*From the computer of . . . Jim & Barbara Thoma, NNJSDA Presidents*

We are very happy to see a number of our clubs projecting to the public the fun and friendship connected with square dancing through the demonstrations given at malls and county fairs. These demos have already allowed clubs to mingle with the onlookers, advertise and invite people to open house and barn dances, and to help an outside organization to schedule a barn dance. We wish to thank the callers, clubs, and dancers who took part in these activities and helped to get the spectators to become participants. The fun that we all had at the demos appeared to be contagious at the events.

We would like to congratulate Irma Huhn of Bee Sharps, Margaret Guyre of Belles & Beaux, and Butch & Gail Conklin (second time) of Lakeland Squares upon completion of the Patron's Award program. Also, we would like to congratulate the Bee Sharps, Circle Eights, Cross Trail Squares, and Lakeland Squares for completing the *One Square Is Fair* program for the 1998 Summer Dances.

Do you have a matter that you would like to discuss at a meeting? We prepare an Agenda in order to maintain some order during our meetings. The Agenda is prepared approximately three weeks prior to the meeting.

*"ONE SQUARE IS FAIR"*

## LETTERS TO THE EDITORS...

"Was the square dance demo a success?" Being asked this question over and over again led me to write this letter. By success the asker implied or actually added, "How many signed up for classes?" My answer invariably was, "Yes, the demo was a success. Lots of people saw the fun of square dancing and now know what square dancing is."

I think the idea of doing demos for the purpose of recruiting for classes has to change. The square dance community should be out dancing in front of the public, or non-dancing populace, as often as possible all year long. We need to let people see that square dancing is exercise for the body and brain, and fun too—not the hokey square dancing from school days or the country western dancing on TNN. And they need to see it again and again and again. In time, if they see it enough, we will attract some people because they decide they like the activity and others as they find time in their lives to fit it in. But we need to plant the seeds and let them germinate.

Club membership is down because the number of new dancers coming in is down, and it is sad to hear how many clubs couldn't get a class together and how many clubs are folding. Our recruitment methods need updating and all dancers from all levels need to be involved. Square dancing is the best kept secret around and the time has come to open the door and let the secret out. Demos are one way of doing this. We need to be seen!

*Chariss Smith, Rockland Promenaders*

## LETTERS TO THE EDITORS...

The survival of square dancing depends on: 1. Recruiting new dancers; 2. Keeping new dancers active.

Recruiting new dancers: We must find ways to get people to try our favorite pastime. One idea for getting people to try square dancing: Offer barn dances as a fund-raising event to other groups. For instance, the event might raise money for a new organ for a church; new uniforms for a team; a school trip to Washington, D.C.; help a disaster-stricken neighbor; new equipment for a fire department or rescue squad; and any event that might garner media attention.

The organization wishing to raise funds arranges the dance hall, does the publicity and ticket sales. Square dancers would arrange for the caller (possibly at a reduced rate if there will be publicity, especially for a class), and provide the demo dancers. The square dancers and the sponsoring organization work together in arranging the date and the time.

If getting a hall is difficult for the sponsoring organization, the square dance club involved might set up one of its dances at the fund-raising barn dance, but the organization must be heavily involved in selling tickets, especially to its own members.

Keeping new dancers: We must have them feeling part of the club and having fun. The feeling of being part of a club is to form a closeness with the other members. A feeling of being part of the club is formed by a gradual integration into the club, such as having them come to a club dance where the dance is at their level two or three times before graduation. Raid other classes or Mainstream clubs with as many new graduates as possible and have an equal (or greater) number of club members.

## 49TH NATIONAL SQUARE DANCE CONVENTION

*From a letter sent to Frank & Helen Cavanaugh, General Chairmen  
of the Docking Dance held on August 1, 1998*

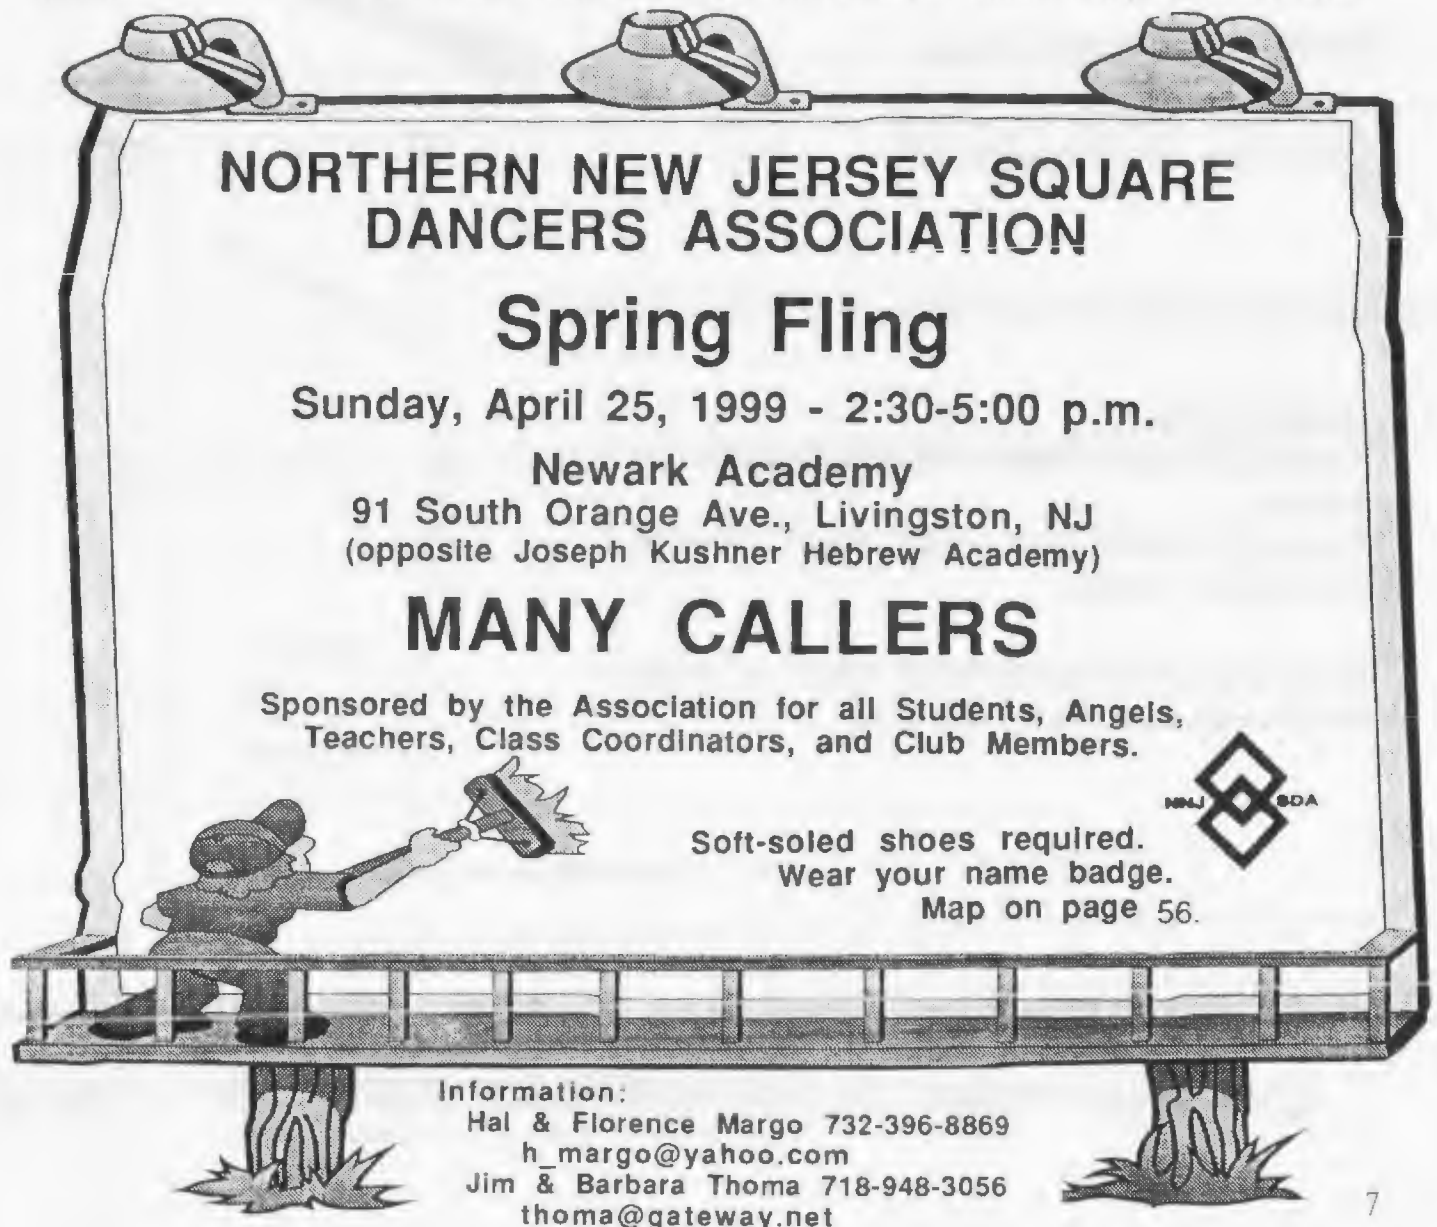

Linda and I, the 49th Board of Directors, and all our Committees thank you for your undertaking of this great event of the August 1, 1998 Docking Dance that you chaired with the Square Dance Council of New Jersey and all of its affiliates in support of the 49th National Square Dance Convention.

Your committee was outstanding in its quest to put on a great dance for us. We cannot thank you enough for all of your hard work in support of the 49th. The check for \$5,000 that we received from your organization comes at a good time for us. We are presently getting ready for our pre-convention meeting with the National Executive Committee and all the of the upcoming Conventions on February 24-27, 1999. This check will go a long way in helping us finance this meeting.

Please give our thanks to Rich Delgado, Square Dance Council of New Jersey Chairman; the Northern New Jersey Square Dancers Association; the Central New Jersey Square Dance Association; the Federation of Delaware Valley; the Callers Council of New Jersey; and the Northern New Jersey Round Dance Leaders Council. Without their support to your committee, this Docking Dance would never have occurred.

We know that you put a lot of effort into the success of this dance, and it is greatly appreciated. Little did we know in June 1995, that we would have so many partners on our side working this hard to make this 49th NSDC a great success. We plan to continue to produce one of the finest National Conventions ever, and with this kind of support and dedication, we cannot miss.

## IN MEMORIAM

On December 18, Dave Staack died in his home at the age of 53. Dave was a long-time member of Y Squares, serving as Treasurer for five years and Secretary for two years. Dave always had his camera in hand and readers of *Grand Square* have seen many of Dave's photos in our issues over the years.

Dave wanted everyone to know about square dancing and was one of the first dancers to have SD license plates.

Dave served in Vietnam while in the Air Force and was a member of the Westfield Presbyterian Church. He worked for Elm Radio and Television for the past 10 years.

Members of Y Squares will miss Dave's smiling face as he snapped pictures recording the history of their club. Memorial donations may be made to The Westfield Rescue Squad, 335 Watterson Street, Westfield, NJ 07090.

## IN MEMORIAM

Long-time dancers will be saddened to hear of the deaths of Doris Holmes and Steve Musial. Doris, and her caller husband, Hal (who died in December 1997), retired to VT. The Holmes had just received the Yankee Clipper Award several months before. Steve Musial and his wife, Dorothy, were Chairmen of the NSDC in Atlantic City in 1977, and Editors of the *Pennsy News*. Steve also was a keynote speaker at L.U.S.T. (now known as the Gathering).

**AL'e'MO SQUARES - Brooklyn, NY Alt. MS/PL**  
**2 & 4 Sun. All Year Our Lady of Grace Ch, Ave W & 3rd St.**

Al'e'Mo looks forward to another great year. At the Docking Dance in August, we sent a small bus with about 25 dancers, mostly Al'e'Mo people. The best part was not having to get into the car for a long drive after an arduous day of great dancing. Ditto for the Mini-Festival in November.

Our September Open House was very well attended and yielded 47 prospects for our new class. Hopefully, all of them will complete the year. The Open House was a special one. We were honored to have a reporter and photographer from *The New York Times* visit us and write a story about square dancing in the Big City. The story appeared in the City Section of October 12 issue of the *Times*. Square dancing and Al'e'Mo were included in the write up. The reporter found us through the Internet's Web Pages and the link is: "Square dancing in Brooklyn." We are proud that we are able to publicize and promote this great social activity.

Also in September, we participated in the Friends of Marie Park Festival Day; and in October, we did the same thing for the Narrows Botanical Garden. In November, we danced for patients in the Methodist Hospital and held a "Food for the Needy" dance to benefit victims of Hurricane Mitch. We thank Kings Squares (Brooklyn) and Kittatinny Rangers (NJ) for their visit and contributions to make that evening a success.

We anticipate doing more raids by bus with the cooperation of other clubs here and on Staten Island. We have found this a most congenial and efficient way to travel to and from the more distant clubs. Thanks to our President, the Officers, and Don & Dot Coy, who work so hard to make nice things happen.

## **BEE SHARPS - Bound Brook, NJ**

**PL/RD**

**2 & 4 Fri. Sept-Jun Bound Brook Untd. Meth, 150 Union Ave (Rt. 28)**

First of all before I begin, I want to congratulate Bill & Holly Smythe on their marriage this past September. They treated Bee Sharps to a square dance wedding, and a treat it was. The bride and groom came in their wedding clothes and wanted the Bee Sharps to enjoy their happiness, as it was at our dances that they met. The square dance was a complete success and everyone had a ball. Good luck and happiness, Bill & Holly.

Classes started September 28. We had a good showing at our Open House. Thank you, angels, for showing up. The proof of the pudding is that the students keep coming these following weeks???

Our last square dances were great. At our first dance of the season, two clubs raided us: Harmony Dancers and Staten Island's Richmond Dancers. At our Halloween Dance, half of the club was in costume. We had witches, devils, Spanish ladies, and both male and females scarecrows. We had a lot of fun scaring each other. This sure is a fun club.

Ed & Grace Klein are ordering jackets for the Bee Sharps. When you see red, you'll see the Bee Sharps!

Everyone take care and have a happy Thanksgiving (don't eat too much). I do hope you all have been good as we want Santa to give us what we really want at Christmas, and have a Happy New Year's Eve and Day.

## CIRCLE EIGHTS -- Haworth, NJ

MS/PL tip

4th Fri. Sept-June

St. Luke's Episcopal Ch., Mass. & Grant Aves.

We hope all of our square dancing friends enjoyed the Holiday season and we wish all a happy and healthy New Year for 1999.

On October 25, Circle Eights held our fifth annual Autumn Leaves Dance at the picturesque Boy Scout Camp in Alpine, NJ. It was a gorgeous fall day, and all who turned out enjoyed Carroll Dickensens's calling and Lois Bichler's line dancing. The food was delicious and in abundance. We thank Lynn & Sabatay Sides for chairing this event, and all the members of our club who contributed food, door prizes, and their time and efforts toward making this a huge success.

We are making a change in our spring calendar this year. Instead of having our Pot-Luck Supper at our last dance in June, we decided to move it to May. It is always so hot in June that we thought it would be more enjoyable in May.

Our class is progressing nicely. We hope to see all of our students at the various student dances which will be held in the coming months.

We have a great lineup of callers for the next six months so be sure to come out on the fourth Friday of every month. You can be sure of warm welcome and some outstanding food. Hope to see you all soon and often.

**COUNTRY PROMENADERS -- Edison, NJ PL/RD**  
**2 & 4 Sat. Sept-May Stelton Comm. Ctr., Plainfield Ave. (Rt. 529)**

Terry & George Seibert have been doing a wonderful job as our Presidents. Art Cross, our new Raid Chairman, has been keeping us busy, including Y Squares' 35th Anniversary celebration. At the Mini-Festival, we had a great time dancing and shmoozing with friends whom we don't get to see often enough.

Our classes are progressing well under the excellent tutelage of Frank Riviccio. We are trying a new format of each Wednesday class night split between Basic/Mainstream and Plus lessons. We are aiming to bring new Basic/Mainstream dancers into our activity, help recent graduates become stronger Mainstream dancers, as well as teach Plus to experienced Mainstream dancers so that they can become active members of our club. Our graduates from the past two years are making wonderful angels while reinforcing their skills.

With the goal of bringing ALL dancers together for a fun evening, regardless of the program they dance, we are hosting three Mainstream/Plus dances this season. Our next two dances with this format are April 24th and May 22nd. We look forward to seeing many new as well as familiar faces.

We extend a big welcome and yellow rock to Bee Sharps, the newest member of the Five Clubs. The Five clubs hosted another frolicking New Year's Eve Dinner/Dance. This was our first time welcoming in the new year with a Mainstream/Plus dance. Friendly company, delicious food, fun calling of Joe Landi, and smooth cueing of Karen Kushla—what more can you ask?

Remember: we welcome all single dancers (male and female), and we'll gladly help you find partners and keep you dancing throughout the evening.

Last but not least, TIM MARRINER will be returning for Carnivale on March 13th. Get these hot tickets either by mail or at our dances. Get ready to PARTY!

**2 & 4 Wed. Sept-June** Lincoln School, Crane St.

That chill in the air can mean only one thing, "Old Man Winter" is arriving to dance another tip. I have to admit that I like and am thankful for the winter season both for the holidays and for all the holiday dances. Cross Trail instituted a holiday food and clothing drive. It helps us all to remember both how lucky we are and also that it truly is more blessed to give than to receive.

Bob Mitchell and an exciting list of guest callers and cuers have been keeping us all on our toes, but I still sometimes wish they would do a better job of calling what I am dancing. I am always thankful for the good will and cheer of everyone in square dancing for taking the occasional "brain lock" with good humor.

Our square dance classes are in full swing led by Cross Trail ace teacher, Ron Kapnick. We are hoping to graduate better than two squares of new dancers which will be yet another thing to be thankful for.

And while I am counting my blessings, let me also remind you to check with us in the coming months for our special theme dances including Pie Night and the always popular Ice Cream Social. We are out on the raid circuit as usual and hope to see as many NNJSDA members as possible. We also were well represented at the Mini-Festival and are trying to keep our "One Square Is Fair" attendance record intact. We are also thankful that the NNJSDA keeps working to make square dancing bigger and better.

One final personal note. I have been dancing for six years now and have never won a 50/50. I'm the guy with the "World's Greatest 50/50 Loser" badge. So if you come to a CTS dance, you just may see history in the making when I win my first one. Well, probably not, but you'll have a good time anyway.

**2, 4 & 5 Tues. Sept-May**

**Delaware Valley M.S., Routes 209 & 6**

Summer brought our Ice Cream Social hosted by Betty & John Rigo. They provided the ice cream, nuts and various toppings. Ellen & Rich Burns from Nutmeg Squares of Waterbury, CT, joined us along with dancers from Hemlock Squares. We are always happy to see the Kittatinny Rangers, who raided us at our School Days dance. Square dance sun catchers, provided by hosts Marianne & Ken Yeaw, were given away as door prizes. Members Barbara & Bud Leary celebrated their 37th Anniversary. A hearty welcome to Jo King & Jim Mazeika, who recently joined our club.

We were raided by Lakeland Squares at our next dance. It is always fun to have other clubs visit us, so keep those raids coming. Jane Frey & Elliot Farber hosted. We wish to thank Harmony Dancers, who traveled all the way from Scotch Plains, NJ to raid our October dance. They were joined by guests from D&H Squares, Circle Eights, and Hemlock Squares.

Our Halloween Dance had cider, cakes, and baked apples, but look out for the gummy worms crawling out of the apples. Elliot Farber & Jane Frey had a hard time judging but the costume winners were: Most creative: clowns, Judy & Charlie Williams; Funniest: Dracula and witch, Bill & Kathleen O'Hara; Scariest: ghosts, Rich Murphy, Jo King, and Jim Mazeika; Prettiest: Peter Pan, Barbara Leary; Most Clever: Carol & Ray Proulx, who dressed as each other.

At our November Pie Night, we had ten different pies supplied by our members. Carol & Ray Proulx celebrated their 24th Anniversary that night. In late November, our club celebrated its 15th Anniversary by holding a dinner dance at the Tom Quick Inn in Milford. Happy Holidays to all.

**1 & 3 Sun. All Year**

**Paramus Congreg. Ch, 205 Spring Valley Rd.**

Our former President, Dorothy Fels, made her annual cruise during October. This time was to the Caribbean, but they stayed away from Hurricane Mitch. Then in January '99, she will be on another cruise. She is getting to be quite a gadabout.

F.A.D. members do a great deal of traveling. Chris & Lorrie O'Connor went to the West Coast to see their son and his family. Bill & Vera Clampet visited Dollywood. Dick & Brenda Dexter and many others "hit the road."

Our F.A.D. class is doing well under the directions of caller, Fran Wadel, and with the support of many angels, but we could use more. Thank you all for your support.

Our esteemed Presidents, Jim & Pat Broderick, have a new judge in the family after a two-year wait. Their daughter is now a Federal Judge. Congratulations to Jim & Pat as they celebrate their 54th Anniversary on December 2. Good luck and many more. We will be losing the Brodericks this summer when they move to Lakehurst, NJ.

F.A.D. means Fun At Dancing. See you soon.

Happy New Year to everyone! Well, now that the holidays are over, it's time to work off some of those holiday pounds. And what better way than dancing at our new home at All Saints in Scotch Plains. We've been there since September, and our members and guests have been having a great time ever since!

Just a little "hello" to Phyllis Tallamy, who's been down but not out, with regard to that nasty hip of hers. We hope you'll be up and running real soon.

We graciously invite all round dancers to come and join us at our 6th annual **Ron Rumble Round Dance Special** on Sunday, January 31, at the Presbyterian Church in Cranford. Ron is fabulous, and we promise you a great afternoon of tripping the light fantastic!

We're also looking forward to hosting the annual Presidents' Ball on February 20, with caller Howard Richman and cuer Karen Kushla. Hope to see lots of you "Head Honchos" out dancing and having fun instead of taking care of all those details for your own dances! We intend to have REAL good time, right Howard?!!!

So folks, whether it's pie night, Prez night, or our ice cream social, you're always welcome at Harmony. And we'll leave the lights on . . .

### Special Dances

VFW Hall, 6 Veterans Place

Well, the "thank yous" were sincere, but our "farewell" in the last issue of *Grand Square* was somewhat premature. Like the Phoenix bird, Hix & Chix rises again, even if only periodically.

But let's back up. We were pleased with the turnout of the September (Don Coy) and October (Ted Fellegy) dances. We expect a good showing for the November (Gerry & Chuck Hardy) dance, and the December Christmas Dance featuring Jim Snyder. As indicated in our ad elsewhere in this issue, we will host a special dances in June (Jim Snyder), July (Joe Fioretti), August (Ken Bauer), and September (Dee Dee Dougherty).

For the few who may not know it, Frank Bremer passed away last July 16, without warning. Frank was a stalwart of Hix & Chix, and square dancing in general. We miss him!

**1 & 3 Fri. Sept-June**

**Ironia Elem. Sch., Dover-Chester Rd., Rt. 513**

Leaves are falling, the air is nippy, and fall is here. This means one thing, it's square dancing time. Ironia Reelers started their season a little early this year when we raided Lakeland Squares last summer with three squares. In October, we raided Kittatinny Rangers, and on November 21, we will raid Harmony Dancers. Last dance season, we made our raid requirement and our new Chairpersons, Eileen & Bill Ebell, are determined we will do it again. This is fine with us. The more raids, the more time to spend with our square dance friends.

Wilson Hoff is again teaching a Mainstream class and we are always looking for angels to help encourage and dance with our new students. Come out and meet them.

We had quite a crowd of Reelers at the Mini-Festival. A large group of us ate together at the dance and brought something to pass around. Others ate out. Tom Simanski loves the restaurant with the buffet where they serve 140 items. I'm afraid if I went there, I wouldn't be able to dance when I finished. Whatever, a good time was had by all.

We have missed a few couples who haven't come back yet this fall. Come on, get off the couch and get those bones moving again. Try it, you'll like it!

Oh wow, do those Rangers keep perking along! Our congratulations to Molly Chaplin and Nick Golio on their engagement. You certainly meet great people square dancing!

We did demos at Bynon Days, Pike's County in PA and the Masonic Orders in Budd Lake. There were about 20 happy Rangers at the NNJSDA Mini-Festival. Yes, "One Square Is Fair."

Ironia Reelers raided us and our room was bulging with dancers. Good for you Ironia and many thanks. Speaking of a lot people—Ed Foote sure packed them in at our Christmas Dance. We're so grateful for all our friends. Now people, go Yellow Rock that partner of yours.

**LAKELAND SQUARES -- Parsippany, NJ - MS/PL tip/RD/CW**  
**Every Tues. Sept-July Temple Beth Am, 879 S. Beverwyck Rd.**

This year we are featuring a Mainstream All Position Workshop at each dance. This has been a popular feature of every Tuesday evening's program. The "different" positions we find ourselves in are beginning to feel just as "right" as the standard ones. We note several other clubs are offering APD workshops also. It must be a trend. Our caller, Bob Mitchell, says, "It gives the caller more to work with." And it gives the dancers more to think about, we say.

Our Raid Chairman, Chuck Conklin, has set up an active raid schedule for us. Spinning Wheels, Dingman Dancers, Richmond Dancers, and Rutgers Promenaders welcomed us before the winter set in. We also did a demo at the First Presbyterian Church of Hanover in September, an annual event for Lakelanders.

We would like to see more new dancers participate in raids. It is such an easy way to realize how many doors are open to everyone who wears a club badge, and to experience socializing with "friends you haven't met yet." That is half of what square dancing is all about.

### MOUNTAIN SQUARES -- Whippany, NJ

**A-2**

**1 & 3 Wed. Sept-June**

**First Presbyterian Ch., 494 Route 10**

Mountain Squares is never a gamble with calling by Joe Landi, a dedicated expert and one happy fellow. You too can enjoy his style on a Caribbean cruise in mid-winter '99. The Gulyas and Iwanyshyns can testify to a great time, for they went last year.

Who's back? Elsie & Bill Beebe are on home territory after a stay in Minnesota, where Bill had been working. Walt Angerer is fine after scaring everyone who learned he had gone to the hospital following that fantastic square dance weekend at Tumbling Leaves in Vermont.

Mountain Squares had one square at the NNJSDA 40th Anniversary dance as well as at the November Mini-Festival. A group of us will be celebrating New Year's Eve dancing with Cross Trails or the Five Clubs.

In order to give John Kaltenthaler's Monday night Rock-A-Ways extra practice, we are changing our program to A-1 in January, February, and March. We hope you enjoyed the holidays. "Cum C Us" this winter.

### **OCEAN WAVES -- Staten Island, NY**

**MS/PL tip**

**1 & 3 Fri. Sept-May**

**S. Is. Univ. Hosp. South-Cafeteria, 375 Seguine Ave.**

Ocean Waves began the fall season with a demo at the Richmond County Fair on Labor Day Weekend. Thanks to Howard Richman for making it entertaining and fun for all. Thanks to OW members Joe, Maria, Roy, Cheryl, and Bill; Richmond Dancers, Ed & Evelyn Hochuli; Kings Squares Presidents, Ben & Shirley Friedman; and to Jim & Barbara Thoma, and David Shand for being great surprise crowd "plants." The Barn Dance two weeks later had some couples who saw the demo. Nick Martellacci made the barn dance success.

The Apple Festival was also a fun night of dancing thanks to Gerry Hardy's calling. I'm told the apple pie was great too—as it is every year.

We danced in rain on the back of a flatbed truck for the Staten Island Columbus Day Parade, along with Richmond Dancers, a contingent of dancers from Al'e'Mo Squares, and the fine calling of Don Coy, all in name of promoting square dancing. We handed out hundreds of tickets for a "free" square dance lesson. Sadly, despite our recruiting efforts and those of Richmond Dancers, we had no students for our co-sponsored Wednesday night classes. We aren't giving up though. We will try again to start classes in January. Many thanks to Steve Forman for all his time and effort and being ready to teach each week.

The Halloween dance was pretty spooky. Dan Koft showed all a howlin' good time with his calling. "The Witch Doctor" singing call was my favorite, as was "Oh Lonesome Me." Thanks to Lou Flego for making the trip to SI to call our Fall Ball. We hope your shoulder is better. We had a wonderful time with your interesting and challenging way of calling. Thank you, Helaine Schwartz, for announcing the dance on the web. We welcome all dancers, students, recent graduates, or experienced dancers. We'll hold a spot for you in a square.

**RICHMOND DANCERS --Staten Island, NY****PL****2 & 4 Sat. Sept-June****All Saints Church, 2329 Victory Blvd.**

Our Halloween Dance was a great success. As you would expect, Count and Countess Dracula (alias Richard Fornari and Adele DeLisa) greeted us with spiders. As always there were twice as many goodies as dancers, and with Manny Amor calling, we all had a haunting good time! Our Presidents, Helen & George Nadeau, provided us with lots of laughs.

Richmond Dancers sends get well wishes and prayers to Jim Chukalas and hope he's back on track real soon. Get well thoughts are also sent to Sue Valentino, Pete Yuskevich, Helen Dunlop, and Lou Motola.

Our past Presidents and current Vice Presidents as well as Editors of *Grand Square* (whew!), Kathy & Charlie Porter, celebrated their 25th Anniversary and we extend our love and congratulations. The entire square dance population attended the spectacular affair. It was great seeing so many familiar dancers, including officers past and present from so many clubs as well as the NNJSDA. It seemed like old times. The company, food, ballroom and square dancing (called by Dick Mazziotti) were only surpassed by the loving renewal of vows and all of Kathy's personal touches. Their performance as Sonny & Cher was a real hit! Way to go, Porters! We can't wait for your 50th. We hear you started planning as soon as you returned from Hawaii.

As you all read this, it's already 1999. Let us wish each of you a happy, healthy year, during which you'll share a few nights with us at Richmond Dancers.

**ROCKLAND PROMENADERS--W. Nyack, NY MS/PL tip  
2nd Fri. All Year W. Nyack Firehouse, 42 Strawtown Rd.**

You never know where you will see Rockland Promenaders dancers. The club was represented at the National in Charlotte, NC this summer, and at the Canadian National in Ottawa, we had almost two squares. We marched with our banner in the banner parade to Parliament Hill.

Carl Luhrs and Chariss Smith have joined the NNJSDA as Liaisons to the Northern New Jersey Round Dance Leaders Council (NNJRDLCL).

Rockland Promenaders hosted a successful demo in September at the Palisades Center Mall in Nyack, NY. We had over three squares of dancers from various clubs in the Hudson Valley and Northern NJ, and we give a big thank you to all who participated. We exposed a large group of people to the fun of square dancing. Also, a very big thank you with a Yellow Rock to callers Roy Leber and Howard Richman, and cuers Tom Denniston and Ellen Dees.

Our Halloween dance with Joe Landi calling was goolish fun, and the firemen in costume from their party downstairs raided us. If there had been a fire that evening, it could have been an interesting sight! We plan to do it again next year on the fifth Friday in October, so plan to join the fun.

January 29, we are hosting a student dance. All students wearing a student badge will be admitted free. Get your students out and come for a visit. We would love to see as many angels as possible to help these new dancers experience a successful evening of dancing.

Our dance year is off to a good start with great callers and our usual excitement level with a party atmosphere. Our DBD/APD Mainstream workshop at 7:30 is proving to be a successful additional to our dance program.

## ROCKYTOPS of ROCKLAND -- Up. Saddle River, NJ PL/A-1 tip

1st Fri. Oct-June

Old Stone Church., E. Saddle River Rd.

1st Sat. Jul-Aug

As the swirling leaves dance in the autumn breeze, the sharp smell of wood burning fills the air. It's a sign that the Thanksgiving season is upon us. We're looking forward to turkey dinner with all the trimmings with family and friends. It also makes us thankful for all the good friends we've made through square dancing.

The well-attended summer and fall dances will be but a pleasant memory as the hustle and bustle of the upcoming holiday season takes over our lives. Thanks to Patsy Lisak and her faithful helpers, our usual Roman feast of goodies were served at these dances. Ruth Lee and her Board are doing a great job. We welcomed six new couples at our November dance: Sue & Rich Baumeister, Sue & Frank Gugfert, Lynn & Sohetay Sides, Irene & Hal Stoller, Judy & Joe Wamsley, and Dot & Bob Zudervliet.

Congratulations to Chariss Smith & Carl Luhrs. They were chosen as couple of the year at the Hudson Valley Council Dance. Sandy & Art Sadow are Florida bound. We wish them much happiness but they will be sorely missed by all of us. We wish Richard Eschreich a speedy recovery.

Come join us for a great night of fun with square and round dancing. Our Upper Saddle River location is 20 minutes from the intersection of GSP & Rt. 80 Saddle Brook and 10 minutes from either the Tappen Zee or Exit 172 of the GSP.

**RUTGERS PROMENADERS -- North Brunswick, NJ MS/RD**  
**2nd Sun. & 4th Thurs. Sept-May American Legion, 1015 Linwood Pl.**

Yes, fellow dancers: Mainstream is alive and well and thriving in Central Jersey, as Rutgers Promenaders celebrates its 45th year of dancing. Our new schedule of (usually) 2nd Sunday afternoons and 4th Thursday evenings has so far succeeded in attracting a variety of visitors to our dances. We were pleased to welcome raiders from Richmond Dancers in October and Lakeland Squares in November. Be sure to check our ad and/or our flyers for exact dates and themes.

Do you know of any potential dancers who became interested in taking lessons AFTER your club closed its classes? Well, we're planning to hold a lesson series beginning in the spring, so contact us for details.

And be sure to mark your calendars for June. That's when we'll "formally" celebrate our 45th Anniversary. Happy dancing.

Well, we had our 20th Anniversary Dinner Dance on October 19, and those who were able to join us know that Dolores outdid herself and organized a terrific bash. It was so great that we plan to celebrate our 21st next year.

Our Halloween party was a huge success with lots of interesting costumes. Even with all the dancing we do, square dancers still have time to be VERY creative.

In October, we started our Plus classes on Tuesday nights and Mainstream on Wednesday nights at Valley Middle School in Oakland. We also have a class for the physically challenged on Tuesday nights prior to our Plus lessons. With laughter, patience, and friendship, we want to make all our classes FUN and rewarding to everyone involved. Call Dolores or look for our flyers on continuing classes after the holidays. Remember, Spinning Wheels is a friendly club that dances every Monday night in Wayne and we make sure everyone gets a chance to dance.

## TENAKILL TWIRLERS -- Cresskill, NJ MS/PL tip/RD

3rd Fri. Oct-May

Bryan School, Brookside Ave.

Our season began with the October dance, featuring two Nicks: *Martellacci* giving us some fancy choreography for the squares, and *Raspa* on the rounds. Attendance was the poorest we had ever seen! We fervently hope that more of our friends will support our next seven dances! See our ad for dates and callers. A Mainstream club like ours is necessary for the survival of square dancing.

## WARREN WHEELERS -- Port Murray, NJ MS/PL tip

1 & 3 Thurs. Sept-June

Mansfield Twnshp School, Rt. 57

Our 6th annual mid-summer dance was a fun-filled afternoon due to caller Ray Taylor, cuer Mary McGee, and the high spirits of the dancers. Since they put new acoustical material in the walls, the sound is great.

Bee Sharps raided us this fall and, at our first dance in November, we were raided by both the Hunterdon Flutterwheels and the Garden State Campers. It was like a big party, with the always great Jim Snyder calling, and lots of cake too!

We demoed recently at Harmony Community Day, Glenlora and Holly Manor nursing homes. It's always a happy day at these places when we are there. Everyone is so friendly, glad to see us, and we feel the same way. See you in a square.

## Y SQUARES -- Clark, NJ

MS/RD

2 & 4 Fri. Sept-May

Carl Kumpf School, Mildred Terr.

Happy 1999! Can't believe we're into the second half of our square dance season already. Seems like only yesterday we had our Open House and recruited a good number of enthusiastic students. Plans are to try and start another class in January. We want to keep the ball rolling (or, should I say, the feet dancing).

Our 35th Anniversary Dance was a night of fun and renewing old friendships. It was great dancing with Jean Kellogg, who, with her husband Bob, founded Y Squares 35 years ago. Our club has been busy raiding and 18 members attended the 40th Anniversary of the NNJSDA. It was a fun dance with a good crowd. We thank all our friends from other clubs that visit us regularly, and if you haven't been down our way for awhile, yaw'all come. The welcome mat is out. See you in square.

M&M Squares—The club that tastes as good as it sounds. Thank yous are in order. M&M Squares has been enjoying a wonderful mix of dancers from all programs, Community Dance, Basic, Mainstream, Plus, Advanced-1&2, and Challenge. We want to thank ALL the dancers who are supporting and, we hope, enjoying, dancing the Basic Program of square dancing.

Particular thank yous to the caller members of CCNJ who have also been supporting us regularly, and who have agreed to do the occasional tip or line dance: Jim Broderick, John Callahan, Ruth Edison and Ron Kapnick, and Randy Page. All callers are welcome to dance with us, as well as do a guest tip when appropriate.

We dance relaxed (square dance clothing is optional at all dances), laugh a lot, and even have a hot hash (basic calls only). Come join us for an evening of what square dancing was all about. Note: No dance in April due to Easter.

## Round Dance Clubs . . .

### CLOUD 9 — Parsippany, NJ

Thurs - Ph III-IV: 7-8:30; Basics: 8:30-10:15

Our dance season is well under way and our October round dance party was well attended and enjoyed by both members and guests. Look for flyers advertising future dance parties, which we are sure you will enjoy. Several couples attended the NNJRDLIC's Fall Festival at Elmwood Park and had the experience of a full afternoon of dancing to several different cuers.

The early Wednesday class been having fun with their introduction to jive and have learned *Crazy Eyes*. The late Wednesday class mastered the all-time favorite jive *Pink Cadillac*, which they really enjoyed, and worked very hard on the waltz *Mondo Cane 4*. The early class on Thursday evenings has been concentrating on *Rachel's Song* and *Too Many Rivers*. Both dances are very nice slow two steps. They are also having fun learning *Chaka, Chacka*. Watch out for flyers giving details of a new basics class which will be starting up in January. If you always wanted to round dance, this is your chance! Or tell your friends.

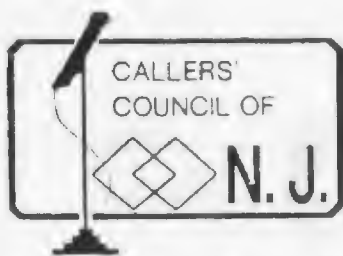

Did you ever notice that after a square dance tip everyone applauds, but very few couples applaud after a round dance has been cued? Let's show our appreciation to the cuers who work so hard to enhance our dancing pleasure.

Mary & Jack have relocated to Morris County. Please note their new phone number.

Better to do a little well than a great deal poorly.

Callers Council of New Jersey meets regularly in December, March, June, and September, on the second Saturday of the month. Our meetings range from incredibly boring to wonderfully exciting. (Boring is listening to the President drone on about something no

one wants to hear. Exciting is our workshop and discussion sessions where we discuss our own abilities.)

Except for those who occasionally get roped in by a caller to help with a basement workshop session, most dancers never see the amount of work that typically goes on in the making of a caller. Knowing how to dance is not enough. Knowledge of the call definitions, where they can legally start, and where they end is a complete study in itself, and the subject of many, many hours of study by callers. Callers also need to know the kinetics of dance, or how the bodies move to the various calls. Dancers who have had their heads snatched off their shoulders by us when we forget body flow are participating in the caller training process, albeit as a nonvolunteer.

Timing is a huge factor that callers must consider literally every second of every call. Differences of fractions of a second in call delivery can effect your dancing tremendously, both positively and negatively. Callers who have been to a caller's school are often shown vivid examples of what a very little difference in timing can do to the smooth flow of a dance. On the other hand, most of the callers you really enjoy are concentrating hard on their timing continuously.

Hand availability is also a large caller consideration. Calls start with either a right or left hand move, and end with either a right or left hand move. But woe betide the caller who too often tries to have dancers using the same hand twice, or even three times in a row. You, Joe & Sue Dancer, may not know what's wrong, but you'll surely know something is wrong.

So callers study, and work out dance choreography, spending many hours on a simple singing call, to make sure it is enjoyable, smooth-flowing and workable for the dancers. And as you have often seen, all that work can go for naught when some aspect is overlooked, and the best laid plans of mice and callers go astray and the figure doesn't work out. Dancers are left experiencing the dreaded mill-arounds, while the poor working caller tries to salvage the tip.

On the other hand, when callers do their homework successfully, deliver their product as planned and on time, the dancers and callers together get to enjoy an activity that can be magic.

There is another side of this smooth-dancing equation that is also important. That is dancer proficiency. You, the dancer, must also study your craft. Perhaps not as intensely as the callers must, but you still have a responsibility to be at least familiar with the calls on the program you elect to dance. And don't forget that whatever program you dance, it includes all the calls from all the preceding programs. That means if you dance Plus, you should know how to *Fan the Top*, and *See Saw*. If you dance A-2, you should know how to *Load the Boat* from any position, as well as how to do *Wheel Around* and *Circle Left*.

If you find that you are in squares that are continually forming facing lines to restart dancing, you may want to investigate your own level of proficiency. Perhaps it is time for you to attend a class as an angel and refresh your own proficiency so you can enjoy the dances more fully. Some clubs ask for a preliminary half-hour workshop. Typically, it is for a next-level program call (a Plus call for a Mainstream dance, etc.), but maybe some of your club members

could benefit from a refresher on some of the calls in the club's main program.

There is a lot of work to square dancing. CCNJ callers, simply by being members of CCNJ, acknowledge that they are willing to work at their craft to make their half of the dance experience as good as it can be. Dancers who attend classes, attend workshops, ask questions, or volunteer to help with fledgling callers are doing their part also. Let's all remember, it takes 9 people to make a perfect square. Happy dancing.

### **SQUARE DANCE CONVENTION POSTAGE STAMP PETITION**

On the following page is a petition to get the Citizens Stamp Advisory Committee to the U.S. Postal Service to issue a commemorative stamp honoring 50 years of National Square Dance Conventions in June of 2001. **ANYONE can sign the petition.** Every signature is a success.

Copies of the Petition were distributed at the Delegates Meeting on January 17. Or, you may use the Petition as it appears in *Grand Square* and add additional signature lines on a separate piece of paper as needed. Additional copies of the Petition are available from the NNJSDA Presidents, Jim & Barbara Thoma, or *Grand Square* Editors, Kathy & Charlie Porter.

All Petitions need to be mailed to the Advisory Committee prior to June 1999. Senator Diane Feinstein (CA) has obtained a commitment from the Postal Service to actively consider the issuance of this stamp.

This is an excellent way to put square dancing in front of the American people. Be sure to sign the Petition and ask all your family and friends to sign one also.

**PETITION TO:**

Citizen Stamp Advisory Committee  
U.S. Postal Service  
475 L'Enfant Plaza, S.N., Room 4474E  
Washington, DC 20260-2437

We, the undersigned, request your consideration  
for approval of a stamp to be issued in 2001 honoring  
50 YEARS OF NATIONAL SQUARE DANCE CONVENTIONS.

The National Convention, held in a different state each year, is enjoyed by thousands of dancers and is considered the world's greatest Square Dance event. Anaheim, California, will host the 50th National Square Dance Convention June 27-30, 2001.

A very popular fore of American heritage for over 50 years, square dancing is now an international activity. An estimate of 25,000 dancers from every state and several foreign countries is anticipated for this special Golden Anniversary celebration.

Square dancing maintains a positive image within communities, instills harmony among people of diverse backgrounds, creates friendships, increases family unity, and improves physical fitness and motor skills. It transcends boundaries of geography, nationality, political philosophy, gender, age, race, or religion.

Thank you for considering this recommendation. A favorable evaluation would be extremely appreciated by the many dancers throughout our nation.

Respectfully submitted,

## WHAT IS A NATIONAL SQUARE DANCE CONVENTION?

A National Square Dance Convention is a once-in-a-lifetime experience for many square dancers, since it is an event that takes place close to home only once in roughly 10 to 12 years. The National Convention is the largest Square Dance Convention, and is considered to be the apex, peak, or top event of a square dancers' career.

*Webster's Dictionary* defines a convention as "a body of delegates, members, representatives, or the like, periodically convened for a common purpose." Usually a very large and complicated meeting of those with a common interest. Usually requiring the work of many committees and one chairman. Can last from one to several days. Usually repeated on an annual or alternating year basis.

Therefore the National Convention is a gathering of a large number of dedicated square dancers, round dancers, contra dancers, cloggers, folk dancers, country western dancers, callers, cuers, leaders, organization officers, and suppliers, at a convenient location for the purpose of discussing common objectives, exchanging ideas, trying out new techniques and dancing together.

Without question, the National Square Dance Conventions are some of the largest, most successful gatherings anywhere in the world. The most awesome and unbelievable fact to sophisticated, professional convention planners is—the 4-day convention is planned and conducted by amateurs and volunteers, and they are financial successes! The amateurs devote thousands of hours just for the love of their recreations.

Estimates of the labor cost, if the dancers were paid for the convention work, would run from \$1.5 to \$1.75 million while the rent of the convention

Please turn to page 49

What is a NSDC ? continued from page 48

centers and all the other expenses connected with putting on the convention can run as high as several hundred thousands of dollars more. These unpaid volunteers, donating their time and talents, keep the cost down for the dancers who attend.

**WHY GO TO A NATIONAL SQUARE DANCE CONVENTION?**

It might be asked why should you go to a state festival or a weekend special or even to your club dance. It is, of course, the enjoyment you get from dancing and visiting with friends.

A National Square Dance Convention is in one sense a much larger festival, with dancers from all over the world with whom you may become "instant friends." The convention is also the world's largest square dance shop with 200 booths. The largest seminar of educational features, with many hours each day of panels, clinics, workshops, on a variety of interesting and important subjects vital to the growth of square dancing. It is the largest fashion show, featuring square dance apparel for men and women, and Sew and Save Program to help the novice as well as the experienced seamstress.

It is an opportunity to see dozens of exhibition groups instead of just two or three; to learn new figures, new round dances, clogging routines, line dances, contra and heritage dances. At the National Square Dance Convention, the Parade of States will thrill you just as much, whether you join in or watch from the grandstand. Most of all, a National Square Dance Convention is the world's largest party, where you can dance continuously all day and nearly all night long, meet and eat with dancers just like yourself who have come from all over the world to enjoy meeting you.
