Sponsored by the Square Dance Council of NJ & Fed. of Delaware Valley S & R Dancers

*From the desk of.....*JOHN & JOAN BERG, NNJSDA PRESIDENTS

Hello, square dancers! From the many comments we received from square dance leaders across the country (as far away as Seattle, Washington), we in Northern New Jersey are not alone in our concern over the future of square dancing as America's #1 leisure activity. We only hope that we have started many of you thinking about ways you can help your local clubs.

Each year thousands of new square dancers across the country graduate Mainstream dancers, many of whom also purchase the "funny clothes" we wear. Yet, if you were to take a survey one year later, more than 50% of the graduates have stopped square dancing. This tells us that we must be doing something wrong. What are these new dancers expecting that we are not providing? Could it be friendship? Are we paying enough attention to the new dancer? Do we make them feel at home, or do we make them sit alone?

Joan & I would like to start a new program. Until we find a better name for it, we will call it "**Adopt-A-Dancer.**" Let us all take a new dancer under our wing. Let's call this individual or couple when we are going to a dance; let's be there to help them; let's answer any questions they may have, but most of all let's prove to them that: "Square dancers are the friendliest people in the world." By now many of you are saying, "But I dance Plus, Advanced or Challenge." This may be true, but we need new dancers in all programs and we can't forget where it all starts. Joan & I would be interested in any comments you may have.

On November 13, 1994, the NNJSDA held their 20th Mini-Festival. Once again through the efforts of Dick & Shirley White, General Chairmen, and Norman & Audrey Bolin, Registrars, it was a sellout with 85+ squares in attendance. Everyone enjoyed the calling of Tony Oxendine, Roy Leber, and

Mark Franks, with Rick & Allison Lock on rounds. The only sad part of the day was when we had to say "Good-bye" to Dick & Shirley. As many of you are aware, they have moved to New Hampshire and this was their last official duty. We only hope that the square dancers in New Hampshire appreciate what an outstanding couple they have inherited. New Jersey will sure miss their leadership and wisdom.

Plans are already rolling for the NNJSDA 21st Mini-Festival to be held on November 12, 1995. Jerry Storey, Mike Jacobs, and Mark Franks on squares and Ron & Ree Rumble on rounds. Although tickets are not yet available, please mark this important date on your calendar. Square 'em up.

20th MINI-FESTIVAL - AN ENCORE PERFORMANCE

The 20th Mini-Festival was enjoyed by a sell-out crowd of 85 squares of happy dancers. The callers, Tony Oxendine, Roy Leber, and Mark Franks, and the cuers, Rich & Allison Lock, presented a wonderful afternoon and evening of fun-filled dancing of Mainstream through C-1 and rounds. We want to thank everyone of the people who gave of their time and talents, and especially the following people:

Norman & Audrey Boiin, the Registrars, a couple who have served on your NNJSDA Executive Board for 13 years. This couple can always be depended upon to do a fine, thorough job. It has been a pleasure to work with them on the 20th Mini-Festival, and to serve with them on the Board.

The members of the Executive Board of the NNJSDA, who gave generously of their time to make the dance a great success.

Anna Lou & Jerry Beckman for their help during the day of the dance.

Ruth Edison & Ron Kapnick for picking up and later returning Tony Oxendine to the airport.

Randy Page and Brian Fugere for sounding the halls for us.

The SDCNJ who lent us their water coolers, Yak Stack speakers, stands, and Hilton turntable.

The dancers, without whose support there would not have been a dance.

Many thanks to everyone mentioned above for loving square dancing enough to give of themselves to make a great 20th Mini-Festival for 680 dancers. The Northern New Jersey Square Dancers Association members are special people, and deserve praise for a job well done. We enjoyed preparing this event for your square dancing pleasure.

Thank you also all for the support we received as Board members of the NNJSDA for the past 8 years. We will always be a part of and remember our friends at the NNJSDA.

I DREAMED WE WERE LATE FOR SQUARE DANCE CLASS

by Frank Lemire

I dreamed we were late for square dance class. I had my partner on my right but didn't know where I was going. We looked for a familiar street but forgot what it was called.

We started out circling to the left, and then circled to the right. Finally, we did a swing and went left on Allemande. We saw people in single file and in couples promenading but couldn't see our class.

We went from Allemande to Dosado, and then went right and left thru into Grand. I noticed we were going the wrong way on Grand, so I passed thru and did a U-turn back. We were stopped by a cop who sashayed up the car and gave us a ticket for our failure to courtesy turn. We were mad he had to tag us and wouldn't let us slide thru.

After the cop left, we rolled away, backtracked, led to the right, and found ourselves side facing the Grand Square. We got out of the car to see if we could get a tip on where the dance class was, but were stopped by a line of people. They thought we were famous, so they bent the line to let a star thru. We walked around a left-handed lady and, being hungry, stopped at a stand and got ourselves a California twirl and an Alamo ring, which we managed to balance between us. We had a little money but I managed to wheel and deal and bought it with the sweep of a quarter.

We were still looking for the dance but found a small carnival with a ferris wheel, a flutterwheel, and what seemed to be a slave market because we saw ladies chained there. I considered a partner trade but decided to chain the ladies back again.

We came to what seemed to be a maze that was guarded by a gnat. We tried

Y SQUARES -- Clark, NJ

Carl Kumpf School, Mildred Terr.

We have kicked off the Holiday Season with our Halloween Dance. Dorothy and the Tin Man joined an Ugly Witch and a Son of Witch in a square, while a pair of Mimes collected the dance fee at the door. They didn't speak all night, not even for the 50-50. We also had the Dutch Boy Grandparents complete with paint cans and brushes. All the costumes were great!

In the spirit of Thanksgiving, the club presented a box of food and a certificate for a turkey to Clarks Family Care Association. Toys were also being collected for Christmas. Of course, we have been busy raiding, at least twice a month. It sure is fun visiting our friends in other clubs, and we expect to greet many raiders during this square dance season.

WESTERN WHEELERS -- Oradell, NJ

PL/A-1 tips

2 & 4 Sat. Sept-June Refrmd Ch of Oradell, 641 Church St (cor. Kinderkamack)

Western Wheeler's opening night at our new Oradell location really proved it was well worth the effort we put into keeping our great club dancing. So many interested, supportive people attended; so many constructive suggestions were offered; so many were so happy, that instead of giving up, W/W pulled together and survived. The new caller at W/W, Don Coy, rated "par excellence," and our cuers, the Raspas, will always rate the highest with W/W. "Opening Night" pin-on hats were given out to be worn again at our Hoe Down dance, featuring the great Randy Page, to claim a free 50-50. An enormous thank you to the Beckmanns for their dedication and super efficiency in coordinating the refreshments and for coming early and leaving late.

John Lenio went and hurt his hand and Carol Sutton had corrective ankle surgery. Speedy recovery to both.

Roy Leber, flashing a light-up skeleton on his shirt, called a few "scary tips" appropriate for our Halloween Dance, that gave us, along with raiders, Cross Trail Squares and Kings Squares, confidence that we could still dance a "spooky Plus." The annual Turkey Shoot was raided by Ironia Reelers and Rockytops. Larry of Rockytops, hit the bulls eye, winning a turkey. Bill Finch, Joe Maldonato, and Bill Ruckle won our turkey raffle.

W/W celebrated the 11th Anniversary of our youngest members, Bud & Alice Goodell, by having them dance the *Anniversary Waltz*. Bud presented Alice with a corsage and W/W with a blueberry cheese pie. Their enthusiasm carried over to the NNJSDA Mini-Festival, when they marched in the Parade of Clubs holding a handmade banner representing W/W. Bless all you wonderful dancers.

VALLEY SQUARES -- Watchung, NJ

PL/A tip

1 & 3 Thurs. Sept-June

Bayberry School, Bayberry Lane

Our club year is well underway. We have a bumper crop of Plus students being put through their paces by Len Anfinson. Come on down to check it out. Be an angel any Monday evening 7:30-9:30 p.m.

Valley Squares' club picnic was held later than usual on October 22. Beaver Lake was beautiful with its multi-colored leaves. Carol and Duke rolled out the red carpet, and we had a great day of feasting, dancing, and game playing. Many thanks to our Presidents for their hospitality. We even received souvenir cookbooks too.

We raided Bee Sharps on November 11. Mike Walsh kept us on our toes with his fine calling. The Kellys have some other raids lined up for us so stay tuned.

The 20th Mini-Festival went off without a hitch on November 13. Tony Oxendine, Roy Leber, and Mark Franks were our callers. We danced till we dropped. Some of us kept up our strength by slipping out to Catari's for a delicious supper. It was a fun day.

We extend a warm welcome to all Plus dancers, and hope you'll visit us soon. Carl Hanks and Steve Bradt make dancing a joy. Keep dancing.

What a way to end the year! Get well wishes to Kathy Koft who underwent an emergency appendectomy on Friday, December 30th. We hope she will be home soon and back to cueing again real soon. The area can't afford to lose another cuer, especially such a good one, even for a short time. Send get well wishes to Kathy at 96 Jamie Court, Monmouth Junction, NJ 08852.

TENAKILL TWIRLERS -- Cresskill, NJ **MS/PL tips**
3rd Fri. Oct-May **Bryan School, Brookside Ave.**

Our season got off to a late start at our October dance with Dick Mazziotti. It was a great success thanks to his challenging calls and the presence of a large raiding party from Rockland Promenaders. Nick Raspa cued the rounds and we celebrated Carol's birthday. In November, we had John Kaltenthaler back with us for another great dance.

We welcome visitors to come and dance with us. You may be a winner in our "Lucky 10" club - every 10th visitor wins a free dance pass for the next visit. Check our flyers for the assortment of callers and dance to all of them. We hope you'll come over and join in the fun. See you soon!

2nd Fri. Sept-Jun **St. Luke's Episcopal Ch, Mass. & Grant Aves.**

While our October Autumn Leaves Dance with caller Don Coy was well-attended by members and guests, the November Salute Our Veterans dance was a huge success. Mickey McFarland called a great dance and her hat song brought down the house. Raiders from Circle Eights and Belles & Beaux and a good number of Rockland Promenaders helped to fill the hall. Nick Raspa cued the rounds at both dances.

We're hoping that Mother Nature cooperates this year so that we won't have to cancel any dances because of that "freezy skid stuff." We have some more great callers in the coming months, so look for our ads and flyers and come over to see us. Raiders are always welcome and you can be sure of a good time. Happy dancin'.

STATEN SQUARE SET -- Staten Island, NY **PL**
1 & 3 Sat. Oct-June **St. Alban's Ch, 76 St. Alban's Pl.**

Hope everyone has enjoyed their Holidays. Now, down to some serious dancing to work off the calories from all those holiday treats. Our club has celebrated its 46th Anniversary and we are most grateful for the past and present members who have helped us achieve this anniversary. The Anniversary Dance was chaired by our long standing, faithful members, the Dell'Angelos, and was enjoyed by all. Thanks to Hi Taw Twirlers and Motiv8ors for raiding the dance. Our Christmas Dance, chaired by the Hochulis was also lots of fun.

Congratulations are in order to Tom Javaruski on his new granddaughter and to the Stiles on their new grandson. Our Treasurer, John Emma, has retired and was treated to a sailing trip by his sons. We're very proud of the Hochulis for winning two silver medals for swimming in the Senior Olympics. In addition to being helpful, RIOS Plus lessons on Monday nights is reuniting former and new dancers. As Patty Paige's old song goes, *Cross Over the Bridge*, if you do so, and join us for some fun and friendship, you'll have a chance to win your bridge toll back in a drawing. We'd love to have you. Happy dancing, love to all.

SPINNING WHEELS of WAYNE -- Wayne, NJ MS/PL tip/CW
Every Mon. Sept-June **Wayne Civic Center,**
2 & 4 Mon. July & Aug **Hamburg Turnpike & Church Lane**

Each time I report, I write about how much fun it is to dance at Spinning Wheels, all the friendly people we have dancing, and the great callers we have calling. We also have delicious food and I thought I'd give you my mother's cheesecake recipe, which so many of you have enjoyed when you have come to Spinning Wheels.

GRANDMA'S CHEESECAKE

Crust: 1 package of a 3-package box of graham crackers
1 teaspoon cinnamon
6 tablespoons melted butter or margarine

Preheat oven to 350 degrees. Crush graham crackers in food processor. Melt butter or margarine and mix in a small bowl with crackers and cinnamon and press into a greased cheesecake pan.

Filling: 3-eight ounce packages of cream cheese
1 cup sugar
4 eggs
2 cups sour cream
1 cup heavy cream
2 tablespoons lemon juice
1/2 teaspoon vanilla

Soften cream cheese in a large bowl. Gradually beat in sugar until fluffy. Add eggs one at a time beating well after each. Beat in remaining ingredients. Pour into prepared crust. Place cookie sheet with water on lower shelf of oven below cake. Bake in preheated oven for 1 hour. Turn heat off. Let cake remain in closed oven for 1 hour longer. Let cool at room temperature and then refrigerate overnight. Enjoy!

Boy, oh boy! Has it been a busy and exciting month! See Saws started its dance season with a big bang.

First we had our opening dance with Roy Leber on September 17 and a crazy bunch of dancers showed up to dance. The dance was a ball (pun intended).

Cousin Norman was in rare form. Any form Cousin Norman is in is rare. You don't want to see the form. However, C.N. does call a good Barn Dance and he did so on the first of October with the live band which played for us. Laughter and fun were the order of the night. We had a ton of new people with us. They were new, old, middle-aged, and non-dancers, who showed up for the barn burning. Great fun, eats and camaraderie.

See Saws traveled from one end of our Association to the other to raid a sister club. On November 5, we did not surprise Leisure Squares with our raid. Our hosts went out of their way to throw a great dance. Jim Snyder called an alternating Mainstream and Plus dance. We had more fun than a barrel of square dancers trying to keep up with Jim and our hosts. Even the break downs were fun as Jim tried to keep his face straight and at the same time fix our broken down squares. It was worth the trip.

We look forward to our D.B.D. Mainstream dancing with Gerry Hardy starting the 1st Saturday in December.

RUTGERS PROMENADERS – North Brunswick, NJ **MS**
2 & 4 Thurs. Sept-May **American Legion, 1015 Linwood Pl.**

The dancing season is well underway, and we are happy to report that our first class in a few years is doing well. A big "thank you" to the angels, and especially to the class coordinators.

We had a great time raiding Y Squares on November 11th, in spite of some last-minute confusion over the location. Our food drive was also successful, with over 8 bags of food going to the Franklin Township Food Bank. And our annual Toys for Kids dance yielded lots of goodies for the needy children of the community, distributed by members of the North Brunswick Senior Center.

Come and dance with us for our enjoyable theme nights, including January's Winter Blues (wear blue!), February's Ocean Cruise and Masquerade Ball, and March's International Night. At Rutgers, we like to really get into the spirit of things, so a great time is practically guaranteed -- just bring your dancing feet and a smile.

ROCKYTOPS of ROCKLAND – Pearl River, NY **PL/A-1 tip**
1st Fri. Sept-June **Pearl River United Meth. Ch., John St. at Franklin**

Summer is just a memory. Autumn leaves are all raked. We are all stuffed with turkey from Thanksgiving, and Chanukah, Christmas, and the New Year is just around the corner. Let us take the time to wish our friends a very happy holiday season and very happy and healthy New Year.

Congratulations to Patsy & Mickey Lisak upon their marriage. Best wishes always. Patsy & Mickey are also our couple of the year for the 1994 Hudson Valley Square Dance Council. Congratulations to Rita & Al Schildwachter on their son's engagement, and to John & Joan Berg on their son's marriage. Get well wishes to Floyd Flathman.

A warm welcome to our new members: Dee Rush, Millie & Dick Adams, Lucille & Richard Behrens, Bob Mahan & Sherry Miller, Judy & Jonas Siegal, Marilyn & Morris Dunkel. Welcome home to Natalie & Herby Horowitz from their recent trip to Italy. Sorry, no dangle.

We are continuing to engage top callers for our dances, which are well attended. Come dance with us for a fun evening. Our Pearl River location is 20 minutes from the intersection of the GSP and Rt. 80 in Saddle Brook and only 10 minutes from exit 172 of the GSP.

If you want to get the feeling of "How Time Flies, What Happened to Yesterday, The Days Must Be Getting Shorter,"...become a Grand Square Reporter. Seems like I just submitted a column last week.

This copy will reach you mid January. I forgot to wish you all of God's blessings this past Holiday season. I do NOW, for each day of the rest of your lives.

Our wonderful club has enjoyed many great evenings of dancing this past year and, with the help of each one of our members, 1995 will also have lasting memories. Thanks to VP, Patty Connors, and her volunteers, we haven't lost one pound.

Pat Fedele must be getting well. He's telling us to make room in the square, here he comes. The RIOS Plus Lessons are going great guns. There is improvement in all the squares. Five squares each Monday evening under Frank Riviccio's patient calling has encouraged growing numbers at the club dances.

Don't forget: Stapenell and Mazziotti for February dances with Gotta and Kushla on the rounds respectively. Gaunt and Koft in March and, oh yes, there's the NJ Convention on March 25 at Trenton State College in Ewing, NJ. Be there.

We are sorry to announce that Beginner Square Dance classes had to be cancelled for lack of a sufficient number of students. This was a great disappointment for all concerned, especially since we had a very good teacher in Brian Fugere. It is hoped that perhaps next year will be a more positive one in that area.

Our Mainstream is holding its own, with at least 2 squares each night. On November 2, we all helped Brian celebrate his birthday by dancing with balloons, and sharing ice cream and cake.

By the time this goes to print, we will have said our goodbyes to Richie Rich, as he has re-enlisted and will be leaving for another part of our great country. We will miss him, his calling, and the great fun times we have had with him. We wish him all the luck in the world, and hope that he will be back to call for us again in the future.

One of our faithful dancers, Helen Valentine has been very ill lately. Although she is now at home, it will be a long recuperation and she will not be dancing for a few months. We wish her well and hope she gets back to see us soon.

All of our committee members have been doing a great job trying to get everyone out to dance with lots of fun things to do. Remember to support your club and come dance with us as often as possible. We wish everyone a very, very, happy and healthy Holiday. A big Yellow Rock to all and hope to see you soon.

MOUNTAIN SQUARES -- Whippany, NJ**A-2****1 & 3 Wed. Sept-June****First Presbyterian Ch., 494 Route 10**

The Holidays are upon us, and we at Mountain Squares wish everyone a very happy season with good health and lots of dancing in 1995.

Our Association has challenged member clubs with a new revised raid program, and Mountain Squares accepts the challenge. So far we have raided Cross Trail Squares and Leisure Squares, and Motiv8ors visited us with a large group. Our raid routine and dress are gradually evolving into a mountain theme, which we hope will serve to remind everyone that: "You don't have to climb a mountain to find great Advanced dancing in New Jersey." And you don't have to be a member of a raiding party to find a warm, friendly welcome at our club, either.

Many members of Mountain Squares are extending a hand of support to John Kaltenthaler's Advanced class in Wharton. It is a great opportunity to become acquainted with the Advanced-dancers-to-be. Check the ads and flyers and consider joining in with this activity.

MERRI EIGHTS -- Spotswood, NJ PL

(June-Sept) Knights of Columbus, Pine St., Old Bridge

The joint efforts of the 3 clubs (Merri Eights, Rutgers Promenaders, and Country Promenaders) have not resulted in any spectacular number of students in our classes. We're hoping that those taking lessons stick to it so that classes do not have to be cancelled again this year. Betsy Gotta and Dan Koft are great teachers and doing their best; but, without a reliable number of students, it's difficult to predict how the classes will do this year.

We are still planning to have a New Year's Eve Dance at St. Peter's Church in Spotswood. If you haven't already made plans for that night, and feel like square dancing, please think about joining us to welcome the New Year.

LEISURE SQUARES -- E. Stroudsburg, PA **Alt. MS/PL**
1 & 3 Sat. Oct-May **J.M. Hill School, East Broad St.**

An Aloha Dance kicked off our '94-'95 season. Hawaiian decorations were everywhere including last year's palm trees, which somehow survived the harsh winter. The leis that everyone wore added to the Island atmosphere.

Our Octoberfest drew a small but enthusiastic group of dancers. To get them in the spirit of the evening, Dalt Young called a couple of tips in his best German accent.

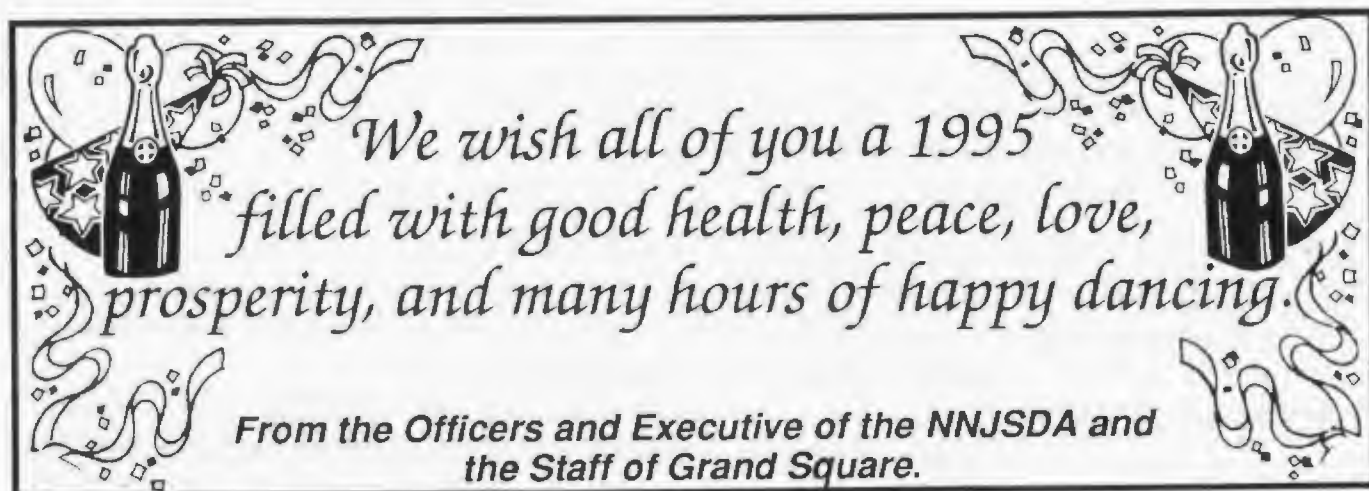

In November, our Surprise Mixer with guest caller Jim Snyder was a great success. Five clubs raided us: Bee Sharps, Cross Trail Squares, Mountain Squares, Rockland Promenaders, and See Saw Squares. Of course, when we heard about these raids all the members of Leisure Squares who attended, including a few who could not stay, brought refreshments. Therefore, there was a variety of food to be enjoyed by all. At times there were 12 squares on the floor. Most people stayed to the very end of the dance even though they had a long trip home.

We hope the Holiday Season was a happy one for you and look forward to seeing you at our dances.

LAKELAND SQUARES -- Parsippany, NJ **MS/PL tip**
Every Tues. Sept-July **Temple Beth Am, 879 S. Beverwyck Rd.**

The Holidays are over, and we're settling into the doldrums of winter. Hopefully, the winter will not see as many cancellations this year as last.

Butch Conklin has kept us on the raiding path with raids to Kittatinny Rangers, Spinning Wheels, and Hunterdon Flutterwheels. We've had almost two squares at each one.

Barbara Johnson and Charlie Fitzpatrick had opposite feet in casts for awhile. They sat on the sidelines, cheering us all on. They're well on the mend now and hope to be dancing real soon. Pie Night, just before Thanksgiving, gave us all the opportunity to taste others' baking skills. Those pies not tasted at the dance were auctioned for us to sample at home. Our Christmas Student Dance was well attended by club members, students from Lakeland, and other clubs as well. Thirty students are learning their steps well from Pal Johnson, and smiling at the same time. Quite an accomplishment!

The beginning of January will give us the opportunity to test our skills at identifying members through their baby pictures. My how we have changed! Sonja & Sy Saposnik stopped to dance with us in between trips through the Great Lakes and the Myrtle Beach. They leave soon, as snowbirds, for Florida. They promise we'll see them again in April. We will miss them, with a little envy, and hope they find some fun dancing wherever they are. We're hoping to see you all soon. Don't get snowed in!

KITTATINNY RANGERS – Andover, NJ**MS/PL tip****2 & 4 Fri. Sept-June****Long Pond School, Lime Crest Road**

There's no Holiday let down around here. Guess square dancers are just happy people. Maybe they're remembering the good times we had like: a big picnic beside a running stream, volleyball games, hikes, just sitting in the shade. Another perfect summer day blessed the SCARG Picnic at Watermill Farms. What a delightful spot! Three squares of Rangers enjoyed the company of new-found friends that day. I must say, they sure know how to party.

Just one square did a demo at Barnhill, but one square was enough to entertain a roomful of more new-found friends.

Back at the club -- it's so good to have our dancing sweethearts back. Good health has returned to John Morales. He's slimmer and trimmer but so is Joanne. Those two sure are proof that TLC works. We're working on our "One Square is Fair" again this year. No reason we can't have a repeat of last year. Of course, it's Donna that makes the difference. She's the "caller-upper" that makes things happen. She made our Mystery Ride a whopper. Our thanks, Donna!

We had another great time at the Mini-Festival in Bridgewater again this year. *Three squares of Rangers made it a very memorable day. (I also got to meet our Editor, Kathy Porter. Nice to have a face to put to that name.) I'm out of ink people. Go Yellow Rock your partner.

IRONIA REELERS – Randolph, NJ

PL

1 & 3 Fri. Sept-June

Ironia Elem. Sch., Dover-Chester Rd., Rt. 513

Our Wednesday night class this year is a Plus workshop instead of Mainstream. It will enable our recent graduates and other mostly-Mainstream dancers to strengthen their skills and increase their enjoyment of our regular dances.

On October 2, a group of Reelers gave a demo at a private birthday party in Martinsville. Though we didn't recruit any new dancers on the spot, who knows who will catch square dance fever.

There was much raiding activity this fall. On September 16, we were happy to welcome a red-and-white swirl of Kittatinny Rangers wearing Western hats and firing six-shooters. The following Friday, the Reelers raided the Kittatinny Rangers. Now that these two clubs dance on alternate Fridays, we will no doubt see more of each other.

The Western Wheelers raided us on October 7. We raided them on November 12. And October 14 we raided the Bee Sharps.

Our October 21 dance was a sea of orange and yellow, like the leaves on the trees outside; orange in observance of Halloween and yellow worn by the Hunterdon Flutterwheels raiding us.

1 & 3 Fri. Sept-June (Jan & Feb.) **Echo Hill, Lilac Drive**
 (Mar, Apr, May) **Flemington Baptist Ch, Church & Main, Flemington**

We opened the new dance season with a good start, but had to play a form of hop-scotch among three different dance locations because of "glitches" beyond our control. The unavoidable last minute shifts may have caught some prospective visitors by surprise. For that we sincerely apologize. But the message is clear: Please phone before you come. At this moment, we expect to be at Echo Hill in January and February, then back to the Flemington Baptist Church during March, April, and May. By that time the work should be completed at Echo Hill and we will dance there in the future. Oh, yes, please bring a flashlight when coming to Echo Hill so you can more clearly make your way from the parking lot to the hall.

Another "glitch," for which we accept the blame, prevented Dalt Young from being our guest caller for our November 4 Special. Many thanks to Bob Gaunt for filling the void.

We are fortunate to have two couples for our current class. Very enthusiastic couples they are! Instead of having our usual dance on October 21, we raided Ironia Reelers, where Wilson Hoff was calling, and had a grand time.

Hix & Chix had a good turnout for our summer dances, dancing Plus and Mainstream on alternate Thursdays. Nice cool air-conditioning helped, of course. As of September, we switched to dancing Plus on the 2nd & 4th Thursdays; no Mainstream. Also in September, Dee Dee Dougherty called a Special, displaying once again the talent that makes her a national caller.

Tidbits: Jack Parr is back home after having surgery; hopefully this will return our scuba-diving friend to active dancing. We are sorry to hear that Ken Sullivan's father passed away recently; we extend our condolences. Vera & Bill Clampet just returned from a fast and furious tour of Belgium and France (via Iceland). They enjoyed the sights, foods, and numerous hotels. No, Chippie Falzarano did not put her car up for sale during her recent trip to Italy. The "For Sale" sign she found in her car window upon her return was placed there just before her return by her "friend" and our erstwhile President, Mike Pavy.

Finally, by the time this issue of Grand Square is out, we will have held another Super-Sunday-Special featuring the sensational calling of Marshall Flippo, with cueing by Nick Raspa. We can safely say in advance, if you missed it, you missed a good time.

HI TAW TWIRLERS -- New Milford, NJ

PL

1, 3, 5 Tues. Sept-June

New Milford Middle Sch., Roslyn Ave.

Hi Taw Twirlers have been sponsoring a Plus class every Monday evening at the New Milford Middle School. Howard Richman has four very enthusiastic and eager students who are learning rapidly. They attended a Hi Taw class dance on November 15.

It was good to see many familiar faces returning from summer-long sojourns including: the Ileans, the Muladys, and the Pangborns. Carol Sutton is still on the mend from ankle surgery but hopes to return to dancing shortly.

All Plus dancers are always welcome to our Tuesday evening dances. Hope to see you soon.

HARMONY DANCERS -- Springfield, NJ

1 & 3 Sat. Sept-May **Chisholm Sch., S. Springfield Ave. at Shunpike**

The frost has come, the pumpkin is gone, and the turkey is in hiding. It's now late autumn and square dancing at Harmony Dancers is in full swing. Our first regular dances were well attended and lively. We appreciate the several clubs who raided. During this time, we raided Lakeland Squares, Warren Wheelers, and Bee Sharps.

Our November 19th dance was our Fifth Anniversary dance. Thirteen squares of Harmony Dancers, alumni, and friends came together to celebrate to the calling of John Kaltenthaler and the cueing of Al Spinks. Special alumni visitors were Dwight & Mary Rice now living in Tennessee; Jim & Shirley West now living in Virginia; and Lenny & Lorraine Sobin now living in Pennsylvania. Oscar & Laverne Olson, former members of Hill City who are no longer dancing due to poor health, stopped in to greet old friends.

Our hall was decorated with the banners of Dancing Squares, Hill City, and Somerset Hills, balloons, multicolored balls, and a Happy Anniversary bulletin board. A number of members brought in memorabilia from the three clubs and Harmony for all to enjoy. The refreshment table held two rainbow decorated sheet cakes.

Joe Kaspar, first President of Harmony Dancers, told the history of the merger of the Dancing Squares, Hill City, and Somerset Hills. The members of Harmony Dancers who have served on the Board during the first five years were recognized, and John & Joan Berg, Presidents of the NNJSDA, gave a brief congratulatory speech. Thanks to all who attended and special thanks to the committee that put this dance together.

Lastly, we want to extend our best wishes to Ron Perry, a long-time member of Harmony Dancers, who recently moved to Colorado.

MS/PL tips

Midland School, Midland Ave.

After 11 years in Maywood, our rent was "outta sight" and you will be thrilled at our new location. Wood floor (all the way), no "posts," well-lit, and a tremendous parking lot to boot. On top of that, it's easily accessible, on a main road. What more could we want? Size: we estimate 15-20 squares. Why not come down and help us find out?

In October, we wished Joe & Rose Velazquez farewell and good wishes on their move to a home in Long Island, long awaited, and well deserved. At this writing, we can't tell you how successful our November Pie Night was, but we know that those

home-baked pies were spectacular! For those we thank (among others) Dorothy Fels, Marj Gould, Dee Grogan, Marie Hoffman, Lorrie O'Connor, Fern Walker, and Marie Wilson. Yummy!

Dick Mazziotti has called for us while Dot took some personal time off for family events, and Don Coy is scheduled to call also. So mark your 1995 calendar now; share our joy at our larger hall each 1st & 3rd Sunday from now through June. Phone us for directions, if necessary.

CROSS TRAIL SQUARES -- Caldwell, NJ

PL

2 & 4 Wed. Sept-June

Lincoln School, Crane St.

While Mother Nature performed her magical rites of autumn transforming shades of green to shades of red, yellow, orange, and brown, CTS created the Autumn Splendor Dance with multi-colored leaves, which determined the squares for a mixer. And that was just the beginning of a season of wonderful theme dances. We danced at a Columbus Day Dance, a Halloween Crazy Hat Dance, and a Thanksgiving Dance complete with an entire Thanksgiving dinner as a mixer! Nobody left this dance hungry!

To keep our feet dancing in between our club dances, we did demos at the Roseland Historical Society, the Caldwell Street Fair, and the Montclair Historical Society. CTS raided Western Wheelers, and after a Harvest Home Supper, we raided Leisure Squares. No time to rest all those dancing feet -- we went right on to dance at the 20th Annual Mini-Festival. Everyone enjoyed a great day of fun, friendship, and dancing.

There's lots more fun and friendship, so come dance with us.

Our October was fabulous! We raided Harmony Dancers and Y Squares, both times with over two squares. Boy, do we have spirit! Our Raid Chairmen's Night had a great party atmosphere. It was attended by 14 squares of smiling dancers. A super time was had by all. We were having so much fun, we still had 12 squares dancing for the last tip. Thank you, Pete Diven. It reminded us of why we all love and continue square dancing. It was followed by the well-attended Will Larsen dance, filled as usual with his fun and challenging calling.

In November, we celebrated the beginning of our 42nd season with a beautiful anniversary cake created by our own Elaine Gracchi and the innovative calling of Mark Franks. We unfortunately had to cancel our November 26th dance due to the unavailability of our hall.

We came back in full force in December with our International Finger Food Nite. Valley Squares and Y Squares raided us that evening. We hope you were among those lucky friends who joined us in celebrating the holiday season with great refreshments, camaraderie, and the fun calling of Joe Landi. We wish a happy and healthy New Year filled with love and FUN to everyone

And just to show how square dancing can keep you young: Jim Grant is celebrating his 80th birthday with a **Square Dance Birthday Bash**. Brian Fugere will be doing the calling. All are welcome to the Grace Lutheran Church of Perth Amboy on February 5th, 2:00-5:00 p.m. No charge, just bring refreshments to help make this celebration one to remember.

Check out our ads in this issue. There have been changes in our schedule for February and April due to Richie Rich moving out-of-state and an **extra special surprise planned in March**.

Best wishes for the Holiday Season to all in square dancing and their families from Circle Eights. Also, a big thank you for everyone who made our Autumn Leaves dance a success. All who attended loved the location at the Alpine camp. A group picture was taken of everyone who was there and it was blown up to a huge size and displayed at our last dance.

It's that time of the year again and our student dances are coming up soon. So, look for our flyers and remember to support the new classes.

BELLES & BEAUX -- Glen Rock, NJ

MS/PL tip

1 & 3 Wed. Sept-June

Coleman School, 100 Pinelynn Rd.

1 & 3 Tues. July & Aug.

VFW Hall, 6 Veterans Pl., Elmwood Park

It's been a great autumn and while you read this, we hope you have square danced in the New '95 and aren't snowbound looking for the January thaw.

The B & B 15th Anniversary reunion dance was a huge success. Coleman School Hall was bursting its seams with "squares." It was good to gather members of Paul Brody's classes and many of our charter members.

Belles & Beaux is well represented in *Grand Square* with our class instructor Dick Mazziotti's column and the new columnist, our sewing expert and VP Rusty Ball. We have every reason to be proud of their achievements.

January also brings phase 2 of our class, somewhat more complex, but they're up to it. The first of our student Sunday afternoon dances at the Glen Rock Community Church Hall is that month. It's an opportunity for all students of area clubs to meet and use their new dancing skills. They'll be getting anxious for graduation when they attend lots of Mainstream dances in the spring. Spring can't come soon enough to suit us. Come dance with us.

BEE SHARPS -- Somerville, NJ

PL

2 & 4 Fri. Sept-June

St. John's Episcopal Ch., 158 W. High St.

The dance season for Bee Sharps is going well and we are looking forward to a year of fun and lots of goods dancing. All of our dances have been a big success, but that is only natural when you have callers like Al Kaesler, Bob Mitchell, John Kaltenthaler, and Mike Walsh.

Our class is well underway now and is keeping our instructor Wilson Hoff busy. It's always good to find new people who are anxious to learn square dancing, and also to have good angels who are ready to land a hand. They deserve a lot of credit and a big thank you.

Ted & Olga Pichnarczyk just returned from Arkansas. Ted attended a 50-year Army reunion and was vary happy to see a lot of his friends.

Hope everyone had happy holidays and keeps dancing. See you in a square.

AL'e'MO SQUARES -- Brooklyn, NY
2 & 4 Sun. Sept-June

MS/PL tips
Ft. Hamilton Comm. Rec. Bldg., Ft. Hamilton

Something new has been added at AL'e'MO, children of our members now join with us and square dancing is part of their lives too. But remember, we are their role models.

Three cheers to Fredda Kerner who gives her time organizing the hosting of our classes and dances. We also have cause for pride in that many people volunteer to help even when it's not their turn.

Our Presidents, Sue & Charlie Ludsky, had dance schedules printed. These booklets give information and are also attractive (just like me). Sue & Charlie have been forefront activists in organizing the food and clothing drive (also toys and furniture for children) for a Battered Women's Shelter.

In reading the minutes of our last Board meeting, your reporter was reminded of the actor-writer Robert Benchley, who wrote "The Treasurer's Report." As the treasurer was explaining the club's finances, a little old lady in the audience came up and asked the treasurer, "What the H_____ did you do with all the money we gave you?" And the treasurer "politely pushed her off the platform." Fortunately, AL'e'MO's treasurer is not like that. A vote of thanks to the hard-working Regina McCourt. And also to another "steady Eddie" in our club, Arnold Walker, who often volunteers as caller and teacher to give students extra practice.

Vincent Nunziato continues to plan and lead our raids. Two raid functions have developed: Those who believe in taking scalps and those who prefer circumcisions. Are the two compatible?

Remember, soft shoes only. We don't want our members' feet to become callused. It's bad for the sole.

THE SEWING CIRCLE ^{SQUARED}

We had a marvelously productive sewing session at LUST. The sewing group brainstormed things that we would like a Sewing Circle to do for us. We came up with great ideas, including flyers about sewing for square dancers! (The first of these, about the SEWING Seminars at the NJ State Convention, went out in December.)

We decided to start to put together a network of sewers in our area. We want it to include contact names in each club or area. We would use it as a notification/contact list for seminars and other happenings of interest. Another way it might be used is as a sort of "help" line for a sewer who is stuck on a particular project; we could each list our special interest/skills, and a phone number if we wouldn't mind answering questions from another sewer nearby. (And if we really fantasize, maybe someday someone would like to turn it into a newsletter.) Even as a simple list of names, however, it will be a real resource directory for all of us.

It should also include the names of any sewers who sew for pay (or barter) who would like to be put on a referral list--we are all frequently asked for this information.

There will be a flyer this month about this network. Look for it, fill it out, and send it in. The completed list will be sent to all the sewers on it. If you are on the list, even if you are not interested in being contacted by other sewers, you will find it valuable.

The "tools of the month" are some wonderful new pens we found:

- ✓ Iron-on transfer pens: just draw around the back side of any design you want to turn into a transfer, and iron the design onto your fabric. Then paint, sew, or applique over the design lines. Each one can be reused 3-4 times, and can continue to be reused indefinitely by going over the same lines when it gets faint. You can create stunning designs from any source, including large lettering in different fonts from a computer or a magazine. You can use it to recycle old iron-on designs that have lost their "oomph", too.
- ✓ Textile marking (paint) pen with fine line and brush-tip: with these you can write names or draw/paint designs on fabric without the messiness of paints--and it dries instantly. These are available in craft stores (Michael's or Rag Shops, for example), in a variety of colors and from different manufacturers.

Several of us keep this list handy to answer silly questions about our "stash". (Thanks to Rose Ericson, YSquares, for the starter list of 5.) If your favorite is not here, send it to us.

TOP TEN REASONS FOR BUYING FABRIC

1. It doesn't need to be fed or walked, and it's quiet--neighbors don't complain.
2. Someday I'll have kids (grandkids, nieces or nephews, neighbor kids...) to sew for.
3. It's great insulation when I stack it neatly around the room.
4. It's more versatile than wallpaper and it doesn't need to be "hung," just stacked creatively.
5. It was on sale.
6. It provides employment for many people.
7. If I can get the stack high enough, I won't have to bend over to reach it.
8. It's always a perfect fit.
9. It's going on sale tomorrow, and someone else will buy it all.
10. I like it and someday I'll find a use for it.

**Remember, a SEWING CIRCLE is just a big zero
until it is shared -- and ^{SQUARED}.**

Northern New Jersey Round Dance Leaders Council

Having fared the Holidays and by now have caused ourselves to break some of those every important resolutions we so diligently made, our thoughts, no doubt, are turning to have the balance of winter swiftly pass by and bring us the warm sunny days of spring.

Fear not! Budding right around the corner is the annual Spring Festival of Rounds to be held the first Sunday afternoon in March at the VFW Hall in Elmwood Park. Programming is currently underway and we can again promise a fine afternoon of dancing. The now "not-so-new" format, (or shall we say "first class format") will reign. The afternoon begins with an hour devoted to Phase V and VI and selected Phase IVs. The next two hours will concentrate on intermediate selections in Phase III and Phase II rounds, with the remaining hour focused towards easy, relaxed Phase III and Phase II rounds. Your Council members are very pleased at how favorably this "first class" format has been received by you, the dancers. Look for flyers and see your local cuer for more information and advance tickets.

Another spark of spring right around the corner is the NJ State Square & Round Dance Convention. Many of your leaders and dancing comrades have been putting a great deal of work and effort into bringing you an even bigger and better Convention this year. Remember, it can't work without your support and that's not much to ask with a return that is so high. This year round dance demos have been programmed to be performed in the square dance hall. Regularly scheduled rounds and teaches will once again be in the North Gym. In addition to most of last year's staff returning, we are fortunate to have Jo Yakimowski from

Just two weeks shy and I have already broken the well-vocalized New Year's Resolution. Watching clocks is just not my strong point and I now publicly proclaim that I will try to do better and give breaks. (See guys, not just God and you know, so now the pressure is really on.) We are currently learning our Phase III waltz and cha cha figures and we are all convinced that the "just once more" system does work. We have welcomed some new folks who just wish to review and reinforce their Phase III abilities. We encourage you to join us. Our seasoned group has been dabbling in demanding teaches of particular requests and have had some success by enlisting the silent partner ("Silent Partner???) of this team.

FUN AT DANCE

by Dick Mazziotti, Caller/Teacher

This column is dedicated to New Dancers. It is mostly unintelligible and quite uninteresting to those experts who have been dancing for more than a year.

"Are we having fun yet?" Like all things in life that are worthwhile (thin, money, hair), learning to dance can be hard work. But hard work need not be grim. Callers, New Dancers, angels, -- LIGHTEN UP! We've got to remember to have fun, first, last and always. Did you know there is a club actually dedicated to having fun? Ask the member of F.A.D. Squares what their club name stands for.

"But Dick, we don't want to take the square down," I heard a New Dancer say. Here is the Revelation-of-the-Day folks. It isn't always the new dancer who takes the square down.

Angels, trying ever harder to help New Dancers complete the calls, can sometimes be so absorbed that they lose their own place in the square. Any resemblance to dancing goes west for everyone concerned. Callers, trying ever harder to be helpful, wait for a slower dancer to complete a move, thereby throwing off the timing of the calls that is so important for smooth dancing. The resultant stop-start-stop is not dancing; it's just uncomfortable, and makes it more difficult for you to dance. And (please don't tell any other caller you heard this from me) callers very occasionally will call something that is awkward or even, dare I say, impossible to do!

Another of the gremlins that afflict new dancers is simply getting used to a different caller. As you go out to dances at other clubs, you will start to hear other callers. Their patter, help words and cadence may be different than what

you are used to with your caller. It takes some getting used to. We used to tell New Dancers, and perhaps it is time to revive the practice here, that when you go to a new club or have a new caller, there is nothing wrong with sitting out the first tip just to listen. Some callers deliberately start a dance with one or two singing calls just to make it easier for dancers to get used to their particular cadence and style.

We recently heard of a caller complaining that dancers could not keep up with his neat stuff when his home club was able to do it. Well, maybe his home club was used to his neat stuff. Or maybe his timing was off. Or maybe there was a full moon. We all go for walks at the strangest times!

The point is New Dancer, don't assume that all the problems of the world fall onto your shoulders as soon as you walk into a square. There are hundreds of reasons for a square to go down. Square dancing is not contest between the caller and the dancers. If it were, the caller would always win the battle by calling difficult or impossible stuff, and the dancers would win the war by staying home.

Instead, let a smile be your umbrella, pack up your troubles in your old square dance bag, keep on the sunny side of the square, and smile, smile, smile. Happy dancing all.

Welcome to a New Year of square dancing. We hope that you had a great Holiday Season and are looking forward to a great year of dancing. Please make sure you attend CCNJ's Student Dance the last Sunday afternoon in February, to be followed that evening by our Plus dance. Both dances will be held at the Jewish Community Center of Paramus.

You only need to pay admission once so it is possible to get two dances for the price of one. We also would like to remind you of the NJ State Square & Round Dance Convention on the last Saturday in March, which will feature many of our members calling for your pleasure.

If you are a prospective caller, why not attend our next CCNJ meeting on March 11, at the Woerners. If you need any information, please feel free to contact us at 203-794-0053.

The recently completed manual "Starter Kit for Newer Callers" is now ready for sale and distribution. This has been a project of the Caller Training Committee and represents an excellent value of very important information, especially for new and relatively new callers.

The contents of the manual include the Formations and Arrangement charts as well as common definitions currently in use by most callers. It also includes many Callerlab handouts on such topics as Music, Smooth Body Flow, Helper Words for Callers, three papers on Timing, Modules, Mental Image, Sight Calling, and the Code of Ethics; two papers dealing with Degree of Difficulty and Reference Sources; and two application booklets on Mainstream and Plus.

A listing of the Accredited Caller-Coaches is included as well as information on scholarships available for continuing education. The manual is arranged and published in a loose-leaf notebook format so that when changes are made, you can insert the replacement pages. You may order the manual from the Home Office at: Callerlab, 829 3rd Ave., SE, Ste. 285, Rochester, MN 55904-7313. The cost is \$15.00 plus shipping.

The **Mainstream Quarterly Selection** for the period January 1-April 30, 1995 is **Grand Parade**. Start: Static Square. End: Static Square. Definition: From a normal, squared set: Heads step forward to make a wave; ends arm turn adjacent dancer half, new Centers arm turn 3/4; Side ladies now step forward to become partner to the Head man and the Side men Courtesy Turn the Head ladies; all now Promenade Half around the set to face in, where Heads repeat the above once more and the Sides then repeat the action twice, to end in a squared

"SWEET HOME ALABAMA '95"

As of September 30, 1994, 4,794 dancers were registered for the 44th NSDC. The leading five states are Alabama, Florida, California, Texas, and Illinois. Dancers from five foreign countries have registered. Over 1,300 dancers have converted their "Sweet Home Binder."

Bus passes are strongly recommended due to the shortage of parking at the Civic Center and scarcity of facilities within walking distance. The Alabama State Fairgrounds will be used for RV camping and electricity, sewer, and water are provided. Restroom and shower facilities will be in the adjacent arena building.

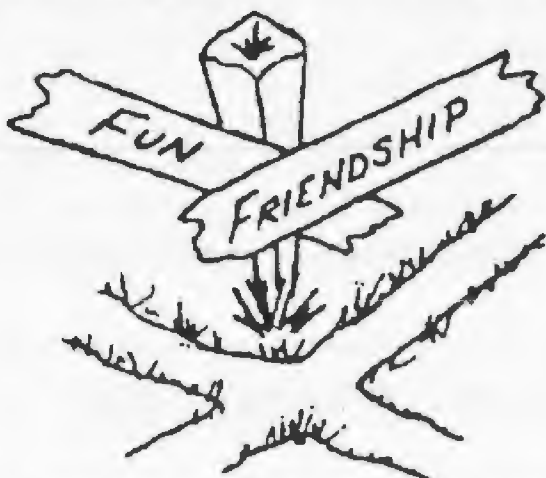

Proper attire for dancing in any square, round or contra dance halls:

Males: Do wear LONG SLEEVE western style shirts. Do wear long pants or jeans. Do wear bolo or scarf ties. Do wear proper square dance shoes (no taps in non-clog halls). No short sleeves, short pants, T-Shirts.

Females: Do wear square dance dresses or skirt/blouse ensembles of reasonable length. Do wear petticoats and pettipants. Do wear proper dance shoes (no taps in non-clog halls). No pants, shorts, T-shirts.

Please understand that the "requiring" of certain proper dance attire is to make all aspects of our event conducive to the atmosphere of the "World's Greatest Square Dance Event." If you choose to dress outside the guidelines, you will only put your fellow square dancers in the position of enforcing them. Please, let's all use courtesy and enjoy the Convention. LETTERS TO THE EDITORS . . .

While I don't have Dick Mazziotti's way with words, I'd like to attempt to express my concern about another type of pyramid (not the food one).

A pyramid normally has a large base, which I used to think of as Mainstream. As it gets narrower toward the top, the base supports Plus, Advanced, and Challenge.

Let's experiment with some numbers. If we have 19 Mainstream clubs as a Base, our pyramid could probably accommodate 12 Plus clubs, 6 Advanced clubs, and 1 Challenge club. But that assumes each club has the same number of ACTIVE dancers, not just names on a list who pay dues but dance rarely.

It would be interesting to survey average attendance at each program of dance. From what I saw at the recent Mini-Festival, it would appear that Advanced attracts about 40% of dancers in our area, while Plus attracts about 45%. That leaves only 15% for Mainstream and Challenge. WHERE IS OUR BASE?

Our pyramid cannot stand; it will topple over! Surely, the Advanced dancers must - sooner or later - recognize the need for them to provide a place for new dancers to learn Mainstream, and to provide Angels as well. It is up to all of us to attempt to widen our base. None of us are "above it all."

Sponsoring Mainstream classes should not be solely up to Mainstream clubs! Perhaps we should omit club sponsorship entirely and have the NNJSDA sponsor Mainstream classes, in the 5 geographical areas outlined for the new Raid Program. Callers could cooperate (even though that sounds unusual) and share classes in their area. For example, caller "A" would teach the first week of each month, during the first 10 weeks of lessons, caller "B" the second week, etc. Then if there are more callers in that particular area, caller "E" or "F" could come

on board for the second set of 10 lessons, releasing caller "A" for some time off. We have a new Mainstream Teaching Order, which most callers have adopted, and there is no reason why revolving instructors should not work, as long as we are consistent with "every 3rd week" for example.

It would be up to the NNJSDA to advertise, find suitable halls, collect fees, and pay each caller on a per student basis, only (18 students=\$36 per class session). Assuming the NNJSDA charged each student \$3.50 per class session, the remaining \$1.50 per week would have to cover hall rental. Advertising would be consistent in all geographical areas, and fees to callers would be fair, if based on a per student method. Or course, angels could come from any local club, even Advanced dancers.

How about opening our eyes to a different way of conducting classes? Instead of club/callers competing with each other, we would have cooperation - WOW.

THE FEDERATION OF DELAWARE VALLEY SQUARE & ROUND DANCERS

Each year the Federation sponsors two weekend events: the "Dancing By The Sea" Weekend in Wildwood Crest, and the Delaware Valley Convention.

The 11th annual "Dancing By the Sea" Weekend will be held April 28-30, 1995, in Wildwood Crest, NJ. Callers will be Henry Ferree (PA), Damon Coe (VA), and the cuers will be Ron & Ree Rumble (NJ). All the dancing will be on the Crest Pier, on a wood floor, with Plus and Advanced dancing. All rounds will done in the Plus hall. Some Country & Western dancing will be featured.

All motels are within easy walking distance to the Crest Pier. This is a relaxed weekend and square dance attire is necessary only for Friday and Saturday night sessions. Judy's Square Dance Shop from Easton, PA will be there. The cost of the weekend is \$175 per couple or \$105 per single. For additional information contact Mitch & Carin Cytacki at 215-736-1436. Ad on page 42

The 34th Delaware Valley Convention "Discover the Magic" will be held September 14-16, 1995, at Mt. Airy Lodge in the Poconos. Mount Airy is providing ample space for dancing and plenty of elbow room to move around. Renovations have been completed and the lodge has really been enhanced.

There are three types of guest rooms available: Superior-\$91.00 per night; Deluxe Regency-\$77.00 per night; and Standard-\$64.00 per night. Rooms are assigned on a first-come, first-served basis. There is an optional breakfast and dinner meal plan for \$28.00 per person/per day, plus tax and gratuity. The menu is varied with many entrees to choose from and we recommend you take advantage of this plan.

Thanks to all of you who gave us your support while we were in transition and now let's get out and "Discover the Magic." For more information contact Ted & Joan Hawkins at 610-584-8315.

to promenade by as stars, but the gnat wouldn't let us. We boxed the gnat to get him out of the way, but this angered the title wave of people who yelled out "shoot the star." Boy did I run and my girl ran too. We didn't dare wheel around to the line but zoomed into that maze.

We saw a square and passed thru it. We got lost and did a double pass thru. We veered left; we veered right; we did a cloverleaf. We must have gone thru that square enough times to count on 3 hands or maybe 4. Finally, we took a cross trail and passed thru to the center and out of the maze.

On the other side, we saw the ocean. There were waves on the right and also waves on the left. We knew we needed to pass the ocean but did not yet know how to load the boat. Luckily we saw a hanging rope and were able to

LEGACY

ASSEMBLY OF "TRUSTEES" OF THE
SQUARE DANCE ACTIVITY

Time to plan for Legacy XII! Before you know it, it will be time for our next Legacy Biennial Convention on May 18-21, in Fayetteville, Arkansas. Regardless of your political affiliation, please plan on attending the Legacy XII Convention. It will be another excellent convention with lots of ideas to absorb

and many sessions with which to get involved. While we haven't yet picked out all of the speakers, if one of the subjects listed below strikes a chord with you and you want to get involved, please drop a written note to John & Freddie Kaltenthaler, Box 679, Pocono Pines, PA 18350; 717-646-2945.

The theme for Legacy XII is Get a LEG up on Legacy or Shake a LEG to Legacy XII. The topics to be discussed during the convention include but may not be limited to the following:

- L Leadership
- L Legislation I and II (By-Law Revision and How to Run a Meeting)
- L Learning - How can we keep learning fun and still meet the club objectives?
- L Lists - How they came about and why they are necessary for world-wide dancing. Success stories where clubs and callers have followed the Callerlab recommendations.
- E Education - How do people learn and why people square dance.
- E Evaluation - How do you rate your club or region?
- E Economics - How you set fees. How small is too small to make classes feasible? When do you say enough is enough? Stop!

swing thru. On the other side, we had to circulate thru boys, girls, and couples. We had to circulate ends, centers and split outside couples. We even had to deal with an old caller who put the touch on us for a quarter. Finally, we got to the Grand Square. We got in the car, slipped the clutch and were off again. My partner suggested a left on DoPaso, but construction had broken it up forcing us to go left on Allemande, which brought us home.

I woke up feeling like I had spent too much time on a seesaw. My head was spinning like a top and my eyeballs were walking and dodging behind my eyelids. I fanned the top of my head, cast off three quarters of my dream, and recycled my mind to the problem at hand, namely, if I scoot back so I can send her dixie style to an ocean wave, will I be able to spin chain thru before Amos Moses shows up?
