**From the desk of JIM & JOYCE KELLY, NNJSDA PRESIDENTS**

The 1990-91 season is off to another fun-filled year. Our Wednesday night summer dances were a huge success, with over 20 squares attending each dance. The Summer Attendance Award will be presented to Y Squares by the NNJSDA Executive Board at one of their club dances. Thank you Y Squares for your support.

L.U.S.T., although low in attendance, was a very special day for those dancers who were able to attend. We not only learned a good deal more about the square dance world, but had a lot of fun. To top off the day, John Kaltenthaler called a great Mainstream/Plus dance. Our sincere thanks to all who worked with the Aquinos to bring L.U.S.T. to you, and a big thank you to Bill & Donna Anderson who were responsible for the Blood Drive.

Classes are well underway. Please support the new dancers by "angeling" as much as you can. The benefits you and your club receive will be well worth the effort. Perhaps you may want to think about working with your class instructor to plan raids on other classes. It may be fun for your students to meet other students. You can then plan on a reunion at the Mid-Term Student Dance held in January.

On November 30, at the Jim Hayes Special, we will be honoring the retired Editors of *Grand Square*, Doc & Peg Tirrell, for 25 dedicated years of hard work. Please join us in giving them the THANK YOU they deserve and earned. John Toll will be cueing rounds.

As we end the old year and get ready to welcome in the new, we once again thank all our square dance friends for their friendship through the years. On behalf of the NNJSDA Executive Board, we wish everyone a happy and safe Holiday Season and a very prosperous New Year. See you in a square!

*Jim & Joyce Kelly*

L.U.S.T. '90 (Let Us Speak Together) was attended by 108 dancers, 14 officers and 32 staff members. We are only sorry that more people did not avail themselves of this very informative event. Perhaps if the next L.U.S.T. session was held later in the fall season, after the clubs resumed their dances, the attendance might be better.

The individual L.U.S.T. sessions were full of interested participants. The program highlights were as follows:

Administration: stressed the role of the executive board, functions and officer development as well as contracts, halls, and inter-club relationships.

Classes: covered recruitment, workshops and working together with other clubs.

Club Publicity: how to make flyers, ads and what information they should contain.

Finances: explained the role of the Treasurer, the need for good record keeping and how to break even.

How to Use a Microphone: gave everyone a chance to overcome their fright of the mike.

Insurance: discussed the whys and wherefores of insurance and the need for incorporation.

From Class to Club: gave us ideas on how to retain the new dancers.

Singles: just where do they fit into the square dance picture?

How to Hire a Caller/Cuer: discussed types of contracts and how to work along with the caller/cuer.

All About Rounds: how rounds fit into the square dance program.

Esprit DeCorps: presented ways to generate interest, gave ideas for dance themes, hospitality, and door prizes.

Sew What?: many helpful sewing hints were shared by the group during this session.

Computers in S/D: gave insight on how to do flyers, membership lists, attendance records, and computer squares. And last but not least,

Let's Talk: a great give-and-take discussion that could have gone on forever.

Blood Bank: there were 46 dancers and 13 local residents who donated blood during the day.

Many thanks to the well-prepared speakers for conducting the sessions: Frank/Allana Barr; Larry Davenport; Rose Erickson; Bill Heyman; Fred/Kathryn Hill; John/Freddie Kaltenthaler; Jean Koenig; Greg/Karen Kushla; Linda Millian; Pat/Bernie Monsen; Charlie/Kathy Porter; Frank Riviccio; Ken/Helena Robinson; Leo/Rose Rogers; Doc/Peg Tirrell; Dick/Shirley White; Andy Woerner; Bob/Gloria Wyman many of whom also gave blood.

Many, many thanks to Donna/Bill Anderson for organizing and running the Blood Bank. John Kaltenthaler also called the evening's dance and his duet with Larry Davenport was a knock-out. Thanks to Registrars, Norman/Susan Reid; to Joe Passaro who was always around when needed; and to the Whites who were in charge of the dance. Last but not least to John/Mary Aquino, Co-Chairpersons, who always do a great job!

BLOOD BANK

Color me RED, white, blue, and HAPPY all over! You did it! We got (just) enough donors at LUST to keep our Blood Bank in operation for another year.

Although Richmond Dancers once again had the highest percentage of donors (7.2%), the first aid kit will be presented to Y Squares (7.0%). (A club can only use one first aid kit at a time!) Congratulations and thank you to all our first time donors - we hope to see you again at our next drive. Remember, you don't have to wait for NNJSDA to sponsor a drive to donate - just use our # (9192) and get the top of the form to Donna Anderson (see page 2). How about a little friendly competition among the clubs? How about one square of donors from each club?

We had a very successful open house and classes are underway with an enthusiastic group of students. Y Squares won the Summer Attendance Award but Richmond Dancers and Harmony Dancers were right up there. All that spirit made for great summer dances. Y Squares

members have been really involved with raids and attending Association dances. Wouldn't it be nice if all clubs would send at least one square to the Association Specials? The dancers would have a good time and we would have a packed hall. Check our ads; we have some interesting dances planned for the coming months. We'll be looking for you, so all of you come and dance at Y Squares. See you in a square.

W/W '90-'91 excitement has begun! First, special thanks to W/W members who helped at the Petruska Park summer workshop; truly a S/D labor of love! Andy Woerner provided a fun-filled intro to our S/D season at the Warm Up dance. Ask the Schlegels about their exciting trip to England; especially that plane trip and a half back! Shirley Sherlock, heal that broken foot fast. We miss

you! Two W/W, the Rogers (Administration) and the Wymans (Esprit de Corps), were outstanding speakers at L.U.S.T. Great S/D information and talent is revealed at these sessions. We salute our Presidents, the Rogers, for coordinating the "RICHARD LANE SPECIAL" and special it was. 14 squares were "kept dancing" smoothly to this fabulous caller's clever maneuvers. The Hohmanns were presented with a 40th Ann. balloon. All 3 danced an Ann. Waltz! The kitchen buzzed with the Schlegels, Taffels and those "helping hands." Did you notice the Bachmanns' "Wheel of Fortune?" READ MY WORDS..GREAT NEW FUN FOR EVERYONE IN '91! Check our ads carefully! Join our FRIENDLY CLUB!

Summer is over and here we are back in the swing again. Four squares showed up for our Open House with Dick Pasvolsky. Seven people signed up for class and hopefully we will get the 12 that we need. Our class instructor will be Herb Conklin. Our President, Doc Wasser, is slowly getting back

to dancing after back surgery in early August. Seven of our members attended LUST: Presidents, Doc/Esther Wasser; VPs, Bob/Ella Yager; Secys, Sue/Bob Stone; and Class Coord., Peg Pensack. They came back full of enthusiasm and knowledge. We will be having a Halloween Dance (which will be over by the time this comes out); a Thanksgiving Dance (pie & ice cream for all); a Christmas Dance (ALL STUDENTS ADMITTED FREE); and a New Year's Dance. Hope you can join us. Until next time, Happy Holidays and Happy Dancing!

This summer was "Demo" summer for Valley Squares! The committee had wonderful cooperation from our members who danced all over the area spreading the good word about Square Dancing. Now we are waiting to see the results when we hold our first class and welcome our audiences into our activity.

Carl Hanks was having as much fun as we were at our our first dance putting us through the paces with "Right & Left By, By, By," etc. Steve/Wendy Bradt are so smooth showing us the latest Rounds, that it's hard to let them sit down; just love that "show & tell" time. We are very fortunate to have such a great staff! At our Executive Board meeting last Spring, we decided on a few really Special dances. So, see our ad for full details.

Eight lively squares joined TT for their opening dance of the 1990-91 season. Squaring up with John Kaltenthaler and round dancing with "Doc" Tirrell, were couples from 8 clubs along with members from TT. Tenakill Twirlers is celebrating its 40th year as a square dance club. Congratulations, good things do last! Six new members were presented with their

TT badges: John/Betty Ruiz; Dean Morgan; Jerry Furio; Pru Miller; and Marion Kopman. Welcome and enjoy the fun of square dancing. Our wishes for a speedy recovery to Tony Fodera and Joe Ramirez. Hope they are back dancing very soon.

The Sussex Spinners were "Dancin' in the Rain" at the Sussex Farm and Horse Show in August. Despite the downpour, a sizeable crowd gathered to watch our demo. Our fall season began with a Square 'Em Up dance and a Fall Foliage Festival. As the colorful leaves danced their way to the ground in October, we were twirling and swirling at our Salute to Columbus and Great

Pumpkin Dances. We look forward to many fun activities in November and December. Plans are already underway to ring in 1991 in style at our 21st Annual New Year's Eve Dance. For tickets and information contact Royann Blakeley. What better way to start the New Year than with good friends, delicious food and a night filled with dancing.

We have another great R.I.O.S. class on Monday nights with lots of enthusiastic people wanting to learn and join in the Square Dance activity. Patty Connors (Ocean Waves) is the Class Coordinator and Don Coy is doing a wonderful job teaching. Be an Angel and please help! Our annual Barn Dance was a huge success by all accounts. We had many new faces attending and

Steve Forman did a bang-up job putting everyone through the paces with teaching our guests, calling a few demo tips and the Virginia Reel. Thank you Don/Pat Seligshon for chairing this event.

We want to convey Get Well wishes to Joan Newman, who is back from Florida and recovering from surgery. We will have the pleasure of her cueing at a number of dances. We really missed her! Get Well wishes also go to George Pascua, recovering from surgery. We hope to see him up and about dancing with us soon.

Joe/Eleanor DiGiacomo are our Raid Chairpersons this year. They started us off this past summer with a raid on the Bee Sharps and they plan to continue with some more. Let's give them our full support and come out in force.

Spinning Wheels has gotten off to a fine start this fall. The season started with a "Picnic." The club supplied Hot Dogs and root beer and people supplied 7½ squares. Ray Lehberger did his usual fine stint

on the the mike. Your reporter can't help wondering why, with hot dogs, Fred Weiner wasn't the caller! The Open House drew 9½ squares. An auspicious start. We really have a fine mix of callers for the 1990-91 season, along with our usual mix of MS and Plus dances, we have smiling faces to greet you on the floor. We have added round dancing to some of our dances. It is true that you can't fit a square peg in a round hole, but we can fit round dancers in a square club.

OH BOY! We are happy that not everybody showed up at our first dance of the year. It was so crowded we had difficulty fitting in all the dancers who did show. Larry Davenport, of course, called a GREAT PLUS dance and we all had to be at our best to keep up with him. GREAT, JUST GREAT. Thanks Larry, it's a shame that not all the dancers had the chance to dance to you at what was most likely your

best. THANKS AGAIN. See Saw's ability for throwing a good dance is spreading and spreading. The Left Footers Club, from West Hurley (near Kingston, NY) in the Hudson Valley Square Dance Association, raided us and enjoyed themselves, if their laughter and smiles were any indication. The globe-trotting Nahass' returned in time for the dance but we could not keep up with them since they no longer speak American, just Global. The Kushers now only speak Apache since they just returned from Arizona. Hey, we're jealous.

A picture is worth a thousand words - Dave Weiss is back dancing. A recent picture in our local newspaper shows Dave and Adele dancing in a demo to attract new dancers in our area. This reporter again BEGS for help. I need news of our members to put in the *Grand Square*; please call or write.

SQUARE & ROUND DANCERS

Pennsylvanians now have their own "vanity" license plate to proclaim they are square and/or round dancers. The drive to get the plate was begun by the PA Square and Round Dance Federation headed by Bob & Dottie Elgin. In order to have the state make the special plate, they require at least 500

people to sign up for the new plate. What a great advertisement for square and round dancers!

Come join us for our ??? Annual Toys for Tots Dance the third Sunday in December at the Rutgers Student Center in New Brunswick (see our ad for details). Let's make Christmas a bit brighter for the kids! Congratulations to Marianne McDermott and Kevin Harris on their engagement. Our first dance of the season was a huge success. There were over 13 squares in attendance. There was good dancing thanks to Bill Heyman and great desserts thanks to our members at our annual Dessert Dance. It was wonderful to have Honorary Life Members, Jim/Jean Laird, back dancing with us. We hope Jean continues to improve after her heart attack. And Ray

Friscia has returned after his surgery. If you were not there, you missed a good time and good eating. In this spirit of good eating, we hope you all have a wonderful Thanksgiving as you celebrate with your family and friends. Richmond Dancers had a very good showing this year at L.U.S.T. Percentage-wise we had the biggest showing for the Blood Drive.

With this joyous season upon us, we want to wish all our fiends a Happy Chanukah and a Blessed Christmas. May God bless you all with a healthy and happy New Year.

Montville is starting late this year, but it looks to be a good one. Mary Schulien is booking callers and has a great line-up so far. Marc/Fay Korn are Treasurers and Paul/Betty Stone are helping with promotion. Marian has retired and I am reporting. The program has been changed to C-2. Many of the couples involved have been dancing C-2 and the opportunity to

add this program in the Northern NJ area without reducing C-1 available dance time presented itself. THE DESIRED EFFECT (I hope), MORE DANCE TIME -- LESS TRAVEL TIME. I plan as much C-1 and more C-2 as a result.

Well, we thought our slate of officers was all set when the news came that Bob/Joan Dague, our Presidents, were moving back to Michigan! Although we are unhappy at losing such a great couple, we are pleased about Bob's work promotion and wish them all the best. We know that the square dance clubs out there will welcome the Dagues with open arms. Happily, Bill/Hilda Groth, our

VPs, have stepped forward to fill the top spot and did a grand job at our first dance. Now, all we need is a couple for the VPs slot. Our opening dance was very well attended and it was good to see the dancers having such a fun-filled evening topped off with the delicious farewell cake the Groths brought for Joan, who left the next morning to join Bob in Michigan. Between tips, we caught up with one another's news and chatted with Nancy Remington, who still cannot dance but came to socialize. Our caller, Joe Landi, was in top form and this promises to be a great season. Why not join us? The transition of the *Grand Square* from Doc/Peg to Charlie/Kathy seems to have gone very smoothly judging from the last issue. Keep up the good work!

Now that the hot or potentially hot weather is over, we are back at our old stand at Hammarskjold Jr. H.S. where we have been for many

years. Contrary to some people's beliefs, the school has not been

relocated, but the roads have. Please consult the map and call me if you need clarification. Classes are just underway and it is too early to determine the class size. After one year of Wednesday night class, we have gone back to Thursday at the request of our Angels. Angels may earn free dance passes for participating in several class sessions as well as meet the new Merri Eights.

We shall miss Burt/Susan Caplan, who have forsaken NJ in favor of retirement country in Florida. If anybody knows what Burt is retiring from, please let me know. I told them that we would be happy to stay at their place during our two-week winter vacation, but I needed their address. I must have misunderstood because I thought they said something about 100 miles east of Miami.

### IS YOUR HALO ON STRAIGHT?

- With classes in full swing, the following tips are for angels to consider:
- Wear your badge and welcome the new dancers with a smile.
  - Listen to the caller and let the beginners listen.
  - Let the caller do the teaching. If there is a problem, tell him quietly between tips and let him correct it.
  - Be a helper not a pusher. Gently guide the student through the call if he/she is confused.

- Be careful not to embarrass any dancer by correcting him/her or by

This is our holiday issue and includes the biggies. I for one look forward to Thanksgiving starting right after the the July 4th Maryland crab feast wears off. Next comes Christmas and its fat finding excursion followed by New Year's when, after a year end repast, we resolve to eat less in the coming year, which lasts until the early part of July. As with

most clubs, the M.T. Squares use the holidays as an excuse for a few extra effort dances. We hope many of you can help us celebrate these and our regular efforts. By the way, it is not too early to think about our New Year's Dance. We can usually accommodate couples from other clubs so seek out an M.T. member if you are interested. We also look forward during the year to visiting you at your club. In closing, we invite you to put our efforts to the test any 1st or 3rd Saturday.

attending will have a good time. We look forward to seeing all of you on the dance floor sometime this year.

Another dancing year is off to a GREAT START! All in one week we held our Annual Picnic (where a super, albeit chilly, time was had by all), a successful Open House, and our Welcome Back dance with

Betsy Gotta. There's lots more fun in store for everyone at all future dances. It's going to be a great year! A special note: due to the huge success of Rounds at Lakeland, the Spinks will be adding the 4th Tues. to their schedule, with Lois Bichler moving her lines to the 3rd Tues.

Okay Sy, enough is enough! Please don't scare us like that EVER again. Get well as fast as you can and STAY THAT WAY this time! We want you back with us as soon as possible. A warm "welcome back" to Lorraine & Les. Special thanks are in order to our delegate, Carol Ridings, for all that she has done for us: our new schedule cards, super fall flyers, representing us at LUST and attending and reporting to us on the Delegates Meetings. Thanks, Carol.

Our "Welcome Back" and "Summer's End" dances have gotten us quickly into the S/D mood. Herb Conklin called the first dance and Larry Davenport called the second. They also started us on our Plus Programs for the year by teaching 2 calls and then reviewing the previous week's calls. By year's

end we will be through the Plus Program and hopefully we'll all be experts! We ended the summer by doing demos for Vernon Day and at Wild West City in Byram. Thanks to all who participated. We are looking forward to the start of our class on September 27th and to lots more dancing. Come join us!

Our 1990-91 season opened with our first dance the 3rd Sunday in September with Bill Heyman calling. We were pleased to welcome our old timers and many new graduates as well as visiting clubs from the tri-state area. Hope to see you all at our 1st and 3rd Sunday October dances when we'll be

celebrating our 16th Anniversary. Our classes got off to a good beginning in September with many enthusiastic new dancers hoping to acquire the necessary skills to become proficient dancers. Classes are held on Thursdays at 7:30 PM at Redeemer St. John Church followed by a Plus program for new graduates as well as dancers who need to refresh their skills. We have a great roster of callers for the coming year and invite all dancers to participate in this wonderful activity.

**Thank you for dancing with us, and have a joyous holiday season.**

After seeing the Fall issue of GRAND SQUARE you know now why we felt so secure in passing the editorship over to Kathy & Charlie Porter. Our area is so fortunate to have such a hard working, capable, wonderful, dedicated-to-the-activity couple in its midst.

As promised, Peg journeyed over to Staten Island and spent a Saturday in July helping the Porters adjust pages, hot wax, etc. We managed to trim the issue down from Kathy's original 60 pages to

56 (which is 3 stamps if mailed). When one is working with ads, one spends very little time reading club news or other items as it takes many hours to cut, place, and hot wax ads - not counting all the extra time needed to make the ads really camera copy.

So we never really had a chance to read club news and were just as anxious as the Porters to see the first issue. But never in our wildest dreams did we ever expect that centerfold!!!! And all those letters!!!! All we can humbly say is "THANK YOU." GRAND SQUARE was a labor of love for an activity we both thoroughly enjoyed. To us, the square dance activity is like a link in a chain of friendship all over the world. How true the line - "All that we send into the lives of others comes back into our own."

Our most often asked question, "What are you doing with all that spare time now that you are not editing GRAND SQUARE?" Answer: As Executive Secretary of ROUNDALAB, whose membership grew from 512 when we became Executive Secretary in January of '84 to 929 Teaching Units in 1990, plus doubling of the activities and publications of the organization, you can guess where the spare time goes. And yes, we still plan to remain active in the NNJSDA area.

We were fortunate to find such a replacement. A question for you now - If you are a leader - WHO are you training to take YOUR place?

May your corner always be there to meet you!

We were very sorry to hear that on her doctor's orders, Ann/Vic Musso were forced to give up square dancing. Ann decided to donate all their square dancing clothes to the club to dispose of them in some way that would benefit the club or square dancing in general. That's the way Vic/Ann are, always doing something to help the club and square dancing. It was decided that we would sell the clothes and

donate all the monies to the Paul Brody Scholarship Fund. That started a chain reaction (no pun) with others wanting to donate clothes they no longer needed, especially Ann Gallo who donated a large number of dresses and other square dance apparel. If your club has a favorite charity or is trying to raise money to support your club, this is something you might consider. It will be for a worthy cause and, besides, you get to clean out your closets.

Just a reminder that starting in January 1991, J & M will be dancing 1st, 3rd and 5th Sundays only from September through June. During July and August we will be dancing every Sunday. Come join us and dance to some of the finest callers in the country.

Sorry that we missed the July deadline. We were in PA and forgot. We danced at our campground in Upper Black Eddy, PA and at a Peach Festival Demo. Needless to say, with only 2 summer dances to our credit, we were a bit rusty at Isles first dance in September. But we had a lot of laughs and Frank Riviccio was his usual enjoyable self. It was good to see old friends and exchange

summer experiences. Isle members Rae/Joe Scarano spent their summer working on the "Bed & Breakfast" inn they've just built in Nova Scotia. When it's ready (in a year or so), they'll let all you square dancers who enjoy travelling know the details. They guarantee that the area is beautiful for tourism. Please visit us at Isle Squares. We feature good callers, good people and good food.

Reelers' first date was a very successful Open House for new and old dancers. We have a great class in the making with Wilson Hoff the able teacher. Eighteen couples attended the First Annual Funforall in Marshalls Creek, PA mid-September and enjoyed the calling of Joe Landi, Brian Fugere and cueing of Al/Gale Spinks. It was a

fun weekend. Congratulations to Jamie Kleinsorgen for earning her Freeloaders Badge over the summer. Also to the Reelers for earning our One Square Is Fair Award from the Association. Sorry our September 21 dance was cancelled because our school was closed. Hope everyone got the word in time. Happy Holidays to everyone. Come celebrate with us!

Our club members hope everyone enjoyed their summer and look forward to welcoming you back to our fall and winter schedule. In addition to our regular weekly dances, Demo Chairman Agatha Cochrane is keeping us busy with a demo planned for every month. From June to August our club Rovers have

been active dancing in far-away places. Connie/John Huettemann attended the NSDC; Brenda/Dick Dexter danced on the West Coast; and Gloria/Bob Wyman joined squares in Great Britain. While they traveled to their destinations, we celebrated a night in Italy and Hawaii without leaving home. Belles & Beaux once again delighted us with their company when they raided Hawaiian Nite. Thanks to a great group of callers and cuers, our summer dances have been well attended while the AC was much appreciated many of the evenings. Come join us soon.

For our first dance, the weather cooperated too well and we had to dance in high heat and humidity. We thank our faithful dancers for not giving up and making it to the end! Good news! We had asked Jerry Estrin to make it to the first dance of the season and he didn't disappoint us. We were happy to see him looking trim and fit. We are looking forward to seeing Jerry/Phyllis on a regular

basis again. Our Presidents, Grace/Steve Weinstein are brand new grandparents of a boy, Lee Eric Weinstein, born in August. Congratulations to the parents and grandparents. Recently it was a pleasure to have Grace/George Weinstein; Sandy/Bernie Beck; Gloria/Leon Smith; Fanny/George Meyer; and Simone/Maurice Kaufman represent Hi Taw Twirlers at the Brian Fugere/Joe Landi Weekend in Marshall's Creek, PA. It was great to dance and socialize together! Our Presidents along with Doug Hamilton have devised a dancing program with lots of variety.

Looking back over the months, we have to proclaim our combined summer dances a success and we look forward to a continued association with our sister clubs for next season. Our fall season has been a resounding success with our all position dance (APD) tip at our Mainstream dances. A lot of laughs

occur as everyone forgets which position they are dancing at the moment. Our Board is busy working on our "live band" dance which is scheduled for March 1991.

Harmony Dancers wish to express condolences to club members Lorraine/Lennie Sobin on the loss of Lorraine's mother. Caroline was a great fan of square dancing as she sat in her wheelchair each week and enjoyed the dancing. Her presence will be missed by all.

August was an interesting month; 4 callers donated their time, calling to 6 squares, to benefit the PAUL BRODY SCHOLARSHIP FUND. Callers were: Andy Woerner, Jim Broderick, Dick Mazziotti and Fran Wadel. Visiting caller, Don Coy, provided an enjoyable evening for 5 squares during our club caller's

absence. Caller's spouse, George Loewenstein, is incoming President of their local synagogue and conflicts DO arise. Besides, it's fun to hear a new voice and see a new face. Come back again, Don. The arrival of grandchild #9 didn't stop Dot/George from enjoying the group S/D trip to England, Scotland and Wales in August. Of course, they would have preferred to meet Manny/Gail Amor for dinner in Lakewood rather than as "guests" of British Airlines #185 which lost an engine in the mid-Atlantic! We welcome all dancers to have Fun At Dancing in Maywood.

Our Open House dance was a huge success and 19 people signed up for lessons. The students are in for a treat when Brenda presents the fashion show in Oct. We welcome all the new graduates that joined our club this year. We have scheduled outstanding callers for this year so we should have exciting dances. We will have more theme dances: Halloween paper bag masks, Thanksgiving turkey trot and a cake walk to name a few. Many of our members went to England with Dot Loewenstein this summer and had fun touring and dancing around the country. It was a very memorable experience and they are eagerly anticipating the next trip. Cross Trailers have a new look. They are sporting jackets with our logo on them. No mistaking them for another clubs but hope we don't have to get them on in a hurry before looking at the name or they may end up with one too big or too small. They will look nice though.

This summer was a great success for our club. We held 4 outdoor dances in July & August and attendance was super. Our recent graduates were frequently seen at the NNJSDA Summer Dances and Joe/Eleanor Emmerich, George/Barbara Skrutskie, Joe/Dottie Welsch all earned their Freeloaders Badge.

Congratulations to all 3 couples and other recent earners of their Freeloaders. Welcome back to the Lawrences who danced this summer in England and Scotland. In August, Phil Hammer/Roz Guerriero joined the square dancers of the Binghamton, NY area for their annual 3-hour demo at the Johnson City, NY Mall. Every year the Binghamton clubs use this demo to obtain new students for their fall class. We successfully started our season in Sept. with some wonderful calling by Michael Johnstone, the White Knight, and received our One Square is Fair Award

The Sept. 9th issue of *Woman's Day* featured an article on June Schlosser and her "Petticoats on Wheels" square dance shop. June is a 64-year-old grandmother from Brownsville, OR, who drives her 60-foot rig 20,000 miles a year. She spends weekends at dance festivals throughout the Northwest and is booked years in advance. During the week, her husband, Robert, helps with paperwork and shipping. They have been married for 26 years and have 6 grown children. The Schlossers have been square dancing since the '50s and June started her business in 1978. She hopes that Robert will be her partner on the road as soon as he retires. "This isn't just a job, I feel like I'm a special part of square dancing," she says.

Our first dance of the fall season with Manny Amor calling and Ellen Fury on the rounds was made even more enjoyable by a large group of raiders from Bee Sharps. Great to see this so early in the year; they really have their act together. Our sick list has Elsa

Harry Sorenson recovering but still off the dance floor. Samuel Clemens once said the report of his passing was premature, and our past presidents Frank/Helen Cavanaugh told me my report of their moving is also premature. Our class coordinators, Camille/Emilio Pelaez, are busy with their class activities. Something new, the Country Promenaders and our host school, Herbert Hoover Jr. H.S., got together for a barn dance early in October. HAPPY HOLIDAYS and best wishes for the NEW YEAR to all our dancing friends.

Summer went by too quickly for some of us, but the good news is that we can go back to dancing on a regular basis. For Cloverleafs members, it meant waiting until October for the first dance of the season. As usual, we have a variety of excellent callers and our faithful cuers, Doc/Peg Tirrell. Many of our members went away to local or far away exotic lands. Some like Gloria/Bob Wyman

were able to square dance to British and Scottish callers. Our Presidents, Connie/John went to the NSDC in Memphis, TN and had a terrific time. Also, with other active NJ Garden State Campers, they went to the Sussex Fairgrounds in September. As the temperature goes down and the leaves slowly turn yellow and red, we cannot help but think about the holidays. So, we wish you much happiness, good health, good dancing and, of course, PEACE.

The first Tenderfeet Open House was held in Haworth in September. Our class coordinators report an

enthusiastic new dancer turnout. This summer many Circle Eights members had a chance to visit and square dance with friends of other member clubs. They accepted us with open arms and a BIG YELLOW ROCK. We, the members of Circle Eights, invite all to visit us where dancing and friendships are priorities. We all share the happiness of our square dancing grandmother, Mary Jurasek, who welcomed a new baby grandson into her family. Get well wishes to Joe Ramirez after his recent accident.

Belles & Beaux was well represented at L.U.S.T. The Sessions were as much fun as they were informative and some of our members donated blood as well. Of course, John Kaltenthaler's calling at the dance that evening was a terrific ending to a terrific day.

September also welcomed us back to

the Coleman School for our fall schedule with Larry Davenport calling on a rainy night. But, the dance was well-attended in spite of the weather. Our Open House found new Head Angels: Alice Sanborn, Stan Buczkowski, Mary Jurasek and Henry Shiman busy greeting all our prospective students. Many dancers from other clubs also joined us and are helping as "angels." Ridgewood's *Sunday News* did a great full page feature on Belles & Beaux on September 30th. In addition, an article also appeared in the *Suburban Shopper*. How's that for exposure?!

## RED ROSE EXHIBITION TEAM

The RED ROSE Exhibition Team is a group of local area square dancers who have joined together with the specific goal of promoting and preserving square dancing as the wonderful recreational activity that we all know it to be. Our dancers represent membership in about half of the member clubs of the NNJSDA. Our intent is to serve and work with the Association and its member clubs to assist in attracting new dancers to the classes of the member clubs. The way that we hope to do this is by providing square dance performances for non-dancers wherever and whenever it seems appropriate to do so. We are not looking to replace demos done by our local area clubs, but rather to supplement demos in situations where it seems appropriate to do so.

We are not a club in the traditional sense. We do not hold dances or hire callers. We have practice sessions on the first, third and fifth Mondays of each month, September through May. Our dancers come to our practice sessions to work on our presentations. We have developed highly stylized, precisely timed, smooth dance routines for presentation to the general public. We build our routines around basic choreography that is both simple to execute and pleasing to the eye. We use lots of circles, stars and squares. We want to show prospective dancers that square dancing is both fun and easy to do. We want to show that square dancing really is dancing and that it can be done with style and energy at the same time.

All of the members of our team auditioned in order to be on the team. We chose dancers who demonstrated the ability to dance smoothly with style, timing and energy. We also chose our dancers for their

enthusiasm for the dance. That enthusiasm is not something we can teach, but it is something that dancers and non-dancers alike both see and appreciate. We think that it is an important ingredient in attracting new people to square dancing. If a prospective dancer has the impression that we are having a good time, then they may believe that they might also have a good time.

In addition to developing presentations for non-dancers, RED ROSE is also developing exhibitions for presentation to square dancers. We have been invited to perform at the Connecticut State Convention next March and hope to perform at the New Jersey State Convention next April. We will also be contacting our local clubs to set up raids and to provide those clubs with a short demonstration of the kind of presentations we are developing.

We will continue to add interesting things to our dances and occasional door prizes, such as prizes for our Halloween Dance. Hope to see MANY of you at our dances in the near future! REMINDER: We will have a "Teach a Classic" during prerounds at our second monthly dances. Lessons have started at the Adamsville School on Monday nights followed by Round Dance classes. # CALLERLAB

The International Association  
of Square Dance Callers

From time to time callers and dancers express criticism of the CALLERLAB QS Program. These criticisms range from "Why does

CALLERLAB pick such lousy calls for quarterly selections?" to "Who needs these calls? We waste our time learning them and then they just go away!" Those are both good questions and the answers may help everyone to understand the reason for the program and how it operates.

The QS program grew out of the square dance situation that existed when CALLERLAB was formed in the early 1970's. At that time, there were no accepted programs of square dancing but there was a nearly endless flow of proposed "new" calls.

By 1974 experienced dancers had already decided they didn't like this programming technique. When they went to dances they spent the whole night learning new calls, most of which they would never hear again. It was common for callers to "teach" a half dozen calls at a Saturday night dance. The traveling callers were particularly fond of this technique and they left the local callers with the problem of explaining to the dancers why the club caller hadn't taught these calls. At the earliest CALLERLAB meeting, there were requests from the dancers to "do something about the flood of new calls!".

The CALLERLAB response was to identify the Mainstream program. Dancers could then know what they were expected to know. At that time many people were worried that those dancers who enjoyed learning new calls -- and there were many of them -- would want to continue to experiment. Many also believed that there had to be a way for new ideas to be added to the Mainstream program. The QS program was developed to answer both of these needs.

Since 1974, CALLERLAB had identified additional dance programs and the calls on these programs have changed several times. The quarterly selection process has contributed to these changes. As examples we have RECYCLE on the Mainstream program and SPIN CHAIN THE GEARS on the Plus program. Both these and many others were added through the QS program. There have been many selections in all of the programs that were less than great. But it is important to remember the other purpose of the QS program -- giving dancers who enjoy learning the chance to experiment with new calls. All quarterly selection calls, good or bad, are chosen by a majority vote of a fairly large committee. After a six month trial in the field, the entire CALLERLAB membership voted to keep or drop the QS calls.

CALLERLAB has never urged callers to USE the quarterly selections. From the beginning of the program, they have been offered FOR THOSE CALLERS WHO WISH TO INCLUDE A WORKSHOP in their programs. The goal was to narrow the number of new calls that were presented so that dancers everywhere learned the same ones. The other common complaint is that some of the selections have not been good calls. That certainly is true but we should be grateful. Most people believe we have more than enough calls on our dance programs already. If all the QSs were good enough to deserve a place on the lists, we could never keep the programs to a reasonable size.

There is serious discussion about whether the Quarterly Selection process has outlived its usefulness. Some people are urging that we do away with the process entirely. Before we take that step we should consider how the needs that led us to establish this process will be served without it. The process does provide very strong standardization of workshop material throughout the world. It also provides a process for introducing new material into the square dance vocabulary. Without this orderly and accepted process there is a great risk that we could return to the confusion that existed prior to 1974.

With the recent demise of our area's only single club, Solitaires, the following article seems quite appropriate.

Single?  
Feel Like  
You're In  
The Boat  
Alone?

THE SINGLE SQUARE DANCER \*  
By Carol Forste, Springfield, MO

In 1976, I was a happily married lady...then all of a sudden, I found myself single. Life changed. What does one do with oneself after 20 years of married life? It was a struggle.

Hearing about a square dance club for singles, I decided to go see what was going on. I was scared to death that first night when I walked into that room full of strangers. But everyone was laughing, talking and hugging. The man on the microphone said, "Square up!" "What?" Someone came for me, "NO, I just came to watch." But that didn't work. I was up on my feet and so was everyone else. Then the man said "Allemande, circle, weave, promenade." Such language! I felt like a stupid idiot. Then he said, "Yellowrock!" Oh, that was nice. Well before the night was over, I decided this was for me. I wanted to know everything yesterday.

Now it is 1988, again I am a happily married lady, but a SQUARE DANCER. When I think back on those 12 years I cannot begin to count all the beautiful people I have met and all the beautiful friends I have. In the beginning, square dancing was my survival. It gave me life, joy, fun, friends and a purpose. Now it's my love.

To all beginners, stick in there. You have a wonderfully full life ahead of you. The door has just opened. You are a SQUARE DANCER! To the married dancers, "Remember, you are a potential single every day of your life." The singles wish to thank you for sharing your partners at times.

## ROUND DANCE HIGHLIGHTS

The Round Dance Council lost the hall for its usual 1st Sunday in November dance so had to reschedule it for mid-October. We hope you all heard about the change in time to join us. If not, please be sure and come enjoy our spring dance.

Our summer Council meeting is always a special time. We share experiences from the various workshops and schools our members attended - and always winds up with a pot luck supper. We forgot in the last report to mention that Herb Rivkin also attended the 14th ROUNDALAB Convention. All of our Council meetings now include an "education" period. This year each of our scholarship recipients will be presenting material from the teachers schools they attended.

All the leaders at our meetings dance the rounds that are being considered for round-of-the-month. This gives all a better feeling of the "danceability" of the dance. Once a dance is selected the choreographer's name is revealed.

September was "Starlight Waltz" by Doc & Peg Tirrell (NJ). October's was "All Shook Up" by John & Norma Becker (TX).

CLOUD 9 Spinks, Mountain Lakes, NJ - Wed/Thur 201-689-3316

We dance at Wilson School. On Wed. nights we have a Phase III workshop beginning at 7. At 8:30 we do Phase III dances. On Thursdays we begin Phase IV at 7:30 & move into Phase V at 9:30. See our ad for Round Dance party schedule, starting in November. (Ad on page 26)

PRINCETON ROUNDS Rumble, Lawrence/Hamilton, NJ 201-657-0212

It was really "back to school" in September as Ron & Ree challenged us with "Mambo Five" for several weeks. We'll probably be up to Mambo 4.5 by the time we're done and enjoy watching Ron & Ree do it right. (Aren't two people doing "Mambo Five" a perfect ten?)

RAMAPO RHYTHMAIRES Tirrell, Waldwick, NJ - Wed 201-568-5857

Our Phase III class overflows with happy couples. We've explored a little bit of rumba and are now working on the waltz figures. Spin turn, whisk, hover, telemark are no longer mysteries ... even if we aren't doing them quite right.

The Phase IV class, tho small, is moving along well as we work on the ROUNDALAB Classic list. We've enjoyed "Til Tomorrow", reviewed "I Want A Quickstep", and have been working on "Adios".

REFLECTIONS Raspa, Rutherford, NJ 201-896-1891

Sept. 17th found us welcoming a very nice and enthusiastic group anxious to learn Round Dance Basics. Warmth and friendliness seemed to dominate the entire evening. Sure does promise a nice year for all of us.

They will be presented with their dangle at

our next dance.

Patrons earn their dangles by visiting 26 NNJSDA member clubs, on their regular dance night and to the club caller (if there is one). You may have your Patron card signed during July or August, if that club regularly dances in the summer. Patron card blanks were put in all the graduate's packets. If you need another, just ask any officer or ye editors.

## From The Dahl House

As I'm writing this issue's column, I'm still in a state of shock that the warm weather is just about over. I was going to get so much done this summer. I was going to FINISH renovating my house, I was going to CLEAN OUT the basement, I was going to SEW, SEW, SEW so much, I was going to get ORGANIZED for my club's dances with advance flyers, dangle orders, committees for dance specials, — well, as my aunt Peg always said, "The road to hell is paved with good intentions"! I seem to be laying a 4-lane highway faster than any contractor would believe. I just hope the distance is extremely long. And now with summer projects still very uncompleted I have to write some hints for you so you can get some ideas for Christmas. I feel like a time traveler who lost the remote control. I'm sure I'm not the only one in this predicament. You were going to get all those special outfits made, and there never seemed to be enough time. How about some quick pick-me-ups for those tired but tried & true outfits we already have?

Are the collars & cuffs of shirts and/or blouses showing signs of much use? Cover them with a coordinating solid or print and use the same fabric to make an overskirt, a sash, a bow, a tie, a shirt yoke, an apron, an applique, shoe bows, shoe laces, ruffles for skirt and/or blouse, garters (one for her leg, one for his sleeve?). Use special holiday prints to make a "Headliner" of plain stuff.

You can customize new store-boughts, too. Check shops for sales, specials & closeouts. Sometimes you can take in the larger sizes, or add lace trim or hem ruffles to "too short" skirts, or applique over dirt or stains, or add sleeves to sleeveless dresses, or (if you're skilled enough) enlarge a "too small" garment.

Do you crochet? How about an overskirt? Chain a length long enough to fit through when joined end to end, and crochet out like a round tablecloth. The waist can have elastic or a drawstring or sash. How skilled are you at this and how brave is the man? You could crochet yokes for his shirts.

How about macrame? Is this in your repertoire of creative talents? Try ties, chokers, belts, necklaces, bracelets, watchbands, even yokes and overskirts.

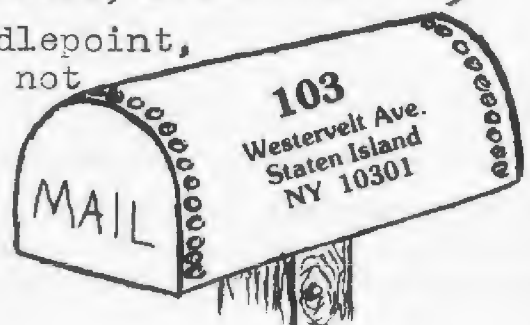

Macrame bolo ties are especially nice when combined with nature's findings (sea shells, rocks, feathers, etc.)

Fabric paint, embroidery & needlepoint, tedious but beautiful. This is not a "quick fix" however it can become your unique signature.

Oh, I can hear the wheels of creativity grinding into gear all the way over here!

Times Squares' main problem is providing enough dancing for everyone in the various programs! We have several squares of A-2 dancers in addition to our Plus and Mainstream dancers. This year we added a second weekly club night and are experimenting with various programs. Currently, Tuesday evenings are Mainstream with occasional star tips in other programs and Thursday evenings alternate Plus and A-2 tips. The new Basic/Mainstream class, which began in September, meets every Wednesday. The positive side of a large membership has been the ability to hire callers for a larger fraction of our club dances. In addition to many fine local callers, we have had several excellent callers from around the country and Canada. Singles as well as couples are always welcome at any of our dances.

The Garden State Campers hosted the NJ State Camporee at the Sussex County Fairgrounds this past September. It was a busy weekend with dancing from Friday evening through Sunday morning. One of the highlights of the weekend was the Grand March through the Fairgrounds. There were after parties each night and 2 couples received free airplane rides over the site on Saturday afternoon. John Kaltenthaler, Manny Amor and Dalt Young provided the calling for MS, Plus and A-1. Rounds were cued by Margaret Shipman, Peg Dockry and the Spinks. Clogging and contras were also part of the program. Contact Gardner at 201-935-6123 for info on next year's camporee.

Square and Round Dance classes got off to a great start in early October and continue to be well-attended. Square dancing is taught by Gary Potts on Tuesdays and Rounds by the Bradts on Mondays in West Windsor schools. The Friday dances this fall have been lots of fun. Al Kaesler, our club caller, whom we have once each month, has last year's students up to speed and all seem to be enjoying

themselves. Brian Fugere called for us in September and Bruce Busch called our Cider 'n Donuts dance in October at which we celebrated the cooler weather and all the colors and smells of autumn with seasonal snacks and decorations. Now we look forward to a lot of good dancing as we approach the end of the year. We wish everyone a most Happy Holiday Season!

DINGMAN DANCERS -- Dinmans Ferry, PA (MS w/+ tip)

2, 4 & 5 Tuesdays

Dingman-Delaware School, Rt. 739

Dingman Dancers have returned to their winter location at the Dingman-Delaware School. Mainstream dances with a Plus tip are scheduled for the 2nd, 4th and some 5th Tuesdays. Open House was held for 3 consecutive weeks in September and club caller Richard Murphy will teach class. Several members attended L.U.S.T. in September and returned with a lot of material and important information. Club Presidents, Charles/Peggy Scholtes, were introduced at the NNJSDA Delegates Meeting. We are awaiting acceptance. Members and caller Richard Murphy danced for and with wheelchair bound patients at the Head Injury Recovery Center in Milford also in September. This community service is performed by Dingman Dancers throughout the year. Our enthusiastic and energetic President, Charles Scholtes, wrote, edited and published the first edition of the the club newsletter, "Dingman Dancers Dispatch" which outlined activities for the remainder of the year. Dingman Dancers are lucky indeed to have such a president.

your comments.

- Admit when you make a mistake in a square. Beginners will be less tense about their mistakes.
- Class time is important. The students have so much to learn that every moment counts. Don't ask for special tips for the angels; you can dance every night of the week if you choose. Students only have this night.
- Be positive! Make suggestions for improvement instead of complaining.
- Keep dance styling in pure form with no short cuts.

Follow these tips and you will be the perfect angel!

THE GOAL IS 2,000 FOR THE 5TH NJ CONVENTION

General Chairmen, Manny and Gail Amor, have set their sights on 2,000 as their attendance goal for the 5th NJ Convention to be held on SATURDAY, APRIL 13, 1991, at Trenton State College in Ewing. They have assembled a dedicated Committee from all across the State that is hard

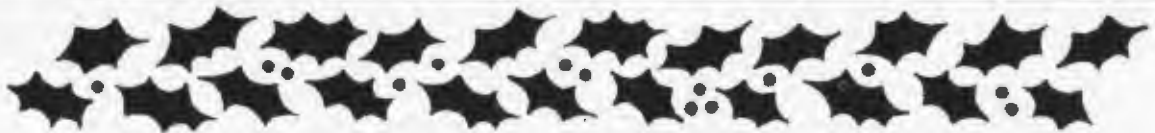

at work fine tuning the plans for a fabulous, well-organized Convention.

Many callers, cuers and dance leaders from the tri-state area have already registered to provide continuous dancing from 10 AM to 10:30 PM. The square dance program will include Mainstream, Plus, Advanced and Challenge dancing and special sessions for new dancers, "Approaching Mainstream." Round dancing in all Phases has been scheduled throughout the day as well as selected hours dedicated to clogging, contra and folk dancing.

The day's activities will be enhanced with several shows including clogging, heritage and square dance demonstrations, after party skits and a fashion show. There will be several Education Sessions guaranteed to interest many dancers and the Showcase of Ideas will provide information about the area dance organizations. A full compliment of vendors will offer the latest in dance fashions and accessories. The Grand March at 7 PM promises to be the most impressive event of the day.

The campus snack bars will be open throughout the day to feed hungry dancers and a delicious buffet will also be featured. Several area restaurants are a short drive from the college. FREE parking for self-contained recreational vehicles (no hook-ups) will be available from Friday night to Sunday morning. There are also a number of fine hotels and motels only a short drive from the campus.

Send your registration in today before the price increase takes effect! Details are available from Don & Pat Stephens, 674 Clifton Ave., Toms River, NJ 08753. Additional Convention information can be obtained from Kathy & Charlie Porter, Publicity Directors, 99 Stanley Ave, Staten Island, NY 10301 (718-448-9761).

The first shift, Peg & Donna Anderson, arrived at 9 AM and Bill arrived later via Doc's dentist chair. The second shift, Dick/Shirley White, arrived about 11 AM. We discovered Shirley has a hidden talent: she's a great hot waxer! And Dick can alphabetize any mess you give him! The third shift, Leo/Lois Bichler arrived about 1:00 PM. Donna brought lunch for everyone and Lois brought munchies. The fourth shift, Karen/Greg Kushla, arrived at 6 PM just as the pizza was being delivered. The day finally ended when Karen/Greg finished proofreading at 11 PM. What a day and what great help. We even eat good. Thanks to all of our terrific helpers.
