Concerned about the future of square dancing in the NNJSDA area?

Volunteer to join the Board and help keep us a vibrant organization into our 50th year.

From the computer of... **Donna Poyer & Mike Szekula, NNJSDA Presidents**

We are writing this a few days after the Mini-Festival, and the joy and thrill of the day still surrounds us. Tony Oxendine, Randy Page, Betsy Gotta, and Mary McGee did a fine job calling and cueing the different levels of square and round dancing. We enjoyed welcoming a rather large contingent from Connecticut who came to hear Randy call. We look forward to another large turn-out next year for Mike Callahan and the other gifted callers and cuer.

When this issue of *Grand Square* is distributed, The Gathering will be only a few months away. This is the time for the enthusiasm we saw at the Presidents' Dinner to manifest itself. Take those blue Gathering ribbons and sell them or perhaps subsidize the cost for the promising leaders in your club. The people who attend The Gathering will come away with positive attitudes and the capability to hold offices in your club. If your club needs new officers, then Go For It!

We would like to thank all of the club presidents who attended the Presidents' Dinner in November. Almost all of the clubs in the NNJSDA were represented. Frank Penn, one of the past presidents, gave an inspirational speech. It was an exciting evening devoted to thanking all for their hard work in keeping their clubs alive and well. The NNJSDA appreciates all those who put forth extra effort for our square dance activity and community.

John Kaltenthaler's 50 Year Calling Career

John Kaltenthaler recently celebrated 50 years of calling modern western square dancing. With his wife Freddie, famous for his homemade venison bologna, and accompanied to dances by a well-behaved poodle, Lucky, John's life and career have been extraordinary.

As a teenager living in the Pocono Mountains of Pennsylvania, John learned traditional square dancing, which largely uses "visiting couples" and contra steps. Being a musically inclined self-starter, John taught himself how to call. His first paid job (fee: \$5) was in 1948 at a formal traditional square dance where the men wore tuxedos and the women wore gowns.

While studying engineering and business administration at Lehigh University, John met Freddie on a blind date. After marrying in 1952, he was sent to Korea with the military. When he was transferred to Japan, Freddie joined him. His group was responsible for entertainment, and John decided to play the role of caller for "western nights" with live music. Having learned some western square dancing by that time, he combined the traditional and western steps. John's next military assignment was to Sandia Base in New Mexico, where he and Freddie took formal calling lessons in western square dance. In addition to local club calling, they had a weekly television show featuring five callers and two dancing squares. In 1956, John considered himself a professional caller.

The Army then sent John and Freddie to Germany for five years, where he began teaching others how to call. They did television shows, ran weekends, and formed a club called NATO Squares with German, Dutch, Canadian, and American personnel. Later, he called up to six nights a week for the Heidelberg Hoedowners and Mannheim Mixers, which included a few Germans along with the American military. Some of the locals learned to call under John's tutelage.

Upon returning to the United States in 1966, John worked for IBM and Freddie taught elementary school. He continued his square dance interest by recording for Macgregor Records and teaching both dancing and calling for a number of clubs. To date, he has called in 47 states. (John, please let us know when you've called in Idaho, Mississippi, and Vermont!) He and Freddie are active members of the Overseas Square Dancers Association; he has called in nine foreign countries and five Canadian provinces, and has taught callers in Australia, Denmark, France, Germany, and Sweden.

In the 1970's, John joined the Sets in Order American Square Dance Society. He received its Silver Spur Award for outstanding service to square dancing in 1979. As a member of its Gold Ribbon Committee, he joined other leading callers from throughout North America in identifying the SIO 50 Basics, the calls that new dancers should be taught. John and Freddie were among the 104 callers and their partners from around the world who were invited to the first meeting of Callerlab, the organization that became

NNJSDA Insurance Coverage

The NNJSDA carries a liability insurance policy with Zurich Insurance Company. Our insurance contract is in effect from September 1, 2006 through September 1, 2007 and insures all Association clubs against any claims that may be filed against them for personal injury or property damage. This protects the club members, the officers, and the club against any claims filed against them for any club sponsored event or dance. It also affords protection for the Executive Board, delegates' meetings, and any Association sponsored activity or dance. **It is a liability protection policy, not a health or accident policy.**

If dancers are injured at a dance or if they accidentally damage the premises, the club holding the dance and the Association are protected from legal actions. Any accidents or incidents should be reported at the time they occur to an officer of the club holding the dance or to an NNJSDA officer, who will in turn report it to us, the Insurance Committee, and we will report it to the Zurich Insurance Company.

If anyone has any questions, feel free to contact us anytime at 908-298-1851.

Put FUN * FUN * FUN Back in Square Dancing Come to The Gathering on May 12

Square dancing is all about having *fun*. Everyone gets into square dancing to find enjoyment.

The NNJSDA has lost 10 clubs (35%) and two others have merged during the past 10 years. When the NNJSDA Education Committee questioned these clubs, they learned that a depleted treasury, poor recruitment, and low membership are only symptoms, like a car's poor acceleration is a warning of a deeper problem. Restoring club vigor and putting *fun* back into our activity is not as simple as holding a bake sale.

The good news is that during that same 10 year period, at least two clubs reached a danger point and recovered. Being involved in one of those clubs (to be referred to as the Club), I want to share with you some insight into both the problem and a solution.

Although the Club's callers and hall had not changed, by 2001 the Club was down to 1-1½ squares from 5-6 at a dance. Officers and members were arriving later and later, the refreshment table had more space than food, and the treasury was taking a nosedive. It just wasn't *fun* at our dances anymore. The same 3-4 officers had been on the Board for years. The 55-member Club went into the Annual Meeting with no slate of officers to elect. Each year, fifteen minutes before the Club would have to decide to close, one of the tired officers would reluctantly step forward to take the President's role again, and then the rest of the Board would be filled by begging. "Just take the job. Somebody else will pick up the slack for you." However, club leadership must be voluntary, because involuntary servitude is not *fun*. Eventually, too many jobs were being left undone for the Club to function effectively. We were all too worn-out, hassled, distracted, apathetic, and just plain TIRED to help or guide others to take the leadership roles.

Then a miracle happened! Our class graduated a new couple, and immediately the officers spotted their potential. The newcomers were enthusiastic, friendly, passionate about square dancing, full of zest, and NOT AFRAID TO BE OFFICERS! (In fact, they kind of reminded us all of ourselves so many years ago!) With no other change, their enthusiastic leadership put life back into the Club and all of us old tired members. In less than a half year, the attendance was up to 5-6 squares, where it has remained to this day. It's *FUN* at our dances now! We sincerely thank Billy and Rosann Flynn. Anyone who has experienced their oddball style recognizes their influence.

The NNJSDA Education Committee's research revealed that more than 75% of the clubs that folded did so because there was no one to take over the reins and run the club. Many dancers who might consider volunteering to be officers hesitate to do so, feeling they lack leadership skills or experience. The good news is that we can LEARN leadership skills and to lead in a way that allows us to still have *fun*. What we need are those who have "been there" to teach us. Responding to this need, the Education Committee is organizing an afternoon event called "The Gathering" (Dancers Getting Together to Share). The 2007 theme is "Dancers Working Together to Keep *Fun* in Square Dancing!" Get YOUR ribbon today for the May 12 date!

instrumental in standardizing calling terms and dance levels. John served as its Executive Director for 15 years and became a full-time caller and teacher.

The highlight of John's 50 year calling career was receiving Callerlab's Milestone Award in 1998. Their highest award to an individual, it is bestowed upon those who have made outstanding and significant contributions to the field of square dancing. The Milestone Award is "a recognition by an individual's peers, which sets the recipient apart from the ordinary."

John Kaltenthaler has brightened many lives through his 50 years of professional western calling as well as his good nature, generosity, and willingness to go the extra mile in many different situations. Freddie has been by his side, and sometimes out in front, as his partner of 56 years. John and Freddie have four daughters, two granddaughters, and that traveling poodle named Lucky. Their non-dancing interests include golf, bowling, hunting, and sometimes skiing. John's birthday is August 24 and Freddie's is January 13.

On June 2, 2006, at an Ironia Reelers dance, John's 50 fabulous years of professional western calling were celebrated with enthusiasm and appreciation. Yes, that teenage caller has grown up to be quite a man.

2 & 4 Sun. Sept-June Our Lady of Grace Church, 433 Ave. W at E. 3rd St.

“Gigs” at Lincoln Center, the cultural center of New York City, and at Brooklyn’s Borough Hall are tough acts to follow, but we are off to another great season. We attracted 42 prospective students to our September Open House, which yielded 21 actual students for our new teaching year. This is some class! Two members of the class, John and Anna Gallucci, joined us at Don and Dot Coy’s Holiday Jubilee Weekend. John even got to do some teaching when members of a high school senior class asked to learn some square dance steps. At another time, the Galluccis along with Eleanor Hochuli, Rona and Michael Gecht, Vickie Gimbleman, and Maryanne Horneck went on raids with us. Thank you to Lakeland Squares with teacher/caller Ron Kapnick and Belles & Beaux with Fran Wadel for making these first dance experiences such great ones.

We look forward to continuing a very good season and topping it off with a bus trip to North Carolina for the National Convention. We all hope that as we travel south for the convention, Fran Good, long time member and in house caterer extraordinaire will travel north from her new home in Florida to meet us there.

A Demo of Love for Chuck Conklin

On December 21, we put on a demo dedicated to a dear square dancing friend, Chuck Conklin, temporarily a patient at Pine Acres Rehabilitation Center in Madison, NJ.

It only took a single announcement at F.A.D. to secure volunteers. Caller Fran Wadel was first to step up. Doris Wilson did a wonderful job rounding up a square.

The day of the demo, two complete squares showed up for Chuck! Smiles of enjoyment flowed from the residents like warm breezes on a still summer day. They were ecstatic to see people get to use their legs for more than just mobility or lack thereof. We WOWed them!

When we greeted Chuck with fanfare, he was beside himself with gratitude. The tears that welled up in his eyes expressed more than words ever could. We were there for him. His fellow residents were just in the right place at the right time to get a glimpse of how much we cared for square dancing and how Chuck's impact on our dancing was cause for such a display.

Many thanked me for pulling this event together, but all the thanks I needed was seeing the outpouring of affection that day. I wish to thank dancers Greg Foksgey, Janet and Monte Montagnino, Sofia and Patrick Chen, Nancy Caufield, Debbie Kool (an expectant mom), Geri Van Dyke, James Jamison, Kathy Keener, Wendy Cheng, Lorraine Murray, Dolores Gesumaria, Doris Wilson, and Chris O'Connor, and caller Fran Wadel for a wonderful demo. All of us wish to thank the Pine Acres staff for being so helpful and friendly.

This is but one of the pieces of fabric that is used to describe the blanket of square dancing that we wrap around the life we lead as square dancers. I am still amazed that even after dancing since the year 2000, I come to see fresh examples of why this activity has placed us with the best, most wonderful people on earth.

We look forward to seeing you at the 56th National Square Dance Convention in Charlotte, North Carolina, on June 27-30, 2007. Now is the time to register and also seek accommodations. When the National Square Dance Convention was held in Charlotte several years ago, we had a lot of fun dancing, shopping, sightseeing, and spending time with friends we hadn't seen since the previous convention. If you need a registration form or other information about the convention, check the website: *www.56thnsdc.com*. You can also see us or ask anyone on the Board for help in finding one.

Keep dancing and keep smiling!

BEE SHARPS – Bound Brook, NJ

PL/RD/A tip

www.squaredancing.com/beesharps

2 & 4 Fri. Sept-May Bound Brook United Meth. Ch., 150 Union Ave (Rt. 28)

Mainstream classes started in October after three successive Monday nights of Open House dances. With 15 new dancers plus angels, our class instructor, Gardner Patton, has four or five squares each night. After the Mainstream class ends, the Plus workshop revs up with three or four squares participating. These intensive sessions are open to all Plus dancers who want to strengthen their skills in a fun, low stress environment.

In January, we plan to start the Plus workshop at 6:00 PM, continue with our current Mainstream class from 7:00 to 8:15, and then initiate a new group of Mainstream dancers from 8:15 to 9:30. Our hope is that the 7:00 group will serve as angels for the 8:15 group, and thus reinforce the Basic and Mainstream calls they already know. Check out our ad for details on our Plus workshop and for the dates of our Open House dances for prospective Mainstream students.

Many thanks to Gardner and other club members for helping us “think outside the box” about how we can improve the training and retention of new and experienced dancers.

The round dance class with Roy Gotta on Thursday nights in Bridgewater is progressing well, and the dancers are all set for waltzing and two-stepping to the area cuers.

Our dance schedule for this year includes the usual great lineup of area callers and cuers. We have two extra special dances scheduled for February 9 and May 11; refer to our ads for details.

Irma Huhn continues to get us on the road so we can once again complete our raid program. We hope you will visit or raid Bee Sharps this season. We are located on the other side of Route 22 from the school where the Mini-Festival is held each year, so you will be able to find us easily.

Last, but definitely not least, George Stoms of the Five Clubs has booked a great lineup for the summer of 2007. We’re advertising our callers and cuers early this year because we know you will want to plan your summer activities around these dances! Check out the Five Clubs ad in this issue.

1 & 3 Wed. Sept-May Central School, 600 S. Maple Ave., Glen Rock

1 & 3 Wed. June-Aug. VFW Hall, 6 Veterans Pl, Elmwood Park

We've got a bumper crop of new dancers this harvest season! Fran Wadel has 21 students signed up for our Thursday night class, and they're a fun, enthusiastic group. We hear from our friends at Circle Eights that their class is about the same size, so that bodes well for the future of square dancing in Bergen County! Our thanks go out to Fran and to all the club members who come out to serve as angels for the class.

We had a special event January 3, our Amateur Callers' Night. Club members had a chance to try out their skills as callers for the club. Half a dozen members signed on. Those of you who came up to Glen Rock for that fun night might have seen the next Fran Wadel or Howard Richman in the making!

In these winter doldrums, spring seems a long way off, but our annual spring events are coming up. In April, Linda Millian will be staging another of her exciting murder mysteries, and the following month we continue in the mystery vein with our mystery bus raid.

It's another lively year for Belles & Beaux!

CIRCLE EIGHTS – Haworth, NJ

MS/PL tip

4th Fri. Sept-June

1st Cong. United Ch. of Christ, 276 Haworth Ave.

Circle Eights' Open House on September 25 was a great success. We had a wonderful turnout, and 18 prospective new members signed up for classes. We hope all the clubs had a good start to the new season and the students all stick with the program, for we know it's well worth the trouble.

Our September dance, the first of the season with Dennis Reardon calling, had six squares dancing. In October, we had eight squares up and moving. At this rate, we hope to have ten squares at a future dance; we hope you're one of the lucky dancers. We had a wonderful time at our New Year's Eve Dinner Dance where we danced Mainstream and Plus all night. January 14 was the date of our club's annual luncheon, our chance for our members to spend some quality time together.

Fifteen of our members raided Lakeland Squares in October. In November, we raided RocklandRockytops and went to the Mini-Festival. We'll continue our raid program all season.

We look forward to seeing some old friends and making some new ones.

2 & 4 Wed. Sept-June Grover Cleveland Sch, 36 Academy Rd/ Prospect St

Cross Trail Squares '06 graduates attended all the summer dances and are visiting clubs with us this fall. In addition, we have an ambitious raid schedule of both Mainstream and Plus clubs. Our goal is to get out and support other clubs, as well as encourage them to come visit us at one or more of our dances. We enjoy dancing with other clubs' members and encourage you to come visit us either solo or as a raid. We had a large contingent attending the Mini-Festival and six confirmed dancers booked at the National Convention in June! We are out and about and hope to continue to expand our friendships with other square dancers around the world. To that end, our club members have visited clubs in Alaska, Australia, Las Vegas, Orlando, and other locations during the past few months.

During our November dance, we celebrated with our Annual Turkey Shoot (picture each attendee receiving two darts and attempting to shoot the turkey). Fortunately, no one was injured, and Judy Sommer went home with a real turkey to cook for Thanksgiving.

Our club is deeply saddened by the loss of Andy Meador who historically had been the organizer of our Turkey Shoot. Andy passed away on November 11 after suffering a stroke. He joined Cross Trail Squares in 1987 and contributed greatly to its success and fun. Andy served as President, but he is most remembered for the bus trips to Atlantic City and the demos he organized for our club. He served as an angel through his recent illness and is truly remembered as one. Our

Happy Holidays! Happy New Year!

This year, the organization is ably run by Rosina and Rick Wagenhoffer (Moderators) and David Roberts (Secretary); Karen and Greg Kushla continue as Treasurers and Terry and George Siebert as NNJSDA liaisons.

Our Fall Festival of Rounds, held on November 5, 2006, in Bound Brook, NJ, is now but a memory. Ellen McCabe programmed the afternoon dance, which was enjoyed by all. We are now setting up our Spring Festival of Rounds. The date is yet to be determined, so see your favorite cuer for further information about the dance, and look for flyers.

Hope to see you (in) around!

F.A.D. (Fun at Dancing) really did have a lot of fun last summer. Our pool party/barbeque was a great success. Mickey McFarland called a stand-up dance for the Fourth of July. The balloon dance was a hit with everyone given a balloon hat to wear (kind of difficult to keep on while dancing). The Hawaiian Beach Party was something to see! As always, we welcomed several raiding clubs who enjoyed "Fun at Dancing." Please join us as we have a lot of surprises coming up.

We were happy to welcome several new members to F.A.D. recently. After our dances, all are invited to Chris O'Connor's house for chit-chat and refreshments. During the summer, a dip in the pool is part of the after-party.

When you smile, no one knows what you are thinking! We look forward to the bright colors of spring, the fun dances and DBD workshops, the new dancers and the old friends. Ask about all those blue ribbons advertising The Gathering, with Tim Miller and Roy Gotta leading the dancing. It should be a fun day. Have you noticed the days getting longer? Echo Hill Park, 41 Lilac Drive

Everyone was happy to get back to square dancing on Friday nights. We kept in touch over the summer with our club picnic at the Baileys' in July. As in previous years, we helped the Hunterdon County Park System park cars at their "Concerts in the Park" series. We also did a demo at the 4-H Fair in Flemington to present the joys of square dancing to the general public. In conjunction with the HC Park System, we had a Barn Dance on September 17, which everyone seemed to enjoy.

Donna Besignano and Joe Kwiatek, Raid Chaircouple, have been busy scheduling our raids. Our dedicated members are always well received. As in the past, our club was well represented at the Mini-Festival, an event which is a fun time for everyone.

Please stop by for good dancing and good fellowship on first and third Fridays. The floor is spectacular! See you there...

2006 was a busy year for members of the CCNJ. President Betsy Gotta was honored with CALLERLAB'S highest award, The Milestone, at its convention in April 2006. Randy Page was transferred in his "other" job, and he and Fran are now relocated in North Carolina. Their son, Derek, remained in Connecticut and is

calling for some of Randy's former groups. There was a small increase in attendance at the CCNJ summer Mainstream dances, and the dancers had a great time. We also tried to encourage several amateur callers before their performances at Belles & Beaux.

The CCNJ has an education session before each of its quarterly meetings, and anyone who has any interest in becoming a caller is welcome. Meetings are the second Saturday of March, June, September, and December, with the education session starting at 9:30 AM. Several members of the CCNJ will be calling for the NNJSDA's Mid-term dance, and we will host our own student dance on February 25. Watch for information about all these events.

The Reelers started our new year with a "Friendship Dance" to which members invited friends who might be interested in square dancing. The caller and cuer gave them a taste of what square and round dancing is all about. Plus and Mainstream tips were also called.

Av and Bear Brady, our new vice presidents and class coordinators, are happy to report that we had a Mainstream class this fall with John Kaltenthaler teaching. We hope the students will continue through to the Plus lessons. Av and Bear also planned four demos: Morris County 4-H Fair, Paragon Village, Heath Village, and St. Peter's Episcopal Church. John Kaltenthaler generously donated his time to call for us.

Lise Greene and Mark Bippes have led us on four raids this year: Hix & Chix, Belles & Beaux, Kittatinny Rangers, and Y Squares. Our raid to Kittatinny Rangers was special because Lise's friend, Jan Nielsen, was the caller. Jan comes from Denmark, and this was his first time calling in the USA. He also called at the Y Squares dance we raided, which was his last dance in the USA.

We invite all of you to come and dance with us at Ironia. The dances are always better when we have many guests from other clubs. It is fun to meet new people and renew old friendships. That is what square dancing is all about.

This year, to our surprise, we were able to muster a class of 14 students, our biggest class in years. A few are “retreads” – that is to say, they are former dancers needing a refresher course, but the majority are brand new dancers. Last year, when we were unable to get any new students, we held Plus classes for our members and recently graduated students.

On Friday, October 13, our club had a “first” – the first time we had a Danish caller, Jan Nielsen. It was also his first time calling in the United States. The dancing was great and enjoyed by all.

Also, on the same evening, we were raided by two clubs, Ironia Reelers and Lakeland Squares. It was good to discover that other clubs could find us and to see old friends.

On November 9, we attended a Presidents Dinner where a forthcoming event (May 12), The Gathering, was outlined. The intent is to help dancers work together to keep the FUN in square dancing by discussing common club problems, approaches, and solutions. It promises to be a very useful program and a great bargain.

Letter to the Editors

On behalf of Jan Nielsen, the Danish square dance caller, lots of Yellow Rocks to the 12 clubs at which he called during his October 2006 tour in New Jersey and Pennsylvania. After calling for a number of years in Denmark, it was the fulfillment of a dream to be in the homeland of square dancing. We especially appreciate the willingness of so many gracious dancers to host Jan in their homes overnight, give him delicious home-cooked meals, drive him to his next calling destination, and show him some beautiful and historic sights.

Mange tak til jer alle! (Thanks to all of you!)

Every Tues. Sept-July

Senior House, 356 Rt. 202 (Main Rd.)

Our last dance in July, our ice cream social, was an international event. First, three young visitors from Taiwan, family of Patrick and Sophia Chen, came to see what square dancing is all about. Then, halfway through the evening, two dozen dancers from England walked in the door.

Their badges identified them as the British Square Dance Vacation Group. This group travels every other year to the US/Canada to dance. Members of various English clubs at home, they form a travel club for these expeditions. Their leader makes all the arrangements, and they visit a different area each trip. Typically they include a state or area-wide convention, then visit clubs along their travel route. This year they stopped in Washington DC, Boston, Montreal (for a convention), Toronto, the Thousand Islands, and the New York City area. Accomplished over three weeks in all, it was an ambitious and stimulating experience for the dancers, enriched by many personal contacts. After visiting Lakeland Squares, they attended the Hix & Chix dance on Thursday night. It was exciting just to talk with them.

The world shrinks to eight people in a square and expands to include all dancers everywhere.

MASQUERADERS – Hightstown, NJ

1 & 3 Fri. Sept-May

First Baptist Church, 125 S. Main St

The members of Masqueraders resumed dancing last September at our well known and popular ice cream social. Our 50's dance and our holiday dance will be memories by the time this is published. We are looking forward to some extra special dances as we celebrate Valentine's Day Presidents' Day, and Cinco de Mayo. We would love to have you join us for these or any of our other dances.

On October 16, we had the pleasure of dancing to Jan Nielsen of Denmark. He had a great command of the English language and a wonderful sense of humor. His calling style was a very challenging Plus level. I'm sorry to say, we did have some difficulty with "Four Ladies to the Center for a Teacup Chain." Jan tried several times to explain to us what he expected, to no avail. After each attempt, he would say, "Purrfect, purrfect." We were all pleased until we realized that "purrfect" in Danish, although sounding very similar to the English word "perfect," means "all botched up." We never did learn the call, but everyone had a great time dancing to Jan. Perhaps we will learn the call the next time he is in town.

The Masqueraders performed a demo at the Hamilton Township Fall Country Harvest where Mark Franks called for us on his way to call for Motiv8ors. We found this demo to be a lot of fun and we were delighted that the DePolvres (former members) were in the crowd and were happy to join us.

We are delighted that Betsy Gotta is willing to teach our class for new dancers on Thursday evenings. Since we have not recruited enough students yet, we have started a modest paid advertising campaign to supplement our members' recruiting efforts.

Croydon Hall, Bryant Ave.

Greetings from the Middletown Ramblers! We are pleased and excited to be the newest member club of the NNJSDA. Here's to a fulfilling, rewarding relationship.

Nine students from our 2005-2006 class joined our club last fall and are beginning to experience the fun that is square dancing. We have 13 students in our 2006-2007 class.

We just celebrated the holidays with our annual covered dish dinner in December, with most of our 60-person membership in attendance plus many of our students and guests from other square dance clubs in south Jersey. We have many great cooks, attested to by the fact that there were no leftovers to take home! We danced to Joe Landi that night, and he too had a great time.

We look forward to meeting NNJSDA members and would be delighted to have you attend one of our Friday night dances. Check our ad in this issue or our website for schedule and directions.

Motiv8ors has had a great season so far, offering some of the best Advanced and Challenge dancing in New Jersey. We welcome new members Ginger Connelly and Paul Kean, and welcome back Brian and Scott Thompson to our roster. Thanks go to Micky Siegel, who has volunteered to be our new treasurer.

Motiv8ors will be starting 2007 in a big way, with a **change in our schedule**. We will still be dancing on Sunday nights, but we will now start off with a full hour of C1, beginning at 6:30 PM. We will still offer two full hours of Advanced, from 7:30 to 9:30 PM, without a star tip. We hope this schedule will serve better both the C1 and Advanced dancers who continue to support the club, and get us home a little earlier on a Sunday night! For more information, contact me by email or phone, or see our ad in this issue.

Finally, on a more somber note, we mourn the loss of Norman Smith, who stepped up to serve as the club's first president back in 1993. Our condolences go to his wife, Gloria.

Hope to see you soon!

1 & 3 Wed.**Lady of Mercy Ch., 9 Parsippany Rd/ Whippany Rd****Sept-Dec, Mar-June****◆◆◆ New location – see ad for details ◆◆◆**

We are happy for Carl and Margaret Brignola, who have moved from Roxbury to West Leisure in Lakewood, right next door to cuer Nick Raspa and his wife, Carole. We wish Chuck Conklin well as he recovers from a broken hip suffered in a fall at an Ironia Reelers dance. Bill Groth learned that Ed Zimany is feeling much better after a successful operation on his back.

We loved dancing in Whippany. Dick Jones was the caller when the club moved there in 1976. By adding one new call each week, he brought us up to the Advanced level. When he died 24 years ago, Joe Landi became our caller. His terrific calling and driving skills brought him to us via a three hour drive from Beesley's Point, NJ, which is south of Atlantic City. In October, we unfortunately had to give up dancing in Whippany because the number of dancers had declined over the years and our expenses had increased. Thankfully, on short notice, arrangements were made for us to dance at The Parish of Saint Ann in Parsippany for the remainder of 2006. We were very pleased with the many dancers who found their way to the new location, thanks to a hastily drawn map and mailing to our dancers by Doug McCabe. We also thank the Alessis, Huettemanns, Roomes, and Langs for their part in taking care of our boxes of supplies in the transition to our temporary location.

As last year, we will not be holding any dances in January and February. When we return, we will be dancing at our new home, Lady of Mercy Church. See our ad for details and directions.

Our 15th Anniversary Dance on Sunday, September 17, 2006 was a huge success. Almost 100 dancers attended from both the Hudson Valley and New Jersey, including former presidents and past members of our club. All enjoyed the superb calling of Mark Franks and cueing of Mary Pickett. Let's not forget to mention the fantastic food spread, thanks to Lucille and Richard Behrens and their committee. Many members contributed to the success of the dance, so rather than list names and risk omitting anyone, I will say "Thank you to all."

As of this writing, our Mainstream class is doing very well under the expert tutelage of Fran Wadel. Twenty-five students are registered, and with the support of our loyal angels, we have four or five squares. Greta Inowlocki is our enthusiastic class coordinator. Greta enjoyed a trip to the Baltics this past fall. She reports, however, that unfortunately there is no square dancing in the Baltic States.

Sue and Rich Baumeister did get to square dance on their vacation – at Waikiki Beach in Hawaii. Congratulations to Maria and Roger Hoernlein on their son's October wedding.

We have a student dance coming up on February 9, and we are looking forward to having your students join ours as they put their new skills to the test. Don't forget – we need many experienced dancers, too, to ensure a rewarding experience for the newcomers. And, be sure to join us at our regular dances as we square up for either Plus or Mainstream, depending on the night. See you in a square!

1 & 3 Sun. Sept-June

American Legion, 1015 Linwood Pl.

The Rutgers Promenaders is having a good dance season so far. At our first dance of the season, we had a guest caller/cuer couple from Toronto, Canada, Jeff and Andrea Priest. At our third dance, we had a guest caller from Denmark, Jan Nielsen.

Our class from last season is continuing since our young students have not completed the Mainstream program yet. Two of the kids in the class danced some of the full Mainstream tips at the Mini-Festival. You may have seen them.

We are a family friendly club, which means you can bring your children to the dance, even if they don't dance. It also means you shouldn't be surprised to find yourself dancing with children and their grandparents in the same square.

For clubs planning to raid the Promenaders, please contact me as early as possible so I can get the word out to our members. The most reliable method of contact is via an email message.

Lorraine Murray, Chuck Conklin, and George Haberberger have all been out because of medical problems. Lorraine is now back, chipper as ever!

Spinning Wheels hopes you all had a safe, happy, and healthy holiday season.

TENAKILL TWIRLERS – Cresskill, NJ

MS/ PL tip

www.sqrdance.org/Tenakill.Twirlers

3 Fri. Oct-May

Bryan School, 51 Brookside Ave.

John Kaltenthaler is retiring, and we danced to his calling one last time at our October 20 dance. Raiders from Belles & Beaux were among the dancers who helped us bid adieux to John and his wife, Freddie. John called many a dance for Tenakill Twirlers, and we will greatly miss him.

Last issue, I mentioned that Tenakill Twirlers is the oldest club in the NNJSDA. I have since learned more about the history of our club from a letter received by Barbara Kanter from Peg Tirrell. Founded in 1951 by Barbara and Sid Scott as Cresskill Square & Folk Dance Group, the group danced on the third Fridays at Cresskill Congregational Church. Alice and Al Fulmer joined the group, and when it outgrew the church, Al, who was on the Cresskill Board of Education, was able to arrange for the square dance group to meet at the Bryan School, located on what is now called Brookside Avenue.

In 1954, Jody and Joe Bromberg came into the picture. The club grew, and in 1956, it changed its name to Valley Promenaders. When the Scotts left for Massachusetts in 1958, Jody Bromberg cued folk dancing and had Al Fulmer learn calling to replace Sid, and had Doc Tirrell learn round dance cueing. A new name, Tenakill Twirlers, was born April 17, 1959, and a constitution was drawn up. During the summer of 1959, Jody talked almost every neighbor on their block into taking square dance lessons, holding weekly classes outdoors on their driveway. The group needed a “real” caller and recruited Slim Sterling from Westchester, NY, who then called for the club for five years. Thanks to Jody and Joe, many new ideas were tried out at Tenakill Twirlers, including a mid-season dinner dance and a mystery bus ride. The Brombergs also started square dance classes for neighborhood children. They taught a group of children from St. Joseph’s orphanage to square dance so well that they were invited to perform at the 1964 World’s Fair in New York. For a number of years, they also led an energetic teenage group called the Tenakill Twilights.

Over the years, Tenakill Twirlers members presented programs at PTA events, churches, and parades, and joined with other clubs at local events. Jody, with Joe as her willing accomplice, was the dedicated, energetic spark that kept Tenakill going through the beginning years. Joe died in 1975 and Jody in 2006. They are buried in Woodbridge, NJ, where their stone bears the symbol of interlocking squares.

It’s hard to believe, but Tenakill Twirlers is into its 56th year. And for over 50 of those years, it has been meeting on the same night and in the same school.

WESTERN WHEELERS – Oradell, NJ

PL/A tip/RD

www.sqrdance.org/Western.Wheelers

2 & 4 Sat. Sept-April

Reformed Ch. of Oradell, 641 Church St.

Our 2006-2007 dancing season is well under way, and, as usual, lots of fun things have been happening. We were very happy to dance to our long time friend, Joe Landi, at our September 23 dance. Joe is a gentleman who always provides an enjoyable evening. Our October 14 dance featured a caller from Denmark, Jan Nielsen, with Peg Millar as our cuer. We hosted five squares, including our raiders for the night, Mountain Squares. Dennis Reardon called our October 28 dance, also to five squares. Peg Millar couldn't make it, so Janet Sommers was our guest cuer. The Kuenzlers took over as treasurers for the evening, subbing for the Meyers, who were vacationing in Europe. On November 11, Western Wheelers was raided by the Garden State Campers Square Dance Club, including Joe and Jane Maldonato who were visiting from Delaware, all sporting their attractive green and white outfits. Len Anfinson, a Garden State Camper himself, performed as our caller and provided a lively dance. Gloria Wyman and I shared the treasurer's table, which we discovered was a fun experience. Bob Bachmann announced that Circle Eights would be co-hosting the New Year's Eve gala with Western Wheelers. You'll hear all about it in the next issue of *Grand Square*.

Andy Woerner's Plus class is moving along quite well, with more than two squares each session. The group seems to really be enjoying themselves, angels and students alike. Hopefully, we'll be seeing these people at dances in the not so far off future.

Members update: The Beckmanns, at this writing, are vacationing in Mexico, enjoying the sights. The Meyers are vacationing in Europe. The Maldonatos are very happy with their move to Delaware.

A lovely card with friendly greetings was signed and sent to Bill and Cyrene Finch. Since Bill has been ailing for quite some time, Cyrene has arranged a good schedule of helpers to assist her with his care. She is an amazingly resilient lady with a much to be admired attitude. Bless you, Bill and Cyrene. Much love is extended to you from the Square Dance World.

The Hoernleins and the Bachmanns shared an exciting experience. Roger and Maria's daughter and Gus and Marilyn's son were both elected to a borough council seat in their towns. Good luck to them; it's a commendable undertaking.

Come join us, you'll like us, the "Friendly Club."

2 & 4 Fri. Sept-May **Hehnley Elem. School, 590 Raritan Rd.**

Y Squares has started off the new season with six students. The students are progressing nicely, according to our Class Coordinator, Don Madden.

Our new officers are doing very well. We extend our thanks to Presidents Jan and Paul Sanderson, First Vice President Don Madden, Second Vice President Helena Mierzwa, Secretaries Judy and Al Kendziora, Treasurer Jean Koenig, and NNJSDA Delegates Judy and Al Kendziora.

This reporter and Don Madden were married on October 28 at St. Barnabas Church in Bayville. My daughter, Casey, was the maid of honor, and Don's son, Arnold, was not only the best man, but also the D.J. at our reception. The reception was held aboard the River Lady, a paddle boat out of Toms River. In addition to the D.J. music, we had round dancing cued by Ellen McCabe and Tom Denniston. We appreciate all the favorable comments we received.

Going to Your First National Convention?

Don't buy new dance clothes for the trip. You will find shops on site from around the country. Do bring your most comfortable shoes and sneakers you can dance in as well.

Leave time for the ceremonies, education sessions, taking half day tours, and relaxing with old and new friends.

Try the "Live Music Hall" even if you are not a Mainstream Dancer or think the hall is too crowded. There's a reason for the crowd.

Check the program for "Special Events." One feature in Charlotte will be the Eddie Miles Show, "A Salute to Elvis."
