Remember this old saw?
DINER: Waiter, what time is it?
WAITER: Sorry, you're not my table.
(Laughter)

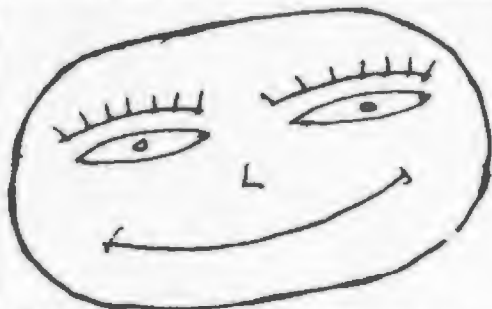

It's funny, of course, but underneath the humor lies a grain of truth. There are those amongst us who have similar reactions when asked to do something a bit out of the ordinary -- to take on an extra task -- to do just a little more.....

Which is very normal behavior. Square Dancers are humans, after all, and subject to all the frailties and shortcomings associated with the race since its beginning. Yet we've always thought of S/Ders as being different-- a tad above the norm-- people who are willing to go the extra mile.

All of which is leading up to two things: First, the Graduation season is in full swing (Over 1,000 once again!) and only by our good examples can we demonstrate how best to run our clubs. After all, it won't be too long before these newcomers will be stepping into positions of responsibility, all around our Association. And if we don't show them the good example, where else can they learn?

The other point is that, in many clubs and in the Association, it's Nominating Committee time once again. These dedicated people need your help and cooperation. If you are asked to serve, please give it your full consideration, and do so, if you possibly can. Otherwise, you may be depriving our beloved activity of the talent which all organizations must have, to remain viable. Actually, you don't even have to wait to be asked ---there's no law against volunteering!

GRADUATES!!! Your NNJSDA welcomes you to the Square Dance World. NNJSDA? What is this NNJSDA you keep reading/hearing about? Let us take a few minutes and explain just what IS this Northern New Jersey Square Dancers Association. (NNJSDA)

Founded in 1958 as a service organization, the NNJSDA is currently composed of 35 clubs with several membership applications pending. All dancers of member clubs are considered members of the NNJSDA.

The purpose of your Association is to promote square dancing in our geographical area. Briefly-this is done by providing publicity about s/ding and posters and leaflets promoting classes; basic booklets; diplomas; perfect attendance pins; packets of information for graduates; a FREELOADER dance program for new graduates; PATRON awards to encourage interclub visitation; GRAND SQUARE; leadership seminars; and delegate meetings which are a forum for interclub communication.

The three Sunday afternoon NNJSDA Delegate meetings are open to all. Much time is put into these meetings by the club delegates and Association officers to see that our activity runs as smoothly as possible. Member club representation averages about 90%. The officers meet a minimum of four other Sundays to carry out the directives of the Constitution and the delegates. No one ever receives any remuneration. In your graduation packet was a copy of your Association Constitution and By-Laws.

Club dues are minimal with the NNJSDA relying on income from its special dances and summer dance program to balance the budget.

Have you noticed this badge? It is a red New Jersey with the top part black (signifying northern New Jersey). The wearer is serving the NNJSDA as either a delegate or officer...the cross bar tells in what capacity the dancer is currently serving.

1st Friday

Bergen Mall Auditorium

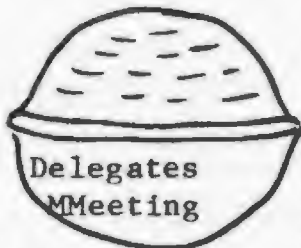

The Cloverleaves Board is pleased to invite everyone to dance to Jerry Schatzer at both our April & May dances. We are looking forward to seeing all of our old friends who have been looking for good callers and friendly people. Ed & Helen Hirsch have done a remarkable job in signing up the best callers available so that we could all enjoy a warm and friendly evening of good dancing. Doc & Peg Tirrell are on the rounds - and the combination is one that can't be beat.

So if you are looking for a hall with good acoustics, tremendous parking, air conditioning (when needed) and a good old fashioned atmosphere of foot tapping square dancing with lots of squares just waiting for you - mark the first Friday on your calendar and c'mon down and look us up.

"Here comes summer sounds, the summer sounds I love...." Well almost... now that March is here, can spring be far behind? Whew.!!, enough of that snow and ice business!

Do you remember February? That was the month when we celebrated Lincoln's & Washington's birthdays (By square dancing, of course). Have you ever wondered whether either of these famous men were involved in square dancing? : "Country dancing" incorporated stars, circles, right & lefts & cross-overs was popular in the earliest colonial days. In all probability George & Abe had at least some familiarity with the square dancing of their time. (Wonder how they would have made out at Colonial Squares.)

Is it a coincidence that more and more of our members are doing the "rounds" these days? Tom & Pat Cribbin are doing a fine job of cueing the rounds at our weekly Thursday nite dances. It is hard to believe that Tom & Pat are newcomers to r/d cueing! And isn't it great to see Betty Collins back on the s/d scene. We enjoyed having Betty cue a round for us at one of the February dances. One dance was held at the Cerebral Paisy Center near the lake in Roosevelt Park in Edison. Our far flung membership from PA, NY (& NJ, too) had to do a little map reading to find the way. What is there about the Colonial type of dancing that makes people keep coming out week after week in spite of the travel conditions, the weather and the press of other social obligations? Perhaps our members should be given badges that read "For heroism above and beyond the call of duty...." And how about Lee's driving to our dances from Wantagh, NY (and back home again) in spite of dire predictions from the weatherman. Our guess as to why people are willing to travel under all conditions to our dances is because of some sort of spell that Lee casts over our Colonial Squares people....? Or is it just that everyone just has a lot of fun at our dances....? reporters-Bob/Louise Benner 201-548-8594

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesdays Lincoln School, Crane Street

Welcome all Graduates everywhere into the wonderful world of Square Dancing. A special welcome to our own new dancers who have been excelling under the guidance of Prof. Dick Maddocks. They will be joining our club amid the usual fanfare and fun at our April Graduation special - which is free for ALL new Graduates, of course!

We were delighted to see so many dancers out at our Valentines Party. "Dan Cupid" Maddocks was in good form and we had such a good time indoors we forgot about the 14 ft. (!!) snow banks outdoors! Guest caller Ed Novak was warmly welcomed and enjoyed by all at our February special. Please keep in mind for the future our March special with John Sweeney calling and in April we dance to Charlie Kides.

In May we are holding our TENTH ANNIVERSARY DANCE which is the climax of this memorable year. It promises to be an extra special night so do plan to join us to help celebrate this gala occasion. Mark your calendar NOW so you won't forget!!! Once again - Congratulations Graduates - please come and dance with us often. We welcome all guests as it makes for.....Happy Dancing. reporters-Jeff/Jean Lovette 201-783-6587

Here we are, in the midst of blizzards, looking forward to springtime! Our first dance in '78 was accompanied by slippery, icy, cold weather which did not daunt our hardy, brave dancers. We had better than 11 sets, 2 of which were raiding Dancing Squares members. Our caller, Jim Marshall came all the way from Atlantic City (he was not sure he'd be able to get home again.) Fortunately, conditions did not worsen, though our lights failed a couple of times, and the dance went on. Our students have been out on a couple of raids and did exceptionally well. Their enthusiasm is most encouraging. Our February dance was attended by 12 plus squares, all of which proves that neither rain nor snow nor sleet, nor gloom of night will daunt the square dancer.

As of this writing we are looking to our International Pot Luck supper. We already have 70 persons signed up to bring all kinds of "vittles". It sure sounds yummy. Our Graduation Dance in April will again be open (and free) to all current graduates from all clubs. HERE'S TO BIGGER AND BETTER SQUARE DANCES! reporters - John/Margaret Martinez 201-688-0475

"Let It Snow" and "Baby, It's Cold Outside" seems to be very appropriate to describe the weather this winter. In fact, a snowstorm forced the cancellation of our Amateur Caller's Dance, much to our disappointment, because this annual affair is always a lot of fun. However, in Jan. everyone was very warm and friendly inside the covered bridge when we were raided by the "Flutterwheels", a newly formed club from West Milford. Coming up soon are other special dances including Graduation in April, and Badge Night and Gourmet Night in May. We invite all, including our new graduates, to come and dance with us. We feature a good selection of guest callers and our regular round dance cuer Elly Tout.

Because of other commitments, our Presidents, Al & Jan Ahearn were unable to continue in office. Our thanks to them for the time and support they gave to our club. Our First VP, Roger & Fran Lund, have assumed the presidency and have appointed Norris & Clara Ember to the office of VP. We wish both couples good luck in their new duties.

Bob Kellogg's large class is doing very well as indicated by the dancing at our Christmas Party. The large group had a great time. Club members each brought gifts for children and the resultant automobile load of gifts was donated to an orphanage. The New Years Dance was a sellout attended by more than 16 squares. The food and dancing was enjoyed by all.

Our last raid drew nine couples as our Raid Chairmen Mickey & Rosemary Biggs continue to do an outstanding job. Despite the flu and the weather our attendance is still running well ahead of previous years. One dance was cancelled due to weather and many of us got a little rusty without enough dancing, but everyone seems to have caught up now.

GARDEN STATE SQUARE DANCE CAMPERS

We held our annual dinner dance reunion the last Sunday in January at the Brownstone in Paterson with Bob Mitchell calling squares and Jean Elrod cueing the rounds. Excellent food and dancing was enjoyed by a large and happy crowd. Our new slate of officers were installed, with the Blanchards returning as Presidents. We've made plans for six campouts this year in the tri-state area. With more active participation by all members to run these fun weekends, they'll be plenty of time for fun for all. 1 & 3 Saturdays Brooklawn Jr. High; Beechwood Road & Route 202

We open on a sad note this issue - we were saddened to hear of the death of Bill Keller, a Grand Prowlers' past president. We extend our condolences to his wife, Dot and family.

FLASH! GRAND PROWLERS are alive and well and still dancing. If you missed us in the last issue of GRAND SQUARE, let's blame it on Christmas. Your reporters were, it's true, a few days (Ed. note - 8 days!) late with this copy. That plus the rush of Christmas mail equalled one embarrassed club left out of the last issue.

Now we're back to report we've had a series of great dances in '78 with more to come. Join us this spring. How nice it will be to park easily and walk confidently to a dance - no snowbanks or ice patches! Please check the "Date Book" in this issue to mark your own calendar. We are having two big specials in April and May. Our annual dinner dance will also be an April event at the Brownstone House in Paterson. For info call Bud & Bernice Lawson at 201-584-5733. Please join us at any or all of our wonderful dances, whether special or regular. You'll love it! And remember, fellow travellers, we're just a stone's throw from Route 80.

By the time you read this, the worst part of the winter will be behind us, but neither the snow nor sleet nor lowered thermostats has cooled down our members this winter. Disregarding the weather they have shown their love for s/ding by their support and attendance. Now that the worst part is behind us, let's have bigger crowds than ever at our remaining dances in '78. Our class is coming along great and as usual, Dick Maddocks has done a fantastic job. I'm sure all of the class is looking forward to graduation, and I'm sure all of our members will be friendly and helpful when the graduates join us at our dances. Our congratulations go to all and it's been a pleasure being with you during your Monday night fun sessions.

In the coming months we have some terrific callers for your pleasure, such as, Will Larsen, Jerry Schatzer, and Frannie Heintz, so keep those Friday nights open and come join us for a good time. See our ad on p. 15 for specific dates. If I can keep Audrey awake long enough, we'll be looking forward to squaring up with you at the dances. BOOSTER TAG monies due in now to NNJSDA TREASURERS...

Nina & Gene Borrelli

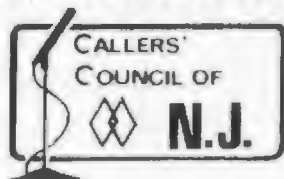

153 Sixth Avenue, Staten Island, N.Y. 10303

thank you!

Do you recognize these???

1. Perfect attendance pin. It is awarded at graduation time to graduates with perfect class attendance. Class administrators keep the records.
2. Freeloader dangle may be earned by 1978 graduates who attend 8 of the 10 summer dances sponsored by the NNJSDA. Attendance is recorded on a special Freeloader Card, which is included in every graduation packet. Dangles will be awarded this year at the August 30th dance. Besides earning the dangle, the dancer is entitled to free admission to all Association dances for the ensuing year, except the Mini-Festival.
3. To become a PATRON, a dancer must dance at 26 NNJSDA clubs as stated in section 12 of By-laws - on their regular scheduled night and dance to their regular caller (if they have one). Patron's cards were included in the graduation packet and are also available from any officer. There is no time limit. It is awarded at Association dances.
4. LUST stands for Let Us Speak Together - the NNJSDA leadership seminar usually held in mid-September. This day long session is planned to help newly elected officers, and other interested dancers, better understand the working of a S/D club. An attempt is made to cover all aspects of the club picture with lots of discussion and question and answer time.
5. GRAND SQUARE BOOSTER TAG time is last half of January thru February. Any club/class member may become a booster by contributing \$1.00 (teens 50¢) per tag which is worn to all dances during the six week period. Between advertising revenue and Booster Tag support GRAND SQUARE manages to operate in the black.

People wearing this badge are members of the CALLERS COUNCIL of NEW JERSEY (CCNJ). Organized in 1974, it is a state-wide, non-profit corporation of professional Square Dance callers. Its purpose - to encourage and promote interest in modern s/ding; increase the knowledge

and improve techniques of members; standardize teaching methods; promote development of proficient callers and teachers. It meets monthly. Current president is Art Seele 1901 West High St., Haddon Heights, NJ 08035.

Northern New Jersey Round Dance Leaders Council (NNJRDLC) members wear this badge. Formulated in 1965, the Council meets quarterly to exchange information, plan specials, and select Rounds of the Month (ROM's). The NNJSDA Liaison is an active member of the NNJRDLC. Current moderators are Frank & Shirley Bellotti 185 Wooley Avenue, Staten Island, NY 10314.

We've noticed more weddings and reception feature square & round dancing. At a recent dance were 3 couples in their wedding finery...newly-weds PAM & JACK TOMCHICK; SILA DELL'ANGELO in her dress designed by Marie Bechter which was worn long for the wedding and then the bottom tier which was attached with velcro was easily removed and became a lovely s/d dress for the reception; and HELEN & AL ROSA, our Association Corresponding Secretaries.

We were sorry to have to cancel two dances but apparently the "THINK SNOW" bumper stickers have been effective. However, we made up for it with a great St. Valentine's Day Famous-Duo dance called by Dick Jones.

Our square dance class, taught by Andre Brillaud, is doing very well and will graduate in May. A "Graduates Dance" to be held the third Monday in May will be free to all new graduates. Hi Taws wishes to extend congratulations to the new square dancers and welcome you to our weekly dances. Our ad on page 52 in this issue will advise of date and caller. We do have fun. reporters - Don/Joan Mullady 201-768-4986

Some changes are taking place at Hix & Chix - such as Bob & Lynne Gordon trading off with Elly Tout on rounds. Dancing from 8 PM to 10:30 pm instead of 8:15. As costs go up we find it necessary to ask an additional 25¢ per person donation. Take note all you NEW dancers. We dance every Thursday, all year with air-conditioning in the summer. Looking forward to seeing the new graduates.

In January we staged a raid on Swingin' Stars. It was declared successful in spite of the bad weather. What they feared would be a not too well attended dance turned out to be well attended and a great night. Thanks to "Artie" and your Swingin' Stars.

Community Church, 345 Guyon Avenue

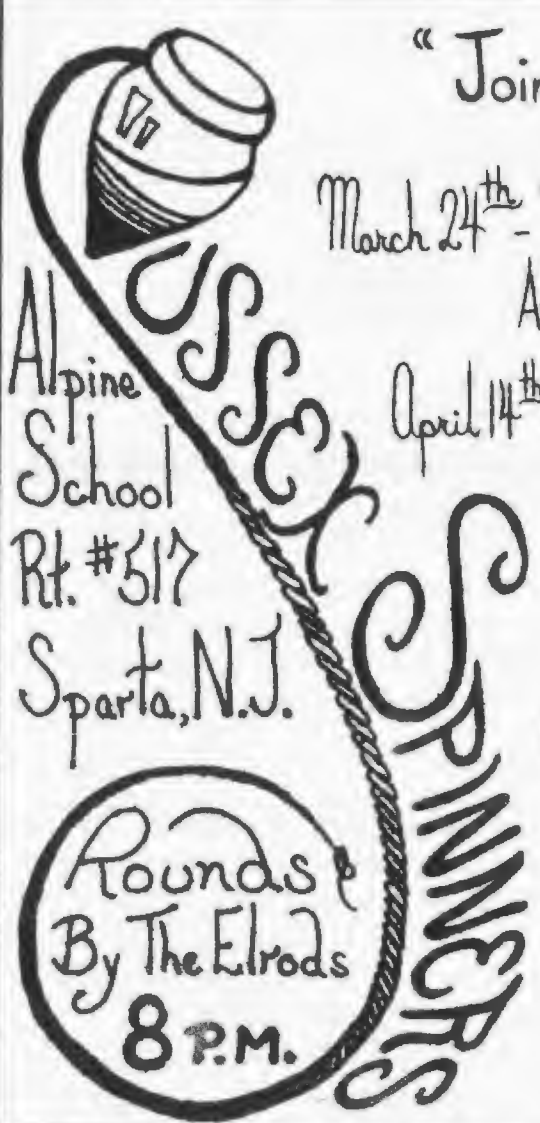

We want to congratulate all the graduates everywhere, but this year, especially our own. We have some really fine dancers graduating. The task of both the students and the teacher is not always easy. Our teacher Marty Clifford is getting a truly well-deserved reputation of being a most effective and patient teacher.

There are probably no statistics to prove it but I'll wager that during the winter of '78 there were more dances cancelled because of weather than any year in the past. After a winter like this one I'm sure we'll enjoy the best of springs starting with our gala Graduation dance on the fourth Wednesday in March with Marty calling. It's open to all square dancers and there will be plenty of good dancing and food. This will be followed by a Glenn Cooke dance and then a John Briar dance so come on out everyone and square up.

Kings Squares, Brooklyn's first S/D club will be graduating almost 8 squares of beginners in April (see ad p. 3). Muriel & Bill Goldberg and Judy & Mike Poretsky, our class chairmen are very proud of the way the class has developed. The real credit for this goes to Frank Riviccio, our class caller who has done an outstanding job.

On a Sunday in January, Kings Squares was honored to be an official part of the inauguration festivities for Brooklyn's Borough President Howard Golden. Once again, Gussie Seidenberg is responsible for putting Kings Squares where the action is. We are looking to many more enjoyable dances during the balance of this season including our Annual Fun Badge Night. We hope to see you soon, at your club and ours.

Sussex County is a beautiful place to behold in its white wintery finery. Very seldom are any of our dances cancelled but Ole Man Winter overdid the ice trim on the white finery for our second January dance. However, we made up the fun at our next Dance which was the Presidents' Ball. We had almost three squares of visiting Club Presidents including our Association Presidents - Fay & Jim Bates. All were introduced individually and given a momento of their visit out here. Our appreciation is again extended to all of them for making the trip and contributing to an enjoyable evening. May we see more Presidents and Friends at next year's Ball! Unfortunately, Fay & Jim were unable to enjoy the fun dancing - a bad shoulder for Paw and a bad knee for his Tow. However, they were able to lead our short March from the Dance Floor to the Cafeteria where delicious refreshments and a beautifully decorated "Red Chocolate" Cake awaited dance-whetted appetites. The cake was made by a talented non-dancer friend of our ex-presidents Dot & George Culver.

This year we are happy to announce we will have a Graduating Class. It may not be large but it is well-trained and enthusiastic. (There may not be many residents out here but our group is a good representative percentage.) After your Classes graduate, come dance with us. You will enjoy the ride out here as the weather improves and you will always enjoy our dances. Rumor has it that Coretta Redding has the Lennox Company worried! The beautiful ceramic swans she made for everyone at our New Years party are truly Lennox quality.

We were joined at our first February dance by our class, Al Kawsler's class and the Country Promenaders' class. All of the students danced well and we had WALL-TO-WALL good fun. Mildred & Ron Nitzsche, NNJSDA VP, joined us for our class lesson the following evening. They were handed their wings as they walked in the door - and worked as angels all evening. (Thanks for your help, VIPs and welcome back anytime.)

Sol Koved has been giving us indications of a possible desire to become a s/d caller. Just as soon as the music starts and before the caller gets a chance to begin - he calls out with predictable regularity "Yellow Rock!" What else could it mean? We are delighted to report that Barbara Samsøe has shed her cast and Louise Benner continues to mend. We hope they both will be back in our midst soon - and we promise to HANDLE WITH CARE.

Bill Chamberlin, Al Kaesler, Joe Landi, Mike Foley and Rob Bissey will be our callers for the remainder of the season. See our ad on page 9 for the schedule. reporters - Bobby/Bernie Garfinkel 201-381-8742

Our "Snow Ball Dance" was two weeks late - reason - cancelled because of SNOW! We liked the Maschins' snowmen better than "Mother Natures".

We are all looking forward to dancing with our Class Members at our Valentine Dance in February. Congratulations to all the new graduates and graduates-to-be. We cordially invite you to come & square up with us.

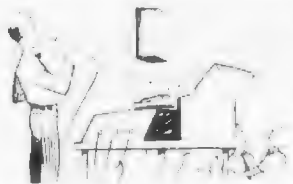

"THE BELLS ARE RINGING" for all the Merri-8's and their friends. Come help us celebrate our 20th Anniversary at our school in May with Glenn Cooke calling squares and the Bellotti's on the rounds. It's sure to be a special event for you and for us. (see our ad on page 11.)

TWO-FOR-ONE - everyone loves a bargain. What more could we offer but two guest callers - Mike Foley and Rob Bissey.-in one evening, for good dancing also in May. Everyone that attended our Mystery Bus Ride to Wilkes Barre, PA couldn't say enough about the great time they had and the hospitality of the Circle Eighters from PA. Andrea & Norman Smeal were responsible for all the planning. They only arrived at 9 because of the snow on the mountain roads, but Carl Hanks called until 11:30 so that made the long ride worthwhile. Thirty-nine attended.

RAIDS - Square Dance style - are a lot of fun in northern New Jersey. Usually sixteen or more badge wearing members from the raiding club must attend for the visitors to legally declare, "It's a RAID", and claim their privilege of pinning the banner. Quite often the visitors pin the banner with a special dated club badge while a few leave behind a miniature of their own club banner. As one travels around

the northern New Jersey area take time and observe the various club banners and note the evidence of raids. Frequently clubs award its members who've gone on a predetermined number of raids a special dangle (Staten Square Set's is a mask - how many more can you discover?). Congeniality has always been the main purpose of NNJ raids with meeting and dancing with old and new friends the reason for their popularity.

The financial assistance a raid provides to a club can also help keep it in the black. With this in mind, at the last delegates meeting, the following resolution was unanimously passed by the delegates present.... "clubs of the association that are experiencing financial problems may register with the association for the purpose of making other clubs aware of their plight so they may encourage their members to raid these clubs."

The following clubs have registered with the NNJSDA Recording Secretary-

2 & 4 Fridays

Community Park School, Witherspoon Street

This winter has certainly been a tough one, hasn't it? We've all managed to dig out from under though and have spent some very enjoyable evenings dancing with all of our friends. In January, our Bill Dann dance was the night of the ice storm. Bill couldn't get to us, but our good friend and neighbor, Bruce Busch, called and saved the day. We closed out January with our own Steve Kopman calling a nice dance.

In February we enjoyed a fun dance called by Bob Gambell. At this writing, we are looking forward to dancing to Steve in February and March. Due to Easter coming early this year, we will only have one dance in March. The rest of our schedule includes one dance each with Bruce Busch & Kerry Stutzman, and two dances with Steve Kopman.

Our second April dance with Steve will be an Open House for all new dancers. Welcome to the Princeton Squares! We want to congratulate all the new class "graduates" and wish you many years of enjoyable dancing. We urge you to keep up with your dancing and learning over the summer months. All experienced dancers will tell you that "graduation" is not a goal but only a milepost along the way. There is a great deal yet for you to learn and solidify into your s/d repertoire. Dance as much as you can and enjoy!

Well, January came, and time for the changing of the guard. The club thanks Joe & Laura Fletcher and Jack & Ann Pope, our departing presidents and treasurers, for a job very well done; while we welcome the new presidents, Les & Dot Manuel, & treasurers Ann & John Natalo. Our VPs Frank & Eleanor Malfet and secretaries Murph & Margo Outslay, have graciously consented to remain in office for a second term.

It's almost graduation time again, and our class is ready and eager. They have been attending the class level dances that are being held for them, and are really starting to spread their wings. We've been at some of their classes, and have seen the wonderful progress they've made.

We've been having some great dances, with good turnouts, except for our January dance with Jerry Schatzer. We ended up with 3 and 3/4 squares, which was pretty good, considering we had over a foot of snow. We would have had two more couple if Joe & Alice Jamin hadn't smashed their car on the way to the dance. We're really sorry about that.

Our best wishes to Charlie Pitts for a speedy recovery. We have all missed Charlie & Carol at our affairs, and sincerely hope they'll be back dancing with us again real soon.

CONGRATULATIONS!!! to all our area Square Dance graduates and a hearty **WELCOME** to the wonderful world of Square Dancing. You have just spent many weeks with your class, teacher, and possibly some angels from your sponsoring club and have earned your diploma. Now it is time to promenade about northern New Jersey and meet others who enjoy the same recreation.

You will find there are many clubs in the area - many of whom are holding special open house dances or graduate balls in your honor. Attend as many as possible - you'll make many new friends. But no matter where you roam, never forget your mother club and those who worked so hard to help you master the Mainstream calls. Loyalty may be thought of as **SQUARE**, but you **ARE** square - with a badge to prove it! Remember like any newly acquired skill, square dancing grows rusty thru disuse. It is only thru active participation one really will begin to reap the rewards of fun and friendship square dancing offers....whether here or abroad. Dance as much as you can this summer, especially at your club dances and the Association summer dances. Become active in bettering your club by giving of yourself when asked. And when next years classes are forming, bring your friends, or become angels. See you on the dance floor.....

At practically every dance there is some place for flyers announcing other dances. It is the dancers responsibility to take those of special interest and keep their own calendar.

There are many other area publications - similar to GRAND SQUARE - all keeping the dancers informed. Your editors exchange issues with many areas. If you are planning to travel and would like to borrow a copy contact the Tirrells. Also contact CROWD (page 45) for info on places to dance away from home. No matter where you roam, pack S/D togs, your club badge and take along several copies of GRAND SQUARE to exchange.

Here are subscription blanks to 2 excellent National Magazines that are chockerblock full of articles of interest to all. Since New England is just next door, we are including the NEW ENGLAND CALLER. There is no better way of keeping posted on square dancing New England way.

1 & 3 Fridays REELERS -- Ironia, N.J.
Elementary School, Dover-Chester Road, Rt. 513

For many of us the winter of '78 caused many an interruption in our square dancing dates (among so many other things). Oh Spring, you surely will be welcome this year!

A most pleasant reprieve in this hard winter was enjoyed by all at our fourth annual dinner dance held at the Adam Todd Inn in early March. A complete roast beef or flounder dinner was the fare, and we whirled to the swinging calls of Jim Adams and the Pennies. Our dancing presidents Jim and Althea, on the way home from New York, stopped for a quick chat and visit with Ev & Jim Adams at their Pennsylvania home. Ev is recuperating nicely, and we all wish her a very quick return to the dance floor. Caller Jim has done such a great job with the Reelers this year.- many thanks Jim.

The club is looking forward to graduating our 19 new couples sometime in April. Pat Zweibel tells us that despite the weather, Wilson is moving the class at good speed and we shall enjoy their company comes spring. Happy graduation to the many North Jersey couples that will be joining us in '78.

St. John's Lutheran Church, 663 Manor Road

We thank all of you who braved the winter storms to attend our recent dances. Everyone who made it to the January dance was rewarded with a free-dance pass to show our appreciation. Now we look forward to our late winter, early spring lineup of dances, especially our famous Pot Luck Supper in April. Reservations are definitely necessary (Ron/Natalie Sullivan 212-448-9041) as we have limited seating capacity. If you can't make dinner, join us for our regular dance at 8:30 with Marty Clifford. We've just held dances with Jim Marshall and "Big Daddy" Jim Cargill. Our class is progressing well under Marty Clifford's instructions and we plan to bring them to the Graduates Ball in April. Hope we see you there, or at one of our dances.

We mourn the sudden death of Tony Palladino, a friend of many Richmond Dancers and a member of Isle Squares and Ocean Waves. Our thoughts and prayers are with Fran and her family.

1 & 3 Saturdays

Lincoln Avenue School

The fact that GRAND SQUARE dedicates a special issue to honor new graduates, is indicative of the high esteem in which those who are qualified to know hold these upcoming fledglings upon whose shoulders the responsibility for the future of Square Dancing depends.

Traditional square-dance courtesy will be extended by many with smiling faces and friendly, helping hands as they cross the threshold from class to club level dancing. At See Saws, everyone feels it incumbent upon him to do his utmost to see that the newcomers are made to feel welcome and at ease. Your reporters know that our most capable, considerate, and conscientious officers, caller, and cuer will be ever on the alert to see that the new graduates are made to feel comfortable.

Let it strike all graduates like a bolt out of the blue as they fully realize the pleasures of the wonderful world of Square Dancing where they will meet some of the nicest people in the world.

Our caller, Jules Pozsar, was most fortunate in preparing his students for graduation in that he had the loyal cooperation of the following angels: David & Adele Weiss, Ed Howe, David Gurowsky, Walt & Berta Moffat, and our treasurers John & Rita Stankevich.

The Macleod's daughter, Wanda, has taken a trip to Scotland and Bob & Dot Kuchar have returned from Hawaii. Saul Leavitt has returned home after having spent four weeks in the hospital where he underwent triple bypass, open-heart surgery. We all wish him well.

We were heart-broken that we had to cancel our January Class Level Special at the last minute, Many dancers and students were looking forward to it and we apologize to those who didn't hear about the cancellation in time. Visit us instead in May. See our ad on page 58. This dance is FREE to all new graduates. We look forward to meeting you all.

Solitaires is a club run by and designed especially for single square dancers. Our members include singles from 18 to 80 who live throughout northern New Jersey and parts of New York State. We dance for the fun of it and always have a terrific time. Apparently some married dancers have noticed what a good time we have because several couples regularly come out to dance with us. Please come and find out for yourself.

2 & 4 TUESDAYS

Cedar Hill School, Peachtree Road

We hope no one was confused by the gremlin who transposed TUESDAY into Saturday in the masthead of this column last time. Our dance nights remain the traditional Tuesdays. Our caller, Carl Hanks, puts together some remarkable and interesting choreography at the Mainstream Plus 2 level. A important Tuesday on our calendar is in April when Ed Fraidenburg will be our guest caller. (See our ad on page 49.) Anyone who did come to our school on the 2nd & 4th Saturdays was not disappointed, because our good friend and class instructor, Bob Tarrant, has been independently staging dances there at the Mainstream Plus 2 Levels, including some Advanced calls. (Ed. note. Sorry about that - sometimes this typewriter has a mind all its own.)

Congratulations and best wishes to Jean Braly and Geoff Kimak, who recently announced their engagement. Hawaii is attracting more of our vacationing members. In February Dorothy & Mike Reardon and Mary & Dick Whitt joined Carl Hanks on his two week junket there.

Muriel and Ralph Williams have been ingeniously decorating our dance hall this season. We especially enjoyed their picture puzzle posters which decoded into familiar square dance calls. Virginia Kenney is back, dancing better than ever on her heeled foot. Is it really true that Ed drew all the Plus 2 diagrams on her cast to keep her thinking about square dancing?

STATEN SQUARE SET -- Eltingville, Staten Island, N.Y.

1 & 3 Saturdays

Holy Child Forum, Amboy Road & Arden Avenue

In a half hour candle light ceremony, Staten Square Set welcomed its VIP's - our graduates into the club. I danced with several of them back in December and again tonight. In comparison our new dancers have certainly made a vast improvement in their confidence level. Congratulations to each of you. You have danced with the same group for some 26 weeks now, and have attained a degree of relaxation and friendliness towards them, but it need not stop there. You can achieve that same degree of confidence - and even more, by traveling to other clubs specifically to dance to other callers and meet new square dancing friends. As a club member, it is your obligation to LIVE our club motto - "We dance for fun and friendship." Take advantage of all your club and the NNJSDA can do for you. Attend the club sponsored mystery visits and earn your Mystery Badge. Attend the Association's summer dances, geared specifically to the recent graduate, and earn your FREELoader badge.

An extremely important aspect of having fun is to support your club. I am not referring merely to attending the club dances, I mean be willing to join committees. Plan an evening for the club - What theme would you like to have? Devote time to the kitchen committee. Write an article for the "Staten Chatter". Learn the rich history and traditions of the club, then practice it. What is the significance of the Mystery Badge, the Lucarini Award, the 3 in a row heart, the Blue Jay Award, Big Top?

A club is only as good as its members. Become an integral part of it. Staten has been dancing as a club for over 29 years. Only with your help can we make it another 29.

We are indeed fortunate to have our own Jumpin Jersey Jester Manny Amor calling squares and Ron & Ree Rumble cueing rounds. Won't you join us for an evening of fun and friendship?

2 & 4 Fridays

Alpine School, Andover Road

Hello and Happy dancing. Our New Years Eve Party and Dance was a wonderful success, with 20 squares dancing to the calling of Gloria Roth and the rounds being called by the Elrods. To our Presidents, Paul & Marie Henaby, and their committee, a big "Thanks" for such a wonderful evening.

Our first dance in January was stormed out, but our second was Wacky Badge Night with Bob Mitchell. We were raided by a new club, the West Milford Flutterwheels. If any member of the club wishes to raid a club, contact Dick & Joan Aimone, our Raid Chairmen. Congratulations to Norman & Audrey Bolin who have earned their Century Badges; and to Don Bolin who earned his Good Guy Badge. Don has just enlisted in the Navy so we wish him Good Luck.

Graduation will be in April, still at Alpine School. The theme will be "Red Hot Spinning Tops". Our caller instructor, John Kaltenthaler, along with our 2nd VP in charge of the class assisted by the Bolins, Angels, and Good Guys have done a wonderful job with the class of 21 students. Come to the graduation - admission free.

Reservations for the Presidents Ball are coming in very well at the time of this writing, as reported by Ron & Judy Layton, Chairpersons. Watch for flyers of our coming dances and callers. (see ad on page 16) A special watch for our 10th anniversary dance coming up. Thanks to our presidents, Paul & Marie Henaby and their committees and all who helped the success of our club. P.S. Paul Hartman, caller for our President's Ball was highlighted as Caller of the Month in Square Dancing Magazine. Look forward to Seeing you at our dances.

SWINGIN' STARS -- Maywood, N.J.

2nd Saturday

Maywood Avenue School

What is this "bug" that affects square dancers? It was the worst snow storm to date this season - neither snow nor sleet, etc. could stop these dancers from their appointed rounds, or squares. In January we were raided by Hix & Chix and Hanover Squares who defied the elements to dance with us. Give them snowshoe badges for courage.

Thanks should go to Stanley Nemeth, our booster and custodian of the Maywood School, who manned the snow shovel all day to clear the parking lot for us.

Soon, will be the season for graduates. Our doors are open to you. What better way to inaugurate your new life than by dancing with us. "Dance every second" is our sign. reporter-Evelyn Olsen 201-768-7446

TENAFLY SQUARES -- Demarest, N.J.

2nd Friday

Baptist Church, 563 Piermont Road

Friday the thirteenth was not a lucky day for TENAFLY SQUARES! A black cat badge dance had been planned, with special refreshments. However, two days before the date, the weather person predicted possible snow or freezing rain. By noon on the thirteenth, we knew that only the hardiest of square dancers would be able to battle what was in store for that night. Telephone calls were made to all who could be reached, and we reluctantly cancelled the dance. If anyone reached the church and found it dark, we are sorry that you didn't hear about the cancellation. We called all who we thought might attend. Both our regular caller/cuer couldn't make our February dance, but sent excellent replacements with Stan Zaczowski and Bob & Lynne Gordon calling/cueing. That plus a raid by Stan's Patriotic Squares made it a heart warming night for all.

You will have another chance to earn the Black Cat badge in October. Be sure to reserve that date. But don't wait that long to dance with us. There are still two more dances before we rest for the summer. The May dance is our pot-luck supper, which should not be missed. It's open to anyone who brings a dish, food or a dessert. Hungry square dancers are welcome. Meanwhile, to work up an appetite, come dance with us. Mainstream dancing with Bob Mitchell and round with Doc & Peg Tirrell. Having survived the storms and snows of winter, we are all looking forward to a happy spring of dancing. Our New Years Eve party was, as ever, a joyous occasion thanks to Peg Tirrell for the arrangements, Doc for the rounds, Fred Wiener for the squares and the ladies for the food. But our real feast of the year was the Pot Luck Dinner in February - Jody Bromberg sent the class; the food was super; spirits were high (non alcoholic); and Marty Clifford called a most enjoyable dance. Too bad we were snowed out for his January date.

The goodies ahead include Bruce Busch on St. Patty's Day at Bryan School; Jim Marshall at the Baptist Church in Demarest in April and in May Chip Hendrickson and his merry band will be at the Northern Valley Regional High in Demarest for the fiddlers dance. (see our ad on page 22)

So join us on the third Friday of each month - Doc & Peg Tirrell teach the ROM at 8 PM; we square up at 8:30 and there are rounds by Doc & folk dances courtesy of Jody Bromberg between tips. See you there.

To our graduates - CONGRATULATIONS - now the fun really starts! We hope to meet and dance with all of you at the Graduation Dance in April. Keep in mind now that like any other newly acquired skill, square dancing can grow rusty with disuse, so dance as often as possible.

We've had a fun-filled Winter season, and to Bob & Jean Kellogg, your new Grads thank you, and your "old Grads" thank you for another job well done, with special mention to those "angels" who so faithfully came out Tuesday nights to assist the new class. Also, to our Graduates, no matter what club you may decide to join - think of it in terms of banking - if you put effort into your club, you will draw many "dividends" in return, so now enjoy yourselves.

and MONEY.

Our first hint comes from Elinor Gurgo from 'Dancing Squares' and her suggestion will save you money by recycling your convention dress, and most successfully I might add.

This was accomplished by removing all the red and white striped portions from your dress very carefully. Underneath will be blue just like the basic part of your dress. Add rows of wide embroidered banding and your dress will have an entirely new look.... The spaces could also be refilled with contrasting and/or complimentary prints or checks. If you plan to replace by using fabric, then extra care must be taken in removing your pieces so that they could serve as a pattern. The wide band on the skirt should be no problem, but be careful not to stretch the bodice insert, and be sure to follow the grain lines when cutting its replacement or it won't lay nice and flat. Banding would be easier and give a more delicate look. Maybe this will give you the start of some ideas of your own.....

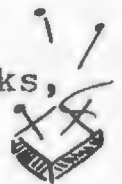

and now a suggestion to save you time.

There are available some fabrics with calico or Far Eastern overtones in cottons and cotton blends, fabrics that are already smocked, or tiered, or with a deep flounce added. You purchase these by the inch (waistline measure plus seam allowance). Some have additional matching or co-ordinating yardage available. Some give sleeve lengths when you purchase your dress or skirt piece. These pieces require only the closing of the seam, adding straps, sleeves. or what have you depending on the outcome. This could possibly be added to a bodice you're ready to rediscover, add the skirt and new sleeves and WOW! another new look in not too much time. (and the scraps could make a matching tie or appliques for hubby's shirt so he'd be co-ordinated, too.)

Check your favorite fabric shops and pattern books, for what's new?- you may be surprised.

C
CALLERLAB
N
NNJSDA

After much discussion CALLERLAB has recommended a BASIC PROGRAM of calls for teaching square dancing. Divided into several groups, the program is progressive with classes moving from program to program as they increase in knowledge and proficiency - sort of like grammar school grade

CCNJ has adopted a similar program with slight variations in teaching sequence. Most classes cover the BASIC PROGRAM in the first half of their lessons. The last half is usually devoted to the EXTENDED BASIC PROGRAM and the MAINSTREAM PROGRAM. Workshops after graduation generally cover the EXPERIMENTALS (EXP).

What are the EXPERIMENTALS? CALLERLAB has a Quarterly Selection Committee whose main job is to sift thru new and old calls and recommend one or two as workshop material for MAINSTREAM dancers. Their selections are widely publicized and most callers for that particular three month period workshop this recommended material so that the dancer begins to react automatically to the call. Several times CALLERLAB has recommended no new movements, suggesting instead that callers chose material appropriate for their own groups for workshop. The Next quarterly experimental selection will be for April, May & June.

Where does your club fit in this picture? It has been STRONGLY suggested clubs read thru the listings, consult with their club caller (if they have one), and decide where in the program they fit. Then LIMIT the calls to this level. If your dance is advertised as MAINSTREAM, do not use calls from the Plus I, Plus II programs, etc. (Experimentals should be used during workshop.)

In addition many calls can and should be used from more than one position. Standard Position is taught first, with others added afterwards. The CALLERLAB ALL POSITION CONCEPT, which is an option for MAINSTREAM and MAINSTREAM PLUS dancing is considered automatic for ADVANCED LEVEL. This does not mean a dancer must be an All Position Dancer to begin learning the ADVANCED LEVEL program, but as the dancers progress within the Advanced Program they are expected to become comfortable with All Position Dancing.

The recommended list for the BASIC PROGRAM (calls 1-38); EXTENDED BASIC PROGRAM (calls 1-54); and MAINSTREAM PROGRAM (calls 1-68) was published in GRAND SQUARE Winter '77 and was mimeod and made available to all clubs by CCNJ. Recently CCNJ printed and distributed to all clubs definitions and descriptions of Callerlab's EXPERIMENTAL MOVEMENTS (EXP), MAINSTREAM PLUS I Basics, and MAINSTREAM PLUS 2 Basics.

For next fall's roster, and annually thereafter, clubs will be asked to publish the level of their club dances. This information will be listed in the NNJSDA Roster, as well as elsewhere in GRAND SQUARE for all dancers to know at what level to expect at that clubs' dances. It is suggested clubs include this information on their flyers. Just a reminder - this in not a one person decision - it is a club/caller decision which should be adhered to faithfully.

By now many of you know we'll be leaving for an overseas job for several years as of the end of March. We're looking forward to an interesting time ahead for us, but really are sorry to be leaving the very enthusiastic square and round dancing activity in NNJ. The Callers, Cuers, and Activity Leaders here are some of the best --- of course you all know that. It's just that, in leaving NNJ, we have a chance to reflect on just how lucky we have been to have had a chance to participate in it.

One of the events we'll miss is the RDLC's upcoming Spring Round Dance Party on April 30. The RDLC dances are always a great dance session and, after this past winter, this one, in particular will be a good one. Have a good time!

The ROM selections for Feb./Mar./April (We're reporting the Feb./Mar ROMs just so you'll know what you've learned,) are: Square Dancer's ROMS-Wildflowers/Take It Easy Polka/Love Makes the World Go Round; Round Dancer's ROMs- The Music Played/Hey, Jealous Lover/Wall Street Rag; Intermediate ROM Butterfly (a classic).

CLOUD 9-ers - Tuesdays

Blairstown, NJ

We plan to work on the "new top ten classics" in our spring program. If you have a free Tuesday, come join the fun. Visitors always welcome. ATTENTION: We'll again have Summer Rounds. Plan ahead now! Also, our basics class has reached the point where we'd welcome dancers who'd like to "brush up". For info call

Elrods 201-637-4296

DANCE-A-ROUNDS - Tuesdays

Staten Island, NY

The learning dancers in both of the basics classes are doing great! In the not too distant future they'll be graduating into regular clubs. We will welcome them as we're sure other dance clubs will. For information call

Bellottis 212-448-6132

DANCING SHADOWS I - 2 & 4 Sundays

Scotch Plains, NJ

If Old Man Winter were a Round Dancer, he wouldn't have had the time to plot against everyone as he did. We haven't had to cancel but weather did reduce the crowd. There are some new dances around. Please join us anytime. We start at 7 and increase to inter/adv during the last hour. For information call

Kelloggs 201-889-4174

DANCING SHADOWS II 1 & 3 Mondays

Chatham, NJ

Our last dance broke attendance records. Everyone was itchy to dance after being snowbound. Friendly group, good dancers, nice wooden floor-no better combination. We concentrate on easy intermediate and classics. All round dancers welcome. For info call

Kelloggs 201-889-4174

HOT GARTERS - Mondays

Ironia, NJ

Ol' Man Winter tried his darndest but did not stop our fun. Okay, we missed a dance or two - but what's that when you're having a good time? We still get a lot of good dancing. Join us. Call Pennies

201-584-0151

RAMAPO RHYTHMAIRES - Wednesdays

Waldwick, NJ

The weather may have been cold, but our thoughts were in June when we will celebrate our 15th anniversary with a mini-weekend up Roscoe, NY way. Guests are welcome to join us. Watch for our flyers. Tirrells

201-568-5857

ROCK-A-ROUNDS - Mondays

Pearl River, NY

Our "class" (1 very good couple) graduated at the end of January and is now dancing with us on Mondays. We're thinking of starting a new basics class in May! What better way to spend the summer nites when there's no other dancing? For info call

Shearwoods 914-429-8332

We're still "out-of-business" due to lack of an economical hall. Ron & Ree are, of course, teaching basic and ROMs at Staten Square Sets. And if you've a Thursday free, why not try the Double-R-Rounds in Howell, NJ? For information call Rumbles 201-367-9294

TIRRELL TWIRLERS - 1, 3, 5 Mondays Cresskill, NJ

We're happy to report the class is coming along just great and will be ready to join our sessions in late Spring. Call Tirrells 201-568-5857
1, 3, 5 Tuesdays Cresskill, NJ

It was great to have an extra Tuesday in January to work on classics Elaine and Fascination. Now we won't have to sit out those two classics when we go away weekends. For info call Tirrells 201-568-5857

VALLEY STEPPERS - Fridays, 2/month Paramus, NJ

We continue to enjoy our dancing with enthusiasm. Not only do we enjoy the Bradt's short workshops on styling, step analysis, and body movement but learning all this in between dancing great rounds makes it "the most" For information call Sibbalds 201-265-5526

We're happy to report that a class in the Round Dance Basics has just begun in Glen Rock, NJ with Lynne & Bob Gordon as instructors 201-652-6846.

SQUARE NOTES

from WANDA BLANCHARD (Pequannock, NJ) "If you have room could you put in something about men wearing cowboy boots dancing. I've seen it (kicking accidents) happen many times.....All these accidents were caused by heels. When it calls for soft soled shoes, that should be enforced strictly for men & women....."

from MAHLON & HARRIET MILES (Mesa, Arizona) - (who incidentally wrote about the NNJSDA summer dance they attended in her column "Arizona Allemande").. "You're among our favorite people, And in case you didn't know it We want you to have this Valentine As just one way to show it. It's filled with happy memories of good times shared with you. It has the very fondest thoughts and warmest wishes, too."

from MADDY & RUDY RINGEL (RR 1, Box 285, Shohola, PA 18458) when renewing their subscription... "What I miss most about living in PA is GRAND SQUARE...." Our thanks also to VIRGINIA LOCKE for her kind words for GRAND SQUARE and ye editors' efforts.

from American Squaredance Magazine PO Box 788, Sandusky, OH 44870 - two books - "Hoedown Heritage" (\$3. ppd.) - traces evolution of s/ding from European origins to modern form; "Match A MEloody" (\$4. ppd) book of singing call adaptations for callers who wish to vary their programs with over 200 singing call figures that can be substituted for most 64 beat melodies.

every Monday

Emmanuel Episcopal Church-2637 E. 23rd St.

Hi, just a brief review of our special Holiday M.A.C.H. (Make A Child Happy) which we had in December. It was the first snow this year of bad weather with the roads all icy, slippery and warnings not to travel. We could understand when the phone calls started coming in for cancellations. However we had nine squares of True-Blue-Die-Hards who did not let the weatherman dampen their spirits but came out to do a good deed as well as have an enjoyable evening of dancing. Thanks to Al Axelrod who played Santa, dressed up in suit and whiskers and all the trimmings and HO HO HO'D like a natural. He accepted all the toys which were later distributed for the holidays to the children in B'klyn Jewish Hospital, Long Island Hospital and the United Methodist Church. Thanks to Bea Axelrod (Mrs. Santa) who pinned the lovely children corsages on all the ladies and gave them free samples of lipstick. Thanks to Paula Katz for the delicious tray of hors-d'oeuvres, when they say soup to nuts - that was it. Refreshments included watermelon fruit baskets, candy, chips, ice cream punch, etc. Thanks to all of Santa's helpers who decorated walls with beautiful baby pictures. Most of all a great big special thanks to all the callers and R/D teachers who helped make the night a success. Shirley & Frank Bellott Lillian Borodkin, Kay & Virgil Eckles, Al Moses, and Joan & Jerry Neuman. Thanks to Al Moses who thought of this idea, planned, prepared and worked out this program...and thanks to all the dancers who came and brought the beautiful toys. Without your help this could not have been possible. We love you all for it. Our next big special is in April - Graduation Dance. All graduates, new and old are welcome. Free of charge. Come and get acquainted with your dancing friends. reporter - Edith Moses 212-336-1731

2 & 4 Tuesdays

Hilltop Barn, 1640 Broad Street

Despite the heavy snows and cold temperatures, the enthusiasm of our dancers was still there. Our February dance night was the annual Cupid's Ball. Our caller Stan Zaczkowski, called many dances for the lovers and sweethearts that were present. The hall was brightly decorated in hearts and cupids. There were special door prizes of sugar, honey and sweets for the lucky dancers. We were well represented at a raid in February to Tenafly Squares, where we were warmly received. Congratulations to all new graduates. We invite you to come dance with us and are looking forward to April when our class graduates and will join us. Graduation night is free to all new graduates. What a great caller we must have in Stan. He was invited to travel all the way to Bethlehem, PA and be guest caller for the Saucom Squares.

On a sad note, our sympathy is extended to the family of charter member Bradford Deering who passed away in January. His warm smile will be missed by all his fellow dancers. reporters-Gail/Stephen Rawcliffe 201-675-6020

UNION SQUARES -- Roselle, N.J.

1st Friday

First Presbyterian Church, Chestnut & Fifth

We had a good holiday dance with 10 squares at "Class Level" and everyone had fun. We did a "demo" at Washington School in Plainfield in Feb. and are planning for our exhibit at the Union County Fair in July. Our St. Patrick's Day Day will be "class level" - come on out you all. See our ad on page 17 for our spring workshops. Remember we are a family club and teens are welcome. reporters - Bob/Mary Northrup 201-276-8576

WEST MILFORD FLUTTERWHEELS -- West Milford, N.J.

2 & 4 Mondays

Hillcrest Community Center, Macopin Road

We got off to a great start on Jan. 23 our first dance after graduation. Thirteen squares attended. The Flutterwheels were honored to have many dancers from other clubs in the area attending. Our banner, made by the McClellands, was ready and was pinned by the Kuntry Kuz'ns. We are now sponsoring two class level dances to be held at the Marshall Hill School in April. Check with us the dates. Ron Bessette will be calling. We look forward to seeing you. reporters-Jackie/Joe Critchley 201-697-6819

Did you read AMERICAN SQUAREDANCE last December? Many who did, wrote Stan & Cathie Burdick that gremlins had dated it 1978, but wonder how many noticed the dancers in the snowflakes??? In their February issue were several articles concerning Northern New Jersey - Staten Square Sets bilingual demonstration group and Rose Ericson's "Square Pin Cushion". Several different columns of Rose Ericsons have been reprinted in magazines around the country - as well as a couple of editorials from our Association presidents. We welcome others using material from our official publication as long as they give credit to GRAND SQUARE. Several "house organs" have given a spread on square dancing and our Association membership. Latest two to cross our desk concerned Fay & Jim Bates in PHARMA NEWS (Ciba-Geigy) and Doc & Peg Tirrell in the Bergen County Dental Journal. Any we've missed? It's never too early to start thinking of places to publicize classes for next fall.

Several reporters have editorialized concerning the new graduates. The editors decided not to combine them all into one article, hoping the impact of their advice might remain longer in separate doses. Read and reread the Abramson's of Staten Square Set....and then remember the TENTH S/D COMMANDMENT - THOU SHALT NOT FORGET THOU WERT ONCE A BEGINNER. Welcome our graduates with open squares and a helping hand - here are your officers of tomorrow.

The photo, on the above right, shows the fun one group had on an Anniversary Raid. We welcome more pictures of square dancing events.

Space precludes publishing a monthly calendar, instead we are repeating this listing to acquaint graduates with NNJSDA members regularly scheduled dance nights. May we suggest before visiting a club, consult with your instructor, or class advisor or GRAND SQUARE about the clubs level of dancing. Most clubs meet weekly, bi-weekly, monthly September thru May. A few are year round clubs. The Association has first option on all fifth Fridays and Saturdays. The GRAND SQUARE "Date Book" lists some club specials. Lakeland Squares whose membership application is pending meets every Tuesday evening. Happy dancing.

ALL PLEASE TAKE NOTE Next deadline- APRIL 14 - and will feature ALL summer dancing opportunities in northern New Jersey (if you get the editors the news) Care to guess how many graduates this year-without counting?
