From the desk of

LIV & BOB CARLSON, presidents NNJSDA

The Association grew by two clubs on September 21, 1980 when the delegates voted to accept Belles & Beaux and Western Wheelers into membership. Hill City Squares and Ramapo Squares were reinstated in other action of the delegates. This atmosphere of cooperation and acceptance expressed at the meeting should carry over to the many activities of the square dance clubs and the association.

Beginners classes are now in full swing as we seek to share the friendship of square dancing with others. Special holiday dances will provide some opportunity for class members to dance and use what they learned in a dance setting. Don't forget to encourage past dancers to re-learn or practice their square dancing skills at Catch All Eights.

The Mini-Festival requires many hours of voluntary service to plan and conduct. This years festival looks like one of the best. The food alone sounds worth the donation of admission and we hope to see you November 30th.

Writing of voluntary hours reminds us that January 1, 1981 will mark the move of Nan & Frank Habersberger to Florida. They have served NNJSDA in every office except Treasurer and organized Catch All Eights. They have given leadership to many other association activities: LUST, Mini-Festival, and Special Dances. They started the Ball and Chain Square Dance club in Brooklyn and served "Y" Squares in a number of offices including president.

NNJSDA will miss greatly the congenial leadership of this busy and hard working couple. Good luck and happy dancing for we know our loss will be Florida's gain.

WESTERN WHEELERS -- Park Ridge, N.J. (+1)
2nd Wed; 4th Sat. Congregational Ch, T31 Pascack Rd.

Western Wheelers are bustin' with pride! We are the NNJSDA's newest members and the good turnout we had at LUST demonstrated how important we felt that to be.....

At the fall gathering of our club there were several new Rover badges flashing and happy reminders of 1980 vacations were facsimile badges from other clubs: The Paddlewheelers of Vicksburg, Miss; the Key Kickers of Key West, Fla; & the Island Allemanders of Martha's Vineyard to name a few. Our past presidents, Fred/Gloria Graves, have danced their way from the mid-west to the Carolinas and who knows where next??? Draft (birch) beer, pretzels, weiners & sauerkraut were on the menu as a full house celebrated our Bavarian Festival at the Sept. dance. Beginning Round Dance lessons by Ed/Les Shearwood are featured at our dances on the 2nd Wed of each month at 8 PM. When we square up at 8:30 on the 2nd Wed, and the 4th Sat. Bruce Vertun is at the mike. See you there! *Charlie/Lois DeBrock 201-391-8337*

BELLES AND BEAUX -- Glen Rock, N.J. (MS)
1 & 3 Wednesday Hamilton School, 380 Harristown Road

Belles and Beaux are proud to announce their acceptance as a member of the NNJSDA. Delegates Velma/Ed Fanslau attended the September delegates meeting. September has been our month for spreading the good news about the fun we have square dancing. We danced exhibitions on two consecutive Saturdays at the Garden State Plaza shopping mall in Paramus. Several of our members performed at an all day outing at the Oak Ridge Lodge in Sparta. Our free open house attracted twelve squares of dancers & prospective dancers, many of whom signed up for classes at the Glen Rock Community School conducted by our popular caller, Paul Brody. We have been raided by the Tenakill Twirlers and Hix & Chix. Also in October we had our Amateur Callers' Night. *Frank/JoAnn Chiari Krueger 201-444-7818*

Y SQUARES -- Clark, N.J.

(MS)

Carl Kumpf School, Mildred Terrace

A tremendous turnout of old & new square dancers came out to our open house, first-dance-of-the-season. Everything got off to a roaring start & it looks like a very promising class will be joining us at regular dances in a few months. Of course, they may have a bit of trouble finding us since we'll be hopping back and forth between our regular location, Carl Kumpf School in Clark and our alternate location, the VFW Hall in Iselin, where the NNJSDA held some of their summer dances. Seems as if we can't get the Clark School opened any more on holidays, so four times during the year we must relocate. Please see our ad elsewhere (p. 41) giving callers & locations for our next few dances. Don't know how to get to either location you say? Keep looking - maps are in this issue!

We all appreciate the tremendous letter to the editor published so prominently in the Newark Star Ledger a few weeks ago. It was written by our own Maurie/Taras Berlinut and was extremely well done.

Our club had a good turnout at Lust. We participated in some excellent discussions on the problems of newer dancers finding places to dance at a reasonable level. You have that problem? Welcome to Y Squares. We start out the year at Mainstream, progressing gradually to +1 by years end, including quarterly selections. We'd love to have you join with us and enjoy dancing together. See you soon. Art/Nancy Clough 201-499-0925

Catch All Eights

WHAT is it?

It is a unique workshop established and co-sponsored by the NNJSDA & the CCNJ as a cooperative effort on the part of these organizations to help keep our dancers dancing.

It is workshops based on relaxed dancing to the basics. It is not a club. This re-teach is based on continuous dancing with the dance level gradually raised through Main-

stream. Each evening's dancing is patterned after typical club dances with a "patter" & a "singer"; spot teaches are given where needed.

For WHOM???

For anyone, who for any reason,, has dropped out of square dancing after graduation. It is not a beginners class.

WHEN?????

The EASTERN WORKSHOP of CATCH ALL EIGHTS (CAE) meets Mondays 8 - 10:15 at the VFW in Iselin. Call Evelyn/Harold Torode 201-549-2608 or Mary/Eugene Ciallella 201-687-0844 for information.

The WESTERN WORKSHOP of CAE meets in the Blairstown Elementary School on route 521 which is Stillwater Road, off Route 94. on Tuesday 8-10:15. Call Catherine/Fred Hill 201-459-4667 or Trudy/Jack Austin 201-383-8678.

The NORTHERN WORKSHOP of CAE is presently looking for a hall.

Come when you need this refresher course and come as often as you wish. It is suggested that long term dropouts should plan to attend the entire course of CAE.

Tenakill Twirlers started its 31st dancing year with a full hall of happy dancers in September. Treasurers, Olive/Frank Enos handed out danglers to members signing up for this big birthday year, & we understand Art Rellinger is diving for pearls for the big dinner dance in March.

Four squares boarded the TTT express train in October 1st to raid the Belles & Beaux...colliding head on with an equal number of raiders from Hix & Chix. A case of the more the merrier, & a great time was had by all. We hear the TTT's next trip will be a boat cruise! Watch for it in these columns. The class in New Milford is off to a good start under Bill Heyman's expert guidance. Thanks to the Venables, Mastrobertis & Calmbachers for their hard work in organizing it. A hearty welcome to the Western Wheelers into the NNJSDA. PAUL/DOROTHY PULLMAN 201-568-5138

2nd Friday TENAFLY SQUARES -- Demarest, N.J. (QS)
Baptist Church, 563 Piermont Road

Our first dance of the '80/'81 season opened with the "Happy Caller", Fred Weiner; who substitutes for our regular but ill Paul Brody. Everyone had a terrific time relearning those "dance maneuvers" which were kinda forgotten over the very hot summertime. It has been said Dance all Year and that is very true. But soon, we were all spinning & twirling to the beat we love. Many June graduates were our guests - along with other club members who joined us for the evening. We love to see you all - keep Com'in on over! We were delighted to have another guest, Mr. Reg Mogridge & his lovely wife Barbara. They were visiting us from Winchester, England where they were past presidents of the British SDA. The new officers officially began their year with this first club dance & great things are planned. The club's presidents and VP's attended LUST at Montville & felt much was learned to benefit both dancers & clubs, of all levels. Looking forward to our "regulars" plus many new dancers in the months to come.

2nd Saturday SWINGIN' STARS -- Maywood, N.J. (+1+)
Maywood Avenue School

No matter how you slice the pie, the first dance of the season is always special. Each square dance club has its own "ambience" (that is the fancy way of saying 'atmosphere') and many factors contribute to this happy situation. Yale Carroad, who designs our flyers, is one such contributor. In fact, he prepares the dancers. Take a look at our flyer - the front & back give the pertinent info - like club, callers, location (map), starting time - and the inside - that's the fun part - written by Yale with tongue in cheek. He classifies himself as the "Official Heckler". All the same, he has given us a lot of pleasure with his ability to string words together.

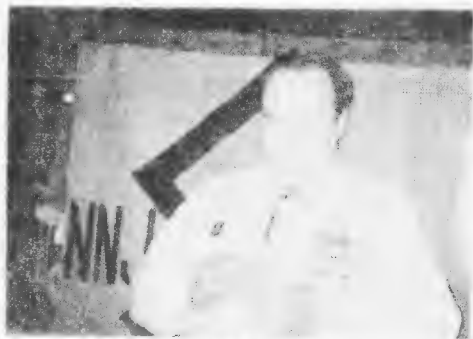

So come join Art, Shirley, Evelyn, Yale, Dorothy, Paul and all the others who contribute to the happy ambience at Swingin' Stars. And in case you missed the November dance and we couldn't do it in person - a Happy Thanksgiving. Round Dancers - you know it is 8 PM and Squares - 8:30 for you. See you around a square. reporter - Connie Woolf 212-TR7-8853

STATEN SQUARE SET -- Silver Lake, Staten Island, N.Y. (+2)
1 & 3 Saturdays Our Lady of Good Counsel School, 42 Austin Pl.

It was a great summer vacation with one fun dance interlude. What are we talking about? Big Top, of course at Sheraton Poste Inn in Cherry Hill, NJ in August. It was the whole works. Dancing, fun and entertainment. Meeting and greeting old and new friends. Old pro's and new graduates... we had a blast. And the crowning of "Miss Big Top" - Woweee. Chairpersons Tony/Gloria Buffa & their whole committee did a super job. Thanks folks from all the Big Toppers. Our barn dance was a sell out. Our non-dancing friends enjoyed themselves immensely. We sure were proud of our club to introduce them to the beginners world of square dancing. A few were also recruited for classes. Just great!

If you haven't noticed by now- our club has MOVED to Good Counsel School. Please note our ad on page 11. Summer is over, all you Staten Square Set members, old & new come back - your club needs you.

"We believe that it was W.C. Fields who created that absurd & memorable reference to a vacation reward. He said that the 1st prize winner of a contest would receive an expense paid weekend in Philadelphia. The runner up, as a second prize, would receive two free weekends in the same town. The remark was meant to reflect unkindly on our fine neighbor to the south, but we can vouch for some splendid square dance weekends in Philadelphia - or many other places, for that matter.

The weekend has become a S/D institution - one which promises a wealth of good dancing, good times & good fellowship. As a matter of fact, it seems that the nicest people attend such events & chances are that you will come away with a number of new & good friends.

S/D weekends come in a variety of shapes and sizes to fit every individual taste. They range from an event sponsored by a club or caller & featuring one caller to a grand area promotion involving six or more callers, many ballrooms & a choice of levels. Do you dig camping? --outdoors groups sponsor these affairs, too. How about a cruise?

The sites for these get-togethers run the gamut from a modest hostelry in the "country" to a posh hotel in a city center - even Philadelphia. Some with meals, some without. Or, cook your own. And if round dancing is your thing -- that's offered, too.

There are two pitfalls which can detract from your enjoyment to a very large extent. If the weekend has just one caller, then the many sessions require that he have a talent which avoids repetitious choreography - or boredom is the result. Be selective for a weekend of this type.

The 2nd consideration is level. Regardless of the number of callers on the program, it is important to determine if there is a level with which you will be comfortable. There is nothing more miserable than to be locked into a constant diet of dancing far below or much too difficult for your ability or preference. Be sure to check out this important point. Far too few flyers mention specific level plans.

(please look on the bottom of page 19 for the last paragraph.)

SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+2)
 2 & 4 Tuesdays Cedar Hill School, Peachtree Road

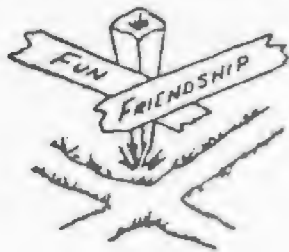

Our new class is off to a great start with caller/teacher Bob Tarrant. Thanks to the efforts of our class VP's Virginia/Bill Wilson & Kelly Roark and John Hay. Our regular caller, Carl Hanks, continues to make square dancing FUN & interesting, mixing a few experimentals & APD calls with our +2 dancing. Grace/Walt Pennie continue to cue the rounds. We are sorry to lose Dave/Gail Brunson who are moving to PA. No club can afford to lose such devoted members. This is a big year for demonstrations. Chairmen Ed/Virginia Kenny have scheduled eight so far. Bottle Hill Day in Madison was a joint venture with our sister club Hill City with 16 couples participating. Come dance with us. Don't miss our special in November with Brain Kingsley. See our ad on page 14. Square dancing is great for making new friends and having FUN. Ruth/Harry Knutson 543-7775

SOLITAIRES -- West Orange, N.J. (QS)
 1 & 3 Sundays (2-4:30 pm) Community House, 242 Main Street

Busy summer, busy fall. Many Solitaires danced at IDTT through the summer, following the Pied Piper (Bob Tarrant) on the road to +2. We raided Belles & Beaux, demonstrated for the Barakah Community, danced at Association dances, partied at the shore, saw Fran Enyart off to Georgia, & picnicked at Eagle Rock reservation. The West Orange Community House was having the gym remodeled & it wasn't clear it would be ready for our annual barn dance. But the lighting was in & the scaffolding was out & Paul Brody called for about 70 new people. A special thanks to our friends from Covered Bridge who helped with the demo tips.

Betsy Gotta is teaching our lessons at the Church at the Crossroads in East Orange on Wednesdays. Bob Kassinger and Sue Hartmann are handling the administrative details. We are making a special effort to workshop the Quarterly Selections this year & provide a solid Mainstream Foundation. Our callers, Bob Tarrant, Betsy Gotta & Frank Riviccio are working together to help us reach our goal. Anyone, single or coupled, who would like to join us Sunday afternoon's is more than welcomed.

The theme of this years tournament of Roses is the "Great Outdoors" with Loren Greene as Grand Marshall. Describing the float is John Fogg, who along with Charlie Naddeo brought the idea of a S/D float in the Parade to its fruition several years ago. With 3 float riders from the East Henry/Alice Thiessen-Dumont, NJ; Herb/Carol Arkin Pine Brook, NJ; John/Florence Hrozienc, CN; it is no wonder we all sold out the 1st supply of roses & are awaiting a new supply from Al Rosa of Leonia.

SEE SAW SQUARES -- Upper Saddle River, N.J. (+1)

1 & 3 Saturdays Old Stone Church Ed Center, E. Saddle River Road

Another fun year has started for See Saws. Our first dance was an "open house" & we were very pleased with the turn out. We had quite a few future square dancers. Our second dance was an Autumn Dance. We had 3 demonstration dances prior to the fall season. One at Rockland Community College & two at Nanuet Mall. Thanks to all who turned out to give the people a glimpse of what we do & for making them a success. We wish Dave/Adele Weiss speedy recoveries and we hope they're dancing squares & rounds soon. We're pleased to have Eugenis Mathsen dancing again.

Congratulations to a former member, Dave Gurowsky who got married this past summer & is residing & dancing in Washington, DC. Come join us for an evening of fun - We'll be looking for you.

RUTGERS PROMENADERS -- New Brunswick, N.J. (QS)

2 & 4 Thursdays Douglass Student Center

The Rutgers Promenaders continue a good year with strengthening of past interests and cultivation of some new ones. Classes attracted more than 50 new dancers & a bevy of "angels" who helped neutralize the female majority. All of the officers attended LUST and came back with LUSTY enthusiasm. Also, several of the Promenaders are adding calling to their square dancing activities under the tutelage of Betsy Gotta. In addition, Rowdy Roy's Round Dance club & lessons are busily adding another dimension to the activities. Finally, the "normal" square dance fun goes on with some especially creative QS dancing. Whether you're a recent graduate or a seasoned dancer, you'll find an evening of fun. Hope to see you promenading with us soon! Kathy Kelly 201-574-9788

If after reading the Koved's article beginning on page 15 you want to try a long weekend that is guaranteed to have something for everyone - consider attending a National Square Dance Convention. This year it will be in Seattle, Washington - June 25 - 27 - altho the ENTIRE week will overflow with tours, dancing, fun & friendship. Pre-register now (forms were distributed at LUST - Tirrells have a few more). No matter WHAT your dancing pleasure - squares - rounds - contras - clogging -

no matter the level - you will find it on the program...plus numerous seminars, panels, exhibits, demonstrations, etc. Plan to come and meet some of the nicest people in vacationland/conventionland Seattle, Washington.

When checking preregistration figures at the last NSDC in Memphis last June, Irene/Bill Morin discovered already 6600 dancers (total much higher now) had already preregistered for Seattle!!! Have you? If not-why not?

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y. (+2)
2 & 4 Saturdays St John's Lutheran School, 663 Manor Road

Traditionally we start our season with a Dessert Dance which has always been a great success. This year was no exception as we squared up in blessed coolness to Mike Foley and rounded to Shirley/Frank Bellotti.

Apart from the three other Staten Island clubs, all our visitors have to cross a bridge to dance with us. This year beyond all others, the bridge toll & entrance fee (which remains the same as previous years) are bargains. We have a fantastic schedule of callers. Every dance should be great. We suggest that you obtain one of our programs & study it. You will see what we mean & will really be impressed. Three of the SI clubs - Richmond, Isle & Ocean, have joined together in running a class this year. Marty Clifford is the professor & the students are in good hands. We hope to see you all at our hall on Manor Road this season. Believe us, you will be welcome.

The new season of dancing began with lots of success, more than 10 sets. The warm weather of summer was still with us, but we all enjoyed dancing to the calling of Jim Adams & Bill Chamberlain. Our congratulations to Carol Weiler & Jim McKenna, both graduates of our club, who have recently become engaged. May they share many years of dancing. Welcome back to Bev/Ron Lommatzsch. This is their first time dancing since Ron's bad fall last April. We also welcome Bill/Martha Menzel as new members of the club. Bill & Martha learned to dance in Germany while stationed there with the army. They are now stationed at Piccatinny Arsenal. Our Open House was a smashing success Mike/Marion Lattig report. We have a potential of 55 new dancers. Angels we need you on Wednesday nights. At the open house Sally Hoff was presented with flowers - just to say thank you for everything. We extend our Holiday Greetings to all of you and an invitation to join us in dancing to the calling of Jim Adams & Mike Cleary. See our ad on p.36. There will be no dance on January 2nd due to school being closed. During the winter, if school is closed because of snow, there is NO dance that evening. Call Walt/Betty Harris (201-879-6868) if any question about weather closings. Happy holidays to all and to all Good Dancing.

A weekend of S/Ding is highly recommended as a superb form of the activity that you enjoy so much. It's good for what ails you - and then some. Partake as frequently as your budget & calendar permit. And, just like a any other vacation or travel, you can take too many clothes - or too little.

See you at the NNJSDA Mini-Festival - That's a bit of a weekend, too!"

By the time you read this, we will have kicked off our Fall season with Lee Kopman calling the Squares & the Gordons, subbing for the Tirrells, on the rounds. We extend "Holiday Greetings" To All and hope to see you at our dances this year. We are looking forward to our annual dinner dance which is always a special evening. New Year's Eve promises to be as enjoyable as ever with Lee Kopman leading the festivities. Taking advantage of the beautiful fall weather we again had a picnic at Campgaw Mountain Reservation.

So many of our members will be dancing in sunny Florida this winter we wonder if we should start a "Ramapo South". Newest couple to join these dancers is Dorothy/Frank Lapekas who will be retiring to Delray Beach but promise to spend the summers at Cherry Ridge Campgrounds. Les Manuel tells us he will be back dancing with us this Fall. Keep up the good work & welcome back Les/Dot. An outstanding list of callers has been compiled & we invite all interested in Advanced Level dancing to join us for a great evening. See our ad on page 7. Our special 30th Anniversary party was a terrific success with many friendships renewed and a program reviewing Ramapo's Life was very entertaining. 1 & 3 Fridays

Vag Hammar skjold School, Rues Lane

We started off the year in high gear with classes and then two weeks later with the calling of Glenn Cooke. We have 66 eager new dancers! After a summer of club dances in South River we're back on schedule at the Hammar skjold School 1st & 3rd Friday evenings. In the middle of September we put on a demonstration for a parent-child group at the East Brunswick library and discovered that while dancing on the carpet may be soothing to the feet, it's not too easy to turn & spin. The end of September saw us taking advantage of one of the last warm days when 3 sets put on a demonstration at the Village Fair in Old Bridge. The question - is it easier to dance on carpet or on a non level street? Both were challenges, both were fun. Our first October dance in October was our first special of the season - a pot luck dinner-general membership meeting & club dance.

Plans for the coming season are Thanksgiving dance, Christmas Dance, New Year's Eve Party & hangover Dance. See our ad on p 35 for more details. Keep in mind that we enjoy having our friends from other clubs visiting us. Keep on dancing. *reporters - Burt/Sylvia Caplan 201-679-8079*

Immortality, where are thou? Here we are on the threshold of our 20th Anniversary, a tribute to love & friendship that not only pervades but withstands the test of time. This event shall be commemorated in January with the renowned Mike Callahan. Watch for flyers & see our ad on p 50.

Excitement is on the way! For starters, "Turkey Swamp", our annual get together in November. Sign up with Barbara/Ed Lorenc. Welcome the New Year with the New Years Dance, another recourse to memory lane with Mr. Excitement, Bruce Busch calling. If this event is to replenish our parched earth, it's a worthy cause. To be amongst, contact the Valentines. Mystery Bus ride to be announced. As in the years past the bond of tolerance will only endure through love and friendship. *Ann/Bernie Novak 201-486-5096*

is faulty & the supplier refuses to make restitution, you have a place where you can register your complaint. Write to the address below, stating all the facts of the case & NASRDS will investigate & act as advocate. NASRDS % Judy Sapperton 7738 Morgan Ave. So.; Minneapolis, MINN 55423

At LEGACY II ('75) some of the LEGACY trustees who provided services (shops, records, etc) to dancers were discussing problems they shared. Realizing it would be to everyone's benefit to join together, they formed the NASRDS with John Pedersen of the Corral as 1st spokesman. The group has grown into a valuable organization in our overall S/D activity.

We believe that the members of Kings Squares have earned a pat on the back for a number of reasons:

They were the leading club in attendance at the summer dances of the NNJSDA despite the fact they had to cross 2 toll bridges & go to New Jersey all the way from Brooklyn.

In order to improve their dancing, they have turned out en masse to our advanced workshop every Tuesday.

Almost all of these enthusiasts are "angels" at classes.

Our members rarely miss our Sunday night dances.

With such a loyal and vivacious group, how can we not have an outstanding season. Look for our schedule on page 37. Come join us.

The Executive Committee provided an assortment of cake & the refreshments were enjoyed by all. Ralph Trout called our dance under a harvest moon & his calling was enjoyed by new & experienced dancers alike. Ralph must have been inspired by the Harvest Moon that guided him up from the Jersey Shore. Donna/Bill Anderson will add one more laurel to their many achievements in Square Dancing, Bill will call his first dance for the "Ocean Waves" this fall. Good luck Bill/Donna. *reporters - Jean/Jim Styles* 212-351-8231

Square Dancers are well known for their generosity. Besides numerous demonstrations, there are many benefit dances...Rutgers Promenaders & Al"e"Mo's (to name a few) "Toys for Tots" at Christmas; the NNJSDA first summer dance for the NJA for Retarded Citizens; Bob Tarrant's summer dance for Huntingtons disease raised \$100; The Allison's S/D workshop even sponsored a S/D couple Hannelore/Werner Baumaunn) in a walk-a-thon for Juvenile Diabetes...and e're sure there are many more we've never heard about...but all the recipients appreciate the love, concern and support shown by the dancers. Thanx.

HILL CITY SQUARES -- Summit, N.J. (+2)
Jefferson School, 110 Ashwood Avenue

1 & 3 Tuesday

Square Dancers Start Season at Jefferson

Hill City Squares, Summit's now 30-year-old square dance club, will begin its 1980-81 season Tuesday, September 16, in the Jefferson School, 110 Ashwood Avenue, with Manny Amor of Lakewood returning for his 13th year as the club's caller.

Dancing will be from 8 to 10 p.m., and Ron Rumble, also of Lakewood, will cue the round dancing held between the square dance "tips", a 15-minute stretch of square dancing.

Hill City meets on the first and third Tuesdays of the month, and its dances are at the M-plus-2 level, which means that all participants should be familiar with the 75-dance moves included in the "mainstream" group, plus two additional groups, each comprising a dozen additional, and slightly more advanced moves.

This fall, for the third season, a course for beginning square dancers will be sponsored by Hill City in conjunction with the Summit Area Community School. Classes will be held in the cafeteria of the Junior High School, corner Summit and Morris avenues, from 8 to 10 p.m. on Thursdays, beginning October 2, with Bob Benner of Edison returning as caller-instructor. Prospective dancers are invited to look in on the September 16 dance in Jefferson School. For more information, call Oscar and Laverne Olson, Hill City vice presidents, at 647-3038, or the school at 273-1141.

Graduate dancers can visit clubs all over the country, including about 30 in northern New Jersey, but all Modern Western Square Dance clubs require completion of a course in square dance basics for participation.

Hill City Squares was started in 1950 by the late Harlan S. Kennedy. Summit's then director of recreation, as an outgrowth of a Saturday night "Eastern" square dance, a barn dancing group, then sponsored by the Board of Recreation in conjunction with the YWCA.

Please read our ad on page 10.
Charles Baldwin White 201-273-4952

Hill City's PR man is busy with many articles & pictures in the local paper. We share the above to give others ideas for their area. This article also include a picture of transferring the leadership from the retiring pres. Frank/Pat Cirone to the new Pres. Stan/Sue Bronson.

FOLLOW UP - LEGACY - Questionnaires in summer issue....

56 dancers returned them to us and were part of the over 2000 responses from all over the country & overseas. The Browns, Executive Secretaries of LEGACY, report that from the many comments, excellent return rate & obvious thought & consideration given to the returns, it is clear that the dancers want a voice. In response to the question, "Why did you decide to take S/D lessons?" - NJ answered 48% - recommendation of friend/family; 31% saw people dancing; 18% tried it at a party; 13% saw an ad/flyer; 9% took s/d lessons at school & 2% saw it on TV.

When asked what features did they like the most - going down the list to the least likes - pleasure of dancing; new acquaintances; exercise & doing things with friends (tied at 3rd); the cost; learning new things; getting out; the clothes; the challenge; club activities; r/d; club leadership; mixers; contras. (NJ was fairly consistant with the rest of country)

Obviously some need more explanation, and this will be worked out in the future. The Tirrells, Koveds, Busch', Kaltenthalers, & Pedersens have a complete report if you are interested in reading further.

HOW does the NNJSDA cover its Operating Expenses?

Mainly thru the dancers support of the summer & special dance programs. ALL profits are plowed back into the NNJSDA...for such things as "The Manual of Mainstream Program S/D Figures", posters, promotional materials, diplomas, graduation packets, Freeloaders & Patron Program, establishment of Catch All Eights & other programs for the benefit of s/ding, Delegates Meetings, leadership (LUST) seminars, demonstrations, Mini-Festival, Insurance Program, summer dance program, NJARC, & to offset the GRAND SQUARE final deficit.

No Executive Board member ever receives any remuneration, although their phone calls & postage expenses are reimbursable. We have no car raffles - no garage/bake sales, etc - and with membership dues set at a minimal fee (\$357.50 last year) & expenses totaling close to \$10,000 (not counting Grand Square) one can

very quickly understand why we ask the dancers to support the Ass'n dances.

Many thanks to our outgoing officers, great working and square dancing with you. Congratulations are in order to our new officers - Pres. Ron/Judy Haven; VP C. John/Roseanne Lake; Sec Bill/Elsie Cassetti; Treas. Mickey/Margaret Hohmann. Welcoming our new members to our club in our fall season & know you will find such joy in square dancing as we have.

By this printing we hope the state Senate has passed the bill making Square Dancing the State Dance and that Governor Byrne has or will sign it. Received letter from Senator F. Herbert that he will vote for the bill. If square dancing becomes the State Dance we will be one "swing" thru" closer to making it the National Dance.

Hurrah! for the Thiessens from Hi Taws who have been chosen to be part of the S/D float participating in the Tournament of Roses Parade. Warm welcome to Western Wheelers for becoming members of NNJSDA. Seven years of trying made it all worthwhile. After a long convalescence, great to have Ruth Liss swinging again. GARDEN STATE SQUARE DANCE CAMPERS

Our September Hawaiian Luau at Otter Lake was the highlight of the camping season. The dance hall was decorated with coconut-bearing palm trees & flaming torch lights. The theme was carried through the after-party by the colorful Hawaiian outfits worn by everyone. The cuisine was superb & plentiful. This outstanding event was chaired & coordinated by Madaline/Ray Kircher. The different

chairpersons included the Enos, Farvers, Flanders, Ludlums, Maldonatos, McKays & Muellers. Able assistants included the Angerers, Blanchards, Brocks, Gardners, Greens, Hendersons, Houdes, Lutz', Renz', Stoffels' & Woodmans. The entertainment included "Hula dancers" in the guise of Ray Kircher, Bill Ludlum, Ozzy Mueller & Carl Ostertag. After

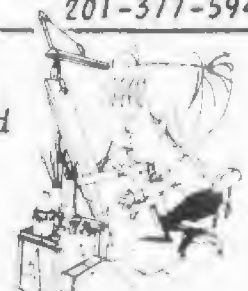

a quick change, Carl also sang a beautiful rendition of the "Hawaiian Wedding Song". Many thanks to Dee Ludlum, choreographer & costume designer/maker. Everyone in attendance had a fabulous time. One could tell that a lot of planning & hard work had been put into the entire affair.

Don't forget to pay those dues so that you will be eligible to attend our annual dinner-dance in January. *Ron/Mildred Nitzsche 201-377-5949*

We started our season with an "Early Bird" special on a hot September evening. We followed that up with our open house & introduced some more people to the world of square dancing. Fred Fields has become our regular caller & has been doing a terrific job. Fred really knows how to call an enjoyable dance & makes sure we all have a good time. We are looking forward to a really "fun" year with Fred & his wife, Barbara, & want to welcome them to Dancing Squares. Our round dancers have been kept in step with Ron Rumble & Jean Kellogg, both of whom have done a fantastic job as usual. So as the weather gets colder, why run up your heating bills by staying home on Saturday nights? Come out to Dancing Squares & generate your own heat on the dance floor. We also provide the fuel in the form of refreshments. Hope to see you in a square!

COVERED BRIDGE SQUARES -- Nutley, N.J. (+1)

2 & 4 Friday Franklin Reformed Church, Hillside Crescent

August was a zinger! Yet we beat some of the heat with another C.B. dance in the park under the stars. At the summer Association awards dance, Patron badges were won by Betty/Frank Olier & Doris/Al Moffitt. Also, Frank/Virginia Albanese, Rae Tellefsen & Buddy Goodell received Freeloader danglers = a fine percentage for our club. One sociable summer activity was an August picnic hosted by presidents Oliers. We jumped in their pool, danced & played games. It all began at noon, finally screeching to a halt at 11:30. With abundant food, a sensational chorus line (& other antics), it was a fun time to remember.

In September we had an attic & bake sale. One feature attracting customers was background music on the old hi-fi of classics by Benny Goodman, T.D., Bing Crosby, etc. People enjoyed listening & Victor Pietrucha could not resist a Lindy or two with willing partners! Your reporters joined the NNJSDA demo at the Liberty Park Ethnic Festival during the dedication of the partially restored historic emigrant train & ferry terminal across from lower Manhattan. Many folk dancers performed & square dancing was enthusiastically received. There were delicacies to eat, exhibits to visit & a view of Manhattan that was superb. With fall in the air, a busload of us travelled to the Poconos to have a tour of interesting historic places, & to visit several covered bridges in the area. A hearty Penna. Dutch buffet was burned off by dancing on an unused covered bridge with John Kaltenthaler as caller. We look forward to the winter season & to visits from our square dance friends! Margie/Wally Cox 201-667-8411

As we went to press, word reached us that ANNE GILL of Emerson, NJ had lost her valiant fight against cancer. Over the years Anne & her husband Arthur have made many friends as they square & round danced at many area clubs. Our deepest sympathies are extended to Arthur.

2 & 4 Saturday

With a new square dance year upon us, club activities are in full swing (no pun intended) with classes for students being conducted by Marty Clifford at Edison High School on Monday evening. Angels are always welcome! We are happy to see so many recent graduates back this Fall after workshopping all summer in the heat and humidity. Twenty-two Country Promenaders (including four new graduates) attended the Pocono Pow Wow in September. With weather warm enough for swimming, many earned their duck badges hard work!!! A fine time was had by everyone, especially visitors to Room 208 with its Queen of Burlesque in attendance! By the time this edition of GRAND SQUARE is published, our members will have danced at the Metuchen Fair & in Edison's Halloween Parade, both annual events, designed to encourage others to join in square dancing. Our loyal caller Marty Clifford always assists us in these ventures, as well as other times during the year when we dance for patients at JFK & Roosevelt Hospitals. With Carol/Bob Keller as Raid Coordinators this year, we anticipate many successful raids. Oh! Our last dance in December has to be moved to Herbert Hoover Jr. High-right around the corner! See you there. Tom/Vivian DenBleyker 201-548-6982

Here we are into the new dance season & just around the corner are the holidays. Our first dance was wonderful—we had it with Bill Dann who got us off to a good start. We knew it was time to shake out the summer sand and get our feet moving. Now we are back to a regular schedule with our caller Lee Kopman and our Round Dance cuers, Tom/Pat Cribbin. We are looking forward to a January special with a favorite caller of ours—Dick Jones (see our ad on p. 4). Hope you all have a great Holiday Season. Enjoy your friends, families and square dancers. Hopefully you will be reading this GRAND SQUARE before the hustle & bustle of the holidays is in full swing. We ask all ad makers and reporters and folks with class level news to circle DECEMBER 12 - our next deadline. For while you are scurrying about yee editors & helpers will be typing, pasting & proofing. Our sincere thanx to Dot Pullman, Art/Helen Rellinger & our ever loving families for without their help we would still be typing en route to Switzerland! If you are disappointed in your map - ask its creator - was it 3 x 3; black ink on white paper?

The SQUARE PINCUSHION
makes vests.....

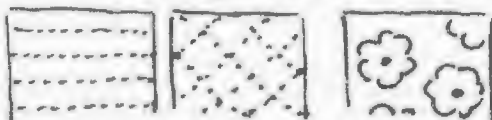

With cooler temperatures upon us what would be more practical than a vest for him and her? And as you will see the possibilities are limitless.

For added warmth, the vests designed for winter should be quilted. Now quilting can be done by machine or by hand or the fabric can be bought pre-quilted. Quilted fabric consists of three layers, the top, the stuffing and the bottom or lining layer.

The top layer can be made of corduroy, cotton, velvet, wool, fake suede, or almost whatever pleases you and your purse'. Be sure to pre-shrink washable fabrics and woolens and in the case of non-washables know

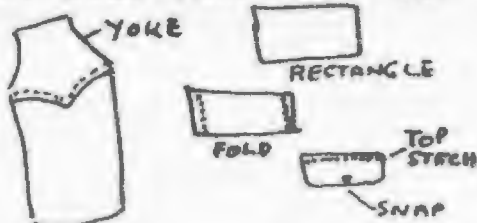

the cleaning required. If you're planning to do the quilting yourself, do the quilting before cutting out the vest pattern. Quilting can be done in squares or diamonds, or the new style in channels or if your top fabric is a print it can be outline quilted causing the design that is outlined to puff up. Place your pattern pieces carefully to take advantage of a design or if the fabric has a nap your pieces must all be placed in the same direction. Vest patterns with only 3 pieces (2 fronts and 1 back) work best. If you wish your vest to have the addition of a yoke, add that as a single layer of fabric over the top of front and/or back.

Sew darts if called for, then your shoulder and side seams. Finish your outer edges last. Outer edges may be enclosed in fold-over braid, self or contrasting fabric, fake suede or bias tape. Next come the closures. Some

people like vests without closures but they should be given a choice. You can use buttons and buttonholes, or snaps, or buttons with chain loops, or toggles, or ties, or loops and buttons or velcro. From a scrap of self-fabric or the type used for the trim, cut a small rectangle and make a pocket flap. Fold in half lengthwise, right sides together; sew sides, trim & turn.

Press. Turn under the raw edges and baste in place on the left side of vest. Sew on. Attach a snap to the center bottom and the other half of snap to the vest. Use this to attach the badgeholder with your badge. Perhaps, A piece of interfacing inside the flap and a small square on the reverse side of the vest under the area where the snap would be attached would be helpful as this will be a stressful area. A few notes- your lining fabric should if possible be made of a slippery fabric as this makes putting the vest on easier. And the best filling would be dacron. These would be super for Christmas gifts.

Happy Holidays, Rose Ericson

The International Association
of Square Dance Callers

For the quarter beginning Oct. 1, CALLERLAB
has selected one new movement for use in

workshops at Mainstream Dances. This move was written by Lee Kopman and is called COUPLE UP. From any Box Circulate Foursome, ALL BOX CIRCULATE one place and, without stopping, those facing out turn back in the direction of body flow to end in facing pairs. (For Right Handed Boxes, the flow is to the right and for Left Handed Boxes, the flow is to the left.) Timing is 6 steps.

Please remember that this is in the Quarterly Selection category and does not mean that all MS dancers must learn the figure but only those groups that enjoy something extra. It should be workshopped before being called at any dance advertised as a MS Dance. It appears to be another good way to get into facing couples from waves. It can be varied as to girls or boys doing the turn back and can be called from any of the formation partner pairings that permit this definition to be used (APD). Please note, however, that not all groups desire this call in other than standard positioning.

Excerpts from Joe DiSano's remarks at LUST on "Levels-Need, Use & Abuse"

"The introduction some years ago of the dance level identification system by CALLERLAB was celebrated as a milestone in the S/D movement. This universally accepted system, identifying calls of the various levels, was most welcome. It became a very useful tool for clubs since they were now able to select & advertise their level of dance. The intent of the dance level identification is commendable. The results disappointing.

It seems that s/ding, insofar as our association clubs are concerned, is in an era of specialization, catering for the most part only to those dancers in the plus 1 or higher levels. It's quite obvious that advancing to higher levels of dance became the "in" thing to do in the late 1970's. The dance level identification system provided the "means" for this rapid advancement.

Presently, of the 3500 members of the 36 clubs in the NNJSDA, 80% are with clubs dancing at a +1 or higher level; 17% are with clubs dancing at a Mainstream plus Quarterly Selections level; & less than 3% with the one & only Association club dancing at a Mainstream level. The record clearly indicates an unusually high percentage of dancers concentrated in the +1 or higher levels. In the last 3 years, 21 clubs have advanced their level of dance. In the same 3 years over 2000 dancers have been lost by Association clubs. For the 1980-1981 season one club has already announced a change to advance level of dance & an effort is being made to start an A-1 level club on Staten Island. I believe that the clubs' infatuation with dance level identification & their quest for attaining level improvement translates into difficult times for the S/D movement in the 1980's. Policies to be decided on now will do much to determine whether S/D membership surges ahead during the 1980's or enters a period of prolonged stagnation.

ROUND DANCE HIGHLIGHTS

Fall is traditionally the time of year to seriously consider a new adventure in dancing - ROUND DANCING.... There are many classes this fall, BUT there are some leaders who plan to teach a "winter/spring" course- so it's not too late to start. As Betty/Chris Bogart, former RD Liaison to NNJSDA wrote, "Knowing the great pleasure we have gotten from our participation, we can not say enough about rounds. When we first started we were told (1) we would end up in the divorce court & (2) this would be the 'cream in our coffee'. After 2 years we are still happily married & enjoying each new dance that we learn!"

Our RD Council extends its thanks to Lillian Bradt for the excellent clinic she conducted for our members at the October meeting. Our next meeting is the first Sunday in January at Jean Kellogg's. Should any dancer seriously contemplate becoming a R/D leader (& we can always use more) please contact your local member for more information. All members have pledged their full support.

Several members attended the annual ROUNDALAB (International Association of Round Dance Teachers) meeting in Philadelphia the end of October. It was a busy 3 days - more on this in future issues.

Double your pleasure - Take up Round Dancing.

 ON SUNDAYS.
 WATCH FOR FLYERS!

At LUST & Delegates Meeting the request was made for more CLASS LEVEL DANCES. Already awaiting clearance (since granted by NNJRDL) was NNJSDA's class level dance set for MARCH 29, 1981 - 2-5 pm in Teaneck, NJ. Others are now on the band wagon - in fact Isle Sq, Richmond Dancers & Ocean Waves are co-sponsoring monthly class level dances. GRAND SQUARE will be glad to list ALL class level dances in the winter issue - deadline Dec. 12.

Class level dances are not considered to conflict with club level dances, but it is courtesy to inform other clubs meeting on the same day of your intentions -

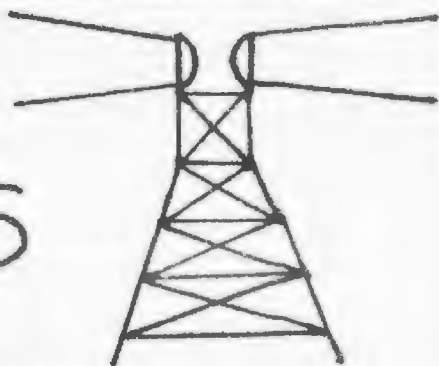

(Joe DiSano's remarks at LUST - continued from page 43)

I believe it is essential that strong action be taken to assure a proper representation of clubs at the MS level of dance. We must accommodate those dancers who wish to remain at the MS level &, especially the new graduates who have completed a very elementary education. MS dancing represents an integral part of our S/D movement & to ignore its need would certainly not be in the interest of square dancing. It's naive & self-defeating to pretend we can continue the same policies as in the past. A study is necessary to revamp our system of instructions to reduce the tremendous gap that presently exists between class & club levels. Most important, membership requirements for the entrance of new clubs into the Association must be relaxed in order to permit the acceptance of MS clubs. We must make provisions for the dancer who wishes to dance only 2-3 times a month instead of the 2 times or more a week to maintain a +1 or higher level of dance.

I do not wish to imply that the dance level identification system devised by CALLERLAB has not served its purpose. CALLERLAB has provided a standard that is universally accepted. Unfortunately, Association clubs have concentrated too much of their effort on advancing to the higher levels of the system & focused narrowly on the necessary lower levels creating an unbalanced system. We must have a proper representation at all levels in order for the system to be successful. There must be variety. To retain the new crop of dancers harvested each year we will do well to insure that there are a sufficient number of MS clubs.

I, & perhaps many of you, belong to the school of thought that believes that square dancing, which includes persons in all walks of life, from teenagers to senior citizens, must be an activity which satisfies the needs of all dancers & not just a select few. Only in this way can we truthfully say that there is a place for everyone in our wonderful world of s/dancing."

2 & 4 Tuesdays Church of the Advent-Watching Ave/Williams Street

As the sounds of summer fade & autumn spreads her beautiful colors over our proud land we are all happy to see faces that we missed during the hot weather. "Dancing Under the Stars" brought out a very large group of dancers & spectators from as far away as Austria & Florida. Our Fan Club Dance was enjoyed by one & all despite the fact that many of us were put in "jail". Our S/D train ride co-sponsored with Kuntry Kuz'ns was such fun, thanks to terrific calling by Stan Zaczowski & Bob Mitchell. Thanks also to all those who worked so hard to make it a success. 275 dancers from 35 clubs attended. Our fall classes have begun & we welcome everyone to the wonderful world of s/ding. Our first apple festival really brought out the talents of our members. Bill Schwartz is slowly but surely getting back into the swing of it. Keep up the good work! The holiday season will soon be upon us & we wish to extend to all a Happy Thanksgiving, A Merry Christmas & a healthy & prosperous New Year. Come on out & dance with us. Try us - you'll like us. reporter-Madeline Bergeron 201-697-4333

Rockaway Valley Meth. Parish House, Valley Road

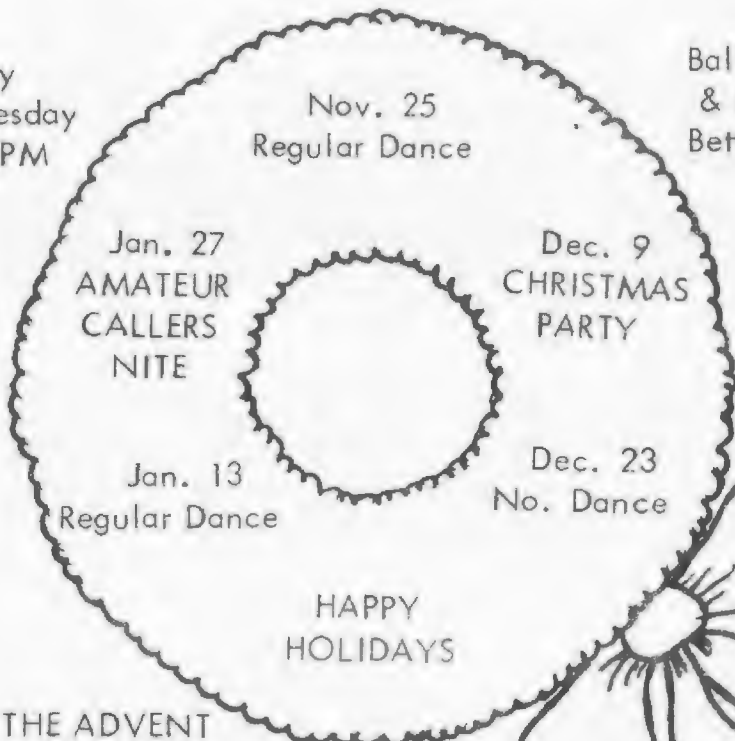

The IDTT square dance club has begun its new season, offering mainstream dancing every Friday evening except the Friday after Christmas. We offer a program designed to insure a good mainstream dancing foundation, plus the introduction of All Position Dancing at the mainstream level as approved by CALLERLAB. The flexibility of our program allows us to be responsive to requests for workshopping specific figures. We will have special dances periodically. See ad p.15. Bob/Kay Tarrant 201-766-5628

every Thursday

Hi! Started first class with a bang. 7 sets beginners; 3 sets angels. All anxious & eager to learn. Thanks to the angels for remembering it was not too long ago when they were in their shoes. Regular club level dances every Thursday with Al Moses calling; Joan/Jerry Newman cue rounds and a special guest caller last Thursday of month. Plans set for MACH (Make a Child Happy)-our 4th year. See ad p 19. Admission 1 new toy which will be donated to children in Coney Island Hospital & Brookwood Foster Child Care Center. All dancers welcome. Columbus discovered America but Freida Ruditsky & Leon Tauber found each other square dancing. They tied the knot in October. Best wishes & keep dancing. Congratulations to Irene/Sy Brooks on daughters wedding; Florence/Ben Gartinlaub on birth of granddaughter. Thanks for "goodies". Deepest sympathies to Rose Savell & Max Horowitz on loss of their brothers. May they rest in peace. Wishing every one Happy Thanksgiving, Hanukkah, & Merry Christmas. Enjoy your holidays. reporter - Edith Moses 212-336-1731

from RON/RITA VIZARD - "We would like to express our thanks to all the wonderful people we met on our recent trip to America, everywhere we went we were received with such grace...the dances I called - the people we met were just great, The Pullmans in NJ.....& many more - thank you all for your help."

Space & other problems precludes having a monthly calendar. Instead we will include this universal calendar of all NNJSDA clubs regularly scheduled dance nights. By comparing the actual month to this page, a dancer can figure out who is dancing when. The "where" & other particulars, such as workshops, etc, will be found in each club's write up and/or ad. On the bottom of this page we will always publish all cancelled dances (that we hear about) for the period covered by that issue of GRAND SQUARE. It is the responsibility of each club to keep us up to date on any changes. Thank you for your cooperation. Doc/Peg Tirrell 201-568-5857.
