From the desk of

BOB LIV & BOB CARLSON, presidents NNJSDA

Welcome back to another season of square dancing. Our summer started with the Bob Kellogg Scholarship Benefit Dance. Over \$1,018 was raised to send new callers to callers school. Three scholarships were awarded at the dance, a fitting tribute to Bob Kellogg and all he meant to us in dancing.

Next, the National Convention in Memphis at the end of June brought us to renew friendships made at other Nationals. This was the largest convention of any kind ever held in the state of Tennessee. We met new friends and have new insights to share. We joined with the Baltimore group for a successful bid to have the National in Baltimore in 1984. Next year it is in Seattle. You ought to plan to attend one someday. You will be glad that you did.

Returning to New Jersey, we hosted and danced with the Stintfang Square Dancers of Hamburg, Germany at the July 9th Association Dance. These summer dances started on June 25 with a very enlightening benefit dance for the New Jersey Association for Retarded Citizens. The thrill was two set squares of "special people" dancing a demonstration. It shows what dedication, love and patience can do.

Wednesdays were full of meeting new dancers from New Jersey, Staten Island, and country-wide at the Association Dances. Patrons badges were awarded to four couples. A grand achievement to square dancing to attend so many clubs and savor the enjoyment of friendship as square dancers' greatest reward.

These are just a few brief highlights to share some of our rewards from square dancing and remind everyone that a balance between all facets of square dancing is necessary and imperative if we are to enjoy this activity to the fullest. Callers and cuers need dancers - dancers need callers and cuers. Neither should get "too big" or exercise control over the other, lest we lose the genius of the enjoyment of this wonderful opportunity to dance with people of all walks of life and ethnic origins. On the dance floor everyone is equal and limited only by the amount of time invested to achieve a given level of dancing. Lets all enjoy it together.

Newly elected Pres. is GRANT JOHNSON (former GRAND PROWLERS) of Liverpool, NY. Member in '65 when NY State brought action to collect unpaid sales taxes against 2 NY S/D clubs? In '76 the case was finally settled in favor of S/D clubs. Thanks to the generosity of many NYers & out-of-staters the final payment has been made to the attorneys who successfully defended the S/D clubs.

Y SQUARES -- Clark, N.J.

2 & 4 Fridays

Carl Kumpf School, Mildred Terrace

What is that you say? Summer is dead? Too hot to dance?

Not at Y Squares - that's for sure! Our summer dances at air-conditioned VFW Hall in Iselin have been a huge success. Dick Jones, Mike Foley & George Potts have kept us hopping, along with Jean Kellogg on rounds. We feel very fortunate to have found such a large hall with air-conditioning and a wooden floor to boot.

Other past happenings - at our last dance of the 1979-1980 season, we presented a proclamation to Jean Kellogg conferring on her life-time membership in Y Squares. Congratulations Jean, and many thanks for all the past and continuing help; a number of our members participated in a demonstration at the Clark N.J. Festival in June; the Bob Kellogg Scholarship Dance in May was a huge success, resulting in the awarding of three scholarships to would-be callers (A complete report is carried elsewhere).

As to the future- we opened our fall slate of dances starting with an Open House in September. Watch for our flyers. If you have any friends, or even casual acquaintances who do not square dance, tell them to keep their eyes open for local announcements of classes & encourage them to sign up & join the fun! reporters-Art/Nancy Clough 201-499-0925

WEST MILFORD FLUTTERWHEELS -- West Milford, N.J. (+1)

1 & 3 Fridays

Paradise Knoll School, Paradise Road off Rt 23

Our potluck dinner dance & annual business meeting in June wound up our regular dancing season. Dangle awards were given & officers installed were: Pres-John/Betty Banker; VP- Bob/Beverly Brown; Sec-Charles/Jeannie Schmidt; Treas-Don/Helen Hendrix; Class Co-Sponsors-Andy/Barb Coyle & Eugene White/Debbie Banker; Advisors-Don/JoAnne Roy. Delegates to NNJSDA are Rich/Janet Vanderlind. Bob Mitchell will be our club caller.

CONGRATULATIONS to our 1979/80 Class Sponsors, Chris/Binnie Norton on their new daughter Amanda's arrival on May 25. She joins 2 brothers & 2 sisters-all future square dancers, we hope!

We kept in S/D form by continuing our summer dance schedule twice a month & especially welcomes our new graduates & visitors from other clubs. Three Flutterwheel couples traveled to Memphis for the National S/D Convention- Don/Helen Hendrix, Alberta/Harry VanLuvender & Ken/Lorraine DeVoe. All had a wonderful time. Don/Joan Green hosted a Flutterwheels family picnic at their home in July. The good food, drink, socializing and dancing in the pool were delicious, fun and relaxing. During the summer, demos were held at the West Milford Community 4th of July picnic at Bubbling Springs & for 2 days at the Newfoundland Fireman's Fair. In September our club sponsored a dance, open to the public, to stimulate interest in our classes which begin the last Monday in September & will be taught by Bob Mitchell. Notice our ad on page 41 with dates of our upcoming dances. Hope to see you there. reporters-Bob/Shirley Feller 201-728-8070

Such excitement & phone calls to Tennessee when the N.J. Assembly unanimously passed the bill to make S/D the American Folk Dance of the State of N.J. The companion bill has spent most of the summer in the air-conditioned Senate Judiciary Committee. The Cavanaugh/Habersbergers were working to get the bill out of committee for a vote by early September-hopefully by National S/D Week.

2 & 4 Thursday

Mansfield Township School, Route 57

Warren Wheelers just had a wonderful day for their annual picnic. Many thanks to Wilson/Sally Hoff for hosting it at their home. Everyone had a great day of fun! We held a flea market with many interesting items. We are glad it was a success! Several couples from our club put on demonstrations at the Warren County Fair & Christmas City Fair. We'd like to thank those couples for their participation. Also, to Wilson Hoff for the calling of the squares.

Our season ended with installing new officers. Thank you Gale & Al Spinks for the terrific job you did as our past presidents. We're sure Nancy & Bob Blasberg will carry on as you did and give our club the same enthusiasm as our present presidents. We're planning a new season of dances with several specials for dangles. It should be exciting. See our ad on page 40 for our dances, callers, dates & special dangle dances. Come and enjoy!

Tenakill Twirlers was born in 1950, & is the only club in Northern N.J. which has been meeting ever since in the same hall & on the same night. A year-long celebration of 30 years of fun, fellowship & felicitous dancing is planned. Please join us any third Friday. Big John Kaltenthaler will be at the mike; Doc & Peg will do the rounds, & you can't beat that combination. This year Tenakill is co-operating with the beginners class sponsored by New Milford Adult Education with Bill Heyman as teacher. If you know anyone interested, call us or Rose Venable for details. Our happy Squares Demo Group and other club members helped to publicize this class & square dancing in general at summer demonstrations at Paramus Pk.

With a healthy infusion of last year's graduates, Tirrell Twirlers R/D club has been going all summer & enjoying it greatly. Tenakill members are hosts to Ron & Rita Vizard of Nottingham England on their all too brief visit to New Jersey. Looking forward to the Big D Weekend in September and a happy pearl anniversary year dancing.

TENAFLY SQUARES -- Demarest, N.J. (QS)

2nd Friday

Baptist Church, 563 Piermont Road

As the GRADUATES issue of GRAND SQUARE invited everyone "to C'mon over" - did you come yet? Ours is a very friendly group & those that come are sure to find a most hearty welcome. The last dance before our summer break was our ANNUAL & "much looked forward too" covered dish supper. We do have good cooks & all of us had "more than we should have" (to coin a TV auto commercial). So, we were doubly anxious to begin dancing; when we were delightfully raided by the Belles & Beaux & the Hix & Chix Clubs. Always a pleasure to welcome other clubs. PLUS, numerous recent graduates joined us & a good time was had by all! Just terrific to meet & dance with our newest S/D members. As the summer slowly sinks "into fond memory", we are looking forward to a most eventful new season beginning with September. Mainstream is our level and dancers by the dozen our goal; so, for an enjoyable evening of dancing - TENAFLY SQUARES!

SWINGIN' STARS -- Maywood, N.J. (+1)

2nd Saturday

Maywood Avenue School

A whole combination of events - like the National in Memphis, the Touring S/D Clubs of Germany, & a visit to the NNJSDA dance in July - made for a very happy surprise for Swingin' Stars. Before the dance, caller Ienn Cooke asked if any members of Swingin' Stars of Maywood, NJ were present? It turned out many members were present, including Prez Art Taylor & Partner Shirley Siegel. Can you imagine the excitement when Mr & Mrs Rudy Pohl, President of the Swinging Stars S/D Club of Heidelberg were introduced! Needless to say the two groups had a great time visiting. Swinging Stars (Germany) presented to Swingin' Stars (US) a badge to pin on their banner in remembrance of the occasion. And Art is going to send to the Pohls in Heidelberg a Swingin' Stars Badge for their banner as well as pictures taken by Walt Moffatt. (Nice to have a camera buff in the club.)

We won't be starting our regular dancing until November - but we'll still see you around a square. Reporter-Connie Woolf 212-TR7-8853

EAST ↓

CATCH ALL EIGHTS will continue to function in 1980-81. A couple who have been attending the EAST section regularly, EVELYN HAROLD TORODA have volunteered to head this section and will be assisted by JIM AL MARTINO. CAE North is still searching for a chairman...any volunteers???????? All former attendees & even those who showed a glimmer of interest have been contacted with no positive results.

Perhaps the need is no longer felt up North.....whatever....unless a volunteer comes forth soon, CAE North will not operate this fall.

A request for CAE - WEST is actively being studied by Dick Lighthipe.

Sincere thanks to Callers Betsy Gotta & Dick Lighthipe who so graciously gave of their time/talents to keep CAE EAST & NORTH rolling along these past years. And to Frank/Nan Habersberger for all the many extras they did to make CAE a wonderful experience for so many.

It is suggested clubs make a list of former members no longer dancing and personally contact them with info concerning our CAE program. You and they will be glad you thought about them.

2 & 4 Fridays SUSSEX SPINNERS -- Sparta, N.J. (+1)  
Alpine School, Andover Road

The days of being lazy and enjoying the warm sunshine are coming to an end. We are looking forward to the fall & opening of schools, especially the dancers that dance in the schools. We had many activities over the summer months thanks to Trudy/Jack Austin. They made arrangements for demonstrations at the Sussex Library, Sparta Days & at the Sussex Farm & Horse Show. The family picnic was enjoyed by those who attended, even though it was under cloudy skies. The Fourth of July Parade was a big hit. Don't know why, but, the spectators always enjoy watching the dancers and of course, we just love to perform.

Sussex and Kittatinny Rangers will be holding joint classes this year at the Alpine School. The class will be chaired by Ann/Al Johnson, 2 VP, & instructed by John Kaltenhaler. Glad to report that "Pete" Wyckoff (broken hip), Hazel Lertora (broken wrist) & Shirley Wright (broken hand) are all mending and will be back on the dance floor soon. We are happy to know that Jean/Jess Elrod have been able to complete their move to South Carolina. They will be missed. We welcome Peg & Joe Dockry to our club as R/D cuers. All the officers will be attending the LUST program. If you are in our neighborhood on any 2nd or 4th Friday evening you will be welcomed to dance with us. Wishing all the clubs a successful year.

1 & 3 Saturdays

As of now we do not have a hall, but our own first dance will be the first Saturday in October. Flyers will be out to inform everyone-where.

This year's installation dance was in June chaired by Don/Joan Abramson, and assisted by a very able committee. That perennial gentleman of the microphone, Gene Lucarini, MC'd the affair. A round of applause & tribute to the outgoing officers, Pres. Dave/Lil Beauchaine; VP Jack/Gladys Wall; Treas Len/Natalie Weisberg; Rec. Sec John/Ellen Gaeta & Cor Sec Joe/Rae Troiano. The incoming officers were cheered & embraced by the membership. Led by Lenny/Laura Gaeta as Pres; John/Ellen Gaeta as VP; Lenny/Natalie Weisberg as Treas; Roger/Jackie Gauvin as Rec. Sec; Joe/Rae Troiano as Cor Sec. Yeah team! Our new President and officers will have a challenging year ahead. And the first order of business is finding the hall. Less we forget Dave & Lil wished to thank all the folks who helped to make their job a little easier. It was a great evening of fun & frolic. Especially when we went to John/Dot Zarrelli for coffee and home made pies. Wowie!!!

SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+2)

2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

As we sit melting in the midst of our summer heat wave it is fun to recall the good times we enjoyed last spring & look forward to an active fall season. Our sincere thanks to Dave/Marti DeGraaf for leading us through a really FUN '79-'80 year.

Our new presidents Wes/Helen Woodman are eager to pick up the challenge to maintain the action. Dancing has already begun and we are thrilled and privileged to have Carl Hanks calling again at the +2 level and our own Walt & Grace Pennie on the rounds. Our first special will be called by Bob Gambell the end of September. See our club ad on page 38.

Bob Tarrant graduated 32 well trained and eager dancers and has begun classes again with an "Open House" on Mondays. Note the change in class time & location. They will meet at the Oak Street School gym in Basking Ridge. All are invited - bring your friends; introduce them to Square Dancing. The new graduates and any other "brush up" candidates can top off their instruction at Bob's Stepping Stones dances. They've already held their first dance at the Cedar Hill School Gym. See our write up below for more info.

BOB KELLOGG SCHOLARSHIP FUND BENEFIT DANCE  
NNJ SDA

Since BOB KELLOGG was President of CCNJ, NNJSDA & the NNJRDLC it was only fitting that all 3 organizations collaborate on a special dance for the Bob Kellogg Memorial Scholarship Fund. It is estimated by Florence/Joe DiSano, treasurers for the May 31st affair, that 346 dancers attended both sessions with thirteen there for only the afternoon & 105 just for the evening sessions.

The cafeteria was used exclusively for programmed rounds while squares were called in the large gym and contras in one of the smaller adjoining overflow gym areas at both sessions. When news reached the gathering that a bus load of one of Bob's Central Jersey clubs were stranded aboard a broken down bus on the Parkway, a group of rescue vans took off. They arrived just after the bus repair crew had finished their work....but our sincere thanks for trying to help on one of those unbearable hot days.

During the meal break many dancers left the formal cafeteria to spread blankets on the lawn outside the Montville High School for an old fashioned picnic supper...and to enjoy the cool breezes before the thunder storms struck that evening. Before the evening dancing reconvened, Rose & Rich Ericson introduced the three scholarship winners - Bill Anderson, Bill Heyman & Dan Koft (all of whom attended Callers College this summer). Dancing Shadows R/D Club danced (with & without cues) several dances Bob Kellogg choreographed.

All callers & callers who participated, donated their talents with the result \$1068.34 was forwarded to the committee headed by the Ericsons. Bob would have been pleased.

SOLITAIRES -- West Orange, N.J.

(QS)

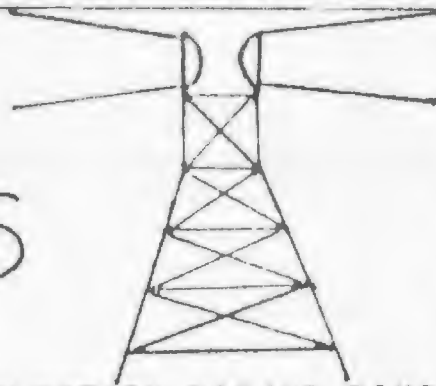

1 & 3 Sunday (2-4:30 pm)

Community House, 242 Main Street

There seems to be some confusion around about what SOLITAIRES is. We are a S/D club for square dancers who are, or ever have been, single. While membership is restricted to singles we welcome & count among our friends many married couples. At our dances, there is a tradition that everyone dances with everyone & most people trade partners every tip. But it is a tradition not enforced by any rule & some folks dance with the same partner all afternoon. We have heard of people who think they have to bring a partner. Anyone who brings their own partner is welcomed, but it certainly is not a requirement. We do our best to see that anyone who wants to dance does. The important thing is that we welcome everyone; single or married, young or old. So if Square Dancing on a Sunday afternoon appeals to you come and visit us.

Our officer elections resulted in Jeff White continuing as President, Mary Bielski as Treas, Roz Walcutt as Sec., yours truly as 1st VP, Don Haggart as 2 VP & Jules Varga as 3rd VP. Bob Kassinger (772-5022) will be in charge on our lessons this year. reporter-Mike Bianchi 201-887-5705

Once again we concluded an outstanding year of dancing with a delicious covered dish supper. The cooks surpassed themselves. During the dance that followed, members who attended four of our eight very successful rai were presented with dangles. Congratulations & many thanks to Al/Ruth Rosenbohm for making raiding so much fun. We bade Ray/Fay Weiler, our presidents, a regretful good-bye heaped with best wishes in their move to California. To Walt/Betty Harris, our new presidents, we wish good luck & pledge our support.

2 & 4 Saturday

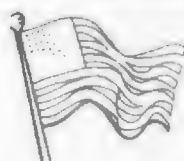

Heights School, Seminole Avenue

We welcome everyone back to the world of s/dancing after a fulfilled, happy & healthy summer. By the time you read this, we will have embarked on our 30th Anniversary Year. Our big party was a huge success and many old friendships were rekindled as fond memories of past s/d happenings were relived. The food as usual was terrific and the planning was excellent... a good time was had by all! A special thanks to the many people who worked to make this an outstanding affair.

Our fall dance season will be kicked off by Lee Kopman the end of September. Bob/Lynne Gordon will be subbing for the Tirrells on rounds.

Many of our members enjoyed a club picnic & hike following our Spring Executive Board meeting in Campgaw Mountain Reservation. The Grabers have lined up great callers for this year. Please check our ad on p. 25

At the last dance of our season, Gloria/Al Brandt were presented with the Vi & Hanley Clapp Award for "outstanding contribution, devotion and loyalty" to Ramapo Squares. This award, given to members who have served on the Executive Board & have been club members for a minimum of five years is named in honor of Vi & Hanley Clapp, honorary members who taught our beginners class for many years & gave greatly of themselves to the club. The Brandts chaired our anniversary celebration and have been teaching the advanced level workshop to help dancers prepare for our club dances. This award was previously presented to Jinny/Bud Allison and Helen/Lou Hardy. Our sincere congratulations!!! reporters-Bob/Joan Mulroony 201-337-4060

Frank/Nan Habersberger were busy organizing demonstrations at Liberty State Park (NJ) this summer. Our sincere thanks to the dancers who participated July 4th & to Bob Benner who called & to Doc/Peg Tirrell who cued the rounds. Another demo was scheduled Sept 13-14 - all were promoting SQUARE DANCE - our American Folk Dance.

Welcome back everyone!!! Fall is here & the Promenaders have started off the season with our HI-LO beginners dance followed by our first regular club dance. We hope many of you will visit us this season for some fun dancing at Rutgers. If you visited us last season, you noticed there were more Promenaders up doing rounds. Thanks to Roy Gotta, our Round Dance leader, we will be enjoying more Rounds this Fall.

A note of congratulations to Craig & Vicki Sherman, Alan & Laurie Hardy and Ann & Don Ploger on their weddings this summer! We all wish them the best of luck!

Hope you all had a great summer! See you soon!!!

It would be easy to fill many pages with complaints about this summer with it's heat, humidity & haze & it is a little difficult to be upbeat. The only good things which happened were those connected with square dancing. One of the pleasures was dancing with the Stintfang Dancers from Hamburg. The first night proved the saying, "when you're hot, you're hot". The second night, when the dance was on SI, was just great. The atmosphere was much enhanced as everyone felt that they were among friends. It's amazing what one night can do. The international aspect of square dancing was tested & found to be "A-OK".

Hazel Williams has taken over as President & Jules Varga & Mae Heath are /P. They will be assisted by Patty Connors & Keith Fleming. Treas. are Florence/Joe DiSano & Sec. are Jim/Alice Wilson (who were reporters last year). The undersigned have been "promoted"(?), "demoted"(?), or at least moved from Presidents to reporters and delegates. We know the club is in good hands. A successful season is anticipated & eagerly awaited. As usual we will be starting with our super "DESSERT DANCE" - watch for flyers!!!

DID your club receive its copy of the Governor's proclamation declaring Sept 15-21, 1980 SQUARE DANCE WEEK? If not, contact Clem/Vi Hayes NNJSDA C Sec. post haste. FREE copies of the winning S/D poster, promoting S/D Week were distributed by 1st VP Dell Angelo to representatives of all clubs Ju 9th. What are YOU doing to promote S/D Week & recruit new dancers??? Even more important- what are YOU doing to KEEP last year's graduates dancing?

Hi! Welcome to this new season. When O/W say new, they mean NEW all the way. Our new officers are starting their new term, dancing at a NEW place (to us that is), at a NEW time, and a brand NEW daddy for our club caller. Congratulations Barbara & Mike on your new daughter. To complete our NEW deal, our first guest caller is a brand NEW caller, Bill Anderson. See our ad (Pg.54) for all details.

We look forward with anticipation (in this case it is not a no-no) to all this NEW-ness but we're reminded of the old saying "New friends are like silver, old friends are like gold." In the old friend category, Glenn Cooke & Frannie Heintz are making their Fall visits to O/W & we'll be welcoming our many old S/D friends at our NEW Home.

A very special thank you to Sandy/Herb Charatz & all their helpers for arranging & graciously hosting our S/D cousins' visit & affording our S/D the opportunity of dancing to the German callers. Many thanks. PTL-reporters - Teresa/Joe LaPointe 212-356-0381

## THE SUMMER SOUNDS WE LOVE

Summertime is usually associated with a lazy, hazy relaxed couple of hot summer months with not too much to do. Not so with us. Summertime has been one "special" dance after another. On a hot Sunday in June we put on a demonstration at the Consolata Fathers' Mission in Somerset for the benefit of retarded children. For most of us, this was the first dancing on the grass. In July we marched in the 4th of July parade in Milltown, and danced in a pavilion afterwards. We even managed to recruit people for our upcoming classes.

For a change of scenery & temperature, a few days later, many of us danced on the ferry boat between Cape May and Delaware and back. We quickly learned where "rock & roll" came from. For a change of pace, August had many members joining more than 300 other dancers on a five hour train ride through central Jersey. We danced at the station & on the train. Our final "outside" spectacular was a demo at the Middlesex County Fair. Here, too, we signed up members for our class.

Not all our summer dancing was so unique & spectacular. We still find the time to enjoy our biweekly club dances, weekly workshops & to attend the many dances in the area every week. This coming season promises to be a most interesting one. We are planning a Halloween dance, a Thanksgiving & Christmas dance. And, yes, Virginia, there is going to be a super Merri-Eights New Year's Eve Dance. Look for flyers soon, announcing this fun filled evening at our dances.

If you are in the area, why not join us at our Club Dances. The room called by Shirley/Frank Bellotti start at 7:30 & Glenn Cooke calls the squares starting at 8 PM. "Open House" is the third Friday in September. Classes at the Churchill School, Norton Rd begin the previous evening.

Summertime, a yearly tranquilizer which alters our routine, causes us to scurry in quest for rest & diversity. In spite of the heat, our summer dances in July & August were a pleasurable encounter. Dick Jones in July & Mike Callahan in August joined Peg/Joe Dockry to electrify the crowd with their combined talents.

Another S/D season reached it's exciting conclusion, thanks to the efforts of Isabel/Larry Giordano & staff. A new slate of officers have been elected. Pres. True to form Rhonda assisted by her husband Bob gave everyone a "Lei" at our June Hawaiian Night Dance. A real nice evening with everyone entering into the activities. Our picnic in July in Blairstown proved to be ideal. Karen Davis who took sick at the picnic is recuperating from a Gall Bladder operation at home. General Jack and his able assistant Trud Austin have really kept us hopping raiding every club within striking distance. At the last County Squares Dance we had five squares plus one in attendance.

A full square demonstrated at the BPW Club in June and also took part in demonstrations in Hamburg and at the Sussex County Library.

Class starts in September with the Sussex Spinners this year.

**SOFT SOLED SHOES PLEASE!**

We begin our season with high hopes. Our membership is greater than it has ever been. Our new members have improved their skills by continuing to dance through the summer.

Our plans for the fall include a beginners class with Frank Riviccio, + 1 & + 2 workshop; & our new affiliate, Royalty Rounds, under the direction of Joan/Jerry Newman, plan a basics and intermediate class in R/D.

You will see by our schedule on Page 11 that we have a group of outstanding callers, and we look forward to your joining us this season for evenings of good dancing. Last but not least, best wishes to our new officers for 1980-81.

Looking over the directions for making the official costume for the National S/D Convention in Baltimore in '84. You do not have to wear this special outfit, but anyone who wants to may purchase or sew their own. WHY an official costume? For promotion - to acquaint folks with Baltimore - to arouse their curiosity. Since the theme will revolve around the flag, the anthem & Fort Mchenry the costumes were designed to portray styles worn in the early 1800's. A most effective outfit in 2 shades of blue. Patterns are available til May 1, 1984 in sizes 8-20 by mail \$2.00 from Mary Strickland 4227 Thorncliff Rd, Baltimore, MD 21236.

Kits of material (women \$17.50/men \$4.50) from General Chairman Jennie & "Peter J" Zukauskas 314 East Broadway, Bel Air, MD 21014 (301-879-1842). Extra ladies caplets \$1.50; men's tie \$1.25. For non sewers, Hannelore's Korner will make your outfit. For helpful hints ask the many NNJ dancers who were so attired in Memphis. They made a most impressive group - at the bid session and in the Parade of States Saturday evening.

29th NATIONAL SQUARE DANCE CONVENTION  
 Memphis, Tennessee - June 26, 27 & 28, 1980

26,841 went!!!  
 including 322  
 Jerseyites and  
 392 dancers  
 from New York.

When you're hot, you're hot, but when you're in Memphis, you're hottest! The heat on the outside & the cool on the inside made for wall-to-wall people everywhere. Attendance was a second all time high. with folks from all fifty states, Canada, Australia, New Zealand, West Germany, Austria, England & Saudi Arabia. It was the largest convention ever held in Memphis; in fact the largest ever in Tennessee!!! And all run by amateurs! Over 400 callers, 192 RD leaders, 24 contra & folk dance leaders were there for our enjoyment. Did you know - no one of the hundreds involved in the operation ever receives any remuneration?

6 halls were set aside for S/D, 3 rooms for R/D & others for contras youth; numerous conference rooms for the 113 hours of educational panel clinics, seminars & workshops on dancing, sewing, leadership, publicatio handicapped, etc, etc. Folks attending the "Learning to Clog" sessions were sardined into that area! 2 special areas were set aside for shops altho it took some of us the better part of the day to find the second area! The NNJSDA display in the Showcase of Ideas was highly visible f the entrance - and we all rejoiced when the notice was posted that the Bill had passed the Assembly.

Many of our area callers/leaders/teachers were programmed or panelist On Friday Doc/Peg Tirrell & their family + Roy Gotta demonstrated their recently released dance. Once again dancing at all levels was great. We admire them dancing C 3 - please understand I could only watch. It seem to me that round dancing is growing so fast that it is no longer a "litt sister" to square dancing & needs more space. What excitement when the S/Ders of America announced among the names drawn to ride the float Jan were both the ARKINS & THIESSENS from NNJ! We were so proud as our area leaders, dressed in Colonial Outfits, pledged their organization's suppo for Baltimore's (successful, hooray!) bid for the convention in '84. Ne year's will be in Seattle, Washington. Then comes Detroit, Michigan in 1982 with Louisville, Kentucky scheduled for 1983.

To future convention leaders, I would request more consideration for the campers. They do need electric & water. It can be done & if anyone is interested I can give them the name of a man that could set the whole thing up to perfection - that is if he would. Frank & Olive Enos

ISLE SQUARES -- Oakwood Heights, Staten Island, N.Y. (+1)  
2 & 4 Wednesdays Community Church, 345 Guyon Avenue

Another season of dancing pleasure begins. Glenn Cooke, Shirley/Frank Bellotti will be with us again at our same location. Other callers you will be dancing to are Ralph Trout, Jim Cargill, Joe Landi, to name a few. (workshop at 8-8:30). There is always a good time at Isle Squares. Refreshments are something we take very seriously - dieters are hereby forewarned! We had a nice time at our Dinner Dance back in June. Friends from other clubs enjoyed the evening with us. It was the culmination of a year of many enjoyable nights arranged by our officers. Thank you!

Continuing to steer Isle Squares will be Donna/Bill Anderson as Pres. They kept us out of the red as Treas last season. Fran/Hy Grant are our 1st VP. Susan Sunday & Danny Rieu are our 2nd VP. Marie/Ray Marabello Treas & Fran Palladino continues on as Secretary.

The good news is that Homer Powell is on the mend after being hospitalized. Hopefully we will see Enid with him in a square as the new season gets underway. A fire demolished our class hall. Work is being done. When it will be available is still uncertain. Ring me to find out when Marty Clifford will be starting a new class.

Many thanks to our outgoing officers for a great year. They ended their term with a gala Ice Cream Social which was attended by 87 people. Everyone enjoyed making their own sundaes. Toppings were piled high & diets were forgotten. A demo was held at Ohrbach's in July & A & S in August. In August we had a Hawaiian Festival. Brightly colored leis & fruits of the Islands made this a night to remember. A hearty welcome to our new officers: Pres. Georgi/Rich Flandera; VP Amy/Art McEwen; Sec Ginny Tom Barr; Treas Mary Bielski/Joe Passaro; Reporters Elsie/Gene Chappo; Delegates Ellen/Bob Hansen. Rumor has it that many fun things are being planned for the coming year. Join us and get in on the action.

Welcome back for another season of fine square dancing. We look forward to seeing all our members & new friends at our first dance with Ken Anderson calling. For our Fall schedule, see our ad on page 13.

The upcoming year promises to be a big one for we will be celebrating our 20th anniversary as a S/D club. Our graduates have been dancing all summer & did a demo at the Fan Fair in Boonton. As of this writing, many of our members & friends are preparing for their big S/D week at Papoose Pond in Maine. Open House in September for all new dancers will be led by Dick Maddocks, whose excellent teaching makes learning fun for all. Angels are always needed to help, so let's help Emil/Judy Ciurczak make the learning easier & fun for all. Our picnic this year will be the end of September at Deer Lake. Watch for our flyers. Happy dancing!

HOSTESS with the MOSTEST AWARD  
SANDY & HERB CHARATZ  
for arranging the Stintfang Dancers Hospitality

Sol/Harriette Koved 14 Samoset Road, Cranford, NJ 07106

"In recent years the spectre of level has become increasingly prominent, that is dancers & callers have become more & more aware of the various stages of ability that may be attained by square dancers. CALLERLAB has been extremely helpful in identifying these levels by tabulating the calls which must be mastered in order to reach each plateau. But it wasn't always this way.

Square dancing's dim past may not have been the "good old days" as people who experienced them are inclined to believe, but they were a lot simpler. Participants enjoyed themselves in a somewhat different manner - the movement progressed & each succeeding year saw new calls added. Advanced & challenge dancing came on the scene.

Those levels which require the mastery of many, many complex figures fulfill a need or they would not attract the dancers that they do. These people advance to clubs or groups, many of which are closed & most of which are unlisted & therefore unknown. Those who are involved definitely need the additional challenge as do tennis players & mountain climbers require increasingly difficult goals.

It has been said that were it not for the higher levels such people would otherwise be lost to the S/D movement. This is probably true. BUT, they have essentially been lost to what we consider to be the most important aspect of any activity - the perpetuating function, the establishment of a firm foundation.

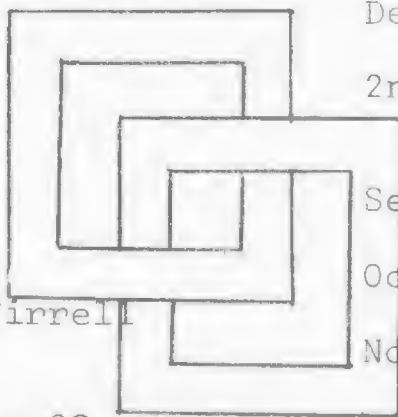

The higher levels feed on the lower ones - that is dancers for the more complex plateaus are recruited from the 30 + clubs that form your Association. The "fun" clubs & the "club level" groups are those which each year enlist & train new cadre that form the backbone of square dancing. They create the classes, provide the angels, & work hard through up to 30 lessons to insure that the hobby is infused with fresh talent without which it would waste away. They are the builders.

We cannot categorically state that advanced & challenge groups do nothing to bring in new people, but if they do so - it is a well-kept secret. But credit must be given to some dancers who are comfortable with many levels & who also participate in training new dancers. But, unfortunately, they are the exception rather than the rule.

There is no easy, quick solution to this problem. However, both dancers & callers must recognize that higher is not necessarily better - that there is an infinite variety of putting calls together to make them more interesting at every level. As heretical as it may sound, dancers should belong to clubs based on the program provided & not so much on allegiance to the organization. The real challenge today is to make every level attractive with effort expended toward creating this more ideal climate.

Level has a tendency to segregate dancers - usually at the highest stage of the individual's ability. This is a very tragic mistake. We should all dance at multiple levels - in various clubs of different ratings. We should actively participate in each club so that those dancers who are faltering may be encouraged, so that clubs may benefit from more experienced members, & that the entire movement will be strengthened by the interaction."

GARDEN STATE SQUARE DANCE CAMPERS

This year's camping season was blessed with much better weather than last year's. We've had a "full house" at each campout & are happy to see so many of our new families attending. We have had repeat performances of some enthusiastically supported events: a wine & cheese after-party in May; a delicious smorgasbord of desserts before the dance in June; our annual talent show in July (look out, Broadway!); a campfire in August; & a Hawaiian luau, complete with leis, in September. "Many hands make easy work" should be the motto of our Club. We are never without volunteers for any job that needs doing. Thank you all for your help!

We bid a sad adieu to Jean/Jess Elrod, round=dance cuers, who are leaving this area. They have an open invitation to visit us any time possible.

2 & 4 Fridays

Franklin Reformed Church, Hillside Crescent

We fearlessly celebrated Friday the 13th with a "Black Cat Dance" & no one really feared the long-legged Black Cat adorned with a pink bow on her long-black-tail! Caller Betsy Gotta entered into the spirit of the evening with a few cat-calls herself! Our annual party/picnic in Riverside Park was the best one yet. Along with home-cooked specials, we had our usual dancing by records & game contests. Pres. Frank Olier won the watermelon eating contest by not taking time to spit out the pits!

We also participated in the Nutley I.T.T. Annual Picnic as part of its festivities. After a hearty lunch we gave a demo with Bob Tarrant calling. It was a hot day & enthusiastic audience participation darn near did us in!

An interesting & rewarding experience was our demo at the Ironbound Portuguese Ethnic Festival in July in Newark. Sponsored by the Ironbound Educational & Cultural Center, there were numerous ethnic dancing groups in their colorful costumes - Italian, Spanish, Portuguese, Hungarian, etc. We had been asked to represent America. All the performers were given a free supper. After our demo some of hardy souls tried their fun-house, various rides, ethnic foods and survived! We drew an interested & enthusiastic crowd and were asked to perform again to close the dancing festivities. In mid July Betty Olier arranged for a summer dance on the flood-lighted basketball courts in Nutley - with lightning in the distance for special effects! It didn't rain tho & the breeze felt so good.

Our Pres. have succeeded in having S/D lessons included with the Nutley Adult School this fall. Therefore we hope to introduce more people to the fun world of dancing. reporters - Margie/Wally Cox 201-667-8411

One year of dancing ends and another begins. New & old faces sharing fun & trading news of a summer past. We at Colonial remember a very successful open house in May. There were squares & squares of friends. Thank you Hanover Squares for the raid - it was a first!!! As we write this so many of those same people are at the summer workshop with our great caller Lee Kopman. What dedication - it was one hot summer & we often wondered if the sign that said "Air Conditioned inside" was for real. Now by the time you read this our summer workshopers will be club regulars. Welcome! Come & join the dancing with Lee & enjoy the rounds with Tom/Pat Cribbins. We hope to see you on Thursday nights this coming year. The tables & chairs from the afternoon bingo game were still in place - only this time the Mall Staff did the removing. As soon as floor space became available, Doc commenced the R/D program! Our thanks to the Hardys & Relingers who served on the punch detail/ See our schedule on page 6 for future dances. If an evening of +2, APD is your thing, then we are your club.  Montville High School - Montville, N.J. Hap/A.J. Wolcott; Ron/Ree Rumble

This issue THE SQUARE PINCUSHION will make a tiered skirt.....

Many of us like the tiered skirt look and if you'll try it, you'll see it really isn't that difficult to make.

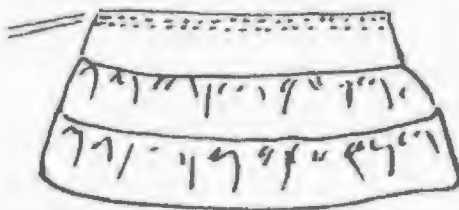

The secret of a lovely tiered skirt is to make the tiers with a good deal of fullness-not skimpy. The other thing is to make the tiers graduated not all the same width.

Your finished skirt length should be 1" longer than your crinoline. Divide this finished length into 3 - from this figure subtract a little for the uppermost tier and add a little to the lowest tier. Example- your length is 24", divided by 3 = 8"; take away 2" making your top tier 6" and add that 2" to the bottom one making it 10"- then your finished tier lengths are 6, 8, & 10". Remember to add seam allowances to top and bottom edges and allow for a hem on the lowest tier.

Next to figure 'how much fabric'...2 widths of 45" fabric for the top tier, double that to 4 widths for the middle tier and double again to 8 widths for the lowest tier.

Use a ruffler if your fabric is very light weight to gather, or nylon thread in the bobbin is strong for pulling up the gathers.

Sew the gathered edge of the middle tier to the lower edge of top tier leaving 1 seam open. Sew gathered edge of bottom tier to lower edge of middle tier, again leaving 1 seam open. Hem lower tier's bottom edge. Gather upper edge of top tier to fit your waist. Before sewing it to a waistband or bodice check the length. If it's too long you can still take a little off the top. Sew up remaining seam to within zipper allowance, then insert zipper if it's a skirt (insert zipper after it's joined to the bodice in a dress). On skirt, add your waistband and hook 'n eye and you're ready to dance.

If you made your seams too deep and the finished skirt appears too short-do NOT despair- a row of trim at the hemline, some eyelet edge for a petticoat look or fringe or pompoms or crocheted edging or even a strip of contrasting fabric (to match a blouse) can save it & make it look like you planned it that way. Who's to know?

See you next time,

# CALLERLAB

The International Association  
of Square Dance Callers

From time to time we watch as our club callers travel on their annual trek to the CALLERLAB convention. Do you ever wonder what goes on at their convention...

There are a host of topics which are scheduled each year, ranging from topics on choreography to routine Committee meetings. There is no such thing as free time during the 3 days of convention. Most callers pay their own way so try to schedule as much as possible in the available time.

The convention starts Monday morning at 10:30 with an opening session followed by 5/6 concurrent sessions with committees & an orientation session for first timers & those who wish to get updated on recent CALLERLAB actions. On Monday afternoon was scheduled two 1½ hour sessions on many topics - six topics at 1:30 and six more at 3:30 with a coffee/tea/coke/tab break in between. Included were some additional committee meetings as well as topics of prime interest. At 5 PM some special interest group met and opportunities were provided for state callers to get together & discuss mutual concerns. Dinner was slightly formal with presentations for those callers who had completed their 25th year of calling as well as awards to callers attending from a foreign country. This year included a guest speaker on "Leadership". By 11 most activities ceased, but many side conversations continued on to the wee hours.

Breakfast at 7:30 Tuesday with meetings again from 9 on. 6 sessions concurrently for 1½ hours; coffee break; another 1½ hour session. While choreography was among the more popular, over 400 attended the debate between Jim Mayo, Chr. of Mainstream LTD & Bill Peters, Chr. of Accreditation on the topic of Programming For Survival.

The afternoon has 2 sessions for the callers partner as well as 6 additional concurrent sessions with taxes & record keeping getting the full house. Again at 5 some special interest groups met. The banquet is the highlight with the Chr. of the Board's message followed by the prestigious Milestone presentations.

After a 7:30 Wednesday breakfast, the final business meeting began promptly at 9. 24 resolutions were presented - fully discussed & action taken. The new Executive Committee of Jon Jones, Chr., Curley Custer, Jack Lasry, Jim Mayo & Bill Peters was announced. John Kaltenthaler remained as Executive Secretary with Herb Egender selected as the new Assistant Executive Secretary.

This year the Executive Committee invited 2 couples from ROUNDALAB, LEGACY & the National Executive Committee as a part of open communications & a spirit of cooperation. The 6 couples participated in all segments of the convention & helped with information of mutual interest.

Oh yes, somewhere attendees also found time to visit the 18 exhibitors who brought their merchandise & services for their fellow members to see first hand. The next CALLERLAB Convention will be April 13-15 at the Radisson Muehlebach in Kansas City.

What does it cost a caller to attend? Airfare of about \$250. Hotel costs of \$240. Convention costs of \$95; miscellaneous meals, cab fares, tips - \$50 - not to mention lost bookings revenues by being away from home. Are CALLERLAB members dedicated to improving themselves? The above will help you formulate your answer.

The International Association  
of Square Dance Callers

This basic group of calls will remain intact for a period of three years. Additions to this list prior to 1981 will be through deletions to the Quarterly Selections.

Our thanks to all who joined us in May at the Bob Kellogg Scholarship Dance. The R/D hall was full to overflowing both afternoon & evening sessions with R/Ders from as far away as Florida attending! Our thanks to all the leaders who so graciously gave of their time and talents.

At the RD Leaders Council meeting in August, we welcomed Jack/Carol McLaughlin from Goshen, NY. Having danced several years & recently returned from a week at R/D college, they are ready to "take one step" with their first class this fall. Welcome aboard! Moving up to active membership in the Council are Roy/Betsy Gotta. New moderators are Walt/Grace Pennie with Jean Kellogg serving as Secretary. Presently Council is busy planning the annual fall R/D special Sunday afternoon, November 2 at Brook Lawn Jr. High in Parsippany, NJ. Pennies will be teaching that afternoon.

Now is the perfect time for you to seriously consider doubling your dance pleasure by joining the R/D circle. See the listings below.....

ROUNDALAB, the International Association of R/D Teachers, will hold its 4th annual meeting in Philadelphia October 26-28 with many local members planning on attending. The main emphasis this year will be the completion of the Standard Definitions & Descriptions. The Education Committee will move

toward becoming one of the primary concerns. Several workshops & educational sessions are planned for attendees. Phases I & II of R/Ding were finalized & defined at last year's annual meeting in San Diego. The remaining phases will be further explored, discussed & defined. Other items on the agenda include: the formal adoption of a cue sheet format; A report on the establishment of a classic R/D list (with updated cue sheets); a review of the Fleck Point System in rating dances & the development of advanced plateaus; discussions concerning cue word standardization & R/D term abbreviations & at the request of CALLERLAB the development of a suggested teaching progression for Phase I & II with suggested routines and/or dance for which clearly understandable cue sheets & records are available. It should be an overflowing 2½ days!!!

WESTERN WHEELERS -- Park Ridge, N.J. (+1)  
 2nd Wednesday Congregational Church, 131 Pascack Road

Western Wheelers & couples from many area clubs have enjoyed summer "dancing under the stars" Mondays at Petruska Park in Paramus with Bruce Vertun & guest callers. A Saturday afternoon in August we demonstrated square dancing in Paramus Park for an enthusiastic crowd of onlookers & back-to-school shoppers. We held an Open House early in September on our home "court". We are delighted to announce that our fall classes will be under the sponsorship of the Westwood High School Adult Education Program & will be held at the High School. There'll be lots of room, so tell all your friends in the Pascack Valley area. The series of 11 lessons will be given Tuesday evenings beginning in October.

## STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J. (QS/APD)

q 2 & 4 Tuesday Church of the Advent-Watching Ave/Williams Street

Our 5th Henryville Weekend was terrific. Stan Zaczowski & Paul Brody did a fantastic job of calling. Our Sat. after party had us laughing until our sides ached. Nancy Zaczowski & Jeanne Brody assisted & participated along with most of the guests. Honorable mention to Connie Medlicott, Jean Levandowski, Thelma Boule, Peg Lopelliter, Donna Lamb & Glenna Hatfield for their Can Can performance. Stephen Rawcliffe and Jerry Seigel played the guitar for a sing along. Ted Levandowski did great impersonations. "Saga of Henryville" written by Keith Douglass was read by Glenna Hatfield.

Bill Schwartz is back with us again & impatient to start dancing. Our Crazy Hat dance brought folks from near & far, with the wildest original designs in millinery. Pat Corcoran literally topped it all with a chocolate cake hat with lit candles. Our picnic was lots of fun as usual, too.

We danced in the Memorial Day Parade in Bloomfield, 4th of July in Montclair. Our barbecue at the Cummings was great. Our camping weekend was a sellout. Come join us at our dances this fall.

Square dancing is one of the best forms of recreation available. You meet new friends, enjoy pleasant exercise set to music, & have the pleasure of solving interesting choreographical puzzles, as the caller moves the dancers thru an ever changing pattern of dance formations. The IDTT (I'll Dance to That) group is dedicated to helping dancers enhance their enjoyment of this activity by providing an in-depth program of Mainstream dancing. The concepts of "all position dancing" are also introduced.

LEGACY - follow up

Space demands prevent including a

full report, at this time, on the LEGACY questionnaires included in the summer issue. We thank ALL (& there were many) who returned them. All comments were carefully noted (& in some cases sent long to another for possible answer). A full report will be forthcoming. It was indeed gratifying to receive the response. LEGACY plans to revise & expand, a little, the questionnaire for future use. Did you happen to notice the LEGACY exhibit at LUST?

Space & other problems precludes having a monthly calendar. By comparing this universal calendar of all NNJSDA member clubs to the actual month, a dancer can figure out who is dancing when. The "Where", etc. will be found in each club's report and/or ad. On the bottom of this page we will always publish all cancelled dances (we hear about) for the period covered by this issue of GRAND SQUARE. 4 membership applications are awaiting Delegate action - Hill City Squares (1/3 Tuesday); Ramapo Squares (2/4 Saturday); Belles & Beaux (1/3 Wednesday) & Western Wheelers (2 Wednesday/4th Saturday).
