We've said farewell to winter & welcomed spring in our usual exuberant way. Our special with Rusty McLean went very well & attendance was not affected by an earlier snowfall. Luck has been with us weatherwise this year, but we did dance on Mar. 13 when we weren't so fortunate. Our Fun Dangle night inspired all our "crazies" to let loose: hats, lemons, apples and blindfolds were abundant. Thanks go to those who participated in our square + round demo at Menlo Park Mall also in March. It brightened up a shopping trip for many, especially the kids. Our bowling expedition two weeks later was just as much fun, though quite a few of us "felt it" the next day.

Valentine's Day is far behind us, but once again Cupid's arrow had left its mark on our club. Congrats are in order for newlyweds Sue Morris & Al Trapanese and a very cozy pair of engagements - Craig Sherman & Vicki Smith, along with Craig's sister Laurie and Alan Hardy. The best of luck to all!!!! It's been a pleasure reporting for you this season; so on behalf of all of us here in New Brunswick, have a terrific summer of dancing!!

Bob Comte became a member of the San Juan Squares when he visited Puerto Rico recently and now wishes to try for the Bob Kellogg Scholarship Fund offer of five days at Earl Johnston's Caller School. Hilda Sers was awarded the Rose of Tralee corsage at our Emerald Ball. Audrey Hauser has recovered from her ladder accident and promised not to take "Two Steps At A Time" - - - "NON DIMENTICAR! "

Our third Saturday dance in May will be our Graduation Dinner-Dance inasmuch as our April date had to be cancelled. We deferred to the undisputed, arrow-shooting markmanship of that famed, unclad, winged, little boy of mythological fame better known as - "Cupid". (ed. In other words-there was a wedding in the church!)

George & Bertha Yezarsky and Bill & Marie Morrison - the indefatigable stalwarts of Catch All Eights, North will present our new slate of officers. We shall all miss George/Bertha as they wend their way across America the Beautiful in their well-appointed, new camper. George, in true MacArthurian fashion, promised, "We shall return!" We wish all a very happy vacation and look forward to next season's joys and friendships of square and round dancing. reporters - Clem/Vi Hayes 914-357-0930

Catch All Eights

Our third season of CATCH ALL EIGHTS has again been most successful. 4 sets graduated from the East & 3½ from the North. In all approximately 16 sets have returned to their clubs during our 3 year existence. This would not have been accomplished without the help of dedicated dancers & callers. Dick Lighthipe, CCNJ Liaison arranged for providing the callers. Dick was principal caller for North & Betsy Cotta for East with guests filling in between. These callers have accepted only a very nominal fee which is true dedication. Callers who assisted were Fred Weiner, Art Seele, Paul Brody, Joe Fioretti, Jim Howatt, Fred Fields, Jules Pozsar. Ann/Joe Kohutis chaired East with Ruth/Ted Zmich assisting. Bertha/George Yezarsky chaired North with Marie/Bill Morrison assisting. These four couples have done a terrific job of keeping everything running smoothly and making sure everyone was happy.

The dancers who have attended CAE have expressed delight at having another chance to get back up to club level in such a relaxed way and their enthusiasm is boundless. They have asked that their Chairpersons convey their gratitude to both NNJSDA & CCNJ for CAE.

Plans are underway to schedule another Season starting September 1980. Watch for flyers and please pass the word to Dancers who have had to drop out for awhile, or recent graduates who would benefit by this workshop. For more information phone Nan/Frank Habersberger 201-233-8764 or Dick/Cookie Lighthipe 201-233-7862.

 on Wednesday, March 5, 1980.

"Where, Oh where has our caller gone?" Texas, as it turns out, and without so much as a "Be seeing Y'All." One of our members got the word via the grapevine and we were able to get Paul Brody to fill in our March slot. Thanks again, Paul. Joan Neustader & Bob Kassinger engineered a successful raid on Ocean Waves in March. We all had a marvelous time & a number of our members were "Bazonga"ed by Frannie Heintz.

Unlike in years past, we will not be dancing this summer. We will be looking forward to seeing all of you next fall & wish everyone a happy & enjoyable summer.

Seeing all those BOOSTER TAGS fluttering about in February & observing how many dancers went out of their way to buy at least 2 Booster Tags was most heart warming to your GRAND SQUARE staff...& we appreciate your support more than our words can ever say.

As of this typing, & with 6 clubs still to report, the GRAND SQUARE Booster Drive has raised a little over \$1600; As was expected, our last issue featuring names/addresses of graduates (700-just think if every delegate had contacted them for 2 tags!!!) left us with a mighty deficit. The Drive so far, & the deficit of 4 issues, just about balances each other. This issue's deficit (we average about \$400) & the remaining contributions will tell the tale of whether we end in the black or red. If you haven't sent in yours yet, please do so post haste to the NNJSDA Treasurer- Joe/Florence DiSano

2 & 4 Fridays

Franklin Reformed Church, Hillside Crescent

Our March special dances met with mixed success. The St. Patty's Day dance followed the only significant snowfall of the winter, so the well known luck of the Irish isn't always good. On the brighter side, the Easter Feast was great, starting with a homemade covered dish buffet dinner, followed by an evening of good dancing called by Paul Brody with Ellie Tout on rounds. Among the guests were Association presidents Frank & Nan Habersberger as well as our regular caller Jules Pozsar & wife Martha. Jules couldn't resist calling one tip on his busman's holiday. Festivities ended with more calories in the form of an infinite variety of cakes and cookies. Our members have also been quite busy with demos and raids this year, the latter giving our newer dancers a chance to widen their acquaintance with Northern New Jersey Clubs.

One of the nice things that happen in the Spring is graduation. Congratulation to the new graduates - and a small word of advice. Graduation is called "Commencement" for good reason. Having finished classroom instruction, you are ready to commence learning mainstream dancing by attending as many graduate level spring and summer dances as you can find time for. Then, you will feel confident and comfortable when you start club dancing in the fall. You'll have more fun & so will the others in your square. Have a good summer, everyone. We hope to see some of you in Nutley before the season ends. Reporters-Wally/Margie Cox 201-667-8411

Well, another Cross Trail Season is coming to a close, but before it does we will have the pleasure of dancing to Frannie Heintz in May. We kid you not, he's a fun caller, so be sure to come & dance with us, you will find a lot of friendly people there. See our ad on p 4. Our last dance is the second Wednesday in June with Dick Maddocks calling. Our dinner-dance was a success & a good time was had by all. Our various activities were also successful - demos, Pot-Pourri, Mini Festival & whatever else our members got involved in; at this writing our Mystery Bus Ride is still a Mystery, but we're sure it will be great.

We wish you a Happy-Healthy-Safe Summer. Keep dancing all summer. Thank You, All for coming to our dances this past season, we'll be looking forward to seeing you in the fall. Watch for our flyers and ad. Everyone is always welcome. Our first dance will be Open House September 10 with our new club caller, Paul Brody. Welcome to Cross Trail Squares, Paul, hope you enjoy a successful season. See you in a square. HAPPY DANCING!

Our official dance season is too quickly coming to an end, but we can't let it slip by without special thanks to our outgoing officers for their timeless dedication all year long to insure that everyone who attended our dances had as much fun as possible - the entire membership appreciates your efforts! Our thanks also to John/Freddie Kaltenthaler who always make everyone comfortable, & to our guest callers too for their participation in our favorite activity. We're sorry to report our capable R/D leaders, Jess/Jean Elrod are leaving, but we wish them well in their new environment & know Sparta's loss is Fairview, S.C.'s gain of a very personable & smooth R/D couple. We won't be without rounds though as we're contracting with another friendly couple, Joe/Peggy Dockry, so be sure to watch for our announcement flyers, & come up & welcome them with us.

It's also time to announce and congratulate new officers: They will be installed at our annual covered dish dance in June. We look forward to working with this slate to make each program as much FUN as possible. Plans are underway for our annual Family Picnic & also our participation in the 4th of July parade, and in mid-August we recruit new dancers by annually demonstrating at the Farm & Horse Show.....thus while our season is ending, our enthusiasm never does!

Have a healthy, happy summer & we look forward to having YOU square up with us any time you're out Sussex County way!

Bloomington Avenue School

Welcome all new dancers to the wonderful world of Square Dancing. A special thank you to all the new graduates who joined us at our Open House in May. The fun has just begun!

On a more serious note: our members met in March faced with the necessity of selecting a club caller for next year. Ours was doubly difficult since Bob Kellogg had not only been our club caller but also, with the able assistance of his wife Jean, our round dance cuer as well. We were fortunate in obtaining Ron & Ree Rumble to cue the rounds and with Mike Foley agreeing to teach our beginners class, we were left with the major task of selecting our caller. There were several good choices and thru an exercise of the Democratic Process we agreed on our choice & it was a good one.

Bill Chamberlain has taught our beginners class this past year and has been the guest caller at several of our dances. He is well known to most of our members promising to continue the fine tradition of Dancing Squares as a fun club that enjoys serious dancing. We are looking forward to a great year. Come join us.

Remember our Pot Luck supper & dance in May; supper at 6 Pm, rounds at 7:45 with Jean Kellogg and Squares at 8:30 PM with Bill Chamberlain, our newly elected club caller. Refreshments during and coffee and cake after the dance.

Reporters note: In our last report we errantly stated that Jean Kellogg had cued the rounds at our New Years Eve Party. In order to correct the records please be advised that our own Gert Young did the honors. Many thanks for a job well done!

ROUND-UP to Staten Island residents has a special meaning all its own...congenial crowd...stroll by the sea...delightful dancing...sharing supper.... pure pleasure. And all because one couple had a vision - pooling the talents of all 4 SI clubs to produce an Island Festival.

Prior to this while the SI clubs had cooperated they'd never worked together on such a large project. But Ethelmae & Bill knew they could - & with their gentle prodding, sense of humor, & encouragement others began to believe.....and soon the Wilders' impossible dream became Reality.

A prophetic name was chosen - "United Squares of Staten Island". Ground rules were laid to enforce their purpose - "A full day of excellent dancing using callers not normally in our area"...advance reservations only with tables for box supper with United Squares providing the coffee/tea.

Ken/Agnes Schmidt agreed to be registrars. Flyers were designed. An ad (with wrong date) submitted to GRAND SQUARE. And on May 4, 1975 a sell out crowd oohed & aahed over the fabulous decorations. Gone was St. Joseph's By the Sea High School Gym. In its place was the ROUND-UP CORRAL. By the way, these decorations are carefully dismantled immediately after the dance, stored, refurbished, added to & all lovingly reassembled every year. Repeaters have fun trying to discover what's new THIS year! (Where DID you store the carriage & outhouse - complete with customer & Sears catalogue - from '79? A common ROUND-UP sight is couples taking the 5 minute stroll across the school's back forty to the spacious beach. On a clear Sunday you CAN see forever!

Is the ROUND-UP successful? Well, their 60 sets capacity is reached earlier each year. The Chairman is appointed in June and committees immediately start functioning. In '79, Chr. Donna & Bill Anderson discovered 110 of the 480 regis-

tered dancers were 5 year repeaters! These names were posted & a special brass dangle was awarded to the 104 who came. Enhancing the ROUND-Up theme was a huge WELCOME spelled by 54 large wooden horseshoes branded for every club represented. These were later removed & given to a club representative as a souvenir. Every dancer was also presented with a garter - a poignant reminder of one of the ROUND-UP's staunchest supporters, Tony Gaeta, donator of the lace, who had passed away just weeks prior to the dance.

As the Andersons said - words can only in some small way indicate the atmosphere & feeling that are present at ROUND-UP time. The congeniality, friendliness & love of fellowman overflow. We are blessed with an excellent, hard working committee who do more than their own share before, during & after the ROUND-UP - It is due to all of them that the Chairmen seem like a Miracle Worker. IT is they who make square dancing truly what its symbol would indicate - Interlocking Squares...not separate clubs each going their own way. Interlocking Squares - another prophetic name - BUT that's another story for another issue. Our Congratulations for all involved in the ROUND-UP.

Congratulations to all graduates. We welcome you into the exciting world of square dancing. We are sure you will find many new friends as you travel around the different clubs. We will be continuing our summer dancing so we look forward to seeing old and new friends during the summer months. We'll be dancing again at West Milford's Annual Township Fourth of July Picnic at Bubbling Springs.

The first Friday in June the members will be enjoying a pot-luck dinner and meeting before the dancing begins. In April we sponsored a benefit dance for young Tom Pierce who has Hodgkins Disease. It was so beautiful how different organizations helped us out to make this dance a town-wide success. Thank you all for your generosity, I know that Tom's Parents appreciated it along with Tom.

To enable Round Dancers to better evaluate a Round Dance, ROUNDALAB, the International Association of Round Dance Teachers, has adopted a point system devised by Dave/Shirley Fleck. By using this as a guide, teachers can more accurately determine where a dance fits in the total R/D picture. Your NNJRDL Council is using the Fleck System as an aide in clas-

sifying dances for determining their S/D & R/D Rounds of the Month.

ROUNDALAB mails to its members a monthly rating sheet of all the recent rounds released. ROUNDALAB will hold its fourth annual meeting October 26 to 28, 1980 at the University City Holiday Inn in Philadelphia, PA.

The NNJRDL Council will hold its next meeting Sunday afternoon August 3 at the home of Walt/Grace Pennie RD 2, Box 723, Dover, NJ 07801. This will be an afternoon and evening meeting where the leaders will make plans for the coming season, hold a workshop and chose ROM's. All R/D leaders in the NNJ area are cordially invited to attend.

SWITZERLAND IS WAITING! "ALP" YOURSELF!

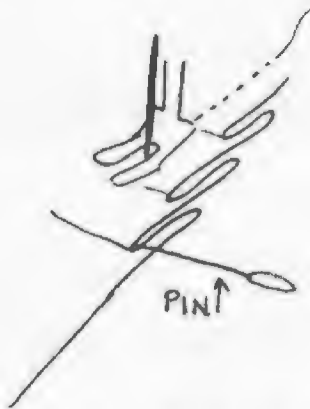

The SQUARE PINCUSHION
 completes the gathering
 techniques.....

Last issue we discussed the ruffler, & gathering over a channeled cord.

There is one more method which takes some practice to master but when mastered will simplify the ruffling of crisper fabrics that are too stiff or too heavy for the ruffler attachment. Using your regular sewing stitch &

straight stitching not zigzag, place your presser foot about $\frac{1}{4}$ " from the edge. Sew slowly guiding the fabric with your left hand & using a long pin (a hatpin is perfect) make small tucks, pushing the fabric with the point of the pin about a $\frac{1}{2}$ " in front of the presser foot, holding the tuck in place as the foot rides over it then repeating the process over & over. Go S-L-O-W so you won't sew over your finger- keep the pin or needle at 90° angle so it doesn't break the needle as you sew- also your presser foot should

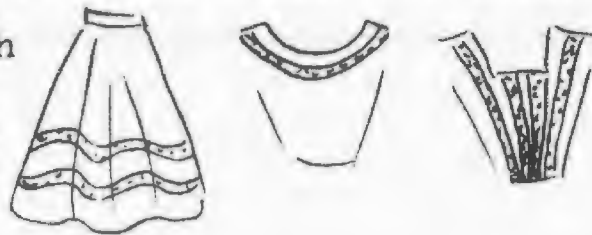

be the hinged type (the kind that sews over pins).

The tucks can be as deep or as shallow as you wish. You will find it easier to prepare your ruffles by joining the pieces and hemming where necessary then doing the tucking in one continuous sweep.

There isn't space to do the tiered skirt so we'll have to save it for next time however I do have a few other tips.

The newest fashions for spring and summer are showing insertions of lace....and couldn't we do things with that to our square dance attire...bands in rows on skirts, several rows down the front of a bodice or around a neckline, round or square or even a 'V'..

perhaps with a matching edging. Be on the lookout for somelight-weight fabrics that make lovely dresses such as dimities, dotted swiss, a take-off on organdy and that type, printed and plain, just remember that too sheer may need an underlining and be sheered extra full.

Any questions feel free to ask for help either at a dance or call me in the evenings or on weekends at 687-0342.

Till next time,
 The SQUARE PINCUSHION *Rose Ericson*

Our club held its first annual President's Ball in February with fourteen clubs represented. Each presidential couple was presented with a log cabin badge and a cherry corsage made by Mary/Rich Moody. Photos were also taken of each couple by Art McEwen. By the time you will be reading this our class will have graduated. This year our class of twenty-six members were instructed by Dick Pasvolsky. Each graduate has been given a Big Brother or Big Sister who will introduce them to other members of the club. Congratulations to all graduates in all the surrounding clubs. Hope to meet and dance with you soon.

Have a good summer. Keep dancing.

every Tuesday HI TAW TWIRLERS -- New Milford, N.J. (+2)
Middle School, Roslyn Avenue

As we approach the end of the current dance season we extend our sincere thanks to all of you who supported Hi Taws and the other great clubs during these troublesome times of high gas prices & periods of extended illness.

A recent poll of our callers has indicated that attendance has been off about 25% at most clubs this winter season. Although we strive to provide some of the best callers in the area there can not be a successful dance without dancers like yourself.

Our April Treasurers Ball and our Mystery Bus Ride to Kuntry Kuz'ns was great. The third Tuesday of June we'll have our annual dinner dance - dinner at 7 - reservations required. We'll dance 8 to 10:30. Have a great summer. We look forward to seeing all of you at our first dance on the third Tuesday in Septemebr. (see our ad on page 42)

Should anyone desire to "Take One Step", please contact us (201-635-2914) or your nearest R/D leader - all have expressed their willingness to help anyone interested in learning to cue/teach rounds.

The making of a square dancer. With the development stage about to climax! Here comes the grads. Can you imagine, being thrust out in the S/D arena after graduation - what a traumatic experience, almost like seeking employment for the first time - the interviewer asking what experience do you have?

The S/D world is much more sophisticated today than in the past. The student of today must, with intent & desire, adapt to a steady & unrelenting routine to gain the pleasure of his club. Experience is a product of time & effort, both parallels must be exploited. But lets not lose sight of the fact that at this time they must be nurtured by all of us. Encouragement and most important, participation are the key ingredients. Remember we spawn once a year. The growth of a club depends on its offspring. Recognition must be given to Professor Bob for his masterful efforts and to the angels for their steady support.

Spring & summer events aside from our regular schedule dance will include the traditional covered dish, dinner and a raid to be announced - a picnic weather permitting, & our summer dance specials. (see ad p. 17) Thank you Bill Chamberlain for a pleasant Easter Dance and a special thanks to the Bellottis for the rounds. To all those who supported our efforts -- Thanks. While our Nominating Committee is busily selecting a new slate of officers for the 1980-81 season, it is only appropriate at this time to express our thanks & appreciation to the dedicated dancers who have spent this past year performing those functions that make our Club "tick"..... Presidents Tex/Bert O'Brien; VP's Powell/Julia Hall and Mel/Dorie Gershman; Sec. Wil/Helen Jemison; Treas. Al/Mary Dulovitz; Past-Presidents Harold/Margaret Hodes; NNJSDA Delegates Mike/Sheila Yurochko.....and of course, all those too numerous to mention who have "assisted", "chaired", "baked", "filled in", etc.....thanks to all for making it another successful year of fun filled dancing for the Merri-Eights.

And where would we be without GRAND SQUARE? On behalf of our Club, many thanks to Doc/Peg Tirrell & all those whose efforts provide us with such an abundance of S/D schedules & general dance information. We, personally wouldn't be without it close at hand! (Thanks for your kind words!)

As the Winter S/D season draws to a close & we all start looking for places to continue dancing during the summer, don't forget the NNJSDA summer dances; try to attend some of the workshops that will be conducted most of the summer; & please feel free to join the Merri-Eights at our Summer Dances - look forward to seeing you there! (See our Ad, page 21).

HAVE A VERY HAPPY SUMMER!

When you read this, we will have welcomed our Graduating Class into Masqueraders at a special party in April and into Princeton Squares at the potluck dinner in May. Congratulations, New Grads! Members of Princeton Squares & Masqueraders danced at Quaker Bridge Mall recently for Cancer Education Day. Thanks, folks, for coming out & helping in this way. Can't name you all, but YOU know who you are.

We are especially pleased to welcome Bill Mills back to the dance floor after his long absence. It just wasn't the same without Bill & Joan. Summer plans for many include a week at Papoose Pond. Wouldn't we all like to go! Well, we stay-at-homes will find dances, too. See you there!

We've said farewell to winter & welcomed spring in our usual exuberant way. Our special with Rusty McLean went very well & attendance was not affected by an earlier snowfall. Luck has been with us weatherwise this year, but we did dance on Mar. 13 when we weren't so fortunate. Our Fun Dangle night inspired all our "crazies" to let loose: hats, lemons, apples and blindfolds were abundant. Thanks go to those who participated in our square + round demo at Menlo Park Mall also in March. It brightened up a shopping trip for many, especially the kids. Our bowling expedition two weeks later was just as much fun, though quite a few of us "felt it" the next day.

Valentine's Day is far behind us, but once again Cupid's arrow had left its mark on our club. Congrats are in order for newlyweds Sue Morris & Al Trapanese and a very cozy pair of engagements - Craig Sherman & Vicki Smith, along with Craig's sister Laurie and Alan Hardy. The best of luck to all!!!!!!

It's been a pleasure reporting for you this season; so on behalf of all of us here in New Brunswick, have a terrific summer of dancing!!

Bob Comte became a member of the San Juan Squares when he visited Puerto Rico recently and now wishes to try for the Bob Kellogg Scholarship Fund offer of five days at Earl Johnston's Caller School. Hilda Sers was awarded the Rose of Tralee corsage at our Emerald Ball. Audrey Hauser has recovered from her ladder accident and promised not to take "Two Steps At A Time" - - - "NON DIMENTICAR!"

Our third Saturday dance in May will be our Graduation Dinner-Dance inasmuch as our April date had to be cancelled. We deferred to the undisputed, arrow-shooting markmanship of that famed, unclad, winged, little boy of mythological fame better known as - "Cupid". (ed. In other words-there was a wedding in the church!)

George & Bertha Yezarsky and Bill & Marie Morrison - the indefatigable stalwarts of Catch All Eights, North will present our new slate of officers. We shall all miss George/Bertha as they wend their way across America the Beautiful in their well-appointed, new camper. George, in true MacArthurian fashion, promised, "We shall return!" We wish all a very happy vacation and look forward to next season's joys and friendships of square and round dancing. reporters - Clem/Vi Hayes 914-357-0930

Catch All Eights

Our third season of CATCH ALL EIGHTS has again been most successful. 4 sets graduated from the East & 3½ from the North. In all approximately 16 sets have returned to their clubs during our 3 year existence. This would not have been accomplished without the help of dedicated dancers & callers. Dick Lighthipe, CCNJ Liaison arranged for providing the callers. Dick was principal caller for North & Betsy Cotta for East with guests filling in between. These callers have accepted only a very nominal fee which is true dedication. Callers who assisted were Fred Weiner, Art Seele, Paul Brody, Joe Fioretti, Jim Howatt, Fred Fields, Jules Pozsar. Ann/Joe Kohutis chaired East with Ruth/Ted Zmich assisting. Bertha/George Yezarsky chaired North with Marie/Bill Morrison assisting. These four couples have done a terrific job of keeping everything running smoothly and making sure everyone was happy.

The dancers who have attended CAE have expressed delight at having another chance to get back up to club level in such a relaxed way and their enthusiasm is boundless. They have asked that their Chairpersons convey their gratitude to both NNJSDA & CCNJ for CAE.

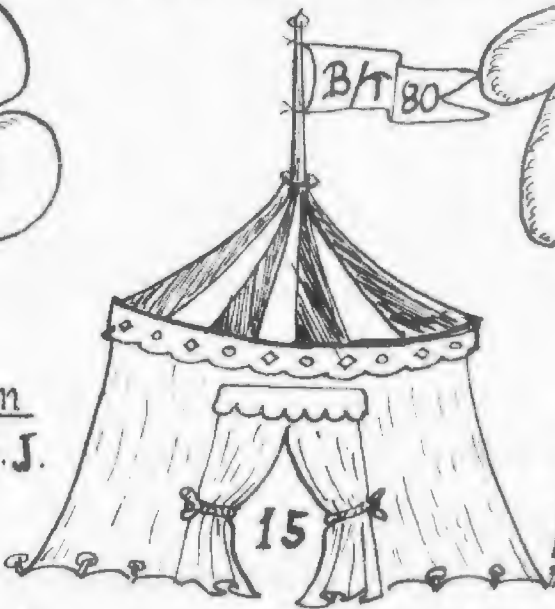

Plans are underway to schedule another Season starting September 1980. Watch for flyers and please pass the word to Dancers who have had to drop out for awhile, or recent graduates who would benefit by this workshop. For more information phone Nan/Frank Habersberger 201-233-8764 or Dick/Cookie Lighthipe 201-233-7862.

 on Wednesday, March 5, 1980.

"Where, Oh where has our caller gone?" Texas, as it turns out, and without so much as a "Be seeing Y'All." One of our members got the word via the grapevine and we were able to get Paul Brody to fill in our March slot. Thanks again, Paul. Joan Neustader & Bob Kassinger engineered a successful raid on Ocean Waves in March. We all had a marvelous time & a number of our members were "Bazonga"ed by Frannie Heintz.

Seeing all those BOOSTER TAGS fluttering about in February & observing how many dancers went out of their way to buy at least 2 Booster Tags was most heart warming to your GRAND SQUARE staff...& we appreciate your support more than our words can ever say.

As of this typing, & with 6 clubs still to report, the GRAND SQUARE Booster Drive has raised a little over \$1600. As was expected, our last issue featuring names/addresses of graduates (700- just think if every delegate had contacted them for 2 tags!!!) left us with a mighty deficit. The Drive so far, & the deficit of 4 issues, just about balances each other. This issue's deficit (we average about \$400) & the remaining contributions will tell the tale of whether we end in the black or red. COVERED BRIDGE SQUARES -- Nutley, N.J. (+1)
 2 & 4 Fridays Franklin Reformed Church, Hillside Crescent

Our March special dances met with mixed success. The St. Patty's Day dance followed the only significant snowfall of the winter, so the well known luck of the Irish isn't always good. On the brighter side, the Easter Feast was great, starting with a homemade covered dish buffet dinner, followed by an evening of good dancing called by Paul Brody with Ellie Tout on rounds. Among the guests were Association presidents Frank & Nan Habersberger as well as our regular caller Jules Pozsar & wife Martha. Jules couldn't resist calling one tip on his busman's holiday. Festivities ended with more calories in the form of an infinite variety of cakes and cookies. Our members have also been quite busy with demos and raids this year, the latter giving our newer dancers a chance to widen their acquaintance with Northern New Jersey Clubs.

One of the nice things that happen in the Spring is graduation. Congratulation to the new graduates - and a small word of advice. Graduation is called "Commencement" for good reason. Having finished classroom instruction, you are ready to commence learning mainstream dancing by attending as many graduate level spring and summer dances as you can find time for. Then, you will feel confident and comfortable when you start club dancing in the fall. You'll have more fun & so will the others in your square. Have a good summer, everyone. We hope to see some of you in Nutley before the season ends. Reporters-Wally/Margie Cox 201-667-8411

Well, another Cross Trail Season is coming to a close, but before it does we will have the pleasure of dancing to Frannie Heintz in May. We kid you not, he's a fun caller, so be sure to come & dance with us, you will find a lot of friendly people there. See our ad on p 4. Our last dance is the second Wednesday in June with Dick Maddocks calling. Our dinner-dance was a success & a good time was had by all. Our various activities were also successful - demos, Pot-Pourri, Mini Festival & whatever else our members got involved in; at this writing our Mystery Bus Ride is still a Mystery, but we're sure it will be great.

We wish you a Happy-Healthy-Safe Summer. Keep dancing all summer. Thank You, All for coming to our dances this past season, we'll be looking forward to seeing you in the fall. Watch for our flyers and ad. Everyone is always welcome. Our first dance will be Open House September 10 with our new club caller, Paul Brody. Welcome to Cross Trail Squares, Paul, hope you enjoy a successful season. See you in a square. HAPPY DANCING!

Alpine School, Andover Road

Our official dance season is too quickly coming to an end, but we can't let it slip by without special thanks to our outgoing officers for their timeless dedication all year long to insure that everyone who attended our dances had as much fun as possible - the entire membership appreciates your efforts! Our thanks also to John/Freddie Kaltenthaler who always make everyone comfortable, & to our guest callers too for their participation in our favorite activity. We're sorry to report our capable R/D leaders, Jess/Jean Elrod are leaving, but we wish them well in their new environment & know Sparta's loss is Fairview, S.C.'s gain of a very personable & smooth R/D couple. We won't be without rounds though as we're contracting with another friendly couple, Joe/Peggy Dockry, so be sure to watch for our announcement flyers, & come up & welcome them with us.

It's also time to announce and congratulate new officers: They will be installed at our annual covered dish dance in June. We look forward to working with this slate to make each program as much FUN as possible. Plans are underway for our annual Family Picnic & also our participation in the 4th of July parade, and in mid-August we recruit new dancers by annually demonstrating at the Farm & Horse Show.....thus while our season is ending, our enthusiasm never does!

Have a healthy, happy summer & we look forward to having YOU square up with us any time you're out Sussex County way!

Bloomington Avenue School

Welcome all new dancers to the wonderful world of Square Dancing. A special thank you to all the new graduates who joined us at our Open House in May. The fun has just begun!

On a more serious note: our members met in March faced with the necessity of selecting a club caller for next year. Ours was doubly difficult since Bob Kellogg had not only been our club caller but also, with the able assistance of his wife Jean, our round dance cuer as well. We were fortunate in obtaining Ron & Ree Rumble to cue the rounds and with Mike Foley agreeing to teach our beginners class, we were left with the major task of selecting our caller. There were several good choices and thru an exercise of the Democratic Process we agreed on our choice & it was a good one.

Bill Chamberlain has taught our beginners class this past year and has been the guest caller at several of our dances. He is well known to most of our members promising to continue the fine tradition of Dancing Squares as a fun club that enjoys serious dancing. We are looking forward to a great year. Come join us.

Remember our Pot Luck supper & dance in May; supper at 6 Pm, rounds at 7:45 with Jean Kellogg and Squares at 8:30 PM with Bill Chamberlain, our newly elected club caller. Refreshments during and coffee and cake after the dance.

Reporters note: In our last report we errantly stated that Jean Kellogg had cued the rounds at our New Years Eve Party. In order to correct the records please be advised that our own Gert Young did the honors. Many thanks for a job well done!

ROUND-UP to Staten Island residents has a special meaning all its own...congenial crowd...stroll by the sea...delightful dancing...sharing supper.... pure pleasure. And all because one couple had a vision - pooling the talents of all 4 SI clubs to produce an Island Festival.

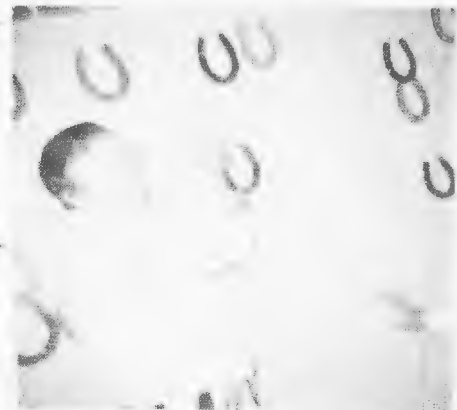

Prior to this while the SI clubs had cooperated they'd never worked together on such a large project. But Ethelmae & Bill knew they could - & with their gentle prodding, sense of humor, & encouragement others began to believe.....and soon the Wilders' impossible dream became Reality.

A prophetic name was chosen - "United Squares of Staten Island". Ground rules were laid to enforce their purpose - "A full day of excellent dancing using callers not normally in our area"...advance reservations only with tables for box supper with United Squares providing the coffee/tea.

Ken/Agnes Schmidt agreed to be registrars. Flyers were designed. An ad (with wrong date) submitted to GRAND SQUARE. And on May 4, 1975 a sell out crowd oohed & aahed over the fabulous decorations. Gone was St. Joseph's By the Sea High School Gym. In its place was the ROUND-UP CORRAL. By the way, these decorations are carefully dismantled immediately after the dance, stored, refurbished, added to & all lovingly reassembled every year. Repeaters have fun trying to discover what's new THIS year! (Where DID you store the carriage & outhouse - complete with customer & Sears catalogue - from '79? A common ROUND-UP sight is couples taking the 5 minute stroll across the school's back forty to the spacious beach. On a clear Sunday you CAN see forever!

Is the ROUND-UP successful? Well, their 60 sets capacity is reached earlier each year. The Chairman is appointed in June and committees immediately start functioning. In '79, Chr. Donna & Bill Anderson discovered 110 of the 480 regis-

tered dancers were 5 year repeaters! These names were posted & a special brass dangle was awarded to the 104 who came. Enhancing the ROUND-UP theme was a huge WELCOME spelled by 54 large wooden horseshoes branded for every club represented. These were later removed & given to a club representative as a souvenir. Every dancer was also presented with a garter - a poignant reminder of one of the ROUND-UP's staunchest supporters, Tony Gaeta, donator of the lace, who had passed away just weeks prior to the dance.

As the Andersons said - words can only in some small way indicate the atmosphere & feeling that are present at ROUND-UP time. The congeniality, friendliness & love of fellowman overflow. We are blessed with an excellent, hard working committee who do more than their own share before, during & after the ROUND-UP - It is due to all of them that the Chairmen seem like a Miracle Worker. IT is they who make square dancing truly what its symbol would indicate - Interlocking Squares...not separate clubs each going their own way. Interlocking Squares - another prophetic name - BUT that's another story for another issue. Our Congratulations for all involved in the ROUND-UP.

1 & 3 Fridays

Paradise Knoll School, Paradise Road off Rt. 23

Congratulations to all graduates. We welcome you into the exciting world of square dancing. We are sure you will find many new friends as you travel around the different clubs. We will be continuing our summer dancing so we look forward to seeing old and new friends during the summer months. We'll be dancing again at West Milford's Annual Township Fourth of July Picnic at Bubbling Springs.

The first Friday in June the members will be enjoying a pot-luck dinner and meeting before the dancing begins. In April we sponsored a benefit dance for young Tom Pierce who has Hodgkins Disease. It was so beautiful how different organizations helped us out to make this dance a town-wide success. Thank you all for your generosity, I know that Tom's Parents appreciated it along with Tom.

To enable Round Dancers to better evaluate a Round Dance, ROUNDALAB, the International Association of Round Dance Teachers, has adopted a point system devised by Dave/Shirley Fleck. By using this as a guide, teachers can more accurately determine where a dance fits in the total R/D picture. Your NNJRDL Council is using the Fleck System as an aide in clas-

sifying dances for determining their S/D & R/D Rounds of the Month.

ROUNDALAB mails to its members a monthly rating sheet of all the recent rounds released. ROUNDALAB will hold its fourth annual meeting October 26 to 28, 1980 at the University City Holiday Inn in Philadelphia, PA.

The NNJRDL will hold its next meeting Sunday afternoon August 3 at the home of Walt/Grace Pennie RD 2, Box 723, Dover, NJ 07801. This will be an afternoon and evening meeting where the leaders will make plans for the coming season, hold a workshop and chose ROM's. All R/D leaders in the NNJ area are cordially invited to attend.

SWITZERLAND IS WAITING! "ALP" YOURSELF!

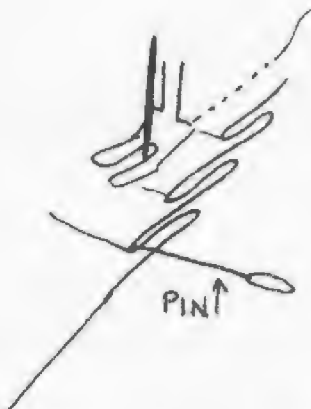

The SQUARE PINCUSHION
 completes the gathering
 techniques.....

Last issue we discussed the ruffler, & gathering over a channeled cord.

There is one more method which takes some practice to master but when mastered will simplify the ruffling of crisper fabrics that are too stiff or too heavy for the ruffler attachment. Using your regular sewing stitch &

straight stitching not zigzag, place your presser foot about $\frac{1}{4}$ " from the edge. Sew slowly guiding the fabric with your left hand & using a long pin (a hatpin is perfect) make small tucks, pushing the fabric with the point of the pin about a $\frac{1}{2}$ " in front of the presser foot, holding the tuck in place as the foot rides over it then repeating the process over & over. Go S-L-O-W so you won't sew over your finger- keep the pin or needle at 90° angle so it doesn't break the needle as you sew- also your presser foot should

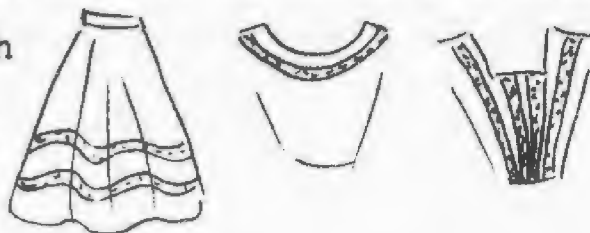

be the hinged type (the kind that sews over pins).

The tucks can be as deep or as shallow as you wish. You will find it easier to prepare your ruffles by joining the pieces and hemming where necessary then doing the tucking in one continuous sweep.

There isn't space to do the tiered skirt so we'll have to save it for next time however I do have a few other tips.

The newest fashions for spring and summer are showing insertions of lace....and couldn't we do things with that to our square dance attire...bands in rows on skirts, several rows down the front of a bodice or around a neckline, round or square or even a 'V'...

perhaps with a matching edging. Be on the lookout for somelight-weight fabrics that make lovely dresses such as dimities, dotted swiss, a take-off on organdy and that type, printed and plain, just remember that too sheer may need an underlining and be sheered extra full.

Any questions feel free to ask for help either at a dance or call me in the evenings or on weekends at 687-0342.

Till next time,
 The SQUARE PINCUSHION *Rose Ericson*

Our club held its first annual President's Ball in February with fourteen clubs represented. Each presidential couple was presented with a log cabin badge and a cherry corsage made by Mary/Rich Moody. Photos were also taken of each couple by Art McEwen. By the time you will be reading this our class will have graduated. This year our class of twenty-six members were instructed by Dick Pasvolsky. Each graduate has been given a Big Brother or Big Sister who will introduce them to other members of the club. Congratulations to all graduates in all the surrounding clubs. Hope to meet and dance with you soon.

Have a good summer. Keep dancing.

every Tuesday HI TAW TWIRLERS -- New Milford, N.J. (+2)
Middle School, Roslyn Avenue

As we approach the end of the current dance season we extend our sincere thanks to all of you who supported Hi Taws and the other great clubs during these troublesome times of high gas prices & periods of extended illness.

A recent poll of our callers has indicated that attendance has been off about 25% at most clubs this winter season. Although we strive to provide some of the best callers in the area there can not be a successful dance without dancers like yourself.

Our April Treasurers Ball and our Mystery Bus Ride to Kuntry Kuz'ns was great. The third Tuesday of June we'll have our annual dinner dance - dinner at 7 - reservations required. We'll dance 8 to 10:30. Have a great summer. We look forward to seeing all of you at our first dance on the third Tuesday in Septemebr. (see our ad on page 42)

Thanks to all the round dancers and cuers that made our Spring Dance such a success. We had over 50 couples, including some recent graduates. We appreciate your use of the suggestion box and request that you keep your suggestions coming. Keep dancing over the summer.

Jean & Jess Elrod will be moving to South Carolina soon. We'll miss them and wish them good luck in their new abode. Their departure serves to point up the need for more R/D leaders in our area. Should anyone desire to "Take One Step", please contact us (201-635-2914) or your nearest R/D leader - all have expressed their willingness to help anyone interested in learning to cue/teach rounds.

Stillwater School

Another year of dancing closes and at our May Dance, retiring presidents, Ruth/Bill Huebner turned the reins over to Lucille/Bill DeRoche. Thanks to the Past Officers and Good Luck to the New.

We held our Graduation Dance in April welcoming new dancers into our Fun Square Dancing World. Graduates of other clubs attended. Our last dance of the season will be a covered dish supper dance - come contribute and participate in the good food & dancing. Some of our members will then be off to the National Convention in Memphis.

During the summer we expect to have our picnic as well as dance at the Sussex Farm & Horse Show. We are looking forward to the Summer NNJSDA Dances & the Specials of the various Clubs. Dick will have summer workshops on Monday evenings at the Hope Community Center in Hope, NJ (3/4 mile off Route 80 on 521 South).

Our first dance next fall will be the third Wednesday in September at the same school with Dick Pasvolsky. Jean/Jess Elrod are moving South - we hate to see them leave - they have been Good Friends and Good Round Dance teachers. We welcome the experienced and capable Peg/Joe Dockry to cue our rounds. Come enjoy our Fun Dances again.

The making of a square dancer. With the development stage about to climax! Here comes the grads. Can you imagine, being thrust out in the S/D arena after graduation - what a traumatic experience, almost like seeking employment for the first time - the interviewer asking what experience do you have?

The S/D world is much more sophisticated today than in the past. The student of today must, with intent & desire, adapt to a steady & unrelenting routine to gain the pleasure of his club. Experience is a product of time & effort, both parallels must be exploited. But lets not lose sight of the fact that at this time they must be nurtured by all of us. Encouragement and most important, participation are the key ingredients. Remember we spawn once a year. The growth of a club depends on its offspring. Recognition must be given to Professor Bob for his masterful efforts and to the angels for their stead-fast support.

Spring & summer events aside from our regular schedule dance will include the traditional covered dish, dinner and a raid to be announced - a picnic weather permitting, & our summer dance specials. (see ad p. 17) Thank you Bill Chamberlain for a pleasant Easter Dance and a special thanks to the Bellottis for the rounds. To all those who supported our efforts -- Thanks. While our Nominating Committee is busily selecting a new slate of officers for the 1980-81 season, it is only appropriate at this time to express our thanks & appreciation to the dedicated dancers who have spent this past year performing those functions that make our Club "tick"..... Presidents Tex/Bert O'Brien; VP's Powell/Julia Hall and Mel/Dorie Gershman; Sec. Wil/Helen Jemison; Treas. Al/Mary Dulovitz; Past-Presidents Harold/Margaret Hodes; NNJSDA Delegates Mike/Sheila Yurochko.....and of course, all those too numerous to mention who have "assisted", "chaired", "baked", "filled in", etc.....thanks to all for making it another successful year of fun filled dancing for the Merri-Eights.

And where would we be without GRAND SQUARE? On behalf of our Club, many thanks to Doc/Peg Tirrell & all those whose efforts provide us with such an abundance of S/D schedules & general dance information. We, personally wouldn't be without it close at hand! (Thanks for your kind words!)

As the Winter S/D season draws to a close & we all start looking for places to continue dancing during the summer, don't forget the NNJSDA summer dances; try to attend some of the workshops that will be conducted most of the summer; & please feel free to join the Merri-Eights at our Summer Dances - look forward to seeing you there! HAVE A VERY HAPPY SUMMER!

Members of Princeton Squares & Masqueraders danced at Quaker Bridge Mall recently for Cancer Education Day. Thanks, folks, for coming out & helping in this way. Can't name you all, but YOU know who you are.

We are especially pleased to welcome Bill Mills back to the dance floor after his long absence. It just wasn't the same without Bill & Joan. Summer plans for many include a week at Papoose Pond. Wouldn't we all like to go! Well, we stay-at-homes will find dances, too. See you there!
