From the desk of

JOHN & JOAN BERG, NNJSDA PRESIDENTS

Time is really flying by. Here it is January and more than half of our dancing season has past. Once again, our new **Raid Program** appears to be a large success. Almost all the dances that we have attended have been raided by at least one other member club. Hopefully this year we will attain 100% participation in the Raid Program. It would be an honor for us to report next year that all member clubs will have their dues waived for the 1994-95 dancing season.

On October 30, 1993, Jim Lee visited us for our first Special of the season. Although the weather was not the best, we still filled the hall to capacity and an outstanding evening was had by all. It was a pleasure to see so many of you in attendance. A special thank you to Frank & Carol Homer for all their efforts and to Dick & Shirley White for having the foresight to book Jim Lee when they were 1st VPs.

This outstanding dance was followed in November by our 19th Mini-Festival and 35th Anniversary celebration held on Sunday, November 14th. Once again we had a capacity crowd. In fact, we could have used a "gym stretcher" as we had to turn some dancers away. Callers Tony Oxendine, Mark Franks and Roy Leber, and cuer Mary McGee kept us hopping as we danced all programs from Mainstream to C-1. Although I understand Festival Chairpersons, Dick & Shirley White, added a few gray hairs while Tony Oxendine flew around overhead. A special thank you to Randy Page for filling in at the last minute.

'ONE SQUARE IS FAIR'

Presidents Letter continued from page 3

We would like to thank Dick & Shirley White for chairing this outstanding day. Also a special thank you to Norman & Audrey Bolin for all their work as Registrars. It was heartwarming to see all the Association Past Presidents who came out to celebrate our 35th Anniversary. And of course, thanks to all the Association officers and delegates for all the ribbons they sold. Once again you have proven that square dancing is America's favorite pastime.

As part of our 35th Anniversary celebration, you received a souvenir book with the history of the NNJSDA. We hope you've taken a few minutes to read this journal. It has taken the efforts of many dancers to continue the work of your Association over the past 35 years. Soon your club, as well as the Association, will be looking for new officers to continue on during the 1994-95 season. Your club and Association do not run themselves. They need your help. It is sad when we hear that a club has ceased dancing because they can't get officers. Some of these positions take only a few hours of your time. Without your help and input, the clubs will cease operation. **So help, volunteer your time, become an officer. Do your part!**

On behalf of all the NNJSDA Executive Board, we wish you all a Happy, Healthy and Prosperous New Year. We hope we have the honor of squaring up with you in 1994.

John & Joan Berg, NNJSDA Presidents

HELP WANTED! HELP WANTED! HELP WANTED! HELP WANTED!

If you are driving to the National Convention in Portland, OR this year, please consider carrying the NNJSDA Display or boxes of **Grand Square**. Contact Sal & Mary Alessi, 3rd VPs at 201-256-1647 or the Editors at 718-448-9761 to volunteer.

People judge you by your actions, not your intentions.
You many have a heart of gold, but so has a hard-boiled egg.

19th MINI-FESTIVAL - 35TH ANNIVERSARY CELEBRATION

The 19th Mini-Festival - 35th Anniversary Celebration was a huge success. We had 80 sell-out squares of happy dancers. The NNJSDA was delighted to have 10 of the Past Presidents of the Association in attendance. They were presented with red silk roses with white ribbons identifying them as Past Presidents. Attendees all received 35th Anniversary dangles and souvenir booklets. A day of dancing to four (yes four) callers, Tony Oxendine, Roy Leber, Mark Franks, and Randy Page and cuer Mary & Pete McGee, was enjoyed by all.

The weather here was great for us, but in St. Louis there as a tornado watch and rain etc. Tony Oxendine's flight was cancelled. Since he had to take a later flight, his arrival was delayed. Many thanks to Ron Kapnick and Ruth Edison for picking Tony up at the airport. Brian Fugere graciously agreed to sing the National Anthem in Tony's place after the Pledge of Allegiance, getting off to a fine start. Randy Page, who sounded the hall for us, willingly stepped in on a moments notice to fill Tony's time slots until he arrived. There were many other callers who helped behind the scenes.

Many thanks to the Square Dance Council of NJ who lent us extra water coolers, walkie talkies, Yak Stack speakers and stands.

There are many people needed to make a dance a success. We want to thank everyone who gave of their time and talents, and especially the following people:

Norman & Audrey Bolin, Registrars, who spent countless hours working side-by-side with us in preparation for the Mini-Festival.

Kathy & Charlie Porter, who in spite of illness and injury completed our wonderful souvenir booklet commemorating the 35th Anniversary Celebration of the NNJSDA.

Jim & Joyce Kelly, who signed Tony for us years ago and for getting the Bridgewater-Raritan East School.

The Executive Board of the NNJSDA, who gave generously of their time to make the dance a great success.

Hal & Florence Margo, who designed the maps and the flyers.

The dancers, without whose support we would not have had a dance.

This season club news will be in alphabetical order from A-Z.

AL'e'MO SQUARES -- Brooklyn, NY (MS w/+ tips)

2 & 4 Sundays

Menorah Home, 1516 Oriental Blvd.

Here we are in the second quarter of our square dance season with 44 new members aboard. What a challenge! Don & Dot Coy are up to it with their usual enthusiasm and energy. What a couple!

We are unique in this area because we accept single dancers. We have a number of single men who attend, but we often encourage some women to learn and take the male part. They become proficient in the part and this gives them an opportunity to dance all the time. We ask them to follow the dress code for the male with pants and long-sleeved shirts.

With all of that in place, we are taking off to raid the local square dance clubs. We were almost 3 squares when we raided Ocean Waves last month. Our Raid Chairman, Vincent Nuziato, choreographed a beautiful march that had all looking in wonder.

We were about 17 dancers at the NNJSDA Mini-Festival and we had a marvelous time. During our pot-luck dinner in the cafeteria, Tom Nemia was sitting at the head of the table (he's the oldest), and he remarked that this was what square dancing was all about: sharing and caring.

Mention must be made of our Hostess with the Mostest, Fredda Kerner, who accomplished "mission impossible." She established a schedule for the Hostess Table that everyone, including students, can take part in serving the club at large. This way everyone feels part of the activities of the club. We are preparing for our Toys for Tots and Donation to the Menorah Home Dances.

BEE SHARPS -- Somerville, NJ

(+)

2 & 4 Fridays

St. John's Episcopal Church, 158 West High St.

All the members and friends of the Bee Sharps are so excited and so filled with joy over the wedding of Irma Huhn and John McCarthy. These are two of the most wonderful people that we know. They both have worked hard for the Bee Sharps club and both have done a lot to help promote square and round dancing. They are wonderful round dancers and their happiness shows in their dancing. We know they will be very happy.

The Bee Sharps had a Halloween Dance. We didn't have many costumes but our decorations and our food table were very festive. We would like to take this opportunity to thank all our members who have been so good about bringing food. We have some great cooks in our club and our 2nd VP, Aubrey Holovach, knows how to organize everything.

Our 1st VPs, Walt & Rowena Sydor, tell us our class is doing just great. We are very lucky to have such a large class and all our students just love square dancing. We know they will all be good dancers. See you in a square.

Thinking snow? Picture snow plows followed by square dancers making their way to our dances. Is that what the winter holds for us? A little of the white stuff would be nice, but not another storm like the blizzard of '93.

Looking back on '93, we had a good year. Our summer series was a big hit, and in September we held a very successful Open House, which resulted in a terrific class. And never underestimate the power of a barn dance or demo. Five students in our class came from a barn dance Dick Mazziotti called last spring as a favor to our president. In addition, 5 students signed up for class at another club as a result of the same barn dance. So please don't hesitate to participate in a demo or to attend a barn dance.

In October, our Halloween dance could have been called a garden party. We had garden beds, flowers, a bee and beekeeper, a butterfly, and even a bird. Of course, there were other great costumes too numerous to mention. And November...mmm, good! Our first dance featured a bake sale and the next was pie night. Not to mention our turkey and trimmings raffle and annual food collection for the needy.

At press time, we're looking forward to welcoming our students to our first student-level dance in December, and the 4 Sunday special student dances.

Our Raid Chairpersons, Pat & Jim Broderick, have been keeping us busy raiding clubs far and near. We raided Leisure Squares in PA, after dining at the Douglas' new home nearby. The Douglas' were presented with a photo album and an inscribed collage frame to hold pictures of their square dance friends.

COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays

Stelton Community Center, Plainfield Ave. (Rt. 529)

The second weekend of November was a very active one for Country Promenader club members. We started on Friday night with a great raid (3-1/2 squares) to Y Squares for their 30th Anniversary Dance. Saturday was our scheduled dance night with Ralph Stapenell calling squares and Steve Bradt cueing rounds. Then, as if that wasn't enough to make your feet go on strike, Sunday was the NNJSDA Mini-Festival, a day-long bash with lots of great dancing. Jan Thompson (don't point Jan) said it best, "It was like going away for a square dance weekend without going away."

The sick list shows Harvey Deardorf and Joan Shults recovering and they should be back dancing soon. Dick & Doris Zinc were a welcome sight at the Y Squares dance.

We hope all your holidays were happy and trouble free. Don't let the winter weather stop you from dancing. Come on down and promenade in our country.

CROSS TRAIL SQUARES -- Caldwell, NJ (+)

2 & 4 Wednesday

Lincoln School, Crane St.

Square dancers do travel and travel they had to for the CTS kick off dance. Lincoln School just didn't open at the appointed time, but Laura & Russ Safar saved the day by getting a replacement hall on the spot. The entire contingent of dancers traveled to the Fairfield Reformed Church where a great dance was enjoyed by all. The overwhelming turnout left the hall bursting at the seams, so they just squared up in the parking lot.

That flexibility, ingenuity, and spirit saw us through Barn Dance Family Night demos at local organizations where we danced everything from the Chicken Dance to the Virginia Reel. Fun for everyone.

Livingston Mall, Center Court, 9:00 am, and square dancers? This was yet another exhibition by CTS dancers, an event viewed and enjoyed by Senior Citizens who walk in the mall for exercise. They even joined us for a dance. Exhibitions were also performed at the Roseland Historical Society and the Caldwell Street Fair.

We raided Covered Bridge Squares, and after a wonderful Harvest Home Supper raided Leisure Squares. For a change of pace, CTS combined a night of bowling with a covered dish supper, and for holiday fun had "Brown Bag Masks" as the theme for a dance. The Square Wheelers had their last campout of the season and to top it all off many members danced their feet off at the NNJSDA Mini-Festival.

We're not stopping now, so come and join us for fun and friendship.

 2, 4, 5 Tuesdays (Mar-Dec) Delaware Valley H.S., Rt. 6 & 209 North
 (mid Jun-Aug) American Legion Hall, Wilson Hill Rd.

Summer has long gone; autumn is slipping away and only the memory of turkey is left. Soon Christmas and New Year's will be memories too. As Dingman Dancers look back we can be thankful for many things: our caller Rich Murphy's recovery; our new class; and the dedicated involvement of last year's class to make up for the many losses we have had due to age, illness or other infirmities. But we still had fun. I guess that is why time passes so fast.

A great turnout participated in our 10th Anniversary as the group danced to the tunes of 4 callers. This fall for financial reasons, we reverted back to 2nd, 4th and 5th Tuesday dancing, but we're still hanging in there. Raids from other clubs are and have been greatfully welcomed. Well, until next year, have a blessed and safe holiday season.

THE 10 COMMANDMENTS OF HUMAN RELATIONS

1. Speak to people. There is nothing as nice as a cheerful greeting.
2. Call people by name. The sweetest music is to hear one's name called.
3. Have humility. There is something to be learned from every living thing.
4. Be friendly. If you want to have a friend, be one.
5. Be cordial. Speak and act as if everything you do is a pleasure.
6. Be interested in others. You can like almost everybody if you try.
7. Be generous with praise, cautious with criticism.
8. Give your word; then keep it.
9. Be considerate of the feelings of others.
10. Be alert to give service. What counts most in life is what we do for others.

F.A.D. SQUARES -- Maywood, NJ (MS w/+ tips)

1 & 3 Sundays American Legion Hall, 113 E. Passiac St.

F.A.D. dancers have been travelling. The Star Struck weekend in Seaside Heights with Glenn Matthew and Tim Marriner was enjoyed by the Clampets, Dexters, Grogans, Velazquezes, and Walkers. Even our club caller had a chance to dance. Lee Kopman's weekend preceded the NNJSDA Mini-Festival with Tony Oxendine. It's a good thing Dot has access to several pairs of shoes as well as happy feet.

Presidents Fern & Don Walker have embarked upon Country & Western line dancing and are anxious to share with dancers at F.A.D. "Boot Scootin' Boogie" received an ovation from the several ladies who tried it during a break. We also have some round dance records that are used during breaks. It's hard to choose between dancing and eating. The desserts are always scrumptious and plentiful.

Our Secaucus class is progressing nicely; we're pleased to be opening up Hudson County to the joys of square dancing. The local paper did a front page story our group that included a photo. The Adult School Director is hoping to attract new dancers for the spring semester, but we would be unable to graduate them. So if anyone signs up, we'll give them a good grounding in the basics as well as the history of the activity.

We encourage all current students to attend as many student dances as possible. The more often you dance, the more confidence you'll have. While you should always remember your Mother Club, you may wish to join another after graduation. New members are always welcome to join any club; it's an open door to friendship.

HARMONY DANCERS -- Springfield, NJ (+)

1 & 3 Saturdays Chisholm School, S. Springfield Ave. & Shunpike

As this is being written, the air has a decided nip, the leaves are about gone from the trees, and the Harmony Dancers' season is going full speed. Our dances are spirited and filled with friends both old and new. In particular, we welcomed back Len Anfinson, a Harmony Dancers' alumni, to call for us.

Among the old friends mentioned above are the raiders from several NNJSDA member clubs. Raiders always add a measure of joy and enthusiasm to the dance. Perhaps it is because a raider's primary responsibility is to have fun. (That's what we enjoy most about raiding!) It's also fun to watch a caller sight call to a floor with several squares of dancers dressed alike!

Harmony Dancers has an active raid calendar, spreading our rainbow colors to the dance floors of other clubs. As an indication of the importance we put on raiding, we award a free dance to any Harmony member who attended 4 raids. By the next **Grand Square** issue, we expect to have awarded several.

It is with sadness that we report the death of Harmony Dancer Bob Bullard, Bob & Tana were charter members of Harmony Dancers and long time members of Hill City, one of our parent clubs. Bob's unique approach to square dancing, as well as many other aspects of life, will be missed. We extend our sincerest sympathies to Tana.

We hope the New Year finds all square dancers healthy, happy and full of energy.

HI TAW TWIRLERS -- New Milford, NJ (+ & A-2)

+ - 1, 3, 5 Tuesdays New Milford Middle School, Roslyn Ave.

Our first dance of the fall season was met with summer's last fling of heat. In spite of the hot weather, we enjoyed having several special guests at our first dance, among them Bertha Friedlander, Fred Meyer's mother; and Rose Parness, a Californian visiting her sister, Sandy Beck. Three callers, Andy Woerner, Howie Richman and Dick Mazziotti were also present.

Get well wishes are being sent to Cyrene Finch, recently hospitalized, and to George Sutton, making a speed recovery from surgery.

We had several new Plus dancers join our ranks and they find enthusiastic welcomes and assistance in each tip. New and seasoned dancers are always welcome so come and join us soon.

IRONIA REELERS -- Ironia, NJ (+)

1 & 3 Fridays

Ironia Elem. School, Rt. 513, Dover-Chester Rd.

Only two months into the square dance year and the Reelers have already had a busy schedule. First, we raided Cross Trails with 5 couples. Then in October and November we had to move our dances to the Randolph Senior Center because of school closings. We thank the Seniors for allowing us the opportunity to dance.

The Reelers welcome three new members, Dick & Bridie Ford and Joan Graupner. Welcome back to Marion Plymers and Bill Grady. We are all glad to see you both dancing again.

The Mini-Festival was a great success with good dancing, good friends, and wonderful food prepared by the ladies. There may have been some men cooks too. Some of our graduates have joined in enthusiastically and are showing off how well they have learned their steps.

Our Hat Night is scheduled for the first Friday in February. We know there will be a variety of hats to make the dance a huge success and danglers will be awarded for selected categories.

As you read this column, the holidays will be a memory. We all hope your holidays were bright and your New Year is healthy and happy.

1 & 3 Sundays

Redeemer St. John Church, 939 83rd St.

We hope all of you had a healthy Thanksgiving, Hanukkah, Christmas, and New Year. The latter part of 1993 was an active one for many Kings members: square dance weekends at Tesslers and Villa Roma; attending the NNJSDA Mini-Festival; and "raiding." We had a wonderful time at each.

We would like to close 1993 with best wishes for a Happy Birthday to each and everyone of you and Happy Anniversary to those celebrating this special day.

LEISURE SQUARES -- E. Stroudsburg, PA (MS w/+ tips)

1 & 3 Saturdays

J.M. Hill School, E. Broad St.

Our first dance of the season was our Aloha Dance. At the entrance to the gym were two tall palm trees made by Chuck & Vivian Hatfield. Aloha signs and other decorations were scattered about and even the food table had a tropical theme. Leis were given out to everyone there. Chuck even got a few dancers to participate in a hula contest wearing handmade paper skirts. Helen May Thienpont won as the dancer with the best hip movement, no further explanation necessary. Later she confided to us that she had once take belly dancing lessons. It's surprising the things you learn about people that you never knew before.

We were raided at our Surprise Dance by Belles & Beaux and Cross Trail Squares. The biggest surprise of the evening was a duet singing tip by Dalt & Barbara Young.

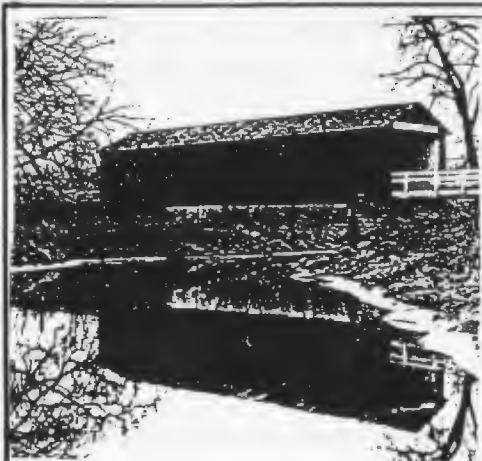

East Stroudsburg University held a dinner on October 22 celebrating their 100th Anniversary. Dalt Young was asked to put on a short program of dances that were popular at that time. Eight of us and two alternates learned Duck the Oyster-Duck the Clam, Birdie in a Cage, and the Virginia Reel. Professor Numa Snyder of E.S.U. was our fiddler and he really kept us moving.

Hope everyone had a Happy Holiday. We look forward to seeing many of you throughout the season.

1 & 3 Wednesdays

First Presbyt. Church, 494 Rt. 10 West

Happy New Year, everyone! We hope happy holidays were had by all and that 1994 will bring health, friendship, and good dancing to all of us.

Our club is off to a great start this season, and we thank all the members and friends who have come to dance with us. Of course, there is room for more; so plan to come out and join us in dancing to our favorite caller, Joe Landi. It's the best way I know to chase the winter blahs away.

On the DL are Ina Minor, who is recovering from foot surgery, and Cyrene Finch, who is currently in Englewood Hospital. We are looking forward to having them both back in the lineup very soon. John & Loretta Hartford continue to be in our thoughts and prayers.

We have a successful raid program underway. Our routine has been slow to take off, but we finally have our act together and enthusiasm is running high. We have taken 2 squares (more or less) to Motiv8ors, RockyTops, and See Saws. Of course, we included a "raid" on a nearby restaurant as part of our festivities. We also had a square of dancers at the NNJSDA Jim Lee Special in October.

We look forward to meeting you on the dance floor: our floor, your floor, or at the upcoming Association dances. Also, the new Mainstream dancers will soon be venturing out, so plan to attend the Association dances arranged for them in the spring. See you there!

 (Jun-Sept) see Lawrenceville Fire House address below
 + - 2 & 4 Fri. Fire House, 1252 Lawrenceville Rd. (Rt. 206), Lawrenceville

The opening of the season was one of elation mixed with disappointment. Although the Monday night class started off with a little over a dozen people, it is now down to about 7-8 people. The Angels are filling in to make up the squares needed. The Thursday night class started with 18 and I hear they are doing okay with a few dropouts. I have been informed that this seems to be the norm this year for many clubs.

Please note that Mainstream is once again dancing at the Mercerville School. It has been requested that we make it very clear that only **soft-soled shoes** are to be worn when dancing there or anywhere for that matter. Mainstream has been averaging about 3 squares. Plus is doing better with attendance.

The Septemberfest demo went off quite well and it was great to see the new graduates participating.

Michele Rich is still teaching and calling for the "Arc Angels" and a few of our members have been helping. She was able to take 2 squares to the Septemberfest. We are very proud of these dancers. Please remember to read the flyers. We always look forward to having visitors. Come dance with us anytime.

RICHMOND DANCERS -- Staten Island, NY (+)

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

I can't believe it's time for another column. The holidays are history: the tree was up, now it's gone; the toys were new, now they're broken, out of batteries or thrown in the closet. Make that VISA payment!

Lou Motola was a frequent "visitor" to the hospital; now he's feeling better. Joe DiGiovanni attended a recent dance. He looks great and he goes to the "Y." Grace Motola suffered the loss of her father. Our prayers continue for all of you and also to those I may have forgotten to list here.

Many of us attended the Mini-Festival and came home all danced out. What a great day! We have raided Cross Trail Squares, danced on a float in the Columbus Day Parade, and more raids are in the works.

On a personal note: Joan Daniels and I have been taking round dance lessons. We enjoy them so much we would love to have you join us.

The cold weather is upon us so bundle up, dress warm and take your vitamins.

ROCKYTOPS OF ROCKLAND -- Pearl River, NY (+)

1st Fridays Pearl River United Meth. Church, Franklin & John Sts.

A very healthy and Happy New Year to all our members and friends. We have a very exciting new year ahead of us, and thanks to our Raid Chairpeople, Adele & Dave Weiss, we are looking forward to a busy raid schedule.

RockyTop members in force have attended many weekend dances which included Glassboro, NJ and the Poconos in PA. A great time was had with lots of fun and dancing.

Congratulations to Fannie & George Meyer for being named RockyTop couple of the year for 1993 to the Hudson Valley Square Dance Council.

Congratulations to Dottie & Mal Blotner upon the engagement of their son. Welcome to our newest members, Roger & Maria Hoernlin. Get well wishes to Mickey Lasker and Cyrene Finch. Glad to see Arthur Sadow is doing so well upon his recovery.

Everyone loves our new RockyTop jackets. We wear them to all dances and get compliments wherever we go. Thank you Mickey Lasker.

We are continuing to engage top callers for our dances, which are well attended. If you have not yet danced with us, why not do so? We are sure you will be back. Our Pearl River location is 20 minutes from the intersection of GSP and Rt. 80 in Saddle Brook and only 10 minutes from Exit 172 of the GSP.

RUTGERS PROMENADERS -- N. Brunswick, NJ (MS)

2 & 4 Thursdays

American Legion Hall, 1015 Linwood Pl.

Our 40th Anniversary season continues with fun dancing, at the club and elsewhere. More than a square of Promenaders enjoyed fun, friendship, and FOOD at the Mini-Festival (did anyone try out any of the recipes in our new cookbook?). An assortment of planned raids will keep several of us travelling, so be on the lookout for us!

By the time you read this, the holidays have passed. We planned to share the season with the community. Our Toy for Kids special, scheduled for December, included a dance open the community at-large. We also agreed to help deliver food baskets to needy families in the area, assisting members of the Senior Citizens Center who were so gracious in lending their facility for our special. Finally, keep an eye out for flyers announcing our 40th Anniversary Live Music Special, which is scheduled for May.

We've also been sharing some special moments among our members. Congratulations to Roie & Judeann on their marriage; and to Ray & Heidi on the arrival of Kevin. And finally, THANKS to all the dancers who were kind enough to send cards following my latest operation. See you on the dance floor.

SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)

1 & 3 Saturdays Old Stone Church Education Ctr., E. Saddle River Rd.

In the fall of 1993, we enjoyed the top-notch calling of Roy Leber, Bob Bourassa, Mike Callahan, Marv Northrup, and Randy Page on our Plus nights, and the beautiful sight and sound of Gerry Hardy at our Mainstream dances. A new addition to our dance program is Country & Western line dancing between the tips on our Mainstream nights. Come and kick up your heels to the Cowboy Shuffle, Achey Breaky, and more. Our next Mainstream/Country & Western dance is the first Saturday in February.

Thank you to all the clubs who have raided us since September: Belles & Beaux, Hi Taw Twirlers, Hix & Chix, Motiv8ors, Mountain Squares, Rockland Promenaders, RockyTops, Tenafly Squares, Valley Squares, and Western Wheelers. If you raided since I sat down to write this, thank you, too.

Hear ye! Hear ye! A special event is coming the 3rd Saturday in March. See Saw will be celebrating its 25th Anniversary with a covered-dish dinner, and a dance called by Randy Page with Nick Raspa on rounds. We hope to be joined by many former See Saw members as well as present, as we honor our retired, long-time club caller, Jules Pozsar. Anyone who has photos or other mementos of See Saw's past, please bring them along to share with us that night. Mark your calendars now so you don't miss our 25th Anniversary celebration. Watch for flyers for further details.

Last but not least, we welcome our newest members, Jackie & Joe Jasinski and Betty Wilson, to See Saw Squares. And, to one and all, a Healthy and Happy 1994!

SPINNING WHEELS -- Wayne, NJ (MS w/+ tip)

Every Monday Wayne Civic Center, Hamburg Turnpike at Church Ln.

Mainstream is alive and well at Spinning Wheels. In reference to a "Letter to the Editors" in the last issue of **Grand Square**, we would like to state that Spinning Wheels is an exciting and fun Mainstream club which meets every Monday evening at the Wayne Civic Center in Wayne, NJ. We have an Introduction to Plus Workshop from 8:00-8:30 pm. The third tip of the evening is Plus and we do Country & Western dancing between tips.

This year we are having our lessons on Monday nights before our regular dance which is working out very well. Our students feel they are part of the club because many of our club members and guests are coming early to Angel and the students get to see how much fun square dancing is.

Our 3rd Monday dance in February will be our Presidents Dance and is FREE to all Presidents. We will have 4 CCNJ callers that evening and would like to see representation from all clubs. Hope to see you soon.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays

St. Alban's Church, 76 St. Albans Pl.

Our Octoberfest was a great success. Many thanks to the Dudleys, Weilands, Elaine Evers and Shelly Schumer for their help. Also our "Down Memory Lane" for our 45th Anniversary was lots of fun. There was lots of memorabilia to keep everyone thinking about the good old days, and we all went home looking forward to more square dancing with Brian Fugere and Country & Western line dancing with Lois Bichler. Thanks to the DiGiacomos, Kanters, and Sorentinos for chairing this fun event. Speaking of the DiGiacomos, Eleanor & Joe won our Blue Bird Award at last year's installation dinner. Thanks, Eleanor & Joe for your many years of service.

Condolences to Jack Nevins and family on the death of his father. Tom Javaruski is recuperating from a 4-day stay in the hospital.

Tom & Barbara McCarthy spent a pleasant vacation in California this year. Barbara says that Tom has initiated a new step called "turn around Tom" in RIOS classes. Tom designed the Staten Square Set logo for us. Evelyn & Tom Hochuli won medals for swimming in the Senior Olympics. Sheila & Hal Silverman recently celebrated the marriage of their daughter and Dotty & Bob Pinto recently became grandparents for the first time.

TENAFLY SQUARES -- Haworth, NJ (MS)

2nd Friday St. Luke's Episcopal Church, Massachusetts & Grant Aves.

We've been featuring great callers: Mickey McFarland at our October Cider & Donuts dance and Dick Mazziotti at the November Harvest Moon Ball. Both called challenging Mainstream dances. And there are more to come. See our flyers and ads. But where are all the dancers???

Too many of our former members have gone on to Plus dancing and never come to the Mainstream dances. Many of these dancers get confused when the caller at the Plus dance calls "Spin Chain Thru." They have to be warned, "Mainstream alert!" If the Plus dancers don't support the Mainstream clubs, it will be the death of square dancing in this area. We need the Plus dancers to help the newer dancers gain confidence so that they, too, can go on to the Plus program.

Although we're a Mainstream club, we try to make one-square raids to the Plus clubs and some Plus clubs have raided us. But we hope that you won't wait for a raid to visit us. We try to be a friendly club, and we have good refreshments. We hope to see you soon.

3rd Fridays Bryan School, Brookside Ave.

Our opening dance in September was called by Andy Woerner, with Ruth cueing the rounds. Attendance was down, possibly because of the Jewish High Holy Days. When John Kaltenthaler came back in October, we had more dancers, but not as many as we used to have. Where are they?

We have a great hall with good acoustics. And most people don't have to go to work the next day. Maybe everyone is away for the weekend and will be back when the weather isn't so good. We hope to see all of our friends again soon.

VALLEY SQUARES -- Watchung, NJ

(+)

1 & 3 Thursdays

Bayberry School, Bayberry Lane

Even with one badly sprained ankle, the Bensons have kept us hopping to raids on Y Squares, Cross Trail Squares, Harmony Dancers, Bee Sharps, and See Saw Squares (they made us a special cake!).

On October 30th we did a demo at Valley View School during a lively Halloween party. The November 3rd issue of "The Journal" newspaper showed our club dancers promenading.

The Mini-Festival at Bridgewater H.S., with Tony Oxendine, Roy Leber and Mark Franks (nothing but the best), had some of us tip-toeing out to supper at Catari's Restaurant to hear Frank, the owner, belt out "Come Back Sorrento." What a fun day!

Don't look for Irma Huhn and John McCarthy of Bee Sharps at the Mini-Festival. On November 14th, they'll be dancing down the aisle together at Blessed Sacrament Church. Our heartiest congratulations to both, and every good wish for their happiness.

Let's encourage the new dancers of all clubs. Remember those shaky days when we were beginners.

Our loyal Valley Squares member, Joseph Schak, died suddenly on September 28th. May he rest in peace.

The Turkey Shoot was great sport, enjoyed by the participants and spectators. Four turkeys were given away as prizes. The evening was planned by Bob & Liz Sly.

Our activities directors, Andy & Gerry Musante, planned our annual New Year's Eve buffet and dance. Also our Presidents' Night in February and a Covered Dish Supper in March.

Our Raids have been fun and well attended, cowboy hats and all! Our thanks to Marilyn & Gus Bachmann for their enthusiasm.

Our wishes of good health and happiness to Gene & Lenore Gorr and Bill & Shirley Sherlock, who have retired and moved to North Carolina. Keep on dancing and come back to see us. Get well wishes to Cyrene Finch.

We're looking forward to the great schedule of local, regional and national callers at our Plus and A-2 dances. For special A-2 and Plus dances, see our flyers and ad.

Y SQUARES -- Clark, NJ (MS)

2 & 4 Fridays Carl Kumpf School, Mildred Terr.

November 12, 1993 was a day to remember for all Y Squares members. A wonderful 30th Anniversary celebration, organized by Hal & Florence Margo, was held at the Union County Vo-Tech School. Souvenir dangles, a lovely program, and a memory book telling about all 480 past and present members of Y Squares added up to a very special evening. Brian Fugere did the calling, using different songs to remind us of years past. He also challenged us to a tip called at 45 rpm, as dances were in the 60s, instead of today's usual 43 or 43-1/2 rpm.

Four clubs: Country Promenaders, Merri Eights, Hi Taw Twirlers and Kittatinny Rangers raided to share the event. A phantom contingent from the former MT Squares also appeared. Irene McGovern presented the club with a new banner done in colors of yellow, white and black. As we looked back at the past, represented by old names and old faces, we also were able to look forward to the future, shining in the faces of babies Helene, Kevin, and Laura. Thanks to all who came!

"PLEASE, NO MORE OCEAN WAVES"

From The Dahl House

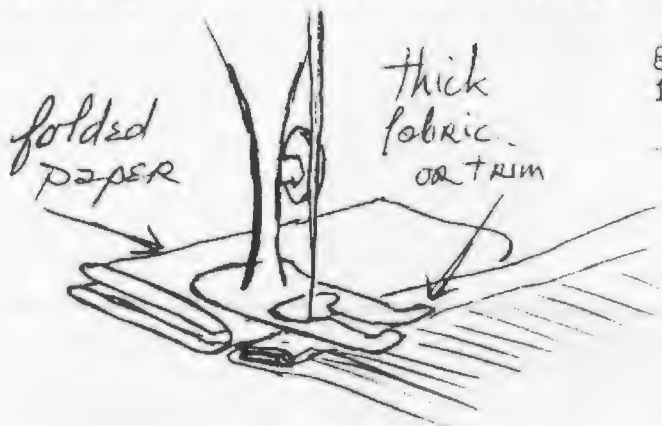

Hi! I hope you all had a great holiday. I think I gave all the best gifts I could find and afford to my family. I also am starting a tradition for myself to follow for Christmas, Valentine's Day, Mother's Day and my birthday. To insure that I'll get a gift I really want I am going to give myself a present. That way if I can afford something nice, I'll give it to myself and don't have to worry that the receiver will feel the need to reciprocate in like manner. And if I'm broke at the time, I'll get myself something small and I won't feel like a cheap-skate or feel the need to appologise. Of course I'll still give to my family just like before, I've just added me to my shopping list, Who best knows what I want or need?

This year I bought myself a new sewing machine for Christmas. Nothing very fancy, I only spent \$230.00 but this Singer SPARTAN machine has a free arm, a serger attachment, makes ruffles without an attachment, sews leather and sews thick denim along with zig-zag and hem stitches. And it goes evenly from one thickness of fabric to several thicknesses without the problems I had with my 24 year old Singer Golden Touch & Sew 630 model.

However, if you are still working with a machine that gives you trouble, like breaking sewing machine needles when you back into thin sections from thick (or going into thick from thin) because the foot angles up in the front and the needle no longer lines up with the slot in the foot, try this.

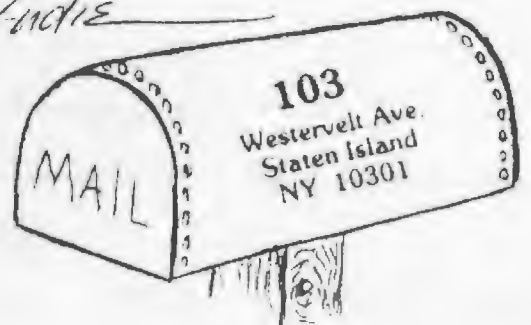

Fold some junk mail to the thickness of your sewing project, lay it behind the material as you backstitch, and push and pull the paper along with the fabric as you sew. One of the times this always seemed to happen was when I was attaching thick trims. Another was when I was trying to knot the beginning of my thick seam by back-stitching before sewing forward. Even if you accidentally stitch into the paper it won't bend the needle like metal or plastic might, and it is easily trimmed away without cutting the threads.

By the way, if you do get little snagging hooks on the ends of your needles, you can file them to a nice smooth point with a metal nail file.

Hmmm.... I wonder what I'm going to surprise myself with for Valentine's Day?

33rd CONVENTION FEDERATION OF DELAWARE VALLEY SQUARE & ROUND DANCERS

It was a balmy day on November 14, 1993, when a group from the 33rd Convention Committee attended the 19th NNJSDA Mini-Festival in Bridgewater, NJ.

Upon our arrival, we were warmly greeted and directed to our table to set up our display. After setting up our display and greeting many old and new friends, we enjoyed dancing to Tony Oxendine, Mark Franks, and Roy Leber. Many people asked about our dress and we received many compliments. We explained we were representative of the 33rd Delaware Valley Convention which will be held September 22-24, 1994.

The welcome we received truly exemplified our motto, "The Garden of Friendship," which is what square dancing is all about.

Northern New Jersey Round Dance Leaders Council

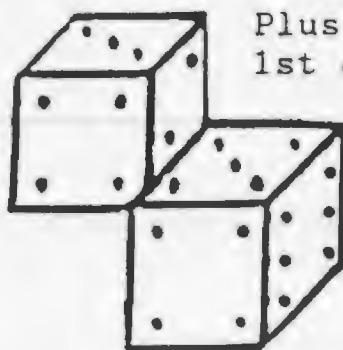

An enthusiastic collection of dancers enjoyed the Fall Festival of Rounds held on November 7th in the McKinnon School in Wharton. A relaxed program offered them an afternoon of dancing to all their favorite NNJRDLC cuers, who incidentally did an exceptional job, on that beautiful wood floor. Hats off to our Moderator, Roy Gotta, who once again did outstanding duty, MC'ing a fine program. Nice job guys, a real credit to yourselves and the dancers.

Programming is currently underway for the annual Spring Festival of Rounds. Flyers will be out soon and we can guarantee a fine afternoon of dancing. A new format is in the making and, if you don't tell anyone how you found out, I will tell a tale. Secretly, behind some cue sheets and old record cases, some cuers have been scheming to improve an already good program. In their conspiring to make it even better, they have come up with a great new format. Just listen to this one folks -- more time. Yes, more time! And, that's not all. A more sensible format, giving you allotted time to dance to favorites. Now pay attention. The start up will be an hour. Get it guys -- a whole hour dedicated to the Phase V and VI and selected Phase IVs. Hold steady now because even more is coming -- a hour and a half for intermediate selections in Phase III and Phase IV rounds. Easy, easy, the best coming. Newer dancers can join seasoned dancers in an hour and a half of easy relaxed Phase III and Phase II rounds. Obviously, NNJRDLC cuers do more than hit each other with microphones. This has to be the best idea for round dancing in a long time. I know that this format will fit everyone's schedule.

Another change in the making is the location. Alas, like others before it, that beautiful wood floor in Wharton has become unattainable. Cry not many tears, because the Council has replaced it with the beautiful wood floor in the Jewish Community Center in Paramus. I'm really tired just thinking of how hard your cuers have been working to make this a go for you dancers. The two annual afternoon of rounds are the primary means of support that your Council has. The 50-50 monies received are applied solely to the Scholarship Fund. That fund is used to help new cuers in their pursuit of learning to bring you greater dancing pleasure.

Right around the corner is the New Jersey State Convention. Many of your leaders and dancing comrades have been and are putting a great deal of work and effort into bringing you an even bigger and better Convention this year. Remember, it can't work without your support and that's little much to ask when the return is so high. Carole and I are programming the rounds this year and we are planning to repeat Karen & Greg Kushla's format which will guarantee some fine dancing. We will not be dancing in Decker Hall this year. Current plans call for us to be located in the North Gym. If enough Phase V and Phase VI dancers register and respond prior to our programming cutoff date, we will be programming some time in a separate hall for a teach and great dancing.

Coming back to round dancing after a two-week hiatus around Election Day made everyone aware of how much one can forget in a short time. Also, what does a person do on Tuesday nights when Princeton Rounds doesn't meet? TV is not a satisfactory substitute.

It was good to brush up on *Love Potion Number Nine* and learn the several other dances that the Rumbles brought to us. Ron & Ree keep abreast of the most popular dances in the country and make sure that those at our Phase III to Phase V level are added to our program. Join us any Tuesday and enjoy the camaraderie and the fun of learning with great teachers.

NEW DANCERS! NEW DANCERS! NEW DANCERS!

by Dick Mazziotti, Caller/Teacher

Welcome to the wonderful, wacky world of square dancing. This column is dedicated to the newer dancers, and each issue will present some food for thought to those of you nutty enough to join classes and fall down the rabbit hole with us. Some of the food for thought will be gourmet, and some from Burger King or Pizza Hut. This is your column as new dancers. NOTE: This column is intended solely for the use and entertainment of new dancers. Any use, public or private, by experienced dancers will be investigated by the FBI, the CIA, and the NNJSDA.

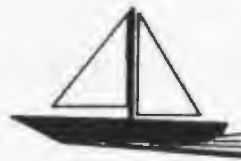

So how do you like those classes, eh? Did you ever think that you, a person long out of puberty, would ever feel that goofy again? And you thought you knew left from right. Did you know that callers go to school to learn to confuse you? Here are some statistics:

- There are 12 different Mainstream calls that use the word "Thru!"
- There are 9 Mainstream calls that are sexually explicit (the "boy" does one thing and the "girl" does another).
- There are 21 calls that begin with an "S" sound.
- There are 15 calls where no dancer turns left or right.

On the other hand, do you find you are looking forward to class each week? That you are making new friends (mutual adversity does that you know)? Have you discovered yet that while at class, you concentrate so hard that there is no room left over for the troubles of the day to intrude? And if you think the classes are fun, now it's time to cut loose and go to other clubs and other dances.

As you will see throughout this and following issues of **Grand Square**, you

are going to be urged to, "**Get out and go to dances!!!**" This is not a plea by Exxon stockholders to spend money on gas. These are the words of wisdom, the tablets from the mount, the Veda, Koran, Torah, and Bible of square dancing. If, during these next few months, you attend many of the available student or class-level dances, you will learn to dance, you will enjoy the activity, you will continue to dance. If you only attend class, if you do not go to available dances, if you do not dance to other callers and with other students and Angels, you will have wasted at least one complete semester of work.

In this day electronic imagery, flying bits and bytes of information, optical cable and laser disks, the square dance world, communicationally speaking, has barely discovered steam. We communicated through a system of hand delivered, often hand drawn, sometimes legible, often inaccurate pieces of decorative paper called **flyers**. In each club, one blind and deaf person is designated to produce an informational sheet telling where, when, and what dances are taking place. At every dance, in every club, there will be a table of flyers that you can look over, take, and use, to attend student dances. Each club welcomes student dancers with open arms. You don't have to be a perfect dancer. You do have to smile. You don't have to know all the calls perfectly. You do have to get into a square and try. You don't have to understand every direction of every caller. You do have to experience as many as you can.

So here is Mazziotti's Suggestion of the Month: Club member, invite students to go with you to dances. Students, get together with other students and car pool to a dance. Drive carefully and remember, any club-prepared map is guaranteed to get you within 5-10 minutes of the dance! Good luck to all of you, and I hope I have the pleasure of calling for you, and dancing with you.

The square dance license plate program in NJ is a success as we fast approach our goal of 500 plates on the road. A change in liaison to the NJ Motor Vehicle Dept. is taking place which will make this program even more efficient.

Dear Readers . . .

So... we thought the last issue was difficult to get out. This issue has proven to be our most difficult one of all. Just after deadline, the doctor advised that I would need surgery. We made a panic call to Bogart, our printer, and explained our predicament. They were terrific and gave us as much additional time as possible to still make distribution at the Delegates Meeting on January 16th. Many thanks to Buzz and Jim for coming through in the pinch.

Then Charlie had his cast removed and his ankle was pronounced healed. We proceeded to get ready for Christmas. All the shopping was done, the gifts were wrapped, and the house was spic and span before I underwent surgery on December 8th. The surgery turned out to be much more extensive than planned and recovery has been slow and rather painful, but there is improvement everyday. The outpouring of love from our square dance friends has been overwhelming. We can not say thank you enough for the fruit baskets, flowers, poinsettias, gorgeous plants, and of course the tons of cards. It was nip and tuck as which we had more of: Christmas or get well cards.

Unfortunately, things only got worse when my Mom fell and broke her hip two days after my surgery. She was in one hospital, and I in another. Now the family was running back and forth between two hospitals. Fortunately, Mom came through her surgery with flying colors and, although she was not home for Christmas, she is home now and recovering nicely.

So... as we said before, this was a rough deadline to make. Our usual staff of proofreaders and helpers had their own health problems and sorrows. You may find more than a few typos in this issue. Please forgive us, but rest assured that the information is as accurate as possible. Again, many many thanks for all the love and good wishes. '94 will be a better year for us. *Kathy & Charlie*

WHAT MAKES SQUARE DANCERS SO SPECIAL?

The dancers who are at home, too sick to attend, but send their spouses to deliver the cakes because it's their night for refreshments.

The dancers who always help the caller lug their equipment into the hall, set it up, then help to take it down and load the car.

The dancers who volunteer time after time to chair dances and other special events, and then do a terrific job.

The dancers who always show up to decorate the hall for special dances without being asked to help.

The dancers who serve their club year after year as officers and executive board members.

The dancers who phone absent members after the dance because they worry about the health of their friends and club members.

The dancers who must rely on buses or taxis to attend dances and then arrive early enough to set up chairs and tables without being asked.

The dancers who realize the caller will never get to the refreshment table without being stopped enroute, and bring the caller a cup of coffee and a snack.

The dancers who cut bouquets of flowers from their gardens providing a beautiful display for the table and then give them as a door prizes.

The dancers who cultivate home-grown fruits and vegetables and bring them to the dance to share with everyone.

The dancers who always have a smile of welcome for everyone in the square and who know how to laugh when the square breaks down.

The Board of Governors is pleased to announce that Callerlab will begin offering BMI/ASCAP licensing and group liability insurance coverage to non-member callers effective with the 94-95 dues year. Callerlab feels that this offering would be an appropriate and responsible action in light of the continuing need for copyright infringement protection for clubs, organizations, and associations in the square dance activity. Complete details will be available for release in February, 1994.

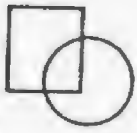

The theme for the 1994 Convention, to be held in Vancouver, British Columbia, is "Reach Out and Touch Someone." In a recent survey of the membership, 74% felt that the prime reason for poor dancing is lack of proper teaching. Many callers observed that new dancers learn best when the material is presented with skill, judgement and an assurance of dancer success.

**EPITAPH OF SQUARE DANCE CLUB
or DON'T LET IT HAPPEN HERE**

Ten little square dance couples standing in a line. One disliked the caller, then there were nine.

Nine little dance-pairs got in a hot debate. One pair got their feelings hurt, then there were eight.

Those remaining eight couples thought they'd found "square heaven." One said, "Your snobs," and then there were seven.

Of those seven, it seemed, one pair just didn't mix. Their skin was dark, you see, and there were six.

Election time rolled around and stirred up the hive. One duo wouldn't take office, and then there were five.

Five discouraged dancer-couples wishing there were more. The treasurer said, "You'll have to subsidize the club." Then there were four.

These four formed a committee to investigate, you see. They met on one couple's bowling night, and then there were three.

These three old faithful pairs met, were tired and blue. One joined another club, and then there were two.

Two long-faced square dance couples, that wasn't any fun. One couple retired from dancing, and now there's only one.

One solitary square dance couple, and that's not many. They moved to another town, and then there wasn't any!

EMERGENCY CALL for MEDICAL AID

1 When a dancer goes down, a second dancer attends him/her

2 Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.

3 Raise joined hands as high as possible in the form of an arched circle.

4 On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.

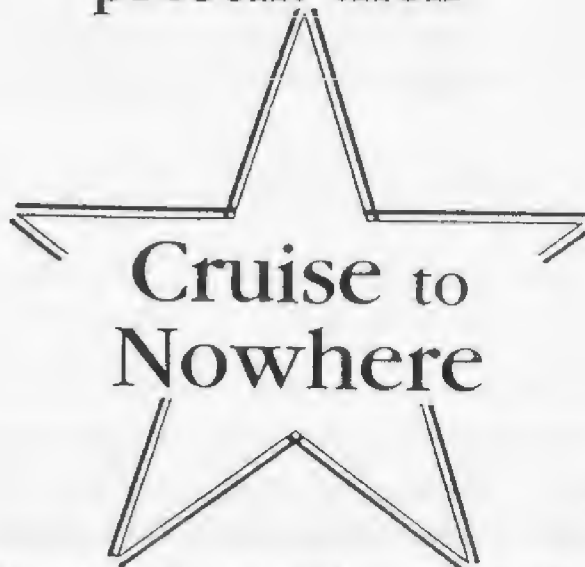

The picture and explanation above describe the Emergency Call for Medical Aid (ECMA) procedure that has been adopted worldwide by the square dance community. We sincerely hope you never have to use it, but you and your club members should be familiar with it. We strongly recommend this procedure be demonstrated at least once year at every club.
