"A message from the BOON DOCKS of Warren County:

One score and five years ago, a group of square dancers from Staten Island and New Jersey conceived the idea of an association dedicated to promoting square dancing, working in harmony with others. This was the beginning of the now NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION. The square dancers who were instrumental in forming the Association are to be congratulated for their dedication and foresight. Over the past twenty-five years we have grown from 11 clubs to 42 clubs covering Northern New Jersey, Staten Island and Pennsylvania. Friday, the 30th of September, the NNJSDA will sponsor its Twenty Fifth Anniversary Dance at the VFW Hall, Manville, NJ. At this time we will honor the dancers and clubs who were charter members of this expanding Association. Elaborate plans have been formulated by your Executive committee, with a great deal of enthusiasm, in order that it may be an "Evening to Remember". "Fun, Friendship and Fellowship" were the words of the day then, and are NOW. Keep this date in mind and come and join us on this gala occasion, and dance to the calling of Manny Amor and Frannie Heintz, with Ed & Les Shearwood on rounds.

Our summer dance program was a success, thanks to the many dancers who attended the Wednesday evening functions.

Through this media, we take the opportunity to thank the Nominating Committee and the Delegates for having enough confidence in us to guide the NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION for the coming year. We will do our best to fulfill the responsibility entrusted to us. Your Executive Committee is at your service to help promote the fun and fellowship of square dancing. We look forward to meeting every one of our square dancers on the dance floor during the coming season.

TELEGRAMS TO CONGRESS DAY

September 21, 1983

Will you spend \$4.25 to indicate to the 98th Congress there are millions of S/D desiring permanent designation for the "Square Dance"- "The National Folk Dance of the USA"? Call Western Union & send a "PUBLIC OPINION TELEGRAM" to your Congressman on September 21, 1983. Let's flood their offices with telegrams!!! Sample message follows: Addressed to

The Honorable (Your Congressman) U.S. House of Representatives, Washington DC 20515 - to read "Please cosponsor HR1706 permanently designating the Square Dance the National Folk Dance of the United States. Introduced by Congressman Mineta." followed by your name/address. (20 word message)

IF your Congressman is already a cosponsor - send him/her a "THANK YOU" the same day. Celebrate S/D Week in a positive way, make Sept. 21 Telegrams to Congress Day. Need help for names/addresses; contact Frank/Helen Cavanaugh. The above is from the National Folk Dance Committee of which the Cavanaugh's are very active members.

Silver Anniversary

25 years ago square dancing in NNJ was at a low ebb. Dancing was much less complicated, but the 12

existing clubs were starved for members. Callers, dancers & clubs all tried to alleviate the problems, but none were too successful. The job was too big for an individual or club to handle. The idea of an Association began to form- it was being done in other areas - Why not in NNJ?

An organizing committee of 6 couples met & 11 of the now 14 clubs attended the first delegate meeting, & others that spring, to hammer out the details & adopt a constitution. Pictured above are JIM/VI CAMERON- 1st NNJ Treasurers with NAN/FRANK HABERSBERGER - who served the NNJ in every officer capacity, except Treasurer.

1 & 3 Wednesdays

Byrd School, Doremus Avenue

We have had a very active summer. We started off with a Pot Luck Supper & Installation of officers dance ably called by member-turned caller Bill Heyman. We thank last year's board for doing such a fine job and welcome our new one. Presidents Ed/Diane Mathews; 1 VP George/Fanny Meyer; 2 VP Morris/Janet Weingroff; 3 VP John/Lillian Hatch; Sec. Bob/Rosemary McComisky; Treas. Tom/Geraldine Musante/Gloria Reines, Delegates Ken/Edna Franz. It should be a great year. In July we welcomed a group of dancers from the Stintfang S/D club of Hemburg, Germany. They were terrific dancers & we enjoyed dancing to their callers too. This fall, dancers from Belles & Beaux will be visiting them in Germany. Now, if we could get the whole world to square up instead of squaring off.

Well summer has come to a close. We hope you all had a healthy & happy vacation & are ready to dance with us this fall. Our dancing level is +2 and we urge you all to come to our spacious hall to dance with us. All our members are anxious to dance with you & share our love of fun & friendship.

Our first dance in October will be called by Bruce Busch & November by Clint McLean with Doc/Peg Tirrell cueing all our rounds, also you know we will all have a grand time. Many of our Cloverleaf members shared a fun-filled weekend at Cherry Ridge Campground in July, even though the Lawrence's got lost and little Jimmy spent his dollar allowance to buy a hundred pieces of bubblegum. What a bargain!

We all wish a speedy recovery to Bill Nantz, our VP, who is recovering from hip surgery. We know Louise is treating him well as usual. Hoping to see you all at our dances. Keep on yellow rocking!

COME HOWL WITH US!

Y'all come out and promenade in our country this Fall! Last year we averaged 18 sets per dance & we have room for a lot more. Check our ad & you will see a highly talented lineup of callers this season. The Fall classes start the end of September under the direction of Bob/Grace Bishe, with Bob Benner doing the instructing. Our Halloween Dance in October is to be a hat dance - any crazy hat will do.

We received the fellowship award for last season with our 13 raids altogether, and 11 of them were official. At the last Association Dance Bill/Clara Sobelewski, and Roland/Monica Grover were awarded Patron's badges. They were feted by our Presidents, Ray/Joann Muller at a tailgate party. We look forward to seeing you at our dances which begin the end of September with Red Correll calling.

YES, LOUISVILLE, KY was the place to be in '83. If you weren't, you missed being a part of a fine, precision run convention. The 32nd National at Louisville purred with that delightful feeling one gets driving a sharply tuned, high performance automobile. High praise is due the hundreds of people who put months and years into making it a truly desirable dancing

experience....wrote Jack/Carol McLaughlin in ROUNDALAB's JOURNAL.

30,953 S/D registered making it second largest convention ever. The fairground facilities, 36 air-conditioned acres on one level drew rave after rave. While the weather man cooperated for the Parade of States, darkness set in before the dancing began in the stadium, so the try for a new record of # of people dancing in one location to one caller remains with Seattle. The main problem of the campers was the lack of showers, but they did have the convenience of being right there next to the fair grounds! 369 Jerseyites; 430 New Yorkers and 846 Pennsylvanians were registered as well as dancers from 12 foreign countries and many of the Canadian Provinces.

While many of our area leaders participated in the many facets of the S/D convention, a National is more than just dancing; it is a chance to re-new old acquaintances and make new friends....and we did just that. Eating our picnic supper outside we chanced to sit near to Cactus Pete and his lovely BELLE from Van Nuys, CA. A real super couple, Cactus Pete has attended EVERY NSDC since their beginning 32 years ago & proudly wears the string of badges to prove it. May our paths cross trail in Baltimore!

COVERED BRIDGE SQUARES -- Nutley, N.J.
 2 & 4 Friday Reformed Ch; Hillside Crescent

Happiness is having Roger Lund as our new Pres President. He takes on this leadership after having served 4 years on the NNJSDA Board & we count ourselves lucky. Our Venetian night proved to be a Lucullian delight, complete with sparklers, some a little stubborn. Can't you just hear the men muttering like Alice's White Rabbit, "got to get these sparklers sparkling". The tables that just wouldn't quit were laden with cakes, desserts and goodies that defy description.

Two sets made their way to Trenton for the "Thank You" dance. There were many sets and the Cavanaugh's were visibly moved. We all love you, Helen & Frank. Afterwards, Victor & I participated with others in the NJ Network fundraiser. Doc & Peg, those sweethearts were there, too, & we all enjoyed answering phones and appearing on TV.

Sunshine, food galore, fun & games, plus square dancing were again on the menu at our 10th annual picnic. Virginia/Frank Albanese, Past Presidents handled it, which explains it all for you. JULES & MARTHA POZSAR were most pleased with the retirement dinner the club hosted for Jules. He was presented a special custom made plaque in appreciation. (See pix up above) We feel that no other caller has devoted himself so unselfishly to a club & none of us will ever forget him.

We are always looking for our old friends and looking to make new ones. Come dance with us. (AD on page 20) Helen/Victor Pietrucha 201-991-8015

Follow up: Action Park (p. 47 summer issue)

In spite of the horrid heat & humidity over 100 dancers showed up each day of the ACTION PARK S/D FESTIVAL the end of July to dance. Many danced only a few tips before exploring the many activities of Action Park although there was continuous dancing on a lovely permanent wooden floor platform under a huge tent from noon to 10 PM. With the tent in a sort of hollow along the hillside, few breezes wafted in to reach the dancers or callers who were even higher on another raised platform. By Sunday AP realized S/D were not beer drinkers so closed down that concession and doubled the soft drinks - but also willingly provided the dancers with tall pitchers and glasses of ice which we could fill up behind the concessionaire stand.

Using the newspaper discount ticket, admission was \$3/per to dance with tops in caller & cuers - it was a bargain..as was the free monorail & ski lift ride up the hillside. We hope next time AP plans a S/D Festival it will be in October - although the pool and water rides were great!

While some of us did pass out promotional material to the non-dancing spectators, unfortunately they were never given the opportunity to try to S/D, even tho 2 girls did make such a request.

HUNTER MOUNTAIN-COUNTRY MUSIC FESTIVAL (p. 28-summer issue)

On the other hand, the Hunter Mountain Country Music Festival was pure Country Music (no discount tickets- \$12/per admission) with various top Country Music stars putting on their shows with 1½ to 2 hours of S/D scheduled in the morning, afternoon and evening (and half hour for non-dancers late afternoon). 2 top callers were there all 4 days, no R/D tho. A large plywood dance area under a tent comfortably housed the 8 sets dancing Thursday afternoon - another hot and humid day. Between shows and dancing, folks could browse among the many vendors, purchase a ticket to ride the ski lift, visit the kids amusement section or sample the standard country fair food.

Our sincere thanks to the callers/dancers who, in spite of short notice, supported the various demos exhibitions the NNJSDA sponsored this summer. We will be dancing again in the Bergen County Festival Sunday, October 2. in the afternoon. If you can help, contact 3vp's-Chuck/Maryanne Mosseau.

1 & 3 Saturday Presbyterian Church, Springfield Avenue

It's a new season and we will have a new format. We'll still have Rounds at 7:45, but now we'll have a + workshop at 8:30, and Squares will start at 9 PM. We will also have guest callers at all of our dances. Ron / Ree Rumble will still be doing Rounds at most of our dances with Jean Kellogg substituting when they're absent.

Congratulations to Dick/Doris Zink on their election as presidents. Dick/Doris have been long time supporters of Square/Round dancing and were delegates to the NNJSDA. Their enthusiasm and dedication to our activity will help make Dancing Squares one of the leading clubs in NNJ/

GARDEN STATE SQUARE DANCE CAMPERS

As you can tell by the picture we have a lot of fun at our campouts...and are always willing to help a person with their problems. This season is about over, but many of us are planning to camp out in October or head South if, and when, the cold weather ever returns. All our campouts had something extra to make them special, special food; talent shows..... A slight change in our normal- the annual dinner dance will be in February this year- now want to bet the Super Bowl gets moved then too???

Are you interested in increasing your dancing enjoyment now that cooler weather is coming? Would you like to dance at a full plus level to some outstanding callers? If so, come to our club from 8:15 to 10:15. Note: we will NOT BE LOWERING OUR DANCE LEVEL this fall. Round dance pleasure also is provided at Hi Taws. Rounds start at 7:45.

A big thank you is due Elsie/Gene Chappo, our immediate past presidents. Their enthusiasm, friendliness, and attention to details made for an enjoyable year of dancing for the club. We waited each week for Gene's choice words of wisdom during the announcements. The Chappo's effort as well as the considerable help received from many other people made last year an extra special one.

Congratulations & best wishes to our new officers, who also seem to have the same kind of enthusiasm. Bill/Cyrene Finch, pres; Art/Peggy Snell VP; Audrey Holmberg/Geroge Kuethmann Sec; & Jack/Jane Fischer, Treas. These officers look forward to welcoming you back this fall. With our new 24" oscillating fan (purchased last spring), our outstanding callers & cuer & our congenial dancers, we anticipate great dancing this year.

WELCOME back all square and round dancers - tinker, tailor, soldier, sailor - we have many different jobs, but we share one passion - square dancing. Hopefully you'll return to the club that sponsored you and help support it. If you feel you cannot serve as an officer or committee member, you can still support your club, attend dances and when you see a couple that looks a little uncomfortable greet them and dance with them. That's the best support there is.

A giant THANK YOU to our wonderful former presidents, John/Mary Aquino. Typical of their continued dedication was a terrific bar-b-q given at their home for all outgoing & incoming officers. Their outstanding efforts for our dancing enjoyment will long be remembered. Heralded in at the end of June dance & installation of officers were new presidents Bill/Virginia Boscia, VP's John Huettemann & Connie Ruschke, Sec. Jack/Pat Chisholm, Treas. Peter Carroll & Mary Sands, Raid Chr. Jack/Agatha Cochrane, Demo Chr. George/MaryLou Baurhenn & Reporters Gary/Terri Grochowsky.

Bob/Betty Daley, past Demo Chr., who did a super job of running ten demonstration dances at nursing homes, shopping malls & the Manor, recently presented demo badges to participating dancers. One of the many highlights of the active Hix & Chix was joining in the dancing in front of the State House in Trenton honoring the signing of Square Dancing as the official dance of NJ.

Our ice cream social was a delight to the senses as we danced to the melliflous calling of Mike Foley and Ed/Les Shearwood. Our annual Patriots Dance was a Yankee Doodle Dandy with its blaze of red, white and blue colors on decorations and dancers! We had a festive summer of dancing in our air-conditioned hall. Thank you, members and guests, for making it happen! (AD on pages 10 & 51) Terri/Gary BGrochowsky 201-891-3102

Summer is coming to an end and we're looking forward to the cooler weather and square dancing again with all our friends. We were saddened a few weeks later by the passing away of Emmett Evans who, with his wife Judy, was the founder of our club. We extend our heartfelt sympathy to Judy and their son.

Anthony/Jean Stella; Raid Chr. Carol Ridings; Delegates Les/Lola Patterson; Al. Del. Bunnie Cook; G/S reporter-Toni Stella; Sunshine/Welcome Com. Pal/Florrie Johnson; Publicity-Herb/Bert Conklin. S/D lessons with caller Pal Johnson and Lakeland have already started & will now continue at Littleton School on Littleton Road in Parsippany every Wednesday thereafter. We had a Family Picnic which was enjoyable to all members. Dancers will earn two Special Dangles, the "Crackpot" dangle for dancing in the Ladies Restroom & a "Mummy" dangle for dancing to a caller wrapped in toilet paper. The picnic was such a success that Lakeland planned another one in September. We ended our summer with a Watermelon Special.

Welcome back from vacation and happy dancing ahead. We are looking forward to a very busy and successful year. At our general meeting in July our new officers were installed. They are: Pres. Bill/Lucille Smith; IVP Jim/Dotty Harmon; 2VP Larry/Eleanor Higgins; Tres. Bob/Flo Shaw; Sec. Hattie/Lou DeLeau. Plans have been made to work out a theme for many of our dances this year which we hope will prove interesting.

Our treasurer, who has a bump of curiosity, studied the attendance for the part year and came up with an interesting figure. Forty-five percent of the dancers were visitors. We trust our many friends enjoyed dancing with us and hope they will visit us again & again. Meeting new people and making new friends is one of square dancing's greatest joys. During the summer many of our members traveled during their vacations and enjoyed dancing in other areas. Ed/Charlotte Miller even traveled to London to dance. Don't forget Leisure Squares has the welcome mat out to all. Happy Dancing! (AD on page 28) Hattie/Lou DeLeau 717-223-8180

The Merri-Eights wish to give a heartfelt thanks to all those club members & friends who helped make our 1983 summer season so successful. The air-conditioned K of C Hall contributed much to our enjoyment. This past summer has also been filled with excitement and involvement locally as well as nationally: We had a large contingent at the National Square Dance Convention in Louisville and everyone agreed it was an inspiring and unforgettable experience. We also put on demos at the Middlesex County Fair, the Hazlet Fire House and Timberland Lake Campground.

Our annual 5-Day demo at the Brunswick Square Mall helped raise funds for Muscular SDystrophy, while signing up new class members.

We are looking forward, with great anticipation, to the coming year - Our new class has begun at Churchill School on Thursdays with Glenn Cooke calling. We hope to have a large turnout. Our season resumed at Dag Hammarskjold. And September will also see us participating in the Spotswood Parade & demo as well as the Cranbury Tercentennial.

FOLLOW UP - SQUARE DANCE COUNCIL of NEW JERSEY

Representatives from various organizations involved in the many facets of the S/D activity, interested in the formation of the SDCNJ, met April 17. Much of the discussion centered around a constitution. October was chosen as the month for the annual meeting as most of the organizations will have had their first meeting by then of the new season. The SDCNJ will remain an open organization for a year giving all organizations a chance to join. Next meeting is Sunday afternoon (1 PM) October 30, 1983 at the First Aid Building in Edison, NJ. Frank Cavanaugh is Chairman pro-tem and Peg Tirrell is Secretary pro-tem.

Our very successful 1982-83 season was capped off by our pot luck supper the first week in June. That night we also had our first look at Pamela Jeanne, the Landi's newest addition, who even tried to accompany Dad for a singing call or two! We all went home stuffed, especially after cutting into the beautiful sheet cake supplied as a surprise by the Landis.

Our new Presidents for 1983-84 are Joe/Betty Weiss. The Weightmans will be VP, & the Stones our new delegates. The Remingtons & the Lawrences will continue as Secretaries & Treasurers respectively. Please check our ad and note our altered format for the upcoming year. We plan to workshop A-2 calls starting at 7:45, followed by computer dancing from 8:30-10:30. As the A-2 calls become familiar enough to the workshopers, they will be incorporated into the dance program. We invite all A-1 dancers to come join us as we make the transition to a full advanced club.

Our thanks to all who've been selling and purchasing the blue roses indicating their support for the '84 S/D float in Pasadena Tournament of Roses Parade. The parade theme this year is "A Salute to the Volunteer" with the S/D float using "Protect our Forest and Traditions". Why a forest in the S/D float - With Smoky the Bear & Woody the Owl on the float they've received a lot more publicity, but also they're sharing the expenses! By the way- Smoky is 40 years old this year! Anyone desiring to buy a blue rose, or a hanger for displaying a number of roses, please consult your delegate or write the Tirrells.

If you plan to be out Pasadena way Christmas week and would like to work on the float contact John Fogg at 1858 Locust Street, Pasadena, CA 91107. As the Arkins will tell you, it's a lot of fun to help.

Under their leadership Princeton Squares has enjoyed another successful summer of dancing at the beautiful air-conditioned Nottingham Ballroom in Hamilton Square with record breaking attendance of 45 squares.

One of the club's goals is to assist new graduates. During the summer a "Buddy" system was set up between experienced dancers and the graduates. The club also held three special dances at the Mainstream level.

We will be dancing again during the 1983-84 season at the Community Park School with some SPECIALS at the Nottingham Ballroom. Pre-Rounds will start at 7:30. Betsy Gotta will be conducting our S/D classes again this year beginning in October and Roy Gotta is planning a R/D class. We're looking forward to seeing all our old and new friends this season.

REELERS -- Ironia, N.J.

(+)

1 & 3 Friday

Elementary School, Dover-Chester Road, Rt 513

The Reelers ended their year with their annual Covered Dish Supper. Those who were not "too stuffed" with all the great food, enjoyed dancing to the calls of Jim Adams. During the summer, we participated in three demos - in July at County College of Morris in Randolph, & at Horseshoe Lake in Roxbury & in August at Chubb Park in Chester. The pool parties following were welcome rewards for those who danced on those very hot days.

Variety is our theme for the '83-'84 dancing season. Our list of guest callers is designed to keep us "on our toes". Grace/Walt Pennie will be with us again to teach rounds between 7:30 & 8 PM and cue rounds between tips. Our open house was last Wednesday with lessons now on consecutive Wednesdays. We are looking forward to a terrific season. See you at Ironia! (AD on page 41)

"RED TAG SALES"

Our thanks to ALL (the more than 30 sets of dancers; Manny Amor, Joe Fioretti, Doc Tirrell [who donated their services]) who came from all parts of NJ to participate in our "THANK YOU" dance in May Trenton last May. The publicity was fantastic & we have had many inquiries about S/Ding. We were also thrilled to have our American Flag flown over the State Capitol that special Day. It was a day we all will remember

for some time to come - But the biggest THANK YOU of all should go to FRANK & Helen Cavanaugh - for without their endurance & perserverance Square Dancing would never have been declared the American Folk Dance of N.J..

thank you

33rd National Square Dance Convention
Baltimore, Maryland June 28, 29, 30, 1984

Louisville is memory - a happy one to be sure...and now we set our sights on Baltimore in '84, when the National S/D Convention will be only a few hours drive away. Not since Atlantic City in '77 has a NSDC been held on the East Coast. Baltimore wasn't ready then to host a convention then, but in the last

few year's she's undergone a renaissance. The facelift has revitalized the city but it still feels it has a rightful claim to its nickname of "Charm City" with Fort McHenry, the Flag House, John Hopkins, The Constellation, Pimlico, the Orioles, etc, etc. The jewel in Baltimore's crown is her sparkling inner harbor - within walking distance of the Convention Center and Civic Center, both of which will be used for convention activities. Between the riverfront, the Aquarium, the Science Center plus the outdoor concerts, moonlight cruises, fireworks, and delicious sea food - who'll have time for dancing??? Come and find out for yourself.

There will be eleven dance halls, four outdoor dance areas, and lots of area for exhibitors, Showcase of Ideas, panels & seminars, etc, etc. - There will be something for everyone. All it takes to come, is to register now. (Although folks can register there on the spot the days of June 28, 29, 30, 1984. If you haven't already made your reservations - then get a registration blank among your club's flyers, and read through it very carefully. You can make room reservations on it too. Also be sure and order a Program Book (If you want a Cook Book, the Tirrells still have a few available for sale). and then simply enclose your check and mail to the address shown as soon as possible. Then cross off that week on your 1984 calendar and plan a week of exciting times. - If you need a registration blank, contact the Tirrells, Cavanaugh's or Oliers.

We had a busy end of the S/D season. In May, our club demonstrated at the Rockland County Fair. A good time was had by all - spectators as well as square dancers. In June we had our annual Ice Cream Social and our Final Dance was to pay tribute to Jules Pozsar on his retirement as club caller. We had a super turnout. Jules received a beautiful clock-plaque from the members and many other awards and gifts. Jules and his lovely Martha and son Brad will now have time to travel in their beautiful motor home and see this great country. In fact they started at the end of June with first stop National S/D convention in Louisville as they headed west. Jules will still be calling some of our special dances and will still be teaching classes. There were many Past Presidents of See Saws and many officers from the NNJSDA who came to pay tribute to Jules.

Our outgoing presidents Frank Zaruba & Dolores Dwyer thanked all who helped them during the year and also introduced the new officers - Pres. Norman/Phyllis Forgash; VP Gary/Sheila Schneider; Sec. Dave/Adele Weiss; Treas. Sam/Judy Soffler & reporters Susan/Bob Comte. Norman and his cabinet have been working very hard to line up many guest callers for the season. We hope you will all come out and support Norman and dance to the guest callers that he has lined up.

To leave on a sad note - the members of See Saws extend their deepest sympathy to Jules & Martha Pozsar on the loss of their daughter-in-law Linda who passed away in June.

Solitaires July picnic was great & ideal weather. Although Bev had hurt her ankle she did attend the picnic. Hank is feeling better but not a total recovery. He prepared the most delicious cheese pastry for us. Mike video taped our June dancers and showed the film to the guests during the covered dish supper time. Thrilling to see ones self on TV. The fun prize was won by Chuck Mosseau of Little Ferry. In addition to our usual Sunday dances, classes on Monday evenings start up the third Monday in September and we're also planning a New Years Dance at the Community House. Here's hoping you all keep safe and well and can join us at our dances.

Hundreds and hundreds of volunteer S/D are needed, doing a myriad of different jobs, to help a convention run smoothly. NNJ has been asked to help with Floor Hospitality on Thursday evening. "Old Timers" may recall that "Floor Spotting" was the very same job your NNJ, when Convention Liaison were Frank/Lorraine Mooney, handled - and the fun we all had.

What is a Floor Spotter? Well, rather than have a caller waste valuable calling time trying to find a couple to fill in a square, it is the floor spotter's job. As the dancers square up, when the "Floor Spotter" sees an incomplete square needing help, the Floor Spotter stands in the set, and raises the 3 FT lollypop type sign so dancers entering the hall can quickly spot where a couple (s) is needed and jump in quickly and dancing can commence.

Those of us who did it in Atlantic City had a ball.

You usually work a 2 hour shift and there's a # of dancers in each hall, depending on hall size...so you can work with your friends. BETTY/FRANK OLIER, along with the Tirrells, will be coordinating the NNJ's efforts for Thursday evening. We know you'll want to help be a part of those who help put on the greatest S/D Convention in the world.

The Spinning Wheels are really spinning in high gear! The club is all excited about our new hall in the Schuyler-Colfax Jr. High 1.1 mile north of our present location, directly opposite the First Aid Station. It is a much larger, brighter and newer than our old location and a stage high enough to give us some of the highest level calling around. Not only has our hall gotten larger, but so has our club which has passed the 100 member mark.

We invite all dancers, experienced and becoming experienced alike to try our new hall and variety of callers (10 on the season schedule). For all a friendly welcome and good dancing. For our '83 graduate visitors we may even offer mistakes they have never seen before - all with a smile.

We offer best wishes to Ruth Alloway who was hospitalized in June and Madeline Bergeron who went in in July. We hope to see them on the dance floor soon. (AD on page 52) Keith Douglas 201-839-3531

STATEN SQUARE SET -- Graniteville, Staten Island, NY (+)
1 & 3 Saturday Methodist Church, 1890 Forest Avenue

The car took longer to pack than anticipated. More items kept appearing as if by magic. Indeed not only the trunk & roof rack, but the back seat was filled with "last minute" items. The trip home was delayed by a massive traffic jam. The kids were figidity and fought with each other. Your temperature almost, but not quite, matched the 100 degrees outside, and it was all you could do to keep your cool. So ended the summer - the fall season to start anew. You greet your neighbor and fellow square dancer and your mind recalls the fun & friendship of the Staten Square Set installation Dinner Dance. WOW! Imagine Frank/Margaret Birmingham, pres. along with their fine executive board - the O'Briens/Ray/Bevins/Hughes. Your eye casts the advance schedule of dances and you note the excellent line up of callers...Frank Riviccio/Ralph Trout/Bruce Busch/Merv Northrup/Glenn Cooke/Mike Cleary/John Kaltenthaler/Bill Anderson/Dave Hass/Ginny Reaske/Jerry Salisbury.

Attention: Association Clubs. Club raids will start in earnest again. Staten dances every 1st & third Saturday with our "specials" the 3rd Saturday. Won't you visit us. We'd love to have you.

Remember the LEGACY questionnaire many of you filled out concerning s/d last year??? Well, 5,481 forms were received! Thanks to a computer, a good program & a good operator, the 208,00 data points and 127 pp of comments were reduced to three mini-floppy discs.

The average survey respondent danced between 4 & 5 times per month & had about 5 years' experience. About 2/3 of all dancers has been club officers. 1/4 had attended a S/D leadership panel or seminar and 2/3 found the information useful. Respondent were asked what methods of teaching and/or emphasizing etiquette were most effective. 68% voted "caller in class" with "by example" & "experienced dancer in class" each receiving a little less than half as many checks. Dancers apparently deem "written material" ineffective since it was checked on only 6% of the forms. Dance "mixers" were appreciated more by the less experienced & less frequent dancers. Higher frequency dancers rated "clothes" more positively. Dancers with 4-5 years experience had the lowest opinion of club leadership. The poorest overall attitude was scored by 6-7 year dancers.

Dancers were asked, "Of those you know who've dropped out of S/D, what do you feel were the most significant reasons...?" - 38% felt pressure; 28% felt rushed; 21% social (not accepted by group); 13% caller inadequacy; 11% club functions/responsibilities; 11% bored; 8% rough styling; 34% other..... which when broken down covered 3 broad groups - personal, club related & other dance related reasons such as "no partners for singles".

It is impossible to objectively summarize it all in a short half page here, but most seemed to be saying "Keep the fun & pleasure in dancing, teach them social as well as dancing skills, and reduce pressures wherever you can. Copies of the comments/data summaries (by state & overall) are available from your LEGACY Turstees. We will print the NJ responses in the next GRAND SQUARE. Another survey is planned for late 1984.

Spring was in the air as 22 Spinner beginners graduated to become Sussex Spinners at the Alpine School during the Graduation Ball in early May. The evening opened with welcoming statements by Norm/Audrey Bolin, Sec. of NNJSDA & the club induction by presidents Bill/Shirley Wright. The great food and a very special cake only added to the momentous celebration attended by Stan Lach & Martha Strait, VP Beginner chairpersons, all the club angels and many visiting clubs. We would like to extend a special thanks to Stan & Martha, & to instructor John Kaltenthaler and Bill Heyman for their humor, patience and support throughout the introductory classes. In addition good wishes and hopes of luck go to new pres, Stan & Martha and all our other new officers.

Joining with the intention of an evening out and exercise, the Spinners have been rewarded with wonderful friendships and are looking forward to helping this falls Spinner Beginners. Split classes will be offered for beginners 7:30-9:00, +level 9-10:30. Read our ad for information.

After doing a bang up job as president for more years than anyone except F.D.R., Artie Taylor persuaded us to let him have a rest. Our new prexie, Herb Rivken, shows every sign of keeping our club going strong. Richard Gray will continue to get those exciting callers & the Shearwoods to display their expertise and charm at the rounds.

Evelyn Olsen & Yale Carroad are also taking a rest from refreshments & several other jobs which they did so well that they had to be replaced by SIX other people. But have no fear, even though Artie had surgery early in the summer, all these dear people will still be there dancing & working for us, plus many other old friends & new ones. So come join us. Check our ad & flyer for dates. As this is being written, some dates have yet to be confirmed.

Baptist Church, 563 Piermont Road

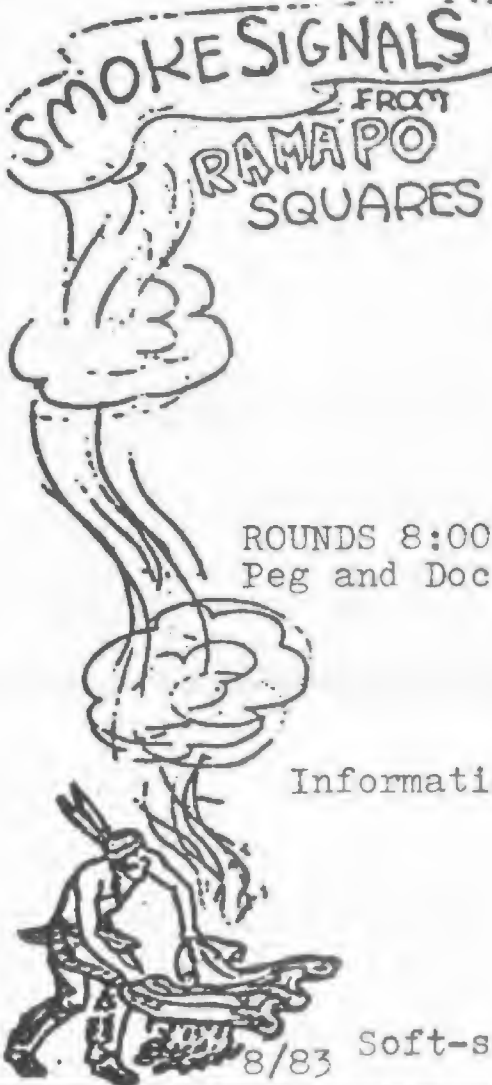

Our May dance ended our season in a blaze of glory!! First, a delicious pot-luck supper. The hall was decorated with patriotic red, white & blue streamers, & the tables were identified by numbered Roman candles. Then a brief election of new officers & distribution of gifts to the retiring officers from Jim/Bea Essig, the outgoing presidents who were unable to be present. Then the dancers really started to arrive!! Raiding parties from Tenakill Twirlers & Spinning Wheels of Wayne (who found that civilization does exist east of Route 208, & that you can get from Wayne to Demarest) gave us a crowd, the likes of which we hadn't seen for many a year. It was like old times, bumping elbows with the dancers in the next set! Being Friday the 13th, the black-cat dangles were awarded to the dancers. At refreshment time, everyone enjoyed a huge crumb-cake from that bakery in Hackensack where they make the "large-crumb" cake. (We won't name the bakery & give them free advertising because they didn't give us any discount, but if you really want to know, call the reporter!).

In September we began a new season at the same location with the same great callers, Paul Brody & Fred Weiner. So, if you've enjoyed dancing with us in the past, come on back. Even if you haven't danced with us, c'mon over. Recent graduates especially welcomed to enjoy our comfortable level of dancing - get that much-needed experience!

The new season is just around the corner so if you haven't danced too much this summer start oiling up your dancing shoes and limbering your tootsies. TT's opening dance in September was appropriately labeled, "KICK OFF" and we did to the calls of John Kaltenthaler and the R/D cues of Doc/Peg Tirrell....our goal is total fun. Come join us every third Friday for more of the same - and welcome in October Jeanne Brody who will be subbing for the Tirrells on rounds as they attend ROUNDALAB.

Hope you didn't miss our May dance honoring this year's Graduates. There's good potential in the annual crop of new dancers! See you on 3rd Friday for good dancing.

Hi Everyone! Hope your summer was exciting and that you are eagerly awaiting the start of our 1983-84 dance season. Our Spring dances, Graduation and Anniversary events were super fun for all. By the time this issue goes to print we will have enjoyed our annual picnic - this year held at Frank/Wanda Whitman's. This summer, Warren Wheelers demonstrated for the Hackettstown Hospital's Fourth of July fair and showed their S/D skills even though the temperature hiked to over 90°. Summer Sounds in Hope also has kept square dancers busy on Tuesday evenings.

We are saddened by the passing of one of our new graduates Anson Baker. Our sincere sympathy goes out to his wife Ruby and their family.

Check our flyers and come out and enjoy dancing this fall with us.

Square dancers everywhere are excited by the prospect of a new season. At Flutterwheels, the accent is on NEW. We are proud to introduce our NEW presidents, Glenn/Jackie Stickle. We embrace NEW members from last year's graduating class and our NEW and enthusiastic group of teenager dancers which is growing in numbers. We have a NEW class underway with NEW class sponsors, Maurice/Dot Cailleateau, who are developing an interesting program including class dances early in the NEW year. We have added some NEW callers for this season - the first of which is Frannie (Bozanga) Heintz from Massachusetts in October. We also kept some old favorites, especially our club callers, Bob Mitchell & Dick Pasvolsky. So here we are, dusting off the welcome mat & looking forward to reNEWing our S/D friendships; we'll be out to visit you, we invite you to visit us, too.

BADGES-DANGLES-ROVERS

This summer just flew by! Another fantastic season of dancing under the stars at Petruska Park has come to a close; and we applaud Dick Pasvolsky, who so ably taught the "plus" workshop, & all the wonderful dancers who came out to square up with us.

We also give a hand to our outgoing staff of officers led by Lee/Eleanor Gardner, who did a grand job of providing such fun all year. Our incoming presidents, Jim Palmer/Norma Vent have an exciting schedule of callers and specials for your dancing pleasure throughout the year, from "Club Night" in September (when clubs are invited to send a square of dancers to show their colors) to the "Strawberry Festival" in June (designed to pay homage to that mouthwatering gift to mankind). Each evening of dancing will commence at 7:30 with rounds led by the Shearwoods and continue with squares at 8 PM called (with a few exceptions) by Paul Brody on Saturdays and Dick Pasvolsky on Wednesdays. Please also note that our level has been changed to "plus". Watch for our flyers and check our ad so that you won't miss a beat. (AD on page 35)

Welcome back to a new year of dancing to all who took the summer off. To those who didn't, welcome back to cooler dancing. And to one and all, a special welcome to Y Squares this year for we're celebrating our 20th Anniversary as a club. If you'd like to join us at a special dinner-dance to help celebrate the occasion see our ad on page 60. Also please note the varying locations of our dances which are due to school holidays.

Our summer dances have been very well attended, with many new graduates polishing up their new-found skills. The Special with both Mike Foley and Will Larsen calling was particularly exciting. About 23 or 24 squares had a roaring good time. Let's hope that that enthusiasm carries on into the fall season. The more squares we have, the more fun everyone seems to have. Let's all encourage our friends to join the up-coming classes take part in the good time. See you on the dance floor.

In spite of reminders, some clubs simply blew the GRAND SQUARE deadline. A quick check of the centerfold Roster will reveal that all 42 member clubs are back in full swing even tho they did miss their news deadline (as you can tell Colonial barely made it). WHEN you are close to the date, or worse yet, LATE, CALL the Tirrells. We have taken dictation - on your nickle....

Missing clubs include: Cross Trail Squares; Hill City; Montville Squares; Ocean Waves; Richmond Dancers; Rutgers Promenaders and Somerset Hills. Next deadline is OCTOBER 9, 1983. Reporters will get reminders, but mark your calendars NOW.

The SQUARE PINCUSHION
sews the NEW JERSEY State
costume.....

As mentioned in the previous
issue, sewing instructions for
the state costume are available.

The cost of the basic kit of
instructions (including the patterns for his and her vests,
her dress, the stars and state initials for the appliques,
and sample swatches of the fabrics and eyelet trim) is
\$2.00 plus \$1.40 postage. and is available from:

Alberta Van Luvender
70 Miller Road
Kinneton, N.J. 07405

A kit for the 2 vests and dress with materials & eyelet
runs about \$25.00. The overskirt with eyelet runs about
\$5.00 more. Check with Alberta (838-3392) to be sure you
send the right amount and include postage. Make all checks
out to "N.N.J.S.D.A. Square Dance Outfit".

BACK VIEWS

MAN'S

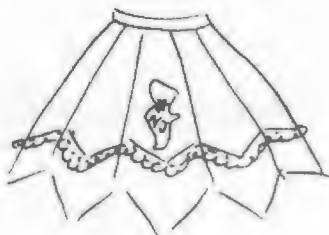

LADIES'

The basic dress is made up of a
circle skirt with a bodice with
round neckline and puffed sleeves.
Sleeves, neckline and hem are edged
in gathered eyelet edging. There is
a zipper closing down the back.

The vests are made of green (kelly) poly-
cotton broadcloth. The man's has a western
yoke, pocket flaps in front and top-stitch
details. The ladies' is fitted to the waist
and has button closing in front. Both have
a map of New Jersey appliqued to the back.
On the map you sew a star to the locale of
your home town and add the initials of N.J.

Although the sewing is up to the individual seamstress,
discretion is recommended and as
much adherence to the the basic
design as possible is is desired.

We're trying to be a unit of state
representation and therefore feel
we should not deviate too much.

The overskirt is optional. We will
talk about this and other overskirts in an upcoming issue.

I forgot to mention the dress is made of white poly-cotton
broadcloth. The men are wearing white slacks, shirts and
ties. The outfits are definitely striking. Keep these in
mind as a suggestion for Santa(it's never too soon).....
We'll talk about the applique in next issue.

DANCING WITH OUR TEENS

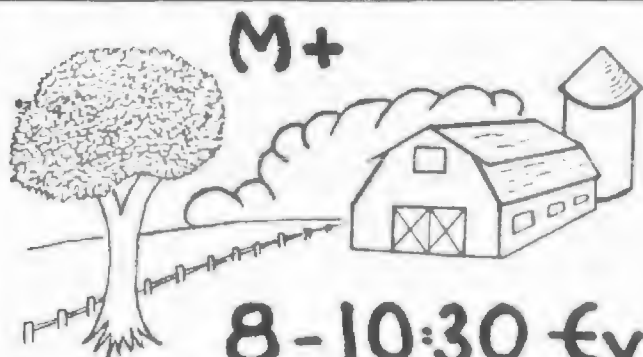

STAR-TEENS -- Staten Island, N.Y.

Saturday morning 10 to noon

A star is born on Staten Island, "Star-Teens" shines. Three S/D families united their offspring, who became the charter members & officers of this club. Under the able tutelage of Bill Anderson, & with the TLC of Donna (Mother) Anderson (combined with the angeling of parents & friends) the "Star-Teens" evolved from class to club. Their membership is expected to grow this year. All youngsters from 10 to 18 years are welcome. Their classes begin 2nd Saturday in September. Officers are Mike Pulice & the Cannon twins, Barbara & Cynthia have been attending the NNJSDA summer dances as well as other young dancers from other areas. We're proud of all of you keep the sunshine in our squares and the stars in your eyes. Good luck!

COLONIAL PALS -- Staten Island, N.Y.

every Thursday

The club members look great at special demos - in their crisp, sparkling club outfits. There are many angels, under the leadership of Frank McLaren & Florence DiSano (both of Richmond Dancers) who are working with the PALS every Thursday night. The members of Colonial Pals are a group of retarded young adults who have added S/D to their other activities, which include swimming, bowling and participation in the Special Olympics. The Pals are a delight in a square and a wonderful part of our S/D family of clubs on the Island.

The ROUNDALAB daily 2 hour educational seminars at the National S/D Convention in Louisville were held with overflowing attendance. These seminars, which were mainly lecture were slanted to R/D teachers, S/D callers interested in the R/D as a part of the overall S/D activity & prospective teachers. Thursday was a leadership discussion; on Friday Harmon Jorritsma, ROUNDALAB Chr., explained how ROUNDALAB is defining in R/D terminology all steps, figures, & movements currently known. A report of the progression of work being done on the phases of R/D was also given; on Saturday Irv/Betty Easterday incorporated their philosophy of teaching in a session entitled "Thinking About Teaching. Let's learn to TEACH R/D". These seminars are not to be confused with the dancer clinics presented as a part of the overall general education program at a Convention. Similar, but more in depth discussions, are planned for the ROUNDALAB annual meeting in October 1983. Many of the R/D teachers in the NNJ area are ROUNDALAB members. Doc/Peg Tirrell edit their JOURNAL; Jack/Carol McLaughlin are associate editors.

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

LEGACY

LEGACY, the International Communications resource and leadership center of the S/D activity, was the setting for the very busy meeting of LEGACY VI with 183 trustees from 34 states, 2 Canadian provinces & the

Netherlands in attendance. LEGACY trustees from NNJ (including Freddie/John Kaltenthaler; Frank/Helen Cavanaugh; Doc/Peg Tirrell; Donna/Bill Anderson) attended the convention at their own expense for the purpose of exchanging ideas. This years theme was COOPERATION with the use of flags as the acronym to formulate topics. Some of the subjects covered were Friendship, Leadership, Attitude, Giving and Styling. Dick/Jan Brown gave a report of LEGACY's third survey questionnaire. They had received 5,481 responses, with thousands of words of comments, which were compiled into a thick volume for all to read. One highlight of the convention was when Bob Osgood awarded the Silver Spur to a most deserving couple, Dick & Jan Brown. Among the resolutions adopted by the LEGACY trustees in St. Louis - a recommendation that S/D organizations at the local, national, international level support Leadership training by holding Mini-Legacies (like NNJ's LUST); that LEGACY VI encourages outreach programs be developed worldwide.; The concensus of meetings was that the social aspect of S/D is a major factor, if not the most important one, to assure a successful program. LEGACY proposes that the S/D community be made aware of the importance of social aspects & encourages the continued development of this practice - that the experience of enjoyment be fostered beginning with the dance learning process. LEGACY VII will meet May 1985.

The NNJRDLc summer meeting was hosted by Paul/Jeanne Brody one July Sunday. Moderator was Nancy/Max Nosker. Main item on the agenda was the Council salute to Hap & A.J. Wolcott for their many contributions to the R/D activity. Jean Kellogg will chair this afternoon & evening of dancing the first Sunday in November at the Somerset County Vo-Tech School in Bridgewater, NJ. 16 of the 32 Wolcott's published dances will be scheduled including: All or Nothing At All; Arrivederci Roma; Begin the Beguine; Cabaret; C'est Si Bon; Domino; Frenesi; Games That Lovers Play; Love Is A Many Splendored Thing; Maria; Non Dimenticar; Que Sera Sera; Sunrise, Sunset; Sweetheart Tree; The Shadow of Your Smile; and Two Lips. We were pleased to welcome 4 new -couples to active membership-Peg/Ted Tristram, Paul/Jeanne Brody; Don/Lesley Hughes & Dave Roberts, & several new couples as Associate Members. Council's next meeting is Sunday afternoon, Oct. 2 at 1:30 pm at the home of the Tirrells. An extra at this meeting will be reports from the Council's Scholarship winners - The Brody's & Tristrans who attended R/D School.

For those S/Ders who want to double their pleasure by learning R/D, we will include a brief note on every R/D Council member - we suggest calling them for more information concerning classes and clubs. 201-891-0658

Ralph calls the first Saturday of every month with guest callers in attendance on the third Saturday. We invite everyone to join us for a night of fun and friendship.  NOV. 11 AT 1ST PRESBYTERIAN CH., CRANFORD

DINNER AT 7 ; DANCING TO 11+ WITH
 JEAN KELLOGG & MIKE FOLEY

-TICKETS MUST BE PURCHASED IN ADVANCE-

Born April 10, 1983, F.A.B. SQUARES now has officers: Henry Hugelheim/ Anne Greite Pres., Mike/Sharon Klausner VP, Emmy Conlon Sec., & Larry/Regina LaMarche treas. Daren/Leah Chenkin will be our NNJSDA Delegates. We welcome raids - especially new graduates. A beautiful banner was made by Ann Klimek of Mahwah. Caller Dot Lowenstein offered a mystery theme at the July dance, and danglers were given to all. Having the luxury of an air conditioned hall allows us to dance through the summer months in comfort. A special treat was enjoyed in June when Art Seele visited, called a guest tip, & then taught a contra. We believe we are the only BASICS club in NJ and have used the State outline for our badges, which were distributed to charter members in July. If you know someone who has dropped out of square dancing, invite them to visit Fun At Basics.

IDTT has had a great summer season. Many of our new graduates have improved their skills and are dancing very well. We had many of our members attend our Blue Ribbon weekend. Our fall program will have MS dancing with some all position dancing the 1,3,5 Fridays. We will be teaching plus movements on the 2nd & 4th Fridays. This is for anyone who needs more work on plus figures or who could not dance over the summer and wishes to learn the plus program. Thank you all for making our summer successful.

1 & 3 Saturday

Presbyterian Church, Main Street

This summer season has been an active one. Our members have enjoyed our ice cream social, demonstrating at the Sussex County Fair, participating in the Action Park event & our annual S/D breakfast at Sunrise Mountain. During the summer months we were pleased to meet many new graduates as well as renew acquaintances with our annual summer visitors. Our A-1 workshops were suspended during the summer, but will resume in September. Remember the autumn months are a beautiful time to visit Sussex County...come see us! MASQUERADERS -- Princeton Junction, NJ (+)

every Tuesday

Fire House, Alexander Road

As this goes to press, we are finishing up our successful summer of weekly workshops for new & experienced dancers. We hope to see many of the workshopers for our regular season of dances every Tuesday. Our summer program highlighted an ice cream dance and a 48th anniversary party for John/Marge McLain. The last Tuesday in September we will have a used S/D clothes sale and our active club will go on and on with the fun throughout the year. If you're in the market for good dancing mixed with a full measure of friendliness and a large dash of activity and fun, come join the Masqueraders. We'd love to have you dance with us.

VALLEY SQUARES -- Watchung, N.J. (+)
1, 3, 5 Thursdays Bayberry Lane School

Carl Hanks is our Super Music Man again this season & Roy Gotta smoothly Rounds out our evenings. Peg Tristram's Beginner R/D Class is discovering the real meaning of Twinkle? Twisty Vine? Butterfly??? Once again we start a year of great dancing with beautiful music and Oh! those Refreshments!

Our picnic in June at the Breene's Camp Riverbend was a superior event; a beautiful location with tennis, swimming, barbecues, ice cream, squares by Tarrant & Rounds by Tristram. Our thanks again to Harold/Marianne for letting us enjoy their establishment. We've joined hands with Somerset Hills in a demo with Fred Fields calling and now in classes this fall at Watchung High School with Bob Tarrant instructing. September is a busy month with 2 dances, demos & of course a welcome to the class. It looks like a good year coming up. Do come join us.

Space and other problems precludes printing a monthly calendar. We include this universal calendar of all NNJ member regular club dances. Various types indicate level - *Mainstream* (MS) Quarterly Selection (QS); Plus (+); *Advanced* (A); *Challenge* (C). The "where" & other pertinent info should be in each club's write up (alphabetical A-Y) and/or ad. We will list below all cancelled dances, but it is the club's responsibility to keep us current. Thanks. Doc/Peg....
