NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION

P. O. Box 56, Metuchen, N. J.

NOVEMBER | DECEMBER

The new season is now well under way. Many of our clubs have started beginnerclasses. Special dances and timely activities are brightening up our entire Association with a festive aura of fun and friendliness. The fine publicity and favorable public interest and attention that square dancing is attracting in our area, is certainly the responsibility of, and a tribute to, our many conscientious, hard working members.

It is heart warming to see this wonderful effort on the part of our clubs to entice new dancers to classes, to revitalize old dancers with enjoyable programs and to perpetuate square dancing through public relation functions and personal persuasiveness. This unbounded generosity to share in the joys and friendship that is inherent in square dancing, is typical of the character and personality that our members are made of. The inter-mingling of dancers among our clubs as indicated by the increasing number of guests attending the dances, is clear cut proof that all our clubs are moving happily forward. This is a healthy situation and is a tremendous factor in the growth of our Association. It adds to the enjoyment of all square dancers, benefits all clubs, and directly creates a homogeneous group of happy people.

The Association encourages this highly desirable trend and will help any member club in every way it can, to continue this fine progress. The Executive Committee, the Beginner Class Committee, the Public Relations Committee (including publicity), the Program Committee, the Round Dance Committee, the Clearance Committee, the Grand Square and all special committees stand ready, and are looking forward to, serving all our clubs individually as well as a body.

We are intensely interested in the propagation of the square dance movement. Close relationship and liason between and among all our members, club officers, callers and round dance personnel would insure this continued forward motion. Keep up the splendid achievements!! Everyone is urged and encouraged to call us at anytime for assistance....Happy dancing!

The 4th Annual Callers Carnival held on October 30th in Summit was an outstanding success. M.C.'d by Vice Presidents, Max and Louise Breuche, the 35 sets enjoyed dancing to the calling of Al Aderente, Manny Amor, Barney Hartenstein, Harold Holmes, Dick Jones, Bob Kellogg and Dick Lighthipe. Something new was added this year - by dividing the hash and singing calls of each tip between two callers, the late dancers still had an opportunity to dance at least once to every one. Rounds were handled by Edith and Bob Thompson.

It gave Gene and Grace Lucarini a great deal of pleasure to present our immediate Past Presidents, Doc & Peg, with a plaque from the Association for distinguished service to square dancing. (Ed. note - Thrilled as we are with our plaque, our greatest reward will always be the many friendships we have made.)

We are looking forward to our next dance with Paul Hartman on January 29. Thomas A. Edison Jr. High School in Westfield, NJ. Mark the calendar -NOW!

A personal note from Max to all NNJSDA members: "What a thrill when we realized every club was represented at the Carnival...the many club banners hung around the spacious gym added greatly to the festivities. We wish to thank all the dancers personally for their support. Louise joins me in wishing each and every one of you the happiest of holidays. 'Til we meet again....happy dancing."

The Square Dance Festival benefit dance for Englewood Hospital held in Dumont on October 22 was just that... a real festival, in spite of a rainy night. Since all services were donated and the four clubs paid for the hall, the complete intake of \$201.50 was given to Englewood Hospital.

The guiding light behind the whole evening was Dorothy Pullman. Now on to her report....!Aby assisted by Frances Rattner they made it a real gala occasion with all the Halloween decorations, corsages from autumn flowers and chicken bones, etc. The callers gave us a happy evening of dancing. Many thanks to Ken Casazza, Jack Shoffner and particularly our suave master of ceremony, Marty Winter. Al Fulmer made his debut in club calling. It was a surprise to some, but not to those of us who have danced to his calling that he is a caller and a grand one. The Tirrells were as gracious as ever in providing interesting rounds. Our thanks to them all, to the taws who baked those delicious goodies for our refreshment table, and to all the many others who worked so hard to make this dance a success and to all the dancers who supported it."

Immaculate Heart Of Mary School on Island Road

March 18 has been selected as the date for our "big" dance. Buzz Chapman will do the calling that nite. The "Traveling Tenakill Twirlers" visited us on our regular Thursday nite dance, October 28. We have just graduated a new group of square dancers and we look forward to starting an equally successful group to begin in mid-November. An open house was held the first of November to recruit members. If any one knows interested couples who want to learn square dancing, please contact us.

## ROUND DANCING

The Round Dance Committee met in mid-September and discussed the continuation of the Round of the Month and its selection, with the result that it was decided a square dancers round (i.e. a less complicated round that can be taught in about 10 minutes) be chosen...with each Round Dance instructor there responsible for a month. The Tirrells for October, the Thompsons for November, the Adams for January, the Kelloggs for February, the Hulins for March, the Hartensteins for April and the Sibbalds for May.

Due to the holidays it was decided to omit a ROM in December. All NNJSDA clubs and interested folk will be notified of the selection, but the actual teaching will be left up to the discretion of the individual clubs. We do hope tho' that clubs who do play rounds in between tips include the Round of the Months - in that way the many couples who dance all over the area may join more completely in all club activities.

Following up the suggestions for a roster, all instructors were contacted for a listing of their Round Dance club nights. Although many teach the ROM at the club's regular square dance night, either before the dance begins or during a long break, we are presenting here, for those couples interested in only Round Dancing, the replies received.

## RECENT GRADUATES

As in the past it has been customary to acknowledge the graduates of our area's Beginner Classes. In like manner we hope other clubs will extend invitations to them to join them on the dance floor. Altho' all graduates are usually told to go and dance with as many different clubs and people as possible, we realize many couples are reluctant to do so. But by a clubs extending this personal touch, a couple soon finds out square dancers all over are a wonderful group of people and that truly Friendship is the square dancers greatest reward.

To the graduates - as you promenade along the square dance road, may your paths be cross-trailed with many new friends and the joys of this marvelous couple activity increase a hundred fold.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays

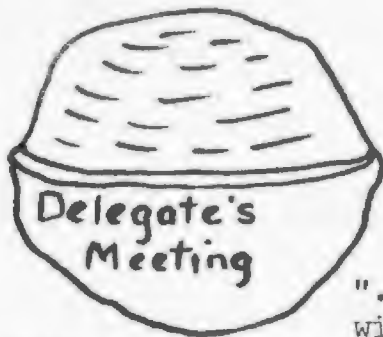

Adalberts Hall - 366 Morningstar Rd.

It was 8PM at St. Adalbert's October 16th. The hall was decorated with pumpkins and corn husks - all was quiet and then it happened. In came a green man, the jolly Green Giant...and walking beside him was a can of corn. This was only the beginning. Staten Square Set was having a masquerade party and the costumes were expected to be unique. There was so much laughter and excitement as the characters came in, I'm sure Al had his doubts about squaring them up. In spite of a few inconveniences such as Minnie Mouse's tail getting tied up with Dr. Cavanaugh's stethoscope, and trying to coax baby Ken Hicks to relinquish his bottle long enough to grand right and left, everything went well. There was "time out" for picture taking...even had the Daily News photographer come for shots of these mad Islanders.

Bob & Lorraine Lithenhaus did a fine job of programming. Bob also carved the many pumpkins donated by Bill & Ronnie Greenwood while Bea Tooker made a beautiful black cat cake. Mike Kawka was responsible for the Daily News Publicity.

November 6 was our Harvest Moon dance....and a turn about for us when we were raided by the Indians from Ramapo Squares in full regalia. November 20th will be The Turkey Trot. club reporter - Alice Farrell YU4-9206

RICHMOND DANCERS -- Stapleton, N.Y.

2 & 4 Saturdays First Presbyterian Church - 10 Brownl St.

We are off to a good start for the season at our new location. The dinner dance in September and the Halloween Dance in October, through the extra efforts of a fine committee, were most enjoyable. The Thanksgiving Dance (Nov. 27th) will have a treat of "pies of the season" as refreshments, all donated by members. Members are asked to bring a toy to the December 11th, or our Christmas Dance; these will be turned over to a local orphanage. It seems real good to see Shirley Bellotti out to the dances again.

2 & 4 Saturdays

Church of the Atonement

Swung off to a new season with guest caller, Dick Doyle of Mass. 'Tho many of our dancers were at the Philadelphia convention, there were a number of stay-at-homes who turned out for an enjoyable evening. On Oct. 9th we had the first dance with our own Dick - Jones, that is. Despite a sore throat he kept belting out those calls in his usual enthusiastic manner. We saw a lot of old friends and were happy to welcome a number of new ones, including some recent graduates. Oct. 23rd was Manny Amor's first night as one of our regular callers...a night to remember, as he always puts that extra spark of fun into his calling.

Began our season with one of the largest attendance ever experienced. Jack & Fay Wadlow showed slides taken at the Fair and Herb & Marta Schuyler some from the National Convention in Texas. The club is very fortunate to have Marty Winters back again as our caller. We are happy to have Doc & Peg Tirrell with us on the 4th Monday each month to instruct the club in the latest round dance. Another camper in our midst - the Inmans who are the proud owners of a camper and have enjoyed several weekends camping and dancing. Only one dance in December - on the 13th.

People were evidently anxious to start another season of dancing as we had a marvelous turn out at our first dance on Labor Day weekend. And the same enthusiastic group returned in October. Marty Winter is back at the mike this year, in fine form after his recent illness. Hope to see some more new faces as the year goes on at our dances.

2 & 4 Fridays

Salem Drive School

Things have been going along great guns this season. Round dance sessions from 7:45 until 8:30 have been very well received - we are brushing up on our basics and learning the Round of the Month. Our annual Christmas party dance will be held on Dec. 10. The committee is sure working hard on making this a memorable evening....a "black-light" dance, novelty dances, refreshments, a visit from Santa ...are but a part of what is in store. If you can come, please bring a fifty cent gift - gals for gals and fellas for fellas. Reservations are being taken for our New Year's Eve party at the Cedar Knolls Firehouse...make yours now as we must limit the number. We also suggest you call Bob Fergus to check our dancing place since the next two have had to be switched to the Parish House.

GRAND PROWLERS -- Whippany, N.J.

1 & 3 Saturdays

Memorial School on Highland Avenue

Danced our way into our 5th anniversary with Vin Caruso calling in his usual top form. In honor of our wooden celebration, we established a trophy wooden door for other clubs to try for. Custody is awarded to a club visiting with one full square the regular dance of the club holding the trophy - a true door prize! 3 squares of Ramapo Indians whooped into Whippany, war paint (on the women, of course), feathers and the works. They massacred us and ran off with the door. The idea is for Grand Prowlers to prowl over to where ever the door is next September and bring it back in time for our 6th. On Nov. 6th the Triple "T"'s from Cresskill surprised us. Instead of coming to steal our banner, the 9 couples pinned it with a red suitcase! Our Christmas party is Dec. 18 - only one dance in January - the 15th.

Kakiat Junior High School

22 couples went on a knothead mystery bus ride to Manchester, Conn and thoroughly enjoyed the calling of Earl Johnston at the Manchester Square Dance Club. They presented us with a club banner and then the Maddocks won a huge cake - enjoyed by all on the ride home! Congratulations to our newlyweds Sue and Don Littwin. Remember we said we would have guest callers on our 5th Tuesdays? Nov. 30th Harry Tucciarone will be with us again. (Talk of dedicated dancers - the Maddocks moved over a weekend, but the very next Monday had the regular Hi Taw Round dance group meet in their basement...and not a moving box to be seen! Ed. Note)

The fall season has been a series of wonderful dances with the amazing program ideas of Michele and Bill Lane. The hospitality of the Telekys and Szabocsiks has been just perfect. Barney Hartenstein has been calling squares as never before, Virginia is just dreamy with her rounds. Visitors are very, very welcome. Our gala New Year's Eve Square Dance Party will be held at the Gallery on the Woodbridge traffic circle. See our ad and make your reservations now. Contact Ken Housman at 549-4809.

COUNTRY PROMENADERS -- Metuchen, N.J.

2 & 4 Saturdays

Reformed Church on Lake Avenue

Our Halloween dance, with Larry Dee calling, was a big success. The evening ended with a surprise specialty by the "Skeletons" who danced by special lighting effects. All that was seen were the bones (in costume) of Gloria & Herb Gold, Jan & Dick Davis, Sue & George Petrusky and Vi & Jim Cameron. Very spooky, I must say. Our schedule for the winter is - Nov. 13 - Al Aderente; Nov. 27 - Charlie Kites; Dec. 11 - Al Aderente; Jan 8 Jim Cargill; Jan. 22 - Charlie Kites. Round dance workshops start at 7:30 to 8:30 with the Thompsons teaching the latest rounds. They teach with such ease that you enjoy (well nearly) every stumble you make, until you've mastered the dances. So come on out to our next dance - As the man says: "There's more spirit to it" - Square Dancing that is.

MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Irwin School, Racetrack Road

Our second annual "Hobo Nite" saw practically all our dancers attending in the shabbiest costumes you ever saw. The informality of the dance contributed to its great success, and the committee in charge; Joe & Alma Massing, Ange & Jeanie Costa, Andy & Lee Schurley and Win & Helen Cook all did a fine job. Our active membership is now 63 couples...more folks who enjoy relaxed dancing and good fun are joining all the time.

Club Presidents Ed & Claire Bruen are off to California and Hawaii on a combination business-pleasure trip. Roy Amerman brought "Curley-Q", a stuffed doll to the Merri-Eights. It was presented to him in California for having travelled the longest distance to a square dance....Our president signed it and presented it to Beulah who came the longest distance to our dance. Have you seen our newspaper "MUMBLER" edited by O.I.Goofed? It is dedicated to poking fun at club members, advertising our dances and promoting square dancing.

METUCHEN SQUARE DANCE CLUB -- Metuchen, N.J.

1 & 3 Saturdays

Reformed Church on Lake Avenue

Our November dances are being held at the Campbell School in Metuchen. Bob Kellogg calls first Saturdays and Beulah Samec third Saturdays. Rounds are from 7:30 - 8:30 under Bob & Edith Thompson. As of this writing we are not sure WHERE we will be dancing in December, so please call the Golds at 569-5052 or Opiphants at 756-0889. A surprise anniversary party was given Frank & Hazel Preston after the Callers Carnival (Ed. Note - Now you know Hazel, why they were late with their news!) by some of the members. We all wish them many more. Bill & Alice Fengler have left for a months vacation in Florida.

WESTFIELD SQUARES -- Westfield, N.J.  
every Wednesday Tamaques School on Willow Grove Road

We dance every Wednesday to the challenging calling of Beulah Samec. Bob and Jean Kellogg direct the rounds for the club with great style. Due to the holiday, no dance will be held on Nov. 24. On Dec. 15 the dance will be at the Washington School in Westfield.

PLAINFIELD PROMENADERS -- Plainfield, N.J.  
2 & 4 Fridays Cook School - Leland Ave.

A good time was had by all 13 squares at our "Open House" in October. Beulah called a good "fun" dance. Homemade goodies were served and all the taws received miniature corsages. We are very glad to report that Mildred and Oscar Somers are making a satisfactory recovery from their recent auto accident. While their car was extensively damaged, they were both held firmly in place by seat belts, for hich they, and we, are very thankful. Jay & Ruth Folk have joined the trailer colony in Florida for the winter months...their address is simply Briny Breezes, Florida. Sounds wonderful, doesn't it? Our Christmas dance is Dec. 10th. Santa has not yet confirmed his intentions of coming, but we're going to fancy up and otherwise take special notice of the season. C'mon out - we dance for fun!

WRONG WAY THARS -- Somerset, N.J.  
1 & 3 Sundays Community Fire House

With both our callers on tap, Bob Kellogg and Jack Shoffner, how could we help but have a tip top opening dance! In honor of the occasion our taws had out done themselves in baking, Wrong Way Thars aprons had been created for hospitality and silver keys to hospitality were made for all visitors. And were we glad we'd made so many when the Triple "T"'s walked in on their maiden trip. Not only did they pin our banner but went home with one of our own aprons, which we plan to retrieve soon.

So many of our group are also campers that when the beginners class began 2 sets of camper's children asked please to be included too!. So while the grownups are learning up front a couple sets of children are in the back of the hall just soaking up every instruction Jack gives. Oh, to be young and learn so readily! Our hall has a recently completed wooden to floor to dance on - know you'll enjoy yourselves - Ereht uoy ees.

REELERS of IRONIA -- Ironia, N.J.  
1 & 3 Fridays Ironia Elementary School

Began our new season of dancing September 17. When two squares of Somerset Hills Squares appeared at our October 15 th dance they claimed our banner, not for long tho'. Guests are always welcome at our dances and particularly at our Christmas party which is set for December 17. As a part of the Randolph High School Adult Education Program we are sponsoring a square dance class.

TENAFLY SQUARES -- Tenafly, N.J.

2nd Friday

Presbyterian Church

Eleven squares were stepping to the calls of Jim Flammer at our opening dance in October. A good time was had by all, and we expect this to be our best season. After coffee and buns, Jim called some fast tips and introduced "Slide Thru". Since our club held its very first dance on Nov. 14, 1952, we like to feel that we are one of the oldest clubs in the area. If any club is older, please step forward and present your claim.

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

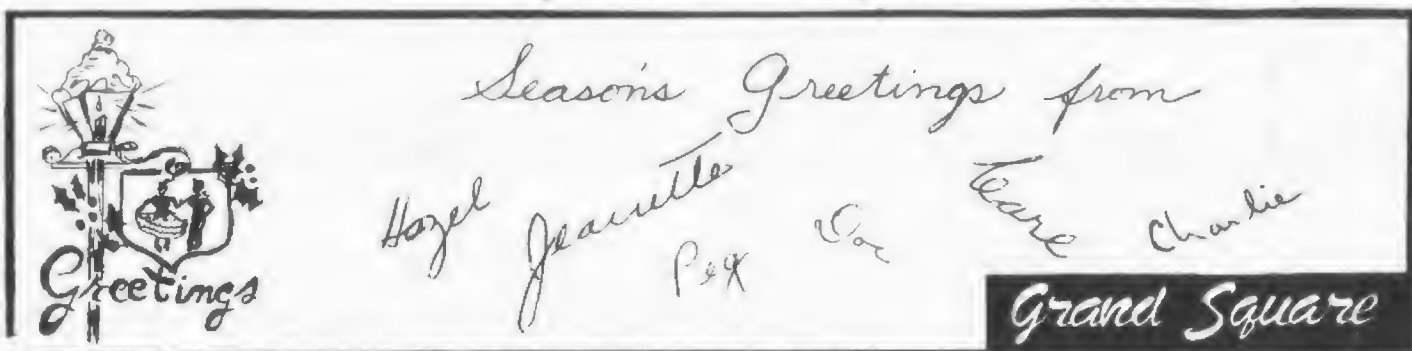

Bryan School, Brookside Ave.

The Triple "T"'s motto is "Have suitcase, will travel" with a suitcase pin presented to every club the Tenakill Twirlers Travellers visit. Our first trip was to Wrong Way Thars where we had a wonderful evening. And can those women bake! In October we went nearer home - Hix & Chix in Mahwah...another very friendly group where we enjoyed dancing to our old time friend Jim Flammer. November saw us at Grand Prowlers enjoying their fun and hospitality and the calling of Vin Caruso. Guess where we'll be next?

Our regular dances have been well attended - we had a special treat in October when Elaine Hendrickson was able to accompany Chip for the evening. No wonder his calling was so extra special that nite! Did you know - Dave and Barbara Brockner are the proud parents of a son born Sept. 20 and sidelined for a month is our president's taw Shirley Cavallo who broke her ankle just 'fore leaving on a Triple "T" trip.

Want to surprise your taw with a real square dancers Christmas present? Give her a ticket to our Johnnie Roth Dance - see our ad - Jan. 28. In case of snow it will be honored at another guest dance.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School on Seminole Avenue

At our first dance we welcomed 3 sets of graduates into Ramapo. Hal Holmes made them feel right at home having called at their Prom the Sunday before. Sunday nite, Oct. 3, was a busy one with Doc & Peg starting a new class in R/D basics in one part of the building while Hanley Clapp, assisted by club members, was starting the new square dance basic class.

Our Oct. 9th dance with Manny Amor calling was just about underway when 3 sets of masked mystery visitors from Staten Square Set slid in and joined the fun. It was a happy evening with Manny's lively calling and the Tirrell team R/D cueing...a wonderful chance for our new members to meet club dancing at its best. Bet Grand Prowlers were ready to call in the troops when 4½ sets of the Ramapo Tribe invaded them in feathered regalia!

Our Halloween dance with no known caller lined up (switched to another school at last minute!) turned out to be a "Bit of all right" with Bill Baker's calling "Everybody Chain" in Tommy Cavanaugh style, and 6 or 7 others, members and visitors, taking a stint at the mike.

It is nice to see R/D visitors from other S/D clubs stopping in at our Ramapo Rhythmaires Round Dance Nights. We are reviewing classics and popular rounds as well as learning new ones.

2 & 4 Tuesdays

Cedar Hill School Gym

Our big news - the larger dance floor at our new location - there is plenty of room for everyone. So come on out and see for yourself...be a joiner - know you will enjoy yourselves. Vin Caruso is our caller. Special Christmas dance is planned for December 14th. Happy holidays.  
club reporter Bob & Sue Brown 766-1656

## GARDEN STATE SQUARE DANCE CAMPERS

Our season wind-up was really a great affair, Jack Shoffner called to 12 squares at We-Got-Um. The chicken dinner, catered by Veeps George and Dorothy Hunt, was really something - just ask anyone who was there. The Variety Show by Don & Marion Comeau was also a big hit. Have you seen "The Round Dancers Answer to the Twist"? Ask Doc & Peg Tirrell.

We were pleased to welcome Lloyd & Carol Siewers, presidents of the National Chapter, to the area - maybe you danced with them at the callers carnival. Camping season may be over, but we are not idle. Planned is a dinner-dance in January and a spring camping equipment display at a special guest caller square dance. Our '66 dates have been selected - June 10-12; July 8-10; Aug 12-14; Sept. 9-11.

club reporters - Bob & Lynn Long 257-7255

## "Y" SQUARES -- Westfield, N.J.

1 & 3 Fridays

Washington or Wilson Schools

16 squares from all sections of N.J. danced up a storm at our gala special dance featuring Jack Livingston, "The Traveling Man From Indiana". Bob Kellogg, our regular caller, was in charge of rounds. The Galenas were refreshment chairmen assisted by the Manevals. Before the dance Jack and his wife were entertained at a buffet, along with Bob and Jean Kellogg, by the officers at the home of our presidents Joel and Alice Spivy.

Our Nov. 5, Dec. 8, Jan. 7 and 21 dances will be held at Washington School while on Nov. 19 and Dec. 17 are at Wilson School. All graduate square dancers are welcome, anytime.
