**from the desk of** GEORGE and PHYLLIS COWAN, presidents

We are very honored to be selected by the clubs to lead the Association in the coming year. We will do our best to deserve the trust and responsibility you have placed with us.

We hope during the coming year to achieve one major goal which we feel will make the Association stronger and more responsive to the needs of the member clubs and their dancers. Basically, we feel that the clubs should participate more actively through their delegates this year. We expect to assign every delegate to some functional element of the Association's operations. We expect that each officer will have a committee to assist them in their activities. While the Executive Committee is responsible and has more-or-less "run the show" in the past, there are times when more hands are needed and also, more importantly, more ideas and club input is desirable. But by far the most important aspect of establishing wider committee activities is delegate involvement. We feel very strongly that the delegates should do more than just come to meetings and take notes. Judging from the results of the last Callers Festival and the response to the GRAND SQUARE Booster Drive in February, the feedback to the clubs by the delegates, on the whole, has been poor. We feel that as the delegates become more involved, they will better represent the Association at the various club dances. In turn, more club involvement strengthens the Association.

There are several areas where special committees should be beneficial:

1. Program under the leadership of the 1st Vice President. As we widen our activities into more dances, manpower and new ideas are mandatory.
2. Beginners classes chaired by the 2nd Vice President. There is a lot of work involved in keeping this program going.
3. The constitution requires an administrative committee to review the constitution and by-laws. The Executive Committee has uncovered certain problems which may need attention in this area.
4. Under the leadership of the 3rd Vice President greater activity could be considered, such as leadership clinics to counsel new club officers on the problems of running a successful square dance club, broader activities in publicity, and accumulating statistics and trends within the member clubs.

These are some of our thoughts as we assume the office of President. We hope to translate these thoughts into more concrete actions as the year begins.

See you dancing.

2 **SQUARE DANCE WEEK - Sept. 19 - 25, 1971**

# "Lets Get Acquainted"

SOL & HARRIETTE KOVED - First V.P.

former folk dancers who discovered squares; have been happily combining travelling and dancing ever since..former officers and editor of M T Squares newsletter....Harriette teaches school, Sol is a production chemist and edits an international philatelic magazine;both most active in community projects ...a real s/d family with Harriette's folks dancing as well as the Koved's 3 sons...but not their only grandchild - yet.....

JOHN & DOT LUTZ - Second V.P.

newcomers to square dancing graduating with the Ramapo Class of '69 under the leadership of Hanley and Vi Clapp...are presently reporters for Ramapo Squares and assisting Ed Hirsch with teaching square dancing to a Bergen County 4 H Group located in Oakland; have one married son living in New Jersey.. other hobbies have been forgotten now that they've become so involved in squaring up..

FRANK & LORRIANE MOONEY - Third V.P.

a founder of Sussex Spinners served in many capacities-one of the first Freeloaders and now a Patron...became NNJSDA Veep in charge of classes in '70 covering over 2,000 miles and visiting all but 2 classes....also have their century club badge..in between s/ding working, keeping up with 4 teenagers they manage to find time to handle our Publicity

WALT & ISABEL DIETLER - Treasurers

"traveling" square dancers with many years experience...have been members and officers of several clubs...past presidents of their home club - Somerset Hills...have 4 married children and 1 grandchild...hobbies include golf, swimming, bowling and bridge.....Walt is treasurer of business that imports and distributes edible nuts and seeds.....

HENRY & GRACE KNOBLOCH - Secretaries

began squaring up with Jim Flammer eleven years ago..wanting to dance near their home in South Jersey, they located the Hayloft and have been square and round dancing with the Keleigh's ever since.....were delegates for Merry Squares and past officers of Cali Hoes....serving their second term as NNJSDA secretaries and chairman of the vital Ass'n Clearance Committee.....

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursdays

Hayloft, 901 First Avenue

This magazine's Spring edition was dedicated to the proposition that all square dance graduates were wonderful and were happily being welcomed into the wonderful world of square dancing. Now as Fall rolls around, and as wonderful square dancers go, I wonder how many of them went. How many were able to survive the frenzied rush of folk's squaring up (or not squaring up) with them; the frowns because of goofs; or the frosty surveillance new-comers often get.....

Which brings us to the fact that at the last delegates meeting all and sundry seemed to feel that more stress be paid to etiquette especially dress. Well, I do hate to rock the status quo, but in many opinions the dress part of the picture is the least worrisome. Most dancers look like pictures of satorial elegance, but they seem to forget that their manners also show....on to the next. Hate to disagree with the gentleman who relegates fellowship to a fringe benefit of our activity. Shall we also knock out Santa Claus and the tooth fairy? In view of this, why don't we use some of square dance week for doing a little homework? Why don't we search our souls and resolve to improve and strengthen both our dancing and our manners? Speaking of square dance week - to callers, club directors, officers, all the doers in our world - Salud!

All of us were saddened by the death of Ed Gilmore, a great caller who often graced the Hayloft. With his pure style and quiet manner one just had to put his best foot forward. Who can ever forget this elegant man and his "exploding squares"?

Here in Calico Land we are looking forward to Paul Andrews Oct. 23, our British friend, Ron Vizzard Nov. 4th and Buzz Chapman Nov. 20th. Why don't you come and help us welcome them?

CLOVERLEAFS -- Paramus, N.J.

1 Friday

Bergen Mall Auditorium

We're off to a great start with Buzz Chapman calling our opener in September. Our July special with Curley Custer was loads of fun, adding to our summer pleasures. Demonstration time at the Mall had ten sets with Glenn Cooke calling, continuing downstairs, and netting \$50. for the Ed Gilmore fund.

A big THANK YOU to Edie & Phil Melnick for a varied and exciting year for Cloverleaves. We'll expect all to to back for another fun-filled season.

Our new executive committee, with Mary & Ed Davidson as presidents, has come up with some new ideas for your dancing pleasure. Our hot hash tip will begin AFTER the regular dance, from 11-11:15. Hot hash in not to be confused with challenge level calling. It is merely the inclusion of all the calls taught that evening, plus others that are considered to be in wide use in our area. So arrange your sets and give it a whirl!

Frannie Heintz will be at the microphone Oct.1, and Ken Anderson Nov.5. Two great callers to get us on our toes after what we hope has been a good summer for all. Remember rounds with the Tirrells are from 8 - 8:30, square dancing 8:30 - 11, and hot hash from 11 - 11:15. We'll be looking for you!

reporters - Lee & Ed Ehrenberg 201-261-5954

In response to requests, we will mail copies of GRAND SQUARE to interested folks - We ask \$2.00 - (\$1 for Booster; \$1 for 1st class postage) for the 1971-1972 season. Make checks out to GRAND SQUARE or NNJSDA

1 & 3 Saturdays

Memorial School, Highland Avenue

Our back to Memorial School dance featured the calling of Dan Shattell. We have a full schedule of different callers, mostly from out-of-town. On Oct. 16 Ron Vizzard from England will be at the mike, the start of his tour of calling in the USA. Scheduled dances will appear in our "ad" in all issues of GRAND SQUARE. As usual, we dance from 8:30-11 preceded by a half hour of rounds with Dot & Bill Keller. Beginning Oct. 2, Bob Mitchell will again call for the "catch-up" dances.

We appreciated your presence last season and look forward to your returning again this season for more dancing for fun. How lucky can some people be - this summer our treasurer, Ozzie Mueller, attended the Livingston FireDept. Block dance and won a LIVE GOAT! Hope everyone had a happy summer. reporter - Helen & Roy Erickson 201-766-2786

HANOVER SQUARES -- Whippany, N.J.

2 & 4 Fridays

Salem Drive School

Our last dance of the 1970-71 season was a bittersweet occasion. Al Aderente called a real fun dance, and we had a gala food fest after, but this was Al's farewell to us as caller. Al has been with us all the way for 8 years. We will not only miss him, but Nancy and the children as well. Just as we've grown as a group, so has Al's family! Al say he is giving up calling for a new hobby - square DANCING - we look forward to seeing him often. This was also Bob & Lynn Long's adieu to us - they've been our round dance leaders for 3 years and will be greatly missed.

This season we welcome Jerry Schatzer and Hal Holmes as our new callers. Most of you know and like Hal, who has been calling in the area for some time, but did you also know that Jerry has been calling for 10 years and hails from Poughkeepsie, NY? Greetings, also, to Mary & Joe Kulatz! They will lead rounds from 8-8:30 and between squares, which are from 8:30-10:45. Please join the fun with us.

Always important - increasing the ranks of square and round dancers. So...Hal & Jerry will teach squares Monday nights and Mary & Joe will have a round dance class. Further information from the Keeches or the Kirchers. Which brings us to the new roster of officers - President (for a second time) Margaret & Rod Keech; VP Madeline & Ray Kircher; VP for public relations Louise & Max Brueche; rec. sec. Edith & Ed Van Seggern; treas. Carolyn & Dick Byram; reporting sec. Diana & Gard Patton; past-pres. Barbara & Frank Spender; delegates Mary & Joe Kennedy; hospitality Dorrie & Jim Brock and Aggie & Ray Milesky; special dances Dot & Ed Geerke.

Speaking of special dances, you're all invited to our extra-special Halloween party, October 22. You don't have to come costumed, but think of the added excitement, if you do!

Hope you're all promoting square dancing - if the governor can proclaim Square Dance Week, the least we can do is decal our bumpers and talk it up.

HIX & CHIX -- Paramus, N.J.

every Thursday

Farview Avenue Fire House

At times it has been hot, but our summertime attendance has been more than gratifying. A special note of appreciation goes to our own Jim Flammer for his help and cooperation with giving all the new dancers a word of encouragement. We also have been thankful for the "fringe benefit" of club membership, i.e. Sunday afternoon socials at poolside enabling newcomers and old timers to get acquainted. Did you hear about our "special" Aug. 12 when we all adjourned to poolside for swimming, dancing and (ahem) refreshments. Well the summer is over and now comes the hard work of a new season; classes, travel groups, specials, but anything worth having is worth working for and we have always felt that the watchword of square dancing, should be "Relaxation - Enjoyment - Friendship" and if you share our feelings we'll be looking for you at Hix & Chix.

1,2,3,5 Tuesday; 4 Wednesday

Franklin Avenue School

As usual our first dance of the season was a free open dance with Dick Jones calling. With Dick a master at getting non dancers to realize square dancing can be fun, it was a marvelous evening for everyone. Al Brundage, the old master, returns Sept. 22 and on Tuesday Sept 28 "Doc" Gray of Mass will pay us a visit. October 5th is amateur night with Dick Maddocks doing the hoedowns and the amateurs doing the singers. This type of evening in the hands of Dick and our talented amateurs is a delight - don't miss it. Then Oct. 12 comes Hal Holmes back from his travels abroad and on the 19th Dick Jones will return. Our mystery bus ride on October 30th will be a knot head trip - so there is triple fun in store - the trip itself with the ebullient Hi Taws, the dance at some foreign place and chance to earn your knot head badge. See Edna Maddocks for arrangements. Lester Sneider paid for his trip in June to be sure to have a seat! So there's always a good time in store at the Franklin Ave. School and the RED carpet is always out for YOU.

IRONIA REELERS -- Ironia, N.J.

1 & 3 Fridays

Elementary School, Dover-Chester Road

Welcome back to square dancing after the summer vacation. Many of us have danced all over the United States, Canada and other foreign countries as well. It was a great summer for square dance fun.

Our last dance in June was our first buffet/dinner dance. The food was wonderful and everyone enjoyed dancing to Al Aderente for the evening. Hope this becomes an annual affair.

Our classes begin on Wednesday, Sept. 22 under the able tutoring of Wilson Hoff. Our invitation dance, free to all, is the 22. For further information call the class leaders Jim & Lois Drake 201-366-0640.

Our first special this fall will be October 29th, a fifth Friday. We will probably be visited by goblins, ghosts, and Jack-o-lanterns, so plan to join the festivities. Our Harvest Moon Ball will be the Kip Garvey dance Friday, December 3. If you've danced with Kip before, be sure to return to his fine calling. If not- come hear what you've been missing. The welcome mat is always out. Come - have fun with us.

NATIONAL SQUARE DANCE CONVENTION<sup>R</sup>  
BOX 2071 · NEW ORLEANS, LA. 70116

As promised - their convention hall, "Rivergate" was cooled enough for shawls and sweaters.....on dance floor (5 s/d halls, 1 teen hall, 1 contra, r/d at Jung hotel) every thing from hot pants to maxi.....River boat ride, naturally with dancing, very popular.... Pride or Prejudice - the applause for Dick Jones was greater than Jersey's 85 attendees could muster...he was the sensation of the convention ....in spite of attendance of 13,688 (every state except Maine) Hardy's ran into a dozen fellow Association members....Balmers reported that attending the press breakfast as substitute reps for the Grand Square was a highlight."Fortunately there were few requirements for this assignment except eating, and there we qualified"

....Lew & Edna Sullivan, formerly Metuchenites and past NNJSDA secretaries sent greeting back to all hereabouts thru the Cavaliers....If IOWA is for you in '72 we'll be glad to share the info brought back by Gene & Betty for the next National in Des Moines June 22,23,24.

Folks who have danced in England must recognize round and square dance leaders, FRED & GWEN MANNING from London. Together with a dancing friend Pat Richardson, they stayed with Dorothy & Paul Pullman in NJ before heading for the 9th Overseas reunion in Denver. There they were joined by 210 others who have danced overseas, including Henry & Alice Thiessen from Dumont. Next year the reunion is in Pocono Pines, Pa in Aug.

2 & 4 Wednesdays Community Church, 345 Guyon Avenue

Welcome, square dancers, to another season of great dancing. Hope everyone enjoyed their summer vacation. May we take this opportunity to thank each and everyone of you who made our dinner dance a great success. A "Special" thanks to Bea & Paul Tooker, who helped to make our tables so pretty. By the time you read this, Glenn Cooke will have us "swinging" well into the season and the Kirchmyers will have the round dancers on their toes. So, come and dance with this "fun" group. Same time! Same place! We look forward to seeing you.

M.T. SQUARES -- Woodbridge, N.J.  
1 & 3 Saturdays School #19, Maryknoll Rd., Menlo Terr.

As with most clubs, our summer has been rather a quiet one. There were a number of get-togethers few of which were square dance oriented, but all of which were attended by dancers which always seems to make for happy times. Those of us who attended the club family picnic enjoyed a beautiful day in a cool shaded grove. The kids seemed to dissolve into the landscape (a few reversed the process). The grown-ups, for the most part, melted into lawn chairs and were so relaxed that our callers were not able to get 8 people on their feet at one time to form a square. It was all very enjoyable and our special thanks go to Janet & Jimmy Paul for arranging it all for us. Some of our people took advantage of the well conducted workshops. A special pat on the back should go to those recent graduates who were numbered among the workshopppers.

Our club is very pleased that the qualities of one of it's most active couples has been recognized beyond it's bounds and our best wishes go to Sol & Harriette in their function as 1st VP of the NNJSDA.

Our club presidents Carmen and Ed Skarl promise another fine year of dancing fun with the accent on friendliness and the welcome mat always out to visitors. We will all be looking forward to dancing with you starting with our first dance in October.

-----  
A Quickie - we may be the NNJSDA, but with 4 clubs in NY it will pay us all to give serious thought to a communication from 31 SQUARES of Syracuse editor, Grant Johnson. Using articles 28 & 29 of the NY Sales and Use Tax Law of 8/1/65, the NY Sales Tax Bureau has made Determinations against 2 NYS clubs for well over \$1,000. in back taxes....and with over 200 s/d clubs in NYS alone, the possibilities are staggering! Naturally these 2 clubs contacted attorneys and are now deeply embroiled in the situation. (for more see page 26.)

MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Irwin School, Racetrack Road

It now seems ages since our last dance - our dinner dance a hot day in June, but the Polish National Home is air-conditioned and upon entering from the sweltering street it was most refreshing to find the theme was "A Winter Wonderland". Beulah Samec did a great job of calling and Lynn Long did an excellent job with the rounds.

Merri-Eights and members of 6 other clubs did a demonstration at the Middlesex County Fair in August and obtained names of a number of people who might be interested in lessons this fall. Our classes are being held Monday evenings from 8 to 10 in Central School, Cranbury Road in East Brunswick beginning on September 27th.

As you read this we have started another great year with Beulah and Lynn. Oh, we have scheduled an extra dance on October 29. We'd love to have you come. Wishing you all another happy new square dance year.

MOUNTAIN SQUARES -- Parsippany, N.J.

1 & 3 Wednesdays

Brooklawn Jr. High School, Rt. 202

We open our season hoping that all have had a good summer and that everyone's ready for a good year of dancing. We're happy that Dick Jones will be calling for us again and that Dot & Bill Keller will return again to present our round dance program. Dan and Ruth Stanions are our new presidents. Our first dance will be October 6. Our two specials are February 2 and May 3, the guest callers will be announced at a later date.

With all of the good new dancers that have joined the square dance movement we know some will want to go into the round dance movement - Dot & Bill Keller are planning to start a group in Caldwell, so if interested call Dot & Bill. Several new members of our club received their badges in the mail this summer - welcome to our club. We welcome all and hope that if you haven't already, you will add our Wednesday nights to your dancing calendar and enjoy the great calling of our caller, Dick Jones. Teenagers are welcome, but we do ask that they bring their own square and dance in that square.

In January '58, 6 couples became so concerned over the s/d need for a good promotional program, clearance conflicts beginners classes as well as summer dance opportunities that they drew up and instigated a plan of action. Eleven clubs shared their interest by sending delegates to a meeting with many of their ideas and suggestions still being carried out today. As a means to further communication between our very scattered membership, Grand Square was begun in March of '59 with Bob Keck as Editor. When business pressures caused him to resign 4 years later, Bill Geier took over. Successfully sponsoring the Seventh (and last) Atlantic Convention ('61), forwarding over a thousand dollars to the Keokuk Disaster

Fund('66), having the Governors proclaim Square Dance Week in NJ and NY ('70 & '71), and watching the Beginners Classes grow until this past year we had over 550 graduates are just a few of the highlights. It is interesting to note that officers in this couple activity were not listed that-away until '63....past presidents are Al Aderente, Bob Keck, Bud Sibbald, Bob Kellogg, Frank & Hazel Preston, Doc & Peg Tirrell, Gene & Grace Luca-rini, Jack & Carol DeCoste, Ray & Pam Zeliff, and Lyle & Edna Hopper.

Under Association sponsorship the Northern New Jersey Round Dance Council was formulated in 1965 to help straighten out and consolidate a rather confused round dance picture in NNJ. With membership open to all interested area r/d leaders, this council meets bi-monthly to exchange information, plan special events, and select rounds-of-the-month (ROMs) for use September thru May. By the leaders including a majority of these selections in their dance program, a round dancer is assured of knowing most of the dances played at any NNJSDA club.

PRINCETON SQUARES -- Princeton, N.J.

2 & 4 Fridays Riverside School, Riverside Dr. W. & Prospect Ave.

We are welcoming in another year of square-dance fun with our opening dance Sept 10th and a demonstration on the green of the Princeton Shopping Center the next afternoon. When you come to visit us you'll notice something new - its our caller Glenn Cooke. Princeton is looking forward to 'peppy patters' and 'sweet singers' and a fun-filled year with Glenn.

We will sponsor our third class this year - luring the timid with an open-house dance. Our demonstrations have proven that where square dancing is concerned, one 'beginners tip' is more convincing than a whole lot of friendly persuasion.

Our first guest caller, Jim Marshall, is scheduled for Oct. 29 - a 5th Friday. Glad to see you then or at any club dance.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays Heights School, Seminole Avenue

Once again with summer gone, we look forward to a season of good dancing at our home club as well as at other area clubs. Our callers will again be Jerry Salisbury on 2nd Saturdays and Lee Kopman on the 4th. Doc Tirrell will again cue the rounds and teach from 8-8:30. On Saturday Nov. 13 we will have a special dance with Stan Burdick calling. Hope to see many of you at our dances. SOFT SOLED shoes or SNEAKERS are a must.

Round up your friends and neighbors and bring them to our Open House Sept 26(Sunday) at the Ramapo Mountain Lakes Country Club on Hiawatha Ave. Instructors Bud & Jinny Allison will hold the first class the following Sunday at 8 PM, same location with our new dancers and many older ones on hand to help out. Round dance classes are already under way - from 6-8 on Sunday evenings.

Many of our new dancers have faithfully attended the summer dances and Sunday evening workshop - we are proud of the many who earned their Association Freeloader badge.

The VanNoordts, the Hardys and your reporters attended the National in New Orleans. It was a long trip, but we enjoyed it. On our way home we had a delightful visit with Vi & Hanley Clapp at their new home in Sarasota, Florida. They are as active in the West Coast Florida dance picture as they were here....and are well and happy and send their regards.

Our best wishes to Jean & Walter Marlatt on their recent marriage. Living in Toms River now they are planning an extensive tour of the U.S. including dancing naturally! However, since Oakland, NJ, can be reached from anywhere, their many friends hope to see them often. They will always find a warm welcome at Ramapo Squares.

2 & 4 Tuesdays

Cedar Hill School Gym, Peachtree Road

Our 1970-1971 season ended successfully with our annual covered dish dinner and dance. We also had a bus-load of dancers make the trip to the Hayloft for their Paul Andrews dance....and 6 full sets attended the 1st NNJSDA summer dance when Vin called.

Our members were saddened to hear of the sudden passing of Al Buck in August. Al & Jean were faithful, dedicated former officers. He will be sorely missed and our condolences go to Jean and her three children.

Plans are under way for our new season, which started Sept. 14. Class began the 16 at the Bernardsville Y.M.C.A. with a free dance. Vin will again be our regular caller while Walt & Grace Pennie will be in charge of the rounds. Please mark your calendars now for our Marshall Flippo dance on Nov. 23. We have plenty of room. SUSSEX SPINNERS -- Sparta, N.J.

Alpine School, Andover Road

Hi! It's been a long, hot summer, and an active one, I might add; We had a good turnout for our annual picnic at Culver's Lake. Bruce really had them hopping on the grass. All attending had a good time, and look forward to more of the same. Several couples spent an exciting and fun-filled week at Spring Gulch with seven days of workshops, night dances all with new and exciting callers every day, which added up to fun galore. Maybe next year, we can get a few more dancers to go too. Our active members made a good attendance at the Hayloft's Night Owl Dance - 4 sets plus one couple! If you haven't tried it, you don't know what you've missed. Much fun!!

Our club sponsored summer workshops have had from 6 - 11 squares! A good number considering summer heat, vacations, etc. Many dancers attended from other clubs, too numerous to mention; but our thanks to all for supporting us. Bruce did his best, as usual, and really put us all thru our paces. New "Grads" kept up the tradition by earning Freeloaders Eight couples!!! Congratulations to you all. We now have a total of 15 couples who have earned this badge. I believe no other club can make such a statement. FLASH: Special dance - October 8 at Alpine School - a double header with Sue Watson and Clint McLean from Conn. calling. On Sunday Oct. 17 at SPARTA HIGH SCHOOL form 2-5, Danny Robinson from Fla. will call. Come fill your century book and breathe fresh country air. Our new season opens Sept. 24 with Bruce calling and the Pennies on the rounds. Don't forget to sign up for r/d lessons, everyone is doing it! Call the Sublesky's for more details 201-729-5044. So with the new season on it's way, we hope to see all of you again. Come dance with us, & don't be afraid to make mistakes, we all do, and after all, that's how we learn. So when we meet on the dance floor - Smile! 😊

Our new season was welcomed in the 10th with a new caller, Bob Kellogg at the mike. He called a dance that everyone could enjoy, whether a new graduate or an old-timer. And don't forget, we are known for the refreshments we serve after our dances! Come over and try us; you'll be back regularly. Reporters-Ray & Vera Geibel 201-768-0908

TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

1971 is a big year for us - we celebrate our 20th anniversary while Chip Hendrickson will be celebrating 20 years of calling! Special souvenirs were given all who attended our opening dance! Peg & Doc cue the rounds & Joe & Jody handle the folk dances.

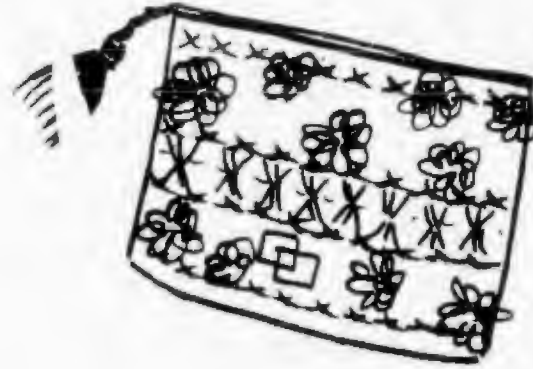

Our beginners class started the 15th and is a real bargain - \$15. covers the whole course of 25-30 lessons given by the Brombergs. Our folk dance group meets 2nd Wednesdays at the Brombergs - all welcome. The Twirlers have labored and brought forth offspring the Teen group, the Tenakill Twilights are a separate, altho' affiliated club and their news is elsewhere. Our former round dance group has become a club in its own right - the Tirrell Twirlers - led by, guess who, Peg & Doc. However your reporters took advantage of this group when we had English visitors in August - Fred & Gwen Manning and a young friend Pat Robinson and turned their Aug. 2 dance into a "Welcome to the British" night. When we all went to the NNJSDA dance of course they found some old friends there! Square dancing has such an international flavor nowadays. When you visit other areas, never neglect to find out about dancing and enjoying the experience of meeting other dancers from other parts of the world.

The Square Pincushion sewing feature this issue will be:

A PURSE....

Materials needed-  
1 1/2 yds. upholstery webbing  
1/4 yd. fabric for lining  
9" zipper  
thread and yarns  
small piece cardboard

Cut webbing into 2 pieces each 21 1/2" long and leave a piece 11" (this will be the bottom).

Embroider these 3 pieces as desired with yarn scraps. Daisies, cross-stitch, monograms, dance emblem, club name, are but a few to get you started.

Sew (by machine) the 2 long pieces together, side by side, to form a rectangle 21 1/2 by 8" wide. Cut lining piece same size. Join ends of each piece to form a tube. Press seam open.

Cut 2 lining pieces same as 11" piece of webbing. Machine sew small piece of webbing to tubular piece, centering seam to be center back, rounding the corners.

Sew zipper to upper edge of purse.

Pin lining to purse, wrong sides together. Blind-stitch all around upper edge. Baste lower edge in place within seam allowance.

Cut a small piece cardboard to fit bottom of purse.

Sew the 2 small lining pieces together to form a pocket. Insert the cardboard, turn ends in and slip-stitch closed.

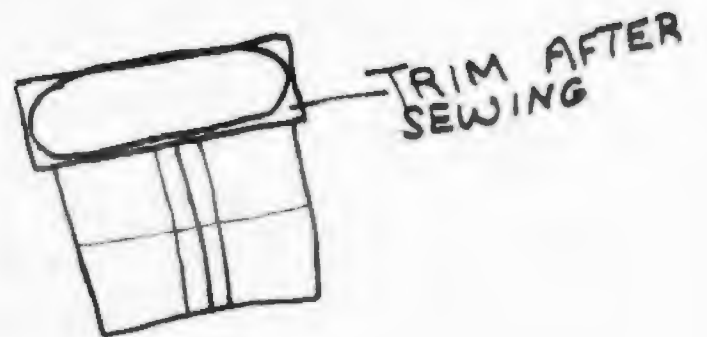

Hand stitch the slip-covered cardboard section to the bottom of purse.

Turn to right side. Add a tassel to zipper pull and PRESTO.....

Variation- omit zipper and from an additional piece of webbing make a handle, lined of course.

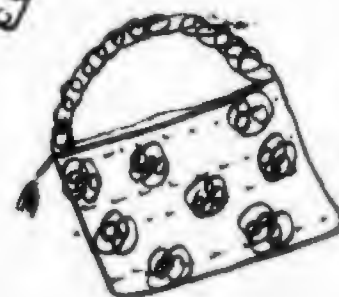

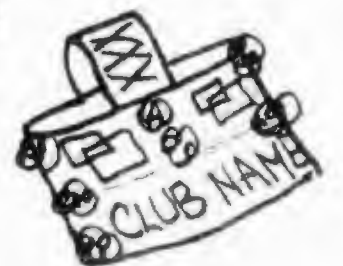

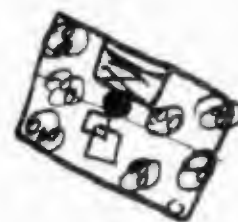

or- make a tab with a button and loop closing in place of zipper.

or- add a handle of a chain from hardware store or one crocheted from yarn.

We didn't tip toe through the tulips but we did get a chance to do-si-do among the gladiolus. Our caller Wilson Hoff sounded prettier than ever with his new sound equipment.

Sept. 23rd starts the new season with our demonstration dance. Every one is welcome including teams 13-up. Fall classes begin Sept. 27. The place is to be announced as we need larger quarters to accommodate both Adult and Teen Classes.

Another summer is drawing to a close and we stand on the threshold of another dancing season. To those that danced with us this summer we wish to extend our sincere thanks for their support and friendship.

We will be at SALT BROOK School - located around the corner from Hillview (One of our former places). The location is Maple Street...between Springfield Ave. and Central Ave. The same friendly club, the same good caller, the same extraordinary refreshments but a new new place. So come dance with us and you'll be glad you did.

We will be having a Jim Cargill special October 29. See our as on page 24. Please note that this dance will be at New Providence High School.

We have been very fortunate to have the terrific combination of warm friendly people, good dancing and delicious refreshments. Our 2 & 4 Monday workshops have been so successful we'll continue them through the fall - See our ad on pg. 19 for our club schedule. We'll be looking forward to dancing with you.

WESTWOOD WHEELERS -- Westwood, N.J.

1 & 3 Saturdays Boro Hall, Jefferson Avenue

Our last dance in June was a howling success - 13 squares were so glad they came....they howled and howled at Bob Gray's "Cast-Offs" (first public appearance), who just might be seen at your club during S/D week - be on the lookout for them. Who are they?

We had a busy summer, squaring around the world, from Petruska Park to Rome, Paris, London and almost Tokyo (in case you hadn't heard - the Grays were scheduled for a Far East trip, but Harriet spent the time in the hospital). She convalescing home and hopefully will make our first dance in October. We are looking forward to seeing you all at Westwood

when space permits we are always happy to include news from other clubs in our area, even though not association members.
