*From the desk of.....***JOHN & JOAN BERG, NNJSDA PRESIDENTS**

This past June, Joan and I had the privilege once again to represent the NNJSDA at the National Square Dance Convention in Portland, Oregon. Over 22,000 dancers spent 4 days dancing from dawn to midnight. New Jersey was represented by over 125 dancers and everyone we spoke to had a fantastic time. Next year the Convention will be in Birmingham, Alabama. If you can find the time to attend, we're sure you will find it to be an experience you will not soon forget.

On the home front, while we were at the National Convention, the NNJSDA's Summer Dance program started on June 22nd. We all owe a **special thank you** to **Frank & Carol Homer**, without whose efforts these summer dances would not be so successful. Much work goes into these dances and our reward is to see so many dancers having a good time.

We would like to give a **special thank you** to Past Treasurers, **Harold & Maureen Latham**, for filling in for the Treasurers for the first 5 dances in Iselin. It is people like them that make **square dancing the world's best leisure activity**.

Square dancing is a 12-month activity and many of you have found by now that there are cruises, weekends, camping tours, etc., where you can square dance. And, let us not forget that square dancing is friendship put to music. Wherever and whenever you travel, you will find a local square dance club where you can dance.

**Congratulations** to all the new club officers. You can be proud that your club has entrusted you with running their club for the next year. To all of you that have yet to get involved, isn't it time? Your club needs your help.

Have you seen the 1994 Poster yet? If not, go back to the cover and take another look. **Congratulations to Marilyn Bachmann, the 1994 Poster**

### Contest Winner.

Remember, this is your Association. We need your input. If you have an idea that will help us to spread the word, please let us know. Your Executive Board Officers are dedicated to making **square dancing the world's #1 pastime**. Classes will soon be starting. Talk to your friends and let them know how much fun you are having. It's time to let the secret out.

Joan and I are looking forward to having the pleasure of dancing with you in the near future. Square 'em up.

**L.U.S.T. '94 IS COMING!!!**

On October 2, 1994, at the West Morris Central High School, on Bartley Road in Chester, New Jersey, the NNJSDA will be presenting a series of special seminars for everyone involved in square dancing. L.U.S.T. stands for "Let Us Speak Together." The doors open at 1 p.m. These seminars are provided free of charge to all square dancers and funded by the NNJSDA and a grant from the Square Dance Council of New Jersey. Advance registration is necessary. Please fill out

the registration form on page 41 and send it in as soon as possible. Also look for flyers at your clubs.

Our guest speaker is Ginger Kanzer-Lewis, a nationally known educator, whose specialty is adult education. This session should be especially helpful to the class coordinators, callers, and cuers who are responsible for teaching and running classes.

There also will be sessions on Publicity; Singles; Country & Western Dancing; Computers in Square Dancing; Sewing; Contracts with Callers, Cuers and Dancer Leaders; *Grand Square*; and we personally will be looking forward to leading a discussion of club problems.

There will also be a Blood Drive from 1 to 5 p.m. courtesy of Donna Anderson and the New Jersey Blood Services.

Supper break is from 5 to 7 p.m. You may enjoy your own picnic-style dinner at the high school or dine out at one of the many fine restaurants in the area. A list of nearby restaurants will be available.

Be sure to back from dinner by 7 p.m. for the our evening dance. Drew

## "ONE SQUARE IS FAIR" HONOREES

Ironia Reelers, Kittatinny Rangers, and Lakeland Squares have been awarded the "One Square Is Fair" Award for the '93-'94 dance season.

Sadly, only three clubs qualified for the Award this past season. We would love to see this number much larger for the '94-'95 season. "One Square Is Fair" was started in 1986, by then NNJSDA Presidents, John & Mary Aquino. The concept of the award was quite simple: one square (or more) at every Association dance with the exception of the Warm-Up Dance.

The program was then extended to the Summer Dance Program with a separate award for "One Square Is Fair" at the Wednesday evening dances.

The concept of "One Square Is Fair" is still relevant today. Raid Chairmen, please include the NNJSDA dances as part of your raid program. Many clubs count attendance at NNJSDA dances toward some kind of raid dangle or award. Let's see the number of awards increase dramatically next season.

Scarse from Virginia will be calling alternate Mainstream and Plus tips, and Lois Bichler will teach Country & Western dancing. Please note that dancers who do not attend L.U.S.T. will be expected to donate \$3.00 per person to attend the evening dance.

The purpose of L.U.S.T. is to share information with each other. L.U.S.T. is an idea that promotes sharing, something that most square dancers are already familiar with. Plan to spend the full day in the area. The famous Chester Flea Market is just down the road and opens at 8:00 a.m., weather permitting. The dress for the day is casual wear, but soft-soled shoes are required for the dance. We hope you will enjoy the day with us and we look forward to being your hosts for this event. The response to the Raid Program has been overwhelmingly positive. Proof positive of this statement is the participation in the program by 29 out of 36 NNJSDA member clubs.

The Board has voted to continue the program, with some rule changes. The new program will be presented at the Delegates Meeting on September 18 and will appear in the next issue of Grand Square. Presidents and Delegates should make every effort to attend.

Trying to beat the heat and humid weather, Y Squares' members, as part of the Five Club group, enjoyed a summer of cool dancing at the VFW Hall in Iselin. New graduates

sharpened their skills at the Association dances, so everyone is ready for the open house and the start of the new season. We hope all our friends had a great summer and will join us in a square this year. Remember, we dance for fun and friendship. See you in a square.

Western Wheelers danced their way through the spring under the excellent calling of Marvin Northrup, Cindy Whitaker, Frank Riviccio, Frank Lane, Roy Leber, and Randy Page. Nick Raspa, cuer, deserves a special thanks for his talent and dedication to our club. One of our annual highlights is our Dinner Dance in May, held at the beautiful Brownstone House in Paterson, NJ. Members and non-

members alike enjoyed all those door prizes. Doug Kauffman, caller, introduced us to guest caller, Tim Carman from Kentucky.

It has been exciting to see so many raiding clubs from near and far during the spring. We have welcomed Kings Squares, Ironia Reelers, Mountain Squares, as well as Marion Pearce's Marionettes from Ewing, NJ.

The Warren Wheelers were happy to have our class of '94 graduate on May 5. Y Squares took the opportunity to raid us that day, too. We want to wish our class instructor, Herb Conklin, a (slightly belated) Happy 75th Birthday. Speaking of happy occasions, Wilson Hoff & Sally Fordyce were married on May 15 and celebrated in style

with a SQUARE DANCE on the 22nd. Congratulations and best wishes!

All through May & June, the demos continued: local Senior Olympics and (with Hunterdon Flutterwheels) the Lopatcong Care Center; the Warren Haven Nursing Home; the Warren County Heritage Festival in Oxford; and the Arc Recreation Fair. Our summer events were highly popular: the annual picnic, and the (now) annual dance at St. Mark's Family Life Center (12 squares).

Summer is speeding by and so are the Five Club dances. In spite of the heat, many hardy souls have been whooping it up in Iselin to the fine calling of John Kaltenthaler, Will Larsen, Steve Forman, Jim Snyder, Don Coy, Dick Mazziotti, and Bill Heyman; and the fine cueing of Karen

Kushla, Ellen Dees, Al Spinks, and Kathy Koft. Thank heavens for air-conditioning!

We haven't had our annual picnic at Rounds' Grounds because of Carol's badly sprained ankle. If she recovers sufficiently, there may be a fall get-together at the lake. Stay tuned. Plans are in the works to hold Plus lessons starting the fourth Monday in September. Len Anfinson will be the teacher. Let's round up our friends and neighbors and get them dancing. See you in September.

After our sparsely attended March Shamrock Night and April Spring Fever Dance, we ended out the season in May with a crowd such as we haven't seen for a long time. Raiding groups from Y Squares and F.A.D. filled the hall. We also welcomed 15 new graduates and a good time was had by all in response to John Kaltenthaler's spirited calling and cueing by Nick Raspa.

Rumors to the contrary notwithstanding, we will be dancing again next fall, starting in October in the same location, thanks to the generosity of the local school board. We look forward to seeing all our old friends and many recent graduates helping us to continue our Mainstream program. C'mon over, one and all for a great time.

Our April Tax Break Dance honored club treasurers with Mickey McFarland putting everyone in a good mood. In May, after a delicious pot-luck supper, we were challenged by the calls of Howard Richman and we welcomed new graduates. Nick Raspa cued the rounds at the dances.

Despite the lack of a moon (it was the night after the new moon), our June Moonlight on the Hudson dance,

at the boat basin pavilion in Alpine, was a huge success. Raiders from Belles & Beaux made their annual visit with four squares. Our soon-to-move-south former treasurers, Gerry & Doris Schreeck, were presented with a going-away gift. The only sad note of the evening was when the White Knight, Michael Johnstone, announced that it was to be his last dance in New Jersey. We look forward to seeing all our long-time and new friends again in the fall.

Welcome new graduates, Susan Wolf and Joan Meyers. Our Country & Western Line Dancing has been a huge success thanks to Lois Bichler, our instructor. Thanks to the Kanters and Thomas, our Installation Dinner Dance was a huge success and a special thanks to Frank Riviccio for filling in for Glenn Matthew with some excellent calling.

Our Kentucky Derby Dance was a blast thanks to the Pearsons and the Petersons. The jockeys and horses were adorable.

We wish Matty Cafiero well after his by-pass surgery. Condolences to the family of Frank Birmingham, a past president of Staten Square Set, who passed away in June. Congratulations to Red Stevenson on his promotion to Deputy Inspector with the Transit Police.

Now for the celebrity corner! Tom Javaruski is an extra in the movies: *Miracle on 34th Street*, *The Paper*, and *The Quiz Show*. The Corneys' grandson, Sean, is the baby on the soap, *Another World*.

Looking forward to seeing you at our September barn dance and our Oktoberfest. Happy dancing and love to all.

Starting with our season's opening dance in September, See Saw Squares is initiating some exciting changes for our 1994-1995 season. In the interest of gearing our 3rd Saturday night dances to the newer and less experienced Plus dancers, we will be alternating Plus squares with Country & Western dancing rather than rounds. We hope that Plus dancers (couples & singles) who may feel intimidated at some of the other

Plus clubs will come to See Saw for fun and friendship as well as to hone their skills. For those who do rounds, our Country & Western will include such couple dances as the sexy *El Paso* cha cha and the sensual *Waltz Across Texas*. Try it - we think you'll like it. Watch for flyers about our October Barn Dance with a live band and our D-B-D series starting in December. Thanks to everyone who supported See Saw and contributed to our success in past seasons.

We had our fabulous picnic at Duke Island Park on July 31st, and are looking forward to our 41st year as a club (4th year independent from the University). We'll be running lessons with Country Promenaders and Merri Eights this year, on Monday nights starting in late September, at the Appleby School in Spotswood. Call Tina Petroulas or Marianne Harris at

the numbers above for information. Congratulations to Connie Seiler, past president, and Terry Schmalzried, past raid chairman, on their engagement. Also, good wishes to Karen & Greg Kushla for their little one on the way.

If you think Mainstream dancing has to be ordinary, come dance with us and let us show you otherwise. We make it truly unusual!

The clubs summer dances were great and a lot of fun, and now that summer is over, we look forward to a wonderful fall season with a great lineup of top regional callers.

Our best wishes to Patti Cassavaugh and Mickey Lisak on their engagement. We had a lot of members whose children were married over the last few months. Congratulations to Mal & Dotty Blotner on the marriages of

their daughter, Jodie and son, Steven; also to Rita & Al Schildwachter on the marriage of their son; to Ann McNeil on her son's marriage; and to Helen & Bill Ruckel on their daughter's marriage (and they got a trip to Paris out of that one).

Get well wishes to Richard Gardner's wife. Our condolences to Sandy Sadow on the loss of her mother, and to Ginger Lewis on the loss of her father.

Welcome back to our summer travelers. Did you bring home any dangles?

Hi, square dancers. Everything is going full steam ahead for Rockland Promenaders. Our committees are all in place and organized for our new season starting in September. And what a year it is going to be! Look for our ad and flyers and see what I mean. The past year was a good one for our club. We added many new students to our ranks and they went far and wide spreading their enthusiasm. I know you will be seeing us and we look forward to seeing you at our club. So let's all "square up."

Just think--we sweltered these past few months and only once thought about the 17 snow and ice storms this past winter.

Shirley & Frank Bellotti have announced their retirement as our club's cuers. They promise to be in the squares more often. Sue & Jim Valentino received their well-deserved Honorary Life Member award. They are only the 4th members to receive

this honor. Jim Chukalas and Doris Delaney promise NO MORE HOSPITALS. Mary Gorham lost a bout with a lady and a stroller. Her right arm is "out of service" for at least 2 months. Her therapeutic assistant (Oscar) promises to have her in a square real soon. Pat Pettinato found out that shingles are not only on roofs. To all of you, PLEASE GET WELL SOON. We need you.

It was a great pleasure to see Emma & Joe DiGiovanni, Jean & Jim Laird, and Jean Georges & Paul Trotta at our membership dinner. Wasn't that mystery bus raid by Crestwood Promenaders of Whiting, NJ a nice surprise? I know they will be back, since they were treated to a light supper before the dance.

Lou & Grace Motola are trying to catch up to the Dunlops, who are worldwide travellers, but it will never happen. Former members Fran & Floyd Miller (now in San Diego) shared some of their time with us while they were "back east"; also Madelon & Bob Merkle (now in Delaware).

Our Presidents, Leo & Lois Bichler, have been blessed with a new grandson. If you have an hour to spare, ask Lois about Steven Robert. Hats off to Barbara & Jim Cannon for a great Pot-Luck Dinner and to Leo & Lois for the Baseball Dance. You and your committees deserve a cheer. There is no RIOS beginner class this '94-'95 season, but there is a Plus Workshop, same night, same place, with Frank Riviccio teaching. We all need the review.

In spite of the heat and humidity, we have had a steady attendance of dancers. There have been about 3 very enthusiastic squares, and we are having a grand time because we have had great callers. The combined classes graduated 12 dancers in May and we are happy to see so many of them coming out to the dances. Ed Kerns, who had been teaching the Princeton Class, fell and sustained a serious head injury, spending several days in the hospital. We are happy to report that he is doing better now and has called at one of our dances. During the time he could not teach, Richie Rich and Gary Potts stepped right in to help out, and it is much appreciated.

We have been dancing at the Czechoslovak Club, which is air-conditioned and the accommodations have been super. The classes will start again soon, but will be on Tuesday nights instead of Mondays. Brian Fugere will be our teacher and club caller for our Mainstream dances this coming year.

One of our best dancers, Myrna Gerber, moved to Massachusetts to be closer to her children. We know she will be an asset to any club she joins and we will miss her. We wish Sally McFarlane a speedy recovery from her surgery and hope to see her and Jock back dancing again soon. Come collect your Yellow Rock from us anytime.

Summer is almost over. Square dance season is here again. How was your vacation? Did you have the opportunity to dance during the summer? We had a great summer and have danced at several of the Association Summer Dances as well as attending the 9th Canadian National Square & Round Dance Convention in Halifax, Nova Scotia. Don & Dot Coy got 42 dancers together and we all had a

great time in Canada. All of us at Ocean Waves are looking forward to seeing you at our club as well as visiting you at yours during the coming season.

Our last dance of the season was preceded by our annual covered-dish dinner, featuring our members' gourmet cooking. The Hen-dersons and the Nitzsches coordinated the dinner, making it very easy to just sit down and eat. And, as usual, we made clean-up easy by eating every morsel. Everything was soooo good!

This is a good opportunity to thank our caller, Joe Landi, and our club officers, who give so much of their time and talent. Joe Landi and our officers

have all graciously agreed to continue in their present positions. Also included in our thanks are the new dancers who responded so enthusiastically to our A-1 Special, our members and friends who come out faithfully to share our fun, and all those who supported our raid program. Thank you one and all!

We offer love and affection and dancing to Loretta Hartford whose husband, John, passed away after a long illness. At our covered-dish dinner, Loretta was full of stories of their adventures and it is good to share laughter with her.

Also at our dinner, we welcomed new members to our midst: Anne Gray & Dave Bartlet from Canada, and Elsie & Bill Beebe. We welcome all A dancers.

Al Kaesler made our Dinner Dance a big hit. We had a Country & Western theme and, after our traditional square dances and rounds (all done to country music thanks to Al and Karen Kushla), Al stayed and taught us several of the popular Country & Western dances. We also had a balloon dance, complete with danglers, and a funny story contest, won by Ray Raporta and Jim Campbell. Western straw hats were given out as prizes. "John Wayne" was there so everyone could have his

picture taken with him. Of course, Al Kaesler's famous "Scatter Promenade" put the finishing touches on a really great dance.

Merri Eights will be joining forces with Rutgers Promenaders this year to run classes at the Appleby School on Monday nights. We will have two Open Houses, one each on the 3rd & 4th Mondays in September.

After a harsh winter, we got off to a high-stepping start with our St. Patrick's Dance. Our caller, Dalt Young, kept us hopping so that at times we felt as if we were doing an Irish jig. One of the highlights of our Italian Fest was the food table. There were mini-pizzas and bagel-bite pizzas

that Stan Tebbets kept popping into a toaster oven a few at a time so they would be hot and crispy. Thanks, Stan. At our ever-popular Ice Cream Social, besides the ice cream, there was a decorated cake made by Viv Hatfield. Chuck & Viv's daughter, Beth, was to be married in July, and Viv made a sample of the wedding cake she planned to make. June was our annual meeting and picnic at White Heron Lake. After the business was concluded, we stayed to enjoy the picnic.

From snow up to our ears to extreme heat, we kept on dancing, right through to our Ice Cream Social in July. Thus ended our '93-'94 season with wonderful and varied refreshments on a hot evening. The end-of-year picnic at the Knoll Country Club

was enjoyed by all. The delicious food, brought by the members, once again affirmed that Lakelanders are great cooks. In June, we tried our hand at a Chinese Auction. Brydie Ford did a terrific job of organizing it with donated items from club members. We made a profit of over \$125 and are looking forward to the next one.

Butch & Gail Conklin organized eight raids for us this year, with an average of 17-1/2 members attending (where did that 1/2 person come from?). We also entertained the patients at Welkind Rehabilitation Hospital. Pal Johnson did his usual fine job teaching and graduating 23 new members. They all fit right in with the rest of us. It's hard to tell the "new" from the "old" sometimes.

Thanks to Geri Van Dyke and Kathy Keener for coordinating the class and presenting a fine graduation ceremony. We thank Bob Mitchell, Dick Pasvolsky, Lois Bichler, and Al & Gale Spinks as well as the guest callers for providing us with a wonderful dance year. We rejoice with Sally Fordyce & Wilson Hoff in the celebration of their marriage in May. We wish them many long and happy years.

Remember, we dance every Tuesday. **Please note our change of location for our September dances.** Hope to see you in our square real soon.

How come the winter doesn't go as fast as the summer? Roy & Paula Lawrence gave glowing reports of the National Convention. In one of their squares, they danced with folks from New Zealand, Canada, England, and the caller was from Japan.

Quite a big crew of Rangers went canoeing down the Delaware. Donna & Chuck demonstrated the proper way to wipe out in whitewater. Mother Nature demonstrated how hard she could make it rain. They were soaked, but it didn't dampen their spirits. The Rangers have participated in the Newton Day Parade, Barn Hill Demo, Sussex County Horse Show, and, of course, our NNJSDA Summer Dances. That's all for now. Go Yellow Rock your partner!

different angels, 10 students graduated on June 1. Thirty-seven Reelers came to celebrate the event. Norman & Audrey Bolin welcomed the graduates to square dancing on behalf of the NNJSDA. Wilson Hoff, our instructor for 26 years, married Sally Fordyce on May 15. A week later, they continued the celebration with a free square dance featuring Bob Mitchell on squares and Al Spinks on rounds.

Our dinner dance and Chinese Auction was a great success with Dick Pasvolsky calling and Herb Rivkin cueing his last dance before retiring. A few of our members are helping the ARC of Hunterdon in learning to square dance. We give thanks to Joan Spagnolo of Bee Sharps for helping us

with this endeavor. They have named their group the Hunterdon Stars and are having great fun. We are all happy for Wilson Hoff, our caller, and Sally Fordyce and wish them all the best after their wedding on May 15, 1994. They had a great wedding square dance on May 22, with many clubs attending. Sally is a member of Lakeland Squares. The Schmidts, Kochs, and Hoffs attended the National Convention with great pleasure and enjoyed interesting side trips.

When we last wrote, Hix & Chix's dance schedule was to change in May. It did! On May 5, Dick Mazziotti called the first of our summer Mainstream dances. It was, and continues to be, a pleasure to specially welcome the recent grads and we hope they have

enjoyed dancing to Dick, Gerry Hardy, and Hank Lutcher since then.

On Plus Thursdays, we stepped to the rhythms of stalwarts such as John Kaltenthaler, Steve Forman, Al Kaesler, and Dalt Young; a J.R. Sparks special; and the always-welcome Joe Fioretti. A cooling way to spend some of these hot humid evenings and something for the new dancers to look forward to.

Hi Taw Twirlers have scheduled Plus dances for the new season with top callers. They will call an interesting program that will appeal to and challenge both experienced and new dancers.

Hi Taw co-presidents had an active summer of dancing. The Meyers and the Becks attended the First Annual Long Island Convention in May. Marian & Fred attended the Canadian National in Nova Scotia in July. Sandy & Bernie attended the Virginia Beach Convention, also in July. They discovered that dancing is a great way to complement a vacation.

Harmony Dancers finished its dancing season in grand style. Our second Mainstream class-level dance was very successful. Dick Mazziotti and Dot Loewenstein called an exciting dance, especially for many of the students who had never danced in a "let me see you get them out of this one" tip. Many thanks to the angels who came out to help make the evening a success.

Our last dance of the year was our Ice Cream Social where, as Presidents, we had the double pleasure of awarding free dance tickets to 10 Harmony club members for attending either 4 or 7 raids this dance season, and introducing the 1994-1995 Board. We thanked the members of the 1993-1994 Board for their energy and enthusiasm, which helped make for a great dance season.

We express the feelings of all Harmony Dancers in offering Lil Wheeler our deepest sympathy on the death of her son, who passed away in Virginia earlier this year.

As we write this, the dog days of summer are upon us. Although there are many summer dancing opportunities ahead, we are looking forward to the start of the new dance season, not only for the more reasonable temperatures of autumn, but for the color and excitement of another year of square dancing!

"We could have danced all night," but instead we danced many nights. CTS raided Country Promenaders and Y Squares, completing our raid requirements. The students danced to the calls of Cindy Whitaker, and at the NNJSDA Spring Fling. They danced

with club members at the NJ Convention in Trenton. CTS members also danced at the NNJSDA Special Plus Dance. The Class of '94 completed their Mainstream course culminated by a Graduation Ceremony and Dance. CTS members concluded the square dance year with our sumptuous Ice Cream Social. We did a demo in Anderson Park and marched in the Memorial Day Parade in Caldwell. Welcome to the new Executive Board. Join us for a great season.

A few changes took place in Circle Eights at our last meeting. We have a new captain at our helm, Donna Brady. Unfortunately, it is due to the illness of George Haberberger. We all send our very best to him and look forward to his recovery and his return to dancing. John McHale volunteered to head a raid committee, so you will be seeing

more of us in the future unfurling our banner and marching to the beat at your club dances.

Our last dance of the season was pot-luck dinner. Mmm, was it good. Many thanks to Linda McHale for organizing it. The mystery caller of the evening turned out to be Howard Richman. He commanded us around the floor in his usual challenging and fun style. Check out our flyers for our October event.

As sizzling summer slides into September and our season of air-cooled Tuesday dances is a happy memory, we're getting ready to welcome prospective dancers to our Open House the 1st Monday in September at GRHS. Bring your friends. Belles & Beaux's participation in the Glen Rock

Centennial Year 4th of July Parade sparked interest in square dancing. Fran Wadel called and 2 squares performed as they marched. Afterwards Edna & Ken Franz hosted a delightful backyard picnic serving a delicious 8-foot hero. Our frequent travelers, Pat & Jim Brod-erick, enjoyed the National Convention in Portland, OR, then continued on to Alaska, a cool place to visit. We plan lots of raids and welcome raiders.

As I am writing this, I realize that summer is here and we are experiencing the dreaded 3-Hs: Hazy, Hot and Humid days. Summer is always a time to vacation and to keep cool. But for the Bee Sharps, it means getting new officers together and Hustling to make plans for the fall season, Hunting for

new students, and Hoping for a happy successful season. In addition to the officers listed above, our 2nd VPs are Peggy & Steve Koehler; Secretary, Lillian Davis; Treasurer, Bill Moss; Publicity, Don Davis; and Raid Chairpersons, Joan Spagnola & Bob Steffen. We have chosen some great callers and cuers for the fall, and we would just love to see all of you at our dances. We love having guests and meeting new friends. Our food table is always filled with goodies.

Al'e'Mo Squares must be doing something right, having attracted a large class with 35 new graduates this year. No doubt credit must go to all that are so involved in the functions of

the club. The emphasis is on sharing and caring, with an expertise in square dancing. However, success has its price to pay. We have outgrown our present facilities. Fortunately, we have obtained a larger hall that can accommodate at least 15 squares. We found this beautiful setting at the historic Ft. Hamilton Army Base. With our newly elected officers, we know we are going to have a marvelous season. Much success to them in the future.

# SQUARE VIEW

BY MANNY AMOR

"WE PREFER TO DANCE AS HEADS."

*Editors Note: When we volunteered to work on **Grand Square**, then Editor, Peg Tirrell, asked us if we knew of anyone who might be willing to do a sewing column. Our fellow new graduate and terrific seamstress, Judy Dahl, came to mind immediately. Judy began writing her From the Dahl House sewing column with the September 1986 issue. That's 8 years of staying up all night and then driving to our house in the wee hours of the morning to leave her article in the mail box before we left for Peg's house or the printer. We can't thank Judy enough for all her fine sewing tips and hope she contributes anytime she feels "inspired." We wish her the best of luck with her new career teaching Country & Western dancing, and a few more nights of sleep now that she doesn't have to meet our deadlines. Many thanks for 8 years of great columns.*

*It is with great pleasure that we introduce our newest columnist, Rusty Ball...*

### THE SEWING CIRCLESQUARED

September is National Square Dance Month. It is also National Sewing Month!!! What a wonderful month to start writing a column for my fellow dancing fabricaholics. Judy has done a fine job with it for many years, and has set a fine standard. We wish her ever more success with her Country & Western teaching.

Why me? Well, perhaps I should start by telling you a little about myself. HI! MY NAME IS RUSTY, AND I AM A SEWER. I could call myself a seamstress, but I hate titles that can only be used for one gender. I do qualify as a tailor, but most people think that it refers to a man (it is actually ANY person who makes or repairs tailored garments), and besides, square dance clothing is not exactly "tailored." So I'll call myself a sewer, and hope everyone reading the word knows how NOT to pronounce it! What title do you use to refer to yourself? I have been sewing for....over 30 years. Although I have sold (or bartered) garments I made, I do not sew to sell my wares; I sew strictly for my own pleasure and to save money so I can afford to own as many outfits as I like. Nor have I ever worked for a company that has anything to do with sewing, so if I mention a tool or a new gimmick on the market that makes life easier, there is no vested interest in it. And, any opinion I may express is purely my own, gained through observation or experience or from another person to whom I will give credit when possible. I am honored to be able to play an active role in communicating sewing ideas and techniques to others to make both sewing and square dancing more enjoyable and satisfying.

My husband, Richard, is convinced that I wanted to take up square dancing so I could meld two loves, sewing and square dancing, into one fine hobby. He's right! We are members of Belles & Beaux in Glen Rock. When we were asked last year to chair the NNJSDA State Dress Committee, we happily agreed. I hope you will send me your sewing tips and questions.

Last year at the National Convention in St. Louis, Dorothy Jaworski (Kittatinny Rangers) and I took about every sewing seminar offered, and there were LOTS. We were delighted to discover that just sitting and talking sewing with other square dancers (like the old-fashioned sewing circles) made everyone's creativity, imagination, ingenuity, and enthusiasm multiply and grow (squared--get it?). When we returned, we offered to take on the seminars at the NJ Convention, last April. And we enjoyed meeting you so much in Trenton and elsewhere that next April we will be asking many of you to share your ideas and talents at the seminars and the Fashion Show. More about that the next time.

Since this is a column for tips, I can't close unless I give you what you really came for. This one isn't even for sewing--some nerve, huh? Tired of breaking nails on those silly little "jump rings" (that's what they are really called!) that attach dangles and bars to your badges? First off, don't PULL them apart. They

take the strength of two people to pull apart, and they never go back together without a gap, even with pliers. Always TWIST one side sideways slightly. They twist back together easily and without a gap, AND without breaking a nail. It is so quick you can do it on the dance floor. I also found this today in the current issue of *Threads Magazine*: put one side of the ring in the slot of a plain screw and twist; the screw gives a better grip on the tiny ring than just your fingers, and no tools are needed. Simple?

By the time you read this, we will be weeks away from the October L.U.S.T; we have a session for sewers planned. I look forward to meeting you all. See you in **THE SEWING CIRCLE SQUARED.**

*Rusty Ball, 52 Kiel Avenue, Kinnelon, NJ 07405 -- 201-838-0312*

CCNJ is pleased to announce that three of its members received scholarships to attend callers' schools this past summer. Congratulations to George Haberberger, Bob Kozarek, and Nick Martellacci. We hope they gained much from their attendance. We are also pleased to announce that we will have a fall workshop on October 23, with Ken Ritucci, and a spring workshop on April 23 with Jim Mayo.

A new season of square dancing is about to start. We hope you are looking forward to your club swinging into high gear again. This also is the time when our clubs start their class programs. Now is the time to start recruiting new people for square dance classes. Square dance classes are the life blood of the activity; we must recruit new dancers in order to be able to keep the clubs healthy.

There are many reasons why square dancing is a good activity. Use them to help you in your recruitment efforts. Square dancing is good for your health; it is both physical and mental exercise. Square dancing is a good activity for a couple who want to do something together. Square dancing is an inexpensive activity. For the price of approximately one movie ticket, a couple can square dance for the entire evening.

Now that you have recruited student dancers, the next step is to provide your support to the student dancers. If you adopt a class couple or two, take them to student dances and consistently encourage them, there is a much greater chance that they will be successful.

*Randy & Fran Page, Presidents, CCNJ*

"Square Dancing--For the Young and the Young at Heart" is the 1994 theme for September, Square Dance Month 1994. The focus of Legacy, as well as other national square dance organizations, is on making square dancing interesting and available to younger square

dancers. While younger dancers are being courted, it is important also to retain those who are now enjoying the activity. Plan now for your late summer-early fall recruitment campaign. Appoint a committee, study the materials, make plans for a blitzkrieg of publicity. The clubs that really plan a campaign and use new ideas are still teaching sizable classes.

The Legacy Promo-Pak, which contains ideas and suggestions for recruiting and publicity is still available. Promo-Paks are \$5 each and available from Stan & Cathie Burdick, PO Box 2678, Silver Bay, NY 12874.

Get ready for Legacy XII, which will be held in Fayetteville, Arkansas, at the Fayetteville Hilton, May 18-21, 1995. Program Chairmen, John & Freddie Kaltenthaler, announced at the Legacy Board Meeting in June that the theme would be "Let's Get a LEG Up on Legacy. The acronym of LEG stands for the following topics to the central theme of the convention:

- L = Leadership, Legislation, Learning
- E = Education, Evaluation, Economics
- G = Goals, Games, Group Activities

Break-out sessions, general sessions, and a mini-spiel or two are being planned. Questions concerning the program can be directed to John & Freddie Kaltenthaler, Box 679, McCauley Ave, Pocono Pines, PA 18350; 717-646-2945.

## Northern New Jersey Round Dance Leaders Council

Well, guys, you were heard loud and clear by your Council members. The new format, which delighted so many, is to be repeated for the upcoming Fall Festival of Rounds to be held the first Sunday in November. Remember, there are now four delightful hours for dancing, which allows the newly developed format to work so well, and give you time to dance to so many of your favorites. The first hour is dedicated to Phases V and VI and some selected Phase IVs. Newer dancers join seasoned dancers for two well-paced hours of intermediate selections in Phases II, III and IV. This spectacular program concludes with selected relaxed Phases II and III dances. The new format satisfies even the most insatiable appetite. Programming is currently underway and that squeely little bird sings songs that promise a fine afternoon of dancing.

In conjunction with the new programming format, the misfortune that forced us to relocate the dance to the VFW Hall in Elmwood Park at the last minute turned into a rather pleasant predestination. The favorable comments made by many of you convinced us to return there. Adequate room for dancing and the coziness added ambiance for all. There weren't any sound or parking problems. Look for the flyers, which will be out soon, mark your calendars and plan for a wonderful adventure in dancing to all your favorite NNJRDLC cuers, who incidentally do an exceptional job.

Once again we would like to remind you that the "new" dance seasons brings "new" dancers to all Phases, who interlace with us on the floor. Patience, warm smiles, and a kind word are simple ways of extending ourselves to these new comrades, ensuring and propagating that the best of square dancing traditions are alive and well.

We have successfully eluded the big bad wolf and find that our "new" home is strong and secure. Thanks to all for your support during the trying times (snow, sickness, snow, parking, snow, overtime, snow) involved in our relocation adventures. This was the very first time, and hopefully the last, that we had such a late graduation, but the cheer, shorts, fans, music, food, and goodwill certainly made for a wonderful evening--really a cuer's dream. We look forward to the fall classes as we advance to explore the mysteries of Phases III and invade the further caverns of Phase IV, perhaps to prickle some of Phase V. We encourage anyone who wishes to review and/or reinforce their Phase III-IV abilities to join us.

**ON BEING AN EXPERT**  
**(or, How to Earn Your Wings in Advance of the Pearly Gates)**

*by Dick Mazziotti, Caller/Teacher*

As usual, this column is directed at the newly graduated dancers. Warning, reading this column after dancing for more than a year can cause hair loss in men and anatomy droop in women.

So you've danced your knitted footwear off all summer long, you are supporting your home club, and classes are about to start again. A whole new crop of eager-eyed, young, pliable and impressionable new dancers are gathering. Your caller is preparing his or her notes on how to teach calls in the most confusing ways. Class coordinators are gathering water jugs and roster sheets (100 lines apiece in anticipation of a large class), and YOU have been approached to help with the new class as an ANGEL!

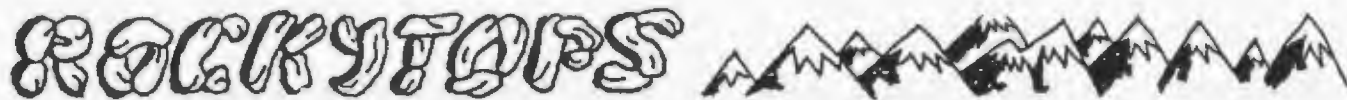

Here comes your chance to show off, to explain, to be the expert, to guide and form these malleable minds into the proper frame to be a TRUE SQUARE DANCER. Well guess what? It's untenable bubble expansion time!

Let me describe the **Perfect Angel** ("PA"). The PA smiles always, but allows no other words but "THANK YOU" to cross his or her lips. When dancing, the PA is always in correct position and completes his part of each call properly, ending each call at the proper place with hands up ready to touch his neighbors. A PA never talks in the square. A PA NEVER, NEVER tries to explain a call. A PA is perfectly willing to attend every class, stand quietly to the side if not dancing, but be ready to leap joyously into any square any time when asked by the teacher. There are very few PAs.

There are other kinds of angels:

**Brightly Stimulating:** The BS angel talks, and talks, and talks. The BS angel is capable of ignoring interruptions by the caller such as explanations or actual calls.

**Freebie:** This angel is here to take the class again since he has not danced all summer long, has forgotten any calls ever learned, and does not want to pay to take the class as a new student again.

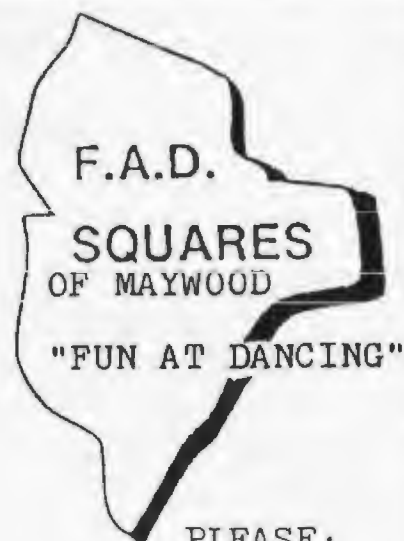

**Get Rough And Shove People:** The GRASP angel yanks and tugs and pushes new dancers. Dancers leave his square with bruises, contusions, and finger-marked anatomical appendages.

Another angel/devil related issue is when to join a square. Angels often hold back from squaring up, ostensibly to "make sure all the new dancers get into a square." Unfortunately, what this politeness looks like to the new dancers is, "They don't want to dance with us!" Because of this, we now use computer squares for our classes. Each angel couple and new dancer couple alike gets a computer slip so everyone is expected to square up immediately. Grossly unbalanced squares can and should still be straightened out by the caller.

Concerning bad habits: It seems that it takes about 1/4 of a student dance before new dancers start to pick up bad habits. **ANNOUNCEMENT TO ALL ANGELS:** Please attend your class when the call, "Circle to a Line" is taught, so you can learn once again how to do it. Slap 'n slide is NOT Circle to a Line, should not be done at all, and surely should not be done with new dancers. Yet many angels seem to feel slap 'n slide is a mark of becoming an experienced dancer. It isn't. It is a sloppy and mis-timed way to get into the same position as the real call. Please join me in a campaign to relearn Circle to a Line.

Having said all the above, we callers also all too often forget to say "THANK YOU" to the angels who do a good job, who do come faithfully, who dance the Plus or Advanced programs, yet completely support Mainstream classes. You are the real "heart" of square dancing. You help inject levity, show (not teach) styling, and help the new dancers' transition to the club. From callers everywhere to angels everywhere, "THANK YOU!"

Two 30-second commercials and one 60-second commercial are available from the Callerlab Foundation for the Preservation and Promotion of Square Dance. They are available on 1/2" VHS or 1" studio video tape and your local cable TV or studio can add a phone number or address to the commercials. The tapes can be used as public service announcements (PSAs) or as recruitment tools when used at shopping malls, craft and folk fairs, county and state fairs. The tapes are distributed at no charge, but a \$5 donation to the Foundation to cover shipping and handling costs is appreciated.

There was no new movement selected as a Mainstream Quarterly for the September-December 31, 1994 period. **Acey Deucey** was voted to be dropped. Current Mainstream selections are: **Single Circle to a Wave** and **Wahoo**.

The only current Plus Quarterly is **Double Your Neighbor**. **Connect the Diamond** was voted to be dropped.

**Chase Chain Thru** was voted as the Advanced Quarterly Selection for the September-December 31, 1994 period. Starting formation: lines back-to-back; action: Chase Right, but the original beaus make a wave in the middle when they meet. In the wave, Swing, Slip and Swing, then Extend. Ending formation: parallel waves; timing: 14 beats. **Checkover** and **Scatter Scoot** remain on the list and **Chisel Thru** was voted to be dropped.

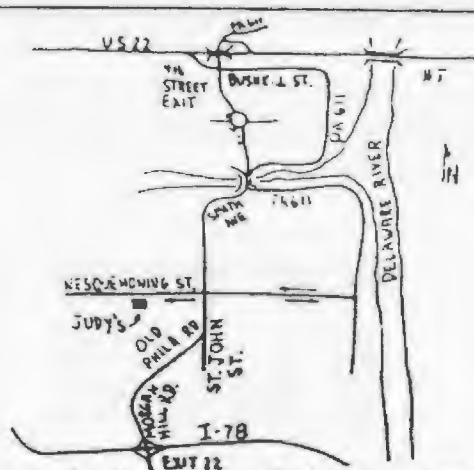

"Lost Squares" is the method of returning a broken square to dancing and should be taught to all dancers: **Dancers' Responsibility:** 1) Return to home position. 2) Head ladies take their corner's hand; head couples will back out to form lines at the sides of the square. 3) On the caller's command, "Everybody go forward and back," they enter into the dance program. **Caller's Responsibility:** 1) Recognize a number of squares have broken down and formed lines. 2) Place the dancing squares into lines that are in normal boy/girl arrangement. 3) Give the command, "Everybody go forward and back," in a bold voice.

2. To patient and dignified treatment by the class instructor(s) and sponsors.
3. To gain experience dancing to other callers and, if possible, with dancers from other classes, prior to graduation.
4. To receive advice and assistance in acquiring appropriate clothing for square dancing.
5. To instruction and practice using the approved definitions, timing and styling for each listed call (Basic, Mainstream, etc.).

## "SWEET HOME ALABAMA '95"

The 44th National Square Dance Convention (NSDC) booth in Portland was very busy registering dancers for 1995! As of July 15, 1994, there are 3500 dancers registered. You can obtain a registration form by writing to Registration and Housing, PO Box 610409, Birmingham, AL 35261-0409 or by calling 205-833-NSDC. If this is your first Convention, well guess what? There will be many first-timers to keep you company.

The last time Alabama hosted the NSDC was in 1985 with an attendance of 17,781. For many dancers, this is a once-in-a-lifetime experience, since it takes place close to home approximately every 10 to 12 years.

When you register for the Convention, be sure to order a Program Book and a Bus Pass. The Program Book costs \$3 (increases to \$5 after April 30, 1995, subject to availability). The Bus Pass is essential to getting around town and costs \$15 (\$25 after April 30, 1995). If you pre-register, both will be in your registration packet when you get to Birmingham in 1995.

Carefully fill out your registration form, write a check (including any additional amounts for tours, program books, bus passes, RV parking, etc.) and send it back. You will receive confirmation of your registration.

There will be 17 dance halls including the Civic Center, the Ballrooms of the Sheraton, and Boutwell Auditorium. All dancing will be under one roof except for the Singles and Country & Western, which will utilize the Boutwell Auditorium across the street from the Civic Center.

The dance floors will include 9,558 square feet of carpet; 73,499 square feet of tile; and 146,510 square feet of cement.

The Alabama Bureau of Tourism & Travel: 800-ALA-BAMA or 205-242-4169.
