BEE SHARPS -- Somerville, N.J. (+)
1/3 Saturday Somerset Co. VO Tech H/S

Bee Sharps are buzzing along even tho Ma Bell gave us a busy signal by transferring our Presidents, Jim/Jimmie Simon & our Secretaries Dick/Helen Newton, to far away places. The Executive Board elected Paul/Helen Kraemer as Secretaries, while Florence/Hal Margo became the new presidents of BEE SHARPS. We are all very happy that Florence/Hal have accepted this honor. With the encouragement of Max/Nancy Nosker, the Margos along with Allen/Nancy Potter, Carmen/Lee Quelly, Fred/Min Fredericks, & John/Helen Huenecke kept us going after the tragic death of Dick Jones. We thank them and congratulate our new officers, Stan/Barbara Smith 1 VP's, Wip/Evelyn German 2 VP's, & Bill/Janet Vierbuchen treasurers.

Our first dance in September with our new caller Ralph Stapenell was well attended even tho the weather was hot and humid. John Kaltenthaler called our second dance as only John can. Our third dance in October was our first Anniversary Dance and was highlighted by a bus raid of 4 sets from R & R Squares of Neshaminy Falls, PA. We thank all the delegates of the NNJSDA for electing us to membership in September. Bill/Clara Sobolewski were the first to have their Patrons Book signed!

It's good to be members of the NNJSDA.

ATTENTION CLASS COORDINATORS/INSTRUCTORS.....

GRAND SQUARE will feature all known Class Level Dances in its next issue-Deadline to Tirrells Dec. 9. At the "Mini-LUST" on classes in Sept. the suggestion was made that different areas make it a joint effort. - sharing costs/profits. See pg. 19 for dates already called in to GRAND SQUARE.

A MESSAGE FROM KATHRYN AND FRED HILL, PRESIDENTS

As we watch the leaves beginning to turn color here in Blairstown, we are reminded that another year is getting ready to "wind down." By contrast, Square Dancers are just getting into the full swing of dancing.

Our 25th Anniversary Dance is now past history. It was a most happy and successful affair. Did you notice how attractive all the ladies on the committee looked in their black, white, and red outfits? We were most honored to have Al Aderente, the first President of the Association, Jean Kellogg who helped organize the first classes, and Jim Cameron, the first Treasurer, attend. They have seen NNJSDA grow from the original twelve clubs to the present membership of forty-three. Will you be there at our 50th???

During the evening's festivities, the Fellowship Award was presented to the nine clubs who had earned it. Five clubs received an award for attending all the Association dances during the last year. One club earned both awards!!!!

At our last delegates meeting, the class coordinators and the club presidents met with a panel consisting of a caller, an advisor, and the vice president in charge of classes. Many workable suggestions emanated from this "Mini Seminar." There was a unanimous request that another such session be held before the next delegates meeting in January. One item that seems to surface frequently is the need for proper dress by Angels at class lessons. It was requested that all Angels wear square dance attire at classes. It was also mentioned that the students wear dresses for the girls and long sleeved shirts for the men. Several clubs will be holding class level dances and it is suggested that your club's class take advantage of them. Information on these dances can be found in the GRAND SQUARE or flyers.

Dancers, please remember that you were once a beginner, how hard it was to venture into a square. Encourage these newer dancers to join you in a square...Remember our motto..."Fun and Fellowship"...Let it not be hollow words, but solid..."Come dance with us"...and SMILE, don't be a "sour puss."

You, the Delegate, voted our forty third club - BEE SHARPS of Somerville into membership in NNJSDA. We wish them many happy years of dancing. Put them on your list to visit. This is a plus program club.

The formation of a Blood Bank to benefit all members of NNJSDA and their families was presented to the delegates at our last meeting. The idea was most enthusiastically received. Sylvia/Burt Caplan will have or will be sending more information to the delegates. They in turn have been requested to discuss the program with their own club's Decision to be at the next delegates meeting.

To all who worked on the committee for the "Mini-Festival", our special thanks. It did not just happen, it had to be planned, and that entailed many hours of hard work. The end result - a floor full of happy dancers makes it all worth while.

We are going to try to visit all clubs and to dance in a square with you.

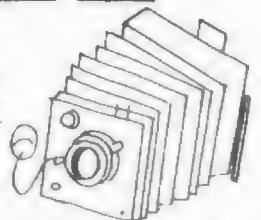

The entire Executive Board wishes each and every one a Happy Holiday. May the coming year be filled with Health and Happiness and Fun and Fellowship.

We look forward
to seeing you!

It may have been a wet, cold & stormy day but the weather inside the VFW in Manville was warm & friendly when the NNJ celebrated its first 25 years of service to the S/D activity in the Northern New Jersey area.

Unfortunately the VFW would not allow us to set up our refreshments in the Hall itself so the tastefully arranged platters of cookies & homebaked goodies that Betty Olier & Mary Aquino had spent hours on were hidden from most peoples' view. And we lost the full impact of the gorgeous 3 tier cake 1 VP Mary Aquino had created specifically for the occasion....but at least all could see the lovely tablecloth she had hand made of the dancers the Assn. used as its symbols for the first few years and was repeated on the commemorative program....as well as the fountains of delicious punch on the table & the silver balloons tied to the speakers on the stage.

The committee managed to hang a few of the banners & special decorations in strategic places. And many dancers were seen looking at the display of early memorabilia set up by the front stage. It looked great to see some of the taws in dresses of an earlier period.

What a treat to welcome so many who served on the first Executive Board - Al Aderente, who came with his wife Nancy, our first president; Jim Cameron, accompanied by Vi, our first Treasurer & Jean Kellogg who helped organize the first classes...which incidentally was the main reason the NNJSDA was formed in the first place. Accompanying Jean were "old timers" Stella Krochak as well as Bob/Betty Hawekotte from N.C. Jim/Ruth Grant & the Tirrells reminisced about the early delegates meetings. Unfortunately many of our past presidents retire & move away but out there on the dance floor could be found Al Aderente, Jean Kellogg, the Tirrells, Gene/Grace (who left a sick bed to come) Lucarini, Frank/Lorraine Mooney, Sol/Harriette Koved, Gabe/Sila Dell'Angelo & the current presidents Fred/Kathryn Hill.

It was a pleasure to welcome George/Rose Dock & Pat/Don Stephens from the Central NJSDA Association who brought along a delicious platter of special cookies in honor of the occasion.

A highlight of the evening was the awarding of the Association ANNIVERSARY awards to the 5 clubs who had "raided" all 3 of the NNJSDA specials in 1982-83....Covered Bridge Squares, Hix & Chix, Sussex Spinners, West Milford Flutterwheels & non member Kuntry Kuz'ns. NINE clubs had qualified for the FELLOWSHIP award by raiding 10 NNJSDA member clubs within the year. Interestingly enuf the very first to qualify was a non member group who call themselves the HAPPY SQUARES. This group of 10-12 couples, under the leadership of Helen/Art Rellinger, spend much of their spare time entertaining senior citizens, at nursing homes, hospitals, etc but still managed to circulate about to earn the award for their banner. Next in alphabetical order was Country Promenaders, Hill City, Hix & Chix, Kings Squares, Lakeland Squares, Richmond Dancers, Solitaires & Tenakill Twirlers. Did you notice HIX & CHIX was the only club to qualify for both awards????

President Hill did not dwell on past history in his brief talk. The commorative booklet told it all with its brief but thorough run down on the history of the NNJSDA, including a map & a listing of the 58 clubs (including our newest B# 9-18-83) that have been members, a few of the awards & some most pertinent & timely comments from Jean Kellogg....as well as a complete listing of those who have served the NNJ as officers/Liaisons, etc.

Thanks to the efforts of too many to name here, & the calling of Manny Amor, Frannie Heintz & the cueing of Ed/Les Shearwood, it was a most memorable evening for the 45 plus sets who came out to celebrate the happy occasion. See you at the 30th!!!

629 dancers have qualified for the NNJSDA FREELoader dangle since its inception back in 1968. Over the years Sussex Spinners

who has not had a graduate qualify since '77 still leads the list with the most dancers - 66! Next is Hix & Chix with 50 and Staten Square Set with 42 dancers. This year there were 60 FREELoadERS - the most since 1977 when 85 qualified! 17 dancers attended all 10 dances. Spinning Wheels & Richmond Dancers led the parade with 8 graduates followed by M T Squares with 6, Hanover Squares with 5 and four each from Solitaires, Isle Squares, Reelers and Hix & Chix. Among non-member clubs to qualify was Mike Pulice of Star Teens, Edwin Warner from Colonial Woods PA!! and the Murphys from LoBo Squares. Congratulations to all.

GRAND SQUARE BOOSTER BALL - Sun, Jan. 29, 1984 - 7-10 PM Montville, NJ

Comes June 1984 in Baltimore, will you be among the dancers heading south to MD to stroll thru the Harborplace and/or swing your partner at the Convention & Civic Centers? Already over eight thousand dancers have indicated they're going - including 549 from NJ, 342 from NY & 941 from PA.

If you don't care to partake of the S/D, R/D, Contra, panels, seminars, sewing clinics, fashion show, Showcase of Ideas, exhibits, exhibitions, Shops, after parties, etc, etc for the entire 3+ days, then you can always Cruise the Harbor with a stop over at Fort McHenry to watch the artillery & infantry drills, captain your own paddle boat around the breezy Inner Harbor, relax to music under the skies, visit the National Aquarium, the Planetarium, Maritime Museum to name a few, tour the US frigate Constitution, the sub US Torsk, take a day off to visit Annapolis, and eat your way around the "gastronomic capital of the Union" to quote Oliver Wendell Holmes.

Besides buffett luncheon or dinner cruises (+dancing) Tues, Wed, Thurs, there are walking tours, an old fashion Maryland crabcake & fried chicken buffet. We'll guarantee you there is something here for everyone!!! So SIGN UP NOW. All delegates were given registration forms; if your club has run out, contact the Tirrells or Oliers. Read the registration blank carefully. Fill in all the appropriate boxes. Be sure and order a program book - it is an absolute necessity for planning. The NATIONAL SQUARES - a quarterly publication of the National Executive Committee of the NSDC will give you a year full of convention happenings, & the cookbook is always a fascinating buy. Attach your check & mail in to PO Box 112, Glen Burnie, MD 21061. The address is right on the form. In time you'll receive your receipt and ribbon to attach to your badge telling all "I'm going to CAPTURE A MARYLAND MEMOPY".

Put this receipt in a safe place for you will need it when you arrive in Baltimore to register at the convention center to receive your official convention badge & other items you've ordered. If you have signed up for housing, in time you'll receive a confirmation notice of this and soon after the hotel will probably contact you for a night's deposit to save the room. If a group of you want to be in the same hotel, then send in ALL the registration blanks together.

And for those with two more weeks to spare, a tour is being planned July 2-15 to Germany, Switzerland & Austria concluding at Oberammergau with the Passion Play which will be celebrating its 350 anniversary. Write Joseph/Norva Pope 15 Melville Rd, Pasadena, MD 21122 (301-255-0620) if interested. But whatever you do, plan to attend the convention. There are very few opportunities to have a NSDC so close to our area. There is no better way to meet new friends, renew old friendships, and see that there are thousands of wonderful square dancers you've yet to meet.

On page 8 you read about the National S/D Convention next June 28, 29 & 30, 1984 in Baltimore, MD. This is the ONLY convention of its size to be completely run by volunteers. NO one ever receives any remuneration. And you, too, can have the fun of volunteering your services...by being a floor spotter. As explained last issue - rather than have a caller waste valuable time trying to fill in sets, this is a job for a FLOOR SPOTTER.

When the floor spotter sees an incomplete set, the floor spotter stands in the set raising the 3 foot lollypop type sign so dancers entering the hall can quickly jump in and dancing can commence.

Those of us who did it in Atlantic City had a ball. You work in 2 hour shifts with a number of other dancers in each hall.... so you can work with your friends. Betty/Frank Olier, along with the Tirrells, will coordinate the NNJ's efforts for Thursday PM.

We know you'll want to be among the 225 from the NNJ who can say they helped put on the greatest S/D convention in the world. PS-We already have had 4 sign up from FL & VT !!!!!!!

BELLES & BEAUX Crosses Trails with European Dancers

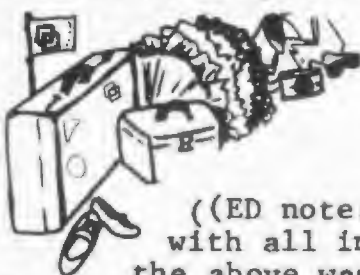

In a tremendous display of international cooperation, friendship & goodwill, 26 members of Belles & Beaux & 5 or our European friends danced their way thru 8 European countries from Sept 18 to October 1.

Through the untiring efforts of our fearless leaders Dot/George Loewenstein & their European counterparts Ed/Audrey & Lea Sepaniak, the trip was a great success. The purpose of the trip was not only to sightsee, but to build friendships & good will through our common bond, square dancing. This definitely was accomplished as evidenced by the many hugs, kisses & tears when we had to say goodbye at the Brussels airport.

Every place we went we were treated royally. Our whirlwind, 5,000 KM trek began in Brussels, Belgium & took us to the Netherlands, Germany, Austria, Switzerland, Luxemborg, France & Lichtenstein. We danced with the Dancing Hearts in Brussels; Stintfang Dancers & the Cross Country Hoppers in Hamburg; Belles & Beaux in Frankfort; Road Runners in Munich & Offenburg S/D Club in Offenburg; Germany. We also stayed in the homes of the Bonn S/D Club & the Afcent Towners of Brunssum, Netherlands. All the host families were very gracious & accomodating but a special thanks would have to go to the Stintfang Dancers, Cross Country Hoppers & The Road Runners for the delicious, homemade, sumptuous buffets they had prepared for us. It was truly appreciated by the hungry travellers.

The Afcent-Towners, led by the Sepaniak family and Sjeng /Betty Essers, made the trip really complete by hosting a gala farewell party on our last nite in The Netherlands. What a ball we had!!! Many, many thanks!!!

Although we saw beautiful churches, castles & scenery, the highlights of the trip was the beautiful people we met at every stopover....And at each dance we presented the host S/D club with a special poem that we had

framed. It went like this:
We've PASSED THE OCEAN and left our own SQUARE
To CROSS TRAILS with you in the dance that we share,
Let us TRADE the good will that we have got
In hopes that our friendship will stay RED HOT.

((ED note: Unfortunately the xerox of an adorable formal portrait with all in costume, complete to wooden shoes which accompanied the above was not reproducable in GRAND SQUARE. Pictured were: Lon Bieszard, Stu/Gene Blaine, Joe/Bev Brachocki, Paul/Jeanne Brody, Terri/Kristi Marsik, Carl/Saralynn Chirico, Betty Deneke (complete with cast), Anne Gallo, Anne Greite, Henry Hugelheim, George/Dot Loewenstein, George/Marie Mulford, Kitty O'Malley, John/Stella Orzechowski, Charles/Gladys Rubiniski, Bill/Marion Wooding with their European friends Sjeng/Betty Essers, Ed/Lea Sepaniak, Tom Richardson and their bus driver Dereck.)

Our thanks to Paul Brody & Dot Loewenstein for the above articles. It was a most remarkable & overflowing trip and as Dot said, "At the end of the two weeks, we were still all on speaking terms - remarkable!"

BELLES AND BEAUX -- Glen Rock, N.J. (QS)

1 & 3 Wednesdays H/S Cafeteria - 600 Harristown Road

The S/D year just whizes by. It seems to be just yesterday when a group of hardy souls braved torrential rains to attend our Open House & sign up for lessons. Now with the able instruction of Paul Brody, they are ready to brave their first club dance, our annual Christmas Party. Our thanks go to Bill Heyman who did such a great job of getting things underway when he substituted for Paul (who was in Europe) at our Open House & first lessons.

Our European travellers lead by the Loewensteins, are back from their long planned trip & a great time was had by all. In Germany they were hosted by many of the Stintfang dancers who visited us last summer. Truly, S/D opens a whole world of friendships. You don't have to leave the country to travel with Belles & Beaux. You'll note we've moved again! We're still in Glen Rock, but now in the larger, more comfortable cafeteria at the High School. Vern/Marie Verstraete have agreed to head the committee for our New Year's Eve Dinner Dance and Party. This is terrific news 'cause along with Pam/Ed Schippe, they co-chaired last year's dance. It was a memorable evening. Watch for our flyers and ad. Belles & Beaux gave a demo at Garden State Plaza. Thanks for making us look good Paul.

Our opening dance of the season was a huge success! We were happy to see so many new & smiling faces. Come again! The fall Mini Weekend was another pleasant interlude in the lives of so many S/Ders. We put on the "feed bag, socialized & S/D to our hearts content". Why not join us next time? We dance 4th Fridays. Ours is a comfortable level of MS dancing. See you there.

To earn a PATRON'S BADGE, a dancer must dance with 26 NNJSDA member clubs on their regular dance night & to their regular caller (if they list one) & have the Patron Card signed by a Club Officer. There is no time limit - some have completed it in under four months!!! some have taken ten years! The completed card is sent to 3 Churchill Road for verification. Several dancers have completed the requirements more than once! Thereby earning a specially designed dangle. We congratulate AUDREY HOLMBERG & JOERG

KUETHMANN of Hi Taws & FRANK & ALLANA BARR of Cross Trail who recently received their Patrons' dangles. (Pictures will appear in a later issue.)

Pictured are second time winners - ANNE GALLO, new president of LAKELAND Square & LON BIESZARD, delegate from Spinning Wheels. PATRONS cards are available from any NNJSDA officer or G/S Editors-Tirrells.

Hope you were one of those lucky people that attended our first dance with Bruce Busch and our own Doc/Peg Tirrell. We had 7 sets even though many of our dancers were at the Garden State Campers campout. Our feet really flew with Bruce calling and expect the same when Clint McLean is here in November. Remember we are a plus program club and we feature lots of fun and fellowship. Bill/Louisette Nantz are back and dancing and how pleased we are to see them. Our old friends are back dancing with us and new friends have joined us. If you haven't joined us for a fun filled evening please do, and if you have joined us we know you will return. So keep on yellow rocking.

2 & 4 Saturdays

Herbert Hoover Jr. High-Jackson Avenue

The Country Promenaders charged (or should I say "Promenaded?") into the Fall season with four demos. We danced at Woodbridge Mall, Menlo Park, the Metuchen Fair, & the demo at the Piscataway Amphitheatre was taped for TV by Cable Channel 6 in New Jersey on Labor Day Weekend. All the demos had a fine turnout of dancers. Prizes will be given for the craziest hats at our Halloween Dance in October. Caller will be Ted Knauss so it promises to be a real fun evening. Some of our earlier printed fliers show a dance scheduled for November 28th. That date is incorrect. We dance November 26th, on Saturday night, as usual, with Joe Fioretti doing the honors.

The Fellowship Award for conducting at least 10 raids last season was presented to our club at the NNJSDA's 25th Anniversary Dance. Check our ad for the great Fall lineup...and come on out...promenade in our country!

We started another year of fun & dancing with an Open House in Sept. & classes started in October with Herb Conklin as instructor. We had a good turnout & it's nice to see our students progressing so well. We have had several successful demos in which we have attempted to attract more people to S/D. As we enter the holiday season, we look forward to our Thanksgiving & Christmas dances with Paul Brody calling & Jeanne Brody on rounds. Our annual New Years Eve Dance will be an exciting affair as always & in January we will hold our Treasurer's Ball where we will honor all the treasurers in our Association. With all these exciting events planned, won't you come and join us? We're a friendly club & you will be warmly welcomed. We wish all of our friends & their families a happy holiday, (AD on page 24)

Carl Kumpf School, Mildred Terrace

Under the guidance of our dedicated past presidents, Jeanne/Dale George, the Colonial Squares were able to sharpen their C-1 skills. We had workshops with our amiable caller, Dave Smith, & now he has been challenging us! He has been calling some exciting dances, introducing us to new concepts, & his pretty wife Doris, is always there to lend a helping hand.

Pat/Frank Cirone, our presidents, & their capable officers are continuing the Colonial tradition this year. We are on the computer, except for the first & last tips, so we have a variety of squares in which we can dance. And, since we do not have rounds at present, we get lots of good C-1 dancing on Thursday nights. All of you who enjoy dancing at this program, as we do, are assured of a most cordial welcome by the Colonials. We are all very pleased that our loyal friend & past president Tom Gorham, has been able to return to dancing after his recent illness.

2 & 4 Friday

Radcliffe School, Bloomfield Avenue

Like Mercury, the winged footed messenger of the Greek gods, our chartered bus (courtesy our club) zipped us thru to the Leisure Squares in East Stroudsburg, PA for a raid. We all helped to get their new season off to a roaring start. We were very warmly received and all of us were given a Leisure Square logo dangle. Special thanks go to our very capable raid couples, Ruth/Milton Wind for arranging this most enjoyable affair which also included a delicious buffet enroute. Our club now sports a fresh, new banner refurbished by nimble fingered Rae Tellefsen. Hurry home, Rae. Enough of that traipsing around Hong Kong & China. We all miss you. Our new class, under Jules Pozsar's tutelage is dancing up a storm much to ours & Jules delight.

Our club is deeply indebted to the Wildings, Vince/Harriet, for their continuous efforts in preparing our ads for the GRAND SQUARE. (ED. We always welcome their neat, excellent ads) For your, and of course our dancing pleasure, we have secured a new hall in the Radcliffe School, Nutley. The facilities include a well lit parking lot, plus a huge dance floor. Soft soled shoes please. We will be having a variety of well known callers this year on second/fourth Fridays. All of us are looking to square up with you. (AD on page 50) Helen/Victor Pietrucha 201-991-8015

Our sincere thanks to ALL who came out to the Liberty State Park demo in September & the Bergen County Arts Festival at Bergen Community College in October...and to Wayne Applegate & Bill Heyman for donating their time. The audience was most enthusiastic at both occasions and kept dancers busy answering questions concerning where they too could learn.

Our first dance of the season was also our Open House. Wayne Applegate called a good dance and the Rumbles did their usual excellent job on the Rounds. The S/D workshop was very well received.

For most clubs, the season has only begun, but as you read this, ours will have just ended. We give a special HOO RAY to callers BETSY GOTTA & TODD FELLEGGY who were so kind as to fill in for us on only about an hours (!) notice when we were "stood up" in Sept. They really answered the call! Once again, we've all over indulged: Wine & Cheese parties; Dessert Smorgasbord; Ice Cream Festival; Jewish Night with Blintzes & more; the September campfire with coffee and cake. Seems like there was only one campout that didn't feature our taste buds: Talent Night in July. Who could forget our master magician, Hot Bra Hanna, and Dolly, to mention only a few? Our club is now planning to raid some of the clubs in the NNJSDA soon. We'll be leaving our camping equipment home, but we all look forward to dancing with you shortly.

HI TAW TWIRLERS -- New Milford, N.J. (+)
every Tuesday Middle School, Roslyn Avenue

Hi Taws is a square dance club you might wish to consider visiting or joining. It is a full plus program club with our four regular callers (Hugh Jones, John Kaltenthaler, Will Larsen & Bob Mitchell) providing exciting challenging dancing on Tuesday evenings. Our Round Dance cuers, Ed/Les Shearwood, also are exceptionally good. A large number of Hi Taw members belong to other clubs, plus, advanced and even challenge program clubs. The advanced program dancers use Hi Taws to reinforce plus & mainstream calls. Plus program dancers like the versatility of our callers. With these considerations perhaps it is understandable why we are so popular. Hi Taw functions as a dancing club. Our membership is composed of congenial and enthusiastic dancers. As compared to most clubs, Hi Taws does not sponsor such activities as raids, and related social events. Instead our dancers meet on Tuesday evenings for outstanding dancing. The present Executive Committee and callers/cuers promise to continue the tradition of outstanding high plus program dancing and congeniality at Hi Taws. (AD on page 41) Art/Peggy Snell 201-261-6586

Now that the baseball season is almost over, I thought our TV set would get a rest. Instead of baseballs, now footballs keep bouncing out onto the floor. Ever notice how much alike football & square dancing are? We have set plays or calls, a coach or caller, two minute drills or hot hash, & uniforms-but the padding is different. Can you imagine Franco Harris in a petticoat? Classes this year are Thursday evening with Bob Benner instructor. Wayne Schroeder is in charge. Dot Olsen/Dale Gang-aware report that the official NJ S/D costume was very much in evidence at the National SDConvention...and hope that next year will bring an even better showing.

The police left a little red faced, & looking back on it, it was a natural mistake. Our first fall dance started with a great covered dish supper. Everyone was in good spirits as the dancing progressed. The police heard that we were having a riot when in fact it was only a raid! Some of the dancers were a little upset by the interruption; one even took aim with a leftover cake. Manny Amor & Ron Rumble finally restored order & the dance continued without further incident. Charter Members Blanche/Irv Weaver said that while dancing with Hill City for 33 years they had been raided by many clubs, but never by the police!

For those who have not been to our dances this year, the masked dancers have still not been identified. Come see if you can guess who they are & enjoy some good dancing while you're there. In Sept. we received the NNJSDA Friendship visitation award. We were the first NNJSDA club to submit our signed card certifying that we had visited ten other clubs.

When we raid, we really raid! At first glance around with 4 smiling hostesses going up & down the aisle handing out containers of juice, sandwiches & all kinds of goodies, one would think that you were on a plane. The only thing missing was the movie screen! Actually we were on a bus going to PA to raid Leisure Squares. All 38 of us, had a great time—even signing up the bus driver for lessons!

To go on a raid with 5/6 sets is typical of the enthusiastic members of our club. Last year's raid chairperson, Annalou Kuenzler's enthusiasm couldn't help but rub off on everyone. She really worked hard at getting the group together...and she enjoyed it! It showed! She even scheduled a raid right after graduation so our new graduates could get involved... and our new raid chairperson is just as enthusiastic. So watch out for us in our red and white outfits. Last year we raided eleven clubs and all 3 NNJSDA dances plus a special bus trip to the Thank You dance down in Trenton. On all these raids we had between 4 and a half & 6 sets -- making friends with many dancers & enjoying every minute of it. Pretty soon we will need another banner just to hold all our memorabilia collected as folks return our visits to Hix & Chix!

At this writing we're looking forward to our Thanksgiving special when Marshall Flippo visits our club. It's a good way to lose a few of those extra holiday pounds, IF you can stay away from our refreshment table!

We opened our 1983-84 season with a dance called by Lee Kopman, enjoyed by all. Our class began in September. Frank Riviccio is our teacher. Plans for our plus workshop are incomplete at this time. Our Barn Dance was a great success, thanks to all the hard-working members under the chairperson, Sydelle Gansl. "CONGRATULATIONS, Sydelle, JOB WELL DONE!!!"

Our tenth anniversary was celebrated in October with Frank Riviccio calling. Mickey/Aron Weiss the chairpersons planned a merry "tin" affair. Pat/Bernie Munse, our presidents, have many new plans for the coming year. And, hopefully, we intend to complete 10 or more raids on our neighboring clubs. We invite you to dance with us this fall and all of next winter.

Hello there - now that the hot weather is over we can get going on some serious dancing. It really makes you want to go these cool nights, right? Seven couples from Leisure Squares traveled to the Lexington Squares in MA and had a real ball. The covered dish dinner was delicious and the dancing great afterwards. Of course when Stan Tebbetts set off the fire alarm with his burnt toast everyone went crazy hunting the source down. Fun!

Our first dance in October was a real success with a bus load coming from the Covered Bridge Squares. They are such nice people - but aren't we all? The welcome mat is always out for all club members everywhere. Our members are working towards a large class this year. What a lot of fun waiting around the corner for each one of them. Many enthusiastic club members and people from the audience participated in our demonstration at the West End Fair and the Stroud Mall. Thank you Members! Have a wonderful Fall and come join in on the 1st/3rd Saturdays at Leisure Squares Squares.

There is no doubt about it, practice makes perfect. Our new dancers & those of other clubs are proving it at every dance. An encouraging number of them have danced & workshopped during the summer and it shows. We are all pleased with them and are proud of them.

Our first dance was a great season starter. How could we go wrong with so many right things happening? Rob Bissey, doing the calling, the new dancers doing so well, being raided by a wonderful group of people, the Masqueraders, of Princeton, and to round things off, so to speak, great cueing by Peg/Joe Dockry. This is only the beginning folks. Our club has a great list of callers for your dancing pleasure, our dancers are eager to freshen old friendships and make new ones, plans are being made for our usual fun filled New Years dance and this years raid committee could not have been placed in more capable hands than those of Ronny/Norm Peterson. We look forward to dancing at many Association clubs & of course one of our greatest pleasures is playing host to visitors at our club dances. (AD on page 21) Barbara/Skip Samsoe 201-548-5920

MERRI-EIGHTS -- East Brunswick, N.J. (+)

Vag Hammarckjold School, Rues Lane

With the season in full swing & the holidays on the horizon, we are off & running. This year's class of 80+ seems very enthusiastic & our Angels deserve a big round of applause for their active participation & support. The Churchill School is really swinging on Thursday nights. Our dances, too, have been exciting with each one commemorating something special: The October dance celebrated the 10th anniversary of Max/Nancy Nosker as R/D cuers; In November we gave recognition to Glenn Cooke as he celebrated his 20th year as a S/D Caller. How fortunate we are, at the Merri-Eights, to have such outstanding calibre in our midst. Our blood bank is doing very well and we are proud to be among the first to offer this kind of a benefit to our members. All of us at the Merri-Eights want to wish all of our s/d family a Happy and Healthy holiday season. We pray that this holiday season will bring the "spirit" of square dancing to all the peoples of the world. (AD on page 56) Dick/Sally McKay 201-257-5211

We goofed last time & forgot to include this note from EDITH Moses....our sincere apologies. So glad to hear Al is OK now.

"....Al would like to thank all his members, dancers & friends for the lovely cards, phone calls, gifts & get well wishes. A special thanks to all the callers that filled in & helped out with the summer dances - Wayne Applegate, Al Fox, Harry Gaulke, Betsy Gotta, Bill Heyman, Lee Kopman & Frank Riviccio. Dancers enjoyed them all. Al is doing well, coming along nicely after undergoing 2 operations in 3 weeks & hopefully will resume his activities this fall." Edith Moses 2525 W.2nd St, Brooklyn 11223

Community Park School, Witherspoon Street

Here we are into a great new square dancing season and planning all kinds of events for our "old" and "new" friends. To encourage more newcomers to this "sport", we held an Open House in September and also demonstrations at two shopping malls. We also began our new class at the Princeton Adult School with Betsy Gotta once again at the helm. With the Holiday Season coming up we're planning two special dances - a "Turkey Trot" in November with Earl Johnson, caller, and Steve Bradt on the Rounds, and our annual "Holiday Fling" in December with Clint McLean and Ron Rumble. Remember our special dances are held at the beautiful Nottingham Ballroom on Mercer Street in Hamilton Square. We're looking forward to seeing you at our regular Friday dances and our "specials" during the holidays. (AD on page 9) Joan/Vince Szemis 609-883-1663

2 & 4 Saturday RAMAPO SQUARES -- Oakland, N.J. (ADV)
Heights School, Seminole Avenue

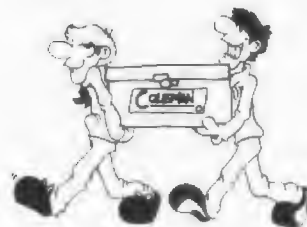

It is with sorrow that we bring you the news of the death of Les Manuel, loyal and devoted member and past president of Ramapo. Les suffered a heart attack while at work on August 25 and was rushed to the hospital - to no avail. A good and kindly man, a gentle man of dignity and warmth, Les exemplified square dancing at its best. Almost from the day he and his wife Dot were graduated more than 10 years ago, they helped other aspiring dancers: As "angels", on the hospitality and welcoming committee, as ongoing members of the Executive Board, finally as presidents in 1978-79. Any job that needed doing, Les was always right there. Nobody can take his place. We will miss him more than we can say.

See our ad for news of our Advanced Program upcoming dances with C-1 aftertip. Note too that friends as well as members are invited to our New Year's Eve celebration. You will also see a new name in Jan. that of Dave Smith of Arkansas fame. Let's all show Dave that Northeastern USA hospitality is right up there with a certain other sections of this fair country. (AD on page 23) Lilian/Saul Fine 201-836-1896

- Area subscriber to the relatively new national publication "50 PLUS" were pleasantly surprised to find familiar faces (Tirrells, Aquinos, Helen/Art Rellinger, Vera/Ray Geibel [Ray was hidden from view]) on page 16 of the October issue. The article was about "DANCE" with quite a bit of space devoted to square & round dancing, including quotes from the demo set who spent one very warm afternoon dancing up a storm in NYC ignoring the photographer who snapped 15 plus rolls of film for that one shot! All who've written in for S/D info have received replies as to where they too can learn.

For S/D WEEK, the RECORD featured a set of Ramapo Squares dancers in its colored, mid-week centerfold. Unfortunately it only covered that area of Bergen County - but at least folks can't say they haven't heard about it - or can they??? All inquiries for classes were also answered.

Our Open House was well publicized in the Daily Advance with a very informative article & pictures on the front page and also on page 3. The class is off to a good start with Wilson Hoff as our very able instructor. Grace/Walt Pennie are teaching the "Round of the Month" at 7:30 to experienced Round Dancers. Free dangles were given at our Autumn Special. Mike Cleary was the caller and did a great job. At our next dance in November we will dance at Fernbrook School off Center Grove Road, near the A & P shopping Center in Randolph. We wish Jim Best, our co-VP, a speedy recovery from an accident which injured his arm. Hope you'll be back dancing with us soon, Jim!

SEE SAW SQUARES -- Upper Saddle River, N.J. (+)
 1 & 3 Saturday Stone Church Ed Center, E. Saddle River Road

We have been hosting guest callers this year. Our Open House started off with Jules Pozsar. We had an excellent attendance considering it was Labor Day Weekend. Results - Jules has started with a new class of future square dancers. Our second dance was called by Manny Amor. Eleven sets had a good time. Next dance was called by Mike Foley. Future dances will have Bob Tarrant, Red Correll, John Kaltenthaler & Hugh Jones. Our ad will give you the exact dates they will be calling. Our Holiday Dance will have Jules and his new students. Should be fun to see what they've learned by then. Our Presidents - the Forgashs became grandparents to a baby boy. He really is a welcome joy since the Forgashs have two girls. On the other side, the Calderones became grandparents of a baby girl. This was also a welcome joy since they have three sons. Hope to see you all at our dances. Besides a variety of callers, there is a wide variety of refreshments. Susan/Bob Comte 914-634-3160

NATIONAL SQUARE DANCE DIRECTORY

The new DIRECTORY which will be available MARCH 1984 will contain data on over 10,000 clubs as well as several new & expanded features - a directory of area publications, & associations. The product/services directory has been expanded & reorganized to be even more useful. Inquiries & orders should be directed to PO Box 54055, Jackson, MS 39208 (601)825-6831.

Included in each DIRECTORY is a form for earning free Travelers Badges. Similar to our PATRONS, by having an officer or caller sign that you've danced at their club - 10 different visits qualifies for green & white badge; 25 additional for Silver Badge & 50 more for GOLD Badge. So far only Dick/Cleo Shore of CA & Mary Rogers of AR have earned Gold Badges.

Come on NNJ dancers - you can easily earn a Silver Badge as ALL our NNJ clubs are listed. Who's gonna be first?????

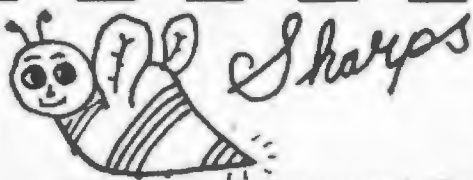

every Monday SPINNING WHEELS OF WAYNE, N.J. (1/3MS; 2/4 +)
Schuyler Colfax Jr. H/S 1500 Hamburg Tpk

The Spinning Wheels started their season without spinning their wheels. They took off like an Indianapolis 500 car! Wayne Applegate started the season with an open house that brought 20 people into his class. The club then opened its regular season with Wayne calling to 7 sets in our bright and spacious new hall. Our committees have also been busy. A refreshment schedule is out, to keep our guests happy in body as well as spirit, and three raids were announced for the fall. New Raid Costumes are on the sewing machines of many of our sew nice ladies. Robin, Alice & Vince Dymek proved that families can work together by taking over the art work and production of our new newsletter. Romance has struck the club with the engagement of Gail Douglas to Jim Little of IDTT. They proved that square dancers are the friendliest people.

STATEN SQUARE SET -- Graniteville, Staten Island, N.Y. (+)
1 & 3 Saturdays Methodist Church, 1890 Forest Avenue

You are cordially invited to join us in celebration of our 35th anniversary in November. Glenn Cooke will call squares starting at 8:30. Joan Newman will cue rounds half hour earlier. RSVP not required, however your presence would be most welcome. The club motto, we dance for fun and friendship, will clearly be in evidence. As usual, a gala feast will follow and perhaps you may be one of the lucky 35 recipients to receive a door prize. Perhaps you may be the recipient of the revered Lucarini Award. Staten is a family. We share the sorrows of illness and the joy and happiness of weddings, anniversaries, marriages, etc...In this respect, a special joy to Dave/Lil Beauchine. Happiness and good luck in your new home...Boonsville, Arkansas. We will miss you physically, but you will always be in our hearts.

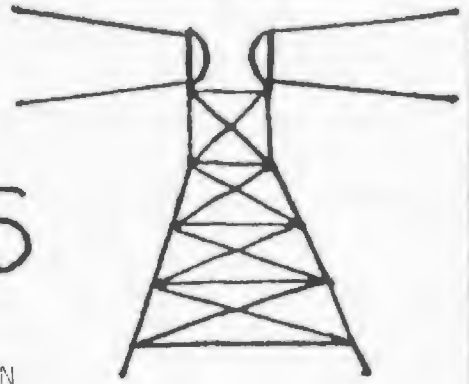

The summer is over; we are back in the swing of things with good dancing to our excellent slate of callers. Please check the Sept/Oct GRAND SQUARE for a complete listing. Our new class consisting of some 5 sets is progressing very nicely. It was a big surprise to welcome back a couple who were in the class of '66! Our class has now combined with RIO (making it RIOS) with all four clubs on the Island working together on one combined class. We eagerly look forward to dancing with you all at our Christmas Dance.

Alpine School, Andover Road

2 & 4 Fridays

A festive picnic on a hot July day, the sun beaming on already warm friendships; dancing barefoot in the meadow and at the water's edge; splashing during a promenade and attempting an "ocean wave knee deep" in the cool water with everyone possessing a smile to match the occasion, fond memories of the summer of '83 are still with us. The summer ended with a demonstration at the Sussex County Farm & Horse Show in August. The show included six sets and even the audience joined in the fun to top off the revelry.

But now summer is over, and the fall season is in full swing. Enthusiastic is the only way to describe the attitude of the beginners who start the evening classes, along with the plus students who follow. With the help of new VP Gail/Dave Wetzel, callers & instructors John Kaltenthaler & Ted Knauss, & many Heavenly Angels, the fall season promises to be a time of fun & friendship for all.

The first dance with Bill Heyman went over in the usual Sussex Spinner tradition - good food, good friends, and an evening to be remembered. Future events slated include the Apple-Autumn Harvest Festival, Mystery Night, Halloween Costume Ball, and Dangles Night. For further information please see our ad. In closing, we wholeheartedly welcome neighboring clubs & especially the newly graduated students to all the dances. After all, it wouldn't seem right to keep all the fun to ourselves! See you soon. The SQUARE DANCE COUNCIL of NEW JERSEY met Oct. 30. Representatives of all S/D & R/D organizations within NJ were invited to attend, discuss the adoption of a constitution & elect officers. The Council is not to replace any current organization, or usurp anyones authority. Its prime purpose is to keep open the lines of communication already established & to provide an open forum for discussions.

SWINGIN' STARS -- Maywood, N.J. (+)
Maywood Avenue School

2nd Saturday

Faced with the loss of its hall and round dance cuers for the Autumn, our resourceful officers managed to provide us with the usual happy dancing evenings. The dances were held in the recreation hall at Petruska Park in Paramus...as will be the November dance. Rounds were cued by the Tirrells in September & the McLaughlins in October. They're both such charming couples that we almost wish we could have them AND our own Les/Ed Shearwood at every dance. The Shearwoods will be back in November. December will find us back at the Maywood Avenue School. *VPB* ↓

Our September dance was called by a vibrant young newcomer, Mark Franks. He was so good that the popular VPs of NNJSDA Mary/John Aquino immediately booked him for the Trail In dance for the Baltimore National. October brought another excellent young caller Steve Xeller...and for Nov. we look forward to Mark Castracane. But we need dancers to survive. Our treasury is hurting and if we do not get the dancers out we will not survive until the Delegates Meeting. So if your club is looking for a club to raid, please consider SWINGIN'STARS - Dec. we'll be back in Maywood. Call for information. *Dorothy/Paul Pullman* 201-568-5138

2nd Friday

Planned by our new officers, presidents Tony/Gloria Fodera & co-VP's Dick/Marie Gorab & Bob Durand/Eleanor DiSienna, our fall season opened with an Ice Cream Social dance to honor the birthday of our past-president Jim Essig. Although some familiar faces were missing, a good time was had by all, dancing to the calling of Fred Weiner.

By the time you read this, our October Crazy Hat dance & November Patriotic Party dance will be history, and we'll be looking forward to our Christmas Cookie Dance and the new year. Fred Weiner & Paul Brody are alternating on our dances this season to provide us with some variety. Doc/Peg Tirrell and Jeanne Brody are cueing the rounds. Did you attend those dances?? If not, don't wait any longer, especially you recent graduates. You are especially welcome to dance with us to improve your skills & get experience so you can dance at the plus and advanced clubs. The welcome mat is ALWAYS out. Come & join us for a most pleasant evening.

To all who celebrated S/D Week by sending Telegrams to Congress - our thanks. Mac/Mary McClure, spearheaders of the drive to have the S/D declared permanently our National Folk Dance, spent that very week in Washington DC visiting Congressmen. By Oct. 4th the bill had 225 cosponsors (requisite 218) & Congressman Mineta was hoping the subcommittee on Census & Population would start considering this important legislation when it reconvened Oct. 17 after its recess. The Senate has already passed S. 1448 (exact replica of HR 1706) unanimously last September.

3rd Friday

The theme for our October dance was "Apple Night" & for November we're featuring a "Pie Festival". It's hard to believe that the holidays are just around the corner, with the accompanying cold weather, as we write this on a warm October day. Happy Holidays to one and all.

Hope you'll square up with our group & join the fun....with John Kal-tenthaler calling squares & Doc/Peg Tirrell cueing the rounds. We offer good times to dancers of all programs. See you on the third Friday..... and don't forget...our "Santa" dance in December. Reindeers- soft soled shoes, please! (AD on page 2) Janet/Jerry Sorokin 201-767-8427

We started this fall season with great enthusiasm & gusto! Our September dances were super fun & we are eagerly looking forward to our Halloween, Thanksgiving & Christmas Specials. Classes have begun at the Allamuchy Township School for Warren Wheelers & Kittatinny Rangers combined classes. Many new students were there to learn all about the fun of S/D.

Eddie Shoemaker's beautiful crocheted S/D afghan is on display at all our dances. This is a special give-a-way at our Christmas Dance. Be sure you stop by and see this beautiful work of art. Please check our flyers & come dance with us. (AD on page 14) Dolly/Vince Boliver 201-852-4223

Follow Up: Rose Parade S/D Float. . . .

Square Dancers are joining Woodsy Owl to launch Smokey the Bear's 40th birthday celebration across the land. Planning to be in the Los Angeles area Dec. 26 thru Jan. 1? Come & work on the float to be seen in the parade Jan. 2, 1984. So far our area has contributed almost \$1200 in the sale of the blue roses & rose bars. Thanks to all for helping.

CONGRATULATIONS to the NNJSDA on their 25th Anniversary. What a pleasure it was to see so many dancers out to celebrate the occasion, to talk with so many friends & to know there were a lot of Flutterwheels among the crowd. The latter is a tribute to Don/Helen Hendrix who do so much for our club. This year, they are Raid Chairmen so you'll be sure to see lots of green & white gingham around North Jersey. In the past, the Hendrix' have served the Flutterwheels in every conceivable capacity. To them, & leaders such as they in every club, who pitch in with enthusiasm warmth and friendliness, we are grateful. Last year, the Hendrix' worked with us on the caller committee & we think we've come up with the most exciting schedule we've had in years - so, check out our calendar & join us whenever you can. West Milford is a friendly place to be.

FLIGHTS FROM ALL CITIES & COUNTRIES!

Paul Brody, Dick Pasvolsky, Ed/Les Shearwood have really kept us dancing this fall, & we are happy to welcome so many friends from other clubs. The busy holiday season is here now, and we have planned a full schedule of celebration, beginning with our annual Thanksgiving Turkey Raffle and culminating with our fabulous New Year's Eve Party. For this gala we've invited Randy Longobucco, a popular, personable, enthusiastic & innovative caller from New England. With Les/Ed Shearwood cueing rounds, it promises to be the best party for miles around! NOW is the time to make reservations. Please check our ad for all the pertinent details for this & our other winter dances. We hope to see you all out dancing the winter doldrums away!

We're well into our new dancing season now & everyone seems to be enjoying every minute of it. By the time this is published we will have celebrated our 20th anniversary dinner-dance in November. We'd like to thank the Chairpersons for that event, Rose/Richie Ericson and their committee Karin/Duane Hartline, Jean Kellogg, & Florence/Hal Margo. Our next report will have more details of the activities. Another active committee this year is scheduling raids. Joan/Frank Sola head up this activity and we held our first raid of the year, visiting Country Promenaders in Oct. And while we're handing out kudos, let's give a hearty thanks to all club treasurers, including our own Rita/Fred Bollinger. All treasurers miss many tips during the year while balancing the books, and we all appreciate the job they do. See you on the dance floor.

TEN COMMANDMENTS for ANGELS (adopted from Buck Fish)

1. Attend all or as many classes as possible. Be on time.
2. Have the knowledge of & the ability to dance all BASIC & MS figures.
3. Form sets promptly, dancing where most needed NOT where you desire.
4. Be a guide/leader BUT let the dancer have the fun/satisfaction of discovering how to dance the various movements on their own.
5. LISTEN to the Callers' Instructions - remembering the Caller is the Instructor....you are only there to assist....not teach.
6. Dance in a precise & proper manner...sticking to calls and styling as taught. Forego ALL gimmicks - even in demo squares.
7. Wear your club badge. Talk to the class members about the sponsoring club(s). Make the new dancers feel wanted by clubs.
8. Dress properly - conservatively at first, then as the class progresses a little more elaborate attire. Discuss dress code with dancers.
9. Remember when you were a beginner - what were your fears, etc???
10. SMILE. Show you are glad to be there meeting new friends.

As a result of a suggestion made by Ken/Mary Garny, the Greater Memphis S & RD Assoc., Inc president Tom Smith has appointed a steering committee to formulate plans for hopefully starting a national drive by square dancers toward the support of the massive refurbishing of the Statue of Liberty. It was specifically noted however that nothing was to be initiated to distract from the efforts to get the S/D Bill thru Congress. Unofficially the committee has already obtained favorable sanction from both LEGACY and CALLERLAB. Among those serving on the committee is the Editor of their Association's official publication THE CALLER, Bill Crawford Box 18/422, Memphis, TN 38181. With Miss Liberty in our backyard and the NNJSDA having done many exhibitions within her eyesight, it is almost a natural that we here in NNJ territory might be interested in supporting this project. Your comments are most welcome.

The International Association
of Square Dance Callers

For the quarter beginning Oct. 1,
MAINSTREAM QS - has selected "RIPPLE" -

From facing couples: Facing dancers join both hands with each other & circle half, then pass thru. End with the dancers back to back. "Ripple Right, Left, In, Out". After doing the Ripple dancers face in the direction indicated by the caller.

PLUS QS - "SPIN CHAIN & EXCHANGE THE GEARS" - From parallel ocean waves (right hand, for ease of description)- start like a normal Spin Chain the Gears - Ends & adjacent dancers turn $\frac{1}{2}$, new centers turn $\frac{3}{4}$, while the ends U-turn back, & the very 2 centers of the wave Trade. All form two Left-hand stars (but before turning them, the out-facing point should raise a hand, indicating "follow me" --they'll be the 'leaders of the exchange') & turn the star $\frac{3}{4}$. The 'leaders of the exchange' will now lead the star out to the right, around the outside of the other star, like an S pattern, then into a momentary single file column of four. Lead dancer in the column does a right face U Turn Back & Touch $\frac{1}{4}$ with the second dancer in the column, as the third dancer in the column quarters right face individually and the 4th dancer in the column quarters left face individually. The movement ends in 2 parallel right hand ocean waves (at the Sides of the square if started from a Heads Box 1-4.)

This is a very smooth-flowing pretty dancing figure once mastered that takes 24 beats.

They also chose "MIX TO A DIAMOND" - From a two-faced line (or any wave or line of four) Centers Cross Run, the new centers Single or Partner Hinge (as appropriate), to end in a Diamond. From right handed two-faced lines, it ends in right hand diamonds; from left handed two-faced lines it ends in left hand diamonds; from ocean waves, it ends in facing diamonds; from lines, various "funny" diamonds result. Timing is 6 beats.

ADVANCED QS - "SHADOW TO A DIAMOND" - From two-faced lines or waves, or 3 and 1 lines with the centers facing out, the ends do a normal Cast The Shadow, the center facing in will Extend & Trade, the center facing out will Split Circulate $\frac{1}{2}$ to become the end of an ocean wave. The result will be diamonds in one of their various forms, right-handed, left-handed, facing, etc.

At the National S/D Convention in Seattle, Washington it was my pleasure as an MC to introduce the only Japanese caller present at the convention. After my hour was up we began to chat. At the same time that I stuck out my hand, he bowed. He continued to bow during our conversation. When he finished, I bowed and he stuck out his hand! OTHER PEOPLE'S GOOD MANNERS ARE CONTAGIOUS.

Your caller's continued emphasis on good manners is no accident. NOT LEAVING the square until the tip is over, thanking your fellow dancers in your square (even if 6 of them have two left feet), including a weak couple in your square once or twice in the evening, all contribute to pleasant, smoother dancing for everyone. You ARE a role model and what you do is CONTAGIOUS.

Fred Weiner, CCNJ Pres. 2927 Holland Avenue, Bronx, NY 10467 212-653-2700

Of the 5,481 dancers who took time to reply to LEGACY's dancer survey '82/83, 184 responses came from NNJ. We knew you would be interested in a comparison between our area answers & the overall responses.....

In the replies as to what the dancers liked the most working their way down to the least - Overall -starting with the most liked reason for S/D- Pleasure of dancing; Exercise; Doing things with Friends; New Acquaintances; Learning New Things; Getting out; Challenge; Cost; tie between Club Activities & Clothes; Round Dancing (NJ changed order here to Cost;Challenge; Club activities; Round Dancing;Clothes;) and then agreed on the 3 least desired features- Club leadership; Mixers and last Contras.

LEGACY will conduct its next survey in the fall of '84. It is hoped between then & now many areas will hold seminars & Mini-Legacies to help dancers better understand the complexities of S/D leadership & drop-outs.

If your club had a problem securing a R/D leaders the weekend of October 22-26, it was probably because they were involved in the 7th annual ROUNDALAB, the International Association of Round Dance Teachers, convention which was held this year in Indianapolis,

Indiana. It is at these conventions that members realize the importance of self improvement and standardization of terminology as well as learn better ways to teach. Many local leaders are members.

The UNITED SQUARE DANCERS of AMERICA (USDA) ,meets annually around the time of the National S/D Convention. At their regular meeting last June in Louisville, Joe/Joy Vaccari (FL) were chosen to succeed Jim/Jan Maczko (CA) who had served the USDA since its beginning in 1981. Walter/Ruth Henderson (PA) were

re-elected to a second term as Eastern Region VP. Dancer organizations from approximately 15 states pay dues & send delegates empowered to vote, but dancers from all over are welcome to attend their meetings.

Closer to home is the S/D Foundation of New England. This dream of Charlie Baldwin former editor of NEW ENGLAND CALLER) to have a central headquarters dedicated to the promotion, preservation & perpetuation of the New England

S/D heritage is fast becoming a reality. They are in the process of purchasing a permanent headquarters-Kramers Hayloft in South Weymouth, MA. It will have 2 dance halls, administrative offices, a museum, library & educational center. It will be the first permanent historical folk dance archives in New England. Naturally all this takes \$\$\$ & they are in midst of a fund drive to raise \$\$\$\$ for this most worthwhile & ambitious project. Yes, all donations are tax deductible. For further info as to its goals & purpose, write to S/D Foundation of New England PO Box 329, Beverly, MA 01915 or contact the Tirrells.

CALLERLAB

The International Association
of Square Dance Callers

Traditionally, in most parts of the country
Fall is the time for recruiting new dancers
& starting S/D Classes. Great enthusiasm is
shown & much time & effort is expended by

dancers & callers in trying to attract more people into the wonderful world
of s/d. This is to suggest that, along with this annual burst of enthusiasm
there should be a time of serious reflection on what is to be accomplished
the next 9 to 12 months. This should be A TIME FOR SETTING GOALS.

Goal-setting should include an evaluation of past experience. What has
been tried before? Did it work? If not, what went wrong? What improve-
ments can be made? How many previous class graduates have we lost? Why?
For many clubs, it is shocking to see how few graduates of the past several
classes are still dancing with the club. Is it because those dancers were
poorly taught & not prepared to cope with the real world of modern S/D? Is
it because they received the cold shoulder when they tried to integrate in-
to the club? Questions such as these take courage to answer honestly. But
honest answers can lead to positive change.

Clubs & caller/teachers who rush new dancers through class simply so
they can begin contributing to the club treasury & to "build up the clubs"
are short sighted, indeed. Those short-term graduates may pay dues sooner,
but the statistics from around the country show that a disturbingly large
percentage of them will pay a much shorter time & will soon be gone from
S/D. Some of our best, most respected caller/teachers, whose names are
well-known to the dancing public, continue to tell us that they cannot
teach the Mainstream program thoroughly in much less than one year. One
wonders, therefore, how much less experienced caller/teachers claim to
teach that program (& usually some Plus movements in addition) in classes
of 15 to 30 weeks duration. Classes are the very foundation of S/D, where
dancers learn, or do not learn, the basics, customs, courtesies, traditions,
dress, & all the other things that go to make a complete S/Der. They
should not be looked upon routinely but should have definite goals with
the good of the club, the new dancers, & square dancing in mind.

FLASH!!! The R/D Party Nov. 19 with Marie/Stan Shipman has been cancelled.

Bill Heyman was welcomed as Guest caller in September while club caller Dot Loewenstein was in Europe with S/D group of 24 led by husband George. Club president Henry Hugelheim & first lady Anne Greite were among the dancers who met the Europeans, stayed in their homes, bused thru 7 countries, danced on the Rhine River, & made many new friends. Club treasurers Larry/Regina LaMarche danced in London, England during their vacation. Our new workshop at 7 PM has been enthusiastically received; between tips we have been learning Miserlou and Elvira. Class Level Dancers are invited once they have been exposed to the first 48 calls; Mainstream dancers are welcomed to brush up on some calls. RAIDS are encouraged!

 Rockaway Valley Meth. Parish House, Valley Road

We are having a good turn out for our dances. On the 1,3,5 we are working on Mainstream figures that dancers are having problems with & using a few variations with the MS. We are providing a plus workshop on the 2 & 4 Fridays for those who need help on the Plus Program figures or who did not dance over the summer. We encourage any dancer who has been out of the activity awhile to join us & relearn any forgotten figures at a leisurely and fun pace. Beginning in January we will have Class Level Dances on the 1,3,5 Fridays. (AD on page 54) Bob/Kay Tarrant 201-766-5629

Continued from page 52.....

Have you set goals for your class & club? Do they include the graduation of well-taught, competent dancers who will fit comfortably into the dancing program of your club? Do you have a plan for easing those new dancers into your club? Have you planned definite activities to carry Spring graduates through the summer doldrums? Now is the time to evaluate past experiences & plan for the future. Fall is really A TIME FOR SETTING GOALS.

KUNTRY KUZ'NS -- Franklin, N.J. (+)

1 & 3 Saturdays

Presbyterian Church, Main Street

Fall has arrived in Sussex County & so has another year of our wonderful S/D activity. Several of our members recently enjoyed the BIG D Weekend in Deposit, NY with John Kaltenthaler, the Tirrells & our own Bob Mitchell. What a great time we had! At our first dance in October we were "treated" to the "tricky" calling of Bruce Busch - lots of fun. Bob's A-1 workshops are being well attended, & the dancers seem to be eager for the challenge. Enjoy the holidays & come to see us.

We had a wonderful Welcome Back to Valley Squares Dance & are looking forward to another season of Carl Hanks' very smooth & interesting Plus calls. After all - the second word in our activity is DANCE - & Carl makes you feel that that is what you are doing! Roy Gotta's R/D Workshops are progressing with the new cues & Peg Tristram's Beginner R/D Class is well attended. Call her (561-5914) for information. Would you believe we (Somerset Hills & us) have over 40 in our S/D Class at the High School? How grand to see the enthusiasm in their faces when they have perfected a pattern taught by Bob Tarrant. Refreshments are again under the expert organization of the Fosters & the Chamberlains are ably assisting to keep our table bountiful. This is the start of another great dance year.
