of the season, we have no more important item than to recall with appreciation the fine jobs done by many of our members this year. Starting with our presidents, Olga and Al Kabana and their hard working board. They gave us a good year. Included must be the various chair-persons - such as our raid leaders, those in charge of the New Years Dance and their helpers, the covered dish dinner committee and those who prepared & served those great dishes. We have THREE..... count 'em....three dances left. The first one being the Graduation Dance. Remember Graduation???? That is where all those people we just expressed gratitude to - came from !! We have had many good dances shared with a lot of fine friends that were discovered through dancing. We enjoy our guests and we love to visit. Visiting is great in BOTH directions. As they say, "What goes around, comes around". We intend to keep going around and around...and invite you to come around and visit us.

A call from MARIE SHIPMAN - she is retiring from their R/D clubs with Pat O'Donnell her replacement. MARIE & Stan will still be available to cue at local S/D clubs, but this now gives them more free time to get out and travel as well as dance together for their own pleasure. ENJOY!!!

1 & 3 Friday

Hammarskjold Jr H.S., Rues Lane (October-May)  
K. of C., Pine St., Old Bridge (June-September)

Our annual Deborah Benefit Dance raised \$431 for this very worthwhile cause. Nine Squares of class members and angels attended the afternoon session called by Glenn Matthew and Dan Koft; and a similar number were present in the evening when Karen Kushla joined us to present Rounds. Those who plan ahead can reserve the 1st Sunday in February, next year, for this event.

The A-P-D group continues to meet, but the winter lure of the Sun Belt has made inroads into our numbers. The PLUS workshop runs 2½ squares on the average and breaks even financially. Anybody who wants to brush up his/her skills is encouraged to come out on Wednesday night at 8:00 at the Appleby School in Spotswood. We now intend to run until the middle of June and recognize our new graduates at our Dinner Dance in June.

We have continued our raiding ways with a visit to the M.T. Squares with nearly three squares in February. The Bachelors & Bachelorettes from Hatfield, PA. raided us early in March with a bit over two sets.

With extreme sadness we report that John Hagopian passed away in March, he will be missed. John and MaryLou have been active on our Board in several capacities, have conducted mystery bus rides and have chaired special events. For the past few years they have been President of the Hitch 'n Squares, a camping group that includes many of us.

Presbyterian Church, 494 Rt 10

Have you visited us yet for a friendly evening of A-2 dancing? NO? ? Well you can still dance with us before our season winds up in June. That also happens to be the date of our famous pot-luck supper and you certainly don't want to miss the tempting food and good fellowship, topped off with a fun-filled dance. Plan to join us !!

Many thanks from all of us at Mountain Squares to Doc and Peg Tirrell for all of their devotion to the "Grand Square" - these many years and we send good wishes to the new Editors. (Ed: Thank you)

We wish everyone a happy and healthy summer and hope you manage to fit in some dancing wherever you go. As our hall is not air-conditioned, we close down during the heat of the summer but look forward to welcoming the new A-2 dancers into a Mountain Square on September 19th. Our own Joe Landi will be hitting the road again with his "rubber duckie" to call for us next season and to keep us on the move in our favorite form of recreation.

1 & 3 Friday OCEAN WAVES -- Staten Island, NY (MS w/+ tips)  
Christ Methodist Church, 1890 Forest Ave.

If some of the R.I.O.S. people are inexplicably becoming better dancers, it might be from attending Ocean Waves Mainstream dances. We've been averaging about a dozen students at each dance. With a strong MS teaching foundation (thanks Frank Riviccio) reinforced with lots of "fun" practice (thanks to ALL Mainstream clubs) the rest of their Square Dance "building" should be stronger. Without a firmly set foundation the rest of the structure is in danger of collapse. Perhaps this has something to do with the "drop-out" problem, hmm...? What good is a fancy house if it has lots of cracks in the foundation? ? ? ?

And thanks to some of those foundation builders, the "Angel" members of Ocean Waves and the "Angels" who have been dancing with us from the other clubs. (Keeping an eye on your recruits?)

Also thanks to caller Dick Pasvolsky for bringing 18 people from his Hix & Chix class and club for our "Marching to Hawaii" night. The weather cooperated too. We had the windows open and the fans on !!

Maybe word's getting out - we're having tons of fun.....!!!!!!

## ONE SQUARE IS FAIR

Several years ago, NNJSDA Presidents, Mary/John Aquino, were trying to think of ways to increase attendance at NNJSDA functions. Elaborating on an idea first mentioned by past-presidents Gabe/Sila Dell'Angelo, Mary reasoned that if each member club sent just "one" square to an Association function, there would be (at that time) 42 squares in attendance. She then then very appropriately dubbed the idea "One Square Is Fair" and the program was born. Each year the NNJSDA awards a "One Square Is Fair" banner to every club that has met the requirements of the program.

## RAMAPO SQUARES -- Pompton Lakes, NJ

(A-2)

2 & 4 Saturday

Christ Church, 400 Ramapo Ave.

We extend our sincere sympathy to the family of Paul Brody, a special friend who gave so much to the world of square dancing.

Our 1989-1990 season has ended with two great dances called by Todd Fellegly in March and Bruce Busch in April. Many thanks to all the dancers who supported Ramapo this year. We regret we were forced to cancel several dances due to poor attendance. We see two words when we look at the word "attendance".....attend and dance! We urge everyone to support the clubs you can ----- ATTEND AND DANCE.

Many of our snowbirds have returned from Florida and as always, it is good to have them back dancing with us.

After twenty-seven years of cueing rounds at Ramapo Squares, Doc and Peg cued our last rounds on March 24. we will miss them. All who attended our farewell dance shared in the cake that read, "THANKS FOR THE MEMORIES", .....and many fond memories are shared by all.

Ramapo will be workshopping C-1 this summer and dancing C-1 starting in September 1990. We wish all a happy and healthy summer !!

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Congratulations to all you new and returning dancers. Welcome to the "Wonderful World of Square Dancing." Get out as much as you can and dance to as many callers as possible and you'll find your dancing becoming smoother and easier. Our R.I.O.S. graduates - Millie Anzalone/Eugene Villanti, Pat/Terri Fedele, Bernie/Mary Gisonda, Paul/Rose Lupoli, Tony/Anna Santangelo, David/Delores Shand and Jack/Carol Shannon - are dancing up a storm at class level dances and will ease right into the club as if they've been dancing forever. We had almost 5 squares of members and 1½ squares of students at the NJ State Convention and we all had a great time. If you missed it, you missed a great event. Plan now to make next year's convention in April. Now we are anticipating the fun of co-hosting a dance with Staten Square Set the first Sat. in April with Mark Franks calling. We are also looking forward to all the new dancers visiting our club and to be dancing with them at the summer NNJSDA Mainstream dances. Remember, all new graduates are invited to be our guests at our dance the 2nd Sat. in May.

RUTGERS PROMENADERS -- New Brunswick, NJ

(MS)

2 & 4 Thursday

American Legion Hall, 1015 Linwood Pl.

The Promenaders have been busy this year. Our second semester lessons are going well, and our new graduates join us in May - which will be our last dance until September. We encourage all area dancers (new and veteran) to join us then.

We were raided recently by Y-Squares. As always, we were very happy to welcome them and their members all appeared to be having a good time !!

The Rutgers Promenaders send their best wishes to Susan and Tina Petroulas and Nina Gerhold, who were involved in a car accident in February. Luckily, Tina and Nina suffered fairly minor injuries and are back dancing with us. Susan had more extensive injuries but is recovering nicely and expects to rejoin us by September.

The New Jersey State Convention (going on as this deadline approaches) is reportedly being well attended by Promenaders, be they: co-ordinators, dancers, fashion show participants, or callers and cuers. Best wishes to Karen Kushla - who makes her convention R/D cueing debut that day.

This will be my last Grand Square report and although I have had some trouble with the deadlines....it has been an enjoyable experience. On behalf of the Rutgers Promenaders, I wish all members of the NNJSDA a most enjoyable and dance filled summer. SEE YOU IN SEPTEMBER !

MANY THANKS TO THE TIRRELLS FOR  
25 YEARS EDITORS OF GRAND SQUARE

See Saws has had a very exciting couple of months since last we reported; we raided Western Wheelers with 2 and a half squares, the precision marching done by the raiders was something to behold. (Stories notwithstanding nobody got hurt in the march.) We had our Kite Nite Dance where dancers has to match specially cut Kite halves with their matching half. Sweethearts were in loving step at their dance for St. Valentine's day. GOOD NEWS Dave Weiss is back dancing once again. Hurrah! Members: please let your reporter know about news so we can share it. Thanks.

Want an evening of "Traditional Square Dancing"? Or want to introduce your non-dancing friends to the fun of our activity in its easiest stage? Come some TUESDAY evening from July 10 to August 28 to Bear Mountain, NY. Get off at exit 19 on the PIP and head to the Skating Rink. From 8 PM on SLIM STERLING will be calling.

We've lost track of how many years Slim has been holding forth in Bear Mountain doing these evenings, but he is a Master of this Art.

Wonder how many are still around who recall when Slim used to call for Tenakill Twirlers? Slim used to teach social dancing in White Plains, NY from 7-8; then dash to his car and drive to Cresskill, NJ [this was before 287 was built] and get there in time to call by 9 PM. And never got a speeding ticket either!!! Amateur callers always filled in 'fore he came.

2 & 4 Sundays

West Orange Community House, 242 Main St.

By the time you read this, all area classes should have graduated. We hope that many new dancers will consider Solitaires their s/d home. We accept couples and singles, but cater especially to single dancers. A mighty cheer to those who managed to find us in March. We were surprised to find the streets blocked off for the St. Patrick's Day parade. Many of us enjoyed a nice spring trek on foot to the Community House, and were rewarded with dancing to the calling of Dick Lighthipe. Hope to see you at the NNJSDA dances this summer. Unfortunately, we have no more dances scheduled this season. Due to dwindling attendance, we must re-think our fall schedule. If we can find enough interest, and officers, we will re-organize for the fall. If not..... Thanks, Solitaires, for some wonderful memories.

Sue Tobiason

(212) 567 6075

[ED: With so many more singles in our classes than ever before, it seems ironic Solitaires may have to fold its tent & disappear. We can recall how the NNJSDA, in answer to a flood of requests from single dancers with no place to dance, researched the problem, & thru the efforts of officers Sol/Harriette Koved, turned the request into reality. Officers selected, NNJSDA backed away once the club was actually on its feet with money in the bank, and let the dancers do their own thing. The club, which for a number of years was prosperous, chose Sunday afternoon as the best time for singles. Interesting to find out how many singles first met their spouse at Solitaires - know there are quite a number! All you singles out there, despairing of a place to dance: here is a ready made club, just for you. There are callers willing to help, you have a location. Leadership, or people willing to assume leadership is all it needs. Stop saying you need a place to dance. If you truly want it, you'll work to see it doesn't fold. THE FATE OF SOLITAIRES IS YOURS. Sue Tobiason can't do it alone. See related article on Leadership Training.]

For ideas on how to increase club membership, come to L.U.S.T. on Sept. 9th.

Bill Heyman called to a sea of red on Valentine's Day Dance. Did you ever think what it would be like trying to keep track of one square in a "sea of red" ? That is a callers nightmare !!!!

In March, we had a visitor from Baton Rouge, LA. She came to visit a new grandchild and dropped in at our dance. Isn't it nice to know that you can dance almost anywhere?

At this writing, Helene and Andre Bouchard are waiting that call which would announce the birth of their first grandchild; a second one is due in June. Helene and Andre were proprietors of "Your Left Hand Lady", which will be missed by all dancers.

Ray Lehberger called in March when snow showers were predicted, but we only had some rain. Seems Ray brings snow....last time he called was in January during another bout with snow. Ray calls again in May.....SNOW ?

Our snowbirds are slowly returning from southern climes. We welcomed back the Farrand's, the Lewis' and the Beckvar's. Some are still missing and we hope to see them all real soon.

Keith and Doris Douglas will be reporting club news for the coming 1990-91 season. We have missed his wry wit. But.....

STATEN SQUARE SET -- Staten Island, NY

(+)

1 &amp; 3 Saturday

St. Albans Church, 72 St. Albans Pl.

We love to raid Isles Squares but to raid them on Valentine's Day is an extra special treat. The holiday spirit and wonderful goodies just can't be beat. In March, we had a wonderful St. Patrick's Day Dance chaired by Tom/Dot O'Brien. The corned beef sandwiches - along with the beautiful assortment of holiday cakes made everyone feel Irish. The Isles Squares returned the raid and we were very happy to have them. We hope everyone who attended the 4th NJ State Convention enjoyed it and took full advantage of all the good dancing and informational programs offered.

We are now getting ready for our RIOS graduation in May at Our Savior Lutheran Church. We want to thank Class Coordinators, Tony/Marie Attanasio, all the angels who helped throughout the year and of course, Frank Riviccio for his dedicated tutelage. Staten Square Set has five enthusiastic couples coming into our club and we will all get the opportunity to meet & dance with them at our Graduates' Dance in May, which will be an Italian Festival.

Date to Remember: September 15, 1990 - this is our annual Barn Dance & will be held at St. Alban's Episcopal Church. Steve Forman is our caller and it will be a ticket dance. Tickets available from Executive Board members some time in May. A fun evening so come & bring some friends.....!!

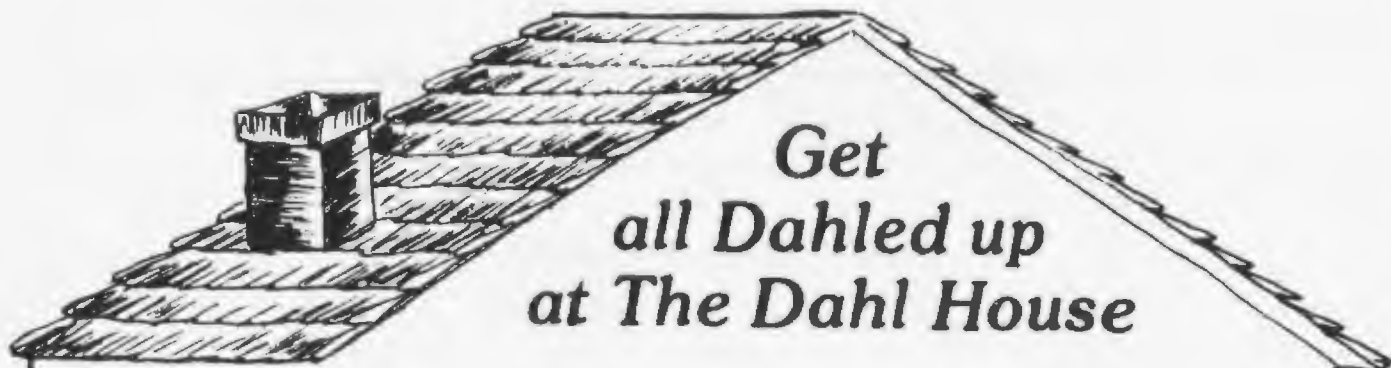

Well, the end of another productive, lovely, lively year of square dancing. WE WISH OUR FRIENDS A HAPPY, HEALTHY, SAFE SUMMER - keep dancing.

# Get all Dahled up at The Dahl House

I am very grateful to some special people who helped me with my shop at the 4th annual NJS&RD Convention. They gave me a chance to chat with my visitors and be in the Clogging show performing with "The Blue Ribbon Cloggers". These special people are Sally Rizzo (a non-square dancing friend of many years and many shared trials and tribulations), fellow square dancers Bob & Madelon Merkler (Bob is a Square Dance & Barndance caller and Madelon made the lovely crocheted shawls, is a line dance leader and a sister clogger with Richmond County Cloggers), another square dancer Patty Connors (who has been helping me regularly at Ocean Waves dances where I take my shop), and Anna Salerno (oldest daughter of Kit Millmot, a sister Ocean Waver). Special thanks to ALL of you.

2 & 4 Friday

Sussex Co Vo-Tech School, Rt. 94

The winter dances have been festive with fun, friends and food. Our Cabin Fever Bugout with Larry Davenport got us out of our houses and onto our feet. Our hearts were aglow with the Valentine's Day Dance with John Kaltenthaler. Dick Pasvolsky helped us enjoy our cherry treats at our Cherry Festival. You didn't have to be Irish to partake in the St. Pat's celebration with John Kaltenthaler. We danced on stage at the Sussex Co. Voc Tech School's Expo. Visitors shared in the excitement of a square dancing event.

A thank you goes out to our hard working officers Fred/Royann Blakeley, Jim Andorko, Fred/Helen Lutat and Bob/Sara Allison.

See you at the Sussex County Farm and Horse Show this summer.

It's hard to believe that our season is almost over!! In February, we stuffed ourselves with many varieties of pies - while dancing to the calling of Frank Riviccio and the cueing of Doc Tirrell. In March, it wasn't only the leprechauns that were leaping. Visiting student dancers and a raiding party from Silver Stars and NQR really crowded the hall to make it the best-attended dance in years. The students showed that they have been working hard and paying attention in class !! Caller Andy Woerner wasn't Ruth-less, as his tau was present to cue the rounds.

Now, we are looking forward to our final dance, the annual June ..... "Moonlight on the Hudson" Dance (see our ad and flyers). This year the date of the dance is the night of the full moon. It should be a beautiful setting down on the banks of the river. Hope to see you there... HAPPY DANCING ALL SUMMER LONG !!

TENAKILL TWIRLERS -- Cresskill, NJ

(MS)

3rd Friday

Bryan School, Brookside Ave.

February's Love Pie Nite brought out an array of scrumptious pies which were sampled by guests and members (few pounds added!). It was Amateur Caller Nite - Fran Wadel and Dick Mazzotti tried out their skills; it was a pleasure dancing to them, looking forward to hearing them more often-- Good job Fran and Dick. Presidents, Fanny and George were soaking up the Florida sun, so Beth Fessel substituted and handled the president's duties with finesse.

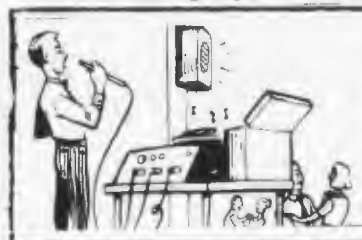

Our Covered-Dish Supper Dance in March, organized by the Rellingers and the Tirrells, was well attended. An assortment of delicious foods & desserts was feasted upon and then dancing followed - to try to use up some of those calories. St. Paddy's Day was celebrated with John Kaltenthaler singing a touching rendition of Danny Boy and calling an Irish contra.... all while a green-haired leprechaun flitted about the floor. Everyone received shamrock corsages made by Helen Rellinger. Very festive and we all were just a little bit Irish that night.

A very, very sad note. We are sorry to hear of Paul Brody's death. He was an excellent caller, teacher and friend - he will be greatly missed. Our deepest sympathy to Jeanne and her family.

## VALLEY SQUARES -- Watchung, NJ

(+)

1 & 3 Thursday

Bayberry School, Bayberry Lane

This time segment included two special events - St. Valentine's and St. Patrick's Day dances. Both were well attended and well raided and we thank everyone for turning out.

As noted above - the raids by our club and of our club, continue to play a strong part in the overall success of our dancing. We would again like to thank all those who have raided VALLEY SQUARES and helped to make the evenings social as well as dancing occasions.

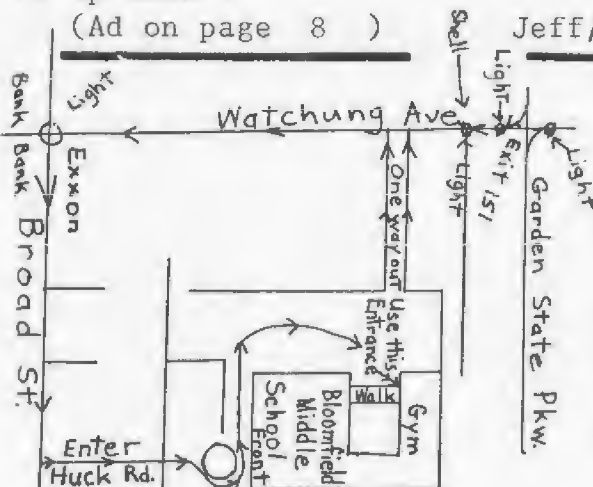

The Fourth Annual New Jersey State Square and Round Dance Convention is over and we were happy to see a lot of familiar faces. It was a fun day and seems to be building a great tradition for the future. Sign up early for the FIFTH !!

Like the evening TV news, it's nice to be able to end on a high note. We were all glad to welcome back Emma Campbell to the dancing scene. Keep it up Emma !

It's graduation time! Congratulations to all the people who are graduating from square dance classes: welcome to the Wonderful World of Square Dancing! May you be dancing as long as I have, or longer, and may you enjoy it as much - you couldn't enjoy it more!

Warren Wheelers had a good time dancing with, and for, the Japanese exchange students at Centenary College. Dick Pasvolsky was great at our Fabulous 50's dance. He came supplied with Hula Hoops and records that he actually called to and were recorded in the 50's. He taught us some of the figures that were danced at that time. We were raided by Leisure Sq. and again one of our visitors went home with "The Bread Basket", a picnic basket full of homemade bread and jellies donated by Esther Wasser.

Our Tee Shirt Dance was interesting. It was fun to read the various sayings. We presented John Kaltenthaler with one that said: "I survived Warren Wheelers' Tee Shirt Dance". We raided Hunterdon Flutterwheels & enjoyed dancing to one of our own, Wilson Hoff. He played "Bonanza" for us as our little horse-drawn covered wagon galloped across the floor just prior to our raid routine & the pinning of the banner. Warren Wheelers were out in force for the 4th NJSRDC in March. Tickets for our Spring Dinner Dance are going fast: we should have a full hall.

Our class graduates in May. ALL new graduates will be admitted free. Dance level in May & June will be geared to the new dancers. Our last dance of the season will start with a covered dish supper at 6:30 pm. We won't be dancing during the summer. Our 1st dance in the fall will be Open House in September. Till next time...HAPPY DANCING!

2 & 4 Saturday

Methodist Church, Kinderkamack Rd/Bergen St.

It never ceases to amaze me how much there is to write about the Western Wheelers. First, it's great to see Dave Weiss back dancing rounds so soon after hip surgery. Also, Bill Peckham is back dancing. Hats off to you, and keep it up.

New & exciting plans were discussed at our Executive Board meeting.... expect even bigger and better W/W happenings !!!!!

G.S.S.D.C. raided W/W with 22 couples, giving Al Kaesler a dance floor resembling a green & white mini-festival. Sly's, Taffel's and many "helping hands" coordinated a President's night to remember. Ten visiting club presidents were W/W guests, each receiving a souvenir W/W cup. The Lincolns (Daigrepoints) & Johnsons (Rogers) also honored us. Lyndon should really do something about those EARS! Ladybird "beautified America" by giving away flowers. Washington (G. Bachmann) was treasurer, but Martha was temporarily indisposed. St. Patrick's Dance featured Betsy Gotta & the "Castoffs"...no mistakes at all, they must've practiced. Did they really fly in from Alaska ??? Dressed in Royal Finery, Reginald VanHoot & boudoir maid, Von Klotzes, Van deKerners, Sir & Dame Kolb, Marshall Beckman & his Lassie, along with normally attired: Sly's, Taffel's, Sherlock's, and Britts, raided Pelham Promenaders on their "Skit" night. All men of W/W Royalty were knighted by the King and Queen of Pelham. Will these rascal raiders now feel emotionally compelled to adorn themselves in armor?

Our scrumptious Pie Night was enhanced by super caller, Randy Page and family. "Helping Hands" again came out of nowhere. Can't say enough about the pulling togetherness of W/W; one job is never one couple's solo.

Petruska Park is scheduled - come join us (watch for flyers) - you'll like our Friendly Club! W/W extends best wishes for "smooth sailing" to up and coming new editors of Grand Square, Charlie and Kathy Porter. Doc and Peg, thanks for your outstanding devotion to this publication all these years. May all your future endeavors and new interests be rewarding and afford you much happiness !!!!!

It always amazes me how fast time goes by. Here we are with summer around the corner and another dance season coming to a close. Y Squares has had a really super dance season. ### A Graduates Square Dancing Thoughts:

Square Dancing has extended it's hand of Friendship, all beginners and graduates take this hand and pass it on.

- #1 - By supporting your Square Dances.
- #2 - By helping other Square Dancers and your Square Dance Clubs (give a little bit of kindness and understanding).
- #3 - By telling your friends how much you enjoy it (word of mouth is worth a million signs and advertisements).
- #4 - Invite family, sisters, brothers, young folks and friends to TRY IT. If every one will try to bring a friend - the Square Dance Hand of Friendship will grow.

Your Friend,  
Henry Shiman

## From The Dahl House

### MORE RUFFLES

Before I get to the sewing hint — WOW !! The final count on the 4th NJS&RD Convention was 1866. It was great to see the attendance growing for this super-fun event ! It's a time to see "old" friends and make new ones, dance the old dance forms familiar to us and observe some new ones, shop at the old tried and true shops that set up for your convenience and check out the new shops and the new merchandise in the old shops — wait a minute — all this old & new is getting confusing. Suffice to say, a great time was had by all. Bravos to the volunteers who organized and pulled off this huge "Best Party of the Year" !!!

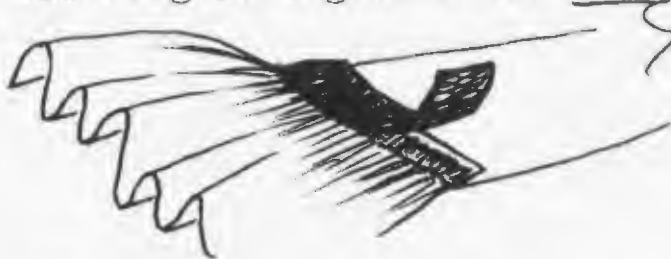

Now, Sewing hints. Last issue I described some ruffle ideas. Here's more. With the 1st your ruffling method will be the same (with either a ruffler or the double basting threads) but joining & finishing-off is different. I hate raw edges with fraying threads & ruffles are the worst offenders. I used trim that was "solid". By this I mean no lace with holes for fraying edges to "leak" through. This could be wide ( $\frac{1}{2}$ " or more) ribbon or woven trims, lace "lined" with solid fabric, thin strips of fabric with hemmed edges or turned under raw edges, or anything else you deem usable. \*

I sewed ruffle & skirt with WRONG sides together. (Yes, I know, this goes against everything you were taught, but, as they say, trust me!) Now open the seam out flat. Your raw edge is on the right side of the garment? Then you did it right! Now fold raw seam edges toward non-gathered fabric & sew trim on, one edge at seam & the other on "flat" fabric making sure you've tucked in all raw edges. (see illustration)

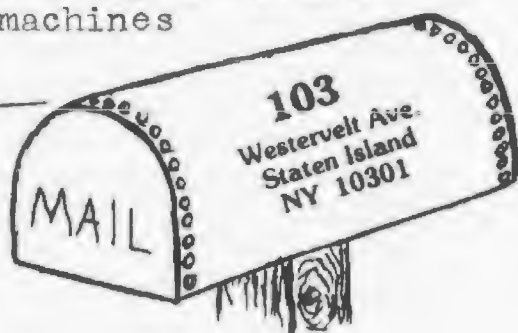

This other method was so easy I felt like I was cheating. I found some fancy elasticized trim (slightly rare & not a big selection). Using pre-hemmed edges of ruffle & skirt, I just stretched the trim as I sewed one edge of it to ruffle fabric (which then made a ruffle as it unstretched) then sewed the other edge, unstretched, to skirt hem or any other part of garment. This is great for "scalloped" ruffle designs or sleeves & necks of blouses.

\* By the way, if you're sewing a ruffle on a curved edge (Like a circle skirt) don't use too wide a trim or you'll have trouble "fitting" the top edge. You can, however, use wide trims on "tiered" skirts or non-curved edges of blouses.

Have I opened new creative doors for you? Good!! I can hear all those brains & sewing machines clicking into gear now!!

# CALLERLAB

The International Association  
of Square Dance Callers

If you had trouble finding a caller for your club the week of April 8th, the reason could have been CALLERLAB's Annual Convention down in Orlando, FL. Many area callers took advantage of the meeting's proximity to satisfy the CALLERLAB attendance requirement for continued membership as well as participate in their various committee meetings and their excellent educational sessions. Many of their sessions are taped. Spouses (or caller's partners to use the CALLERLAB designation) are also encouraged to attend with a full complement of activities planned and geared specifically to their side of the activity. The Partner's Handbook has been revised and hopefully will be ready for distribution there. It is a most informative and interesting meeting overseen by Exec. Secy., John Kaltenthaler, his secretarial staff and a very dedicated group of volunteers. Ask your local caller for details of the meeting. Unfortunately, John's press release will reach Grand Square after the deadline.

**GOOD NEWS!** Casey/Sharon Parker, ROUNDALAB Video Instructional Materials Chairmen, have announced that the video tapes of the 6 Phases are now available. These professionally produced tapes are educational tools to help teachers and dancers to better understand the figures and should not be confused with the original tapes done back in 1986. Clinicians for Phase I, II & III are Betty/Irv Easterday. Wayne/Barbara Blackford are the clinicians for the Phase IV, V & VI Latins and clinicians for the Moderns of Phase IV, V & VI were Bill/Carol Goss. Sharon Parker is the narrator. None of the clinicians received any remuneration. Each figure is shown 5 times. As the figure is described, the couple performs the figure, then the man and woman do their parts individually, the 4th shows a close up of the footwork and the 5th demonstrates the figure using an entrance and an exit to music. The complete Video Library consists of 9 tapes. Tapes may be purchased individually or as a full set. All orders must go through the ROUNDALAB office. Frank & Helen Cavanaugh, Chairmen of the Legacy American Folk Dance Committee, have announced that the Commonwealth of Massachusetts has adopted Square Dancing as it's official Folk dance. When a majority of states recognize the S/D as their folk dance, then an attempt will be made to have the U.S. Congress accept what other nations currently recognize - that the American Folk Dance IS the Square Dance !!

The theme for the Legacy biennial meeting in May of 1991 is "Square Dancing Rockets Into the Nineties". Already committees are at work. The Leadership Training Manual is being updated and more help is being provided to areas scheduling, mini-LEGACY meetings (we call them LUST in NNJ) and the Club Leadership Journal continues to provide thought provoking ideas and aids to recruitment and retention. Their free "New Dancer Notes" is a two color brochure which is an excellent supplement to the NNJ's - "What is Modern American Square Dancing". Write LEGACY, % NSD Directory, P.O. ### 4TH NJ CONVENTION SCORES BIG SUCCESS

Now out of its infancy, the NJ State Square and Round Dance Convention toddled its way to a huge success. That accomplishment was clearly evident as 1866 exuberant dancers stepped proudly in the very impressive Grand March. In spite of the snow, or perhaps because of it, dancers continued to arrive at Trenton State College through out the day setting an all time high of 561 walk-in registrations. In addition to the home state of NJ, dancers, callers and cuers came from all over the eastern seaboard including NH, MA, CT, NY, PA, DE, VA, FL and KY.

The 4th Convention, sponsored by the SDCNJ and chaired by Ken & Helena Robinson, offered something for everyone from student to advance dancing, all phases of round dancing and special hours devoted to clogging, contra, folk and youth dancing. A full compliment of vendors offered the latest designs in square dance attire and supplies. Scores of club banners hanging from the second floor balcony of the Student Center provided the perfect backdrop for the Fashion Show, the Showcase of Ideas and the Clogging Demonstrations. The Education Sessions rounded out the day's activities. Hungry dancers could stay on campus and enjoy a variety of snack foods, drinks and a delicious buffet provided by the College Food Services or they could visit one of the many fine restaurants in the area. The campus parking lot saw a 4 fold increase in the number of self-contained RV campers who took advantage of the opportunity to arrive Friday night and stay until Sunday morning.

General Chairmen for next year's Convention, Manny and Gail Amor, have set their sites on the magic number of 2000 as their attendance goal for the 5th Convention to be held on Saturday, April 13, 1991. With pre-registration already 40% ahead of last year, that goal is sure to be surpassed. Mark your calendars now and contact Registrars Don & Pat Stephens, 674 Clifton Ave., Toms River, NJ 07853, for details, Admission will be \$8 per person through October 31st. Additional Convention information can be obtained from Kathy & Charlie Porter, Publicity Directors, 99 Stanley Ave., Staten Island, NY 10301 (718-448-9761).

CONGRATULATIONS to our latest couples to earn their PATRON's dangles - to SHIRLEY & DICK WHITE - their second!!!  
and to JOHN & INEZ IWANYSHYN - their first.

Visiting 26 member clubs on their regular dance night is a fun way to earn this special dangle from your NNJSDA. You meet lots of nice folks...and surprisingly enough you will also run across many of the same folks at the various clubs. Very few of us only dance at one club. Mingle and mix and make new friends.

Many memories flooded back as Doc & I checked the Patron's card of John & Inez....for they began theirs back in February of '73! It included clubs no longer in existence - Swingin' Stars - Grand Prowlers - Hanover Squares - Dancing Squares (their first visit) - Hill City.....and signatures of friends who have passed on - such as Grace Pennie, who brought a special Joie de vie to the Round Dance circle. There is no time limit to complete your Patron's Card requirements - one couple who shall remain nameless took 11 years! Get your card today and start travelling.....

#### SOME INITIAL REFLECTIONS

Well, the 4th NJ Square and Round Dance Convention is now history. Evaluations are pouring into our mailbox as we write this (Boy, is our letter carrier glad we have a big box!). We're glad to see so many of you taking time to send us your thoughts. Although a full report will eventually be compiled and (hopefully) circulated, we felt we should comment on a particular trend we've noticed thus far. We DO NOT HIRE callers, cuers, or dance leaders for the Convention. These people all gave up opportunities to earn money that day (or even that weekend in some cases) and DONATED their services for your dancing pleasure. As such, the Convention can only offer those programs which these professionals can handle and for which a sufficient number of dancers have expressed interest. This year's Convention had fewer dance leaders than previous years. Round dancing was particularly affected - only 9 cuers offered to participate. Given these constraints, some dance programs were certain to suffer, notably "higher program" squares and rounds. We were especially taken to task by Challenge dancers that were upset over not having more than a star tip at 10PM even though C1 and C2 were listed on the flyer. These complaints must have come from walk-in registrants; had they registered early, something could have been arranged. When it became obvious that a Challenge program could not be offered at this year's Convention, the Registrar tried to contact those dancers that indicated Challenge as their sole interest and offered refunds. Most attended the Convention anyway.

So, if you're among those that participated in the 4th Convention and would like to see improvements in the dance program, let us suggest 2 things you can do: First, if your favorite caller/cuer did not participate, encourage him/her to sign up for next year. Second, if you want to see a particular dance program included, register early. You can always cancel and receive a refund (up to a month before the event) if your plans change. Challenge dancers, please note that the new registration form has no provision for C1; if you're interested, just write it in (we will!). Comments like these notwithstanding, most dancers enjoyed themselves at the 4th Convention and we're glad they did! If you still haven't provided your comments and suggestions, there's still time. Just send them to us and we'll be happy to read them and pass them along to the next General Chairmen.

Once again, many thanks to all who attended the 4th NJ Square and Round Dance Convention. We look forward to seeing you at the 5th!

Ken & Helena Robinson, General Chairmen

**NATIONAL SQUARE DANCE CONVENTION**

The NSDC Committee reports 14,154 dancers registered for the National as of Feb. 10th. All the downtown Hotels have been filled but there are still plenty of rooms available in the I-240 and West Memphis area and more hotels and motels

are being added to the housing list. The Program Book tells all about the schedules, events and locations of the activities. It can be purchased for \$2 with registration or for \$2.50 at the door. In addition to all the square and round dancing programs, contra dancing, from beginner to advanced, will be offered. Sew Beautiful will offer informative sessions on a variety of topics. There will be two clogging halls and a full program for beginner and experienced dancer. The convention will also offer line dances, mountain square dance and buck dancing. There will be free style and fun dancing in the evenings. To date, there are 25 exhibition groups scheduled to perform everything from roller skate squares to wheel-chairs to heritage to clogging and of course squares and rounds. If you plan to camp, there have been 700 sites available with hook-ups. The campground is 15 miles from the convention site but shuttle bus service will run every hour. Registration forms can be obtained from the Tirrells.

We are not sure when it happened, but some where in the past GRAND SQUARE became a fixture, as if it had always been there. But, nothing just happens, it is the culmination of the efforts of many, over a long period of time. GRAND SQUARE has become a part of every members life in our S/D activity in NNJ territory....and in a few scattered areas as well. And while for a number of years it was mainly the efforts of one family, GRAND SQUARE gradually became the efforts of many as more and more people came to lend their support to the team. We have certainly been blessed with some wonderful, caring and sharing friends.

One thread that has continually run thruout our editorship is service. In fact, to us, the only purpose of the NNJ publication is to be of service.....to its members and the activity. During the 25 years we have been privileged to serve as editors, some of our NNJ goals have changed and expanded...and will continue to do so. We know that with the Porters as Editors, this purpose of service to our activity will continue. We all are so fortunate they are willing to move on to this new job.

To answer the ? so many have asked - NO - we are not moving away - nor is Doc retiring. 3 Churchill Road will remain the official address of NNJ SDA. We intend to remain active in the S/D world. It's just that we need more time to devote to our other activities & when we have such a great replacement couple - NOW is the time to make changes.

And to think our involvement in this activity all began because Peg's best friend said, "I've signed up for a square dance course at the 'Y', would you please come with me?". Little did we know that invitation, back in January of '49 would be the catalyst to change and enrich our lives in a way two shy people could never dream possible. May you be as blessed.

## ROUND DANCE HIGHLIGHTS

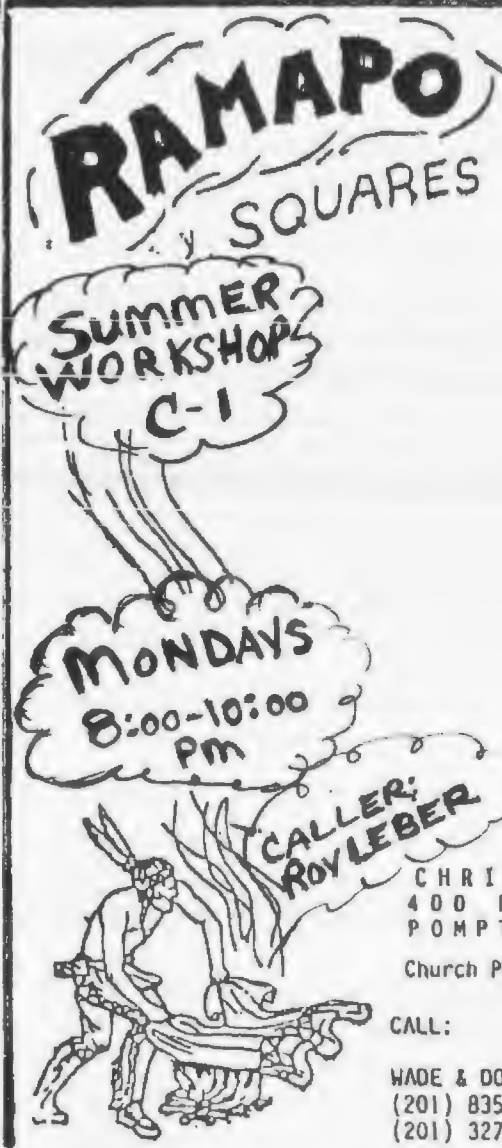

Our Council mourns the untimely death of member Paul Brody last March. We had many meetings at their home, dancing in their room specially built for dancing & enjoying their hospitality. Jeanne & Paul knew how to put & keep the fun into round dancing. We will all miss Paul.

Our March Council meeting was held at Jean Kellogg's. A workshop on "left turns" was presented by Doc Tirrell. All of our members will be taking turns sharing their knowledge & expertise during our educational hour. Next meeting will be the 1st Sunday in August at the Woerners' home in Oradell. Anyone interested in becoming a R/D leader or cuer is welcome to attend. We can always use more cuers.

Congratulations to Ruth Woerner-our newest member to try their hand at choreography. Her "Waltzing Bells" was chosen our area ROM for May. It was unfortunate we had to cancel our spring R/D festival, but most of our members devoted their talent & energies to the 4th NJSRDC in Trenton. A very full day of rounds had been scheduled, which we all enjoyed!

PRINCETON ROUNDS - Rumble - Hamilton, NJ - Tues (201) 657-0212

On a recent Tuesday evening, one could choose between staying home and watching The Wizard of Oz on TV or venturing out to learn Over the Rainbow Foxtrot! For us Munchkins at Princeton Rounds it was an easy choice - we came out for another great teach from our own Wizards of Rounds and followed that yellow brick circle! (Oh, Auntie Em, that's not a diamond turn!) We're dancing at Klockner School thru May, move to the Lawrence Road Firehouse, 1252 Lawrence Road (Route 206) in Lawrenceville, NJ for June-September (AD on page 55)

RAMAPO RHYTHMAIRES - Tirrell - Waldwick, NJ - Wed 201-568-5857

The class will complete the Phase II Basic Class and graduate early June. Next fall, the format of RR will change - we will be introducing the Figures and Rhythms in ROUNDALAB'S Phase III of Round Dancing during the early session. The second session will be devoted to the Figures and Rhythms in Phase IV. Watch for flyers with all of the details.

ROCK-A-ROUNDS - Woerner - Pomona, NY - Mon 201-261-1047

The Rock-A-Rounds class has now finished Phase II and after Ruth's usual trip in May, will spend the summer dancing what they have learned! We are small, but we have a lot of fun. It really is a lot of fun dancing all we have learned last winter and to know we can be cool in our air-conditioned hall as we really firm up our steps and even learn new ones.

If you dance Phase II or even higher, you are welcome to join us for a lazy summer of touch up or review. See you on Monday at 8 P.M.

TIRRELL TWIRLERS - Tirrell - Cresskill, NJ - Sun/Mon/Tues 201-568-5857

What a pleasure to welcome back Charley Beyerlein after his heart attack and Bill Peckham after his surgery. Charley has been wearing his pedometer on dance nights - interesting to see how many "MILES" we dance....!!

The Sunday sessions are taking their summer break - while the Tuesday & Monday groups will have an abbreviated schedule this summer. See flyers

Next fall a change in format for Monday nights which will be devoted to Figures & Rhythms in ROUNDALAB Phase III to V. The last Monday of the month will always be dance request night with no new dances taught.

March was extra special because we danced 5 times! The Atwaters are always coming up with dance themes which add to our fun: Crazy Hat, Pie, St. Pat. We enjoyed a raid of Belles & Beaus in Bensalem, PA & had super demo for a local sr. citizen group. Our s/d class, taught by Gary Potts, will be graduating over 20 dancers. These folks will be recognized for their hard work at the annual meeting/pot luck dinner before the April grad. dance. Top notch cuing by Steve Bradt & great calling by Craig Sherman, Al Kaesler, John Kaltenthaler, Larry Davenport, Dalt Young & Rich Kell make Masqueraders the place to be! Won't you join us?
