GEORGE & PHYLLIS COWAN

presidents - NNJSDA

At the last delegates meeting, a resolution was passed emphasizing the importance of proper square dance attire at all Association dances and further encouraging clubs to instruct their members and club guests accordingly. In the recent reissue of the "Basic Western Square Dance Figures" Manual, the Ten Commandments of Square Dancing were made more explicit on this point. Quoting from Commandment VI "Thou shalt dress for the occasion so as not to offend those around thee--this shall include for the gentlemen a long sleeved shirt, and for the ladies a full skirt with the proper accouterments."

These Ten Commandments really encompass the whole matter of square dance MANNERS. Each dancer should take the time to re-acquaint himself with them and then put them into practice wherever he dances. Some are rather obvious and are seldom found lacking in club dancers -- and when they are found, the person is usually made aware of the other dancers concern, such as drinking (VII), bathing (VI) and acting your age (III).

Some of the commandments are harder to live by, simply because they require a little sacrifice on the part of the dancers. These deserve equal attention.

II "Thou shalt not be a snob". This not only applies to the way you feel but to the way you appear to others. Put yourself in the other person's place and take a good look at your own actions at a dance to see if you are really practicing this commandment.

Commandment V deals with treatment of strangers and guests. Make a special point to talk (and dance) with those new to the club or new to you. If you come with a group, split up and spread your fellowship. When one club raids another, don't dance with your own party only, rather get into as many different squares as possible. Then they will really know you were there!

IX "Thou shalt not kill thy club with bickering and faultfinding." This requires real fortitude and thick skin at times but must be avoided at all costs. If you can't speak good of your club, say nothing.

X "Thou shalt not forget that thou wert once a beginner". Surprisingly this commandment is often forgotten by relatively recent dancers. Remember, if you can dance, you will be an asset to the square. The other dancers will appreciate your tolerance and understanding. This little sacrifice will pay the greatest dividends in the real "thank you's" you get at the end of a tip.

Remember, none of the above can be legislated by the Association. Each dancer must do it himself.

GUY NEARING can be likened to an ice berg in the sea of life; 1/10 we see as we meet him at dances and 9/10 is hidden.

Rapidly approaching 83 (his birthday being January 22, 1890) this soft-spoken gentleman is still one of our areas most avid square & folk dancers.

Blinded three times in his life, Guy has only shifted gears and directed his energies elsewhere.

Starting college with the idea of becoming a botanist, Guy switched to English and began training to live up to his coach's prediction of becoming a world champion mile runner. Blindness forced him to forego that idea, but nevertheless he graduated Phi Beta Kappa from the University of Pennsylvania in 1911. At Harvard where he went for graduate work in preparation for an assistant professorship in English Philology (study of words) the blindness recurred. With reading out, Guy turned to nature and began studying wild mushrooms - becoming a leading authority...in fact even leading New York Mycological (Fungi) Society lectures and hikes.

An ornamental blacksmith, Shakespearian actor, gifted painter, talented poet and author, Guy printed and bound his own book of 100 sonnets "Dawn Breaks Late". During a ten year period he wrote and illustrated "The Lichen Book" - still used as an authority for these complex lower plants, plus doing editorial work for Mentor Magazine and Harpers Bazaar.

When his blindness recurred after his discharge from World War One, the doctors discovered he had tuberculosis and suggested he get out into the open air. So Guy pitched a tent and built himself a house...which he later sold. He also learned to read and write Braille.

Following the flooding out of his nursery on the Saddle River in 1945, he purchased 4 acres of land, including a 130 year old house, in Ramsey where he lives alone and ministers to his thousands of rhododendrons.... some of which he has grown himself. His Nearing frame (for growing the rhododendrons from cuttings) for which he is known throughout the world was developed over 45 years ago. Visit him in late spring for a glorious sight of his Windbeam (his most successful hybrid), Wyanokie and Mary Fleming and hundreds of others. Many varieties he grows for experimental purposes. Naturally Guy is a member of the American Rhododendron Society and winner of their gold medal, a former editor of American Rock Garden Society bulletin and listed in Who's Who in the East.

With abounding energy Guy still finds time to be an active member of the Interstate Hiking Club and Woodland Trail Walkers, leading hikes anywhere up to 15 miles...and then returns home to dance at night.

Looking for new interests led Guy to square dancing in 1946, before lessons were needed. Honorary member of several clubs...active member of many more, Guy dances 6 nights a week. But his favorite tho is folk dancing. Ever dance his Nearing Circle Waltz?

What is his secret? Some might say it is living on a diet of natural food, eating no sweets, making his own wine and getting about 6 hours sleep. Others might say it is Guy's insatiable curiosity and energies, his intense love of nature and a spirit that is unquenchable.

3 Friday

Bryan School, Brookside Avenue

Our dancing season started with a bang. The new feature of having the Tirrells teach the ROM from 8 - 8:30 proved extremely popular. Then Chip Hendrickson came on fresh from a summer of calling and Indian dancing to give us an evening of fun and fine dancing.

Congratulations and best wishes were extended to two of our founding couples who share a wedding anniversary date of Sept. 14. It was the 43rd for the Fulmers and the 32nd for the Brombergs. Many more dancing anniversaries to the four of you. Al Fulmer has retired and will take on more one-night stands.. But we do not like the way they keep talking about North Carolina. We need you here, Alice and Al.

Many of us spent the next weekend at Deposit, NY at the Big D. It almost seemed like an extension of the club with Chip calling (as well as jolly John Kaltenthaler of Pa.) and the Tirrells up there teaching the rounds.

But whether you week-ended or not, don't forget to join us on the 3rd Friday. Who knows, you may be the one to win Peg's and Glen's clever seasonal door prizes. reporters - Dorothy & Paul Pullman 201-568-5138

In outlining the duties of the various committees at our recent delegates meeting, President George Cowan assigned a new and monumental, but Oh! so worthwhile! task of attempting to discover why a large majority of our area graduates never make the transition to club member. The Third VP is Chairman. The results of their survey are eagerly awaited by those who've done similar studies. Muriel Osage of Cali-Hoes sends along these comments....."In the Cowan's article expressing concern regarding new dancers, I noted the question have we sacrificed quantity for quality. Quality in what context? I submit we do not have the quality in many people already entrenched in the activity. Witness the reluctance to hold office, the cavalier attitude toward new dancers, the lack of volunteers in most areas....I have always been close to newcomers to the dance and the rudeness one sees given them is appalling. We have fine new talent... and many more people interested, yet there is enormous danger of drowning what is good in the tidal wave of what is bad. I am glad for the concern the Cowans are showing and wish them well. More than that - in the ensuing investigation, I hope the clubs are honest in their reports." Any volunteers to assist the 3rd VP, notify the Koveds - 201-276-7213

With Thanksgiving turkey and Christmas cheer almost here, the 72-73 season is well under way. Our dances have been very successful. Vinnie Caruso, our caller, has kept us hopping and spinning with his fast pace and teaching of new calls. The Pennie's are doing their usual great job of cueing rounds between tips.

Five squares raided Y Squares in September and enjoyed their special dancing to Jim Cargill. If you missed our first special in October, be sure you don't miss the second one this month on Nov. 28 with Al Brundage. Even though the world has speeded up considerably lately, fortunately we know there's still time to say "thank you". And wearing a smile takes no time at all. This was the reaction at our "Get Acquainted Dance". Our caller, Jules Pozsar, managed to blend the non-dancers into some of the dances as well as calling club level to the regulars. Everyone had a wonderful time and a new class was formed. Don't forget our Sadie Hawkins dance Nov. 18 (dress as a Lil' Abner character); our Christmas party Dec. 16 and Amateur Caller's Festival Jan. 15 (anyone interested in calling, please contact us).

Please note - starting November 4, We are moving to the EVANS PARK SCHOOL, Marion Place, Pearl River, NY. It's just a few blocks from our old location. The hall is much larger and will accommodate many more sets. So come out and join the fun with us at our new home. Looking forward to dancing with you. reporter - Hilda Berger 914-354-4350

RUTGERS PROMENADERS -- New Brunswick, N.J.
 alternate Thursdays Blake Hall - Rutgers Ag. Campus

This fall has seen the continued growth of our club. The ranks of the Promenaders are swelling with new beginners, and it seems that the art of square dancing is being rediscovered, thanks to the enthusiasm of our members. Art Seele is doing a fine job of calling for us, and Betsy Seele is adding her share of enthusiasm by again conducting our beginners classes. We're looking forward to our Christmas dance and our specials in the coming semester, and hope you'll take the opportunity to visit us. The Hall for our Nov. 30 dance has been changed from Blake to Bartlett which is also on the Ag. campus. The Promenaders wish everyone a happy holiday season.

RICHMOND DANCERS -- West Brighton, Staten Island, N.Y.
 2 & 4 Saturdays Olivet Presbyterian Church, Broadway & Myrtle

GOOD NEWS! Beulah's home again and recuperating nicely. On October 7th we traveled to Dancing Squares and pinned their banner. It was a good dance. On the 15th we took part in Staten Islands "Old Home Day" celebration. After marching in the parade we demonstrated square dancing in the parking lot. The crowds enjoyed it. Our 28th dance we had to move to a different location due to a mix up at our regular hall. All went well though.

Our November dances are with Ray Turcotte and Charlie Kides and our December dance with Hal Holmes is our Christmas dance. Try to join us for some good dancing. reporters - Bob & Madelon Merkler 212-356-2157

REELERS -- Ironia, N.J.
 1 & 3 Friday Elementary School, Dover-Chester Road

Our new season opened with Glenn Cooke's usual terrific dance. My, didn't it feel good to unlimber some of those muscles that had stiffened up a bit during the summer. Our first dance was followed on Wednesday by our Introductory Dance for beginners; also held to help celebrate S/D week. Already 19 couples have signed up and are on their way to becoming club dancers. Our classes this year are being run by VP's Edmonds and taught by Wilson Hoff. The Lawsons, Hornbuckles, Drakes and Adolfs presented a demonstration before the PTA during S/D week. Only through constant reminders before the public will we encourage even more and more dancers to join our fun. Our next special is Nov. 17 with Jerry Salisbury calling. We hope you will all be up in Ironia enjoying the dancing with us.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturday

Heights School, Seminole Avenue

Our fall season started very successfully with Jerry Salisbury. It was real good to see so many old and new friends again, and hope to see them at all our coming dances. Our open house was a great success with well over 100 in attendance. The majority were non-dancers eager to start a new way of dancing fun. Also thanks to the many angels who came to help out. The first class met with 30 couples with instructors Bud & Jinny Allison in charge.

A Christmas Party will be held sometime in December with the new class and their angels. There will be lots of fun dancing, also a surprise visit from Santa who'll pass out the gifts.

A beautiful - Get Well Card (24 x 30 inches) was created by Bud Allison and signed by all the Ramapo members to be sent to Beulah Samec with our prayers for a speedy recovery. Our best wishes and much happiness to Ava

Roberts and Stephen Wallace on their recent marriage. Hope to see you at Ramapo often.

In October we had the pleasure of having Keith Gulley call for us. The turnout was just great and a swell time was had by all. "See you in a Square".

Riverside School, Riverside & Prospect

Stand back and give us room! In our classes we are dancing on shoulders. Sixty-four brand new dancers and more to come! We're delirious with joy and Glenn Cooke has 'em eating out of his hand!

Still plenty of room at our club dances though! Glenn is so sharp he puts us on edge (pun intended) so come on down! We're funning it even more this year and Glenn's pulling the happy strings. He's super-fine and we know you'll love him too! Who wouldn't?

Calling all callers

The PARAMUS CLOVERLEAFS Square Dance Club wishes to announce the inception of a partial scholarship of \$50. to be used by a qualified individual toward a session in a Caller's College. It is hoped that other clubs in the NNJSDA would ne interested in contributing to this worthwhile venture. Interested? Contact the Bergsma's - 201-445-2675.

MAPS

Borrowing the idea from Fred Freuthal of Connecticut (and written up in SQUARE DANCING), your editors decided to feature a "How to Reach" section for all Association clubs. Specific instructions were given every delegate in September. The results are on the following pages.

These maps will not be published separately, but we suggest if a dancer will remove the 8 page "centerfold" and combine it with last issue's 4 page "centerfold" (additional copies of the roster are available from your delegate) one will have a fairly complete picture of square dancing opportunities in NNJ and NY areas.

The maps presented here are derived from the clubs themselves...any errors or omissions are the club's responsibility. Your editors would appreciate hearing of any errors in the maps. Happy traveling!!!

TEN COMMANDMENTS FOR SQUARE DANCERS

- I- Thou shalt dance only for the fun which thee find in it.
- II- Thou shalt not be a snob, considering thyself too good to dance with any and all, sitting out the mixers, or leaving a square lest thou be required to dance with those whom thou deemst unworthy of thy talents, for the gods of retribution are zealous gods, and will visit their mischief upon thee, and thou wilt be the one to goof the square.
- III- Thou shalt be exuberant, but shalt act thy age.
- IV- Thou shalt go abroad and dance with other callers so that thy opinions expressed are based on fact.
- V- Thou shalt not let the stranger in thy midst sit on the sidelines and cool his heels, nor fail to speak to him.
- VI- Thou shalt bathe diligently that the sweet aroma of soap and shaving cream may assail the nostrils of thy associates. Thou shalt dress for the occasion so as not to offend those around thee - this shall include for the gentleman a long sleeved shirt, and for the ladies a full skirt with the proper accouterments.
- VII- Thou shalt take care that the words of thy mouth are not scented with garlic or beer.
- VIII- Thou shalt honor thy club and give loyalty, for if thou canst not do this, it were better to separate thyself from it and join thyself to another whose methods, members and callers are more to thy liking.
- IX- Thou shalt not kill thy club with bickering and fault finding.
- X- Thou shalt not forget that thou wert once a beginner.

1 & 3 Friday

Hammarskjold School, Rues Lane

Beulah is now home and would love to hear from you. Her address is 458 Beach Road, Staten Island, NY 10312. The word is that she is doing well. Our open house was a great success with Bruce Vertun calling for our guests - a great job. The rest of our schedule reads like a caller's carnival, with many of Beulah's friends filling the dates until she is able to come back. Here is a samplin' - Nov. 17 Vinnie Caruso; Dec. 1 Hal Holmes; Dec. 15 and our holiday dance with Paul Andrews; then off to the New Year with Vin Caruso again on January 5th. How about that!

Our new hall is more spacious than Irwin, giving the round dancers plenty of room to swing out with Bob & Lynn Long, who teach from 8 to 8:30 and then cue between squares. We still feature coffee and Fantastic cakes by our famous bakers after the dance at 11. So come on down and dance with us! And you may even win a door prize for we understand that the drawings are honest this year!

M T SQUARES -- Woodbridge, N.J.
1 & 3 Saturdays School #19. Maryknoll Road, Menlo Terr.

This season begins M T Squares 10th year as a club. We are off to a terrific start and we anticipate this, our decade anniversary year, will be our finest. Our "Greenie Dance" was a huge success and we hope we convinced the majority of guests of the fun and frolic awaiting them in our club. Classes have been underway since October 8.

Our costumed Halloween Dance was great fun...a regular "Who's Who in Square Dancing". After that, I think I'll take up ghost writing! We invite all to our Christmas Dance on December 16. We promise all a double dose of holiday cheer! Looking forward to seeing you there!

We extend warm holiday wishes and good will to all our fellow dancers and their families. May you all enjoy a very happy and healthy New Year and although square dancing doesn't afford peace and quiet, we do promote peace on earth - good will to men!

The fall season brought with it a lot of activities: open house and beginners classes in both square and round dancing, with Jim Flammer teaching squares every Wednesday and Elly Tout teaching rounds before our regular Thursday night dances. Our special dance with Ed Fraidenburg was a success and we are looking forward to the return of Marshall Flippo at the Garden State Plaza in Paramus. This will be the third year he will be with us. Put the date on your calendar for an enjoyable evening.

We have a new slate of officers with Don & Betty Mazzie, Presidents; Don & Donna Berg, VP; Tom & Ruth Hayes, Treasurers; and yours truly as secretaries.

We welcome visitors on any night, especially on our first Thursday of the month dance when we have coffee AND after the dance. Jim Flammer, our regular caller, always does an outstanding job. So come on down and square up with us. reporters - Mac & Joyce McManus 201-933-1591

We started our season with Hal Holmes calling an open house for members and friends and prospective square dancers. In spite of a very last minute change in schools, we had an exceptionally good turn out. It looks like a good class for Hi Taws this year with Dick Maddocks calling and teaching in connection with the adult education program. The refreshment committee, headed by Sophia Campbell provided a cake so we could all celebrate Doris & Hal Holmes 35th wedding anniversary. ~~Mm-Mm~~ good!

We welcomed back Dick Jones this season and later in the month Al Brundage. We were happy to see many old friends and some new ones at both of these dances too. Be sure to check our lineup of dances elsewhere in Grand Square and be sure to mark down Nov. 28 as we have a real treat in store for you that night with Red Correll calling. Les & Ed Shearwood are teaching rounds this year from 8 to 8:30 and squares are from 8:30 to 10:45.

We will be travelling more this year so be on the look-out for the happy, fun-lovin' dancers from our club. You never can tell when we will pay you a visit. Beware Hix & Chix, we'll be dropping in on you to steal your banner just as you stole ours at the last dance last season.

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturday

Bloomington Avenue School

A masquerade dance was held in October with prizes for the best costumes. Wish you could have been there to see our parade! On November 18 we will be having our Thanksgiving dance. There will be raffled off 2 baskets of canned goods, tickets for which will be given out to those bringing canned goods totaling approximately 50¢.

We had 2 successful raids at Y Squares (4½ sets) and at the Hayloft (2¼ sets) at which time we pinned their banners. We wish to thank Bob & Lydia LaVine for these successful forays. The beautiful, delicious sheet cake at our open house was donated by Dick & Anita Peterson. Many thanks. With Bob & Jean Kellogg away in Spain we enjoyed dancing to the calling of Ray Turcotte and his wife Phyllis and rounds cued by Shirley and Frank Belotti. A fun night was had by all. Another season has gotten off to a great start. Thanks to the generosity of our caller Bruce Vertun we will be having workshops from 7:30-8 PM, before each dance that he is calling. Bruce will go over the calls he will be using during the dance.

Best wishes for a speedy recovery to our president, Rita Burdette. We hope she will be back dancing with us soon. Two of our recent graduates Evey & Hal Hatfield earned their Freeloaders badges - Congratulations!

Many thanks to Ann Meyer and Isabel Kerwin for the great job they are doing on our newsletter. We are looking forward to our Christmas special on the 13th, our president's ball on Jan. 10 and our valentine's dance Feb. 14. Come and dance with us.

Our season opened at our NEW location - the Clara Barton School. Al Aderente very graciously came out of retirement to fill in for Beulah that first night. Bruce Vertun will be calling our dances from here on in, with guest appearances from Jim Marshall. The Longs will be with us again for the round dancing.

Our classes which have already gotten off to a good start are in Edison. The new dancers look lively and Bruce Vertun really had them moving right off the bat. We want to remind everyone that the 25th of November will be the date of a special benefit dance for Beulah. Please try to be with us. Our new season promises to be a good one with many of our new graduates taking an active part in club affairs and the Frys providing able and enthusiastic leadership. Please come see us.

With the help of many, Cloverleafs put on a demonstration dance Oct. 1 at the Fair at the Paramus High School to help celebrate Paramus' 50th anniversary. Special thanks go to John & Dot Lutz for bringing all their equipment and records. We had over 4 squares, one of which was the 4H teen group -- the same one that won a trophy for their dancing at the 4H Fair.

22 squares at our October Ken Anderson dance attest to the fact that he is a great caller and we have become a friendlier club. Won't you come and dance with us? Just a reminder that our December dance with Sam Mitchell will be at the Garden State Plaza.

Mackay School, Jefferson Avenue

We were a happy dancing club in September with many of our friends and members with us. Hope to see all of you and many more at our post Thanksgiving Dance at the Reformed Church on the Hill, Lexington Avenue, Cresskill on November 24 with Bob Mitchell calling. Doc & Peg will be back with us - all their travelling and rambling over for 1972. Surprise refreshments this nite.

Remember we're still a fun dancing club, learning the new calls at a slower pace we get there. Our fall weekend is still a happy memory and for those who didn't yet make it with Jules Pozsar and the Tirrells, we are already making plans for a Spring Fling in May 5/6, so mark your calendars. Hal Holmes will call that one.

No dancing in December. Happy holidays from all of us at Circle 8's to all of you and a Great Year of Dancing in 1973. Why not make a New Year's Resolution to attend at least one dance at our club. You just might like it.

This issue YOUR SQUARE PINCUSHION will help with showing you a couple of finer touches that may prove helpful.

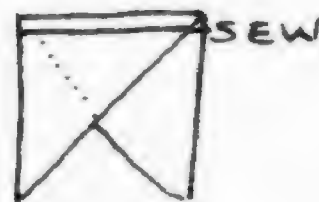

First, How to make perfect bias.....Bias trims lend themselves to a variety of uses, edging necklines and sleeves, hems, etc.

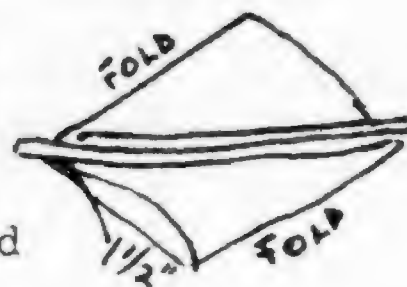

Cut your piece of fabric into a square. Fold on the bias and cut into 2 triangles.

Then match the top and bottom of the former square and stitch them together-sort of like Dutchman's breeches.

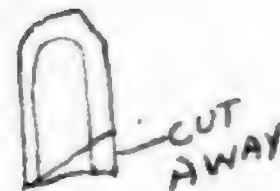

Now press seam open. Now form a tube by matching the straight-of-goods edges of the piece. Before you stitch them together, slip one edge so it extends 1 1/2" beyond the other edge. When edges are stitched, start cutting at one of the extended edges, cutting a continuous strip 1 1/2" wide.

a square of fabric 36" square yields about 24 yards of bias.

Second, How to add a pocket to your favorite skirt or dress.....

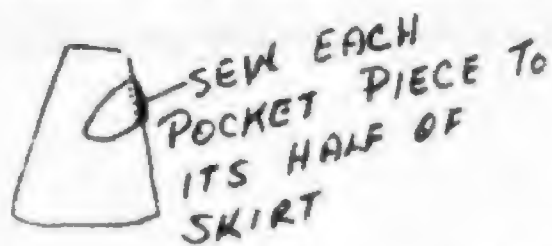

Trace around your hand, fingers all close together on a scrap of paper. Add an inch all around. Cut out this piece.

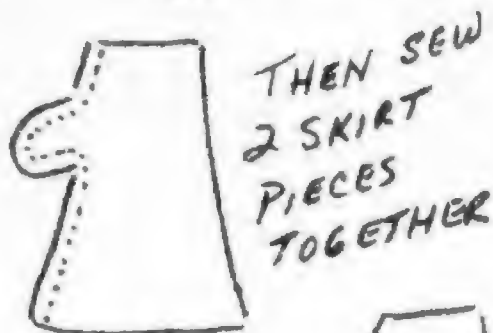

Measure down about 1 to 2" from one wrist edge. Draw a line diagonally to opposite side and cut away this wedge.

When cutting your skirt or dress cut out 2 pieces of this pocket pattern to match your fabric.

To assemble: Pin your pocket pieces to your skirt pieces, right sides together, placing them about 6" from waistline edge, with the higher edge of pocket near the top.

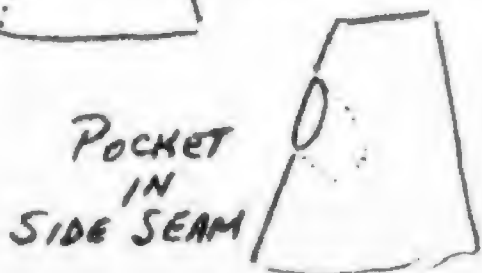

Sew your seam, incorporating the pocket seam as you do so.

Trim, notch and turn. Press flat.

The pocket can be added to the right or left seam, whichever you prefer. Pockets are handy and easy with a little practice. Try it.....

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursday

Hayloft - 901 First Avenue

After thumbing through the last issue and noting the various accolades given to club callers, I have a wrong to right and must, therefore, give our caller his due. This will be easy despite my not given to superlatives since high school. For our Roy Keleigh is special. Not only is he our caller, our director and our friend, he is of a rare breed of men who, having dreamt dreams, put them into effect. He was not content to just learn the square dance, he had to learn to teach it. His teaching expanded to round dancing and then he set about to finalize his dream. He built the Hayloft - the only real home for square dancing in these parts. His love for the activity and his consuming desire to have all and sundry learn to dance correctly plus his utter unselfishness has made Roy vulnerable in many areas as those of us close to Roy are well aware. I would be remiss if I did not mention his partner, Sylvia, who has been with him all the way. He's Roy - our caller and our friend, and, he is the most!

We had a successful Open House; we are going to once again partake of the excellent know-how of the Cali Hoe cooks at a Pot Luck Supper; and Al Brundage (trumpets and flourishes and a few hot licks!) is coming to town to do his thing November 18. The weather is so right this time of year - why don't you drive on down to the dance and sparkle with the season. Pax vobiscum! reporter - Muriel Osage 201-741-4665

We've started off the season well with our new class of beginners downstairs and five squares upstairs of Twilights. TEEN PROMENADERS -- Berkeley Heights, N.J.
every Sunday: 2-4 Little Flower Church, Plainfield Ave.

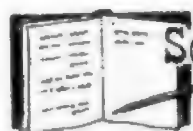

Hi! Well we are off to a great start. Our club has grown considerably with a lot of new members. Everyone is learning quite fast because this year we meet every Sunday. We also have 2 callers: Dick Lighthipe and Steve Potts. Our callers are great and we plan to finish lessons by the beginning of February so, you'll be seeing us at dances soon. If you have any questions, call Dave Sweet 232-1494, Mike Potts 276-3003 or myself.

SWIRLABOUTS -- Sparta, N.J.
every Sunday: 2-4 St. Mary's Church

In September we held our first meeting and were more than happy to learn that Hopatcong Squares wanted to combine with our club, so that now we think we have the (modestly of course) jolliest S/D club you've ever seen! Gosh, those Hopatconggers fairly raise a stamede! We also agreed to retain the name of Swirl-a-bouts as club name. We also came up with what we think is a really great bunch o'officers: Tom Osborn as Junior Leader with Margaret Osborn (newspaper) and Carole DeGroat as secretary-reporter. When next we meet with Hopatcong Squares we'll elect a president, etc. Classes are Sundays, with Mac Spaulding calling. For more information call Tom Osborn at 201-383-5806 or myself.

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.
Tuesday County Bldgs, Hanover Avenue

It was a short summer, but to start off the new s/d season we had a picnic at Ed Knight's. We danced, ate, and got into a lot of new business. Elections were held and the following people will serve for officers: We have Jeff Milesky for president; Dave Darling for VP; Debbie McVeigh is secretary/treasurer and I am reporter. We hope to be dancing 1 & 3 Tuesdays of each month, but more information is available from Mr. and Mrs. Kircher (334-4921). S/D classes will be held this fall so you might want to give Ed Knight a ring at 895-2559. Hope to see you dancing.

A little bird from Pennsylvania whispered in Catherine Suessmenn's ear that the LEISURE SQUARES were planning a testimonial dinner for the DeLeau's before that club's big Special Dick Jones dance. Bubbly Catherine got busy on the telephone herself, ably abetted by Paul Pullman. As result 28 people from this area travelled over a hundred miles to participate in this happy event. The letter which follows was written that night by Lou in the hospital after Hattie made a quick visit to him between dinner and dance time.....

an open letter to our friends.....

"Hattie and I were surprised to see so many old square dance friends up here in Stroudsburg, then to find out it was a dinner in our honor, well, it was just too much. You shouldn't have done it, you know, but we love it.

Because of poor foresight on my part I was in the Hospital but Hattie was there and she got enough kick out of everythin for both of us. I am almost afraid she may never be the same again. It was such a wonderful affair we will both cherish its memory always.

The gift was beautiful, so wonderful for so many friends, to give for so little cause that we both are just overwhelmed. We would like very much to meet and thank each and every one who participated in the affair in any way but we can't so I hope you will except this open letter as our very sincere thanks. God bless all of You.

Lou DeLeau"

* * * * * Time out for Thanksgiving * * * * *

From SQUARE DANCING, November '71 - "November is the perfect month to pause in our enjoyment of square dancing and extend a word of thanks to various members of our square dance family. Who, during this past year, has helped make your evenings at your club so enjoyable? When was the last time you took a moment to let them know you appreciate their efforts?.....A pause now for Thanks — giving it to others — will rebound to you and your club in the months ahead."

"Floor's a little slippery - isn't it!"

Inquiries have come in about contracts with visiting callers expressing concern of over-exposure of a caller in our area. Former 1st VP, Sol Koved, used this form..." The NNJSDA has contracted for your calling services _____. You hereby agree not to call a square dance in the Association area (NJ) within a 6 month period preceding this date. You will provide the PA equipment necessary for a large hall, the site to be selected at a future date. The fee for these services is to be _____ for the evening. If these terms are acceptable to you, please sign and return the enclosed duplicate of this letter. I agree to the above stated conditions of this contract....."

Cloverleafs sends out "This is to confirm our agreement with you to be our guest caller at Paramus Cloverleafs Square Dance Club on _____ at the stated fee of _____. The dance will be held at the _____. The dancing will begin at 8:30 and end approximately at 11:15. In order to insure maximum attendance at our dance, and to safeguard our financial position, our guest callers are requested not to accept other engagements * within 50 miles of the Bergen Mall in Paramus the 2 days prior to, or following our dances. We trust this will be acceptable to you." (Sometimes they substitute * 75 miles of the Bergen Mall the one night prior to, or following our dances.) Two copies are sent the caller, he is asked to initial one copy and return in the enclosed, self addressed, stamped envelope or to send a confirmation of "your own choice".
