From the desk of

### JOHN & JOAN BERG, NNJSDA PRESIDENTS

Shortly after assuming our duties as NNJSDA Presidents, we had the honor and pleasure of representing the Association at the 42nd National Square Dance Convention (NSDC) in St. Louis, Missouri. More than 18,000 dancers, including 160 from NJ, spent four days and nights dancing to callers from all over the world. We were joined by Past Presidents, Jim & Joyce Kelly and Dick & Shirley White, as well as many other members of this Association. The NNJSDA had a display in the "Showcase of Ideas." We were assisted by the Whites as we pinned hundreds of visitors with the NJ State Pin as they stopped by to see our display, highlighted by our "Square Dance Dolls." There was dancing morning, noon and night, plus some outstanding parties with special callers which ended in the wee hours of the morning. There was something for everyone and we recommend you give it a try. The 43rd NSDC will be in Portland, Oregon, on June 22-25, 1994. Over 8,000 dancers are registered already and we are two of them. Won't you join us?

While we are on the subject of the National Convention, we would like to thank the Trainors, Kellys, Huettermanns, Terrys and especially the Whites for all their help.

The only regret we had was that we were not here for the first NNJSDA Summer Dance. However, we returned in time to attend the 2nd dance and all the others. It was a pleasure to "Square Up" with so many of the new graduates and hope to dance with the rest during the coming year. Most of those we had the pleasure of dancing with were so knowledgeable. Remember, as we have said before, **the more you dance, the better you become.** Everyone

*'ONE SQUARE IS FAIR'*

*Presidents Letter continued from page 3*

started exactly like you and we all welcome you to the "Wonderful World of Square Dancing." Support your club, angel, dance as often as possible and get involved. Now is the time to **enjoy!**

It was a delight to present so many "Freeloader" cards and danglers this year. Don't forget, they are good for two years, so please use them.

**A special thank you to Frank & Carol Homer, 1st VPs; Harold & Maureen Latham, Treasurers; and Bernie & Barbara Garfinkel, Assistant Treasurers.** Through their efforts and dedication, the 1993 Summer Dance Program was a huge success. Thanks to all the Executive Board members and Past Presidents for their continued support. Of course, without you, the dancers, there would be no program. So to all of you who participated, we say **thank you.**

As we begin the 1993-94 Square Dance year, please keep in mind our **Raid Program.** Last year 27 clubs completed the program and will benefit by being exempt from '93-'94 dues. The Executive Board has voted to continue the program next year with one small modification. At least one club raided must be in a different state than your club. It would be nice if you raided more out-of-state clubs, but to qualify, only one club is required. Remember, that the 3 clubs on Staten Island, 2 in Brooklyn, 2 in Rockland County, and 2 in PA are all members of your Association and deserve your support, too.

The **Raid Program** was the brainstorm of Past Presidents, Dick & Shirley White. We all owe them a vote of **thanks** for a job well done.

To the new students, we want to welcome you to Square Dancing. Hopefully, by the time you read this, your class will have been visited by an NNJSDA Executive Board member, who will explain where the Association fits into the scheme of things. Although it may be hard for you to visualize right now, soon you will be attending your first Student Dance and squaring up with the rest of us. We are confident that with the help of your instructor, class coordinators, and angels, you will soon be accomplished square dancers.

To all, remember that this is the **Northern New Jersey Square Dancers Association's 35th Anniversary** and together we will make it the best year ever. Please square up often and most of all enjoy the **Wonderful World of Square Dancing.**

Due to the overwhelming success of the Raid Program, the Executive Board has voted, with one small change, to offer it for the 1993-1994 dancing year. If you complete your Raid Card, no dues will be payable to the Association for 1994-1995.

Twenty-seven clubs have completed their Raid Card. Is your club one of them? If not, why not? It's easy! It's fun! And you meet the nicest people.

5. Your NNJSDA raid card must be signed and filled out by an officer of the visited club.

2 & 4 Sundays

Menorah Home, 1516 Oriental Blvd.

One cannot believe the stamina that square dancers have. They come out dancing despite the swing of 100 degrees in temperature between January through July and August this year. There must be something to square dancing, and there is! We had a spectacular summer of six dances with each and every caller better than the one before. If you were there, you know.

We come into the fall season all energized to continue to build our club. In September, we offered two free introductory classes to whet the appetite of those who don't know the joy of square dancing. Approximately 100 people attended each of the nites and they were interested and enthusiastic. Only time will tell if they stay and become good dancers. But, with our caller Don Coy, those that stay will become good dancers.

One of our goals this year for our students and members is to get on the road with our Raid Chairman, Vincent Nunziata. Watch out! We are going to be on the road for Raids, so don't get caught unprepared. Kings Squares, our sister club here in Brooklyn, raided us on September 12, and we had a great time, as usual.

### **NEVER LEAVE A SQUARE!**

The only time its appropriate to walk out of a square is because of an emergency. If you are ill and cannot continue, try to look for someone who is sitting out and signal them to jump in for you. It is not proper to leave a square because someone you don't like has squared up with you. **Never, never,** walk out of a square during a tip because the square has broken down. This very insulting to your partner as well as the other six people in the square. Be friendly, smile and laugh it off. Everyone wants to have a good time.

## MISSING-- 1,500 APPLICATION FORMS!

Over 2,000 Square Dance License Plate Applications were distributed to clubs throughout the state. Less than 500 have been returned. That means 1,500 are still out there.

### BEE SHARPS -- Somerville, NJ (+)

2 & 4 Fridays

St. John's Episcopal Church, 158 West High St.

Time seems to fly by when you're having fun, and for the Bee Sharps, this past summer has really been busy. We never let the heat get us down. Our summer dances were well attended and, thanks to Walt Sydor and Dan Koft, our summer workshop was a big success.

The Bee Sharps' Fun Night was a real pleasant evening. Wilson Hoff was calling and we had four squares of visitors and three squares of angels. The angels demonstrated square dancing and four of our couples demonstrated round dancing for our visitors. It was a real FUN night and a good time was had by all.

Our fall season looks good and we have a good line-up of callers and cuers. Irma and Joan have already started our raids and we hope to see you all when we raid your club. See you in a square.

### COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays Stelton Community Center, Plainfield Ave. (Rt. 529)

Something very strange happens after Labor Day, it's as though the Weatherperson turns off a switch and we go from warm to chilly. One good thing about the cooler weather is that it makes dancing more enjoyable. The Country Promenaders started off our fall season with a raid to Richmond Dancers on the Dessert Night (I never touched the stuff). We are getting calls from clubs who plan to raid our Red Bates dance in October, so it looks like a real event.

Manny Amor opened our season on September 25th. Just in case you haven't attended these dances, there is something important you need to know. This summer, the Edison Recreation Department spent a great deal of effort refinishing the floor of the room we use for dances. Soft-soled shoes are now a **MUST**. If we damage the floor, we lose the hall. So when you mark your dance calendar, please make a note to wear those shoes that were made for dancing. Round dancer alert--Steve Bradt is cueing great rounds this year so "come on down!"

## COVERED BRIDGE SQUARES -- Nutley, NJ (+)

2 & 4 Fridays

Radcliffe School, 379 Bloomfield Ave.

We at Covered Bridge Squares mourn the recent loss of one of our oldest and dearest friends this past summer, Fran Cashill. I especially remember Fran as the Class Coordinator who continually urged and cajoled us on when we took our original lessons. Her ready smile and good word kept us all going and we will all miss her very much.

Phil & Ros Hammer were unable to make the first dance because they were honeymooning in Alaska. However, they did square dance in Juneau with the Eskimos. We wish good luck to our new officers Vince & Harriet Wilding, Presidents; Phil & Ros Hammer, 1st VPs; Ruth Low, 2nd VP and Delegate; Don Haggert, Treasurer; and Margaret Semonian, Secretary. Our Plus class started on September 13th and we wish good luck to all those who signed up.

## CROSS TRAIL SQUARES -- Caldwell, NJ

(+)

2 & 4 Wednesday

Lincoln School, Crane St.

Summer sun and fun was concluded with CTS celebrating Jersey Fresh Week with exhibitions at Kings in Verona and West Caldwell. September was ushered in with the traditional Labor Day Exhibition in Verona Park. Three squares generated lots of interest from the spectators and was immediately followed by Open House. The evenings activities revealed many budding square dancers just waiting to emerge. Right on the heels of Open House was our Kickoff Dance with none other than a football theme.

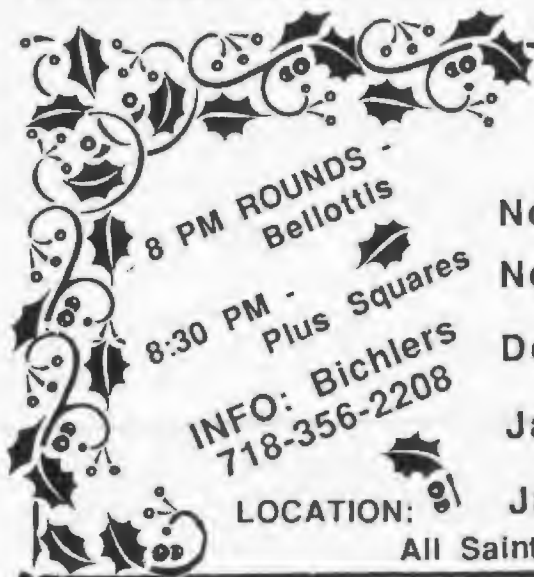

Thirteen of our 15 graduates completed Plus over the summer. They came to the Kickoff Dance armed with their newly acquired skills, and we had a great time dancing with them. The week was capped off with an exhibition at the West Paterson Recreation Dept. Picnic.

The Square Wheelers have enjoyed six wonderful camping weekends to date including their annual trip to Reading, PA. They also participated in the NJ State Camporee held at the Sussex Fairgrounds. CTS is off to a great season.

 2, 4, 5 Tuesdays (Mar-Dec) Delaware Valley H.S., Rt. 6 & 209 North  
 (mid Jun-Aug) American Legion Hall, Wilson Hill Rd.

"Back to School" really meant "back to school" for Dingman Dancers as our fall dancing schedule started. We moved back to the Delaware Valley High School on Routes 6 and 209, just north of Milford, PA.

So it was appropriate to have a "Back to School Nite" Dance. In addition, we enjoyed a Sadie Hawkins Nite and a Halloween Dance, where everyone was to design and wear a mask. I wonder who I danced with that night? Well, if we didn't see you at our Anniversary Dance, we hope to see you during November and December.

1 & 3 Sundays

American Legion Hall, 113 E. Passiac St.

One of the hottest summers in memory didn't stop FAD dancers. When Lakeland cancelled its August special, R & D Squares in Howell Township invited the Japanese square dancers. Callers Mac Ojima, Ted Barbour, Tim Marriner, Richie Rich and Doug Kaufmann were enjoyed by FAD's Vera & Bill Clampet, Brenda & Dick Dexter, Dolores & Clarence Grippo, Pat & Bob Smith, Rose & Joe Velazquez, Fern & Don Walker, as well as NNJSDA's Past Presidents, Dick & Shirley White.

The NNJSDA's Summer Dance Program inspired Harold & Doris Johnson to travel from Jersey City every week for all 10 weeks. They not only earned their Freeloader, but picked up a healthy \$40 from the 50/50. Congratulations to our newest club members! We've been pleased at their efforts to introduce square dancing into Hudson County through the Secaucus Adult School with classes on Wednesday nights.

Doris & Gene Grogan had their share of surgery, but managed a Plus square dance weekend (or two or three?) with their camper. Rose & Joe Velazquez joined them for one, and joined club caller Dot & George Loewenstein at another in Scranton, PA. Never known as "stay-at-homes," the Loewensteins then flew to Seattle, bused to Vancouver and cruised to Alaska via the inside passage. Skagway and Ketchikan looked exactly like every movie you've seen of Alaska, but the highlight was a full day in Glacier Bay. Awesome!

Joe & Eleanor Emmerich are again Class Coordinators for our Tuesday classes in Paramus. Harold & Doris Johnson are handling the Secaucus class, and our angels are managing to fit both classes into their schedules. Thanks!

1 & 3 Saturdays Chisholm School, S. Springfield Ave. & Shunpike

Harmony Dancers began its fifth dance season with a Michael Johnstone/Al Spinks blowout. We enjoyed getting the cobwebs out with the White Knight and the Sphinxman. A raid from Y Squares added to the enjoyment.

But, who was that lady with the cast and crutch? Oh, no! Lil Wheeler, after surviving the wildlife and social life of a Colorado vacation, broke her ankle just an hour before her departure home. Mend quickly Lil, we are saving a spot in our square for you.

Our first dance signals not only the beginning of our dance season, but also the beginning of our raid season. Last year, Cathey & Don Bierman, our veteran Raid Chairs, mapped out a season of raids that filled our NNJSDA Raid for 1992-93, and they are working hard putting together a repeat performance for this dance season.

Although there are only a few more weeks left to 1993, there is a lot of fun left. We are looking forward to dancing with you this Holiday Season and in the New Year!

## HIX & CHIX -- Elmwood Park, NJ

(+)

2 & 4 Thursdays

VFW Hall, 6 Veterans Place

Hix & Chix and their visiting dancers kept the summer rolling along with some super dances, the hot weather notwithstanding. An Ice Cream Social cooled us off in July. Gerry Hardy's Mainstream calling and Nick Raspa's cueing satisfied our urge to dance.

August started off with Carnival Night featuring balloons, popcorn, cotton candy, and a bearded lady (Pauline Robinson), the tattooed lady (Brenda Dexter), a clown (Liz Bradley), and a fortune teller (Gloria Wyman). Dancing was under the direction of Dick Mazziotti on Mainstream and Jack McLaughlin on rounds.

August 19th, a full house enjoyed another Randy Dougherty Plus Special. All the fun was tinged with regrets as we bid farewell to the McLaughlins after 13 years of cueing for Hix & Chix. We expect them to keep their promise to cue for us whenever their travels bring them back. We'll miss them and wish them Godspeed.

Now, with the coming of fall, we have resumed our regular 2nd and 4th Thursday Plus dance schedule.

## HUNTERDON FLUTTERWHEELS -- Flemington, NJ

(+)

1 & 3 Fridays

Flemington Baptist Church, Church & Main Sts.

We are sorry to say we were unable to get a class started this September in spite of all our advertising and hard work. We shall attempt to start one in January as this seems to work better. It is just more difficult to get the class through everything so they are able to dance during the summer.

There were many busy people this summer. The Butterfosses and Austins attended a square dance weekend at Mountain Lake Resort in the Poconos; the Koches and Schmidts went to the International Camping Square Dance Weekend in Hamburg, NY. The Koches also had a fun weekend at the State Camporee held at the Sussex Fair Grounds. The Elliotts danced on the Cape May Ferry to Delaware and back. It is a fun experience everyone should try.

We anticipate another good year for raids and do enjoy dancing at many different clubs and meeting so many nice people. We hope to see many of you in a square.

This summer the Reelers won the "Chairman's Trophy" for marching and dancing in the 4th of July Parade in Brookside.

The Reelers participated in two demos. In August, twelve couples danced hoping to attract students for our new class at the Kings Super Market in Mendham. Wilson Hoff called. In September, we danced for the Morristown Hospital Rehabilitation Center's Reunion. Charlotte Franks is the Coordinator for the Center. Charlotte and her husband, Bob, are recent Reelers graduates, and they are also our newly elected Class Coordinators.

Wilson Hoff started the season with Class Night on September 15th. This is Wilson's 26th year of teaching for the Reelers. We welcome back Al & Gale Spinks, our round dance cuers.

**Dear Readers . . .**

Many thanks to Karen & Greg Kushla, Leo & Lois Bichler and Dick & Shirley White, who all pitched in and helped us get to the printer on time. After Charlie broke his right ankle in early October, it became much more difficult to get the November issue together. With both of us home from work, we had no copy machine and we made more than several trips to the Copy Shop where we had to pay for copies. Horrors! How did we ever survive before copiers?

Your many wonderful cards and notes have really brightened our days. We can't thank you enough for your thoughtfulness and caring.

## LEISURE SQUARES -- E. Stroudsburg, PA (MS w/+ tips)

1 & 3 Saturdays

J.M. Hill School, E. Broad St.

After our summer break, Leisure Squares has now swung back into action. Though come to think of it, some of us never got out of action and danced often from June through September.

We did two demos in June at East Stroudsburg University for Elderhostel groups; two more in late August at the West End Fair, during the hottest period of the summer; and two at the Stroud Mall.

We also visited other clubs in the area. One of our neighboring clubs, Hemlock Squares, held both a Strawberry and a Blueberry Festival and many of our dancers attended both. In August, our club caller Dalt Young was guest caller at Dingman Dancers. Needless to say we all had fun that night.

Everyone at Leisure Squares wishes all of you Happy Holidays and a healthy and happy 1994.

(Jun.-Sept.) Knights of Columbus, Pine St., Old Bridge

Our 35th Anniversary Season has gotten off to a great start with some terrific callers, such as Bob Gaunt, Don Coy, and Dan Koft. We welcome cuer, Karen Kushla, back from "maternity leave." By the time of this printing, our 35th Anniversary Dance scheduled for October 15, with Carl Hanks calling, will be a pleasant memory for our scrapbooks. We hope to have many old friends and former callers present.

Our class started on September 22. We hope that everyone who begins class will continue all year and we can graduate 100%.

The Merri Eights mourn the passing of Will Jemison and Dick Hassler. Will and his wife, Helen, have been long time members of Merri Eights and our sister club the Hitch 'N Squares. Dick and his wife, Lee, were former presidents of Merri Eights. They will be sorely missed.

We raided Country Promenaders in October and will be raiding Y Squares 30th Anniversary Dance. Plans are falling into place for our New Year's Eve Dance.

The dance season for Mountain Squares is well under way, and we are looking forward to a year of fun dancing with our club caller, Joe Landi. By the way, Joe has earned his pilot's license. So look out world, here he comes!

We are especially happy that our "Mrs. President," Hilda Groth, has recovered from her bout with pneumonia without having to be hospitalized. I'm sure that Bill's TLC and cooking were responsible for Hilda's speedy return to health.

Friendship and smiling faces are the norm at Mountain Squares, and the welcome mat is out for all A-2 dancers to join us. You will find that we have made a slight change in our format. Joe Landi is offering a workshop tip early in the evening so that we may sharpen our dance skills and "zig" and "zag" with confidence. Subsequent tips emphasize the workshoped tips. See you soon.

**Mainstream:** An unexpected summer visitor turned a minor disaster into a pleasurable evening of dancing. Due to a calendar snafu, our scheduled caller missed his Wednesday appointment. Fortunately, Ken Ritucci of Massachusetts was in the area on other business and had stopped in to dance but graciously filled in and saved the evening. Remember that soft-soled shoes are a must at the Mercerville School and, please, no boots.

**Plus:** Not only maintained a full cool summer dance schedule but along with Mainstreamers promoted square dancing through demos at the Washington Township Festival Days, the Princeton Fete, the Mercer County 4-H Fair, the Hamilton Township Septemberfest and the New Jersey Network Television Station's Open House on the occasion of their move to new quarters in Trenton. Plusers also managed to squeeze in a summer raid.

## **RICHMOND DANCERS -- Staten Island, NY (+)**

2 & 4 Saturdays All Saints Church, 2329 Victory Blvd.

To quote the Editor, "You are a reporter, so report!" Where were you? Our club has more than a "gross" of members, yet we failed to show a square at two of the summer dances. No "One Square is Fair" Summer Award. We had a dozen new graduates, no Freeloader Awards. Richmond Dancers has been a significant name throughout the Association and always present in great numbers. Have we lost the spark? The ambition? The enthusiasm? The desire to keep our club up there?

The summer is over. Classes have begun and our regular club schedule is in full swing. The Dessert Dance was a great success. The table was full of delights, the hall full of dancers, and the return of those members on our sick list included smiles from Peg Crisham, Joe DiGiovanni, Jack Campbell, Terri Fedele and Kathy Porter.

This edition will reach you in time to wish all God's blessings of good health, much love of family and friends and patience to both listen and talk to each other. Note: if you want to see an item in this column, send it to me.

### **WHAT IS A SOFT-SOLED SHOE?**

A man or woman's shoe, specially made for dancing, with a sueded leather bottom is a soft-soled shoe. So is a sneaker or other shoes with rubber bottoms. Leather street shoes are not soft-soled and are not permitted on gym or hardwood floors. Cowboy boots and high-heeled shoes are strictly prohibited.

**ROCKLAND PROMENADERS -- Pearl River, NY (MS/+ tips)**

2nd Sunday

Beth Am Temple, 60 Madison Ave.

Square dancing is taking off in Rockland County! We have a great group of enthusiastic new students who are learning quickly. We're expecting to have some very strong dancers by the time of our student dances.

Our club is also introducing country-western line and partner dances between tips. We're having a terrific response from people who want to learn such beautiful and popular dances as the Texas Waltz and 16-Step. This club has a bright future and we welcome all to come and visit and dance with us.

During the recent biennial meeting of Legacy International in Toronto, Canada, both short and long term goals were widely discussed by the Trustees. The following is a list of goals Legacy will be striving to reach:

1. Take stronger stands on key issues.
2. Enhance tolerance withing the square dance activity.
3. Double the number of Mini-Legacys in the USA and Canada. (NNJSDA's L.U.S.T. is a Mini-Legacy.)
4. Through marketing and communication, attract younger participants to Legacy.

The Board of Directors of Legacy International strongly supports these goals and together with the Trustees will be working diligently to attain them.

Legacy maintains a problem solving service with the Legacy Hot Line. They

**ROCKYTOPS OF ROCKLAND -- Pearl River, NY (+)**

1st Fridays Pearl River United Meth. Church, Franklin & John Sts.

RockyTops had two wonderful summer dances this year. In July, we had 11 squares with 17 visiting clubs dancing to our caller, Joe Fioretti from Florida. In August, we had 13 squares with 18 visiting clubs to dance with our international caller, Tim Crawford from Canada. Nick & Carol Raspa cued rounds. Now that summer is over we are looking forward to a great fall season with top regional callers. Do come and dance with us.

Congratulations to Mal & Dottie Blotner on the engagement of their daughter; to Ann McNeil on the engagement of her son; and to Bill & Helen Ruckel on the marriage of their daughter.

Our Pearl River location is easy to find and is only 20 minutes from the intersection of the GSP and Route 80 in Saddle Brook and only 10 minutes from Exit 172 on the GSP.

### RUTGERS PROMENADERS -- N. Brunswick, NJ (MS)

2 & 4 Thursdays American Legion Hall, 1015 Linwood Pl.

Our 40th Anniversary season has taken off with high hopes and a variety of activities. Instead of offering lessons this year, we're trying some dance nights that will feature activities suitable for non dancers. In this way, we hope to attract those folks who might be interested in square dancing, but are unable to commit to a series of lessons just now. So, check our flyer or ad for exact details.

Other special activities planned include a trip to MIT in November to support Tech Squares' dance marathon to benefit the American Cancer Society, fund raisers (Entertainment Books, a club cookbook, and a craft show), and of course, raids to NNJSDA clubs. Our Toys for Kids special is planned for December, and will once again be preceded by a dance open to the community at large. Finally, our **big event**--the 40th Anniversary Live Music Special is scheduled for May.

As you can see, we don't have many dull moments planned--so come see us!

**SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)**

1 & 3 Saturdays Old Stone Church Education Ctr., E. Saddle River Rd.

What do you call it when you gather together Raid Chairpersons from many different clubs of the NNJSDA? "Raid Chairpersons Night." That is the event we held on October 16th to honor our own Raid Chairlady, Carolyn Monahan, along with her counterparts from other clubs. The evening also provided a unique opportunity for the Raid Chairs to meet each other and set up reciprocal raids. Since raiding boosts the attendance at club dances, we were happy to have this opportunity to thank the Raid Chairs for their contribution. Of course, we also appreciate all the club members who participate in the raids.

We enjoyed our first Mainstream dance with Gerry Hardy on October 2nd and are looking forward to her next See Saw appearance on December 4th. Don't miss it! Gerry is a delightful new caller who is as easy on the eyes as on the ears.

By the time you read this, our dance of November 6th with renowned national caller Mike Callahan will be just a wonderful memory. Hope you are among those who shared this memorable evening with us.

Wedding bells rang this past summer for daughters of Steve & Arlene Reiss, Bill & Helen Ruckel, and Joan Schierlitz. Congratulations to all! See Saw members, be sure to let me know of newsworthy "happenings" in your lives. If I don't know about them, I can't report them.

Happy Holidays to all! See you in square!

**SPINNING WHEELS -- Wayne, NJ** (MS w/+ tip)

Every Monday Wayne Civic Center, Hamburg Turnpike at Church Ln.

Spinning Wheels has had a very successful summer at our air-conditioned hall in Oakland. We ended the season with a Purple Heart Dance and had 5 callers in attendance. All those dancers who had never received a purple heart were able to dance with 3 callers and receive their free purple heart dangle that night. Even our own caller, Bob Robinson, was able to dance with 3 callers and receive his purple heart. The callers' partners all received a special doll as a thank you for not always being able to dance in a square. This was a rousing success and we will make it an annual event.

We are now back to the Wayne Civic Center and our first dance was held to celebrate the marriage of Marie & Henry Shiman. There were about 125 people in attendance and a good time was had by all.

We are looking forward to an exciting year filled with great callers and many new and different activities and hope that you will join us at the fun place to dance.

## OUR NEWEST PATRON AWARD WINNERS

With everyone so involved in attending raids for the Raid Program, no one seems to be working on their Patron's Award these days. What a pleasant surprise to receive a valid Patron's Card from Butch & Gail Conklin. They began the card in May '91 and finished it in June '93. Congratulations to you both! The rules require that you visit 26 NNJSDA member clubs. There is no time limit. If you have misplaced yours, or want to start on another Patron, just ask any NNJSDA Officer and they will be sure you receive one.

### STATEN SQUARE SET -- Staten Island, NY

(+)

1 & 3 Saturdays

St. Alban's Church, 76 St. Albans Pl.

Our Barn Dance was a great success. Many thanks to Peggy & Dick Corney, Jackie & Jack Nevins, and Donna & Bill Anderson for their help. Marie & Bill Dudley took part in the "Marrying Sam-Miss Kitty" Ceremony.

Local gossip: Elaine Evers and Shelly Schumer purchased a Florida residence. Elaine's daughter just married. Incidentally, thinking of Shelly, if he hasn't gotten enough sleep the night before, he's been known to get randy while dancing. Dot & John Emma were in Australia recently and square danced while there. The Peterson's daughter, Margaret, married Michael Grace in September (four down, one to go). My son, Brad, married a beautiful Hindu young woman this summer. The ceremony involved Indian and Jewish traditions. Tony & Annette Cursio practiced Eskimo kissing in Alaska recently. The Kanters have been doing a great job helping students brush up on their steps. Catch country and western dance lessons between tips starting at our 45th Anniversary Dance the 3rd Saturday in November. Happy dancing!

## TENAFLY SQUARES -- Haworth, NJ

(MS)

2nd Friday

St. Luke's Episcopal Church, Massachusetts & Grant Aves.

Our 1993 season got off with a good start with our favorite caller, Bob Mitchell, giving us an interesting workout at our Ice Cream Social. For those who had not danced all summer, it was the opportunity to get back into shape. We're looking forward to a good season with a great array of callers, culminating with our famous "Moonlight on the Hudson" Dance in June.

Look for our flyers and ads, and c'mon up and visit us some time. We're in the same location, easy to find after the first time. Everybody's welcome, especially those who just graduated last spring. We'll be visiting other local clubs in our expanded raid program. Hope to see you soon.

## VALLEY SQUARES -- Watchung, NJ

(+)

1 & 3 Thursdays

Bayberry School, Bayberry Lane

Over the summer we at Valley Squares did not forget our dancing. At the all-day picnic at "Rounds' Grounds," we had good food and even good dancing to Len Anfinson's calls. Many thank to Carol & Duke for their hospitality.

Two squares put on a demo at the Sacred Heart Festival in Bernardsville. It was plenty hot, but better than last year when the demo was at mid-day. Some of our members were dancing "under the Arch" in St. Louis B.F. (before the flood). It was really an inspiring sight to see dancers from all over the US and the world dancing together.

Valley Squares even had a summer raid on Warren Wheelers. This was followed by a pot-luck supper at Joan & Len's house. Wish Max & I could have been there. There were 10 Wednesday night dances sponsored by the NNJSDA, and 6 dances on Fridays sponsored by the Five Clubs. They kept us dancing, and we loved it.

Our club year started with a Welcome Back dance and Betsy Gotta will be our teacher for Mainstream lessons in Berkeley Heights. Maybe this year we'll get to the Marshall Flippo dance, if we're not too full of turkey. Keep dancing.

'Cross Trail Squares, Ironia Reelers, Lakeland Squares,  
Richmond Dancers, Valley Squares, and Warren Wheelers  
are all recipients of the '92-'93 "One Square Is Fair" Award.

**WARREN WHEELERS -- Pt. Murray, NJ (MS w/+ WS tip)**

1 & 3 Thursdays

Mansfield Township School, Rt. 57

We're all grateful that the cool autumn weather has set in at last. Our summer at Warren Wheelers was a combination of our exciting demos and the newly revitalized club-sponsored summer dance. The regular season started off with a bang, too!

Along with the Sussex Spinners and the Kittatinny Rangers, we demoed our pastime at the Sussex County Fair on June 6 and 9. Then, three days of demos and a barn dance were enjoyed at the Hackettstown Western Days on July 14-17. We were also pleased to be invited back to the Glenlora Nursing Home fall open house and picnic on September 18. Two squares whirled and twirled to the delight of our audience, who danced and clapped to the calling of Herb Conklin.

On the first of August, 12 squares and 20 couples joined us for our Mid Summers Square and Round Dance at St. Mark's on Schooley's Mountain, where the air-conditioned Family Life Center kept us cool as cucumbers! The Dingman Dancers and the D & H Squares raided us that day, too.

At the Open House Fun Night, we welcomed two local visitors and a very nice couple from San Luis Obispo who were in the area visiting relatives. It sure was nice to see everyone again after the summer. The Warren Wheelers are happy to report that former club president, Jim Breslin, is back home again after another 5 weeks in the hospital and that class caller, Herb Conklin, is back on his feet after recent back surgery. Welcome back, Jim and Herb!

2 & 4 Fridays

Carl Kumpf School, Mildred Terr.

Y Squares' first dance of the new season was an Open House on September 11. There were about 140 people in attendance, lots of them prospective class members. Brian did a good job of making them feel like dancers with his interesting but easy introductory dances. For the club-level dancers, his calling was interesting (as always) but not necessarily easy. Too much fun-in-the-sun and not enough dancing this summer. How soon we forget! Not to be outdone by baby Helene Kushla, little Laura, daughter of Pat Brown & Tom Davidson, made her first appearance at that dance.

Hal & Florence Margo will be chairing our 30th Anniversary party planned for the 2nd Friday in November.

## From The Dahl House

### HOLIDAY HANG-ONS

( No, I don't mean those friends & relatives who don't know when to go home after a party or a longer visit.)

We all love to wear something special for the holidays. And we all love to go to as many special holiday dances as possible. All those friendly people and great refreshments are hard to stay away from. And if you're like me you don't want to show up in the same outfit at every dance. Try these suggestions for a lot of variety with a little work.

I don't know about the rest of you but I like white skirts. The problem is all these refreshments. I wind up with inconveniently located stains from my own carelessness or from a friendly crowd bumping coffee & things on me.

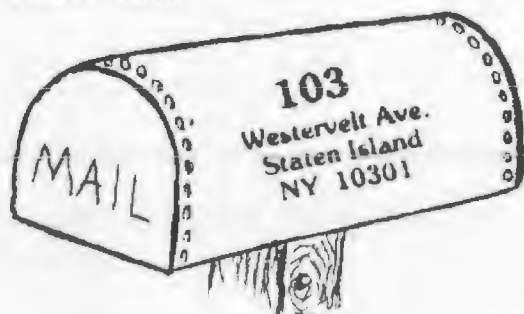

Getting upset won't clean the problem. Quick washing with "Magic Wand" or a similar stick cleaner you can carry in your purse might work. In case it doesn't just say, "Oh, good, now I have a Holiday Skirt (or blouse, shirt, whatever)". Of course I have other choices. Throw it out, use it for a dust rag or get creative. Since I rarely throw anything out — and dusting is not my hobby of choice — I get creative.

Appliques and hand painted designs are permanent cover-ups if you are that capable and have the time. A quick fix would be to sew a button or 2 or 3 or more around said stain and get busy making hang-ons.

Every holiday has theme fabric. You only need a remnant or a  $\frac{1}{4}$  yd. or a single panel for this. And there's a product called Wender-Under Transfer Web which irons on to the back of your "picture". You can then trim around the edges without fear of fraying. You could iron this on permanently, but --- lay your art over the buttons, mark the button locations with pins and slit "buttonholes". Now you can change these for every dance & every holiday. You can also sew loops (of yarn, ribbon, stretch metallic string, etc.) on package decorations or even old greeting cards and button on your holiday hang-ons.

Of course you may not want to wait for stained clothes to happen. And colors other than white will also work. If you will want to wear the garment without the hang-ons then use matching solid colored buttons. If you'd rather flaunt it, then go for the glitter, or use those odd fancy buttons from your button box. You can use this idea on blouses and men's shirts too - on the back and front yokes, the pockets, maybe even the stains.

*Northern New Jersey Round Dance Leaders Council*

Our new Council officers for the '93-'94 season have been announced. Roy & Betsy Gotta will head up as Moderators to be ably assisted by Secretaries Karen & Greg Kushla. With this winning team, it's a sure bet the Council is in for a year of good leadership.

An enthusiastic collection of dancers enjoyed the Fall Festival of Rounds held in November. A relaxed program offered them an afternoon of dancing to their favorite NNJRDLC cuers. Plans for the Spring Round Dance Festival are currently underway. It most likely will be in March.

We are pleased to report that once again four of your Council members are actively involved on Roundalab committees. Frank & Carol Valenta are subchairmen of the Round of the Quarter Phase III Selection Committee. Dave & Wendy Roberts are chairmen of the Standardization of Classic Cues.

Six of your Council members are actively involved in the NJ Square and Round Dance Convention Committee: Kathy & Dan Koft are General Chairmen; Dave & Wendy Roberts are Assistant General Chairmen; and Roy & Betsy Gotta are the Registration Chairpersons. These tasks are taken on in conjunction with their current area responsibilities and the aforementioned jobs often have tight deadlines that have to be met. We commend them for taking on these additional responsibilities.

**PRINCETON ROUNDS -- Lawrenceville, NJ**

Tuesdays

Rumble, 908-657-0212; Lawrence Rd. Fire House, Rt. 206

As expected, fall has brought more regulars and a lot of new guests to our Tuesday night dances. Party nights, where no new material is taught, were held in August and October. In August, we celebrated a milestone birthday for Ron Rumble. The October party featured Halloween decorations and dress. These events are great opportunities for those of you who may be thinking of getting into Intermediate Rounds to become familiar with the club. Our next party is the 3rd Tuesday in December.

Ron & Ree have been teaching us the classics, *El Coco* and *Woodchopper's Ball*, but have also introduced us to a new rhythm, the Slow Two-Step. After learning the basic steps, we put them to use in *Rachel's Song*. We look forward to the variety of Dances the Rumbles teach--different rhythms and different degrees of difficulty make for interesting dancing.

### RAMAPO RHYTHMAIRES -- Waldwick, NJ

Wednesdays

Waldwick High School, Wycoff Ave.

This year's Basic Class is a cuer's delight. They are bright and grasp things so well. As we move along, they retain their humor making the teaching of the class a real pleasure. We are sure to have a strong group of dancers joining us on the round dance floor this spring. Keep up the good work, guys!

The Intermediate group is reinforcing their Phase III steps as well as the Phase IV steps that they were introduced to last season. They are adapting well to the new figures being introduced this dance season.

Letters to the Editors continued from page 32

This letter is respectfully directed to square dance callers everywhere. As time goes by, naturally our callers are younger and they do not know the many thousands of fine songs that people sang for hundreds of years when people used to sing songs.

Since the 1960s, there has been a deterioration of songs, and today the ordinary person does not sing because most of the stuff is unsingable--from rock and roll to rap. Country music is a step back in the right direction--just a step. Why can't our callers bring back more and more and more of the great songs of the past? There is no reason for a caller to do a "fair" song. Every number should be a "winner." There should be a big smile on each dancer's face after the singing call.

I realize that some revivals of great songs can be horrible, such as what was done to *The Dark Town Strutters Ball*, but this is what the caller will have to watch for. I'll be happy to discuss this with anybody.

## "OREGON 'N' MORE IN '94"

Portland is fortunate to have all of the convention facilities within easy walking distance of each other. There will be 18 dance halls and many meeting rooms. The **Oregon Convention Center** is the main site of the convention. The **Portland Conference Center** across the street will add more dance space. Five blocks to the northwest is the **Portland Coliseum** with theater seating for the fashion show and similar events, and lots of dancing space. Five blocks to the east of the Convention Center is the **Red Lion Hotel/Lloyd Center**, the official headquarters. The **Lloyd Center Mall Ice Pavilion** is north of the Red Lion just across the street. There will be a full dance program there as well as the access to the 150 mall shops and the Food Court.

**Registration:** Almost 10,000 dancers are registered. A revised registration form will be available next month and it will list the hotels that are already filled.

**RVs:** 2,000 sites are available at the Clark County Fairgrounds in Vancouver, WA. There is a general store, space for afterparty dancing, showers, dump stations, honey wagon service, RV mechanics on call, and only 20 minutes from the Convention Center. Bus passes are highly recommended.

**Dance Floors:** 65,000 square feet of high quality hardboard has been purchased. All carpeted areas will be covered. The dance floors will include cement, hardwood and hardboard paneling.

**Shuttle Passes:** It can not be over-emphasized how important it is to have a shuttle pass for the convention. Parking is very limited in the convention area. Avoid the headaches and sign up for shuttle passes. Call: 503-371-6139.

## CAME LATE--DANCED SOME--LEFT EARLY

*by Dick Mazziotti, Caller/Teacher*

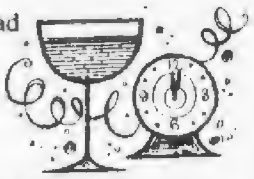

As always, this article is directed at the newer dancer since, of course, everyone who has been dancing for more than a year already knows everything, and would probably be quite embarrassed to be caught reading this.

*"ETIQUETTE" n. derived from the Old English "eat and quit" meaning "if you don't behave at my party, I'll throw you in the dungeon." The term has fallen into disuse during the latter half of the 20th century, but in its final form meant "oil that lets bodies be near each other with comfort" (taken from a document stuffed in a mayonnaise jar found near Old Pittsburgh).*

In most cases, flyers announce the time of a dance, e.g., pre-rounds 7:30-8:00 pm; squares and rounds, 8-10:30 pm. The caller and cuer or line dance leader are hired to call, cue and lead during those times. In order for you, the dancer, to achieve full measure for the exorbitant fees charged by clubs, dancers should come early and stay late rather than the other way around. As you can see, paying the full \$6.00 or thereabouts, per couple, for a full evening of dance, and then leaving early, is an enormous waste of money.

It is recognized that some dancers come a fair piece to visit another club, and for them leaving a tip or so early can mean the difference in getting a good night's sleep. For them, insisting, especially on a weeknight, that they remain till the end can be a real chore. However, it is rare that club members themselves travel more than a one-half hour to their own club's dances. Being there for the scheduled dance time is as much a responsibility for the home club

dancers as are refreshments, greeting people, and running for office.

I would also suggest that clubs, especially those that dance weeknights, think about changing their format to close up a little earlier. While it may be true that no matter when you end the dance, some will leave early, I really think it is the lateness, especially on weeknights, causing some early leave-takings.

For example, if there are no rounds, it would not be a hardship for a dance to run from, say 8:00 to 10:00 pm, asking the caller to adjust the time between tips slightly so you would still get the more or less standard 7 tips in.

In the same vein, club announcements often take enormous amounts of time. Club officers should imagine that they are visitors at their own club. Club news and club business should be handled with a newsletter, handout sheets, or a business meeting, not during announcement time. This time should be reserved for acknowledging the visitors, timely announcements of dances and 50/50... period.

As a last point of etiquette at the dance, if you are there, please dance. It can be really frustrating to see, or to be one of, three couples holding six hands in the air to fill the square and having five or ten club members sitting and staring, or disappearing into the kitchen. Again, I feel that club membership brings with it some clear responsibilities, and **cheerfully** filling out squares, especially for visitors, is one of them. It might even help to wear a button I saw the other day. It said, "I AM smiling dammit!"

Blessed are they who can laugh at themselves,  
for they shall never cease to be amused.

This is another plea from a couple who loves Mainstream. We finished our DBD Plus lessons from Dick Mazziotti in August, and we enjoy Plus. But why did we take Plus? In desperation! It seems that Mainstream has become the forgotten child of square dancing. Mainstreamers get the worst hall, and the worst floors to dance on almost everywhere, including the National Convention; the Trenton [NJ] State Convention, where they rotate halls, has been the only exception, so far.

Dick Mazziotti insisted that we dance a year of Mainstream before going on to Plus. Well, in that year we have found out several truths: (1) Plus dancers who go right into Plus after graduating Mainstream break down more often--and usually to Mainstream calls; (2) people expect Mainstream to be boring; (3) long-time Mainstream dancers get nervous and upset at DBD Mainstream; and (4) after a couple of years of Plus, most people forget that they started as Mainstream.

Our desperation came from wanting to go to different festivals and conventions. What we found were Mainstream dances in cafeterias (while people were eating); dances on asphalt, on carpets, in the cold outside--while Plus had wood floors and nice surroundings. What would you do?

Do we have an answer? Yes, but it is an attitude adjustment. How many men can do a "Dixie Style to an Ocean Wave" with the women in the middle, or how many women can "Courtesy Turn" a man (or as my wife says, turning the refrigerator)? These are some of the exciting and new (?) things happening in Mainstream. Every Mainstream club should ask their callers to workshop DBD and do a DBD tip besides a Plus tip (I bet the DBD will be more challenging and everyone will be able to participate).

If Mainstream clubs will allow their callers to workshop DBD Mainstream and call exciting tips (every caller in NJ has done it when allowed), then four things may happen: (1) Mainstream will not be looked down upon as boring; (2) people will **stay in Mainstream longer**; (3) more people, Mainstream and Plus, will go to Mainstream dances; and (4) Mainstream may get equal halls.

Square dancing is a classless social gathering--let's get back to basics and have everyone enjoy the best social event going.
