On behalf of the entire Association, we extend hearty Congratulations to each and every new dancer. We welcome you into the world of Modern American Square Dancing. Further, we urge each of you to attend as many summer dances as possible. The locations can be found in our little handy ready reference: the *Grand Square*.

We were pleased to have attended a number of mid-term and spring graduations, and are encouraged by the quality of dancing that we enjoyed with a number of the new dancers. We urge the entire community to attend the summer dances and to extend a very special "hand" to our newest members.

During the month of February, we responded to several invitations that some of the clubs had extended to us. The ambiance was captured with colorful red, white, and blue decorations that contributed to making these dances very special and, at the same time, capturing the patriotic theme to which the month is dedicated. Our sincere thanks are offered to each of the clubs to which we were invited.

While, in general, there is slippage in terms of recruiting new students, we are encouraged by the success that some clubs are having. We suggest that those clubs which are experiencing success try to replicate and share these successful efforts with our fledging clubs. In this way, we may all learn and share in that which makes for effective recruitment and retention of new students. This should be each club's prime mission. Again, we urge each of you to put forth very special efforts to attend clubs that you do not generally attend, those that are not on your usual map of "highways and byways."

***LETTER TO THE EDITORS...***

Starting Basic classes in January as well as September is a great idea. Other clubs and we have doubled our number of students! This is a great way for people who began the classes in September to bring their friends in January, and they can even dance with them as angels. It also means that people who were busy in September can still learn to square dance without waiting an entire year.

We started a new Basic class in January. Our original class, which started in September, continued on the same night. We followed a model used by Randy Page in Connecticut. Andy Woerner, our teacher, began the Basic class at 7:30 PM. Our continuing Mainstream students and our regular club members angeled the new Basic students. The Mainstream lessons were conducted from 8:45-9:45 PM with the help of our club angels.

We are experimenting with the order in which the classes are held each evening. We have tried both orders, but we're uncertain whether the Basic or Mainstream section being taught first works best for the majority of MS students. Either way, they are encouraged to angel without overtiring themselves. We have students of all levels and ages, and need to be able to tailor the class to each person's needs.

Another challenge was having a place for the students who only know Basic to be able to dance through the summer, so they can return in September to continue their lessons. Many clubs and individuals in our area are being supportive and will be alternating Basic and Mainstream tips at their regular dances during the summer months. Thank you to Belles & Beaux, RocklandRockytops, F. A. D. Squares, Spinning Wheels, Andy Woerner (who is using his home), and the CCNJ. Andy's address is 637 Schaefer Avenue, Oradell; his phone number is (201) 261-1047; his email address is [andrew@woerner.net](mailto:andrew@woerner.net).

We will ask our members to mentor our students and recent graduates, to call them and meet them at the dances. Perhaps we will have "student raids." We will try to encourage them to dance during the summer without overwhelming them. People are very busy and need to find ways to fit this new activity into their lives. We have all been through that stage when you just begin and are not sure you are "good enough" to go to dances. When we started to dance, a couple mentored us and motivated us to continue and become more involved in our club.

Dual classes have the potential to help us repopulate our clubs with new dancers who can eventually take positions within the clubs and help them to flourish. We wish you lots of happy dancing and hope to see many of you at these Basic/Mainstream dances throughout the summer.

## Presidents' Letter continued from page 3

The challenge to each and every dancer in the Northern New Jersey Square Dance community is to put forth every effort that is within our individual and collective abilities to save and to strengthen many of our fledging clubs. This is serious! And, we would ask you again to refer to the Grand Square; note the clubs that you have never or seldom attended. These are the ones that all of us should attend. If we can save only a few from folding, we shall have accomplished a lot!

We hope to see many of you at the 50th National Convention in Anaheim, California. It should be lots of fun and a great experience.

We, Helaine and I, thank each of you for the support that you have given to us, and it has been a privilege and a pleasure to have served as your presidents. Have a Happy!

Al'e'Mo Squares held a Student Recognition Night on January 10 for the students who came on in September, and started the second phase of the new-instruction format on January 24. The new format appears to be going well since we had new students for each session. We expect to have approximately fifteen graduates in the spring.

Our caller/teacher Don Coy is giving a square dance course at Kingsboro Community College. The club will be sending members to support Don, possibly as angels. Also, we recently did a demo at Methodist Hospital in Brooklyn, which was enjoyed by both patients and dancers. It is to Don and Dot Coy's credit that they do this work gratis, and also to the credit of the Al'e'Mo dancers who attend.

We've had a rough winter this year. Attendance at our dances was so-so, and with the snowstorms we were lucky to have our class square dances on Mondays. It seems the storms developed on weekends. Our class is going just fine and we are into the Plus calls now. When you read this article we will have had our graduation or coming close to it.

We gave a square dance demo at a special birthday party for a local resident and we all had a fun time. Barbara Johnson did a great job of getting everyone to square dance, even all the kids. There was line dancing and a Virginia Reel. It was a wonderful night and the demo was a success.

Irma Huhn became a grandma again for the 13<sup>th</sup> time (a girl). How does she remember all the grandchildren's names? Then Vic and Nancy Ammons became first time grandparents (a boy). I think the Bee Sharps are loaded with grandparents! Happy days to all of you.

It's been said that Bill Moss is getting married in May. Good luck and best wishes to the two of you. Hey Bill, does she square dance?

Jim and Irene Novak celebrated their first anniversary on January 1<sup>st</sup>. So happy for you two.

Our club has young people who go on trips, too. Clem and Fusaka Yeager went on a trip to (get this) France and Monaco for their vacation in November and had a wonderful time. They dined at the Palace of Monaco (ahem!).

We wish Florence Mitkus a speedy recovery from her broken leg. Ted Pichnarczyk has been ailing with bursitis of the shoulder but is slowly improving.

But Spring is coming, so let's be happy and wish for those nice, warm sunny days and to really enjoy our square dancing.

This is Rusty, your cub reporter, covering for Warren Gould this month, who is busy helping his wife Marj recuperate from a knee replacement. Hope to see them both back on the floor soon.

We had a fine New Year's Eve Dance with Wayne Applegate on the mike and Howard Richman on the stove. The cuisine was only matched by the calling. Howard delivers as innovative and tasteful a menu as he does a dance. Among other canny moves, Wayne shared the mike for a delightful duet with his wife Rita, and for a smooth trio made up of himself, Howard, and our club caller, Fran ("The Warbler") Wadel.

Several changes have taken place since the last report. Belles and Beaux reluctantly decided that we could not continue to support three dances a month, and dropped our Saturday dances. Our Wednesday dances are also struggling, and we invite all of you to come visit us. We can be again what we once were, a strong Mainstream club, and need only your support to accomplish that.

Our last Saturday dance was held March 17, and it was a great success. It was our Murder Mystery Dance, during which we watched murders committed and helped catch the perpetrator. The hall was filled with dancers and non-dancers, since we included family and friends in the fun. Gerry and Chuck Hardy called a great dance; they helped us include our non-dancers in two tips, greatly enhancing the enjoyment of all. Many thanks to the cast and especially to Linda Millian for her talented author, producer, and director roles.

## CIRCLE EIGHTS - Haworth, NJ

MS/PL tip

<http://www30.pair.com/ljrjr/Circle8/> and <http://community.nj.com/cc/Circle8s>

4<sup>th</sup> Fri. Sept-June

St. Luke's Episcopal Ch., Mass. & Grant Aves.

Circle Eights has enjoyed another banner year. Our club continues to grow, and has an active schedule of dances, raids, classes and social events. Our four co-presidents, Myles and Myra Adler and Eileen and Rudi Draudin, have done an outstanding job keeping us well organized and having fun at the same time. Our thanks to them for all their hard work. Our apologies for omitting Myles and Myra in the last issue.

We're proud to call everyone's attention to the cover of the January *Grand Square*, a wintry creation of our own Lynn Michel. Beautiful work Lynn!

Fifty-one people attended our fourth annual holiday get-together on January 14 at Rudi's in Hackensack. Thanks to Marylee and Nick DiSanti for coordinating a memorable afternoon, complete with singing. It was a great opportunity to introduce some of our students to the rest of the club.

Speaking of students, the new group of twelve beginners who started in January is making great progress. We're searching for ways to keep them dancing over the summer, and are reaching out to other clubs to find suitable locations for warm weather dancing.

Our raiding activities were highlighted by a group of thirty-one members attending the Feb. 18<sup>th</sup> dance at Rutgers Promenaders. The raiders enjoyed a fine afternoon of dancing, followed by a festive dinner at a nearby restaurant.

We started a new jackpot in January and it's just waiting for you to win! "You gotta be in it to win it," so come join us at our regular 4<sup>th</sup> Friday dance and take your chances.

Each year we choose a worthwhile cause to support. This year the recipient of our donation was Spectrum for Living, a program for developmentally disabled adults in our area.

Happy Dancing! We hope to see you soon.

## NATIONAL SQUARE DANCE CONVENTION – Parade of States

Rich Delgado, Chairman of the Square Dance Council of New Jersey, announced that dancers interested in participating in the Parade of States at the 50<sup>th</sup> National Square Dance Convention should contact him **immediately** and request to be selected (listed) to participate in this event. Dave and Nancy Tucker, Vice Chairman of Ceremonies, advised him that due to the size of the Arena where the ceremonies will be held, the participants in the Parade would be limited to eight dancers per state. They are to be pre-selected by the State Organization (for New Jersey, the Square Dance Council of New Jersey).

Rich Delgado said that he hopes the 50<sup>th</sup> National Square Dance Convention will find sufficient space to accommodate more than eight dancers from the State of New Jersey in the Parade of States. Rich encourages dancers interested in participating to go to the Arena the evening of the Parade to join in the fun if the Convention Committee finds it possible to accommodate more dancers from our state in the Parade. **Participants in the Parade of States should wear state outfits.**

The Parade of States will be held on Saturday evening June 30, 2001 starting at 6:00 PM in the Anaheim Arena. The Parade is one of the highlights of a National Square Dance Convention. The colorful ceremonies of the Parade of States are expected to conclude with the announcement of the winner of the bidding for the 2005 National Convention.

2 & 4 Sat. Sept-May

Stelton Comm. Ctr., Plainfield Ave. (Rt. 529)

Another great season! We again met our NNJSDA raid requirements under the excellent coordination of Charles LaMonte and Agnes Greci. Thank you to all the clubs who raided us and shared our fun dances with us. And another big THANK YOU to our board members who have agreed to serve another term, especially George and Terry Seibert, our Presidents extraordinaire.

*Carnivale* was a blast with Tim Marriner traveling 14 hours from Virginia just for us. Almost 20 squares welcomed him to New Jersey. His calling was upbeat and entertaining as always, and the Mask Contest added to the festivities. A couple interested in making a documentary about square dancing was there videotaping the fun. We imported the talented Shawn Cuddy from Massachusetts for the following fun-filled dance. Dennis Reardon graciously filled in when Jim Snyder was suddenly admitted to the hospital. Will Larsen provided us with an evening of his unique and challenging calling. We were lucky to have a reporter from Cablevision there; we could all use some publicity. We're about to end our season with *Prom Nite*, with Mark Franks doing the calling honors. Memorial Day weekend we will be dancing at the St. Joseph's Fair in Keyport.

We'd like to extend our best wishes to Jim Snyder and Joe Landi for a speedy and full recovery from their medical problems.

ROUND DANCE CLASSES? Anyone interested in beginner (and possibly intermediate) classes should contact Terry Seibert (908-754-1425); there is no obligation. Cuers Tom Denniston and Ellen McCabe will be teaching the Monday night classes at the Metuchen Knights of Columbus in Edison.

Congratulations to all the graduates! We successfully conducted a Basic/Mainstream class as well as a Plus class, graduating 6 and 1 new square dancers respectively. Our caller/teacher, Wayne Applegate, made the classes interesting for students and angels alike. We hope all graduates and experienced dancers join us at the Five Clubs Summer Dances, 2 Mainstream/1Plus format, beginning Friday, June 8<sup>th</sup> (see separate full-page ad). Don't forget the NNJSDA's three Summer Dances.

Our opening dance will be September 22<sup>nd</sup> with Jim Snyder doing the calling honors. Remember: we welcome all half-a-pairs, and we'll gladly help you find partners throughout the evening.

**2 & 4 Wed. Sept-June**

**Lincoln School, Crane St.**

Well, it's time for the birds to sing and the flowers to bud. Spring is just around the corner as we enter the last quarter of our dance season. Last night we had our general membership meeting and we reflected on the dances we danced and the callers and cuers who called. We had a great season. The snow did not stop many dancers. We did not cancel any dances, but we had to relocate the dance a few times. Our line-up of callers and cuers for next season looks great.

Unfortunately, our dance classes headed by Ron Kapnick and Ruth Edison did not do so well. We started with eight students but only two finished Basic. Beginning in April on Tuesday nights at 9 p.m. at the Grover Cleveland school we will have a Plus workshop. Do you want to learn Plus? Are you a little rusty in some of the calls? Put on your soft-soled shoes and come. Dress is casual.

This past season we had six raids with one more coming on April 28<sup>th</sup>. All were successful thanks to Rose Ann & Lou Niosi.

Cross Trails had two fundraisers this season: the Atlantic City bus trip headed by Andy & Dot Meador and selling Entertainment Books headed by Laura and Russ Safar.

On March 19<sup>th</sup> Cross Trails will have its annual membership dinner dance at the Russian Hall in Little Falls.

Just remember we dance the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of the month, Plus workshop at 7:30 p.m.

Delaware Valley Elem. School

The move into the new millennium necessitated our physical move from the Delaware Valley High School to the Elementary School. We're grateful for our new home and pleased that visiting dancers have made the switch with us. The initiation of the new hall was made in conjunction with our Black/White Millennium Dance hosted by Carol and Ray Prouix.

The winter season has brought a share of the winter miseries from both a health and weather standpoint, making it necessary to cancel some scheduled dances. However, the spirit of square dancing brought us repeated support at our annual Valentine Dance. Everyone enjoyed the refreshments. The "spring" door prizes of miniature flowerpots with seeds and birdhouse chimes were a hit. Thank you to those who attended.

Our members Betty and John Rigo are enjoying their winter in Florida. We wish them a safe trip back to PA. Rich Murphy has been doing some guest calling, and we hope you will catch and support him at the sponsoring clubs.

Our club is not graduating a class for 2001, but we wish to congratulate graduating dancers who have set aside time to learn the joy of Square Dancing.

Our President, Dorothy Fels, passed away on March 27. We greatly miss her. Our 1<sup>st</sup> V.P.s, the Goulds, with great help from the O'Connors, are taking over her duties. Contributions in Dorothy's memory may be sent to Meals on Wheels, the Valley Hospital, 223 North Van Dien Ave., Ridgewood, NJ 07450 or to The Leukemia & Lymphoma Society, 45 Springfield Ave., Springfield, NJ 07081.

Dorothy's sister, Marj Gould, had a left knee replacement in early February. By this fall she will be square dancing again. We want to thank all our friends who sent Marj get-well cards.

Our class-level dances have just been great along with our used square dance clothes sales. We had to cancel one dance on March 4 due to snow.

To report on the "GRADUATION" from our Sunday night DBD workshops seemed appropriate until I looked up the definition in Webster's New Collegiate Dictionary. We did not "mark any vessels"; we did not "award any academic degrees"; we did not "arrange in degrees or ranks." (Must be time for a new dictionary.) We did enjoy our Sundays with Betsy Gotta, and laughed at her humor and our creativity. She made it fun. Thanks, Betsy.

Our Presidents Dance was a big success thanks to the Presidents who attended and to the Garden State Campers who came to honor their outgoing Presidents Kay and Wayne Schroeder, members of Harmony Dancers. It was a great turnout. Our thanks also to Dan Koft for filling in so well at the last minute, and to Mary McGee for stretching the rounds program.

For those brave souls who weathered the snow for our Snow Ball Jan. 20, please note that our May 19 Hawaiian Night will be in Springfield, not Hawaii.

Plan now to attend the 5 Clubs Summer Dances. You will keep in practice, keep in touch, and can tell us about YOUR vacation.

## LETTER TO THE EDITORS...

### How I Make the Lakeland Squares Ad for *Grand Square*

The ad is made with the program Microsoft Publisher. I am going to explain the various steps I followed when I made the ad... (not the contents of the ad, which was done by the person before me). I'm going to start with the border and then explain the rest from the top down.

The border: In "View" I chose the option "Toolbars and Rulers" and then brought up the Format toolbar. On the Format bar I chose "border" option, clicked "more" to bring up the BorderArt tab, and then chose Shadowed Squares for Lakeland's border. I also made sure that the border was just slightly within the 6" w by 10" h, the size requirement for a *Grand Square* full-page ad.

The Lakeland header: I inserted a text box and typed "Lakeland" using Times New Roman, Size 36, and Bold. Then I drew 2 squares using the square option, and then added the "s" to the end using the same procedure I used for "Lakeland." I scanned in the picture of the boats and waves from an old flyer and inserted the file into the document. I also did the same thing for the dancers at the bottom.

The rest of the ad was done with text boxes using different-sized lettering and the same font (Times New Roman), all done in Bold. Each month was done using a separate text box. The lines were drawn in using the line function (tip: holding down the shift key will make the line straight) to separate the different sections. Then I printed it out and cut it using the guides the program puts on the paper.

**1 & 3 Fri. Sept-May**

**Echo Hill Park, Lilac Drive**

Spring couldn't come fast enough this year. The snowstorms that necessitated cancelling the first two dances in 2001 made January a very dismal month. However, our covered dish March 2 managed to come off without a hitch, and our superb cooks outdid themselves again.

On January 30, club members participated in a demo for the children of Thomas B. Conley School in Bethlehem Twp., Hunterdon County. Brought in by Phys. Ed. teacher Kathy Harvey, the Flutterwheels were gratified by the excitement and ability of the children from kindergarten through 4<sup>th</sup> grade. Square dancing is one of America's great heritages, and it was nice to see the children so enthusiastic.

In between snowflakes, our new club couples, Schneiders, Mundys, and Campbells, accompanied a number of seasoned dancers to raids at Rutgers Promenaders on January 7 and Y Squares on February 23. The raiders had a special bonus at Y Squares: it was their Pie Night. We do love those pies.

See you on the dance floor ....

1 & 3 Fri. Sept-June

Ironia Elem. Sch., Dover-Chester Rd. (Rt. 513)

Fall continued to be a busy season for Ironia Reelers. Twenty-nine members attended the Mini-Festival on November 12. Congratulations to Bill & Marion Grady, who were presented with their Patron's Badge at the festival.

We welcomed six new members to our club in December: Carl & Margaret Brignola, George & Paula Eckstein, Andy Nolan, and Fran Zemo. We look forward to seeing them on the dance floor.

On December 9 we raided Country Promenaders followed by an After Party at the home of Bill & Marion Grady. A holiday party, hosted by Frank & Ruth Pagano, was held following our December 15 regular dance. New Year's Eve offered another chance to DANCE and PARTY and EAT! Seventeen Reelers attended the raid on January 13 to Western Wheelers where we danced to the calls of Sandy Corey, who substituted for Randy Page. A raid to Kittatinny Rangers was scheduled for February 23. After all the partying some of us suffered from what Claudia Perry refers to as Dunlap's disease – as in the belly "done lapped" over the waistband. For those members who escaped to the Caribbean, Florida, Hawaii, or other warm climates and did not succeed in having the hot sun melt the excess fat away, try a simple remedy – more dancing!

**Every Tues. Sept-July Temple Beth Am, 879 Beverwyck Rd.**

In November, too late to report in the winter issue, we held a special dance in honor of Les and Lola Patterson. They were made Life Members of Lakeland and given a plaque in recognition of their long service to the club and to the whole square dance community in northern New Jersey. Friends and officers from many clubs and from the Association joined us to honor them.

Les and Lola joined Lakeland in 1979. They have served as class coordinators, angels, vice presidents, presidents (twice), and still act as delegates to the NNJSDA and Club Historians in charge of our scrapbook. They attend our weekly dances and sign up for all our raids, demonstrating the commitment that makes our activity strong and attractive.

We held two sales of used square dance clothing, timed to give new dancers a chance to outfit themselves before graduation. Sales are a lot of work, but help everyone: buyers, sellers, and the club. We always look through the offerings ourselves.

Bill and Elsie Beebe have left New Jersey for Florida --- not a surprise; they have been talking about it for some time. We miss them and wish them well.

Our Presidents' Day Dance often turns out to be even more special than we expected. This year Tony Stella's decorations were outstanding. We thanked Ron Serafin, custodian at Temple Beth Am, for his especially helpful services to our club over the past 6 ½ years. He has accepted a job much closer to his home. We gave him a recognition plaque and cheered him on his way.

Kittatinny Rangers raided that night. There is nothing quite like a Kittatinny raid: all those big hats and cap pistols going off make them the noisiest club around.

**THE CARING AND SHARING CLUB**

**2 & 4 Sat. Sept-May**                      **Oakwood Heights Comm. Ch, 345 Guyon Ave.**

Our last dance at All Saints Church was a bittersweet occasion. The Valentine Bistro, back by popular demand for the third year, saw the hall turned into a romantic, candlelit delight with hearts, flowers, chocolates, sparkling cider, gourmet coffees, and great dancing with Nick Martellacci. The dance was a huge success, but we were all very sad at the end of the evening to be leaving All Saints after nearly 20 years.

The move to our new location at the Oakwood Heights Community Church has proven to be quite successful, although our first dance on February 24 left us wondering if we had made the right decision. Then we remembered that Tim Marriner was calling at Country Promenaders that evening. Our caller that night, Jim Emory, said it best, "Almost no one can compete with Tim Marriner."

Things picked up for our next dances, though. Our St. Patrick's Dance was a huge hit. Don Coy called a wonderful dance. The hall was "Wearin' the Green" thanks to Vic & Pat Janicki, and the goodies table was overflowing. Circle Eights chose to raid that night and they hold the distinction of being the first club to raid us at our new location. Our next dance with Len Anfinson brought the intrepid travelers from Ironia Reelers, and our nearby neighbors, Y Squares. Many thanks to our raiders and all the visitors who have come to visit us at our new hall. Our own Raid Chairmen, Ed & Evelyn Hoculi, have kept us busy too. We've raided Hi Taw Twirlers, Kings Squares, Harmony Dancers, and Rutgers Promenaders.

We wish to extend our welcome to all the new graduates. We look forward to dancing with you soon and hope you attend as many dances as possible during the summer.

**Please note:** Our May 12<sup>th</sup> dance has been cancelled because of a hall conflict.

We've had a pretty successful season, weather or not. Only had to cancel one dance due to weather - the one that used to be called the "Snowflake Dance" that we renamed "June In January." (Yes, we often wound up canceling the Snowflake Dance because of - yes, too many snowflakes.) Oh well - so much for THAT bright idea!

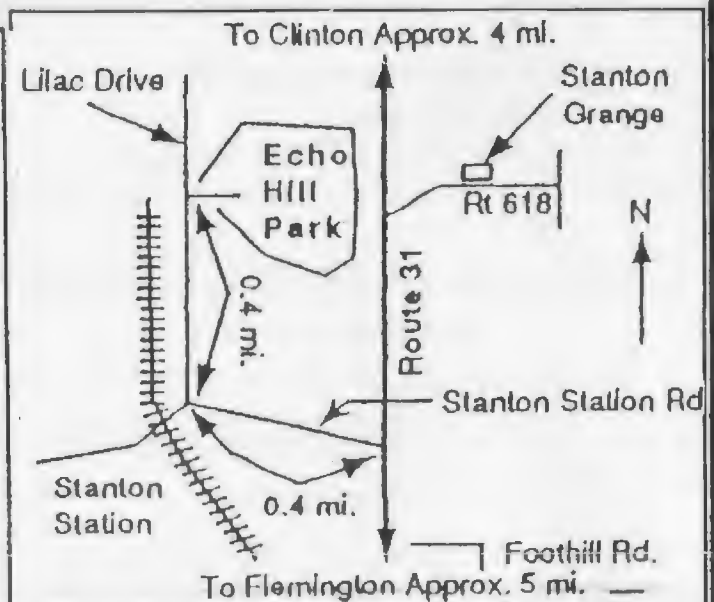

Thanks so much to the members of Circle 8s and Hunterdon Flutterwheels for raiding our dances this winter. We'll find a way to return your visit one of these days... Besides, Ken and I have a free dance ticket to use - might as well try to bring a square with us.

Our class continues to progress towards becoming full-fledged Maintstream dancers. Since lessons are held BEFORE the dance, anyone who'd like to get some extra dance time (free!) is welcome to come early and help angel.

Our last dance of the season will be held on Sunday, June 2. Since it's the day after our club president reaches a "milestone" birthday, some of us may have "something interesting" planned... Once the dance season ends, look for our members at the Five Clubs dances this summer.

For more information - as well as some pictures - be sure and check our web site: [www.rutgerspromenaders.org](http://www.rutgerspromenaders.org). Hope to see you at one of our dances soon! Happy Dancing!

## SPINNING WHEELS – Wayne, NJ MS/PL tip/CW <http://community.nj.com/cc/spinningwheels>

**Every Mon. Sept-June** **Wayne Civic Ctr, Hamburg Tnpk & Church Ln.**

This winter has not been very conducive to square dancing for Spinning Wheels. As you know, we dance every Monday night. But, starting with Christmas, we had 5 holidays on Monday nights and 3 Monday nights when we had to cancel because of snow. As one of our members stated, "I don't think we've missed 8 nights of dancing in the whole 22 years we've been in existence." We are happy to see the cold, snowy weather come to an end so that we can return to our regular schedule.

Spinning Wheels is again offering its Introduction to Plus Workshops from 8:00 to 8:30 PM. A different Plus call is taught each night and the call taught the previous week is reviewed. The last tip of the evening is Plus.

Dot and Bob Zuidervliet, our regular reporters, are on vacation, so I am writing this report. I'm sure that they'll have lots to talk about when they get home.

In my absence, our wonderful vice-presidents, Tom and Nora Burke, visited those clubs which had invited us to their Presidents' Dance. When you see them at a dance, be sure to ask Nora about the mannequin she bought at a garage sale. You'll love the story!

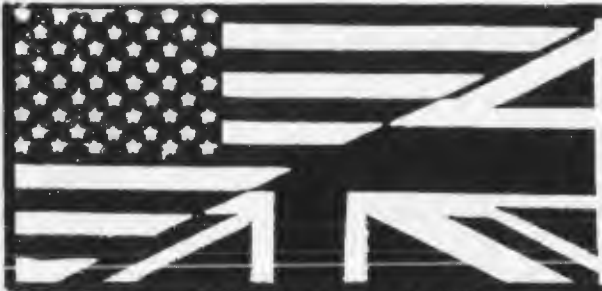

Spinning Wheels will not be holding summer dances this year. Last summer our dances were not well attended, so we decided not to incur any more losses this year.

Therefore, we hope to see you on Monday nights when we resume dancing in September. Our first dance will be on September 10 at the Civic Center in Wayne. Come and join us in a square or in a line dance.

Our past-president, Fanny Meyer, is recovering from knee surgery, and your reporter has had to curtail his dancing because of arthritic knees. But we all try to keep smiling. Check our flyers and come over on the third Friday and enjoy our hospitality. We welcome all level of dancers.

### RocklandRockytops continued from page 36

Maybe we will get to stir the bucket this summer with former Rockytop presidents, Eileen and Larry Landon, who have been lured back from New Hampshire to live in the Poconos. And, it's great to have Judy (and Joe) Wamsley back circulating again. Hopefully, by this reading, Leonard Mattar will be fully recuperated and he and Harriet will be scooting back, too.

Wishing one and all a great summer! Keep dancing!

Western Wheelers continues to thrive as the square dance year winds down. In March the members held a Silent Auction. The variety of items available for bidding was interesting and varied. Almost every member carried home a new "treasure."

We are happy to welcome back those who had been on the sidelines for a while. John Kerner and Gus Bachmann are back to dancing. Carole Raspa is doing great and faithfully accompanies Nick to all our dances.

Also happy to report that Grace & Norm Ilian have returned after spending two months in sunny Florida. Anna Lou & Jerry Beckman have paused in their travels to dance with us.

The Garden State Campers recently raided us with an impressive group. Thank you!

The invitation is always there - if you dance Plus, please join us. You'll have a great time!

Where has the time gone? As I write, spring is around the corner. I saw my first robin, so I know nice weather is on the way. Fortunately, we didn't lose any dances due to snow, but it was a close call a few times.

We started the year off with Sports Night, complete with hot dogs. We had plenty of pies for Pie Night and, of course, we look forward to our Pot Luck Supper and Ice Cream Social in May.

The class is doing well. We will welcome them at the Graduation Dance, May 25<sup>th</sup>. The nominating committee has reported all the officers will remain for another season. Many thanks.

If you missed any of our dances, be sure to visit during the summer when we dance with the Five Clubs. We are always happy to welcome guests at our dances.

Now that winter is over, we can breathe a sigh of relief as our dance classes will not be affected anymore by the bad weather. The Wednesday basics class members are concentrating on waltz and two-step basics and feeling quite proud of their progress. Later on Wednesday nights, the Phase IV+/V dancers spent some time on perfecting the fox trot *All That Jazz* and the ladies had fun “flicking” their heels.

The Phase IV group on Thursday nights keeps increasing its repertoire as it has now added the jive *Sunflower* to its list. The Phase III dancers’ level of enthusiasm remains high as they have completed *Snow Blossom* and eagerly look forward to mastering the intricacies of the slow two-step basics.

Although the NNJRDLIC’s Spring Festival of Rounds was canceled due to bad weather, it was rescheduled for the following Sunday and, as always, everyone there had a good time. Our own afternoon dance parties continue to be well attended and we invite you to come and join us on the dance floor as Mary cues all levels. Be sure to write your favorites on the request list! Remember, we will also have a dance on the night of Thursday, July 5<sup>th</sup>; dress code is casual.

## NORTHERN NEW JERSEY ROUND DANCE LEADERS COUNCIL

The Northern New Jersey Round Dance Leaders Council held a successful Spring Festival of Rounds on March 11. This was a week later than scheduled due to the "monster storm" that was supposed to materialize on the original date of March 4. The council would like to thank all the dancers for their understanding during this unfortunate rescheduling snafu. If anyone bought an advance ticket and could not make the rescheduled dance, a refund is available from the Council. The cuers from our area are currently very well represented on the national scene. Three cuers have had dances that they choreographed selected as the Roundalab Rounds of the Quarter for the first quarter 2001: the Gottas for Phase II "All Over the World," the Wagenhoffers for Phase III "Paradise Rumba," and the Rumbles for Phase VI "Runaround Sue." In addition, the Gottas had the 2<sup>nd</sup> runnerup for Phase IV "Send for Me" and the Emorys had the 1<sup>st</sup> runnerup for Phase II "Que Sera, Sera" for the 4<sup>th</sup> quarter 2000. Congratulations to all for having their work recognized by an international panel of judges. The next NNJRDLC dance will be the Fall Festival of Rounds to be held November 4, 2001 at the Elmwood Park VFW.
