From the desk of **DICK & SHIRLEY WHITE, NNJSDA PRESIDENTS**

On behalf of the Executive Board of the Northern New Jersey Square Dancers Association (NNJSDA), let us extend a warm welcome to all new dancers to the wonderful world of square dancing. You have come a long way since you started lessons a few months ago. Within a few weeks you graduate, you will become a member of your club, and a member of the NNJSDA. A representative from your Association will attend your graduation and present you with a packet prepared by the NNJSDA 2nd Vice Presidents (in charge of classes), Ralph & Marilyn Neibart. Please take time to read and digest this material which has been prepared for **you**.

We hope you will enjoy dancing the Mainstream program for at **least** a year, or longer, before moving along to other branches of our activity. Have fun; enjoy your new hobby; don't be pushed on too soon. Become proficient; be comfortable; take time to "smell the roses," **enjoy Mainstream dancing**.

"Where can I dance?" is a common question asked by new dancers.

1. On April 17, 1993, the NJ State Convention will be held at Trenton State College. There will be 2 halls of interest to you, Approaching Mainstream and Mainstream. We hope you will take advantage of the opportunity to attend and see many of the people from NJ and the surrounding area who enjoy square dancing.
2. The Association will be sponsoring a dance called "Spring Fling" on April 25, 1993. See our ad below and look for flyers. All new dancers are welcome, in fact encouraged to attend.
3. On the back cover of this and every issue of **Grand Square** is a list of

the Mainstream clubs with the day and week they dance. After you find a club dancing on the day you wish to dance, look next for the Advertisers' Index on the inside back cover to see on what page that club's ad appears. In addition, **Grand Square** has a dance calendar showing dances by date. Attend as many Mainstream dances as you can. The more you dance, the better you will be able to dance and the more fun you will have.

4. Starting June 23, 1993 and for the following 10 weeks, the NNJSDA (your Association) will be sponsoring Mainstream dances in **air-conditioned** halls. The next issue of **Grand Square** will have all the details.
5. What about vacations out of state? Yes, you can dance in all the states and selected countries around the world and all the dances are called in English. The source of this information is the "National Square Dance Directory." Many clubs have the book available for their members to use. Ask the president of your club.
6. The National Square Dance Convention is in St. Louis, MO, June 23-26. You can dance there too.
7. There are weekends. Look for ads in **Grand Square** and flyers that specify Mainstream dancing.

So.... the opportunities are there for you. Go out and make the most of them. Thanks to your angels, your teacher, and the club who sponsored your lessons, you have all the knowledge you need to go out and enjoy our wonderful activity. These people deserve a world of thanks for bringing you along and helping you over the rough spots. This club, **your club**, always deserves your support and help because it is the club that brought you into the world of square dancing.

Dick & Shirley White, NNJSDA Presidents

WELCOME NEW DANCERS

You are reading **Grand Square**, the Official Publication of the Northern New Jersey Square Dancers Association (NNJSDA).

What is the NNJSDA?

It is an organization of dancers who belong to member clubs. These clubs send Delegates who attend 3 meetings a dance season, usually the 3rd Sunday in September and January, and the 1st Sunday in May. Anyone may attend a meeting, but only Delegates can vote. Each club has one vote. Every spring, the Delegates elect officers for the coming dance season.

What area is covered by the NNJSDA?

Half of New Jersey from Mercer County north to the New York border, the counties of Richmond, Kings and Rockland in New York, and the counties of Monroe and Pike in eastern Pennsylvania.

How do I become a member of the NNJSDA?

You automatically become a member when you join a member club. There are currently 36 member clubs.

What does the NNJSDA do for you?

1. Publishes **Grand Square** five times a year, free of charge, which provides club and Association news, a dance calendar, interesting articles, as well as information on the many other facets of the square dance activity. Look for copies at your club.
2. Provides insurance for the dances and classes of member clubs (exception: New York clubs).
3. Holds a special Summer Mainstream Dance Program for new graduates, beginning the last Wednesday in June and continuing for 10 weeks.
4. Has a **Freeloader** Program for new dancers which is earned by attending 8 of the 10 Summer Dances. The Freeloader entitles you to attend 6 Association Dances **free** during the next 2 years. A blank Freeloader card is in your graduation packet. Have it signed by the Treasurer at every summer dance you attend.
5. Has a **Patron's Award** for visiting 26 member clubs on their regular dance night. A blank Patron's card is in your graduation packet. When you visit a member club, have the treasurer or president sign and date the card.
6. Has a *"One Square is Fair"* Award (presented twice a year) to member clubs who have at least one square in attendance at Association Specials and Summer Dances.

BOOSTER**

I gave \$1.00 or more to the
Booster Drive.

Many thanks to all the clubs and many generous individuals who have sent in Booster Drive money. Treasurers, if you haven't sent in your club's check to the Editors yet, please do so today.

Grand Square has always operated on a tight budget and was almost \$500 in the red at the start of the Booster Drive. We are not looking to make a profit, but we would like to be self-sufficient. We haven't raised our advertising rates in years and continue to distribute free of charge except for the Booster Drive.

That \$1.00 per reader is a bargain for double the price. The Advertising Index, the "In This Issue" contents listing and the Dance Calendar are just three of our improvements. Hundreds of hours of "volunteer" work are spent putting each issue together. **Grand Square** compares with several "national" magazines in appearance and content. Some people even say we're better!

It has been gratifying to see so many dancers wearing their Booster Tags. Many thanks to Lakeland Squares and Circle Eights for holding Booster Drive Dances.

All checks should be made payable to **Grand Square** and sent to the Editors as soon as possible. Again, thanks for your generosity.

The one thing worse than a quitter is the person who is afraid to begin.

Calling All New Graduates!

Be sure to open and read that special packet of information presented to you at Graduation by an NNJSDA representative. It is chock full of wonderful special offers and lots of important information to make your square dancing more fun and enjoyable.

Welcome to our newest NNJSDA Member. . .

Y SQUARES -- Clark, NJ (MS)

2 & 4 Fridays

Carl Kumpf School, Mildred Terr.

It's been a busy winter for Y Squares. New locations and different callers kept us all on our toes. November 13th found us at Union County VoTech, dancing in a very nice space to the smooth calling of Glenn Matthew. On November 27th, we wandered to Cranford Presbyterian Church where Steve Forman had us dancing in the dark (with flashlights) and we shared our pies with Rutgers Promenaders. Our Holiday Dance was cancelled, for the second year in a row. This time it was the fault of "The Storm of the Century," which put our dance floor under water. Finally, on January 8th, we were back at Carl Kumpf School, and we had our club caller Brian Fugere back with us as well.

We've been active raiders, too. When we visited Harmony Dancers on December 5th, it seemed we had an almost record number of raiders in black and yellow, many of them new faces, until it became clear that half of them were from across the water. Richmond Dancers, in their black and yellow! We were very impressed with the Margos for earning their 70-raid badge, then absolutely bowled over by the Berlinruts' 130 raids. Wow!

WESTERN WHEELERS -- Westwood, NJ (+)

2 & 4 Saturdays Westwood United Meth., Kinderkamack Rd. & Bergen St.

The first of W/W's "Triple Header" dance program (Plus, A-2, C-1), featuring Ed Foote, has become known as "Operation Storm Dance." A few caring and daring souls, the Sherlocks, Bachmanns, Wymans, Hohmanns, and Taffels, plowed through to decorate Saturday afternoon (Christmas theme) not even knowing whether or not the dances would take place. The Taffels saved the night by intuitively ordering a special Christmas cake. None of our scheduled refreshment volunteers were able to make the dance due to the severe weather conditions. Substitutes came through for the treasurers, kitchen, set up and clean up in the W/W fashion.

The New Year's Eve Committee, Beckmanns (food), Wymans (decor) and Lenios (reservations), did a truly outstanding job, along with those who decorated, served, set up and cleaned up. The Beckmanns engaged a gourmet caterer (recommended by the Moffats), who provided superb service and quality food. the Wymans' creative "4 Season" centerpieces made it extra fun in deciding where to sit. Nick Raspa's countdown was a delightful way of welcoming in 1993, along with his special "After 12:00" group dances. He's more than a cuer at W/W, he's a most valuable asset and loyal friend.

Overwhelming cooperation made pie night (20 Hix & Chix raided) a delightful and delicious event. Western Wheelers have completed 6 raids to date, averaging 3-1/4 squares per raid. Yes, raids are fun!

Check our ads. Experience good dancing at the W/W friendly club.

WARREN WHEELERS -- Pt. Murray, NJ (MS w/+ WS tip)

1 & 3 Thursdays

Mansfield Township School, Rt. 57

The Warren Wheelers Christmas Student Dance was a blast this year. We had a huge crowd (nine squares) and our students did themselves proud.

The New Year's Dance this year was quite the learning experience when Dick Pasvolsky taught us his specialty, the Grand Blossom. It's a wonderful move, so be sure to try it out when you get the chance.

As always, we have been enjoying our raids on other clubs this winter. We visited the Bee Sharps with a square+ and the Ironia Reelers with about the same number of dancers. Both clubs welcomed us with enthusiasm and that little extra friendliness. Our thanks to all!

We are very happy to report that former club president, Jim Breslin, is up and around following his (so far) 12-week hospital stay. We all miss Jim and Muriel and hope they will hurry up and come back to dance with us!

GRADUATES, DID YOU KNOW???

You may join **ANY** club after graduation, but you should always remain loyal to your "mother" club. Be an angel next year. Tell all your friends about square dancing and encourage them to take lessons in the fall. Every club needs new members. Be an active and helpful member of your club. Help set up and take down chairs and tables; offer to bring refreshments; volunteer to help decorate. Do you have skills that would help your club such as creating ads or flyers? Do you have access to a copy machine? Offer to run copies of flyers. Your club needs you!

CENTURY CLUB PIN

You can earn a Century Club Award (pin) by obtaining the signatures of 100 different callers. A Century Club Book is available at most square dance shops and badge makers. You may have as many as 3 callers sign your book in one day. If you forget the book, you can use a blank piece of paper and insert it later. Tip: the first page is usually reserved for your instructor.

VALLEY SQUARES -- Watchung, NJ (+)

1 & 3 Thursdays Bayberry School, Bayberry Lane

Our club, and especially Bill & Dee Benson, should be congratulated. We were the first club in the NNJSDA to complete the Special Raid Program of 7 raids to 7 different NNJSDA clubs. This means we don't have to pay Association dues for '93-'94. Those great raid notices by Jeff & Mickey Stevens helped get-us-to-the-raid-on-time. More raids are planned. Some will have after-parties like the ones at the Stogniews and the Kellys.

Harmony Dancers joined us earlier this year to celebrate Bill & Phyllis Tallamy's 45th Anniversary. We wish you many more happy years together. Maurie & Taras Berlinrut celebrated half-a-century as Mr. & Mrs. on December 12th. They shared the happy occasion with Y Squares dancers and well-wishers on January 8th. Congratulations!

The Berlinruts also made news at a recent club dance when they received the Century Raiders Badge for 100 raids. Wow!

Our 8 Mainstream students, and 12 Plus students are making steady progress on Monday nights. Feel free to drop in at the Wilson Memorial Church to angel or lend encouragement.

TENAKILL TWIRLERS -- Cresskill, NJ (MS w/+tip)

3rd Fridays

Bryan School, Brookside Ave.

Twenty-one lively Western Wheelers raided our Holiday Dance in December and raised the level of our fun from great to super.

We attended a Belles & Beaux student dance and were gratified to see many experienced angels squaring up with the beginners. This class of '93 proves that excellent teachers and enthusiastic pupils make an unbeatable combination.

Our dauntless caller, John Kaltenthaler and his stalwart wife, Freddie, managed to reach Tenakill Twirlers on time, despite spending the previous (exhausting) 24 hours traveling from Maui to Cresskill. Our regulars, welcome guests, and 22 friendly raiders from Belles & Beaux were treated to a performance from John that proved, once again, that he is tops. Our cuer, Nick Raspa, added his special touch of class to the evening.

Our President, Dick Meyers, was not with us. He is recuperating from surgery. We expect to welcome him back soon.

TENAFLY SQUARES -- Haworth, NJ (MS)

2nd Friday St. Luke's Episcopal Church, Massachusetts & Grant Aves.

The weather seldom keeps square dancers away from a dance, but gale-force winds, torrential rains and flooded roads made it necessary to cancel our December dance. Wonder who ate all the cookies that were baked for the event?!! It was much better for our January "Ring in the New Year" dance, where Steve Forman challenged us with his specialized calling and Nick Raspa cued the rounds.

Well into 1993 now, we are looking forward to our annual "Boat Basin" dance in June. Watch for flyers. We look forward to seeing you at many of our spring dances.

SUSSEX SPINNERS -- Andover/Newton, NJ (+)

2 & 4 Fridays Long Pond School, Limecrest Rd.

Sussex Spinners welcomed about 13 couples from Ironia Reelers on November 13th. They came up to enjoy dancing with the irresistible Bob Mitchell and elegant Al Spinks. Many of our members attended the New Year's Eve event with Cross Trails, where a relaxing evening of dancing and dining was enjoyed.

We experienced deja vu on January 8th. Our old friend Dick Pasvolsky called for us that night and we greeted Don & Mabel Rowett back to the dance floor after a too long absence that same evening.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays St. Alban's Church, 72 St. Albans Pl.

Thanks to Ethel Hirshon, Pat & Jim Ray, Sheila & Hal Silverman, Dotty & John Emma and Dolores Pascua for their help in making our December Holiday Dance a great success. Over 40 presents were distributed to participants.

Local gossip: Barbara Schnitzer is expecting and Eli is about to make his debut as a caller. Tony Cursio, Jack Campbell, Don Minicucci and I just completed a first course in bridge. So far, square dancing is more fun.

Oscar Michaud just celebrated his 88th birthday. Don Coy led us in a happy birthday serenade. I thanked Norman Kanter for introducing me to an activity that I might do at 88 but he said that he wasn't giving me any money back guarantees. Al & Pat Tachine are proud new grandparents to Matthew Tyler. Jack & Florence Campbell announce the birth of their granddaughter, Kathryn, on January 9. Florence says (without prejudice) that Kathryn is beautiful. Ask Tom Andrews to tell you a joke. He has a large collection. (I'm not promising how good!) Happy dancing.

SPINNING WHEELS -- Wayne, NJ (MS w/+ tip)

Every Monday Wayne Civic Center, Hamburg Turnpike at Church Ln.

Our Christmas Dance was especially merry with our class joining us. It was gratifying to see how well they were doing. As in the past, a collection was conducted and \$200 was donated to the V.F.W. to provide for Wayne's needy.

A sad note was the passing of John Francis. Besides being an excellent dancer, he was a spark on the floor. We will miss him.

Our Birthday Dance was complete with presents for those with birthdays at least near that date and all the appropriate goodies on the refreshment table. Everything was low-cal, of course.

It's also our pleasure to announce the wedding of two of our dancers: Fabian & Susan Blatt.

SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)
1 & 3 Saturdays Old Stone Church Education Ctr., E. Saddle River Rd.

See Saw Squares' 1992 dances were fun. Our December dance with all the holiday decorations and clothing was especially nice. Nick Raspa, who was sporting reindeer antlers, added a lot of pleasure to the evening. Bob Terry's hat, with the flashing tassel, made people feel merry. Santa, who resembled Norman Forgash, arrived with a goodie for all. It was a fun night!

Lynn & Bob Terry did a super job as Presidents of See Saw Squares. 1993 will have Hillela & Bob Ward as Presidents for the Plus dances, which are the third Saturday of each month. The Mainstream dance, held the first Saturday of each month, will have Irwin Kupfermann as President. The new Presidents are planning a great 1993. They booked Frank Lane of Colorado, as well as other super callers, for our future dances.

RUTGERS PROMENADERS -- N. Brunswick, NJ (MS)

2 & 4 Thursdays

American Legion Hall, 1015 Linwood Pl.

Our one regular club dance in December was held at the beginning of the Nor'easter that ravaged the east coast a couple of weeks before Christmas. That happened to be our "Sampler Dance," where Betsy Gotta, Dan Koft and Dan Cox varied the dance to include tastes of other folk dances like line dancing and contras. With the storm blowing outside, it felt like we were snowed in at a ski lodge and passing the time until the roads were cleared.

Our first dance in January was called, "Songs You Never Thought You Could Dance to 2-2/3," a sequel to last year's dance. Are we the only club that square dances to P.D.Q. Bach and round dances to Weird Al Yankovic? It was a blast! I can't wait to do it again next year!

We have an unusual problem this year. We have excess men! At the last dance, the guys couldn't find enough able-bodied women, so they squared up one square of all men! Ladies, we don't want to lose them. Help!

I have moved to Roselle Park. Please note my new number below.

Our special Friendship Dance in January, chaired by the Delaneys, was so enjoyable. In February, the Shands chaired our Valentine Sweetheart Dance and did a super job as first-time dance chairmen. Our first year has had its downs and ups. The bad news: we can't run a dance on our 2nd Sundays in April and May (Easter Sunday and Mother's Day). The good news: we will have made 6 raids and planning another when this article goes to publication and we're finalizing our summer dance schedule along with next year's dances. We also expect at least 16 new members from this year's graduating class to join us. Enthusiasm continues to run high.

The Princeton Squares hope that everyone had a terrific Holiday and that the coming year will bring to all good luck, happiness and great dancing! Although 1992 saw a drop in attendance in both Mainstream and our two classes, we are forging ahead with determination to make the New Year the greatest dancing year ever, and we need the cooperation of all our members. We had some great Christmas parties to attend and a few special dances like our "Winter White" dance held recently and called by Brian Fugere, who is always welcomed with open arms.

Our condolences to Phyllis Olah whose husband, Art, passed away very suddenly right after Christmas. Art & Phyllis were graduates of our 1992 class and were regular attendees to our dances.

Cupid has struck again and two of our own members, Peter Randal and Ginny Hamilton, were married November 28. We wish them much happiness.

A reminder to all dancers to read their **Grand Square** and flyers. There is so much going on and these are the best ways to find the fun. My thanks to the Cavanaugh's for the reminder of the deadline. It sure helps a lot. Also, a hip, hip, hurrah for the license plates soon to be ready.

1 & 3 Wednesdays

First Presbyt. Church, 494 Rt. 10 West

Members of Mountain Squares wish everyone a healthy and joyous year of dancing in 1993. Our club caller, Joe Landi, makes ours a happy dance floor and we invite all Advanced dancers to join us. We want to share our good times.

Our Christmas Dance was an especially happy evening to remember. Delicious holiday goodies, contributed by our members, covered every horizontal space; and door prizes donated by club officers added to the festivities. It was a wonderful dance with which to close 1992.

We extend our deepest condolences to Mildred & Ron Nitzsche whose son, Raymond, passed away in early December. Also, we send our "please get well soon" wishes to Leon Smith who is seriously ill in Presbyterian Hospital. Leon & Gloria are frequent visitors to Mountain Squares.

Congratulations to all the new graduates. Welcome to the wonderful world of square dancing!

We helped the Country Promenaders celebrate their 40th Anniversary with a raid of several squares and we hope to share many more anniversaries with them.

Our New Year's Eve Dance was well attended and everyone had a good time. We have brought back "Theme Dances" and started with a "Snowball Dance" on January 15 with a request that everyone wear white. Our members will be bringing decorations and dressing in the colors of the themes throughout the year.

LEISURE SQUARES -- E. Stroudsburg, PA (MS w/+ tips)

1 & 3 Saturdays

J.M. Hill School, E. Broad St.

Our Special Dance on November 14th, co-sponsored with the Lehigh Valley Callers Association, featured caller Al Brundage. There were over 20 squares attending and the floor at the J.M. Hill School was a sea of color as the dancers moved to Al's calling.

On December 5th, our Surprise Dance gave our caller Dalt Young a chance to "pull out all the stops." He even had our President call part of a tip (cued by Dalt, of course). Needless to say there was some confusion and a lot of laughing. Santa paid us a visit distributing grab bag gifts at our Christmas Dance. He even went from square to square dancing with each group. Some of our students, as well as students from clubs in the area, joined us.

By the time this issue is out, the long dreary winter will be almost over. We hope dancing helped brighten it up a little.

LAKELAND SQUARES -- Parsippany, NJ (MS w/+ tip)

Every Tuesday

Temple Beth Am, S. Beverwyck Rd.

The weather outside may be frightful, but at Lakeland Squares it's delightful. You'll always find the warmth of friendship and dancing at our club.

Pal Johnson and the Angels are busy polishing the skills of our students, who are now into the second half of Mainstream lessons. It won't be long now! Pal also called the demo for the Sisterhood of Temple Beth Am. Two squares of our dancers attended.

The Student Christmas Dance saw many new faces dancing to Bob Mitchell with Lois Bichler teaching lines. For some students, this was the first time they had danced to a caller other than their teacher.

Our traditional **Grand Square** Booster Dance had to be cancelled due to inclement weather; but we will still have the pleasure of dancing to Dot Loewenstein within the next year.

Our January 19th Special Dance proved once again that Bob Mitchell plus John Kaltenthaler plus one hall equals wall-to-wall square dancing fun. We'd love to see this one repeated!

We know Crew & Joan Waite will soon be dancing as actively as ever. No auto accident can keep this couple down for long.

Reporter's Note: If any news of the club was omitted, I sincerely apologize. Illness has kept me off my feet for awhile, so I had to make some calls for this report. Keep on dancin' and save me a place in a square!

Editors' Note: When Lakeland's usual on-time, even early report was not received, we called to see if maybe it had been lost in the mail. We were sorry to hear that Bob just had been discharged from the hospital. We wish him all the best for a full and speedy recovery.

KITTATINNY RANGERS -- Andover, NJ (Alt. MS & + tips)

1 & 3 Fridays

Long Pond School, Limecrest Rd.

What better way to start off the New Year than with a square dance? The party at St. Al's was special because my square dance teacher, Larry Davenport, was calling. We chit-chatted for awhile exchanging tall tales and other lies. Larry hasn't taken up surfing yet, but he is very busy looking for a dance club where a bikini is the required dress code for women. Kathy got thrilled when she was held up by a bank robber. What some people won't do for entertainment.

Our students are doing well. Many are going to student dances at other clubs. They even raided Herb Conklin's class in Hackettstown. Chuck gave introductory lessons in the finer points of party raiding.

Donna is conducting an active campaign of raids this year. We have already pillaged and plundered Hix & Chix, Warren Wheelers, Belles & Beaux and Covered Bridge. We should have nine or ten raids under our belts this year. I'm beginning to understand why the Vikings did so much raiding, pillaging and plundering - it's a lot of fun!

Sussex Spinners and Lakeland Squares took up sword and shield and raided us. They came with many longboats and created much mayhem. They danced well too. After the dance, Donna and several other maidens reported missing panties. What the hey! What's a raid if there is no plunder, pillage and booty to take home?

We are co-sponsoring with Leisure Squares a "big One" starring Tim Marriner and Al Spinks. See our ad elsewhere in these pages for details.

An extended "Happy New Year" to everyone! Just some tidbits from Kings Squares:

We have already filled a hired bus to take us to a NJ dance in March.

Congratulations to Anne & Clive Hartt on the birth of their granddaughter. They now have 3 grandsons and 2 granddaughters. Also, to Roberta Kreda on passing her driver's test.

A speedy recovery to Shirley Friedman from her knee surgery. Our best wishes to Regina McCourt as she deals with her father's illness. Our condolences to Harold Moshel on the loss of his mother.

We've been dancing "up a storm" and are looking forward to many more enjoyable dances.

IRONIA REELERS -- Ironia, NJ

 (+)

1 & 3 Fridays Ironia Elem. School, Rt. 513, Dover-Chester Rd.

Welcome back to George Pfersch. Glad to have you back dancing!

The Christmas dance was a big success - 16 squares. We were delighted to see how well the students danced. We welcomed students from the Reelers, Lakeland Squares, and Warren Wheelers. Jean & Inars Gruntals hosted the party after the dance. Everyone had a grand time. George Pfersch was right there playing a keyboard so everyone could sing their favorite Christmas carol.

The Reelers raided Sussex Spinners in November and then went to the home of Marian & Bill Grady for an after-party. In December, the Reelers traveled to F.A.D. Squares.

We are all going to miss Bill Heyman and wish him well as he moves to New Hampshire.

HUNTERDON FLUTTERWHEELS -- Flemington, NJ (+)

1 & 3 Fridays

Flemington Baptist Church, Church & Main Sts.

The Hunterdon Flutterwheels has been busy raiding under the leadership of our raid leaders, Pat & Don Elliott. So far we have raided Bee Sharps, Valley Squares, Warren Wheelers and Leisure Squares. This is even more amazing when you realize Pat & Don managed to squeeze in a square dance wedding in the middle of all of this. Pat is the former Pat Massimo. Our Secretaries, Fred & Peg Bailey, were best man and matron of honor.

Our annual Christmas Dance was a hit again this year and once again everyone brought mittens for needy children and food for the area food pantry. We had a number of door prizes to give out but the hit of the evening was the handcrafted deer supplied by Carl Koch. Carl has been making and supplying these deer for a number of years.

A number of years ago, the Hunterdon Flutterwheels dance location was without power when an automobile had a run in with a power pole outside the building. A long extension cord to a house next door provided power for the caller's equipment and the members quickly rounded up a number of candles and the dance proceeded by candlelight. The dance was so popular with the members, that a candlelight dance became an annual affair. This year we had the pleasure of being raided by Valley Squares for our candlelight dance. Many of the members provided candle holders and candles, but worth special mention are the handcrafted candle lanterns made by John Huenecke. Dancing by candlelight has the advantage that the callers can't see all the mistakes.

One more time! Our annual Marshall Flippo Special, held at St. Aloysius on November 29th, drew a full floor of eager dancers, and they were not disappointed. Familiar tips, new tips, fast tips, and some not so fast, kept them happy and dancing. For the tireless, Jack McLaughlin provided a suitable change of pace with a great array of rounds. And for those who ran out of steam, sandwiches and other goodies were available for revitalization. Thanks to all who made the dance another success.

Reminder: Hix & Chix is dancing only on the 2nd and 4th Thursdays, and these are Plus dances. Please see our ad.

(+ & A-2)

+ - 1, 3, 5 Tuesdays

New Milford Middle School, Roslyn Ave.

A-2 - 2nd Tuesday

For the first time in memory, bad weather caused the cancellation of our dance. The school was closed on January 12 because of snow and ice. We heard the news early in the morning and called Mark Castracane, the scheduled caller. It was disappointing to miss the dance.

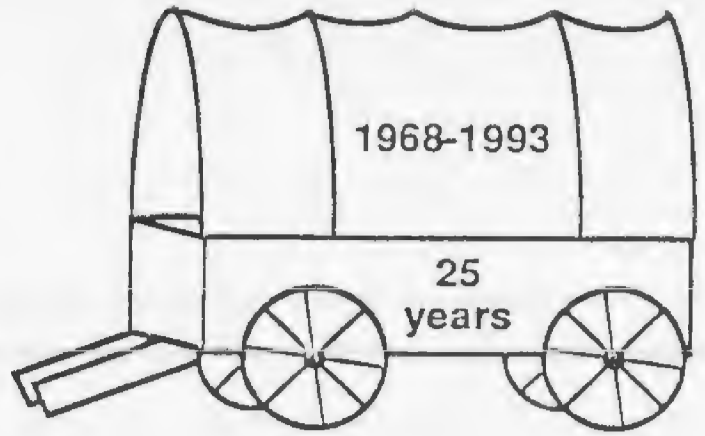

We want everyone to join us for Plus and A-2 dances. Plus dances are scheduled for the 1st, 3rd, and 5th Tuesday; A-2 dances are scheduled for the 2nd Tuesday. Our Plus callers call a good and challenging program, workshopping where necessary. They make the dancing friendly and enjoyable, appealing to experienced dancers as well as dancers looking to gain experience. All are welcome.

HARMONY DANCERS -- Springfield, NJ (+)

1 & 3 Saturdays Chisholm School, S. Springfield Ave. & Shunpike

The NNJSDA program to encourage club raids has been a big hit with Harmony Dancers. We have not only enjoyed an active raiding schedule with more raids planned monthly, but also have been delighted to welcome many guests and raiders to our club. The results are evenings of good dancing, new friends, and lots of fun.

Round dancing between tips has been enjoyed by more and more of our members. We sponsored an afternoon of rounds with Ron & Ree Rumble in late January.

Our Plus class, under the able direction of Lil Wheeler and Pat McGovern and the excellent tutelage of Barry Serebnick, is making good progress. They will graduate in February and will be dancing with us soon. You join us too.

F.A.D. SQUARES -- Maywood, NJ (MS w/+ tips)

1 & 3 Sundays American Legion Hall, 113 E. Passiac St.

The raid program is working! F.A.D. has sent an enthusiastic group of 2-1/2 squares to See Saws, Spinning Wheels, Tenafly Squares, Belles & Beaux, Hi Taws, and even though it doesn't count, Solitaires. In return, we've welcomed raids by Leisure Squares, Ironia Reelers, Belles & Beaux and Rockland Promenaders. Visiting clubs are always welcome.

We're celebrating our club's 10th Anniversary shortly. Our officers, ever mindful of the need to change format if needed, have included round dancing between tips. During the Treasurers' Break, the Plus dancers test their skills. At a January dance with 5 squares, 3 squares were Plus dancers.

Seventy-eight dancers attended our Student Dance in January. New Mainstream graduates are invited to F.A.D. as soon as they have graduated. By the time you read this, our caller will have graduated another group into the joys of Plus. Come on down and see why we call it **Fun At Dancing**.

We've been told that we're a friendly club. Perhaps the "F" should stand for "Friendly?" On the other hand, there is always an abundance of Food. . .

DINGMAN DANCERS -- Dingman's Ferry, PA (MS w/+ tip)
2, 4, 5 Tuesdays (Mar-Dec) Dingman-Delaware Elementary School, Rt. 739

Spring is just around the corner. But actually it started here in Dingmans Ferry when our class began preparing for our "Welcome Back" Dance for all of our club's Snowbirds. The Poconos are partly a retirement area and boasts of many senior citizen square dancers. Unfortunately, our active membership is decimated during January and February and therefore dancing during those months of cold and ice are suspended. Next year we may change this to dance all year since we have lots of new, young blood in our fantastic class.

Although the club appears dormant, much planning activity has been taking place. What you read in this issue's ad is just a forerunner of things to come. President, Charlie Scholtes, says it is really great to work with enthusiastic Executive Officers. Ask somebody to accomplish a task, leave 'em alone and they do it. The results - Dingman Dancers is really a **fun club** to dance with. May we have this dance with **you?**

CROSS TRAIL SQUARES -- Caldwell, NJ (+)

2 & 4 Wednesday

Lincoln School, Crane St.

Our New Year's Eve dance was the biggest and best yet. Two hundred twenty dancers attended and danced to callers John Kaltenthaler and Larry Davenport, who came all the way from California for the event. Al & Gale Spinks cued. The dynamic trio had the evening sold out since October with a waiting list to boot. The dance was held again at St. Al's in Caldwell.

To add to the festivities, John Kaltenthaler dressed up as Father Time and saw the old year out; whereas Larry Davenport, in diapers, welcomed in the New Year. Phil & Roz from Covered Bridge helped to dress them.

The menu differed somewhat from last year to include baked ziti, meatballs, eggplant parmigiana, baked Virginia ham, chicken piccata (by popular request), black-eyed bean soup, salads and many desserts to add to a well-fed and fun-filled evening. Frank Benvenuti & Brenda Voag are the club members with the gourmet creativity. They and their committee did a wonderful job. We thank everyone who attended and helped make this dance so special. Make your reservations now for next year. The same callers and cuer are lined up.

The President's Dance to be held on January 27th had 10 clubs responding in the affirmative to the invitation extended to them as well as the NNJSDA Presidents, Dick & Shirley White. More about this later. Happy New Year to all and Happy Dancin'.

2 & 4 Saturdays Stelton Community Center, Plainfield Ave. (Rt. 529)

A very special thanks is due to our round dance cuer, Steve Bradt, for the extra effort he is making for round dancers attending our dances in the form of pre-pre-rounds. If Steve has a few dancers show up before 7:30, he cues a few extra dances not normally heard at the two+two level. Another special thanks goes to those dancers from other clubs who attend our dances, not to forget the raiding clubs.

While the thank yous are being made, we can't forget Anne & Harry Sorenson for this year's refreshment tables along with those club members for bringing the "finger food."

As this is being written, we are still locked in these dreadful grey days of January, but no matter how nasty the weather gets, there is a ray of sunshine ahead, we look forward to the State Convention at Trenton State College. Our meteorologist (with the crystal ball) promises blue skies and spring-like weather. See you there.

Unfortunately, we did not have our December 11th Dance as the storm of the century forced us to cancel.

1,3,5 Wednesdays

Coleman School, 100 Pinelynn Road

To all about-to-be or recent graduates: a **very big welcome** to a new world of fun and friends! We are very happy you chose to hang in there to complete the classes, especially since they can be frustrating sometimes. We know; we've been there! Please don't forget those times. It will help you be understanding and patient with students and recent graduates in your future square dancing years. You will have the opportunity next year to be helpful and encouraging to that class. They will need your support as you need ours, and as we needed from our angels. For that's what you've become in the minds of a new student or graduate, an angel for being there and encouraging them when they needed it, as every one of us needed it. Now be sure to get out there, dance all summer too, and polish your newly acquired skill. That will make you a better dancer and a better angel for the future square dancers of this world!

She made it! After being ill and having to cancel twice earlier last year, Sandy Corey finally made it to Belles & Beaux in December, much to the dancing pleasure of all in attendance. Two weeks later, Dick Mazziotti helped us welcome the holiday season, and our current students to Belles & Beaux at our annual Toy for Tots Holiday/Student Dance. Students found out that they really could do what they had learned quite well. They're a good group. Watch for them on the dance floor soon and welcome them to our world.

Betsy Gotta did her usual great job of calling for us New Year's Eve, and everyone enjoyed Roy's "scavenger hunt."

January found Dot Loewenstein calling (& F.A.D. raiding) in the dark for our blackout dance. The evening started off in the dark too! I went backstage to get some supplies and in trying to turn on a light behind the dark stage curtains, I turned **out** the lights in the entire gym. So our guests even entered in darkness! Of course, the gentleman trying to help me open our combination lock wondered what people would think!

Ice Cream Social in January?! Why not? It seemed like a good idea to our theme committee, and to all those dancers who enjoyed creating their delectable dessert. Doris Douglas, recovering from shoulder surgery, visited us and Keith delivered our new club jackets. Western Wheelers raided with 2 squares and about 7 more squares joined us. Dick did an extra-special job.

We had a great turnout at our January Sunday Student Dance too. Dick shared the stage with Dot Loewenstein and Andy Woerner. At the end of the dance, Dick & Laurie presented the students with a dangle to commemorate the day. A lot is happening at Belles & Beaux!

BEE SHARPS -- Somerville, NJ

2 & 4 Fridays

St. John's Episcopal Church Hall, 158 West High St.

Bee Sharps would like to wish everyone a Happy New Year. Our wish is for good health and good dancing for each and every one in 1993.

Our Christmas Dance fell on the weekend that we had the big storm. The weather was very bad but we did have some real faithful members who came out. Our students attended and were able to become more acquainted with the club members. The dance also gave them the opportunity to see what great fun square dancing can be.

One of our Co-Presidents, Peggy Koehler, had been sick at Christmas time with the flu. She said she was so sick that she wasn't even able to do her knitting. We are glad to see she is better now and back on the dance floor.

Our January dance was really BIG. John Kaltenthaler was our caller and three clubs came to raid us, Valley Squares, Harmony Dancers and Country Promenaders. We were very happy to have them. The raids have done a lot to promote friendships.

We missed Phyllis and Don Booth at our last dance as they were off on a square dance cruise. These people work hard for our club and we will be anxious to see them get home.

2 & 4 Sundays

Menorah Home, 1516 Oriental Blvd.

It never ceases to amaze us the quality of persons square dancing attracts. We had a most marvelous turn out for our "Benefit Dance" on December 13th for the Menorah Home, our home base. Don Coy and his wife, Dot, were great! We were able to generate enough money to hire a bus to take out the patients for a day trip about the City to see the sights. It was a good day for those who are confined to the establishment day in and day out.

Our December 27th dance with Dick Mazziotti was an oasis between the Holidays. We were able to relax with our square dancing friends and able to extend our greetings for the coming year.

Our January 10th dance was our second Student Dance with Don Coy and his lovely wife, Dot. The students came to this dance "bright-eyed and bushy-tailed." What enthusiasm and what loads of fun were had by all.

We are going great guns through this square dancing year. It's so great seeing people have such a good time and all with smiles on their faces. Some turn from a "moth to a butterfly" while dancing with their "Prince Charming."

SHIRT YOKES

Lenny S. from Merri 8s called to ask about yokes. Thanks for the column idea Lenny!

Newcomers may wonder why we dress so colorfully and creatively. I think the main reason this probably started is to help the caller. Let me tell you from my new experience as a student in Betsy Gotta & Dan Koft's beginners Caller's classes that it is difficult keeping track of who belongs where if the caller is sight calling. Those wild and crazy outfits are an enormous help.

Most times the lady is lucky if she can get her man to wear a solid color shirt that matches her outfit. She is really lucky if she can get him to wear a tie that is made of a print from her outfit. She is truly blessed if her partner likes to have his shirts made of the same material as her outfit. Now somewhere between the tie and the shirt is the compromise of a vest or a shirt yoke.

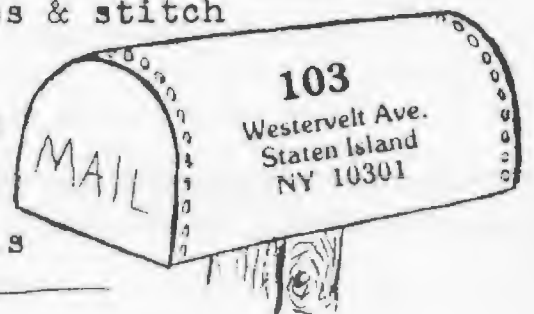

I haven't looked in pattern books lately (because I make my own patterns), but I would think with the popularity of Country Western music there would be several shirt & yoke patterns available. I know years ago Quik Sew patterns (which I found at the Mill End fabric store on Rt. 18) had both western shirts & just shirt yokes (with several varieties in one pattern envelope).

To make your own pattern just lay his shirt down flat (first the front then the back) and, on paper, trace the neck & arm seams, the shoulder fold line (I make a seam here) &, if you already have a western shirt, the yoke shape. I cut the yokes longer & sometimes, especially the backs, in different western shapes (working with fabric print designs). Then add seam allowances. For the front you only have to trace one side & cut 2 (making sure you face the pattern opposite when you cut the second one). I do not worry about copying the original shoulder seam because it's going to be covered anyway. Clip curves, then stitch shoulder seams, right sides together. (Try this with muslin before using good fabric in case you have to adjust your pattern.) Mark

center back of shirt & yoke & pin right side of yoke to right side of shirt in this upside down position. (Fig. 1.) Use a zipper foot & sew yoke around bottom of collar. Fold under, pin & stitch all remaining edges (this is not easy, be patient) - or - roll under bottom of yokes & stitch (without sewing to shirt) & just sew shoulder & arm seams to shirt. (Fig. 2.)

Anchor bottom point of all yokes, perhaps with decorative conches. This is stylish & easier. — *Judie*

WELCOME NEW GRADUATE DANCERS

by Dick Mazziotti, Caller/Teacher

Welcome to the paradox of "graduation!" You have just graduated from your very first square dance class, and are looking forward to being a "dancer" instead of a "student." Sorry Charlie.... and Mabel and Joan and Irwin. With this graduation, you have just received your **LICENSE TO LEARN!**

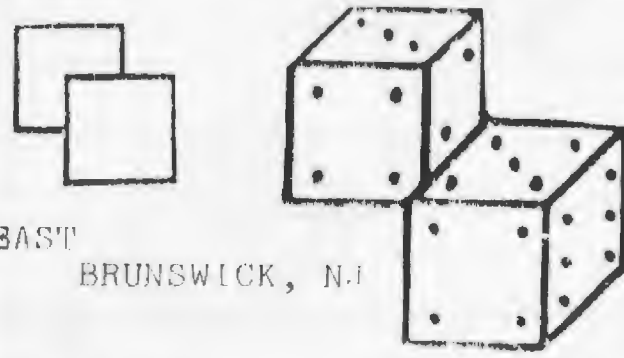

Here's how it works. Remember when everyone told you that after graduation you'd be able to dance anywhere in the world? Well, maybe so and maybe not. You can join a square anywhere. However, you are just beginning to learn to dance. Each dance you attend, each caller to whom you dance, each corner with whom you dance, each new position from which you do a call.... all add to your experience, all make you a better dancer. And the real run in the pettipants is that you are never done. The up side though, is considerable: the real fun begins now.

Mazziotti's Law says, "The more you dance, the better you feel." Kaltenthaler's Korollary to Mazziotti's Law says, "The better you feel, the more you enjoy dancing." (John always was a wordsmith). Koft's Komment on John's Korollary is, "If you dance lots, you'll dance good." (Not a rhymer in the bunch.) A wise man once said, "If you want to get square dancers to dance well, you must first get their attention." He went on to say, "A two-by-four is an appropriate instrument."

All of which goes to say, you have "graduated," you have not stopped learning. Classes only teach you the calls. You "learn" to dance by dancing, not by attending classes. **Please go to every Mainstream dance you can over the summer. It is very important.**

On another note, and at the risk of earning the undying enmity of several callers and Plus clubs, I strongly urge you to dance Mainstream for at least a year and to only take additional lessons for additional programs of dance when you are sure you can do all the Mainstream moves from all the positions with great certainty. In Sweden, where callers universally agree they are the very best dancers, they dance basic for at least one year before going on to Mainstream, and Mainstream for at least another year before going on to Plus. Please stick with Mainstream until you really know it. Remember our motto here at Camp Recycle, "First out, last in... the well-trained worm always gets the apple" (interpretations welcome).

Next column we'll deal with how to cope with sour-faced dancers (there are only a few), and more on dancing etiquette. Happy dancing and it'll be a pleasure to dance with you this summer.

Northern New Jersey Round Dance Leaders Council

The secret is out. Many more round dancers have discovered that beautiful wood floor in the McKinnon School in Wharton. As a result, many more dancers have connected and enjoyed the Spring Festival of Rounds held on March 14th. A relaxed program offered an afternoon of dancing to all their favorite NNJRDLC cuers on the beautiful wood floor. The two annual afternoons of rounds are the primary means of support for your Council.

Once again the fine talents of own Karen & Greg Kushla will be skillfully displayed when they encore their prior success as Round Dance Program Chaircouple at the 7th New Jersey Square and Round Dance Convention. Their proficiency will ensure the smooth program flow we all enjoy. Round dancers only task will be to pick and choose where to be. Thank you, Karen & Greg for making it so enjoyable and simple for us all.

New cuer members, Kathy & Dan Koft, are Assistant General Chairmen of the Convention. They are being worked hard by the Riviccios, who are the General Chairmen.

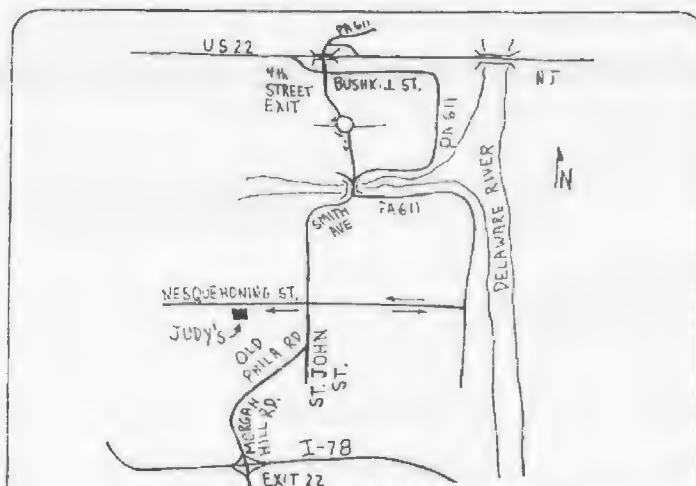

Dave & Wendy Roberts are Chairmen of the Square Dance Council of New Jersey, which sponsors the Convention. This couple wear hats in many organizations and gives 100% to each job they take on. Even while chairing several groups, this dedicated couple still finds time to tackle and become involved in contributing to other individual group problems. Be sure to give them more than just a smile when you see them. They do deserve that personal thank you from all of us.

PRINCETON ROUNDS -- Lawrenceville, NJ

Tuesdays Rumble, 908-657-0212; Lawrence Rd. Fire House, Rt. 206;
 Ron & Ree's Christmas present to us was a patient and elegant teach of
 "And I Love You So." Our Christmas present to ourselves was learning to
 dance it with patience and an adequate amount of elegance. Our most recent
 dance is "Our Last Dance," a nifty quick waltz. "Mardi Gras" may be on the
 schedule before Fat Tuesday, so join us and Ron & Ree Rumble for evenings of
 good workshops and dancing.

RAMAPO RHYTHMAIRES -- Waldwick, NJ

Wednesdays Waldwick High School, Wycoff Ave.
 The early group has been concentrating on learning Phase III waltz and cha
 cha steps. Review, review, review seems to be the name of the game. Our
 seasoned group has been developing a better understanding of Phase III and
 Phase IV figures through the learning of classics and some of the more popular
 dances which has provided us many a fun-filled evening. You are welcome to
 come join this "ambitious" fun group any time.

The Plus Quarterly Selection for the period beginning March 1st is **Transfer the Column**. Start: #1 and #2 dancers in each column circulate 3 spots (working slightly wider than usual, to give the centers room) and Face In. Meanwhile the #3 and #4 dancers Circulate One Position, then Castoff 3/4 and Extend. Ending formation: Parallel Waves; timing:8 beats.

The current Mainstream Quarterly Selections are: **Cross the Track** and **Cross Roll to a Wave**. **Grand Swing Thru** was dropped as a Mainstream Quarterly Selection. Tony Oxendine has written a wonderful article, "What Callerlab Means to Me." We will reprint it in its entirety in the next issue.

This issue, let's talk about next year's lessons. Before this class graduates, talk to your current class instructor about how things are going with the class and when the next class will start (assuming you want the instructor back - if you don't, please explain why). This will allow

the instructor to plan for the coming season. Now is a good time to start thinking about your club's recruitment efforts for the fall (that is if you haven't made recruitment a year-round activity). This will allow all concerned parties (caller[s], club members, other organizations) to participate. If you wait until late summer to plan these efforts, you may find that some important people have already made other plans.

The more a class instructor is involved in what affects a class, the more successful the class is likely to be. If you hold an open dance to recruit new dancers, think about asking your class instructor to participate. Who are you planning to get to call your demos? Do you ask your class instructor to participate in club nights the class can attend? Have you ever asked your class instructor to call the graduation (or the first club night after graduating at the class)? Admittedly it may not be feasible for the instructor to participate in everything, but increased involvement will ease the transitions from non-dancer to class and from class to club. The goal is better and larger classes and the key is for everyone to work together.

MASQUERADERS - East Windsor, NJ

(+)

1, 3, 5 Fridays

Am. Czech. Farmers Club, Rt. 130 & Hankins Rd.

Our January Pot-Luck dinner was well attended and provided an excellent opportunity to socialize before the regular dance. A number of guests, who regularly attend our functions, joined club members in the festivities. Callers Al Kaesler, Brian Fugere and Mark Franks and cuer Steve Bradt kept us busy and entertained during January and February. We were delighted with the turnout of the guests at all of these dances. The quality of the talents of the callers and cuer, plus the club's friendly and welcoming attitude, no doubt accounted for the good attendance.

**EMERGENCY CALL
for MEDICAL AID**

- 1** When a dancer goes down, a second dancer attends him/her
- 2** Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.
- 3** Raise joined hands as high as possible in the form of an arched circle.
- 4** On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.

The picture and explanation above describe the Emergency Call for Medical Aid (ECMA) procedure that has been adopted worldwide by the square dance community. We sincerely hope you never have to use it, but you and your club members should be familiar with it. We strongly recommend this procedure be demonstrated at least once year at every club.
