From the desk of JIM & FAY BATES, presidents NNJSDA

"The world, she am a-changin'..." and nowhere is it more apparent than in our world of Square Dancing. Oh sure, the faces have changed over the past five or six years, and the officers are different, but there's far, far more! Just look around you....S/D attire is brighter, there's more color coordination, more "his 'n her" outfits...the whole scene is changed. And of course, the calls are different, and greater in number, requiring more lessons (with perhaps some masquerading as "workshops"). As the dancers become more knowledgeable, levels of dancing rise, and the caliber of the clubs changes.

With the advent of Callerlab, even the lingo has changed. Where once we merely termed a club's level, "Fun", or "Intermediate", or "Advanced", we now qualify and say "Mainstream", or "Plus One" or "Two", with a great deal more preciseness than formerly. This should ultimately work out to the dancer's benefit, but there may be some rough spots in the transition.

In the midst of the changes, however, the basic attributes that have always characterized Square Dancing have remained firm. S/Ders are still enthusiastic about their activity, and we hope this will never be altered. But most important, it is the friendliness that pervades Square Dancing at all levels, wherever and whenever. This is the ingredient that keeps the whole thing together.

2 & 4 Fridays - year round Carl Kumpf School, Mildred Terrace

In May Y Squares celebrated their 20th anniversary. It was a gala affair. Many former presidents were in attendance and their reflections of "their" years made it a "night to remember" for all who attended.

As we begin our 21st year the officers and members are looking forward to our return to Carl Kumpf School after dancing this summer in Rahway. Once again we will welcome Bob Kellogg as our caller for both squares and rounds. The Open House date is the fourth Friday in September. Classes for new dancers we'll start the following Tuesday at Terrill Junior High School in Scotch Plains and continue every Tuesday with Bob Kellogg as our teacher. We hope you will join us on a Friday night for an enjoyable night of square dancing. reporters - Ruth/Bill Wood 201-379-5535

2 & 4 Thursdays

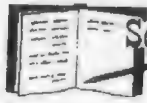

Mansfield Elementary School, Rt. 57

Everyone had fun at our annual family picnic at the end of July, and we danced off some of the calories from the delicious covered dishes at the end of a perfect day to the calling of Wilson Hoff on the tennis courts at Mountain Lake. We are eagerly anticipating another season of square & round dancing. Our feet weren't idle this Summer though as we had four delightful summer dances to the calling of Charlie Kides, Laurie Abrams, Jim Lee and Johnnie Roth. Thank you to everyone who came out to make these dances so great.

We are anticipating that our class will be in full swing by the time you read this, under the guidance of Wilson Hoff. We have an ever increasing number of round dancers thanks to Jean & Jesse Elrod. Come out and join us. We have the best refreshments.

TENAKILL TWIRLERS -- Cresskill, N.J.

3rd Friday

Bryan School, Brookside Avenue

Welcome back after what we hope has been a happy, healthy summer for all of you. We at Tenakill are excited about our new caller, BOB JOHNSON. Come and square up with us, to greet him in September and every third Friday thereafter. Of course, Doc & Peg will be on hand for the rounds from 8 to 8:30, and also between tips, and Jody will provide folk dance records.

We hope that by the time this is published, Elsie McCutcheon will be fully recovered and back on the dance floor. To the sorrow of her many friends, she has spent most of the summer in the hospital or convalescing at home.

We are a happy, friendly Mainstream plus Quarterly Selections of Callerlab club and we welcome all square dancers over the age of 13. For information on our class see page 5. Reporters-Dorothy/Paul Pullman 201-568-5138

Have you noticed, as each new square dance season begins, how very nice it is to see familiar faces and to have the pleasure of welcoming new dancers? That's how we deal at Swingin' Stars.

Just as no one person dances alone, so a club functions because of a team effort. Yale Carroad and Evelyn Olsen take care of where and when we dance and the general ambience such as the little "extras" Evelyn always adds to the refreshment table which gives it a festive air. Richard Gray books our callers with a view toward giving us a good dance and keeping within our budget. (S/D clubs are very budget-minded.) And the #1 PR man is our president, Art Taylor, who truly loves square dancing. The work of these people starts many months ahead of the new season.

With the dancing level designed for fun, Mainstream + 1 + and rounds by Ed & Les Shearwood, you can't miss the second Saturday of the month. Our rounds start at 8 - squares at 8:30. See you around a square.

Summer is almost over and a new season is about to begin. Many dancers can't wait, in fact some of the more energetic couples have been taking advantage of the summer dances offered by the NNJSDA, CCNJ, and some of the local clubs such as ours. We had 3 Big Summer Specials with Jerry Haag, Tim Scholl, and Deuce Williams.

To wind up our season, last Spring in June we had a 10th anniversary Dinner-dance at the Lake Mohawk Country Club (with it's own Boardwalk). It was a "Biggie" with one of the smoothest callers in the Business, Mike Callahan. A skit was presented by some of the founders while Frank and Lorraine Mooney were the Narrators of our History - it was quite a story with plenty of laughs. The first class instructor, Dick Pasvolsky, and his wife were present along with our First Guest Caller, Hal Holmes, who came all the way down from Vermont with his wife Doris to join in the celebration. New Officers were installed to carry on the future of our wonderful club; Pres.-Bob/Elaine Loomis; 1st VP- Ben/Debbie Smead; 2nd VP- Dean/Gayle Booker; Sec.- John/Joan Leith; Treas.- Norman/Audry Bolin. We wish them much success.

Besides having a Family Picnic at Silver Lake where all the new graduates were given a chance to earn their Duck Badge, the club also sponsored some Demos at the Methodist Manor in Andover, Don Bosco College, and the Sussex Farm & Horse Show.

We hope "You'all" will come join us for our First Dance of the season - "Yellow Rock Delight II (Aliases; "Honey Bear"-Germany, "Stack the Wood"-Cal. See ad page 44. reporters -Joe/Jackie Critchley 201-697-6819

Catch All Eights

EVERY Monday starting Sept. 18, 1978
V F W Hall, Iselin, NJ - downstairs

8-10:30 pm
\$3.50 /cpl

The NNJSDA & CCNJ, thru Ron/Millie Nitzsche and Frank/Jean Riviccio, began a project last year to help get DROP-OUTS back into circulation. Thru the dedication and input by many, the project was successful. There has been much speculation and dialogue about the causes of drop-outs.

Space precludes their final report on the many lessons learned from CATCH ALL EIGHTS, but the most important is that when efforts are made to get dancers back they WILL return. Some clubs recognize that helping a dancer back into the fold will help swell their own membership and also that the graduates first year of dancing is their most critical one. A sponsor couple is assigned to each graduate couple whose duty is to give the new grad personal attention...such as accompanying them to dances of at least three different clubs, guiding grads to clubs where the level is compatible to their dancing ability, as well as calling them if they have missed their own club dance.

Even tho it was shown that personal attention by the individual club will bring back Drop-outs, many clubs have not set up a program for this problem. As a service project to dancers in the area, the Executive Boards of NNJSDA & CCNJ have voted to continue on with CATCH ALL EIGHTS, and are each contributing \$50. towards its expenses. Class instructors and/or callers who are not running their own program are asked to please send a copy of their drop-out roster to -

Frank/Nan Habersberger 710 Willow Grove Road, Westfield, N.J. 07090

Dick/Cookie Lighthipe 804 Prospect Street, Westfield, N.J. 07090

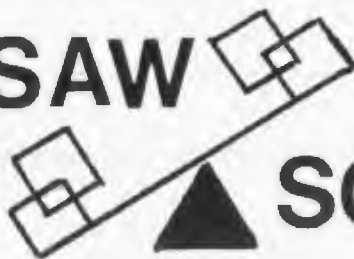

Catch All Eights is not a class for beginners. It is available only to badge wearing dancers. It will start at Basic 39 and is progressive up to Mainstream (#69). The workshop is based on continuous dancing with the level gradually raised, but with spot teaches where needed. Its measure of success is when attendance falls off at the Mainstream level and the more confident dancers start returning to their home clubs.

(Want to read their excellent CATCH ALL EIGHT report - contact Nitzsche at 201-377-5949 or Riviccio at 212-356-5323.)

"Uncle Harry?.....No, that's the day we're having our picnic with the Square Dance Club, and the following week we're going to the Association Dance.....No, that Friday in July is the installation Dinner Dance I told you about. Oh, golly, the following week is the day we promised the kids we'd take them to the swim club and the next night is a summer workshop. Last Friday in August? That's the Big Top Weekend. Gosh, Uncle Harry - guess, we'll just have to postpone it to the fall when things get back to normal!" Sound familiar? Who said things slow down during the summer? To all our friends returning from a PEACEFUL summer - welcome back.

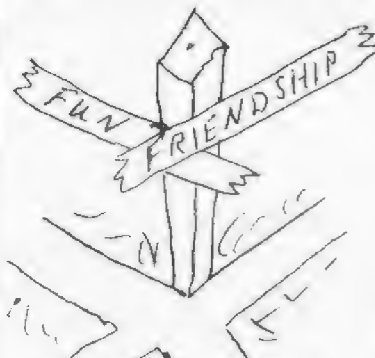

At our Installation Dinner Dance, Dave & Lil Beauchime, the newly elected president and first lady, along with the other newly elected officers, each accepted their responsibilities, vowing to carry on the high standards and the pursuit of fun & friendship on behalf of the club.

With the fine co-operation all previous officers have had (for these past 28 years), with a membership who freely offers their services, be it a special committee, chairing a dance, kitchen committee or just writing an article for the Staten Chatter, what else can it be other than another banner year. We dance for fun and friendship (the club motto) to that Jumpin Jersey Jester, Manny Amor while Ron & Ree Rumble lead the rounds. Won't you join us at our dances so that we may enjoy your company.

 2 & 4 Tuesdays Cedar Hill School, Peachtree Road

Join us the second Tuesday in September to open our dance season! Carl Hanks will be back on squares with his great rhythmic beat and outstanding singing. Grace & Walt Pennie will again offer fine, professional cueing of popular rounds. Our square dance level is Mainstream + 2, starting with our opening dance! This brings us to our BIG news -- the establishment of our STEPPING STONES DANCE PROGRAM to help new graduates and others uncomfortable at the + 2 Level, to achieve this dancing skill. The first Stepping Stones Dance is Sept. 23 with Bob Tarrant calling (see ad on page 10). We hope this Program will help reduce the "dropout" problem, frequently caused by premature dancing "over one's head". Let Stepping Stones be your comfortable bridge to Mainstream + 2 - IF THAT IS WHAT YOU WANT! Our Vice-Presidents, Jack & Hazel Fallis (201-469-6623) will be supervising the Program and will be delighted to answer questions.

Bob Tarrant will also be busy teaching a new class on Thursdays at the Cedar Hill School starting with a Free Open House the second Thursday in September. We welcome referrals of names of people who have Thursdays available for lessons. Please contact our Vice-presidents for Classes, Dave & Marti DeGraaf (201-543-2795).

1 & 3 Sundays

Community Center, 242 Maine Street

As you can see we've changed our location to the roomier West Orange Community Center. See our ad on page 40 for directions. Our open house for new graduates in May was a super success. The Parish House was bursting at the seams and all had a good time with our club caller, Bob Tarrant at the microphone. We've had a busy summer, dancing all summer in spite of the heat and participating in an International Showcase Festival at South Mountain Arena in June. We gave several dance demonstrations there and also sold ice cream. We all had a good time.

We're finally going to hold classes starting in September. Open House will be the second Monday at the Montclair YWCA. If you have any single friends who've wanted to learn to square dance but didn't because they did not have a partner, send them to us. We're also hosting a special in Nov. with Beryl Main from Aurora, Colorado calling. See ad on page 40. Come dance with us this fall. We welcome all, singles and couples. Happy dancing.

2 & 4 Thursdays Blake Hall, Cook College, Rutgers Univ.

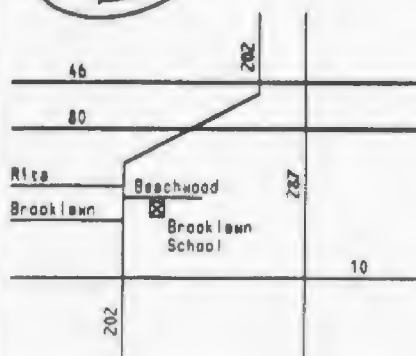

Hi! Elected a brand new set of officers in April. Sue Morris replaces Kevin Hunter as our president. Lora Curran is our new VP replacing yours truly. Erica Born begins her second year as secretary along with Ginny Overberg, who takes over for Ann Preyborowski. Rick Murphy is our treas. in place of Sue Morris. Karen Williams is our N.S.R. replacing Natalie Trehubets. Karen is also our refreshments and decoration chairperson this year. Our NNJSDA reps. are Kathy Kelly and Natalie Trehubets and our Bucks County-Trenton reps. are Joe Mallon and Ellen Baudisch.

Even though the weather was cold, rainy and miserable, we participated in the annual Milltown 4th of July parade. Everyone who braved the weather had a great, but wet time. This year's annual picnic, usually held at Roy & Betsy's, was held at the Log Cabin on Cook College campus in August. Everyone had their usual good time—and went home stuffed with good food. Hope the remainder of this rapidly moving summer is enjoyable for all.

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y. (+2)

2 & 4 Saturdays St. John's Lutheran Church, 663 Manor Road

Calling All Clubs! Please take notice that our first dance of the fall season on the fourth Saturday WILL NOT be at our regular hall (St. John's) but due to a conflict of dates, we will dance that night only at CHRIST UNITED METHODIST CHURCH, 1690 Forest Avenue, Graniteville.

Our new slate of officers are: Pres. Leo & Lois Bichler*; VP- Floyd & Fran Miller; Sec. Jim & Chris Chukalas; Treas. Matty & Rae Cafiero*; NNJ Delegate Bill & Jennie Quinlan. * marks retreads!

We join Staten Square Set in extending our sympathy to Ray O'Neill on the loss of his beloved Edi. She was a good friend of many Richmond Dancers, and we will all miss her.

Seven couples sailed on a West Indies cruise in OCEANIC in June; Bichlers, Cafieros, Delaneys, Friscias, Millers, Sullivans, Valentinos. No caller aboard, but they danced to tapes every day in one of the lounges, with an audience of fellow passengers. They report that OCEANIC is a splendid ship, and the plumbing works fine. Ron and Nancy Goldfarb have given up the correspondent job, as Ron (a lawyer) has just opened up a new partnership office. Don't let him get too busy for square dancing, Nancy. We invite all area dancers to join us at our masquerade dance in November when Marty Clifford will be calling.

Our first S/D class will be the third Wednesday in September so contact Fay/Ray Weiler 201-627-3199 with any prospective members. We're happy to report that Sally Hoff is at home recuperating nicely following her recent surgery. We all wish her well.

A Family Picnic is planned for late September at Hedden Park with Wilson Hoff calling squares and everyone joining in the fun. New raid coordinators this year will be Ruth/Al Rosenbohm 201-879-6086. RAMAPO SQUARES -- Oakland, N.J.

(ADV)

Heights School, Seminole Avenue

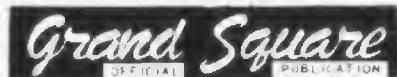

Hello everyone, and welcome back to another square dance season, although we do hate to see the end of summer. Peter & I attended the 27th National S/D Convention at Oklahoma City, so, as you can imagine, we had our fill of dancing. We started with trail-in dances at the fairgrounds, and ended with after-parties which lasted til all hours. It took weeks to recuperate.

Ramapo has a schedule of fine callers lined up, beginning with Lee Kopman in September and Norm Poisson in October with the Gordons subbing for the Tirrells on rounds. See our ad on page 18. There will be an open house with free admission to all the third Sunday in September at 8 PM at the Ramapo Mountain Lakes Country Club on Seminole Ave. in Oakland to welcome prospective dancers and then classes will start the following Sunday taught by Bud & Ginny Allison.

And, now, it is our sad duty to report the loss of our very dear friend, Charlie Pitts, who passed away on August 2nd. A long time member and past president of Ramapo, Charlie & his wife, Carol, were angels at all of the classes. His unfailing good humor was greatly appreciated by all the new dancers, both at classes and at a dance, where he would never fail to square up with you and help you over the rough spots. We owe a great deal to Charlie, and will always feel, when we square up at Ramapo, that he is, somehow, there in the head position. Our heartfelt condolences go out to Carol and their family. We will all miss Charlie.

2 & 4 Fridays

Community Park School, Witherspoon Street

Welcome back from sun & sand. What a great summer! We are looking forward to dancing one Friday every month this year with Bruce Busch; the other Friday with our usual compliment of super guest callers. Our season begins the second Friday in September. Come on out and join us at the Community Park School in Princeton.

As September approaches, we should also realize that the beginning of square dance classes is coming around again. Think back to those days before you took your first classes - to those people who urged you to give it a try - to those feelings you had about how pretty it was but also how complicated. Now it is time to encourage your friends, bring them to an Open House dance and introduce them to the wonderful world of Square Dancing. Hope to see you all soon. Priscilla/Dan Senecal 609-448-9140

27th NATIONAL SQUARE DANCE CONVENTION?

It all began when Herb Arkin got the idea, and said "How about making up a caravan of campers to go to the convention in Oklahoma City in June?" We decided that it would be a good idea, perhaps even starting a little earlier with a stopover in Nashville, TN. Herb started the wheels in motion, making camp reservations for two days in Nashville, and also camping in Oklahoma, and then couldn't go due to a school graduation conflict!

There were 16 of us who hit the road. Nashville should be a must on everybody's list, where endless country & western music fills the entire Opryland, & the many different shows going on continuously can easily make your day slip by, to say nothing of the "Grand Ole Opry" where the top talent appears.

Then on to Oklahoma, and as far out as three hundred miles you could see s/d campers heading for the convention. It was no wonder, because there were 1800 campers there to help make up the 23,879 that converged on the new Myriad convention center, that was geared up for just this kind of an affair. The main auditorium where the mainstream dancing was, looked like the size of a football field with 12,000 seats. Did you ever look down on 2,500 people s/ding? It makes you think of the ripples on a lake. There were also three other large halls where the plus and advanced were dancing, plus countless other rooms for hospitality, sewing, lectures and displays. There were at least 50 shops where you could buy anything to do with square dancing.

The people of Oklahoma City stood amazed at the countless people in s/d attire walking along the streets, for this was the first convention of this kind and size to hit their city. On Saturday nite, at the Parade of States her honor, the mayor of Oklahoma City, Ms. Latting, stood up and told us that we were the talk of the town, & the most well behaved group of people what they had ever had in their city and invited us to come back next year.

As the states marched into the auditorium one by one, to the beat of the Oklahoma Indian tom-toms, slowly the floor filled up, with clubs from 50 states (and 9 countries, a very impressive sight, and finally the moment arrived when the announcement was made that the 1982 convention would be held in Detroit, Michigan.

This was our third convention, and we hated to see it come to a close, although our feet were tired from 3 days of dancing, and except for the countless after parties where certain groups get together and dance far into the night, some as late as 5 AM, another convention had come to an end.

Ed/Dora Foster represented GRAND SQUARE at the Press Breakfast (thanks for taping the entire proceedings and bringing us a petrified rose - the official OK state rock). Pete/Aida Boccaccio, with the help of many, set up and manned the NNJSDA display in the Show Case of Ideas (360 signed in at our exhibit and left notes, including a gang of Jerseyites, dancers from England, Italy and Japan and a Kuntry Kuzin from OK).

Ask any of the 238 from NJ or 162 from NY who attended about the OKC badge - a lesson in the history & heritage of our 46th state. Talk to the campers about Tornado warnings & the rain, thunder & lightning which made the Fairgrounds temporarily one big mud puddle (rest of weather was delightful). Ask the R/Ders about their Sat. PM after party in the Skirva Hotel when a basement fire caused the hotel to evacuate all, including the Wheel Blazers- wheel chair s/ders. All went orderly to the street and continued the after party outside in the Plaza!

And now we turn our attention to the 28th National S/D Convention - to Milwaukee, Wisconsin where on June 28, 29 & 30 you can left allemande in Dairyland. We're already registered - are you?

We put the finishing touches on a grand square dancing season with a well attended and delicious covered dish dinner followed by our final dance of the season. We are sure that the dance was an unqualified success because Dick Jones had to slow down the pace to accommodate the many members who had enjoyed the dinner once, twice, and even three helpings worth. The past year has seen an active and growing Mountain Square club going on raids and dancing to our own Dick Jones as well as guest callers Bruce Vertun and Bob Mitchell. We now find ourselves looking forward to the regular dancing season starting the third Wednesday in September at 8:15 PM. Come and join in with us and have a ball.

Another spring has left it's subtle imprint in our memories. Good friends, music and dancing have contributed to our enjoyment. Just as summer began to express it's authority, numerous events unfolded. Graduation for one - welcome all ye new dancers. Our thanks and gratitude to Bob Benner for his patience and professional expertise and lets not forget the angels for their tireless efforts. With reverence to time, again we bid farewell to one and hail to another. Thanks Harry & Helen for your laborious efforts and leadership. To Bernie & Barbara, hail to the chief and welcome to the helm.

To complete our Square Dance Calendar a gastronomical treat was uncovered. ed: "The Covered Dish". Good food was digested by the plateful. To garnish the festive occasion was the delightful calling of Bob Bissey and the Dockrys. Oh, my God, what ever happened to Peg's shoes?

Roosevelt Park, another enjoyable event, was a family gettogether at Harry's Hamburger and Hot Dog Emporium. Rumors were that there was a horseshoe pro among us! Friendship and good food are the salvation of men's souls. Gee -- what ever happened to the women? They were there, believe me. Climaxing our calendar of events was the masterful Dick Jones at Cook College. See you now in September on the third Saturday when Bruce Busch is calling or in October with Bob Benner.

Our season ended with a delicious covered dish supper. Some relaxed fun dancing topped off the enjoyable evening. During a pleasant summer, we enjoyed many area dances and were happy to see many new graduates dancing. Our members, new and old, with their guests and families enjoyed the Annual Club Picnic at Lake Susquehanna in Blairstown. Good companions, Good Food, good weather, games, swimming, music and dancing contributed to a great afternoon. The second week in August saw some of our group dancing each night at the Sussex County Farm & Horse Show. These demonstrations and the audience participation reminds the public of our year-round pleasant pasttime.

Our dances will be held at the same "old stand"- the Stillwater School. Squares 8-10:30 by Dick Pasvolsky. Rounds by Jean/Jesse Elrod. KINGS SQUARES -- Sheepshead Bay, Brooklyn, N.Y. (?)
every Sunday Miramar Yacht Club, 3050 Emmons (Hostrand) Avenue

Here we are nearing the end of summer, and hope that Time has been kind to you. We did not sit back idle and wait for the September to roll around. To begin with, our weekly Summer workshop with Frank Riviccio at the helm proved very valuable and successful. A good job Frank.

Three years ago the highly esteemed Brooklyn Arts & Culture Association called upon us to participate in ongoing fund raising projects and because they consider us a performing group, we put on exhibitions at very important functions. You could find us at Long Island University and at gigantic Fairs showing our citizens what Square Dancing is all about.

With high hopes and expectations, our club is looking forward to a very exciting year, with a number of new innovations. To begin with, we have scheduled weekly Sunday dances in a beautiful new hall. It is in an area where very fine restaurants can be found, like Lundy's, the Barge, etc. Why not have a leisurely dinner, enjoy the sights of Sheepshead Bay, one of Brooklyn's landmarks, and then come in for an enjoyable night of dancing, starting the last Sunday in September. Steve Kopman will call our workshops, and the other Sunday nights will find some very fine callers. See our ad on page 4. Aside from theme dances, we felt that we really have something to celebrate this year...an exciting sixth Anniversary Dance is planned. What with Judy & Michael Peretzky as Presidents, backed by a hard working Executive body, we know that the momentum that was picked up last September, will continue. Watch us, we are going to make the bells ring. Throughout the years, our Brooklyn dancers have supported the Staten Island, Long Island and New Jersey Clubs. You saw us raiding other clubs, participating in Federation dances and carrying out floor assignments at last year's Convention. Now, we come to you and say, "help us carry through our ambitious program." Cross that bridge, or whichever way it takes to reach us, and let us greet you courteously, and with friendship. Isn't that what Square Dancing is all about?

Much success to all the clubs on this coming year of Square Dancing.

The U.S. Postal Service staged a ceremony for the dedication of the 4 commemorative stamps in honor of the American Dance. The proceedings took place on April 26, 1978 in the N.Y. Public Library for the Performing Arts of Lincoln Center. The dedication program was attended by some 300 people, a veritable congress of the Who Who's of the US dance scene - the professional variety. Unfortunately,

there were no performances but simply speeches.

John Gingrich of the Ass'n. of American Dance Companies spoke of the contribution of dance to American culture and of the rapid growth of popularity of the past decade. Walter Terry, dance critic of the Saturday Review, introduced the distinguished guests - a most impressive assemblage. Among them were your reporters - not as immediate past president of the NNJSDA, but rather as editor of a renowned philatelic publication FIRST DAYS. It was frustrating, indeed, that neither of the two speakers that followed - Robert Jofferer, Director of the Jofferey Ballet, and Regional Postmaster General Frank Sommerkamp - remarked on the prominence and popularity of Square Dancing. Consider also that square dance enthusiasts had labored for some 12 years for a US Stamp recognizing the activity.

During the closing moments, when souvenir albums were being distributed to the half dozen most prominent guests, the venerable Bob Osgood was called to the podium in his capacity with the American S/D Society. He took the opportunity to announce that there are some six million Americans who actively square dance today - personally involved in the very theme of the stamps. Were it not for Bob Osgood, the contribution of square dancing to American Dance would have gone unrecognized. Well done, Bob.

Dance, America!!

The NNJSDA, now 20 years old, has always been concerned with a good promotional program, classes, leadership, summer dances & clearance. Now 36 clubs strong, and expanding, the Association continues working to improve and expand the S/D picture and its related activities. Delegates are the avenue of communication between their clubs and Association activities.

Last May SQUARE DANCING Magazine (better known as S10 to old timers) began a "Publications Profiles" section. GRAND SQUARE was thrilled to be thought worthy of mention in their August '78 issue. Your staff is proud to reproduce this page in case you are not already a subscriber to this internationally circulated magazine, edited by Bob Osgood in California.

PUBLICATION PROFILES

GRAND SQUARE

THE MAJORITY OF AREA publications seem to represent dancer or caller associations and thus are organs for the associations and are underwritten by them. An example of such a magazine, which does an outstanding job of presenting information about its parent group, is GRAND SQUARE, official publication of the Northern New Jersey Square Dancer's Association.

This trim, 8½" x 5½" magazine is printed bi-monthly, five times a year, September through May. Typewritten, it alternates script face and elite type in a readable and attractive manner. Copy is obviously carefully proofread. While its pages are "crammed" with news, the information is laid out so that ads and dance information appear on almost every page, thus making the copy easy to read. Photographs submitted for use are made into half tones and reproductions are clear. The editors, Doc and Peg Tirrell, augment their staff with an adver-

Reading the many square dance publications every month is an education in itself. No two are alike and each tends to reflect the personality of square dancing in the area it covers. To become aware of the great number of area publications that exist today, see the listings in the 1978-79 Directory that starts on page 13.

tising manager and three district reporters.

As noted in the opening paragraph of this review, a great deal of association news is included in GRAND SQUARE, not the least of which is to outline the minutes of the three yearly NNJSDA Delegate meetings. Anyone responsible for presenting the news of such a meeting could do well to pattern themselves after this concise and informative wrapup. The column is aptly named "In A Nutshell" but we would mentally add the adjective "interesting" before nutshell.

In addition to subscriptions and advertising, GRAND SQUARE operates in the black through the sale of GRAND SQUARE Booster Tags. These tags, sold annually for a six-week period (last half of January through February), are a miniature replica of the GRAND SQUARE logo. Any square dancer contributing \$1.00 (50¢ for teens) receives one.

In addition to association and club news, each issue includes a Square Dance Date Book. Here any club meeting semi-monthly or less frequently may list two special activities a season; clubs meeting more often may list up to five specials. A monthly sewing column entitled "The Square Pincusion," written by Rose Ericson, is widely reprinted in other publications. Rounds of the month, CALLERLAB news and some general square dance information round out the format.

Good use is made of the lower portion of many pages where information has been highlighted by ruling it off from the balance of copy on the page. Occasionally a paragraph with a small photo is included in this way; more often two or three lines are run calling attention to some particular item.

The March/April issue reviewed welcomed new graduates to the world of square dancing and most impressively listed more than 1,000 names of newcomers to the northern New Jersey area!

WE'VE MOVED! We now have bigger and more comfortable quarters. With our caller, Manny Amor, and the Sibbalds on the rounds, you should make your plans to dance with us on the 1st & 3rd Tuesday of the month.

We hope that all new dancers have workshopped over the summer and are now ready to start the new season at our +2 level. Manny will be running an A.P.D. workshop, starting at 7:45 pm. Regular tips will get underway at 8:15. Rounds between tips. See our ad on page 7.

Plans for the 1978-79 season include an expanded raid program plus some exciting specials. "Dick Jones" for our New Years Eve Party (by reservation only), will start off the specials. In January we have Jerry Schatzer, and in May Dick Schweitzer will be our guest caller.

The friendly folk of HILL CITY are looking forward to welcoming you at our dances. Please plan to join us! (soft soled shoes are required)

We started the new fall season in great style the second Tuesday in September with Dick Jones calling in his usual fine manner. It's always good dancing and good fun when Dick calls. Our other favorites Mike Foley, Vill Larsen and Jerry Schatzer will be calling on a regular basis this year with some guest callers on a few nights to round out the schedule.

Our club welcomes new graduates as well as those who have been dancing for some time. We dance once a week and invite you to come as often as you can. Please see our ad for the dates and callers. We know you will enjoy yourselves.

2 & 4 Fridays

After an enjoyable summer it's nice to say "welcome back" to a new season of dancing fun. We look forward to seeing you at our opening 4th Friday in September with Jerry Schatzer calling. For the rest of our dances for the fall see our ad on page 49.

Our second summer dance was a big success thanks to the fine calling of Jerry Haag and Jerry Schatzer. Some couples from Hanover had the added pleasure of squaring up with our guest callers as they alternated calling tips. During the summer we also conducted a series of workshops for new graduates. These workshops, conducted by John Kaltenthaler, introduced the new graduates to many of the calls in +1 dancing as well as giving them practice in the basics. The workshops were well attended and we know those who attended will be ready to start off the square dancing season with a bang.

Our classes will start with an Open House the third Monday in September at Salem Drive School with Dick Maddocks. As you know Dick does an excellent job of teaching and manages to make the learning fun for everyone. Don't forget all you new graduates and club members we need angels to help the new dancers each Monday night so come out and bring a friend to our Open House. Let's try to top last year's class of 60. If for any reason you can't make Open House our first class will begin the following Monday. GARDEN STATE SQUARE DANCE CAMPERS

Pictured are the lucky winners of the door prize, created by John Lutz, at January's dinner dance. In May our camping spaghetti dinner was enjoyed by those who came. The wine and cheese tasting party was a tremendous success.

We had 42 families at our June campout - and the dessert smorgasborg was a real smash...Oh, those goodies! The July and August attendance at our campouts was a little low which gave us a chance to invite some families on our waiting list to come join us. Christmas in August, in spite of a tremendous down-pour of rain, was a success with John Banker an excellent representative from the North Pole. As this is written we still have the September and October campouts to enjoy.

2 & 4 Wednesdays

Lincoln School, Crane Street

Cross Trail Squares with Dick Maddocks calling opened another season with an open house dance the second Wednesday in September. It was wonderful to see everyone dancing again after a long hot summer. Many new interested couples were in attendance, hope to see them at classes this fall. The Square Wheelers, our camping dancers took advantage of the beautiful summer weather and had six fun filled weekends at campgrounds throughout the area where they were warmly welcomed by all.

Our own Dick Maddocks will be calling on the 2nd Wednesday of each month. Guest caller Jim Cargill will be calling in September and Norm Iglehart will be up from Maryland to call for us in October. We'll be looking forward to seeing many of our friends at dances. Check our ad on page 11. We will be putting on a demonstration at the Willowbrook Mall in Wayne, NJ during Square Dance Week. Our annual picnic was held at Grover Cleveland Park and a great time was had by all.

Our deepest sympathy to Jean Lovette on the loss of her husband Jeff this past summer. Jeff was a past secretary of our club and we will all miss him very much.

Come square dance with us during the coming year, you are always welcome. Happy dancing. reporters - Dan/Joan Haight 201-667-7281

June saw the windup of our regular dancing, and also was featured by some Special Club events...the annual picnic at which a good crowd enjoyed a cookout, dancing, and fun at the North Arlington Riverbank Park on the bonnie banks of the beautiful blue Passaic. Happily, no one fell in!

Also we and Solitaires represented the USA with 3 squares at the first annual "Showcase '78" jointly sponsored by the Essex County Heritage and Cultural Commission and the Board of Chosen Freeholders. This event, held at the South Mountain arena, and open free to the public, presented many diverse ethnic and cultural groups demonstrating their native costumes, dances, songs, arts & foods. Talented exhibitors came from many backgrounds- Haitian, East Indian, American Indians (would you believe a tepee 30 ft. high?), countries in South America, Africa, Europe and the Far East. After we presented a well received demo we enjoyed including both the public and some of the Showcase performers in our workshop sessions. Incidentally those Polish folk dancers can really swing!. Maybe they felt at home with our caller, Dick Pasvolsky, who is quite a showman himself! All our costs were covered by selling our own native food-hot dogs & lemonade.

We open the third Monday with Jules Pozsar as our regular caller, plus several guests thruout the year. Jules plans to include a workshop tip each dance. Come dance with us. On Monday, where else can you dance? reporter- Wally/Margie Cox 201-667-8411

Last season's events are now but memories - but what memories! We finished the season with a bang. We were visited by a bus load (18 couples) from Fun Luvin' Squares, Stratford, Conn. and had better than 21 squares. Jim Marshall outdid himself and called some wonderful tips. An added attraction was a preview of the between tips rounds cued by Nancy Nosker. Our refreshments included the traditional farewell feast of Kielbasy, done to a turn. We all stuffed ourselves with the many goodies, and added inches to our waistlines (or so it seemed).

Our annual picnic in Roosevelt Park was well attended, we were well fed and enjoyed every minute. The weather cooperated. Marty Clifford called some squares and the more energetic played softball. Everyone had such a good time that no one wanted to go home. It finally broke up about 8 PM, but only because it was the gnats time to feast, and they were feasting on us! In August we co-hosted the NNJSDA dance, which was well attended and got us into the swing of things for the new season. Dorothy Ann Cavanaugh's birthday was celebrated with a block party. Naturally it included a square dance demonstration, which we hope will lead to more new square dancers. Several of us attended LUST in order to get pointers for more successful and enjoyable club dances. Here's to a bigger and better dancing season!

LOST: Generous reward offered for the return of a great summer last seen between the months of June and September and moving very quickly in an East-West direction. It was a fast moving vacation season for most of our Colonial Square members and their guests, particularly after the start of Lee Kopman's summer workshops.

We greatly enjoyed dancing at these summer dances. There is something particularly fascinating about watching the faces of dancers who are exposed to Lee's unique choreography for the first time. Suddenly the secure club-level dancer feels the touch of wonder and excitement that this level of dancing evokes-- almost equivalent to re-discovering square dancing!

FOUND: A new group of friends that we enjoyed dancing with each Thursday throughout the summer and who are now ready to dance regularly at our Colonial Squares' "specials". (We feel that all of our regular club dances are something "special" with that terrific calling by Lee Kopman with all those "O"s, butterflies, galaxies, etc. and Tom & Pat Cribbin doing their usual fine job on the rounds.)

When we really think about it, we guess that nothing was actually lost this past summer - we found new friends, discovered new square dance moves, and acquired a new enthusiasm for the coming square dancing season. We can all "share the reward" at the Colonial Squares dances in the new season ahead.

Although we had no dance in September (Labor Day) our calendar is full for the rest of the year- starting with Carl Hanks in October & John Hendron in November. There is a warm glow of good dancing, a friendly group to square up with and lots of familiar faces. Doc & Peg Tirrell are on hand to teach the ROM - as well as call a balanced program of rounds.

If you have the first Friday free, and want to dance to a national caller, with nice people, come on up and join us. We promise you a great time. We also have a "hot hash" after the regular dance for the Die Hards. Look for our distinctive badge - with the years of club dancing shown by the colored jewels - (It's yours when you join the club). This issue, the SQUARE PINCUSHION will continue 'on Bodices'.....

Last issue we discussed some of the possibilities of the basic bodice, fitted with the addition of 2 bust darts and 2 waistline darts.

Now, we'll show the versatility of the bodice with a center front panel and 2 side panels. This style lends itself easily to the change of fabric color or to combine prints with solids. The fitting is easier, too, as the seams can be taken in (or let out) with ease. The seam can also take a ruffle for a pinafore effect or a ruffle top-stitched for a square-neck effect. This bodice is perfect for a gored skirt as the lines can extend through the skirt.

The third type of bodice is a little more difficult to find in the pattern books- keep checking and you'll find it.

This type also lends itself to easy fitting, the lines can also be carried through to a gored skirt, and also makes up in two-tone fabrics as well as prints combined with solids. Although these and most basics come with a high round neckline, they can be changed to a few different styles and we'll cover that in the next issue. Don't be afraid to invent a new combination or to try something unconventional. That's how all designers do it!!!

There have been some requests for the addresses of some places for inexpensive trims & laces for the home sewer. When lace is less expensive, we can afford to be more lavish with it. For 25¢ to each of these and your name & address, a lovely brochure can be had. CALLERLAB

The International Association
of Square Dance Callers

In the interest of brevity & in response to requests from the s/ding public, the following abbreviations are recommended by CALLERLAB as a means of further identifying

the appropriate dance level. Please note that all abbreviations are cumulative, that is each two letter abbreviation includes the calls of the levels preceding it. Many clubs will not need levels other than MS or QS. CALLERLAB does not mean to imply any pressure to encourage dancers to try a level beyond where they are comfortable. Clearly, the Plus Program, Advanced Dancing and Challenge Dancing are not designed for all dancers. The main purpose of the abbreviations is to help those publications and clubs who wish to label their dances and find space a premium. The abbreviations will enable a dancer to know what calls he (or she) can expect to hear & will suggest whether a dancer should attend a particular dance or not. Not all clubs choose to label their dances - that is fine. However when a dance is labeled, please use these abbreviations in the interest of standardization.

- B Basic Program CALLERLAB PROGRAMS Calls 1 - 38.
- EB Extended Basic Program CALLERLAB PROGRAMS Calls 1 - 54.
- MS MAINSTREAM PROGRAM CALLERLAB PROGRAMS Calls 1 - 69.
- QS Quarterly Selections Those figures selected by CALLERLAB on a quarterly basis.
- +1 PLUS 1 PROGRAM CALLERLAB PLUS 1 (12 calls) inc. MS & QS.
- +2 PLUS 2 PROGRAM CALLERLAB PLUS 2 (12 calls) inc. MS, QS, +1. (sometimes the 2 is written II)
- A1 Advanced Dancing part One - The first part of the Advanced Dancing's Basic Calls.
- A2 Advanced Dancing part Two - The second part of Advanced Dancing's Basic calls.
- C1 Challenge Dancing's Basic Calls.
- C2 Extended Challenge Dancing's Basic Calls.

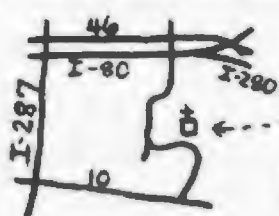

When contracting with callers, please insure a clear understanding of what "Level" you expect so that the caller can properly program the dance for you. If you also label the flyers, you further reduce any confusion on the part of dancer, club and caller.

The QUARTERLY SELECTION Committee has voted ONE new Movement to be used for Mainstream Workshopping for July, August, September 1978 - STROLL & CYCLE by Carl Wamsley, Picayune, Mississippi - From a two-faced line between couples facing in: From normal positioning- the Center Girls in the two-faced line Trade while the four Boys step ahead. The Boys stepping to the Girls on the Outsides perform a RECYCLE and veer slightly left to face in as a couple. The Boys stepping to the center of the set join the Girls who traded to form a momentary two-faced line and then step ahead as a couple. The movement ends in parallel two-faced lines.

With the advent of a new season of Round Dancing, it would seem appropriate to list the clubs in the NNJ area with whatever information is available at this time. Round Dance Leaders are a dedicated group of people who do their thing solely for the love of dancing. Most, if not all, are financially out of pocket after paying for equipment, records & rentals. They deserve great support for the time & effort they put at our disposal.

WEST MILFORD FLUTTERWHEELS -- West Milford, N.J. (QS)

1 & 3 Fridays

See ad for locations - p. 36

Announcing the change of our dance night to the 1st & 3rd Fridays. Our third Friday dance will be at Hillcrest Community Center, but beginning in October we will be relocating. Another change is in our dancing level. We began as a mainstream club, with an experimental workshop tip. After dancing twice a month during the summer, we are ready to include the quarterly selections in our regular program and we'll be workshopping Plus I calls. Our goal is to work toward a program of alternating Mainstream and Plus I tips in '79-80.

The summer months were busy with demonstrations, twice monthly dancing in an open-air pavillion, a club picnic that included dancing in the pool, and getting first hand reports of the National Convention from four Flutterwheel couples who danced in Oklahoma. Our fall program includes Beginners' lessons taught by Ron Bessette on Thursday evening.

We look forward to welcoming many of you to our dances this year and promise you good fellowship, good food, and good dancing.

UNION SQUARES -- Roselle, N.J.

(?)

1st Friday

First Presbyterian Church, Chestnut & Fifth

Congratulations to our new presidents, Roger & Mabel Bunting of Roselle. We know their term in office will be successful. In July we put on demonstrations at the Union County Fair (attended by 40,000) and also at Westfield's Municipal Park in July & August. The demo in Westfield included audience participation - one square was unforgettable because it was for youngsters in wheelchairs from the Children's Specialized Hospital. They enjoyed it so much that we have been asked and have agreed to form a 4 H club at the hospital to teach the children square dancing!

Classes for beginners will be held every Monday evening. All ages from nine to ninety - teens and pre-teens (the latter accompanied by parents) are welcome. New registrants will be accepted through the last Monday in September. Both classes and club dances will be held at the same church. Please join us. See our ad on page 51.

FOLLOW UP - As a service organization the NNJSDA has revised its popular brochure "What is Modern American Square Dancing?". Used mainly by clubs and individuals at demonstrations as a hand out to help answer questions concerning our favorite recreation, this promotional brochure lists several names/addresses in the NNJ area-leaving plenty of space for individuals to add their own "contact" people. Our 3rd VP's have distributed some to all member clubs. If you need to replenish your supply, see the Stoffels or Tirrells.

MAINSTREAM PLUS 1

STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J.

(QS)

We started our summer season with a BANG! as we danced before thousands of spectators at the Fourth of July Fire Works in Bloomfield. We also danced "UNDER THE STARS" during July & August at our Jr. High School. Over twenty clubs were represented and all had a great time dancing to Stan's calling. You missed a great time if you weren't there.

Since we last wrote, our caller, Stan Zaczkowski, has had many activities planned for the club. Our picnic was a huge success - fun & games for everyone. We were invited to demonstrate at the Montclair Community Flea market, the Bloomfield Street Festival of Nations & we marched & danced, while Stan called from our float in the Bloomfield Memorial Day Parade, where our picture appeared in the New York Daily News. This was an honor for our club. We also performed on the "Bloomfield Green" on Monday nights during August & danced at the City of Clifton's Annual Picnic.

Our congratulations is extended to our June class as we welcome them into our club. Congratulations also to Mike & Ginny Dunne on their recent marriage. We welcome back Al & Susie Wilson from their visit to Holland & say "Fairwell" to Walt & Hilda Newton on their move to California - we'll miss you. We raided Hunterdon Flutterwheels in July and had a great time with such a friendly group, earning a dangle when we danced in the airplane hanger. For the next few months we will be dancing temporarily at various locations, see our ad on page 16. Come and join us, we'll be looking for you on the dance floor.

(+2)

1 & 3 Saturday

Presbyterian Church, Main Street

We hope that each and everyone of you are enjoying your summertime recreations. Hopefully one of them is square dancing. We in Franklin are enjoying our summer too. In July we celebrated Franklin Day along with many people of the area. They started the festivities with a parade, followed by different events of the day. One of them as you can guess was Bob Mitchell calling several Demo tips. Later in July we celebrated Hamburg day with the same type of program. This was our first time joining in with Hamburg Day and we enjoyed ourselves so much that Bob hopes to do a Demo again next year.

We are not going to have classes this year, instead we will have workshops every 2nd & 4 Thursday, starting the second Thursday from 8 to 10. Bob will be working on Mainstream + 1 and All Position Dancing Concepts. We hope to see many of our members and we welcome all dancers from other clubs to join us. In August we held our Ice Cream Special. If you want to have a good S/D weekend try Big "D". It's in Deposit, N.Y.. We have been going there for the last five years and we really have a great time. It's not fancy like Pocono Manor. It's quaint and homey and the people are the greatest, warmest group of square dancers. The food is plentiful. This year our own Bob Mitchell will be calling along with John Kaltenthaler and Chip Hendrickson. We always have a fun time. Be writing to you all again soon. See you dancing, reporters-Jim/Arleen Ahnemann 201-729-7511.
