WELCOME, new dancers to the wonderful world of square dancing! Your many hours spent in the classes will come to fruition with your graduation and joining in the club dances. With the help of experienced dancers in the clubs you should be able to make the transition to club level with very few problems.

And to the present club members - here is your supply of new life for the club, the enthusiastic new dancers; Make the most of it!

Again, to the new dancers - after getting your feet on the ground in your home club, do travel to the other clubs. You meet so many nice people when making these visits and you enjoy dancing to other callers. Having gotten into the swing of things with square dancing, another thought for the fall next year - take up round dancing by joining a basics class. Round dancing and square dancing complement each other nicely and each type is very enjoyable.

So dancers, new and experienced, have fun in these activities! We will see you out on the dance floor.

SWINGIN' STARS and TENAKILL TWIRLERS

The plight of the Biafran people has raised the age old question of why does human kind manage its affairs so badly that we inflict these horrors on each other. Unable to answer this question, SWINGIN' STARS helped a bit, by holding a White Elephant auction on Jan. 24. Manny Amor is almost as good an auctioneer as he is a

caller. The \$70. raised was matched by Technical Accessories Co. of New Brunswick, so \$140. went to UNICEF Nigerian Relief.

American Field Service Exchange Students and their US "parents" were given an opportunity to participate in the folk dance of America at a special, free B/D sponsored by Tenakill Twirlers with Chip Hendrickson at the mike.

# Square Dancing with the TEEN-AGERS!

ESSEX RAMBLERS -- Verona, N.J.  
Wednesdays, 7-9 pm Essex County Bldgs - 900 Bloomfield Ave.

We represented the 4-H and teen square dancers by performing at the New York City Country Fair on December 29. Calling was our caller R. "Walt" Walter and the coordinator of s/d activities at the fair; Harry Lazar. A large and appreciative audience gathered to watch and some were willing to try square dancing. Later while waiting for the homebound bus, the Ramblers, weary and with aching feet, described the trip as "a real fun afternoon".  
secretary - Judi Knight

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.  
Tuesdays, 7-9 pm County Bldgs, Hanover Avenue

We are enjoying Bob Mitchell's calling 1 & 3 Tuesdays. Our beginners are learning fast and are able to participate in more and more tips. The Corbishleys have been unfortunate and we've missed them on a number of occasions. Jack suffered a fractured collar bone which put him out of wrestling (our gain and the team's loss) and sister Mary is undergoing foot surgery. We enjoy having her with us between sessions at the hospital and look forward to her complete recovery and return to our group.

The new group from Sparta plan to visit with us in the near future and we look forward to entertaining them - maybe over the Easter vacation. Happy Easter to all.  
reporter - Heather Knight

TENAKILL TWILIGHTERS -- Teaneck, N.J.  
Mondays, 7-9 pm Community Church

Our big teen dance is approaching and we are trying to finalize all the plans. It will be on April 18 with teen callers from the New Jersey and Pennsylvania areas. M.C. will be Jim Marshall. The price will be 50¢ a teen. Hope to see all the teens in this area there, at the Community Church on North St. in Teaneck - our regular meeting place.

We "broke" in our teen beginner class at the Tenakill Twirlers live fiddlers dance. This present class graduates on April 17 at the regular monthly Tenakill Twirlers dance in Cresskill. See ya' soon.  
reporter - Luci Bromberg

LAMPLITERS -- Spotswood, N.J.  
1 & 3 Sundays, 2-4pm American Legion Hall

Our club lessons are in operation now and we have about 5 squares of dancers. We need plenty of boys for dancing. Although we haven't been doing many demonstrations lately, our caller Jack Shoffner has called recently for the Spotswood Girl Scouts. Ye reporter is also learning to call. Keep smiling.

SUSSEX SPINNERS -- Sparta, N.J.

2 & 4 Fridays

Alpine School, Andover Road

To bring you up-to-date on the Spinners doings, our "2 for 1" dance found 13 squares spinning to Al Aderente and our regular caller Bruce Vertun..our special thanks to all who travelled to the north country to support us....everyone attending had favorable comments! In February we had a Valentine Dance with Bruce and another "special" which Glen Cooke handled in his own unique way.

To add to all our dances from now on, we are including round dances which are cued by Mary & Joe Kuletz.

Coming up will be our graduation dance on April 7 at the Sparta Alpine School from 8-11. All NEW GRADUATES are our invited guests! We are happy to say, at this writing we have six squares graduating with 14 couples having perfect attendance! The grads will join us for dancing throughout April and May and are especially looking forward to our special guest caller, SKIP SMITH on May 22nd ( see ad on page ).

Remember the "welcome mat" is always out for Y O U - and we serve "coffee and" for the road!

Good news!!! Good news!!! Hal Holmes has agreed to return to us as club caller. Bob Gray was our last guest caller (this boy is real fun) and he has promised to guest for us again in the near future. Come on folks and give us a visit. For the new dancers (and some old)-we workshop each Monday night 8 - 10. Here's a suggestion to help publicize our favorite sport - on each piece of mail we mail out write on the envelop to the left of the stamp "Learn to Square Dance". Hope to see you.

RICHMOND DANCERS -- Mariners Harbor, Staten Island, N.Y.  
 2 & 4 Saturdays Christ Methodist Church, 1890 Forest Ave.

Our graduation dance will be April 11 with Beulah Samec calling. All graduates from other clubs are invited to be our guests at this gala occasion. Our members are awaiting with anticipation the opportunity to welcome these dancers into our club in particular and to square dancing in general. CONGRATULATIONS to the class of 1970 - may you realize many joyous dancing years.

Reservations are still available for our famed pot luck supper which will be held this year on the 25th of April. As usual this affair is under the direction of Bea Tooker who has made these suppers such outstanding successes in the past. Gourmets are assured of an estatic and delectable evening from the incomparable Bea and her able assistant. After a pause to aid digestion we will dance to the stimulating calling of Bruce Vertun.

Richomnd Dancers have enjoyed visiting some of the other member clubs this winter - we welcome the opportunity to extend the same warm hospitality that we received on our sojourns. Please join us for an evening of fun and fellowship

PRINCETON SQUARES -- Princeton, N.J.  
 2 & 4 Fridays Riverside Sch., Riverside Dr. W & Prospect Avenue

We have been getting more and more visitors from other clubs since we joined the NNJSDA last fall, so that our attendance is steadily rising. We have not dropped below 7 squares since November.

By the time this comes out our First Beginners Class will have graduated. We may even have to move to the Riverside School gym in order to pack everybody in. We were delighted to see NNJSDA president Ray & Pam Zeliff dancing again and at our club too!

The tea cup chain has come to Princeton!!!

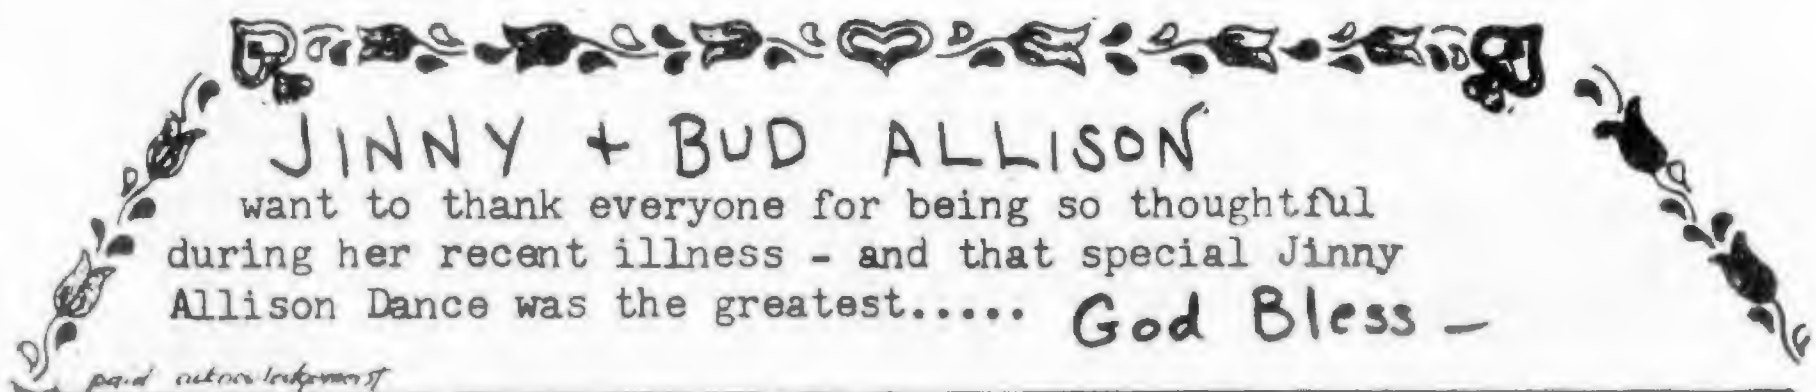

We will have NO dance on March 27! Don't forget our Manny Amor Dance on May 8th.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School Gym, Peachtree Road

Our Valentine Dance will be over when you read this, but we know our graduating class will have had a great introduction to club dancing. It will have been the first chance most of our club members have had to dance with the ten couples.

March holds many opportunities to dance. Besides our raid to Princeton Squares, Vin will hold a series of four workshops for our graduates any any club members who might want to re-orient themselves on some of those "tricky" movements. Don't forget, MARCH 31st, KEN BOWER NIGHT. All the Somerset Hills members have had this date in red letters for a year. Hope to see many of you at Cedar Hills School. There will be ample room for dancing.

April 26 will mark a first for Somerset Hills Club. We will sponsor a Sunday DOUBLEHEADER - an afternoon and evening of square dancing. Cedar Hill School is the spot, Vin Caruso and Al Aderente are the callers. Come for the afternoon and evening, bring your own box supper, or go "out" for supper. If time is your problem, come either afternoon or evening. Watch for our flyers!

Thanks Ironia and Somerset!!! We hollered for help and there they were, thank you. February 12th was our Valentine Dance with cupid and his bow and arrow there! The big day for our graduating class will be March 25th. Hope all our friends will be there to celebrate with us.

secretaries - Frank & Pauline Rabinsky 201-735-7884

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesdays

Wilson School, Beekman Terrace

Our special dance with the double header calling of Manny Amor and Jim Cargill was enjoyed by a full house of dancers despite the changing weather. Their calling was of top hat caliber (as proved by the Uncle Sam Hats worn by the two) and was enthusiastically translated into square dance patterns by those present.

Our class conducted by Dick Lighthipe graduated on February 9 after 20 lessons. An additional series of 5 workshops will be held by Dick on consecutive Mondays, starting February 16 at the same location in order to give the graduates and others an opportunity to work out any problems encountered at club dances.

Although spring may be just around the corner, there is still a lot of square dancing left this season with the first and third Tuesdays at Hill City being especially good times to have good fun dancing with Manny Amor.

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School, Brookside Avenue

As this goes to press, one of the high points of the season, the Fiddler's Dance to live music has just happened,,,and what a happening! When that Jimmie played his Orange Blossom Special - WOW!!! Due to circumstances beyond our control (Bryan School simply won't hold any more) the dinner dance in March - or rather the dinner part must be restricted to members only - the dancing afterwards to Chip Hendrickson is open to one and all.

We are eagerly looking forward to the spring season when our classes will begin to dance with us. In April the Twilights will graduate, followed in May by Doc & Al's class and culminating the grand finale in June when the Bromberg's class becomes full members. Our May dance is our "Get to know the new dancers" with all new graduates welcome free of charge. Chip Hendrickson will be at the mike with the exception of June when we switch to second Friday with Hal Holmes calling.

CLOVERLEAFS -- Paramus, N.J.

1st Friday

Bergen Mall Auditorium

Neither rain, snow, sleet or fog seems to keep square dancers from getting to a dance. We're glad so many have made it to ours. After all, a good crowd is just as important as a good caller. Judging from the smiling faces and happy chatter at the last dance with Al Aderente, everyone was having a great time. We were glad to have the Zeliffs with us that evening.

It doesn't seem possible that the season is nearly over. On April 3 we'll have Bob Paris; May 1 Dona Prudhomme; and on June 5 "Decko". Hope we'll see you all at all three. Rounds at 7:30 with the Tirrells - squares 8 - 11. reporters - Ed & Eleanor Querbach 201-652-7315

ODDS & ENDS -- Cranford, N.J.

2 Saturday, 4 Friday

Bloomington Avenue School

Their 6th season and now dancing twice monthly. Caller Dick Meyers has a marvelous club here who are now using S I O's name Basic Program of American Square Dancing plus two extra calls. Their current class has a little over 4 sets. For good relaxation dancing we urge all to keep the Odds & Ends in mind. For more info, call Dick at 276-7986.

SWINGIN' STARS -- Maywood, N.J.

2 & 4 Saturday

Maywood Avenue School

On February 3rd Don Sewell led a party of Swingin' Stars and Tenakill Twirlers (so many of us belong to several of the many great clubs in the area that at times, like characters in a modern play, we have trouble with our identities) to the Hill City Squares' Presidents Ball. And why do we Northerners always get lost down there? Hoffman and Boyle seems to be the jumping off place. From then on we go wandering off among the hills and trees peering hopefully at ill lit and uninformative street signs - PLEASE, a GOOD map of the area!!! The dance was well worth the trouble - the hall was gay, the club members warm and friendly and the calling of Manny Amor and Jim Cargill superb.

Manny will continue to call for us every 4th Saturday. On April 11, Jerry Schatzer of Poughkeepsie will be with us, so come and collect another signature for your centruy club - and have an evening of good dancing as well. Dick Jones will be back on May 9; May 23 will be the dance at which sweet girl graduates and their partners, are invited to be our guests. This dance is free to all new graduates - so come and dance with us "old timers". In an incredibly short time we'll all be old friends of yours.

IRONIA REELERS -- Ironia, N.J.

1 & 3 Friday

Elementary School, Dover-Chester Road

Our Beginner's Club graduates April 17th. This dance will be a free dance to all new graduates of all Clubs. Glenn Cooke calling. A look in to the future shows Hal Holmes calling on May 1st and Dick Leger calling for our Calico Ball on May 15th.

square notes

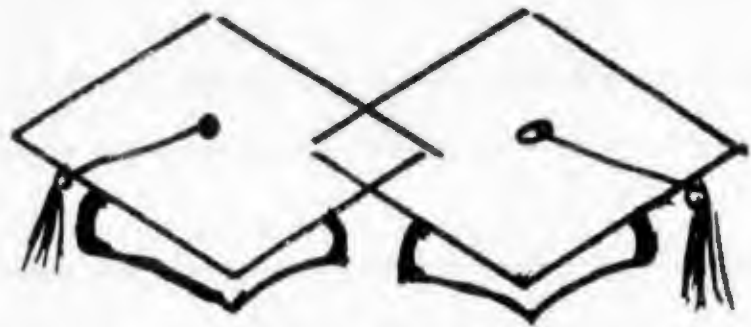

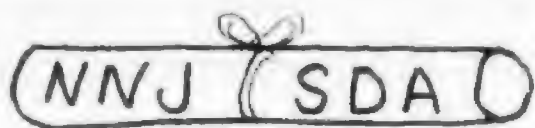

(from the editor's mailbox)

from HARRY LAZAR - Country Fair coordinator - "...I would like to extend my great appreciation through the Grand Square to the dancers of New Jersey...You played a significant part in the presentation of square dancing to the audiences during the nine days of the Fair .....The wholehearted cooperation and grand spirit you displayed was heartwarming and showed the general public what square dancing is really like. The responses from the audiences each day was so affirmative that I know we succeeded in gaining many new friends and most important - additional names for our classes.....Staten Square Set with its bus load of 5 sets which included one set of teens....Hix & Chix .....Essex Ramblers.....Tenakill Twirlers ....Tenakill Twilights....Hi Taw Twirlers.....Cornwall Square Dance Club.....John Bruno with four sets from Long Island.....Tri-City Squares....with callers Dick Maddocks, Tom Leiblein, Walt Walters, Jerry Schatzer, Erin O'Daly and round dance leaders John & Kay Adams and Doc & Peg Tirrell....all deserve special thanks for everything.....I was proud and thrilled to be a part of this series..... "

from CROWD (Central Registry of World Dancers) Fran & Steve Stephens 151 Dryden Drive, San Antonio, Texas 78213.....Overseas Square and Round Dancers 8th Reunion will be August 13-15 at Palm Beach Shores, Florida. To qualify as an "Overseas Dancer" you must have square or round danced outside of the continental limits of the US and Canada. Speak to the Pullmans who attended the last reunion - they heartily recommend it as a weekend well worth attending if you are down thataway.

With pleasure we dedicate this issue to the graduate - every year GRAND SQUARE publishes the names and addresses of the area graduates in the hope that clubs, as well as individuals, will use these listings to issue personal invitations for our graduates to come and join them. The older dancers must realize by now that square dancing is constantly plagued with the problem of drop-outs - here is your opportunity to help the newcomers bridge the gap from a nervous, bewildered graduate to becoming a happy, helpful club member.

To the graduate - CONGRATULATIONS - now comes the fun! We strongly urge each and every one of you to get out and circulate among the many different clubs in our area and dance to our various callers. It is only thru active participation that you will reap the fun and friendships square dancing has to offer - whether here or all over the world.

Now that the hubbub of finishing out the old year has passed, we are happy to announce that things have settled back into their normal place. Our "fun nights" are definitely that, and an especially good time was had by all at our Valentine's Party. In fact, we enjoyed the double fun of having two in a row; one Wednesday night for our beginners, who fell right into the spirit of things, and Thursday night for our regular club members. We extend our apologies to anyone who's diet we ruined with the prizes of candy. Plans are now in the works for a gala St. Patrick's party on March 12. We expect all the ladies to wear their "ERIN GO BRAGH" and our own Jim O'Flammer to be in the (you should parson the expression) pink. Don't forget to reserve FRIDAY, MAY 22 for Kip Garvey.

We had a great time with BOB KELLOGG at our special dance in January. Hope he had it as good.

Our class of 18 couples is beginning to dance up a storm and we are looking forward to their Graduation Dance on April 3. We are also inviting all NEW GRADUATES to be our guests on Friday, April 17th at our regular dance from 8:30 to 11 pm with refreshments afterwards, of course. The Special Events Committee is hard at work on these two affairs as well as our DINNER DANCE on SATURDAY, JUNE 20th, which will be held in the same place as last year, the Polish National Home in South River. So put that date on your calendar now, it's going to be bigger and better than ever. Happy dancing, everyone.

RAMAPO SQUARES -- Oakland, N.J.

Heights School, Seminole Avenue

Our new calendar year opened with a New Year's party with Jerry Salisbury calling and the DePauws handling a fun-filled stunt session. Our January change over of officers has given us another fine group of leaders with Ed & Marge Rimpas as Prexys; the Allison's, Veeps; Penneys, Secretaries; and Frauenheims, Treasurers. Thanks for a most successful year are extended to the outgoing Presidents and Veeps, the DePauws and the Coughlins.

The St. Valentine's Day snow and icy roads had us fearful that many regulars and even the caller might not make it from Long Island. But surprisingly 13 sets of strong hearts arrived and frolicked thru a great evening to Jerry's enthusiastic calling and Doc & Peg's round dance cueing. Visitors from ten clubs were represented, from as far as Poughkeepsie and L.I. The new committee, the Lutz's, Pope's and Prosnitz's did a great job with refreshments and decorations. Best wishes were extended to the Dummeyers who were presented with a Ramapo Plaque of appreciation for their fine contribution to Ramapo. Ernie & Erna are leaving for N. Carolina, but we all hope their camper will bring them back now and then.

During the 2 months absence of our regular instructor (partner Hanley) Ramapo's class of six sets progressed beautifully under the able direction of Bud Allison. Bud & Hanley will co-teach for the balance of the season up to graduation time, May 9. By now it is no secret that the Clapps will be taking off in mid-summer for permanent residence in Sarasota Florida. Helen Hardy, in charge of club publicity will hereafter be our reporter.

Don't forget roundancers are invited to attend Rhythmaires on 1 & 3 Wed and 2 Thurs at Ramapo Mt. Lakes Club House, Hiawatha Blvd., Oakland. And if you haven't enjoyed the great calling of Lee Kopman and Jerry Salisbury, come up and dance with us some 2 or 4 Saturday.

Presbyterian Church, Magnolia Ave.

The night of our January "Jack Frost" dance was indeed a frosty one, but everyone who dared the elements had an enjoyable evening to the calling of Dick Maddocks. For our Valentine Dance, Bob Gray gave us a lively evening. Doc Tirrell cued rounds at both dances.

On April 10th, we plan to welcome members of local beginners classes to get a taste of club-level square dancing at our Spring Festival. We always try to maintain a fun-level of dancing for a relaxed evening, so the beginners should be able to enjoy themselves at this dance. Do try to come.

COUNTRY PROMENADERS -- Cranford, N.J.

2 & 4 Saturdays

Methodist Church, Walnut & Lincoln Streets

Beulah Samec called a great dance for us in the absence of Glenn Cooke. We had a great turnout - a big THANK YOU to all who made the evening so enjoyable. Many clubs were represented. Unfortunately when we visited Hill City in February we were a couple short for pinning their banner, but those who went sure had a ball dancing to Manny and Jim. On Lincoln's birthday we traveled to Asbury Park to dance with the Cali-Hoes and retook our banner which they had stolen. With the coming of Spring we plan to do more visiting.

On April 11 Al Aderente calls for us; April 25 Glenn Cooke; May 9 will be Charlie Kides - quite a variety of callers lined up. Come and have a night of enjoyable dancing. Don't forget we have Bob & Lynn Long on rounds starting at 7:30; squares start at 8:30; coffee and at 11pm.

A big thanks to Harry & Helen Bork, presidents, who are doing a fine job running the club. You are always WELCOME, come dance with us.

We're still glowing about the great cooperative dance we had with the Sussex Spinners in January where we double featured our own caller, Al Aderente and the Spinners' Bruce Vertun. Over twelve squares attended.

Glen Cook is our guest caller for our dance on March 13. Our beginners class, taught by Ruth Simon at the Boonton High School is looking forward to graduation very soon. (ED. NOTE- first time we've ever heard mention of this class - We strongly urge clubs to let others know about classes; how else can we send folks your way!) reporters - Paul & Myra Jones 201-992-359

GRAND PROWLERS -- Whippany, N.J.

1 & 3 Saturdays

Memorial School, Highland Ave.

We take five this month to express our sympathies to Mildred Davies on the sudden death of Homer, who suffered a heart attack in Jackson, Tennessee where they moved last year, after many years as members and officers of Grand Prowlers.

We shall be back on the floor dancing to the calling of Wes Wood from Syracuse on April 18 and to Bob Mitchell, our regular caller, on April 4 and May 16. Our big special of the year is May 2, with Frank Lane from Estes Park, Colorado, calling at West Essex High School in Caldwell.

Presidents Ed & Gwen Knight are seeking adventures of a different kind in the extreme north of Scotland in early May - real sorry to miss Frank Lane, but this was an opportunity which couldn't be missed.

Our beginners' class which started in September, fell apart after a few weeks, but we are now off and running with a new class of three sets at the Shore Hills Country Club in Landing with Bob Mitchell handling the instruction. Graduation looks like a summer event - perhaps in time for our August picnic, dance and camp at Egberts Lake in Marcella.

(ED note - lost in the mail, but their secretary did her best to fill us in by phone) Tony Osage and Joe Goodspeed attended the delegates meeting in January and have been busy relaying information back to the club members, as well as distributing the Constitutions, GRAND SQUARES and signing up boosters. We were thrilled when a bunch from Country Promenaders attended our Valentine's Dance. Four squares of Cali-hoes went north to Merri-Eights one Friday and danced to Beulah Samec. It has been a pleasure to welcome so many dancers from other areas. We had a pre graduation party and lesson with the real whing ding set up for March 21 when the graduates will receive their diplomas. Oh! Al Brundage is our special guest caller on April 4th. Workshops are set for Wednesdays April thru September for recent graduates, or folks who want some review.

**PLAN TO GO TO THE NATIONAL**

Let's Stir the Bucket.

New friendships and an exchange of ideas are two direct results of club visitations. In our wanderings we've noticed some well attended clubs and some with only a few sets. It leads one to ponder - WHY? Most of the clubs with an active Beginner Program do not seem to have this problem of poor attendance.

Methods of welcoming and helping new graduates become club dancers vary. Remember - first impressions are important - the new dancer who comes into your club and is made welcome and comfortable is very apt to return. Here again - study the more successful clubs - those who KEEP their vast majority of graduates. How do they do it? Try a little research and work on this problem if your club is beset with poor attendance. And don't say it can't be done - one of the most happy and successful clubs of today was once down to 3 couples and no caller - and a couple others are now making serious efforts at rebuilding.

**Don't Take Chances!**

Due to circumstances - some of the southern area news never did reach ye editor's desk - thank heavens for telephones! Next deadline to the editor is the delegates meeting - April 19. This issue will feature summer dancing and include a listing of all summer dancing possibilities. So if your club is planning any summer dancing - get it in. For advertising rates, contact the Maddocks.
