**from the desk of** LYLE and EDNA HOPPER, presidents

One of the more enjoyable features of Square Dancing is visiting the other clubs in the Association. Just a few short years ago, it was quite the rage. Now we find in our travels, many complain because no club has visited them for over a year. Maybe we should strip our club banners of all pins and mini banners and start the cycle all over again. We are sure many enjoyable hours will be yours and many new friends will result.

A tip to our new graduates. Before visiting another club, be sure you can dance at their level. We do have advanced clubs in the Association, which are clearly indicated in GRAND SQUARE. Dance with the fun level and Intermediate clubs first before venturing into the advanced club level. Maybe a word from the instructor would be helpful.

A tip to experienced dancers. Remember when you needed help? Give our graduates a hand until they are sufficiently relaxed to dance with the best.

We are enjoying our visits but wish the weather and time did not prevent our second visit. Keep dancing, keep smiling and above all continue being friendly.

302 Oak Street Ridgewood, New Jersey 07450 201-444-1655

a proud moment for CROSS TRAIL SQUARES delegates, Frank & Helen Cavanaugh, as they receive their delegate badges from NNJSDA presidents Lyle & Edna Hopper at the January 17 Association meeting.

whoever said "Speak and they wish will be granted" could revamp it to read... "write it down and....". Soon after our NNJSDA presidents wrote their message they paid an official visit to one of our member clubs ....and yes! you guessed it!!! 2 squares from another Association club showed up to pin their banner. And from reading the club write ups - others are following suit - must be Mental Telepathy!!!

Same thing with a letter suggesting "Beginner classes should plan to visit other classes....." several groups in the northern area have visited around (especially at the holiday season) and thoroughly enjoyed the new experiences and came back very much enthused and inspired to graduate....

# Square Dancing with the TEEN AGERS!

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.

2 & 4 Tuesdays; 7:15-9:15 pm

County Bldgs, Hanover Avenue

We are a 4-H group. We'd like to thank Mr. Darling and Swirlabouts for attending our dances as well as our sponsor Kay & Dick Moran (201-625-0275) and our caller Bob Mitchell.

reporter - Lynn Spender

SWIRLABOUTS -- Newton, N.J.

1 & 3 Sundays; 3-5 pm

St. Paul's Abbey; Route 206

We danced at the N.Y. Coliseum in December and had a lot of fun. Hope to return next year. At a demonstration at Jefferson High School we got the audience up to dance and everybody had a ball. In January we joined with the Shongum Mountaineers in dancing in a History Fair in Morris Plains. At the March of Dimes Talent Show in February we did a black light dance which was very well received. We were proud of the honor of selling the most tickets to the talent show, around \$300. worth. There are some interested teens from Warren Wheelers who plan to visit us soon. On April 18, 37 teens will graduate. Wilson Hoff is doing a great job with them while our caller, Mac Spaulding, is recuperating. For more information call Janice Looney, our secretary 201-827-5624.

TENAKILL TWILIGHTERS -- Teaneck, N.J.

every Monday; 7:30-9:30 pm

Community Church, 260 Elm Avenue

A great class of teens has just graduated and they are ready to contribute to the square dance fun. We have our own ties now; they are blue with a yellow outline of the badge. Mrs. Bromberg and Mrs. Davidson did a swell job in making them.

A group of us went to the Rutgers dance February 13th. And it was very enjoyable.

This is the time of year when all THOSE resolutions are being broken; when all Christmas bills are being paid; when functions are suffering from lack of attendance; and when the cold outdoors seems to even pervade one's spirit. The antidote is, of course, to polish one's square dancing shoes and hurry off to the nearest dance, there to whirl and twirl and be happy.

Our delightful Christmas party, ably chaired by Helen & Maurice DuBois remains in our hearts. The committee, consisting of the Walter Jaworshis, Glenn Landis, Boyd Griffons, John Haitmas and the Larry Seiberts worked very hard to provide a gay and wondrous time for us. Joan Brikowski and her children decorated the hall. In other areas several squares sashayed down to the Merri-Eights & M T Squares when Roy called. Terry & Bob Croken were welcomed into the club as members.

Seen at the Hayloft - Sylvia Keleign busy again after being indisposed; Billie Franklin back smiling after her recent serious illness; Mary Hankins sporting a bandaged ankle after losing a bout with gravity; Clark Mitterway with his hand in a cast as the result of an ice-boat accident; the prettiest floral arrangement in town by Pete & Lorraine Andreach; Bill Bartenstein swinging his partner to the RIGHT in a square; Marion Gainer selling Boosters for the GRAND SQUARE with kisses yet; and the president's wife being ably corrected by a gallant beginner during lessons!

Everyone is looking forward to Al Brundage's visit in April. Why don't you come on down the 3rd and listen to his zingy calls! On May 15th we'll have a first - Al Ogilvie of Ripton, Vermont will be our guest caller. Al calls regularly in Vermont and New York. Do come and enjoy his "Smooth and Sassy as Sassafrass" sound.

It's been nice visiting with you again - will leave with this special thought - "Folks should heed this warning, life's pressures best to bear, instead of going in circles, just go round in squares."

## A CALL FOR ALL

Though dancing patterns very nigh  
Could reach infinity,  
Since they are quite unlimited  
In possibility,  
There's one that ever shall remain  
A favorite with me.

It's welcomed most by couples who  
Wait idly hand in hand.  
Who, since a sequence had been missed,  
In mute frustration stand  
Until the caller activates  
The square with this command.

How often have we squared our set  
And, sadly standing there,  
When someone (never you nor I!)  
Had goofed within the square  
We waited till this favored call  
Resounded in the air.

And when it comes a multitude  
Of cheerful sounds arise,  
As dormant squares reactivate  
Themselves with gladsome cries,  
Or fill the very air around  
With sounds of pent-up sighs!

So, in behalf of dancing squares  
Throughout our spacious land,  
With humble genuflection now  
I take my pen in hand,  
And praiseful phrases dedicate  
To you, Left Allemande!

CLOVERLEAFS -- Paramus, N.J.

1 Friday

Bergen Mall Auditorium

Neither sleet or hail or freezing weather will stop a square dancer from traveling far and wide to attend a good workshop or dance and this is just what has been happening at Cloverleafs lately.

Bob Paris, our workshop caller, sees to it that we generate enough heat. Kerry Stutzman kept us going at a good pace in January and judging by the smiling faces that left the dance in February, much warmth was produced by Paul Andrews. Looking forward to our next guest callers, Skip Smith - April 2 and Red Bates - May 7. Need we say more.

Please note there is a change of date for our March workshop - it will be the 5th Tuesday, March 30. Doc Tirrell cues rounds at 8 PM and squares start at 8:30. See you.

Rain, wind, snow, ice notwithstanding, we have been dancing to a full house to the calling of Beulah Samec and the rounds of Bob & Jean Kellogg. We're happy to see so many new faces dancing with us and want to say "welcome" to our new members.

1 & 3 Saturday DANCING SQUARES -- Cranford, N.J. Bloomingdale Avenue School

Although Christmas is long past, we just want to say we are proud of our generous members who donated 11 door prizes at our Christmas Dance. Our class is progressing beautifully under Bob's tutelage. We're sure they will be welcomed by all because the whole point is the fun you have dancing with enthusiastic "squarers" be they new or seasoned. Graduation is set for March 20 with all new graduates invited as guests, Free.

Our members have really discovered the joy of getting out to other clubs and meeting and dancing with the grand people. In the past 2 months, we've visited the Hayloft, Richmond Dancers, Hill City, Squarenaders and pinned Merri-Eights and Princeton Squares.

In February hard-working Jean Kellogg gave us a pre-Valentine's square up - each man received an arrow with a famous name on it...each woman received a heart with a matching counterpart. The fun was in finding and dancing with our surprise partner. Paul Andrews will call our SPECIAL April 3rd. In the past he has called great dances and we are sure this will be up to par. Mark your calendars now. At the delegates meeting, we heard Henry Knobloch define s/ding - "You become like a member of a family" we would love to welcome you to our branch of the family - COME DANCE WITH JS!

Hortense arrived as promised and entertained 24 squares. She performed with the gracefulness of a thoroughbred, Manny Amor was our caller that evening. Our Brundage dance was as always a great success. Your presence makes it possible and we are thankful. Six lucky taws (1 in catch up) held the right number for a surprise heart box of chocolates at our Valentine dance with Bud Weisen. By the time you read this we'll have had Jim Marshall for our Presidents Ball and an evening with Dick Jones. Our May 1st dance is a Free one for new graduates.

Our calendar year is changed from June to February. New officers are Dot & Bill Keller, presidents; Grace & Walt Pennie, v-p; Vira & Vince Bubeniec, sec'y; and Amy & Ozzie Mueller, treasurers. The "catch-up" dances will continue along with club dances. It is encouraging to have new faces appear. We are sorry Frank Marra will not be dancing with us due to some surgery. Be sure to see our Ad for future dates and callers. And continue to join us for a good time. We enjoy our visits to you.

Salem Drive School

Hi again! The big news this month is our new graduates who have been faithful participants in the class which Al Aderente instructs. They became official members upon their graduation March 12th. We extend to them all a warm welcome. Special thanks go to Ray & Madeline Kircher who were in charge of the classes and to those experienced dancers who came out to help. Did you know Al & Nancy Aderente are the proud parents of a boy - that makes 2 girls and a boy. Congratulations!

Looking ahead - while March has 2 dances, we won't be dancing in April but once - on the 23rd. May again has 2 the 14th and 20th; June will have a wind up on the 11th - our last til Hanover remeets in September. If we can not get the Salem Drive School, then our dances will be held at the Memorial School. Reporters - Pete & Ginny Haakmeester 201-627-5844

HILL CITY SQUARES -- Summit, N.J.

1 & 3 Tuesday

Wilson School, Beekman Terrace

Springtime means graduation time and we have added 36 individuals to the square dance ranks by the time you read this. Dick Lighthipe's very capable instruction has really become apparent in this class and we all thank him for his cheerful and enthusiastic teaching of our friendly and most welcome class. We will hold open house for all NNJSDA graduates on April 6 at our regular location. A most cordial invitation is extended to all new graduates to be our guests this evening.

Starting March1, and running 5 consecutive Mondays we are conducting workshops for recent graduates and catch-ups for others. Same location as the class - Summit Field House off Tulip St. in Summit. Anyone wishing to take advantage of this opportunity will be welcome.

As I type this we are eagerly awaiting our Feb. 16th dance - the joint efforts of Manny Amor and Jim Cargill - a repeat performance of our highly successful dance of last year with these two fun producers at the mike. The Sibbalds will lead the rounds.

1 & 3 Friday

Elementary School, Dover-Chester Road

Our graduation is set for March 19th (about the time you might be reading this!). Our Open House for graduates is May 7th - mark the date!

We are now busy planning our birthday party - we will be ten years old on April 2nd! Do come and help us celebrate. If you miss that, then next best is our Calico Ball to be held on May 21st with Dick Ledger calling. Come on over and dance with us. All are welcome.

HIX & CHIX -- Paramus, N.J.

every Thursday

Farview Avenue Fire House

Some of our members seem to be starting out the new year with some bad luck and we sincerely hope that by the time you read this, everything will be more normal. Teddy Kamerling has been missing from both rounds & squares because of an operation on her foot; Jay Helfenbein on his way to Hix & Chix, ran his car into an abutment (only the car was critical); Karl & Lillian Hansen for various personal reasons have been conspicuous by their absence; and now Warner Brown is on the sidelines. We've missed you all. HEAR YE!! HEAR YE!! HEAR YE!!

Be it known that starting next month, we, the officers of Hix & Chix have requested the SECOND Thursday of the month for the sole purpose of new figures. The entire evening will be dedicated to workshopping new & intricate figures. So put on your thinking cap and come on up.

M T SQUARES -- Woodbridge, N.J.

1 & 3 Saturdays

School #19, Menlo Terrace

It's definitely becoming a habit - our enjoying a gala holiday season. In January NNJSDA presidents Lyle & Edna Hopper headed the list of our honored guests at the President's Ball. We've also shared our fun, sent contingents to the Ocean Waves, Country Promenaders, Richmond Dancers & Merri-Eights. In return we've played hosts to Cali-Hoes, Whirlaways (NY) and the Ocean Waves. Roy Keleigh came up from Asbury Park Hayloft to call a fabulous evening. St. Valentine's Day meant a red theme, the kind that turned pretty taws into even prettier taws. March's St. Patrick's Day observance was coupled with a covered dish affair - and it was green all the way! Yes, indeed, Michela and Bill Lane are Social Directors supreme. And, backing up all this happy fun-filled activity is the even and accomplished calling of Barney Hartenstein.

Our class graduates March 20th, a really fine group of interested, dedicated dancers. JIM FLAMMER ushers in the Spring season on April 3rd and we're looking forward to a really great dance. April 24th will find us at our annual Turkey Swamp outing - lots of cozy atmosphere, roasting dogs by the fire, much good fellowship and a grand evening. To initiate May, it's an Hawaiian Luau on the first.

Now it can be told! M T SQUARES meet in Woodbridge at School #19. All other town names can be stricken from the record - after all these years. It's still easy to find the place - just south of the intersection of Rt. #1 and the Parkway, behind Allen Carpets and the Swiss Motel on Maryknoll Street. All welcome.

presidents, - Hariette & Sol Koved 201-276-7213

# HELP US GROW!

Once again it is time to welcome the many graduates. Most clubs will give them a hearty welcome - a special graduation dance - open house - with many sponsoring workshops hoping to bridge the gap between Graduation dancing to Club Level dancing.

As most of us know, this is a very crucial time in the lives of these new dancers.....and here is where we loose so many. We do not need to outline the problems - you've all been thru it, but WHAT can YOU do to help????? It has taken 20 plus lessons and many hours of work to get these folks to this stage and to have it spoiled by one or more dancers who by careless or thoughtless remarks to these graduates is Despicable.

The next few months are vastly important to us all. We ALL must become missionaries and help bridge the gap.....here comes the future life blood of our clubs - it is up to those here already to make the most of it.

Every class teacher has a responsibility. Like it or not - as much as people hate the connotation - square dancing at various levels is here to stay awhile. Instead of fighting it - why not use the system! Bring these graduates to those "FUN level" clubs where the latest calls are the best from 6 - 12 months ago - where the pace is relaxed - later as the new dancer gains confidence they can spread out. Warn your grads - just as libraries have books for all areas of abilities, here in the NNJSDA there are clubs for all areas of square dancing. Warn them to stay away from the technical ones until they have a firm foundation. But most of all remember to encourage the dancers to dance. We should not turn them loose, alone, to flounder - or most will swim bitterly away - never to return.

The Association will sponsor a weekly series of summer dances - geared for the graduate to help keep these newly acquired skills from becoming rusty. We strongly urge all who can to take advantage of these Wednesday nights. (Our next issue of GRAND SQUARE will list all summer dancing opportunities in the area.) Although it is months away - when fall comes, continue dancing with your mother club and the other "fun level" clubs. Another suggestion is to become Square Dance angels for your Mother Club's Beginner Class. Quite rapidly you'll discover that you are learning more by helping than ever before, plus making new and lasting friendships, with the extra added attraction - angels usually dance free at these lessons sessions.

Square Dance Tonight

# Welcome

Traditionally, this issue is dedicated to the Graduate. By listing addresses we hope that clubs, as well as individual dancers, will issue personal invitations for our graduates to join them on the dance floor. Here is the golden opportunity to help these newcomers bridge the gap from a nervous, bewildered graduate to becoming a happy, helpful, committee working club member. Drop outs are the concern of Everyone.

To the GRADUATES - CONGRATULATIONS - Now comes the fun! We urge all to take advantage of the many open house and graduate balls arranged for your benefit. But no matter where you roam, never forget your Mother Club and the folks who so patiently worked with you all these weeks. Sure, LOYALTY nowadays may be thought of as SQUARE, but you are square (with a badge to prove it!). Remember like any newly acquired skill, square dancing grows rusty thru disuse. It is only thru active participation that you will reap the rewards of fun and friendship that square dancing offers....whether here or abroad. See you on the dance floor....

With our classes beginning a little later than most, our graduation is set for April 28 with instructor Al Aderente calling the dance. All graduates from other clubs are cordially invited to attend this dance as our guests. Congratulations to the 1971 class - many hours of dancing.

We missed Glenn in January, but many thanks to Bob Kellogg for filling in and giving us a wonderful dance. Don't forget our dinner dance is June 26 at Cuccinello's Hall in Mariner's Harbor. If you are interested in securing tickets, contact Joe Mallon at 212-351-9501 or any board member. Our Valentines Dance was a huge success - many thanks to Grace & Charlie Brown and their committee for the beautiful decorations and delicious cakes.

There has been much sickness in this area - many people have been missed at the dances. To list them all would take too long, so to all a speedy recovery and we look forward to seeing you again - soon.

Until next issue, happy dancing. Join us when you can.

Let's make the old stand-by...the 3 tiered skirt with a few suggested variations.

Whether it's to be a regular skirt or the skirt portion to a new dress the method is basically the same.

To determine amount of fabric needed we must do a bit of arithmetic. Measure from the hemline to your waist to determine your skirt length. Divide that figure by 3 and add to it your seam allowances, top and bottom. This will give you a 'cutting length'. Example- a 24" skirt length divided by 3 is 8" plus 2 seam allowances of  $\frac{5}{8}$ " each is a total of  $9 \frac{1}{4}$ ". You will need 2 widths of fabric for the top tier; 4 widths for the middle tier, and 8 widths for the lowest tier or a total of 14 widths. The doubling of each tier makes for both a very full skirt and easy assemblage of the gathers. Note- be sure to allow an additional  $\frac{1}{8}$  yd. for the waistband if this is a skirt.

Sewing directions- Join together, end to end, the 8 sections of the lowest tier to form a large circle. Then join together, end to end, the 4 sections of the middle tier to make a medium sized circle. Join the 2 sections of the top tier only by 1 seam leaving open the other for the zipper.

Gather the upper edge of large circle to fit the lower edge of medium circle. Then gather upper edge of medium circle to fit lower edge of top tier. Insert zipper in left-side opening.

Gather upper edge of skirt to fit waistline and sew to waistband. Attach snaps or other fastener to waistband.

Finally, put a narrow hem on lower edge of skirt.

Tiers may be embroidered, appliqued, trimmed with ribbon, lace, bandings, rickrack, fabric paints or whatever pleases you, either before gathering or after skirt is completed.

If a deeper hem is desired, then the 8 sections of the lowest tier should be cut about 2" longer each, to allow for the hem.

A skirt of graduated tiers can be made by subtracting 1" from the cutting length of the top 2 sections, and adding 1" to the cutting length of the 8 sections of the lowest tier, however this will require more fabric.

Perhaps you would prefer top-set ruffles- no problem...add about 2" as your top seam allowance to tiers two and three to allow for the extra turned under piece.

Many interesting variations are possible, including 4 and even 5 tiered versions all working on the same principles. Food for thought- how about a white or pastel skirt brought to a club dance, autographed in pencil by all your friends, then the signatures retraced in ball-point paints in many colors....original, and pretty, too.....

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

Our New Years Eve party with Lee Kopman will go down in history as one of our most memorable. Arriving with the New Year were 3 puppies (place of birth and origin unknown), who must have heard about "The Man Who Came In From The Cold" and did likewise. 3 sets of proud adoptive parents the Ellises, the Hansens and The Lais all report the babies and "parents" doing well. Once again we are fortunate in electing capable leaders - presidents Bud & Jinny Allison; v-ps Walt & Millie Frauenheim; Secretary Bob & Joan Mulrooney; Treasurers Frank & Dot Lapekas. With the help of their committeess, they are planning exciting things for us.

Don Hanhurst of Rocky Hill, NY will call April 24. Don is well known in this area for his wonderful calling, and we hope many of you will plan to enjoy the evening with us.

Instructors Bud & Jinny Allison are hard at work on Sunday evenings with their beginners class, Ramapo Rookies. While the Allisons vacationed in Florida (and saw the Clapps) Ed & Marge Rimpo took over. Our new dancers are looking forward to their prom on May 2 when Lee Kopman will give them their first taste of dancing to a livecaller. May 8 is graduation with Jerry Salisbury at the mike. Frank & Lorraine Mooney, NNJSDA Veeps, visited our class January 31 and were persuaded to join in for a couple of singing calls.

18 couples enjoyed a St. Valentine's Day party at the Rhythmaires, our R/D Club, which meets at the Ramapo Mountain Lakes Country Club in Oakland. Doc & Peg Tirrell are our instructors.

### PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Fridays Riverside School, Riverside Dr. W. & Prospect Ave.

Our big news is our 17 square Dick Jones dance in January. Everybody had a grand time. In February the Kelloggs came down with 2 squares from Dancing Squares and pinned our banner while Bob gave us a great dance. It was nice to see a little Round Dancing with some of our very own dancers participating. Our class continues to move along at a rapid pace. By the time you read this, they will have graduated and we hope you will meet many of them at regular dances.

Don't forget our Glenn Cooke special on April 23! Since our regular reporter has just got back from a week in Mexico and a hair-raising flight home, this comes to you from substitute reporters.

### RICHMOND DANCERS -- Mariners Harbor, Staten Island, N.Y.

2 & 4 Saturdays Christ Methodist Church, 1890 Forest Avenue

Mark March 27 - our graduation dance with Beulah Samec calling and all other graduates are invited gratis.

Our club notes a number of proud grandparents among members - Joe & Myrtle Martin, Harry & Shirley Argino, Paul & Bea Tooker and Bert & Dot Starlin. Congratulations! Got some pictures to show?

Special thanks are in order for Natalie Sullivan, chairman of our Christmas dance and Bea Tooker chairman of Valentine's Day. Both did a super-delicious job. Speaking of food - our pot-luck is set for May 8th and promises to be as tasty as ever. Beulah will be calling. Jeanette Siringano is chairman and already busy with preparations. Our remaining schedule is March 13, 27 - Beulah; April 24 - Bruce Vertun; May 8-Beulah May 22 - Al Aderente; and June 12 - Beulah.

Note to all readers of GRAND SQUARE who may have wondered who Doris Bichler was (and this includes Leo) - actually Doris is Lois - the misprint due to this reporters handwriting (chicken scratching?!). (ED. Note Sorry about that - how about a roster so I can check spellings?) Happy dancing. reporters - Dick & Carol Rufener 212-273-1571

alternate Thursdays Bartlett Hall, Rutgers University

We've started on our second semester with a whirl of activity. On Feb. 2 our members put on an exhibition dance in Douglass College Student Center with the hope of enticing new people to come out for beginners lessons. Our hopes were fulfilled and we had 3 squares for our first lesson with Betsy Seele instructing in Bartlett Hall on the Ag. Campus. On the 13th we had our Valentines dance at Blake Hall. Our next special is April 24 to celebrate Ag. Field Day....a high-low dance called by Art Seele also in Blake Hall on the Ag. campus.

Our regular dances are held on alternate Thursdays in Bartlett Hall on the Agriculture Campus at the University. Visitors are always welcome.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays

St. Adalbert's Hall - 363 Morningstar Road

Big doing are in store for us these next three months. Your friendly club from over the waters of the Kill Van Kill held their Valentine's Day Dance February 20 which was chaired by Mike & Mildred Nunno. 4 squares will graduate at our St. Patrick's Day Dance March 20. This affair is chaired by Joe & Dot Reilly (who else!). Joe will also be one of the Marshalls at our New York St. Patty's Day parade. This dance don't miss! We expect and have made arrangements for 25 squares. Corn beef sandwiches will be served plus many more goodies. The entertainment will be furnished by the Irish Step dances plus the golden voice of Gloria Lupari singing Danny Boy.

We are happy to announce that Mrs. President Mary Vasta is well and back dancing after her battle with a major operation. Harry Childs, our VP, had a close call, he suffered third degree burns in an electric fire, but after two months Harry is back dancing. You just can't keep a good man down. Feb. 12 we journeyed to the Hayloft to dance to Earl Johnston. We understand why Earl is rated one of the top callers.

Come and visit us, we are just over the Bayonne Bridge.

SUSSEX SPINNERS -- Sparta, N.J.

Alpine School, Andover Road

Well, we're still burning up the highways and byways to NNJSDA clubs. Traveling is great, you sure meet a lot of wonderful folks. We pinned Hill City, visited Hanover Squares 10th anniversary party, went to the Rutgers Promenaders sweetheart special where everyone had a ball. They are a great bunch of kids, very hospitable.

March 30 is our graduation dance. We are happy to have 15 couples starting out into the wonderful world of square dancing. These people are great dancers and will add to our club more enthusiastic spinners, our thanks to Bruce Vertun for a tremendous teaching job. From what I have observed, this group is itching to get on the road and join the club in visiting and traveling. Our heartiest congratulations to the 14 who had perfect attendance. Making 20 weeks in a row is very difficult with many things that could arise- so you people deserve the extra recognition. All NEW graduates are our invited guests on March 30 from 8 - 11. Come up and start your dancing days with our club.

Don't forget May 14 our Super Special with Gordon Lentz from Pa. Get that extra name in your century book and while dancing to an exciting caller breathe some of our fresh Sussex county air. So until next time- we'll be spinning you. reporters - Betty & Jim Sublesky 201-729-5044

TENAFLY SQUARES -- Tenafly, N.J.

2 Friday

Presbyterian Church, Magnolia Avenue

Our Lincoln's birthday, St. Valentine Dance on the 12 was a great success. The club was host to students in the area and 12 squares dancing was a marvelous sight. The hall was comfortably filled with folks all dancing to the calling of Dick Maddocks. We dance in April on the 30th - with the promise of better spring and summer weather due to follow soon thereafter. secretaries - George & Laura Sohmer 201-567-1415 33

WARREN WHEELERS -- Port Murray, N.J.

2 & 4 Thursdays

Mansfield Elementary School, Rt. 57

Our birthday candles are throwing sparks! From out Pennsy way comes our country cousin, John Kaltenthaler, to our party on Sunday afternoon May 2, 3-6pm. Kaltenthaler means "cold cash", so collect your money's worth and get to know what fun is. (See our ad for shoo-fly pie on p 12).

"Real True Lovin'" was the theme of our February dance when 9 couples proudly graduated from Mary & Joe Kuletz' series of basic lessons and exhibited their proficiency with that appropriate round routine. Future plans are pending. A Warren Welcome (hand me the branding iron, fellers) is extended to two new members, Jim & Yvonne Cassel and Jim & Pearl Mills who have hopped into the Warren Wagon from other areas. Glad to have you.

Valentine's Day saw several Wheelers and their younguns enjoy the hospitality of the Sussex County 4-H Swirlabouts where our own Wilson Hoff is instructing. (We didn't think those rumors about a purple shirt and a white vest were true, BUT...!) Our club hopes to sponsor a teen and/or sub-teen class this coming fall.

By the time you read this, Spring will be just around the corner and with it a terrifying rumor of sweet lady graduates organizing a "FIRST ANNUAL ATTEMPT to kidnap MAC Spaulding". Mac, the Swirlabouts original teacher and caller, is recuperating at home after a hospital stay, which he left at the request of the nursing staff. WE appreciate him better than that and look forward to seeing him again. Speaking of students, our graduates come into the Wonderful Whirl of Square Dancing March 25th. We've told them a lot about you, and they're looking forward to meeting you, so typify the S/D spirit by being there to head them in the right direction. Remember what so many others did for us.

Calling all 1971 graduates. Be our guests March 19 at Hillview School when Bob Kellogg will call a special dance for you at 8:30 pm. Coffee and .....will be served afterwards, giving you an opportunity to meet graduates from other classes. EVERYONE invited, of course.

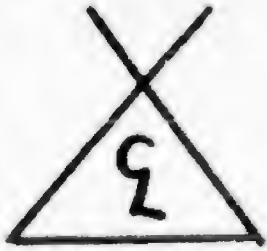

Our bus trip to the Hayloft is April 3. Al Brundage will be the caller. Interested? Call Carol Mehlenbeck 201-885-1023. Get your reservations in early, as these trips have become so popular that a first come, first go list will be used.

April 16 is our pot-luck supper at the New Providence High School. We eat at 7 and dance at 8:30. Y Squares provides the chicken, beverage, and rolls - the remainder being pot luck from dancers. Call Marilyn Fella 464-7234 for reservations and let her know what "dish" you're bringing. If you want to dance only, please feel free to come. All are invited. Six summer dances are being scheduled. They will be held in the Bound Brook Reformed Church in South Bound Brook. Exact dates next issue. Bob Kellogg will be calling.

Our group of raiders are being very active. Rutgers being the "victim" this month (Feb.) Like our activities??? Then come join us! Visitors always get the red carpet treatment at "Y" Squares. See you!

## TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

As this goes to press we are all sitting back remembering the delicious tastes of our town's various special dishes at the February dinner. And what a lovely large group of teenagers made their graduate's bow to the world.

Remember the APRIL 16th dance moves over to the Bergen Mall Auditorium in Paramus. This is our SPECIAL - if you've never had the privilege of dancing to LIVE MUSIC here is your opportunity. Chip Hendrickson will be calling, as usual. All who attend will earn the distinction of wearing the special Tenakill Twirlers Fiddler's Badge. I wonder where our last year's travelling fiddle is by now? Do come join us for an evening of square, folk and rounds. You'll be glad you did.

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays St. Stephens Episcopal Church, Erhardt Road

Our news got lost in the Christmas mails so we were missed in the last issue, but we are very much alive though and having fun on our dance nights. Our attendance is slowly increasing. We were honored by a visit from Lyle & Edna Hopper, NNJSDA presidents in February. They were accompanied by the Hardys and Lutzes from Ramapo. The two classes taught by our caller, Jules Pozsar, are doing great and we're looking forward to their graduation on April 17. The Shearwoods are doing a fine job on rounds and have taught some goodies. Come join us for fun's sake.

Yes, we're still at our home base - only remember we are an early evening club - dancing from 6 - 8. It's really great if you work in New York because it's really handy in the heart of Manhattan. It was good having Charlotte Horn back in our squares after her extended illness. Stay well, please. Hope you'll join us on the 9th floor. Our caller is Dick Maddocks.

WESTWOOD WHEELERS -- Westwood, N.J.

1 & 3 Saturdays Boro Hall, Jefferson Avenue

As this goes to press we are just a few days from Graduation; can Spring be far behind? We have a gala evening planned and what with 8 squares of graduates and new members we can really put our spacious hall to good use. We'd like to congratulate all the new grads and welcome them to drop in at our dances whenever they can! Our Open House for new grads will be on May 1st!!!

We've been getting some wonderful turnouts at our dances - more and more new faces - Bob Gray is doing a terrific job! Be sure to check our ad this time - you'll notice Bob's workshop will commence on Feb. 24 and you'll find him a most patient and excellent tutor.

Do come see us, for coffee, chatter and good dancin'!!

**BOOSTER**

**1971**

Wondered if we'd ever finish typing this issue - never had such a listing of graduates....nor such a bevy of advertising....Our thanks to everyone for observing the deadline - it sure made our lives a little easier. Our next issue - deadline April 19 - since this is the day after the delegate's meeting, perhaps some reporters may want to bring their news directly to the meeting - if you plan to do so, please let your area reporter know and save everyone some excess phone calls. Traditionally this Summer Issue will feature dancing opportunities for the summer - so any clubs planning summer dancing, get your dates and places to us by the deadline - we'll be glad to include it in the calendar. Also if your club has booked a caller within the next three years for a special, remember - our date book will also list these specials.

Edna & Dick Maddocks, our hardworking advertising editors, have asked to be relieved from their editor's duties - too much else to do at the same time (we can sympathize with 'em). If there is a square dancer who would like to undertake this job, please give Doc & Peg a call and they'll fill you in on the particulars. The job does not mean YOU have to make up the ads, just contact folks and observe the deadlines.....

With so many pages, the cartoon, square notes, and a few other items have had to be omitted. Hopefully, they will be included in the next... Thanks for all your cooperation - this time, every club has news!!!
